Tahoka, Lynn County, Texas, Friday, June 27, 1941

Number 46

## Old Timers Enjoy Annual Re-union

### United Service Organization Begins Work

Explaining the scope and purpose of the work and announcing the appointment of committees to represent every organization of whatever nature in the county, as church, school, community, service, civic and social clubs in the town and the County Home Demonstration Council which covers the county, Mrs. Era Stewart, County Chairman, on Wednesday afternoon set the wheels in motion for raising Lynn County's quota for the U. S. O. when she spoke in the county court room to about 45 persons representing practically all the towns and the rural communities of the county.

Mrs. J. W. Elliott was introduced as one of the District Committee of this the 19th Congressional District. Mrs. Elliott gave a clear-cut view of our duty as citizens of the County to work together in this United Service Organization which will result in both economy and satisfaction to us and greater good to the fine young men who are serving in Army Camps.

Mrs. Elliott stated that the very choice young men and some of our finest young women are now in the service of their country; all have had to break home ties and give up former associates, many are miles from their native communities, and, being human, are subject to homesickness and despondency and are sometimes a prey to temptations. Though our government is building community houses and is furnishing

(Continued On Back Page)

## George Ehlers, 58, Buried Tuesday

George Ehlers, prominent pioneer farmer living a few miles southeast of Wilson, died about midnight Sunday night in the Mercy Hospital in Slaton of heart trouble. He had entered the hospital for an operation, and he was thought to be doing nicely when his heart failed to function.

Funeral services were conducted in a Lutheran Church in Wilson Tuesday afternoon with Rev. E. Herber officiating, followed by burial in the Slaton cemetery.

Mr. Ehlers, 58, had been a resident of that community for 24 years and was a well known and highly respected citizen. He and family came to Lynn from Lavaca county in 1916 or 1917.

Deceased is survived by his wife, two sons, Edwin and Herbert Ehlers of Wilson; four daughters, Mrs. Willie Schneider of Wilson, Mrs. Adolph Walter of Slaton, Mrs. Bill Ernst of Pampa, and Mrs. Albert Drager of Friona; and eleven grandchildren. Also surviving are a sister, Mrs. Fritz Bauman of Lorraine, and two brothers, Fritz Ehlers of Stockton, Calif., and Gerhard Ehlers of

## Elderly Woman Falls, Breaks Hip

Mrs. John Rea, about 65, was the victim of a serious accident here Saturday afternoon when she stepped on a banana peeling on the sidewalk at the First National Bank corner, which slipped and caused her to fall. The impact on the pavement broke the socket bone of the hip. She was taken to the office of a local physician, who gave first aid treatment, and was then rushed to the Lubbock Sanitarium, where an x-ray examination revealed the seriousness of the break.

Reports from the sanitarium this week are to the effect that she is doing remarkably well considering the gravity of the injury.

O. T. Williams in charge of the Soil Conservation office in Lubbock accompanied by a party of men from Iowa stopped in Tahoka Wednesday morning in a field trip over his dis-

Pioneers here Tuesday attending the Lynn County Old Settlers re-union were not as numerous as on several previous occasions, nor did they have as elaborate a program, due to a combination of reasons, but those there thoroughly enjoyed the occasion nevertheless.

That was attested by the hearty handshakes with which they greeted one another, the smiles that lit up their faces as they conversed about the events of an earlier day, and the peals of laughter that occasionally broke out when some one of the number had finished spinning a good yarn or had cracked a funny joke.

There were a few present who had come long distances to visit relatives and friends and to attend the re-union. Among these was Mrs. Perry Clayton, who had come all the way from Ranier, Washington. She arrived on Thursday of last week and stated to a representative of the News that she expected to leave on Thursday of this week.

A. P. Kirkpatrick and daughter were here from Louisville, Kentucky. Mr. and Mrs. J. B. Lowe of Carlton, Hamilton county, came out to visit relatives and friends and attend the re-union.

J. K. Milwee of Lubbock, 98 years of age, who came to Lynn county 56 years ago, was doubtless the oldest person present. He bought land and established a ranch in this county long before the close of the last century.

Other out-of-town visitors here included Mrs. C. M. Whipp, Mrs. Jessie King, Mrs. J. B. Walker, Mr. and Mrs. T. B. Cowan, Don Hatchett, and Norvell Redwine, all of Lubbock; Mrs. T. J. Blankenship of Brownfield, Mr. and Mrs. George Bartlett of Plains, Mr. and Mrs. I. A. Shattuck, and Irwin Shattuck of Otton, Mrs. George Milliken of Fuvanna, Mr. and Mrs. Harley Wells of Seminole, Durwood Gilmore and Mrs. Lala Gilmore Collins of Hobbs, New Mexico.

Following an invocation by J. D. Donaldson and a welcome address by the president, W. H. May, there was a brief memorial service in honor of those old timers who had passed on since the association met last year.

Also there was some lively music and a bountiful spread at the noon hour. In the meantime the proceedings had been interrupted by a light shower. After lunch the old settlers repaired to the English Theatre where several reels of motion pictures taken on occasions of previous meetings were thrown on the screen and were greatly enjoyed.

(Continued On Back Page)

## New Clinic To Be Constructed Here

Bids will be received today (Friday) by Drs. Emil Prohl and K. R. Durham on the modern clinic building to be erected just west of the Telephone office in the near future.

The building will be a modern structure with two divisions, one for the doctor and one for the dentist, both to be equipped with the most modern medical facilities.

It is hoped that the clinic will be the nucleus of a modern hospital which has been the dream of many civic minded citizens for some time.

## Articles Will Explain U. S. Defense Bonds

At the request of the Treasury Department we announce a new feature of interest and service to many readers who are buying or will buy Defense Savings Bonds and Stamps. This will be called the Defense Bond Quiz, and will start in next week's issue.

The question will be chosen from among those asked by most Bond and Stamp buyers. The answers will tell what the new Defense Savings Program means to the individual and to the Nation.

## Super-Bombs Dropped on Germany

Heavy bombs, some of them weighing up to 2,000 pounds, are shown being loaded aboard a British bomber before a raid over German territory. The British censor-approved caption describes them as some of Britain's new "beautiful" bombs, whose blasting power, five times that of any previous bombs, are blowing German factories to bits.

## Straw Vote Here Favors G. Mann, O'Daniel Second

Billy Hill, representing the News, took a straw vote in Tahoka Monday afternoon on the Senatorial race. Procuring a cigar box, he went out onto the streets and sidewalks and into the business houses and asked people to vote as he met them, if they were qualified to vote in the election Saturday. They each were requested to write the name of their respective choices on slips of paper, fold the slips, and drop them into the box. No person was asked to reveal his choice. Nobody was slighted. Business men, farmers, laborers, both men and women, were contacted and all classes participated in the straw vote.

Straw votes do not always give an accurate picture of the sentiment of the community, and this one may not do so, but it was done fairly and without favor or discrimination against any candidate. The results were as follows:

Sam Morris 1, O'Daniel 22, Johnson 14, Dies 6, Mann 44, undecided 2. Of the 87 votes cast, Mann received a majority.

We understand that another citizen of Tahoka took a similar vote on last Saturday, contacting approximately a hundred voters and that Mann received about half the votes cast.

The News is not claiming, however, that this is an accurate index of the vote Saturday. We are not conducting a Gallup poll.

Mrs. Grace Thompson Dyess, who is engaged in N. Y. A. work in the Austin District is spending her vacation here with her parents, Mr. and Mrs. Joe Thompson.

Mrs. Terry Noble underwent a major operation at the Lubbock Sanitarium Tuesday morning.

## Large Crowd Hears Governor O'Daniel Here Saturday

Governor W. Lee O'Daniel made a brief stop in Tahoka last Saturday afternoon and spoke to a crowd of several hundred people assembled on the courthouse lawn and in the highway that passes through it in the interest of his candidacy for the United States Senate. He spoke for possibly fifteen minutes.

The Governor did not find time to mention any national problems except that of Old Age Pensions and Social Security. He did not really discuss this matter; he merely told of his alleged accomplishments at Austin, threw a few rocks at the legislature, dubbing the members as "those birds", handed out a bunch of compliments to "we the people" and especially the aged people, claimed all the credit for the "solution" of the pension problem, and promised that if he were sent to the U. S. Senate he would straighten this pension business out at Washington. In addition to this, or rather in connection with all this, the Governor did a bit of wise-cracking, that greatly pleased his auditors.

In fact, it was evident that his every word and act was well pleasing in the sight and hearing of most of those who had assembled to hear him, and it is probable that he will receive a large vote in Lynn county on next Saturday.

## Singers To Meet Here Sunday

The Sacred Harp Singing Convention will meet in the Primitive Baptist Church here next Sunday, according to R. B. McCord, the president.

Everybody is invited to come and bring lunch, as there will be a basket dinner at the noon hour.

## CROP PROSPECT BRIGHT AS LIGHT RAINS FALL

Farmers generally this week are reporting excellent crops, although most of them are late, due to the continued rains in May and June.

Cotton and feed crops are up and growing by leaps and bounds these warm days, and most fields have been cleaned of the wildernesses of weeds that sprang up following each flood of rain.

Wheat, barley, and other small grain in the county, though the acreage is very small, are making excellent yields. Grains sowed for pasturage and grass in the ranches were never finer.

While there has been a welcomed cessation of the continuous and heavy rains that held the stage for weeks and weeks and made replanting of crops several times necessary, there has been much showery weather even this week. In some places the showers grew into heavy downpours of rain that flooded fields and sent the water scuttling over highways in places.

On Monday about an inch of rain was reported in the vicinity of Wilson, and Wayside Piling Station. On Tuesday a heavy downpour covered much territory east and north-east of Tahoka. Other heavy show-

ers that day were reported from West Point, T-Bar, and other communities.

No particular damage to crops from these rains has been reported, and light showers in places have been a help by softening the top crust that formed following heavy rains.

The older feed in the county is growing rapidly, and the prospects for bountiful crops throughout the county are most rosy at this time.

Word came to the News Wednesday that Miss Eva Beach of the New Home community, who has been attending the summer session of the Texas Technological College, has been seriously ill of "flu" and pneumonia the past ten days or more in the West Texas Hospital in Lubbock. It is to be hoped that she makes a speedy recovery.

Mrs. Essie Russell and daughter Miss Joyce are now residing in Lubbock, having removed from Tahoka to that city about two weeks ago. They had been residents of Tahoka for many years.

## Election Is Major Issue This Week

Tomorrow the voters of Texas will be swarming to the polls to elect a United States Senator to fill out the unexpired term of Senator Morris Shepherd, deceased.

Following his death, Andrew Jackson Houston, 87, was appointed by Governor W. Lee O'Daniel to stand in the gap until an election could be called and held in accordance with the laws of the state.

When the man who is elected Saturday takes the oath of office, the aged and decrepit Houston will step down and out.

On the ballot which has been printed for Lynn county are the names of twenty-nine candidates. Twenty-five of these are listed in the Democratic column, two in the Republican column, one in the Independent and one in the Communist column.

Several of these have announced their withdrawal, but the announcements were not made until after the ballots had been printed and their names appear on the ballot therefore just as if no withdrawal

### Election Board

Tahoka Drug has announced that they will announce the returns of the election Saturday night on an election board in front of their store for the accommodation of the public. Votes will be put on the board as fast as they can be received from all over the state.

had been attempted. Among those who have withdrawn are Dr. John R. Brinkley and one or two others on the Democratic ticket and one of those on the Republican ticket—we really do not remember which one, and it doesn't matter.

Most prominent among the candidates on the Democratic ticket, in the order in which their names appear on the ballot, are Dies, Johnson, Mann, and O'Daniel. It is universally conceded that one of these four will be elected.

There are fifteen election precincts in Lynn county.

It is the duty of election judges to make returns to the county clerk just as quickly as possible after the counting in their respective boxes is completed.

This is important not only because the people of this county are anxious to learn on election night how the county has voted but also because these returns figure in the total in the state and must be reported before full returns in the state can be known.

The voting precincts and the

(Continued On Back Page)

## Undergoes Operation In Lubbock Hospital

Miss Birdie Winters, chief operator for the Southwestern Associated Telephone Company, was taken to the Plain Hospital in Lubbock Tuesday, where she underwent major surgery. She was given a blood transfusion Tuesday night, a sister-in-law Mrs. Jack Winters of Lubbock, furnishing the blood. Another blood transfusion was to have been given Thursday. A number of Tahoka women had volunteered to give their blood. A host of friends here are hoping that Miss Winters may speedily recover.

## News Will Be Issued Early Next Week

On account of the fact that next Friday falls on July 4, on which mail carriers will be off duty, the News will be printed one day earlier next week.

Advertisers, therefore, are urged to prepare copy for their ads earlier than usual, and those who have news items or club reports for the paper should rush them in at the earliest possible moment.—The Publishers.

## 31 New Members Added To Chamber Of Commerce

The list of members of the recently reorganized Tahoka Chamber of Commerce has had a very healthy growth this week, thirty one names having been added since we published the list last week.

Prentice Walker, Conway Clingan, and possibly others have been circulating the list among business men and few of them have declined to go down on the dotted line.

We made one inexcusable omission last week in giving credit to those who had carried on here for the West Texas Chamber of Commerce during the inactivity of our local organization. No one through the years has done half so much in keeping Tahoka on the map in Chamber of Commerce circles as has J. K. Applewhite. He did the work of a chamber of commerce secretary here free of charge before turning the job over to his successor.

Jack is due the thanks of the people of Tahoka for the unselfish service, which he has been rendering.

The total membership has now climbed to 105, and Prentice Walker and Conway Clingan, who have been circulating the list, express the opinion that the completed list will contain 125 names. The list of additional members follows.

Tuckers Dairy, J. K. Applewhite, Jim Dye, Clint Walker, W. O. Thomas, W. A. Reddell, Geo. M. Reid, Thomas Reid, Wiley Curry, Charles B. Townes, Jess Gurley, Higgin-

(Continued On Page 5)

## Aged New Home Resident Dies

Funeral services were conducted at the Harris Funeral Chapel here at four o'clock last Saturday afternoon for Mrs. Sarah Ann Corbell Schooler, 88, who died at the home of her daughter, Mrs. T. F. Cabe, near New Home at 5:30 o'clock Friday afternoon. Death resulted from an attack of heart trouble.

Services were conducted by Rev. Collin Webb, pastor of the Baptist Church at New Home, of which deceased was a member, assisted by Rev. Geo. A. Dale of Tahoka.

Mrs. Schooler left surviving her one daughter, Mrs. T. F. Cabe of New Home, and two sons, W. P. and J. C. Schooler of Dimmit, together with twelve grandsons, six granddaughters, and a number of great-grandchildren. Her husband had preceded her in death years ago.

Pall bearers were D. Sanders of Tahoka, Norton McCullough of New Home, and four grandsons, J. F. Cabe, J. G. Cabe, C. B. Cabe, and Frank Schooler.

Although nearly 88 years of age, Mrs. Schooler was a native Texan.

(Continued On Back Page)

## Is Delegate To State Convention

Mrs. A. L. Shepherd of Grassland, an enthusiastic home demonstration club worker and president of the Grassland H. D. Club, was selected last Saturday as Lynn's county's delegate to the state home demonstration convention, which meets in Beaumont on September 3, 4, and 5.

She will represent all of the women's home demonstration clubs in Lynn county in this convention and her expenses will be paid by the County Council.

The delegate is selected from a list of candidates by an electing committee, which is composed of all the club presidents, one representative from each club, and the county council officers. Since there are ten clubs in the county and three county council officers, this electing committee is composed of 23 members.

Mrs. John Kirkwood of the Tahoka club was elected as Mrs. Shepherd's alternate.

**Morris Writes From Pearl Harbor Base**

Mr. Hill and the People of Lynn County—I've been getting the News aboard ship for sometime now, and I'm always glad to get it. Sometimes conditions cause it to come late, but it's always news to me and it comes from home.

It has a good bit about the Army boys and their year in the Service, so I thought you might like to hear about the greatest military organization the "United States Navy".

I lived around Tahoka for almost all my life. I joined the Navy at San Antonio April 25, 1940 and came aboard the U. S. S. Lexington in November. I was rated to radioman Petty Officer Third Class the first of last May.

In some ways the Army has it over the Navy. They have only from one to three years to do while we have six, and they are close to home. But—I believe the Navy affords a better chance for advancement, and a better chance to learn a trade. The main thing, though, is we get to travel. I've been all up and down the West Coast and to Hawaii two or three times, and I hope to go around the world before I get out of here.

I read a letter in the News written by my old friend, Alvin Shambek, and he wrote all about their guns, maneuvers and all the things they did. That may be all right in the army, but I could get a court martial for less. About the only thing I can tell you about our activities is that I'm on the Lexington, an Aircraft Carrier, and right now we are in port at Pearl Harbor, Hawaii.

I guess you've all heard about Hawaii, the paradise of the Pacific. Well it really lives up to the name. Along the coast are beautiful low land fields of sugar cane, pineapples, and most anything else, including banana trees; also all kinds of palm trees. A few miles inland are green mountains whose tops are covered with clouds most of the time. The beaches are sunny and the swimming is grand.

I've just returned from a two-day trip of mountain climbing, hiking, swimming, and most anything else that we wanted to do at a Navy Recreation Camp, on the other side of the island. The Navy is doing a wonderful work of building parks and recreation places for the Service men out here. Each ship may send a certain number of men out to those camps free of charge to relax and rest up after being out at sea for a long time.

We met up with some "Limies" (English Sailors) who had just come from the battle of Crete. They wouldn't tell much, but want us to stay out of the war. They said, "Good old Roosevelt, Good old America", and that there would always be an England as long as there was an America.

Well it's about six bells, so I'll secure and turn to before mess gear sounds.—Aloha Oe, Norbert S. Morris.

**CARD OF THANKS . . .**

We wish to thank our neighbors and friends for the kindnesses shown us in the sorrow which has come to us in the death of our dear wife and mother. We can not find words with which to express our appreciation of their kind words and deeds.—J. W. Snelson and children.

**HAS INTERESTING VISIT IN LOS ANGELES**

Mrs. A. A. Lawson returned early last week from a two months visit with her three sons in Los Angeles, Ben Hur, Smith, and Loy Lawson. She reports much activity on the west coast but says the people are disturbed very little by the prospect of war.

She had many interesting experiences while there, but one that stands out above others was her attendance of an All-State picnic recently at near-by Ontario. She said that they had a table two miles long, each state having a section. Texas was well represented.

**CARD OF THANKS . . .**

We wish to take this opportunity to express our deep appreciation to our friends for their kindness and consideration to us during the illness and the loss of our loved one.—Mrs. R. H. Turner and family.

Rev. and Mrs. Ben Hardy were at Floydada on business last Saturday and Brother Hardy says that some crops in that section are still under water.

**CITATION BY PUBLICATION THE STATE OF TEXAS**

To the Sheriff or any Constable of Lynn County—GREETING:

You are hereby commanded to summon Marion Lafayette Waller, whose residence is unknown, and the heirs of Marion Lafayette Waller, deceased, whose names are unknown to appear at the next regular term of the County Court of Lynn County, Texas, to be held at the courthouse thereof in the city of Tahoka, Texas, on the fourth Monday in July, 1941, being the 28th day of July, 1941, then and there to answer a petition filed in said court on the 14th day of June, 1941, in a cause numbered 402 on the docket of said court, wherein Emily Viola Waller, Maud Cook, Christopher C. Waller, John Henry Waller and Myrtle McNeil are plaintiffs and Elsadie Roena Franklin, Willie Alma Phillips and her husband, Lester Phillips, Wallace W. Waller, Bryan J. Waller, Marion Lafayette Waller and the unknown heirs of Marion Lafayette Waller are defendants, the cause of action being alleged as follows: That Mary Margaret Waller is deceased; that she died on

April 4th, 1937; that no administration has been had upon her estate and that she died intestate; that her estate consists of the North 160 acres of Survey No. 429 and the South 40 acres of Survey No. 435, all in Block 9, and all situated in Lynn County, Texas, her interest therein being an undivided community interest; that W. A. Waller, the husband of said Mary Margaret Waller, is now deceased; that the plaintiffs and defendants, Elsadie Roena Franklin, Willie Alma Phillips, Wallace W. Waller, Bryan J. Waller and Marion Lafayette Waller are all of the children of Mary Margaret Waller, deceased; that plaintiffs have not been able to hear from or learn of the whereabouts of the said Marion Lafayette Waller at any time since April 5th, 1917, and they allege that he is dead and that he died prior to April 4th, 1937, and that he had never been married; that said plaintiffs and the defendants, Elsadie Roena Franklin, Willie Alma Phillips, Wallace W. Waller and Bryan J. Waller are the sole and only heirs of said Mary Margaret Waller, deceased, and are entitled to share equally in her estate:

and plaintiffs pray that the court determine, declare and adjudge who are the heirs and only heirs of said Mary Margaret Waller, deceased, and the share of said estate to which each is entitled.

You are further commanded to serve this citation by making publication of the same once in each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your county, if there be a newspaper published therein, but if not, then in the nearest county where a newspaper is published.

HEREIN FAIL NOT, but have you before said court on said first day of the next term thereof, this writ, with your return thereon, showing how you have executed the same.

WITNESS W. M. Mathis, Clerk of the County Court of Lynn County, Texas.

GIVEN under my hand and the seal of said Court, in Tahoka, Texas, this 16th day of June, A. D. 1941.

W. M. Mathis, Clerk of County Court of Lynn County, Texas.

Issued this 16th day of June, A. D. 1941.

W. M. Mathis, Clerk of County Court of Lynn County, Texas. 45-4tc.

**T**HE labor unions have made their demands upon the railways of the United States—and through the railways upon the PUBLIC. These demands are vastly larger in proportion than any they have ever made. The economical and efficient operation of the railways is vital to the nation's defense effort. Therefore, the Western Railways present to the public the following facts:

The labor unions representing engineers, firemen, conductors, brakemen and switchmen are demanding a 30 per cent increase in wages, amounting to 190 million dollars a year—although their present rates of pay are the highest in history.

Other unions representing a greater number of railway employees are demanding wage increases ranging as high as 95 per cent—averaging 47 per cent—and amounting to 580 million dollars a year—although their present rates of pay also are the highest in history.

Thus the wage increases being demanded by the labor unions amount to 770 million dollars a year, an average increase in excess of 41 per cent.

In addition, certain of these labor unions have demanded advances in their pay not included in the above figures, and more rules for the creation of unnecessary jobs.

The situation, then, is this: The total cost of complying with all the demands made would be approximately 900 million dollars a year!

The average weekly earnings of railway employees are now 15 per cent higher than in the peak year 1929, while the cost of living is 12 per cent less.

The demands of the railway labor unions are being made when the entire nation has just been asked to make a supreme effort for National Defense.

The railways cannot meet these demands without a great increase in the cost of transportation. They exceed by more than 700 million dollars the income that the railways had left after paying their annual expenses, taxes and charges in 1940.

The railways have a vitally important job before them. They need all their resources to continue adequately to serve you and contribute effectively toward the National Defense Program.

**Ex-Bell Countians To Hold Reunion**

The News has been asked to call attention again to the great get-together and picnic to be held at Buffalo Gap, thirteen miles south of Abilene, by former residents of Bell county, on Sunday, July 6.

Any person now residing in the West who at any time has resided in Bell county is invited to be there. You and your families are eligible to membership.

The picnic and reunion is to be held in the Presbyterian encampment park, shaded by fine oak trees, with an abundance of water and other conveniences.

Seven hundred ex-Bell Countians were present at the first meeting, which was held last summer. A much larger crowd is expected this year.

If you haven't church duties or other duties that keep you away, drive down with your family, taking a basket lunch with you, and mingle again with the friends and neighbors of a former day.

There are quite a number of former Bell county people now residing in Lynn county, and many in other counties of the South Plains.

**ATTEND LEUDERS ENCAMPMENT**

Mr. and Mrs. Melvin Rathel and Misses Rae Fern Pennington, Mary Ruth Hargett, Bettie Lou Frazier, and Mary Beth Roddy went to Leuders Monday and attended the annual Baptist Encampment there until yesterday. Rev. Bill Marshall of Dallas was in charge of Young People's work during the week.

Mrs. Julia Haley of Midland was a guest in the home of the editor Monday. She is an aunt of Mrs. Myrtle Rochelle and Billy Hill. She left Monday afternoon for Lubbock, where she was to attend the three-day Seminar on Latin-American Relations opening Monday at the Texas Technological College. For many years she was a member of the Board of Directors of the Texas Technological College and still takes a lively interest in its affairs.

Rev. J. P. Durham of Shreveport, Louisiana, is here this week visiting his son, Dr. K. R. Durham, and family.

**FRANK McGLAUN WRITES OF REMOVAL TO LAS VEGAS**

The News has received the following communication from Frank McGlaun of this city, who has been in training in the air corps of the U. S. Army at Brooks Field, San Antonio. His letter is dated Monday, June 23, and is addressed to the editor.

"I am writing you a few lines about the moving of the air corps personnel from Brooks Field, San Antonio, to Las Vegas, Nevada, the first of July.

"The squadrons moving are 50th, 51st, 351st, 352nd, 353rd, school squadron and the 79th air base group. The movement of these squadrons will affect some 2,000 men. The squadrons leaving are all new activated squadrons which have had some six months technical experience on Brooks Field.

"The four Tahoka boys going with the 351st School Squadron are Frank McGlaun, Grady Herrin, Elbert Crawford, and Charles Uzzle.

"The field at Las Vegas is to be a Gunnery school and it promises to be a nice place for an air corps gunnery school. The troops will be transported by special train from San Antonio to Las Vegas. All the boys are looking forward to a pleasant trip to Las Vegas and an interesting stay there.

Well, I must close and say Good-bye. Any information that you want for your paper about the air field at Las Vegas, I will give it to you on request. — Frank McGlaun, 351st School Squadron.

ED. NOTE: Thank you, Frank, for this information. We shall be glad to publish any communications you may send us about the air field at Las Vegas or anything else pertaining to life in the army.

**CARD OF THANKS . . .**

We wish to thank each friend and neighbor for the many words and deeds of loving kindness shown to us in our great sorrow. May the Heavenly Father richly bless each of your lives.—Mr. and Mrs. E. W. Holloway and children.

Mr. and Mrs. I. A. Shattuck, former residents of the Lynn community, were here from Oton Tuesday, attending the Lynn County Pioneers Reunion. They called at the News office and Mr. Shattuck made arrangements for the News to go to his address for a year.

**FSA Families Are Now Canning**

Canning season is here. Many of the Farm Security Families in Lynn County have already begun canning according to Miss Myriene Cannon, County HM Supervisor.

They have been canning greens and green beans out of their gardens. Several of the families have been able to get fruit to can, chiefly plums.

The F. S. A. homemakers must look ahead to the winter months, and plan to save such of the surplus as may be required to meet the family needs. By canning, preserving and pickling the surplus from the garden, the homemaker can fill the food storage room from which good winter meals may be planned. Canning, correctly done, is a safe and easy way to preserve vegetables for winter use.

Miss Cannon is testing the pressure-cookers to see that they are correctly regulated. All cookers which belong to F. S. A. families will be tested this year before they are used much. It is very important that a cooker is correctly regulated before it is used. Many accidents and canning troubles are caused by cookers which are not correctly regulated.

Mrs. C. M. Randal of Seymour visited her sister, Mrs. Ben Hardy and family over the week-end. Mrs. Randal was accompanied by her mother-in-law, Mrs. Charles Randal, who visited her sister, Mrs. John Randal in Brownfield.

**When a Child Needs a Laxative!**

Your child should like this tasty liquid laxative and you should like the gentle way it usually wakes up a youngster's lazy intestines when given by the simple directions.

SYRUP OF BLACK-DRAUGHT contains the same principal ingredient which has enabled its older brother BLACK-DRAUGHT to give so many users such satisfying relief for so many years!

Perhaps that's why it usually gives a child such refreshing relief when the familiar symptoms indicate a laxative is needed.

SYRUP OF BLACK-DRAUGHT comes in 2 sizes. The introductory size is 25c; the economy size is 50c.

---

**Recipe for getting Extra Action out of thin air**

**IT'S** a cinch to build an automobile engine that's either one thing or another.

You can go in for power - if you don't mind the gas consumption - or you can shoot for economy if stirring action doesn't matter.

What's tough is building a car with two good ideas under its bonnet - like this Buick FIREBALL straight-eight with Compound Carburetion.†

One idea is that it doesn't make sense to use a big, gas-gulping carburetor for your easy-going travel when you need only a little one.

The other is that you might as well have plenty-power on call when you can get it practically out of thin air!

So this Buick has two smaller carburetors instead of a single middling-size to big one.

One of them frugally handles all your low-power, round-the-town travel.

The other swings in any time you press down the gas treadle - and gives more lift and wallop - by increasing the supply of air!

Results include: More horsepower - and gas economy running as high as 10% to 15% above previous Buicks, according to owners.

Interesting? Then better get prices and see how little it costs to get this extra action - plus extra room, extra size, extra comfort and extra style.

\$930

for the Business Coupe (illustrated above) including Compound Carburetion, delivered at Flint, Mich. State tax, optional equipment and accessories—extra. Prices and specifications subject to change without notice.

Martin Dies is putting his finger on a sore spot in this campaign. He is calling attention to the vast sums of money which apparently are being spent in behalf of some of the candidates for the Senate. We doubt if his criticism really applies to more than one of the candidates. Governor O'Daniel evidently spends quite a bit of money in his campaign, but he takes up open collections among the people to help finance it. Considerable advertising has been done for Gerald Mann in this campaign, but little of it has come from him or from his headquarters. It has been done mostly by local supporters. We believe that in so far as the newspapers are concerned, the publishers will bear out this statement. Some newspaper publishers even have complained that he and his representatives have sought newspaper publicity free of charge without accompanying such a request or suggestion with an order for a paid advertisement. We can name a number of papers which have made this complaint. Some of these same papers have commended Lyndon Johnson for planking down the money with which to pay for an advertisement when he has asked for other free publicity. Furthermore, Lyndon Johnson headquarters have been sending out thousands of telegrams to newspapers and private individuals soliciting support. This office has received two or three of them. Furthermore, many thousands of printed cards have been placed in the hands of his supporters to be signed and mailed out by them to their friends. This must be costing somebody plenty of money. The News editor has received several of these cards from friends. We have received no cards from Government employees in behalf of other candidates but we have received cards from several Government employees in behalf of Lyndon Johnson. It is unbelievable that they are doing this on their own initiative. The suggestion must be coming from somebody higher up. If so, it would seem to us that somebody at Washington is bringing pressure to bear upon employees under them to root for Johnson. This may not be in violation of the letter of the Hatch Act but it certainly is in violation of its spirit. Martin Dies is promising that he will see to it that a thorough investigation of the methods used in this campaign will be made, and we think it ought to be made.

We couldn't believe that Hitler would do it. Everything last week indicated that he was about to make a blitzkrieg assault on Russia, supposed to be his silent ally. But we couldn't believe that he would deliberately take on another enemy—not, at least, of Russia's strength. But he did. He must be desperate. His armies, as this is written, are blasting their way into Russia. He made the assault hoping for a quick victory. He may win it. If he does, then he will replenish his treasury from the rich oil fields and grain fields of the Ukraine, put the

stolid Russian farmers to raising crops for the German people to consume and their workers to work in great industrial plants to manufacture bombs and guns and airplanes and armored tanks for German soldiers to use, while he turns his attention again to the British. But if he falls, or if he wins a tardy and costly victory, all will be lost. By next year, if he is compelled to keep busy on the Russian front; all this year, the British will have pounded the life out of Germany's great industrial centers; America's aid will have increased two or three fold; his armies will have been somewhat decimated in the long struggle with Russia; and he will be in no position to make an invasion of England. Hitler must have a quick victory over the Russians or face the fate of the late Kaiser.

In recent speeches, Gov. W. Lee O'Daniel has made some very serious insinuations reflecting upon the honor and the integrity of a large number of the members of the legislature. He has strongly insinuated that they have been bribed by certain un-named lobbyists representing certain un-named interests. As a consequence, many of the legislators are deeply incensed, and a resolution was introduced in the House early this week demanding that the Governor either make proof or a public retraction of his insinuations. We do not know as this is written what disposition will be made of the resolution, but we believe that it ought to be adopted. If the Governor has the proof, it should be presented so that the people may know who their dishonest public servants are. Or, if he has any evidence of their dishonesty, that should be presented, so that they may have an opportunity to refute it if they can. If he is merely making groundless charges, then the people have a right to know that; for, if his charges or insinuations are groundless, then he is a base slanderer, and the people have a right to know it. Let the truth be known. Let the investigation come.

Governor O'Daniel is promising the aged people that if he is sent to Washington he will soon get increased appropriations out of the Federal Treasury with which to increase their pensions. At the same time he tells them that if he is sent to Washington he will get a law passed similar to the one passed in Austin which will prohibit the spending of money unless the money is in the treasury to pay the bill. At the same time he promises that if he is sent to Washington he will cut out the waste in Governmental expenditures. In other words, he seems willing to make all sorts of promises, however inconsistent they may be, in order to win votes. As a matter of fact, if Governor O'Daniel is sent to Washington as a U. S. Senator, he will soon find that he is just one among ninety-six members of that body, and a very insignificant one at that. Yes, he will "call the roll" on them—yes, and he will make a regular monkey out of himself, too. How long, O Lord, how long will demagogues continue to flourish in this country and get by with it?

Miss Marine Howell of Seminole spent last week here visiting Mr. and Mrs. S. H. Howell and other relatives.

We have absolutely no sympathy for that devil incarnate Joe Stalin, who has sent hundreds of the leaders of his own people to a bloody death, if general reports are to be believed. We have no sympathy for the foul brood of atheists who have led many Russians to go into all kinds of immorality and to curse God. But we do have much sympathy for the stupid and ignorant millions who have been deceived and plundered by the thieves in power and who are now about to be made slaves of that monster, Adolf Hitler. If America can do anything to save these people from a terrible fate and at the same time save herself from a similar attack at a later date by these ruthless marauders and murderers, now is the time to render that help. We are willing in this matter to follow the leadership of President Roosevelt and Cordell Hull.

Who now can doubt further that Adolf Hitler and his fiendish horde intend to take everything in this world that they can get their hands on?

Capt. Eddie Rickenbacker, who won many victories as an air ace in the World War, celebrates his newest victory. This is his first outing since injury in plane crash.

Prevent Pox—Sore head—Cankers! Vaccinate with Dr. Salsbury's FOWL POX VACCINE. Easy to use. WYNNE COLLIER, Druggist

**JUDGE KLETT FAVORS LYNDON JOHNSON**  
 As President Roosevelt would say, when you vote for U. S. Senator, please consider the remarkable 4-year record of my "very close friend", Congressman Lyndon Johnson, of Johnson City (where I was born). Starting as a mere country boy (like Cordell Hull), this stalwart West Texan, towering 6 ft. 4 in. (with his boots off), has attracted unusual attention as a powerful and influential figure in the Nation's capital. A copyrighted article in N. Y. Tribune says: "Johnson, an able and enterprising Texan, only 32, has had a meteoric career, even for Washington, is held in very high esteem by the President, is an extremely well-informed and well-liked member of Congress." In the present struggle for National Unity and Defense, the President feels that our Country needs this experienced and forceful West Texan in the Senate. Therefore, I appeal to you as a patriotic citizen to weigh Johnson's qualifications.—E. L. Klett, Lubbock, Texas.

### A. T. Cobb Dies In Coleman

Friends here were grieved to learn that A. T. Cobb, who formerly conducted a men's furnishing store in Tahoka, died suddenly of a heart attack at a hotel in Coleman where he was boarding at noon last Saturday.

He was the father of the Cobb brothers who own Cobb's Department Store in Tahoka operated by Randolph Rutherford.

The remains were brought to Brownfield for burial and funeral services were conducted at the Church of Christ in that city Sunday afternoon.

Surviving are three sons and two daughters, the sons being Tom and Joe Cobb of Brownfield and Bob Cobb of Plainview. The daughters are married and reside in Brownfield.

Mr. Cobb operated a men's furnishing store for about two or three years in the north half of the building now occupied by Cobb's Department Store, and was well known and highly respected by the people of Tahoka and vicinity. He sold the business to his sons a few years ago, who enlarged and converted it into a department store.

#### HOME DEMONSTRATION EXHIBITS BEING MADE

The first of a series of 20 home demonstration exhibits to run for as many weeks was shown in the Cash Store here last Saturday, the vegetable exhibit being tomatoes. This exhibit was put on by the Tahoka Demonstration Club.

Potatoes will be exhibited on Saturday of this week by the Midway Club at Boullions.

Exhibits will be given through the month of July as follows:

July 5, Summer Suppers, at Smith's Food Store, by the Grassland Club.

July 12, Dried Beans and Peas, at the G. & R. Food Store, by the Draw Club.

July 19, Fruits, at the Piggly-Wiggly Store, by the West Point Club.

July 26, Whole Grains, at the Cash Store, by the Midway Club.

Other exhibits will be announced later.

### Farmers Free To Dispose Of Wheat

If you have a wheat marketing quota card, you are free to dispose of your wheat in any way you wish, Fred M. McGinty, chairman of the Lynn county AAA committee, pointed out this week.

Under AAA regulations, which went into effect with the approval by wheat growers of marketing quotas in the referendum May 31, wheat producers cannot obtain a marketing card until they have satisfied any claims the AAA might have against their wheat for production on excess acres, the AAA committeeman said.

"Since this is true, then it naturally follows that a producer holding a card on his wheat can sell it, store it, or do whatever he wants to with it," he continued. "This wheat is absolutely clear as far as the AAA is concerned and is eligible to move in the regular channels of trade."

Producers who do not clearly understand the operations of wheat marketing quotas should ask for fuller explanations at the county AAA office, the committeeman declared.

#### VISITORS FROM CARLTON

Mr. and Mrs. J. B. Lowe of Carlton, Hamilton county, and their daughter, Miss Marile Lowe, who teaches in the Amarillo city schools, were here this week visiting Mr. and Mrs. G. Wash Hickerson of Three Lakes and also friends here and at other points in the county. They expected to leave today for Winslow, Arizona, where they are going to visit their son-in-law and daughter, Mr. and Mrs. J. C. May. Mr. and Mrs. Lowe formerly lived in Tahoka and later at New Home. They were residents of the county for many years.

Mrs. Addie B. Middlesdorf, of Hammond, Indiana, came Tuesday to visit her mother Mrs. L. A. Drager, her brother Ernest Drager and family and other relatives. Mrs. Middlesdorf had been to San Diego to visit her son E. E. Middlesdorf, who is in the Naval Service there. He also visited here a few weeks ago.

Clyde Owens is visiting Jolly Joe Dyer at San Angelo this week, going down Tuesday.

This unusual picture was taken during the height of excitement at the 1940 Levelland Rodeo, and won high honors for the cameraman (C. W. Ratliff of the Avalanche-Journal, Lubbock) in an Associated Press photo contest. He caught the horse with "all four" off the ground and with

Jeb Stewart, bronc rider, up. Stewart, who hails from Fort Worth, is a former Texas Tech student and is the son of R. A. Stewart, former member of the Tech Board of Regents. Levelland is making plans for an even greater Rodeo this year—sponsored by the Levelland Lions Club—to be held July 4th, 5th.

### Mrs. Gibson Is Shower Honoree

A Bridal Shower honoring Mrs. R. L. Gibson, Jr., the former Miss Valarie Bartley, was given in the home of Mr. and Mrs. L. O. Mitchell Wednesday at 3 o'clock with Miss Frances Mitchell as hostess.

Loretta Mae Bartley, sister of the bride, and James Weldon White, a cousin, dressed as a bride and groom presented Mrs. Gibson with the large basket of gifts.

Refreshments of punch and cookies were served to: Mesdames Ally White, Edd Park, T. Cowan, C. O. Carmack, J. L. Reese, A. L. Smith, Sam Bartley, L. O. Mitchell, Lucille Pinkert, and Meses Jerine Bartley, Wanda Payne Smith, Pauline Hale, Betty Sue Roberts, Ophelia Eudaly, Kate McMillan, Evelyn Mitchell, Mary Margaret Mitchell, the honoree, and the hostess.

Many who were unable to attend, sent gifts.

#### RECALLS UNUSUAL INCIDENT

The meeting of the old pioneers in their reunion here Tuesday brought to the mind of many of them unusual experiences or incidents that occurred in the long ago.

Horace Hale, growing reminiscent, told this story of a strange occurrence that he witnessed in the year 1891 or 1892 down on Bull Creek in Borden county near the little trading point known as Durham.

One morning when Bull Creek was running bank full following a rain, he saw a young fellow come riding down the hill toward the creek about a half mile away, horse and rider disappearing before the stream was reached. Later in the day, he noticed the horse standing on the hill riderless and he continued to stand there until late in the afternoon. He and others became curious about the matter and went to investigate. The horse still had the saddle on but there was no rider to be seen. They searched in the stream and found the dead body not far away from the place where the horse had entered the stream. It was the body of Hop Turner, a young fellow who had been working on the Square & Compass Ranch now known as the Slaughter Ranch over on the line of Lynn and Garza counties.

The young man evidently had been washed from the horse when the latter entered the narrow but deep stream, and being unable to swim, had drowned.

Mr. and Mrs. J. K. Applewhite, Greta Joyce and Dorothy Jean, will leave today for Lampasas to visit relatives, and look after some business matters. Greta will stop in Austin to make inquiries concerning attending the University next term.

Mr. J. E. Freeman is ill at the home of his son, Othell Freeman.

A little from you... means a lot to them

### Amateur Night Is Big Success

A large and enthusiastic audience enjoyed the Amateur contest sponsored by local merchants and staged in the high school auditorium here Tuesday night.

Winners were decided by secret ballots cast by members of the audience, and the results showed Miss Pauline Owens to have won first place with her vocal rendition of "My Sister and I". She was awarded the title, "Miss Tahoka", and the opportunity of singing over KFYO on a future broadcast. Her piano accompanist was Miss Valeria Wells.

After the decision was announced, however, it was learned that there had been some irregularities in the voting, whereupon Miss Owens requested that the honor accorded her as a winner of first place be withdrawn. This was accordingly done by the proper authorities, in accordance with her request, and it was announced that the contest would be regarded as void and that the award will be made at a second contest to be held on Tuesday night, July 8.

All persons eligible may enter this second contest whether they participated in the first contest or not.

Neither Miss Owens nor any of the other contestants were responsible in any way for the irregularities that occasioned her request that the award made to her be withdrawn and the declaring of the first contest to be void.

The second contest, however, will give these same contestants as well as any others who may wish to enter, a chance to win just as if the first contest had not been held.

In last Tuesday night's contest, Jo Anne Edwards received the second highest vote for her tap dance, and W. H. Jackson of Wilson cornetist, received third highest vote. It is not claimed that there were any irregularities in the votes given for either of these, but on account of irregularities in the votes for winner of first place it was necessary to declare the entire contest void.

Tom Biggs of Lubbock was in charge of the program and is to be commended for the manner and the efficiency with which he conducted it. He will be in charge of the second program to be given on Tuesday night, July 8, and the winner will appear on his musical round-up program.

Eighteen contestants with four accompanists participated in the contest Tuesday night; and the audi-

#### MRS. PROHL EXPECTED HOME NEXT WEEK

Mrs. Emil Prohl is expected to arrive home next week from Fort Worth, where she has been in a hospital following major surgery.

Miss Erma Davis of Austin, Mrs. Prohl's sister, has been visiting here and caring for the children during her absence.

Mrs. Helen Eubank has been confined to her bed most of this week with influenza.

Reception was so favorable that it had been decided to arrange another broadcast even before it became known to the management and sponsors that unfortunately there had been irregularities in the balloting that followed the contest.

It should be said, furthermore, that the number presented by Miss Owens gained universal praise, and she doubtless would have been awarded first place even if there had been no irregularities.

Leading The Field  
**LYNDON JOHNSON**  
for  
**U. S. SENATOR**

—Lyndon Johnson now leads the field in the Senate race as shown by a well known and widely quoted state poll. Other candidates admit his lead by their vicious and underhanded attack on his stand for Roosevelt and Unity. But their attack has failed and Lyndon Johnson is still the man they are all trying to beat.

—What has caused this tremendous swing to Lyndon Johnson? The explanation is now clear:

—Texans want a Senator trained for the job, a Senator who has the friendship and confidence of our great President, Administration leaders and Members of Congress. Texans now know that Lyndon Johnson is that man and that he can get the job done for Texas.

—Texans want Unity of action and Unity of purpose in this hour of peril. They know that Lyndon Johnson stands for Roosevelt and Unity and action now. They know that his record of achievement for the Nation and for his District proves that his stand is sincere and can be fulfilled.

—Join with Lyndon Johnson in a State-wide pledge of Unity and Loyalty to President Roosevelt. Let the world know that Texans stand united with all Americans in our fight to preserve our Democracy.

(This ad paid for by West Texas friends of Lyndon Johnson)

Regular Services 8:15 P. M.

### METHODIST CHURCH

Church School, 9:45  
Morning Worship, 11:00  
Youth Meeting, 7:00.

Again we are having services as usual, conducted by the pastor after one Sunday's absence. Now that our whole family has recovered its health we hope to accomplish some worth while endeavors. The first is our Young Peoples Work. On Sunday morning Dr. Frank Turner, president of McMurray College will bring us another of his inspiring sermons. We who have heard him will want to hear him again. The last week in July a caravan consisting of four young people and their sponsor will spend a week with us helping us to work out plans for our Young Peoples work and put them into operation. We should begin now to plan how we may assist this caravan in carrying out our program for the building up of youth work in every field of endeavor. To this end we will have a committee meeting of young people and their workers this week—Wednesday evening. Any and all courtesies that our merchants will show this caravan will be appreciated and also our people should open their homes to these young people while in our midst.—Geo. E. Turrentine Pastor.

### BAPTIST CHURCH NEWS

Sunday School 9:45  
Morning Worship 11:00  
Training Union 7:15  
Evening Worship 8:15

So many have said "Wasn't that wonderful singing Sunday morning and Sunday evening at the Baptist Church." Yes, it was real singing and it is getting better all the time.

The deacons are to be congratulated in selecting Mr. and Mrs. Melvin Rathel as Directors of religious activities of our church. They are real leaders of our young people. All young people that really meet them once immediately fall in line for some part and they have already a fine following.

Mr. Rathel has splendid knowledge of music and all who would like to improve their musical talents are invited to attend the choir rehearsals each Thursday evening at 8 o'clock. The attendance was up last Sunday morning. Let us keep it going. Our goal is 425 in Sunday School. Won't you help us get it?

Dr. K. R. Durham's father is visiting him and will preach for us at the eleven o'clock hour next Sunday. Brother Durham has been a pastor in Louisiana and Arkansas for a number of years. We are glad to have him visit with us and it will be a special treat to us to have him speak to us Sunday morning. We urge you to attend and let us give him a good old West Texas hearing.

The pastor will continue his series of sermons on the individual conversions mentioned in the Acts of the Apostles. Subject Sunday evening is "God's Great Jail Delivery". Come out, you won't regret it.

Mr. and Mrs. Rathel and Rae Fern Pennington, Mary Ruth Hargett, Bettie Lou Frazier and Mary Beth Roddy are all at Leaders Encampment this week attending the services there. We will expect them to tell us something good about their trip.

Just remember to speak to your friends about our meeting that will begin the 22nd of August and continue through the 31st. Rev. E. W. Shepherd will do the preaching. Won't you whisper a prayer to God for the meeting and make your plans to be at home from your vacation at that time.

You are invited to attend any or all of our services.—Geo. A. Dale, Pastor.

### MILAM OPPORTUNITY HOME CHILDREN GUESTS

Spending this week in Tahoka are four children from the Malam Home in Lubbock and we are told that the youngsters are having a good time and so are the hosts and hostesses enjoying their visit.

In the Charlie Terry home are two young misses, Bonnie Dean Cable, 12, and Dorothy Louise Littrell, 6. In the Newt Smith home are two little lads, Burnie Allen, 8, and Dalton Green, 6.

## Draft Board Meets, Arranges Data For Second Register

Attention is called to all persons concerned that next Tuesday, July 1, is Registration Day for all young men who have become 21 years of age since the first registration day, October 16, 1940.

All registrants must call in person at the office of the Selective Service Board on the third floor of the court house.

### ROTARY CLUB TO RAISE \$75.00 U. S. O FUNDS

With the conclusion of the Rotary Luncheon Thursday, Dr. K. R. Durham closed his year's work as president of the Club. After indulging in quite a bit of good-natured badinage at the Doctor's expense, the Club gave him a hearty hand for the fine and faithful work he has done as president.

In the absence of the incoming president, Frank P. Hill, who is now away on his vacation, the retiring president at the close of the program turned the gavel over to Truett Smith, vice-president, who will preside at the meeting next Thursday if the president has not returned.

Prentice Walker announced that the Rotary club had been asked to raise \$75.00 for the U. S. O. Each member was asked to make a donation, the suggested amount being \$2.00 each, the remainder to be paid out of the treasury.

A brief talk on Fellowship was made by Rev. J. P. Durham of Shreveport, Louisiana, father of Dr. K. R. Durham, who is visiting here. His talk was much enjoyed.

Leon McKeenan of Fayetteville, Arkansas, brother-in-law of Dr. Durham, who also is visiting here, and Walter E. Haynes, new Chevrolet dealer here, were visitors. Mr. Haynes recently came here from Clovis, N. M., as the successor of C. H. Wiley.

New members present were Fred McGinty and C. A. Lawrence.

Two other new members were received into the club, A. L. Smith and Gilbert Gollehon. Mr. Gollehon recently removed here from Post, where he has long been a prominent Rotarian. He is operating the Gollehon Service Station here.

### BAPTIST WORKERS CONFERENCE TO MEET AT PLAINS

The News is requested to announce that the Workers Conference of the Brownfield Baptist Association will meet at Plains on Thursday, July 3.

There will also be a meeting of the executive board of the E. T. A. O. I. E. T. A. O. executive board and all members are urged to be present.

### SUMMER HOMEMAKERS COMPLETE WORK

The Summer Homemaking girls completed the first part of their summer work last Friday. The girls, their mothers and teacher met and visited the project of each girl at her home. There were several interesting as well as educational projects carried out. Since so many girls have taken gardening, canning and yard improvement it was decided to have one week in August as completion week. An exhibit of the girls work will be held early in September. After visiting the homes everyone went to the park in Lubbock and enjoyed a picnic lunch at noon.

### ATTENDING WOODMAN CIRCLE MEETING

Mrs. Calvin H. Edwards will return Saturday from Omaha, Neb., where she attended the Golden Anniversary of the Woodman Circle. She left last Saturday in company with a delegation of sixteen, representing O'Donnell, Brownfield, Stanton and Tahoka.

Kathrine Louise (Tunky) Boucher who has spent the past two weeks with her aunt, Mrs. F. E. Calvery, returned to her home in Abilene Thursday.

Ross Ford, sexton at the local cemetery, is very ill at his home suffering from heart and kidney complications. known as the Coleman Wells place.

B. B. West underwent major surgery in a Lubbock hospital Tuesday night.

Mr. and Mrs. Sam Barrett, who live at Dobbins near Houston, were here from Monday till Thursday of

Lois Smelser, who resides east of town is still confined to his bed, suffering from bronchial pneumonia.

Read the Classifieds! You'll find in them just what you want—and will save money, too!

## FRANK HILL AND FAMILY UP IN THE CLOUDS

On Thursday the News editor received the following card signed: "Frank, Mae and Pat", mailed Monday.

"We're on Trail Ridge Drive. The elevation is 12,183 feet. We're surrounded by snow. Along the side of the roads it is about 15 feet deep—higher than the car. We had a wonderful time at the convention. They had all kinds of entertainment."

On the other side of the card is the picture of a big fish being transported glider-style by an air plane, and the folks back home are implored to "Meet me with a truck." Fishing must be fine on those mountain tops. Trail Ridge Drive is somewhere in "Kool Kolorado."

Mrs. J. H. Dyer of San Angelo is here to help care for her mother, Mrs. J. Hood Vinson, who is ill, until Mrs. Vinson shows decided improvement.

Mrs. J. H. Vinson is reported to be ill with the flu in her apartment in the J. T. Elliott home, better

this week visiting their friends, Mr. and Mrs. Hope Haynes.

**ODDS & ENDS**

by Eee Eye,  
the Elder

Since the race for the office of U. S. Senator from Texas to fill the unexpired term of the able and beloved Morris Sheppard is now drawing to a close and since the people of Lynn county at this time are somewhat senatorially-minded, it might be both interesting and profitable just to take a look at the men who have represented Texas in the U. S. Senate from her admission into the Union down to the present day.

A peep at each of these men must necessarily be very brief, for there have been quite a number of them.

One of the present candidates for the office has been saying that there was not a demagogue among them. Doubtless he was sincere in that statement but it may not be entirely true. That word Demagogue is a relative term: The best and the greatest of our statesmen, as a rule have a little of the demagogue in them.

But as a whole, the men who have represented Texas in the United States Senate have been a credit to the state; some of them have been among the greatest in that body.

The first two men who represent-

ed Texas in the Senate were the immortal Sam Houston and the highly esteemed Thomas Jefferson Rusk.

These two men began their service on February 21, 1846, just a little more than ninety-five years ago, and Houston served until March 4, 1859. Rusk died in office on July 29, 1857.

Houston had had a checked but distinguished career. He had served as governor of Tennessee, but resigned in the midst of his term, on account of domestic trouble, and fled from the state. For years he lived with the Indians in what afterwards became the Indian Territory, where he became known as "Big Drunk". Even among them, however, he gained much political influence and ably represented their interests at Washington. When immigration began to pour into Texas, he left the Indian country and came to Texas. Three or four years later came the Texas Revolution, and Houston became the hero of San Jacinto. He served twice as President of the new republic, and when it entered the Union, naturally he was chosen as one of its representatives in the U. S. Senate.

Thomas J. Rusk was a member of the convention which met at Washington on the Brazos, in 1836 and adopted the Texas Declaration of Independence and submitted to the people for ratification a Constitution. He fought in the Battle of San Jacinto and was Secretary of War under Houston. He was an able lawyer and a brilliant man. When Texas entered the Union, he was chosen as her other representative in the United States Senate.

When he died in office in July, 1857, after a service of more than eleven years, J. Pinkney Henderson was elected as his successor. He took office in November, 1857, but he died in June the next year. Henderson had long been prominent in the affairs of Texas, and when it entered the Union he became her first governor. Death came before he had been in the United States Senate long enough to make his mark there, but he was no pigmy.

Dying in office on June 4, 1858, Henderson was succeeded by Matthias Ward, who was appointed to fill out the unexpired term, but secession soon came, and Ward joined forces with the Confederacy.

Sam Houston's successor in the Senate was Judge John Hemphill, who was a prominent jurist, having served as chief justice of the Republic of Texas and in other judicial positions after Texas became a state. He is sometimes called the John Marshall of Texas. He served as U. S. Senator from March 4, 1859 to July 11, 1861.

When Texas joined the Confederacy, two of her distinguished citizens, Louis T. Wigfall and W. S. Oldham, were elected Senators from Texas in the Confederate Senate, and they served till the fall of the Confederacy.

Upon the fall of the Confederacy, the state legislature elected David G. Burnet and Oran M. Roberts as United States Senators.

Burnet had been the first President of the Republic of Texas and later served as Vice-President. He was a lawyer by profession with his office in Houston.

Roberts likewise was an able lawyer and long afterwards became governor of Texas—one of her most distinguished governors.

But that was in 1866, and the U. S. Senate refused to seat the two Texans.

Texas had no representative in the United States Senate until February 22, 1870. That was during the Reconstruction or Carpetbag era, and two Republicans were sworn in as Senators from Texas on that day. They were Morgan C. Hamilton and J. Webster Planagan. It can not be said that they reflected much credit upon the state. Hamilton served till March 3, 1877, but Planagan's term expired a little earlier, March 3, 1875.

The Democrats having regained

control of the state in 1873, S. B. Maxey was elected U. S. Senator early in 1875 and took the oath of office on March 4. He served two terms, his second term expiring March 3, 1887.

His Texas contemporary in the Senate was Richard B. Coke, who had been elected governor and had wrested the state government out of the hands of E. J. Davis and the Carpetbaggers in 1873. In 1876 he was elected to the Senate, serving until March, 1895, a tenure of almost twenty years.

Both Coke and Maxey were able men, and Texas was well represented in the U. S. Senate during that period.

At the expiration of Maxey's second term, that great old War Horse, John H. Reagan was elected to the Senate. Reagan had been Postmaster General in the cabinet of the Southern Confederacy and long had been a powerful figure in the political and governmental affairs of Texas. He had been in the Senate less than four years, however, when Governor Hogg called him back to Texas to take the chairmanship of the newly-created state railroad commission. Reagan yielded to the call to serve his state and resigned from the U. S. Senate, an act of patriotism and self-sacrifice that has few parallels in our history.

Horace Chilton of Tyler was appointed to serve out Reagan's unexpired term, serving from December, 1891 to March 30, 1892, when Roger Q. Mills was elected to the place by the legislature, and he served until March 3, 1899.

In 1895, Horace Chilton was elected for a full term in the Senate, succeeding Richard B. Coke, and serving until March, 1901.

Mills had long been a leading member of the Lower House of Congress before his election to the Senate. As chairman of the Ways and Means committee he had brought before the Congress a tariff measure known as the Mills bill and had been a powerful champion of the measure. He was a great debater and was regarded as one of the strongest Democrats in the House or the Senate during his service in those bodies.

Horace Chilton, a lawyer of Tyler, was also regarded as an able man, but he was not an excellent campaigner.

He was succeeded by Joseph W.

Bailey on March 3, 1901, who served till January 8, 1913, when he resigned.

Roger Q. Mills was succeeded by Charles A. Culberson on March 3, 1899, and he served until March 4, 1923, a period of twenty-four years.

Bailey was one of the most brilliant and eloquent men that ever served in the U. S. Senate. He never spoke to empty seats. When it was announced that Joe Bailey was to speak on any issue, the galleries quickly filled. As a Constitutional lawyer and a logician, he had few equals. But he was accused of irregularities in financial matters that greatly crippled his influence and finally led to his retirement from the Senate.

Culberson likewise was one of the ablest men in that great body. He too was a great lawyer and an effective speaker. Ill health and the intemperate use of strong drink at times crippled his power also during the later years of his service. But he retained the affection of the people of Texas to the very end of his career.

Earle B. Mayfield was elected to the Senate in the fall of 1922 and was sworn in on March 4, 1923. He served one term, being succeeded by the present incumbent, the brilliant and versatile Tom Connally.

Following the resignation of Joe Bailey in January 1913, R. M. Johnson, editor of the Houston Post, was appointed to fill the place for a tenure of less than one month. Morris Sheppard being elected to the place on February 13, 1913.

And so these are the men who have served Texas in the U. S. Senate: Sam Houston, Thomas J. Rusk, John Hemphill, Pinckney Henderson, Richard Coke, Sam Maxey, John H. Reagan, Horace Chilton, Roger Q. Mills, Charley Culberson, Joe Bailey, Morris Sheppard, Earle B. Mayfield, and Tom Connally.

A galaxy of mighty men! In what state will we find a roll of Senators that have been their equal?

Will the man that we elect next Saturday be worthy to stand among these giants? Will we be proud of him or ashamed of him as our representative in the great Senate of the United States at Washington?

**TO YOU WHO SWEAR BY OIL-PLATING....**

Still less engine wear—still more oil Economy —from this proved New oil that still brings OIL-PLATING

Single 5-quart fill defies Death Valley for 13,398 miles...Certified

The celebrated Conoco Germ Processed oil patent first made it possible for Conoco to bring your engine OIL-PLATING—lasting lubricant with magnet-like attraction for inner engine surfaces. Thus OIL-PLATING can't all quickly drain down—try up—"rub out" fast. And this same Germ Processed oil patent still assures an OIL-PLATED engine, after you change to the sensational new oil by Conoco...

Its name is CONOCO N<sup>th</sup> MOTOR OIL —Brings new Economy aid, besides OIL-PLATING

This popular-priced new Conoco N<sup>th</sup> oil that OIL-PLATES, can protect itself against today's worst cause of rapid consumption.

How?... Just consider one truth about latest oil refining methods. Ridding oil of bad things may sacrifice some of Nature's best life-givers! The same happens, you know, in processing some foods. But today that loss is often made up by vitamin synthetics... man-made. And today the vigor otherwise sacrificed in any proper refining is more than made

**IMPARTIAL**

Latest available products of 5 leading competitors bought retail by Referee.

Identical new cars broken-in alike, after engines had been taken apart for Referee to check uniformity.

up by patented Conoco Thiathene inhibitor... man-made... in Conoco N<sup>th</sup> oil.

Lasted 74% to 161% longer than 5 other big-name oils in fierce fair test

Across the Death Valley desert Conoco N<sup>th</sup> wrote E-C-O-N-O-M-Y. Locked in the engines of 6 new everyday cars—all alike—were 6 prominent oils, including Conoco N<sup>th</sup>. One 5-quart fill per car. Never another drop. No mercy. 57 miles an hour under impartial observation—under sun that'd singe you—till each fill gave out and the engine was junk.

Conoco N<sup>th</sup> outlasted the next-best oil by 5,663 miles; outlasted the worst by 8,268 miles; outlasted the average of all 5 others by 7,067 miles. All certified. But you don't put your car through tor-

ture-tests. For authorities warn you to change oil at regular intervals. No quarreling with that! Now, however, as you change to Conoco N<sup>th</sup>... the greater new oil that OIL-PLATES... set your speedometer-trip at 1000. Keep track—and certify Conoco N<sup>th</sup> economy for yourself. Continental Oil Co.—Pioneers in Bettering America's oil with Synthetics

**CERTIFIED** I hereby certify that the Death Valley Test and related work were thoroughly and fairly conducted. Engine Destruction occurred in each case at the mileage stated.

**Work To Begin On Lubbock Air Base**

Construction is expected to begin by the middle of July on the buildings of the twin-engine aviation training school of the army air corps to be built on a 1,400-acre tract of land situated ten miles west of Lubbock. The work is required to be finished within 120 days from its beginning. The plant is expected to cost approximately \$4,570,112.

"The construction, according to information here", says the Avalanche-Journal of last Sunday, "will include everything that is necessary to make the school a self-contained operating unit."

"It will include, among the major features, 198 buildings; 401,800 square yards of cement paving for runways, aprons and taxi-ways; modern water, light, and sewage systems; sidewalks, lighting, and paving for streets; fencing; a Santa Fe railway spur; installation for such utilities services as gas, electricity, and telephones; and even for the landscaping of the portions of the grounds on which buildings are to be located—including the sodding for grass of 110 acres of the site."

"Complete breakdown on the types of buildings which the successful bidder will erect was not available here Saturday. Apparently, however,

**Young Couple Wed Saturday**

Marriage vows were taken by Miss Mary Louise Rainey and Mr. Floyd (Cotton) Davis at four o'clock last Saturday afternoon at the home of Elder Eugene Long of this city, who officiated.

The bride's parents and sister and the groom's mother witnessed the ceremony.

Mr. Davis is the son of Mr. and Mrs. M. M. Davis, who reside near Tahoka, and has been a student in the Tahoka high school.

The bride is the daughter of Mr. and Mrs. Frank Rainey, who also live near town, and she is a graduate of the Tahoka high school, having received her diploma at the close of school in May, this year.

These young people will make their home for the present with the groom's parents, as the young Mr. Davis is engaged in farming with his father.

**Mrs. Tuttle Exhibits Freak Hen Egg**

Mrs. Laura Tuttle, who resides in South Tahoka, was exhibiting a freak egg in town Tuesday, laid recently by one of her hens.

Engraved on one side of the egg was the imprint of a sun-flower, just as perfectly done as if had been done by some expert engraver. It is a strange quirk of Nature which pulls such stunts occasionally.

Mrs. Tuttle stated that many people had called at her house to see the egg and many others had enquired about it.

**SERVICES AT EDITH SUNDAY**

There will be services at the Edith Baptist Church next Sunday at eleven o'clock in the morning and also Sunday night; a baptizing service around three o'clock Sunday afternoon at G. M. Duckett's.

Every one is invited to come and be with us in these services.—J. E. McManis, pastor.

Officials said, there have been some revisions from the breakdown as contained in an official press release from the war department on June 18.

"That release listed for construction of the following: 64 barracks buildings, 21 operations buildings; 16 day rooms; 15 each of administration buildings and supply rooms; seven mess halls; seven officers' quarters; six warehouses; four link trainer buildings; three hanger shops; two of each of post exchanges, gasoline storage units, recreation buildings and paint and dope buildings; and one each of the following: officers' club, fire station, 151-bed hospital, motor repair shop, telephone and telegraph unit, theatre, parachute building, chapel, guard house, utility shop commissary, incinerator, and radio unit.

**Baptist Young People Will Meet Here**

With the theme "Show Us The Way", the young people from the various churches of the Brownfield Baptist Association will gather at the First Baptist Church in Tahoka next Monday afternoon at six o'clock and participate in the following program:

Social Hour on Church Lawn, 6:00 P. M.  
Picnic Supper, bring your own, 7:00.

Devotional, Floydene Partain, 8:00.  
Special Number, Ropesville, 8:15.  
Conferences, 8:20.

Y. W. A.—Mrs. Avery Rogers.  
R. A.—Melvin Rathel.  
G. A.—Mrs. Holtzclaw.

Sunbeams—Mrs. Henry Heck.  
Reports of Conferences, 8:40.  
Business, 8:45.

Special Number, O'Donnell, 8:55.  
Message, Rev. B. N. Shepherd, Hobbs, N. M., 9:00.

Each group is asked to bring sandwiches, potato chips and cookies for it's number, and turn same over to Mrs. George A. Dale and her committee upon arrival. Tahoka will do likewise. Tahoka people will furnish a drink for all.

Tahoka W. M. S. members as well as members of each auxiliary are invited to attend.

**George Dulin Weds Pleasanton Girl**

News has reached Tahoka of the marriage of George Dulin, formerly of Tahoka, to Miss Myrtle Andrews of Pleasanton, which event occurred last Saturday night in the Calvary Baptist Church in Corpus Christi.

George is the son of Mr. and Mrs. T. G. Dulin of Wilson and is a graduate of the Wilson high school of the class of 1934. Following his graduation, he worked for some time at a Tahoka filling station, and later assisted in running the lines for the Lyntegar Electric Cooperative, which has its headquarters here. Last November he went to Pleasanton, where he was engaged in similar work, and in March he became assistant superintendent of the Nueces Electric Cooperative, with headquarters at Robstown.

The bride is the daughter of Mrs. M. Andrews of Pleasanton and is a graduate of the Pleasanton high school.

The young couple are making their home in Robstown.

**EDUCATIONAL EXHIBITS**

A very attractive exhibit on the uses of the tomato was shown by the H. D. Club women in the Cash Store last Saturday. Tomato dishes, raw tomato salad, and canned tomatoes, with a poster, and free leaflets on tomatoes were displayed.

From the leaflet C-147 issued by the Extension Service and U. S. Dept. of Agriculture cooperating we quote some interesting facts about the tomato. "The tomato, either ripe or green, is a rich and cheap source of Vitamin C without which a person may suffer from bleeding of the gums; loose teeth; sore joints; loss of appetite, and loss of weight. Ripe tomatoes have an abundance of Vitamin A which guards against "dry eye", night blindness, and infections of the mucous membrane lining the nose, throat, lungs and other organs of the body." Another Vitamin found in the tomato is Vitamin B which prevents beri-beri.

Varieties of tomato which produce best in Lynn county are: Earliana and June Pink, the club women say.

**REV. DALE ADDRESSES O'DONNELL ROTARIANS**

Rev. Geo. A. Dale was the principal speaker at the luncheon of the O'Donnell Rotary club Tuesday. His subject was, "The Need of Christian Citizenship for Today's Program."

Other Tahoka Rotarians attending the luncheon were Wynne Collier, Dr. E. Prohl, Calloway Huffaker, and Walter Mathis.

Mrs. Effie Alley returned Saturday night from Rockport where she enjoyed a two week's outing in company with two sisters and three nieces. Mrs. D. H. Benton, Ralls and Mrs. Mattie Sanders and three daughters of San Antonio. Side trips were made to Corpus Christi and other interesting places after a few days of sight seeing in San Antonio as they went to Rockport, Mrs. Alley says.

Friends are grieved to learn that Mr. Bob (Grandad) Corley, father of A. O. Corley, is seriously sick at his son's home about ten miles north of Tahoka. The aged man, 87, suffered a stroke of paralysis about two weeks ago and has been in critical condition since. All the children, who reside in different parts of the state, are here or have been here this week.

**Ice Cream Surprise**  
Floodcast by Mary Lee Taylor June 26, 1941  
1 1/4 cups Pet Milk 1/4 cup cold water  
1 package vanilla ice cream powder 1 teaspoon vanilla  
Chill milk until icy cold. Meanwhile, put ice cream powder in bowl. Stir in gradually a mixture of 1/4 cup chilled milk, water and vanilla. Chill thoroughly. Whip remaining 1 cup chilled milk with rotary egg beater, or electric beater at high speed, until stiff. Fold into chilled milk mixture. Freeze, without stirring, in mechanical refrigerator tray at coldest temperature, or in a mold buried in a mixture of 3 parts crushed ice to 1 part ice cream salt. Serve in Corn Flake Nests (See below). Serves 6.

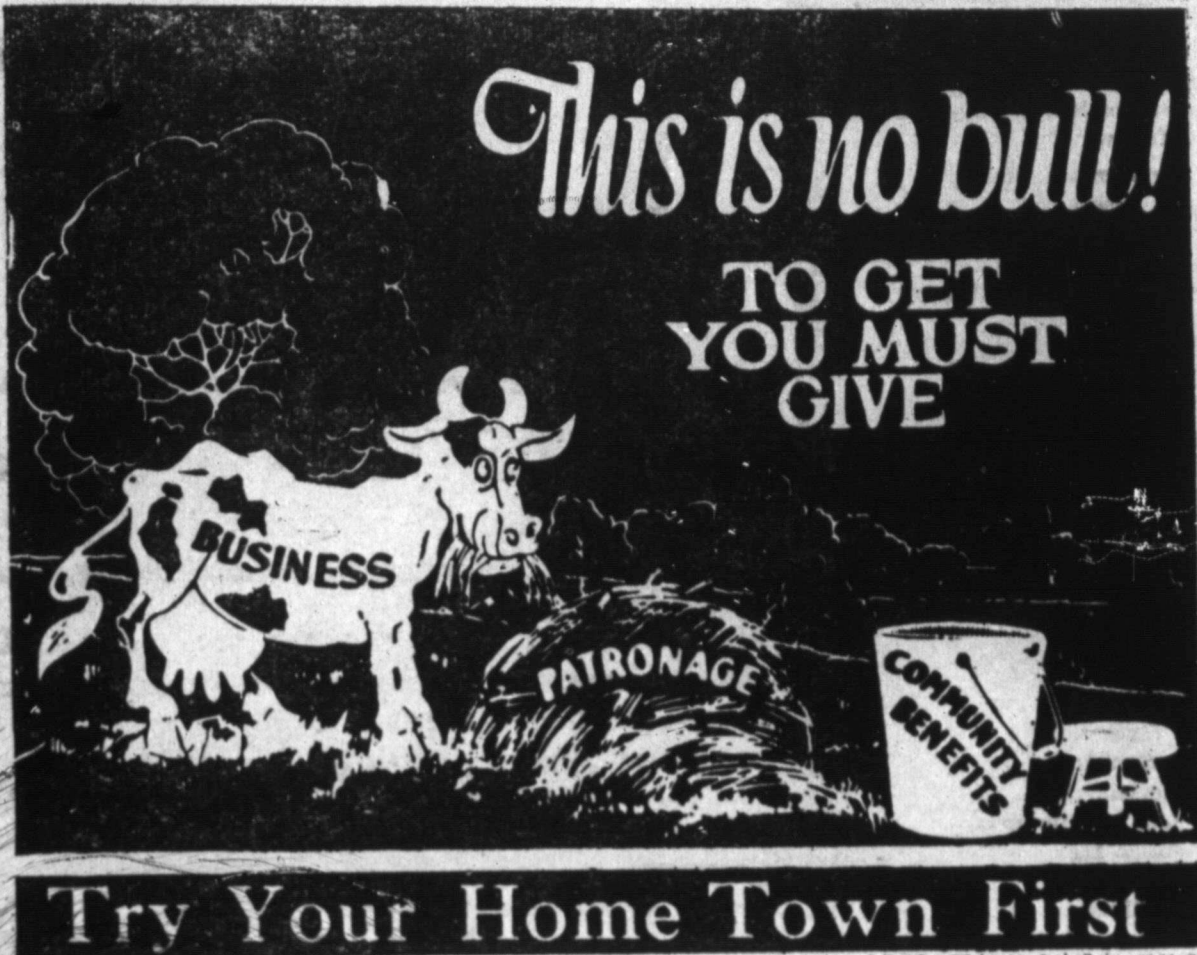

**Corn Flake Nests**  
3 tablespoons butter 6 tablespoons Pet Milk  
1 1/2 cups light brown sugar, lightly packed 6 cups corn flakes  
Melt butter in skillet. Add brown sugar. Cook slowly, stirring constantly until sugar is melted. Add milk and stir until smooth. Keep over very low heat while adding corn flakes. Turn gently over and over until all the corn flakes are coated with the milk mixture. Divide into 6 parts, putting each on waxed paper. With spoon and aid of fingers, shape into nests. Cool thoroughly. Fill centers with Vanilla Ice Cream (See above). Serves 6.

# This Is No Bull!

This is no bull but a thought for serious minded persons. We can not expect to receive if we do not give. Give your local business firms your support—trade at home where the money will do the most good and in return, you will receive greater values. Business will be better and naturally the value of your properties will increase. You will have improved schools, churches, courthouses, parks, playgrounds and numerous other improvements for your town, yourself, and your children.

Support your local firms. They have your interest at heart. Your town is their town. It is an assured fact that we only have value received by what we contribute. Let's contribute to the support of our local merchants and have that value received here at home where it is needed most instead of off to the big cities where we will reap no benefit now nor in the future.

The business and professional men of Tahoka are not selfish looking only for selfish individual gains. They want to fill your needs as much as possible. To do this they must have larger stocks and better service. This can only be accomplished through your local support and cooperation.

### Giant U. S. Bomber To Fly This Week

The U. S. army plane B-19, largest ever made, will fly this week after five years involving 700,000 engineering hours for construction, and Joe Hill, Jr., son of Dr. and Mrs. J. A. Hill, has worked for two years on the giant bomber.

Joe started on the big plane in June, 1939, when he first began work as a mechanical engineer with Douglas Aircraft Co. His work has been in the division of the hydraulic engineers.

The B-19 weighs 41 tons and has a load capacity equal to its weight. It carries 11,000 gallons of gasoline, and can fly from New York to Oslo, Norway, and return. The maximum speed is 210 miles per hour, and it can land at 69 miles per hour. Total cost for the giant bomber is \$3,500,000. The wheels are 8 feet in diameter, and it is capable of carrying 18 of the largest type bombs.

President Hill has compared the dimensions of the plane, as reported in an article received from Joe, with those of the Education Building. The wing spread is exactly the same as the length of the Education Building—212 feet—and compares similarly in height, the plane being 42 feet, 9 inches high. The distance from the nose to the tip of the tail—132 feet—is twice the width of the building.

Joe is soon to start as a lecturing engineer at the Douglas factory.—Canyon News

### DR. GRAY WILL PREACH HERE NEXT SUNDAY

Dr. W. Bristow Gray will preach at the Presbyterian Church next Sunday morning at 11 o'clock. There will be no services at the evening hour.

Dr. and Mrs. Gray are leaving early in the week for the Kerrville Presbyterian Summer Conference which will be in session June 30 to July 11.

Mr. and Mrs. David Gray and two daughters, Misses Pauline and Lora, of Pleasanton thirty miles south of San Antonio are here this week visiting Mr. and Mrs. George Knight and other members of the Knight family. Mr. Gray is a railway conductor, and is taking his annual vacation.

### Old Timers . . .

(Continued From Page 1)

old-time pictures taken twenty, thirty, and forty years ago in the windows of Cobb's Department Store which attracted much attention and elicited many a smile.

At a business meeting in the morning, officers for the ensuing year were elected as follows: President, Tom Hale; first vice-president, Truett Smith; secretary-treasurer, Raymond Weathers.

The retiring officers were: W. H. May of Wilson, president; C. H. Doak of O'Donnell, first vice-president; Judge J. W. Elliott of Tahoka, second vice-president; Thurman Wells of O'Donnell, secretary-treasurer.

The Association voted to contribute the sum of \$25.00 out of its treasury to the United Servic Organization to be used in providing recreation for the soldier boys in the training camps.

### U. S. O. . . .

(Continued From Page 1)

them, the people of our state are asked to raise the sum of \$400,000 with which to supply the personnel in the way of hostesses, recreational leaders and so on in order that these boys may have a place with a wholesome influence in which to spend their leisure hours. Our County's apportionment is \$850,000, which amounts to only seven cents per person. The sum is to be raised by July 10th, and turned over to Mrs. Era (Irvin) Stewart who will forward it to the District Office.

Rev. Geo. A. Dale, who was present made a strong appeal for the cooperation of every committee and every individual in this great work, citing experiences of himself and others with men in training. Rev. Gray of the Presbyterian Church and Rev. Turentine of the Methodist Church were also present.

Hall Robinson, who has been recuperating from major surgery is recovering as rapidly as can be expected, Mrs. Robinson reports.

Mrs. C. M. Randal and daughter Sallye Anne of Seymour visited Mrs. Randal's sister, Mrs. Ben Hardy and family last week.

### Boy Receives Broken Arm In Bad Fall

Little Billy Joe Sherrod, five-year-old son of Mr. and Mrs. Guy Sherrod, was the victim of an unfortunate accident last Friday when he fell and broke his left arm at the elbow.

He was brought to the office of a local physician where an attempt was made to set the broken bones, but the physician was not satisfied with the results and advised that the child be taken to a hospital.

Upon being taken to the Lubbock Sanitarium Sunday, it was found necessary to break the bone again and re-set it. The little fellow is improving but surgeons said that the arm may be stiff after the wound heals. The break occurred at such a point that it was extremely difficult to set the bones so as to prevent stiffness.

### Delegate . . .

(Continued From Page 1)

The list of candidates for which these two were selected consisted of these two and five others—Mrs. A. D. Schaffner of West Point, Mrs. Paul Johnson of T-Bar, Ms. P. K. Fleming of New Lynn, Mrs. Pete Curry of Midway and Mrs. W. C. Huffaker, Sr., of Dixie.

This action of the committee followed a meeting of the county council held in the county court room, at which nine of the ten clubs of the county were represented, with 16 members and three visitors present.

Plans were made by the county council for delegates to attend the Short Course to be given at College Station, July 13, 14 and 15. The personnel of the delegation will be announced next week, Miss McMann stated.

At the council meeting, Mrs. Irving Stewart explained the purpose and plans of the U. S. O. The members of the council were very interested, Miss McMann stated, and plan to help in their respective communities.

Thomas Fender, who has been employed in Craft's Tailor Shop at Sundown is visiting his mother, Mrs. Minnie Fender, and other relatives here this week.

### Election . . .

(Continued from Page 1)

Judges of election therein are given below.

**Presiding Judge**

Edwin Waller III  
W. C. Welch  
John C. Williams

**Republicans**  
Polite Elvins  
Enoch Fletcher

**Independent**  
W. R. Jones

**Communist**  
Homer Brooks

### Mrs. Schooler . . .

(Continued from Page 1)

having been born in Shelby county on December 31, 1853. Elisha M. Pease had just been elected governor of Texas at that time and P. Hansborough Bell had just retired from the governor's office. She was six years old when Sam Houston was inaugurated as governor for the last time and nearly ten years old when he died. She was seven years of age when the Civil War broke out and grew up during the hardships of that period and the hectic reconstruction era that followed. She was married to B. F. Schooler in Shelby county on September 16, 1869.

She resided at various places in Texas during her long life but came to Lynn county nearly ten years ago from Fort Stockton.

A long-time member of the Baptist Church, Mrs. Schooler was a typical pioneer mother, possessed of the fine virtues that characterized the early mothers of Texas. On last Friday, when the call came, she had rounded out a long and useful life and was ready to go.

Her children and their families have the sympathy of many friends.

**NEW HOME FFA BOYS GO FISHING**

A news item was sent in too late for publication last week stating that the F. F. A. boys of the New Home High School had just returned from a camping and fishing trip down to San Angelo, declaring they had caught "lots of fish".

The boys were accompanied by the vocational agriculture teacher, W. W. Hall, and by H. Joe Schwartz, who took the boys in their cars. The party consisted of Harvin Smith, Pete Sealy, Roy Timmons, Doyce Jennings, Hershel Reagan, Herman Bulman, Melvin Newman, Floyd Harmonson and Messrs. Hall and Schwartz.
