## Tahoka Plays Post Tonight, Brownfield Here Next Thursday

### Game At Post Starts At 8 O'Clock Fans Are Going

Tahoka's 1941 football season comes to a close within the next seven days, the Bulldogs meeting Post at Post tonight at 8 o'clock and conference-leading Brownfield comes here next Thursday afternoon at 2:30 o'clock.

Tahoka might be a slight favorite over Post tonight if the game were played on a neutral field, but, with the game being played in the Antelope's home stadium, the game may be a closely contested affair.

Post's season record follows: Lubbock Cowhands 6, Post 0; Ralls 18, Post 12; Seagraves 31, Post 18; Seminole 13, Post 0; Slaton 7, Post 0; Post 33, O'Donnell 0; Denver City 24, Post 12.

Tahoka has a much better record, having four victories to its credit, whereas Post has only the one: Lamesa 33, Tahoka 0; Andrews 12, Tahoka 24; Lockney 0, Tahoka 26; Borger 32, Tahoka 0; Seminole 21, Tahoka 13; Seagraves 6, Tahoka 2; Denver City 6, Tahoka 27; O'Donnell 0, Tahoka 46.

Coach Jackson's Bulldogs will be playing minus the services of another lineman, W. A. Fulford, who is out with an injured shoulder, the injury having been received in practice Wednesday. He will be replaced, however, by Bill Woods, a scrappy tackle.

(Continued on Back Page)

## Tahoka Smashes O'Donnell 46 to 0

Tahoka Bulldogs completely outclassed the O'Donnell Eagles in the annual football game between the two teams, played at O'Donnell last Friday night under the lights, the final score being 46 to 0. A fairly large crowd witnessed this last game of the season for O'Donnell, at which the school queen was crowned. Tahoka plays two more games, Post at Post tonight, and Brownfield here next Thursday afternoon.

Tahoka scored almost at will over the hapless Eagles, and every boy in uniform played in the game.

Opening the game, Tahoka kicked off to O'Donnell, but failing to make first down, the Eagles kicked, and Tahoka marched down to pay dirt on its first offensive. Curry plunging over. McClintock kicked. Score 7 to 0.

The big Tahoka fullback, Cecil Curry, ran rampant from that time on, crossing the goal line for five of the seven touchdowns. The other two were made by Quarterback Roberts and Halfback White. McClintock kicked four extra points. Each of the backfield men, particularly Roberts, McClintock, Wells, Driver, and White, carried the ball for many long gains, although Curry did most of the scoring.

In the line, Horace West and Jim Bob Curry, ends, the Harvick boys, Werner Shaffner, Bill Barham, W. A. Fulford, E. L. Short, J. D. Davis, Bill Woods, Leonard Wardlaw, and Island Mitchell, were outstanding for Tahoka.

At half-time, a colorful show was presented by each school. Tahoka's band marched down field, turned about-face and stood at attention while the band's three mascots, David Hamblen, Nancy Jane Nowlin and Phyllis Anne Fielder, marched up field. This was the first appearance at a game by the mascots, who had been selected by vote of the band students.

The colorful O'Donnell pep squad pranced onto the field, followed by the football team carrying a large imitation football, from which burst Miss Margaret Sue Goddard, who was crowned football queen by the captain. Also honored was Miss Maurine Cathey, pep squad sponsor. Many Tahoka fans attended the game.

## Rev. Gray Tells Of European Visit

Dr. W. Bristow Gray of Lubbock, pastor of the Presbyterian Church here, was the guest speaker at the Rotary luncheon Thursday. His address was one of the best that the Club has heard recently. He gave a breezy report of a trip he made some years ago to the Holy Land and the countries bordering the Mediterranean. Both humor and pathos characterized his recital of his experiences and observations made on that trip.

His resort to sign language in making himself understood by peoples who did not speak English as recited by him brought much amusement to his listeners, while his portrayal of the poverty of the people and the pitiable condition of many of the children in those countries was most pathetic.

Of course he also had some pertinent things to say concerning the war now raging, calling attention to the fact that Rotary clubs had been suppressed in every Axis-controlled country. The reason is that Rotary principles do not fit into the Nazi or Fascist scheme, he said. Its motto, "He profits most who serves best", does not comport with dictatorships. It has its origin in the teachings of the Galilean, he said.

At times eloquent, his address was interesting from the first word to the last.

Visitors present included Steve Debnam of Midland, H. E. DinKins of Amarillo, and a new citizen of our town, Sid Evans, pharmacist at the Tahoka Drug.

Other visitors were Mrs. R. P. Weathers, Mrs. Beulah Pridmore, Miss Lou Verne dePriest, and Mrs. Harley Henderson.

The luncheon was served by the ex-students of the Tahoka High School.

## Arrange District Cage Schedule

Coaches and school officials from schools in the south half of this district met Wednesday night at the Tahoka High School building at 7:30 o'clock to make out the official 1941-42 conference basketball schedule for boys teams.

Schools represented at the meeting were Seminole, Seagraves, Denver City, Post, Brownfield, O'Donnell and Tahoka.

The official schedule is as follows: Dec. 18 Tahoka-Seminole (There). Jan. 2 Tahoka-Seagraves (Here). Jan. 6 Brownfield-Tahoka (Here). Jan. 9 Post-Tahoka (There). Jan. 13 Denver City-Tahoka (There).

Jan. 16 Tahoka-O'Donnell (Here). Jan. 20 Open. Jan. 23 Tahoka-Seminole (Here). Jan. 27 Seagraves-Tahoka (There). Jan. 30 Brownfield-Tahoka (There).

Feb. 3 Post-Tahoka (Here). Feb. 6 Denver City-Tahoka (Here). Feb. 7 Tahoka-O'Donnell (Here).

## Two Tahoka Boys Go To Kelly Field

Two more Tahoka youths have gone to Kelly Field, San Antonio, to train for service in Uncle Sam's air corps.

Robert Spikes, son of Mr. and Mrs. Houston Spikes, and J. C. Womack, son of Mrs. Martha Womack, who has been making his home with Mr. and Mrs. Garland Pennington, left Monday for Lubbock, where they joined a number of other youths coming from various counties of the South Plains, left that night for Kelly Field.

Robert and J. C. have been accepted as cadets at this army air field. J. C. is a graduate of Tahoka high school and both he and Robert have been students in the Texas Technological College. Both have excellent records, are industrious, and their many friends here are expecting them to make good.

## DRAW BEATS WILSON MUSTANGS 34 to 6 AT DRAW

Among football games played on Armistice Day we understand that the Draw Longhorns achieved a 34-6 victory over the Wilson Mustangs, the game being played at Draw, and largely attended.

## Fair Weather Permits Gathering of Big Crop

### County Wide Program By PTA

The Tahoka Parent-Teachers Association will be host to the entire citizenship of Lynn County at 7:30 o'clock on Monday evening, November 17, in the High School auditorium.

The program for the evening is as follows:

Band Concert, under direction of John Hamblen.

Invocation, Elder Garnie Atkinson.

Welcome, Mrs. Fred McGinty.

Reading, "What Our P. T. A. Has Done", James Cleave Barrington.

Report of the Parent-Teacher convention at Austin, Nov. 4-6, Mrs. Fred McGinty.

Vocal Number, "Let Me Walk With The Men in the Road."

Address, "Is Education Meeting The Needs of Our Youth", Supt. W. T. Hanes.

Congregational Singing, "Keep Your Eyes Upon the Objects".

Announcements.

Benediction, Rev. J. L. Lawrence.

At the conclusion of the evening's program representatives from the different Parent-Teacher Associations of the county will meet to discuss the organization of a County Council of Parents and Teachers for Lynn County.

### Cotton Warehouse Will Be Built

The ground is being prepared for the construction of a new cotton warehouse for Lynn County Warehouse company this week. The 60 by 166 foot corrugated iron building will be built north of the Post highway near the railroad.

The company, whose members are R. W. Fenton, Jr., Jack Fenton, and Irvin Stewart, is adding the extra warehouse to take care of the Government loan cotton.

## W. M. Hicks Dies, Burial Is Today

Funeral services are to be conducted at 3 o'clock this (Friday) afternoon at the Church of the Assembly of God in south Tahoka for William Monroe Hicks, 75, who died at his residence near the southern limits of the town at about 1:15 o'clock Wednesday afternoon. He had been in ill health for some time and seriously sick for two or three weeks.

Residing with him were a daughter, Mrs. May Finley, and a son, Roy Hicks. Two other sons survive, Vernon Hicks of Sugarland, Texas, who was expected to be here for the funeral, and Arnold Hicks of Oklahoma City. Five daughters survive: Mrs. Finley, Mrs. Pearl King of Durant, Oklahoma, Mrs. Annie Campbell, who resides near the county line between Wayside and Woodrow, and Misses Pauline and Dimple Hicks of Oklahoma City.

Mr. Hicks had been married twice, his first wife dying about 1916. Later he married again, and the children residing in Oklahoma City are the children of his second marriage.

Mr. Hicks had been a resident of Tahoka for a little more than a year, coming here from Sugarland. He had been in ill health most of the time and had not made many acquaintances here. His son Roy had come to Tahoka from Whitney only a few weeks ago.

Funeral services will be conducted by Rev. Adams, pastor of the Assembly of God church, and burial will be under the direction of a Lubbock funeral home.

### One-Third Of Crop Believed Ginned In Lynn County

With 5,465 bales ginned at the five plants in Tahoka up to 1:00 o'clock Thursday afternoon, some farmers and dealers who keep a close tab on the crops were estimating that around a third of the crop had been harvested.

Some believed that the crop will not be quite as large as some of the early estimates but at all events it will be much larger than the average; and at prevailing prices it will bring bushels of money to the farmers of Lynn county.

The continued sunshine is causing the late bolls to open and is having a bleaching effect on the cotton that had opened before the rains ceased. The grade of the cotton being ginned now is somewhat better therefore than the first ginnings.

The weather has been very fine for the past ten days, and the crop is being gathered rapidly. Most of the gins of the county are far behind with their ginnings. Thousands of Mexicans, many Negroes, and quite a few whites are in the fields gathering the crop.

Much more cotton has been ginned during the month of November already than was ginned during the entire month of October. Only 7,988 bales had been ginned in the entire county prior to November 1, according to the ginner's report released by the Bureau of the Census a few days ago. It is estimated that 22,000 to 25,000 bales have been ginned up to this time. These estimates, of course, are not official, being made by mere private citizens, but they are believed to be approximately correct.

In Tahoka, the five gins have turned out 2,125 bales since our report last week, the figures at that time being 3,340; now, 5,465.

## Union Compress Is Being Enlarged

Work started this week on a large addition to the Union Compress, and Warehouse, owned by Arch S. Underwood of Lubbock and managed by E. R. Edwards.

The addition will be 145 by 150 feet in size and will be added to the north end of the building, extending north from the press. The new addition will bring the main building to a length of 600 feet, while the width remains 145 feet.

The compress recently completed an office building on its premises for the use of cotton buyers. These offices are now occupied by Harley Henderson, T. D. Stuart, Tom Paris, and Mack Williams.

The compress was built here about two years ago.

### EASTERN STAR MEMBERS VISIT LEVELLAND

A special Eastern Star program at Levelland last night was attended by the following members of the Tahoka Chapter:

Mesdames W. T. Hanes, W. M. Harris, H. L. Roddy, W. O. Robertson, Jim Burleson, H. B. McCord, Levi Noble, J. K. Applewhite, E. I. Hill, and Miss Lucille Hall.

Mrs. Ralph Bailey of Brownfield, the former Miss Virginia Sanford, has been here this week visiting her parents, Mr. and Mrs. Sam Sanford.

33 SHOPPING DAYS TILL Christmas

## Garrard's Sell Fine Hereford Bull Calves

Mr. and Mrs. Tom Garrard Tuesday sold 14 Supreme Advance Domino 14th bull calves to J. E. Parker, Odessa. These were all of their 1941 bull calf crop.

J. E. Parker is operator of one of West Texas' larger ranches, his pastures lying in Ector and Andrews counties. He and Tom are friends of many years standing, the two having been neighboring ranchmen for many years.

Mr. and Mrs. Garrard have some of the finest Hereford cattle in this section, and their stock brings a neat price from other breeders.

### Crop Insurance Next On Docket

COLLEGE STATION, Nov. 12—Cotton crop insurance is the next big issue for Texas farmers, according to Donald L. Cothran, state cotton insurance supervisor.

Taking precedence over cotton insurance this fall have been rush orders for 1942 special allotments for Food-For-Freedom pledges throughout the state, Cothran explained.

When increased production of the national defense program were called for, county AAA offices faced the gigantic task of issuing 1942 cotton, wheat, rice, peanut and Irish potato allotments to Texas farmers by Nov. 1. Special allotments under AAA farm programs usually reach farmers by early spring. Cothran pointed out that all decks had to be cleared for Food-For-Freedom pledges which got underway in Texas Nov. 1.

County listing sheets establishing preliminary crop yields and preliminary rates are being received in the

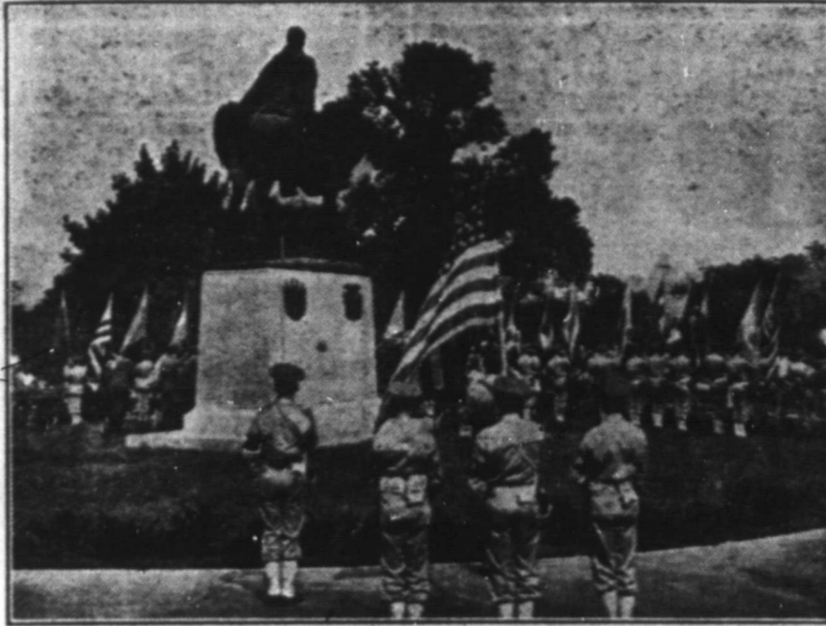

Mr. and Mrs. Loyd N. Conwill and Mr. and Mrs. Sam H. Holland made a trip to Comanche county Sunday. They had a short visit with Mr. and Mrs. F. M. Billman, whom they report to be getting along fine. Joe Bob Billman had left last Friday to enter Navy training at San Diego, California.

If a feeder lamb gets stiff or bloated give it a four ounce syringe of mineral oil. Exercise also will help the bloot.

state office with more expected shortly, the insurance supervisor explained.

After county data have been approved in the state and regional crop insurance offices, Texas cotton farmers will be in position to take out insurance on next year's crop, he said.

Under the program, cotton farmers may insure 75 percent or 50 percent of their established yields against all unavoidable hazards. Total losses will be paid when they occur and partial losses after picking, Cothran explained.

Massing the colors at the statue of Simon Bolivar in Central Park, New York City, during the recent celebration of the 158th anniversary of his birth.

HARLEY SADLER

### Harley Sadler Is Coming Monday

Harley Sadler and his popular Stage Show will be in Tahoka Monday, November 17, 18. Their appearance will be for 2 nights only. They are showing under the auspices of the American Legion. For something like twenty-five years this popular stage show has been playing this section and they are always welcomed by everyone because they present clean, wholesome family entertainment, and at popular prices.

Harley announces that everything will be new for this engagement, new plays, new vaudeville, and outstanding musical presentations. "Wake Up America" is the title of our latest musical presentation and is said to be the most elaborate and pretentious ever presented by the Sadler Company. It has a patriotic motive and goes in for George M. Cohan flag waving, but as Mr. Sadler states, "This is something that is appreciated by all during these times."

The doors are open at 7:15 P. M. The musical presentations will begin promptly at 8:10 P. M. The play and other vaudeville will follow.

Prices: Children 10c, Adults 30c. Reserved seats 10 and 20 cents extra. Federal tax included.

#### IT'S YOUR LIFE!

Enjoyable driving means competent driving!

The competent motorist:

1. Drives at speeds safe for conditions.
2. Exercises control at intersections.
3. Stays in line of traffic
4. Anticipates what others may do.
5. Observes traffic when pulling out from the curb.
6. Turns correctly and from the proper lane.
7. Keeps safe distances behind other vehicles.
8. Avoids passing other vehicles on hills and curves
9. Yields the right of way for doubtful situations.
10. Gives proper hand signals.
11. Extends courtesies of the road to drivers and pedestrians.
12. Maintains his car in good condition.

It's your life . . . Why not preserve it?

2way help for WOMEN

POPULAR FOR 61 YEARS!

See Directions on Label

practices, the AAA official explained.

As in previous years, payments under the program depend upon the \$500,000,000 annual appropriation authorized in the AAA Act of 1938, Rennels said. Rates are subject to 10 percent upward or downward revision depending upon the degree with which farmers comply with the program.

Instead of total soil-depleting allotments as established under past programs, next year's program provides a specified percentage of cropland be devoted to erosion-resisting or soil-conserving crops or land uses. This provision of the program is a forward step in continued soil improvement, Rennels pointed out.

To meet Food-For-Freedom goals, Texas farmers should plan their conservation program in line with defense needs, he said.

Home accidents are the eighth most important cause of deaths in the United States and are responsible for about 32,000 deaths and 4,700,000 disabling injuries each year.

"Five mornings a week, nine months a year, we mothers of Texas get our children ready for school."

"In our home and a million other Texas homes, that's one of the first and most important duties of a mother's day. Sometimes Dad finds out what a job it is when he has to do it by himself."

All of us want our children to have the best education possible. Most of us look to the public schools for this.

Fortunately, Texas has the best public schools in the South. Helping to build and operate them is the Texas petroleum industry which pays 24 million dollars a year in taxes for school purposes.

These petroleum taxes pay an average of one-fourth the cost of educating our children. Altogether, they meet the entire expense of schooling nearly 400,000 Texas boys and girls.

In addition, oil has contributed substantially to the 70 million dollar permanent school fund. Oil is also responsible for much of the 30 million dollar permanent university fund, which has made possible the expansion of the University of Texas and A. & M. College.

Furthermore, taxes on petroleum products add another 11 1/2 million dollars a year for the schools of our State.

Our children get a better education today because of the Texas petroleum industry.

### Aggie Boys Will Exhibit Fine Hogs

By RUBY NELL SMITH  
Lynn County boys winning a hog in the contest sponsored by Sears, Roebuck and Company the past spring, will have their animals on exhibit in a pen Saturday on the vacant lot south of Applewhite Implement Co.

There are four boys in Lynn County that will enter their animals in this show. The two boys that are under the supervision of Leslie Browning are Walter Grist at Wilson and W. W. Hall at New Home. The winner of the show will enter the show at Lubbock for selection of the grand champion. Prizes to be awarded in each county by the sponsoring firm are first prize, one registered boar pig, second, 75 baby chicks and third, 50 baby chicks. Each boy that has made a creditable showing with his pig will receive 50 baby chicks.

### Texas Has Six On Advisory Board

COLLEGE STATION, Nov. 13.—Texas furnished 6 out of the 16 members of the Cotton Advisory Committee which met November 3 in Washington, D. C. to work out policies for the operation of the cotton loan program.

Texas members were: Will Porter, Caldwell, representing farmers; B. L. Anderson, Fort Worth and R. D. Ernst, Houston, representing warehouses and compresses; Marc Anthony, Dallas, representing shippers; Fred Florence, Dallas, representing lending agencies; and Will Clayton, Houston, representative at large.

The committee met at the request of the Commodity Credit Corporation of the U. S. Department of Agriculture. Future meetings will be held as occasion demands.

### ADDITIONAL REPORT OF RED CROSS WORK MADE

Mrs. H. L. Roddy has made the following report, in addition to the one she made last week, respecting Red Cross work here.

These names, Mrs. Roddy reports, were left out unintentionally last week: Mrs. W. T. Hanes, Mrs. Lloyd Edwards, Mrs. E. R. Edwards and Mrs. N. M. Wyatt.

These persons brought in finished articles this week:

- Mrs. C. A. Lawrence
- Mrs. W. W. Rowland
- Mrs. G. M. Stewart
- Mrs. C. H. Cain
- The Home Ec. Girls.
- Mrs. T. I. Tippitt

### RIVET SORTER

Passed by censor  
THIS young woman who was a cashier when war broke out is one of the many thousands of women who are doing a great job in Canadian war industry. She is employed in an aircraft factory where her accurate eyes and nimble fingers deftly sort the rivets that have been dropped by the men who put the aircraft together. Even in a country as rich in minerals as Canada, metals are vitally important these days and not a scrap is wasted.

### TO THE SHERIFF OR ANY CONSTABLE OF LYNN COUNTY

GREETINGS:  
You are hereby commanded to cite all persons interested in the Estate of W. C. Wells, deceased, by making publication of this citation, for one time not less than ten (10) days before the return day hereof, in a newspaper of general circulation published in this said County of Lynn, and such publication shall cite them and each of them, and they and each of them are hereby cited, to appear in the County Court of Lynn County in the courthouse thereof on the first Monday after the completion of such publication, which is the 1st day of December, 1941, and contest, should they desire to do so, the final account of the condition of the Estate of the said W. C. Wells, deceased, together with an application to be discharged from said administration, filed in said Court on the 12th day of November, 1941, which said final account and application to be discharged will be acted on by said Court on said 1st day of December, 1941.

HEREIN FAIL NOT, but have you before said Court on the 1st day of December, 1941 this writ, with your return thereon, showing how you have executed the same.

WITNESS, W. M. Mathis, Clerk of the County Court of Lynn County, Texas.

Given under my hand and seal of said Court at office in the city of Tahoka, this the 13th day of November, 1941.

W. M. Mathis, Clerk of the County Court of Lynn County, Texas. (SEAL)

### DRAW H. D. CLUB

The Draw H. D. Club met last Friday, Nov. 7 in the home of Mrs. Weldon Martin, with six members present.

Miss McNatt gave a demonstration on "Grooming" and gave recipes for face creams and hand lotions.

Officers were elected for another year. President, Mrs. L. B. Jones; Vice-President, Mrs. A. R. Hensley; Secretary-Treasurer, Mrs. Weldon Martin; Council-Delegate, Mrs. R. R. Ragan.

Our next meeting will meet with Mrs. Graham Hensley, Nov. 21.

### MILDRED COOPER SUFFERS SLIGHT INJURY IN CAR ACCIDENT WEDNESDAY

Mrs. and Mrs. E. J. Cooper visited their daughter, Miss Mildred, in Brownwood Monday.

Miss Mildred is a student in Howard Payne College but she works in a cafe a few hours each evening. On Wednesday night of last week, while returning from the cafe to her room in a car with two other girls, their car was struck by another car, causing slight injury to Miss Mildred's back. She had missed a few days from classes but was able to resume her school work Monday.

### Mexican Woman Is Buried Here

Josephine Rios, 18, daughter of Creequin Rios, who together with his family have been picking cotton on the W. L. Knight farm four miles north of Tahoka, died at an early hour Sunday night.

No physician had been attending her but the undertaker stated that apparently she had been in ill health for some time, for she was very emaciated. Since no physician had treated her, Justice of the Peace

### Jim Dye was called upon to hold an inquest, and his finding was that she died from natural causes.

The body was buried Monday in the Mexican section of the Tahoka cemetery.

Odell Liston of Fort Sam Houston and Jack Liston of Fort Brown are home this week on a fifteen-days furlough, visiting their sister, Mrs. Marvin Walker of the South Ward community.

Trade at home!

### Mr. and Mrs. W. A. Reddell and daughter Laverne visited his mother at Idalou Sunday.

Mr. Reddell's three brothers and their families were also there and W. A. asserts that it was a most enjoyable little family reunion.

Feeder lambs should have a shed for shelter against wind and rain, allowing four square feet to each. A wet lamb in a muddy lot will not make good gain.

**NOTICE TO THE PUBLIC**  
Any erroneous reflection upon the reputation or standing of any individual, firm or corporation, that may appear in the columns of The Lynn County News will be gladly corrected when called to our attention.

The Wilson Sun indicates that many people in and around Wilson have almost been up in arms on account of the impassable condition of the roads, and they are clamoring for something to be done about the "highway" that extends from Tahoka through Wilson to Slaton. Fifteen years ago the News, began advocating the building of a good road from Tahoka to Wilson, and we kept it up until we decided there was "no use". We would like to see this stretch of road that was designated as a highway a year or two

ago paved by the state highway commission at the earliest possible moment. If the voting of bonds for the State to assume is necessary, then we favor that; for the State has assumed the payment of hundreds of thousands of bonds for most of our neighboring counties and many of the counties throughout the state but Lynn county has had practically no bonds for the State to assume. At any rate, some plan ought to be worked out by somebody whereby this road to Wilson and vicinity can be hard-surfaced. And the county needs more money with which to build a system of cardinal rural roads throughout the county. But with this insistent demand for more and better highways incident to the National Defense program, we confess that we don't know where the money would come from. The Wilson road should be the first project, at any rate, on the State and County's road-building agenda.

Japan would not dare to make war upon the United States or to provoke an attack by the United States except when she felt that the United States had her hands full elsewhere. Now is the time when she thinks the United States must use the major portion of her Navy in a war, declared or undeclared, with Hitler and his pack of sea wolves. Therefore, she is now growing very bold—ready to leap at the throats of Thailand, the East Indies, and possibly the Philippines the moment she feels the time to be opportune. But Great Britain also has important interests in the Far East, and she too has a great navy. It must have caused a chill to run down the spines of those Japanese militarists, therefore, when Winston Churchill warned Monday that within an hour after Japan makes war upon the United States, Great Britain will be in the fight too, with the added power of a mighty British Naval force. We don't think Japan will dare to make war upon us; we don't believe that she would dare to do so even if she knew that Great Britain would not or could not help. She knows that she would be taking her life in her hands to do so.

In announcing Monday that marines would be used, if necessary, to end the strike which had been ordered by leaders of labor unions engaged in any construction work, Navy officials referred to the strike as an "open revolt against the United States Government". That is what the strike really amounted to. That is what most of the strikes by workers engaged in national defense work has amounted to. Some of these labor leaders have seemingly done everything in their power to obstruct and defeat the program of this government. Some of the strikes may have been justified, but many of them have been ordered on little or no provocation. They need to be taught a lesson in patriotism, even if the marines must be employed as the teachers.

We don't suppose that any true American has any admiration for old Joe Stalin. He himself is a dictator and a butcher little less monstrous than Hitler himself. Nobody in this country, except a bunch of Bolsheviks, would turn a finger to help old Joe on his own account. But most well informed people in this country recognize Hitler's attack upon Russia as a mere step in his campaign to finally crush Great Britain, gain control of the seas, and place himself in position to dominate the world. Hence, we must help Russia in order to help stop Hitler. Those who would prejudice the people of this country against aid to Russia are merely playing into the hands of Hitler, and that's all there is to that.

In a test of 308 days by the Department of Agriculture, pullets fed mash in pellet form each averaged 17 eggs more than those fed unpelleted mash. Feed consumption for each group was practically identical.

For best production milking should be done at regular hours. After milking is started, it should be completed without interruption and as rapidly as possible.

**Tailored "Cords"**

Among the smartest of the new back to school cottons, is this two-piece cotton corduroy ensemble. The tailored jacket and skirt with front kick-pleat are good for classroom and campus wear. A white tailored cotton shirt is worn under the jacket.

**MRS. TUNNELL GIVES BOOK REVIEW AT SEMINOLE**

Mrs. Lenore M. Tunnell gave a Review of the book, "Keys of the Kingdom, under the sponsorship of the Junior High School class at Seminole on Wednesday night of last week. Mrs. Tunnell had a very appreciative audience, it is said.

Miss Willie Pearl Dockray, a former teacher in the Tahoka High school and a warm friend of Mrs. Tunnell, is teacher of English in the Seminole High School.

Mr. and Mrs. Jess Eubanks and children were here Monday on their way to Brownfield to spend Armistice Day with Jess' mother. Jess is one of the boys who did service in France. He resided here a number of years following the war but removed to Lueders several years ago, where he is still in the service of Uncle Sam as rural letter carrier. He dropped into the News office to say Hello and to leave a check to keep the News going to his address.

Paul Howell came in from Carlsbad and spent the week end and Armistice Day with his family here.

**WHAT'S DOING AROUND GRASSLAND**

For the first time this fall, cotton pickers got in a full week of boll pulling.

Cotton popped open like popcorn. Both gins run day and night trying to keep up but were behind all the time. If the weather continues being pretty, some will get caught up for a few days, although some are just getting started with the young cotton.

There will be another "42" party Thursday night in the gymnasium sponsored by the P. T. A. Admission will be fifteen cents for one or 25 cents for two. Everyone seems to enjoy these parties. The proceeds go into the treasury.

Mrs. Northcutt, formerly of this community, has been very sick for the past three months in a hospital in Comanche. Doctors there gave her no hope to recover. Mrs. R. D. Young of Post, who is her daughter, had her removed to Snyder recently. Doctors say she has a good chance to get well now. It was thought that an amputation of her leg was necessary; but doctors think now that three toes will be all she will have to lose. We all wish her a speedy recovery.

The P. T. A. ladies had a rummage sale here last Saturday. They took in a nice sum. They will have another one Saturday.

Brother Roy Foutz of Slaton will preach at the Church of Christ here Saturday night. Everyone is invited to be there.

Miss Adelaide Young, principal of the Grassland school, was in a car wreck Sunday and is in a hospital in Lubbock. Mrs. Paul Lawson is teaching in her place.—Reporter.

The earliest domestic utensil known is the spoon. Somebody once said that spoons, if not as old as the world, are certainly as old as soup.

### Duce Made It — Anzacs Shoot It

THE SIEGE OF TOBRUK, Allied desert stronghold on the coast of Libya, is past the sixth month, but its out-numbered garrison of Anzacs (Australians and New Zealanders), Poles, British and Indians is holding as firm as ever. Inside the besieged area, which is about the size of Manhattan, life goes on in a primitive way, with much ingenuity in improvising arms and equipment. These men, for example, are members of the new Anzac "bush artillery", formed from infantry men armed with captured Italian guns and munitions. The boys have never learned the professional way of handling their cannon—they aim it by sighting through the hot barrel and working the whole gun until it points at the target—but the "bush artillery" is plenty effective, as testified by the failure of every Axis assault on the thinly-held defense lines.

### Mother Of Local Woman Is 100

It is exceedingly rare that a person lives to be a hundred years old, but Mrs. Martha Ann Howeth, mother of Mrs. D. Smith, now enjoys that distinction. Mrs. Howeth resided here with Mrs. Smith a few years but now resides with another daughter at Antelope in Jack county.

Mrs. Smith has furnished us a clipping from a Jack county newspaper giving a brief account of Mrs. Howeth's long but interesting life, which we are glad to reproduce.

Antelope can truthfully boast of having the oldest person living in Jack county, Mrs. Martha Ann Howeth, who was born in Missouri, Sept. 10th, 1841. She came to Texas in 1855 and settled in Jack county near Finis. She and her folks had a very rough trip on the way here. A bad norther struck them, they could not find anything to make a fire and she says they would have frozen to death if a man had not come along and taken them to his house for the night. On the way they camped in the Indian Territory and the Indians stole their mules. On the farm she helped her father with the oxen, and what they could not raise they did with-

### Lousy Layers Mean "Lousy" Production

### Lynn And Terry Land On Market

Again plow shares and civilization will tread the paths that have been trod by only cattle in these great open plains, according to an announcement made early this week by Robert L. Noble, Brownfield Real Estate man, who has been named exclusive agent, in the subdivision of 22,160 acres of raw land known as the Green and Lumsden Ranch since 1910, a part of which became the property of Charley Doak, first sheriff of Lynn County, in 1909. It and several other tracts were thrown into one great ranch by Green and Lumsden and with the exception of the T-Bar has since remained the largest single tract of land in either Lynn or Terry County.

In checking back through the history of Lynn and Terry Counties, records fail to reveal any subdivision that would equal in extent the acreage of this great tract. The Yellow House land in Hockley and Lamb Counties, which was subdivided in 1923, is the only known tract to exceed the Green-Lumsden acreage.

A great opportunity is offered the present day farmer and investor to secure their future—with land—new homes—new people in this great section, which will be beneficial to both Lynn and Terry Counties.

Mrs. J. K. Applewhite of this city and her son Jim of O'Donnell drove down to Austin last Friday to visit Oreta Joyce, who is a student in the University of Texas, and the three went over to Waco Saturday and witnessed the football game between the Texas University and Baylor, which was a thriller, and a tie. Mrs. Applewhite and Jim came home Sunday.

### Tahoka Faculty Studies Problems Of Education

By RUBY NELL SMITH  
There will be nine points studied by the Tahoka School faculty in the evaluation program now in process, as explained by Lee Dodson, high school principal, in the monthly faculty meeting Monday night at 7 o'clock at the high school building.

The nine points are (1) curriculum and courses of study, (2) pupil activity program, (3) library service, (4) instruction, (5) guidance service, (6) outcomes of the education program, (7) school staff, (8) school plant and (9) school administration.

Leslie Browning, vocational agriculture teacher, made a talk on the aims and objectives of vocational agriculture. A summarized list of these aims include (1) to assist farm boys in the beginning and advancement of farming, (2) to show and assist them to produce farm commodities effectively, (3) how to market farm products to best advantage (4) conserve soil and other national resources, (5) to manage the business of a farm and (6) maintain a favorable environment.

The concluding number on the program was a report by Mrs. Stella Duke and Miss Nell McLeroy on their recent visit to twelve-grade school systems. Mrs. Duke told of their visit to Amarillo where they interviewed Miss McDonald, supervisor of the elementary schools in that city. The twelve-year plan had been in operation in the Amarillo Public Schools for the past five years. Miss McLeroy gave a report on the demonstration school at Canyon. This school is sponsored by West Texas State Teachers College and is a workshop for students in that college. The twelve-grade system was installed in the demonstration school the past year.

Truett Smith, school board member was a special guest at the meeting.

### Eight Schools Of County Over Top In Red Cross Drive

Eight of the schools of Lynn county had gone over the top in the Junior division of the American Red Cross even before the Roll Call drive had officially begun, according to Mrs. Lenore M. Tunnell, Junior Roll Call chairman.

Some of these schools had exceeded their quotas, the quota being 50 cents per room.

The schools with the amounts they had given are shown below. Midway, \$1.00; Tahoka Grade, \$9.50; Newmoore, \$1.14; West Point, \$1.60; Grassland, \$3.27; Dixie, \$1.00; Edith, \$1.60; Gordon, .50. Total \$19.61.

### THE PHEBE K. WARNER CLUB HAS PROGRAM ON FLAG

The Phebe K. Warner Club met in the home of Mrs. Walter Mathis last Friday for a program on the American Flag and Citizenship.

"The History of the American Flag" was given by Mrs. A. P. Edwards.

"The Etiquette of the Flag" was discussed by Mrs. Winston Wharton.

"How to Become a Citizen of the United States" was detailed by Mrs. R. W. Fenton Sr. A refreshment plate was served to the following members: Mesdames A. P. Edwards, R. W. Fenton, Sr., E. R. Edwards, Fred Hegl, D. G. Ridge, H. M. Snowden, Woodrow Walker, Winston Wharton, J. K. Woosley, O. A. Wilks, A. O. Conley, and the hostess, Mrs. Mathis.

### COMING MARRIAGE OF MISS MAURICE GILES ANNOUNCED

Mr. and Mrs. J. A. Giles of Redwine announce the approaching marriage of their daughter, Maurice, to Mr. Roy Pharies of Levelland, November 27th, at the home of the bride's parents, with Rev. Bruce Giles, brother of the bride performing a double-ring ceremony.

Miss Giles is graduate of the Texas Tech, and at present is a teacher in the Levelland public schools. The groom is a farmer in the Levelland district, and after a short trip during the Thanksgiving holidays, the couple will make their home in the country.

### U. OF T. ANNOUNCES NEW FILMS AVAILABLE FOR THE ASKING

AUSTIN, Texas, Nov. 13.—Recent additions to the University of Texas Visual Instruction Bureau's library of films, for loan wherever needed in the state, have been announced by Mrs. C. J. Moore, director.

Last year the Bureau sent out 42,100 films which were shown to a combined audience of 3,704,240 persons. An added 421,195 saw 7,197 slide sets prepared and distributed by the University.

Recent additions include 107 new sound pictures, and 50 silents, making a total of over 800 programs which are now available for use by schools and civic or religious organizations.

Mr. and Mrs. Ira Doak of Amarillo and their youngest daughter, Mrs. Mary Jo McClinton, stopped here and greeted friends a short time Wednesday on their way home from the Big Bend, where they had been to visit another daughter and her husband, Mr. and Mrs. John Leslie, Mrs. Leslie being the former Miss Eva Doak. Mr. Leslie is now one of the superintendents of the Big Bend Park.

For roughage in feeding lambs, allow one half alfalfa and one half Johnson grass or Sudan hay. The hay should be green in color, well cured and free from mould.

### PRESBYTERIAN CHURCH

Rev. W. Bristow Gray will fill his regular appointment at the First Presbyterian Church here next Sunday.

The morning service at 11 o'clock. Topic for the sermon: "The Marks of a Great Church."

The evening service at 7:30. Subject of sermon: "Tumbling-Weed Christians."

The Union Bible Study Class at 9:45. The subject for study next Sunday is: "Union With Christ", John 15:1-10.

See notice elsewhere of the reorganization of this Bible Study Group. The public is cordially invited to these services.

### A NON-SECTARIAN BIBLE STUDY CLASS

The Adult Bible Class at the Presbyterian Church is in process of reorganization. The class has voted to make this change.

Instead of being simply a Presbyterian Sunday School Class, it was voted to organize a Union non-denominational, non-sectarian Bible Study Class.

The name, chosen for the class: "The Beacon Bible Study Class." The emblem of the class is an "airplane beacon light."

The aim of the class: "To light the way of life in a Darkened World." At the meeting of the class Sunday morning each member will bring some text from the Bible as a suitable motto or text for the above aim and emblem. From these texts that are brought one will be voted upon and adopted as the text and motto for the class. The public is invited to attend and to take part in this selection of motto. The class will be taught Sunday morning by Dr. Gray. The Scripture studied will be John 15:1-10. The "Discussion Method" will be used in this study.

### RUTH CLASS HAS SOCIAL AT MRS. D. V. SMITH'S HOME

The Ruth class of the Baptist Sunday School attended a combined business meeting and social at Mrs. D. V. Smith's, Monday night.

After games were played, refreshments of cake and hot chocolate were served.

### J. C. TUCKER IS RECOVERING FROM AN ATTACK OF PNEUMONIA, HAVING BEEN RELEASED LAST SATURDAY FROM A HOSPITAL IN LUBBOCK IN WHICH HE HAD BEEN RECEIVING TREATMENT.

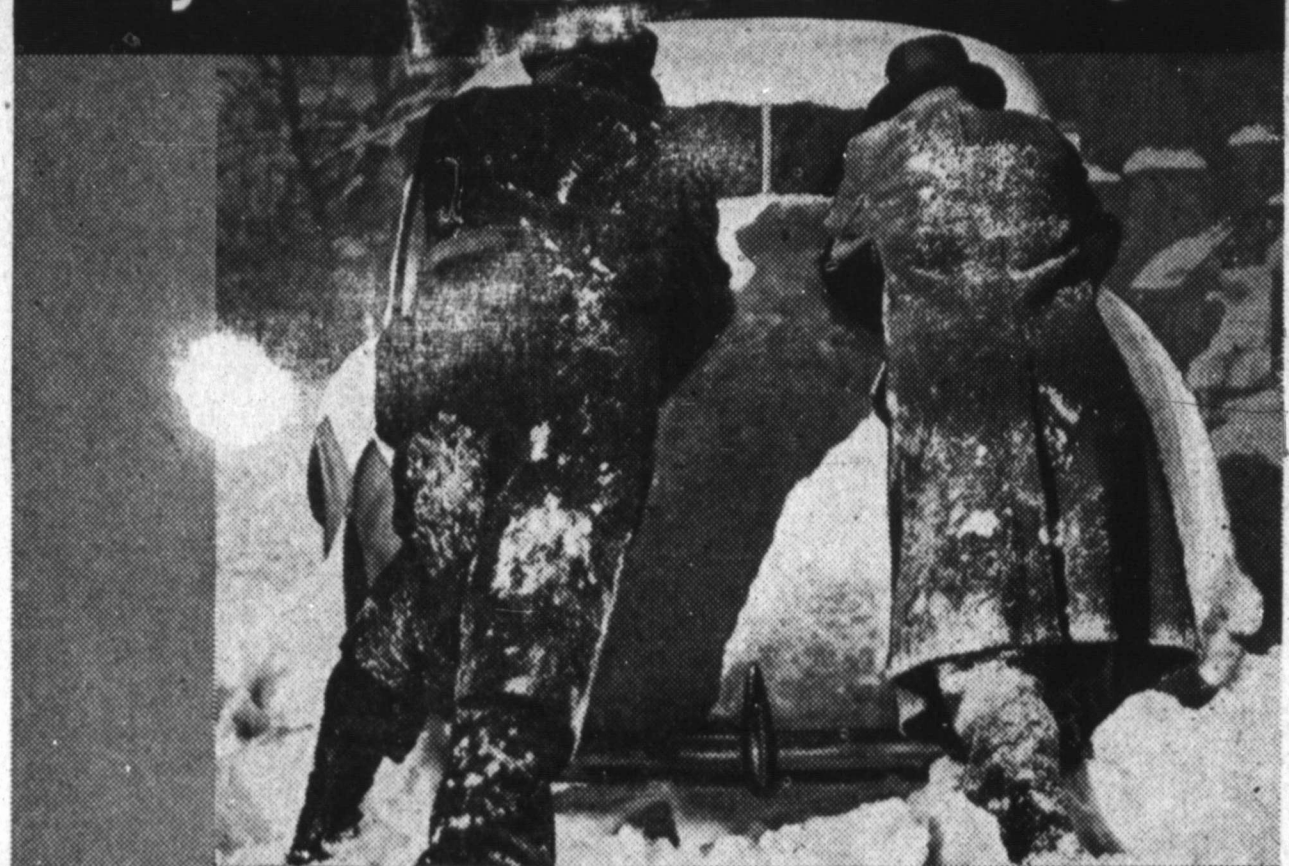

Mr. and Mrs. J. M. Scott and Miss Ethel Calahan spent Sunday with friends in Lamesa.

### ASTHMA SUFFERERS

## Why send 2 men to do 1 POLY Job?

HIGH TEST PHILLIPS 66 POLY GAS

# STARTS COLD MOTORS FAST!

Before you buy your next tankful of gasoline, note well these three fast-starting facts:

1. Higher test gasoline starts cold motors faster.
2. Phillips is the WORLD'S LARGEST PRODUCER of natural high test gasoline.
3. Higher test Phillips 66 Poly Gas costs nothing extra.

Every degree the thermometer drops is an added reason for using Phillips 66 Poly Gas in your car, because every gallon is loaded with extra instant-firing elements. Ready to vaporize more quickly. Certain to give faster warm-up. More flexible response to the throttle. Smoother running.

If you're worried by the thought of starting trouble in cold weather, take a load off your mind . . . by taking on a load of the lively power and faster starting supplied by Phillips 66 Poly Gas.

We sincerely believe it is this winter's best buy in cold-weather gasoline . . . at the Orange and Black 66 Shield.

Phill-up with Phillips for Instant Starting

KIRK — GAYNELL

# ODDS & ENDS

by Eee Eye,  
the Elder

Our neighbor to the west, Andy Jack Stricklin, grammar-hating editor of the Terry County Herald delights in prodding our mutual friend, Chas. A. Guy, erudite editor and columnist of the Avalanche-Journal publications.

Mr. Guy recently has been wincing under the keen thrusts of the Brownfield free-lancer. It all came about this way.

Presumably finding his "Washington correspondents" unsatisfactory in supplying the news from the national capital, Charley recently hiked off up to Washington himself to get the real "low-down" on the news, to interview the President in person or at least to attend one of his press conferences, and to hob-nob a bit with the "higher-ups" generally—if indeed there are any such animals from Cholly's standpoint, or perhaps we should say from his sitting point in the exclusive precincts of the Avalanche-Journal editorial rooms.

But, be that as it may, before heading out for Washington, Cholly conceived the happy idea of inviting the columnists of several other

daily newspapers to pinch-hit for him while he was doing his stuff in Washington. They did so in a very fine way, doing almost as well as Cholly could have done himself.

But, when Cholly returned home, Old Andy Jack decided to have a bit of fun. We think he really enjoys "Old Sharley's" column—just as we do—and that he also enjoyed the productions of the pinch-hitters. But, instead of giving them praise, he paid them some left-handed compliments, suggesting that old Jawin John Price of the Littlefield County-Wide News, Eee Eye the Elder of the Lynn County News, or—modestly—even he himself could have done much better. He suggested—jokingly—that "Sharley" should have invited them instead of those city chaps to write his column in his absence.

Well, that seems to have gotten under "Old Sharley's" skin, and so he promptly announced that he would accept the "challenge" and would soon invite all the neighboring "kentry" editors in turn to write his column on Monday until the list of invitees played out or called it quits.

But Old Andy Jack for once showed the white feather. He declined. He excused himself on the grounds that he would have only one shot and that "Old Sharley" would have all the time that there was from there on out to pick flaws in his prodigious production and then proceed to skin him for all time to come, or words to that effect.

So, with Old Andy Jack crawling, "Old Sharley" gleefully declared in his column that Andy "couldn't take it", and in his exultation he intimated that the perpetrator of this column also had been strangely silent on the proposal.

Like Uncle Remus's "Br'er Rabbit", we had been jes a-lyin' low and not sayin' nuthin', for we didn't figure that it was our squabble. We are not in the habit of accepting invitations until we receive them, and we have not received an invitation yet, except indirectly.

Some of the other boys in the territory spoke up, however, and announced that they were ready to shoot.

So, then, on last Friday "Old Sharley" himself fired another shot. "Old Jawin John Price, the dual skipper of Littlefield's County-Wide News and the Amherst Argus", he said, "is not the only neighboring editor who is chomping at the bits and rearin' to have a crack at bating out this column—in keeping with a plan to later turn each Monday's space over to South Plains scribes."

"Writes Randall Abernathy of the Sudan News: 'Reserve space for me. I'm coming!'"

"Old Andy Jack Stricklin, the sage of Brownfield's Terry County Herald, who dared the Plainsman to let him and other neighboring editors take over this department, is still hiding under the bed after being taken up on his challenge."

"Thus far, only Bros. Price and Abernathy have stepped up promising to be loaded for 'bar."

"Where are you, Andy Jack? And is Eee Eye Hill, of the Lynn County News of Tahoka, still standing on his dignity?"

So, although we have never "dared" nor "challenged" anybody to let us run his column for a day, or even for a split second, we take it that Cholly is throwing this out as a "challenge" to us.

Now, we have no disposition to attempt to parade our puny talents as a columnist, nor to enter into competition with any one else. We have no desire to try to "show off" nor to try to show anybody else up; but if Cholly really desires that the neighboring country editors shall take over his column each for one Monday, just for the novelty of the thing or for any other reason which

he deems good and sufficient, then we shall feel honored by the invitation and will appreciate the opportunity to talk a little to his many readers.

But listen, Cholly, if we should receive and accept such an invitation, we want it understood now that we would reserve the privilege of giving you a nice little panning in your own "colyum", if we happened to be in that mood at the time. We enjoy your column greatly as a rule, but occasionally you get to barking up the wrong tree. You are always after the big bad bear, which is well enough ordinarily, but you almost get that howling pack of hyenas that are out after the blood of every other animal on earth that will not run with the pack.

We would hate to do it in your own column, for we don't want to be ungracious, but we might be compelled to take you to a nice little skinning.

So, shoot your invitation down, if you care to, and it may be that we will be good.

They say that it takes all kinds of people to make a world. It must be true. We ran across a rare specimen the other day. We have seen very few in our brief span of years that belonged in his class. He was a rank, radical, pure-dee fool.

Casually strolling around over town, we happened to encounter him, a rank stranger. He hailed us, in fact; said he wanted a cotton picking job. We told him we had no job to offer, no cotton to pick—wished we had—and he began cursing the country—not just "cussing" it—vehemently cursing it; then he turned to cursing a lot of people who, he said, had told him there were a lot of jobs up here; "Is that Christianity," he demanded. We couldn't tell him; and he began to curse professed Christians; and the more he cursed the madder he got. We suggested to him that there was a Government man here whose business it was to put laborers in touch with farmers wanting hands, and then he turned loose on the Government. With withering scorn, he cursed and he foamed; and when he began cursing the people living here again we walked off and finally managed to get away from him still cursing.

This statement is not exaggerated in the least. In fact, we don't think we have been able to do justice to the subject. We didn't know who he was, though he did tell us where he was from, and he couldn't have known who we were. We have no idea what ticket he votes on election

STATED MEETINGS of Tahoka Lodge No. 1041 the first Tuesday night in each month at 7:30 Members urged to attend. Visitors welcome.

JACK WELCH, W. M.  
H. L. RODDY, Secretary.

day, but he is made out of the same sort of stuff that anarchists are made of. We don't need many of his kind in this country.

And yet, the poor fellow is to be pitied. If we could have helped him and especially if we could have helped his family we would have done so gladly, in spite of his mean disposition. He may have been desperate. When some men get in desperate circumstances, they turn to God; when others get into desperate circumstances it makes devils of them. He may have been just an unfortunate devil. We still wish we could have helped him some way.

In the great milling crowds of

transients in town last Saturday afternoon, three races were numerously represented—Whites, Negroes and Mexicans. You met them everywhere on the streets. Once we found ourself face to face with a comparatively young shabbily dressed, Indian-looking Negro woman smoking a cigarette. Do you know what our re-action was? Well, it just struck us that cigarette-smoking adds nothing to the attractiveness of even an ugly creature like that. How, then, can it add to the attractiveness of a nice, white American lady?

Stand on the sidewalk any Saturday afternoon now and watch the

crowds go by, and if you don't decide that there is still a great work for the school teacher, the preacher, and the statesman to do in this country, then we'll admit that Hitler is a saint. O, the poverty, the ignorance, the lack of opportunity that is evident on every hand! It is enough to make the angels weep.

Mr. and Mrs. M. H. Burns were here over the weekend to visit her sister, Mrs. A. G. Freeman, who is ill. They were accompanied by their son and wife, Mr. and Mrs. Harold Burns, and their daughter and husband, Mr. and Mrs. Herbert Lowrie. All live at Terrell.

### When a Child Needs a Laxative!

Your child should like this tasty liquid laxative and you should like the gentle way it usually wakes up a youngster's lazy intestines when given by the simple directions.

SYRUP OF BLACK-DRAUGHT contains the same principal ingredient which has enabled its older brother BLACK-DRAUGHT to give so many users such satisfying relief for so many years!

Perhaps that's why it usually gives a child such refreshing relief when the familiar symptoms indicate a laxative is needed.

SYRUP OF BLACK-DRAUGHT comes in 2 sizes. The introductory size is 25c; the economy size is 50c.

## N

ICE QUESTION: Why can your skates skim over ice, but not on slickest glass? Because the stroke of the blade melts the ice slightly to provide lubrication.

And why can an ice-cold engine that's OIL-PLATED give smooth, lubricated starts, while lubrication that depends on fast flow alone can often mean harmful dragging starts? Because OIL-PLATING can be up to the topmost piston rings long before mere fast flow could begin to get there.

An OIL-PLATED engine is yours as you change to popular-priced Conoco N<sup>th</sup> oil for Winter. In patented Conoco N<sup>th</sup> oil you get the man-made extra substance that keeps OIL-PLATING close-bonded—as if "magnetized"—all over inner engine parts. It can't all drain down—not even from bedtime to breakfast. Then before the starter starts, the OIL-PLATING is ready against oil-starved Winter starting...

But what soon melts any snow on the hood? Certainly, the air underneath gets hotter than hotcha. And then you want the sort of oil economy that took first place for Conoco N<sup>th</sup> in the sensational Death Valley Death-Test. Along with five other great quality brands, Conoco N<sup>th</sup> showed how long it could stand heat and speed. Each of six identical everyday cars got one strict 5-quart fill of some competing brand tested. All six brands were run alike, without one added drop, till each oil and engine gave out. The Certified Results:

The 5-qt. fill in Car No. 2 gave out when Conoco N<sup>th</sup> was still up at 3.65 qts.

The 5-qt. fill in Car No. 4 gave out when Conoco N<sup>th</sup> was still up at 3.55 qts.

The 5-qt. fill in Car No. 6 gave out when Conoco N<sup>th</sup> was still up at 3.40 qts.

The 5-qt. fill in Car No. 5 gave out when Conoco N<sup>th</sup> was still up at 3.20 qts.

The 5-qt. fill in Car No. 1 gave out when Conoco N<sup>th</sup> was still up at 2.70 qts.

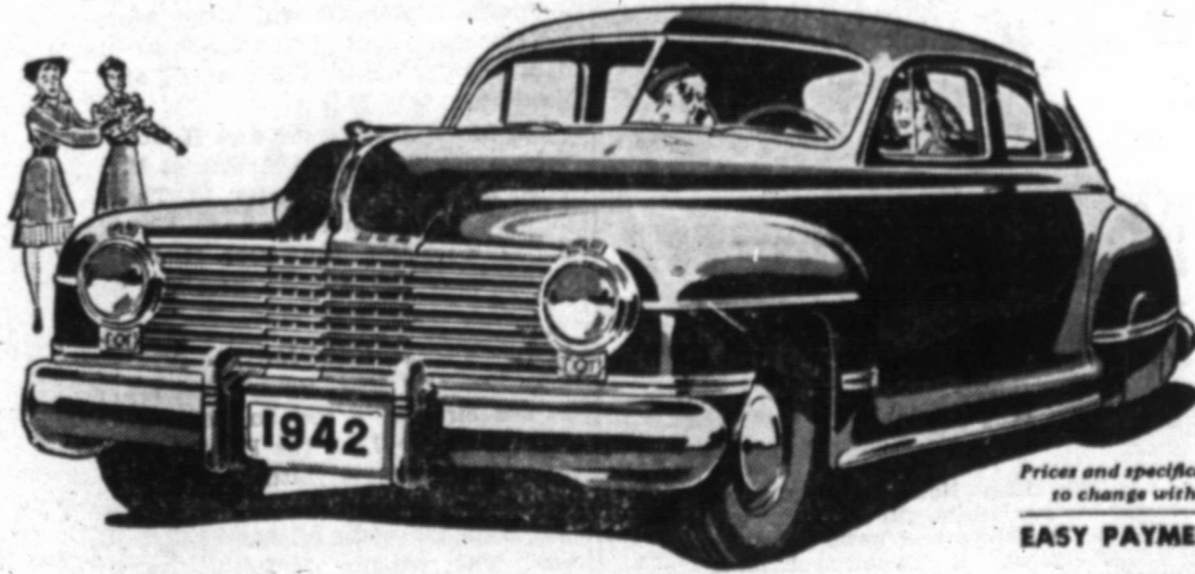

Save quarts—save battery—save engine. Change at Your Milage Merchant's Conoco station today to Conoco N<sup>th</sup> oil for Winter. Continental Oil Company

# All-Fluid Drive Belongs to DODGE

**THE RESULTS BELONG TO YOU**

(ONLY DODGE IN ITS FIELD OFFERS ALL-FLUID DRIVE)

WHEN YOU BUY A DODGE, you get All-Fluid Drive as Dodge alone supplies it. The gearshift lever is still at the wheel for safety and instant speed-away when you need it. Otherwise, you have nothing but Fluid Drive, with all the added smoothness, quiet, and freedom from fatigue that that means.

CONSIDER THE FACT that Dodge sold 200,000 Fluid Drive cars last year, and that you could search the country for complaint, and find nothing but enthusiastic praise. Consider, also, that these new cars are better because they have new Power-Flow

Engines, especially designed to go with All-Fluid Drive—and because together they deliver faultless performance at a still more favorable level of economy, in gas and oil consumption.

DODGE HAS DEFINITELY BROKEN WITH THE PAST. There is not a trace of the old days left—a difference you can't imagine. You are now in position to make an investment in the future, one which is already proven for you, one which carries an extremely high interest rate in economy.

*New Dodge*

**Are The Weather Prophets Right?**

The first norther of the season came on August 12, we find by reference to a News item appearing in the next following issue of this paper.

The story recited that a couple of amateur weather prophets informed the News that the first killing frost of the season would come just sixty days from that date. But later on the same day other prophets appeared who said the correct date was ninety days and not sixty days after the first norther.

A stiff breeze blew from the north all day on August 12. So, we decided to keep tab and see what happened on the ninetieth day from that date.

A reference to the calendar shows that November 10 was exactly ninety days after August 12.

The wether records kept by the News show that the first real frost discernible in Tahoka appeared on the morning of November 10. Light frosts had been reported by some residents of the county a few days prior to that time, but they had to be hunted for to be found.

Low temperature readings are recorded as follows: October 30, 37; October 31, 37; November 7, 33; November 8, 33; November 9, 35; November 10, 32; November 11, 32; November 12, 33. Much frost was in evidence on each of the three last dates, November 10, 11, and 12.

So, it seems those weather prophets hit the nail almost square on the head.

However, a little further north, there was snow about October 30. Two or three inches are reported to have fallen at Amarillo, reaching as far south as Plainview, a few flakes falling in Lubbock. But it melted as it fell. But temperatures were reported as low as the freezing point on that section of the Plains several days before November 10, and they had the same norther in August that we had.

So, we are still wondering if there is anything to this ninety-day dope.

**EDWIN JOLLY ILL**

Edwin Jolly, who has been ill for several weeks and whose condition has refused to improve in spite of efforts of physicians to master the malady with which he is afflicted, is now under the treatment of a chiropractor in Brownfield, and both he and the family have high hopes of his regaining his health.

Many friends are hoping that he may recover.

Truett Giles, who is now stationed at Wichita Falls, returned to his duties Wednesday, after a few days visit with his parents here. His wife who had been here since his transfer to Wichita Falls accompanied him to that place.

S. D. Clower of Cooper was here several days this week on business. Mr. Clower, while here, closed a deal whereby he sold a farm in this county to Walter Caswell of Draw.

**Local Boy Is Radio School Graduate**

Glynn D. Jones, private first class, a graduate of Tahoka High School, was graduated from the Air Corps University at Scott Field, Belleville, Illinois, on November 7 according to information received by The News from his commanding officers.

He graduated from the school with high honors, being rated fourteenth in a class of 400, with an average grade of 87.

According to information from Scott Field, Glenn is due home on a fifteen-day furlough this week. He graduated from the local high school in 1935.

**MEXICAN BABY DIES AT THREE LAKES**

Little Ramon Balli, four months old infant of Francisco Balli and wife, who are pulling cotton out on the Amos McMillan farm in the Three Lakes community, died Wednesday night.

An inquest conducted by Justice of the Peace Jim Dye resulted in the finding that the child came to its death from natural causes. The family had been out here on the plains only a few weeks. It is understood that the child had whooping cough before coming, and it is believed that the death resulted from possible exposure of the child to the cold atmosphere in its weakened condition.

The body was buried in the Tahoka Cemetery Thursday afternoon.

**TWO NEW SAILORS HOME**

Two Lynn county boys who recently enlisted in the Navy, D. Howell Lindley and Lotis Wayne Moore, of T-Bar, have finished their recruit training, and are home on a 10-day leave, according to Nell Walker, yeoman second class, of the Lubbock Recruiting Office and also a former Tahokan, who was here Monday.

Nell states these boys now have the option of either going to sea or to a trade school.

He also states that a recent enlistee is Curtis Clemons Bates, formerly of New Home.

**MEXICAN BABY DIES HERE TUESDAY MORNING**

The three-months-old infant of John Chapa and wife died here of some kind of bronchial trouble about five o'clock Tuesday morning. It had been sick only a short time.

The body was buried in the Mexican division of the Tahoka cemetery late Tuesday afternoon, with Rev. J. Bristow Gray, pastor of the Presbyterian Church, officiating.

Until recently the family had been living on the A. J. Kaddatz place in the Dixie community.

**NEW HOME F. F. A.**

Last Monday, Nov. 3, New Home F. F. A. Chapter held a meeting and set up objectives for the following year.

Charles Hammons will show his Sear Roebuck gullt at Tahoka Saturday, and the winner will compete at Lubbock.

Joe Mack Armontrout and H. Joe Schwartz will attend the district F. F. A. meeting on November 18. The purpose of the meeting is to plan the work for the future year. H. Joe Schwartz is the district secretary.

**Congratulations . . .**

To Mr. and Mrs. Robert Sanders on the birth of a son on last Friday, November 7, at the Payne and Shotwell hospital in Littlefield. The little fellow weighed 7 3/4 pounds and bears the name of Ronald Conway. The parents formerly lived here. This is Oscar L. Sanders' first grandson.

To Mr. and Mrs. J. A. Williams of Draw, on the birth of a daughter at the home, November 8th.

**DUB FULFORD GETS COLLAR BONE BROKEN**

W. A. (Dub) Fulford, right tackle of the Tahoka Bulldogs, sustained a fracture of the collar bone in a fall in football practice on the school grounds Wednesday afternoon.

The break was set by a local physician and it is thought that Dub will be all right again soon.

W. E. Suddarth left Thursday for a two weeks vacation trip. He plans to attend the District Methodist Conference in Big Spring, and will proceed southward from there, but had no definite itinerary.

Make Tahoka your trading center.

Mrs. A. G. Freeman was reported Thursday to be feeling some better. She has been confined to her bed for several weeks.

FOR SALE—Elm trees, from 15 inches to 15 feet tall, nice and thrifty.—A. A. Walker, 1 mile north of Tahoka.

**POPPY SALE WAS SUCCESSFUL IN TAHOKA SATURDAY**

The poppy sale for disabled World War No. 1 Veterans is said to have been successful in Tahoka last Saturday.

Mrs. A. M. Cade, President of the Auxiliary, Mrs. Van Swafford, Chairman of the Poppy Sale Committee, and Miss Bernice Edwards, sponsor of the Junior Auxiliary have expressed their appreciation of the fine work done by all who helped and for the splendid cooperation accorded the workers by the people of Tahoka and all others contacted here on that day.

**BAPTIST W. M. U.**

Mrs. W. O. Robertson was program leader when the Sallee Circle presented the mission program from Royal Service at the Church Monday afternoon. A discussion on "Dispelling Darkness in Africa" included topics on superstition, ignorance, disease and so on. Mrs. E. I. Hill brought the devotional from Psalm 115.

Present were: Mmes. Alice Fortenberry, J. L. Nevill, Lida Kelo, W. M. Harris, H. B. Howell, J. F. Stewart, C. T. Oliver, D. V. Smith, Jim Burleson, Hill and Robertson.

Sallee Circle will meet with Mrs. D. V. Smith next Monday at three for study of the mission book. All women East of the Baptist Church are invited to attend this circle.

Roger Hartsell of Floydada, who has been in the home of his aunt Mrs. J. A. Giles of Redwine this Fall, was called to Floydada Tuesday by the death of an Aunt, Mrs. S. A. Guffee, 65, mother of Floyd County School Superintendent Clarence Guffee. Mrs. Giles accompanied her nephew to Floydada for the funeral which was held Wednesday. They returned home Wednesday night. The Giles and Guffee families were friends of long standing in Wise County, before coming to the Plains.

**DUNAGANS HONORED WITH HOUSEWARMING**

Mr. and Mrs. Irvin Dunagan, who recently purchased a home in north Tahoka, were given a "house-warming" party Wednesday night by friends and relatives.

Numerous gifts were presented by the "guests", who were at their home when they returned from a trip to Lakeview.

**O. E. S. WILL STAGE RUMMAGE SALE**

The local chapter Order of Eastern Star is planning for a rummage sale on the south side of the courthouse Saturday, November 15.

Those wishing to contribute may call Mrs. W. T. Hanes, Mrs. W. O. Robertson, or Mrs. Levi Noble.

**SPEAKS AT LAMESA**

Hon. Tom Garrard was the principal speaker at the Armistice Day celebration sponsored by the American Legion at Lamesa Tuesday. A large crowd attended the celebration.

Oliver White, who has been attending Texas Tech, is back at home and has accepted employment at Boullium's.

Miss Doris Perry of Fort Worth is visiting her sister and husband, Mr. and Mrs. Hope Haynes.

**SINGING CONVENTION AT BETHEL NEXT SUNDAY**

Harrison Davis, president of the Lynn-Garza Singing Convention, has announced that there will be a meeting of the convention at Bethel church next Sunday afternoon, beginning at 2 o'clock.

Everybody cordially invited.

Mrs. Rollin McCord, who has been suffering from an attack of pneumonia, is now reported to be much improved.

Mrs. Clyde Hartman, who has been ill, is somewhat improved but is still confined to her bed.

**You Are Too Late!**

I have sold all our 1941 Supreme Advance Domino 14th bull calves. Will have no more until 1942. If you want one in 1942, better order six months in advance.—Tom Garrard.

### WTCC Hits At Labor Racketeers

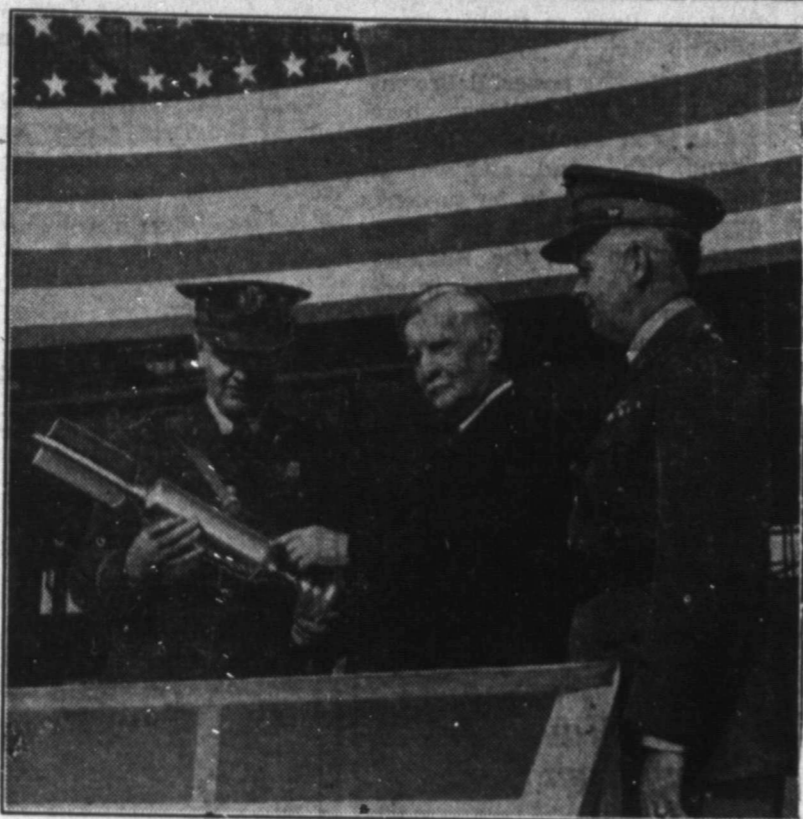

ABILENE, Nov. 10—The West Texas chamber of commerce was on the move as the week opened asking affiliates for action on declaration adopted by its house of delegates at the Midland convention last week.

To directors, local chamber of commerce managers and to chairmen and secretaries of Public Affairs committees went a news letter from J. Thomas Davis, the re-elected president of the WTCC, enclosing copies of two declarations. One asked for congressional correction of labor abuses in this time of stress, the other for drastic curtailment of non-defense federal spending while the emergency lasts. Davis asked the WTCC affiliates to convene their Public Affairs committees, take affirmative position on the declarations, and notify their senators and congressmen of their action. Copies of the declarations have been sent direct to the Texas delegation in Washington by D. A. Bandeen, WTCC manager.

The declaration on labor abuses vigorously protests activities of "agitators and racketeers in calling strikes in national defense industries at a time when human, material and property resources are being conscripted for defense purposes in order to save democracy." Congress is urged to enact legislation to "correct the abuses of labor as it has corrected the abuses of capital."

On curtailing non-defense federal expenditures the WTCC declaration points to the great and growing burden of defense requirements, with inevitable pyramiding taxes; asks the federal government to "vigorously economize, sacrifice and curtail to the minimum all non-defense expenditures;" and calls on congressmen to give President Roosevelt and the budget bureau encouragement and cooperation in the econ-

### The Millionth—For America's Defense

AS thousands of defense workers cheer, the one-millionth aerial fragmentation bomb produced by the Budd plant is presented to Col. D. N. Hausman (left), and Brig. Gen. E. O. Lewis, of the Army Ordnance Department, by Edward G. Budd, President of the Philadelphia firm. Although the exact rate of production of the new bombs, said to be the most deadly of their type in the world, is a closely guarded military secret, it is one of the highest in the U. S., officials revealed. The bomb is designed for use against infantry.

my program.

Davis' news letter served as an official curtain raiser on the WTCC's inter-community Defense and Preservation contest in which, to date, 56 towns have entered in competition for \$500 in cash prizes. The activity on the two declarations has been designated as contest items (Project 1, Group 3) and action taken by competing towns will be recorded in their contest files for grading.

#### DAVE SANDERS GETS POST OFFICE JOB

Dave Sanders, who has been employed the last few months as butcher at Boullion's and before that as butcher at G. and R. Food store, received notice of his appointment as postal clerk in the Slaton post office this week and will leave for there with his wife this weekend.

Dave had taken a civi service examination while residing in Slaton almost six years ago, and had almost forgotten about taking it until he received his appointment. The new position is that of substitute clerk and carrier, and the postmaster there assures him that he will have more than full time work, enough to pay a very good salary.

Dave Childers says that his son Jack was the pilot on the leader of those six army planes that flew over Tahoka a couple of Saturday's ago. Jack's plane dipped down rather low in hope that his father and others might recognize him. He is now teaching aviation at a field near Phoenix, Arizona.

#### HOME GIRLS SEE THE SIGHTS IN TAHOKA

Misses Oleta and Frances Price, who are employed in a department store and a jewelry store respectively in Lubbock, visited the home folks in the Dixie community on Armistice Day, and in company with their father, N. S. Price, they came to Tahoka to see the sights. Seriously, they did get much "kick" out of a visit to a cotton gin and the Lynn County News office.

Strange as it may seem, comparatively few women, with cotton gins all around us, have ever gone inside a gin plant and seen it in action. With all the modern appliances with which a cotton gin is now equipped, it is indeed interesting to watch it perform; but on account of the dust or fear of getting tangled up in the machinery, or the feeling that they might get "in the way" of busy gin employees, very few women venture into a gin plant, especially during the busy season.

And a Linotype machine in a printing office is also worth anybody's time to observe while performing. It is indeed an ingenious machine. The fellow who invented it worked twenty years at the job and then went crazy, it is said.

#### NEW HOME GIRL WEDS LAKEVIEW BOY

Miss Gwendolyn Balch, daughter of Mr. and Mrs. J. T. Balch of New Home, was married to Frank Timmons, son of Mr. and Mrs. W. H. Timmons of Lakeview, at four o'clock last Sunday afternoon at the home of Rev. Collins Webb, pastor of the New Home Baptist Church, who read the marriage rites.

The couple accompanied by Roy Timmons and Miss Norma Thompson, Miss Effie Lloyd, and Mr. and Mrs. J. D. Prather.

Soon after the ceremony the couple left on a brief wedding trip to Abilene and Dallas, returning home Wednesday. They will reside on the J. T. Balch farm near New Home.

Mr. and Mrs. Fenner Tubbs and little daughter, Sara Jane, were down from Lubbock Sunday visiting Mr. and Mrs. Tom Garrard. Little Miss Sara Jane is the first grandchild, and this was her first visit to Tahoka for the nine weeks old lady. Mrs. Tubbs is the former Miss Juanelle Windham, daughter of Mrs. Garrard.

Herman Anglin has been appointed electrical inspector with the Government engineers at the Twin-Engine Bomber Field under construction west of Lubbock, and he and his wife have moved from O'Donnell to Lubbock. He began work at the field last week.

Pumpkin Cream Pie Broadcast by Mary Lee Taylor, Nov. 13

1 cup sugar 1/2 teaspoon salt  
 2 tablespoons cornstarch 2 cups Fat Milk  
 1 cup freshly cooked or canned pumpkin 1 cup pumpkin  
 2/3 cup pumpkin pie spice 2 eggs, separated

Mix together 3/4 cup sugar, cornstarch, pumpkin pie spice and salt. Stir in milk and pumpkin. Cook over rapidly boiling water 20 minutes, stirring frequently. Remove from heat and stir into slightly beaten egg yolks. Return to heat and cook 2 minutes longer, stirring constantly. Cool thoroughly. Pour into baked pastry shell. Beat egg whites until stiff. Beat in remaining 1/4 cup sugar gradually. Spread on top of pie. Bake in very slow oven (300°F.) 15 minutes, or until brown. Makes 9-inch pie.

NOTE: 1 teaspoon cinnamon, 1/2 teaspoon cloves and 1/4 teaspoon each of ginger and nutmeg may be substituted for the 2/3 cup pumpkin pie spice.

## Homecoming . . .

Continued from Page 1  
to other business matters of the organization. All ex-students are urged to attend this meeting, according to Harlan Cook, president of the association.

Main event on the calendar for the fourth annual homecoming will be the Tahoka-Brownfield football game to be called on the local grid-iron at 2:30 the afternoon of the first Thanksgiving.

Miss Myrna Dean Gaignat, daughter of Mr. and Mrs. D. W. Gaignat, will be presented to the spectators as the official 1941 football queen at the half of the game. Her court will consist of losing candidates in a recent contest sponsored by the athletic department of Tahoka High School. Girls appearing in the queen's court will be Misses Billie Lee Greer, Helen Belle Pemberton, Jeanine Smith and Dona Sue Millikin.

Ray Weathers, representing the ex-students, will present a gift to the high school and give the welcoming address to all ex-students at the half. Wayne Shawn, president of the senior class, will accept the gift for the high school.

The Ex-Students Association is sponsoring a membership drive and members of this organization will be given a football badge to wear at the game. Dues are 50 cents a year.

Officers of the Ex-Student Association are: Harlan Cook, class of 1928, president, Happy Smith, class of 1914, vice-president, and Mrs. Fred McGinty, class of 1928, secretary. Mrs. Oscar Roberts, 1919, is general chairman of arrangements for the homecoming activities. Mrs. Myrtle Rochelle, 1930, is head of the gift committee and reporter of the association.

## Nowlin Reports On Brotherhood Meeting

Deen Nowlin, president of the Brotherhood of the Tahoka Baptist Church, attended the state convention of the Brotherhood in Abilene Monday night and Tuesday, missing the Monday afternoon meeting. He gave it as his judgement that it was the finest convention of any kind he had ever attended.

Every address, he says, was simply tops. First came Dr. Geo. W. Truett Monday night. Dr. Truett is considered one of the greatest preachers of the denomination, and he is always good.

One of the first speakers Tuesday morning was Lyman Wren, a business man if Snyder, who has made for himself quite a reputation throughout this section of the state and who has spoken to the Tahoka Brotherhood twice. Deen says that Mr. Wren had all those preachers singing his praises, as well as the laymen. The subject of his lay sermon was: "And they brought him a bundle of sticks".

Deen says that one of the finest addresses of the entire convention was that of Dr. Homer P. Rainey, president of the University of Texas. Dr. Perry F. Webb, pastor of the First Baptist Church of San Antonio, preached a marvelous sermon. Then in the afternoon, Senator Josh Lee of Oklahoma reached the highest heights in an address of an hour and twenty minutes in which he held his vast audience spellbound.

Deen says there were several other short addresses during the convention, every one of which was good. He returned home Tuesday night, not remaining for even the first meeting of the Baptist General convention.

## BAPTIST BROTHERHOOD

The Baptist Brotherhood will meet at 7:30 Tuesday night. A good program has been planned and it is hoped that all our Baptist men will come out and find out what the Brotherhood is doing and join in planning greater activities.

Come and fellowship with us—Melvin Rathel.

## Canada Fights COUGHS

This New Amazing Way Acts Like A Flash  
By far the largest selling cough medicine in all Canada is Buckley's CANADIOL Mixture. Compounded from rare Canadian Pine Balsam (by a secret process) Buckley's is entirely different from anything else you ever tried. Get a bottle today—take a teaspoonful, let it lie on your tongue a moment then swallow slowly instantly you feel its powerful effective action spread thru throat, head and bronchial tubes. Coughing spasm ceases. Right away it loosens up thick choking phlegm—opens up clogged bronchial tubes—makes breathing easier. Now you'll know why over 10 million bottles of Buckley's famous cough mixture have been sold in cold wintry Canada. Tahoka Drug and most good druggists now have this great Canadian discovery.

## Football . . .

Continued from Page 1  
The band and many fans expect to follow the team to Post.

Next Thursday, a huge crowd is expected to see the powerful Brownfield Cubs play the Bulldogs here in an afternoon affair. Brownfield's large band, pep squad, and several hundred fans expect to be present.

Though the Cubs have run over all opposition so far, the Bulldogs are expected to give them an interesting afternoon next Thursday. It will be remembered that last year the Cubs were supposed to run away with things, but Tahoka gave them a decided scare in a very close game.

Brownfield's season record follows: Cubs 28, Kermit 0; Cubs 31, Levelland 0; Brownfield 26, Seagraves 6; Cubs 32, Seminole 12; Cubs 59, O'Donnell 0; Cubs 39, Denver City 7; Cubs 32, Post 7; Cubs 38, Slaton 0.

## Frank McGlaun, Jr. Is Given Promotion

Word has been received from the Air Corps Gunnery School at Las Vegas, Nevada, that Frank McGlaun Jr. has been made Staff Sergeant and placed in charge of the 546th School Squadron Supply. This rating is one of the most important ratings in the Air Corps.

Frank has been in the Air Corps ten months and has proven to be of considerable value in this branch of the service.

He is expected to return to his home here on a furlough in the near future and prior to his transfer to the Air Corps Advanced Flying School at Roswell, New Mexico.

Frank is the son of Mr. and Mrs. A. F. McGlaun Sr.

## Wade Howell Is Honored At Tech

Wade Howell, textile engineering student in the Texas Tech, was here Sunday visiting his parents, Mr. and Mrs. Belton Howell.

Wade was recently elected president of the Texas Tech Textile Society, which is considered quite an honor among the students of the institution. He is a senior this year and expects to receive his degree next June and a lucrative position soon thereafter.

He is the only member of the Freshman textile engineering class

with which he entered the college three years ago, who expects to receive the same degree they started out to obtain. Others have dropped out or switched.

Wade and possibly twenty other they will visit a number of textile mills, some of them far from home, some time during the year. They earn the money with which to pay the expenses of such a trip by making and selling laundry bags. About twenty boys took a trip of this kind during the last school session.
