

**WEST TEXAS CARRIERS WILL MEET IN LUBBOCK**

The West Texas Rural Letter Carriers Association is planning to hold its annual banquet in the Lubbock Hotel in Lubbock on Saturday night, according to W. A. Reddell of this city, secretary of the organization.

The programs and menus for the occasion are being printed in the News office.

Frank Gilley of Post is president of the association.

Paul Attaway of Big Spring will serve as toastmaster and G. M. Reid of Tahoka will pronounce the invocation. Earl Slater of Clyde, editor of the Texas Rural Carrier, official organ of the state rural letter carriers association, is on the program for a talk.

Lloyd Croslin of Lubbock, now serving as assistant county attorney of Lubbock county but for several years secretary to Congressman Geo. H. Mahon, is scheduled for the principal address of the occasion. Having been in pretty close touch with the Powers—that be for a number of years and having gathered much information respecting the Post Office Department and other departments of the Government while in Washington, Mr. Croslin is an interesting speaker and has been in frequent demand since locating in Lubbock for the practice of his profession as a lawyer.

Probably all of the rural carriers and postal employees in Tahoka and their wives will attend the big annual function.

**LANDSCAPING OF TENANT PURCHASE HOMES**

The tenant purchase families in Lynn county have started their landscaping. Mr. and Mrs. Richard T. Moore of Wilson completed their landscaping plans and put out their plants and shrubs Friday, April 4. They were assisted in their plans and landscaping by Mrs. Jaunita G. Butler, District Home Supervisor, Miss Martha G. Brent, Lubbock county Home Supervisor, and Miss Myriene Cannon, Lynn County Home Supervisor.

The plans were made to cover a several years period. The family thought it would be wise to make the plan in this manner as they do not feel that they are financially able to spend much on the yard the first year. They spent \$1.50 for shrubs this year; Miss Brent gave them cuttings of various shrubs and plants to add to the group. All of the plants and shrubs were put out Friday. Mrs. Moore plans to plant some flowers for use as cut flowers.

The flower beds were laid off in an irregular outline around the house by the use of a water hose. The water hose was used in order to establish a pleasing line to follow in digging the flower beds. Plants and shrubs were put out in the flower beds around the house.

**FRIED CHICKEN**

The most famous of chefs will bow in reverence before the old Southern negro mammy when the time comes to serve fried chicken—Southern style. But it's easy to serve this appetizing dish on your table. Just follow this recipe for Southern Fried Chicken.

Select a young chicken from 1½ to 2 pounds. Dress and disjoint. Chill. Sift flour (about 1½ cups), add salt and pepper and roll each piece of chicken in flour mixture. Place in heavy frying pan with cottonseed oil margarine or shortening at least two inches deep. Always place larger pieces in first and on hottest part of frying pan.

Remember, it is important to have margarine or shortening very hot when the chicken is first dropped in, then lower the flame and keep covered to keep steam in. When done and a golden brown, remove and make gravy as follows: Pour from pan all the fat except 2 tablespoons, add to this 2 tablespoons flour, mix smooth and add one cup milk, stir until it boils and is thick and rich, add salt and pepper and pour in separate dish from chicken. (If plain gravy is desired, use hot water in place of milk). Yields 4 servings.

Other favorite Southern recipes are presented in a large, full-color, 100-page free cook book, "100 Southern Recipes." Send to National Cotton Council, Box 18, Memphis, Tenn.

They plan to add more shrubs, put out grass, and add a rose garden along as they feel that they have time and can afford it.

The other tenant purchase families plan to do their landscaping and make their plans soon. Some of the other families have already put out some shrubs, and grass and are going to make their plans to add to their yard arrangement each year.

It is much better to make plans to cover a period of years than to add everything the first year. If you get everything arranged the first year as you want it it will be pretty and you will enjoy it at the present time, but you would tire of the arrangement in time to come. It is much more interesting and pleasing to add things to your yard from year to year than you have something to look forward to. This way the yard will not remain the same from year to year. If you put everything in your yard the same year most of these things will have to be replaced the same time. So in the long run it is really more economical from the standpoint of time, energy and enjoyment to make your plan for a period of years rather than doing it all at one time.

**WINNING CHORAL CLUB IS GIVEN PARTY**

Sixteen members of the Seventh Grade Choral Club, which won first place in the recent county meet, was given a party Wednesday night by Billy Jo Cowan in the home of her parents, Mr. and Mrs. T. Cowan.

Members present were: Helen Jo Rogers, Geraldine Connolly, Laverne Reddell, Irene Carver, Eva Jo Reid, Betty Chandler, H. B. McCord Jr., Claude Donaldson Jr., Jim Ed Poer, John Wells, Noel Fender, Bobby Ray Fuitts, Lane Jones, Edgar Anderson, W. T. Hines. Guests were Mr. and Mrs. Leo Jackson and John Hamblen.

## Selective Service Rules Relaxed

Liberalization of Selective Service Regulations pertaining to appeals from local board classifications and full use of the appellate machinery inauguration of an extensive campaign to educate registrants in the designed to protect their individual rights were announced today by National Headquarters, Selective Service System.

With approximately 4,000,000 men classified by local boards, relatively few appeals have been made to Selective Service boards of appeal, it was said.

However, National Headquarters announced that as "Congress had realized that local boards are not infallible and individual rights are best protected when a check is made," it was its intention to make certain that all registrants, their dependents and others interested in their welfare have every opportunity to obtain review of classifications they consider unjust.

First major step in the liberalization program, as announced today, is an amendment to the Selective Service Regulations which extends the present five-day limitation on filing of appeals to the

### ATTEND WAYLAND HOUSE PARTY

Mrs. George A. Dale, Young People's Leader in the local Baptist W. M. U. and Miss Nellie McLeroy of the Young Business Women's Circle accompanied a group of Y. W. A. girls to Plainview Friday afternoon. The girls were invited guests of the annual Y. W. A. Houseparty at Wayland, and they report a most interesting and enjoyable time. Among noted leaders on the program was Mrs. Aaron Hancock, full-blood Indian woman, a missionary to her people in Oklahoma, who brought inspiring messages in song and story.

Girls who made the trip were: Misses Jennie Reba Nevill, Joyce Russell, Mary Beth Roddy and Dorothy Holland.

Mrs. Dale and the girls visited Mr. and Mrs. A. A. Suits and reports that they are getting along fine.

### MOURNFIELD RELATIVES

Attending the funeral services for Mrs. A. A. Mourfield here last Thursday besides her brother, Deck Coffman of Hico, were several of Mr. Mourfield's relatives including: Mr. and Mrs. J. D. Hord, Southland, Mr. and Mrs. Cliff Richards, Lubbock, Mr. and Mrs. Otis Neil, Slaton, Mr. and Mrs. Frank Riley, Ropesville, Mr. and Mrs. Jim Riley and Mr. and Mrs. Bob Riley all of Hamilton, and Mr. and Mrs. Charles Bowen, Post.

President to ten days. Additional time may be granted by a local board if it is satisfied that the failure of a registrant to appeal was due to the lack of understanding of his rights or some cause beyond his control.

Plans are also being made, it was said, to increase the present five-day limit on appeals from local boards' decisions to boards of appeal.

In announcing the new appeal policy and the plan to educate all registrants on the method of appealing decisions, National Headquarters said:

"There is an obligation upon all who come in contact with the registrant to make certain that he understands, not alone that he has the privilege of appeal but also when he must do it and how he must do it.

"The Selective Service System cannot afford to permit registrants who want to appeal to lose their opportunity merely because they do not understand the what, when and how of so doing. Furthermore, while National Headquarters does not want the appeal machinery clogged up with the claims of those who merely seek to delay their induction, it is equally important that no registrant be inducted until he has had ample opportunity to exercise all his legal rights."

The new appellate provisions of the Regulations became effective April 7.

Mr. and Mrs. K. F. (Buddy) Knight and daughter, Irma Beth were here Sunday visiting his parents, Mr. and Mrs. W. L. Knight.

### "Build-Up" Relief Explained to Women

A simple method has saved many women a lot of suffering!

It is based on the fact that headaches, nervousness, cramp-like pain are often symptoms of functional dysmenorrhea due to malnutrition.

Help for this condition so often follows the use of CARDUI, because it usually increases the appetite and the flow of gastric juice; thus aids digestion and helps build physical resistance. Usual result is less periodic distress.

Many who take CARDUI a few days before and during "the time" have found this helps ease periodic discomfort. Women have used CARDUI for more than 50 years!

### CATTLEMEN'S PICTURES GIVEN TO MUSEUM

Canyon, April 3.—Twenty-five pictures of old time cattlemen collected by the late W. J. Todd, Kansas stockman, have been given to the Panhandle-Plains museum.

The gift came through the interest of Col. Edward N. Wenworth, director of Armour's Livestock Bureau of Chicago, who obtained the pictures from James Todd of Phoenix, son of the man who collected them.

The old pictures, all framed, have been hung on the west wall of the museum on the first floor. Many of them could not be replaced, according to Dr. L. F. Sheffy, executive secretary of the Panhandle-Plains Historical Society.

Collecting of the likenesses of early cattlemen has been a project of the museum staff for several years.

### E. I. HILL JR. IN NEW YORK

Billy Hill of the News force received a card Tuesday from his brother, E. I. Jr., mailed in New York last Saturday, advising that he had been sent to New York to "O. K. proofs, colors, press sheets, etc. for the Defense Savings campaign printing; also some War and Navy Department work."

One job, he stated, will cost about \$300,000. He feels that it is a heavy responsibility that has been placed upon him but he is determined to do his best.

# How LONG is a Gallon of Gasoline?

**W**ELL, it's longer going downhill than up, longer going slow than fast—but the important new discovery of the year (or since Buick's Compound Carburetion\* appeared) is that it's longer when you have two carburetors teamed like Buick's than when you have one!

Here's why:

In easy going like most of your travel, just one of Buick's smaller-than-usual carburetors thriftilly handles all engine requirements.

Only when you want extra power does the second carburetor come in.

Then, momentarily, it adds extra fuel and extra power *only while it's needed.*

Result is that carburetion is *always* fitted to your driving need.

You're never driving with a carburetor that's bigger than you need for low-range travel, or one that's too small for top-range performance.

BUICK PRICES BEGIN AT

## \$915

for the Business Coupe  
*\*delivered at Flint, Mich. State tax, optional equipment and accessories—extra. Prices subject to change without notice.*

Now the net result is that the same-size engines give up as much as 10% to 15% more miles-per-gallon than last year.

And that's a handsome saving—mighty handsome in a car big and roomy and smart as a Buick.

Look over the next Buick that passes you—or better yet, go trial-drive one—and see if you don't agree. \*Optional equipment on the Buick SPECIAL, standard on all other models.

**EDITOR ELECTED TO LUBBOCK SCHOOL BOARD**

Charley Guy, editor of the Avallanche-Journal publications, has huggled a big job now; he has been elected a member of the Lubbock school board.

A few weeks ago Charley launched a campaign of criticism of some of the practices permitted by the Superintendent and the Board of Trustees of the Lubbock city schools.

Whether it was done with a view to being invited to a place on the board or not, it is a fact that with only two places to be filled only two names were placed on the ballot, and the name of Charley Guy was one of them.

He will not have the responsibility of correcting the evils of which he has been complaining. Whether he will now proceed to raise all kinds of Gehenna till these practices are discontinued or will proceed to the performance of his duties with the meekness of a lamb led to the slaughter remains yet to be seen.

It may be that Charley will find that he has a harder row to hoe as school trustee than he has as an editor and conductor of a "column".

**MCDONALD FINDS ADS PAY**

A. D. McDonald over at Tahoka Motor Co. learned a lesson last week. Until then he didn't believe that advertising pays, but he says he's thoroughly convinced now.

"Mac" as his friends more or less affectionately call him, had been laboring under the delusion that Mr. Ford was wasting his money sending ads to the Lynn County News. More than once he told the ad salesman that he didn't think anybody ever read them anyway, so how come?

But last week his firm listed in the classified some furniture the company had taken in on an auto trade, and believe it or not, he had to hire an extra girl Friday to answer the phone and tell inquirers, "Yes, we have the furniture, etc."

He sold a bedroom suite and the rest is still listed in our classified

**WADE HOWELL GETS EXTENDED TRIP**

Wade Howell, son of Mr. and Mrs. Belton Howell of this city, who is a student of textile engineering in the Texas Technological College, left with a party of students and two professors in the College Wednesday morning to visit and inspect a number of cotton mills situated in various cities and towns in North Central and South Texas, to gather first-hand information respecting the operation of textile industries.

In the company are eighteen students, who are accompanied by the head of the textile engineering department and by the head of the Dyeing division.

They expect to visit mills in Dallas, Itasca, Hillsboro, Waco, San Marcos, New Braunfels, and possibly other places. They have a stop-over of four hours in Austin and will spend Sunday in San Antonio.

Mr. Howell says that Wade was looking forward to the trip with a great deal of pleasure.

**NO FILTH; NO FLIES; LESS DISEASE**

Many people are affected every year by diseases transmitted by the fly—among these Typhoid, Dysentery, Diarrhea. Flies breed and live in filth. In feeding they move from the filth to the kitchen or dining table and transmit disease through germs carried on their hairy bodies and legs.

In the spring, flies begin feeding actively and soon commence laying eggs. For this purpose they seek the dirtiest, filthiest places that can be found. They have good noses and find these places by smell, even though people may not notice the odor. The fly lays from 120 to 150 eggs at one time and may live to lay six times. The fly may live two to three months in the summer and longer in the winter, and is only two weeks old when it begins to lay. The number of flies in a community

is an index to the sanitary conditions of that community.

We ask ourselves this question—how do flies carry disease? They eat and walk over filth and get the germs on their feet and proboscis or bill, then they walk over our food or get in our milk. The typhoid germ does not multiply anywhere outside the human body except in milk.

Swatting, trapping, and poisoning flies will help, but to eliminate these pests breeding must be prevented. Keep stables clean; remove manure at least once a week. Put garbage in receptacles with close fitting covers; empty and wash out frequently. Lacking sewers, build only flyproof sanitary privies. Screen adequately all homes, markets, bakeries, and other food establishments.

Every year begin the campaign against flies before the first one is seen in March or April. A pair of flies born in April may give origin to millions by August. Keep the first from breeding.

Let us all work to make our county the healthiest place to live by exterminating the fly!

**G. M. REID WEDS FORT WORTH LADY**

On last Saturday G. M. Reid of this city and Miss Etta Lorene Harms of Fort Worth met by pre-arrangement in Aspermont, where they were united in marriage at the Methodist parsonage, Rev. Mr. Van Zandt, the pastor, officiating.

They proceeded immediately to Tahoka and are at home to their friends in the attractive Reid residence in West Tahoka.

The bride is a niece of Mrs. W. A. Reddell of this city, so well and so favorably known here. And there is scarcely a better man anywhere than G. M. Reid. He is pure gold.

All Tahoka is offering congratulations and best wishes to this fine couple.

**Ham Rolls with Creole Sauce**

Broadcast by Mary Lee Taylor April 10, 1941

1 cup raw rice  
6 cups boiling water  
2 1/2 teaspoons salt  
2 tablespoons onion, finely cut  
2 tablespoons bacon fat or other shortening

1/2 cup hot Fat Milk  
1/4 teaspoon pepper  
12 slices ham, boiled or broiled (1 pound)  
2 tablespoons butter or other shortening  
Wash and drain rice. Boil 30 minutes, or until tender in boiling water and 2 teaspoons salt. Drain and rinse in hot water. Turn on oven and set at moderately slow (350° F.). Cook onion in bacon fat 5 minutes, then add rice, milk, pepper and remaining 1/2 teaspoon salt. Continue cooking until milk is absorbed, or about 5 minutes longer. Remove from heat and cool. Then arrange mixture in center of ham slices, shaping into cylinder. Roll up and secure with tooth picks or string. Put in greased baking pan, putting bits of butter on top. Bake 20 minutes, or until thoroughly heated. Serve at once with Creole Sauce (See below). Serves 6.

**Creole Sauce**

2 tablespoons bacon shortening  
1/2 cup finely cut green pepper  
3 tablespoons finely cut onion  
1 1/2-oz. can condensed tomato soup  
1/2 teaspoon salt  
1/4 teaspoon pepper  
1/2 cup hot Fat Milk

Melt fat in saucepan. Add green pepper and onion and cook slowly 5 minutes. Stir in soup, salt and pepper and boil 1 minute, stirring occasionally. Then stir hot soup mixture into hot milk. Serve at once. Do not cook after mixing. Serve on Ham Rolls (See above). Serves 6.

**LAPSED POLICY PAID TO ERA BELLE BOHANNON**

A life insurance company which had issued a small policy on the life of G. R. Bohannon a few years ago, which the insured had permitted to lapse several months ago, paid the policy nevertheless, in full to the beneficiary, Miss Era Belle Bohannon, on April 3, according to E. C. Rogers, local agent.

**CARD OF THANKS**

We desire to express our gratitude to the many friends who were so kind to us in the tragedy of sudden death which has just come to our home. For the beautiful floral offerings from friends and loved ones, for the use of the building of the First Baptist Church, for every friendly act and word, for every token of sympathy of every kind, we are truly grateful. We trust that no such sorrow may ever visit any of you.—Mrs. R. W. Lewis, children and other relatives.

**CARD OF THANKS**

It would be impossible for us to express in words our appreciation of the countless kindnesses shown to Mrs. Mourfield and to us during her long-continued illness, and for the numerous manifestations of affection for her on the part of her friends and neighbors. Furthermore, we sincerely appreciate every token of sympathy and word of consolation tendered to us upon her passing. We thank you all.—A. A. Mourfield, Estes and Helen.

### Morris Sheppard Died Wednesday

Texas and the entire nation were shocked Wednesday when the news of the death of Senator Morris Sheppard, which occurred that morning in a Washington Hospital, was flashed by telegraph and radio from one end of the country to the other.

Senator Sheppard was chairman of the Senate committee on Military Affairs and as such much of the responsibility respecting National Defense and aid to Great Britain and the Allies rested upon him. He has received much praise from his colleagues, from Secretary Cordell Hull, President Roosevelt, and other notables in the Government for the manner in which he has performed his duties.

Death was caused from an intracranial hemorrhage, which was doubtless superinduced by overwork.

Funeral services will be conducted at the State Line Methodist Church in Texarkana at 3 o'clock Saturday afternoon. Delegations from both the House and the Senate will attend the funeral.

The question of a successor is one that is now agitating the political circles of Texas. It seems probable that Governor W. Lee O'Daniel may resign and accept appointment to the position by his successor in the Governor's chair, Lieutenant Governor Stevenson.

### Three One-Act Plays Announced

By Effie Loyd

Three one-act plays will be presented by the Public Speaking class of Tahoka High School, April 23 at 7:45 o'clock in the high school auditorium. Miss Willie Pearl Dockray, Public Speaking teacher, will sponsor the plays.

These plays are a part of a contest to be conducted in Tahoka High School. There are three events in the contest and the class that sells the most tickets for the three events will be given a half holiday with a bus to take them where they want to go.

There will be a small admission charge. The proceeds will be used to buy awards for boys and girls who have lettered in basketball.

Albert Curry of Camp Bowie, Brownwood, was here over the weekend visiting his parents.

### Select Winners At Style Show

By Clara Gene Scruggs

Representatives of the local chapter of Future Homemakers of Texas and their sponsor, Miss Lucille Wright, will attend the annual All State Home Economics Rally which is scheduled for April 30 to May 3 in San Antonio.

Mary Jo Anderson was selected by popular vote and faculty approval as the official all-round Homemaker girl to represent Tahoka.

Girls from three Homemaking classes in Tahoka High School staged the annual style show Tuesday night in the high school and judges from Lubbock selected the winning contestants. One contestant from each class will be eligible to attend the meeting in San Antonio.

The winning contestants were: First year, Marlene Stephens; Second year, Nieto Stephens; Third year, Mary Ruth Hargett.

The first year girls modeled cotton dresses while second year girls modeled all occasion dresses. Third year girls modeled special occasion dresses.

Points that were considered in the dress was construction, design, color and the way they fit.

### E. BAYER, 86, DIES. RITES TO BE SATURDAY AT LUBBOCK

Edwin Bayer who lives East of Tahoka received word Wednesday that his aged father had died that day in Long Beach, California where he had gone a few days before to visit a daughter.

The body being returned to Lubbock by train is due to arrive this afternoon at 4:10. Funeral services will be conducted at Sanders Funeral Chapel Saturday afternoon by a minister of the Redeemer Lutheran Church of which deceased was a member.

Edwin Bayer told the News that his parents had lived in Bell, Haskell and Foard Counties before coming to Lynn County in 1924. They continued to live in the vicinity of O'Donnell until about two years ago when they removed to Terry county, removing to Lubbock only recently. Several of the children married while living in Lynn county.

The widow, eight daughters, and two sons survive among whom are Mrs. Henrietta Riggs of O'Donnell and Edwin Bayer of Tahoka.

### F. S. A. IN LYNN COUNTY (Delayed)

With urban housewives throughout the United States complaining about advancing food prices, and American agriculture faced with surplus commodities, there is one large part of the population that is going about its business of creating an adequate reserve supply of food for home consumption, according to Miss Myrlene Cannon, home management supervisor for the Farm Security Administration in Lynn county.

"Canned goods in the cellars are one surplus that's not harmful," Miss Cannon said. "FSA borrowers are aiming only at insuring good nutrition for their families the year-round, by giving extra emphasis to their gardens. Canning and storing garden produce is a common practice among thrifty homemakers," she continued, "and more FSA-borrower farmers in this county are now planning bigger gardens than ever before."

Miss Cannon called attention to the fact that many farmsteads have not been producing enough garden stuff to keep the family healthy during the winter months.

"When farm families come to the Farm Security Administration for financial assistance they are encouraged to produce as much as possible of their living at home," Miss Cannon said, "and big, diversified gardens are to be found on most farms operated by families working with this federal agency."

Good nutrition, it is explained, requires 800 pounds of vegetables for an adult for one year.

"The question, 'Will our garden furnish this much for every member of the family?' is an important one to FSA borrowers," Miss Cannon continued.

Among the practices the FSA encourages in order for its cooperating families to reach this goal are:

1. Before planting, figure how much should be canned and stored, besides vegetables for summer use, and how much garden it will take to grow these amounts.
2. Locate garden where it will have the best soil, the most protection from hot winds; plan artificial windbreaks and means of getting run-off water from the windmill, or other irrigation, to it.
3. Secure good seed, disease free, adapted to local conditions; cooperate with other farmers in group buying of seed packets.
4. Plant early to assure maturity ahead of hot weather; start certain

### Wrecking Yard Burned Friday

Fire of undetermined origin gutted the building of the Fisher Bros. Wrecking Yard just outside the eastern limits of the city on the Post highway at about eight o'clock last Friday morning and almost completely destroyed all that was combustible inside the building. The damage is estimated to be about \$1,200. Insurance was carried in the sum of \$600.00.

Both the proprietors were out on the premises busy when the fire inside the building was discovered. It is said to have started up in the upper portion of the building at the front end, and it is believed that the electric wiring was responsible for the blaze.

The fire department responded promptly to the call and soon extinguished the flames after arrival and after the building had been only partially destroyed.

It is said that the intention of the owners is to rebuild the structure in the near future.

### WELLS EDWARDS IS SERIOUSLY ILL

Mr. and Mrs. Marcus Edwards received a telegram from Wichita Falls Wednesday informing them that their son, Wells, who is in a hospital there, was very ill and advising them to come to see him. They left Wednesday afternoon and relatives here had received no further news at press time.

### EGG MARKETING ASSOCIATION

The Lynn County Egg Marketing Association will meet at the Courthouse next Saturday afternoon at 2:30 according to Mrs. J. Paul Lawson, Reporter, Lynn County farm families are planning to produce quality eggs and work for a better market for them, Mrs. Lawson says.

5. Plan additional late planting for fresh fall vegetables and storage; plan fall plowing and, if necessary, change of location of next year's garden.

### ELLIOTT'S RETURN HOME

Judge and Mrs. J. W. Elliott returned Wednesday afternoon from a trip through several of the Southern States, covering a distance of more than 5000 miles in a little more than three weeks. At Gulfport, Miss. they joined the C. H. Doaks and proceeded to Homestead, Fla., which they made headquarters while seeing a great part of that state, including Pensacola, St. Petersburg, Fort Myers, the Everglades, Miami, and Key West. At Key West they drove over the causeway to the Florida Keys, 7 miles over the waters of the Gulf of Mexico and the Atlantic Ocean—a thrilling drive. They saw the southernmost house in the U. S. A.

The evergreens and the flowers were wonderful to behold, and the harvesting of the naval orange crop was in progress at the time of their visit. The Judge even brought home a coconut limb with a dozen or more coconuts on it, and says that he wants to plant one. But all of

these wonders of landscape, sea and sky, could not hold our veteran South Plains citizens away very long and their many friends are glad to welcome them back home.

### Easter Party . . .

(Continued From Page 1)  
Reddell, Scoutmaster. Children five years of age and younger will participate in one egg hunt, while children over five and under twelve years of age will participate in the other.  
This will afford a lot of fun for the kiddies, and besides some of the eggs hidden out will draw prizes offered by various business concerns in Tahoka. Any child finding one of these specially marked prize eggs will receive a prize of some kind from the store or other place of business donating the egg.  
Either candy eggs or real hen eggs, boiled, will be accepted for the hunt. Parents and other people are respectfully solicited to furnish the eggs for the occasion. All eggs donated should be left at one of the lumber yards in Tahoka not later than Saturday afternoon.  
Boy Scouts themselves will not participate in the hunt; they are merely sponsoring it for the entertainment and pleasure of the

kiddies, and they themselves will hide the eggs.  
Cubs, however, who are under Boy Scout age, will have no part in hiding the eggs but may participate in the hunt.  
So, folks, if you live anywhere in Lynn county or elsewhere in easy reach of Tahoka you are invited and urged to be at the City Park in Tahoka at 2:30 o'clock Sunday afternoon to enjoy the band concert and to help the kids enjoy the search for the hidden little treasures, some of which will bring to them much coveted little prizes.  
W. A. Reddell is Scoutmaster in Tahoka, and A. R. Milliken and L. A. Forsyth are assistant scoutmasters, and either of these gentlemen will be glad to give any further information you may desire about this approaching event.

### District Meet . . .

(Continued From Page 1)  
Weldon Hancock, won the crown after a smashing victory over Lamesa. O'Donnell nosed-out Tahoka by

one-half a point in the district track meet. O'Donnell won fourth place with 10 points, and Tahoka won fifth with 9 1-2. Muleshoe won the meet scoring 34 1-2 points, Olton was second with 29, and Lubbock was one point ahead of O'Donnell, having 11.  
Wilson girls won third place in the volleyball tournament.  
Among other places won by Lynn county students and not mentioned in the story about Tahoka's winnings, which is to be found on this page also, were:  
In the rural pentathlon McKibbin of T-Bar won second place.  
Dee Alva McMillan, T-Bar, third in rural school ready writers.  
Stanley Cathey, O'Donnell, third in junior declamation, high school division.  
Edwin Perkins New Lynn, second in Junior declamation, rural schools.  
D. H. Lindley, T-Bar, second in senior declamation, rural schools.  
V. P. Carter is principal of the T-Bar school.

### Golf Course Is Improved

Meeting Monday night for the first time this spring, the Tahoka Golf Club re-elected officers of the past year, laid plans for further improvement of the local course, and initiated a drive for new members.  
J. K. Applewhite was re-elected president and Charles Townes, secretary-treasurer.  
Members of the club who have played on most of the courses in this section declare that Tahoka has the best sand green golf course on the South Plains. Work was started this week improving the fairways and greens, and within the next two or three weeks the course will be in tip-top playing condition.  
Committees appointed at Monday's night's meeting are:  
Greens committee: Prentice Walker, Wade Holland, Lloyd Edwards, Conway Clingan.  
Tournament: Wynne Collier, A. C. Weaver, Borden Davis.  
Membership: Ray Weathers, C. N.

Woods, Dr. Jim Sinclair, Coy Fielder, Ray Tillery.  
All citizens of Tahoka are urged to join the club and enjoy this healthful and enjoyable recreation, if interested in becoming a member, contact any member of the club for details.  
Present members are: Lee Dodson, Frank George, Ray Tillery, Clint Walker, Jack Welch, David Weathers, A. C. Weaver, Dr. Jim Sinclair, W. T. Bovell, Harold Raborn, W. C. Wharton, A. L. Pace, Jack Applewhite, James Applewhite, Fred Bucy, Conway Clingan, Wynne Collier, Borden Davis, Pete Edwards, Lloyd Edwards, H. B. McCord, Truett Smith, Chas. Townes, Rev. George Tuerrentine, Prentice Walker, Ray Weathers, Shorty Woods, Edwin Rogers, Callaway Huffaker, Frank Hill, Gus Edwards, Wade Holland.  
Mr. and Mrs. Boyd Smith left Sunday on a vacation trip to California and other western states.  
Roy Harvick of Fort Bliss was here Saturday and Sunday visiting his mother.

**James Minor Is Second Lieutenant**

CAMP BOWIE, April 10—Twenty-two non-commissioned officers of the 142nd Infantry took their oaths of office as Second Lieutenants today to bring the expanded regiment's officer personnel near to authorized strength.

These promotions are the first to raise enlisted men into the commissioned ranks since the regiment was mobilized with the rest of the Thirty-sixth Division in November, 1940, and to bring the number of officers to 101. The regiment is allowed 110 officers under the table of organization.

Full enlisted strength of the regiment was reached recently by the induction of Selective Service men.

Among the new officers, who come from all units of the West Texas regiment, are men who four months ago were college students, insurance men, accountants, motion picture projectionists, clerks, salesmen and stockmen.

James Minor was commissioned a Second Lieutenant and the company to which he was assigned is Company B.

**NEW HOME METHODIST CHURCH**

A great day of inspiration was enjoyed at New Home last Sunday when the Methodist members had the formal opening of their new church building, recently completed, according to testimony of some who attended.

Three services were held, Rev. Ben Hardy veteran Methodist minister of Tahoka bringing the morning message, Rev. G. E. Turrentine, pastor of Tahoka Methodist Church, preached in the afternoon, while Rev. J. R. Wood of Lubbock, the New Home pastor, occupied his own pulpit at night.

The Baptist Church congregation, which is the oldest organized congregation at New Home, called off their services and joined with their Methodist brethren in enjoying the spiritual feast as well as the material feast which was partaken of at the noon hour. We are told that, in spite of the weather, some 225 or more were present to enjoy this opening day in the new church.

By way of welcome to the new organization, Mrs. Henry Heck, of New Home made a talk in the afternoon meeting in which she expressed the appreciation of the Baptist congregation for the cooperation accorded them in the past by the Methodist people. But, as much as the Baptist congregation would miss them they rejoiced with the Methodist congregation and wished them continued success in their own church work.

**DIXIE H. D. CLUB**

Selecting the right type of floor coverings were discussed by Mrs. W. C. Huffaker, at the Dixie H. D. Club at the home of Mrs. G. L. Cobb on Thursday, April 3.

The most suitable wood for floors in private homes are hardwood. Oak and maple are mostly used because they wear more evenly and are more attractive in appearance.

In selecting floor coverings linoleum is one of the best and most servicable of all for floors in kitchens, pantries and bathrooms, and is being more widely used in combination with textile rugs in all the rooms of the house. It wears well and is easily cleaned.

There are three general types of linoleum on the market: Plain, inlaid, and printed. The plain has no design, the color matter is added to the plastic mass and gives a restful and pleasing appearance. Inlaid is so made that the color in all designs extends to the backing and therefore will last as long as the linoleum itself. Printed linoleum is made by stamping a design of oil paints on a thin grade of plain, but, because the design is only painted on the surface and does not go through to the base, printed linoleum cannot be expected to give such linoleum, when once laid usually remains undisturbed until it is worn out. Therefore particular care should be taken in laying it.

There were two new members, Mrs. H. T. Loyd and Mrs. Troy Warren. The monthly fees were paid. There were twelve members present.

The club meets with Mrs. Burl Aycox, on April 17, at 2:30 P. M.

Mr. and Mrs. Joe P. Unfred and sons, Corp. Durward and Connally, accompanied by Mrs. Lloyd R. McCormick spent the weekend in Wichita Falls, visiting relatives. The Unfred family visited Mr. Unfred's sister, Mrs. C. B. Wigley and family which includes Mr. Unfred's mother, Mrs. Unfred's parents, Mr. and Mrs. T. J. Hawkins and their daughter, Mrs. M. B. Samuels and her husband joined the group there and all enjoyed a pleasant reunion. Mrs. McCormick visited in the home of her brother, Carl McKinnon, and also with a sister.

**Wake Lazy Insides All-Vegetable Way**

Thousands turn to this way to get relief when they're lazy intestinally and it has them headachy, bilious, irritable, listless: A quarter to a half-teaspoonful of spicy, aromatic, all-vegetable BLACK-DRAUGHT on your tongue tonight, a drink of water, and there you are! Thus, it usually allows time for a night's rest; acts gently, thoroughly next morning, so relieving constipation's headaches, biliousness, bad breath.

BLACK-DRAUGHT'S main ingredient is an "intestinal tonic-laxative," which helps impart tone to lazy bowel muscles. The millions of packages used prove its merit. Economical, too: 25 to 40 doses, 25c.

**Connally Opposes Labor Shut-Downs**

WASHINGTON, D. C. Rising to the floor of the Senate last week, Senator Tom Connally urged his colleagues to give heed toward halting labor shut-downs in national-defense plants. Connally emphasized his interest in getting immediate legislative action on the problem.

"It seems to me" said the Texas Senator, "that fundamentally there is no difference between the employer refusing to go on and produce and the employees refusing to proceed with normal production. So, if I had my way about it, I would adopt a provision directing or authorizing the President, through the Secretary of War or the Secretary of the Navy, to take over any plant which has a contract for the production of essential national-defense articles, arms or ammunitions, where disputes between the employer and the employees, or other labor disturbances, are impeding and delaying production."

Law exists now for the government to take over plants where the owner refuses to cooperate in the defense drive; Connally feels that the law can and should be amended to permit the Government to take a hand in cases where employees refuse to cooperate and tie-up defense production.

"There is a law against striking against the United States," remarked Senator Connally. "If the government should take over a plant as it did during the World War, governmental boards would determine in each particular factory what is a fair wage and what are fair working conditions."

Connally's legislative record has long been considered as friendly to labor; yet at the present time he considers "the Union of the United States as Union Number 1 in this country, which is superior and paramount to any other union."

**McLAURIN-GIBSON**

Friends in Lynn County were surprised a few days ago when it became known that Waldo McLaurin, Jr., and Miss June Gibson, outstanding and popular members of the O'Donnell High School Senior Class, had been married on March 23, at Seminole by Elder C. B. Middleton, pastor of the Church of Christ.

After a short visit with the bride's relatives at Santa Anna, and with friends at Brownwood the young couple returned to their studies in O'Donnell, so that the news is just now becoming generally known. We are told that they expect to complete their high school work but will probably make their home on the McLaurin farm following their graduation.

Mrs. McLaurin is the daughter of Mrs. Roy Gibson and has spent most of her life in O'Donnell. The groom is the son of Commissioner and Mrs. Waldo McLaurin and, besides being an outstanding student has made a name for himself in sports, especially in boxing, where he is best known by the title "Tech" McLaurin.

Mr. and Mrs. R. W. Penton Sr. came in Monday afternoon after spending two months with her sister and family at Kent. They seem to be improved in health.

**Ham Rolls with Creole Sauce**

Broadcast by Mary Lee Taylor  
April 10, 1941

1 cup raw rice 1/2 cup Fat Milk  
6 cups boiling water 1/2 teaspoon pepper  
2 1/2 teaspoons salt 12 slices ham, boiled  
2 tablespoons onion, finely cut or baked (1 pound)  
2 tablespoons bacon fat or other shortening 2 tablespoons butter or other shortening

Wash and drain rice. Boil 30 minutes, or until tender in boiling water and 2 teaspoons salt. Drain and rinse in hot water. Turn on oven and set at moderately slow (350° F.). Cook onion in bacon fat 5 minutes, then add rice, milk, pepper and remaining 1/2 teaspoon salt. Continue cooking until milk is absorbed, or about 5 minutes longer. Remove from heat and cool. Then arrange mixture in center of ham slices, shaping into cylinder. Roll up and secure with tooth picks or string. Put in greased baking pan, putting bits of butter on top. Bake 20 minutes, or until thoroughly heated. Serve at once with Creole Sauce (See below). Serves 6.

**Creole Sauce**

2 tablespoons bacon fat or other shortening 10 1/2-oz. can condensed tomato soup  
1/2 cup finely cut green pepper 1/2 teaspoon salt  
3 tablespoons finely cut onion 1/2 teaspoon pepper  
1/2 cup hot Fat Milk

Melt fat in saucepan. Add green pepper and onion and cook slowly 5 minutes. Stir in soup, salt and pepper and boil 1 minute, stirring occasionally. Then stir hot soup mixture into hot milk. Serve at once. Do not cook after mixing. Serve on Ham Rolls (See above). Serves 6.

Mrs. Waldo McLaurin and Mrs. Alvin McMillan have returned from a most interesting trip which took them to Portales, Ruidoso, Las Cruces and Juarez. Of course such a trip holds much of interest at any season of the year, but they found the scenery especially beautiful just now when nature is spreading her Spring finery over the landscape.

Dr. Fred Haney of Albuquerque, New Mexico, arrived Wednesday for a visit of several days with his brother and wife, Mr. and Mrs. L. C. Haney. Dr. Haney is staff physician at the Veteran's Hospital there.

Mrs. J. B. Nance is in Hale county at the bedside of a foster daughter, who is ill.

## At the Churches

**METHODIST CHURCH**  
Church School, 9:45  
Morning Worship, 11:00  
Youth Meeting, 7:00.  
Evening Worship, 7:45.

The pastor will preach Sunday and the Juniors and Intermediates will bring some special Easter music at the eleven o'clock hour. Rev. R. N. Huckabee will preach Sunday evening. We have written for an evangelistic singer who will be with us soon.—George E. Turrentine, pastor.

## SERVICES AT BAPTIST CHURCH SUNDAY

Easter music will feature the services at the Baptist Church Sunday.

In the absence of Pastor Geo. A. Dale, who will be closing a revival meeting at North Park Church, Sherman, Rev. Hubert Foust of Southland will preach at both morning and the evening services.

On last Sunday, County Attorney Vergil Crawford of Brownfield spoke at both hours. His messages were well received by the congregation.

Mr. and Mrs. Chas. F. Hemphill and two little daughters of Rankin, were brief visitors here with Mrs. E. I. Hill Tuesday afternoon. Mrs. Hill and Mrs. Hemphill had been very intimate friends for several years at Albany. Mrs. Hemphill then being Miss Thelma Gordon. She is a niece of Dean Gordon of the Tech. They had been in Lubbock visiting.

## PERMIAN BASIN OIL MEETING IS PLANNED

LUBBOCK, Tex., April 10.—With plans completed to entertain one thousand visitors, the Lubbock Committees in charge of arrangements for the Permian Basin Convention, Sunday and Monday April 13 and 14 indicated the feeling that this would be one of the finest meetings ever held in West Texas according to Paul C. Teas, General Convention Chairman.

Officials of the Association and Lubbock leaders stressed the fact that not only members of the Association are being invited to be present but also every citizen of the area interested in our progress is being cordially urged to attend, Mr. Teas added.

Opening with registration at 1:30 Sunday afternoon the convention will move at a fast clip to be climaxed by the fun night and dinner dance on Monday evening.

The West Texas championship horse show will attract some of the finest horses of the Southwest and will be in every way comparable with those ordinarily seen in Fort Worth, Dallas or New York City. The show will begin at 2:30 Sunday at Fair Park.

Various committee meetings will be held at 7:30 and 9:00 o'clock Sunday evening for final consideration of reports to be given at the Director's breakfast at 7:00 o'clock A. M. at the Lubbock Hotel. The first general business session at 9:30 at Lubbock Hotel will feature addresses by Sam B. Cantey, Jr., banker of Fort Worth, Homer Win-

## PEBHE K. WARNER CLUB

In the regular meeting Tuesday afternoon Mrs. A. P. Edwards was elected delegate to the District Federated Club Convention in Amarillo April 29 through May 1. Mrs. A. L. Pace was hostess in her new home.

The topic of study for the afternoon was "Mexico since 1910". The administrations of Madero, Huerta, Carranza, and Obregon, were discussed. Mrs. A. L. Pace told of Huerata's ability as an organizer, this trait being acknowledged by even his enemies, but he like many other Mexican leaders did not have time to prove to the world his real power in Mexico. Mrs. A. P. Edwards, in discussing Obregon, said that this ruler did not appreciate the United States, but that he did wish to show friendship toward such a well organized country. Mrs. E. R. Edwards discussed the intervention of the United States in Mexico

ston, business man of Brownfield and former State Senator, G. H. Nelson of Lubbock.

The convention luncheon at Hilton Hotel will bring an address on "The Washington Picture" by Charles I. Francis, attorney and oil man of Houston.

Final business session at 2:00 P. M. at Hilton Hotel brings a discussion of "What the Defense Program Means to the Oil Business" by Gen. Gerald C. Bradt, Randolph Field, San Antonio. Another interesting feature of the afternoon session will be the symposium when everyone in attendance will be given the opportunity of bringing question and suggestions before the membership.

in 1915-16 following the death of American citizens by Villa's forces. Plans are being made for printing the year books. Next year's programs will be chosen from current topics selected through the Readers' Digest.
