## Many Old Timers Enjoy Annual Reunion

### County Free Library Opens Wednesday

Opening of the Lynn County Library in the basement of the court house will be Wednesday of next week, the library board announced this week. Except for a few books kept on the rental shelf, no charges will be made for reading books.

Beginning Wednesday, the library will be open from 9 a. m. to 6 p. m. each week day, WPA librarians doing the office work.

To date, the library has 485 books, fully 100 of which are the very latest fiction. Others include Western adventure, detective, juvenile, biographical, historical and religious subjects, classics, and older books of fiction that have been popular in years past. Books added this week include one donated by the Church of Christ and 69 bought by the library board.

The only requirement necessary to take books from the library for home reading is that an application card be signed. If the applicant is a property owner and known to the librarians his own signature to the card is sufficient, but if he is not a property owner he should sign the card and secure endorsement of some well known and respectable citizen. This rule is necessary to assure return of the book loaned or the payment for the same in case the borrower loses the book and to guarantee that only Lynn county citizens

### Trial of Indians To Be Re-Enacted

Mr. and Mrs. Hall Robinson are planning to have the most colorful and thrilling Fourth-of-July celebration they have ever experienced. They will attend a big "blow-out" at Jacksboro featured by an Indian parade in the morning, an Indian show in the afternoon and the re-enactment at night of the trial of two Indian chiefs, Satanta and Big Tree, which occurred at Jacksboro sixty-nine years ago.

There had been many Indian raids in that part of the country and finally these two chiefs were captured. Charges of murder were filed against them, and they were indicted, tried, convicted and sentenced to death.

Judge Charles Soward sat at the trial, and following their conviction, he induced the governor, it is said, to commute the punishment to life imprisonment, not because he thought they deserved leniency but in order to palliate the Indians and possibly forestall other raids. They were placed in the penitentiary at Huntsville, where Satanta later killed himself.

Big Tree was later paroled and

### Make Plans For Short Course Trip

Lynn county has more co-operative cold storage locker plants than any county in the state, County Agent Don Turner has been informed. There are plants at Tahoka, New Home, Wilson, and O'Donnell, serving about 1,000 customers.

Because of this and because of the exceptional work done by the Lynn County Land Use Planning committee, three members of the latter body have been asked to appear on the annual A. & M. Short Course program which opens at College Station July 8. This committee is composed of B. J. Emanuel, E. J. Cooper, and Mrs. R. F. Barton. The county committee, composed of Fred McGinty, A. H. Hood, and H. W. Calaway, will also attend the short course this year.

The county agent, the home demonstration agent, and a number of home demonstration club women and 4-H club girls will also attend the short course.

### More Rain Help To County Crops

With the exception of a few localities, rain which fell late Sunday afternoon and throughout a greater part of the night covered practically the entire county, varying in amount however, from a quarter of an inch to more than an inch.

The fall in Tahoka amounted to .58 of an inch, and a large portion of the county received at least that much. It was of much benefit to crops, though many farmers are still needing rain.

### Building Gin At West Point

Work was begun several days ago on a gin plant which Joe Thompson is to install at West Point about fourteen miles west of Tahoka on the Brownfield highway.

The foundation had been laid and work was beginning on the superstructure the first of the week. It is expected to have the plant ready for business before the cotton season opens this fall.

The new gin is being built on a five-acre tract of land purchased by Mr. Thompson from C. T. Tankersley and is situated immediately east of the new store at the turn of the old highway.

The store and filling station was built a few months ago and is being operated by J. C. Pendleton and father formerly of Newmoore.

Application also has been made for a new public road to run from this point on the highway south six or eight miles to intercept another road in the Newmoore community.

### Legion Bans Public Dances

The Marion G. Bradley Post of the American Legion of Tahoka, Texas, wishes to advise their public that there will be no more dances at the American Legion Hall of Tahoka—except when sponsored by a qualified member of the American Legion of this post, and he must then have permission of the house custodian.

This resolution was passed in regular business session and will be strictly adhered to, and any special privileges to anyone must be voted by the post in regular business session. This action was taken in view of the best interest of all concerned with ill will toward no one, and we want to take this method to inform anyone that might be interested in our action that those wishing dancing privileges at the hall cannot obtain these by mere application to a member or any officer of the post, but must be guided by the action of the Post as set out in the resolution above.

We sincerely hope this will meet with the approval of all concerned. Signed, P. Coleman House Custodian.

### Smith Tries Case In Tennessee

Truett Smith, district attorney, returned home Friday night from Tennessee, where he represented a Lamesa client in a civil suit in the district court at Livingston, Tenn.

Truett got a great kick out of his visit to that state, but he returned thankful that he is privileged to live on the South Plains of Texas. He says that part of Tennessee, north-east of Nashville near the Kentucky state line, is now a "back-woods" country that has shown little progress in the last few decades. While there, he visited the birthplace and early home of Cordell Hull.

"Hats off! The flag is passing by." The Stars on our flag have grown from thirteen to forty-eight since the above design was made, but the area, population, wealth, power, and influence of this country of ours has grown in far greater proportion than has the number of stars on the flag. Through all these years, however, the great principles of freedom and justice which this changing flag symbolizes have remained unchanged and have continued to constitute the bedrock on which our government rests. On these principles has been built the greatest and best governmental structure in all the world. Under this flag every citizen is assured the privilege of exercising all those imperishable rights which Thomas Jefferson and the other signers of the Declaration of Independence declared to be inalienable. Every American who is an American will stand with reverent spirit under the folds of this flag and will give the last drop of his blood, if necessary, in defense of it and of the beneficent government of which it is the sacred emblem.

### Rotarians Talk Credit Association

Mrs. Lee Green, secretary of the Slaton Retail Merchants Association for thirteen years, told of work of the organization at the Tahoka Rotary Club Thursday at noon. She was accompanied by Miss Viola Ellis, who proposes such an organization in Tahoka.

Following the talk, President Leonard Craft appointed a committee composed of Carl Owens, Frank Hill, and Deen Nowlin to nominate a board of directors to consider forming a retail merchants association here.

### Infant Twins Are Buried Wednesday

Infant sons of Mr. and Mrs. Charles Cook were buried in the Tahoka cemetery Wednesday afternoon. The twins were prematurely born in a Lamesa hospital early Wednesday morning. One of them lived until that afternoon.

The condition of the mother is satisfactory. R. D. Fenn of Seminole came over a few days ago to attend the Old Settlers Reunion here Monday and to visit with Mr. and Mrs. J. L. Holt a few weeks. Mr. Fenn was one of the very early residents of Lynn county two or three years before the city of Tahoka was laid out.

### T-Bar Livestock Delivered To New Owners; Ranch Is Being Improved

Dave Childers was here from Lubbock Wednesday and reported that on June 15 he and John Sartin, acting for Messrs. Cass Edwards and C. O. Edwards respectively, delivered to Wayne Chandler and John Q. Adams, lessees of the T-Bar Ranch, all of the livestock consisting of 2,180 cattle, about forty head of horses, and twenty-one hogs, together with the chickens and turkeys, feed, windmill supplies, and other personal property involved in the deal made early in the year.

Mr. Adams and John Chandler are here and in charge of the ranch and livestock. They have placed on the ranch already about 1,500 head of sheep. Mr. Childers says, and are building a sheep-proof fence around the entire ranch. It is understood that they will add from time to time

### Boyce Evans Is Lone Star Farmer

Boyce Evans, son of Mr. and Mrs. C. B. Evans and a vocational agriculture student in the Tahoka High School, received notice Wednesday that he had been approved by the state committee for the Lone Star Farmer degree.

"The key will be awarded at Houston during the state F. F. A. convention, July 11, 13, and 14", the notice addressed to Boyce's teacher, Leslie Browning, stated.

This degree is awarded to outstanding F. F. A. students and is the first to be awarded to a pupil of the Tahoka school.

### Tahoka Golfers To Play Lamesa

Sled Allen's golfers took sweet revenge on Tahoka's golfers last Sunday afternoon on the Lubbock course, winning 20 matches to Tahoka's 9. The previous Sunday, Tahoka had defeated Lubbock here.

This Sunday Lamesa comes to Tahoka for matches on the local course. The contest will start at about 1:30 p. m.

### INSTALLS COOLER

Piggly Wiggly store has recently installed a large air cooler unit in their store.

### Will Start Tests For Bangs Disease

Twenty Lynn county milk cow owners have signed applications to have their 220 cows tested for Bangs disease, County Agent Don Turner states. All people in the county owning milk cows are urged to sign up at once for these free tests.

Mr. Turner has received word that a veterinarian from the Bureau of Animal Industry, U. S. Department of Agriculture will be here Friday to start making these tests.

County Agent Turner states that as a result of private tests made of Lynn county cows recently, about ten percent of the 200 cows tested were found to have Bangs disease, the animal disease from which humans contract undulant fever.

All who wish to avail themselves of this opportunity, may have their cows tested free by the government veterinarian if application is made at the county agent's office soon.

### Highway Office Being Built

A much needed office and storage room building is being constructed here by the State Highway Department in the south part of town facing west on Highway No. 87.

It is being constructed of sheet iron on a concrete foundation, and the office portion of the building will have a concrete floor. The remainder will have a caliche floor.

The interior will be cut into compartments, the south portion being occupied by the office and a storage room for gas, oil, etc. The north portion of the building will be used for the storage of highway equipment, tools, etc.

The building will be approximately 31 by 42 feet in size and the cost will run from \$2,500 to \$3,000. It will be ready for occupancy about the first of July, according to Mr. Blair, the head carpenter.

### Joe Bailey School Case Heard Here

The election contest case filed by citizens of Joe Bailey school district naming Rollin McCord as county attorney of Lynn county as the defendant and attacking the legality of the election on account of numerous alleged irregularities, was heard by Judge Louis B. Reed in the district court here Tuesday.

Nelson & Brown represented the plaintiffs and George Dupree the defendant.

At the conclusion of the testimony and the argument of counsel, Judge Reed took the case under advisement. He is expected to render a decision within the next few days.

The proposition voted upon was the consolidation of the Joe Bailey School district with the O'Donnell district. According to the returns as canvassed by the commissioners court, the proposition carried by a small majority.

### Land Measuring School Is Held

Sixty men attended the land measuring school held here Monday, Tuesday and Wednesday of this week conducted by C. A. Lawrence, Clint Walker and Leroy Crews of the AAA office and Maurice Small county supervisor.

Seventeen crews, each crew consisting of a reporter and a chain carrier, will be selected from the group for employment to measure Lynn county farms for compliance with the AAA program.

### BUILDING NEW HOME

The new home of Jimmy Adams in south Tahoka, almost completed, is going to be a handsome structure. It is being built of tile, its two stories high, and will be neatly finished inside and outside. Situated on an eminence facing the highway a block to the east, it is a handsome structure, beautifully located.

### All-Day Program At City Park Was Colorful

Everybody says that the Old Settlers' Reunion here Monday was the best yet held. In spite of the all-night rain Sunday night, continuing until sunrise of after on Monday morning, the day turned out to be a beautiful one and possibly the largest crowd in the history of the organization was present. While no count was made, the crowd was pretty accurately estimated at 500 to 600.

The place selected for the meeting, the City Park, proved to be ideal. All the meetings hereafter will probably be held there.

The program, too, was generally pronounced about the best that has been staged at one of these meetings. There were numbers by a women's quartette composed of Mrs. Ruby Wells, Mrs. Lola Thomas, Miss Robbie Milliken and Miss Anita Reddell, and by a men's quartette composed of W. M. Lee, Ott Patterson, Fred Bucy, and Marvin Munn, all of which were tops.

Possibly the feature of the morning program was the conversation between Truett Smith and Mrs. J. W. Elliott supposed to take place in year 1950 in which various and sundry old-timers of Tahoka were mentioned. In fact, Mrs. Elliott proceeded to give the "low-down" on them in a manner that brought one roar of laughter after another. This was followed by a conversation between Truett and Jake Leedy, which also was good.

In the afternoon, an address was made by Judge E. L. Klett of Lubbock, who has been a resident of our neighboring city, Lubbock for 32

### Lyntegar Starts New Extensions

Short extensions of the Lyntegar lines in many localities in the territory which it covers are to be built soon, according to attaches of the office here. In fact, work on some of them has already begun. The total mileage embraced in the proposed extensions will aggregate about 200 miles.

The building of these extensions was made possible last week when John Heck, president of the board, Garland Pennington, the general manager, and Tom Garrard, attorney, met with officials from Washington in Fort Worth and induced these gentlemen to make a change in policy whereby lines might be built with fewer patrons to the mile than has been required heretofore. Under the new arrangement, lines may be built in some instances, where there are not more than three subscribers for each two miles, instead of three to the mile.

The line recently built to Gail, county seat of Borden county, was energized Tuesday afternoon, and the people of that historic old town had electric lights in their homes for the first time Tuesday night.

### Cicero Smith Is Building Office

In keeping with the spirit of progress that is evident in Tahoka, the Cicero Smith Lumber Company has begun the enlargement and remodeling of their office.

The west wall will be set back twenty feet and the north and south walls of the front compartment will be extended the same distance, making the floor space 50x50 feet.

Plate glass will be installed across the front and for twenty feet back on the east side of the office. The ceiling and inside walls will be finished with celotex with the wainscoting of asbestos flex board.

The storage room adjacent to the office will also be 50 by 50 feet. The stucco on the exterior will be re-dashed, greatly enhancing the attractiveness of the building.

**Nance Is Running For County Judge**

Many friends in this county will be interested in the fact that J. E. Nance, formerly of Tahoka, is now a candidate for county judge of Borden county.

Mr. Nance is a son-in-law of Mr. and Mrs. W. L. Knight and for several years was associated with the Security State Bank here. Then he went to Washington where he was in the Government service a number of years.

Two or three years ago he moved upon his farm in the western part of Borden county and has been engaged in farming and stock-raising since.

He is well qualified for the office of county judge.

**Bangs Disease In Hockley County**

Approximately 10 per cent of the 1000 cows tested in Hockley county during a ten day period have been found to have Bangs disease, which, when transmitted to humans through milk is known as undulant fever, according to D. W. Sherrill, Hockley county agent.

Dr. K. H. Hoyme, veterinary of the Federal Bureau of Animal Industry is making the tests free of charge to the farmers of that territory.

A similar campaign for checking the rapid spread of the disease in this section has already been started by County Agent Don Turner of Lynn county, and farmers are now signing up with him for such tests of their cows.

**RETURN FROM WEST**

Mr. and Mrs. P. A. Nowlin and children and Miss Venita Cooper returned Monday from a trip through the scenic sections of Colorado, the Yellowstone and Grand Teton national parks, Salt Lake City, and California, where they visited friends, the great Boulder dam, Arizona, and New Mexico.

Mrs. Nona Patterson of Fort Stockton spent a few days here visiting her sister, Mrs. W. L. Tunnell, and her brothers, Lt Moore of New Home and Ben Moore of O'Donnell. The four took dinner together in Mrs. Tunnell's home Sunday, and some of the party, including Mrs. Patterson, attended the Old Settlers Reunion here Monday.

Mrs. B. C. Burks of Grand Saline and her daughter, Mrs. G. C. Bengel and three sons of Houston came last Wednesday for a visit with their daughter and sister, Mrs. Jarell Cox and family.

## 25 Years Ago

(From Files of Lynn County News)

June 25, 1915  
W. M. Seymore of O'Donnell, manager of the telephone system there, was in Tahoka the first of the week. He has sixty phones in and around O'Donnell and expects to have 160 by the close of the year.

Dr. J. R. Singleton, the dentist, will build in the near future.

"In the presence of such woeful conditions now existing in Europe and in Mexico we are constrained to ask: Has God in His omniscience withdrawn His Grace from the earth?—West News.

By No means. The earth has withdrawn from His grace.

A horse buyer was in Tahoka the past week and Saturday shipped a car of well graded horses to Fort Worth. We understand his firm is buying for the war market.

**Plans For Two Tile Buildings**  
Thursday, S. S. Ramsey, contractor and builder, commenced work on plans and estimates for J. E. Stokes, proprietor of the Tahoka Hotel, and H. M. Larkin, general merchant on the southwest corner of the square. Mr. Larkin's plans are for a building 25x100 feet, two stories, to be built of hollow tile. Mr. Stokes contemplates a building 30x100 feet, two stories, of the same material.

The new store building of J. N. Jones, furniture dealer, has been completed, and he will move his

### "Build-Up" Good News For Suffering Women

Much of women's periodic distress may be unnecessary! Many who suffer from headaches, nervousness, cramp-like pain, other symptoms of *functional dysmenorrhea* due to malnutrition are helped by CARDUI.

Main way it helps relieve periodic distress is by increasing appetite and flow of gastric juice. Thus it often aids digestion; helps build strength, energy, resistance to periodic disturbances.

Others find help for periodic discomfort this way: Start a few days before and take CARDUI until "the time" has passed. Women have used CARDUI more than 50 years.

stock in the first of next week.

The young people of the town and some Summer Normal students had enjoyed a party in the home of Mr. and Mrs. C. C. Barnes honoring Mr. Barnes niece, Miss Minnie Ragle of Lockney, who was returning home after a visit here.

The courthouse gang assisted by a few town grafters cut the weeds in the court yard Thursday morning and otherwise cleaned it up preparatory for the pleasure of the big crowds that will be here the 2 and 3.

More than a column was used to tell of the "Biggest picnic of the year" in Tahoka, July 2 and 3.

J. H. Edwards' handsome residence in the southeast part of the city is fast nearing completion. The walls and roof are nearly all up.

Wednesday night the band met and completed the organization of Tahoka's band. It was agreed that the band should be known as the Tahoka Cornet Band". The following officers were elected: B. H. Robinson, president; C. H. Fielder, vice-president; and E. L. Howard, secretary.

### MRS. TOM DIKES RECOVERING FROM INJURY

Mrs. Tom Dikes is now able to be up but is still on crutches as the result of an injury sustained in a fall in the chicken house at her home east of town a month ago.

One of her knees was badly bruised causing pus to form and the wound had to be lanced. It was necessary for her to remain in bed two weeks and for a time it was feared that a bone had been fractured but an x-ray examination disclosed no fracture. After several trips to the hospital, it is believed now that the injured knee will soon be perfectly well again.

Jack and Dorothy Waldrep of Man's situated up in the mountains in the Big Bend country are here visiting their grand-parents, Mr. and Mrs. S. L. Shelton.

### Lubbock Organizes Defense Forces

LUBBOCK, Texas, June 27.—A local National Defense Committee, authorized by the Board of Directors of the Lubbock Chamber of Commerce, was completed late last week with the appointment of seven members in addition to the chairman and vice-chairman. Hubert L. Allen of the Texas New Mexico Utilities Company was elected chairman and Geo. P. Kuykendall, vice-chairman. Other members of the committee are: Dr. Clifford B. Jones, President of Texas Technological College for Education; Dr. Jack M. Lewis, pastor of First Presbyterian Church, for religious organizations; S. E. Cone, head of a grain and seed company, for Natural Resources; George A. Simmons, manager of Lubbock Cotton Oil Company, for Industry; J. D. Hassell, Jr., department store head, for Retail Business; Mayor Carl E. Slaton, for Local Government; Charles A. Guy, editor, Avalanche-Journal, for Press and Radio; and A. B. Davis, secretary.

Serving as ex-officio members will be Mark Halsey, President of Chamber of Commerce; J. Doyle Settle, member of the Governor's three-man Industrial Committee; A. F. Holt, member of the Governor's State Aviation Committee; Arch S. Underwood, member of the nine-member National Defense Aviation Committee for Texas.

The general purpose of the committee as a whole will be to attempt to coordinate community activity of every kind for cooperation in the national defense program, to detect and combat subversive activities and to seek for Lubbock and the South Plains any portion of the tremendous national defense appropriations which might be invested there to advantage.

"The Lubbock committee is anxious to cooperate to the fullest degree with any other similar committees organized in the towns of the South Plains and adjoining areas",

### Former Citizen Dies At Santa Fe

Mr. A. Shroyer, about 60, who resided in Tahoka a number of years died in a hospital in Santa Fe, New Mexico, at seven o'clock last Friday morning, following a prolonged illness, according to a message received by his little grandson, Milton Shelton of Santa Fe, who is here visiting his paternal grandparents, Mr. and Mrs. S. L. Shelton.

The body was buried in Santa Fe, Mr. Shroyer had been living at Ruth-egon, New Mexico. Surviving him are the widow, four children, and two grand-children.

Mr. Shroyer and family lived in west Tahoka a number of years moving away from here about ten years ago.

Mr. and Mrs. J. B. Walker of Lubbock were here Monday attending the Old Settlers meet. The Walkers were among the very first citizens of the town of Tahoka.

stated chairman Allen. "If the Lubbock committee can be of service to any of the communities, call upon us and we will cooperate to the fullest degree of our ability."

Messrs. Garland Pennington, John Heck of Wilson and Hon. Tom Garrard went over to Ft. Worth last Thursday on business. They were accompanied by Sam Garrard who was enroute to Atlanta, Ga. to accept a position. Mrs. Pennington and Rae Fern accompanied them to Abilene where they visited one of Mrs. Pennington's aunts. They returned home Saturday.

The News is informed that Mrs. S. L. Williams out at Lakeview suffered a light stroke of paralysis and the doctor ordered her to remain in bed two weeks. Barring a recurrence of the trouble, it is expected that she will be well again at the end of that period.

Mr. and Mrs. Elton A. Wossum and three children of Whitharral spent Sunday with her parents, Mr. and Mrs. J. C. Godwin and family.

STATED MEETINGS of Tahoka Lodge No. 1041 the first Tuesday night in each month at 8:30. Members urged to attend. Visitors welcome.

O. A. Luallin, W. M.  
Douglas Finley, Sec'y

STOPS TRAVEL SICKNESS BY SEA, AIR and TRAIN

In observance of July the 4th we honor the memory of heroes whose sacrifice bears witness that there is character in humanity, . . . faith in men, . . . courage in the world, . . . Let us read again the names of those who died for the preservation of the American tradition of Independence. . . of spirit, . . . of thought, . . . of action, . . .

As we review their deeds may we acquire in our own hearts some part of their valor . . . May they live again in our renewal of courage . . . We fall to live up to our heritage when we cease to pay tribute to those who gave their all in carrying through to victory in the dark days of War!

Texas-New Mexico Utilities Company

## BIRTH OF JULY

### Independence!

Since the signing of the Declaration of Independence in 1776 these United States have made much history. Time and again there have been national crises. And time and again the citizens of the land have risen to a successful conquest of besetting evils, strengthening the deep significance of that first Declaration with each new victory, each new gain. . . And beneath those national victories of which we are so justly proud lies that fine, though intangible thing we call American character! It is the thing that accounts for victories both national and personal—the ability to set a course and keep it. That way lies permanent independence!

The First National Bank

# Panhandle Population Less Than South Plains

LUBBOCK, June 26.—For the first time population of the South Plains, as shown by the 19th congressional district, has exceeded that of the North Panhandle or the 18th district. Preliminary census figures for 1940 indicate.

Complete but preliminary reports from 23 out of 25 counties comprising the 19th district show 264,474 as of April 1 this year, compared to 250,207 ten years ago. Ten of the counties show an increase and 18 a decrease. The two not yet reported Gaines and Yoakum, both will show increases. Gain was 14,267.

### Loss Of 16,683

For the 18th district, 27 out of 28 counties show 236,711 inhabitants, a loss of 16,683, there being 253,904 residents ten years ago. Moore county, not reported, will show a gain it is expected.

Potter county leads both the 18th district and the territory with 55,896 inhabitants. This is a gain in ten years of 9,816. Lubbock county ranks second in the territory and first in the 19th district, with 51,490, practically as many as reside in Amarillo. The gain is 12,385 inhabitants.

Howard county is second in the 19th district, the only one with more than 20,000 population. Hale is third with 18,800 and Lamb fourth with 17,650.

### Counties Showing Gains

Counties in this district that have gained are, Andrews, Bailey, Cochran, Dawson, Garza, Hockley, Howard, Lamb, Lubbock, Terry.

In the 18th district Gray with 23,974 ranks next to Potter and Hutchinson is third with 19,054. Both counties show gains and both are oil producing counties. Others that gained were, Deaf Smith, Parmer and Randall.

Hockley and Terry counties both passed the 10,000 population figure and as such are entitled to separate offices for sheriff and for tax assessor-collector. No counties in the 19th district passed the 10,000 mark to increase the number of county officials.

Thirteen counties in the 19th district have more than 10,000 population, with but seven in the 18th district.

Ten years ago the 19th district had a population of 253,010 and the 18th 254,949.

### Donley Drops Below

Donley county in the 18th district dropped below the 10,000 population figure.

A dozen North Panhandle counties have less than 5,000 population, Armstrong, Briscoe, Castro, Hemphill, Hartley, Hansford, Lipscomb, Motley, Ochiltree, Oldham, Roberts and Sherman.

Only five counties in this district have as few as 5,000, Andrews, Borden, Cochran, Kent and King.

Population figures for 23 out of

the 25 counties in the 19th congressional district, showing comparison of 1940 and 1930 preliminary census population figures are:

County	1940	1930
Andrews	1,383	738
Bailey	6,317	5,186
Borden	1,396	1,505
Cochran	3,734	1,963
Crosby	10,050	11,023
Dawson	15,350	13,673
Dickens	7,864	8,601
Floyd	10,655	12,409
Gains		1,540
Garza	5,668	5,586
Hale	18,800	20,189
Haskell	14,908	16,669
Hockley	12,681	9,298
Howard	23,950	22,888
Kent	3,408	3,851
King	1,065	1,193
Lamb	17,650	17,452
Lubbock	51,490	39,105
LYNN	11,923	12,272
Mitchell	12,368	14,183
Martin	6,558	5,785
Scurry	11,537	12,188
Terry	11,133	8,883
Stonewall	5,586	5,667
Yoakum		1,263

Total 264,474 250,207

Population figures for 27 out of the 28 counties comprising the 18th congressional district, showing comparison of 1940 and 1930 preliminary totals are:

County	1940	1930
Armstrong	2,472	3,329
Briscoe	4,056	6,583
Carson	6,563	7,745
Castro	4,625	4,720
Childress	12,147	16,044
Collingsworth	10,328	14,461
Cottle	7,080	9,295
Dallam	6,489	7,830
Deaf Smith	6,049	5,979
Donley	7,498	10,262
Gray	23,947	22,090
Hall	12,104	16,966
Hansford	2,782	3,548
Hartley	1,868	2,185
Hemphill	4,161	4,567
Hutchinson	19,054	14,948
Lipscomb	3,760	4,512
Motley	4,995	6,812
Moore		1,555
Ochiltree	4,211	5,224
Oldham	1,384	1,404
Parmer	5,879	5,789
Potter	55,896	46,080
Randall	7,183	7,071
Roberts	1,289	1,457
Sherman	2,018	2,314
Swisher	6,488	7,343
Wheeler	12,385	15,555

Total 236,711 253,394

Mrs. Claude Donaldson was reported to be somewhat improved Thursday, after having suffered a severe attack of the malady from which she has been suffering on last Saturday night, since which time she has been very sick.

# Folies, Flowers at the Fair

Pretty Eleanor (left) and lovely Virginia of the New Folies Bergere enjoy a frolic in the bedowered gardens on Treasure Island. Knee deep in blooms, the beauties make a striking picture at the Golden Gate International Exposition.

### MISS McNATT DISCUSSES MEAT BRAISING

"The aim in braising is to produce a piece of meat which is evenly browned on the exterior, tender and juicy, with no stringiness," stated Miss Maurine McNatt, home demonstration agent, at the Tahoka Home Demonstration Club Wednesday June 26 at the home of Mrs. Sam Holland.

"Heat a heavy frying pan very hot and add a little fat. Dredge steak well with seasoned flour and brown on both sides. Add a little liquid and cook, covered, at a reduced temperature until the steak is tender. It will be necessary to turn it often so it will cook evenly. Add more liquid, a little at a time as needed. Braised meats are always cooked to well-done stage."

The club voted to donate \$10.00 to the county library fund. Meeting hour was changed to 4:00 P. M.

Twenty-one members and two guests were present.

Next meeting July 10 will be in the home of Mrs. Kaddatz.

### BFW PICNIC

The business and Professional Women's club enjoyed a picnic at the City Park Wednesday night, with about fifteen members present.

Misses Ovel Lytle and Hatie Server brought a report from the State Convention at Dallas, where they went as delegates from the club, and the club presented gifts of lingerie to Miss Lytle.

As the Club year is completed, club sisters were revealed and exchanged gifts.

The new year begins July 1st, with September 1st deadline for payment of dues.

Rev. J. J. Richardson of Kent came in Tuesday night to visit here some time with his daughter, Mrs. R. W. Fenton Sr. Though past ninety years of age, Brother Richardson is enjoying excellent health for one of his age and says he is in fine condition except that his underpinning is showing signs of weakening. A retired Presbyterian minister, he takes a lively interest in religious and world affairs and is a most interesting conversationalist. May he be allotted many years of life yet.

### OLD SETTLERS EXPRESS THANKS

In behalf of the Old Settlers Association, I wish to express our sincere thanks to The American Legion for the use of their hall here Monday, to R. W. Fenton Jr. for the use of the warehouse, to Rollin McCord for the use of his public address equipment, to all the committees who did such faithful work, to those who appeared on the program, and to all who helped in any way to make our meeting Monday the magnificent success that it was. We thank you all.—John Donaldson, Retiring President.

### Vegetable Laxative With Proved Feature

The punctual, satisfying relief from constipation and its headaches, biliousness, bad breath, so often experienced by users of this laxative, is mainly due to its combination of purely vegetable ingredients.

BLACK-DRAUGHT'S principal ingredient has high medical recognition as an "intestinal tonic-laxative"; helps impart tone to lazy bowel muscles.

A little of this spicy, aromatic product by simple directions at bedtime, generally allows time for a good night's rest; acts gently and thoroughly next morning.

Next time, take time-tested, economical BLACK-DRAUGHT.

### METHODIST CHURCH

We continue to advance into the summer with every effort made, and so far successfully, to hold every advantage in attendance upon morning and evening services. Our evening attendance is increasing. In order that men may be comfortable we request that you leave your coats at home. Summer heat will break upon us after the cool spell and you will be more comfortable and make the preacher more at ease by coming in shirt sleeves.

Dr. O. P. Clark, our able District Superintendent, will preach Sunday at 11 o'clock and the pastor at night. Third Quarterly Conference will be held at 1:30 in the afternoon. Is your girl or boy of the age 12-16 planning to attend the Ceta Canyon camp July 15-19? Ask for an illustrated folder of this camp. Geo. E. Turrentine, Pastor.

### VANDYKE THANKS NEIGHBORS

I desire to publicly thank my good neighbors for voluntarily coming to my assistance and finishing the planting of my crop recently on account of sickness in my family. I can hardly find words to express my gratitude. It is fine to have good neighbors.—W. N. Vandyke.

### MINORS IN PALESTINE

James and Max Minor are now employed in an oil refinery at Palestine, according to John Minor, their father. They expect to enter the University of Texas this fall, where James, who took his B. A. from Howard Payne this spring, will study law; and where Max, Tahoka High graduate, will study engineering.

Mrs. and Mrs. J. T. Carter of New Home are planning to move Monday to Parwell, on the New Mexico line, where Mr. Carter has accepted the position of superintendent of the school. Mr. Carter has been superintendent at New Home the past three years and prior to that was principal of the high school here several years. He is an excellent school man that we regret Lynn county is losing.

Mrs. B. L. Parker and Mrs. Homer Parker returned Wednesday from Hot Springs, New Mexico, where Mrs. B. L. Parker had been taking hot baths.

Mrs. A. G. Woody and son returned home Saturday after a visit with her brother and family, Mr. and Mrs. M. L. Kuykendall. Mr. and Mrs. R. E. Strasner and daughter of Mesquite also visited in the home of Mr. and Mrs. Kuykendall Sunday.

Misses Polly and Ivy Jenkins returned home Sunday from a visit in Oklahoma, where they visited their grandfather, Mr. J. T. Morrison, and friends. Places visited included Oklahoma City, Prague, Cushing, Chandler, Shamrock, and Davenport.

Jesse Ledbetter Jr. of McLean came Thursday for a visit with his grand mother, Mrs. R. P. Ledbetter, and her family of Wells.

Curtis Stephens of the Farmers Cooperative Gin is in Dallas this week taking a training course in mechanical repairing given by the Lummus Cotton Gin Company.

The emu is one species of birds in which the male hatches the eggs.

# THE MINUTE-MAN

**A**LL through the history of our nation there have been Minute-Men to step into the breach and by their courage and perseverance carry through for the furtherance of national existence and the peace and prosperity of our people . . . . The Colonial Minute-Man in his answer to the call at Lexington mapped a course for American Minute-Men through all generations . . . . He gave his all, willingly and freely, for the principle of Liberty and that all men of this nation might enjoy equal rights and the opportunity to enjoy creation's bountifulness. The Minute-Men of 1775 faced a far more uncertain future than has since fallen to the lot of their fellow countrymen . . . . They did not fail; they were true to themselves; they gave freely, and in the end they achieved victory.

Once again throughout the nation there is a call for American Minute-Men . . . . There is a battle to be fought, and to win it will require the unified action of all loyal citizens . . . . The battle wages on all fronts . . . . in every state in the union . . . . Our job is here—right here at home—That job is to . . . .

LAST CONQUEROR  
(Abilene Reporter News)

Adolf Hitler, whose greatest com-  
mand in the world war totaled eight  
men, including himself is now the ab-  
solute master of around 150,000,000  
people of many races and languag-  
es, fully half of whom hate and de-  
spise him. Millions have gone to their  
deaths because of him, and perhaps  
millions more are doomed to the  
same fate.

That the world has judged Adolf  
Hitler correctly, that it reads his  
mind and purpose flawlessly, was  
demonstrated Friday by Adolf Hit-  
ler himself. Nobody expected him to  
show pity or mercy for a fallen foe.  
Nobody expected him to display a  
quality that is foreign to his nature  
—generosity. Everybody expected  
him to do as all bullies do when they  
have the other fellow at their mercy  
—clamp down with all his power.

And that is exactly what Adolf  
Hitler did. He ran true to form. In  
the forest of Compeigne, in the  
selfsame railroad car where Adolf  
Hitler's consuming hate had its birth,  
he imposed terrible penalties on the  
foe. He set the stage as Satan might  
have dictated, to make the foe's  
humiliation complete, to gratify his  
vanity to the ultimate point of re-  
pletion. He requited evil for evil, as  
evil men always do. He takes no  
stock in the Biblical promise, I will  
repay, saith the Lord.

And so it comes about that Adolf  
Hitler commits the same mistake  
other men made, the mistake that  
evoked Adolf Hitler from the shad-  
ows. If Versailles of 1919 was the  
sowing-time of dragon's teeth and  
Compeigne of 1940 is the harvest  
time, as surely as God lives Adolf  
Hitler has sown a new crop of drag-  
on's teeth which will be harvested at  
some future day, perhaps in the  
same fateful spot.

For the world has little tolerance  
of conquerors, especially not for con-  
querors who gloat over their victor-  
ies. Call the grim roll—Alexander,  
Caesar, Alaric, Napoleon. The seeds  
of self-destruction were in all their  
conquests, as Hitler's are.

Evil does not endure; it merely re-  
peats itself. Only the genuinely good  
lives on, now flaming into resplend-  
ent life, now obscured by momen-  
tary fogs of evil; but always it lives,  
always mankind returns to it as to  
some sacred shrine.

The empire which Adolf Hitler is  
creating at the cost of so much  
blood and tears cannot endure for  
the simple reason that it is morally  
bankrupt. It will endure only so long  
as its creator is able to impose his  
will upon his vassals. How long that  
will be only God knows, but inevit-  
ably He will say as He has said so  
many times before, "Let My people go."

Has He not said that the meek  
shall inherit the earth? They have  
been dispossessed by conquerors be-  
fore, but always they have come  
back—always just a little stronger,  
a little more determined, than be-  
fore.

It will be so again. If mankind  
heeds, at long last, the plain in-  
junctions of the Creator, Adolf Hit-  
ler will be the last of the great con-  
querors of the world. For the meek  
have only to obey their heavenly  
Master to come into their inheri-  
tance. What guns and bombs can't  
accomplish by way of stemming the  
earthly conquerors, the Lamb of  
God can.

"I believe in the  
United States of  
America as a  
government of  
the people, by  
the people, for  
the people; who  
just powers  
are derived  
from the consent  
of the governed;  
a democracy in  
a Republic; a  
sovereign Nation of many sovereign  
States; a perfect Union, one and  
inseparable; established upon  
those principles of freedom, equal-  
ity, justice and humanity for  
which American patriots sacrific-  
ed their lives and fortunes.

"I therefore believe it is my  
duty to my Country to love it; to  
obey its laws; to respect its flag;  
and to defend it against all en-  
emies."—William Tyler Page.

**FIGHTING HITLERISM**

Hitler wants to conquer the world  
by force of arms and force of ideas.  
He wants to bring the world to his  
way of thinking and doing. Let us  
not yield to him.

Hitler says democracy must fall be-  
cause people can't rule themselves  
and won't work together and sacri-  
fice for each other voluntarily. Let's  
prove him wrong—let's pull together  
one for all and all for each. Let's  
share our worldly goods with each  
other and with our government. Let's  
pay taxes to make this nation sound  
and safe from collapse within or at-  
tack from without.

Hitler oppresses religion. Let us  
respect the right of every man to be-  
lieve what his conscience dictates.  
Hitler punishes men who say what  
they think. Let us speak our opinions  
boldly and respect the right of our  
neighbor to speak his.

Hitler will not let people assemble  
to state their views or voice their  
grievances. Let us protect freedom  
of assembly and the right of petition.  
Hitler controls the press and lets  
the people hear only one side of the  
story—his side. Let us keep the press  
free and hear all sides.

Hitler believes that one man is  
competent to decide what is best for  
a country. Let us know that through  
the contribution of many minds and  
the expression of different opinions  
we find the best way on which we  
can agree.

Hitler says war is better than  
peace. Let us know that war is hell  
and resort to it only to enforce and  
preserve peace.

Hitler despises all nations and  
races but his own. Let us know that  
"God... hath made of one blood all  
nations of men."

Hitler wants to conquer our souls  
—to drag us down to his pagan level.  
Let's not wallow in the mire with  
him.

Let us not take Adolph Hitler for  
a pattern. Let us not admire him by  
imitating his foul ways.

Let us look to our own noble pat-  
terns—Washington and Jefferson,  
Lincoln and Lee. Let us think noth-  
ing and do nothing that they would  
not do.

We must arm against the possibil-  
ity that Hitler may cross the Atlantic.  
But Hitlerism can enter only through  
our own hearts, by our own consent.  
Let's keep Hitlerism over there—  
three thousand miles away.—Mem-  
phis (Tenn.) Press-Scimitar.

Hitler can not win forever. No  
murderous marauder can do so, it  
makes no difference whether he  
commands ten men or ten million.  
Somewhere down the line he will  
meet his Waterloo. He may meet it  
only in death, but whether it comes  
in the form of a national defeat or  
a disaster to Hitler personally, he  
can not long hold under his power  
the free peoples he is subjugating.  
An empire established and held to-  
gether by mere brute force will  
crumble. It may be that he is already  
making his last fight. It may be that  
his armies will never be able to scale  
the cliffs of Dover. Almost the en-  
tire Christian world prays that it  
may be so.

Outmatched by Adolf Hitler's  
great war machine, the French prob-  
ably felt that there was no alterna-  
tive but for them to sign an armis-  
tice on Hitler's own terms. However,  
it does seem that such a course was  
something in the nature of a betray-  
al of their allies, the British, who  
now must fight the Germans alone.  
It's going to be a terrific struggle to  
hold Hitler's hordes off but Eng-  
land must do it or meet a worse fate  
than that dealt out to France.

In the eyes of the Republicans,  
Henry L. Stimson was a fine gentle-  
man while he was secretary of state  
in the Hoover cabinet and Frank  
Knox was a great statesman while he  
was running for vice-president four  
years ago, but now that both have  
been appointed to cabinet positions  
by President Roosevelt both are be-  
ing roundly denounced and con-  
demned by Republican politicians as  
renegades and traitors to their party.  
To such lengths is partisanship car-  
ried in a Democracy. O well, a Presi-  
dential campaign is on and the Re-  
publicans have to have something to  
howl about.

For the past twenty years, and es-  
pecially for the past few years, a lot  
of people in this country have been  
making light of Woodrow Wilson's  
expressed aim in the World War to  
make the world safe for democracy.  
The main reason why the world is  
not safe for democracy today is the  
fact that the statesmen of the allied  
nations at the end of the World War  
refused to follow the lead of Wood-  
row Wilson in framing the peace  
treaty and the statesmen of this  
country refused to follow his lead in  
proposing that this country join  
the League of Nations. If Wil-  
son's counsel had fully pre-  
valled in the peace conference and  
in the matter of our joining the League,  
the chances are about 99 to 1 that  
there would be no war in Europe to-  
day. As the years pass, the figure of  
Woodrow Wilson looms larger and  
larger.

Col. Ernest O. Thompson probably  
knows far more about the business  
side of the state government than  
any other candidate. He is unques-  
tionably the most brilliant man in the  
race. Also he is a vigorous cam-  
paigner. He believes in raising the  
money with which to pay old age  
pensions from those who mine and  
market the natural resources of this  
state. There are ample reasons why  
he should be elected governor of  
this state, as we see it.

**WEST-WIDE BELL COUNTY  
REUNION AT BUFFALO GAP**

There are numerous county re-  
unions in this section of former  
residents of counties down east, but  
the first reunion of this kind which  
is to be west-wide in its scope that  
we have noted is that a former Bell  
Countyman is to be held at Buffalo Gap  
in Taylor county on Sunday, July 7.  
There are former Bell county  
people scattered all over the West  
from the western boundary of that  
county on out to the New Mexico  
line. All of these are invited to meet  
at Buffalo Gap on the above men-  
tioned date. Nobody can estimate  
with any degree of accuracy how  
many people will be there but multi-  
tudes are expected.

A cordial invitation is extended  
to all Lynn county people who form-  
erly lived in Bell county to be pres-  
ent. Every fellow is expected to bring  
his own lunch.

Buffalo Gap is situated about  
fifteen miles southwest of Abilene,  
on a good highway.

**SLATON ROUNDUP  
BOOSTERS HERE**

Accompanied by Hop Halsey and  
his Drugstore cowboys, a party of  
Slaton boosters for the South Plains  
Round-Up were here Monday morn-  
ing and staged a program on the  
streets, which was snappy and enter-  
taining from start to finish.

It was featured by musical and  
dance numbers by Slaton girls, a  
rope-twirling exhibition by a Slaton  
cowboy, numbers by the Drugstore  
Cowboys, and other features.

The Round-Up is to be held at  
Slaton today and tomorrow, Friday  
and Saturday, June 28-29.

**WHAT IS A BOY WORTH**

Nobody knows what a boy is worth,  
A boy at his work or play,  
A boy who whistles around the place,  
Or laughs in an artless way.  
Nobody knows what a boy is worth,  
And the world must wait to see,  
For every man in an honored place  
Is a boy that used to be.  
Nobody knows what a boy is worth,  
A boy with his face aglow,  
For hid in his heart there are secrets  
Deep.  
Not even the wisest know.  
Nobody knows what a boy is worth,  
A boy with his bare white feet;  
So have a smile and a kindly word  
For every boy you meet.

**\$20,319 GRANTED PUBLIC  
SCHOOLS IN THIS COUNTY**

AUSTIN—Public schools in Lynn  
county have been granted \$20,319 in  
equalization aid for the 1939-40  
school year, L. A. Woods, state  
superintendent of schools, reported  
today.

The full amount for salary aid, a-  
mounting to \$5,495, has been paid,  
while schools in the county have re-  
ceived 75 per cent of the \$13,926  
granted for transportation. Figures  
on high school tuition will not be  
available until applications have  
been received, Woods declared.

**STORK HALTS DISTRICT CASE**

The special session of district  
court is occupied with the case of  
Jordan vs. T-P oil company involv-  
ing section 800. The case was con-  
tinued owing to the absence of  
Lawrence Barber one of the attorneys  
who was kept home by a new son  
born Tuesday night.—Yoakum Coun-  
ty Review.

An ounce of sulphur, mixed with  
a little alcohol and rubbed on the  
body and legs will help keep chig-  
gers away. Hyposulfite of soda, ap-  
plied the same way, is also said to be  
effective.

Hundreds of thousands of  
buyers agree that the big  
value for '40 is CHEVROLET;  
and they insist that it tops  
all other cars, regardless of  
price!

These people ask, "WHY  
PAY MORE than Chev-  
rolet's low prices, when  
Chevrolet provides all the  
necessities and most of the  
luxuries of modern motoring?"  
And then they ask,  
"WHY ACCEPT LESS than  
Chevrolet's outstanding dollar  
value, when Chevrolet offers so  
many advantages of higher  
priced cars at tremendous sav-  
ings in purchase price, gas, oil  
and upkeep?"

Be wise!... Buy as America  
is buying!... Buy Chevrolet!

## Odds and Ends *Eee Eye, the Elder*

If Moses Austin had not gone "broke" in a lead mining enterprise in Missouri, he doubtless never would have come to Texas in furtherance of a precarious scheme to colonize the state, then a part of Mexico, which belonged to Spain. In that event, no one knows how different the history of Texas and of the United States might have been.

But having failed in his mining operations, and having heard glowing stories, no doubt, about the potential riches of the land known as Texas, brought back to the States by the bold adventurers and filibusters who had made forays or expeditions into the region, he conceived the idea of planting colonies there and bringing it under the pale of civilization and at the same time mending his own broken fortunes.

Accordingly, he set out for the old Spanish town of San Antonio to contact officials and find out what could be done. That was in 1820. Having enlisted the aid of one Baron de Bastrop, whom he met there, he filed his application with the viceroy of Mexico for a permit to establish a colony somewhere in the region and then returned to Missouri to await the outcome and to prepare to carry out his project if it should be approved. Word soon came that his request had been granted, but before he could do anything about it he died.

His son, Stephen, then took up where the father had left off, and he made a trip to San Antonio in 1821. Having made satisfactory arrangements, he made a tour of inspection and selected a tract of land lying between the Brazos and the Colorado rivers some 200 miles east of San Antonio.

There he established his colony, bringing about 300 families. The first settlements were made in 1821 at Columbus on the Colorado and at Washington on the Brazos. Soon thereafter the town of San Felipe de Austin was established and

the seat of the government of the colony.

On the west bank of the Brazos, fifty miles west of Houston, stands today a straggling little village of possibly 200 or 300 people which shows on the map as San Felipe. This is what remains of the first town established in Texas by emigrants from the United States.

While San Felipe is not quite extinct, it is so nearly so that it might be termed a "ghost town". The original town was in fact destroyed by fire in 1836 when the inhabitants got the scare of their lives and fled upon the approach of Santa Anna and his army.

The old town of San Felipe de Austin was a thriving town. It played a most important part in the early history of this state. It was the home of Stephen F. Austin while he was governor. It was at San Felipe that representatives of the people of Texas met in convention in 1832 to demand of the Mexican government redress of their grievances. A second convention met there in 1833, at which a proposed state constitution was drawn up and presented by a committee of which Sam Houston was chairman. Stephen F. Austin was selected to bear the lion in his den. He was commissioned to take a copy of the proposed constitution to Mexico City and to present it to the President. He went—and got into jail.

It was at San Felipe that an assembly of colonists was held in 1835 and a provisional government set up. Austin and others were selected to go to Washington to ask for aid while Houston was named as commander in chief of the Texas forces. It was at San Felipe that Houston and his little army later crossed the Brazos river in his retreat before the advancing army of Santa Anna a few days before the battle of San Jacinto.

Thus much history was made at San Felipe. The little village that was built on the ruins of the town that was destroyed in 1836, never grew to much size, and it is today virtually a mere "ghost town".

## Vegetable Laxative Makes Happy Friends

Here's a laxative that usually acts thoroughly as harsher ones but is a gentle persuader for intestines when used this way: A quarter to a half-teaspoonful of spicy, aromatic BLACK-DRAUGHT on your tongue tonight; a drink of water. There's usually time for a good night's rest, with a gentle, thorough action next morning relieving constipation's headaches, biliousness, sour stomach, bad breath.

BLACK-DRAUGHT is a splendid combination of vegetable ingredients, chief of which is an "intestinal tonic-laxative" that helps impart tone to lazy bowel muscles. It's economical. 25 to 40 doses; 25c.

## Embarrassing

Acid Indigestion, Gas on Stomach, Heartburn, are usually caused by injudicious eating or drinking. Try Alka-Seltzer for relief.

Alka-Seltzer also relieves the distress of Headache, Colds, Neuralgia, and Muscular Aches and Pains, because it contains an analgesic, (sodium acetyl salicylate).

Your druggist sells Alka-Seltzer in handy packages and by the glass at his soda fountain. Try it.

Alka-Seltzer

## June in January at the Fair

SHOWING what curious things happen at the Forty-Fair in New York, here's January harmonizing with June sweetly as you please, in the 1940 Ford Exposition. The girl at the keyboard is January—Lois January of musical comedy fame and of Texas, too. She came to the World's Fair as official guest of honor one fine day in June. So, naturally, at sight of this inviting musical instrument, she sat down and paraphrased, "It's June in January."

That popular tune was January's theme song for her recent national radio hour. Since then she's been singing on Broadway and in one of Manhattan's swankiest night-clubs, sixty-five stories above the

pavement. January is her real name. Her branch of the French Janviers, a family that's produced many prominent people in America, adopted the English form of the name a few generations ago. Lois was born just north of the Rio Grande, near Brownsville.

Lois is right down to earth in this photo. She found the unusual instrument in Garden Court at the Ford Exposition. The melodious player is a Novachord, which reproduces all the sounds of a whole section of an orchestra. Famed Composer Ferde Grofé uses four Novachords in daily free concerts in Garden Court, and that's one reason why the Ford Exposition's beautiful patio attracts thousands of World's Fairgoers every day.

1,500 or more. All public buildings were built of brick, some of them three stories high. It was killed by the building of the Houston & Texas Central Railroad through Navasota in 1858. Now, just another ghost town.

A few miles north of Brehm are the ruins of an old town that once was the educational center of Texas, Independence. It was here that Baylor University was established in 1845, the oldest institution of college rank in Texas. It was later moved to Waco and Baylor Female College established at Belton. With the University gone and railroads built to the east and the west of it, the fine and prosperous little city of Independence rapidly dwindled away, and there are scarcely a hundred people today living within the confines of the old town.

Less than fifty miles southwest of old Independence, near the present town of La Grange, in Fayette county, was the fine and promising town of Ruttersville. Here was situated Ruttersville University, the first Methodist educational institution in Texas. In ante-bellum days the school and the town flourished, rivaling Independence as an educational center. Now practically nothing remains except the ruins and the debris that mark its site.

Founded much later than any of the above but with nothing left to mark its site was the boom town of New Birmingham in Cherokee county in deep East Tex. It wasn't oil but iron that built New Birmingham, hence the name. It was in about

1891 that the iron boom struck, iron having been discovered in "them thar hills" of Cherokee county. A town of 3,500 population sprang up, electric lights were installed, and an electric street railway was built. New Birmingham was to be the metropolis of East Texas. But suddenly the bubble burst, and now scarcely a stone or a brick or a plank can be found to tell the visitor where the bustling little city stood, where veritable fortunes were made and lost.

Add hobbies for University of Texas students: Jack Bostick of Waco is an expert manipulator of puppets, and frequently presents his own puppet shows before student and town groups.

## "Balanced" Laxative Delights Users

Adlerika contains 3 laxative ingredients to give a more generally "balanced" result on BOTH BOWELS, and 5 carminatives to soothe and warm upset stomach. Try delightful acting "balanced" Adlerika. In the famous silver color bottle.

TAHOKA DRUG

## FSA Supervises Family Diet

"Keeping their families in good health is one of the goals of the families on the rehabilitation program of the Farm Security Administration in Lynn county," said Miss Ovel M. Lytle, home management supervisor.

"Our families have learned that if we want to keep down doctor bills and enjoy good health they can do it by providing their families with well-balanced diets and by keeping their homes in first class condition and free from insects," Miss Lytle declared.

Miss Lytle explained that this agency, in working with the low-income and disadvantaged farm families, strives to raise the health and sanitary standards of the people as well as to increase their earning power.

"People suffering ill-health," she said, "cannot make a great deal of progress with their farming operations. Consequently, we help them maintain an adequate diet for all members of the family. This involves milk for home consumption, plenty of fresh vegetables and a sufficient supply of meat and fruits."

"All of our families have gardens and they are planning to preserve vegetables for winter use. Although a great many of these people now have adequate canning equipment as a result of the help they have received from the FSA, approximately twenty families will buy better equipment and containers this summer."

"As another means of protecting

the health," she continued, "the families have screened their homes to keep out flies. Many have constructed homemade fly traps. A considerable number have constructed sanitary toilets and improved their drainage facilities around the homes."

"Good livestock, adequate equipment, hard work and economical farm and home operations are necessary to successful operation," Mrs Lytle said, "but no one can succeed very well if in ill-health, and that is why we are giving so much thought and effort to keeping the doctor away from the homes of the people with whom we are working."

## HACKBERRY H. D. CLUB STUDIES MEAT COOKERY

"The gravy or sauce is a very important part of the well-braised meat dish," stated Miss Maurine McNatt, home demonstration agent, at the meeting of the Home Demonstration club, June 21st, at the clubhouse.

The gravy or sauce is important because in cooking by moist heat, there is a certain amount of flavor and food value lost to the drippings. By using the drippings to make the gravy, the meat flavor, and also the nutrients which are in the drippings, are conserved.

The club discussed entering a float in the parade at the Slaton Roundup on June 28-29.

The next meeting will be July 5, at the clubhouse.

**CLUB WOMAN WORKS ON POULTRY PRODUCTION**

To serve the family poultry at least once a week will not be a big task this year for Mrs. H. W. Benson, a cooperator in the Wayside H. D. Club, because she has been very successful in producing the required amount at home. In January she made definite plans for the meat supply as to variety and amount she needs, just as she did for the vegetable, fruit, and other phases.

There have been very few losses in the flock of 400 chicks which she purchased early in March. For several weeks the family has enjoyed fried chicken and from this size flock she will be able to serve poultry throughout the year as often as needed. In order that they may have variety, she plans to freeze some in the lockers and to can the boarders as they appear.

Mrs. Benson attributes a part of her success to strict sanitation practices. While the chicks were small she thoroughly cleaned the house each day and sprayed and disinfected three times a week. The poultry yard also received careful attention. To add to their comfort, she taught them to roost at the age of five weeks. This made cleaning easier and prevented crowding.

**LUBBOCK ARMY RECRUITING OFFICE TAKING MEN FOR NEARLY ALL SERVICES**

Unmarried men between the ages of 18 and 35, who are citizens of the UNITED STATES OF AMERICA, are urged to join the Army NOW. The Lubbock Recruiting Office is sending men to Field Artillery, Cavalry, Infantry, and Coast Artillery Corps located in Texas, California, and Utah. You can take your choice of the above branches and station or others expected in the next few days and rest assured that the opportunities of advancement will be good because of the large expansion all over the Army.

All interested should arrange to call immediately for information at the Recruiting Office in Lubbock or the nearest branch office located at Plainview, Amarillo and Childress. Just received a quota for the Air Corps.

**Personals . . . .**

Miss Gertrude Bishop returned Tuesday from San Angelo, where she spent her vacation.

Mrs. J. B. Nance is expected home this week-end from Paris, where she has been visiting in the home of Mr. Nance's brother.

Mr. and Mrs. Harley Wells of Seminole were here enjoying Old Settlers Day Monday. Harley is a Tahoka product and has spent most of his life here.

J. K. Milwee of Lubbock, one of the pioneers of the south plains, was here Monday attending the Old Settlers meet and shaking hands with old-time friends.

Miss Mary Alice Guy of Waco is here visiting her cousin, Mrs. G. M. Stewart. She has visited Mrs. Stewart often, remaining here for five months at one time.

Mrs. Roy Finch, teacher in the Tahoka schools, who underwent an operation on one of her lower limbs in an El Paso hospital several weeks ago, is reported improving rapidly. The leg, which was broken in a car

accident several months previously, had not healed properly thereby necessitating the operation. It is believed the member will be as strong as ever when healed.

Mrs. John Reagan of Floydada is here this week visiting her sisters, Mrs. Harley Henderson and Mrs. Frank Hill.

Ross Ford has just finished a little two-room cottage in south Tahoka.

"Uncle" Jack Blankenship of Brownfield, who formerly resided near Tahoka, was here Monday enjoying the Old Settlers Reunion.

Mr. and Mrs. Clarence Barnes and daughter were here from Clovis, New Mexico, visiting his parents and other relatives over the week end.

Mr. and Mrs. J. C. May of Clovis, New Mexico, were here Monday for the Old Settlers Reunion.

Billy Hanes, son of Mr. and Mrs. W. T. Hanes, spent several days of last week visiting an uncle in Lamesa.

Mr. and Mrs. Henry Badgewell and three children of Healdton, Oklahoma, were here Monday for the

old pioneers' meet. Mrs. Badgewell is a sister of C. G. Welcher and lived here in an early day.

Of course Mr. and Mrs. Thurman Wells and daughters, Miss Beverly of O'Donnell and Mrs. J. L. Adams of Lubbock, together with Mr. Adams, were here Monday at the Old Settlers Reunion having a wonderful time.

Judge B. P. Maddox and daughter, Lynelle, visited relatives in Edinburg, Lower Rio Grande Valley, last week.

Mrs. W. L. Burtson, W. L. Jr., Miss Billie Lee, and Billie Joe Oliver returned Tuesday from a vacation trip to San Antonio and Corpus Christi.

**MONA BROCK HONORED AT BIRTHDAY PARTY**

Mona Brock was honored with a party on her seventh birthday Saturday afternoon at the home of her parents.

After games were played, refreshments were served to the following: Billy Willet, Billy Drager, Glenn Darrel Wells, Bobbie Brock, Wanda Gaither, Nathan Dyer, Mary Margaret Mitchell, Jo Bob Stroud, William Dyer, Laura Mae Howell, Harvey Crum Freeman, Gwendolyn Gaither, Sabra Jean Ivy, Lola Fern Kelly, Jerry Lynn Freeman, and La Juan Moore.

Mrs. C. Ross Jordan of Fort Worth is here this week visiting her daughter, Mrs. A. P. Edwards.

**to what owners say about the Silent Gas Refrigerator**

Says Mrs. George S. Allison, Brady, Texas: "For seven and one-half years we have had a very large size Servel Electrolux. Words can't describe its convenience on a ranch, for milk, for storing a lamb or half a calf; or as much as twenty pounds of butter, eliminating unnecessary trips to town. We have saved more than enough food to pay for ours."

"I have often kept vegetables garden-fresh more than two weeks," so says Mrs. Joe Faircloth, Ranger, Texas. "Servel Electrolux cold is dependable!"

"How our Servel Electrolux makes ice!" says Mrs. Jesse Craft, Swanson, Texas. "All last summer I furnished a quilting club of sixteen ladies with plenty of ice—regularly!"

"I make ice cream almost every day," says Mrs. R. L. Milstead, Hamlin, Texas. "It's so easy—and costs practically nothing—in our Servel Electrolux."

**Classified Ads**

1. d. no apparent defects. Many drivers, after an accident, will insist that the gas pedal stuck, or that the brakes suddenly failed, or that something else went wrong. Actually, from 93 to 95 per cent of all vehicles involved in accidents are found to be in apparently good condition with no major defects noted in steering, braking, lighting, etc.

2. b. 18 to 24 years. Recent figures indicate that the most dangerous ages are 18 and 19; that drivers under 20 and over 60 have the highest accident rates.

3. False. You should move him only enough to prevent his being run over again, then make him comfortable and call an ambulance. Hundreds of deaths are caused by the bungling of well-meaning but ill-advised bystanders whose first thought is to put the injured person in an automobile and rush him to the hospital. This often results in compound fractures, concussions, punctured lungs.

**Personals**

Dr. J. D. Donaldson left Thursday for Oklahoma City to begin his internship in St. Anthony Hospital at that place. J. D. recently received his medical degree from the Medical Department of the University of Texas at Galveston.

Mr. and Mrs. Wynne Collier, Mr. and Mrs. Prentice Walker, and Dr. and Mrs. J. W. Sinclair went up to Ruidoso, New Mexico, the first of the week for a few days outing. They also visited the Carlsbad Cavern.

W. N. Vandye of the Dixie community reports that his daughter, Miss Edna Vandye, who has been sick so long and who was a patient in a Lubbock sanitarium recently, has been showing slight improvement and was brought back home a week ago. She is still under the care of a nurse.

Mrs. Effie Slice returned home Tuesday after a ten-day visit with

her mother-in-law, Mrs. C. E. Brewer, in Hamlin.

Representative Alvin R. Allison of Lovelland was here Wednesday in the interest of his candidacy for the state senate. While calling at the News office he stated that his mother, Mrs. L. H. Allison, had fallen and broken her hip about seven weeks ago and was in the hospital for two weeks. Since then she was confined to her bed at home until the first of this week, when she was able to get up on crutches.

C. C. Dwight says that he had a peculiar experience a few days ago. Being in Lubbock, and having heard that one George Shepard of Lovington, N. M. was in a hospital there, he called to see the sick man, supposing him to be a cousin of his by that name who lived in Lovington. But when the wife of the sick man, appeared, she was a stranger to "Barney". She knew a Mrs. George Shepard in Lovington, however, whose husband had died a few years ago, and a little inquiry revealed the fact that he was the George Shepard whom "Barney" was expecting to see.

**LUBBOCK MAN OPENS SHOE SHOP HERE**

Joe Mallouf having vacated, R. A. Brand has opened a shoe shop at his former place of business in the old Wells building at the southwest corner of square, now owned by C. A. Thomas. Mr. Brand took charge Saturday. He and wife occupy an apartment in the rear of the building. Mr. Brand removed here from Lubbock, where he had long conducted a shoe shop in connection with Moore Bros., dealers in all kinds of leather goods.

Twenty more game wardens were recently hired by California, making a total of 210. Texas has eighty.

In 1929 the cost of Texas government was less than \$92,000,000. In 1939 it amounted to more than \$164,000,000.

For every 100 barrels of oil produced in Texas during the past five years, the Texas oilman found 193 barrels of new oil reserves.

**CASTOR BEANS MAKE TWO BENGEE CHILDREN SICK**

The two little sons of Mrs. C. B. Benge, Chester and Raymond, of Houston, who are here visiting her sister Mrs. Jarrell C. t. were poisoned Monday by eating castor beans and were brought to the office of a local physician for treatment. Last reports were that they were recovering.

**NOTICE**

English and Ada Theatres; effective Friday and Saturday, June 28 and 29, admission in each theatre will be 10 and 15 cents.—D. B. English.

Gasoline consumption by Texas motorists increased 5½ per cent last year over 1938.

One-third of all the oil and gas wells drilled in the United States last year were drilled in Texas.

Texas produced 48 barrels of oil in 1889, compared with 480,000,00 barrels last year, or ten million times as much.

1776

**INDEPENDENCE  
IN A WAR-TORN WORLD!**

"... it is natural to man to indulge in the illusions of hope. We are apt to shut our eyes against a painful truth, and listen to the song of that siren, till she transforms us into beasts. Is this the part of wise men, engaged in a great and arduous struggle for liberty? Are we disposed to be of those who, having eyes see not, and having ears, hear not, the things which so nearly concern their temporal salvation? For my part, whatever anguish of spirit it may cost, I am willing to know the whole truth, to know the worst, and to PROVIDE FOR IT."

*The above words, spoken by Patrick Henry in 1775, with reference to American Independence, might well have been said yesterday—for its timeliness in a nation of Isolationists vs. those who would help!*

**WITH the WORLD at its Greatest Crisis,**

*—We give thanks that we are of the land of the FREE and the Home of the BRAVE, and pray we will ever remain so!*

# Scrapbook

Myrtle Rochelle

Nothing is more beautiful to our eyes than an approaching sand storm, when it appears as that one did Sunday afternoon. . . a study in copper, emphasizing the color and brightness of all objects ahead of it. The water tower stood out like a silver sentinel, and rays of sunlight which penetrated the moving cloud of sand added to its great beauty, the purple and blue thunder clouds behind offering a pleasing background.

Even after it hits, and daylight is almost obscured, a sandstorm is still beautiful. There is over everything an unusual glow, the ground appears two shades lighter than usual. Everything is viewed through a haze, similar in effect to fog, through accentuated by its copper color, and by the bending of trees and shrubs in the wind.

Of course, its destruction and the effect on households is not beautiful.

Monday will usher in July, and Thursday is Independence Day. Here are few interesting facts that you may not know concerning the month and holiday:

July has thirty-one days because Julius Caesar was born that month! When he rearranged the calendar, he gave his name to his birth month and added a day, so no other month would be longer.

July Fourth is NOT a national legal holiday. In 44 states it is a state proclaimed holiday. . . in four they just observe it anyway. . . but it has never been designated by Congress.

Three presidents died on July Fourth, two of them the same day of the same year. . . Thomas Jefferson and John Adams died in 1826, and James Monroe in 1831.

Thomson, the poet, called Independence "Heaven's next best gift to that of life and an immortal soul".

What's that we hear about a certain young farmer whose father was a doctor, and a young lady whose brother is a highway patrolman. . . they say the bells will ring for them in September.

Mr. and Mrs. Everton Nevill spent the week-end visiting her sister, Mrs. C. E. Kennett and family in Amarillo. Returning Sunday night they were accompanied by her mother, Mrs. Minnie Fender and son Noel, who had been visiting there the past three weeks. Another son, Thomas, who had gone to Amarillo with his mother remained there for a longer visit.

## Cowboy Reunion Starts Tuesday

(Special to The News)

Stamford, June 27.—With the addition of new entertainment features during the past few days, the stage is set for Stamford's yearly cavalcade of the West, the eleventh annual Texas Cowboy Reunion. Already the town is in holiday attire, with streets and buildings bedecked with bunting and cowboy banners, the whole community busy as a beehive and ten-gallon hats and high-heeled boots increasingly numerous about town.

Real cowhands with chuck wagons and roping horses will begin arriving by next Sunday just to be on hand in plenty of time for the opening next Tuesday morning, July 2, and they'll be around until the new amateur rodeo champions are crowned at the final contests on Thursday night, July 4.

Late additions to the program include a girl's calf-roping contest for

each afternoon and night rodeo performance. Entries will be by invitation and cash purses will be awarded for the lowest average time. Another new feature is a square dance on horseback to be staged by a team from Throckmorton on the night of July 4.

Lending a new aspect to the Texas Cowboy Reunion this year is the first official show of the American Quarter Horse Association to be held during the celebration, with \$1,000 in cash prizes offered in four classes. Another new departure is the galloped horse show with \$480 in prizes.

The Reunion will open officially with the grand parade at 11 a. m. Tuesday, though at that hour the first morning rodeo performance, starting at 8 a. m., will have been completed. The first meeting of the oldtime cowboys' association will be held at 1 p. m. The daily schedule includes rodeo performances at 8 a. m., 2 p. m. and 8 p. m., square dances at the Coombes Roundup hall and modern dances at the Sponsors' pavilion each night at 10

o'clock and chuck wagon dinner for oldtime cowboys at the Will Rogers Bunkhouse at noon.

The old fiddlers' contest, biggest free attraction, will be held at the Coombes Roundup hall at 8:30 a. m. July 4.

### WILSON NEWS

(From The Sun)

Mr. and Mrs. L. Lumsden returned Tuesday from a few weeks visit in Washington D. C. and Baltimore, Maryland, where Mrs. Lumsden attended the national WMU convention.

Mrs. Fannie Dawson has moved to Lubbock and is renting her house. J. T. Fountain, who got the thousand dollars for answering his phone last week in a radio contest, has lived in Lubbock two years, moving there from Wilson.

Mr. and Mrs. H. R. Williamson celebrated their thirty-first wedding anniversary Thursday night with all the children home, H. R., Jr., Eva Pearl, George Howard, and Mrs. Ralph Milliken, and friends.

## Colored Evangelist To Preach Here

A. L. Cassius, colored evangelist of the church of Christ, who is at present located in Los Angeles, California, will preach in Tahoka, tomorrow (Saturday) night at 7:30 p. m., according to Eli Garrett, member of the local colored congregation.

Evangelist Cassius is an outstanding colored minister and is well-known in this section. At present he is conducting a revival in Lubbock.

The preaching services will be held on the open lawn in front of the Garrett home in the colored section, northeast part of the city.

The entire public is invited to hear this sermon. The members of the white congregation of the church of Christ are especially urged to attend this service, according to Mr. Garrett.

Mr. and Mrs. W. L. Stuart of Houston are here on an extended visit with his father, J. F. Stuart, and family and other relatives.

### FOR SALE

Notice is hereby given that on June 29, 1940, I will sell to the highest bidder for cash, upon sealed bids delivered to me and opened on that day, in the office of Jim Dye, Justice of the Peace, one lot situated at the southeast corner of the public square and the frame and sheet-iron building situated thereon, heretofore used as a blacksmith shop and for other purposes. See J. M. Johnson. 45-2tc

### Report Is Given On Cotton Ginned In Texas In 1939

The Bureau of the Census announces the preliminary report of cotton ginned by counties in the state of Texas for the crop of 1939. These statistics were compiled in compliance with an enactment approved June 14, 1938, designed to make available information of the production of cotton for each county.

Each individual ginner reported the number of bales, if any, grown in each of other counties and ginned by him. The "total ginned" for any county was computed by subtracting from its "total ginnings" the number of bales grown in other counties and brought in for ginning, and adding the number grown in the county but ginned in others.

County	Ginned	Grown
The State	2,736,764	2,724,471
Bailey	14,595	14,693
Baylor	5,345	5,087
Bell	29,024	30,553
Briscoe	3,078	3,400
Castro	2,830	2,554
Childress	8,899	8,134
Collin	60,155	60,900
Cottle	12,303	12,804
Crosby	23,864	23,353
Dawson	33,787	38,873
Dickens	11,594	11,090
Ellis	73,315	73,391
Floyd	10,147	10,456
Gaines	1,411	1,159
Hale	22,072	19,009
Hall	14,032	13,011
Hill	50,469	50,873
Hockley	34,611	32,834
Lamb	46,809	46,500
Lubbock	60,361	60,701
LYNN	60,147	55,282
Motley	7,300	7,519
Nueces	78,671	77,282
Parmer	5,738	5,045
Wilbarger	27,477	29,049
Williamson	39,907	36,887

From these figures it will be seen that Lynn county ginned 4,865 bales more than she raised and Dawson county raised 4,886 bales more than she ginned. This difference is accounted for largely by the fact that O'Donnell's six gins are situated on the Lynn county side of the Lynn-Dawson county line.

Even with this adjustment made, it is still found that Lynn county produced 16,609 more bales in 1939 than

### Auto Quiz No. 5

Travelers Safety Service

1. Liars sometimes figure but figures don't lie, and the figures say that if your car is involved in an accident the chances are that it will be found to have — (a) defective brakes (b) a punctured or blown tire. (c) defective steering mechanism. (d) no apparent defects. (e) defective headlights. (f) faulty tail light.

2. One of the following age groups contributes much more than its share of automobile drivers involved in fatal accidents — (a) under 18 years. (b) 18 to 24 years. (c) 25 to 64 years. (d) 65 years and over.

3. If you happen to come upon the scene of an accident and find someone injured, it is your humane duty to take the injured person in your car and rush him to the nearest hospital. True (—) or False (—).

—SEE ANSWERS IN CLASSIFIED COLUMN!

### 35,977 Girls In 4-H Club Work

College Station, June 26.—The average Texas 4-H Club girl is about 12 years of age. At least, more girls are 12 than any other age, according to a survey of enrollment cards made recently by Onah Jacks, state girls' club agent, and Helen Swift, sociologist for the Extension Service of Texas A. and M. College, who deals with rural women's organizations.

The study shows that 6,648 of the 35,977 girls are 12 years of age. The next largest number—6,008—is comprised of girls 11 years of age. In comparison 142 girls are under 10 years of age, and 65 are 20 years of age.

A similar study was made to determine how long most of the girls have been engaged in 4-H Club work. Approximately 45 percent of all 4-H Club girls are enrolled this year for the first time; 30 percent, or 10,803, are in their second year of club work; and 15 percent are enrolled for the third year. While the turnover in the higher age brackets is large, the number of girls remaining in 4-H Clubs over a period of years has steadily increased until this year there are more fourth year girls enrolled than at any time in the history of club work. Seventy-six girls, most of them about 17 years of age, reported that they had been active club members for more than six years.

At present there are 1,991 girls' 4-H Clubs in Texas. This is slightly less than the 2,100 home demonstration clubs in the state. Aggregate enrollment of women club members is 37,289.

Mrs. Dr. N. A. Orr and three children of Sioux Falls, South Dakota, is here visiting her sister, Mrs. Herbert Huff at New Home, and friends in Tahoka. She was formerly Miss Faye Slater and is well known by many Tahoka and Lynn county people.

### Caution Urged In Use of Fireworks

AUSTIN, June 27.—It is pretty grim patriotism to kill and injure Texans on a birthday celebrating our independence, Marvin Hall, state fire insurance commissioner, reminded today as he issued a plea to city officials to adopt emergency measures banning the promiscuous sale and use of fireworks in all forms on the Fourth of July.

"We must not make it easy for the saboteur to gain possession of quantities of explosive material," the Commissioner said. "It doesn't make sense to guard our armories and sources of raw materials, all the while permitting this orgy of noise and hazard to continue."

He said approximately one-third of the total United States population is protected from injury due to fireworks because of state legislation and city ordinance.

Dawson county produced, or nearly 43 per cent more.

### BAPTIST W. M. S.

At the monthly business meeting of the W. M. S. Monday afternoon the devotional was brought by Mrs. H. M. Snowden, and the business meeting was presided over by Mrs. Garland Pennington.

Quarterly reports were given by all standing committee chairmen and other business was attended to.

Those present were glad to have as a visitor one of our former members, who has been greatly missed, Mrs. J. B. Walker of Lubbock. And two other welcome visitors were from our neighborhood, W. M. U. at Wilson, Mrs. Ione West and Miss Willie King.

Members attending the meeting included: Mmes: Geo. A. Dale, H. M. Snowden, Garland Pennington, W. H. Kenley, P. W. Goad, C. S. Greathouse, S. H. Holland, E. I. Hill, Doss, J. F. Stuart, H. L. Roddy, W. M. Harris, H. D. Henderson.

Monday, July first will be Bible Study at the Church.—Publicity Chairman.

### MATTRESS APPLICATIONS OVER THE 100,000 MARK

College Station, June 27.—Applications to receive cotton mattress making materials have passed the 100,000 mark with 119,079 filed in 203 Texas counties which are participating in the Department of Agriculture's program for aiding low income farm families. Of this number 95,363 have already been certified by county agricultural conservation committees as eligible to receive cotton and ticking.

In announcing this response, Mildred Horton, vice-director and state home demonstration agent for the Texas A. & M. College Extension Service, reported that to date 10,969 mattresses have been made in the 43 counties to which cotton and ticking have been delivered. These materials are furnished by the Federal Surplus Commodities Corporation.

To facilitate the program, 1,174 community centers have been set up where applicants may gather to work cooperatively on mattresses for themselves and their neighbors. These are completely organized and will be ready to begin operation upon the arrival of cotton and ticking.

Commenting on the rapidity with which Texas communities have pre-

pared for operation of centers, Miss Horton paid tribute to 4,999 women leaders and 2,258 men leaders who are volunteering their time and services to enable all eligible families to benefit from the program.

"These leaders are not receiving any pay for their services," Miss Horton pointed out, "but they are everywhere being recognized as 'good neighbors' in their communities."

Mr. and Mrs. Homer St. Clair and one of the boys were here from Lamesa Monday mingling with the other pioneers of Lynn county. Mrs. St. Clair, whose maiden name was Rescola McDaniel, was here early enough to help Tahoka get its start. Homer came just a little later.

Otto Doggett and family of Pampa, enroute to Coleman, visited his cousin, Mrs. S. H. Holland, and family here Sunday.

### Good Crowds At Candidate Speaking

Good-sized crowds are reported to have been in attendance at the candidate speakings at Draw last Friday night and at Lakeview on Tuesday night.

While candidates say that it is difficult to get the people interested in local politics this year, yet the size of the crowds at several of the meetings would indicate that the contrary is true.

At Draw all of the county candidates were present and presented their claims for the offices which they seek.

Three of the candidates for district attorney were present. Burton Hackney, Lawrence Barber and Rollin McCord. Each made a good presentation of his case. Lawrence Barber possibly was a little more vigorous and combative in his expressed attitude toward crime than were the other two.

Mr. Alvin Shambeck represented Hop Halsey, candidate for Representative in the Legislature, in an able manner. Another young fellow whose name we did not get presented the claims of Jack Douglas. Neither candidate for the senate was present.

At Lakeview, four of the candidates for district attorney were present: McCord, Hackney, Barber, and Alton Freeman. T. L. Price, another announced candidate, is not able to attend these meetings on account of illness.

Most of the candidates this year are fine fellows, to our personal knowledge, and most of them likewise are doing a good job of presenting their cases to the voters.

### BAND DIRECTOR HERE

John Hamblen, who was recently elected band director of the Tahoka schools, was here Monday looking for a place to live. He and wife and child expect to move here in a few days. Mr. Hamblen is now attending the Texas Tech band school.

While here Monday, Mr. Hamblen stated that he expects to start work with the local band about July 15, and will start a class of beginners. Class instruction is free to all students of the Tahoka schools.

### GARRARD TO SPEAK AT METHODIST CHURCH

Hon. Tom Garrard will speak at 9:45 o'clock Sunday morning at the Methodist Church to the Sunday School, according to Claude Donaldson, superintendent of the Adult Department.

It is understood that the address will deal with the moral and religious aspects as well as economic and governmental aspects of the European situation at the present time.

This address doubtless will be a most interesting and enlightening one.

### ATTEND REUNION IN BELL COUNTY

Mr. and Mrs. W. H. Thornhill went down to Bell county last Friday to visit relatives and to attend a pioneer reunion at Holland, their old home town, on Saturday, and a Thornhill family reunion in the park at Belton on Sunday. Both were great occasions which they enjoyed very much.

They returned home Tuesday, accompanied by Mrs. Otis Wheat of Belton and Mrs. H. W. Thornhill of Dallas, who came for a visit of several days.

### NOTICE TO BIDDERS

Bids will be received by Lynn county at the Court house at Tahoka, Texas, until 10 o'clock a. m. on July 13, 1940, for the purchase of one used heavy duty diesel motor grader, tandem drive, wide front axle, low pressure tires, etc. and a used Adams No. 401 Motor Grader Serial No. 128, to be taken as part payment, and notice is given that warrants will be issued in the maximum sum of \$3700.00, payable serially, last maturity not later than April 15, 1943, bearing interest at the rate of 6% per annum; interest payable semi-annually. The right is reserved to reject all bids.

P. W. GOAD, County Judge Lynn County, Texas. 46-2tc.

Mrs. Eva Wimberley and three children of Acadia, New Mexico, are spending the week here visiting her mother and step-father, Mr. and Mrs. J. L. Holt. Mrs. Wimberley is a native of Tahoka.

### ATTEND COOPERATIVE SCHOOL OF INFORMATION IN LUBBOCK

Messrs. B. J. Emanuel, president of the board of directors of the Farmers' Cooperative, No. 1, C. E. McKnight, bookkeeper, Kelley Hill, the station manager, A. A. Mourfield and Hercl Roberts, employees attended a Cooperative School of Information building of the Texas Technological college Monday, Tuesday and Wednesday of this week.

The school was conducted primarily for the benefit of gin directors, managers, and other employees. Pictures of the Farmers cooperative gin and filling station in Tahoka, of a wheat elevator and flour mill at Tulla, of the Consumers' Fuel Station at Plainview, of the South Plains Cooperative Oil Mill in Lubbock and a cooperative hospital in Elk City, Oklahoma, were shown on the screen.

Many prominent in different activities of the cooperative associations had places on the program, coming from Dallas, Houston and Washington as well as from points nearer by.

The school was given under the direction of the Extension Service of the Texas A. & M. college.

Mr. and Mrs. J. K. Woosley left early Friday morning for Medicine Park, near Lawton, Oklahoma, where they expected to attend the Passion Play to be staged there on Friday, Saturday and Sunday nights. From that point they expected to go on to Arkansas to visit relatives. Their entire trip and visit will cover a period of two or three weeks. Mrs. Russell Vernon, who accompanied them also visited her mother in Altus, Okla., and returned here by bus Thursday afternoon.

More than one-fourth of all the petroleum produced in the entire United States to date has been produced by Texas.

### Indian Trial . . .

Continued from Page 1  
made a good citizen.

Sons or sons-in-law or grandsons of the officials who composed the court that tried these two Indian chiefs will preside at the make-believe trial on the night of July 4th.

Hall Robinson's father, James B. Robinson, was district clerk at Jacksboro at the time of this famous trial and so officiated. Hall's older brother, who is now tax assessor-collector of Wichita county, will act as district clerk at this most famous trial.

George L. Hamilton of Sherman, son-in-law of Judge Soward who presided at the Indian trial, will be the judge on the bench next Thursday night. We are not advised as to who will play the part of the two Kiowa Indian chiefs.

The trial is to be staged outdoors so as to accommodate the vast crowds who are expected to be present. Of course Hall and Mrs. Robinson will be given reserved seats. We hope that trial doesn't become so realistic and thrilling as to cause Hall and Mrs. Robinson to become so excited as to disturb the proceedings of the court.

### MAX MINOR IN LABOR DAY GAME AT WICHITA FALLS

The News is advised by E. E. Scannell of Wichita Falls, representing the Maskat Shriners, that this order will sponsor again the Oil Bowl Football game to be played in Wichita Falls Labor Day, September 2, between a North Texas team and a West Texas team made up of high school students.

The West Texas team is to be composed of students from Lubbock, Amarillo, Pampa, Tahoka, Tulla, Perryton, Wink, Floydada, Wellington, Littlefield, Matador, Olton, and Shamrock.

Max Minor has been selected from Tahoka.

The West Texas team will be coached by Blair Cherry of the University of Texas and J. G. (Goober) Keyes of Lubbock.

The North Texas team will be coached by Matty Bell of S. M. U. and Ted Jeffries of Wichita Falls.

That game will draw some crowd.

### Old Settlers . . .

(Continued From Page 1)  
years, which was much enjoyed by all the old pioneers.

The Sunset Quartet, composed of four colored citizens of Tahoka, rendered several "spirituals" that brought much applause.

Square dances by old-timers and the younger set and a "jitterbug dance" by some of the young people, as well as some other special dance numbers, were on the afternoon program.

J. K. Millwee, of Lubbock won the prize as the oldest man present and Mrs. A. N. Hughes of Tahoka as the oldest woman.

Mrs. G. P. Bohanan of Lonkview, Washington, daughter of the late D. M. Estes of O'Donnell, was awarded the prize for having come the greatest distance to attend the Reunion.

New officers were elected as follows:

President: W. H. May, Wilson.  
1st. Vice Pres. C. H. Doak, O'Donnell.

2nd. Vice Pres. J. W. Elliott, Tahoka.

Secy.-Treas. E. T. Wells, O'Donnell.

A list of out-of-town people who registered is given below. In some instances only one member of a family registered. The list of Tahoka old-timers registering is too long to be published.

### Visitors

Mr. and Mrs. Ed Myers of Slaton; Mrs. Aubrey Thomas of McAllen; Don Hatchett and Jeff Sherrord of Lubbock; J. M. Vaughn, O'Donnell; Mr. and Mrs. Henry Badgwell of Graham, Okla.; W. H. Robinson, Shallowater; Mr. and Mrs. G. G. Vaughn, O'Donnell; Mrs. A. L. Walker, Brownfield; G. F. Standeford, Slaton; Homer St. Clair and family, Lamesa; Mrs. C. M. Whipp, Lubbock; Jack Blankenship, Brownfield; T. B. Cowan, Lubbock; B. B. Ater; Mr. and Mrs. Waldo McLaurin and Mr. and Mrs. Ben Moore, O'Donnell; E. T. Wells and family, O'Donnell; Mike Redwine, Lubbock; 'Shorty' Stanbrough, Lovington, N. M.; Charles Kuykendall, Lubbock.

Howard Tunnell, Lovington, N. M.; Mr. and Mrs. Roy Green, Hobbs, N. M.; E. H. Howell, R. Cathey, A. M.

Tredway, all of O'Donnell; J. K. Millwee, Jack Douglas, and Cecil Whipp, Lubbock.

### Library . . .

(Continued from Front Page)  
have free access of the library. The borrower may keep the book as long as two weeks, after which he must pay two cents per day fine for each day the book is kept over the allotted time.

A few of the latest and most popular books, such as Hitler's "Mein Kampf", "Gone With The Wind", "My Son, My Son", "Dr. Hudson's Secret Journal", etc. will be kept on a rental shelf, and a rental fee of three cents per day will be charged borrowers of these books until each book pays for itself. This rule will make it possible for the library at all times to purchase some of the best and latest books as they come off the press.

Since the library is a non-profit county-wide public institution, all citizens are urged to make use of its books and to contribute to its support.

Many individuals and clubs have promised to donate books or cash who have not yet done so. They are urged to bring these books to the library Monday or Tuesday of next week if possible, so that they may be catalogued by the opening day. Book and cash donations will be welcomed at all times however.

All citizens are urged to come in and inspect the library now, even if they do not desire to take out a book. A fine beginning has been made though the movement was started less than a month ago.
