County League Meet Now In Progress

High Quality Animals Winners At Boy's Fat Stock Show

Tahoka Youths Fat Beef Winners

Quality of stock entered in the Third Annual Boys Fat Stock Show held here Wednesday was better than in previous years, judges declared, especially in the fat calf division, in which there were several classy calves.

A total of 98 entries were registered in the five divisions, but 41 of these were in the fat lamb class.

Tahoka, Wilson, and New Home boys were leading contestants for the \$220 in prizes offered by Tahoka business men.

County Agent Don Turner directed the show and 4-H Club members and Vocational Agriculture students owned and showed their own stock.

Prizes were awarded, as follows:

Bartley Wins Three
Baby Beef division, Jack Welch of the Lynn county PSA, superintendent:

Edward Bartley, Tahoka, first, \$20.00.
Sonny Roberts, Tahoka, second, \$15.00.

Joe Schwartz, New Home, third, \$12.00.
Deryl Moore, Wilson, fourth, \$10.00.

Edward Bartley, Tahoka, fifth, \$7.50.
Ebert Boullion, Tahoka, sixth, \$6.00.

G. W. White, Tahoka, seventh, \$5.00.
Ebert Boullion, Tahoka, eighth, \$4.00.

Lloyd McCormick, New Home, ninth, \$3.00.
Edward Bartley, Tahoka, tenth, \$2.00.

New Home Champion
Pat Barrow division, W. W. Hall, New Home Vocational Agriculture teacher, superintendent:

Doyce Jennings, New Home, first, \$10.00.
Wilbert Wenzel, Wilson, second, \$7.50.

Wilbert Wenzel, Wilson, third, \$6.00.
Troy Brewster, Wilson, fourth, \$5.00.

Milton Brewster, Wilson, fifth, \$4.00.
Doyce Jennings, sixth, \$3.00.
Leo Wenzel, Wilson, seventh, \$2.00.

Milton Brewster, eighth, \$1.00.
Owen Snyder, Wilson, ninth, \$1.00.
(Continued On Page 5)

Post Court Term Opened Monday

District court opened in Post Monday, and the grand jury adjourned Tuesday after returning only three indictments, all against negroes, District Attorney Rollin McCord told the News.

One indictment was for assault with intent to kill, the others for assault with intent to rob and burglary.

Farm Expert Is Coming Saturday

Paul G. Haines of the Extension Service, A. & M. College, will be the speaker at a meeting of farmers in the district court room here Saturday morning at 10 o'clock, Fred McGinty, temporary chairman of the Lynn county unit of the Texas Farm Bureau Association announced.

Mr. Haines, who spoke here a year or two ago and who won much acclaim for his analysis of the agricultural situation, is an excellent speaker and will speak on the plight of the farmer and what he can do to improve his condition.

C. A. Lawrence of the AAA office joins Mr. McGinty in urging that every farmer in Lynn county attend this meeting. They assure the farmers that they will not regret having heard Mr. Haines.

Woman Charged In Child Death Insane

After a surprise sanity hearing on Friday afternoon before a handful of spectators, Mrs. Fannie Lee Porter was adjudged insane by a jury in district court less than ten minutes after leaving the courtroom.

The petition for a sanity hearing was signed by Drs. Emil Prohl, city health officer of Tahoka and Dr. W. L. Baugh, county health officer of Lubbock county, who examined Mrs. Porter at the request of District Attorney Rollin McCord, who had called them in to examine the prisoner to satisfy his own mind as to her sanity. Dr. J. W. Sinclair, who had previously testified that he believed the defendant to be sane, said that on a later and more detailed examination, he had concluded that she was of unsound mind.

After these examinations, Mr. McCord (Continued On Page 5)

Garrard Tells Hereford History

Tom Garrard, attorney and breeder of registered Herefords, was the principal speaker at the Rotary Club Thursday noon, his subject being the "History of the Hereford."

He told many interesting facts concerning the Hereford, the herd owned by himself and wife, which herd is considered one of the best in this section, and other West Texas herds.

Garrard advocates the raising of more blooded beef stock by more farmers and more small ranchers in West Texas as a means of marketing more of this section's feed. He said he would rather have thirty 1,000 animals than one thousand \$30 animals.

County Agent Don Turner, a director of the club, acted as chairman of Thursday's meeting.

Visitors were Dud and Ted McCollum of Lamesa.

Farmer Meetings Are In Progress

County farm meetings for the purpose of explaining the new Supplementary Cotton Stamp, Food Production and Storage programs will be held at five Lynn county communities during the next few days. C. A. Lawrence, secretary of the Lynn county A. C. A. announces. Each meeting will begin at 7:30 p. m.

Every farmer should attend these meetings to learn how he may qualify for extra benefits under the 1941 farm program, Mr. Lawrence says.

O'Donnell, Monday night, March 24; New Home, Tuesday night, March 25; New Lynn, Wednesday night, March 26; Wilson, Tuesday April 1; Tahoka, Friday night, March 28.

Meetings were held at Draw last Monday night, Grassland Tuesday Morgan Wednesday, and Wells Thursday.

Singers Meeting At Grassland Sunday

The Lynn County Singing Convention will meet at Grassland next Sunday for an all-day singing, M. C. Richey announced this week. Singing will start at 10:00 o'clock Sunday morning and continue through the day.

A good many well known singers have been invited from all over the state and from New Mexico, and some very fine singing is promised. There will probably be a quartet from Abilene, and one from Shelby county present.

Everyone is invited to attend and bring a picnic lunch.

Five Bands At Tahoka's Clinic

By Dorothy Ann Roberts
Saturday, March 15, a band clinic sponsored by the Tahoka High School Band was held in Tahoka gymnasium. Visiting bands were: Andrews, Brownfield, Post, and Levelland.

Lunch was served in the home of Mr. and Mrs. John Hamblen to the following visiting directors: M. A. Armstrong, guest band conductor, of Midland, Mr. Armstrong, father of the guest band conductor, of Lubbock, Mr. Gray, Hale Center, Clifford Horn, Brownfield, Lawrence Spively, Post, and Bill King of Andrews.

Saturday morning the clinic band, composed of 115 band students from the various bands, played contest music which will be played by the various groups at Amarillo next month.

Saturday afternoon the visiting bands participated in a colorful parade down town. At the conclusion of the parade all the members of the bands were placed together on the courthouse steps to form a 125 piece massed band. Two marches, "His Honor" by Fillmore, and "The New Colonial" by Hall, were directed by the guest band conductor, Mr. M. A. Armstrong.

This mass band performance concluded the clinic.

The Junior Band of the Tahoka schools, marching for its first time, also appeared in the parade.

Tentative plans are being made for the Band Clinic to be held here annually.

Teachers Attend District Meeting

Practically all the school teachers of Lynn county attended the annual district meeting of the West Texas Teachers Association in Big Spring last Friday and Saturday.

Sam Lefeste of Lubbock schools was elected president to succeed Supt. O. J. Laas of Plainview and O. C. Thomas of Spur is the new treasurer. W. T. Hanes of Tahoka is a holdover as secretary of the association and Floyd Hemphill of Littlefield as vice-president.

Two Tahoka teachers, Miss Elizabeth McEwin and Mrs. Pauline Walker, appeared on sectional meeting programs.

Official delegates from Lynn county were Lee Dodson of Tahoka High, and Superintendents S. G. Anthony of Wilson and S. F. Johnson of O'Donnell.

Music Contests Are Set For Wednesday

Supplementing the annual Interscholastic League contests, a new phase of scholastic competition is being added this year in Lynn county—vocal and piano solos and vocal quartet—with Mrs. M. H. Edwards acting as county chairman.

Finals in these county-wide music contests will be held here next Wednesday night, 7:30 o'clock, at Tahoka High auditorium. Students from Grassland, Draw, O'Donnell, New Home, and Tahoka will compete.

Three local teachers, Mrs. Edwards, Mrs. J. K. Applewhite, and Mrs. R. L. Richardson, are offering gold pins to the three senior contest winners. Out of town judges will be used.

Ten More Men Go To Ft. Bliss Camp

Ten men left for Fort Bliss Wednesday to fill a call for eight men and two replacements for rejected men. Only one volunteer was in the group.

Roy Hudson Hicks, partner with W. T. Kidwell in ownership of the Piggly-Wiggly store in Tahoka, will be the first Tahoka business man to be drafted under the Selective Service program. His number was 110, the third in order for this week's call.

Maurice Elton Morris, with order number 398, was the only volunteer. His address was Post, Route 2.

Quincey William Brandon of Route 3, O'Donnell, order number 58, Monroe Edwin Umlang, Wilson, route, order number 100; George Altus Clary, Wilson, order number 127; Willie Roy Knight, Route 4, Tahoka, order number 176; Seth Thomas Haws, Slaton, Route 2, order number 193; and John Bernice Womack, Wilson, order number 198, Robert Johnson Collier, order number 117, who had moved to Mullen, and Johnny Richard McKinnon, order number 147, who was in Lindsay, Oklahoma, completed the call.

Brandon and Morris were sent as replacements for Charles Alton Hill, Route 2, Tahoka, and Ernest Harrison Hornbuckle, Route 2, Wilson, who were sent last week and were rejected by army physicians after they arrived in Fort Bliss.

Wade Hampton Adams of near Tahoka, who had order number 253 and was sent to Randolph Field, San Antonio, for training, Adams had been a student in Draughon's Business college in Lubbock prior to his enlistment.

Four men will be called on April 3. Two Mexicans have volunteered for that call, and if they are passed, only two men will be drafted.

Scout Camporal Will Be Held Here

Boy Scout troops from four South Plains towns will hold a camporal on the Tahoka school grounds Friday night and Saturday, April 18 and 19, Lee Dodson, local Scout commissioner announces.

Troops from Slaton, Southland, and O'Donnell, together with the local Scouts will make camp here Friday night, and on Saturday will engage in contests in Boy Scout lore.

ANOTHER EGG PRODUCERS MEETING FEBRUARY 29

The next meeting of the Egg Producers Association in this county will be held in the courthouse on Saturday afternoon, March 29, according to Mrs. Paul Lawson, all members and others interested are urged to be present.

Read the Classified Ads.

District Postal Workers Met Here Saturday

One hundred and thirty postal workers and their wives, and an additional group of Tahoka Rotarians Saturday night attended the annual 19th Congressional District postal workers banquet held in the gymnasium. The meal was served by the Tahoka band parents organization.

Lloyd Croslin, Lubbock county assistant district attorney and former secretary to Congressman George Mahon, was principal speaker at the meeting and brought a talk mingled with sparkling humor and serious thought, telling some of his experiences in the National capital.

Truett Smith acted as toastmaster, and Postmaster Happy Smith and (Continued On Page 5)

City Election Will Be Held April 1

A mayor, three aldermen, and a city marshal are to be elected at the City of Tahoka election on Tuesday, April 1.

This week, the name of W. M. Lee had been filed for city marshal, but no other names had been filed. He is the present marshal.

Deen Nowlin is the present mayor, and aldermen whose terms expire are W. O. Thomas, T. J. Bovell, and A. J. Mullins. Holdover aldermen are N. C. Rainey and Dr. K. R. Durham.

Though no names have been filed for these places, friends have indicated that they would file these men's names for re-election due to the fact that their program of city improvements has not yet been carried to completion.

The News has heard no criticism of any consequence and much praise of the present administration. If they will accept their present places on the council for another two years the voters will likely give their approval.

Lee Announces For Re-election

W. M. Lee, city marshal for the past two years, announces that he is a candidate for re-election, and asks that all qualified voters of the city election on Tuesday, April 1.

Mr. Lee is a long-time peace officer and anything we might say here would be unnecessary. Everyone knows he is constantly striving to do what's right and to see that the other fellow does what's right in the eyes of the law. He was night-watchman here for eighteen years, but two years ago he ran for and was elected to the office of city marshal. Therefore, he is asking now for a second term in this office.

School Elections Are Coming Up

County Judge Chester Connolly states that Tuesday, March 25, is the last day to file names of candidates for school trustees in the various districts of Lynn county. The elections will be on Saturday, April 5.

No names had been filed for trustees of the Tahoka district up until Thursday noon, though it is said three names will be filed today. Trustees whose terms expire are Henry Maasen, president of the board, L. C. Haney, and H. B. McCord. Holdovers are Prentiss Walker, John Slover, Vic Botkin, and L. D. Howell.

Miss Hazel Anglin of Farwell visited her parents, Mr. and Mrs. W. S. Anglin, last weekend.

Many Literary Events Finished

School students, teachers, parents, friends, and just plain, interested spectators from the four corners of Lynn county are being drawn to Tahoka this week by the annual Interscholastic League contests.

Winners in many literary events have already been determined, and athletic events such as playground ball and tennis have been narrowed down. Choral singing winners are being determined as the News goes to press Thursday night.

Today, Friday, the real activity gets under way, and tomorrow afternoon will be the annual track and field events.

All contests are being held on the Tahoka school campus.

The following winners have already been determined:

Boy's debate: Wendell Coffee and Jordan Nash, Tahoka, first; O'Donnell, second.

Girl's debate: Ida Botkin and Betty Lou Frazier Tahoka go into the finals with New Home Friday afternoon.

Senior girls, high school:
1. Helen Pemberton, Tahoka, Lincoln's Gettysburg Address.
2. John Ellen Beach, O'Donnell, "Sergeant Prentiss' First Picnic."
3. Nelda Savage, New Home, "The Homes of the People."

Senior boys, high school:
1. Carl Page, O'Donnell, "The National Recovery of Character."
2. Claude Slover, Tahoka, Lincoln's Gettysburg Address.
3. Jimmie Crawford, Draw-Redwine, "I Am An American."

Junior girls, ward school declamation:
1. Nancy Ray Weathers of Tahoka Ward, "The Flag Goes By."
2. June Burkhart, Draw-Redwine, "The House, Nobody In It."
3. Edna Edwards, O'Donnell, "Pioneer Mother."

Junior boys, ward school:
1. George M. Small, Tahoka, "The Thinker."
2. Troy Kyle, O'Donnell, "A Cry From the Canadian Hills."
3. John Wells, Tahoka 7th Grade, "Opportunity."

Junior girls, high school:
1. Dorothy Lee Carmack, Tahoka, "The Land of Beginning Again."
2. Mary Luttrell, Draw-Redwine, "A Cry From the Canadian Hills."
3. Billy Ray, New Home, "Abraham Lincoln Walked at Midnight."

Junior boys, high school:
1. Stanley Cathey, O'Donnell, "The Forgotten Man."
2. Winston Redwine, Tahoka, "The Unmanifest Destiny."
3. John Ragan, Draw-Redwine, "The Defense of the Alamo."
(Continued On Page 5)

PTA Is Sponsoring Play Next Week

"Bubbling Over", a hilarious college comedy sponsored by the Tahoka P. T. A., will be presented at the high school auditorium on Thursday and Friday nights of next week at 8:30 o'clock. Profits from the show will aid the Grade School rhythm band.

"Bubbling Over" is the story of two typical boys who are always in need of money and lack the ambition to earn any for themselves. After many trials—with their girl friends and college teachers, the boys finally come out on top by running a date bureau.

A top-notch cast will offer some of the best talent in Tahoka, including: Charles Townes as Bob, and Frank George as Bruce, the two college boys with scarcely a serious thought between them; Miss Mildred Cooper as Carol, who tries to keep Bob on the right path. Mrs. Guy Stroud enacts the role of Jude, Bruce's captivating girl friend. Jake Weathers and Miss Greta Apple- (Continued On Page 5)

Gray local pastor of the Presbyterian Church will be brought to a close with a Sunday afternoon service at 3 P. M. Special music and chalk drawings will be presented each evening this week. We invite you to attend these services.

DISTRICT NO. NINE RALLY AT BROWNFIELD

Under the leadership of Rev. Lowell Ponder, District Missionary, of Plainview and Mrs. L. Lumsden, District W. M. U. President, of Wilson, Tuesday and Wednesday of next week, March 25-26, will see a great gathering of Plains Baptists in the First Baptist Church of Brownfield, in the annual district rally of leaders in Laymen, W. M. U., Young People, B. T. U. and Sunday School work.

The first day will be devoted to W. M. U. and Laymen's work, with a special program by Young People at night. Wednesday will be devoted to the work of the Sunday School and B. T. U. and it is expected that the attendance will be large from each of the nine associations in District Nine. The annual meeting was held in Tahoka last year.

DALES ATTEND DALLAS MEETING

Rev. and Mrs. George A. Dale were in Dallas Monday night through Tuesday night where they attended a State Rally of Baptist Laymen. Besides many Texas Baptist and educational leaders such as George W. Truett, R. C. Campbell, Thomas H. Taylor, Pat M. Neff and Homer P. Rainey, the meeting was also addressed by several South-wide Baptist leaders including John L. Hill of Nashville, Tenn. and John W. McCall of Memphis, Tenn. A featured address of the meeting was that by R. G. Le Tourneau, of Peoria, Ill., whose subject was "Up From Bankruptcy".

BAPTIST EUZELIAN CLASS

The regular business and social meeting of the Euzelian class was held in the home of Mrs. C. S. Great-house Tuesday evening.

The devotional was brought by Mrs. Alice Fortenberry, who also presided over a business session in the absence of the President, Mrs. George A. Dale. Mrs. W. M. Harris brought the Treasurer's report.

Table games directed by Mrs. Fortenberry were enjoyed, after which Mrs. Greathouse served a refreshment plate to each of the following: Mmes. H. L. Roddy, G. H. Hines, R. C. Forrester, E. J. Cooper, Essie Russell, E. I. Hill, Harris, Fortenberry, C. A. Lawrence, Great-house and Miss Elizabeth Preston.

Mrs. J. H. Nelms, Miss Rosemary Nelms, and Mrs. Chas. Nelms and baby visited at Abilene over the weekend with Chas. Nelms, who is a clerk in the office of the construction company building the Army camp there.

FORMER TAHOKA GIRL MARRIED AT WACO

The News this week received a clipping from the Waco Times-Herald, announcing the marriage of Miss Janice Sanders, daughter of Mr. and Mrs. S. D. Sanders, who lived for many years in Tahoka and are well known here. The story follows.

Mr. and Mrs. S. D. Sanders of route 5 announce the marriage of their daughter, Janice Evelyn, to Lieutenant Alec P. Pearson, who is now stationed at Camp Bowie, Brownwood. The ceremony was performed by Rev. Mr. Creig of Lakeview Methodist church March 1 at 10 a. m. in his home. Only members of the immediate families attended the ceremony.

The bride was dressed in dusty rose alpaca trimmed in blue. Her accessories were rose and black and she wore a corsage of pink carnations and white gardenias. For something old, the bride wore pearls belonging to her grandmother, Mrs. Shook, and for something borrowed, she carried a handkerchief of her aunt, Mrs. Carl Trautschold.

Mrs. Pearson graduated from Waco High school in 1937 and was employed in Waco before her marriage. Lieutenant Pearson also was graduated from Waco High school and was engaged in construction work before being called for a year's service with the national guard.

After the wedding the couple left for a wedding trip to Marlin.

REV. SHEWMAKE'S DAUGHTER IN SERIOUS CONDITION

Rev. W. A. Shewmake left last Saturday for a further visit with his daughter in Dallas, who is in a critical condition following a recent operation for head trouble. He and Mrs. Shewmake and their son, Lige, had gone down two weeks prior to that time, when the operation was performed, and he and Lige returned home on Monday last week but Mrs. Shewmake remained there.

This is the fifth operation the daughter has had following injuries received in an automobile accident several years ago, and much concern is felt as to her condition.

METHODIST CHURCH

Sunday witnessed the best attendance at Sunday School and church for some time. Let's make this coming Sunday even better. Our Intermediate Choir improves with age and experience. Mrs. Irvin Stewart and Mrs. Sam Reid deserve much credit for building up this live organization.

Mr. Calloway Huffaker will become the sub-District director of our Young People at our next meeting. We welcome him to the youth organization where he has spent much time in the past.

As we approach Easter we should make a greater effort to do our duty toward the one organization that keeps alive the Easter hope in the world. In this troublous time may our hearts be fortified with the glorious Gospel hope.

Use the desk pad on which to write the names of sick and any others who need visiting. We had visitors from Denver Sunday and local people who were there for the first time.

The Editor has been confined to his room with a cold this week.

Vegetable Laxative Has Important Points

Most people want a laxative to do three things: (1) act punctually, (2) act thoroughly, (3) act gently. Here's one that usually fills all three requirements when the easy directions are followed. It's an all-vegetable product whose principal ingredient has medical recognition as an "intestinal tonic-laxative." That's the ingredient which enables BLACK-DRAUGHT to help tone lazy-bowel muscles. It is the main reason for the satisfying relief from constipation that generally follows next morning when BLACK-DRAUGHT is taken at bedtime. The millions of packages used are proof of its merit.

Myrtle Rochelle

Heard on the street recently: "I tell you, that the Land-Lease bill will ruin us all. Why, they'll lease up all the land in the country, and then what'll we do?"

Keep your eyes peeled on the paper to learn the data on the cooking school this newspaper will offer you soon. It is the first one to be sponsored by the News, and we promise to "do it up brown" by bringing you a well-known instructor and a first class good time.

We always try to touch on the serious side of life in our column, as well as the comical side. It is with an especial sigh of sympathy that we offer this stenographer's prayer:

"Now my notebook I shall close. My day is done. I seek repose. If Lord, I die tonight, of course 'Twill fill my boss with dire remorse; Please brace him up so he won't say, 'She WOULD go croak on a busy day'."

NEW HOME SENIORS HONORED WITH BANQUET

The senior class of the New Home high school were honored with a banquet Monday evening at the New Home Baptist church, with the Baptist W. M. U. as hosts.

The W. M. U. has voted to make the banquet for the seniors an annual affair, for the purpose of encouraging among the graduating boys and girls further education in denominational schools.

Arrangements were made for forty guests, with the national colors, red, white and blue used as a color theme.

Patriotic songs, piano, accordion and organ music served to enhance the evening's program.—Reporter.

Answer Cotton Program Questions

Moving to help improve living standards through increased production and storage of food for home use, the supplementary cotton program provides for a payment of three dollars which the cotton farmer cooperating with the supplementary program can earn.

The three dollar payment will be paid to those producers who meet certain food production and storage requirements as listed by the Agricultural Adjustment Administration, C. A. Lawrence, administrative officer of the AAA in Lynn County, points out in the second of three question and answer articles on the supplementary cotton program.

This additional payment is available only to cotton producers whose farms qualify for a cotton order stamp payment, the AAA official said, and is made in addition to all other payments under the farm program.

18. Q. Can the acreage not planted to cotton under this Supplementary Cotton Program be used for other crops?

A. Yes. This acreage can be used to produce food and feed crops for home consumption, or for any other crop or land use, except that the sum of the 1941 acreage of wheat, corn, (in the commercial corn area), peanuts, potatoes, commercial vegetables, rice and tobacco for the farm cannot exceed the sum of its allotments of permitted acreage for such crops under the 1941 Agricultural Conservation Program.

19. Q. What additional assistance is offered for encouraging increased food production and storage for home use, and who is eligible for this assistance?

A. Any owner, landlord, tenant, or sharecropper on a farm which qualifies for a cotton order stamp payment, may also earn a cash payment of \$3 by carrying out a designated practice designed to improve and increase food production and storage for home use.

20. Q. What practice can be carried out in order to earn this special \$3 cash payment?

A. (See AAA office for requirements to be met).

21. Q. Will the \$3 payment be

divided among tenants and landlords?

A. No. Each producer who carries out a food production and storage practice will receive the entire payment of \$3.

22. Q. Must the food referred to in this practice be grown on the farm?

A. Yes. The food which qualifies the producer for the \$3 payment must be grown on the farm for consumption by the producer and his family.

23. Q. May a producer receive credit for more than one such practice during 1941?

A. No.

24. Q. Must the food requirements under this practice be in addition to the practice customarily carried out by the farm family?

A. Yes. No payment will be made unless performance under this practice is in addition to the producer's usual production of food crops, as indicated by his certificate on the application for payment.

25. Q. Will the \$3 special payment be included in the farm's regular soil-building allowance?

A. No. The \$3 payment is an added payment for a special practice and will not be included in the soil building allowance.

CARD OF THANKS . . .

We wish to thank our friends and neighbors for the many kindnesses and comforting words occasioned by the illness of Mrs. Martin and the death of our infant child. We certainly appreciate our friends. May God bless you all.—Mr. and Mrs. John H. Martin and children.

Wake Lazy Insides All-Vegetable Way

Thousands turn to this way to get relief when they're lazy intestinally and it has them headachy, bilious, irritable, listless. A quarter to a half-teaspoonful of spicy, aromatic, all-vegetable BLACK-DRAUGHT on your tongue tonight, a drink of water, and there you are! Thus, it usually allows time for a night's rest; acts gently, thoroughly next morning, so relieving constipation's headaches, biliousness, bad breath.

BLACK-DRAUGHT'S main ingredient is an "intestinal tonic-laxative," which helps impart tone to lazy bowel muscles. The millions of packages used prove its merit. Commercial, too: 25 to 40 doses, 25-

Three Lakes Farm House Is Burned

Fire which broke out most unexpectedly quickly destroyed completely a four-room farm house occupied by Mr. and Mrs. Ray Quarles on the B. R. Tate farm just south of the old Three Lakes school building about eleven o'clock Friday morning.

Mrs. Quarles had an oil stove lighted in the house but had noticed nothing unusual as to the manner in which it was functioning. For a few minutes she had been outside the house preparing to do the family washing, when suddenly, to her great consternation, she noticed that the house was on fire. A high south wind was blowing and the flames had reached such stage that it would have been impossible to extinguish them even if water had been available.

The house and most of its contents were destroyed. Mr. Tate carried \$500 insurance on the house but there was no insurance on the furniture.

Mrs. Laura C. Harrison has moved from O'Donnell to Tahoka, where she is making her home at the Sunshine Inn. Mrs. Harrison, who recently celebrated her 90th birthday in the home of her granddaughter, Mrs. G. R. Milliken, has been residing with a grandson, Charley Wells, for the past several years.

ACALA COTTONSEED

Ginned exclusively on one gin; cleaned; Ceresan treated; State Certified; Government tested, 92% germination. Approved and handled here by Government Export Program for 2 out of 3 years. Good lint turnout, high grade, long staple. Extra large yield, many averaged 1/2 to 3/4 bale per acre this season with average price over 10c on entire crop. Write for information to—

**Roosevelt Strikes Hard At
The Dictators**

That was a brave and straight-forward speech which President Roosevelt made to our nation and to the nations of the world last Saturday night—a speech worthy of the mettle of the American people. There was no note of appeasement in it, nothing to indicate that America any longer is afraid. It bristled with righteous indignation at the robbery and raping which the dictators have been perpetrating among their unoffending neighbors and put the robbers on notice that America is in the fight to a finish with all of her resources until they are driven from power.

He promised ships and planes and tanks and guns and ammunition and food and supplies of all kinds to the allies as fast as it can be supplied, and he assured the subjugated nations that our aid is also available to them at any time they may find it opportune to strike back at the dictators for their liberties. China likewise was promised help in her struggle against the thieving Japs who are undertaking to subjugate or to despoil her.

Furthermore, he put the grafters and obstructionists and fifth columnists at home on notice that Uncle Sam will stand for no monkey business from them—that the purpose and determination of the American people will not be frustrated by unnecessary labor strikes, nor by war profiteering, nor by shortsighted business management, nor by sabotage.

The address was broadcast to the nations of the world in more than forty languages, and it was hailed with approval and with joy everywhere except in the dictator countries.

The speech must have been highly gratifying to every patriotic citizen in this country except a few who have been blinded by partisanship or by prejudice or by unwarranted fear. It was indeed refreshing. It sounded no cowardly note, not a word that suggested a policy of appeasement or that gave an iota of encouragement to any of the dictators. On the other hand, he declared: "Our country is going to be what our people have proclaimed it must be—the arsenal of democracy. Our country is going to play its full part and when dictatorship disintegrates—and pray God that will be sooner than any of us now dares to hope—then our country must continue to play its great part in the period of world reconstruction."

We like the ring of that. It sounds like America!

Democracy is a form of government based on the conviction that there are extraordinary possibilities in ordinary people.—Dr. Fosdick.

Hamlin Hatchery
HAMLIN, TEXAS

We gather from press dispatches and radio broadcasts that both those international gangsters, Adolf Hitler and Benito Mussolini, were highly disappointed and displeased at our passage of the Lease-Lend bill. So were a few people in this country. The obstructionists in the United States Senate made a prolonged fight on the bill in the face of obvious final defeat. Their only purpose could have been to gain notoriety or to delay our aid to Britain for the benefit of the gangster powers. It's a pity but that Nazi sympathizers in this country could have the great privilege of living under Nazi domination for about six months. We believe that in that time they would get thoroughly cured of their Anglophobia.

A bill making persons over sixty-five years of age eligible for old-age pensions regardless of their wealth or financial condition has been given a favorable report by a committee of the Senate in Austin. Under this bill a millionaire would receive the same pension from the State as would the unfortunate poor man. We may be dumb, but we have never been able to see any justice in such a policy. Why should the farmer, the small business man, any tax-payer, be taxed to pay pensions to men and women in opulent circumstances and not in need of pensions? It may be good politics to advocate such a measure, but it is neither good business nor fair practice. The citizenship of this State should protest vigorously.

The argument is made that by granting pensions to all persons over sixty-five years of age regardless of their financial circumstances the expense of maintaining investigators would be eliminated. The proponents of such a policy, in other words, would undertake to solve the pension problem by throwing a few pension investigators out of employment and using their salaries for paying pensions to thousands and thousands of persons in the state who are wealthy and need no pensions. The man who has gotten rich in oil, the owner of a skyscraper, the president of a bank, the proprietor of a prosperous ranch of vast dimensions, merchant princes in our cities, bloated bond-holders, and hordes of other rich men and women, would not only get the little salaries now being paid to a few investigators but they would get a considerable part of the pension money that otherwise would be paid to the poor and needy. We do not think it would be right. Do you?

Somebody advanced the claim a few weeks ago that statistics show that the average sober driver has more accidents on the highways than the average drunken driver, and a lot of newspapers published the propoganda. If true, we guess the statement would have had high "news" value for the same reason that the story of a man biting a dog is real news. But if it is true, then it behooves all of us, just as a safety measure, to make a habit of taking a few drinks before starting out in the more drinks we take the better. Our cars upon the highways, and if all our drivers would just stay about half drunk all the time, we guess we would have practically no accidents at all. Bosh!

We still think this is a pretty good slogan: If you drink, don't drive; if you drive, don't drink.

A CHANGE OF BOSSES
It appears that Earl Browder (Communist leader) will take his orders from the warden instead of Joe Stalin for the next four years.—The New Yorker.

PATTERSONS VISIT IN ARIZONA

Mr. and Mrs. Ott Patterson recently made a wholly unexpected visit with his brother and family in Phoenix, Arizona. His brother and wife, who had been on a trip to the east, came by Tahoka for a visit here, so Ott and his wife were prevailed upon to accompany them home for a visit. Four day later, Mrs. Patterson's brother and wife, Mr. and Mrs. Cecil Shaw who now live in California, came through Phoenix on their way to Texas for a visit and the Pattersons returned to Tahoka with them.

The Pattersons say that their visit was all the more pleasurable because it was entirely unexpected.

NOTES**

JACK WELCH

Many farm homes in Lynn county will be improved, more and better stock tanks will be made available to livestock and dozens of additional storage cellars will be packed full of canned fruits and vegetables this year as a result of the Water Facilities Program, according to Jack Welch, county supervisor for the Farm Security Administration.

Mr. Welch said his office has received a large number of applications from farmers in the county for loans to install facilities which are available under this Federal project.

He said several of the loans had been approved and that work is now in progress on several farms.

Miss Myriene Cannon, home management supervisor for the Farm Security Administration, said she was particularly interested in that part of the program which provides loans for installing bathroom fixtures, sinks, and for developing facilities for subsistence gardens and truck crops up to one acre of land.

"In an area where water is so important for growing fruits and vegetables, I know there will be a great increase in the number of good gardens as a result of this special program," she said.

Mr. Welch said that in spite of the fact that his office has received a large number of applications for Water Facilities loans he is anxious that more eligible farmers participate in this improvement program. He explained that low-income farmers and others who cannot obtain adequate credit elsewhere are eligible to apply to Farm Security Administration for one of the loans. Farm owners, farm tenants and farm operators are eligible to make application for Water Facilities loans.

Mr. Welch reminded readers of Lynn County News that facilities which may be installed with funds borrowed from the Federal government include repairing or providing wells, cistens, pools, ponds, stock tanks, together with the installation of windmills, stock troughs, storage tanks, bathroom fixtures, sinks, pipes, etc.

He said that full details may be obtained by anyone calling at the Lynn County FSA office in the court house at Tahoka, Texas.

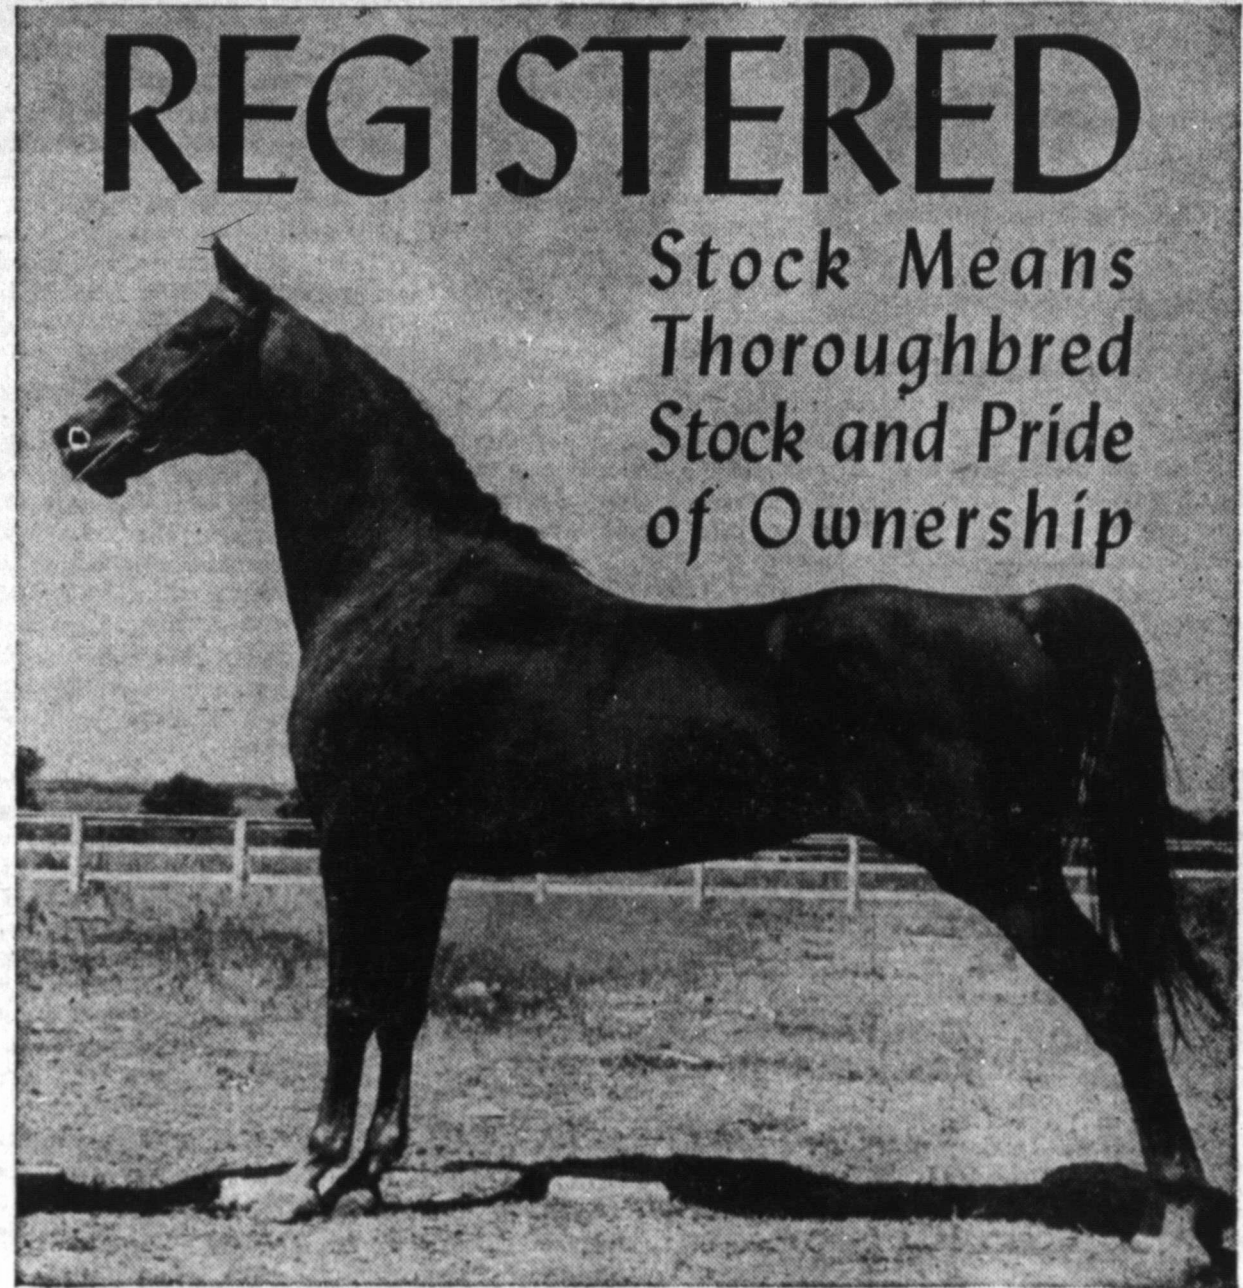

There are two main reasons why some people can't mind their own business: The first is they haven't any business, and the second is that they haven't any mind.—Ralls Rotary Pepper.

Mr. and Mrs. Price Thomas and daughters attended the Southwestern Exposition and Fat Stock Show in Fort Worth last weekend, returning Sunday. They reported a fine time and a fine show.

No Ford has ever carried
EXTRA VALUE
quite so far!

We'd like you to see and drive the finest Ford we've ever built.

You'll find its big bodies longer inside, greater in total seating width, and larger in windshield, than anything else in the Ford price field right now.

You'll find a great new Ford ride, too. A soft and quiet new ride that has surprised a lot of people and may surprise you.

And with its room and ride and view, you get Ford extra power with extra thrift, the biggest hydraulic brakes near its price, and a lot of fine-car mechanical "features" found only in a Ford at low price.

If you are choosing a new car this year, you'll do well not to miss this Ford. And not just because we say so, but because the facts do!

GET THE FACTS AND YOU'LL GET A FORD!

Mrs. Porter Is Found Insane

(Continued From Page 1)

Cord told Truett Smith and Tom Garrard, attorneys for Mrs. Porter, that he would not further contest the insanity plea.

Testimony of seven doctors was introduced to prove Mrs. Porter, who had previously been charged and tried for the murder of an infant daughter, was suffering from a permanent and incurable hereditary mental disease.

Judge Louis B. Reed committed her to County Judge Chester Connolly for entry into a state hospital, and commended the district attorney for his honesty and fair dealing in the case.

Edgar Cunningham, who was brought back from Tucker, Arkansas, by Sheriff B. L. Parker Monday to face a two year old forgery indictment, was brought to trial Friday morning and sentenced to two years in the state penitentiary.

James J. English, Jr., 21, of Los Angeles, California, Emery C. Jerry, 21, of Monte Bello, California, and Louis W. Northcraft, 24, of Kansas City, Missouri, were tried and convicted on two charges of burglary Thursday afternoon of last week and sentenced to two years in each case, to run consecutively. They will face similar trials in several counties in this section of the state.

We pick Up and Deliver

Postal Employees

(Continued from Page 1)

The local postal workers were the hosts. They "did the job up brown" and the meeting was declared by a number of the visitors to have been the best one they had ever attended.

Slaton won over Brownfield in the contest for next year's affair and promised to go Tahoka one better, if possible.

The banquet program was opened with songs led by Postmaster Owen Taylor, Lamesa, and the invocation by Rev. Geo. Dale, Tahoka. Tom Garrard delivered a flowery address of welcome, and Postmaster James Harley Dallas, Brownfield, responded in a humorous vein.

Accompanying himself on the guitar, John Hamblen, Tahoka band director, sang a couple of numbers to the delight of the audience. The Hillbilly String Band from Wilson, which played while the assemblage ate, drew a big hand after every number.

Representatives of the postal service were present from all parts of the 19th Congressional District, coming from as far away as Coahoma on the south, Old Glory on the East, and Farwell to the northwest.

Among the more prominent from out side the district were Joe Nalley, Trent, prominent in the state organization, and Earl Slater, Clyde, editor of The Texas Carrier.

Much fun was had throughout the meeting at the expense of Postmasters Dallas, Taylor, W. D. T. Storey of Littlefield, and Amos Howard of Lubbock.

Following the banquet, special group meetings of postmasters, carriers, and clerks were held.

Tahoka Rotary Club had dismissed its regular meeting on Thursday in order to attend the meeting as a sort of welcoming committee, but due to the fact that the banquet was on Saturday night not more than about a dozen Rotarians were able to attend.

MISS ALMA FAY WARREN MARRIES AT LEVELLAND

The wedding of Miss Alma Fay Warren, daughter of Mr. and Mrs. W. R. Warren of Tahoka, and Herbert Hale, son of Mr. and Mrs. H. H. Hale of Whitharral, took place Saturday, March 15, at 4 o'clock in Leveland with Rev. A. A. Brian, pastor of the Baptist Church officiating.

The couple will be at home in Lubbock where Mr. Hale is employed by Armour & Co. and Mrs. Hale by the Lubbock Auction and Commission Co.

Dr. Ferrell Farrington, O'Donnell dentist, and Captain in the First Medical Regiment, Reserves, has been called to report for active duty in San Antonio on April 1. He has been practicing in O'Donnell over eight years.

Mattress Program Will Start Soon

Those who want mattresses under the new mattress program should apply for them now, Miss Maurine McNatt, county home demonstration agent, asks The News to state.

Work will start early next month, and applications should be in now if sufficient orders are on hand to insure the opening of mattress centers.

Three or four centers will be opened early in April out of a total of possibly nine before the program is completed.

Among those attending the Fat Stock Show at Fort Worth last week end were Mr. and Mrs. R. W. Fenton Jr. and daughters and Elbert Boulloun Jr. and Sonny Roberts.

Judge and Mrs. J. W. Elliott left Sunday for a vacation of four or five weeks in Mississippi, Florida, and other Southern states.

Three File For School Trustees

Friends and interested school patrons are filing the names of Wynne Collier, Truett Smith, and Oscar Roberts as candidates for school trustees of the Tahoka Independent School District, The News was informed late Thursday afternoon. There are three to be elected.

All of these gentlemen are well-known citizens, interested in the schools, and would, no doubt make excellent trustees.

GONE FISHING

A party composed of Conway Clingan of Tahoka, Les Crews and Walter Camp of Petty, and H. W. Crews and a Mr. Edwards of Slide left Tuesday noon for a ten-day fishing trip down into Old Mexico. They expected to wet their hooks in Don Martin's lake.

Relatives who attended the funeral of J. M. Johnson, Sr., last Friday, and who were not mentioned in last week's paper were Misses Ada Renker and Hattie Mae Stevens of Dallas, nieces of Mr. Johnson, and Rev. W. Joshua Knoy of White Flat, brother of Mrs. Johnson.

Judge and Mrs. Chester Connolly and daughter, Geraldine, Mrs. Loyce McMahon and son Laylan Boyce, attended the Fat Stock Show in Fort Worth last weekend.

Miss Mary Seroyer is visiting Mr. and Mrs. B. H. Baker in Clovis, N. M.

Congratulations

Mr. and Mrs. Fred B. Hegl, on the birth of a 7-pound, six ounce son, in a Lubbock Hospital at 7:05 A. M. Thursday, March 20.

On the birth of a daughter to Mr. and Mrs. Mart Willingham, Draw, weighing 6 pounds, 11 1/2 ounces, in a Brownfield hospital Sunday night at 11:45 o'clock.

James Minor Is Now Lieutenant

A news dispatch from Camp Bowie, Brownwood, dated March 18, listed the name of former Sergeant James Minor among the promotions in the 142 Infantry, Thirty-sixth Division. Minor, a member of the National Guard when inducted into service last fall, has been promoted to Second Lieutenant. Lieutenant Minor is the son of Mr. and Mrs. John Minor of Tahoka.

SCHOOL TRUSTEES ATTEND BIG SPRING MEETING

Prentice Walker and John Slover, members of the Tahoka school board, last week attended a meeting of school trustees from the West Texas district held in Big Spring.

They said they received many helpful ideas on the operation of the schools. Among the speakers on the program were Dr. J. T. Hutchinson, who has been chairman of the Lubbock board 25 years, and Mr. Jackson, manager and tax collector of the Lubbock schools, and Supt. V. Z. Rogers of the Lamesa schools.

CHILD GUIDANCE CLUB

The Kindergarten taught by Mrs. Raymond Weathers furnished features on the program when the Child Guidance club met with Mrs. Wynne Collier as hostess in the home of Mrs. J. K. Applewhite Tuesday.

The Rhythm Band, consisting of Thomas Dean Nowlin, Carolyn Collier, Marjorie Clinton, Mary Louise Fenton, Bobby Lehman, Joyce Weaver and Rollin McCord, Jr., played "Yankee Doodle".

Ann Finley and Bobby Lehman sang solos, Marjorie Clinton gave a reading, Mary Louise Fenton and Jimmy Walker sang a duet to the accompaniment of the Rhythm Band, and Carolyn Collier and Thomas Dean Nowlin sang a duet. The Kindergarten's program was concluded by another musical rendition by the Rhythm Band.

Mrs. Rollin McCord talked on "Tonsil Hazards", and Mrs. E. R. Edwards discussed the subject, "How Does Your Child Hear?"

Refreshments were served to five guests, Mesdames W. D. Smith Sr., Al Lehman, J. K. Applewhite, Jack Fenton, and A. C. Weaver, and the following members: Mesdames Douglas Finley, Calloway Huffaker, Jr., Jack Welch, R. H. Gibson, E. R. Edwards, Truett Smith, Deen Nowlin, Coy Fielder, K. R. Durham, W. E. Smith, Rollin McCord, and the hostess, Mrs. Collier.

BAPTIST BUSINESS CIRCLE

The Business Women's circle of the Baptist W. M. U. met Tuesday night in the home of Miss Viola Ellis for a sausage supper.

One chapter of the book, "He That Giveth", was taught by Miss Nell McLeroy.

Present were Misses McLeroy, Joe Belle and Robbie Milliken, Lorena Reese, McLeroy and Ellis.

CARD OF THANKS

We wish to publicly thank those folks who contributed household goods, clothing, food, and money following the burning of our house and all its contents. It's hard to tell you how much we appreciate this wonderful spirit of helpfulness.—Mr. and Mrs. Ray Quarles.

Mrs. Coy Cathcart of Hobbs, N. M., was able to attend the funeral services held for her father here last Friday.

Uris Howard, Floydada, was a visitor here Tuesday.

Wenzel Is Winner At Ft. Worth Show

A. D. Wenzel, Wilson registered Berkshire breeder, returned last Saturday from Fort Worth with eight ribbons which he won on as many hogs at the annual Southwestern Exposition and Fat Stock show.

His most prized were purple ribbons for the senior champion litter of the whole show, and championship for a pen of three barrows. He also got first place ribbons for fat barrow and litter. Two third place ribbons were for a pen of three fat barrows medium weight and heavy fat barrows. The fourth place was for a single barrow, middle weight class.

Wenzel won \$108 in prize money this year, \$11 more than he won at the same show last year. There were 579 hogs shown in this year's show, Wenzel said.

STORY OF VISIT CORRECTED

In another place in this paper appears an account of the recent visit of Mr. and Mrs. Ott Patterson in Phoenix, Arizona, which is inaccurate in several particulars.

Mr. Patterson's brother, Earl, with whom they made the trip, was not accompanied by his wife. He had been to Arkansas and came through Tahoka on his return trip to his home in Phoenix.

Mrs. Patterson's brother whom the Pattersons accompanied back to Tahoka later was not Cecil but Clyde Shaw together with his wife and daughter, Mrs. Bill Swann and husband, all of Wilson, who had been on a visit with their son and brother, Jyles Shaw, and his wife in Los Angeles.

The incorrect story is in print before we learned of its inaccuracies.

Dr. and Mrs. Emil Prohl are expected to return today from Dallas, where Dr. Prohl has been attending the Southern Clinic, a meeting of physicians from all over the south for the purpose of learning the latest medical developments.

The clinic this year was the largest ever held, and medical authorities from all over the nation were present. Several famous medical lecturers were heard.

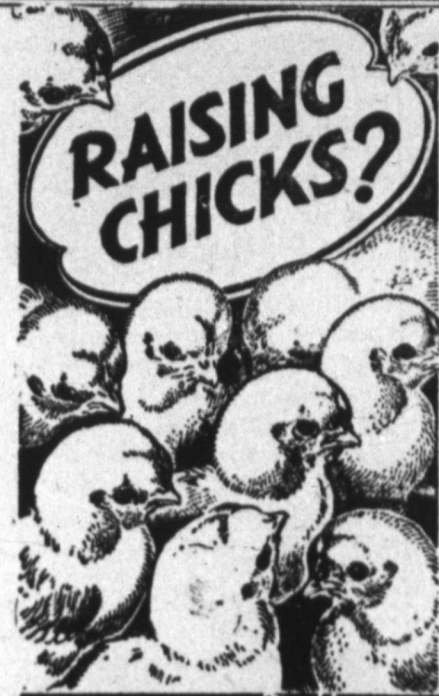

RECITAL AT O'DONNELL

Mrs. J. K. Applewhite, teacher of piano, presented one of her pupils, Virginia Shoemaker, of O'Donnell, in a recital in that city Wednesday night.

Assisting on the program were Savannah Lou Tunnell and Mary Beth Fenton.

H. C. Smith, long time citizen of the county, and father of Postmaster Happy Smith, is ill at his home north of town.

Miss Ozell Wheeler is visiting in Abilene and San Angelo this week. She will return to Tahoka Saturday.

RAISING CHICKS?

Make Our Store Your Headquarters for Purina Startena and Your Chick Needs!

If you're raising chicks this year, we invite you to come in and see us for all your chick supplies. We sell Purina Chick Startena—America's largest selling chick starter. Startena is built for rapid growth and high livability—it gets chicks off to the right start in life. This year give your chicks every chance to live and grow—feed Purina Startena.

SEE THE Difference PURINA MAKES.

Cads and Enos See Eye, in the Elder

"Go down, Moses,
Into Egypt land
And tell old Pharaoh
To let my people go."

Thus runs, in some such verbiage, the militant plea of the old Negro Spiritual inspired by the Bible account of the sufferings of the Israelites in the land of Egypt more than three thousand years ago.

But that story reminds us of events that have been occurring in the world in recent years.

If you love a good story well told, you plain unsophisticated folks; if you love a moving drama expressed in strong, incisive, stately English, you cultured, discriminating litterateurs, then hunt up that old Bible of yours—long neglected perhaps—brush the dust off the covers, turn to the Book of Exodus—it's the second Book in the Bible, in case you have forgotten—and there read the thrilling story of how an enslaved and oppressed people was delivered from bondage and how retribution and punishment was brought to their haughty and cruel oppressors. It is a vivid portrayal of God's

care and pity for an exploited and helpless people writhing under the heel of a heartless dictator, for "they cried, and their cry came up unto God by reason of the bondage," we are told; and at the same time it was a terrific indictment of a totalitarian power that was exploiting these people and laying upon them burdens heavier than they were able to bear.

How it makes us think of Czechoslovakia, and Poland, and Denmark, and Holland, and France today!

Is it any wonder that Hitler hates the Bible, denouncing it as a mere Jewish book, and that he has undertaken to build a new religion for the German people not based on the Bible?

A lot of folks today are unable to accept the record of the miracles performed by Almighty God through the agency of Moses and Aaron in bringing about the deliverance of the people of Israel from Egypt; in fact they are unable to accept any of the miracles recorded in the Scriptures.

We can sympathize with all such persons, for miracles do seem absurd from the mere human standpoint. But when we contemplate how little the wisest of men, and all the wise men put together, know as compared with the things that might be learned about the Universe, how weak and helpless we are to change this Universe one iota, how incomprehensible it all is, how marvelous are the laws that govern it and how wise and mighty must be the Power that created the Universe and made the laws that govern it—when we think on these things, we would not be so bold as to assert that He cannot control and even set aside those laws at will.

But whatever may be your attitude as to the miracles recorded in Exodus, no thoughtful person can read the Book without being impressed with the fundamental truths that are set forth by it and without hearing the majestic tread of Almighty God among the affairs of the people concerned, as related in this remarkable story.

In that electrifying Give-me-liberty-or-give-me-death speech made by the immortal Patrick Henry in 1775, he exclaimed: "Besides, Sir, we shall not fight our battles alone. There is a just God who presides over the destinies of nations, and who will raise up friends to fight our battles for us."

That belief has strengthened the courage and the arm of many a nation fighting for liberty.

It may be that since the United States Congress has passed the Lease-Lend bill, England and Greece and China and all the nations now being ground in the dust under the heel of Hitler feel too that "There is a just God who has raised up a mighty friend to help them repel the heavy foot of the ruthless invader and to maintain their own independence and liberty."

They were Israelites, father of the present Jewish race, who were the objects of Pharaoh's oppression in the long centuries ago. It was the Jews, upon whom Hitler and the Nazis first vented their wrath in Germany before starting their war of aggression upon the neighboring nations.

There was this difference. The German war lords banished Jews, thousands and thousands of them, from the borders of Germany—compelled them to flee in exile to other lands. Many of those who could not or would not go were imprisoned or placed in detention camps, some of them killed.

In ancient Egypt, however, the Israelites were asking of the Pharaoh permission to leave Egypt and return to the "Promised Land." Since Pharaoh had enslaved them and was exploiting their man-power, their ability to labor, he presently refused to permit them to go, until Almighty God bared his arm and brought death to the first child in every Egyptian household.

It seemed like an extreme measure, but it only shows how highly God esteemed the right of the Israelites to live in freedom and independence. We are persuaded that he is concerned that worthy people capable of self-government shall have that right today.

Think of the oldest child in every

household throughout a country of possibly seven millions of people stricken dead at midnight in the same night. That is what happened to Egypt, according to the Bible account. "At midnight the Lord smote all the first-born in the land of Egypt, from the firstborn of Pharaoh that sat on his throne unto the firstborn of the captive that was in the dungeon; and all the firstborn of cattle . . . And there was a great cry in Egypt; for there was not a house where there was not one dead." So says the record.

It does seem that that would have been enough to sober old Pharaoh and to stay his hand from further devilment; but when he realized that his slaves were gone, he regretted that he had permitted them to go, and so quickly gathered together his army and gave pursuit. He met another little disaster at the Red Sea—and by the way it's down at the other end of this same sea that that old buzzard Mussolini has been meeting disaster himself the past several weeks.

It was a mighty host of Israelites that crossed the sea on dry ground, and a mighty host of the Egyptians that were overwhelmed and drowned in God's angry waters.

Yes, a mighty host of the migrating Israelites. The book tells us that there were about six hundred thousand men, on foot, and only the Lord knows how many women and children there were. Besides, they had their flocks and their herds, "even very much cattle."

And thus God himself brought defeat and disaster to that wicked old dictator, and some of us have the faith to believe that he will bring defeat and disaster to every dictator in the world today who is seeking to enslave or to exploit helpless and unoffending peoples.

May God give great strength to the arm of President Roosevelt and of the American people that the power of the dictators may be made to crumble speedily.

"Go down, Moses, and tell old Hitler to let those people go."

ADMIRAL RICHARDSON VISITS IN CANYON

CANYON, March 21—A recent distinguished visitor in Canyon was Admiral James O. Richardson of the U. S. Navy.

Barring interviews and public appearances of all kinds, Admiral Richardson stopped to visit his sister, Miss Mary Moss Richardson of the West Texas State English faculty. He was en route to Washington, D. C., from Hawaii, where he has been stationed as commander of the fleet.

For chicks' bowel trouble put Dr. Salisbury's PHEN-O-SAL in drinking water. Double-duty medicine. Checks germs in droinking water and medicates digestive tract.

WYNNE COLLIER, Druggist

Miss Lola Belle Johnson, teacher in the public school in Post, stopped over in Tahoka Saturday for a visit with her sister, Mrs. C. N. Woods, following her attendance upon the teachers meeting at Big Spring. Miss Johnson lived here a number of years and formerly taught in this and Dawson counties.

People criticize me for harping on the obvious. Perhaps some day I'll write an article on The Importance of the Obvious. If all the folks in the United States would do the few simple things they know they ought to do, most of our big problems would take care of themselves.—Calvin Coolidge.

Teacher was trying to explain the use of adverbs as applied to speed. Walking across the room very rapidly she turned and asked, "Now how would you say I walked then, children?" With one accord, and without a smile, they all shouted, "Bow-legged!"

AIR'S FREE so why not use it?

GETTING right down to it, one reason why you get as much as 10% to 15% more miles per gallon from a 1941 FIREBALL Buick with Compound Carburetion is that this engine is supplied with more air.

For it is a mixture of gasoline and air that gives you power.

A single carburetor, no matter how many jets it has, can handle only so much air.

But two carburetors that function as needed, as is the case in Compound Carburetion, can meet any fuel-supply need from low-speed to heavy-power use—and always provide a well-balanced mixture.

They can double the air supply as well as the gasoline feed—and that's something you can't do in any single-carburetor car.

So Compound Carburetion gets as much as 800 miles for the gas-cost of 700 in earlier Buicks of the same size.

It also provides a wallowing big bank of reserve power, which means an up-and-at-'em lift and surge that's nothing short of thrilling to experience.

And you can have Compound Carburetion, you know, on any 1941 Buick—it's only a few dollars extra on the swell big SPECIAL pictured here, and standard equipment on all other models.

"Best Buick Yet"

delivered at Flint, Mich. White sidewall tires, state tax, optional equipment and accessories—extra. Prices subject to change without notice.

CARD OF THANKS . . .

We want to thank our many friends who helped us in any way during the short illness and at the death of our loved one—husband and father. May God bless each one of you is our prayer.—Mrs. J. M. Johnson, Sr., and children.

Defense Theme Of Educators

By W. T. Hanes
Superintendent of Schools

(Editor's Note: The following is one of a series of articles by Mr. Hanes on the National Convention of School Administrators held recently in Atlantic City, N. J.)

That more education means more business was the theme of the presentation of Superintendent Willis A. Sutton of Atlanta, Georgia. Increasing an individual's appreciation of and desire for better things helps to improve business. Education is the basis of wealth, he said, and it increases the capacity to satisfy those increased desires. Where better education prevails, not only better foods and clothing are called for, but more newspapers, telephones, household, musical, and art goods, and luxuries of all kinds are in greater demand. Investment in school taxes leads to more business and more profitable business.

Education for family life was the theme of the annual yearbook put out by the Association. This year the report on the yearbook was dramatized. In the first part, the spiritual aspects of the home sang and chanted and spoke themselves into the hearts of the large audience. Under the theme, "America at Home" one felt the American family's basic integrity and sensed the strength and greatness of a land and a people founded upon sacredness of family life. Felt, too, the contributions which a democratically controlled family can offer to the improvement and strengthening of the American Republic.

In the second part, President Reinhardt of Mills College, speaking on "The American Home and American Education", enumerated the characteristics of American home life which deserve cultivation by parents and teachers and pictured the home as the true testimony of a country's culture. "In The Home", it was pointed out, "Individuals must learn to live cooperatively and these democratic practices must be continued and developed in the school. The American home, the American school, if there rightly adjusted one to the other, insure the safety of the children of our land and the preservation of free institution."

The third part, under the title "And By The People", brought the report on family life down to the present in a radio skit—transplanted from New York City with engineering staff, radio actors, and sound effects. The skit illustrated how the average American family can help to defend America by safeguarding its cherished ideals. In a

TAHOKA PEOPLE VISIT IN UVALDE

Mr. and Mrs. W. A. Yates and daughter, Mrs. John Fulford, returned last Friday from a few days visit with his sister and family at Uvalde.

Mr. Yates declares that the folks down there are prosperous just now. Cows, sheep, goats, wool, and mohair all command good prices, and that is a dandy stock country. In fact, Mr. Yates says it is the best steer country in the world.

He also says that Uvalde is a prosperous-looking town with many elegant homes. He was most favorably impressed with the town and the country.

The visitors did not see the Turners, who are there from Tahoka spending the winter, nor did they bring back any word from "Cactus Jack."

series of swiftly moving episodes the Martin family showed that one family can do now and here through solidarity and genuine patriotism to minimize the racial intolerance in one's own neighborhood, to defend labor, to be fair to capital, to settle strikes, to take care of "crackpots" who exaggerate the truth or go beyond it, and to preserve our traditional attributes of common sense, justice, and good humor.

"War and Us" was the topic chosen by Major George Fielding Elliot, military expert and analyst and well known author. "America is faced with a definite choice," said Major Elliot. "Shall we take control of the future and use it hopefully, prayerfully, and in accordance with the ideals of free men or shall we permit it to pass into hands of men of ill-will who have no conception of democracy? The trial must come. I am convinced," he said, "that the American people will meet the challenge—strong, united, confident of victory."

Major Elliot traced the course of world history from 1918 to the present time and reviewed attempts to bring about peace at the conference table. That attempt failed because man was unwilling or unable to provide a "force for enforcement." "Peace can be had," said the speaker, "only when mankind is able to set up the agency for enforcing peace." This is the lesson the world learned from the first world war but had neither time nor the inclination to apply.

The second World War comes as a career of conquest for complete control of the resources of the world. America has not yet wholly grasped that fact. We are seeing a new policy carried to its logical conclusion. For the first time in World History a government has welded all its resources of men and materials into a single instrument for waging war. "The terrible danger facing mankind lies in the complete upsetting of the balance of world power," said the speaker. "It is this upsetting of the balance of power which creates a new problem of extreme peril to the United States."

At last the citizens of the United States are beginning to think as citizens of a great world power. America did not ask for leadership. Many Americans shrink from it. But because of forces beyond America's control that power is forced upon us. It must be our purpose to use it in the interests of democracy and freedom. The issue has been joined and no negotiated peace will meet that issue.

Appealing directly to his audience, Major Elliot told them that on the educators of the country rested a tremendous and terrifying responsibility. Youth must be taught to understand the entire situation. Youth must be taught to realize all the factors involved, instructed not only in the immediate problems but also in the greater underlying problems whose solution will determine not only the fate of America but of civilization itself. I AM PROUD TO BE AN AMERICAN.

CARD OF THANKS . . .

We wish to thank our friends for their kindness and sympathy extended us during the recent illness of Miss Eileen Cash. Especially do we thank the country folk and doctors who were so kind and helpful. May God bless each of you all.—Mr. and Mrs. Ernest Cash and children; Mr. and Mrs. Homer Cash and Mr. and Mrs. James Potts.

pudding powder 1 cup water
6 slices plain cake

Quarter marshmallows. Put pudding powder in saucepan. Gradually stir in diluted milk. Heat to boiling, stirring constantly. Continue stirring and cook slowly for 30 seconds. Remove from heat, fold in marshmallows. Cover and cool to lukewarm. Stir occasionally while cooling to blend in marshmallows. Meanwhile, rub an 8-inch mold or baking dish with vegetable oil. Arrange slices of cake in mold, standing upright like spokes of a wheel. Put cooled pudding mixture between cake slices. Cover and chill until firm. Unmold. Garnish with slices of marshmallow if desired. Serves 6.

Women Pay Visit To Cotton Mills

By Mrs. B. N. Billingsley

One of my New Year's resolutions was to get the club report to the paper, so this is the report of the absentee reporter.

I was unable to attend the last meeting of the club when Miss McNatt's subject for discussion was "How To Buy Small Electrical Equipment," but it is safe to say that it was interesting and informative, for Miss McNatt certainly "knows her stuff."

The club did not meet during the muggy, misty weather on its previous date. The program on "Gardening and Care of the Soil" should have been interesting. We complacently take the continued fertility of our plains soil for granted, but our practice of taking, and giving it little or nothing in return is taking its toll.

I can see a shining example of this in my own front yard—if an example of lost fertility can "shine." When we came to the plains some twenty years ago it was easy to have a yard full of lovely flowers. There was a large white rose bush nearly five feet high. Coming from the "gyp" water belt I rejoiced in the abundance of good water and raised annuals galore. Last year even ginnias and cosmos made a losing struggle for existence. The soil looked the same but something was lacking. Perhaps an application of barnyard manure will bring about its "rejuvenation."

I have seen farmers plant peas on land to build it up. It helped even if they were cut for hay, but of course helped a lot more when vines and all were plowed under.

Some people came into Middle Tennessee and bought a number of

farms, at a price which made the owners feel "chesty" over the slick bargain. The newcomers were called "Bohemians," and the queer messes and mixtures included in their meals were the joke of the countryside. But whatever their nationality, they came of a thrifty race, and they built up their soils to a degree that in a few years their farms had no resemblance to the old wornout fields, whose highest ambition had been broom sage and sassafras sprouts.

I observed another example of soil building on a very small scale. When we left our old home, among some pot flowers which I was unable to move, and gave away, was a maiden-hair fern. A few years later, when I visited my friend, its feathery fronds hung to the floor. It was in the same container and had never been repotted, but fertilizer from the cow lot had been soaked in the water used. Other plant food might have done as well.

I wish to mention also that on Thursday of last week our club president Mrs. Herman Dabbs, sponsored a visit to the Cotton Mills at Post. Though the day included dinner at the Algerita Hotel and a movie in the afternoon, the object of the trip was to see what is perhaps our greatest local industrial enterprise.

The following were among my notes taken during the day, and are set down to refresh the memory of any whose knowledge of the mills has grown as vague and uncertain as my own. Besides, we should make a point of knowing as much as possible about our local industrial high spots. It gives us something to "brag about" when our kin or friends from other parts come visiting.

The Postex Cotton Mills were built in 1912 by C. W. Post, and together with improvements added later, cost

Max Minor Wins At Stock Show

Max Minor, Tahoka's sensational speed demon, who won second place for his school in the state track contests last year, entered his first meet since he became a freshman student at Texas University and won first place in two contests at the Southwestern Exposition track events in Fort Worth last weekend.

Minor was entered in the University Freshman and Preparatory Schools division, and ran first in the 220-yard hurdles and the 100-yard dash.

Apparently the Tahoka Tornado was taking it easy in the hurdles, for he didn't touch his national high school record of 23.5 seconds in that event, running it in 26.6 seconds Saturday. Possibly the heavy track slowed his time on that event and the dash, which he took 10.3 seconds to run against his former speed of 10 seconds.

Minor entered three events but ran only two, since two races followed each other and gave no time for rest.

Several columnists have mentioned Minor as a white hope of the University football future, and praised his work on the Freshman squad but this is the first time he has been seen in action in a college track event since he registered at the University last fall.

CIVIL SERVICE EXAMS

The United States Civil Service Commission announces open competitive examinations for the positions of Repair Shop Superintendent, Class A, \$2900 a year; Class B, \$2800 a year; and Class C, \$2300 a year. These examinations are announced for filling vacancies in the Quartermaster Corps, War Department, Camps Claiborne and Livingston, Alexandria, Louisiana and Camp Bowie, Brownwood, Texas. The duties of these positions will include the supervision of employees in all operations carried on in the repair depot, such as repair of clothing, bedding, canvas equipment, footwear, and other related materials.

Mmes. Belton Howell and Oran Short visited their mother, Mrs. F. E. Walters in a Brownfield Hospital on Monday, where she had been carried after being ill for some time. She is reported to be improved at this time.

one and one-half million dollars. To prevent costly delays and shutdowns in case of mechanical trouble there is around \$30,000 worth of supply parts carried at all times. Their power house, in case of emergency on the utility lines, can furnish both Post and Slaton with electrical power.

The gas bill in Winter is around two thousand dollars a month, and the water for bleaching runs from five to seven hundred dollars a month. There are two hundred and thirty employees—sixty percent of whom are women.

The weekly payroll at the present time is from thirty-eight hundred to four thousand dollars.

The mills use from sixty to seventy bales of cotton a week and produce more than forty thousand yards of sheeting a week.

The larger part of their product is sold in the Southwestern States but they also supply hotels and hospitals in many large cities all over the U. S.

Every "step" that a bale of cotton takes, in its progress through the mills, is interesting; from the time the "picker man" starts it through the machine that recleans it, to the place where the finished sheeting—now sewn in "lengths" containing twenty thousand yards each—is put through the bleaching process, and on until it is wrapped and ready for the retail trade.

Significant also are the several "inspectors" under whose scrutiny every yard of sheeting must pass. It all goes to make up the standard of perfection and dependability that we know we are getting if it's "Garza."

"Build-Up" for Women Helps Avoid Distress

Do you suffer periodically from headaches, nervousness, irritability, cramp-like pain?

If so, here's good news! These may be symptoms of functional dysmenorrhea due to malnutrition, often helped by CARDUI.

CARDUI usually increases appetite and the flow of gastric juice; so aids digestion and helps build up strength, energy, physical resistance. Result for many is less periodic distress. Or you may find this also helps ease your periodic discomfort: Take CARDUI a few days before and during "the time." 50 years of use and popularity invite your confidence in CARDUI.

PURINA MILLS OPENS NEW WEST TEXAS PLANT

The opening of the branch plant of the Ralston Purina Company at Lubbock will mark another milestone in the 47-year history of this national feed manufacturing organization. The new plant is located alongside the Santa Fe railroad north of Lubbock in fork formed by Highway 87 and the county road to Idalou.

Construction of the new plant was made necessary by the rapid growth of the company's business in the Panhandle and West Texas, according to R. W. Bridges, Texas sales manager for the Ralston Purina Company. This area has been supplied by the company's large mill at Fort Worth.

"We have felt for a long time that West Texas farmers would be able to get better results from their grown crops by supplementing them with ingredients specially mixed to meet their requirements," Bridges stated. "We have been conducting extensive research in our effort to step up West Texas production, and with the opening of our Lubbock mill, we feel that we are prepared to manufacture a special line of quality feeds and supplements for this section."

The Ralston Purina Company, organized 47 years ago at St. Louis, Mo., is one of the largest and most progressive feed manufacturing concerns in the country. W. H. Danforth of St. Louis has been at the head of the organization throughout practically its entire history.

Since its beginning, the company has rapidly spread to most parts of the United States and Canada. The Lubbock mill is the 23rd operated by the company, and the third in Texas. The other two Texas plants are at Fort Worth and Houston.

Many West Texas ranchers have long been familiar with the products which Purina Mills manufactures and have been using them regularly along with their home-grown crops in their feeding operations. Recently, a number have gone to St. Louis and visited Purina's research laboratories and experimental farm which are among the largest and most progressive in the country.

The Purina Experimental Farm of 540 acres was established in 1926. Every year approximately 225 steers are finished for market, 80 to 85 sows farrow 1050 to 1200 pigs, 25-

600 to 30,000 chicks are started on experimental rations, 6,500 to 7,000 pullets are grown out on experimental growing rations, a laying flock of 3,000 birds is maintained, 3,500 to 4,000 turkeys are marketed, as are 4500 to 5000 ducks. The Lubbock mill will have the benefit of the results of all this experimental work, Bridges says.

it produces a heavy yield. All seven members were present.

Land For Sale

320 acres well improved, good Cat-Caw land, half the minerals go with land. Half Cash, balance easy.

640 acres unimproved, good land good location, half the minerals go with this. See me at once at Brownfield Hotel.

WEST TEXAS Gas COMPANY

PROOF THAT THE GAS REFRIGERATOR GIVES MORE FOR YOUR MONEY 10-YEAR GUARANTEE ON COMPLETE REFRIGERATING SYSTEM

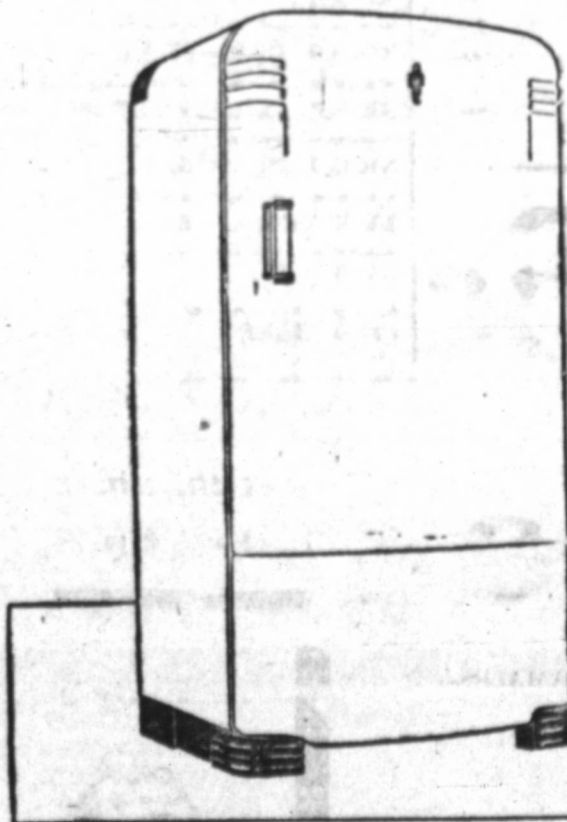

THIS GUARANTEE BY US IS POSSIBLE BECAUSE... Servel is DIFFERENT from all OTHER REFRIGERATORS

NOW—more than ever—the Gas Refrigerator is your biggest money's worth. It's your best buy today—your best buy in the long run.

The experience of thousands of Texas owners testifies to the important advantages of Servel's "no moving parts" freezing system—its permanent silence—freedom from costly repairs—longer life—and continued low operating cost.

And now—this proof of the Gas Refrigerator's lasting satisfaction and lasting savings is backed up with our ten-year guarantee on the complete refrigerating system.

This week—see the beautiful 1941 Gas Refrigerator at your dealer or Gas Company. Terms to fit every purse—and a ten-year guarantee.

- NO MOVING PARTS
- PERMANENT SILENCE
- CONTINUED LOW OPERATING COST
- MORE YEARS OF DEPENDABLE SERVICE
- SAVINGS THAT PAY FOR IT

IMPORTANT—READ THIS GUARANTEE

Ten-Year Guarantee on complete refrigeration system. We guarantee to original purchasers of 1941 SERVEL ELECTROLUX Refrigerators to furnish without cost any defective burner, control, or refrigerating unit for a period of ten (10) years from date of installation. (You pay only cost of installing parts.)

IF YOU LOOK AT ONE REFRIGERATOR, LOOK AT SERVEL
IF YOU LOOK AT MORE THAN ONE, LOOK AT SERVEL TO SEE THE DIFFERENCE
