Tahoka, Lynn County, Texas, Friday, September 5, 1941

Number 4

Schools Open With Fine Interest Shown

Little Change In Enrollment

Tahoka Public School opened the official school year of 1941-42 Monday with the enrollment of 647 students, compared to the 664 enrolled in 1940, according to Supt. W. T. Hanes.

Members of Tahoka High School band under the direction of John Hamblen presented the first number on the program for the opening exercises of the schools Wednesday morning at 9 o'clock. Rev. George Turrentine, Rev. Geo. Dale, Melvin Ratheal, and Mrs. Hanes also appeared on the program.

Mr. Hanes stressed at this first assembly of the year how fortunate American school children and their parents are to be living in this great democracy, the United States. Students, their parents, visitors and members of the faculty had a minute of meditation at the close of the assembly.

Mr. Lee Dodson, high school principal, is in Tahoka this week on an indefinite furlough from Fort Bliss to help supervise the registering of students and the beginning of school. The position of Mr. Dodson, who is on a leave of absence, will not be filled.

All courses that were offered last year are available again this year with the exception of Spanish I. The schedules of the teachers are crowded due to the fact that there are two less teachers in the system this year than there were last year. The Tahoka school district lost approximately 60 scholastics the past year, yet the enrollment does not show that great a loss. Students are sitting double in a number of the classes in high school because of the crowded conditions of the class rooms.

Miss Oriana Bandy of Joshua is the only new teacher in the system. Miss Bandy, a graduate of West Texas State Teachers College at Canyon, has taught in the Olton schools the past three years. She

Football Season Is Opening Soon

Aspirants to the 1941 Bulldog football team began intensive work with the opening of school Monday. The first game will be with Class AA Lamesa in Lamesa the night of Friday, Sept. 12. The first home game will not be until Sept. 19, when Tahoka meets Andrews in a non-conference game.

Coach Leo Jackson, after working with the Bulldog candidates this week, says he doesn't know how the team will shape up this fall, but he wears a grin when he says it. As many as 33 boys have come out this week, but the squad will likely work down to about 22.

Among the old men back are Hoss West, captain and end, senior, with two years experience; weight 195; Kelly King, captain and guard, senior, two years experience, weight 150; Doug Henderson, guard, senior, one year experience, weight 140; Cecil Curry, captain and fullback, senior, one year experience, weight 170; Sonny Roberts, quarter, senior, 140 pounds; Jack Swafford, halfback, senior, 160 pounds; Dwayne McClintock, sophomore, 155 pounds; all of the latter having had one year on the team.

Squadmen from last year's team 165 pounds; Bill Woods, ww.16. Ja include Warner Shaffner, tackle, senior, weight 165; Bill Woods, tackle, sophomore, 150 pounds; E. Akin, guard, sophomore, 150 pounds.

Coming up from the junior team are some likely prospects: J. D. Davis, end, weight 160, Jim Curry, end, 160 pounds; R. Starvick, center, 160 pounds; Dub Milford, center, 155 pounds; W. C. Harvick, guard, 140 pounds; J. Wells, halfback, 140 pounds; and Gene Duke, halfback, 135 pounds.

G. Walker, tackle, weight 170; and Edwin Rogers, tackle, weight

(Continued On Page 5)

Criminal Court Docket Is Set

Among the bills of indictment returned by the Grand Jury before it adjourned Tuesday was one charging L. J. James, colored, with the burglary of the First National Bank of O'Donnell on August 10.

This case, together with the entire criminal docket, is scheduled to be called for trial during the week beginning September 29.

A jury panel has been summoned to appear on that day.

English To Open New Theatre

The former English Theatre building situated one block north of the traffic light on Main Street, which has been unoccupied for several years, is now being reconditioned and redecorated and soon will be refurbished throughout preparatory to the opening of the New Ada Theatre to be owned and operated by Mr. and Mrs. D. B. English.

When the new theatre is ready for service, the present Ada Theatre will be closed, most of the seats and furnishings therein having been sold or otherwise to be disposed of.

The New Ada Theatre building was constructed in 1929 and Mr. English operated the English Theatre therein until some time in 1932, when the financial depression that was sweeping the country at that time engulfed him and he was compelled to give up the building and equipment. A few years ago, he was able to repurchase the building.

It is one of the best constructed and best arranged theatre buildings in the country, and the movie public of Tahoka and Lynn county will be delighted to learn that it is to be re-opened. Mr. English states that new equipment throughout has been purchased, and every seat will be a most comfortable cushion seat. Other furnishings will also be "tops." The acoustics of the building are all but perfect.

Mr. English is not yet able to set a date for the opening of the New Ada, but it will be some time before October 1.

The present English Theatre will continue operation as in the past.

New NYA Project Is Planned Here

According to Jennings T. Lewis, area director of the National Youth Administration, a local project for out of school youth is being planned for Lynn county.

This project will provide employment for a number of young men and young women between the ages of 16 and 24 years, single, out of school, and unemployed. The work will pay \$19.00 per month for a minimum of 80 hours of work. Youth will receive a varied program of work experience and training.

Any youth interested in NYA employment may get application blanks from the county judge, county agent, or the county welfare worker. M. L. Penn, area youth personnel officer, plans to be in Tahoka in the near future to confer with any youth interested in NYA work.

H. D. Clubs Exhibit Products In Tahoka

Last Saturday the Tahoka Club had an excellent exhibit on "Uses of Eggs" in the Cash Store. Besides the attractive and delicious Angel Food and Burnt Sugar Cakes there was a variety of egg drinks and sauces, and a raw vegetable salad in which hard cooked eggs were used. Best of all, this Club had thoughtfully prepared a number of recipes of delicious egg dishes for all who wished to learn new ways of using eggs.

If each member of your family needs at least one egg a day in his diet, why not try some of those recipes.

Will Speak Here

DR. T. C. ROOT

DR. J. O. ELLSWORTH

Retail Merchants Sponsor Course

The Tahoka Retail Merchants association is sponsoring a series of lectures on Credit, Collections, and Salesmanship to be given by Dr. J. O. Ellsworth and T. C. Root of Texas Technological College department of Economics and Business Administration, to begin September 16th. The lectures will be at 8 o'clock on Tuesday and Thursday evenings for three consecutive weeks.

The business people of Tahoka are paying \$100.00 for this course of lectures and are cordially inviting everyone who is interested in these subjects to attend without cost.

All employees of every business concern in the county and all professional people who are interested, have a special invitation to attend, as well as the actual owners and operators of business establishments. Meetings will be held in the District Court room.

Midway School Is Being Improved

Midway school building is being given a thorough overhauling preparatory to the opening of the 1941-42 session, according to H. C. Robertson, the new principal of the school. Walls are being calcimined, new bulletin boards, work tables, and lunch cabinets built, and butane gas for heating and lighting installed.

Mr. Robertson and wife, both of whom will teach in the school, come here from West Camp school, Bailey county, where they have been for the past six years.

Lamesa Golfers Are Coming Sunday

From 20 to 30 Lamesa Country Club golfers are expected here Sunday afternoon for a tournament with members of the Tahoka Golf Club, according to Charles Townes, secretary. Play will begin at 1:30 o'clock.

Townes urges that all the local golfers be on hand for the team play. A week from Sunday the local players are expected to return the match at Lamesa Country Club.

COMPLETE JONES BUILDING

Enlargement of the Jones Dry Goods building on the west side of the square was completed today. G. W. Simmon, manager, states.

An addition has been built on to the rear, enabling the store to enlarge and better display its stock of merchandise. The store has just received a large shipment of new fall goods.

Mrs. Otis Curry returned home Sunday from spending a week with her parents at Blackwell.

Chamber of Commerce Begins Active Program

C. of C. Slaps At Solicitors

Regulation of solicitation schemes, questionable advertising propositions, donation-seekers, and suchlike is being undertaken by the newly re-organized Tahoka Chamber of Commerce, and, according to Miss Hattie Server, secretary, and Wynne Collier, president, every business man contacted so far has signed an agreement binding him to co-operate with the movement.

Businessmen constantly harangued by solicitors for "benefit" propositions, donations, fake solicitations, and solicitors for advertising on worthless programs, signs, etc., have grown tired of the constant "gouging" and have organized to regulate the same in Tahoka. They estimate that they lose approximately \$2,000 annually to such propositions.

Under the Chamber of Commerce Anti-Solicitor plan, anyone wishing to solicit the members, and there are now 110 in Tahoka, must first lay his proposition before the secretary of the Chamber. She will then present the solicitor's proposition to a secret committee. If this secret committee approves the project as a worthy and legitimate one,

Continued on Back Page

Federal Agencies Are Consolidated

The W. P. A. sewing room here has been discontinued, the work coming to a close last Saturday night, but the surplus commodities program will be continued and will be carried on as heretofore in the county W. P. A. building two blocks east of the court house.

Mrs. Dude Holland will have full charge of this work, issuing certificates to applicants, but her office will be in the northeast corner room of the courthouse basement, where she will likewise direct other agencies, such as the state Old Age Assistance work and Aid to the Needy Blind.

The multiplicity of her duties made it necessary, however, that she have an assistant, or secretary, and the commissioners court on Tuesday named Miss Grace Ellis to this position, upon the recommendation of the district supervisor, Miss Allen.

Mrs. Holland's salary will be paid by the State but the county will pay Miss Ellis' salary.

Miss Ellis is a high school graduate and also a graduate of a business college, and she is regarded as eminently well qualified to do the work. She is a sister of Miss Viola Ellis and was reared in this county.

Mrs. Holland will also continue to administer the local community chest fund, and will furnish supplies out of the surplus commodities stores for the free lunches to be served by the schools of the county.

Mrs. Rosa Settle, district Old Age Assistance supervisor, announces that hereafter she will visit the Tahoka office twice each month, the first and the third Wednesday of each month.

Gollehon Family Moves To Tahoka

The family of Gilbert Gollehon, who operates the Sinclair Service Station, moved from Post to Tahoka Monday. They are occupying the Ben King residence in the north part of town.

Mr. Gollehon purchased this station several months ago and has been here most of the time himself, but his wife and daughter remained in Post until the first of this month. They are fine people and will be welcomed to Tahoka.

Miss Marie Lowe, enroute from the home of her parents at Carlton to her school work in Amarillo, spent the week end here in the A. J. Edwards home.

Rain Storms Visit County; Lightning Kills Negro Man

Heavy rain and electrical storms visited Lynn county Wednesday night, a negro man being killed by lightning on the Roy Adams farm in the Three Lakes community.

Rain came in a number of hard showers, varying greatly in amount in different parts of the county, but from most localities reporting an inch or more of water fell. In some places the precipitation was estimated as high as two inches.

Many farmers are greatly concerned about the ravages of leaf

Continued on Back Page

Variety Program At Rotary Club

Quite a little fun was injected into the Rotary program Thursday, a quartet composed of Dr. Jim Sinclair, Calloway Huffaker, Gilbert Gollehon, and Melvin Ratheal undertaking to sing "Sweet Adeline" to an unsympathetic but not unresponsive set of hecklers and boozers who made life miserable for the songsters.

Walter Anglin introduced to the club as his guests three outstanding students of the Tahoka schools, Misses Lenore Anglin, Ida Botkin, and Greta Applewhite, all of whom will be in college this fall.

Calloway Huffaker welcomed into the club as new members John Jackson, A. N. Norman, and Melvin Ratheal.

Two other names were presented and voted into the club as members: Elmore Boydston and Roy Edwards. Gervy Gardenhire of O'Donnell invited the Tahoka Rotarians to meet the O'Donnell club in a tricity meet in O'Donnell on Tuesday night, Sept. 16. Most Rotarians present indicated their intention to attend. The Post clubs will also be guests of O'Donnell.

Wynne Collier, president of the Tahoka Chamber of Commerce, made a statement respecting the program of service which it had adopted, calling special attention to the steps that had been taken to protect the business men against the numerous fake soliciting and advertising schemes of which the business men are made frequent victims.

He also announced that a series of farmers meetings had been planned for various communities in the county, the first to be held at Grassland during this month.

New Postal Clerk At Local Office

Eldon Carroll, formerly a clerk in the post office at O'Donnell is now employed as a clerk in the office here.

Carroll takes the place of Jess Gurley, who was promoted a notch to take the place of A. C. Weaver, who has accepted the position as carrier on Route 5. T. Garrard, the route 5 carrier, had moved up to a better route job out of O'Donnell.

The retirement of W. E. Suddarth from the O'Donnell route has been the cause of the several changes.

T. E. Park Critically Ill In Hospital

T. E. Park, aged citizen of Tahoka, is in a critical condition in the West Texas Hospital in Lubbock suffering from heart trouble. Reports from the hospital at 11 o'clock Thursday morning were to the effect that physicians were holding out practically no hope for his recovery.

Mr. Park was stricken with an attack of heart trouble Tuesday, and on Wednesday morning he was taken to the hospital. Many friends here are greatly concerned as to his condition.

Committees For C. of C. Named

Tahoka Chamber of Commerce directors in a meeting Thursday night of last week at the home of Conway Clingan approved committee appointments, a set of by-laws, and an advertising folder telling of Tahoka's and Lynn county's good points, and formulated other long-range plans for the betterment of the town and county.

The by-laws approved set out that "the object for which this organization is formed is to promote the economic, civic, and social welfare of Tahoka, Lynn county, and vicinity."

All persons, businesses, associations, or corporations interested in the welfare of this section are eligible to membership. Dues are \$1.00 per month, and the merchants of Tahoka have been almost unanimous in joining the organization.

The board of directors consists of seven members, three to be elected by the membership one year and four the next. No director shall be re-elected or appointed to succeed himself until the end of one year after the expiration of his term of office, and no president shall succeed himself.

The president, the directors, the secretary, and the immediate past president will compose the executive committee.

Wynne Collier was recently elected president of the organization, the membership having elected Collier, Tom Garrard, Truett Smith, Frank George, Conway Clingan, R. P. Weathers, and E. H. Boullion to the board. Frank George served

Continued on Back Page

District Court Is Under New Plan

Under a new law worked out chiefly by District Judge Louis B. Reed, district court convened here Monday morning for a five months term. In other words, the court will be in continuous session until Saturday preceding the opening of the next term of the district court in this county, which will open on February 2. That term will continue until the latter part of August of next year, a period of seven months.

A like arrangement of court terms has been made in each of the other five counties of the district, which are Teery, Garza, Dawson, Gaines, and Yoakum.

The first work of the court here Monday morning was to empanel a grand jury. That was done and the body immediately set to work. On Tuesday it turned in five bills of indictments and reported that its work for the present had been completed. Judge Reed granted it a recess and ordered it to reconvene on November 20. It may be called back at any time when needed to investigate any crime that may be committed.

Ed. Sanders and Henry Bulman are serving as riding bailiffs and Howard Henderson as door bailiff.

The body as selected Monday consists of A. R. Hensley of Draw, foreman; W. C. Huffaker of Dixie, B. D. Ballew of O'Donnell, Lloyd R. McCormick of New Home, Ed Goddard of O'Donnell, J. W. War-eick of Grassland, L. J. Barrett of Wells, D. W. Gaignat of Tahoka, Garland Pennington of Tahoka, T. J. Bovell of Tahoka, John Evans of Tahoka, Walter Anglin of Tahoka.

Under the printed schedule of the term, no jury cases will be called for trial until September 29, juries having been ordered for the fifth and sixth weeks, beginning September 29 and October 6.

In the meantime, attention will be given to the non-jury docket.

The purpose of the new law relating to court terms is to give the Court broader latitude in the setting of cases and to facilitate their trial.

Continued on Page 6

SHELTONS HAVE FAMILY REUNION

The Shelton families had a most happy family reunion in Mackenzie State Park in Lubbock last Sunday, according to J. H. McNeely, who, together with his wife, attended as specially invited guests.

Present were S. L. Shelton and family of Tahoka, Harris Shelton and family of Garlynn, Milton Shelton and family of Santa Fe, New Mexico, Henson Shelton and family of Lovington, and a number of "in-laws" of the Sheltons, as well as other relatives, including a niece from Hill county and Richard Williams and his father, also of Hill county. Altogether, almost fifty persons were present, it is said.

Mr. McNeely reports that the families gathered there in the morning and had a wonderful feast at the noon hour, and they remained in the park and had supper there also.

TEXAS TECH HAS 5,000 GRADUATES

LUBBOCK, Sept. 3.—Texas Technological college, founded in 1925, has conferred a total of 5,214 degrees, according to announcement of President Clifford B. Jones at summer graduation exercises.

Jack Conner of Hobbs, New Mexico, has accepted a position as market operator for the G. & R. store here. Mr. Conner was reared in Lamesa and formerly worked for the Bender System Grocery. His wife and two children will move to Tahoka next week.

BOULLIIONS HAS INTERESTING VISIT IN ARKANSAS

Mr. and Mrs. E. H. Boullion and Elbert Jr. returned last Friday afternoon from a ten days visit with relatives and friends in Arkadelphia and Hot Springs, Arkansas. As usual, they had a wonderful time, but—

The fish didn't bite. E. H. admits that they caught only one respectable fish. He says most of the desirable fishing holes have been restricted.

Old Arkansas still has its attractive points in spite of its faults, Mr. Boullion thinks. But raising cotton is not one of them—too many boll weevil. A thirty-acre field of cotton that promised a yield of 38 bales was struck by the boll weevil. In a week, that cotton had been stripped. It was doubtful if it would yield five bales. Practically every boll and every square had been punctured, and they lay worthless on the ground.

Mr. Boullion says the army maneuvers were truly interesting. If you will talk with him about two minutes he will make you believe it. There were great armies of soldiers engaged in the maneuvers at that section and Mr. Boullion thinks that they are getting some real training. And he ought to know, for he has been a soldier himself.

MOVE TO TAHOKA

Mr. and Mrs. Fred House and son Clint have moved back to Tahoka from Belton, to which place they moved about four years ago. Fred has secured an excellent job with the construction company erecting the government bomber school at Midland, but expects to make Tahoka his home. Clint will be a senior in Tahoka high school, while his daughter, Miss Helen, will remain in Belton, where she is secretary to the Bell county food stamp board.

H. C. Story, who is now employed in the state comptroller's office in Austin and who came up to Tahoka for a few days, left for Austin Monday. Mrs. Story and Ruth Evelyn remained for a long visit.

Miss Arnolia Server, who is a teacher in the Haskell city grade school, has been here this week and last visiting her cousin, Miss Hattie Server, district clerk.

TOBY'S COMEDIANS WILL SHOW HERE THURSDAY

Billy "Toby" Young, pictured above, is the owner and comedian of Toby's Comedians, a tent theatre, which is coming to Tahoka for a three-night engagement starting Thursday night, Sept. 11th, auspices American Legion.

Toby's Comedians are not to be confused with shows of similar title that may have appeared in Tahoka before, as this is positively the first appearance of this company here. The cast is young, clever and capable and only the latest plays and erture preceding the play will be sented. A thirty minute musical overture preceding the play will be given nightly featuring Dollie Young and Her Solo-Vox. Miss Young is the only member of any tent theatre playing this new musical invention. The tent of Toby's Comedians is said to be brand new, air-conditioned and waterproofed. No doubt, large audiences will greet this new show at Tahoka during its three night engagement.

ANNUAL MEETING OF W.M.U. AT NEW HOME

The annual meeting of the W. M. U. of the Brownfield Baptist Association will convene in the Baptist Church at New Home on Thursday of next week.

All the churches in the association, which embraces Lynn, Terry, Yoakum, and parts of Gaines and Hockley counties, which have W. M. U. organizations, are expected to have representatives present.

Annual reports will be given, new officers elected, and plans for the ensuing year discussed. Mrs. Henry Heck of New Home has been president and Mrs. A. L. Hicks of Meadow recording secretary and Mrs. Lloyd R. McCormick of New Home corresponding secretary the past year.

Lunch at the noon hour will be provided by the hostess church.

SHEEP AND GOAT RAISERS TO MEET AT TEXAS TECH

LUBBOCK Sept. 3.—The annual meeting of the Southwestern Sheep and Goat Raisers Association will be held at Texas Technological college in a three-day session October 23, 24 and 25.

Mr. and Mrs. W. O. Thomas and Mr. and Mrs. J. L. Heare have returned from Eagle Nest, New Mexico, where they have summer cabins and where they spend several weeks each summer fishing and enjoying he climate and the scenery.

County Agent and Mrs. Donald Turner returned Sunday from their vacation, which they spent at Eagle Nest Lake, New Mexico, and Monument Lake, Colorado, where they fished and enjoyed the mountain atmosphere.

Mr. and Mrs. Howard Crausbay of Crosbyton and Mr. and Mrs. B. H. Howard of Lubbock were visitors here last Sunday in the homes of Mr. and Mrs. Frank Hill and Mr. and Mrs. Harley Henderson.

CHILD GUIDANCE CLUB MEETS WITH MRS. CAIN

The Child Guidance Club met with Mrs. Alton Cain Tuesday, having a covered-dish luncheon. The following program was enjoyed.

Reading, Jerry Dean Cain.
Reading, Barbara Ann Finley.
A most interesting talk was given by Mrs. K. R. Durham.

Two new members were received and one guest was present, Miss Margaret Hutchinson of Little Rock, Arkansas.

The new officers for the coming year were in charge: Mrs. Emil Prohl, president; Mrs. Truett Smith, vice-president; Mrs. Coy Fielder, secretary and treasurer; and Mrs. Calloway Huffaker, reporter.

Other members present were: Mesdames K. R. Durham, Douglas Finley, Deen Nowlin, P. A. Nowlin, James Clinton, Jack Welch, E. R. Edwards, R. H. Gibson, Pete Hegi, John Hamblen, Rollin McCord, and the hostess, Mrs. Alton Cain.

NEW HOME MEETING CLOSED SUNDAY

Three large crowds attended the all day services at the New Home Church of Christ last Sunday, which brought to a close the two weeks revival meeting conducted by Weldon Bennett of Bellingham, Wash. Net results of the meeting were nine new members to the church.

The elders of the church made announcement during the afternoon session that the church would again conduct a revival meeting in 1942 at the same dates as this years meeting. The evangelist for the meeting will be announced later.

Mr. and Mrs. Jack Fenton and Mary Louise spent Thursday to Sunday at Christoval fishing. They caught plenty of fish, Jack says, including a four or five pound bass.

Mr. and Mrs. Richard Young of Hobbs, New Mexico, visited her parents, Mr. and Mrs. N. M. Wyatt, over the week end.

Mrs. W. M. Harris and sister, Mrs. Lida Kelso, left early Tuesday on a business trip to Ada, Oklahoma.

"THEY CALL ME 'DOC'"

"When someone complains of indigestion I hand them one of my ADLA Tablets"—wrote Mr. M. of Penn. If "Doc" met you he'd probably hand YOU one! Ask your druggist today for ADLA Tablets and see how quickly they relieve gas and heart burn.

TAHOKA DRUG

MISS KELSIE MAY SOLSBERY AND S. J. HEASLET WED

Miss Kelsie May Solsbery and Mr. S. J. Heaslet were united in marriage last Saturday night by Justice of the Peace Jim Dye at his residence here.

The bride is the daughter of Mr. and Mrs. A. L. Solsbery, who reside on a farm a mile east of Tahoka. She was reared here and has been a pupil in the Tahoka high school. Mr. Heaslet is the son of Mr. and Mrs. Jim Heaslet, who reside in southwest Tahoka. They will make their home here.

The young couple have the best wishes of their many friends.

BUILDS BUMP GATES FOR HIS DOGS

Loraine, Sept. 4.—W. H. Bachaus has found a new use for "bump" gates. He likes for his dogs to have free range around the house, but to keep the chickens out of the backyard and garden, he had to build a high picket fence.

That took away some of the freedom of his dogs. Then he decided to build small "bump" gates in the picket fence and teach the dogs how to use them. This he did. Now the dogs have access to the backyard, but the chickens are so dumb they haven't discovered how to open them.

Dr. and Mrs. J. R. Singleton and Mr. and Mrs. G. P. Lamb came up from Abilene Saturday to spend Sunday and the Monday holiday in their home here and to visit with friends. Mr. and Mrs. Lamb are employed in Abilene. Mrs. Lamb, who is the former Ola Belle Singleton, has a responsible position at Camp Berkeley.

MRS. WOOSLEY TEACHING

Mrs. J. K. Woosley has accepted a position as teacher in the New Lynn school, to fill the place of a teacher who had resigned. She began work Monday morning, as teacher of the primary grades. The other teachers there are: E. H. Schreiber, principal; and Mrs. Schreiber, intermediate teacher.

MORE WAYS WITH APPLES

More than fifty different ways to cook apples! That's what one of the members of my staff discovered the other day when she went on a little private survey of her own. She had wondered just how many apple recipes we had perfected . . . so she started to count.

These recipes include all sorts of apple pies . . . "kivered, un-kivered and partly kivered". While in addition to these pies we have such apple delicacies as "Quick Apple Loaf", "Pork Chops with Apple Rings", "Apple Upside Down Cake", "Apple Roll" and a delicious "Apple Nut Whip" to spread over hot gingerbread. I won't have space to give you recipes for all of these . . . but here are a few:

BAKED PORK CHOPS WITH APPLE RINGS

Dip pork chops in flour, sear and brown them in a heavy pan containing a little hot fat. Pare and core apples and cut into rings about 3/4 inch thick. Place apple rings on top of pork chops and sprinkle a small amount of brown sugar over each apple ring. There should be two or three rings over each chop. Pour a few tablespoons of water into the pan with the meat.

Cover the pan and bake for 45 minutes in a moderately hot oven, 400° F.

QUICK APPLE LOAF

1/2 cup shortening
1/2 cup sugar
2 eggs
1 cup ground raw apples (cored but not peeled) including juice
2 cups sifted all-purpose flour
1/2 tsp. salt
1 tsp. baking powder
1 tsp. soda
1/4 cup chopped nuts

Cream shortening, add sugar gradually, and cream thoroughly. Blend in the well beaten eggs and ground apples and juice. Sift the flour, salt, baking powder and soda together, and stir into the apple mixture. Blend in the chopped nuts. Pour into a well greased bread loaf pan (3 1/2 by 7 1/2 inches across the bottom and 2 1/2 inches deep). Bake 55 to 65 minutes (until a wooden pick plunged into center comes out clean) . . . in a moderate oven, 350° F.

APPLE NUT WHIP

Beat 1 egg white until it will hold a point. Then gradually beat in 1/2 cup confectioners' sugar. Fold in 1/2 cup whipping cream, whipped until stiff. Fold in grated apple (2 tart apples) and 1/2 cup chopped nuts. Chill. Serve on hot gingerbread. This makes enough for 8 servings.

Betty Crocker will be glad to send you a selection of these apple recipes if you'd like them. Simply send your request with your name and address and three cents in postage to Betty Crocker in care of this newspaper.

Copyright 1941 by Betty Crocker, Inc.

If you have any specific cooking problems, send a letter requesting information to Betty Crocker in care of this newspaper. You will receive a prompt, personal reply. Please enclose 3 cent stamp to cover postage.

Congratulations

To Mr. and Mrs. Loy Lawson of Los Angeles, California, upon the birth of a daughter on Tuesday, August 26. The new little California booster bears the name of Patricia Annalee. The grandparents, Mrs. A. A. Lawson and Mr. and Mrs. R. E. Appling, live at Grassland in this county.

To Mr. and Mrs. O. P. Hemmeline upon the birth of a daughter weighing eight pounds and 12 ounces on August 24, who has been named Phyllis Anne. The Hemmelines reside near the Cross Roads Filling Station.

To Mr. and Mrs. W. R. McNeely upon the birth of a daughter Tuesday, September 3, weighing nine pounds. The McNeelys reside in the Dixie community.

Word has been received here by relatives of the birth of a son to Mr. and Mrs. Gloyd Cloe in Sacramento, Calif., on August 18. The young fellow was named for his daddy, Gloyd Franklin. Mr. Cloe is the son of Mrs. Ted Chancy and Mrs. Cloe is the daughter of the Will Laniers. Gloyd and his brother Ray have been working at Arbuckle, California, but write that they expect to return here about Sept. 18.

LIEUT. JAMES MINOR IS GIVEN PROMOTION

Second Lieutenant James Minor, son of Mr. and Mrs. John Minor of this city, has been promoted to First Lieutenant, according to his wife, the former Miss Marian Lee Mason, who is visiting her parents, Mr. and Mrs. Marshall Mason at Post.

James is now participating in the maneuvers in Louisiana, but has been stationed at Camp Bowie, at Brownwood the past several months. He was called into service last fall while a student in the Law School of the University. He is a graduate of Tahoka High and Howard Payne College.

Mr. and Mrs. W. L. Knight returned Sunday from a four-day trip to the south. Accompanied by Mr. Knight's sister and her daughter, Mrs. W. G. Brunette and Louise, they went first to Odessa, where they visited Mrs. Brunette's son, and where Mrs. Brunette and daughter remained. From there, Mr. and Mrs. Knight went to Crane, where they visited another nephew of Mr. Knight's and his family, following which they visited K. F. (Buddy) Knight and family in San Angelo. Though not a lengthy trip, Mr. Knight declares it was a most pleasant one.

John Caviness, who spent a few weeks here in the home of his sister, Mrs. S. B. Francis, northwest of Tahoka, returned to East Texas recently accompanied by his sister, who expected to visit at Longview, Beaumont, and New Orleans.

Mrs. Margaret Hutchison of Little Rock spent a few days here this week with her sister, Mrs. K. R. Durham and family.

MULLINS THANKS FRIENDS

We take this method of saying Thanks to our many friends and customers for your patronage during our near seventeen years stay here. Good luck to each and everyone of you.—Tahoka Sheet Metal Works, A. J. Mullins.

CITATION BY PUBLICATION ON FINAL ACCOUNT

The State of Texas.
To the Sheriff or any Constable of Lynn County—Greeting:

Douglas Finley, Guardian of the estates of Joseph Mayfield and Nora Bell Mayfield, minors, having filed in our County Court his Final Account of the condition of the estates of said Joseph Mayfield and Nora Bell Mayfield, minors, numbered 357 on the Probate Docket of said County Court, together with his application to be discharged from said Guardianship; and I, W. M. Mathis, Clerk of the County Court in and for Lynn County, Texas, having made this writ returnable on the first Monday after the service thereof is completed, which said returnable date is now here set and fixed as and for the fourth Monday in September, 1941, the same being the 22nd day of September, 1941:

You Are Hereby Commanded, that by publication of this Writ for ten days before the return day hereof, in a newspaper regularly published in Lynn County, State of Texas, you give due notice to all persons interested in said estates and in the Account for Final Settlement of said estates, to appear and contest the same, if they see proper so to do, on the fourth Monday in September, 1941, the same being the 22nd day of September, 1941, at which time said Account and Application will be acted upon by said Court.

Given under my hand and the seal of said Court, at my office in Tahoka, Texas, this 3rd day of September, A. D. 1941.

W. M. MATHIS, Clerk County Court, Lynn County, Texas.

I hereby certify the foregoing to be a full, true and correct copy of the original Writ now in my hands for service.

B. L. PARKER, Sheriff, Lynn County, Texas. By Doris Parker, Deputy. 1tc.

NOTICE TO THE PUBLIC

Any erroneous reflection upon the reputation or standing of any individual, firm or corporation, that may appear in the columns of The Lynn County News will be gladly corrected when called to our attention.

Our new Texas Senator in Washington is devoting his momentous mental faculties to a study of some of the nation's most vital needs. For instance, in his radio broadcast last Sunday he advised the nation that recently he had been unable to procure an egg to go with his slice of ham in an unnamed restaurant in the East. He deplored the fact—if it is a fact—that eggs are scarce in the East and that the hen is being boycotted by those Yanks. He claimed that he was hungry for eggs and he wished that some Texas farmer friend would send him a dozen, which he would eat avidly right there in Washington, and to prove his democratic sympathies, he suggested that he might let some of the "yellow" drip down onto his tie, whereupon he would walk up and down the streets of Washington advertising Texas eggs. Thus O'Daniel is ably serving Texas. By the way, we noted from a University of Texas news release that Texas farmers and poultrymen sold almost three times as many eggs in July as a year ago, with total shipments amounting to 305 carloads, of which 259 carloads were shipped out of the state, 73 of them to New York and 41 of them to Pennsylvania. We guess that in his next broadcast, our brilliant and modest young Senator will be claiming credit for this increase. Anyway, we hope that he will be able to get an egg or two out of the next billion or two Texas eggs that find their way to the East.

It has been difficult, in fact impossible, for us to understand political developments in France. Not only does it appear that French leaders have been toadying to Hitler and betraying France, but it seems that some of them actually think that France will again be free and happy if they follow Hitler's lead. It is a pitiable plight in which the French people find themselves. It is no wonder that one of them attempted to assassinate a trio of the leaders, especially that contemptible, cowardly, traitorous Hitlerite that goes by the name of Laval. As for Petain, for a time we pitied him. We are beginning to wonder if he too doesn't deserve the contempt of all freedom-loving men and women throughout the world. As long as France continues to "collaborate" with Hitler she will be a puppet nation. Moreover, unless she rises and throws off the German yoke within the next decade, millions of her choice people will be scattered throughout Germany and Germans will take their places in France, the national spirit completely broken, and France as a nation and as a separate people will be sunk for all time to come. Her only hope lies in the crushing of Hitler by the allies, and French leaders seem to be doing all in their power to prevent the allies from crushing their heartless oppressor. It is all completely mystifying.

Around OUR PLACE
by Theod. Gipp, Sr.

"Love is a highly curious proposition," observes Pecos Turner. "When you see a real nice, sweet-tempered gal with her props knocked from under her, it's a safe bet that the bird who done it is some no-account rake what ain't worth the salt it'd take to cure his hide. "Swap sides with the picture, and it still ain't pretty to look at. Let some well-meaning, hard-working old boy get bit by the love-bug, and the chances are he'll eat his heart out trying to draw up his loop on some war-painted she what everybody in the country knows is a regular bat. "It don't hardly seem right, but I reckon it's the Almighty's way of keeping the species human."

Mike the Mighty, my nine-month-old son, is already showing commendable signs of industry and thrift. Any hour of the day when he allows peace and quiet to filter into the house, the Duchess and I know right where to find him. He's pulled up at the trash can, industriously and dirtily removing the contents.

The lure of the trash can is in Mike's blood. A garbage man he will be. And while the Duchess and I would probably choose a more exalt-

There is some basis for the charge that Union Labor is too greedy and unreasonable in its demands when members of the unions receive from 75 cents to \$2.00 per hour for their labor while our soldier boys are paid only \$21.00 per month. We often hear such criticisms of Labor bitterly made. But the injustice is not as glaring as it seems on its face. In the first place, the soldier boys are paid \$21.00 per month in addition to most of their necessary living expenses. Their board and lodging and most of their clothing costs them nothing. And nearly all the soldier boys are single men, with nobody dependent upon them. On the other hand, the laborer in private or public industry must pay his own expenses and the expenses of a family out of his wages, for most of them are married men. We think that skilled labor is being well paid as a rule, and that most of the laborers have no just cause to strike for higher wages, but in condemning them we should not make unfair comparisons. This is intended as no defense of those engaged in public defense industries who strike to impede the national defense program, nor as a defense of those who are induced to strike by communistic propagandists. President Roosevelt and the Congress of the United States should act promptly and effectively to put a stop to all strikes of this nature.

Ever since Hitler began his assault upon Russia, he has been seeking to gain the sympathy and support of the world on the ground that it is an effort on his part to destroy communism; and some of the leaders in America seemingly have fallen for this hypocritical propaganda. Leaders are telling us that communism is just as undesirable as Nazism and Fascism and therefore we have no business to be aiding Russia. Perhaps communism is just as loathsome as these other isms, but at least Russia has not yet set out with armed forces to destroy the democracies. Germany has done so, and it is Germany that is now threatening the subjugation of the world and the destruction of democratic government everywhere. Russia, it is true, has been spreading her communistic doctrines on the inside, but we believe that the red-blooded Americans will amply take care of that. Just now, it is our pressing duty to help stop Hitler.

Cotton picking time will soon be here again, and the indications are that there will be a lot of it to pick. A month ago we provoked some good-natured fun-poking by predicting that the Lynn county crop would evidently run anywhere from thirty-five thousand to seventy-five thousand bales. We are going to raise our figures a bit, inasmuch as the pests have not yet done very much harm. We are now willing to predict that the crop will run from sixty to ninety thousand bales. Now laugh.

KILL POULTRY LICE!

NIC-SAL

WYNNE COLLIER, Druggist

ed life's work for our only offspring, we're ready to admit there's more room today in the garbage field than anywhere else.

And Mike is sure to be a success. Anybody would agree to that had they seen him, as I saw him yesterday morning—on his head in the kitchen trash can, heels waving idly, while he munched contentedly at a piece of burnt toast.

Ross Kothman's 4-year-old son Kelly is learning fast, too.

Lately, whenever Ross wanted fried chicken for dinner, he'd call up his chickens for feed and then rap a frier over the head with a stick while it was eating.

Young Kelly was invariably an interested spectator to these little dramas of life and death. And finally the power of suggestion motivated action. Ross heard the frantic squawking of an old mother hen the other morning and rushed out in time to save the last three of her dozen baby chicks.

Young Kelly, stick in hand, had the other nine laid out and ready for the frying pan.

Grandma Black is mighty stirred up about the whole thing. She claims the way kids are raised this day and time is a sin and a crying shame. According to her, they're allowed to grow up without manners, decency or respect for old age.

What got Grandma so riled was little Freddy LeVare. She came to visit the other day and grabbed little Freddy up and smeared his lips with a snuff kiss, then set him down and tore her face up in a gummy grin and asked: "Honey, did you ever see anything as old and ugly as old Grandma Black?" Little Freddy solemnly wiped the kiss off his face, stood back on his

LATE CROPS FINE

J. H. McNeely dropped into the News office Monday afternoon walking on air. He had just been down to his farm situated three miles northwest of Cedar Lake. He brought back a bunch of roasting ears which he gathered from a field of corn planted late in June. The corn is going to be fine, he says.

Also, he has a patch of maize on this farm planted in July and it is now heading out with the promise of a heavy yield. He also brought back a sample of the cotton growing on the place, which may cause a slump in the price if it turns out as well as it promises. Seriously, the cotton is fine.

All this merely goes to show what a bed of old dry sand will do if it is treated to a good mixture of real wet water at regular and proper intervals.

Mrs. Jack Mathis brought The News a bag of fine home-grown tomatoes last week, which were greatly appreciated. She also brought in a freak tomato—two or three small tomatoes grown in a cluster on the side of a larger one.

Grandma Black is one to make children toe the mark. Just the other day Joe Peters passed her house on his way home and heard her yelling at one of the grandchildren, "If you don't stop that whining, I'll have you mopping up your brain off the floor!"

Grandma believes in bringing children up in the way they should go.

TEFTELLERS VISIT HERE

Mr. and Mrs. Craig Tefteller and son Sam came in Saturday night to visit Mrs. Tefteller's parents, Mr. and Mrs. G. W. Simmons, and other relatives here, and with Mr. Tefteller's relatives at Roby. They expect to start the return trip today, Friday.

Douglas Henderson Jr. returned to Tahoka with the Teftellers and will spend the school term here with his grand-parents, Mr. and Mrs. Howard Henderson, in order to complete his senior year in the Tahoka high school.

Don Dee Cowan, son of Mr. and Mrs. T. Cowan, returned home Sunday after spending a week with his uncle, J. L. Strain, at Colorado City.

Still backed by that famous 10-YEAR GUARANTEE. And on terms so low the payments will be about the size of your monthly ice bill. And remember, Servel operates on butane, bottled gas, or kerosene, as well as natural gas. But—don't wait too long. Don't go to sleep on this!

O'Donnell Lady Died Monday

Funeral services were conducted in the Church of Christ in O'Donnell Tuesday by Elder R. P. Drennon of Melrose, New Mexico, for Mrs. Mary B. Gardenhire, 76, wife of J. N. Gardenhire of O'Donnell, who died in Lamesa Monday. She had been seriously ill for about three months. The body was laid to rest in the O'Donnell cemetery.

Mrs. Gardenhire was born in Atlanta, Georgia, on August 9, 1865, but she had spent most of her life in Texas. She was married to J. N. Gardenhire on February 17, 1824 and she and her husband celebrated their Golden Wedding anniversary in Austin in 1934.

Surviving her are the husband and ten children, as follows: W. L. Gardenhire of O'Donnell, Gilbert Gardenhire of Austin, Grady Gardenhire of Kerrville, Clarence Gardenhire of O'Donnell, J. N. Gardenhire Jr. of Sparenburg, Thad Gardenhire of Sulphur, Oklahoma, Gene Gardenhire of O'Donnell, Mrs. G. B. Pollock of Stanton, Mrs. Elaine Burleson of Fort Worth, and Lawrence Gardenhire of O'Donnell but now in a training camp in Illinois.

All of these except the son in the training camp were present for the funeral, together with many grandchildren and other relatives.

Two sons and two daughters are dead, she and her husband being the parents of fourteen children.

Mrs. Gardenhire obeyed the gospel, Elder Drennon states, in 1898, and for forty-two years she had lived a devoted Christian life. She had a great host of relatives and friends who mourn her departure.

Mr. and Mrs. W. T. Wright drove to Omaha, Morris county, last Saturday taking his mother back to her home there. She had been visiting here. They were accompanied by Mrs. W. O. Robertson, who went to see her mother at the near-by town of Naples. The Wrights and Mrs. Robertson returned home Tuesday, accompanied by Mrs. Robertson's mother, Mrs. Cenith Lowry, who came to visit here awhile.

Mrs. Alice Reed of Rogers and her daughter, Miss Lohma Louise Reed, home demonstration agent at Victoria, and Arthur F. McLean of Rogers visited Mr. and Mrs. E. I. Hill Monday night. Mr. McLean and Mrs. Reed, who are cousins, are also cousins of Mrs. Hill.

Football ...

Continued from Page 1
150, are also candidates for the team.

New men with no previous experience are: E. L. Short, end, 140 pounds; L. Wardlow guard, 140 pounds; and four halfbacks: McLendon, 135 pounds; O. Meek, 130; B. Edwards, 140; and J. Ramsey, 125.

Several other boys have reported for work-outs, but their names were not available to The News.

This district has been re-arranged for the coming fall, and Class A team competing in the southern half are: Post, Tahoka, Brownfield, O'Donnell, Seagraves, Seminole, and Denver City. As noted from the schedule below Tahoka will play four games, two against Class AA teams before embarking on its district schedule on Oct. 17:

- Sept. 12—Lamesa, there.
- Sept. 19—Andrews, here.
- Sept. 26—Lockney, here.
- Oct. 3—Open.
- Oct. 10—Borger, there.
- Oct. 17—Seminole, here.
- Oct. 24—Seagraves, there.
- Oct. 31—Denver City, here.
- Nov. 7—O'Donnell, there.
- Nov. 14—Post, there.
- Nov. 20—Brownfield, here.

Court ...

Continued from Page 1
It is believed that this plan will result in keeping the dockets better cleared. And there are other distinct advantages to be realized under the new system, Judge Reed points out.

District Attorney, Rollin McCord and County Attorney Calloway Huffaker are assisting the grand jury in its investigations.

TRUETT GILES COMPLETES ARMY AIR SCHOOL COURSE

Chanute Field, Ill., Aug. 30—Orders which send Private First Class Truett Giles to his home station, 3rd School Squadron, Air Corps, Lowry Field, Colorado, were issued here today.

Giles is the son of Mr. and Mrs. J. A. Giles of Tahoka, Texas.

He was graduated from the Airplane Mechanics course, Chanute Field branch, Air Corps Technical School, August 30.

Max Minor, who will be a sophomore in the University of Texas this fall, was home this week visiting his parents, Mr. and Mrs. John Minor. He has been athletic director at Camp Rio Vista, a summer boys' camp at Kerrville, most of the summer and the remainder he has been working for Central Power & Light Co. at Corpus Christi. Many friends here hope to see Max in the line-up of some Texas Longhorn games this year or next.

Misses Maude and Mildred Freeze of Dallas, Mrs. Faye Vice of Alpine, and Mrs. Rupert Hughes of Lone Oak left Monday after a few days visit with Mr. and Mrs. P. E. Calvery. Mrs. Calvery and the visitors are friends of many years standing.

Mesdames D. V. Smith and C. T. Oliver and Miss Mary Seroyer left Tuesday morning for Cleburne, their former home, for a few days visit with their brother.

Mrs. Carlice Edwards left for her home in Los Angeles Monday after a five weeks visit here and at Amarillo and Fort Worth with relatives. She is the former Miss Ruth McCord.

Home-Making Is Given In Grades

Study of the twelve-grade plan was begun by the Tahoka faculty last year. At the present time a committee under Mrs. Louise Wyatt, as chairman, and composed of Mrs. Lucy Craft, Mrs. Linnie Finch, Miss Lucille Hall, and Principal A. L. Pace, is observing schools which have installed the plan. Their problem is to weigh advantages and disadvantages and to determine just what adjustments must be made in order to fit the new plan into our school system. Also, they must be sure that the change is worth while.

Since vocational work has come to the foreground in the public school program, a Home-making course was offered through-out the Grade School all last year and is being given this year. It is, however, still in an experimental stage. As the course now stands, each grade has definite problems but lacks linking and progressive steps between grades. It is expected that the above mentioned committee shall have ready an organized, related, and beneficial Home-making course for the year 1942-43 for the entire Grade School, adaptable to an eleven or twelve grade plan, to be culminated in the Home Economics and Agriculture departments in the High School.

POPULAR LOCAL YOUNG PEOPLE ARE MARRIED

Marriage rites were read at Wednesday noon for Miss Mary Ellen Pesterfield and Mr. Eldon Gattis, both of this city, by Rev. H. C. Smith, formerly of Tahoka, in the San Jacinto Methodist Church in Amarillo, with Mrs. A. N. Norman Jr. acting as matron of honor and Benoy Gattis, brother of the groom, as best man. Mr. Norman and Miss Peggy Fenton were also members of the wedding party.

Mrs. Gattis is the daughter of Mrs. L. L. Pesterfield of this city. She is a graduate of the Tahoka high school and for the past few years has held a responsible position in the office of the Texas-New Mexico Utilities here.

Mr. Gattis is the son of Mr. and Mrs. I. I. Gattis. He also is a graduate of the Tahoka high school, and for the past several months he has been operating a drug store on the west side of the square here. For a number of years, during his school-boy days, he was local carrier for the Avalanche-Journal newspapers. Immediately following the ceremony, the couple left on a wedding trip to Colorado Springs and Denver.

Mr. and Mrs. H. L. Roddy went to Hico Monday and were accompanied by her parents, Mr. and Mrs. Alford, who remained at their home there after visiting in the Roddy home for the past two months. Mr. and Mrs. Roddy made a brief visit to Mr. and Mrs. F. M. Billman at De Leon as they returned Monday afternoon.

Miss Mary Preston writes friends here that she has arrived at the Dave Gill School, where she is to teach. She is down on the Rio Grande, where she can view the mountains in Old Mexico, her address being Star Route, Esparanza, Texas.

Dr. E. Prohl is expected to return Saturday from Memphis, Tennessee, to which city he went last week on a combined business and pleasure trip. He was accompanied by his family.

PRESBYTERIAN SERVICES

Rev. W. Bristow Gray will fill his appointment at the Presbyterian Church next Sunday.

Subject of the morning sermon at 11:00 will be, "Planted in God's House." Theme at the 8 p. m. service will be "A Good Soldier."
The morning adult Bible class at 9:45, the subject for discussion in the class, "A Message to Persecuted Churches."

The public is cordially invited to these services.

G. F. Jones declares that this is a work-beater as a tomato-raising country. He has four rows 100 feet long and he says he believes he will sell \$50 worth of tomatoes from the patch. He presented the News man with a few pounds of the fruit- or vegetable—Wednesday. The sample was very fine.

Earl Adams, who graduated from Tahoka high school last spring, is here from Brownwood visiting friends. He expects to enroll in Howard Payne College in a few days.

Mr. and Mrs. W. M. Harris and Mrs. Harris' sister, Mrs. Lida Kelo, have gone to Ada and Roff, Oklahoma, this week on business.

Baptist Revival Closed Sunday

At the closing service of the Baptist revival Sunday night, baptism was administered to ten converts who had professed faith during the series of services.

Eleven persons were received into the church by letter during the meeting, it is stated.

Though the number of accessions was not as great as had been hoped, gratification was expressed that more than a score had been added to the church.

Rev. B. N. Shepherd of Hobbs, a former pastor of the church here, assisted the pastor, Rev. Geo. A. Dale, in the meeting. The song services, led by Melvin Rathaal, were superlative, and the preaching was greatly enjoyed.

Miss Mareda Hickerson came Saturday for a short visit with Mrs. A. J. Edwards before returning to her school duties in the Louisiana State Normal College at Natchitoches, La.

Miss Sallie Alford of Dallas was here from Friday to Monday visiting her parents, Mr. and Mrs. A. Alford, in the home of her sister, Mrs. H. L. Roddy and family.

Mrs. F. H. Hancock had as her guest this week her son, E. E. Hancock, superintendent of schools at Ralls.

A. H. McGonagill and Levi Noble left Saturday night for a short vacation in California.

STATED MEETINGS of Tahoka Lodge No. 1041 the first Tuesday night in each month at 8:30. Members urged to attend. Visitors welcome.

JACK WELCH, W. M.
H. L. RODDY, Secretary.

Sub-Deb Club Aid To Girls Of 'Teen Age

(By a Sub Deb)

Have you ever lived in a small town without a club? You find a number of mischievous things going on. But as it now is in Tahoka, you can drive by a young person's house and find a group of young people having good, clean fun. This is one result of the Sub Deb Club.

We may be little sparks in the fire to you, but, after all, sparks are what makes the fire burn.

In the halls of Tahoka High three falls ago, a group of girls decided they wanted a club. The idea of this club was to teach them their faults and how to take their place in this big world.

Our first meeting was in the home of Dorothy Fulkerson, where we elected Betty Sue Robert's president. We next became a national organization. We met every two weeks on Thursday, and paid small dues. We had no sponsor the first fall. That year we had a number of parties. We gave parties for our mothers; we had theatre parties and weiner roasts. Then in the spring two of the girls, Genalee Henderson and Jean Barham graduated and became honorary members. The summer came and most of the girls went visiting, so we did not meet for about two months. If you will look back, this was a pretty dead summer. About a week before school started we had rush week. We got all of the girls our age we possibly could to be in our club. At this time we got Miss Dockray and Miss Lewis, teachers in the high school, to be our sponsors. But their time was taken and they could help us very little. So, we got Mrs. Spikes, Mrs. Browning, and Mrs. Pace to be our sponsors. You can never imagine how these ladies have helped us and what they have meant to our organization. Mrs. Gaignat gave the club an Emily Post book which we have studied.

Last fall we did a number of things. We gave parties of all kinds, a dinner for the football boys, slumber parties, house parties, scavenger hunts and dances. We all considered last fall "a school girl's paradise". We lived in a land of our own. We had fun galore. We did things for each other. Each girl gathered up all of the old books she had around the house and we gave them to the Lynn County library. We looked forward for the day mothers would be thankful their daughters could be in the club.

Yes, we did have spats, but what good would this world be if you agreed with all of your friends? What would be the joy of living if you couldn't have little ups and downs?

At the close of school, a third of our girls graduated and became honorary members. We hated very much to see these girls no longer real members. Most of them helped start the club. They left only a few of the charter members. We worked hard and saved our money to give these girls a dance. Not just an ordinary dance which we had often given but for the first time we had an orchestra—the thrill that comes once in a lifetime for every girl of our age.

Before this, we were always out for a good time. But we decided we should look on the serious side of life. Since a number of our friends had to go to the army, it is our duty to do our part for national defense. We gave two U. S. O. benefit dances and cleared \$19.75.

One afternoon after a meeting we were riding around discussing a "dream town". The vacant lots all grown up in weeds suddenly turned into beautiful flowers and trees. We

decided the weeds most likely would not turn into flowers but the lots could be cleaned off and be made more attractive. So we started a clean up campaign. We saw the mayor and other clubs in town to see if they were willing to cooperate with us. Later we found this could not be carried out . . . but have you noticed a few of the lots have been cleaned off. The summer is nearly over and we think we have done something worthwhile as well as having a good time.

Two weeks before school started we again had rush week. Our rush-ees were La Nelle Maddox, Dona Sue Milliken, Helen Bell Pemberton, Alice Roberts, Patricia Hill and Jo Barham. We started the week off by going to the Baptist church and finished it by going to the Methodist church. We did a number of other things in between. We had a lot of fun that week.

On Monday of the next week we had a meeting in which we elected Mrs. Lorene Edwards and Mrs. Spikes sponsors.

On Tuesday and Wednesday we initiated the girls. Some of you saw the girls down in town washing the sidewalks with a tooth brush and selling mud pies.

We presented the girls to the club Thursday night. We got C. A. Rogers to play for us. As Gaignat's room is fixed in Indian style, we had a teepee for the girls to step out of. The presentation was beautiful. It was the first time such an event ever occurred in Tahoka and it was done well.

We are going to have a meeting at Myrna Gaignat's home this week.

We have found out that you are never made dizzy by doing good things. As long as one's mind in thinking well, one does well. Our minds are on what we can do to have clean fun, and if you stay around us you could see for yourself. A town or club is what you make it.

If you compare the girls out of the club with the girls in the club you will find that 75 per cent of the girls will succeed where only 50 per cent will succeed out of the club. Jeanne Simmons is now a model in California. Genalee Henderson is now working in an office in California. Both girls have good jobs. Some of the girls have already gone to college and others are leaving soon.

Now, you know the history of the Sub-Deb club and how we feel about it. So, regardless of what you say, the sparks will continue to burn.

NORBERT MORRIS, HOME FROM NAVY, IS HONORED

Robert Morris, on leave from the U. S. S. Lexington, has been here this week visiting his sister, Mrs. L. B. Curtis and her family. He is leaving today to return to his ship.

Last Sunday, Mr. Morris was honored by a number of relatives and friends who gave him a picnic in Mackenzie State Park in Lubbock. Those attending from Tahoka were Mr. and Mrs. L. B. Curtis and children, Mr. and Mrs. A. C. Davis and children, Mr. and Mrs. Don Morris and son. Other members of the family attending were Mr. and Mrs. W. B. Morris, Doyle, Aubrey, and Gloella, of Meadow; J. H. Witt and children of Lubbock; Wendel Medlin, and Pvt. Glen Medlin of Camp Bowie. Also attending were an aunt, Mrs. J. C. Adams, and cousins, Mmes. J. G. Knight, D. C. Crow and daughter, Janice, and Miss Bennie Adams, all of Dallas, and Mr. and Mrs. E. L. Kline and daughter, of Lubbock. One brother, Gene Morris, of Hachita, N. M., was unable to attend.

Mr. Morris has been in the service sixteen months and is a third class radioman petty officer.

Mrs. J. H. McCoy is in San Antonio this week visiting her son, Clay McCoy, and his family.

F. S. A. Families Form Organization

"A penny saved is a penny earned." The Lynn County Marketing and Purchasing association, which is made up of F. S. A. families, is using this theory as the base for the association.

The association had as its guest Mr. Bill Lines, a marketing and purchasing specialist from the regional office at Amarillo to assist the trustee, Mrs. Roy L. Williams, with the methods commonly practiced in all marketing and purchasing associations in this region.

The Lynn County Marketing and Purchasing association has 30 members and urges all other F. S. A. families to join the association as soon as possible.

Wyman J. Welch, county RR supervisor, and Myrlene Cannon, county HM supervisor, will be in Lubbock Thursday and Friday of this week attending a district meeting.

Spend your dollars in your home town, and some of them will come back to you. Spend them in Lubbock and kiss them goodbye.

Sam Gatski, who is attending the aviation school at Love Field, Dallas, was here over the week end visiting relatives at Grassland.

MOVES BACK TO TAHOKA

Mr. and Mrs. John Russell came in from San Saba Tuesday to reside here indefinitely if they can find a house in which to live. Temporarily they are in the home of their son-in-law and daughter, Mr. and Mrs. Garland Pennington. Recently Mr. Russell has been employed on a construction job on the naval plant at Corpus Christi. The Russells formerly lived in Tahoka.

OPENS SERVICE STATION

Tom Cloe opened the Rock Service Station a half a block south of square Wednesday morning.

Tom is well known to most people of the community, having been reared here and having worked for a number of years in grocery stores. Many friends wish him success in his venture.

Mesdames Lois Daniel and Helen Eubank spent last week vacationing out at Ruidoso.

Mrs. C. C. Ross, beautician, attended lectures and demonstrations on hair styling and related subjects in Lubbock this week.

Mr. and Mrs. Sam Holland are again residing in Tahoka after he had been employed in Fort Worth since April.

Mrs. A. H. McGonagill left Friday night for Point, Texas, to visit one of her sisters who is ill.

MORE WORKERS NEEDED

Mrs. H. L. Roddy has asked that we announce that the Red Cross Sewing and Work Room is still open each afternoon, except Saturday, from one to five o'clock.

A large amount of new material has been received and all women and girls who can do so are invited and urged to spend some of their time in this good work.

Mrs. A. A. Lawson returned today after visiting her daughter, Mrs. Lewis Ward and family in San Antonio, for about six weeks, her daughter, Mrs. R. B. Melton, and family in Crane for a few days. Mrs. Lawson declares that she likes the Plains best of all and hopes to be here a long time to enjoy this fine climate.

Elwayne Nevill of Randolph Field, San Antonio, spent the week end here with the home folks, Mr. and Mrs. J. L. Nevill and family.

If everybody bought at Lubbock, what kind of schools, churches, and other civic enterprises would we have in Tahoka?

Dan Daniel is here from El Paso to visit his mother, County Treasurer Mrs. Lois Daniel.

Harold Ramsey of Los Angeles, California, arrived last week for a visit with his parents, Mr. and Mrs. Blain Ramsey of West Point.

Norvell Redwine Wins Advancement

Norvell Redwine, son of Mrs. F. E. Redwine of this city, has been promoted from the Texas Highway patrol to the office of criminal investigator for the Texas Ranger department.

Redwine was raised in Tahoka and graduated from the local high school. His father was a peace officer here for many years. Norvell has been a member of the Texas Highway Patrol four years and one month, and has been stationed at Lubbock the past few months.

AUDITING BOOKS

F. W. Hallack and G. L. Todd of Washington, D. C. are here this week auditing the books of the Lyntegar Electric Co-operative. They are with the REA and are also auditing other electric co-operatives' books in this section.

Miss Anita Reddell, daughter of Mr. and Mrs. W. A. Reddell, has accepted a position as teacher of the second grade in the Hale Center public schools. She was recently elected to the Krum faculty, but decided to take the Hale Center job and was to begin teaching there today.

Mrs. H. F. Dietrich and daughter Frances, of Post, are here on account of the serious illness of her grandfather, T. E. Park.

IT PAYS . . . TRADE AT HOME

Spend your dollars in your home town and some of them will come back to you. Send them to the mail order house and they are gone forever.

Keep Up WITH EVENTS EVERY WEEK from THE NATION'S CAPITAL

Read PATHFINDER

PATHFINDER brings to you in words and pictures the drama of events fresh from Washington, D. C., the nation's capital, today the world's news center. News, features, and facts, events dolled down into 20 interesting, inspiring departments. Complete, unbiased, non-partisan, non-sectarian, dependable—gives both sides. Improved new features. World's oldest, most-read news weekly at one-fourth the cost of others. Furnishes clean, reliable reading for the entire family.

ODDS & ENDS

by Eee Eye,
the Elder

We people are funny folks. We never become very much excited or very enthusiastic over any declaration of general principles or of abstract truth.

It is when we undertake to apply these principles or when men grossly violate them that we get all "het up."

We may laud Americanism and denounce Nazism in general terms and as systems of government until we are black in the face, but nobody is going to take off his shirt and want to fight so long as we merely talk.

We have got to translate them into conduct, into overt acts, before they become real and meaningful to us.

What is Americanism? What is Nazism?

Americanism finds its expression in our system of government and in our way of life. Nazism would destroy utterly our system of government and our way of life.

Let us imagine that Nazism, Hitler's proposed New World Order, has supplanted our system of government in this country overnight, and that we woke up this morning

under a Nazi regime. And now let us see what happens.

A group of prominent citizens are standing on the sidewalk in Tahoka discussing the strange new Government that has come into power in Washington. Some of them defend the New Order and hope that it will bring about a veritable Utopia on earth. Others dissent, and they denounce it as an invasion of human rights that is intolerable and indefensible.

Pretty soon a man is noted taking down names; then he strolls away; and in an hour a heavily armored car rolls up to the curb and stops. Four heavily armed men step out. With them is the man who was seen taking notes. He also is heavily armed. It is a group of the Gestapo. The critics are promptly rounded up, placed in an army truck, and hurried off out of town. It transpires later that they were carried before a secret court in a near-by city, secretly tried and sentenced without the privilege of counsel, and then ushered off to a concentration camp. Whether they were shot or are confined in some frowning prison in some distant part of the country, even their families here in Tahoka do not know.

And on the same day of this episode, it is learned that hundreds of thousands of innocent, patriotic citizens all over the country were likewise arrested, tried, sentenced, and jammed into concentration camps in places far distant from their respective homes, and that many of them were shot for insubordination.

That is Nazism in action. That is what has happened a thousand times in Germany.

Under our system of government, no man is ever arrested for mere criticism of his government. It is only when he speaks treason in time of war or foments rebellion in time of peace, that officers are authorized to lay their hands on any citizen for criticism of his government.

Even then, he is tried on the charge in open court, represented by counsel, before a jury of his peers; and he is protected in every right guaranteed to him by the Constitution and laws of the state and nation.

That is Americanism in action.

On the very next day a decree is issued from the American Hitler who holds the power of life and death over every citizen of this country that no person, on penalty of imprisonment or death, shall listen to any broadcast over the radio emanating from any country hostile to the autocrat in power.

By a like decree, all newspapers are put under a ban. Thousands of them are summarily put out of business. Editors and publishers of others are ousted and government controlled men placed in charge.

Every newspaper must publish such "news" as the government demands and no newspaper shall publish anything hostile to or critical of the government.

The press and the radio must be used solely in the interest of the powers that be, and no newspaper and no radio shall carry criticism of the autocrats in power.

Freedom of the Press! Bah! That has no place in any Nazi regime. The press must be submissive or be suppressed.

And so the people of Tahoka and of the nation under this new Nazi regime are reading only such news and propaganda and lies as the government dictates.

That is Nazism in action. That is the situation in Germany today.

Shocked and stunned by the events of the past week, the people meet in their respective churches on Sunday to worship God in their accustomed way.

A preacher prays that God in some way may free the people from the grip of the autocrat and the military leaders who are imposing these restrictions upon them. A spy is in the audience and hears the good man's humble prayer. He reports to the higher-ups, and before the next Sunday the Gestapo take charge of that preacher and nail up the doors of that church.

This is Nazism in action. Hundreds of preachers in Germany have been thrown into prison and the doors of hundreds of churches have been closed.

In fact, the Bible has been condemned by Hitler as the work of detested Jews and the Christian religion denounced—as unsuited for German purposes, and Hitler a few years ago undertook to devise an entirely new religion for the German people. Freedom of religion is taboo. It can not be tolerated under Nazism. Hence an effort has been

made to destroy the Christian religion in Germany, and the devils in power seem almost to have succeeded.

But this new Nazi government over here in this country of ours must look out for the future. It must train up the children to be Nazis.

Accordingly, by a decree of the Fuehrer, all the teachers in the public schools that are hostile to or lukewarm toward the new regime are speedily weeded out. Only the willing tools of the New Order must be allowed to teach and to train the children; and they must teach the children that the Government is everything, that it is and should be all-powerful, that the individual citizen has no rights that the Government must respect, that every other institution, every school, every church, every hospital, every business concern, every factory, every newspaper, every home, every individual, must be wholly and constantly under Government supervision and control; that the blatherings of such men as Jefferson and Wilson and Roosevelt about the rights of individuals and the rights of weaker nations are mere bosh. Might makes right, and the powerful must rule with an iron hand; only by adherence to that doctrine can any people become a strong people.

So, the text-books that contain allusions to liberty, and independence, and the rights of men are thrown out the window, and only text-books that teach Nazism or that fit into the Nazi regime are being taught in our schools.

This is Nazism in action. The schools of Germany have been radically reorganized and transformed into hot-beds of Nazi instruction. Christianity is being scoffed at, democracy is being ridiculed, individual rights of the citizen denounced, the government and especially the head of the government constantly exalted and lauded.

But an election is supposed to be coming on; what will the people have to say about the policies of the government and the men who are directing its affairs at this election?

Humph! What place has an election in a Nazi regime? An order is issued prohibiting the holding of any election. Soldiers are stationed in every city, town, and hamlet on election day to see that no election is held. The right of men to vote and to exercise a voice in their government has been abolished. No election shall ever be held except such as the Fuehrer himself may order, upon occasion, to suit his own purposes.

So, no election will be held in Tahoka nor anywhere else in this country this year nor next year nor any other time unless the Fuehrer orders one.

That is Nazism in action. Elections in Germany are a thing of the past.

Americanism, on the other hand, is expressed in the slogan, "Government of the people, by the people and for the people"; founded on that great dictum contained in our Declaration of Independence that governments derive their just powers from the consent of the governed.

So, under Nazism, not only are elections prohibited and the people denied the right to choose their own public servants, but even the Congress which they established in a Constitution written and adopted many years ago is prorogued by decree of the dictator, for one day, when it seemed inclined to disobey his will and hesitated to ratify something he had done, he ordered it to adjourn, and adjourn it did, and that quickly. It will be called together now and then to ratify some act of the dictator in order to give a semblance of its support and to impress the world with the unity of the nation, but as a matter of fact it will exercise no more independent authority than a flock of lambs would have in the presence of the big, bad wolf. The right of government through chosen representatives of the people has been abolished. The Fuehrer is the Government.

And this again is Nazism in action.

We could go on and on, folks, with these concrete examples of Nazism in action, showing by contrast the meaning of Americanism and Democracy, but this should be enough to fire our determination that Hitler shall never plant his legions nor his swastikas anywhere on the Western Hemisphere.

The best way to keep him out of this Hemisphere, it occurs to us, is to stop him before he gobbles up everything in the Eastern Hemisphere.

We are in favor of stopping him in his tracks right where he is, if it can be done; aren't you?

B FOR BEAVER

Australian Seadogs, Fresh from Battle, Sprout Elizabethan Beards

AUSTRALIA'S small but tough navy of six cruisers and numerous smaller vessels plays an important part in the Allied struggle to hold the Mediterranean. Returning here to their ship are bearded sailors of the H.M.A.S. Perth, which earlier had fought in the Battle of Matapan and helped inflict losses of at least three cruisers and one destroyer on the Italians. The Perth, like most Australian ships now in service, was bought from England before the war, but Australia's shipyards have recently been expanded and are now turning out destroyers and anti-submarine patrol boats for both the Australian and British Navies.

HUNTERS: HERE ARE THE DOVE HUNTING LAWS

Austin.—Labor Day ushered in the dove hunting season in North Texas and to save mental labor hunters are advised to paste this primer in their hats:

There are two types of doves—mourning and white-wing.

Texas has two principal zones—the North and the South—with varying regulations.

The North zone includes Yoakum, Terry, Lynn, Garza, Kent, Stone-wall, Haskell, Throckmorton, Young, Palo Pinto, Parker, Johnson, Ellis, Kaufman, Van Zandt, Rains, Hopkins, Franklin, Red River and all counties to the north of these.

The rest of the state composes the South zone.

Look at a map and you will get the picture.

For mourning doves the North zone season opens Sept. 1 and continues through Oct. 12. Shooting hours are from 7 a. m. to official sunset—daily.

In the South zone the mourning dove season runs from Sept. 16 to Oct. 27, inclusive. The white-wing season runs from Sept. 16 to Sept. 25, inclusive. Shooting hours are the same as for mourning dove, 7 a. m. until sunset.

Bag limit for dove—not more than 12 per day and not more than 12 in the aggregate of both mourning and white-wing doves in any one day or in possession at any time.

VISITORS THRILLED BY THE PLAINS

Dr. Andrew Woods and little daughter Patricia of Jefferson, that famous old Texas town of the piney woods, and his brother, Kenneth Woods of Plainview, spent Sunday afternoon and night with their uncle Harry Woods and family a few miles east of Tahoka. Dr. Woods and daughter went back to Spur Monday, where they were to be joined by Mrs. Woods, and to proceed from there to marvelous Carlsbad Cavern.

Reared in Bell county and now practicing medicine in Marion county, Dr. Woods had never before seen the plains, and it is said that he was thrilled by the richness and peculiar beauty of the country.

It pays to buy in your home town.

Houston's Speeches Being Published

Austin, Sept. 4.—Lest we forget—colorful Sam Houston also served in the United States Senate.

That chapter in the life of the hero of San Jacinto—not so well known as his military exploits, nor as his presidency of the Republic of Texas—is told in Volume V of "The Writings of Sam Houston," just off the University of Texas Press.

Compiled and edited by Dr. Eugene C. Barker and Dr. Amelia W. Williams, University historians, the volume covers the major portion of Houston's fourteen years of service in the Senate, including his efforts in 1850 to retain Santa Fe, New Mexico, as a part of Texas. His senatorial speeches are also embraced in the book.

O'DONNELL CLUB GIRL GOLD STAR WINNER

The gold star club pin was awarded Sara Dean Archer of O'Donnell at the county-wide 4-H Club picnic here in the City Park last Thursday. This pin, a symbol of the best club work in Lynn county, was given by the A. & M. Extension Service, with Miss Maurine McNatt making the presentation. Sara Dean gave a short history of her three years of club work which led to her award. She gave a report, also, of this year's Short Course at A. & M. College which she, in company with Ruby and Billy Greer of Grassland and Wanda Jean Tyler and Reba Watson of Wells, attended.

Following a picnic lunch and a social hour in which Geraldine Frazier of Tahoka led the songs and Maxine Lindly of T-Bar directed the games, Miss Maurine McNatt gave two demonstrations. One of these, that of making costume jewelry of native materials, will be helpful to the girls in their wardrobe work. Miss McNatt used melon seeds for her demonstration. The other demonstration was especially helpful to club members who are conducting productive demonstrations, that of making grape cuttings so that each girl may start fruit production at home.

Hostesses for this event were: Bonnie Harrison of Garnolia, Lois Dean Jester of New Lynn, Delilla Carrol of Petty, Wilma Doris Crews

CHILD LABOR LAW WARNING IS GIVEN

Austin.—Under terms of the child labor law it will be unlawful after Sept. 1 to employ any child under the age of 15 without a work permit issued by a county judge. State Labor Commissioner John D. Reed has announced.

Exceptions are children working on farms, ranches, dairies or other agricultural or stock-raising pursuits.

Reed said county judges could issue work permits to children between 12 and 15 years of age if their earnings were necessary for their own support, mothers when widowed or in needy circumstances, invalid fathers or other children younger than the child. The applicant must have completed the fifth grade, however.

Mr. Hamlin of Big Spring was down Sunday to inspect the locker plant. He is to install a plant in Big Spring soon.

Mr. and Mrs. Hubert Davis of Floydada spent Sunday here with his mother and sister, Mrs. W. L. Davis and Mrs. Beulah Atkins.

Mrs. Jim Smoot of Moran came Sunday night for a visit with her aunt, Mrs. W. L. Davis, and daughter, Mrs. Beulah Atkins.

of New Home, Mildred Flint of West Point, Jimmie Phillips of Midway, Mary Gene Luttrell of Draw, and Bobbie Webb of Newmoore.

When a Child Needs a Laxative!

Your child should like this tasty liquid laxative and you should like the gentle way it usually wakes up a youngster's lazy intestines when given by the simple directions.

SYRUP OF BLACK-DRAUGHT contains the same principal ingredient which has enabled its older brother BLACK-DRAUGHT to give so many users such satisfying relief for so many years!

Perhaps that's why it usually gives a child such refreshing relief when the familiar symptoms indicate a laxative is needed.

SYRUP OF BLACK-DRAUGHT comes in 2 sizes. The introductory size is 25c; the economy size is 50c.

Broadcast by Mary Lee Taylor, Sept. 4, 1941

No. 2 can sliced pineapple 1/4 cup Fat Milk
1 package straw-berry-flavored gelatin 2 cups cooked rice
1/4 teaspoon salt

Drain pineapple and save juice. There should be 1 1/4 cups juice. If not, add water. Heat juice to boiling point. Add gelatin and stir until dissolved. Cool thoroughly, then stir in milk. Chill until mixture begins to thicken. Rub with vegetable oil 6 individual molds. Reserve 6 slices pineapple. Chill. Dice remaining slices and mix with rice and salt. Whip chilled gelatin mixture with rotary egg beater until light and fluffy. Fold in rice mixture. Put into prepared molds. Chill until firm. To serve, turn out on slices of pineapple.

*You will need to cook 1/2 cup rice in 4 cups boiling water to make the 2 cups.

Possum Kingdom New Recreational Area For State

West Texas has a new play ground—a recreational area covering 40,000 acres unequalled in beauty by any section of Texas outside of the Big Bend territory. The rugged hills, the timber growth, the canyons and the tortuous bends of the mighty Brazos river in Young, Stephens and Palo Pinto counties have always been recognized for their scenic beauty.

However, it took the creation of the 28,000 acre Possum Kingdom Lake to turn this section into a play ground for fishermen, boatmen, swimmers, nature lovers, dude ranchers and what have you.

On March 21, 1941, final openings in the 152-foot high Possum Kingdom Dam were closed and the early summer flood waters filled it many months ahead of schedule and to the delight of all who have seen it the red waters of the Brazos quickly changed into the clearest of lakes.

Follow the main meanderings of the lake and you have travelled 67 miles from headwaters to the dam. Explore its rocky and mountainous shoreline, and your boat will go 310 miles. Drop your fishing tackle near the Dam and it will sink 140 feet. In some spots, you can stand on the front porch of your cabin and cast into water 100 feet deep. Hundreds of inlets and many major creeks are already teeming with the millions of fish planted there by the Texas Game and Oyster Commission under whose direct control the fishing activities come. (The Lake is closed to fishing now but will be opened in less than 18 months.)

Of major importance is the 6,500 acre Possum Kingdom State Park. Two separate peninsulas face each other. One is formed by Caddo and Cedar Creeks, while the other is the result of a 15-mile bend in the Brazos river. The area is characterized by high mountains, beautiful bodies of water, beaches and timber. Its development is under the joint sponsorship of the National Park Service and the Texas State Parks Board.

The Dam is about equidistant from Graham, Breckenridge and Mineral Wells. The same holds true for the State Park. From the Dam the lake takes a northwest direction, reaching into the city limits of Graham. Both Breckenridge and Mineral Wells are as near as 18 miles to lake water. Olney is 25 miles. State and county highways are being built

Chemical Union Buys \$50 Bond

(From O'Donnell Press) Members of the local A. F. of L. Union, American Allied Chemical Workers, voted the purchase of a \$50 Defense Bond at a recent meeting.

The union, which has been organized for about six months, has about forty members made up from workers of the O'Donnell and Brownfield plants.

ELDER DRENNON'S NOTES

After reading Editor Hill's note on my notes, also Brother Jack's shot at us both, I was made to wonder if editors in general realized the wonderful influence they have in moulding sentiment. I do not know of any class of men who are doing more to influence the thinking of the public than they. So, gentlemen, I am going to do a little preaching to you.

Be very careful about the stand you take on the issues of the day. I do not mean that you shall not speak your mind, but don't forget about the aftermath of your sowing. I think you have a better chance to bring about changes for the better than the preacher, because you have a bigger audience, and the pen is mightier than the voice. So, pray over your editorials before you turn them loose. I am serious about this. You may not care for this sermon, but think on it at least.

I appreciate Odds and Ends of this last week; it brought back sweet memories to me. One thing the editor did not mention that I think was fine. Many of the teachers of that day opened school with a religious song and the Bible read. O, the influence of the teacher. One teacher of mine did me more good in the moral lessons she taught than the literary lesson she gave.

Wife was talking this morning about our silver anniversary, which will be the seventeenth of this month. It has been a pleasant twenty-five years together. I will not say, as a lady said to me at Brownfield, that she and her husband had never had a cross word, but we have got along together above the average, I think. I wish our young people would make up their minds when married to live together until death separated them.

I think the record of long service rendered Uncle Sam by our old friend Suddarth was good. And there is a lesson in that for our young men, that of stickability. Too many do not stay with a thing until they see it through.

But I guess I have preached enough for one time, so "so long to everybody."—R. P. Drennon.

Ed. Note: Congratulations, Brother Drennon, to you and your good wife on approaching your silver wedding anniversary. Here's hoping that you both continue to live happily and usefully until you reach your golden wedding anniversary. As for editors, it seems that you have their influence over-rated. We surely do not have the influence that you think. Sometimes we feel that we have none at all. Take your case respecting Brother O'Daniel, for instance. We have been hammering away several years and have not even made a dent. But we can say this: Whether we have any influence or not, we certainly do get a lot of criticism and plenty of advice. Somebody is continually trying to convert us to their way of thinking and trying to show us the error of our way. Some of the more devout

into the area as rapidly as possible. Applications for permanent camp sites are being received. Nothing will be overlooked in making this into an accessible vacation ground for all West Texas and Southwest Oklahoma.

While good views may be had of the Dam, visitors are not allowed in the giant power house or the inside parts of the structure. The production power is scheduled to boost the supply for national defense and later, go into thousands of Texas farm homes.

BREAK!

Passed by Censor

SERGEANT-MAJOR (Top Sergeant in the American language) H. J. Clare of the Canadian Active Army got a real break when an Ottawa debutante asked him to show her how to put on a gas mask during one of Canada's Army days which are special weekends when visitors are allowed to inspect the many military training camps in the Dominion. Canada now has about 575,000 men in uniform in all branches of the service abroad and at home and these forces, no matter where serving, are equipped and maintained at the expense of the Canadian people.

MISS ELIZABETH SERVER WEDS HASKELL MAN

Marriage rites were read for Miss Elizabeth Server of this city and Mr. Eugene Rose of Haskell by Elder Collins in the study of the First Church of Christ in Lubbock on Wednesday night of last week, and the couple departed soon thereafter for Los Angeles, California, where Mr. Rose is employed in an airplane plant.

Mrs. Rose was reared at Rochester, in Haskell county, but for the past several months she has been employed as a beautician in Minnie's Beauty Shop here. She is a niece of P. D. Server and a cousin of Miss Hattie Server of this city.

The bride made many friends during her brief residence here, who wish her every happiness.

Mr. and Mrs. C. A. Roberts, enroute to their home in Mojave, California, from Overbrook, Kansas, spent Sunday night with his sister, Mrs. Paul Howell, and family. They were accompanied by Mrs. Roberts' parents, Mr. and Mrs. D. W. Barrett, whom they had been visiting.

Even seem to feel that they are the Heaven-appointed keepers of our consciences. Nevertheless, most of us are so dumb and so stubborn as just to keep going stumbling along our way doing the best we can and doing right as we see it. Hope you have a most pleasant and happy silver wedding celebration, Brother Drennon.

Air Field Work Order Is Let

Lubbock, Sept. 4.—The official work order by which contractors will formally and intensively begin construction on the \$4,000,000 army air corps training school near here, has been received along with assignment of a priority number that will allow contractors to secure materials under the national defense emergency act.

Actual contract for the completed project as approved is \$3,973,336. The work order includes all construction except runways, and contractors were informed this should be in their hands soon. Runways are to be of 3-inch asphalt on a 9-inch caliche base instead of concrete as originally planned.

Formal notice was given contractors that they must complete the project in 120 days from August 26, subject to a penalty of \$1,000 per day beyond the 120 days.

Actual construction, preliminary to the formal order, has been under way for some time, with approximately 850 men now at work. Number of workmen will be stepped up, depending on receipt of materials, to a peak of 2,500 to 3,000 men, contractors said. Carpenters began this week working on a 9-hour, 6-day week basis, with time and a half beyond eight hours daily.

Contractors are: C. S. Lambie & Company of Amarillo, and W. S. Moss and W. G. McMillan of Lubbock, builders; Holland Page of Austin, utilities, paving and grading; Broome Electrical Construction company, electrical work; and R. K. Landreth Plumbing company, the plumbing and heating.

Meantime, plans are moving forward here for construction of approximately 200 dwelling units for use by officer personnel who will want accommodations for their families on opening of the school.

TWO NEW TEACHERS NAMED AT O'DONNELL

(From O'Donnell Press) The names of two new teachers were added to the teaching staff of the O'Donnell system this week, and plans for the opening of school Monday are fairly complete.

Ira Redkey of San Angelo was named to the post handled by J. M. Alderson last year in high school and Miss Lillian Trice of Stephenville to teach the fifth grade, succeeding Miss Mary Paul Long, resigned.

Assignment of school bus routes are as follows: Joe Bailey, Lefty Melton; Newmoore, Joe Rogers; Mesquite, Melvin Isaacs; OK, Carl Reavis.
