Annual County Meet In City Next Week

Visiting Bands Here Saturday

Bands from at least five South Plains towns will be in Tahoka Saturday to attend the first annual band clinic sponsored by the Tahoka school music department. The visiting bands and the Tahoka High band will parade through the downtown streets of Tahoka at 4 p. m. Bands expected are Brownfield, Andrews, Levelland, Slaton, and Post. There will possibly be others, as several other bands have been invited.

The clinic, which will be held in the gymnasium, opens at 9 o'clock in the morning and will continue throughout the day. Mr. M. A. Armstrong, Midland director, acting as instructor and critic. The school will be open to anyone who wishes to attend either as a participant or a spectator. John Hamblen, local director, announces.

A concert had previously been planned for Saturday night, but on account of a conflict with the postal workers meeting those in charge were forced to call off the concert. This will be the first clinic that is hoped much good will come to the music students from the meeting.

Postal Workers Coming Saturday

Nearly two hundred postal workers of the 19th Congressional district and visitors are expected at the annual meeting of the body which will be held in the Tahoka gymnasium Saturday night at 8:00 o'clock. A banquet dinner will be served by the ladies of the Tahoka Band Parents organization.

Lloyd Croslin, Lubbock attorney and former secretary to Congressman George Mahon, will be the principal speaker. Truett Smith will be master of ceremonies. Among the entertainment numbers, will be the Morgan Hillbilly band.

The meeting was invited to Tahoka last year by the local postal force, and the Tahoka Rotary Club is joining the postal employees in entertaining the visitors, though all attendants will pay for their own meals.

All Tahoka Rotarians and their wives are being urged to attend the meeting. The regular Rotary meeting scheduled for Thursday noon was dispensed with, and instead the Rotarians will attend the postal workers meeting.

Local People Take Over Portales Store

Mr. and Mrs. Glen Smith, Mr. and Mrs. Garland (Sue) Edwards, and Mrs. L. E. Turrentine left Sunday for Portales, New Mexico, where they have opened a drug store.

TO RANDOLPH FIELD

Powell Armstrong, employee of the Orange Crush Bottling Co., left Monday for San Antonio to enter the Army Air Service at Randolph Field.

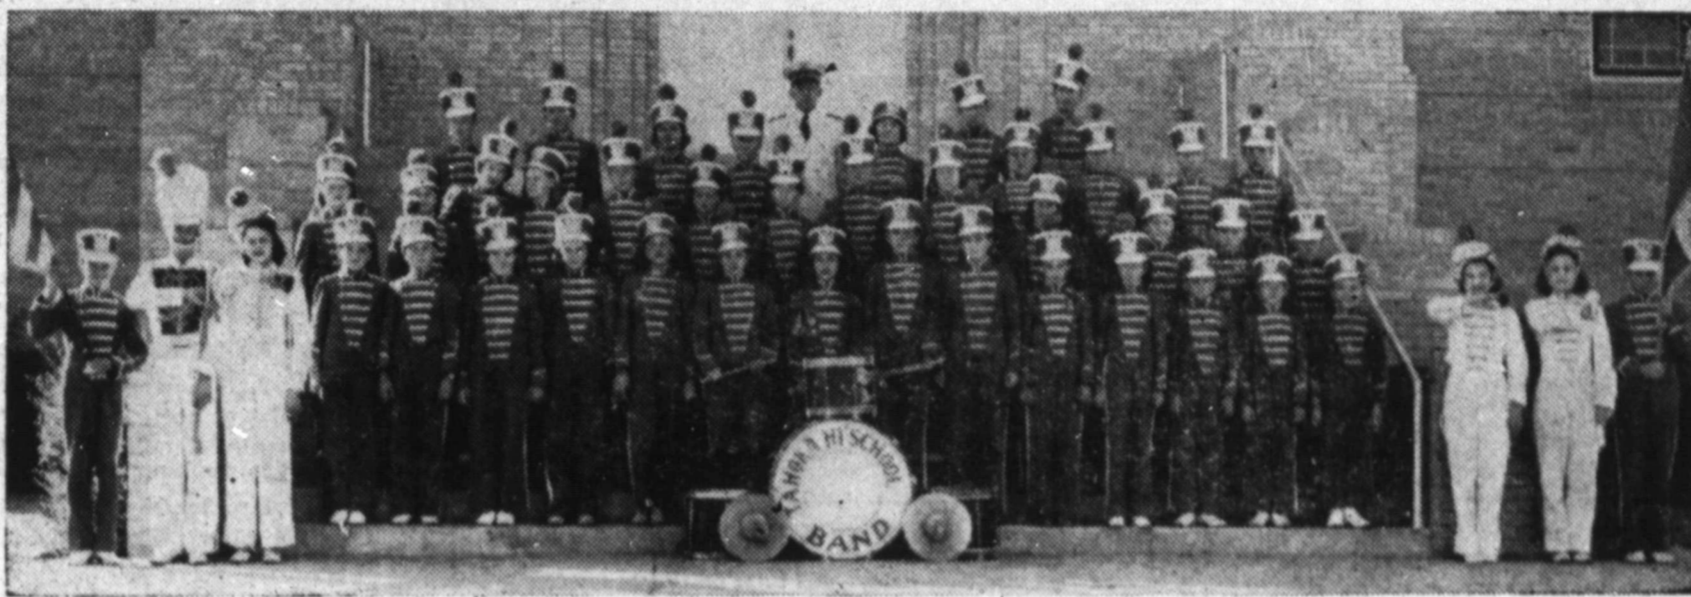

Etzler Gets 5 Years In Robbery Case

After eight hours deliberation by the jury, D. M. Etzler was found guilty of robbery by assault last Thursday night, and assessed a five year term in the penitentiary. His attorney's G. H. Nelson and Franklin Brown, appealed the case and Etzler, 29, of Roanoke, Virginia, presented a desire to buy a car from George Knight here on July 12, 1939, and drove away from the car lot with George. After leaving Tahoka he pushed a gun in George's ribs and sped to a point north of Lubbock, where he let George out of the car. After return-

ing to Lubbock, he headed back north and was arrested at Tulla by Sheriff H. E. White in company with hitchhikers he had picked up en route.

On Friday Alvin Morris of near Grassland was convicted of child desertion and sentenced to ninety days in jail. The case was appealed.

Monday morning Sheriff B. L. Parker returned Edgar Cunningham from Tucker, Arkansas, where he had been arrested, to face a two-year old forgery indictment. His case will be called before court is dismissed.

Shown above is Tahoka High School's snappy 44-piece band, directed by John Hamblen, which will be host to at least five visiting bands in a one-day clinic to be held here Saturday. The bands expect to parade in the downtown section at about 4 o'clock in the afternoon.

Stock Show Is Next Wednesday

Show Postponed To Next Week

The annual Boys Fat Stock Show scheduled for Saturday of this week will be held on the south side of the square in Tahoka next Wednesday, County Agent Don Turner announces.

Entries have already been received by Turner on 20 calves, 75 hogs, and 40 fat lambs, and indications are that the show will be a fine one.

These entries are from Lynn county 4-H club and P. F. A. boys and is sponsored by the county agent, vocational agriculture teachers and Tahoka Rotary Club.

The latter organization takes the responsibility of raising the prize list, and A. P. Edwards, Clint Walker and Prentise Walker have been appointed to raise the prize list.

Divisions are for baby beef, fat barrow, gilt, sow, and fat lamb, and prizes range from first to tenth in each division.

The show was originally scheduled for this Saturday, but due to conflicting engagements, the show has been postponed until next Wednesday.

Last year's show was held in one of the cotton warehouses, but this year these buildings are full of cotton, and it will be necessary to hold the show out doors.

J. M. Johnson Died Early Thursday

Funeral services will be conducted at 2 o'clock Friday afternoon at the Methodist Church here for John Moman Johnson, who died of an attack of heart trouble at his home in this city at 2:40 o'clock Thursday morning.

Rev. George E. Turrentine, pastor of the Methodist Church, will conduct the services, assisted by Rev. Geo. A. Dale of the Baptist Church.

Burial will be made in the Tahoka cemetery under the direction of the Harris Funeral Home.

Mr. Johnson had not been in good health for several weeks, and re-

(Continued On Back Page)

Permanent Skating Rink Opening Here

John Thomas Tippit is opening this Saturday his large new skating rink on the Post highway just east of Tahoka. The rink is said to be one of the largest and best in this section.

The building is 40x80 feet in size, frame construction, and will be a permanent recreation institution, John Thomas announces.

Teachers Attend District Meeting

Two of the faculty members of Tahoka High School are appearing today on the program of the district meeting of the Texas State Teacher's Association which is in session in Big Spring this week-end.

Miss Elizabeth McEwin, high school English teacher and librarian will discuss "Publicity For Libraries" in a sectional meeting this afternoon at 2 o'clock.

Tahoka's High School commercial teacher, Mrs. Pauline Walker, has selected as her subject, "Business Problems and National Contests in Bookkeeping" for her speech in the group meeting of all commercial teachers in this district.

Supt. W. T. Hanes is secretary of the district executive committee. Mr. Lee Dodson, Tahoka High School principal, Supt. S. G. Anthony of Wilson and Mr. S. F. Johnson of O'Donnell are the official delegates representing Lynn County teachers at this convention. This district includes 24 counties in this section of West Texas.

Tahoka Public Schools were dismissed today making it possible for all the local faculty to attend the annual meeting of West Texas teachers. The Settles hotel is convention headquarters in Big Spring. The general theme of the convention is "Education for National Security."

Warning Is Given To Fast Drivers

Fast drivers on the streets of Tahoka must slow down or face the possibility of arrest, City Marshal W. M. Lee warns.

"Many drivers, most of them young people, are becoming too reckless," Mr. Lee states, "and I must demand that they slow down. Some people are trying to make speedways of our newly-paved streets. Some child or some grown person is going to get killed by your speed demons, and no one will be to blame but you."

"I courteously ask you to slow down to a sensible and moderate speed. You can at least help maintain the law, refrain from injuring others, and avoid embarrassment."

Mr. Lee points out that there have been three or four minor wrecks in Tahoka in the last few days, any one of which might have been serious.

Lubbock Man Is New Owner Dairy

J. C. Tucker, Lubbock, who was in the dairy business at Bowie for 26 years, has bought the Cooper Dairy from Noel Cooper, and took charge of the business Monday.

Cooper sold 31 cows along with the business.

Mr. Tucker and wife moved here Monday. He has two children, a son in Texas Tech and a daughter teaching high school in Seymour.

First Man Drafted By Lynn Board

Chester Loy Huff, Tahoka, Route 1, was the first man drafted into service in the Selective Service program in Lynn county. His order number in Lynn county, was No. 7.

Ernest Harrison Hornbuckle, Wilson, Route 2, with order No. 7, was the second man drafted. These men, with one transfer from San Marcos and three volunteers, filled the call for March 10, Monday, and were sent direct to Fort. Bliss, near El Paso.

Volunteers were Royce Glen Smith, of O'Donnell, order No. 157; Charles Alton Hill, Tahoka, Route 2, order No. 1011. Willis Sabala, Mexican transfer from Hayes county, completed the call for six men.

With the induction of these men and Otis Conley, colored, who filled a call on March 8, Lynn county has sent 38 men to training camp, 36 of whom were volunteers.

There are no volunteers to fill a call for eight men on March 19, and a call for four men on April 3, all white. One colored man, Lonzo Howard with order No. 308, has volunteered, but to date there have been no other calls for negroes.

Burglars Caught After Local Work

Louis W. Northcraft, 24, of Kansas City, Mo., James J. English Jr., 21, of Los Angeles, and Emery C. Jerry, 21, of Monte Bello, Calif., were indicted on two counts of burglary just before the grand jury was dismissed Thursday noon, after they had signed confessions. They were indicted for burglary of the home of Mrs. J. T. Owens on March 7, and of Victor Botkin on March 8.

The three men were arrested by Highway Patrolmen B. L. Woodell and E. B. Underwood Friday night in Lubbock, and charges were filed in justice court by Cap Moore, Lubbock deputy, for burglaries committed in that county before they were brought to Tahoka. They were tried on the two counts immediately after the adjournment of the grand jury.

In their car at the time of arrest, much of the loot from numerous burglaries was found including 18 guns, 3 typewriters, and a large amount of clothing all with an estimated value of over \$1000.00. Jerry was wearing a suit which a Lubbock county man, J. B.

Board Re-elects Entire Faculty

All teachers in the Tahoka schools were re-elected at the regular monthly meeting of the board of trustees Tuesday night, an almost unprecedented action by a Tahoka school board.

Included in a blanket motion, all classroom teachers were offered new contracts. Carl D. Griffing, secretary, assessor and collector, and the two janitors were also re-elected.

Supt. W. T. Hanes and Principals Lee Dodson and A. L. Pace had been given contracts previously.

General satisfaction was expressed with the work of the faculty, and the board paid the teaching force a high complement in re-electing the force in a body.

Prentise Walker, John Slover and H. B. McCord are on a committee from the board which is selling material salvaged from the old Central Ward building that cannot be used in new construction work on the new school campus.

Walker was also named by the board to an athletic committee to handle school athletic problems. The other two members will be Supt. Hanes and Coach Leo Jackson. Mr. Hanes reported that this past year's football showed a nice profit, however football receipts must carry the load of all other physical education, and as a consequence this phase of school activity will not quite break even.

MRS. DYE'S AUNT DIES

Mrs. J. E. Dye received word here this week of the death of an aunt, Mrs. W. B. Bright of Weatherford, Monday morning at 2:00 o'clock. She was buried Tuesday afternoon. Mrs. Dye was unable to attend.

Mr. and Mrs. R. W. Fenton Sr. returned to Kent in Culberson county following the burial of her father, J. J. Richardson, at Denton recently and they will probably remain there several weeks, it is stated. Both are enjoying better health there than they had enjoyed for many months.

Jury Can't Agree On Child Death Case

Judge Louis B. Reed Thursday afternoon issued a transcript on his own motion, calling a new trial of the case against Mrs. Fannie Porter, transferring the case to Post, and setting the date for trial as next Wednesday, March 19, after the jury here failed to agree on a verdict.

Judge Reed set out as his reasons for transferring the case, the large number of persons attending the trial and the first trial here this week, and the testimony carried by a daily newspaper with subscribers here. He said under the above circumstances, it was his opinion that a fair and

League Contests Will Draw Crowd

Next week is a big week for the school kids of Lynn county, for the last half of the week will be taken up with the annual Interscholastic League literary and athletic contests. Two or three thousand visitors usually attend these events, which are climaxed by the track meet Saturday afternoon.

Though preliminaries in some events are already being worked off, the meet will get under way next Wednesday with playground and volley ball contests during the day and declamation contests at night. Choral singing will be Thursday. Then, on Friday the meet opens up with a bang.

Among the contests in which the children of the county will compete are these: Number sense, tiny tot story telling, extemporaneous speech and declamation, debate, music memory, Three R, picture memory, typewriting, essay writing, one-act play, all among the literary events; and tennis, playground and volley ball, rural pentathlon, track and field contests, among the athletic events.

A full program of events is to be found elsewhere in this issue.

Tahoka Entries Are Determined

By Ruby Nell Smith
Final eliminations for entries in the Interscholastic League Meet were held in the Tahoka schools this week, according to Lee B. Dodson, high school principal and general director of the Lynn County Meet.

The declamation elimination contest was conducted Tuesday afternoon. Declamers to represent Tahoka are: Senior Division: Helen Pemberton and Claude Slover; High School Junior Division: Dorothy Lee Carmack and Winston Redwine; Seventh Grade School Juniors: Billy Jo Cowan and John Wells; Grade School Juniors: Nancy Weathers and George Small.

Wendell Coffee and Jordan Nash make up the boy's debate team. The girl debaters are Ida Botkin and Betty Lou Frazier, the team that won throughout the county last year. Miss Ineva Headrick is debate coach.

Lenore Anglin and Maclyn McKeenan are the extemporaneous speakers. Billy Jo Cowan and Bobby Jean Minor are the number sense team.

The essay writer for high school is Wanda Lee Tinsley. Eva Jo Reid will represent the seventh grade in the Ready Writers Contest.

Typewriting contests are Joycelyn Mason, Lenora Anglin, Wanda Lee Tinsley, Bernice Huffaker and Mary Beth Roddy.

John Hamblen is directing the seventh grade chorus. The uniforms will be black choir robes with white collars.

The seventh grade spelling team is composed of Veda Ruth Chassey and Mary Elizabeth Wyatt. High School spelling contestants are Frances Tunnell and Mary Beth Roddy.

TAHOKEA H. D. CLUB REPORT

"A buffet supper is one of the nicest ways to entertain", Mrs. W. M. Mathis, told the Tahokea Home Demonstration club in a sketch at their last meeting.

Mrs. Lillie Belle Walters was hostess to seventeen members and three guests in the home of Mrs. A. C. Weaver. The guests were Mrs. H. B. Howell, Mrs. Charles Nelms and Miss Lavoyle Richardson.

LaVoyle gave a very timely reading, "Save America."

After the minutes were read and approved, and the Council report given, a lovely refreshment plate was served.

The club will hold their next meeting in the home of Mrs. H. L. Roddy.—Reporter.

Champ Leaps Car at Sports Carnival

With the greatest of ease, Alfred Orhn, former national ski champion, starts the queen's "court" at the great Winter Sports State Park at Grayling, Michigan, by leaping over a Chevrolet Sedan. Miss Yvonne Bradley (third from the right) has been elected Snow Queen and, with her court, welcomes the colorful crowds of winter sports fans who arrive by the thousand in automobiles and snow trains. Six steel toboggan slides and acres of skating rinks are now in operation, and three ski towers and 75 miles of marked ski trails are planned for this huge winter sports development under the supervision of the National Park Service and the Michigan State Park Department.

GRASSLAND H. D. CLUB INSPECTS ELECTRICAL EQUIPMENT

"Do not sacrifice efficiency for cost in selecting an iron", Miss Maurine McNatt, County Home Demonstration agent told the Grassland H. D. club this week in the home of Mrs. Tom Brown.

"In weighing an iron for efficiency, we must look for these characteristics: a good heating unit that can be repaired, one thousand wattage, heat control dial in handle, beveled edge, air-circulation under handle, handle shaped for comfort, heating unit in base, and a good light-fitting cotton cord with metal band, if detachable."

Those present at the meeting were Mesdames Cordie Laws, L. Shepard, G. C. Watson, Claude Thomas, Otis Cash, and the hostess, Mrs. Brown.

The next meeting will be in the home of Mrs. Carl Greer on March 25. Topic for study will be "Garden Insects and Diseases".—Reporter.

Heads Jackson Day Campaign in Texas

George A. Butler

George A. Butler, well-known Houston attorney and Democratic leader, is chairman of the Texas Jackson Day campaign this year. He heads the annual drive to collect funds for the national Democratic party organization which will culminate with the annual Jackson Day Dinner to which all subscribers of \$25 or more are invited guests. The Jackson Day Dinner will be held in the Rice Hotel at Houston, where the Jackson Day committee have opened offices. Previous Jackson Day rallies have all been held in Dallas. The banquet will be on the night of Saturday, March 22. Appointment of George A. Butler as chairman was announced by National Committeeman Myron G. Blalock.

Y. W. A. ORGANIZED

Ten girls and two sponsors, Mesdames Jim Burleson and Alice Fortenberry, met Monday night in the home of Mrs. George A. Dale for the purpose of organizing a Young Woman's Auxiliary to the Baptist W. M. U.

A prayer, devotional reading, and the song "Come Into My Heart", by the group, opened the meeting.

Mrs. Jim Burleson acted as temporary chairman for election of a president. Miss Jennie Reba Nevill was elected president and presided for the remainder of the meeting. Other officers elected were Betty Lou Frazier, vice-president and Mary Beth Roddy as secretary-treasurer-reporter. Committee chairmen appointed by the president were Pauline Owens, program chairman; Joyce Russell, enlistment chairman; and Mildred Cooper, social chairman.

We decided to meet in the homes of the members. The next meeting will be with Pauline Owens.

The business session was closed by a prayer and a social period followed. Bible games were played and refreshments were served to Misses Nevill, Frazier, Roddy, Owens, Cooper, Russell, Dorothy Holland, Genell Fortenberry Julia Snowden, Kathleen King, Marjorie Lawrence, and Mmes. Burleson, Fortenberry, and Dale.—Reporter.

AIR CORPS APPLICANTS NOW AVAILABLE IN DISTRICT

Major Walter Jesse, Recruiting Officer of the Lubbock District announces large quotas for various assignments in the Army Air Corps. Applicants accepted are given their choice of the following stations: Brooks Field, Texas; Randolph Field, Texas; San Angelo, Texas; Fort Sill, Oklahoma; Lowry Field, Colorado; Salinas, California. Applicants accepted for Air Corps must be high school graduates or be qualified mechanics.

Applicants who are not high school graduates but do have a grade school education have their choice of Signal Corps, San Antonio, Texas; Field Artillery or Cavalry, El Paso, Texas; Field Artillery, Marfa, Texas.

Accepted applicants are forwarded at once, all expenses paid by the Government. All enlistments are for a 3 year period.

Recruiting Offices of the Lubbock District are located at Amarillo, Pampa, Childress and Plainview. Young men interested in any Army career are invited to call or write to any of these offices for full information.

COOPER THANKS CUSTOMERS

Having sold my business to J. C. Tucker of Lubbock, I wish to thank my customers for the fine business they have given me the past two years that I have been in the business. I have greatly enjoyed serving you and assure you my best wishes are with all of you.—Noel Cooper.

HUGE IDOL LIES PROSTRATE

What is reliably reputed to be the largest idol known to history on the North American Continent is the gigantic statue of the great God of Rain which once stood on a mountain peak near the town of Texcoco, not far from Mexico City. The huge figure long since toppled from its towering natural pedestal and now lies ignominiously in the dust. Among sacrifices made to this god in ancient days was that of an offering of molten rubber.

The National Research Council's committee on food and nutrition says it will cost less than two-thirds of one cent more to produce "enriched bread" than ordinary white bread.

Store At T-Bar Burned Recently

By Wendell Coffee
T-Bar store, which is 11-miles south-west of Tahoka, and the Greenleaf store, which is 4 miles south of O'Donnell, have burned in the past two weeks.

The T-Bar store, owned and operated by B. A. Gillam, burned Sunday, March 2; and the Greenleaf store, operated by Carl Lewis, burned Sunday, March 9.

The T-Bar fire started about 7 o'clock in the morning. The house in which Mr. Gillam lived was separate from the store and it remained undamaged. The store was a total loss.

The Greenleaf fire started about 2 o'clock in the afternoon. There was a resident in the back of this store and it was all completely lost. No one was injured in either fire.

National Defense On The Farm

National Defense for the many farm families in Lynn County who are cooperating with the Farm Security Administration, doesn't mean digging air raid shelters, carrying gas masks or learning how to shoot members of an invading army, according to Mylene Cannon, home management supervisor for the Farm Security Administration.

"National Defense and home defense to these people," Miss Cannon said, means digging frame gardens, carrying sacks of fertilizer and learning how to shoot and destroy inadequate diets.

Miss Cannon announced this week that now is the time for farm families to begin raising early gardens—frame gardens—in order that they may have a long and enjoyable season of fresh vegetables chockful of fresh flavor, minerals and vitamins.

"Frame gardens," she said, "have long since passed the experimental stage and the era of doubt in the minds of farm families. Last year there were more than 40 of new frame gardens put in by Farm Security Administration borrower families in Lynn County.

"This year," she continued, "we

are in a campaign to try to have a frame garden on every farm where the family is working with Farm Security Administration."

Miss Cannon explained that the frame garden is not intended to replace the old-fashioned regular outdoor garden. The frame garden, however, makes it possible for families to have a sufficient supply of fresh green vegetables long before and long after the usual garden season. She recalled that several families in this county had fresh vegetables from their frame gardens for Christmas dinner.

"Adequate diets aren't the only benefits to be derived from frame gardens," Miss Cannon declared. "Almost everyone knows that food takes the biggest chunk out of the average farm family's budget, just as it represents the biggest item in the budget of the average city family."

"Although a daily diet well-planned and well-cooked is worth a whole medicine cabinet full of pills, good gardens—frame and otherwise—means money in the bank for every family."

"When Miss Cannon lauds the farm wives of Lynn County for their enterprising efforts at gardening, she saves a few bouquets for the farm men, too.

"Some of our best helpers in the garden work last year were the farm men because they have come to realize that home gardening is much more than a hobby for the women and children in the family. They were quick to learn that the garden crop is actually one of the chief crops on the farm and an integral part of the family's farm-and-home-plan," Miss Cannon said.

The new supplemental AAA cotton program, which provides for more and bigger gardens in the cotton growing areas, and the Farm Security Administration's Cooperative Purchasing plan for securing garden seeds and supplies at greatly reduced costs in all parts of the country, are expected to mark a new era in farm family garden enterprises this year.

Farm families who wish to join rural America's new crusade of home-defense by digging trenches for frame gardens may obtain complete instructions from the local Farm Security Administration office in the court house at Tahoka, Texas, or from the county representatives of the State Extension Service.

THE PHEBE K. WARNER CLUB STUDIES TEXAS AND FEDERATION

The Phebe K. Warner club met in regular session at the home of Mrs. E. R. Edwards on Tuesday, March 11. "Texas and the Federation" was the program topic.

Mrs. G. M. Stewart spoke on the "Development of Feminine Solidarity by Education", and compared the first club meetings with present problems. She pointed out that while the early Texas study clubs memorized passages from the classics, modern clubs are studying problems of national and international portent.

Mrs. Winston Wharton, speaking on "Beauty Spots and Memorials in Texas", said, "We know very little of the beauty and attractiveness of our own Lone Star State, with its long and beautiful coast line, its East Texas piney woods, its West Texas prairies, the Davis Mountains, Nueces River, Palo Duro Canyon, and dozens of other beautiful places".

Mrs. Walker read "A Tribute to Texas" by Bruce Barton. A refreshment plate of mints, strawberry shortcake and coffee was served to the following members and guests: Mesdames Truett Smith, G. M. Stewart, Walter Mathis, H. M. Snowden, J. K. Woodsley, A. L. Pace, Winston Wharton, Walker, A. P. Edwards, Fred Bucy, Scott, Miss Bernice Edwards, and the hostess.

W. H. Ray, who recently moved from Lynn county, to Pictown, New Mexico, was a weekend visitor here, coming down after a load of belongings. He returned to New Mexico on Tuesday.

A Gentle Laxative Good For Children

Most any child who takes this tasty laxative once will welcome it the next time he's constipated and it has him headachy, cross, listless, with bad breath, coated tongue or little appetite.

Syrup of Black-Draught is a tasty liquid companion to the famous BLACK-DRAUGHT. The principal ingredient is the same in both products; helps impart tone to lax bowel muscles.

The Syrup's flavor appeals to most children, and, given by the simple directions, its action is usually gentle, but thorough. Remember Syrup of Black-Draught next time. Two sizes: 50c and 25c.

Farmers Obtained Big Feed Loans

Farmers obtained nearly 161,000 emergency crop and feed loans in 1940 for a total of \$19,470,625 according to figures released by S. P. Lindsey, Jr., Director of the Emergency Crop and Feed Loan Section of the Farm Credit Administration. This compares with 139,452 loans made in 1939 for \$15,079,509 or an increase of 15.4 percent in number of loans and 29.1 percent in amount.

The early launching of the loan program in the storm and flood affected areas of the South, together with broadened activity in the Wenatchee-Okanogan district in the Pacific northwest, was the chief factor in the greater volume of loans made in 1940, the director pointed out. These loans are made for short periods to small farmers who cannot obtain loans from other sources for the production of crops or the feeding of livestock.

Although these loans are made only to farmers who cannot obtain adequate short-term financing from regular credit sources, a high percentage of them are being repaid. Mr. Lindsey pointed out. In the entire nation 89 percent of the amount loaned in 1939 for all purposes has been repaid and on the 1939 spring crop loans 90.4 percent has been collected. Over the entire period during which these loans have been made, 1918-1940, approximately 70 percent of the amount loaned has been collected.

As an indication of the active character of unpaid loans made in previous years, farmers made repayments last year of more than \$3,000,000 on 1939 loans and about \$1,328,000 on loans made in 1932 to 1938. Repayments received on loans granted in 1931 and earlier totaled \$322,000.

Texas has repaid 93.58 percent of the money loaned for spring crop production in that State in 1939. The Eastern District of Texas, which comprises 125 counties in East and South Texas, repaid 96.78 percent on these 1939 loans. The Western District of Texas, which includes the Plains, repaid 90.70 percent, and Southwest Texas, known as the San Angelo District and including the El Paso region, repaid its loans 100 percent.

DRAW-GRASSLAND

The people of Draw report a good service Sunday put on by the laymen. W. W. Caswell was in charge being lay leader. Our County Attorney, Calloway Huffaker, brought the main address. We plan to have him with us at Grassland in the near future.

Sunday the young people will have charge of all the services in the Draw church. Come and show your appreciation of them by your presence.

The pastor will bring a message

especially for the young people. We will begin our school of missions Saturday night.

We will begin our pre-Easter revival at Grassland April 7, closing out Easter Sunday. Your presence and help will be appreciated.—Jesse E. Young.

During 1939, approximately 1,094,000 dairy milk cans were manufactured for use by dairy farms and dairy plants in the United States.

In a frozen food locker, if temperature rises above zero, odors may transfer from one to another.

WE ARE YOUR Neighbors

We are the Texas petroleum industry. There are nearly 225,000 of us, living in every section of the State.

With our families, we make up one million Texans, nearly one-sixth of the State's population.

Each of us has his job. Together we represent almost every type of worker.

Some of us live and work in your community. Our children go to school with your children. We trade in your stores, attend your church, pay taxes and vote—as you do—for the betterment of our community and State. We operate an industry which pays 75 million dollars a year in taxes to our State and local governments and our schools.

We are your neighbors.

When you think of the Texas petroleum industry, remember it is made up of people like you and me.

Supplemental Cotton And Food Program Outlined

Pointing out the benefits derived by individual farmers from the new supplementary cotton program and the special home food conservation program to be administered by the Agricultural Adjustment Administration, C. A. Lawrence, administrative officer of the AAA in Lynn county this week begins a series of question and answer articles on the program.

"Now that the war has closed many foreign markets, the need for holding the already huge surplus of cotton continues to be acute," the AAA official said. "With this reduced outlet for cash crops, it is more necessary than ever that farm people produce more food and feed for home consumption."

The supplementary cotton program puts added emphasis on the efforts to reach the objectives of the national farm program through special payments. A total of \$25,000,000 worth of cotton stamps will be made available by the Surplus Marketing Administration for distribution by the AAA to cooperating farmers. In addition, \$3,000,000 in cash payments will be added to encourage additional food production and storage for home use.

This week's question and answer article seeks to show how to earn the order stamps, which will be issued farmers for voluntarily reducing their cotton acreage. These stamps can be exchanged at local stores for cotton goods and clothing.

How To Earn Cotton Order Stamps

1. Q. How will cotton farmers be compensated for making an additional voluntary acreage reduction in 1941?

A. They will receive cotton order stamps, which can be used to purchase cotton goods.

2. Q. Will underplanting of the 1941 cotton allotment affect the farm allotment in future years?

A. No. Underplanting of the cotton acreage allotment on any farm in 1941 will not affect the cotton acreage allotment for that farm in 1942 or subsequent years, except in case no cotton was planted in 1939 and 1940.

3. Q. Does participating in the Supplementary Cotton Program affect payments under other phases of the AAA Program?

A. No. The Supplementary Cotton Program provides for additional payments and does not affect payments under other phases of the AAA Program.

4. Q. Who is eligible to participate in the Supplementary Cotton Program?

A. Any farm owner, operator, tenant, or sharecropper is entitled to share in the 1941 cotton crop on any farm for which a cotton allotment was established for 1941, provided cotton was grown on that farm in 1940.

5. Q. How may a farmer earn cotton stamps?

A. By planting in 1941 an acreage of cotton less than the 1941 farm cotton acreage allotment or 1940 measured acreage for the farm, whichever is smaller.

6. Q. Is there any exception to this provision?

A. Yes. If the county AAA committee finds that the acreage of cotton as measured in 1940 was reduced because of drouth, flood, hail, insect pests, or any other natural cause beyond the control of the operator, the 1941 cotton acreage allotment shall be used to determine the acreage voluntarily reduced under this program.

7. Q. Is it necessary for every farmer to give advance notice of his intention to participate in this program?

A. Only the operator of a farm, on behalf of himself and all others interested in the cotton crop, must sign a prescribed form before June 15, 1941, showing the number of acres he intends to take out of cotton production as well as other pertinent information.

8. Q. What will be the result if the 1941 cotton acreage is reduced by

more than the amount set forth in the intentions?

A. Stamp payments will be made only for the amount of reduction set forth in the statement of intentions.

9. Q. What will be the result if the 1941 cotton acreage is reduced by less than the amount set forth in the statement of intentions?

A. Stamp payments will be made only for the amount actually reduced.

10. Q. Will there be any penalty for failure to carry out expressed intentions of reductions?

A. No. The Supplementary Cotton Program is entirely voluntary.

11. Q. What is the basis of payment for voluntary reduction of cotton acreage?

A. A farm payment in cotton stamps will be computed at the rate of ten cents a pound times the normal cotton yield determined for the farm under the 1941 AAA Program times the average hrdla8e0smr hrd times the acreage reduced for stamp payment.

12. Q. How would the cotton stamp plan work in the case of a farm operator with no tenants who planted ten acres of cotton in 1940, has a ten acre allotment in 1941, and has a normal yield, as determined under the 1941 AAA program of 250 pounds per acre?

A. This farmer, if he wished to participate in the supplementary program, could reduce his cotton plantings by one acre, leaving him a total of 9 acres. For the acre voluntarily reduced, he would receive cotton order stamps at the rate of 10 cents per pound for the 250 pound normal yield, or \$25 worth.

13. Q. If this same farmer had planted only 8 acres to cotton in 1940, how much would he have to reduce his acreage to earn his maximum amount of stamps?

A. He would have to plant only 7 acres of cotton in 1941, in order to receive \$25 worth of stamps.

14. Q. What is the maximum amount of cotton stamps that may be earned?

A. Each producer may earn a maximum of \$25 worth of cotton stamps on one farm, except that producers interested in more than one farm or an operator of a farm with two or more tenants or share-croppers may earn up to \$50, in cotton order stamps.

15. Q. What is the minimum stamp payment that will be made?

A. The minimum amount of stamps any eligible producer can receive is 50 cents worth; however no payment will be made to any producer on any farm for which the computed payment for the farm is less than \$5.

16. Q. How are cotton stamp pay-

Tuberculosis Is Dread Disease

Austin, March 13.—"Tuberculosis, like cancer, may be called an under-over disease. Its ability to harm and kill is based on the amount of time it has at its disposal to undermine the system before it is discovered. This factor, which only in part can be influenced by public health measures, is one of the biggest stumbling blocks in a further drastic reduction of tuberculosis deaths," states Dr. Geo. W. Cox, State Health Officer.

Formerly, tuberculosis occupied the unenviable position of number one in the cause of death. Through the years it has gradually relinquished its preeminence, and in Texas now is in sixth place. However, between the ages of 14 to 45 it still holds first place. Even at that, this means that during 1939, latest year on which complete Texas mortality figures are available, 3,911 persons in the State were its victims; and this, despite the fact that never before has science been so well equipped to fight tuberculosis successfully as it is today.

The majority of persons suffering with undetected tuberculosis usually have themselves to blame for their ignorance of their illness, because, despite consistent loss of weight, faulty digestion, poor appetite, and loss of strength or the existence of a tired feeling in the afternoon, they fail to bring their condition to the attention of a physician. Not only is early detection the best guarantee of arresting the disease, but it also serves to protect others in the family by removing the dangers surrounding the unrecognized contact case.

Modern tuberculosis treatment in homes and sanatoria has been a boon to thousands and a protection a-

ments to be divided among tenants and landlords?

A. The computed payment for the farm will be divided in the same manner as the payment with respect to the cotton allotment is divided.

17. Q. When will cotton farmers who take part in this program get their cotton stamps?

A. As soon as possible after cotton on the farm has been measured and performance certified by the AAA county committee.

gainst the disease to thousands more. However, personal cooperation, in the form of taking one's earliest suspicious symptoms to the family doctor for a check-up, needs to be more generally applied if the fight against this devastator of life is to show marked progress.

The medical profession, public health officials, and lay agencies are doing their best to prove the value of this point upon every one. It is hoped that in the not too distant future it will be more widely accepted.

Miss Annie Pearl Roberts, freshman student in West Texas State, Canyon, visited her father, Col. D. C. Roberts, last weekend.

D. J. Pennington, W. L. Rowe and Roy Tunnell left Monday afternoon for Hot Springs, Arkansas, to visit relatives and friends. D. J. admitted that they might make it convenient to see the races.

Need Laxative? Take All-Vegetable One

Don't let impatience lead you into harsh measures for the relief of constipation!

There's no use, for a little spicy, all-vegetable BLACK-DRAUGHT, taken by simple directions, will gently persuade your bowels.

Taken at bedtime, it generally allows time for a good night's rest. Morning usually brings punctual, satisfying relief from constipation and its symptoms such as headaches, biliousness, sour stomach, no appetite or energy.

BLACK-DRAUGHT'S main ingredient is an "intestinal tonic-laxative" which helps tone intestinal muscles. 25 to 40 doses, only 25c.

LOOK INTO THE EXTRA PROFIT POSSIBILITIES OF SELLING OLDSMOBILE

HERE'S an opportunity for extra income. Without interfering with your regular business, you can take orders for Oldsmobile cars and pick up substantial extra profits. Men in the businesses listed above (and many others) are already doing it in other towns this size — why not you, right here at home?

Oldsmobile's broad line of cars — including three Sixes and three Eights and covering every price-class but "high" — makes every prospect for a new automobile a prospect for an Oldsmobile. Oldsmobile advertising in national magazines, newspapers, farm papers and on billboards pre-sells prospects in every community. Automobile experience is not required — nor any great capital investment. The main thing is to show a good earnings record in your own business and to have an alert, aggressive attitude. If you would like to learn how to make more money by taking on the Oldsmobile line, write to the address below.

Union Revival Services Planned

A union meeting of the First Christian and the Presbyterian Churches will be conducted here at the Presbyterian church, beginning Sunday, March 16, with Rev. M. E. Hutson as the evangelist, according to announcement made by Rev. W. Bristow Gray, Presbyterian pastor.

The Rev. Mr. Gray will open the series of services, preaching Sunday morning and evening.

Rev. Mr. Hutson is the pastor-evangelist of the Christian Churches of Snyder and Post. He will be here to preach Monday evening and throughout the week each evening at 7:30. His topics for the week are as follows:

- Monday: "The Lost Book."
- Tuesday: "The Soldier of the Cross."
- Wednesday: "Prepare to Meet Thy God."
- Thursday: "A Plea for Souls."
- Friday: "A Nameless Hero."
- Saturday: "Why Souls Go Away."
- Sunday: "Tragedy of Neglect."

New song books will be in use featuring the old and familiar hymns as well as many new and bright ones, it is announced.

The public is cordially invited.

STORY'S MOTHER DIES

Friends here learned this week of the death of H. C. Story's mother at Wylie on Monday of last week. Burial was made Tuesday. Mr. and Mrs. Story and Ruth Evelyn, who recently moved to Austin, arrived at her bedside shortly before her death. Miss Ernestine, who is a student in Texas Tech, also attended the funeral. The elderly Mrs. Story had been ill a long time.

Mosquitoes raised by the Texas State Health Department are carefully tended, even take shower baths, J. E. Sorell, malarialogist, told medical technicians meeting at the University of Texas. The mosquitoes are used in malaria therapy, a treatment for syphilis, he explained.

Mr. and Mrs. J. K. Applewhite and Mr. and Mrs. C. T. Edwards of Brownfield are gone to Fort Worth to attend the Fat Stock Show.

Brownfield, Texas

Coffee and Cheese for Good Cheer

FRIENDS to the very end, coffee and cheese are inseparable as the favorite finish of any meal. Like salt to meat or clams to chowder, coffee brings out the best virtues of its boon companion for a combination of flavors of proven popularity. You might not succeed in making your own cheese, but you can make better coffee—if you follow the simple coffee-making rules given elsewhere on this page.

For a Better Cup of Coffee
Always use the correct quantity of coffee. Two level tablespoons or one heaping tablespoon for each measuring cup suits the average taste.

Make fresh coffee every time you serve it. Coffee that has been reheated loses its flavor and aroma. Rinse your coffee pot with scalding water before you make fresh coffee. Keep your coffee-making equipment clean as you would cups, plates or saucers. Do not boil your coffee. Boiling affects the natural flavor of the beverage. Use the correct grind for the method you use in making coffee, whether it be drip, percolator, "vacuum-type" or old fashioned coffee pot method.

Tahoka Wins In Typing Contest

Tahoka was winner in an invitation typing tournament last Friday in Post, with the Post High School as host. Tahoka students took the four top places.

Southland, Post, and Graham were the other schools taking part. Winners from Tahoka and their scores were, Lenore Anglin, 130.15; Bernice Huffaker, 129.85; Wanda Lee Tinsley, 126.66; Mary Beth Roddy, 109.58; Billie L. Cartwright of Post with a score of 104.65 and Myrtle Bruedigam of Southland, with a score of 100.91, were in fifth and sixth places.

Misses Maurine McNatt and Elizabeth McEwen have rented the home formerly owned by Mrs. L. E. Turrentine, from Tom Draper, who bought the house last week.

Mrs. H. L. McMillan and family were called to Plano Tuesday by the death of her sister-in-law, Mrs. G. W. Offutt, Jr., the previous night. They expected to return Thursday.

Mr. and Mrs. J. D. Donaldson left Monday for South Texas to spend about a month visiting their daughter, Mrs. G. A. Thomas, in McAllen, and son, Wallace Donaldson, in Houston.

One-Act Play Entry Is Made

By Ruby Nell Smith
"Evening Dress Indispensable" is the title of the one-act play Tahoka High School is entering in the County Interscholastic League Meet. Miss Willie Pearl Dockray is directing the play.

Members of the cast are Greta Applewhite as Sheila, the daughter; Jeanne Simmons as Alice, the mother; Truman Hines as George, a friend of the family; Earl Adams as Geoffrey, Sheila's boy friend; Bernice Huffaker as Nellie, the maid.

The play is a story of a young girl who has developed a "Russian soul". Her mother, in order to bring her daughter back to her usual attractive self, tells the girl's boy friend that she will go out with him.

The boy's enthusiasm for the mother uncovers the little streak of jealousy in the daughter, who quickly retires to put on her most charming frock and discard her ugly "arty" clothes. The boy easily persuades the girl to accompany him for an evening entertainment and her mother is left with a good friend who hopes to become her second husband.

The play was presented Friday afternoon at the high school auditorium. It will be presented Friday night, March 21 at the high school auditorium in the county meet.

HOUSE-WARMING GIVEN SUPT. AND MRS. HANES

Teachers, friends and neighbors Wednesday night gave Mr. and Mrs. W. T. Hanes a surprise "house warming," the couple having recently moved into their new home on West North Third street.

Eighty guests signed the register, and even others sent gifts of friendship to the Hanes. The school faculty members jointly presented a gift to the couple and also a like one to Principal and Mrs. A. L. Pace who also moved into a new home a few months ago.

The Hanes were taken completely by surprise, and were even expecting to go to Lubbock with friends. Games and stunts were enjoyed by a crowd which jammed every corner of the house, after which bottled drinks were served.

Mrs. A. A. Mourfield who has been critically ill in a Lubbock hospital was thought to be slightly improved Wednesday afternoon.

Suit Is Filed Against Parker

Suit for damages in the sum of \$35,000 was filed in the 72nd district court in Lubbock a few days ago by L. T. Warren against Sheriff B. L. Parker of Lynn county and Southern Guaranty Company, Ltd., surety on his bond, for alleged mistreatment of plaintiff by defendant Parker.

Warren charged irregular procedure on the part of Sheriff Parker after he had been arrested in Lubbock and upon his being brought by the sheriff's department to Tahoka to face charges filed in the justice court here. Irregular proceedings in the court on the part of Parker were also alleged.

Warren is related to the Parkers by marriage and had been a tenant on Parker's farm.

BAPTIST MEETING

As a result of the ten day meeting which closed Sunday night at the Baptist Church sixteen converts were baptized at the church Wednesday night.

Rev. Bruce Giles who is pastor of the West Point church also baptized one.

ANNOUNCE MARRIAGE

Mr. and Mrs. W. A. Tadlock of Wilson have announced the marriage of their daughter, Elizabeth, to Jesse N. Leavitt, son of Mr. and Mrs. N. D. Leavitt, also of Wilson, on last February 23, 1940. The marriage was performed in Lovington, New Mexico.

Mrs. E. L. Howard and Mr. and Mrs. Elton Wossum and children were weekend visitors in the home of Mr. and Mrs. J. C. Godwin. Mrs. Howard is Mrs. Godwin's mother, Mrs. Wossum is her daughter.

KLATTENHOFF-SANDERS

Relatives here have received word that Mrs. Bennie Sanders, a former resident here, but later of Childress, was married on Saturday, March 9, at Childress to Fred Klattenhoff of Los Angeles, Texas. After a trip, including the Stock Show, they are at home in Los Angeles.

Mrs. L. M. Jones of Edith, who was taken to a Lamesa Hospital in a serious condition on Thursday of last week improved after a blood transfusion and treatment and is making satisfactory recovery at her home. Mr. and Mrs. Jones are rejoicing over a son born March first.

Methodists take the lead and Baptists hold a close second among University of Texas student church members. Nearly nine-tenths of the student body goes to church, a current Registrar's report shows.

Rev. and Mrs. George A. Dale were in Lubbock Sunday night to visit his nephew, Rev. W. R. Dale of Cone, whose wife was critically ill in a Lubbock hospital. Her condition is slightly improved according to later reports.

The editor is giving his readers a rest this week. With the last day for filing income tax reports near, we have had little time to think of anything weighty with which to fill this column. We hope to be back to normal next week.

RED CROSS EXHIBIT

Several hundred completed articles for the American hospitals, that had been made by Lynn County women during recent weeks were on exhibit at the Red Cross workroom last Friday. Materials furnished by the American Red Cross had been fashioned into many garments such as bath robes, laundry bags, cushions and covers, table covers. Wool thread, of various colors had been knitted into attractive and useful shoulderettes, several styles of sweaters, socks and beanies and other articles.

Through the courtesy of Craft's Tailor Shop all articles had been pressed and made ready for packing. Piggly-Wigly store furnished coffee and an urn, George's Bakery and the Legion Auxiliary furnished doughnuts, and about 100 people were served by the Legion Auxiliary, which sponsored the exhibit.

New work has been begun for the British people, about fifty women spending the day at the work room Monday with a covered dish lunch as a feature of the day's program.

There is still work for all who will come on Monday through Friday each week from two o'clock until six.

Mr. and Mrs. Mont Hammett and three children of Albuquerque, N. M. spent the weekend here with her cousin, Mrs. Garland Pennington and family.

Hard wheat flour gives a loaf of yeast bread its lightness and cakes and pastry their soft, tender texture, and all purpose flour is satisfactory for either type of baking.

"Shine your shoes, Mister!"
"No time, Sorry."
"Well, to start the day right I'll do one for nothing."
"All right, go ahead."
"There, how does she look, Boss?"
"Fine."
"Well, for 10 cents I'll do the other one."

Plan Investigation Of Agriculture

AUSTIN, March 13.—Following concurrent resolution introduced by recent passage by both Houses of a Representative Ben H. Sharpe of Paris, a committee of five members: Senators L. J. Sulak, La Grange; Marshall Formby, McAdoo; Representatives Ben H. Sharpe, Paris; Roger Q. Evans, Denison; and W. H. Ramey, Winters, has been appointed to investigate Texas agricultural conditions.

The first of a series of hearings will be held Friday, March 14, at Hallettsville in the District Court room at 2 P. M. Saturday, March 15, the second meeting will be held in Houston at the Texas Hotel at 2 P. M. Following these hearings, preliminary plans call for similar meetings each Friday and Saturday until hearing have been held in East, North, West, South and Central Texas. Towns where the meetings will be held have not yet been designated.

From these hearings to be held over the State, the committee hopes to gain first hand information as to the States' true agricultural problems and conditions. Members of the committee have agreed to pay their own traveling and hotel expenses.

Senator Marshall Formby, one of the two farmer members of the Senate, said he wished to stress the importance of the hearings, and declared all farmers, stockmen, business and professional men were invited and urged to appear before the committee to officially air their opinions.

WATSON IS NEW FIELD SUPERVISOR FOR LOANS

Acting State Supervisor Fred N. Warren advises that Field Supervisor John D. Watson of the Emergency Crop and Feed Loan Office will be in office of First National Bank here in Tahoka each Tuesday all day for the convenience of Lynn county borrowers desiring information on the program.

Mrs. Lucile Knight, who has taken the loan applications for a number of years, will be in the office of R. W. Fenton, Jr., and borrowers may make application when convenient.

GOADS GO TO DALLAS

Judge P. W. Goad came up from Dallas last Saturday night, arriving here early Sunday morning, and Mrs. Goad accompanied him back to Dallas the same day. They will operate an apartment house there while the Judge performs his duties as inspector for the State Insurance Commission. Incidentally the judge stated that he was very much in love with his new job, and he said it like he meant it.

CARD OF THANKS . . .

We wish to thank our friends for their kindness and sympathy extended us during the recent illness and at the death of our father, Mr. G. R. Bohannon. Especially do we thank the City of Tahoka and the Doctors, who were so kind and helpful. May God bless each of you—Mrs. Sam Caldwell, Mrs. Belton Abshier, Mrs. Tommy Shaufert, Mrs. Val LaMastus, Miss Belle Bohannon.

A Gentle Laxative Good For Children

Most any child who takes this tasty laxative once will welcome it the next time he's constipated and it has him headachy, cross, listless, with bad breath, coated tongue or little appetite.

Syrup of Black-Draught is a tasty liquid companion to the famous BLACK-DRAUGHT. The principal ingredient is the same in both products; helps impart tone to lax bowel muscles.

The Syrup's flavor appeals to most children, and, given by the simple directions, its action is usually gentle, but thorough. Remember Syrup of Black-Draught next time. Two sizes: 50c and 25c.

NOTICE, FARMERS!

Do you believe in parity payments? Are you willing to give up this payment? Do you think the AAA program is worth anything to you? Are you ready to discontinue this program? If you are interested in any way in the above, come to the district court room Saturday at 10 A. M. for a discussion on these matters.—Fred McGinty, chairman Lynn County Farmers Association.

Mr. and Mrs. E. B. Kemp, who have moved from Ollup, N. M., back to Lubbock, visited in the home of Mrs. Kemp's parents, Mr. and Mrs. Claud Wells, last week end.

Mr. and Mrs. W. T. Garnett of Anton, Mr. and Mrs. Lenord Johnson and children of Lubbock were Sunday visitors in the home of Mr. and Mrs. L. T. Johnson.

Mr. and Mrs. A. J. Kaddatz left Sunday morning to visit his mother at Malone, Hill county, and to take a peep at the Fat Stock Show in Fort Worth.

Mr. and Mrs. J. N. Payne and daughter of Falls were here Tuesday visiting Mrs. Payne's sisters, Mrs. Harley Henderson and Mrs. Frank Hill.

Dr. J. R. Singleton is ill in bed with bronchitis this week.

FOR RENT—3 room rock garage apartment. Mrs. R. C. Forrester. 28-1fc.

Legion Auxiliary Is Behind Men

The mothers, wives, sisters, and daughters of the ex-service men of the World War assured the men when they went into training in 1917 and 1918 that they would stand behind them, carry on, and do their bit for the land, democracy, and the Stars and Stripes. They did this to the best of their ability.

Then in peace time they shouldered their part, and now in this time of distress they are going their full strength.

On Saturday, March 15, at the Legion Hall, all members of the American Legion Auxiliary and those eligible are giving an opportunity to register for service for Home and National Defense.

Come and look over your questionnaire and see if you want to take a stand for and with our Legionaires, who registered a few weeks ago. This is a National Volunteer service.—Mrs. R. L. Richardson, Assistant Committeewoman, 19th district.

The 1,500,000 4-H Club member in the United States produce yearly products having a market value of around \$300,000,000.

Better than three farms in ten across the country now have electric power. Systems financed by the REA are bringing electric power to 675,000 rural customers.

Odds and Ends *See Eye, the Elder*

"In the beginning God created the heaven and the earth."

Thus begins the Bible account of creation.

But in Grecian mythology, in the beginning there was Chaos, and from this Chaos, in some way, heaven and earth evolved. Heaven, personified, became the first of all the gods, Uranus; and earth, personified, became Gaea, or Terra to the Romans, the first of the goddesses.

To Uranus and Gaea, husband and wife, were born many gods and goddesses, the twelve Titans being among the number, of whom Saturn was the youngest.

After Saturn grew up he became ambitious and rebellious. He staged a revolt against his bewhiskered old daddy, Uranus, which proved to be successful, and he himself became the ruler of the heavens.

His wife was Rhea, who became the "Mother of the Gods", the chief of whom was Zeus, or Jupiter.

As Saturn had overthrown Uranus, so Jupiter in time also became ambitious and went on the war path against Saturn. There doesn't seem to have been much paternal and filial affection among the gods. Jupiter overcame Saturn and threw him out, or rather he banished Saturn to Italy, which he probably thought would be punishment enough for the old gentleman.

But Saturn was not willing to be laid on the shelf. Over in Italy he established a kingdom of his own, set up a New Deal, and became the daddy of Agriculture. So far as we know, he never started any Triple-A program over there, and the records do not reveal that he even had any secretary of agriculture in his cabinet, but he did teach the men folks how to farm and to gather in great harvests in the fall, according to Roman mythology, and in his honor the ancient Italians, or Latins, established the custom of holding a

seven-day festival every December just before Christmas—we mean just before they should have had Christmas.

These festivities ran from December 17 to December 24 each year, during which time the school kids all got a vacation, the business men closed up their stores, the women folks put up their knitting, and all went to the festival. For seven days they drank wine and ate barbecued goat meat, and by the end of that time everybody was so soggy that they were ready to go back home and sleep it off.

This festival, named for Saturn, was called the Saturnalia; and the word has come down to us through the thousands of years that have intervened, and we still speak of a feast often as a regular saturnalia.

Bacchus was the real god of wine, however, and it was when they had a feast in his honor that the drunks really littered up the sidewalks and the sewers. That was called a Bacchanalian feast—and we still hear of 'em now and then.

But since there were at least 30,000 gods in the time of the Caesars which the Greeks and the Romans worshipped, we haven't the space here to give the low-down on all of them. Their names, however, have furnished many words for our English vocabulary. Martial, for instance, comes from Mars, the god of war; cereals from Ceres, the goddess of grain and the harvest; vestal from Vesta, the goddess of the home and the fire-side; etc.

Vulcan was the god of the art of black-smithing, and hence we have the word Vulcanize. We speak of a handsome man as Apollo and of a beautiful woman as now and then as Venus, while, after all these thousands of years Cupid is still on the job.

There are hundreds and hundreds of islands in the Aegean Sea that borders Greece and a number of much larger ones down in the Mediterranean proper.

One of these, Crete, situated near Greece, has a long and interesting history. In fact, it had become populous and powerful in the affairs of the world before authentic history dawned upon the lands of the Mediterranean.

The Greeks believed that it was the birthplace of this same Zeus, or Jupiter, that we have been talking about.

A story about King Minos of Crete and the Minotaur, an animal that had the body of a man and the head of a bull, which was kept in an underground labyrinth and to which the king sacrificed seven

Athenian youths and seven Athenian maidens every ninth year, has come down to us through the centuries as a myth. Recent excavations have revealed, however, that there was a real King Minos and pictures painted 3,500 years ago on the walls of the labyrinth indicate that he did sacrifice boys and girls to a ferocious bull. Apparently he staged in those ancient days a kind of Mexican bull-fight in which boys and girls were used as the victims of the monster.

But as Crete begins to emerge from the mists of antiquity and to come out into the sunlight of authentic history, she is found to have been a powerful nation, with fleets that controlled the eastern Mediterranean.

The Phoenicians, that powerful little nation that had its habitant on the eastern shoreline of that great sea and whose traders pushed out westward to Spain and on out between the Pillars of Hercules into the monster-infested Atlantic, had a mighty rival in Crete. The Phoenicians are credited with having first invented an alphabet, from which ours is derived, but recent discoveries have disclosed the fact that the Cretans taught the Phoenicians to write.

Those Cretans too knew how to build structures that were amazingly permanent. The city of Cnossos built on the island of Crete 4,000 years ago was so substantially built, we are told, that its stone sewers are still in fit condition to use.

Crete is about 160 miles long east and west but has an average width of only about twenty miles not quite four times as large as Lynn county, its area being 3,865 square miles. But it has a population of about 350,000. Most of whom are members of the Greek Orthodox Church.

Situated about sixty miles from the main land of Greece, it constitutes a part of the country; and if the Nazis do over-run Greece, they will doubtless benevolently assimilate Crete also. Crete already has been playing a part in this war.

Up in the Aegean proper are two tiny islands, each containing possibly less than a hundred square miles, which hold deep interest for us.

Delos, the smaller of the two and lying nearest to the main land of Greece, was reputed by the ancient Greeks to have been the birthplace of those mythical twin kiddies, Apollo and Diana, born to Jupiter and Leto, as mentioned in this column last week. They became two of the most popular of all the Greek divinities, and many temples were erected to each of them throughout the Grecian world.

The other of those two little isles, Patmos, lies about seventy miles al-

most due east of Delos and near the present coast of Turkey. It belongs to Italy, however, and is now known as Patino. It was to Patmos that the Apostle John was banished by the Pagans then in power, and it was on Patmos that he wrote that marvelous if somewhat mystical last Book of the New Testament, Revelation. It was addressed to the "Seven Churches in Asia" which had been planted there by Paul and other disciples of Christ, in Grecian cities then under the sway of Rome one of which was Ephesus, where was situated the great Temple of Diana.

Thus Christianity and Paganism soon after the death of Christ came into sharp and relentless conflict, waged incessantly for years in the very region where another and different kind of conflict is now impending.

Christianity finally prevailed only to be driven out of much of the conquered territory later by the coming of the Turk and the spread of Mohammedanism.

While Christianity, in a somewhat corrupted form, holds sway in all of the European countries bordering the Mediterranean, it must now again fight for its life against the inroads of infidelity and atheism and religious intolerance which have swept over Russia and Germany and are now threatening to set up a "New Order" designed to control the world.

But whatever the result of this conflict, the old gods of Pagan Greece and Rome have long since been consigned to the junk heap—not however until they had wielded a mighty influence on the history of the world. It was a blighting influence, but—thank Heaven—Pan is dead!

STUDYING AVIATION

Newton Lewis, son of Mr. and Mrs. R. W. Lewis of New Home, left Thursday last week for Los Angeles, California, where he expected to enter the Anderson Airplane School.

R. W. Lewis went down to Kerrville last week on business and to visit his two sisters, Mrs. S. J. Smith and Miss Lola Lewis, and his son, Jim Ruben Lewis, all formerly of Tahoka.

LLOYD ROBERTS WEDS CARLSBAD YOUNG LADY

Lloyd Roberts, son of Col. D. C. Roberts, was married to Miss Jaunita Burcell at the First Methodist Church in Carlsbad, New Mexico, by the pastor, Rev. Jamison, at 9 a. m. Sunday.

Lloyd is an engineer for the Union Potash mines near that city, and they will make their home at Carlsbad. He is a former student of the Post schools and has many friends over the eastern part of Lynn county. His wife was raised at Clovis, and the Colonel says she is "a mighty fine girl".

Attending the ceremony were Col. Roberts, D. C. Jr., Mr. and Mrs. Glynn Mathis of New Lynn, Miss Annie Pearl of Canyon, Buford Mathis of Garlynn, and Milton Collehon of Post.

NEW HOME BAPTIST CHURCH ORGANIZES R. A.

There were 13 boys present at our first meeting. We met last Wednesday at the parsonage where Mrs. Webb explained the R. A. and its purposes. We then began our organization, after which we went to the church where we heard a good message by Rev. Webb. We then went back to the parsonage and had refreshments. Everyone seemed to have a good time.

All boys in our community are

invited to attend our Intermediate and Junior R. A.

Way "Build-up" Helps Will Interest Women

The cause of a woman's periodic suffering from headache, irritability, cramp-like pain, may be functional dysmenorrhea due to malnutrition, a condition that is often helped by CARDUI.

Principal way CARDUI helps is by stimulating appetite and the flow of gastric juices. Thus it may aid digestion; help build up a woman's strength, energy and nerve-force; so increase physical resistance to periodic discomfort.

It also helps reduce periodic distress for many who take it a few days before and during "the time." Your confidence in CARDUI is invited by its 50 years of popularity.

Eight Balls of Fire and how they can travel!

If you like fireworks, and who doesn't, it's really too bad you can't see what goes on inside that sparkling big Buick FIREBALL eight that romps you so easily down the broad highway.

There you'd see eight busy cylinders, with pistons flashing up and down . . .

You'd see each fuel charge packed tight into a tiny bundle shaped like a flattened ball . . .

You'd see the spark leap, the flame spread, the piston thrust down with extra force as each furious fireball lets go its pent-up wallop.

You'd see all this happening as fast as thirty times a second in each of those eight cylinders—and we think you'd understand then just why there's such a special and exciting satisfaction in the way a Buick travels.

Gasoline gives up more of its power when it's packed as tightly as it is here.

So when you've got these eight balls of fire working busily under the bonnet, you really travel!

You travel farther on every gallon and you travel more pleasurably.

You travel—but, shucks! Why listen to talk when there's a Buick dealer nearby waiting to show you how you travel behind a FIREBALL?

BUICK PRICES. BEGIN AT \$915 for the Business Coupe delivered at Flint, Mich. State tax, optional equipment and accessories—extra. Prices subject to change without notice.

WHEN BETTER AUTOMOBILES ARE BUILT BUICK WILL BUILD THEM

Educators Stress Americanism

By W. T. Hanes
Superintendent of Schools
(Editor's Note: The following is one of a series of articles by Mr. Hanes on the National Convention of School Administrators held recently in Atlantic City, N. J.)

Among the many outstanding speakers at the Atlantic City meeting was Reverend Ralph W. Sockman of New York City. Responsibility of maturity of youth was the general theme of his address. He challenged their elders to protect youth from the pessimism of current philosophy and theology and to help them to feel "That there is a tomorrow worth working for". He expressed the belief that youth is probably safe physically because of our great interest in athletics and outdoor life. He sounded a warning, however, that youth is in danger of becoming mentally soft and called on those who are older to build in youth that kind of endurance which grows stronger in adversity. He concluded with the thought that endurance of youth built on the democratic hope and belief that future is worth preserving, will give youth the strength to realize the great American dream of

a land where life can ever be richer and better, with opportunity for all. "To Provide For The Common Defense" was the theme of talks by Gov. Stassen of Minnesota, T. V. Smith of the University of Chicago and former Congressman, Pres. Isaiah Bowman of Johns Hopkins University, John W. Studebaker, U. S. Commissioner of Education, and Congressman Joseph P. Starnes, vice-chairman of the Dies committee.

A citizenship that is capable of implementing the functioning of the democratic process must be developed through participation in the process. Schools must continue to teach facts upon which to base intelligent judgments. They must develop in their students the ability to think clearly when emotion tends to becloud thought and patriotism to engender hysteria, and at the same time to equip them with a sense of loyalty to our way of life that sees not only the evils but the accomplishments and is inspired with a dynamic moral purpose to build rather than destroy.

As American education engages in these tasks, they said, it is confronted with four great crises.

MILITARY—It is necessary to safeguard the integrity of the process we are to administer and which may destroy.

MORAL—Democracy is always a form of compromise but its pro-

duct must not be so shoddy that faith in its processes is destroyed.

MONETARY—In the hard days ahead adequate funds for education may not be available.

MENTAL—Courage is found in the mind, not in conduct. The mind must surmount the crisis military; it must put off the crisis monetary; it must so believe in the potentialities of the democratic process that the crisis moral cannot develop.

According to President Bowmen, this nation is determined to preserve its own democracy and to help other democracies. This involves conflict whether we are at war or not. There is but one way of meeting the costs involved—by lowering the standards of living. This cost will be chiseled out of schools, museums, art galleries, quality and amount of food, clothing, house furnishings, soil preservation, care of the blind and insane, hospitalization, road repair and hours of leisure. Our economic condition will call for heroic remedies. The "general good" must be won, kept, **GUARANTEED**.

The problems of peace are infinitely more difficult than the problems of war. Peace will bring responsibilities. If we wish to share the "grandeurs" of victory we must be prepared for its miseries also. America must assume responsibility for participation in an after-war order; schools have an indispensable part to play in national defense; schools have the right and obligation to criticize and analyze current concepts of American purpose and duty, Pres. Bowman said.

Congressman Starnes called the present war one of ideologies in which democracy or dictatorship will survive. In the struggle the strengthening of the spiritual and intellectual life of the nation is more important than bombers. For two decades, he said, subversive forces have been at work to destroy our nation. It is now known that they are agents and tools of foreign governments. The ultimate answer to them is not in repressive legislation, greatly as this is needed, but in fields of **EDUCATION** and **EMPLOYMENT** in order that ignorance and poverty, the food upon which the "fifth column" feeds, may be destroyed.

The case of **AMERICANISM** against Totalitarianism is proved by many particulars. Democracy is bound to win because it appeals to the fundamental desires of mankind—**FREEDOM** on the one hand and **SECURITY** on the other.

Scrapbook

Myrtle Rochelle

One man has been in Dutch at home so often lately, that he expressed a desire for a modern, streamlined doghouse with all modern conveniences. His friends are consulting contractors . . . No, don't ask us who he is, just wait until you see the doghouse.

Hattie Server was state's witness in a plea of guilty to drunken driving. The fellow had been up numerous times on the same charge, and his face had become very familiar to the district clerk. His drunken condition had been testified to by a previous witness, so for fun, when the D. A. asked Hattie, (who was a witness at the arrest) how the defendant acted, her answer was that he acted "natural".

Even the judge laughed when ex-Senator G. H. Nelson asked: "Hattie, when you say he acted natural, do you mean the way you act?"

A short short story entitled "One of Life's Little Tragedies, or Why We Didn't Win the Prize".

We saved our wrappers and wrote a very clever (we thought) twenty word tale on why we always used the soap. The prize was \$20,000, and with only 130 million people in the U. S. A., we knew our chances to be excellent—so good, in fact, that we had planned how we would spend all of the money. So we put our entry away until such time as we could spare to type it neatly and perhaps revise it a little. The contest closed Saturday night, and our entry was still tucked away in a desk drawer. So you'll know why we didn't get the \$20,000 after all.

PLEASURES Yesterday Today and Tomorrow

She played at jacks yesterday. Today she's blowing soap bubbles. Tomorrow, perhaps a doll will hold her interest. So it is through all the years: restlessness, the seeking of new pleasures.

Grown-ups are the same . . . seeking new pleasures. Here is a pleasure comparable to none . . . **AUTOMATIC HOT WATER SERVICE**. An automatic storage Gas Water Heater supplies plenty of hot water for all uses, day or night.

Garrard Heads District Drive

Tom Garrard of Tahoka, prominent in State Democratic activities, has been appointed Chairman of the Nineteenth Congressional District, so State Jackson Day Chairman, George A. Butler of Houston announced today. Mr. Garrard will organize Jackson Day Committees in Lubbock, Lynn, Dawson, Hale and other counties in the district and is now actively at work.

The Jackson Day campaign is for the purpose of raising funds for the Democratic National Committee to pay off the deficit incurred in the campaign of 1940 and to carry on party activities during the current year. Each person contributing \$25 toward the Jackson Day campaign will be given an invitation to attend the annual Texas Jackson Day Dinner which this year will be held at the Rice Hotel in Houston, Saturday, March 29th. All Democrats wishing to contribute to their party funds are asked to send their checks either to their District Chairman or direct to State Chairman George A. Butler, 440 Rice Hotel, Houston. Invitations will be mailed promptly and individual contributions will be reported to the Democratic National Committee in Washington and credited to the various districts.

The quota for Texas has been set at \$50,000. Chairman George A. Butler is organizing the State by districts and counties and expects to raise the money. The Houston Dinner will be one of the most important Democratic Meetings to be held in Texas this year.

REDWINE SUNDAY SCHOOL CLASS ENTERTAINED

Mr. and Mrs. Carl Williams of the Redwine community entertained the Junior Sunday School class of the Redwine Baptist church on Friday night of last week, with twenty members and guests present.

Mrs. A. W. Bratcher, class teacher assisted with supervision of games and refreshments.

Those enjoying the evening festivities were Misses Mary Belle Walters, Marvilla Veach, Lois and Joyce Veach, Lena Williams, Martha Jean Sanders, Nan Beth Pennington, Ila Fae Bratcher, Betty Zada Montgomery, Anna Fae Isbell, Dorothy and Cladie Isbell, Yvonne Beard, and Warren Williams; Mrs. Bratcher and Mr. and Mrs. Williams.—Contributed.

Turkey eggs should be gathered at least twice a day, and three or four times a day is better.

Grassland P. T. A. Entertains Rotary Club From Post

The Grassland P. T. A. entertained the Post Rotary Club on their regular meeting day, March 4, at the Grassland School. A group of thirty came out from Post at the noon hour for the luncheon that was served in the school gymnasium. The Rotarians had the Grassland School Board as their guests. Several other local patrons were present for the luncheon and the program which consisted of piano selections by Mrs. Rudford Chapman, a voice solo by Beth Shepherd, numbers by the Rhythm Band, and selections by the girls' quartet, Jimmie Lou Thomas, Ruby Greer, Beth Shepherd, and Mary Ruth Edwards.

The P. T. A. ladies especially enjoyed having the group out for the hour. This is one of the many things that the organization has done this year. The P. T. A. was only organized during the first of this school year, but everyone can see the great benefits that have been accomplished. Probably the greatest thing that they are sponsoring is the school lunch room. About seventy pupils eat daily at the lunch room. The school ground has been improved by shrubbery, grass, and a fence. Since we have so many things that we are especially proud of, we always welcome any visitors to visit us and to see the things that have been done and the things that are being done for enjoyment.

FORMER TAHOKA STUDENT IS OFFICER OF HOME EC CLUB

CANYON, March 13.—Madeline Russell of Tahoka, a sophomore at West Texas State College, has been elected Social Chairman of the Home Economics Club for the second semester.

The club, which was organized in 1913, meets twice a month and provides training in social and literary activities.

Things to leave out of the school lunch box are fried foods like pancakes and doughnuts, hot dogs with mustard, rich cakes with frostings, pies that "run" and any foods that get soft or soggy, according to home economists of the Farm Security Administration.

If artificial lighting of poultry houses has been started it must be continued until early April. Sudden stoppage of lights before that time would seriously lessen egg production.

News Want Ads Bring Quick Results

Congress Passes Agriculture Bill

In view of the widespread interest of West Texans in the agricultural appropriation bill which passed the House last week, Congressman George Mahon has reported from Washington as follows:

The largest item in the bill is \$50,000,000 for AAA soil conservation payments to farmers; \$212,000,000 is provided for so-called parity payments. These sums are about the same as provided in previous years.

Of special interest to our people will be the \$100,000,000 provided for the coming fiscal year, and an increase to enable the Soil Conservation Service to cooperate more adequately with soil conservation districts in Texas.

The bill provides \$50,000,000 for the farm tenant purchase program.

The bill now goes to the Senate for consideration and there seems to be no doubt but that appropriations made by the House will be approved.

IT WOULD TAKE RIPLEY HIMSELF TO WRITE A HEAD FOR THIS STORY

Mr. and Mrs. Charley Clark of Littlefield are the proud parents of a baby son born Monday afternoon at the Payne-Shotwell hospital, and Mr. and Mrs. Charley Clark of Littlefield are the parents of a baby son born Monday afternoon at the Littlefield hospital.

Maby that doesn't sound like it makes sense to you, but it does make facts, because that is exactly what happened.

Now the Charley Clark baby has been named Henry Wesley Clark, and the Charley Clark baby has been named Charley George, if you understand what we mean, and so there's at least one more Charley Clark now, only he gets a "Jr." tacked on after his name when he gets big enough to write it.

Mrs. Charley Clark at the Payne-Shotwell hospital and son are getting along nicely, while Mrs. Charley Clark at the Littlefield hospital is getting along nicely. So are the two little Clarks.

And Mr. Ripley, in case you might get the facts in this story all twisted up—there are two Charley Clark families in Littlefield, they both have three-day old sons, born Monday afternoon.

Which one is the biggest will probably be settled later by Henry Wesley and Charley George in person. The hospitals however, said eight pounds, all.—County Wide News, Littlefield.

Corned Beef Dinner
Broadcast by Mary Lee Taylor
March 13, 1941

1 1/2 cups Fat Milk
1 1/4 cups water
1/2 cup corn meal
1 teaspoon salt
3 tablespoons finely cut onion

2 tablespoons hot shortening
2 1/4 cups diced, corned beef, cooked or canned (12-oz. can)
1/2 teaspoon pepper
1 cup Fat Milk

Heat diluted milk to boiling. Stir in slowly the corn meal and salt. Boil slowly for 10 minutes, stirring frequently. Cover and keep hot. Meanwhile, cook onion slowly for 5 minutes in skillet in hot shortening. Add corned beef and pepper. Continue cooking until meat is reddish brown, stirring frequently. Stir in milk. Cook slowly about 5 minutes, or until mixture thickens slightly. Arrange corn meal mush on platter to form a nest. Put meat mixture in center. Arrange creamed peas at either side of meat mixture. Serve at once. Serves 6.

*If canned corned beef is used, chill can before opening to make dicing easy.

Murder . . .

(Continued from Page 1) The defendant's attorneys pled her not guilty for reasons of insanity, before, at the time of, and after the infanticide, and the vote of the jury was 9 to 3 for acquittal. The jury went out at 12:00 noon Wednesday and was dismissed at 11:00 o'clock Thursday morning.

Mrs. Porter, it was charged, administered a caustic, namely Lysol, to her baby, causing its death. The state had introduced evidence by Dr. M. C. Overton of Lubbock Sanitarium, to whom the baby was brought by its father and mother just immediately following its death, possibly en route to the sanitarium. Dr. Overton said he detected the odor of a caustic on the child's breath, and symptoms indicated death by caustics.

Witnesses for the defense were physicians, including the defendant's former family doctor, Dr. Sullivan of Denton, and a deposition from Dr. Wilmer L. Allison, psychiatrist of Fort Worth, both of whom expressed the belief the defendant had a permanent mental disease. Dr. J. W. Sinclair also testified.

Johnson Dies . . .

(Continued from Page 1) Recently he had been suffering frequently from heart trouble. Sunday afternoon he was compelled to take to his bed and had not been away from home since. On Monday afternoon a physician was called, but there is not much that a physician can do in such cases. His wife and five of the seven living children were present at the time of his death.

Mr. Johnson was a native of Missouri, having been born at French Village near St. Louis on December 21, 1872. He was therefore 68 years of age.

Coming to Texas, he was married to Miss Susie E. Knoy, daughter of Mr. and Mrs. G. W. Knoy, at Georgetown, on October 29, 1902. Of this marriage eight children were born, seven of whom are living. These are Mrs. Cora Crotwell of Morton, Mrs. Pearl Caraway of Redwine, Mrs. Sue Ellen Dorman of Hagerman, New Mexico, John-Morgan Johnson Jr. of Lamesa, Mrs. Jewell Quinsey and Mrs. Ouida Cathcart of Hobbs, N. M., and Wyman G. Johnson of Ralls, Mrs. Johnson also survives.

All of the children are here for the funeral services except Mrs. Cathcart of Hobbs, who was not able to be here on account of the illness of her baby.

Tahoka Entries . . .

(Continued from Page 1) Roddy. Eliminations in the various Athletic Contests will be held in the near future. A schedule for the entire program of the county meet will be found elsewhere in this paper.

Home-Makers At Spur Convention

By Mary Beth Roddy Miss Lucille Wright, high school Homemaking teacher accompanied five girls to Spur Saturday, March 8, for the annual Area 2 meeting of Future Homemakers of Texas. The girls who went, officers of the Tahoka chapter, were Bette Ruth Wyatt, vice-president; Dorothy Holland, corresponding secretary; Mary Beth Roddy, reporter; Dorothy Carmack, song leader, and Ida Botkin, recording secretary.

At 9:45, after registration, the program began with a concert by the Spur High School band. The theme for the meeting was "Acquainting Ourselves With Our Organization." The main speaker of the morning discussed the Life and Works of Grace Noll Crowell.

Principal speaker of the afternoon was Reverend Thurston, who spoke on the Aims and Purposes of FHT.

Boys Pay Tribute To Coach Pace

Members of the Tahoka high school basketball team, county champions this year, this week presented their coach, A. L. Pace, a box of cigars and three golf balls in appreciation of his work with them this year.

Mr. Pace states that his boys are among the finest young men he has ever worked with.

Burglary . . .

(Continued from Page 1) Pate, identified as one of his. Articles stolen from Mrs. Owens included a radio, target rifle, watch, leather coat, and a small amount of money. Victor Botkin identified a typewriter, watch, and Masonic ring. He also lost some money. All articles were recovered except the money, which could not be identified.

Others from near Tahoka whose homes were robbed, and who recovered articles after identifying them from the loot, were W. R. Owens, who lost a target, tire, and some money on March 5; Paul Murie, on March 7, suit overcoat, and shirts, and W. G. Mathis, March 7, some articles of clothing. All homes robbed were farm homes.

None of the money stolen in Lynn county was recovered, as the victims were unable to identify it. Some money was recovered in Lubbock county, it having been old coins kept by collectors who know the dates minted. There are still a few of the old coins in the sheriff's office which have not yet been identified, as well as a large amount of the remaining loot.

Officers from Midland, Martin, Terry, Garza, Potter, Hale and Tom Green counties have been here and identified much of the loot and returned it to owners in their counties.

Band Presents Grassland Concert

Tahoka High School band, the Seventh Grade chorus, and several music students of Mrs. M. H. Edwards and Mrs. J. K. Applewhite presented a public program at the Grassland school gymnasium before a nice crowd Wednesday night.

The concert was given on invitation of Supt. Byron Terrell of the Grassland school.

The band played a concert, songs were sung by the chorus, piano solos were offered by Billie Jo Cowan, Julia Kathryn Thomas, and Savannah Lou Tunnell, a duet by Joan Edwards and Mrs. Edwards, and a baritone horn solo by Thomas Fender.

Campbell Is New Wilson Postmaster

Elmer Rice, who has been postmaster at Wilson several years, has resigned to take the position of mail carrier on Route 2 out of Wilson.

Pat Campbell has been named as postmaster to succeed H. B. Crosby. Mr. Rice succeeds H. B. Crosby as carrier on Route 2, who retired Sunday.

Mr. Crosby was responsible for the creation of this route in 1921 and has been its only regular carrier.

Mr. Rice has also been connected with the postal service for quite a number of years, and knows his obligations, so to speak.

Mr. Campbell, the new postmaster, has been manager of the Farmers Cooperative Gin in Wilson.

Mr. and Mrs. George Small were also among those attending the funeral of Jim Dye's mother last week in Plainview, The News is informed.

STATED MEETINGS of Tahoka Lodge No. 1941

the first Tuesday night in each month at 8:30 Members urged to attend. Visitors welcome.
