## First Bale of Cotton Brings Eleven Cents At Auction

### Earliest Bale In County's History

Many express the belief that a record was broken when Tahoka received her first bale of cotton on Monday, August 19. A few have advanced the claim that a bale was received here one year as early as August 15, but this has not been verified.

E. D. Crouch of Three Lakes brought in the first bale this year on Monday afternoon, and it was ginned at the Farmers Cooperative No. 1, with Claude Donaldson as manager, shortly after eight o'clock that night.

It was sold at public auction on the First National Bank corner shortly after nine o'clock Thursday morning for 11 cents per pound to Frank Campbell of Lubbock representing the Plains Cooperative Oil Mill of that city. The Anderson-Clayton Company, one of the competing bidders, contributed \$5.00 to the premium list. Claude Donaldson, representing the Farmers Cooperative Gin, and E. R. Edwards, representing the Union Cotton Compress Company, also participated in the spirited bidding, which was started off by Claude Donaldson with a bid of nine cents.

Probably another record was broken when a preacher mounted the float and acted as auctioneer. Rev. Geo. A. Dale, pastor of the First Baptist Church here, had accepted the invitation to serve in this capacity. He demonstrated the fact that if he ever runs out of a job as a pastor, he can make a living as an auctioneer.

The bale of cotton weighed 433 pounds, and in addition to the \$47.63 which the bale brought at the auction sale, the owner was presented with a premium of \$77.75 contributed by the business men of Tahoka, which was augmented to \$82.75 by the \$5.00 contributed by Anderson-Clayton, making a grand total of \$130.38 received by Mr. Cough for the bale.

This cotton was gathered from a field of about 100 acres of cotton planted by Mr. Crouch in April. Naturally, it had suffered considerably from the July drought, but estimates are that it will yield from a fourth to a third of a bale per acre.

### County Health Unit To Hold Round-up

In our previous Pre-school Round-up, there were quite a number of children who were not able to attend. If the parents are interested in having their children examined, they may bring them to the County Health Office Tuesday morning, August 27th, between the hours of ten and twelve o'clock.

Let us again remind you that this is the time of year when typhoid fever is most prevalent. There has been two cases in your county so far this year. If you have not been protected from typhoid fever in the last year, now is the time you should be protected. If you are not able to pay a private physician, the health department is prepared to give typhoid, diphtheria, and smallpox immunizations in their office any Saturday morning between the hours of nine and twelve o'clock.

### Post Winner In Donkey Ball Game

The Tahoka fireboys accepted an invitation from Post to go over and engage the Post firemen in a game of donkey baseball Tuesday night. The Tahoka aggregation got slaughtered, the score being 3 to 2 in favor of Post. You know it was an exciting contest.

A big barbecue was served by the Post boys, and the Tahokaites were found in their praise of the hospitality extended them.

### Evangelist

REV. HOMER LAND

Rev. Homer Land, evangelist of Guthrie, Oklahoma, who will begin revival meetings at the Tahoka Nazarene church on next Tuesday night. Miss Bette Ellis, pastor, will direct the song services.

### State Convention Date Changed

#### Attorney General Rules In Case

Some time ago it was announced through the public press that the Democratic convention would be held in Mineral Wells on September 3.

County Chairman C. H. Cain calls attention to the fact that since that time Attorney General Gerald Mann has ruled that it is mandatory that this convention be held on September 10. The date therefore has been changed accordingly, and all delegates and prospective visitors to the convention will please note the change in the date.

About the only function of this convention will be to declare the nominees of the primary elections held on July 27 and August 24 and to adopt a platform.

### Former Tahokan Leads In Jones County Race

Rev. Ben Hardy informs us that C. J. (Bill) Armstrong, son of Rev. C. C. Armstrong, who was pastor of the Methodist church here in 1935 and 1936, was the leading candidate in a field of six candidates for county treasurer of Jones county in the July primary. If he wins in the runoff next Saturday he will be Jones county's next treasurer. Many friends here hope that he wins.

### Bucy Wins Trip To Colorado

Dallas, Texas Aug. 22.—Leaving Dallas at 10:00 A. M. Sunday, August 25, on the Southland Life-Santa-Fe Special Train bound for Estes Park, Colorado, will be J. Fred Bucy, representative of the Southland Life Insurance Company at Tahoka.

The Vacation-Convention, for which the Stanley Hotel in Estes Park will be headquarters, is given as a reward for the production of life insurance during the past eighteen months. Nearly 150 Southland Life agents, executives, and wives will make the trip.

The entire party, with the exception of those who choose to spend another week in Colorado, will return to Dallas, arriving Friday, August 30, and from Dallas will disperse to their homes.

Mrs. H. L. Roddy and daughters, Virginia and Ruth, are visiting relatives at Hico this week.

Mrs. H. T. Ellis and two daughters, Misses Maxine and Fern, of Monohans are this week visiting her parents, Mr. and Mrs. Wash Hickerson, in the Three Lakes community.

### SECOND PRIMARY ELECTION WILL HOLD SPOTLIGHT THIS WEEKEND

#### Schools To Stress Americanism

Plans have been completed for the opening of another school term for the Tahoka Independent school district. Because of world events that have been and are now happening, the local school authorities have spent much time and thought on plans for the school year 1940-41. To the best of their ability, they have gone into every phase of school problems which might confront the community during the coming year.

Of course no human can foresee all problems and difficulties that might arise. The local school officials therefore, make this earnest appeal to every citizen whether you have children in school or not, to take a greater interest in your school this year than you have ever done. The qualified voters of the community of course have selected your school trustees and they in turn have done their best to select the best qualified teachers and other school employees available to teach the boys and girls of the community. But your school trustees and your teachers cannot give the community the kind of school it deserves without the wholehearted cooperation of the community.

Due to so many Isms that are now abroad in our land, the Tahoka school officials make this definite announcement that they only believe in one Ism and that is Americanism which means everything that a real American holds dear, namely Free Schools, Free Religious worship, Free business transactions, Free ballot, and Free speech (To the local school officials, Free speech means so long as that speech is in defense of and for Americanism).

Therefore, in view of the above beliefs, Citizenship and Americanism is being put at the head of the list of what will be stressed throughout the year in Tahoka public schools. Because when the ideals of Americanism are lost, everything is lost.

Wake up America and start depending to a man, the ideals of Americanism, before it is too late.

### Curb and Gutter Paving Progresses

Work is going forward this week on the laying of curb and gutters for the paving of West North Third Street from the Main Street intersection west to the High School building.

Paving east of the High School in the 400-foot block facing the Grade School will be fifty feet wide, while paving the remainder of the length of the street will be 36 feet wide, it is said.

The paving is a joint WPA-City of Tahoka project which has been under way for several months.

### Revival Begins At Central Tonight

Revival services at Central Baptist Church eleven miles east of Tahoka will begin Friday night of this week, according to Mrs. E. A. Thomas of Grassland.

Rev. A. C. Hardin, pastor of the First Baptist Church in Post, will do the preaching. Rev. Lynn Lemons is the new pastor, having begun his pastoral work for the church just last Sunday.

The meeting will continue through Sunday, September 1. The general public is invited to all the services.

Mr. and Mrs. Hope Haynes had as their guests during last week their friends, Mr. and Mrs. Leon Pearsey of Haskell.

### Evangelist

PAUL SOUTHERN

Evangelist Paul Southern, instructor at Abilene Christian College, will begin a ten day's series of Gospel Meetings at the local Church of Christ, on Friday night, August 30th. Song services will be under the direction of Elmo Burkett of O'Donnell.

### Retail Merchants Now Operating

#### Fifty Members In Local Association

The Tahoka Retail Merchants Association, which has been in process of organization for several weeks, is now in operation, with an office on the second floor of the courthouse, being the same office formerly occupied by the district attorney.

Officers of the organization are: Claude Donaldson, president; A. H. Raborn, vice-president; and Miss Viola Ellis, secretary. Miss Ellis is in charge of the office.

The membership now consists of fifty Tahoka business institutions. The purpose of the organization among other things is to enable business men to protect themselves against those whose credit is distinctly bad, against hot check artists, and fake advertising promoters. It is hoped and believed that the organization will be a distinct benefit to the town.

### Jerry Dean Cain Photo In San Antonio Paper

Mr. and Mrs. Alton Cain recently spent a few days vacation at Corpus Christi and San Antonio.

And one of the greatest pleasures of the trip was a triumph scored by Jerry Dean, who made a hit with a San Antonio Express photographer and got his picture in the paper.

The family were taking lunch in Brackenridge Park when the Express photographer came along. Having caught a glimpse of the boy crying, he asked his dad to make him cry again. Alton proceeded to do so and the photographer snapped his camera. The picture was so cute that it appeared in the next issue of the Express, and a copy of the paper was sent to the parents.

And are they proud of it!

### MISS LOLA SMITH RECEIVES M. S. DEGREE AT NTSTC

(Special to The Lynn Co. News) Denton, Texas, Aug. 20.—Miss Lola Smith of Tahoka is one of more than 500 candidates for graduation at the twenty-eighth annual North Texas State Teachers College summer commencement exercises to be held Saturday night, August 24, at the college athletic field. This summer's class is the second largest in the school's history.

Miss Smith will receive the master of science degree in physical education.

Miss Marion Draper who has been attending the University of Texas is here visiting her parents, Mr. and Mrs. I. M. Draper, after completing work for her Masters Degree.

### Classes To Start Monday, Tuesday

The Tahoka schools will open the school year 1940-41 on Monday, Sept. 2 for what might be one of the greatest school years that any community has ever seen. The local school authorities have no fear of the success of the coming year if local citizens will take seriously their job as school patrons.

Mr. Lee Dodson, high school principal, makes the following announcement with reference to registration of high school students:

All Juniors and Seniors who ride buses and all football boys will register Friday, August 30, from 8:30 to 10 A. M.

All other Juniors and Seniors will register from 10 to 12 A. M. on the same date.

In order to be sure of having an equal opportunity at your choice of classes, books, etc. it is imperative that all the above students register at the above mentioned time.

Freshmen and Sophomores will register Monday, Sept. 2 at 9 A. M.

Classes will start at 1 P. M. Sept. 2 and every class will meet on half time Monday afternoon for assignments and announcements. Then the regular schedule will be started Tuesday at 8:30 and will continue for nine months of a well planned year of constructive training in which every student will profit according to just about what he puts into the year's work.

The school buses will run Friday, August 30, in order for all to know just where and when the buses will go. They will leave Tahoka in time to arrive at school as near 8:45 as possible.

In order to facilitate the details of registration, those students who register Friday, August 30 are earnestly urged to not come to school before noon Monday Sept. 2. Of course those students who ride buses will be expected to be here in order to meet classes Monday afternoon but all others will be cooperating by staying at home till noon Monday.

### School Bus Drivers Selected By Board

At a call meeting of the local school Board this week, completion of the school employees for the coming year was made by the selection of bus drivers as follows:

Bill King will again drive the route known as the Grassland-New Lynn route, Hope Haynes will drive what is known as Jackson's route, Harold Snowden will drive what is known as the Dixie or Armstrong route, and A. R. Bostick will again drive his own or the South Ward route.

These men were selected because of their ability to get the job done as the local board thinks it should be done. Every school bus patron is urged to be patient and cooperate with these men, for you should remember that they are hauling some 40 other youngsters besides your own. You are also reminded that if each of 40 students delays a school bus 1-2 minutes it will make the bus just 1 hour late. Therefore a strict schedule must be maintained in order to have efficient bus service.

The bus drivers have had 100 per cent cooperation from the patrons in the past and they earnestly solicit that same cooperation this year. They know they will get it just as in the past.

Jo Anne Jaynes, little daughter of Mr. and Mrs. F. O. Jaynes underwent a tonsillectomy at Lubbock Sanitarium Friday, returning to Tahoka Sunday.

Mrs. S. A. Mensch of Draw was taken to a Lubbock hospital last Friday and underwent a major operation Saturday. She is doing as nicely as could be expected, and all her friends wish her a speedy recovery.

**CELEBRATES SEVENTY-SEVENTH BIRTHDAY ANNIVERSARY**

W. H. Green, an old-timer in Tahoka and a pioneer of the Old West, celebrated his seventy-seventh milestone Monday. He jokingly stated that he managed to stay out of jail all day. As a matter of fact, we guess W. H. Green was never in jail a day in his life.

Early the next morning, however, his son, Walter Green and wife and son of Artesia, New Mexico, came in to pay him a visit. They remained until Wednesday. Walter works on a ranch out there and formerly served as deputy sheriff. But it was the first time he had seen his dad in more than a dozen years.

Miss Martha Faye Thomas, daughter of Mr. and Mrs. E. A. Thomas of Grassland, will return to her home next Sunday from Denton where she has been attending the North Texas State Teachers college this summer. Miss Thomas has been a student in the University of Texas the past two years.

**DRAPERS ATTEND BLOYS CAMP MEETING**

Mr. and Mrs. I. M. Draper and Mr. and Mrs. Fred McGinty and children spent several days last week in the Davis Mountains attending the Bloys Camp meeting which they thought very fine.

This "Campmeeting" which was begun some fifty years ago in a natural park of live oaks in the Davis mountains between Fort Davis and Valentine, was at first conducted by Dr. W. H. Bloys a Presbyterian minister. In later years it became interdenominational in scope and now some of the best ministers and evangelists in the various denominations appear on its program each year. There are four services each day and it is said that the audience, as a rule, does not know of what denomination their speaker is to be until the service begins.

The Drapers and McGinty's visited several towns in that section and also visited the great McDonald Observatory.

**NOTICE**

The County Library hours will be from 12 to 5 o'clock each day for a few days, due to shortage of help. As soon as other help is secured the old hours will be resumed, according to Mrs. G. M. Stewart.

**FORMER PIONEER CITIZEN VISITS TAHOCA**

George Riley of Bakersfield, California, is here this week greeting many friends.

Mr. Riley was one of the Pioneer citizens of Tahoka. In fact he was here when the town was organized. He remembers the first newspaper that was ever printed here and can point out to you the spot where the printing shop stood. He can even describe the old printing press that did the job. He knows all the old-timers. He can tell you about the first election, and how many votes, for instance, S. N. McDaniel got when he was elected the first county clerk. For some time he was an employee in Thomas Bros. Drug Store. He stayed here till the town got a good start and then moved away.

It was back in December, 1923, when he yielded to the lure of the far Northwest and went to Oregon, where he resided quite a number of years. Now he is engaged in the grocery business in Bakersfield, California. And the other day he capitulated to the urge to come back to Tahoka and see his old friends again. Sunday afternoon, he landed in Lubbock and then immediately got lost. Luckily, Mrs. Jack Alley spied him and afforded him passage to Tahoka.

Marvelous changes have been wrought even here, he avers, since he left Tahoka nearly seventeen years ago.

Thousands turn to this way to get relief when they're lazy intestinally and it has them headachy, bilious, irritable, listless: A quarter to a half-teaspoonful of spicy, aromatic, all-vegetable BLACK-DRAUGHT on your tongue tonight, a drink of water, and there you are! Thus, it usually allows time for a night's rest; acts gently, thoroughly next morning, so relieving constipation's headaches, biliousness, bad breath. BLACK-DRAUGHT'S main ingredient is an "intestinal tonic-laxative," which helps impart tone to lazy bowel muscles. The millions of packages used prove its merit. Economical, too: 25 to 40 doses, 25c.

**Which Shall It Be?**

How can the ordinary citizen know  
whether he is doing the right thing  
if he votes for Culberson or if he  
votes for Brooks for railroad commis-  
sioner?

Many lifelong friends of Culberson  
living in Lynn county give every as-  
surance that he is a courageous and  
honest man who will hew to the line  
wherever the chips may fall. He cites  
his record as a public official to prove  
as much.

Then the Brooks supporters turn  
right around and charge that Cul-  
berson is being supported by the big  
electric light and power utilities  
companies, the inference being that  
they have an axe to grind and will  
expect Culberson to grind it for them.

Culberson denies that he is or will  
be under obligation of any kind to  
the Utilities or other corporation  
but charges on the contrary that  
Brooks is being supported by the  
Lone Star Gas Company, which com-  
pany is trying to defeat him because  
he forced it to reduce its rates while  
he was head of the gas division as  
an employee of the railroad commis-  
sioner.

It may be that both candidates  
are getting financial backing from  
some corporation but Culberson de-  
clares that he has little money on  
which to make a campaign and that  
he has a very small office force as-  
sisting him.

It is evident that Brooks either

TOP: The revised Burke-Wadsworth  
bill, which would make 12,000,000  
men between the ages of 21 and 31  
liable for registration for one year's  
training as part of the national de-  
fense program, has just been re-  
commended to the Senate by its  
Military Affairs Committee. The de-  
bate on the conscription measure is  
expected to wax torrid, but Adminis-  
tration leaders predict its enact-  
ment into law before August is out.  
12,000,000 Americans will soon wit-  
ness the reappearance of the above  
registration form—used in the last

war. BOTTOM: American art, al-  
ways sensitive to international dis-  
turbances, has been somewhat tardy  
with its Second World War output.  
But three recent paintings reaffirm  
its traditional vigor and excellence.  
Shown here is a reproduction of one,  
Thomas Hart Benton's "Nor More  
Sea For Me," a compelling delineation  
of the disbanding of a British  
freighter's crew on the London docks.  
The painting will be on exhibition in  
26 leading museums in principal  
cities from coast to coast over the  
next two years.

must have a lot of money of his own  
or is being given financial backing  
by somebody.

Why do we say so? Well, one rea-  
son is that a so-called newspaper is  
being issued in his behalf. It car-  
ries no advertisements and is be-  
ing devoted entirely to his campaign.  
Just a few days ago we found two  
copies of this "newspaper" in our  
car. Presumably it was being placed  
in all the cars. Therefore, thousands  
and possibly hundreds of thousands  
of copies of it must have been pub-  
lished. Who is furnishing the money?  
We don't know. And we don't like  
the looks of things. We don't even  
like the tone of the political matter

it contains. It is filled with politi-  
cal clap-trap. It stamps Brooks as a  
mere politician, trying to ride into  
office on the coat-tails of a popular  
public official, for whom Brooks has  
shown no particular admiration un-  
til he started this campaign. For  
these reasons we are sure that we  
do not want to vote for Brooks.

On the other hand, we are not  
sure by any means that Culberson is  
the best man that could have been  
chosen for this place.

That we had some way of se-  
curing the services of three of the  
very biggest men in this state to  
serve on this commission, created un-  
der the leadership of the great Jim

Hogg with the immortal John H.  
Reagan as its first chairman!

In his acceptance speech the other  
day, Wendell Willkie disconcerted  
some of the Republican isolationists  
including his own running mate,  
Senator McNary, by declaring in  
favor of some form of selective mili-  
tary service or compulsory military  
training, but he made a charge that  
Roosevelt's foreign policy was cal-  
culated to lead us unnecessarily in-  
to war, and he challenged the Pres-  
ident to meet him on the stump to  
discuss the issues of the campaign.  
Really, since Willkie has swallowed  
most of the Roosevelt program, we  
can see no real issues between them.  
But Secretary Ickes on Monday night  
made a scathing reply to Willkie.  
Whereupon Willkie retorted that  
Ickes' attack upon him was too con-  
temptible for him to answer. From  
which we gather that the Presiden-  
tial campaign this fall is not to be a  
dull affair.

William C. Bullitt, ambassador to  
France, who recently returned to  
this country, made a red-hot speech  
the other night advocating conscrip-  
tion and urging that this country get  
ready as quick as possible to defend  
itself against attack by the dictator  
nations, asserting that if the English  
navy should be destroyed the dicta-  
tors would be sure to attack us. On  
Monday a bunch of isolationist sena-  
tors, made furious by the Bullitt  
speech, charged the speech as being  
little short of treasonable. That  
merely shows their own desperation.  
Bullitt's speech might have been  
over-zealous for American defensive  
measures, but it was anything else  
but treasonable; it was intensely  
patriotic. If anybody is guilty of any-  
thing that smacks of treason it is  
the senator who would have this  
country sit idly by while the dicta-  
tors destroy all the remaining de-  
mocracies and get ready to attack us.

Without knowing anything about  
the issues involved, if any, and  
wishing his opponent no harm, the  
News hopes that Deskins Wells may  
be elected congressman from the  
Amarillo district next Saturday, to  
succeed Marvin Jones, who will re-  
tire soon to accept a federal judge-  
ship. Mr. Wells is a brilliant young  
man who has made a success in the  
newspaper business at Wellington,  
and his neighbors think he would

make a good congressman. He led  
all his opponents, ten or eleven in  
number, by a heavy plurality in the  
first primary. His opponent in the  
run-off is Eugene Worley, also a  
young man with a license to prac-  
tice law, now representing his district  
in the legislature.

Every recurring biennial election  
brings fresh proof that some other  
method of choosing minor state of-  
ficials than that now employed  
should be adopted. Voters usually  
concentrate their attention on the  
race for governor with that for at-  
torney general holding second place.  
Less interest is taken in contests for  
other state offices, and usually there  
is an abundance of candidates about  
whom the majority of the voters  
know practically nothing. For in-  
stance, in the race for state railroad  
commissioner there were eighteen  
candidates in the July primary. None  
of them was well known throughout  
Texas. The people were compelled to  
vote in the dark. It is probable that  
some of those who were best quali-  
fied fell far down the line in number  
of votes received. With so many can-  
didates in the race, it is easy for  
special interests to boost their fa-  
vorites and thus succeed in eliminat-  
ing good men who have no backing  
by corporate interests. As rotten as  
conventions sometimes are, would it  
not be better for minor state candi-  
dates to be nominated by conven-  
tion? Or, possibly, it would be better  
to make these offices appointive. We  
do not profess to know the best  
remedy for the evil, but we do know  
that the present method of choosing

all state officials other than the  
governor and attorney general is  
anything but ideal.

and son, Grady Howard of Falls,  
spent Monday night with her daugh-  
ter, Mrs. Frank P. Hill.

in September A. D. 1940, the same  
being the 23rd day of September  
A. D. 1940, then and there to  
answer a petition filed in said  
Court on the 10th day of August  
A. D. 1940, in a suit, numbered on  
the docket of said Court as No.  
1346, wherein Corene Perry is Plain-  
tiff, and W. E. Perry is Defendant,  
and said petition alleges that plain-  
tiff resides in Lynn County, Texas  
and that plaintiff and defendant  
were married May 7th, 1929 in As-  
permont, Texas and separated Aug-  
ust 16th, 1929; that plaintiff has  
resided in Texas for more than one  
year and in Lynn County for more  
than six months before filing her  
petition herein. Plaintiff alleges that  
defendant did, on or about the 16th  
day of August, 1929, without any  
provocation or cause whatever, leave  
and abandon plaintiff with the in-  
tention of finally separating and  
living apart from her, and has con-  
tinued so to do up to the filing of  
plaintiff's petition, though often re-  
quested by petitioner to return and  
live with her as her husband, and  
that such abandonment has endured  
over three years; Plaintiff fur-  
ther says that defendant left her on  
or about the 16th day of August,  
1929, and they have since lived a-  
part without cohabitation for over  
ten years before the filing of this  
suit.

Plaintiff says that as issue of such  
marriage one child was born and is  
now living with plaintiff, namely  
Mary Eloise Perry, a girl ten years of  
age; that defendant is not a proper  
person to rear, educate and train  
said child and that custody of said  
child should be awarded to plaintiff.  
Plaintiff prays that defendant be  
cited herein by publication, that his  
residence is unknown to plaintiff;  
that upon trial of this case she have  
judgment of divorce and that she  
further have judgment awarding her  
the care, custody, control and edu-

**Avalanche Commends  
Local Businessmen**

The Lubbock Avalanche commends  
the business men of Tahoka for hav-  
ing the courage to abandon the plans  
to hold a rodeo here this summer,  
saying that it probably took more  
courage to take such a step after  
some preparation for the event had  
been made than it would have  
taken to go through with the propo-  
sition. We don't know about the  
courage but we do believe they ex-  
ercised good business judgment; not  
that financial conditions and crop  
prospects were so bad, but Tahoka  
business men, we believe, sensed the  
feeling that people are somewhat  
"fed up" on rodeos. They felt it  
wouldn't hurt to skip a year.

**METHODIST HAVE SUCCESSFUL  
REVIVAL AT DRAW**

Sunday night was the last ser-  
vice of a very successful revival at  
the Methodist Church. Rev. R. S.  
Watkins of Panhandle did the  
preaching. Wednesday morning  
marked one of the high points in the  
revival, when an old fashioned ser-  
vice was held. 155 persons were pre-  
sent, some who had not attended a  
religious service in some time. All  
who attended enjoyed Brother Wat-  
kin's messages.

All the women of the Church are  
urged to be present Monday and fin-  
ish the business of the old society,  
and on Monday week, September 2,  
all are urged to be present for the  
organization of the new society and  
election of officers.

We will be in our pulpit at Grass-  
land Sunday. We may have a visit-  
ing preacher Sunday night. Come and  
see.—The Pastor.

**NEW LYNN LEAGUE IS HOST

Hub-Lubbock Union meet with us  
Monday night. President J. E. Flem-  
ing had charge of the program. New  
Lynn Epworth League was awarded  
the banner.

After the business meeting, games  
were played, which every one seemed  
to enjoy. Refreshments were served  
to about 95.

We have planned to take our  
League to Graham Chapel Sunday  
night to be in charge of the pro-  
gram.—Publicity Supt.

**Mack's Food Store  
In Receivership**

Encountering financial difficulties,  
three of the creditors of J. B. Mc-  
Pherson, who has been operating  
grocery stores here and at Seagraves  
and Lubbock, have forced him into  
bankruptcy and all three of the  
stores were closed early this week.

Mr. McPherson successfully oper-  
ated a grocery store here for several  
years. Then he opened a store at Sea-  
graves, which also prospered. Last  
winter he opened a third store in  
Lubbock. It seemed to be doing  
good business, but it failed.

Many friends here hope that bet-  
ter days await him.

**Piggly Wiggly Opens  
New Store Here**

W. T. Kidwell and Roy Hicks are  
opening a second Piggly-Wiggly store  
here this week-end. It will be locat-  
ed in the building on the west side  
of the square formerly occupied by  
Mr. Kidwell. Roy Hicks will be in ac-  
tive charge.

The store will probably be opened  
today but their formal opening date  
has not yet been announced.

Mr. and Mrs. B. B. Ater of Lake-  
view were here Wednesday investing  
in a new automobile. They are plan-  
ning to attend a family reunion at  
Sweetwater Sunday. They have had  
as their guest this week Mrs. W. E.

crops fine in their section of the

Beard, who underwent an operation  
in a Lubbock hospital last week, will  
be brought home today. She is said to  
be recovering satisfactorily.

Mrs. L. Lumsden of Wilson, who  
underwent major surgery at the  
Lubbock Sanitarium on August 11  
and was in a serious condition for  
a few days, seems now to be making  
satisfactory recovery, according to  
reports from the Sanitarium.

pected. The appendix had ruptured  
before the operation was performed.

**"Build-Up" for Women  
Helps Avoid Distress**

Do you suffer periodically from  
headaches, nervousness, irritabil-  
ity, cramp-like pain?

If so, here's good news! These  
may be symptoms of functional  
dysmenorrhea due to malnutrition,  
often helped by CARDUI.

CARDUI usually increases appe-  
tite and the flow of gastric juice;  
so aids digestion and helps build up  
strength, energy, physical resist-  
ance. Result for many is less periodic  
distress. Or you may find this also  
helps ease your periodic discomfort:  
Take CARDUI a few days before  
and during "the time." 50 years of  
use and popularity invite your  
confidence in CARDUI.

Misses Jean Evans and Betty Lou  
Turner of Slaton are house guests  
of Miss Greta Applewhite this week.

Miss Margaret Fancher of Welch  
is here visiting her aunt, Mrs. Jim  
Burlison, and Mr. Burlison.

Mrs. Irma Faye Buck, who is a  
patient in the Lubbock Sanitarium  
following an operation, is expected to  
be released and brought home Sat-  
urday.

Mr. and Mrs. C. F. Galyen spent  
their vacation of a week in Christ-  
oval, Wink and Monahans visiting  
relatives.

Mr. and Mrs. Burns have returned  
from a vacation visit with relatives  
at Christoval, Wink, and Monahans.

Mr. and Mrs. Lawrence Evans are  
spending their vacation of two weeks  
with relatives at Justiceburg and  
Slaton.

A number of cars of West Point  
people made a trip over the county  
Wednesday in the interest of Tom  
Hale for sheriff. A chorus of horns  
announced their arrival in Tahoka in  
the afternoon as they returned from  
the trip.

**NOW IN OPERATION!**

The Tahoka Retail Merchants Association, composed of  
50 Tahoka business institutions, is now fully organized  
and doing business from its office on the second floor of  
the courthouse.

Merchants are urged to take advantage of the Associa-  
tion's credit rating files, and all good citizens should  
deem it a privilege to have their rating listed with the  
Association.

The organization is for the purpose of protecting Ta-  
hoka merchants against those who make bad accounts,  
cold checkers, unscrupulous solicitors and salesmen, and  
such people who make legitimate credit hard for the  
honest man.

Judge James P. Alexander of McLennan County, run-off candidate for Chief Justice of the Supreme Court of Texas, spends a few pleasant hours at his home in Waco with Mrs. Alexander and his two daughters, Nancy Lu and Betty Jane, before starting on an intensive last week campaign for votes at the August 24th primary.

Odds and Ends See Eye, the Elder

We didn't get quite through with the lawyers last week, folks. At least there is a word or two about the courts that we want to say.

The procedure of a court in almost any kind of a trial is a bewildering maze of paths and by-paths that lead nowhere so far as the ordinary layman can discover, a tangled skein that he can not follow nor unravel.

He thinks therefore that the judge on the bench is biased toward one side or the other in his rulings, especially if most of his rulings happen to be in favor of the contention of one lawyer and against the contention of the opposing lawyer.

He also thinks that the judge has a lot of discretion in the kind of a charge that he gives to a jury.

These are common misconceptions of the power and discretion of a

judge on the bench which often result in making him popular or unpopular depending on the trend of popular sentiment concerning the case on trial.

As a matter of fact, a judge on the bench may personally be in sympathy with one litigant in a case and yet his determination to track the law in his rulings may compel him to decide against the contention of that litigant or his attorney on every issue of law presented to the court. Contrariwise, it may compel him to rule in favor of a litigant whose cause on the whole he believes to be unjust.

Such a situation often results from the fact that a litigant who is in the right is represented by an attorney who does not know the law of the case as he should or who in his zeal undertakes to violate the rules of law that govern, while the attorney on the other side has a clear and intimate knowledge of the law of the case and adheres to it.

An incompetent lawyer can sometimes do his client a greater injustice than the attorney on the other side does him.

Laymen often listen intently to the charge of the court to try to determine whether the court favors this side or that. As a matter of fact, the judge may favor neither side. His charge would be the same if the litigants could swap places. The law that governs the facts in a case is just the same whether the case be one of Mr. Big Bug against John Poor Devil or John Poor Devil against Mr. Big Bug.

It is the same in criminal cases. On the same evidence, the judge's charge would be just exactly the same in the case of the State of Texas vs. Samuel Slickcrook as in the case of the State of Texas vs. Penniless Pete.

The Judge on the bench in ninety-nine cases out of a hundred will make his rulings and write his charges in strict accordance with what he believes to be the law in the case for the simple reason that he does not want to be reversed by a higher court even if he is not impelled to do so by his sense of honesty.

He may deviate from the rule now and then when a question of law which has not been settled by the higher courts is involved, or on rare occasions for other reasons.

But, on the whole, we believe that the judges of our courts adhere more closely to the strict rules of honesty and integrity in the performance of their duties than do the members of the other branches of our government. In this we include both the trial judges and the judges of the

"Build-Up" Relief Explained to Women

A simple method has saved many women a lot of suffering! It is based on the fact that headaches, nervousness, cramp-like pain are often symptoms of functional dysmenorrhea due to malnutrition.

Help for this condition so often follows the use of CARDUI, because it usually increases the appetite and the flow of gastric juice; thus aids digestion and helps build physical resistance. Usual result is less periodic distress.

Many who take CARDUI a few days before and during "the time" have found this helps ease periodic discomfort. Women have used CARDUI for more than 50 years!

appellate courts.

It will be a sad day for America if and when a very large per cent of our judiciary does become corrupt.

In view of the above facts—and they are facts—it is a shame and disgrace how we often hold our courts up as objects of contempt and ridicule.

We think the motion picture producers have been more guilty in this respect than all other people combined. We can not remember having ever seen a motion picture depicting a court scene that did not present the court in a ridiculous light. That is true even in those cases in which justice obviously is done. In every instance the rules of procedure are distorted and outraged. Even a schoolboy "kangaroo" court would be a credit to some of the court scenes portrayed on the screen. We think the lawyers and judges should make a protest to the motion picture industry against this sort of thing.

The courts are the bulwark of our country. As a rule they proceed in a dignified manner. For a hundred and fifty years they have been preserving and defending the constitutional rights of the individual citizen. It is due to the confidence in the integrity of our courts that so little sentiment against our form of government has developed in this country. People will not rebel as long as they believe that they can get justice in the courts. And thus far our courts, on the whole, have maintained a reputation for integrity and fairness not enjoyed by any other court system in the world unless it be that of the English.

It behooves us therefore to strive to the utmost to preserve the integrity of our courts. When it is discovered that a judge has been corrupt, he ought to be kicked out the window instanter, and usually he is.

Furthermore, good American citizens should not hold their courts up to ridicule. On the other hand, we should respect them as we respect our flag.

Does that mean that our courts and our judges are above criticism?

Not at all. There are times when the courts and the individual judges should be criticised.

But most of us laymen are incompetent critics. We have never made a study of the law. We know little or nothing about the rules of interpretation. For us to criticize the opinion of a great court is much

like a seventh grader criticizing the opinion of a college professor on some scientific question.

Nevertheless, courts and judges can err. We think that they do err when they hug to their bosoms the letter of the law and fail to see its spirit, or its purpose, or the circumstances under which it was enacted and the evil which it was designed to correct.

When men think that they must interpret a law strictly in accordance with its verbiage or phraseology without taking these weightier matters into consideration, then they err. We say that they are too technical, but we mean that they are too limited in knowledge and vision.

An example of such an interpretation, it seems to us, is a case in which a court ruled that "Sudan Seed" was not equivalent in mean-

ing to "Sudan grass seed", and that proof of a transaction involving "Sudan Seed" was not sufficient to sustain an allegation involving "Sudan grass seed".

We would say that that court was indulging merely in judicial mechanics and not with logical, living facts. We think that such decisions are entirely too "technical" and tend to bring the courts into disrepute.

The spirit and intent of the law should prevail, not merely the letter.

Our courts should be sensible, if they expect to be respected.

## Vegetable Laxative Has Important Points

Most people want a laxative to do  
three things: (1) act punctually,  
(2) act thoroughly, (3) act gently.  
Here's one that usually fills all  
three requirements when the easy  
directions are followed. It's an all-  
vegetable product whose principal  
ingredient has medical recognition  
as an "intestinal tonic-laxative."  
That's the ingredient which en-  
ables BLACK-DRAUGHT to help  
tense lazy bowel muscles. It is the  
main reason for the satisfying re-  
lief from constipation that gener-  
ally follows next morning when  
BLACK-DRAUGHT is taken at  
bedtime. The millions of packages  
used are proof of its merit.

### Confirmation Services At Lutheran Church

(Theo. F. Sager, Pastor)  
(Services in the Presbyterian Church)

Friday night at eight o'clock Examination of the candidates for Confirmation.

Sunday morning, 8:00, Confirmation Service with Holy Communion. Please announce for Communion.

The Lutheran Church has always been known for its emphasis on religious education. Accordingly for those who wish to join the Lutheran church there is a thorough course of premembership instruction in the fundamental doctrines of the Bible. Having finished this course of instruction, the candidates are publicly examined as to their faith, and then by the ancient rite of Confirmation admitted into communicant membership of the church.

This procedure pertains to confirmation of children. Children 13 years or older are eligible to such a pre-membership course.

The procedure in the case of adults is a bit different. There is for instance no public examination and instruction consists of a series of lectures.

This year's candidates are Jaunita and Evelyn, daughters of Mr. and Mrs. Alfred Sanders, and Bernice, daughter of Mr. and Mrs. Ernest Sanders, all of Tahoka.

The public is hereby extended a cordial invitation to be present at these occasions.

### Young Couple Weds Monday Night

James Godwin, son of Mr. and Mrs. J. C. Godwin, and Miss Majorie Solsberry, daughter of Mr. and Mrs. A. L. Solsberry, were united in marriage by Judge P. W. Goad at his residence here Monday night.

Immediately following their marriage the young couple left for Whitharral, accompanied by the groom's sister, Mrs. Elton Wossun, who lives at Whitharral, where young Mr. Godwin has employment.

These are fine young people who deserve to succeed, and their many friends here wish them every happiness.

Mr. and Mrs. Frank Hill and Patricia, and Lubbock postmaster and Mrs. Amos Howard, Amos Jr. and Elizabeth, recently spent two weeks in the New Mexico mountains, first in the Sacramento at Cloudcroft and later in the Sangre de Christos at Tres Ritos. The Hills returned home Sunday.

### FARMERS ARE GUESTS OF ROTARY CLUB

About thirty representative farmers were guests of the Tahoka Rotary Club at its luncheon Thursday. Judge Homer Winston, World War veteran and former county judge of Terry county, was the speaker of the day.

He discussed Americanism, the World Situation, and Preparedness. If that bunch of isolationist Senators in Washington could have heard Judge Winston's sledge-hammer blows and the applause that his remarks elicited, their attitude might not have been changed but certainly they would have been convinced that at least this little section of the United States has no sympathy with the opposition they are expressing and the obstructionist methods they are employing to defeat the proposed program of preparedness and compulsory military training.

The sixty or seventy men present seemed to be practically unanimous in favor of this program.

Smith and Loy Lawson who are in the Dairy business in Los Angeles, California, with their families have been here since August first visiting their mother Mrs. A. A. Lawson of Grassland and the ladies' parents, Mr. and Mrs. A. L. Sheppard and Mr. and Mrs. R. E. Appling. They expect to leave about August 25.

Mrs. R. C. Forrester and daughter, Miss Obera, had as their guests Saturday and Sunday Mrs. Dick Lee, Mrs. Bill Anderson, Brookie Lee Anderson, and Mrs. Roy Lee of Lovington, New Mexico, and Mrs. Lucille Westerman of Midland, Texas. All are relatives of the Forresters except Mrs. Westerman, who is a friend of long standing.

Mr. and Mrs. Rafe L. Richardson and Miss Floyce Sherrod returned Friday from Portales, N. M. where they had enjoyed a pleasant visit in the home of Mrs. Grady Beard, the former Ethel Kuykendall, who had visited here and they accompanied her home for the week's visit.

Mrs. E. W. Shawn, who underwent a major operation in the Lubbock Sanitarium last Saturday, is reported to be recovering satisfactorily.

Miss LaRuth Walden of Post was the guest of Miss Iris Dean Cade last week.

### Many Attend Reunion At Mackenzie Park

Mrs. T. G. Dulin reports that about one hundred persons attended the Burleson-Milam county reunion at Mackenzie State Park last Sunday. This was the twelfth annual reunion of this organization, the first one having been held in 1929.

In another part of the park at the same time was a reunion of the former residents of Hill county, with 200 to 300 people in attendance.

Numerous family reunions and outing parties were also noted. In fact, the park was pretty well filled with this kind of gatherings. Among them was a reunion of the Pool family, with Mr. and Mrs. D. T. Rogers and Mr. and Mrs. Calvin Edwards among the number.

Numbers of Lynn county people attended one or another of the meetings and gatherings of various kinds.

Joe P. West of Wingate, a former rural mail carrier here, spent a short time here last Thursday and will be here this week end to take home his son Hoyt, who has been a student in the Texas Technological College this summer. Hoyt and his sister, Miss LaVerne, will both enter College for the regular term in September.

G. M. Reid is spending this week with his parents at DeQueen, Arkansas. He will return home about the end of the week accompanied by his daughter, Miss Eva Jo, who has been visiting with her grand-parents several weeks.

Miss LaRuth Walden of Post was the guest of Miss Iris Dean Cade last week.

Mr. and Mrs. C. T. Oliver and son Charles, accompanied by Mr. Oliver's sister, Mrs. Douglas Pile of Big Spring, left Wednesday morning for Comanche, Oklahoma, where they were to be joined by other brothers and sisters in a family reunion.

Willis Pennington and family left Friday for a pleasure trip out to the mountains of northern New Mexico. They were accompanied by Mary Beth Roddy. They expect to return home this week-end.
