Number 14

Service Volunteers Will Be Honored

Six Volunteer, Draft Unnecessary

Young men called or volunteering for training under the new Selective Service Law in Lynn county will be honored in a special program to be given in the high school auditorium at ten o'clock on Tuesday morning, November 19, just before leaving for the Concentration Center at Lubbock.

Lynn county's quota is only five men, and as this is written it does not seem probable that it will be necessary to conscript a one. There have been more than five volunteers for service already. Not including some registered here who have been transferred to other counties nor some who reside elsewhere and have appeared before the board here as volunteers, there had been six residents in this county who had volunteered when a representative of the News interviewed the draft board Wednesday.

These six are: Lawrence Alford Young, Valton Ray Cawthron, Sam Houston Garrard, William Guise Bryant, Nathan Hughes Woosley, and Morgan A. Noble.

It was deemed possible, however, that some of these would not meet the physical test, in which event they would be deferred and placed in another class. It was not known Wednesday, therefore, just who the five selected would be, but the entire board was in accord on the matter of holding a program in their honor.

This program, according to Marshall Stewart, a member of the draft board, will be sponsored by the American Legion and the Tahoka Rotary Club. It will not be lengthy but promises to be snappy.

The Tahoka Band will render a few patriotic numbers and a few short talks will be made in which the boys will be assured that their services will be greatly appreciated by their neighbors and friends.

The public is invited to turn out en masse and honor these boys, and others who have recently enlisted, and of course their parents and relatives are expected to be present and share the honors accorded to their sons and brothers.

Expect Roll Call To Pass Quota

Reports from Red Cross volunteer workers indicate that Lynn county will "go over the top" in its annual membership drive, states Rollin McCord, the Roll Call chairman.

"The citizens of Lynn county are again cooperating wholeheartedly," he states, "and the indications are that the number joining for 1941 will exceed that for prior years."

As an example, he quotes W. G. Forgy of O'Donnell as stating that with a quota of 150, more than eighty members had kicked in with their dollar up to Thursday morning practically without solicitation. Good reports are also coming from other communities.

"Lynn county has always responded to the Red Cross drive," Mr. McCord continued, "and it exemplifies the charitable spirit of the people of the South Plains. One half of the funds collected stay in each county for local relief purposes. Lynn county will again do her part in this great cause."

The membership drive will end on November 30th.

MOTHER SINGERS MEET THIS AFTERNOON

The Mother Singers will meet this (Friday) afternoon at the grade school at 4 o'clock, according to Mrs. Irvin Stewart.

Mrs. Stewart says that all members are urged to be present and to BE ON TIME.

Mr. and Mrs. Otho Johnson of Lubbock spent the weekend here as guests of Coach and Mrs. Leo Jackson. Mrs. Johnson and Mr. Jackson are cousins.

5,000 Bales Cotton Ginned In City

Approximately 5,000 bales of cotton from this year's crop have been ginned in Tahoka this season. Ginners reported that about 4,930 bales had been ginned up to Thursday noon.

Ginning is proceeding rather slowly this week, however, on account of recent rains and the cold weather that has prevailed.

E. W. Holloway reports that prior to November 1 a total of 21,530 bales had been ginned in Lynn county as compared with 49,662 bales ginned up to the same date last year.

Local Methodists At Conference

Rev. G. E. Turrentine left Thursday afternoon to attend the Northwest Texas Conference which meets in Fampa Friday afternoon and will be in session till Sunday night.

C. A. Thomas was elected as a delegate from the Tahoka Church and R. C. Wood as alternate. Both will probably attend some of the meetings of the Conference, together with their wives.

At this Conference, the appointment of pastors will be made and will be announced Sunday.

It is expected that Brother Turrentine will be returned to Tahoka. He has done an excellent work here and is popular not only with his own membership but among the people of the entire town. It is not contemplated that he will be sent to another charge.

"An annual Conference", Brother Turrentine pointed out before leaving, "is a very busy occasion, when the work of 217 pastoral charges, 417 churches, representing 73,000 members and an annual budget of more than \$1,000,000, is reviewed; when—still more important—plans and programs for future work are formed and presented."

"Conference opens formally Friday afternoon, November 15, at 3 o'clock with the observance of the sacrament of the Lord's Supper. Bishop Ivan Lee Holt will be in charge and will be assisted by the District Superintendents. There will be worship, information and inspiration for all who attend in the spirit of worship and with the desire to both give and receive help."

Train Strikes Car Tom White Hurt

Mrs. Bart Cowan received word Thursday morning that her brother, Tom White of Lubbock, had sustained painful injuries Wednesday night when a car in which he was driving alone was in collision with a cattle train at about 7:45 Wednesday night near Hurlwood just west of Lubbock.

Mr. White was taken to a Lubbock sanitarium by a passing motorist, where he was treated for cuts on the chin, nose, and right eyebrow and for bruises on his right arm and leg. It was not thought that his injuries were serious. Information as to just how the accident occurred was not available Thursday. Mrs. Cowan had gone to Lubbock to be at her brother's bedside.

Mr. White was formerly engaged in the cafe business in Tahoka.

Hope Haynes Has Finger Cut Off

Assistant Coach Hope Haynes badly mangled two fingers on his right hand Wednesday morning when starting the school bus which he drives, and amputation of the fingers from the first joint was necessary.

Mr. Haynes had started his bus but the fan was not turning, and he reached in to slip the belt on better, when the fan suddenly started, catching the ends of his fingers and mangle them before he could remove them.

He was rushed immediately to a local clinic, where the amputation was performed.

School Heads Honored

W. T. HANES

LEE B. DODSON

W. T. Hanes, superintendent of the Tahoka Public Schools, is secretary of the West Texas Teachers Association which has a membership of 3,000 teachers. He was appointed last year to fill an unexpired vacancy, and has been elected by the body to serve through next spring. The convention will be held in Big Spring this year.

Lee B. Dodson, principal of Tahoka High School, has been named to the State House of Delegates of the Texas State Teachers Association which meets in Fort Worth November 21, 22, and 23, as a representative from District IV, a large section of West Texas. Incidentally, the Tahoka faculty has signed up 100 per cent membership in the teacher organization.

New Nazarene Pastor Is Here

At the recent Conference of the Church of the Nazarene in Lubbock, Miss Betty Ellis, pastor at Tahoka for the past three years, was transferred to Hedley, Donley county, and Rev. J. L. Lawrence of Bethany, Oklahoma, was transferred to Tahoka.

Miss Ellis has served the church here faithfully and well during the past three years. She is a hard worker, has a most amiable disposition, and has won the respect and admiration of the entire town.

The new pastor is a young married man. He has been in college at Bethany and is said to be a capable and promising young minister. The News joins in extending a welcome to the new pastor and his wife.

City Gets New WPA Street Paving Project

Mayor Deen Nowlin received a telegram from Hon. George Mahon the first of this week advising that Tahoka's application for additional funds for street paving had been approved by the W. P. A. set-up in Washington and only awaited the approval of the President to become available for use here. It was expected that the President would attach his signature within a few days.

This application was approximately for the sum of \$20,000.00. The paving completed and now under way covers approximately 38 blocks. Topping has been placed on nineteen of these blocks already, and eleven other blocks are ready for the topping, according to Ross Dobbins, assistant superintendent of

construction. This includes centers of the street in the down-town section. These centers and other down-town odds and ends are equivalent in area to two blocks and are thus counted.

There are three other blocks on which the base course of calche has been placed, and still four and a half other blocks included in the project on which the base course has not yet been placed. All the curbing and gutter has been laid, however, with the exception of only 75 feet. Mr. Dobbins says that the entire project includes about 23,000 feet of curb and gutter.

The paving that has been completed appears to be very satisfactory. (Continued on Back Page)

Large Crowd In Tahoka For Armistice Program

THS Ex-Students In Annual Meet

Harlan Cook was elected president of the Ex-Students Association at the annual business meeting Monday, held each Homecoming Day. Mr. Cook succeeds Oscar Roberts, who has held the office the last year.

Other officers elected were W. E. (Happy) Smith, vice-president; Mrs. Fred McGinty, secretary-treasurer; Mrs. Sam Floyd, historian; and Mrs. Myrtle Rochelle, reporter. They succeed Mrs. R. W. Fenton, as vice-president, Miss Elizabeth Link as secretary-treasurer, and Billy Hill as reporter.

The first three officers named were elected from two nominations for each office by a committee composed of Claude Donaldson, past president, Mrs. Jack Fenton, and John and Rufus Slover. Other nominations were from the floor.

Harlan Cook being absent, Happy Smith took charge of the session and appointed a finance committee. (Continued on Back Page)

Nat'l Guardsmen Leaving Soon

Five boys who recently enlisted in the National Guard are expecting to be called for service about November 24, according to James Foster, one of the number.

The others who have enlisted are Keith Connolly, Finis Connolly, Robert Maddox, and Son Jones.

These boys will be honored along with the six who have volunteered for training under the Selective Service Act at the meeting planned for next Tuesday morning.

It is understood that they will be called to Lubbock on or about November 24, where they will remain until December 4, when they will be assigned to training and service at some other point.

Walter Wynn Of Gordon Is Dead

Walter Wynn, 54, for 25 years a resident of Lynn county, who farmed in the Gordon community, died on Saturday afternoon of a heart ailment and his remains were interred at Southland Monday afternoon after funeral services conducted by Rev. Roy Faust of Slaton in the Southland Church of Christ.

Wynn leaves a wife and five married children. H. C. Story and A. M. Cade of Tahoka were among the active pall-bearers. Mr. and Mrs. Carl Owens also attended the funeral.

W. S. Swan, who was so seriously ill for several weeks, has been showing remarkable improvement since returning from El Paso to Tahoka and is now able to be "up and about".

Football Tonight

Tahoka Bulldogs meet the O'Donnell Eagles tonight at 8 o'clock under the lights on the Tahoka field in their annual football contest.

This is the last game of the season in Tahoka. Parents of players will be honored as special guests at the game.

A more detailed account of the game may be found on other pages of this issue.

Wilson School Man Speaks Here

S. G. Anthony, superintendent of the Wilson schools was the principal speaker at Thursday's Rotary Club meeting. This being American Education Week, Mr. Anthony traced the history of public free education.

Calling attention to the fact that no mention of public education was made in the Constitution of the United States, that matter being left for the individual states to handle, he quoted Thomas Jefferson, George Washington, James Madison, and John Jay, the first chief justice of the United States supreme court, all of whom insisted that public education was absolutely essential for the preservation of freedom and popular government.

Mr. Anthony stressed the point that popular education today is a vital factor in our National Defense program and is essential for the perpetuation of democracy in our country.

A trio of high school girls composed of Peggy Benton, Myrna Dean Gagnat, and Joan Edwards, accompanied at the piano by Mrs. Marcus Edwards, sang two songs.

Judge J. W. Elliott, Marshall Stewart, and B. W. Baker, composing the Lynn county selective service committee, were guests and were called on. They spoke briefly of the plan for an induction service for the six Lynn county young men who have enlisted this week, making it unnecessary for any Lynn county men to be drafted on the first call. The induction service will be held Tuesday at the high school auditorium.

Dr. Brummage, Brownfield, of the county health unit was also present.

Tahoka People At A. & M.-S. M. U. Game

Mr. and Mrs. E. J. Cooper, Mrs. P. A. Nowlin and little daughter Peggy Ann, Mrs. Alton Cain, and Mrs. Noel Cooper went down to Dallas last Friday night and attended the football game between S. M. U. and A. & M. College Saturday afternoon.

Mr. Cooper's son Truett, who is a sergeant in the student body of the A. & M. was to have in charge of Battery F in the parade which the A. & M. was to have staged through the streets of Dallas in the morning, but was it raining so steadily that the parade was abandoned.

Mrs. Noel Cooper visited relatives at Wylie in Collin county before the group returned to their home here Sunday night.

Other Tahoka people who attended the game included Mr. and Mrs. W. T. Bovell. They never miss it.

T. COWAN'S GRANDFATHER DIED ARMISTICE DAY

On Armistice Day, just one week after his aged companion was buried N. T. Womack, 81, died at his home at Colorado, and Mr. and Mrs. T. Cowan and Mrs. Roy Cowan of this city attended the funeral services, which were held Tuesday. Mr. Womack was Mr. Cowan's grandfather.

Last week, it will be remembered, we chronicled the death of Mrs. Womack, the Cowans attending her funeral also.

Mr. and Mrs. Womack were pioneer residents of Mitchell county. They had lived together as husband and wife for sixty years. Mr. Womack was seriously ill when Mrs. Womack died and expressed a desire to follow her in death.

People Enjoyed Events Of Day

Lynn and Garza residents, Tahoka school ex-students, and Legionnaires turned out full force to attend Tahoka's big Armistice Day celebration here Monday. A crowd estimated at 2,500 attended festivities which started with a parade at 10 o'clock Monday morning, was featured by a football game between Tahoka and Post, and concluded by a benefit dance, sponsored by the American Legion.

The colorful parade was led by color bearers from the American Legion and the Boy Scouts, followed by Scouts, Legionnaires, Tahoka and Post Bands and pep squads, school students, Girl Scouts, and floats representing the Legion, Rotary Club, Red Cross, Ward and High Schools, PTA, and various private business concerns. Starting at the Legion Hall, the procession circled through the business district and ended at the High School, where an Armistice Day program followed.

An address by Mack L. Penn, principal of the Post schools, was the feature of the program. About 400 or 500 persons heard Mr. Penn's address on Americanism.

Mr. Penn began with the statement that "Americans are a peculiar people—peculiar because they sometimes forget the promises that they make. And it is to renew our pledge to the Unknown Soldier who lies in Arlington and whom we promised that we would never again send our soldiers to fight on foreign fields—it is to renew that pledge that we have met in observance of Armistice Day . . . Americans are peculiar in that it usually takes an immigrant from a foreign land to teach us how great are the privileges of our democracy". Mr. Penn concluded with the plea that Americanism.

(Continued on Back Page)

Cold Weather Is Early This Year

Winter hit with a vim this week. About 4 o'clock Tuesday afternoon a fierce norther swept down across these plains, driving the mercury down to an almost unprecedented low figure that night for this time of the year. Early Wednesday morning the mercury showed a low temperature of 16 degrees above zero. Cold weather continued throughout the day, although the fury of the wind had abated long before daylight. The mercury never rose above 42 all day long, and on Wednesday night it dropped down to 16 again.

On Sunday night, the first real freeze of the season came, a killing frost being in evidence on Monday morning, November 11, which is about eight or nine days later than the average time for the first killing frost in Lynn county. A very light frost and very thin ice, however, had been reported on the morning of October 17, but vegetation was not killed until Sunday night this week.

The entire county and all this section of Texas was visited by a soaking rain on Thursday and Friday of last week, the precipitation at Tahoka being 1.17 inches. This rain was very fine for the soil, as it fell slowly, and what is looking fine, though the rain interfered very materially with the gathering of the cotton crop.

Garland Curtis Buys City Park Station

Garland Curtis has leased the City Park Service Station from W. C. Wharton, and took charge Saturday. He is handling Conoco products and Prestone anti-freeze.

For the past several years, Mr. Curtis has worked for the Sinclair Refining company here, and is well known over the entire county. He is experienced in the business, and will probably be very successful in his new business.

Odds and Ends *See Eye, no Elder*

The election we have just had in the United States should furnish us Southerners much food for thought.

Figures are usually very dry things, but some figures were made by the voters of this country on November 5 that are truly amazing.

The first astounding thing that we would call attention to is the tremendously large vote that was polled everywhere except in the South. As the election returns rolled in showing that two and three and four and five million votes had been cast in some of the states, we could hardly keep from thinking that all the school children and the dogs must have voted in those states.

Then as we heard or read the returns from Southern states, we found ourself asking the question, "Well, holy Moses, doesn't anybody live in the South?"

Really, it was astounding to note the pitifully small vote that was polled in the eleven strictly Southern states.

Now let's take just a peek at the figures.

The population of this country outside of these eleven Southern states is just about 100,000,000. Of these one hundred million, 45,000,000 went to the polls and voted. Gee! Wasn't that an outpouring of the voters?

But in the eleven Southern States with a population of 30,000,000 only 4,000,000 of them went to the polls and voted.

While 45 persons out of every 100 were voting in the rest of the country, only 13 out of every 100 were voting in the South.

With considerably more than six million people, Texas cast just a little more than one million votes—and we thought we had a pretty hot election here too.

Now, what is the explanation of

all this? Well, in the South we have drastically restricted the right of suffrage. In most of the Southern states, restrictions have been thrown around our ballot boxes with a view to cutting out the Negro vote.

In Texas, many years ago we adopted an amendment to the Constitution providing that no person could vote in this state who had not paid the poll tax assessed against him.

And then a little later, the Democratic party adopted the policy of permitting only white persons to vote in the party primaries.

Not having a vote in the Democratic primaries, the Negroes soon lost interest in all elections and got out of the habit of voting at all, except when some burning issue arose in the state or in some county and designing white men paid their poll taxes, or furnished money to the Negroes with which to pay their poll taxes, in order that the Negroes might be qualified to vote, which they did in accordance with the dictates of the whites who furnished the money.

The fact that the Negro has been practically eliminated as a voter is one reason why the vote in the South has been cut proportionately far below that of other sections of the country.

Another reason is that, with the Negro vote eliminated, the South is regularly and overwhelmingly Democratic, and in general elections the vote of other parties in the South is so meager as to afford no challenge or necessity for the Democrats to flock to the polls. Officials in the South are practically elected in the summer primaries.

And so, for years and years, the vote in the Southern states has been pitifully small in the general elections in the fall.

In recent years there has been a growing demand for the repeal of the law providing for the payment of a poll tax as a prerequisite to voting.

In theory, the poll tax requirement does seem to be wrong in principle. It does work a hardship on

many of the poor. Since the depression came on, thousands of people at tax-paying time have not had the money with which to pay their poll taxes or have felt that they could not spare it from their meager earnings. Therefore, when election day rolled around, they found themselves unable to vote. Just this summer, we felt deeply sorry for good men and women who could not vote because they were not armed with poll tax receipts.

There ought to be some remedy for this sort of situation. More and more, people are coming to believe that it is unjust to deprive good men and women of the right to vote simply because through lack of employment or other misfortune they have not been able to pay poll taxes.

The people of Texas would repeal this poll tax requirement in a jiffy if it were not for the fact that its repeal would let down the bars to hundreds of thousands of Negro voters in the state and would open the flood-gates of political corruption.

We are bringing no indictment against the Negro race. The Negroes in this country have made wonderful advancement since they were released from the thralldom of slavery. White people should ever lend them a helping hand. They should be given equal rights with white men in the courts of the land. They should be treated right in every respect. The white man who would cuff and kick a Negro around just because he is a Negro should be severely punished. Many Negroes, we believe, should even have the right to vote.

But many of us remember the conditions that existed before this poll tax amendment was adopted and before the Democrats instituted their "white" primaries. The great mass of Negro voters were the mere pawns or puppets of corrupt and designing white men.

After the Democrats began to hold primaries instead of conventions for the nomination of candidates and before they barred the Negroes from the primaries, every white man who ran for office was compelled to cater to the Negro vote.

Real or professed leaders among the Negroes soon caught on and made a business of "hitting up" every candidate for a hand-out, in

return for which he would promise to deliver so many Negro votes.

Some of these Negroes were astute and influential among the members of their race and actually could deliver the goods. Therefore white candidates often paid some Negro quite a neat sum to be distributed among the Negroes for their votes. Of course, some of these Negro leaders were duplicitous and would sometimes collect from opposing candidates for the same office.

Sometimes, at the behest of some politician, or some group of politicians, the Negroes would be induced to meet in some hall a night or two before the election, and there the fixing for a whole ticket, or at least for a number of candidates, would be done.

In many counties, an honest and conscientious white man running for office had absolutely no chance to get the Negro vote if he happened to have an unscrupulous opponent. And so politics became very corrupt.

It was to correct this evil that the poll tax amendment was adopted and the white man's primary instituted.

Repeal of the poll tax amendment would put the Negro back into politics in some of the brunette sections of this state and honest white men do not fancy the prospect.

But our Texas statesmen should be busy trying to work out some plan whereby our poor but worthy white people may be re-enfranchised without letting down the bars to all this flood of political chicanery and corruption.

Get, busy gentlemen. Whoever can solve this problem satisfactorily will deserve the everlasting gratitude of the people of Texas.

WAIT A MINUTE, POLKS. LISTEN. Just as we had finished writing this our wife read us an editorial from the Dallas News advocating the election of the President and Vice-President by popular vote. Of course that change could be made only by Constitutional amendment. If our constitution is so amended as to make this change, then of course the Federal Government should and would fix the qualifications of voters.

That would be the end of all "Grandpa" clauses and poll tax requirements and other suffrage restrictions in the South designed to disfranchise the Negro. It is said that Democrats and Republicans alike are favoring such a move and that it will have the support of the President. So, our state election laws may soon be supplanted with Federal laws.

Italy jumped into this war just as she thought the victory was won to get her portion of the spoils. Or, possibly, Hitler told Mussolini that he had to get in if he wanted anything for Italy. At any rate Italy jumped in with great boasting and unbounded enthusiasm. She was going to sweep the Mediterranean and clean up on Egypt like a tornado. But instead of sweeping the big sea, her navy has usually tucked its tail and run for safety whenever a few British Warships showed up, and Egypt is still in the hands of the British. Recently, under the dictation or advice of Der Fuehrer, Italy sent some divisions of her "crack" army into Greece and was not going to leave even a grease spot of that little country. But the newspapers this week have been bringing news of terrible disasters to the daeoes. Fifteen thousand of them trapped in the mountains of northwestern Greece and cut off from their base of supplies. Many of them died from cold and hunger, others were killed by the Greeks, and the remainder of them captured. Later, dispatches from Athens declared that the whole Italian army was retreating in disorder. And, so far, Mussolini and his minions have not been able to taste any of the fruits of victory. Our hope is that those human buzzards never get even a smell of victory.

Mr. Willkie gives as the fifth plank of his post-election platform: "Fifth and finally, our Government must change its punitive attitude toward both big and little business men." Yes, especially toward the "big" business men. Mr. Willkie's attitude reminds one of the time when big Jim Hogg was making it hot for the predatory corporations in Texas. George Clark announced as a candidate for governor against Hogg with the slogan, "Turn Texas loose!" Mr. Willkie would have Uncle Sam to turn "Big Business" loose today.

STATED MEETINGS of
Tahoka Lodge No. 1041
the first Tuesday night
in each month at 8:30
Members urged to at-
tend. Visitors welcome.
BUEL DRAPER, W. M.
H. L. RODDY, Secretary.

Premier Molotoff and other big bugs of Soviet Russia were in Germany this week holding conferences with Adolf Hitler, Von Ribbentrop, and other German war lords trying to hatch up some scheme whereby the bandit nations may subdue and control the world. German newspapers, we are told, reported the visit in flaming headlines, one of them declaring that the conferences would concern the "reorganization of the world." Italian newspapers also hailed the visit as a matter of great importance, stating that it would demonstrate that "Russia's interests are with the Axis and against Britain." The war evidently is not going too well just now for Hitler and Mussolini and they are making a desperate effort to obtain help. The problem is to line up both Russia and Japan under the same banner and to hold them there. A coalition of the four powers, Germany, Italy, Russia, and Japan, is greatly desired just now by the two big bullies, Hitler and Mussolini, who strated this war. The thieves may hang together long enough to gather in a lot of territorial loot but even then we suspect that they will have a hard time in dividing the spoils without a row among themselves. One foreign correspondent defines their ultimate purpose to be to crush the Anglo-Saxon powers, which includes Great Britain, the United States, Canada, and Australia. Great Britain is bearing the brunt of the assault so far but the United States may be compelled to fight for her life before this campaign of banditry ends. We are wise to be getting ready just as rapidly as possible.

It is regrettable that ex-Premier Neville Chamberlain did not live to see his country at peace again, free and unconquered. Mr. Chamberlain gave the best years of his life in the cause of peace. He hated war. He sought to avert the present European struggle. He went so far with his appeasement policy as to lose the support of his own people. When war was forced upon him he sought bravely to meet the emergency, but he did so as a disappointed and broken-hearted old man. Ill health soon followed, and he resigned his position as premier but remained in the cabinet. A few weeks ago he resigned from the cabinet also. Then he retired to his country home, desperately sick. Lapsing into a coma, he spent the last few days of his life unconscious of the turbulence and the tragedy of war bursting around him. Saturday the end came. May sweet peace ever be his.

In a nation-wide broadcast Tuesday night, Wendell Willkie set out a program of five "steps" which he recommended that the Government take. The first of these was: "All federal expenditures except those for national defense and necessary relief ought to be cut to the bone." Why didn't Mr. Willkie say that before the election? He didn't dare to say it until after the votes were counted. And if the votes had been in his favor, he probably wouldn't have dared make that his policy. A campaign on that issue would have been more honest and possibly more effective than the uncertain, vacillating, duplicitous course that he did pursue.

During the recent campaign, Wendell Willkie kept bemoaning the alleged fact that this country was divided in its hour of peril and appealed to the voters to elect him in order that he might restore "unity". Since the election, he and his Republican pals have been making a great show at restoring "unity" in this country. In so far as our foreign policy is concerned we had not discovered that there was any lack of unity in this country except such as had been created by a few fifth columnists and haters of the British—and such as Willkie himself had been able to create since he had become a candidate. If Willkie and his pals want to restore "unity" in this country, all they have to do is to close up.

Since the election, Wendell Willkie has been putting up a brave front and asserting that the cause for which he fought is not dead and that the fight for this cause must be kept up. What cause? We were not able to discover during the campaign that he was fighting for any cause. He espoused nothing contrary to the things Roosevelt espoused, except opposition to a third term. And that issue was settled by the election. What cause?

To some a parade such as was staged through the streets of Tahoka Tuesday means nothing but a bit of fanfare and tinsel. To others, it brings memories that stir the deepest emotions of the heart. While the parade was passing Tuesday, young girls smiled and giggled, but we saw an aged woman shedding tears. Perhaps she was thinking of other days, and of a boy that never returned from Flanders Field.

With a new legislature meeting in Austin next January, with a President being inaugurated for a third term during the same month, and with portentous events impending in Europe, next year should not be a dull year for any of us. Men and women living today are living in possibly the most interesting period of all the world's history. It is a great privilege to be an American and a Texan.

If Russia should join up actively with Germany, Italy, and Japan to rule the world that would mean ominous days for us, possibly a stupendous struggle for our very existence as a free people somewhere down the road.

Wake Lazy Insides All-Vegetable Way

Thousands turn to this way to get relief when they're lazy intestinally and it has them headachy, bilious, irritable, listless: A quarter to a half-teaspoonful of spicy, aromatic, all-vegetable BLACK-DRAUGHT on your tongue tonight, a drink of water, and there you are! Thus, it usually allows time for a night's rest; acts gently, thoroughly next morning, so relieving constipation's headaches, biliousness, bad breath. BLACK-DRAUGHT'S main ingredient is an "intestinal tonic-laxative," which helps impart tone to lazy bowel muscles. The millions of packages used prove its merit. Economical, too: 25 to 40 doses, 25c.

The whole country is grieved at the death of Senator Key Pittman of Nevada, who died a few days ago. As chairman of the Senate foreign relations committee, Senator Pittman was outspoken in his opposition to the machinations of those European dictators and gave powerful support to President Roosevelt and Secretary of State Cordell Hull in dealing with international affairs. A native of Mississippi, he was reared in the West, and was worthy of the best traditions of both sections. All in all, he was a great American. He will be missed in the United States Senate.

Mr. and Mrs. James Taylor and family of Sand were guests of relatives here Saturday and Sunday.

Miss Mary Margaret Tunnell, and her friend Miss Bettie Shyrock of Pampa, spent Sunday and Monday here with the former's mother, Mrs. Lenore M. Tunnell. Also, visitors in the Tunnell home Monday were

Charles Stewart of Aspermont and his friend from Merkel. Miss Tunnell and all her guests are students in the Texas Tech.

Why does Phillips 66 Poly Gas start cold motors faster?

Because it is higher test... more volatile! Actually higher test than most premium gasolines which sell for 2¢ more per gallon.

IMPORTANT NOTE:—This remarkable fact was proved by scientific laboratory study of 305 separate samples of 19 different premium gasolines. The Volatility Number (high test rating) of Phillips 66 Poly Gas was 50 per cent higher than the average Volatility Number of the premium price motor fuels.

Is volatility important? Here is what the impartial Petroleum Marketer Magazine says, August 1940 issue, page 9:

"... the successful operation of a gasoline in an automobile engine depends more upon volatility than upon any other factor."

So when you want faster cold-weather starting, remember that Phillips 66 Poly Gas is higher test, more volatile, than others.

Why don't you have to pay extra for this extra high test? Because Phillips is the WORLD'S LARGEST PRODUCER of natural high test gasoline. Stop for a trial tankful at any Phillips 66 Shield.

Correct List of New Order Numbers for Draft Is Released

Beginning this week we are publishing the list of Lynn county registrants with their order numbers as given by the County Draft Board.

Those published heretofore carried the order numbers as given in Washington. Order numbers have now been given them by the County Board, however, and these order numbers indicate the order in which Lynn county registrants will be called for training if not deferred.

The County board has furnished the first seventy-five names published below together with all volunteers with questionnaires, and these are now being filled out and returned to the Board.

The first number below is the Lynn County Order number while the second is the registration No.

- 1-158 Silas Peters, Tahoka, Box 972.

BE AN AMERICAN

"I believe in the United States of America as a government of the people, by the people, for the people; whose just powers are derived from the consent of the governed; a democracy in a Republic; a sovereign Nation of many sovereign States; a perfect Union, one and inseparable; established upon those principles of freedom, equality, justice and humanity for which American patriots sacrificed their lives and fortunes.

"I therefore believe it is my duty to my Country to love it; to obey its laws; to respect its flag; and to defend it against all enemies."—William Tyler Page.

DORCAS CLASS MET IN CHURCH TUESDAY
 Members of the Dorcas Class of the Baptist Sunday School met at the church Tuesday afternoon in monthly session, and after a brief program held a business session.

Mrs. Jim Burleson gave a talk on Thanksgiving, and Mrs. W. H. Kenley read a poem.

Mrs. Kenley, class president, presided at the business session. Various plans were made to raise \$100 pledged to the Building Fund of the church. Mrs. Levi Noble, finance chairman, will be in charge.

Refreshments were served to Mesdames Burleson, Kenley, Noble, A. L. Smith, John R. Sain, Guy Stroud, K. R. Durham and Kenneth, Coy Fielder and Phyllis Ann, H. B. McCord, E. B. Gaither, T. T. Ivey, Willie Willett, and E. J. Brock.

Mrs. H. P. Caveness, teacher of the class, is visiting in East Texas.

BAPTIST W. M. S. ROYAL SERVICE PROGRAM
 Following the study of their Mission Book Wednesday the Baptist W. M. S. held their monthly missionary program from Royal Service, with Mrs. C. T. Oliver as Program Leader. The subject was "Faithful Amid Persecution—Europe".

Mmes. Alice Fortenberry, Carl Owens, J. L. Nevill and Belton Howell reviewed conditions on our European Mission Fields, paying tribute to the steadfast, unwavering loyalty and faith of our brave missionaries who continue their work in that vast war-torn world.

Those attending the two programs on missions, both of which were held in the church, Wednesday, were the following Mmes. Kenley, Pennington, Kelley, Henderson, Hill, Snowden, Woosley, Fortenberry, Howell, Holland, McIntyre, Harris, Connolly, Nevill, Fender, Oliver, Owens and Vinson.

At the conclusion of the program a love offering in the form of a "grocery shower" was given Mrs. Vinson, who is the widow of a former well-known and well loved pastor of this Association and of Lynn county.

Mrs. N. E. Wood and Miss Lola Belle Johnson of Post spent the weekend with their parents in Abilene.

PROGRAM HONORING SERVICE VOLUNTEERS

The program honoring the six youths who have recently volunteered for training to be given at the high school auditorium at 10 o'clock next Tuesday morning is as follows.

Invocation, Rev. G. E. Turrentine.
 The Star Spangled Banner—Congregation.
 Induction ceremony
 Address, Hon. Tom Garrard
 Talk by Ex-Service man America.

This program is sponsored by the American Legion and the Rotary Club.

The six boys will leave on the bus for Lubbock at 11:40 A. M. immediately following the program.

SOLSBERY REUNION

Mr. and Mrs. A. L. Solsberry, of Southeast Tahoka were hosts to all their children at dinner last Sunday. Those present were: Miss Norene Solsberry of Lubbock, Otis Solsberry of Canadian, Mr. and Mrs. Rufus Reed and daughter of Brownfield, Mr. and Mrs. Thurman Solsberry of Dixie community, Marvin Solsberry of Tokio, Mr. and Mrs. James Godwin of Tahoka and Minnie and Kelsie Solsberry of the family home.

Mr. and Mrs. Eugene Long and sons, Ellis and Roy of Tahoka were guests.

WE WANT MORE P. T. A. MEMBERS

Everyone interested in school is eligible to belong to the Tahoka P. T. A. We have the largest membership this year ever, but we need you.

We are giving the room that has the largest membership in the P. T. A. a gift at our next P. T. A. meeting, which is next Tuesday afternoon, November 19.

Hurry and join! — Membership Committee, Mrs. Harley Henderson, Mrs. H. L. Roddy, Mrs. Levi Noble.

NEW LINESMAN HERE

Earl Brock, who has been serving as linesman for Texas Utilities Company here, was this week transferred to Slaton, where he has moved with his family.

Mr. Brock is succeeded by Shorty Franks, who was transferred to Tahoka from Levelland.

Congratulations

To Mr. and Mrs. Fred Roper of New Home on the birth of a boy at 4 a. m. Monday, November 11.

To Mr. and Mrs. Tommie Crawford on the birth of a boy weighing 8 and 1-2 pounds on Monday November 4. He has been named Gary Don.

To Mr. and Mrs. R. H. Grubbs on the birth of a 9 pound boy Sunday, November 10.

To Mr. and Mrs. Paul Crump of Petty, on the birth of a boy weighing 9 and 1-2 pounds Saturday.

FORD COUPE BURNED

A 1935 Ford Coupe belonging to Awall Eilers was burned about 9 o'clock Monday night about two miles east of Guion Cobb's home north of here.

Mr. Eilers, of Wilson, was driving toward town when the car caught fire, and although attempts were made to extinguish the fire by throwing dirt on it, the flames could not be controlled, and the car was a complete loss.

On Saturday night, a 1937 Ford driven by W. P. Hammonds of near Midway was in collision with another automobile near Petersburg, and badly damaged. There were five passengers in the car, two of whom were hitchhiking to Petersburg when picked up by Hammonds.

One of them, Cleburne Oden of Petersburg suffered a broken leg. Others escaped with minor injuries. The car was returned to Tahoka for repairs.

NO ROTARY MEETING NEXT WEEK

The News is requested to announce that on account of the Thanksgiving holiday coming on Thursday, there will be no meeting of the Rotary Club next week.

Mr. and Mrs. W. L. Rogers and Mr. and Mrs. H. H. Line of O'Donnell, and Mr. and Mrs. M. H. Rogers of Levelland spent the weekend and Armistice as guests of Mr. and Mrs. N. M. Wyatt.

EASTERN STAR

Tahoka Chapter Order Eastern Star is having a car meeting Tuesday night, November 19. There will be an initiation. All members are urged to attend.—O'Ber's Forrester, W. M.—Era Stewart, Sec'y.

SUBSCRIBE FOR THE LYNN COUNTY NEWS—YOUR PAPER

EUZELIAN CLASS WILL ENTERTAIN

The Euzelian Class of the Baptist Church will hold their regular monthly meeting and social in the home of Mr. and Mrs. Carl Owens next Monday night, instead of Tuesday night. All members and associate members are urged to be present and to bring their husbands.

Volume UP Price DOWN

IT HAS BEEN SAID that advertising increases the price of goods.

True, advertising is part of the manufacturer's and merchant's cost of doing business, all of which must be covered in the price of his goods if he is to stay in business.

But advertising helps boost sales and production. Bigger volume cuts cost per unit made and sold. To meet competition the saving is passed on to the public in the form of a lower price.

Think of the prices of radios, mechanical refrigerators and heating appliances, automobiles, light bulbs and other products when first introduced and sold in small volume. Compare with their prices today, after advertising won them enormous acceptance! Successful advertising decreases the price of goods.

Tahoka Plays O'Donnell Here Tonight

With Tech McLaurin and a fellow by the name of Curtis back in the starting line-up for the O'Donnell Eagles, they will invade the Tahoka Bulldogs stronghold for their annual grudge battle Friday night.

The game here Friday night is the Bulldogs last home game of the season. The weather-man promises warmer weather for Friday, and any and everyone wishing to see a good football game will not go wrong if he attends the Tahoka-O'Donnell game.

Parents of all football players will be honored at this last home game, Coach Jackson announces. Parents of all players will be given places of honor on the players' bench and each will bear the number his or her son wears for the Bulldogs this year.

All parents of players are especially urged to be present.

The game between O'Donnell and Tahoka has always been "The Game of the Season" for both towns and schools due to the fact that there has always been a strong rivalry between the two schools on this occasion.

The Eagles will meet Tahoka on an almost even basis, both teams having won one conference game this season—And not only that but they won over the same team which is the Post Antelopes. O'Donnell won over the Post squad by only just a couple of first downs since the score was 0-0 and the penetrations were the same. Tahoka only defeated Post by a mere 6 points—So that gives Tahoka a small edge over the Eagles in this grudge battle.

The Tahoka Bulldogs just barely did win over the Eagles last year and with several of the Bulldogs sitting on the bench with injuries and with the Eagles swarming all over the place with revenge in their eyes and minds they may make it just a shade rough for the local team.

Tech McLaurin and Curtis have been out the last two games that O'Donnell has played. Both men are dangerous triple threat backfield men and with the rest of the team backing them 100 percent they are liable to put the "skids" to the Bulldog squad even though the Bulldogs have a narrow margin over them.

BROWNFIELD CUBS TAKE SLATON TIGERS 27 TO 6; PLAY OLTON FOR CHAMPIONSHIP

BROWNFIELD, Nov. 11.—The Cubs of Brownfield became south-half champions of District 5-A in an Armistice feat here today as they crushed Slaton's Tigers, 27 to 6. In spite of the score the Tigers played a good game, in fact they outplayed the Cubs badly, piling up 11 first downs to 7 for the Cubs. Approximately 250 Slaton fans traveled to the game by way of special train.

The victory brought about Brownfield's fourth straight south half title and gives them a chance to win the district in a game with Olton, north half champions. Brownfield and Olton were originally scheduled for a non-conference tilt November 21, a date now subject to change since both teams are division winners.

DENVER CITY MUSTANGS DOWN COWHANDS, 7-0

DENVER CITY, Nov. 14. (Special)—Scoring the lone touchdown in the first period, Coach Hatcher Brown's Denver City Mustangs defeated the Lubbock Cowhands, 7 to 0, last Saturday afternoon.

Tahoka Winner Armistice Day 6-0

The Tahoka Bulldogs downed the Post Antelopes last Monday afternoon in the "Battle for the Cellar" before approximately 2,500 Ex-students, Ex-Service Men, and other football fans.

The loss of this game by the Post team "cinched" them to be in the "cellar" of the Southern half of District 5-A since this was their last conference game this season, having lost all of them.

Tahoka is now tied with the O'Donnell Eagles for fourth place. Tahoka has two more conference games yet to play—and a chance of being tied with Slaton for second place in the South half.

The Post Antelopes kicked off to Tahoka, starting the battle that kept the Bulldogs down in their own territory for most of the first quarter of the game and then the Bulldogs started their march down field with Earl Adams, Duane McClintock, Cecil Curry and "Rusty" Waldrip all making nice gains—then when they got down to the Antelope 19-yard line "Rusty" dropped back and fired a 20-yard pass to "Cotton" Davis for the only tally of the game.

The Post Antelopes had two or three good ball tooters—but Delmo Gossett, Right Halfback, was Tahoka's main worry and he nearly got away two or three times—however, Post never threatened to score but one time and that came to a halt on the Bulldog 21-Yard line after a 50-Yard drive down field.

Both teams put on one of the cleanest games we have witnessed this season. Tahoka drew two 5-yard penalties while Post drew only one 5-yard penalty, all for being off sides.

Rusty Has Risen On Hand
A bad ball that has been on the back of "Rusty" Waldrip's right hand for the past two weeks has been giving him plenty of trouble and brought his passing average down a good bit, but he has been tossing some mighty good passes at that.

Other Players Hurt
Duane McClintock, Tahoka's fast coming "feet-footed" ball tooter, received a severe bruise on his shoulder which may keep him off of the starting line-up the last two games. Duane hasn't seen much service this season but great things are expected from him next season. Two or three of the other boys are suffering from injuries including "Sonny" Roberts, another man who has seen very little service this year, but is expected to be a "War-Horse" next season. He is out with a broken arm which was received in the game with the Lubbock Cowhands.

Statistics
The Bulldogs gained 205 yards running, losing 22 yards, to the Antelopes 140 yards gained running, losing 17 yards. The Bulldogs led in first downs 12 to 8 and gained 55 yards to 9 yards passing. Tahoka kicked 6 times for 171 yards while Post kicked 7 times for 176 yards.

LEVELLAND-LITTLEFIELD GAME IS POSTPONED
LITTLEFIELD, Nov. 14. (Special)—The scheduled annual "grudge game" between Littlefield and Levelland was postponed last Friday night on account of rainy weather and condition of the field.
The game was re-set for Nov. 28.

Guests in the home of Mr. and Mrs. H. M. Anglin last weekend were Reverend and Mrs. B. M. Dennis and baby of Roy, New Mexico.

J. H. Kuykendall remembered a hungry editor with a few pounds of sausage Thursday. We imagine it will hit the spot. Thanks.

Canyon Museum Will Be Enlarged

Mr. and Mrs. Frank Hill were in Amarillo, Tuesday, where the former was called by President James D. Hamlin of Farwell to a meeting of the Panhandle-Plains Historical Society.

The board voted to add a two-story unit at a cost of about \$50,000 to the present \$100,000 museum building at Canyon. Application is being made for a WPA project, to build the addition. During a recent campaign led by John McCarty of the Amarillo Globe-News, citizens contributed brick and sand and cash donations of \$7,600 toward the building addition. From \$9,000 to \$15,000 more will be needed to complete the structure, which, it is hoped Panhandle Plains people will contribute.

Among other exhibits, the addition will house a \$60,000 art collection recently donated by Judge Hamlin.

The museum is generally considered one of the outstanding museums of the nation. It has been built, principally by private donations, and has been visited by nearly a third of a million people since it was built a few years ago. For the past two years more than 100 men have been employed through WPA excavating fossil remains, Indian villages, and collecting and filing historical materials pertaining to the Southwest. In fact, its paleontologists have uncovered many new species of prehistoric life, which is bringing famed scientists of the nation to this museum to study the finds.

CARD OF THANKS

We wish to thank all our kind friends, neighbors for their many acts of kindness, expressions of sympathy and for their beautiful floral offerings at the loss of our dearly beloved father and husband. May God bless each of you—Mrs. F. R. Crews and family.

FORMER TAHOKA WOMAN INJURED IN BLEACHERS CRASH

One of the persons seriously injured when the bleachers at the Southern Methodist University football field collapsed Saturday during the A. & M.-S. M. U. football game was Mrs. Doris Clayton, who before her marriage was Miss Doris Hull, daughter of the late Rev. O. J. Hull, pastor of the Baptist Church here at the time of his death. She was a teacher in one of the public schools of the county while the family lived in Tahoka.

Press reports are to the effect that she sustained serious internal injuries when the bleachers collapsed. She was taken hurriedly to a hospital, and being an expectant mother was transferred immediately to the maternity section where her condition was said to be serious.

Her home is in Amarillo, where her husband conducts a service and storage station. Her mother, Mrs. O. J. Hull, also resides in Amarillo.

At least 34 persons were injured in the crash.

Mr. and Mrs. C. M. Randall and daughter of Seymour and Mr. and Mrs. H. W. Sternberg of Canyon were guests in the home of Mr. and Mrs. Ben Hardy Sunday and Monday. Mrs. Hardy, Mrs. Randall and Mrs. Sternberg are sisters.

"Build-Up" for Women Helps Avoid Distress

Do you suffer periodically from headaches, nervousness, irritability, cramp-like pain?
If so, here's good news! These may be symptoms of functional dysmenorrhea due to malnutrition, often helped by CARDUL.

CARDUL usually increases appetite and the flow of gastric juices; so aids digestion and helps build up strength, energy, physical resistance. Result for many is less periodic distress. Or you may find this also helps ease your periodic discomfort: Take CARDUL a few days before and during "the time." 50 years of use and popularity invite your confidence in CARDUL.

The Women's Missionary Union extends a cordial welcome to all men in the county who have registered for service to our Country to attend services at the Baptist Church Sunday evening at 7:30.
Rev. J. Lowell Ponder, District Missionary will preach.

Mr. and Mrs. Elton Wossum and three children and Hawley Godwin of Whitharrel visited their parents, Mr. and Mrs. J. C. Godwin, Sunday and Monday.

Frank George left early this week with a hunting party from Levelland for a pasture near Marfa, where they hope to bag some deer.

Mr. and Mrs. Loyd Cox of Lubbock spent the week-end with his mother, Mrs. E. L. Gray.

HOME D. CLUB MET

Members of the Tahoka Demonstration club attended a covered dish luncheon in the home of Mrs. A. C. Weaver Wednesday.

Present were Miss Maurine McNatt, H. D. Agent, and Mesdames Russell Vernon, J. B. Oliver, L. A. Forsythe, Sam Holland, Chester Connolly, Skinner Connolly, H. M. Harris, W. O. Robertson, P. D. Server, R. L. Richardson, Jack Fenton, Jessie Cheatham, and John R. Kirkwood.

Mrs. P. R. Taylor of Lubbock, better known here as Miss Pauline Rine, spent the week-end and holiday with Mrs. Vernon Lane.

Mrs. J. W. Griffin of New Home visited her mother and sisters in Ralls last weekend.

FISH BREAKS MAN'S LEG

A fish caught a man and broke his leg! That occurred to a Texas coast fisherman recently. Dr. G. W. Wentz of Harlingen was the victim. The story told the Corpus Christi Times by his son, Bill Wentz, goes like this: Dr. Wentz, fishing off the bulkhead bank of the third pass on the Mexican coast, hooked a big red. The fighter at the end of the line tripped the fisherman and caused him to fall down a 30-foot embankment. He suffered a fractured leg. Companions took Dr. Wentz back to Harlingen for treatment.

Double-duty protection for fowls of all ages with Dr. Salsbury's PHEN-O-SAL Tablets. Check germs in drinking water and medicates digestive tract.

In Lynn County

By ARGEN HIX

A group meeting was held in the District Courtroom Thursday November 7, by Miss Argen Hix and Mr. Jack Welch. This meeting was to explain the program of the Farm Security Administration to new borrowers.

Because of the number of farm families in the county who need financial assistance and agricultural guidance, a number of new families will be able to secure help from the Farm Security Administration for their 1941 operations.

Farm owners, farm tenants and share-croppers who need financing and guidance which they cannot obtain from any other public or private agency are helped through FSA.

Loans are made for periods of from 1 to 5 years, depending on the purpose for which the money is used. Money loaned to buy livestock or machinery might be repaid over a 5 year period.

Lynn county has recently been designated through a recommendation of the Lynn County Land Use planning committee to make Water Facilities loans.

These loans can be made to tenants or landowners to build stock tanks, install windmills and storage tanks, pipe water into the house and in some cases install bathroom fixtures.

The loans are made by the FSA in cooperation with the Soil Conservation Service who furnish the technical service. Information will be furnished in regard to these loans at the local office in the county courthouse.

With most loans due for payment later on, thirty farm families in Lynn County have made their 1940 payments before they are due.

These families have learned to follow a live-at-home program, and how to conserve the fertility of the soil they till. They also have learned how to manage their farms and homes and know the value of keeping accurate records.

INTERESTING REPORT OF HACKBERRY CLUB MEET

The Hackberry H. D. Club met at the Club House Thursday, where Miss Maurine McNatt gave a very interesting talk on Meats, the different cuts and the various ways in which they may be attractively prepared for the table. Miss McNatt had a "whole head full" of ideas on how we may get out of the old rut that runs down the frying-pan route.

For instance, I suspect that long years ago (we won't say how many) when, with our mother's permission, we proudly prepared our first meal, we fried our pork chops and sausages. Since then the world has progressed in knowledge along lines of nutrition as much as in other fields, but though we no longer poke along behind old Dobbin, we are perhaps still blithely turning our pork chops and sausage over in their hot grease. Now if we do not some day surprise the family with stuffed sausage roll it won't be Miss McNatt's fault.

This last club meeting was "different" in that each member brought a vegetable or a salad. Miss McNatt prepared ham baked in pineapple juice and roast loin of pork and Mrs. Herman Dobbs and Mrs. Hubert Taylor, who are president and vice-president elect, respectively, brought a dessert of cake and jello. Hot coffee was made and a whole meal served.—Nora Billingsley, Reporter.

"ONLY MEDICINE I EVER USED and now I'm 81! Kept ADLERIKA on hand the past 27 years." (O. G. Tex.) ADLERIKA contains 3 laxatives for quick bowel action, with 5 carminatives to relieve gas pains. Get ADLERIKA today.

TAHOCA DRUG WYNNE COLLIER, Druggist

Vegetable Laxative Has Important Points

Most people want a laxative to do three things: (1) act punctually, (2) act thoroughly, (3) act gently. Here's one that usually fills all three requirements when the easy directions are followed. It's an all-vegetable product whose principal ingredient has medical recognition as an "intestinal tonic-laxative." That's the ingredient which enables BLACK-DRAUGHT to help tone lazy bowel muscles. It is the main reason for the satisfying relief from constipation that generally follows next morning when BLACK-DRAUGHT is taken at bedtime. The millions of packages used are proof of its merit.

JACKSON B. COX'S LIBRARY TO TEXAS UNIVERSITY

AUSTIN, Nov. 12—The story of Methodism in Texas is told in the private papers of the late Jackson B. Cox—for 50 years a Methodist minister—which have been deposited in the University of Texas library here.

Born in Tennessee, Mr. Cox was brought to Texas in 1877. He attended the Centennial Masonic Institute in Grayson county and Coggin Academy at Brownwood and Southwestern University at Georgetown. Beginning his career as a circuit rider in West Texas, he later preached in New Mexico and served as a missionary in Mexico where he witnessed the Great Revolution in 1910 at first hand.

Mr. Cox settled in Austin where he wrote the still unpublished story of his life "From Cabin to Cottage", two typewritten copies of which are available at the University Library for research. This and 6,750 other papers covering his adult life are to be found in the Library's Archives Collection of almost two and a half million pages of manuscript materials relating to Texas and the South.

FOR MORE DUCKS

More ducks probably will be visiting for longer periods in Northeast Texas next year than have formerly as a result of work being done by the State Game Department in cooperation with owners of private and club lakes in that region.

Ducks travel through that section of Texas, but generally do not remain long due to the scarcity of food suitable for them in the lakes and ponds. Experiments by Department biologists have determined which foods can be planted and raised in the acid lakes of the region. The birds like Wapato duck potatoes, pickerel weed, wild duck millet and banana waterlily. These and other plants are being raised successfully.

Too, the Game Department hopes to eventually obtain control of lakes located twenty to forty miles apart, if not closer, and close them to hunting. It has been proved in other sections where this has been attempted that ducks, even though shot at every day, will remain in the section where duck refuges, free of shooting, are established. The birds leave the refuges during the day to feed upon lakes and in marshes of the surrounding countryside and thus give hunters a chance to fill their bags.

Dr. and Mrs. J. K. Calaway of Abilene were Tahoka visitors the first of the week.

Machines of Peace and War Defend the Nation.

The peacetime corn picking machine at top looks as formidable as the wartime howitzer immediately below. Both play an important role in the nation's defense preparedness. Modern farming methods, along with the AAA Farm Program, assure the nation plenty of food for any emergency. In the nation's Ever-Normal Granary are nearly three billion bushels of corn, enough to fill a freight train reaching more than half way around the world.

BILL TO REPEAL LOAD-LIMIT LAW ENDORSED BY TEXANS

AUSTIN, Nov. 13 — A Scientific Truck Load Bill and the License Fee Bill sponsored by the Texas Dirt Farmers' Congress have been unanimously endorsed and adopted as a part of the program of twenty statewide organizations, according to Bailey Ragsdale of Austin, chairman of the Congress.

The two bills, prepared under the direction of Ragsdale, were endorsed by representatives of farming, ranching, grocery transportation and highway users organizations, with each group testifying to the immediate and pressing importance to the growth of development of Texas industrially and agriculturally for the repeal of the present 7,000 pound truck load limit and the adoption of the proposed scientific rating of truck loads.

The truck load bill provides for the repeal of the 7,000 pound load limit, and the adoption in its place of a scientific formula prepared by the National Safety Council, endorsed by the National Highway Users Conference and already in force in eleven states. The bill presents four limitations for the operation of trucks so as to give the trucker maximum hauling capacity and at the same time protect the safety of all highway users and the condition of the roads themselves. The limitations are placed on the number of pounds that may be placed on one axle, and the number of pounds per square inch of tire area in contact with the road surface, the over-all length of the vehicle, the height, and the width.

Elizabeth Howard of Lubbock attended Jean Henderson's birthday slumber party Friday night and also spent the week end with Jean and Joan.

"Build-Up" Relief Explained to Women

A simple method has saved many women a lot of suffering! It is based on the fact that headaches, nervousness, cramp-like pain are often symptoms of functional dysmenorrhea due to malnutrition.

Help for this condition so often follows the use of CARDUI, because it usually increases the appetite and the flow of gastric juice; thus aids digestion and helps build physical resistance. Usual result is less periodic distress.

Many who take CARDUI a few days before and during "the time" have found this helps ease periodic discomfort. Women have used CARDUI for more than 50 years!

Lawyer: Now, if you want my honest opinion . . .

Client: No, no; I want your professional advice.

Mrs. Hope Haynes and children, Charles and Mary Dale, and Miss Doris Perry visited the two ladies' sister in Abilene Saturday and Sunday.

Mr. and Mrs. Alton Peak and young son, of Lubbock, were Armistice Day guests in the home of Mr. and Mrs. Woodrow Walker.

YOUR EYES

are used to this light

BUT WHAT DO THEY GET AT HOME?

Why take a chance with priceless eyesight when good lighting is so inexpensive? Play safe and see that your family has enough light for easy seeing. Prices of I. E. S. lamps begin at \$6.95 and socket type units at \$1.75, with only 50c as a down payment for either or both.

Texas-New Mexico Utilities Company

FINDS BOA CONSTRICTOR

The Fort Worth zoo is richer by one boa constrictor, which was recently found in a stalk of bananas in a store in Eastland, Texas. The constrictor, which is a native of Central and South America, was 26 inches long and was found by James Reid, a grocery clerk. A Mexican boy, who was in the store at the time, captured the snake as it attempted to escape. The reptile was taken to the Fort Worth zoo.

The snake, if it reaches maturity, will measure thirty to forty feet in length and will weigh several hundred pounds.

Mr. and Mrs. Frank Larkin visited Mrs. Larkin's parents, Mr. and Mrs. R. M. Foster in Portales, New Mexico Sunday and Armistice.

NEW LYNN EPWORTH LEAGUE

Miss Pauline Perkins was in charge of the program of the New Lynn Epworth League which met at 7 o'clock last Sunday evening and rendered it in an inspirational way, writes the publicity superintendent.

Miss Sue Young has been elected secretary to take place of Mrs. R. L. Stone, who has moved away. Every one is invited to come and help.

Mrs. Leon Burson and baby of Haskell spent the week-end here with her parents Mr. and Mrs. V. H. Lane.

Mrs. Lacy Richardson of Post spent Monday with Mrs. Lee Faye Gray.

Seen Armistice Day: "Uncle Sam" Gillespie knocking 'em down right and left on poppy day sales... Mrs. B. Walker of Lubbock who left a high game to see the old home team in action... friends of Coach Jackson's ditto... Happy Smith's two pretty little girls... wandering hither and yon and having a big time generally, while mother tried to keep up with them... Harlan Cook being congratulated on his election as president of the exes... Mr. and Mrs. Homer St Clair of Lamesa who couldn't miss Homecoming... Rescola even admitted a vice—she reads this column... ts, ts!... Mrs. Rafe Richardson yelling for the Bulldogs... Our personal nomination for the best float in the parade was the Rotary's "Lest we forget"... The Grammar School's "Constituency of a Democracy" was a humdinger, too... J. D. Tinsley, who didn't let crutches keep him from seeing a game.

Clyde Hartman hasn't missed a game between Amarillo and Lubbock in 14 years, and he doesn't intend to miss the next Thursday... Turner Rogers is our favorite drug clerk, because he aims so well to please, he even asks what flavor of chocolate we want... and we had always been under the impression there was only one flavor of chocolate and while we are over at Tahoka Drug, we can't overlook "Bugs", who has broken all the gals' hearts by volunteering for the army... goodby, Bugs... Mrs. Gien Smith says husband started explaining how the drug clerk mentioned last week wasn't him before she had had time to see the paper.

Joke of the week: A teacher sent the following note to the mother of a pupil:

"Dear Mrs. McWhortle, I regret very much to inform you that your son, Robert, idles away his time, is disobedient, quarrelsome, and disturbs other students who are trying to work. He needs a good thrashing and I strongly urge that you give him one."

The mother wrote back, "Dear Miss Smith, Lick him yourself. I ain't mad at him."

Phebe K. Warner

Mrs. H. C. Story was appointed as delegate to represent the Phebe K. Warner club at the state convention of Federated Clubs at Austin this week, it was announced at the regular business session of the club in the home of Mrs. Walter Mathis Tuesday afternoon. Mrs. Story left for Austin Tuesday and returned Thursday.

Popular novelists were discussed in the program which followed. Mrs. A. P. Edwards reported on Edith Wharton, "whose every novel was a best seller".

Mrs. A. L. Pace, contrasting Edna Ferber with Miss Wharton, said, The secret of Edna Ferber's charm is in the fact she understands people. She is the historian of the middle class".

Mrs. H. M. Snowden discussed the works of Ernest Hemingway, who writes always against a background of war, and is most appreciated by readers under 30 years of age.

A refreshment plate was served to Mesdames E. M. Walker, a new member, J. K. Applewhite, Edwards, Ben Hardy, Pete Hesi, Pace, E. P. H. Prohl, Truett Smith, Snowden, G. E. Turrentine, J. K. Woosley, W. C. Wharton, E. R. Edwards, R. L. Richardson, and the hostess Mr. Mathis.

Mrs. Truett Smith will be hostess on November 26.

Glazed Nut Rolls

Breaded by Mary Lee Taylor
October 31, 1940

6 tablespoons melted butter
1 cup light brown sugar, lightly packed
¼ cup Pea Milk
4½ tablespoons water

Turn on oven and set at hot (425° F.). Grease a dozen 2-inch muffin tins. Put in bottom of tins 3 tablespoons melted butter, then ¼ cup sugar and 6 tablespoons nuts, dividing equally. Meanwhile, put flour in bowl. Stir in milk diluted with water and beat for 30 seconds. Turn out on floured paper, roll into sheet 8 x 12 x ¼-inch thick. Brush with remaining 3 tablespoons melted butter, sprinkle with remaining ¼ cup sugar and 6 tablespoons nuts. Starting at 12-inch side and with aid of paper, roll up like jelly roll. Cut into inch slices. Put cut side down into tins. Bake 15 minutes, or until browned. Turn out while hot. Serve at once.

Ex-Students . . .

(Continued from Page 1)

composed of Elizabeth Link, Mrs. Pauline Walker, Mrs. Jack Fenton and Mrs. Pete Curry.

Tentative plans were discussed for sponsoring the purchase of a talkie projection machine for the school. Although no decision was reached, the consensus of opinion was that since the University of Texas furnishes free talkie films to schools throughout the state, which are bought with taxpayers' money that the school should have a machine to take advantage of this privilege. Although it was generally conceded that the association could not alone buy a machine, suggestions were made that all civic organizations of the town be asked to join the ex-students in a drive for this purpose.

A membership drive will be conducted shortly, and all ex-students are urged to join. At the present the association does not have a very complete list of ex-students, so has not been able to reach all of them with requests for membership and invitation to ex-student affairs, although all ex-students, whether members of the association or not, are publicly invited to homecomings. Mrs. Sam Floyd, historian, is attempting to get a complete list of exes, with their present addresses and married names. All ex-students are urged to cooperate.

Miss Minibel Johnson of Midland spent the weekend here visiting with Miss Argen Hix of the F. S. A. office.

WANTED—From 320 acres to two sections grass land. Write particulars if you have a bargain. J. W. Foster, Weatherford, Tex. 13-3tp

Armistice . . .

(Continued from Page 1)

can citizens strive toward a greater appreciation of the opportunities afforded and cooperate in the program to fortify our nation against invasion.

Preceding the address, an impressive program had been rendered, initiated by the advancement of colors by Boy Scouts and Mr. and Mrs. A. M. Cade, representing the Legion and Legion Auxiliary.

After the congregation had sung the national anthem, Rev. G. E. Turrentine led the invocation, followed in order by silent prayer.

Taps by J. H. Hamblen, and firing of cannon by the Legionnaires. Claude Donaldson, representing the Ex-Students Association, presented the schools with the United States Flag, which was accepted by Superintendent W. T. Hanes, each making talks which brought spontaneous and enthusiastic applause.

Mrs. R. L. Richardson spoke to the Gold Star Mothers on behalf of the Legion Auxiliary, and presented them with membership cards and corsages. Mothers so honored were Mrs. Mattie Bradley and Mrs. G. M. Sherrod.

The Junior Auxiliary sang "God Bless America."

Following the program the Legionnaires, members of the Auxiliary, Ex-Service men, their families and a few special guests attended a feast in the gymnasium. Mr. and Mrs. C. M. Walden of Post, former Tahokans, were special guests of the local Legion Post throughout the day.

In the early afternoon the Ex-Students Association held their yearly business session, and officers were elected for the coming year.

The Tahoka Bulldogs won their first conference victory when they beat Post with a score of 6-0 in the Homecoming Game Monday afternoon before a record crowd. Between halves the Band and Pep Squad honored Ex-Students with special formations and yells.

Many were turned away from the performance at Harley Sadler's Tent Show, playing under sponsorship of the Legion Post Monday night, and large crowds attended the dance following at Hig's Skating Rink for benefit of disabled veterans.

Poppy sales netted almost \$50 for disabled veterans Saturday and Monday. The Legion and Auxiliary displayed for the first time their official banners, received in Tahoka Saturday.

City Paving . . .

(Continued from Page 1)

tory in every respect — perfectly smooth and it is believed that it will prove to be very durable.

The placing of the topping will necessarily proceed slowly from this time until next spring, but the other work should proceed as heretofore.

An audit of the books, a copy of which has been loaned to the News, shows that this work has been done at a most reasonable expense, and Mayor Deen Nowlin desires that the gist of this report be published, but we are not prepared to publish it this week.

Of course, it is not known just what blocks will be included in the next project. That depends largely on how the owners of the property sign up. Mr. Nowlin says that it is the owners of vacant lots

who have been slow to sign up thus far, and that has occasioned some delay, and some change of plans. Citizens who want to get in on the new project should sign up promptly.

Carl Owens and daughter, Miss Joan, Mr. and Mrs. John Hamblen and children were in Abilene over the weekend to attend homecoming reunions at colleges there. Mr. Owens and Joan attended that of Abilene Christian College and Mr. Hamblen and family that at McMurray College.
