Volume XXXVII

Tahoka, Lynn County, Texas, Friday, October 18, 1940

Number 10

Lynn County Registers 2521 For Service

Draft Board Is Beginning Work

Following up the work of the registration officials Wednesday, the Selective Service or Draft Board began work Thursday morning. This board consists of Judge J. W. Elliott, chairman, Marshall Stewart, and B. W. Baker.

The first work of this board was to inspect the 2,521 registration cards signed in this county, one by one, and send to the respective counties of the registrants' residences all these cards to the Governor at Austin who reside outside of Lynn county.

The Lynn County Selective Service Board has the option of sending these cards to the Governor at Austin instead of these county boards if it chooses to do so, according to Judge Elliott, and he expressed the intention of using this option in all cases except where the registrants live in near-by counties.

Board members stated that they would remain on the job continuously until this work is finished, and they expected to work all night Thursday night, therefore, without intermission.

It is also the duty of this board to draw the registration cards one by one from some kind of container and write thereon the proper serial number in the order drawn.

At a meeting of this board Tuesday, Mrs. Lois McMahon was chosen as clerk for the board.

Other duties of this board will be revealed later on.

The board members and their wives attended a regional meeting in Amarillo on Friday of last week to obtain first-hand information as to their duties.

In addition to the draft board, a medical examining board has also been selected for Lynn county, whose duties it will be to make examination of persons drawn for service to determine whether or not they are physically fit. Dr. E. Prohl and Dr. James W. Sinclair constitute this board.

Rotarians Hear Football Talk

Prentice Walker, member of the Southwestern Football Officials Association, spoke to his fellow-Rotarians Tuesday noon as the day's program feature, explaining football rules, penalties, etc. His talk will, no doubt, give those who heard him a clearer understanding of this great American game.

Walker is being called on to officiate at many Class AA and A football games in this section of the state, and it rapidly becoming known as an outstanding official.

Pioneers Honored At Gomez Meeting

Mr. and Mrs. W. C. (Bill) Mathis of this city were among the Pioneer settlers of Gomez, Terry county, who were honored in the annual pioneers meeting at that place on last Saturday night.

Mr. and Mrs. Mathis were residents of Gomez at the time Terry county was organized in 1905 and Gomez was one of the contestants for the county seat. Brownfield, however, was the winner.

All present Saturday night who were residents of that community in 1905 were given seats of honor.

All ex-teachers in the Gomez school had been invited and many of them were present. Among the number was Miss Nellie McLeRoy, teacher in the Tahoka school, who is secretary of the Pioneers' Association and who had a place on the program.

Judge Homer Winston of Brownfield was master of ceremonies.

Members of the family state that Woodrow Wilson King, who enlisted in the army on August 12, was assigned to Fort D. A. Russell near Marfa and is stationed there.

Mattresses, Comforts For FSA Families

The Farm Security Administration is to secure mattresses and comforts for its borrowers. The Crawford-Austin Manufacturing company of Waco has a contract with the State Board of Public Welfare and the Surplus Marketing Administration to manufacture these items.

The FSA borrowers of Lynn county made application for these mattresses and comforts October 4th and 9th. These will be delivered sometime after November 1st.

Indian Program Next Thursday

Chief Parker, Cynthia Ann Parker and other Indians will appear in a colorful Indian program at the Tahoka Grade School Thursday, October 22, at 2:15 o'clock in the gymnasium. Admission prices are 10 cents for grade school pupils and 15 cents for high school students and others.

Appearing in striking costumes of various colors this group of well-known Indians will present a program of colorful dances, songs and stories of their forefathers.

The program will include the following selections:

God Bless America; Old Fashion War Dance; Indian Love Song; Snake Dance; Comanche Story; War Dance; Arrow Making; Indian Hymn; Indian Sign Language; Song; Life of Cynthia Ann Parker; Indian Social Dance; War Dance; and "Nearer My God To Thee".

These Indians are descendants of the famous Cynthia Ann Parker who was captured by the Comanche Indians in 1836 and recaptured by the Texas Rangers in 1860.

Reed Appoints Advisory Board

Members of the Advisory Board for Registrants under the Selective Service law in Lynn county were announced by District Judge Louis B. Reed a few days ago. This board had a meeting Monday night to familiarize themselves with their duties. Their main duty is to advise and assist the registrants in filling out the questionnaires that registrants will be required to fill out a little later.

The board for Lynn county consists of 25 men distributed over the county as follows:

W. E. Smith, Tahoka.
Truett Smith, Tahoka.
D. W. Gagnat, Tahoka.
Deen Nowlin, Tahoka.
E. H. Boullion, Tahoka.
A. M. Cade, Tahoka.
Henry Maasen, Tahoka.
B. M. Haymes, O'Donnell.
Guy Bradley, O'Donnell.
W. C. Sauls, O'Donnell.
Ol Harris, O'Donnell.
Shack Blocker, O'Donnell.
A. F. Pitts, (Dixie community) Rt. 4, Tahoka, Texas.

Bill Cathey, New Moore community) Rt. O'Donnell, Texas.

Acie Bailey, (New Home community) Rt. 1, Wilson, Texas.

Loyd R. McCormick (New Home community) Rt. 1, Wilson, Texas.

Lamar McLaurin, (Wells community) Rt. O'Donnell, Texas.

Howard Cook, Wilson, Texas.

S. A. Cummings, Wilson.

R. J. Kahlich, Wilson.

Tom Hale, (West Point community) Tahoka, Texas.

Howton Haire, (Gordon community) Rt. Post, Texas.

George Pugh, (Draw community) Rt. Tahoka, Texas.

Roy O. Nettles (Lake View community) Rt. Post, Texas.

Claude Thomas (Grassland community) Rt. 1, Meadow, Texas.

Monroe Ayers and family of Lubbock, who visited his mother, Mrs. Charley Latham, and family recently, were accompanied home by his sisters, Doris and Mattie West Latham, who visited there several days.

4,215 Brick Are Given Museum

In Lynn county's "Give a Brick" campaign initiated last Friday as a part of the drive for common brick with which to complete the West Texas Museum on the campus of Texas Tech, a total of 4,215 bricks were donated. 4,000 of these come from the town of Tahoka, nearly two brick to the citizen, 2,078 being contributed by Tahoka school children and teachers.

The county committee, headed by Supt. W. T. Hanes, as chairman, W. S. Anglin, and Frank Hill has contacted every community in Lynn county, and schools in these communities have all promised to donate brick. New Lynn, Dixie, Grassland, and Edith have already made contributions. Other schools are expected to report soon.

Tahoka business men contributed nearly 2,000 brick last Friday when a committee of Rotarians called on them for donations. Mr. and Mrs. Tom Garrard led the list with 500 brick, and practically every business and professional man in town gave from one to 50 brick.

Lynn county was given considerable publicity in the Lubbock papers as a result of the drive, this being the first county outside of Lubbock to stage a drive for benefit of the museum.

Light Frost Is Reported Here

Light frost was reported in many places early Tuesday morning when the mercury dropped to 34.5 degrees Fahrenheit, according to the weather Bureau thermometer kept by the News. On Wednesday morning, the thermometer registered 36 degrees.

Not enough frost came to kill vegetation, since 32 is the freezing point, but folks were reminded that Winter is not far down the road. November 2 is reputed to be the average date for the first killing frost in Lynn county.

W. S. Swan Under Treatment In El Paso

W. S. Swan, who has been in El Paso for treatment and as a guest in the home of a daughter, Mrs. J. R. Turner, suddenly became worse Tuesday night, and was carried to an El Paso hospital, where a blood transfusion was given.

Mrs. E. H. Boullion was informed of his condition late that night and Mr. Boullion carried her to Big Spring, where she caught a bus on to El Paso to be at her father's bedside.

Word was received by Mr. Boullion Thursday that Mr. Swan was better, and barring complications, could be released from the hospital and returned to Tahoka in about ten days.

Cooking School Friday Next Week

Announcement was made yesterday by E. H. Spikes, local manager of West Texas Gas company, of a cooking demonstration to be held in Tahoka Friday, October 25th in the Gagnat Hardware store.

Miss Mary Alice Crosson, home service director of West Texas Gas company, will conduct the demonstration. She will prepare oven and broiler meals, will discuss better and more modern cooking methods, and baking at this altitude.

All women of Tahoka and surrounding territory are invited to attend this demonstration starting at 2 p. m. Friday afternoon, October 25.

Mr. and Mrs. Dayton B. Nance of Barrington, Illinois, and Mr. and Mrs. Henry M. Rawn of Waukegon, same state, are here this week visiting Mr. Nance's parents, Mr. and Mrs. J. B. Nance.

Baptists At Petty Will Build Church

Rev. J. E. McManis of Petty reports that the Baptists of that vicinity are preparing to build a house of worship at Petty.

The building will be a tile structure, and the tile has already been placed on the ground. The gravel and sand are being hauled now as members of the church find time to haul it.

The Church is to be 30x40 feet in size, and it is hoped that it will be completed some time this fall.

Weather Delays Cotton Harvest

Cotton gathering has proceeded very slowly since our report last week. Only 1,571 bales had been ginned this season up to mid-afternoon Thursday, or only 268 bales the past week.

Picking has been greatly retarded by showery weather last Friday and a downpour of rain Sunday night. A total of .39 of an inch was registered during the first rain period and .47 of an inch Sunday night.

E. W. Holloway, special agent for the Bureau of the Census, reports that prior to October 1 only 3,138 bales had been ginned in Lynn county from this season's crop as against 20,703 bales prior to the corresponding date last year.

Plains Leading In Enlistments

Radio reports a few days ago brought the information that there have been more volunteers for service in the army from the nineteenth congressional district, of which Geo. H. Mahon is the Representative in Congress, than from any other district in the entire nation.

This is a record of which the people of this district have reason to be proud. There is probably no better nor more patriotic citizenship in the nation than the citizenship of the South Plains.

This Peach Tree Defies All Freezes

There is at least one peach tree in this country that successfully withstood all the ravages of winter's several return visits last spring and has produced a heavy crop of peaches just now ripening.

Mrs. Garland Pennington brought to the News Office Monday a twig broken off this tree with nine large peaches on it. They had grown on it just about as thick as it could bear them. She said that the tree had on it 2 1/2 to 3 bushels of fruit, and she was canning some of them.

The only protection this tree had from the cold weather is the fact that it stands on the south side of the house. Practically all the peach crop on the South Plains was killed by the late freezes last spring.

P. T. A. Program Is Postponed

Because Wednesday was registration day, the regular PTA meeting scheduled for that afternoon was postponed until next Wednesday, October 23. The group will meet in the Music room of the ward school at 3 o'clock, and all parents are urged to be present.

The following program has been announced on the subject, "Well Founded Attitudes":

Song, "America The Beautiful", by the audience.

Applied Religion and Self Expression, Mrs. Ben Hardy.

Capacity for Adjustment and Individual Responsibility, W. T. Hanes.

Fire Prevention Display, Elementary School Students Texas Congress Birthday, Mrs. Guy Stroud.

It's subscription paying time. Renew your subscription to The Lynn County News now. \$1.00 a year in Lynn and adjoining counties.

All Estimates Surpassed As Draft Got Under Way Here On Wednesday

Prohl Appointed To Medical Board

Dr. Prohl received word Monday from Holman Taylor of Fort Worth, Defense for the State Medical Association, that he has been appointed to serve on the committee of military affairs for this five-county district.

Chairman of the committee is Dr. J. G. Loveless of Lamesa, and other members are Drs. A. L. Bradford of Seagraves, and John R. Turner of Brownfield.

Mr. Taylor did not disclose the full nature of this committee, though he stated that their duties will subsequently become extremely important in direct connection with selection of physicians for governmental service of some sort, somewhere.

Geo. Mahon Speaks To Confederates

Ex-Confederate veterans had their annual Reunion in Washington, D. C., last week, and we understand that by reason of the fact that their number has been almost entirely depleted by death they will not undertake to hold another reunion.

Our own congressman, Geo. H. Mahon, we are informed, had been chosen as the principal speaker at this last reunion of the aged boys in gray. It was an honor of which he doubtless was very proud. A son of the New South, he yet is well versed in the history of the Old South, and few men know better how to touch the heart strings of the old Confederates than George Mahon. Of course he did a good job of it.

Artists Course In Tahoka High

Opening the Artist Course at Tahoka High School, Lela and Harry Lombard, well-known musicians, will present a program ranging from grand opera to light comedy Thursday night, October 24, at 7:30 o'clock in the auditorium.

The program will include baritone, piano, whistling solos, duets and monologues in costumed portrayal scenes and sketches in wholesome comedy for all ages. Harry Lombard was baritone for eight years with the English Opera Company. Lela Lombard was a pupil of Emil Liebling.

The school has scheduled an Artist Course number in January which will present John Sloan in a lecture and demonstration on liquid air. Mr. Sloan is a former science instructor and graduate of a Southern university.

Continuing the Artist Course series, Jack Rank, famous actor and playwright will appear in "Taming of the Shrew", "April Showers" and "Shakespearean Revue" at the auditorium in February. The Poloneme Potters will conclude the Artist Course at Tahoka High School in March with a display of machinery, models and mixtures deftly handled and simply explained by experts clay craftsmen.

Admission prices for the Artist Course members are 20 cents for students and 35 cents for others. Students with activity tickets will be admitted free.

BUYS CORLEY CAFE

G. E. Porter, until recently of Ozona, has bought the Jack Corley cafe, remodeled and redecorated the same. His brothers, Marvin and Alfred Porter are operating the cafe, and in addition to the usual cafe service, they are selling real barbecue and have installed a great market.

The number of registrants in Lynn county for selective military service under a recent act of Congress far surpassed most estimates that had been made. The total number who went to the various registration points in the county Wednesday and there signed registration cards is 2,521, according to County Clerk Walter Mathis, to whom returns were made.

O'Donnell led all the voting precincts in the county. Although its voting strength is usually only about three-fifths as much as the two Tahoka voting precincts, yet it registered six more Wednesday than both the Tahoka boxes combined. This is explained by the fact that there are so many transient Mexican cotton pickers in the vicinity of O'Donnell. Probably 300 of the registrants in the county are Mexicans, the major part of whom are in the O'Donnell territory.

Some of the registration places were veritable bee-hives of activity for a large part of the day, particularly in the larger voting precincts, such as O'Donnell, North Tahoka, South Tahoka, Wilson, and New Home.

Another noticeable feature was that the registrants came early. They seemed anxious to get their names down on the dotted line, and thus far we have heard of no person in Lynn county who evaded or sought to evade registration.

Registration in the county by voting precincts is as follows:

O'Donnell	639
North Tahoka	377
South Tahoka	256
New Home	277
Wilson	222
Newmoore	133
Draw	128
Grassland	96
Lakeview	78
Dixie	74
Three Lakes	74
Morgan	58
West Point	43
Garnolia	32
Gordon	30

There were almost 5,000 registrants in the city of Lubbock and almost 9,000 in the entire county.

Wenzel's Swine Win At Dallas

Wilburn Wenzel, 11, son of Mr. and Mrs. A. D. Wenzel of Wilson, won the grand champion prize at the Dallas Fair last week on a Berkshire sow and her litter of pigs which he had entered, according to the report of his father upon their return from the fair last Friday.

This same sow and her litter of five had recently won the grand champion prize at the Panhandle-South Plains Fair in Lubbock and at the Tri-State Fair in Amarillo.

Wilburn won the division first honor and the grand championship on his entry in competition with all classes of entries in the hog division.

He and his brothers have made many winnings heretofore on their entries of hogs in the Panhandle-South Plains Fair and at other fairs. His father operates a registered Berkshire breeding farm at Wilson.

Agency Opening For Ford Tractor

C. A. Eiland of Lamesa this week has opened an agency for the sale and service of Ford Tractors in the Parkhurst building two blocks east of the traffic light, on the Post highway.

Mike Redwine, well known over Lynn county, will be in charge of sales here. Mr. Eiland has opened agencies in Lamesa and O'Donnell, also.

Mr. and Mrs. J. E. Dye were called to Denver City Sunday on account of the serious illness of her sister-in-law, Mrs. L. W. Wynn.

Tahoka Holds Slaton 18-20; 400 Fans Ride Special Train

About 500 Tahoka football fans witnessed one of the most thrilling games that has ever been seen in District 5-A football history last Friday night at Slaton. Three hundred and ninety Tahoka fans traveled by rail to Slaton by special train. They were very much surprised by the power that has been developed by the Bulldogs since their first game this season although they did not break the old jinx that has existed since way back and the Slaton Tigers barely nosed the Bulldogs out by a score of 20 to 18.

Collier Is Outstanding Man
Collier led the Tigers to victory by scoring all three touchdowns and the two "extra points" that beat the Bulldogs. He could plunge the line like a mad bull and it was his ball game up until the second half—Then the Bulldogs finally stopped him.

"Slingin'" "Rusty" Waldrip shot a 25-yard pass to Earl Adams for the Bulldogs first touchdown of the game. "Rusty" also passed a 20-yard bullet pass intended for "Hoss" West but a Slaton Boy slapped it right out of his hands into Earl Adams hands and Earl ran 45 yards for the Bulldogs final score.

The Thrill That Comes Few and Far Between

Earl Adams got off a nice punt way down the field and Collier reached out and took it in and raced 70-yards for a touchdown—Then the teams lined up for the kickoff and Collier kicked to Earl Adams who raced 80-yards for a touchdown behind some of the best blocking by his team-mates that we have ever seen.

After being out-played the first half of the ball game the Bulldogs came back out on the field and stopped Collier and ran the Tigers ragged—badly outplaying them the whole last half of the ball game and when the final whistle sounded the Bulldogs were on another march for a touchdown, gaining ten yards in nearly every three plays called.

The Bulldogs have shown more and more power every time they have performed in a ball game so far this season and if they keep on getting better they will not lose another game this season. If the Bulldogs improve as much within the next week as they did last week they will be able to defeat any other ball club in District 5-A and they still have a real good chance of being the District "Champs".

The Bulldogs rest this week-end, giving them another week for hard practice before they meet the Brownfield Cubs at Brownfield next week-end. The Bulldogs should progress very rapidly since there have been no injuries to amount to very much so far this season and by next week-end they should be rarin' 'n ready to take on the Cubs.

Stars, Why all the boys that played last week end were stars and they caused several of the Tigers to see stars too.

Statistics

The Bulldogs made 263 yards rushing to 203 for the Tigers, losing 2 yards to the Tigers 22. The Bulldogs made only 8 first downs to the Tigers 10. Completed 5 passes for 140 yards to 2 for Slaton for 29 yards.

FOOTBALL RESULTS . . .

Hobbs, N. M. 0; Lubbock 40. Lamesa 13; Plainview 21. Levelland 6; Brownfield 6. (Brownfield won on first downs). Crosbyton 7; Lockney 12. Post 0; O'Donnell 0. (tie, O'Donnell won on first downs). Tahoka 18; Slaton 20. Ralls 7; Floydada 13. Cowhands 6; New Deal 12. Muleshoe 6; Olton 14. Ropesville 0; Cooper 13. New Home 34; Wilson 6. Draw 13; Roosevelt 20.

Brownfield Edges Out Levelland

The Brownfield Cubs won from the Levelland Loboes on first downs last Friday night after being tied in scores 6 to 6 the Cubs barely edged out Levelland in this important Conference game. The Cubs led in first downs 9 to 7.

This was the fourth win of the season for Brownfield, their first Conference game and it was Levelland's first defeat after winning the first four games they played.

Brownfield scored first in the first minute of play. Brownfield kicked off to the Loboes and they fumbled on the first play and the Cubs recovered on their own 25-yard line—Six plays later the score was 6 to 0.

The Levelland score came in the fourth quarter when Warren attempted to field a Lobo punt and fumbled it and the Loboes covered the ball on their own 14-yard line—Four plays later Billie Green passed to Glen Johnson who scored the six points for the Loboes.

The Tahoka Bulldogs will play Brownfield there next week-end.

ROOSEVELT'S SIX MEN DEFEAT DRAW, 20 to 13

Roosevelt High school defeated Draw, 20 to 13, in a non-conference six-man football game this afternoon on the Roosevelt field.

Boots Tidwell blocked a pass and fell on it across the Draw goal line for touchdown in the first quarter. In the second, Ater ran 45 yards for Roosevelt's second counter. Draw scored on a pass in the second period, Roosevelt counted again in the third, and Draw made a final touchdown in the fourth.

Way "Build-up" Helps Will Interest Women

The cause of a woman's periodic suffering from headache, irritability, cramp-like pain, may be *functional dysmenorrhoea* due to malnutrition, a condition that is often helped by CARDUI.

Principal way CARDUI helps is by stimulating appetite and the flow of gastric juices. Thus it may aid digestion; help build up a woman's strength, energy and nerve-force; so increase physical resistance to periodic discomfort.

It also helps reduce periodic distress for many who take it a few days before and during "the time." Your confidence in CARDUI is invited by its 50 years of popularity.

O'Donnell Upsets Dope To Beat Post

The O'Donnell Eagles upset the Post Antelopes last Friday night on the O'Donnell field in their homecoming game, winning by first downs.

The Antelopes were doped to be by far the best team but the Eagles held the Antelopes to a scoreless tie—and the penetrations were 2 and 2 but the Eagles made 7 first downs to the Antelopes 5 and won the District 5-A conference game that way.

The Eagles strutted their stuff by coming out of a series of games that they lost by large, lop-sided scores to win from the Post Antelopes.

This is Coach Ray DeBusk's first year at O'Donnell and he has built his ball club this year from "green" material and they may be a real threat to the Tahoka Bulldogs if they show much more improvement in the next few weeks.

NINE-MAN FOOTBALL

RISEING STAR, Oct. 17.—Nine-man football was introduced here today.

Scranton, beaten 34 to 0 by Rising Star, had a squad of 12 men. Three were injured.

So, Coach Bodie Hunter of Rising Star also whittled his team to nine men.

DISTRICT MISSIONARY TO PREACH AT EDITH

Rev. Lowell Ponder of Plainview, missionary for Dist. 9 composed of several plains Baptist associations, will preach at Edith at 11 o'clock next Sunday morning, according to announcement made by the pastor of the Edith Baptist Church, Rev. J. E. McManis.

Sunday School meets at 10 a. m. The pastor will preach Sunday night.

Lynn Health Unit Makes Report

In a survey of health work in Lynn county, the Health Unit wishes to report the progress that has been made the nine months that it has been organized.

Communicable Disease Control

There have been six admissions to this service, fourteen home visits have been made to these cases and one hospitalization. Concurrent and terminal disinfection was stressed.

Lectures, talks, newspaper articles, and films have been presented to the people of this county stressing importance of education regarding these diseases.

Maternity Service

One hundred forty-one admissions with four hundred thirty-nine visits to these cases. It has been pointed out to the mother the importance of medical supervision for herself and child. Instructions were given in maternity hygiene and infant care.

Eight public lectures and talks were given with three hundred and eighty-nine in attendance.

Infant and Pre-School Service

One hundred fifty-nine admissions to service with three hundred and sixty-three home visits being made. One hundred thirteen pre-school children were examined and eyes checked by Dr. Brumage and the Nurse. Importance of medical supervision was stressed and parents were urged to have any defect which their child might have corrected before starting to school.

School Hygiene

Two hundred twenty-nine children have been examined by physician and nurse. Four admitted to service with twelve home visits by nurse.

Inspections by dentists 2150. Many have had correction made since inspection. Lectures, talks, films, and a Dental Health Show have been presented to the schools. Several children have been fitted with glasses since eye inspections last spring.

The primary aim is to secure maximum health for every school child through his own intelligent cooperation and that of all others who control his environment. All activities of the school health program are educational in character and the responsibility rests on the teacher to carry out an effective program. Literature has been distributed among the teachers in order that they might learn and recognize the early symptoms of the communicable diseases and thereby prevent the spread in the school. Physical inspections were made of pupils to discover physical defects and to acquaint the parent of this defect.

Cripple Children Service

Five admitted to service with ten home visits. Stress has been placed on early correction, and several children have already received State aid.

Morbidity Service

Four admissions with twelve nursing visits. The morbidity service includes all cases that cannot be classified as communicable.

General Sanitation

Lectures and talks were made on sanitation. Educational work in sanitation has consisted of the following:

1. Showing need for safe water supply, both public and private.

2. Teaching proper handling of milk.

3. Instructing in danger of disease transmission by flies.

4. Showing need for proper disposal of human waste.

(a) Sanitation inspection of all school buildings by the sanitarian, also a complete sanitary inspection of all the tourist camps and eating establishments has been made by him. Inspection has been made of all dairies in the county in an effort to improve the quality of raw milk sold to the consumers.

(b) Sanitary Engineering Service. The sanitary engineer has consulted with the city officials in Tahoka and O'Donnell relative to improvements in water and sewage facilities in the county.

Special Projects

Organization of Linen Loan Closet through the cooperation of the Social Case Worker, Mrs. Dude Holland.

Preschool summer roundup sponsored by the Parent-Teachers Association.

BAPTIST W. M. S.

With Mrs. George A. Dale as Program Leader a Stewardship Program from Royal Service was rendered at the Baptist Church Monday afternoon with twenty women attending the three circles.

After a devotional brought by Mrs. Douglas Henderson, the various phases of stewardship pertaining to time, money, possessions, and so on, were discussed by Meses. J. K. Woosley, W. T. Kidwell, H. P. Caveness, W. H. Kenley, K. R. Durham, P. A. Nowlin, Cornelia Kelley, and Misses Elizabeth Preston and Valerie Wells. Others attending the meeting include Meses: Garland Pennington, Molly Doss, Bob Collier, Leo Jackson, E. I. Hill, H. B. Howell, T. T. Ivy, W. M. Harris, Ralph Cates, C. T. Oliver, Carl Owens, W. O. Robertson and Miss Mary Seroyer.

Mrs. L. C. Craig of Plainview recently visited here with her son J. E. Dye and Mrs. Dye.

Join the Retail Merchants' Association and see if it doesn't help. Itc

Some cotton yarn is so fine that 50 miles of it are needed to make one pound according to studies made at the Southern Regional Research Laboratory.

Need Laxative? Take All-Vegetable One

Don't let impatience lead you into harsh measures for the relief of constipation!

There's no use, for a little spicy, all-vegetable BLACK-DRAUGHT, taken by simple directions, will gently persuade your bowels.

Taken at bedtime, it generally allows time for a good night's rest. Morning usually brings punctual, satisfying relief from constipation and its symptoms such as headaches, biliousness, sour stomach, no appetite or energy.

BLACK-DRAUGHT'S main ingredient is an "intestinal tonic-laxative" which helps tone intestinal muscles. 25 to 40 doses, only 25c.

Strictly Feminine

... and strictly essential for the Fall of 1940 are dresses of character for street wear during those brisk winter-is-just-around - the - corner days. Our Collection of Autumn frocks is an attractive one... one to help you face the new season with a smile and a complacent feeling about being well dressed. We'll be looking for you.

Charles A. Lindbergh has emitted another blast. He charges that our country's leaders are steadily leading us into war. The trouble with Lindbergh is that he is so afraid that we will eventually enter the war against Hitler and his murderous cohorts that he has become jittery. Guess he is still wearing that medal Hitler gave him. He asserts that our defenses are weak, and he blames our leaders for failing to foresee the emergency that has arisen and castigates them for not having begun a campaign of preparedness a long time ago. Why didn't he foresee it. He spent several years over in England and visited Hitler in Berlin. He came away a couple of years ago proclaiming the great war strength of Germany but we never heard of his making any recommendation that we arm against Germany. If he foresaw that Germany so soon was again to become a menace to this country, he made no public mention of it. On the other hand, any proposal that we increase our army or navy strength was met with opposition by the Republicans, in whose behalf he now speaks. A few years ago Lindbergh was regarded as a sort of little tin god. During the past few months he has convinced a lot of us that he is nothing more than a little tin-horn politician.

We haven't said much about it lately but it's a joy to drive over these paved highways and Tahoka's recently paved streets. We are particularly grateful to the state highway department for the paving of highway No. 380, which extends east and west through the county. We are chiefly indebted to Harry Hines for this improvement, but we showed little appreciation of his work in the votes we cast in last summer's election. For the improvement of our city streets, we are indebted to Mayor Deen Nowlin and the members of the city council and our generous-hearted Uncle Sam. We are hoping that this paving program may continue until all of our principal residence streets are paved.

Due to good management on the part of our school trustees during the past several years, the Tahoka Independent School District has one of the best school plants of any town our size in the state of Texas—and yet our financial condition is among the best. In spite of this fine record, trustees have been subjected to severe criticism from time to time, most of which was entirely undeserved. Every board doubtless makes a few mistakes but on the whole we think Tahoka has been fortunate in the character of the boards that have served the district from the very beginning. Let's show them now and then that we appreciate their services.

One thing this European war has done for America. It has stopped the mouths of that growing number of people who delighted to criticize this Government for finally entering the World War on the side of the allies in 1917. They seemed to think that the indiscriminate sinking of American ships on the high seas by German submarines, taking the lives and destroying the property of our people, was no cause for war. On the contrary, according to the view of these critics, the United States should have tucked its tail and run like a cringing cur. We didn't do it, then and we are not going to do it now if we are thus attacked.

Those fine fall days are here again. We doubt if there is any finer climate in the world than that which we enjoy here in West Texas in the fall of the year. It is true our harvests are a little short this year but we can't expect a 1937 every year.

The American people do not believe that there is any one indispensable man. But they do think that some men are much better qualified to administer the great office of President of the United States than are most other men. On November 5 they are going to select the man they believe to be best qualified and in our opinion his name will not be Wendell Willkie by a long shot.

The News printing department has this week printed the ballots for the general election to be held on November 5. We believe that every qualified voter in Lynn county should go to the polls and vote. Of course there is no doubt as to the result of the election in this county nor in Texas, but we should show our appreciation of the right to vote by exercising that right. Millions of intelligent men and women in the world today do not have that right. We do. Let's use it.

NOT A DUN

Say, you boys. Don't forget about that dollar and two bits you owe the News-Record. It will not be long before the blue northerners will be whistling the dirge of "good old summertime" and kicking up the tumbleweeds as well as using the attenuated fabric of my ancient britches for harp strings. What I am trying to tell you is that I need a few bucks with which to replenish my wardrobe.—Uncle Bill in Sterling City News-Record.

WE'LL ACT SHORT, TOO.

MR. HILL
Week before last we had what we considered a classic write-up of Hon. E. E. Hill, of the Lynn County News, Tahoka. Well, he phoned over for the cut we used in illustrating the likeness of him. He used that—nothing more. Then he proceeded to biographize us from the cradle to now. But inasmuch as he would not tell his Lynn county readers what we said about him, we'll act stubborn too, and not print for Terry county readers what he said about us.

We'll notice just a few of Hill's blunders, not having made notes about us previous. Said Hill: "He was born a Democrat." Granted. "That we fooled with a G. Wash down in Jones county." Will state that we stirred clear of all print shops for nine years that we lived in Johnson and Jones counties, during the time leading the life of a more or less honest hired hand and cotton picker. We dabbled with printers ink in Texas, first in Terry having learned the trade in Tennessee.

He says we like to eat off our kin folks at Coahoma, Johnson county and Tennessee. Motion sustained. He also says we are the dean of South Plains editors. We'll consult our lawyer before making a statement or committing ourselves. He says that our language is not always elegant, but that we make ourself pretty clear. We hope so. Then he quits shooting "bull" and says we have made some money. We deny the charge and demand the proof. Says we have a good town, Brownfield, which we helped to build. We do like Brownfield; positively crazy about it. Hopes we live long and prosper. We second the motion, and that we always have good old neighbor Hill to quarrel with.

P. S. you ought to have seen the picture he used to illustrate us.

**Vegetable Laxative
Makes Happy Friends**

Here's a laxative that usually acts thoroughly as harsher ones but is a gentle persuader for intestines when used this way: A quarter to a half-teaspoonful of spicy, aromatic BLACK-DRAUGHT on your tongue tonight; a drink of water. There's usually time for a good night's rest, with a gentle, thorough action next morning relieving constipation's headaches, biliousness, sour stomach, bad breath.

BLACK-DRAUGHT is a splendid combination of vegetable ingredients, chief of which is an "intestinal tonic-laxative" that helps impart tone to lax bowel muscles.

Pretty fat guy setting on a tri-legged stool sweating like rips. "We were just cooling off after the edition was out," says the reading matter.—Jack Stricklin in Terry County Herald.

Well, we guess we did make a few errors. Honestly, we sure thought you had gotten into the millionaire class, Jack, from the way you have been running around over the country in your big Cadillac or something.

By way apology, the main reason we didn't publish your biography of the editor of the Lynn county News was that it would have required too much space to correct your errors. For instance, you talked about that wonderful Bell county stream Little River, flowing into the San Gabriel. Why, man, the San Gabriel flows into Little River.

Furthermore, you made some sort of mention about our having been born on its banks. If the truth must be told, we never saw the stream until we were eighteen years old, long after we had quit running around in our shirt-tail.

Our first old "washing-hole" was in Stampede Creek near "Who'd-a-Thought-It" school house. Stampede flows into the Leon and the Leon is one of the streams that helps to form Little River.

By the way, Jack, we got the main part of our splendid education at "Who'd-a-Thought-It". We did spend a few years down at Salado (pronounced as it is spelled) on the banks of the Salado (pronounced Sa-lou) hoping to absorb a few lumps of knowledge, and later we fooled away a little time down at the University of Texas—but by that time we had become perfectly immune to the virus of higher learning.

But we can't take time to correct all your errors, hoping that history will do us justice.

It's subscription paying time. Renew your subscription to The Lynn County News now. \$1.00 a year in Lynn and adjoining counties.

NOTICE TO CREDITORS OF THE ESTATE OF MARTHA I. RAY, DECEASED

Notice is hereby given that original letters testamentary upon the estate of Martha I. Ray, deceased, were granted to me, the undersigned, as independent executrix, on the 27th day of September, A. D., 1940, by the County Court of Lynn County, Texas. All persons having claims against said estate are hereby required to present the same to me within the time prescribed by law. My residence and post office address are 2122 Harrison Street, City of Amarillo, County of Potter, State of Texas.

Veida Ray Chisum, Independent Executrix of Estate of Martha I. Ray, Deceased.

THOMASES RETURN TO TAHOKA

Mr. and Mrs. C. A. Thomas returned to their home here on Wednesday afternoon of last week after having spent a month in Galveston, where their son Skiles is a Junior in the Medical Department of the University of Texas.

On the return trip home they came by Tyler, where they attended the Rose Festival, and Dallas, where they visited the Fair.

Mr. Thomas says the Rose Festival was really a great show. The Dallas Fair was also good, but they had seen it many times before.

MIDWAY CLUB STUDIES FLOWER ARRANGEMENT

"In arranging flowers, the container is just as important as the bloom," stated Miss Maurine McNatt, home demonstration agent, at the home of Mrs. H. V. Everson October 10.

In selecting a container three things should be kept in mind. It should have simple lines, be rich in color, and have adequate water space.

Vases which have a great deal of design should not be used for flowers, because they are decoration enough within themselves.

It is always wise to select those without flowers or designs.

The container should also harmonize with the flower used. Sunflowers and other sturdy flowers should be placed in earthenware pitchers, mixing bowls, or some type of heavy container, while sweet peas and light airy flowers should be used in dainty containers.

There were thirteen club members present. The club will meet again October 24 at Midway school house.

FATHER OF LYNN COUNTY RESIDENT BURIED FRIDAY

Samuel N. Moore, a resident of Lubbock county for the past fifteen years and well known in portions of this county, died of pneumonia in the West Texas Hospital on Thursday afternoon of last week. Funeral services were conducted in the Baptist Church at Ropesville and the body

was buried at Lubbock Friday afternoon. Two of the three sons, J. W. Moore and Buford Moore, reside in Lynn county, as does also one of the six brothers, J. N. Moore.

MRS. COOPER OF GRASSLAND HONORED ON BIRTHDAY

It was a most pleasant surprise to Mr. and Mrs. Calvin Cooper when on last Sunday morning their neighbors and friends of Post and vicinity began to arrive at their home near Grassland to celebrate Mrs. Cooper's birthday.

We were glad to see among them our old pastor and friend, Brother Leo Silvers and wife of Somerset, Kentucky, whom we hadn't seen in a long time.

We were surprised still more when the folks began to bring in well filled baskets and unload them on the table.

At last everything was ready, and we all gathered around the table and lifted our voices to God in Heaven for his mercy and goodness to us all, and we had a feast in more ways than one.

Oldtime gospel music and singing were enjoyed by every one present throughout the afternoon. Mrs. Cooper also received several nice gifts from her two children, Flora Mae and Pete, who are in California.

Among those present were: Rev. Leo Silvers and wife, Somerset, Kentucky; Mr. and Mrs. Tom Carter and family of Post, Mr. and Mrs. Buron Curb and family of Post, Mr. and Mrs. Eddie Hunt of near Post; Mrs. Evelyn Enloe, Mr. and Mrs. Calvin Cooper and children, and several others.

All departed for their homes hoping for many more happy days like this one.—One Present.

SIDEWALK MANNERS DISCUSSED WITH PETTY CLUB GIRLS

"Good manners should be practiced on the sidewalk", Miss Maurine McNatt told members of the 4-H Petty Club Tuesday, October 15, at the school.

"The sidewalk should not be used for public gathering places where people just meet to talk, but is intended for a thoroughfare. People who wish to walk should never stop the traffic but should step aside out of the way. Children should not make an unusual amount of noise by loud talking and laughing."

Five members were present.—Reporter.

Pit-cooked Barbecue served at the Porter Cafe and Market.

CLUB STUDIES PROLONGING LIFE OF CUT FLOWERS

"The lifespan of cut flowers may be controlled, to a certain degree, by proper methods of cutting and intelligent care thereafter", said Miss Maurine McNatt, agent, Wednesday, October 9, at the meeting of the Tahoka Home Demonstration Club in the home of Mrs. Aubra M. Cade with Mrs. J. B. Oliver as co-hostess.

"Early in the morning is the best time to cut flowers, for then the blossoms have absorbed the moisture from the dewy night and are un-wilted by strong sunlight. Late afternoon or evening is the next best time, if possible, after the dew has fallen. And be sure to cut them at an angle with a very sharp cutter.

"To preserve flowers longer, you can use 'Heat Treatment'. Dip end of stem in boiling water immediately after cutting and before immersion in cold water. This doubles the life of the poppy, heliotrope, hollyhock, and dahlia. Burn or char stem ends of wisteria, hydrangea, and poinsettias.

"When placing a flower arrangement, the background needs almost as much attention as the design itself. Plain, neutral backgrounds are nearly always good."

Twenty-three members were present.

Next meeting, October 23, will be in the home of Mrs. Francis Gill. We always welcome new members.

CARD OF THANKS . . .

I am more than thankful to Robert H. Kirk, secretary-treasurer of the Equity Life Insurance Company, Lamesa, Texas, for being so prompt in paying the claim on the death of my dear son. I see now why this company is praised so much.—Sincerely, Louis Sutton, Rt. 1, O'Donnell, 1tp.

CITY MARSHAL WARNS AGAINST SPEEDING

Warning is given against speeding on our newly-paved streets. It is a dangerous practice and is likely to result in a serious accident. Persons detected wilfully or flagrantly violating our speed laws in the city limits will be prosecuted.—W. M. Lee, City Marshal. 1tc.

Gilbert Gollehon of Post was a visitor in Tahoka Tuesday.

PETTY CLUB GIRL PRACTICES WHAT SHE LEARNS

"I am convinced that the A. & M. method is the best way to kill poultry," Della Carroll, a cooperator in the Petty 4-H Club told her members.

A few years ago Della's family was expecting a great deal of company so her mother allowed her to put into practice one of the things she had recently learned in 4-H Club. She killed and properly bled five chickens. They were hung by their feet, and the blood vein in the throat cut. The killing shackle was made by bending a wire coat hanger in the shape of a "Y" upside down. The corners of the shackle held the chicken's feet.

"The meat was so white and free from blood. Mother is planning to use this method here after, since she likes it so well," Della said.

She is the 10 year old daughter of Mr. and Mrs. J. W. Carroll. Joe Dean Jones and Geraldine Jones, also members of the Petty Club, have used this method of bleeding poultry.

NEW LYNN EPWORTH LEAGUE

With Miss Mary Catherine Faires, Miss Mezzie Mae Baker had charge of the program Sunday evening, which was rendered in a very inspirational way.

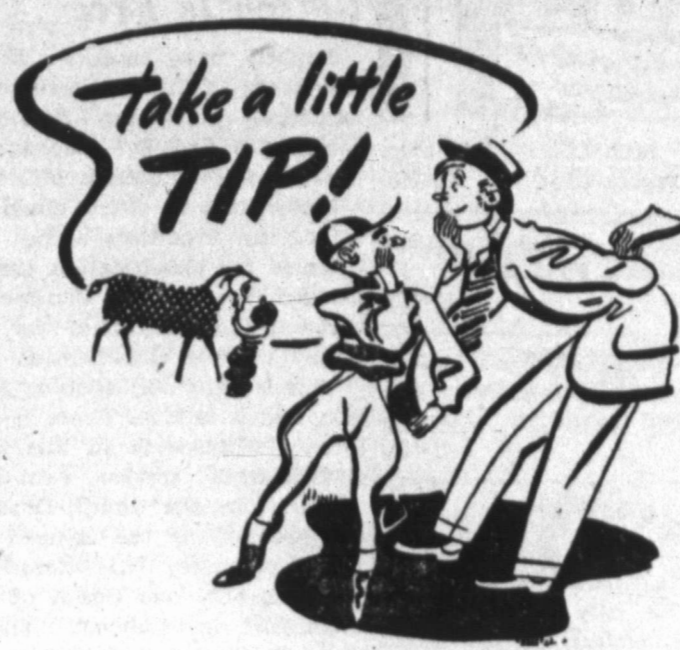

After the program, Bible questions were propounded by Miss Baker and members of her side to Miss Sue Young and her members. Sides have been chosen for the study of five chapters in the Bible each Sunday night.—Pub. Supt.

"Build-Up" Important Protector of Women

A weak, undernourished condition often enables functional dysmenorrhea to get a foothold; thus leads to much of woman's suffering from headaches, nervousness, and other periodic discomfort.

CARDUI's principal help for such distress comes from the way it usually stimulates appetite; increases flow of gastric juice; thus aids digestion; helps build energy, strength, physical resistance to periodic pain for many.

Another way, many women find help for periodic distress: Take CARDUI a few days before and during "the time." Women have used CARDUI for more than 50 years!

PETTY NEWS

Children, grand-children, and friends of Mrs. D. C. Baker attended a dinner Sunday as a compliment to her on her birthday.

A white birthday cake decorated in pastel colors was served with the dinner.

Present along with Mr. and Mrs. Baker and daughter, Eileen, were Mr. and Mrs. R. D. Rogers and children of Lubbock, Mr. and Mrs. H. M. Purcell of Ralls, and Mr. and Mrs. M. F. Baker of Tahoka and Mrs. Eleece Cathcart and children.

Guests in the home of Mr. and Mrs. J. W. Carroll Sunday were Mr. and Mrs. C. L. Carroll and Mr. and Mrs. B. L. Blivins, all of Lubbock.

All the young people enjoyed a party at the home of Mr. and Mrs. T. J. Edgar Saturday night.

Gene Porter, who has been visiting in the home of Mr. and Mrs. R. A. Porter, returned to his home at Post Arthur last week.

Mr. and Mrs. Lee Cromer and sons attended church at Ropes Sunday night.

Earnest Can and family visited the C. V. Rogers family Monday.

Plenty of fresh and tender meats. Porter's Cafe and Market. 1tc.

A Gentle Laxative Good For Children

Most any child who takes this tasty laxative once will welcome it the next time he's constipated and it has him headachy, cross, listless, with bad breath, coated tongue or little appetite.

Syrup of Black-Draught is a tasty liquid companion to the famous BLACK-DRAUGHT. The principal ingredient is the same in both products; helps impart tone to lazy bowel muscles.

The Syrup's flavor appeals to most children, and, given by the simple directions, its action is usually gentle, but thorough. Remember Syrup of Black-Draught next time. Two sizes: 50c and 25c.

Classing Service On Cotton Is Free

Reports have recently come to the Board of Cotton Examiners, Agricultural Marketing Service, according to Leil O. Buchanan, in charge of the Lubbock office, that a better class on cotton could be obtained by Producers who submit samples for classification through a Bonded Warehouse or Compress than through the medium of the Smith-Doxey or free classification service.

This is absolutely without foundation and is untrue. There is no difference whatsoever in this type of classification service rendered, whether on the Smith-Doxey free classification or the Bonded Warehouse \$0.15 per bale classification. There is only one Board of Cotton Examiners in Lubbock, and Mr. Harry E. Blocker is Chairman of that Board.

Permanent offices of the Board of Cotton Examiners in Lubbock are located on the second floor of the Textile Engineering Building, at Texas Tech College. In order for the Agricultural Marketing Service of the Department of Agriculture to be able to give twenty-four hour classification service on all samples submitted it has been found necessary to lease additional office space. This additional space has been acquired at 1309 Texas Avenue. Two separate offices are therefore being maintained, but by one Board of Cotton Examiners only. Both offices are open from 7:30 A. M. until 6:00 P. M. every day in the week.

The Board of Cotton Examiners is named by a staff of fourteen classifiers at present, with more to be added if occasion demands. Some of these classifiers are on duty at the Tech offices, so there is no difference at all in the type of classification. These classifiers, all of whom received

QUICK RELIEF FROM Symptoms of Distress Arising from STOMACH ULCERS DUE TO EXCESS ACID

Free Book Tells of Home Treatment that Must Help or It Will Cost You Nothing
Over one million bottles of the WILLARD TREATMENT have been sold for relief of symptoms of distress arising from Stomach and Duodenal Ulcers due to Excess Acid—Poor Digestion, Sour or Upset Stomach, Gasiness, Heartburn, Sleeplessness, etc., due to Excess Acid. Sold on 15 days' trial. Ask for "Willard's Message" which fully explains the treatment. Price—25c.

MEN OF BAPTIST CHURCH ENTERTAINED IN POST

About 25 or 30 men of the Tahoka Baptist Church were guests of the men of the Post Baptist Church Monday night at a banquet served by the ladies of the Church. They report that it was a great feast and that they were treated royally.

Mack Penn, principal of the Post city schools was the toastmaster and he started the program off with a number of funny jokes. H. P. Cayeness was the first speaker of the evening and after he had concluded his remarks he called upon a number of other Tahoka men to speak. All the speeches were impromptu, and the speakers indulged in quite a bit of humor as well as serious remarks.

The pastor, Rev. Geo. A. Dale, and the Post pastor, Rev. Hardin, also spoke.

their appointments from Washington, D. C. are qualified men of mature age, with many years of responsible experience. There have been a few reports that college boys and students were being allowed to class cotton in the offices of this Board. These reports of course are utterly false.

It is the desire of the Agricultural Marketing Service that proper publicity be given to this statement for the benefit of all concerned, and that the Board of Cotton Examiners at Lubbock be notified promptly of the persistence of any other rumors or reports of a false or misleading nature.

This visit was a sort of return call the men of the Bible Class of Tahoka Church having entertained the members of the Mens Class of the Post Church a few months ago at the close of Sunday School attendance contest.

HALLOWEEN CARNIVAL

There will be a Halloween carnival at the Garnolia school house Thursday night, October 31. There will be fun for all. Come one, come all! There will be no admission fees

Odas and Ends *See Eye, the Elder*

Many millions of men between the ages of 21 and 35 inclusive registered in this country Wednesday for military training if and when called. It is probable that not more than one out of twenty will be called for training within the next few months unless this country should sooner be engaged in actual war.

Even so, the number who may be selected for training, in addition to those who have recently volunteered for service in the army, navy, and air force of this country will constitute a mighty force as soon as they can be trained.

It is to be hoped that they will

never be called upon to fight, for we are a peace-loving people and we hate war. We believe that there is a more sensible way of settling international disputes and quarrels than by a resort to arms.

We are willing to go a long way to avoid war.

But let not the bulldozing nations of Europe or of Asia be fooled. We are not afraid to fight if we must fight.

Nor are we as unprepared to fight as some of the nations across the seas may think.

There is evidence that the dictator nations are already becoming uneasy about our attitude.

First, they almost completely ignored us. They only snarled a little now and then when our President or Secretary of State took some stand or issued some declaration that did not suit them.

Then they began to warn and to threaten us. It seemed that they had an idea that we could be easily bluffed.

To their surprise, their threats and warnings served only to stiffen our backbone and to crystallize sentiment in this country against them. They were puzzled and disappointed by our reaction. Instead of crawling into our hole, we announced that we would increase our aid to Great Britain just as rapidly and effectively as possible and that we would fight to maintain our rights wherever we might be attacked.

Talking to them in the only language that they can understand, we launched a great defensive program and began the building of warships and airplanes and other fighting equipment on a scale never before dreamed of in this country in time of peace. Also we launched a plan to train a vast army of young men for military service if needed.

Seeing that threats and warnings were of no avail, that buzzard among the nations, Italy, tried the other day to bribe us.

She took us upon a high mountain, as it were, and offered us Canada, and all the other British possessions in the Western Hemisphere, and possibly Australia, if we would but turn traitor to our principles, betray England, and join in with this bunch of international brigands and bandits. Of course she was speaking not only for herself but also for that diabolical bunch of robbers armed with giant "tanks" and monster guns and bombs who have gone forth from Berlin to crush and to subdue the nations of the world.

They did not know the temper of the American people nor the stuff that Americans are made of. Such

an offer only increases our contempt for their low ideals and our hatred of their pusillanimous and perfidious plottings.

President Roosevelt gave them the answer Saturday night.

The American people gave further answer Wednesday, when 15,000,000 of them registered for military training.

This should have been a sufficient answer to Japan, too, who recently joined up with the other two robber nations and began almost immediately to regale us with advice, threats, and warnings.

But is beginning to look now as if Japan is going to have to put up or shut up. In spite of her protests, Great Britain opened the Burma road leading from British India into China Thursday, and supplies and munitions of war from the United States will be pouring into China again within the next few days to assist that country in defending itself against the assaults of that oriental member of the hi-jacking trio, yellow Japan. In the meantime, President Roosevelt has already stopped the shipment of scrap iron and other munitions of war from this country to the hi-jacker.

So, if Japan chooses to jump onto us about it, we guess we are prepared to fight it out with her and her European pals.

We have just been wondering lately what Italy is to get out of this hook-up with Hitler. It looks to us like she is being taken on a snipe hunt. She sat off to herself on a fence post and watched the hordes of Hitler clean up on the Czechs, the Poles, the Norwegians, the Danes, the Dutch, and the Belgians, and then just about the time Hitler's hordes had France crushed, Italy rushed into the conflict with great bombast—possibly at Hitler's behest—and from her talk, one would have thought that she would have had the Mediterranean and its shores cleaned up long ago, but she has not had much more success on the Mediterranean and in Africa than Hitler has had in his attempts to wipe England off the face of the earth.

Having failed to squelch the English, Hitler was compelled recently to turn elsewhere for the taste of blood. This was necessary also, perhaps, to keep up the morale of his vassals back in the homeland; and so he sent his armies down the Danube and raised the swastika over the capital of Rumania and on the shores of the Black Sea. And so another independent little country has been made fresh meat for Hitler.

Hungary and Bulgaria are practically his already; and so he extends his empire from the Baltic to the Black Sea and to the Mediterranean. Possibly he has his eyes on Turkey as another victim.

Where is Italy to come in? Is she to be given Yugo-Slavia? Or Greece? If she is given both, she will still be only a small potato as compared with the New Germany, and Mussolini can expect to be nothing more than a puppet of the big German hijacker.

So, Hitler is still riding high and handsome, whether he succeeds in sinking England beneath the waves or not.

But every criminal, sooner or later, comes to a bad end.

Some time or other Hitler will get his'n.

One half million farm families in the United States are going to eat their own home-grown, quick-frozen foods this winter because of cold storage lockers.

Honor Culberson At Lubbock Sunday

The News has received from Geo. W. Dupree and the Volunteer Firemen of Lubbock announcement of a meeting at which Olin Culberson, nominee for state railroad commissioner, and his wife are to be honored.

"On Sunday, October 20, at Mackenzie State Park near Lubbock", states the announcement and invitation, "Olin Culberson and his wife, Mary Lou Culberson, will be the guests of West Texas citizens in the 30th Senatorial District, meeting at 12:30 P. M. and having a basket dinner together, where everyone who desires to come may bring a basket, meet together, eat together, renew old acquaintances and make new ones."

Dr. Clifford B. Jones of the Technological College and Dr. W. E. Irvin, superintendent of schools in Lubbock, will head the welcoming committee.

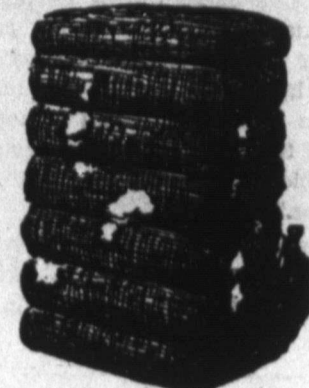

"Let's make this old-time gathering of West Texans a real meeting, where we can all get together in unity and think together for the good of our West Texas. This will be no political meeting and no political speeches will be had", it is stated.

NEW HOME SIX-MAN TEAM BEATS WILSON 34 to 6

WILSON, Oct. 17. (Special)—New Home's first year six-man football team continued its undefeated stretch last Friday with a 34-6 victory over Wilson, at Wilson.

Jennings of New Home completed two touchdown passes for the first scoring, intercepted a pass for another, and Rogers made a long end run for a fourth. New Home clearly outclassed the opposition, scored almost at will, including a safety.

FAMILY COURTESIES ARE STUDIED BY T-BAR 4-H

"Daily courtesies should be practiced at home first of all," said Miss Maurine McNatt, home demonstration agent, at the T-Bar 4H Club meeting Friday, October 11, at the school.

"Every girl should learn to share in the home responsibilities and duties and these duties should be performed willingly. Each family member should also learn to curb his or her curiosity. No one has a right to open mail which is not addressed to her or to use any personal articles which belong to some one else."

All twelve members were present. The club will meet again October 25 with Miss Fay Anderson in charge.

Mesdames H. L. Roddy, S. H. Holland, and Lloyd Conwill were in Amarillo Wednesday visiting Mr. Holland and Mr. Conwill, who are patients in a hospital there. Mr. Holland had been there a week for observation and treatment while Mr. Conwill underwent a major operation on Thursday of last week. Both were reported to be "doing fine" Wednesday.

Join the Retail Merchants' Association and see if it doesn't help. Itc

GRASSLAND H. D. CLUB ARRANGES BOUQUET

"If a few basic principles are observed in arranging flowers a more attractive bouquet will be the result," said Miss Maurine McNatt, home demonstration agent, at the home of Mrs. C. M. Greer Tuesday, October 8.

"The following rules should be observed:

"1. Watch the proportion. See that the flowers are approximately 1 1/2 times the width of the bowl.

"2. Mass the heavy or dark flowers near the base of the arrangement.

"3. Try to make stems seemingly start from a central point. Where stems appear to meet, put an accent—a flower or a leaf.

"4. Avoid confusion in the arrangement; better too few flowers than too many.

"5. Cut stems uneven lengths to avoid monotony.

"6. Fasten flat holders to bowl with moulding clay."

There were thirteen members present, one new member and one visitor.

The next meeting will be at Mrs. A. L. Sheppard's on October 22.

At the first indication of Coccidiosis, put Dr. Salsbury's PHEN-O-SAL Tablets in the drinking water. WYNNE COLLIER, Druggist.

"I believe in the United States of America as a government of the people, for the people; whose just powers are derived from the consent of the governed; a democracy in a Republic; a sovereign Nation of many sovereign States; a perfect Union, one and inseparable; established upon those principles of freedom, equality, justice and humanity for which American patriots sacrificed their lives and fortunes. "I therefore believe it is my duty to my Country to love it; to obey its laws; to respect its flag; and to defend it against all enemies."—William Tyler Page.

BOOK OPENING FEATURED BY LOCAL BAPTIST CHOR

Book Opening of the new song books featured the initial choir practice of the new associational year at the local Baptist church Tuesday evening under the direction of L. D. Howell, chairman of the Choir Directors.

The choir was organized as follows:

Choir Directors: L. D. Howell, H. P. Caviness and C. W. Simmons.

Secretary: Miss Nellie Mae McLeroy.

Membership committee: Mrs. J. K. Applewhite, Mrs. Deen Nowlin, Mrs. Fontaine Wyatt.

Social committee: Mrs. Kenneth Durham, Mrs. H. P. Caviness, Miss Robbie Milliken.

Special music committee: Miss Valerie Wells, H. P. Caviness, Mrs. Albert Rogers, Mrs. O. A. Lullain.

"A bigger and better musical program with not less than twenty-five members in the choir during each of the Sunday services and a special number at each service" was the goal set by the choir and directors for the year.

Thursday evening of each week at 7:30 o'clock was designated as regular practice time for the choir.

Singers and song lovers will please consider this a personal invitation and an urgent appeal to be present at each of the Sunday services and at each regular meeting of the choir. It will inspire you as well as those who listen to blend your voice with the voices of others in gospel singing.

DR. J. R. SINGLETON FINDS CHICKENS PROFITABLE

Dr. and Mrs. J. R. Singleton have inaugurated a new industry in Tahoka.

They are in the chicken business but it is on a different basis from that of most poultry raisers. They buy their chickens from hatcheries as soon as hatched and sell them later as fryers. They have no incubators to fool with. Their job is merely to see that the chickens have plenty of good food and clean water and that the atmosphere of their chicken house is kept at the right temperature. They buy only high-bred stock and hence nearly all of their chickens grow steadily and rapidly.

About 2,000 chickens ranging in age from two weeks to five weeks were eating and drinking and chirping contentedly in their screened-in coops when a representative of the News made a call at the poultry house Wednesday. Most of these were high-bred Austra Whites, which the Doctor thinks are tops. Both he and Mrs. Singleton get much pleasure as well as profit out of the business.

Mrs. Singleton says that the Doctor built the entire outfit himself, coops, feeders, and everything, but it looked to a visitor as if the Doctor is letting the lady do the work. Even so, she seemed to be thoroughly enjoying it.

Leo Jackson says he is in the doghouse because of the Slaton defeat. We bet there are lots of others in the doghouse since the Slaton game, but for different reasons. . . One or two of the fellows took lessons on signaling from the train bull. . . Everybody had a good time, including the barbershop harmony club in the back car. . . Folks say Bill King got in too big a hurry to get out at Slaton and took a dive for a mud puddle. . . wonder how many people bit at the ticket-taking gag Buster Fenton and Leroy Knight were pulling. . . Ellen Nixon did, for one.

Every game has its laugh, and Hattie Server furnished one in our section when she brightly prophesied, "Tahoka won't score in the first inning." Hattie doesn't know the softball season is over.

Bugs Woosley says Lee Dodson has signed up for Home Ec this year, and Lee says Bugs has joined the pep squad. . . well, we never get too old to learn.

Yours truly never owned but two autographs of famous or well-known personalities, and one of them was that of Tom Mix, who was killed in Arizona the other day.

It was in Dallas in 1934, and we had accompanied a young friend to a benefit performance at the Fair Park Stadium, and between appearances Tom Mix and Tony H rested just below our front row seats. Tony ate peanuts out of our hands, and we were thrilled to get to stroke his nose. Tom Mix's age was very apparent in the lines in his face, even then, and the grease paint made a close up view less flattering, but the traces of his former good looks were there, and he looked powerful and manly as ever. Tony was truly a beautiful horse. Anyway, Mr. Mix signed an autograph for us as well as for several hundred others who crowded down for the privilege, and smiled graciously when he handed it back, as if he were not bored to death, as he surely was. We promptly sent the signature to little brother Billy, who was a Tom Mix fan, and we know not whence it went from there.

The other autograph was from Celia Villa (pronounced in Spanish Se-lee'-ya), daughter of the notorious Pancho Villa. She signed her picture with an idiomatic peon Mexican phrase. It took us months to find someone who could translate it and when we did it only said, "With Best Wishes" or something of the sort. But our curiosity was appeased, to say the least. It's gone, too, and our light as an autograph collector has flickered out.

Ain't it a shame?

Mr. and Mrs. L. C. Riley and son and daughter of Tulla were recent visitors in the home of Mr. and Mrs. J. E. Dye. Mrs. Riley and Mrs. Dye were friends in their nurse training days.

CHILD GUIDANCE CLUB

The regular meeting of the Child Guidance Club in the home of Mrs. Lawrence Evans featured study of some phases of the emotional life of the child. Mrs. E. Roy Edwards discussed "How to Deal With Jealousy", and Mrs. R. H. Gibson discussed "How to Deal With Selfishness". Two readings given by Caroline Collier were greatly enjoyed.

The club has made a Year Book giving the year's plan of work.

Refreshments were served to Mes: E. R. Edwards, E. Prohl, Wynne Collier, K. R. Durham, James Clinton, Douglas Finley, Wyman J. Welch, Lawrence Evans, W. E. Smith, R. H. Gibson and Rollin McCord.

METHODIST CHURCH

Childhood and Youth Week begins Sunday, with appropriate attention given to our youth in the morning service. Parents may assist their children in their purpose to remain for worship in the new drive for this purpose. Teachers may also prove helpful in getting youth to form this helpful habit.

Some needed additions are being made to our basement to meet the need of newly formed classes. Sunday is also Missionary day. —Geo. E. Turrentine, Pastor.

FAMILY COURTESIES ARE STUDIED BY T-BAR 4-H

"Daily courtesies should be practiced at home first of all," said Miss Maurine McNatt, home demonstration agent, at the T-Bar 4H Club meeting Friday, October 11, at the school.

"Every girl should learn to share in the home responsibilities and duties and these duties should be performed willingly. Each family member should also learn to curb his or her curiosity. No one has a right to open mail which is not addressed to her or to use any personal articles which belong to some one else."

All twelve members were present. The club will meet again October 25 with Miss Fay Anderson in charge.

Mesdames H. L. Roddy, S. H. Holland, and Lloyd Conwill were in Amarillo Wednesday visiting Mr. Holland and Mr. Conwill, who are patients in a hospital there. Mr. Holland had been there a week for observation and treatment while Mr. Conwill underwent a major operation on Thursday of last week. Both were reported to be "doing fine" Wednesday.

GRASSLAND H. D. CLUB ARRANGES BOUQUET

"If a few basic principles are observed in arranging flowers a more attractive bouquet will be the result," said Miss Maurine McNatt, home demonstration agent, at the home of Mrs. C. M. Greer Tuesday, October 8.

"The following rules should be observed:

"1. Watch the proportion. See that the flowers are approximately 1 1/2 times the width of the bowl.

"2. Mass the heavy or dark flowers near the base of the arrangement.

"3. Try to make stems seemingly start from a central point. Where stems appear to meet, put an accent—a flower or a leaf.

"4. Avoid confusion in the arrangement; better too few flowers than too many.

"5. Cut stems uneven lengths to avoid monotony.

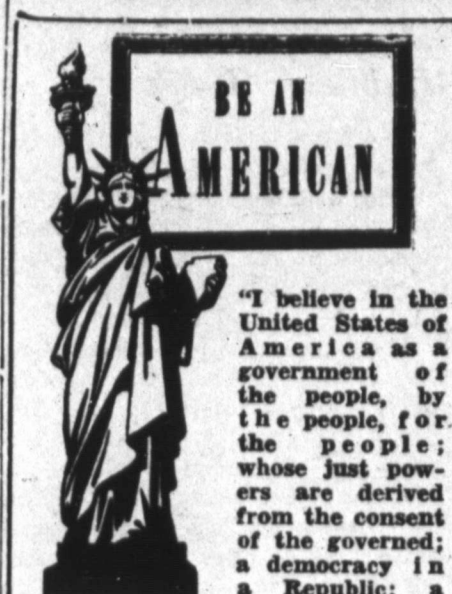

"6. Fasten flat holders to bowl with moulding clay."

There were thirteen members present, one new member and one visitor.

The next meeting will be at Mrs. A. L. Sheppard's on October 22.

At the first indication of Coccidiosis, put Dr. Salsbury's PHEN-O-SAL Tablets in the drinking water.

WYNNE COLLIER, Druggist.

"I believe in the United States of America as a government of the people, by the people, for the people; whose just powers are derived from the consent of the governed; a democracy in a Republic; a sovereign Nation of many sovereign States; a perfect Union, one and inseparable; established upon those principles of freedom, equality, justice and humanity for which American patriots sacrificed their lives and fortunes."

"I therefore believe it is my duty to my Country to love it; to obey its laws; to respect its flag; and to defend it against all enemies."—William Tyler Page.

BOOK OPENING FEATURED BY LOCAL BAPTIST CHOIR

Book Opening of the new song books featured the initial choir practice of the new associational year at the local Baptist church Tuesday evening under the direction of L. D. Howell, chairman of the Choir Directors.

The choir was organized as follows:

Choir Directors: L. D. Howell, H. P. Caveness and C. W. Simmons. Secretary: Miss Nellie Mae McLeroy.

Membership committee: Mrs. J. K. Applewhite, Mrs. Deen Nowlin, Mrs. Fontaine Wyatt.

Social committee: Mrs. Kenneth Durham, Mrs. H. P. Caveness, Miss Robbie Milliken.

Special music committee: Miss Valerie Wells, H. P. Caveness, Mrs. Elbert Rogers, Mrs. O. A. Luallin.

"A bigger and better musical program with not less than twenty-five members in the choir during each of the Sunday services and a special number at each service" was the goal set by the choir and directors for the year.

Thursday evening of each week at 7:30 o'clock was designated as regular practice time for the choir.

Singers and song lovers will please consider this a personal invitation and an urgent appeal to be present at each of the Sunday services and at each regular meeting of the choir. It will inspire you as well as those who listen to blend your voice with the voices of others in gospel singing.

DR. J. R. SINGLETON FINDS CHICKENS PROFITABLE

Dr. and Mrs. J. R. Singleton have inaugurated a new industry in Tahoka.

They are in the chicken-business but it is on a different basis from that of most poultry raisers. They buy their chickens from hatcheries as soon as hatched and sell them later as fryers. They have no incubators to fool with. Their job is merely to see that the chickens have plenty of good food and clean water and that the atmosphere of their chicken house is kept at the right temperature. They buy only high-bred stock and hence nearly all of their chickens grow steadily and rapidly.

About 2,000 chickens ranging in age from two weeks to five weeks were eating and drinking and chirping contentedly in their screened-in coops when a representative of the News made a call at the poultry house Wednesday. Most of these were high-bred Austra Whites, which the Doctor thinks are tops. Both he and Mrs. Singleton get much pleasure as well as profit out of the business.

Mrs. Singleton says that the Doctor built the entire outfit himself, coops, feeders, and everything, but it looked to a visitor as if the Doctor is letting the lady do the work. Even so, she seemed to be thoroughly enjoying it.

NEW HOURS ANNOUNCED FOR BAPTIST SERVICES

Night services—B. T. U. at 6:30 p. m.—Preaching at 7:30 p. m. W. M. S., Monday at 3:00 p. m. Girls' Auxiliary, Monday at 4:15 p. m. Y. W. A., Monday at 7:00 p. m. Prayer Meeting, Wednesday 7:30 p. m.

Scrapbook

Myrtle Rochelle

Leo Jackson says he is in the doghouse because of the Slaton defeat. We bet there are lots of others in the doghouse since the Slaton game, but for different reasons. . . One or two of the fellows took lessons on signaling from the train bull. . . Everybody had a good time, including the barbershop harmony club in the back car. . . Folks say Bill King got in too big a hurry to get out at Slaton and took a dive for a mud puddle. . . wonder how many people bit at the ticket-taking gag Buster Fenton and Leroy Knight were pulling. . . Ellen Nixon did, for one.

Every game has its laugh, and Hattie Server furnished one in our section when she brightly prophesied, "Tahoka won't score in the first inning." Hattie doesn't know the softball season is over.

Bugs Woosley says Lee Dodson has signed up for Home Ec this year, and Lee says Bugs has joined the pep squad. . . well, we never get too old to learn.

Yours truly never owned but two autographs of famous or well-known personalities, and one of them was that of Tom Mix, who was killed in Arizona the other day.

It was in Dallas in 1934, and we had accompanied a young friend to a benefit performance at the Fair Park Stadium, and between appearances Tom Mix and Tony H rested just below our front row seats. Tony ate peanuts out of our hands, and we were thrilled to get to stroke his nose. Tom Mix's age was very apparent in the lines in his face, even then, and the grease paint made a close up view less flattering, but the traces of his former good looks were there, and he looked powerful and manly as ever. Tony was truly a beautiful horse. Anyway, Mr. Mix signed an autograph for us as well as for several hundred others who crowded down for the privilege, and smiled graciously when he handed it back, as if he were not bored to death, as he surely was. We promptly sent the signature to little brother Billy, who was a Tom Mix fan, and we know not whence it went from there.

The other autograph was from Celia Villa (pronounced in Spanish Se-lee'-ya), daughter of the notorious Pancho Villa. She signed her picture with an idiomatic peon Mexican phrase. It took us months to find someone who could translate it and when we did it only said, "With Best Wishes" or something of the sort. But our curiosity was appeased, to say the least. It's gone, too, and our light as an autograph collector has flickered out. Ain't it a shame?

Mr. and Mrs. L. C. Riley and son and daughter of Tulsa were recent visitors in the home of Mr. and Mrs. J. E. Dye. Mrs. Riley and Mrs. Dye were friends in their nurse training days.

CHILD GUIDANCE CLUB

The regular meeting of the Child Guidance Club in the home of Mrs. Lawrence Evans featured study of some phases of the emotional life of the child. Mrs. E. Roy Edwards discussed "How to Deal With Jealousy", and Mrs. R. H. Gibson discussed "How to Deal With Selfishness". Two readings given by Caroline Collier were greatly enjoyed.

The club has made a Year Book giving the year's plan of work.

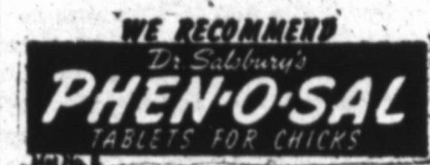

Refreshments were served to Mesdames: E. R. Edwards, E. Prohl, Wynne Collier, K. R. Durham, James Clinton, Douglas Finley, Wyman J. Welch, Lawrence Evans, W. E. Smith, R. H. Gibson and Rollin McCord.

METHODIST CHURCH

Childhood and Youth Week begins Sunday, with appropriate attention given to our youth in the morning service. Parents may assist their children in their purpose to remain for worship in the new drive for this purpose. Teachers may also prove helpful in getting youth to form this helpful habit.

Some needed additions are being made to our basement to meet the need of newly formed classes. Sunday is also Missionary day.

—Geo. E. Turrentine, Pastor.

REA Constructing Many New Lines

The R. E. A. has recently approved a number of contracts for construction of rural electrification lines in Texas.

Among these is a contract awarded by the Cap Rock Electric Cooperatives, Big Spring, to R. W. McKinney of Nacogdoches for the construction of 178.5 miles of lines in the vicinity of Big Spring to serve 314 members. The contract price was \$87,547.32.

Contracts for the construction of a line of 394.6 miles to serve 675 members for the Taylor Electric Cooperative at Merkel; for the construction of 102 miles to serve 218 members of the Medina Electric Cooperative at Hondo; for the construction of 275 miles to serve 507 members for the Guadalupe Valley Electric Cooperative at and near the town of Cost; and for the construction of 121.3 miles for 229 members of the Fayette Electric Cooperative at La Grange have also been approved.

All of these contracts were approved between September 19 and October 4th, 1940.

WIFE OF PROMINENT METHODIST MINISTER DIES

Mrs. J. T. Griswold, well known throughout the Northwest Texas Conference of the Methodist Church, died in Clyde last Sunday and following funeral rites conducted in the Methodist Church there Tuesday afternoon the body was laid to rest in an Abilene cemetery.

Deceased was the wife of Rev. J. T. Griswold who served as pastor of a number of leading churches in Northwest Texas and as presiding elder for a number of years. He was superannuated a few years ago.

The husband, two sons, and a daughter survive.

Nearly seventeen years ago a printer named "Bo" Masters worked for a few weeks in the News office. Last Monday he dropped in on us unannounced, the first time he had been in the shop since he worked here. He spent the night with his friend, Eugene Long, with whom he worked in Littlefield long after leaving Tahoka.

Rubber From Texas Through Chemurgy

The process of manufacturing Ameripol, the new synthetic rubber developed by Goodrich, is being demonstrated in the Hall of Chemurgy at the State Fair of Texas in Dallas. The lower photo shows pretty Virginia Verner comfortably resting in the huge Earth Mover tire on display at the B. F. Goodrich Company exhibit.

COOPER HAS THE GRAPES

We don't know what breed of grapes Mr. and Mrs. E. J. Cooper are growing out on their farm eight miles north of town but they are about the finest flavored grapes we ever tasted. They have a big vine out there that obviously has been bearing many, many years, and this year it produced many bushels of grapes. The vine was planted near a surface tank kept supplied with water by a windmill, and of course the grape roots are well watered.

Mr. Cooper generously gave us a gallon of these grapes Tuesday, and after dining on them we have decided that if we were a farmer instead of a devil in a newspaper shop we would plant a vineyard and literally live out under our own vine and peach tree.

REV. HOLT IS NEW PASTOR AT THROCKMORTON

Friends here have been informed that Rev. Elmer Holt who was pastor of the Baptist Church at Central for several years before removing to Bryson a few months ago, has recently accepted the pastorate of the First Baptist Church of Throckmorton.

NEVILLS CALLED TO ARIZONA BY ACCIDENTAL INJURY

Friends here received word the first of the week from Russell Fleming of Flagstaff, Arizona, to the effect that his brother who was injured in an automobile accident two weeks ago was still in a very critical condition.

Upon receiving news of the accident, Mrs. J. L. Nevill and family, Mr. and Mrs. Alex Nevill left Tuesday morning of last week for Flagstaff.

Word was also received here this week that after his arrival there Elwayne Nevill had suffered a stubborn attack of tonsillitis, from which he has been suffering since.

Mrs. Russell Fleming is a daughter of Mr. and Mrs. J. L. Nevill.

Reddell Elected As Carrier Secretary

A number of the local rural mail carriers attended a business meeting of the West Texas Rural Letter Carriers Association, at the Court-house in Lubbock last Saturday night. W. A. Reddell was elected secretary-treasurer of the Association, succeeding G. M. Reid, who had served in that capacity for the past year or two.

A. F. Gilley of Post is the new president and Mr. Powell of Slaton vice-president.

National Treasurer, W. L. Fletcher of Hamlin was present and made an address.

Barbecue and short orders served at Porter's Cafe. 1tc.
