Tahoka, Lynn County, Texas, Friday, November 1, 1940

Number 12

National Presidential Election Tuesday

Registrants For Draft In Lynn County Are Listed

Few Lynn Men In First 2,500

The number of Lynn county registrants, after all transfers into and out of the county had been made, stood 1782 Thursday morning, according to the records in the office of the county draft board.

Many of the boards throughout the nation registered far more than this number, and when the drawing was held in Washington Tuesday, therefore, many of the numbers drawn do not apply to Lynn county at all.

Order numbers for registrants were listed, of course, in the order in which the registration numbers were drawn from the container.

But the county board members explain that the order numbers to be given Lynn county registrants will not be identical with these "master key" order numbers given out in Washington for the reason that many registration numbers were drawn in Washington which do not apply to Lynn county at all.

For instance, registration No. 3043 was the sixty-fourth name drawn from the jar and it was therefore given Order No. 64. But there were not as many as 3043 registrants in Lynn county and its corresponding order number 64 must be disregarded by the Lynn county board and some registration No. drawn later, applying to Lynn county, would be given order number 64 in Lynn county.

The list of registration and order numbers we are publishing this week together with the names of the registrants can not be accurate, therefore, as to final order numbers for the registrants of this county, for the reasons given above.

Clarence A. Dykstra, general director, stated Wednesday that the completed master list will be dispatched as soon as possible to all draft boards. "It consists", he explains, "of the serial numbers of the

1941 Car Plates Received Here

Aubra M. Cade, tax assessor and collector, received from the State Highway Department this week the 1941 motor vehicle license plates. They will not be available to the public until February 1st, however.

Plates for passenger cars are orange lettering on a black background. There are 3,000 passenger car plates, numbers 885,401 to 888,400. In addition to these, there are 400 commercial plates, 350 farm truck, 85 trailer-tractor, 6 dealer, and 3 motorcycle.

YOUNG FARM HAND BADLY CUTS KNEE WITH KNIFE

Vernon Cunningham, young farm hand, accidentally stuck himself just above the knee, with his knife while mending fences on the farm of O. D. Orr Wednesday, severing a blood vessel and causing profuse bleeding. He was brought to the office of a local physician, where emergency treatment was given to stop bleeding, and tetanus vaccine administered.

OWENS HAVE VISITORS

Mr. and Mrs. A. R. Beene and three children of Amarillo spent Sunday here with the Carl Owens family.

Monday night and Tuesday Mr. and Mrs. John Peoples of Allison, accompanied by Mr. and Mrs. W. T. Newsom of the same place visited Mr. and Mrs. Owens. Mr. Peoples is superintendent of schools at Allison. While school is dismissed for cotton picking he and party are traveling about over the state some. All were former good friends and neighbors while the Owens lived in Allison.

Methodists Held Banquet Tuesday

Almost 100 persons attended the benefit dinner given by the Methodist Missionary Society at the church basement Wednesday evening, served by C. Edwards, culinary expert, who highlighted the informal program with a talk on food customs in foreign lands. Mr. Edwards and his daughter came here from Big Spring to cook and serve the dinner.

Also on the program were a solo by Mrs. Marvin Munn and recitations by pupils of Mrs. R. L. Richardson, teacher of expression. Following the dinner, Calloway Huffaker conducted a recreation period, everyone joining in the fun.

The menu was written in de luxe style, with foreign names given the courses served. Also on the menu were the meanings of foreign food names which appear on hotel menus.

Proceeds went to the Missionary Society for carrying out their program.

Farm Picture Will Be Shown Here

The state AAA office has consented to loan the Lynn county office a sound motion picture projector and several films, states C. A. Lawrence, Secretary of the county association. These films will be shown over the county at the following places and dates:

Tahoka school, Thursday night, Nov. 7th. Wilson school, Friday night, Nov. 8th. Central Baptist Church, Saturday night, Nov. 9th. Draw school, Monday night, Nov. 11th. Wells school, Tuesday night, Nov. 12th. New Home school, Wednesday night, Nov. 13th.

These shows will be both interesting and educational and everybody should plan to attend at least one of them. Some of the pictures to be shown are "Rain on the Plains", "Wise Land Use Pays", and "Sam Farmer's Cotton".

The show will start promptly at 7:30 o'clock and a few minutes will be devoted to discussing the 1941 Farm Program and the cotton situation.

Don't forget the date and be sure to attend one of these shows.

Library Popular With The Public

There are now 762 books and 300 magazines available to readers at the Lynn County Library in the basement of the courthouse, 45 new books having been added recently, according to those in charge of the library work. A total of 410 citizens are now using the library, many of whom keep a book out almost constantly.

There are no charges for use of the books. Any citizen of the county may take out books to read simply by filling out an information card. If he is not known to the librarian, his card must be signed by some well known and responsible local citizen.

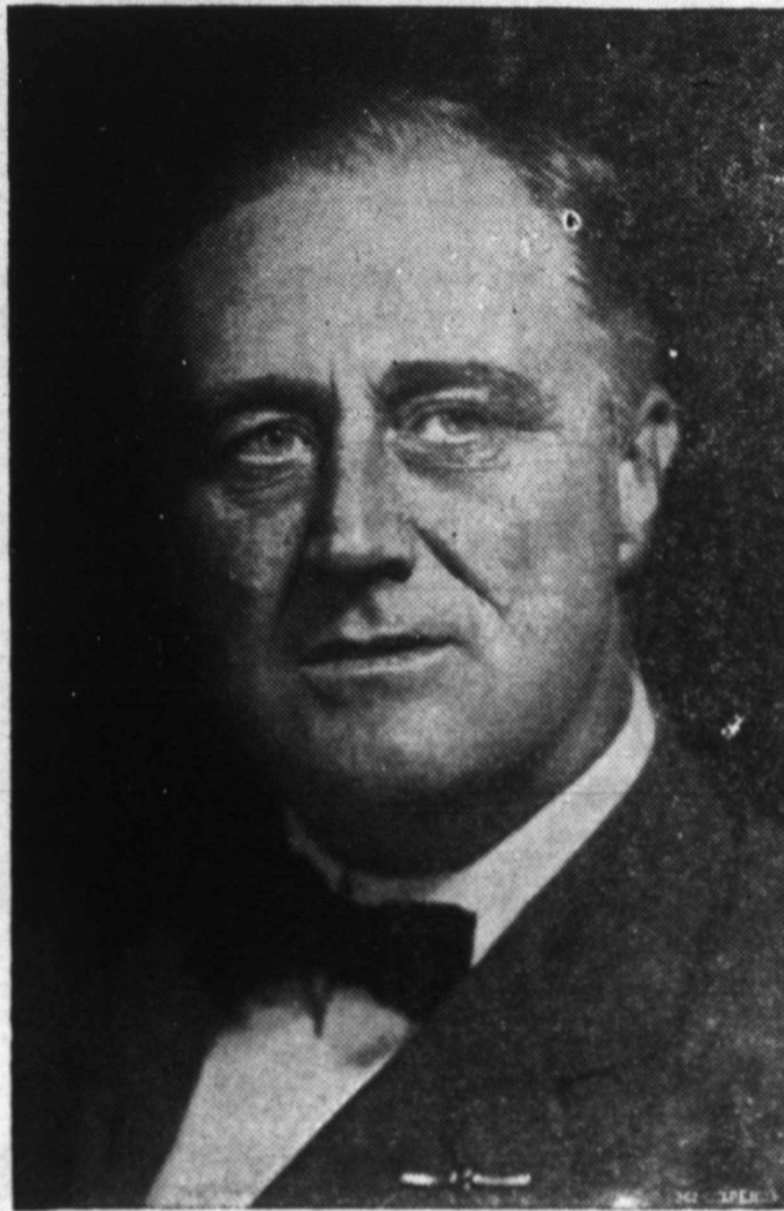

Many Paying Up Ad Valorem Taxes

The three percent discount for the early payment of state ad valorem taxes payments, A. M. Cade, county assessor and collector, states. With the opening of November, the discount is still in effect, but for only two percent. On-December 1st, the discount will become one per cent.

Mr. Cade points out that these discounts apply to state ad valorem taxes only.

SUBJECT OF THIRD TERM ISSUE

President Franklin D. Roosevelt, Democratic nominee for a third term in the high office he now holds, is expected to carry this section of the nation by a large majority in Tuesday's election, despite the much-argued third term issue.

Big Armistice Day Celebration Here Planned By Legion Post And School

Monday, November 11, Armistice Day, will be a full day of festivity in Tahoka if plans of the Marion G. Bradley Post of the American Legion, the Auxiliary, and the Tahoka Public School, and other organizations do not go awry.

According to tentative plans worked out by Legion and school officials there will be a parade at 10 o'clock in the morning through the downtown streets and thence to the school building, where the Tahoka Ex-Students Association will present the school with a flag at appropriate ceremonies. At 11 o'clock, there will be a patriotic program, at which some prominent speaker, probably Clark M. Mullican of Lubbock, will talk. At noon, there will be a basket dinner for Legionaires and their families either in the City Park or at the Legion Hall.

At 2:30 p. m., Tahoka Bulldogs meet the Post Antelopes on the local field in their annual football game. A large crowd is expected from Post at the game, including Garza county Legionaires. Between halves there will be a special program honoring Tahoka High ex-students. There will also probably be a meeting of the Ex-Students Association, of which Oscar Roberts is president, during the day.

At night, Harley Sadler will present his dramatic company in a tent at the show grounds under the auspices of the Legion.

Rotarians will solicit entrants in the parade for Armistice morning, and all business firms, civic and church organization are urged to enter floats, decorated cars, etc. Already planned for the parade are a formation of ex-soldiers, High School band, student organizations, ex-students, Boy Scouts, and the Legion Auxiliary.

Anyone seeking further information should see, Legionaire Happy Smith or Supt. Travis Hanes. Full details of the celebration plans will be given in next week's News.

Red Cross Roll Call Begins Soon

Rollin McCord, roll call chairman of the Red Cross in Lynn county, announces that the drive for members will be started locally on November 11th. Next week The News will publish the names of local chairmen for each community in the county.

Co-operation of the people of this county is urged in this worthy cause. The Red Cross is being called on now more than in many years for aid to unfortunate people of war-torn Europe. The Red Cross has been generous to the people of Lynn county in time of drought and particularly during and following the disastrous tornado a little over two years ago. For these reasons, if for no other citizens should put the membership campaign over the top this year, as they usually have in the past.

Cotton Ginned In Tahoka Totals 3,500

When the cotton report was gathered at nine o'clock Thursday morning, 3492 bales had been ginned in Tahoka. Any estimate as to the number of bales ginned in Lynn county would be purely a guess, but a good guess would probably place the figure at 15,000 to 16,000.

Picking was delayed by a shower which covered much of the county Sunday night, amounting to .22 of an inch in Tahoka.

A heavy rain and hailstorm also visited a large area in the north part of the county Wednesday afternoon, almost totally destroying crops in some localities. The heaviest damage reported was at New Home and vicinity, where little was left of the cotton stalks in some fields except mere stubs and the feed crops were stripped or beaten to the ground. Very large hailstones fell in that territory, and the hail covered the ground several inches deep in some localities.

Much damage was also done in the Lakeview, Petty, and Joe Stokes communities. A terrific hail is also reported to have fallen at Slaton and vicinity.

The rain and the hail not only did much damage to the crops but also delayed the gathering of the crops still in the fields.

Church of Christ Calls New Pastor

Elder M. V. Showalter of Abilene filled the pulpit at the Church of Christ here Sunday, and while here he was called to serve regularly as minister for the congregation. He will not move here, however, until about the first of January, it is understood, but will come up each Friday and remain through Sunday.

Elder Showalter is well known in the Church of Christ and is said to be an able minister of the gospel. His brother, G. H. P. Showalter of Austin, is editor of the well-known religious journal, The Firm Foundation.

Jim Ward Buys H. M. Snowden Shop

Jim Ward, who has been working at the Henderson Machine Shop for about a year and a half, has bought the shop and equipment of the Snowden Motor Company, and is now in charge.

Mr. Ward will do general automobile repair work and will make a specialty of tractor repair. He is located in the Texaco building at the northeast corner of the square.

Interest High In Coming Election

The indications are that the largest vote ever polled in any election in the United States will be cast next Tuesday when possibly 45 million voters will flock to the polls to determine whether or not Franklin D. Roosevelt or Wendell L. Willkie shall be the next President of the United States.

There are a number of factors that have entered into this campaign that will help to determine the result.

Possibly the issue that has been stressed most by the Republicans is the third-term issue. This is the first time in the history of the United States that a President has become the nominee of his party for a third term.

While there is no provision in the Constitution respecting the number of terms that a President may serve, yet the popular inhibition against a third term has become a tradition in this country, and a precedent set by Washington himself was broken when the Democratic convention nominated President Roosevelt for a third term and he accepted the nomination. The reason for this unprecedented action is the emergency existing respecting our foreign relations. Millions of voters probably will vote for the President for a third term because they do not feel that it would be wise to place an inexperienced and untried man at the head of this nation at this particular time. But the Republicans have been making much of the third-term issue, playing up the dangers of breaking this anti-third-term tradition, and it is probable that there are also millions of voters who would vote for President Roosevelt but for this issue. Their votes will go to Willkie.

The New Deal is also an issue in the campaign. While Willkie has given at least lip approval to most of the New Deal, yet he has persistently criticized the methods employed.

All Officers On Election Ballot

Of course Governor W. Lee O'Daniel and the entire state Democratic ticket, with the possible exception of J. E. McDonald, will be elected without formidable opposition. With several opponents, O'Daniel was renominated last July in the first primary, receiving a larger majority over all opponents than he did two years ago.

Many new faces will also appear in the next legislature as a result of next Tuesday's election. In fact the complexion of both the Senate and the House will be greatly changed. A new Senator and a new Representative from the districts which include Lynn county will be in that body. Judge Marshall Formby of Spur will succeed Senator G. H. Nelson of Lubbock in the upper house and Hop Halsey of Lubbock will succeed Judge Alvin R. Allison of Levelland in the lower house.

The fate of four proposed Constitutional amendments will be determined also by the voters of Texas next Tuesday. These amendments will appear on the ballots as follows.

NAVY RECRUITER TO BE IN TAHOKA MONDAY

Representative of the United States Navy Recruiting Service will be at the Post Office in Tahoka Monday afternoon, November 4th. He will interview young men between the age of 18 and 31 who are interested in enlisting in the Navy.

Young men are invited to investigate the splendid opportunity offered in the Navy for better education, travel and good pay.

Tahoka Out-Plays Cubs, Loose 14-0

The Brownfield Cubs continued to ride toward the District 5-A Championship last Friday night when they defeated the Bulldogs 14 to 0.

Warren went over the goal line for Brownfield's first score in the first quarter of the game. The next score came early in the third quarter when Warren completed a 10-yard pass to Hill who sprinted 30-yards for the second score. Both extra points were good.

The Bulldogs were playing their best, in fact they outplayed Brownfield a little according to our statistics.

"Sling'in"—"Rusty" Waldrip put on an aerial attack that would stand up with Sammy Baugh, Davey O'Brian or any of the other great passers that play on any college team anywhere.

"Cotton" Davis and Earl Adams were nearly always on the receiving end of "Rusty's" bullet passes—but their catching ability was not good enough to take in all the passes that "Rusty" shot into their hands, even though they did do a good job by completing 16 out of 29. But at least 22 or 23 out of the 29 should have been completed by the receivers of "Rusty's" passes.

The Brownfield Cubs stayed on the ground most of the game while Tahoka was in the air—which in turn made the yardage gained by the two teams a most thrilling affair.

STATISTICS

The Bulldogs gained 68 yards running, losing 9. They made 16 1st downs and completed 16 passes out of 29 for 196 yards. They penetrated within the 10-yard line 3 times and out punted Brownfield by a large margin. Tahoka drew 10 yards on penalties.

The Cubs gained 197 yards running, losing 22. They made 14 first downs and completed 3 passes for 84 yards and they were penalized 40 yards.

SLATON TAKES THIRD TITLE WIN IN ROW 26 to 6

SLATON, Oct. 31 (Special)—The Slaton Tigers kept their district 5-A record clean tonight with a 26 to 6 win over O'Donnell.

The visiting Eagles put up a good scrap but a superior Slaton ground attack beat back the O'Donnell threat. Tech McLaurin, sparkling Eagle back, scored his team's lone touchdown and had another called back after he returned a punt 60 yards.

Elzo Collier and Harry Bell were Slaton's outstanding ground gainers. Collier scored twice in the second quarter and again in the fourth. Bell counted in the third stanza.

The Tigers amassed 319 yards from scrimmage to 182 for O'Donnell, but yielded to a better Eagle passing attack, 34 yards to 115. The invaders connected with eight passes in a dozen tries.

Slaton had 20 first downs, O'Donnell 7. It was Slaton's third title triumph.

The distress of millions of civilians in European war zones is being alleviated by the Red Cross societies of the world. Our own American Red Cross has made 10,000,000 surgical dressings and 1,000,000 articles of clothing for war sufferers. Join today and support this humane cause.

Tahoka, Post To Play Armistice Day

The Bulldogs are now looking forward to their Homecoming game which will be played on the local field, starting at 2:30 p. m. next Monday November 11 with the Post Antelopes.

Post and Tahoka are doped to be just about as evenly matched as any two clubs in the conference this season.

The Post Antelopes have a hot-shot named Gossett who has been giving his opponents plenty to think about in their previous games this season, however, Post like Tahoka has had a lot of hard luck this season losing games by only 1 or 2 scores and some games only by 1 or 2 first downs.

Last year the Bulldogs upset the dope to win over Post by a score of about 26 to 13, so the Bulldogs can expect to meet a bunch of boys with blood in their eyes looking for sweet revenge.

The ex-students of Tahoka High will be on hand to witness this fight of both clubs to stay out of the cellar of the District 5-A race this year. Post promises that there will be many football fans from that city over here Nov. 11 to witness that game which will be played in the afternoon, starting at 2:30.

DIBRELL'S COLORADO CITY TEAM WHIPS POST 27 - 0

COLORADO CITY, Oct. 31 (Special)—John L. Dibrell, who formerly was coach at Post, saw his Colorado City Wolves wallop the Post Antelopes here last Friday night, 27 to 0.

The Wolves hit paydirt once in the first, once in the second, and twice in the fourth period. Johnny Grubbs kicked all three extra points.

Billy Eades held high-scoring honors for the night, travelling 33 yards on an end around play for the first counter and 20 yards on a pass from Grubbs in the second quarter. Grubb scored in the fourth, followed by a last minute touchdown by Allen.

Colorado led in first downs, 9 to 6.

RECORD ATTENDANCE AT FIRST P. T. A. MEETING OF YEAR

In the music room of the local Grade School on Wednesday afternoon of last week assembled one of the largest and perhaps one of the most appreciative audiences that has met for some years under the name of Tahoka Parent-Teachers Association.

"Well-founded attitudes" was the theme of the afternoons program. The subject was masterfully handled and forcefully presented by Mrs. Hardy and Supt. W. T. Hanes. During the business session, led by Mrs. Guy Stroud, President, the current Year Books were presented and examined. The attendance banner was awarded to Mrs. Roy Finch's third grade room for the month. The organization voted to pay the transportation expenses of the President to the State Parent-Teachers Convention that convenes Nov. 6, 7, 8, in Dallas.

Since the Parent-Teachers Association affords, perhaps, the only common meeting ground for every patron and adult of Tahoka School and community who are interested in the promotion of Child Welfare, won't you lend your support? Won't you line up NOW and work shoulder to shoulder with your fellow citizens in helping to make the kind of school town, and community that your child and your neighbor's child deserves to have? It cannot and will not be had without your 100% cooperation. Neighbor, we need you in P. T. A.!

BAPTIST W. M. S.
At a meeting of the Executive Board of the Baptist W. M. U. Monday afternoon in the church plans were made for studying the foreign mission book, "Publishing Glad Tidings," and for observing the World-Wide Week of Prayer for foreign missions.

The book study will be held at the Church Tuesday, November 19, from 10 a. m. to 4:00 p. m. with a covered dish lunch at noon. "Publishing Glad Tidings" gives interesting information about our foreign mission work and prepares the way for the week's school of missions which will be held during the last week in November, in which several missionaries will speak in person. During the month of December we will show our faith by our works in making offerings to the "Lottie Moon Christmas Offering for foreign Missions".

Following a devotional by Mrs. J. L. Reese, Mrs. Garland Pennington presided over a business session of the entire W. M. S. during which reports were heard from Chairman concerning the Buckner Orphan Home Box, the Scholarship girl, who is Miss Eva Lois Harmonson of H. S. U., Stewardship and other phases of the Baptist work.

Those attending included Mmes. Pennington, Reese, Dale, Doss, Nevill, Holland, Hill, Henderson, Howell, Harris, Burrough, Fortenberry, Kenley, Oliver, McIntyre and Fielder.

TIME OF EXTENSION RADIO PROGRAM CHANGED
County Home Demonstration Agent Miss Maurine McNatt states that the time for the Extension department programs given over radio station KFYO of Lubbock by the county farm agents and home demonstration agents weekly has been changed from Friday to Monday of each week. The hour is 1:45 P. M.

All who are interested in either of these lines of work are invited to tune in at that hour and hear these beneficial programs.

Mrs. Ed Redwine, Ed Sanders, and Mrs. Redwine's son, Norvell Redwine of Lubbock, left Wednesday morning for New Mexico, where the men will hunt deer. Mrs. Redwine will visit brothers in Glen and Forcelake. They plan to be away about a week.

An efficiency expert is one who is smart enough to tell you how to run your business and too smart to start one of his own.—Rotary Snapshots, Breckenridge.

Vegetable Laxative With Proved Feature

The punctual, satisfying relief from constipation and its headaches, biliousness, bad breath, so often experienced by users of this laxative, is mainly due to its combination of purely vegetable ingredients. BLACK-DRAUGHT'S principal ingredient has high medical recognition as an "intestinal tonic-laxative"; helps impart tone to lazy bowel muscles. A little of this spicy, aromatic product by simple directions at bedtime, generally allows time for a good night's rest; acts gently and thoroughly next morning. Next time, take time-tested, economical BLACK-DRAUGHT.

NOTICE TO THE PUBLIC
Any erroneous reflection upon the
reputation or standing of any indi-
vidual, firm or corporation, that
may appear in the columns of The
News will be gladly corrected when
called to our attention.

Wendell Wilkie and other Repub-
lican spell-binders have erected be-
fore the gaze of the liberty-loving
people of America, for the purposes
of this campaign, a mighty scare-
crow. They are predicting that if
President Franklin D. Roosevelt
should be elected to a third term
he will proceed to make himself
a dictator like unto Mussolini and
Hitler. Their pictures of what is
likely to follow if he is re-elected
at times become almost blood-curdling.
We doubt if they believe such junk
themselves. We are confident that
not many of the level-headed com-
mon people believe it. Although
President Roosevelt, like most other
men, doubtless likes to wield an over-
powering influence among his fellow
men, there are few that believe that
he would crush and destroy democ-
racy and liberty in this country
just for the pleasure of exercising
power. And if he or any other man
were to attempt any such coup in
this country he would himself be
crushed almost within the twinkling
of an eye. While there are some who
are blind worshippers of Roosevelt,
free men and women armed with
the ballot are not going to surrender
their liberties at the behest of any
man or coterie of men. This third-
term bugaboo is only a political
scarecrow.

Dr. A. C. Scott of Temple died of a
heart attack in that city early Sun-
day morning. The name of Dr. Scott
was familiar in almost every home
in Texas. He was a native of this
state and devoted almost his entire
adult life to the practice of his pro-
fession in this state. But as a phys-
ician and surgeon he long ago gain-
ed a nation-wide reputation, and for
years he had been regarded as one
of the most eminent surgeons and
cancer specialists in the United
States. In fact, in the medical pro-
fession he enjoyed an international
reputation. Along with his pre-em-
inent skill as a surgeon and special-
ist in a number of lines of medical
practice, he was one of the finest
characters to be found anywhere, a
Christian gentleman of the highest
type, and one of the most useful
citizens of his community and state.
The medical profession and the state
of Texas suffered a great loss in the
passing of her most eminent sur-
geon, Dr. A. C. Scott.

In addition to the day-to-day
needs for training in first aid and
life saving, disaster relief and nurs-
ing, the American Red Cross has
taken an important part in the na-
tional defense program. Increased
responsibilities have resulted in a
need for increased membership.
Join today and help the Red Cross
widen its service in a year when it
is most needed.

There is much of the New Deal
that we have never been able to
swallow, but we do not believe that
Wendell Wilkie is big enough in
any respect except physically to be
President of the United States, and
at this crisis in international af-
fairs we think that his election would
be little short of a national calamity.
Like Tom Connally, we think that
Roosevelt's defeat would be construed
by the nations of the world as a
repudiation of his foreign policy.
We do not believe that Roosevelt is
an "indispensable" man, but we do
not believe that there are any two
men in the United States that could
step into the shoes of our President
and our Secretary of State, Cordell
Hull, at this particular juncture and
carry on with the ability and effi-
ciency with which they have been
carrying on. And a change might be
extremely dangerous.

As forecast last week, John L.
Lewis made a rip-roaring speech last
Friday night lashing President
Roosevelt and endorsing "Windy"
Wilkie for the Presidency. Wilkie
immediately and joyfully welcomed
the big labor leader into his camp.
And then on Sunday, that great (?)
patriotic (?) American (?), Harry
Bridges hopped into an airplane at
San Francisco and hastened to
Washington to confer with his big
boss, Lewis, purportedly to beg him
not to resign as head of the CIO
whatever may be the result of the
election, but we suspect that his
main purpose was to advise with
Lewis how he, Bridges, might help
most effectively to defeat Roosevelt.
We guess Wilkie will be welcoming
Bridges into his camp too—privately.

The American Red Cross is meet-
ing its most crucial challenge since
the days of the first World War.
Needs for strengthening our national
defenses have made heavy de-
mands upon the Red Cross—and
these demands will increase in the
coming year. Join today and be-
come a member of a truly patriotic
organization.

LEGALS . . .

IN THE UNITED STATES DIS-
TRICT COURT IN AND FOR THE
WESTERN DISTRICT OF TEXAS
WACO DIVISION *
No. 236 - In Equity

J. M. HUBBERT
VS.

TEMPLE TRUST COMPANY
NOTICE IS HEREBY GIVEN that
the undersigned has filed his applica-
tion with the Clerk of the United
States District Court in and for the
Western District of Texas, Waco
Division, for an order authorizing
him to sell and convey to Charles
Ellis 2.75 acres of land out of Sec-
tion Fifty-three (53), Block Eight
(8), Lynn County, Texas, and being
a part of a tract of 31.8 acres of land
surveyed by A. L. Harris, Licensed
State Land Surveyor on May 20th,
1935, and described by metes and
bounds as follows:

BEGINNING at a point in the
North line of said Section 53 that
is 2278.6 feet west of its NE corner,
same being in the west line of State
Highway right-of-way;
THENCE S 36 degrees W 34 feet
to the NE corner of this tract;
THENCE Northwesterly with the

**Girls Are Advised To
Build-Up For Relief**

Lack of knowledge causes many
a weak, undernourished girl a lot
of suffering!
Many others, however, know how
the headaches, nervousness, cramp-
like pain of functional dysmenorrhea
due to malnutrition are helped
by the proper use of CARDUI.

Some take it a few days before
and during "the time," to help ease
periodic distress. But CARDUI's
principal use is to help increase
appetite; stimulate the flow of
gastric juice; so aid digestion,
assist in building up physical re-
sistance and thus help reduce peri-
odical distress. Women have used
CARDUI for over 50 years.

East line of Roadway on a curve to
the left 530 feet to point that is 20
feet south of the north line of said
section 53 for the NW corner of this
tract;

THENCE East same being 20 feet
of and parallel to the said north line
of section 53, 564 feet to the place of
beginning, and containing 2.75 acres
of land;
and for a consideration of \$200.00,
and of which amount, the sum of
\$50.00 will be paid in cash, and the
balance, 150.00, to be evidenced by
one note in said sum, to be exe-
cuted by said purchaser, payable to
the order of the undersigned, at his
office in the City of Temple, Bell
County, Texas, and the principal of
said note to become due and payable
in three annual instalments as fol-
lows:
Instalment No. 1 due on or
before 10-1-41 \$50.00
Instalment No. 2 due on or
before 10-1-42 \$50.00
Instalment No. 3 due on or
before 10-1-43 \$50.00

Total \$150.00,
to bear interest from October 1,
1940 at the rate of seven percent per
annum, the interest to become due
and payable annually on the first
days of October of each year, begin-
ning October 1, 1941, and defaulting
principal and interest to bear inter-

est from maturity at the rate of ten
per cent per annum, and to provide
that failure to pay any annual in-
stalment of principal or interest on
said note, when due, shall, at the
option of the holder, mature all un-
paid instalments due thereon; to
stipulate for ten per cent additional
as attorney's fees, and said note to
be secured by a vendor's lien and a
deed of trust lien on the property
and premises, above described.

Said application will be heard by
the Honorable Charles A. Boynton,
Judge of said Court, after this notice
shall have been published for a per-
iod of ten days, and any person in-
terested in said Receivership Estate
may contest this application.

WITNESS my hand at Temple,
Texas, this 21 day of October
A. D., 1940.

H. C. Glenn, as Receiver for
Temple Trust Company Temple,
Texas. 11-2c.

GRASSLAND 4-H CLUB

"While at Short Course this sum-
mer, we attended a lecture on
flower arrangement," stated Beth
Shepherd Friday, October 18, at the
Grassland 4-H Club. Solid color
vases that are large at the bottom
are nice to place flowers in. Vases
with flowers painted on them are
only for decoration.

New officers were elected, as fol-
lows: Rubie Greer, president; Mary
Ruth Edwards, vice president; Jim-
mie Lou Thomas, secretary; Billie
Greer, reporter; Beth Shepherd and

Marie Norman, demonstrators. Mrs.
Walker, our new sponsor, met with
the club girls.

All members were present and two
new members.
The next meeting will be Friday,
November 1.—Reporter.

United States farmers in 1940
have feed grains, including Ever-
Normal Granary supplies, to produce
enough beef to feed every-one in the
nation as much beef as each ate in
1939, with enough left over for 23-
000,000 other people.

RADIO TUNE-UP

Don't be satisfied with squeaks, squawks, hums, and blurps from
that radio set of yours. If you're missing top performance, call
on us to put your set in A-1 shape. Our tune-up locates and
corrects every radio trouble. Satisfaction guaranteed.

Pumpkin Cream Pie
Broadcast by Mary Lee Taylor
November 14, 1940

1 cup sugar 1/2 teaspoon cloves
2 tablespoons corn starch 1/2 teaspoon salt
1 cup cooked or can med pumpkin 2 cups Fat Milk
1/2 teaspoon nutmeg 2 eggs, separated

Mix together 3/4 cup sugar, cornstarch,
cinnamon, nutmeg, ginger, cloves and
salt. Stir in milk and pumpkin. Cook
over rapidly boiling water 20 minutes,
stirring frequently. Remove from heat
and stir into slightly beaten egg yolks.
Return to heat and cook 2 minutes
longer, stirring constantly. Cool thor-
oughly. Pour into a 9-inch baked pastry
shell. Beat egg whites until stiff. Beat
in remaining 1/4 cup sugar gradually.
Spread on top of pie. Bake in very
slow oven (300°F.) 15 minutes, or until
brown.

Note: 2 1/4 teaspoons prepared pumpkin
pie spice may be substituted for the
cinnamon, nutmeg, ginger and cloves.

First Registrants For Draft Are Listed

(Continued from Page 1)

men and the order in which those numbers were drawn.

"Thus in each district the man holding serial number 158, the first out of the goldfish bowl, will be the first man to be called into service by his local draft board, provided he is 'fit and available'. The man holding 192, the second number drawn, will be the second. The third number was 8,239. So far as is known no local draft board has a serial number running that high, and it will simply be counted as a blank, with the fourth number drawn becoming the third order number in those districts where it had been assigned to a registrant. For each district, all numbers greater than the total number of registrants will be similarly disregarded in determining order numbers for the district.

"When the order numbers have been fixed, the classification of the men will begin. With that process will begin also the weeding out of men needed in defense industries and men with dependents, and finally exemptions for physical disabilities. Meanwhile, the conscientious objectors will have an opportunity to state their cases. If their reasons are found valid, they will be exempted from military service, but will still be subject to a year spent at work of national importance."

Washington authorities have announced that the first call for men will be for about 30,000, some time in the latter part of November. Texas' quota has been set at 1573.

The list appearing below is only a partial list of Lynn county registrants. It consists of 105 names which were taken from the first 2500 numbers drawn from the bowl. The list with the serial and master key order numbers follows.

The first number is the Order number and the second is the Serial number.

- 1—158 Silas Peters, Tahoka, P. O. 912.
- 2—192 Joe Charles Pendleton, Tahoka, Route 5.

- 1863—165 John Prentice Walker, Tahoka.

PARACHUTE TESTERS DE LUXE

Two Air Corps Veterans of Randolph Field, Texas, Technical Sergeant Wilson Laga, Chief of the Parachute Department, left, and Staff Sergeant George H. Holmes, pilot. These two constitute a parachute-testing team, and have been working together for nine years. During that time they have dropped more than 7,000 'chutes, without a single failure. They are here shown getting ready for a series of test-drops. During the winter of 1938, Sergeant Holmes made an emergency jump in one of the parachutes he had drop-tested just a few days before.

- 1872—768 Albert Sherman DeBusk, O'Donnell.
- 1876—747 Herbert Doyle Edgerton, O'Donnell.
- 1891—159 James Douglas Finley, Tahoka, Box 783.
- 1894—79 Charlie Fay Slaughter, O'Donnell.
- 1895—681 Robert Moore, Meadow, Route 1.
- 1898—782 Thompson Theodore Garrard, Tahoka.
- 1909—1476 Elisandro Moreno, O'Donnell, Route 3.
- 1916—678 Oscar Clint Sikes, Tahoka, Route 1.
- 1921—78 Garland May Doyle, O'Donnell.
- 1924—45 Lewis Pearl Harston, Lubbock, Route 6.
- 1949—25 Virgil Lee Cobb, O'Donnell.
- 1954—609 Rhinehard Martin Ernst, Tahoka, Route 4.
- 2108—190 Guanupe Ramirez Velasquez, Tahoka.
- 2134—210 James Alvin Cloe, O'Donnell.

THE PATHFINDER

is the one and ONLY publication with the knowledge, experience and courage to give you every week the first-hand, inside information which is positively necessary for you to have. It is the ONE publication which is under no obligations to the big moneyed interests or Czars of trade—none of those fatal tie-ups with the selfish cliques who gamble in the very life blood of the people. That's why the Pathfinder is in a position to tell you the unvarnished facts in the plainest possible English. You can depend on every word it says—and there is no substitute for reliability.

EVERY WEEK FROM WASHINGTON, D. C.
 Washington is now the news center of the entire world. It is the one place in the country where a strictly unbiased and reliable publication can be issued. That is why the Pathfinder is located there. The same clear sighted vision which led to the selection of the National Capital as the home of the Pathfinder over 40 years ago is the backbone of every single issue of the Pathfinder today.

It is our privilege for a limited time to offer you at a greatly reduced bargain price the greatest and most popular national weekly—The PATHFINDER—together with THIS PAPER, both a full year—52 weeks—for

Only \$1.75

THE LYNN COUNTY NEWS

Draft Candidate For State Job

At a "state-wide meeting of Democrats held in Waco last Friday, the name of W. N. (Bill) Corry of Tarrant county was agreed upon as "write-in" candidate for commissioner of agriculture in opposition to J. E. McDonald, the present commissioner and Democratic nominee for re-election, because of the fact that McDonald has announced that he will not vote for President Franklin D. Roosevelt, Democrat, on November 5.

The News has been requested to give the following information concerning the write-in candidate.

Nov. 5 1901: Born in Lamar County, (Election day will be his 39th birthday. His father was a tenant farmer and circuit riding minister in Lamar, Collin and Van Zandt Counties.)

Corry was educated at Denton High School, North Texas State Teachers College; University of Texas, University of Missouri in agriculture. Worked his way through all three.

Coached football in Nacogdoches, Stephens and Scurry counties. Owned and operated farms in Denton and Tarrant Counties for past 21 years.

Worked for Federal Farm Board, cotton division, in Southwest in 1929. Elected florial representative from Denton and Tarrant Counties 1938. Was an O'Daniel leader and introduced progressive farm legislation. Resigned to accept temporary chairmanship of relief commission 1939.

Runner-Up against J. E. McDonald for Commissioner in July primary 1940. Received 188,000 votes.

October 25, 1940: drafted as write-in candidate by Roosevelt democrats in called meeting at Waco to oppose J. E. McDonald for a sixth term after the latter had endorsed the Willie-McNary ticket despite his nomination by Texas democrats for another term.

October 26: Named as write-in candidate by Texas county Judges Association in resolution condemning McDonald.

Dr. and Mrs. K. R. Durham were guests of Dr. and Mrs. J. C. Turner of Lubbock at a deer dinner at the Mexican Inn Tuesday evening. The dinner is an annual affair given by the Turners for their dentist friends over the South Plains following Dr. Turner's annual hunt.

A renowned scientist finds it strange that a man, before recovering his breath from running away from one woman, may start in upon a chase after another one.

Nance Is Out For Agriculture Post

Displeased with the announcement by J. E. McDonald, commissioner of agriculture and the Democratic nominee for re-election to the office, to the effect that he intended to vote for Wendell Willkie in preference to Franklin D. Roosevelt for the Presidency, J. B. Nance of Tahoka used almost a column in the Sunday issue of the Fort Worth Star-Telegram criticizing McDonald and asking the Democratic voters of Texas to repudiate McDonald as the Democratic nominee and to write in his own name, J. B. Nance, as a candidate for the office.

Mr. Nance then proceeds to give the following information concerning himself:

I was born in Red River County, Texas, reared in Lamar County, lived in Delta County four years; in Hopkins County, one year; in Wood County two years; and Smith County two years, and one year in Cass County, and I am not ashamed to visit any county where I have lived. For the past 30 years I have lived on the plains of Texas, in Hale and Lynn counties. I am well acquainted in most of North Texas, from Texas to Pecos, and if the people who don't approve of what McDonald has done to the Democratic party and want to write the name of J. B. Nance on the ticket I will appreciate it very much, and if elected, I will go down to Austin and fill the Commissioner of Agriculture's office the best I can, and I believe I can fill it as well as Mr. McDonald.—J. B. Nance.

TAHOKA WOMEN ATTEND GRASSLAND P. T. A. MEET

Mrs. J. K. Applewhite of Tahoka was the guest speaker at the meeting of the Grassland P. T. A. Tuesday night and the Tahoka "Mother Singers" entertained with four vocal selections.

Mrs. Applewhite discussed the Advantages of the P. T. A., and others reported that her talk was very fine.

An excellent talk was also made by Mrs. E. M. Walker of Grassland.

Mother Singers participating in the program included Mmes. W. T. Hanes, A. L. Pace, W. A. Reddell, W. H. Kenley, Harley Henderson, Ovid Luallin, Elbert Rogers, James (Skipper) Connolly, Clay Hughes, Jessie Cheatham, J. K. Applewhite, Frank Hill Mrs. Era Stewart was the piano accompanist and Miss Georgia Taylor director.

Several piano numbers were also rendered beautifully by Misses Julia Kathryn and Martha Faye Thomas of Grassland.

Quite a large number of Grassland people, including both men and women, were present. The P. T. A. recently organized there is said to be a very live organization, with a large number of members and an ambitious program of work.

Mrs. Aubrey Thomas is the president and Mrs. A. L. Shepherd the secretary-treasurer.

Following the program, the Tahoka visitors were entertained in the home of Mrs. Thomas, and refreshments were served.

Census report shows that 10,998 bales of cotton were ginned in Lynn county, Texas from the crop of 1940 prior to Oct. 18 as compared with 38,427 bales for the crop of 1939.

REMOVAL NOTICE:

To acquire more room for our increasing business, we will after Nov. 1st, move our offices to the West side of square in Brownfield, where we invite our Lynn county friends to visit us.

MRS. FELTS SERIOUSLY HURT IN CAR WRECK

J. H. Felts, former band director here, has written to friends here stating that Mrs. Felts was seriously hurt in a car mis-hap in Corpus Christi, where they now live, recently.

The car in which they were riding was wrecked when struck by a car entering upon the highway from a side street and Mrs. Felts suffered the fracture of the pelvis in two places. The broken bones were placed in plaster cast, which may not be removed for two or three months. She suffers great agony but is holding up well.

The two children, luckily, were not in the car at the time.

MR. AND MRS. "SUG" EDWARDS ATTEND TEXAS-RICE GAMES

Mr. and Mrs. "Sug" Edwards attended the University of Texas-Rice Institute football game in Houston last Saturday in which the Owls upset the dope bucket and won 13 to 0.

Mr. and Mrs. Edwards, principal interest, however, was in the Texas-Rice freshman game the night before, in which Max Minor of Tahoka played as a member of the Texas team. Texas won 19 to 0, and Max lived up to his reputation as a star on the gridiron. Early in the game Max intercepted a pass and returned it 35 yards. A short time later he slanted outside tackle and ran 37 yards for the first touchdown.

WELLS WOMAN ATTENDS FUNERAL OF SISTER

Mrs. Ed Cook was called to Athens last week-end by the serious illness of a sister, who had suffered a stroke of paralysis. The sister died at an early hour Monday morning and was buried Monday afternoon. Mrs. Cook returned to her home at Wells immediately following the funeral. She reports that she left a nephew at Athens in a most critical condition, having undergone an operation for ruptured appendix.

DISTRICT HEALTH OFFICER HERE LAST WEEK

Mrs. Zo Austin Jones, of Mineral Wells, supervisor of 100 public health nurses in as many counties in West Texas, visited this unit last week.

Mrs. Jones highly complimented the work of Mrs. Gladys Davis, local nurse, and of the local unit as a whole, for the efficiency with which the office is being managed.

SOUTHWESTERN LIFE WRITES NEW POLICIES

Business written by the Company the first nine months of 1940 exceeded by 12% the business written during the same period of 1939. C. F. O'Donnell, President, informed the Board of Directors of Southwestern Life Insurance Company at their regular quarterly meeting held in Dallas October 15, Mrs. Gladys M. Stokes, local representative was advised today.

President O'Donnell said that during the first nine months of the year the Company has shown an increase in business of \$16,000,000, and now has \$377,000,000 of insurance in force on the lives of Texas citizens.

E. E. Hancock, superintendent of schools at Rails, was over Saturday to visit his mother and other relatives.

Congratulations

A son weighing eight pounds was born to Mr. and Mrs. J. Dudley Martin of the Draw community in the Lubbock Sanitarium Tuesday afternoon.

A son weighing 7 pounds 11 ounces was born to Mr. and Mrs. A. M. Reece of Tahoka in the West Texas Hospital in Lubbock Monday afternoon.

A son weighing 7 pounds, who has been named Gary Lynn, was born to Mr. and Mrs. John Curry on Friday October 18.

CHURCH OF THE NAZARENE

I want to take the opportunity to write once more to The Lynn County News, and from the deep of my heart I do appreciate the paper and the editors. They have been so very nice to me and the Church while I have been pastoring here, for which I thank them.

I also want to thank every friend in Tahoka for your kindness in any way shown me while I have lived among you.

Next Sunday will be my last day here and we have planned all-day services and lunch at noon hour. And I certainly would like for all our friends and church members to be present. I will preach my farewell sermon Sunday; so come one, come all; and may Heaven smile on each and every one, and may this be a city where people will live right and build up God's kingdom.—Pastor Betty Ellis.

Many friends in this county will remember Mrs. A. L. Dunn of Austin as Louise Burkhalter of Grassland, who removed from that community with her parents, Mr. and Mrs. H. P. Burkhalter, about a dozen years ago. Now comes announcement that a son was born to Mr. and Mrs. Dunn last Friday morning. Mr. Dunn is now with the Lower Colorado Authority, Austin.

Funeral services were held in Lubbock Monday morning for Wiley L. Metcalfe of that city, who died Friday afternoon of a heart ailment. Mr. Metcalfe was a former chief of police of the city of Lubbock and was a brother of Rayborn Metcalfe, brother-in-law of Clyde Jones of Tahoka, who lived at Wilson many years. Deceased had many friends in Lynn county.

Mrs. Roy Cowan, who recently moved to Lubbock to enter the Texas Tech, changed her mind and moved back to Tahoka last weekend, having bought the "checker-board" brick residence near the high school. She says she is very happy to be back in Tahoka to remain.

Mr. and Mrs. Rafe Richardson and daughter, Miss La Voyle, visited Mrs. Richardson's sister and family at Anson last Saturday and Sunday.

Oil wells today are drilled in one-fifth the time required ten years ago.

ASTHMA RELIEF

No matter where you live or how many remedies you have tried with no success nor how you wheeze or suffer from shortness of breath, try LEAVENS II. Sold under guarantee of satisfaction.

TAHOKA DRUG

"TANLAC" STRANGE IS ROTARY SPEAKER

W. T. "Tanlac" Strange was the principal speaker at the Rotary Luncheon Thursday.

Mr. Strange is noted as a humorist, and he put plenty of humor into his speech Thursday but spoke seriously respecting the war threat that faces America at this time.

A number of Rotarians were appointed by President K. R. Durham to work in cooperation with the American Legion and the Schools in putting on a worth-while Armistice Day celebration here on November 11.

A local Rotary publication, The Tahoka Spokesman, with Frank Hill as editor, made its appearance and was distributed among the members. It will be published each week.

Mr. and Mrs. A. I. Thomas returned Wednesday from a ten days visit with their son, Paul Thomas, and his family at Denton, and their daughter, Mrs. Guy Robinson, and family at Strawn.

Rev. and Mrs. W. C. Hinds of Midland visited here Tuesday in the home of Mr. and Mrs. Russell Vernon. Brother Hinds was pastor of the Methodist Church here at one time. He is now pastor at Midland.

Elder G. F. Mickey, minister of the Church of Christ at Portales, New Mexico, was a visitor last Friday afternoon in the home of his good friends, Mr. and Mrs. Eugene Long.

Mrs. J. H. Colleenback returned Tuesday from a few days visit with her daughter, Mrs. C. B. Grissom, near Lamesa. Mrs. Grissom was suffering from an attack of pleurisy but was improving.

See WILEY & GENE in Person Saturday at 4:30 at Piggy Wiggy. Lots of Everlite Flour FREE!

Vegetable Laxative Makes Happy Friends

Here's a laxative that usually acts thoroughly as harsher ones but is a gentle persuader for intestines when used this way: A quarter to a half-teaspoonful of spicy, aromatic BLACK-DRAUGHT on your tongue tonight; a drink of water. There's usually time for a good night's rest, with a gentle, thorough action next morning relieving constipation's headaches, biliousness, sour stomach, bad breath.

BLACK-DRAUGHT is a splendid combination of vegetable ingredients, chief of which is an "intestinal tonic-laxative" that helps impart tone to lazy bowel muscles.

TAHOKA WOMEN ATTEND EASTERN STAR MEET

Miss Obara Forrester, worthy matron of the Eastern Star chapter here, left Sunday to attend the state convention of the order in session at Mineral Wells this week.

Other members who left Thursday for the meeting were Mesdames H. L. Roddy, W. T. Hanes, A. M. Cade, V. A. Botkins, R. C. Forrester, and J. C. Edwards.

Mr. and Mrs. Pledger Coleman returned home Tuesday night following a trip to San Antonio Saturday, where they spent the next day. Then they visited in Austin, and stopped over in other places on the way home. Mrs. Coleman had been visiting her mother near Ballinger for ten days prior to their San Antonio trip.

W. G. Barrett, former superintendent of the Tahoka schools but now in the insurance business at Stamford, was a business visitor in Tahoka Tuesday.

See WILEY & GENE in Person Saturday at 4:30 at Piggy Wiggy. Lots of Everlite Flour FREE!

Odds and Ends See Eye, the Elder

If we don't quit talking about Hitler so much we fear that somebody will get the idea that we have it in for him.

So, we are going to lay off Hitler in this column this week, maybe. In fact we are going to hand at least one bouquet to Hitler but to the German people.

We intimated last week that the Germans have not excelled in any scientific field except in the invention of printing machinery and the waging of war—in the sciences of printing and shooting.

In that statement we may be slightly "off". The Germans have done a wonderful work in the fields of biology, chemistry, and medicine. In these fields they have made many marvelous discoveries through which diseases have been conquered and the world blessed.

We wouldn't dare to attempt to go far or drive deep into this subject, however, for if we did we know that we would have all the doctors in town laughing at us. We claim to have a monumental stock of ignorance concerning such matters as biology and chemistry and medicine.

We have been taught from our youth up, though, that the Universities of Heidelberg, Leipzig, and Berlin were among the greatest in the world, and that Heidelberg in particular was famous for its dissemination of scientific knowledge.

The physicians and chemists and other scientists of Germany long have held a leading place in the world.

It was Dr. Emil Adolf Von Behring—that sounds German enough, doesn't it?—who discovered the anti-toxin for diphtheria and thus robbed that disease of much of its death-dealing power.

Dr. Robert Koch, another German physician, discovered the tuberculosis bacillus and developed a partial preventative, tuberculin. He also did excellent work in combating Asiatic cholera and other dreaded diseases.

Prof. Paul Ehrlich in 1910 developed a cure for syphilis.

Dr. William C. Roentgen gave to Medical science the X-ray.

Other German chemists and physicians have possibly done as much for mankind as those named above—a long list of them in fact, whom we will not attempt to mention here. All honor to these geniuses whose work has blessed the world.

But even in this field, the Germans are not entitled to all the bouquets. There are those of other nationalities who have been just as eminent and as helpful to mankind.

Going back a few centuries, when the science of medicine was in its infancy, it was an English physician, Dr. William Harvey, who discovered the circulation of the blood. It seems incredible to us now that men lived so many centuries without knowing that the blood circulates. This piece of ignorance persisted through the centuries just as did the belief, for instance, that the earth is flat.

It was in the eighteenth century that another English physician, Edward Jenner, discovered vaccination, and thus robbed smallpox of its prevalence and malignancy.

Dr. Joseph Lister, another Englishman, is known as the "father of antiseptic surgery".

Rev. Joseph Priestly, an English

clergyman, was the discoverer of oxygen back in the last half of the eighteenth century.

The eminent Dr. Sir Ronald Ross of England made the discovery that the mosquito carries and transmits the malaria parasite.

Louis Pasteur, a French chemist and biologist, is the man who really founded the science of bacteriology. His discoveries made possible the treatment of infectious diseases. He laid the foundation for the isolation of the germs of tuberculosis, cholera, diphtheria, lockjaw, and other infectious diseases. He discovered the method of checking hydrophobia by inoculation. He taught the world how to "pasteurize" its milk.

Prof. Pierre Curie, a Frenchman, and Madam Curie, his wife, a native of Poland, discovered radium and they gave the world much knowledge of radioactivity.

Dr. Alexis Carrel, a Franco-American, of the Rockefeller Institute gave to the medical world the remedy of blood-transfusion, which has saved so many lives. He was the first also to transplant limbs and certain important organs of the human body.

Dr. Simon Flexner, another eminent American physician at the Rockefeller Institute, gave to the world about all it knows about the cure of infantile paralysis and cerebrospinal meningitis.

Dr. Crawford W. Long of Georgia, almost a century ago, first used anesthetics in the performance of surgical operations. This was really one of the greatest advances ever made by the medical profession, for it made major surgical operations really practical.

One of the most amazing triumphs ever achieved by medical science was the demonstration that mosquitoes carry and transmit to human beings both malaria and yellow fever germs and the subsequent successful fight to subdue and control both of these maladies.

As stated above it was an English physician, Dr. Ross, who convicted the mosquito of guilt on the charge of spreading malaria, but it remained for Dr. Charles J. Finlay of Havana, Cuba, to prove the charge that the mosquito was also a spreader of yellow fever, and for Dr. W. C. Gorgas thereupon to wage the most intensive and successful campaign in history to stamp out the cause and prevent the further spread of these maladies.

Dr. Finlay had maintained since

W. N. (BILL) CORRY

Drafted by a statewide mass meeting of Texas democrats to run as a "Roosevelt democrat" write-in candidate to oppose the re-election of Agr. Comm. J. E. McDonald, who despite his nomination as a democrat, last week endorsed the candidacy of Wendell Wilkie, Bill Corry of Tarrant county, is putting on a whirlwind campaign. He has the endorsement of Texas county judges and leading farm and ranch organizations and democratic leaders throughout the state. The Waco meeting in a resolution declared McDonald had forfeited any right to democratic party support and named Corry as the "instrument of Texas democracy to remove 'Willie-crut' from Texas politics. Corry was runner-up against McDonald in the July primary and refused to be a candidate until drafted by the Waco meeting. Judge C. C. Randle of Ellis county was named as Corry's campaign manager.

1881 that the mosquito carried the yellow fever germ, but he couldn't get anybody to listen to him.

When the Americans drove the Spaniards out of Cuba in 1898, they found unsanitary conditions everywhere. Mosquitoes were prevalent and both malaria and yellow fever had been taking a tremendous toll of life in that tropical island for centuries.

The first task of the Americans after conquering the Spaniards was to conquer disease.

A commission of physicians was

"Build-Up" Good News For Suffering Women

Much of women's periodic distress may be unnecessary!

Many who suffer from headaches, nervousness, cramp-like pain, other symptoms of functional dysmenorrhea due to malnutrition are helped by CARDUI.

Main way it helps relieve periodic distress is by increasing appetite and flow of gastric juice. Thus it often aids digestion; helps build strength, energy, resistance to periodic disturbances.

Others find help for periodic discomfort this way: Start a few days before and take CARDUI until "the time" has passed. Women have used CARDUI more than 50 years.

appointed to do the job. Dr. W. C. Gorgas, an army surgeon, who was a native of Alabama and had gotten his medical education in New York City, was made chief military officer in Havana and he directed the work. In a remarkably short time he destroyed the breeding of mosquitoes and banished yellow fever from the city.

In 1904, work was to begin on the Panama Canal; but sanitary conditions there were unbearable. Death-dealing mosquitoes were swarming everywhere. Dr. Gorgas was given the job of clearing them out. He got busy; and the work he did there was one of the marvels of all time. The mosquitoes were destroyed, and malaria and yellow fever disappeared.

And now yellow fever has been practically banished from the civilized world, while the ravages of malaria have been greatly circumscribed and minimized.

Medical and surgical science has

achieved many other triumphs during the past half-century and is still achieving them. Specialists and leaders in the fight are not confined to any one nationality. The Germans are doing their part, and so are the English, the Americans, and many others.

The tragedy of it is that while these men of science have been striving to stamp out disease and to prolong human life, ambitious and unscrupulous men have been spreading war from nation to nation—and in the wake of the destruction and death wrought by war will come disease and poverty and hunger more horrible than death.

And the very inventions that men have made for the convenience and happiness of the human race are being used for its destruction.

An attic that rises in temperature to 120 degrees occasionally is a good place to store winter clothes, for moths cannot live at that heat.

Home-Killed, Grain-Fed Baby Beef Is Better!

Scrapbook
Myrtle Rochelle

Everyone huddled about the radio to hear the first names called in the selective service drawing Tuesday . . . only five Lynn county numbers in the first 80 drawn, and all of them ranging from 105 to 192.

Homecoming Day isn't far off, and ex-students are filing their nails and counting on a big blow-out with the added attraction of Armistice Day with a parade and program, a team we can lick (we hope) and the coronation of football queen to top it all off . . . Monday's sort of an un-busy day, so it'll be handy to busy folk too . . . we'll be seein' you.

All of the Myrna's we've known are lovely—though we've known only two in person . . . of course, there's Myrna Loy, almost everybody's favorite, then Myrna Fancher (we don't know her married name and you wouldn't either, probably) who lived here for several years and is a real beauty. The latest to grace the name is queenly Myrna Dean Gagnat, blonde, vivacious, petite high school girl, whose hobby is horse-back riding—she aspires to rodeo competition, and knows her stuff.

Was the Hubert Faulkner who was draft number 158, the first drawn, in Dallas, the former Tahokaiter? We don't know but wonder.

**WAYSIDE CLUB STUDIES
FLOWER ARRANGEMENT**

"In flower arrangement, balance in design must be planned for. It doesn't just happen," said Miss Maurine McNatt, home demonstration agent, when the Wayside home demonstration club met October 24 at the home of Mrs. Elmer Cory, with ten members present.

"In any arrangement the sum total of the elements on one side approximately equals in weight those on the other. Flowers which are dark in color and heavy in texture appear to be heavier and should be placed near the container. Likewise there should be balance between the arrangement and container."

Officers were elected for the ensuing year: President, Mrs. Johnson; vice-president, Mrs. Elmer Cary; secretary-treasurer, Mrs. Tom Dulin; reporter, Mrs. Jackson; council delegate, Mrs. Doris Lee.

The club voted to ask for garden fruits and clothing to be the demonstration for another year.

The next meeting of the Club will be with Mrs. Busby on November 15.

J. L. Holt who has been in the Veterans' Hospital in Amarillo for the past three weeks is said to be improving.

In Lynn County

By ARGEN HIX

The Farm Security Administration secured mattresses and comforters for its borrowers. These were delivered to the applicants October 31.

With little care these mattresses and comforters will be serviceable and comfortable for a long time.

Removable mattress covers protect the mattress and can be laundered as frequently as necessary. The mattress cover protects the mattress not only against dust and soil, but also against the friction of the springs.

A padded protector gives added protection to the mattress and at the same time makes it warmer. These can be inexpensively made of an old quilt which can be cut to the size of the mattress and bound around the edges or a quilted pad made from percale or flour, sugar, or feed sacks. Ready-made mattress protectors can be bought for 85c to \$1.87 and up.

A mattress should be turned regularly in order that it may receive even wear. It should be turned from side to side, and then from end to end—thus assuring complete distribution of the weight of the sleeper. A mattress should be turned and sunned at least once a week and aired daily. Sunning keeps the cotton fluffy.

Comforters and quilts should be protected to keep them clean. Strips from old sheets are sufficient for this protection. These strips can be fastened to the comforter by basting or by pinning with safety pins.

The life of articles made of cotton is determined by the care they are given.

FLOWER ARRANGEMENT STUDIED BY DIXIE CLUB

"There must be unity in flower arrangement if the effect is pleasing", stated Miss Maurine McNatt at the Club Thursday eve at the home of Mrs. Dunagan.

"If the desired result is obtained there must be unity in the general character of flower foliage. The light, airy garden flowers should be arranged together in containers of lighter pottery. Cool colors should be arranged together and warm colors together. Flowers which are heavy in texture should be placed in heavy containers, such as pottery."

Mrs. Calloway Huffaker was elected president; Mrs. T. D. Lishman, secretary; Mrs. Herbert Nash, reporter; Mrs. J. H. Knight, council delegate.

The next meeting will be at the home of Mrs. Francis.

Mr. and Mrs. G. T. Evans and son Gerry, daughter Ruth, and a friend of the family, Mary Kerr, all of Dalhart, were visitors in the home of his brother, C. B. Evans, last week end. They left Monday for Brownwood to visit another brother.

"Pinky" Weathers, son of Mr. Sam Weathers is here on leave from the army visiting relatives and friends.

Reader's Forum

THINKS THE WORLD IS PLEASURE-MAD

Attention! Football players, and fans!

Amid this perilous war-torn world, it would be profitable—yes, I mean profitable—to you players and fans and promoters to stop and meditate on the first four verses of the third chapter of Second Timothy:

"This know also, that in the last days perilous times shall come. For men shall be lovers of their own selves, covetous, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy, without natural affection, truce-breakers, false accusers, innocent, fierce, despisers of those that are good, traitors, heady, high-minded, lovers of pleasure more than lovers of God."

We get so much pleasure out of mingling with the great masses of people, attending ball games, prize fights, rodeos, etc. What a pitiful tragedy to think of so much of our time, efforts, and money being spent in promotion of those worldly amusements and so little for God's cause!

Just witness the great throngs attending those pleasure resorts. Then turn to our churches—the world's greatest institutions—and witness the wee little few scattered over the church buildings of Tahoka and other towns. Surely it makes us realize that those days spoken of in Timothy 3:1-4 are upon us.

When was there ever a time when so much was put on as lovers of pleasure and so little being done as lovers of God? But the time is coming when every knee of those pleasure-seekers will bow to God; but how awful to think that to many it will be too late. Think on these things.—A Lynn County Citizen.

WILSON ROOSEVELT

WILSON, Oct. 31. (Special)—Wilson's six-man footballers, paced by James Crews, pounded out a 22 to 0 victory over Roosevelt here Friday afternoon. Crews scored three touchdowns and kicked two goals after touchdown, which count two points each in the six-man game, to account for all the Wilson points.

Fine blocking by Truett Hannabeth cleared the way for Crews' touchdown dashes. The game was marked by clean playing and good sportsmanship by both teams.

Wilson meets McAdoo, champion of the Dickens county six-man league, here tonight.

Mr. and Mrs. W. G. Lyons of Galveston were here from Saturday until Monday visiting their niece, Mrs. Lenore M. Tunnell. They left Monday for a brief visit to Albuquerque, New Mexico. Mr. Lyons owns a nice farm on the north line of this county.

Miss Mary Hill of Abilene and Mrs. Sam Monroe of Stephenville were here Sunday visiting the Hill families. They are sisters of the editor.

As a first aid treatment for all bowel disorders in fowls of all ages, use Dr. Salsbury's PHEN-O-SAL Tablets in the drinking water. WYNNE COLLIER, Druggist

O'Donnell Boy Has Camera Trouble

LUBBOCK, Texas, Oct. 31.—Believers in the ancient proverb about honesty's being the best policy have lost two recruits—one at Loyola university in New Orleans and the other at Texas Tech.

It all goes back to a folding kodak, lost and found when Texas Tech rooters took a special for New Orleans last year to see the Red Raider-Loyola game.

Weldon Street of O'Donnell, a junior at Tech, lent his camera to his roommate to take on the trip. That was in December. Early in March a Loyola official wrote a Tech official that a folding "jiffy" camera with black bakelite case had been found on Loyola campus after the game. Was the owner at Tech?

Telephone calls to all students who had made the trip finally brought the owner to light, and on April 2 a letter went back to the Loyola official, saying the camera had been identified. The Loyola official mailed the package in due time—but addressed it incorrectly and it was returned to his home address.

On Aug. 7, he mailed it a second time, with apologies for delay, but the Tech official received it after Street had gone home and held it until this fall. It was several weeks after registration before Street finally came in to identify his property—only to find it wasn't his! His own camera had a broken lens.

Now the chase begins all over again, and at least two college officials are beginning to wonder if honesty really pays!

Mr. and Mrs. Jack Renfro and little daughter, Marlys, came Sunday to spend the week with Mrs. Renfro's aunt, Mrs. Jim Wetzel, and Mr. Wetzel. They were en route to their home in Los Angeles after a month's visit with his mother at Tioga, Texas.

Edward P. Price, consultant engineer for Lyntegar Electric Co-op., accompanied his wife to Temple last Friday, where she is undergoing a "check-up" in Scott & White sanitarium.

Three million farm families of the South, are living on gross incomes averaging \$615.

WINTER KNIGHT OPENS BUSINESS IN LITTLEFIELD

Winter Knight has been employed as manager for the Carter Motor Company in Littlefield which opened last week for the handling of Dodge and Plymouth automobiles.

Until recently Winter was connected with the Gagnat Motor Company here.

Upon his launching into the new business in Littlefield, he was given quite a bit of publicity by the newspapers there on account of the fact that he had appeared in Ripley's "Believe It or Not" column about two years ago on account of his name and that of a brother, Summer Knight, who has since died.

Winter has had quite a bit of experience in the automobile business and his friends here hope that he will meet with splendid success in Littlefield.

Mr. and Mrs. Veasley of Wheeler, after visiting here with Mr. and Mrs. J. K. Callaway, left Monday for Abilene to visit her brother, Dr. E. E. Callaway, and wife.

Mr. and Mrs. Hope Haynes and children, Charles and Mary Dale, visited relatives and friends in Haskell last week end.

House Maids May Get Training Free

Provision has been made to provide free training for colored housemaids and a teacher is available to do the work here, according to W. T. Hanes, superintendent of the city schools.

Paralee Sayles, teacher of the colored school, not only has taken the necessary training courses while in school but she has also had actual experience as a house maid. Mr. Hanes thinks that she is amply qualified to give the instruction. Her salary for doing such work would be paid by the government.

If the housewives of Tahoka who employ colored help will cooperate and make it possible for these maids to take the training, it will probably be a great help to them in the long run, it is thought.

Care in the house and special duties in the home, 50 hours;

Courses may be given in the following subjects:

Laundry, 50 hours; Elementary foods, 100 hours; Advanced foods, 100 hours; Home hygiene and care of sick, 50 hours; Care of children, 50 hours.

A maid may take only one course at a time. Two hours for two nights in each week will be devoted to the training. Maids will be required to furnish own text books. Housewives, of course, can assist the maids in this matter if they think it worthwhile and if the maids need the assistance.

The only assistance required of housewives, however, is cooperation, so arranging the house-work that the maids may take the training at night.

Election . . .

(Continued from Page 1)

played by the President and the Department heads, and the voters generally seem to feel that a vote for Roosevelt means a vote in approval of the New Deal while a vote for Willkie means a vote to repudiate it.

In Texas, which is overwhelmingly Democratic, the size of the vote will probably be increased considerably by the fact that some discontented Democrats have been waging open and vigorous warfare on the Democratic nominee. Chief among these are Mike Hogg of Houston, son of one of the greatest governors of this state, James S. Hogg, and Joseph Bailey, son of former Senator Jos. W. Bailey, regarded by many as the ablest man that ever sat in the United States Senate from Texas.

Thousands of voters resent the fight which these two sons of Texas are making upon the President, and while the vote for the Republican nominee promises to be somewhat larger in this state than usual, the vote for the Democratic nominee also promises to be unusually large.

Another incident that will probably draw a good many New Dealers to the polls is the recent announcement of Commissioner of Agriculture J. E. McDonald that he expects to vote for Willkie. Many who might otherwise neglect to go to the polls will now make it a point to go not only to vote for Roosevelt but in order also to scratch McDonald, who also is the Democratic nominee for re-election.

So the prospects are that there will be an enormous outpouring of the voters next Tuesday, not only in the nation as a whole but also in Texas, where the interest usually is not so keen.
