Defense Guard Unit Planned For County

Selectees Take Physical Exam

With the advent of the new year, inductions into the army training camps and all war preparations are being speeded up.

On Monday of this week, twenty-eight Lynn county men went from Tahoka to Lubbock for physical examinations preparatory to being inducted into the armed forces of our country, if accepted.

All men in class 1-H, being those who are more than 28 years of age without dependents, have been notified to report for physical examination. Those who were previously inducted but dismissed because of age have been called back to camp.

Robert Draper, farmer, reported for duty Thursday. Principal Lee Dodson of Tahoka High School will report January 28. Roy Hicks has also been called to report.

Corp. Joy Edwin (Red) Brown, who had served out his first year and had been released, also reported again this week for service; and there may have been others also in this category.

The local board has received a call for eighteen white men to be inducted into the service on January 26; another call for whites, number not stated, on January 29; and two calls for February.

A call for one negro has been made for January 27, and a call for four negroes in February.

February 16 has been set as registration day for all men between the ages of 20 and 44 who are not already on the registration rolls. It is believed that this will include about 1,300,000 men.

There are said to be 1,800,000 men in the Army already.

82 Boxers Are Already Entered

Approximately 82 entries from 9 schools will participate in a preliminary Golden Gloves boxing tournament in the Tahoka gymnasium Monday, Tuesday, and Wednesday nights, January 19, 20 and 21. Coach Leo Jackson said response is so hearty that he considers the above estimate conservative.

Red and black saeten boxing trunks and a free trip to the district tournament at Lubbock are to be awarded the winners.

Participants expected from the various schools are: Post 10, Littlefield 10, Slaton 8, Lubbock 10, Brownfield 10, O'Donnell 5, Wilson 5, Tahoka 18. Rural schools 6.

Three new weights have been added in the competition, 85 pounds, 95 pounds and 105 pounds, giving the small boys a chance to compete. The trunks will be awarded the winners in these weights also.

Tahoka boys are working out daily, and some of them are showing a lot of promise. Coach Jackson said. G. W. White, who has added weight since last year will compete as a light weight. Others who have had previous experience and will make good showings for themselves in the local and district meet are Jim Bob Curry, middleweight; Kelly King, welterweight; Pete Jolly, middleweight; Werner Shaffner, light heavyweight; Sport Pendleton, flyweight; Wayland Hughes, featherweight; Buster Driver, lightweight; Jack Swafford, middleweight.

Some of the new participants who are coming along fast are James Babousette, John Bigham, Robert Macha, Bobby Ray Scott, Jerry Edwards, Billy Knight, and Durwood McClintock.

Arrangements have been made for the best on the plains to meet the Amarillo Golden Sandies here in the near future, but no definite date has been set for the meet.

Mr. and Mrs. S. W. Sanford had as Christmas guests their children, Mr. and Mrs. Lawrence Sanford of Draw and Mr. and Mrs. Ralph Bailey, Jr. of Brownfield.

Defense Bond Meeting Called

Deen Nowlin, Lynn county chairman of the Defense Bond and Stamp drive committee, has announced that a county-wide mass meeting in the interest of the purchase of Defense securities will be held in the district court room of the court house Thursday afternoon, January 22, at 2:30 p. m.

A program of interest to all is planned, with out of town speakers and two or three local speakers. Everyone is urged to attend.

Although here has previously been a shortage of bonds in this county, there are now plenty of bonds at the banks and post offices in Tahoka, Wilson and O'Donnell, Mr. Nowlin said.

Sales of bonds and stamps have undoubtedly been large in this county in the past few weeks, although it has been impossible to make a definite check of the exact amount sold because of the shortage of bonds.

J. W. Morris of San Francisco, Calif., is here visiting his uncle, F. E. Calvery and wife.

Tire Rationing Plan Is Announced Here

W. O. Thomas of Tahoka, E. J. Treadway of O'Donnell, and Lynn West of Wilson were sworn in as members of the Lynn County Tire Rationing board Tuesday morning. They will meet at the courthouse Saturday.

The board has asked every tire dealer in the county to have a member of that firm designated to the board as tire inspector. Inspectors should make application immediately at the county judge's office.

The selection was made by the county defense board, County Judge Chester Connolly, Mayor Deen Nowlin of Tahoka and Mayor Stansell Jones of O'Donnell.

The board will serve without remuneration. Their duties will be to accept applications of automotive vehicle owners for tires and tubes, and then to decide whether such owners should be allowed to purchase them.

Grocers Deliver Three Times Daily

As will be noted from an announcement made elsewhere in this paper, the grocers of Tahoka have decided to restrict delivery of groceries to their customers to certain hours of the day, 9 and 11 a. m. and 4:30 p. m.

This is made in compliance with the demands made upon them and all of us for the utmost economy in order that we may adequately support our National Defense program.

The customers, in fact, will suffer little inconvenience from this restriction if they will take care to make their orders for groceries before delivery hours.

These grocers are really to be commended for this step, and all their customers should and doubtless will cooperate cheerfully.

Fire Boys Take Warden Duties

The Tahoka Volunteer Fire Department met Wednesday night and made tentative plans for training auxiliary firemen, first aid crews and air raid wardens for home defense as soon as a coordinator is appointed and a program is set up.

Five members of the department will attend a first aid school in Lubbock this month in order to be prepared to give the training.

RETURN FROM CANADA

Dr. and Mrs. J. W. Sinclair spent ten days of the Christmas holidays visiting his parents at Kitchener, Canada, near Toronto, and friends and relatives at Detroit, Mich.

Initial Meeting Tuesday Night

Aubra Cade, Commander of the Marion G. Bradley American Legion post, has called for all ex-service men and all others in the county interested to meet at the Legion Hall in a mass meeting next Tuesday night at 7:30 o'clock to organize a Home Defense Guard. Application for the guard with the necessary recommendations has already been submitted to state headquarters, and Mr. Cade and Don Turner will meet with the Home Guard in Brownfield tonight to get pointers on the organization. Brownfield's unit has been organized a year and a half and are supplied with rifles.

75 members make up a unit, and at least that many men are needed to join. The Home Guard takes the place of the National Guard, which is serving in the U. S. army at present, and is subject to call to any place in the state when needed. Training will be along the same line as that formerly given National Guardsmen.

Drills can be started as soon as permission is granted from state headquarters.

District Judge Will Seek Re-election

District Judge Louis B. Reed of Lamesa announces that he will be a candidate for re-election to the office he now holds.

Judge Reed will have a statement on his candidacy soon, possibly next week.

ROLLIN McCORD HONORED

Rollin McCord, district attorney, was signally honored Wednesday night at Lubbock by being named royal vizier of the Dokey Lodge, Dramatic Order of Knights of Khorassan, Lubbock temple, for the coming year.

Tahoka Hi Exes Present Program

The Tahoka Ex-Students Association began what promises to be an active year Thursday morning when they had charge of an assembly program at Tahoka High School, with ex-students and an ex-teacher participating.

After a concert by the high school band, Harley Henderson, president, announced that the association will present a citizenship award at the end of the school term to the outstanding student in the high school.

Mayor Deen Nowlin spoke briefly, and an ex-student quartet and a chorus, under the direction of Kenneth Reid with Mrs. Jess Gurdley as accompanist, sang selections. Mrs. Fred McGinty gave an appropriate reading. The program was concluded by a brief address by Ex-Senator G. H. Nelson, a former superintendent of Tahoka schools.

Last Friday night, at a meeting of the officers of the association, three committees were named and tentative plans were made for a series of activities.

Committees named were: Gift and Awards; Jack Fenton, chairman, Pete Curry, Mrs. Kirk Pitts; Finance, Mrs. Calvin Edwards, secretary-treasurer and chairman, Claude Donson, Mrs. Sam Price, Misses Billie Swafford and Florence King; Social, Kenneth Reid, social director, A. R. Milliken, Ray Weathers, Mr. and Mrs. Oscar Roberts, Mrs. Pete Curry, Mrs. W. E. Smith.

Other officers of the association, not named above are Charles Townes, vice-president; Mrs. Pauline Walker, historian; and Mrs. Myrtle Rochelle, reporter.

Clem Gillepie and family, who have lived in this county a long time, are moving from the West Point community to a farm near Levelland. A mighty good family gone from Lynn county.

Candidates Seek Public Offices

Connolly Is Out For County Judge

Now serving his first term, Judge Chester Connolly announces this week that he will be a candidate for re-election to the office of county judge.

Judge Connolly had two opponents in the primary election in 1940, and was high man in both the first primary and in the run-off. He has been in office now just one year, January 1, and since the day he went into office he has been making a close study of the duties of the office and how he may best serve the people.

A level-headed business man for long years before he entered politics, he has brought to the office a fund of fine business judgment. Always conservative and careful in handling.

Sheriff Parker Asks Re-election

B. L. Parker starts the political ball to rolling this week by announcing his candidacy for re-election to the office of sheriff.

To undertake to introduce Mr. Parker to the voters of Lynn county would be somewhat like trying to introduce a man to his family. For eleven years now Mr. Parker has been serving as the chief peace officer of this county, and he knows the name and the color of the hair of nearly every kiddy in the county. Maybe that is an exaggeration; but he does know a lot of folks and still more of the folks know him.

About two or three years ago, Mr. Parker promoted the organization of the peace officers of the South Plains to the end that they might be able to help one another more efficiently in running down criminals who might operate in this territory. Mr. Parker was elected president of the organization at its first meeting and has been re-elected to the position regularly ever since. It has steadily grown in numbers, efficiency, and popularity among the peace officers ever since its organization and doubtless has been the means of keeping crime in this section reduced to a minimum.

The people of Lynn county have time and again put the stamp of approval upon Mr. Parker's work as sheriff by re-electing him to the office. As heretofore, he is running for the office on his record, and merely promises, if elected, to continue to do his best.

Weathers Asking For Tax Office

As our readers might have suspected already, R. P. (Ray) Weathers, county tax assessor and collector for Lynn county, says that he would be glad to serve again in that capacity. He is now serving his first term, and seems to be doing it with entire satisfaction to everybody.

"If elected, I promise to give the same, courteous, fair, and efficient service in the future," he states. "I will appreciate your votes."

Ray can solve a knotty tax problem, tell a joke, or take your tax money away from you through his little window, with equal facility. Both business-like and pleasing in his dealings with the public, he can soothe the pain of most any individual who feels that his taxes are unreasonably high.

Of course, most any tax collector can pass the buck on that point any way, but serious'ly we doubt if Ray has ever found it necessary to pass the buck on any proposition.

Gentle, pleasing, and accommodating, and assisted by efficient deputies, we can safely assert that Ray is one of the most popular and efficient tax assessors and collectors in Texas.

Mrs. Daniel Asks Treasurer Post

Mrs. Lois Daniel is making her announcement this week as a candidate for re-election to the office of county treasurer.

That she has served well and satisfactorily in this position is generally recognized. She may always be found at her post of duty, within office hours, and few if any are the complaints that have ever been made of her work by even the most meticulous of our people. Her announcement follows.

To the people of Lynn County: I am announcing for re-election to the office of County Treasurer.

I have tried to serve you faithfully in the past and have enjoyed the work. The experience that I have gained during the time I have been in office makes me feel that I can serve you better in 1943-44.—Lois Daniel.

Misses Lynette and Wanda Lee Tinsley are attending Draughton's Business College in Lubbock, going back and forth on the bus each day.

Huffaker Seeks Return To Office

Calloway Huffaker wants the people to know that he is willing, even anxious, to serve again as county attorney of Lynn county. He is now serving his first term.

Calloway is a kindly good-natured fellow until he has to go to the mat with some offender against the peace and dignity of the State, and when he does it is usually just too bad for said offender.

Not only has Calloway made a record as a good prosecutor, but he has also been active in civic and other public activities.

Recently he was chairman of the committee which made a successful drive for the special war-defense fund for the American Red Cross. Lynn county's quota being \$2,000.00, and the county had already gone over the top last week.

Mr. Huffaker didn't expect us to make mention of this matter in this connection; we just threw it in of our own accord, just as we are solely responsible for the other good things said about him in this announcement.

What Calloway really wanted us to say is that he will really appreciate your vote in the July primary. And he will.

Basinger Enters Precinct Race

T. H. (Haywood) Basinger is this week placing his announcement in the News as a candidate for commissioner of precinct No. 1.

Mr. Basinger has lived in the vicinity of Southland for many years and at one time operated a gin there. He has had experience both as a business man and as a farmer and is well qualified in every way to fill the position which he seeks.

He is popular with his home folks and they will doubtless support him almost unanimously.

His announcement follows.

After careful consideration I have decided to again make the race for the office of Commissioner of Precinct 1.

As most of you know, I made the race two years ago and lost by a small margin of 47 votes, and I take this opportunity to thank each of you who saw fit to vote for me before and I hope that you do so again.

To you who did not vote for me. (Continued On Back Page)

W. M. Mathis Is Clerk Candidate

W. M. (Walter) Mathis, county clerk, announces this week that he is a candidate for re-election.

Mr. Mathis is an efficient qualified and conscientious official, is always on the job attending to business, and, so far as the News knows, has not one enemy in Lynn county. Since assuming the office three years ago, Mr. Mathis and his wife have been residents of Tahoka and both have taken active part in civic affairs.

In making his announcement, Mr. Mathis said:

"I have much enjoyed serving you as county clerk of Lynn county, for which opportunity I sincerely thank the voters of the county who saw fit (Continued on Back Page)

Justice of Peace Seeks Re-election

If there is anybody in Lynn county who doesn't know Jim Dye, Justice of the Peace in Tahoka, we will give you a tip as to how you may know him. Just drop into the west end of the courthouse, first floor, and the first big ruddy-faced fellow that meets you with a smile as big as the new moon spread all around over his face—well that is Judge James E. Dye.

Jim is so good-natured that it is almost impossible to call him Judge, though he has been serving in that capacity three years now. We guess he has done a good job of it, for we have never heard any complaint.

So, now he wants to keep on serving in this capacity, and this week he is announcing his candidacy for re-election. He will be telling a lot of you people about it in person between now and primary election day in July. We bespeak for him your kind consideration.

Hattie Server Is Asking Re-election

Miss Hattie Server has authorized the News to place her name in the candidate announcement column, started this week, for re-election to the office of county treasurer.

Miss Server's efficient work in this office is well known to the people of Lynn county, and she appreciates (Continued On Back Page)

BAPTIST CHURCH
 The Loyalty Campaign has been continuing in spite of the bad weather, the mumps, and the measles. We had an average attendance for the month of December of 231 plus for every week. This is a small number compared to the number attending services in the Month of November, but we are looking forward to the ones who have been ill to get back into the harness and lend their assistance to those who have been fortunate enough to get to attend the services. There were 48 persons who attended more than 50 per cent of the meetings in December, and 7 had perfect records. We are hoping that the number making more than 50 per cent will exceed one hundred for the month of January. Won't you be one who will attend at least 75 per cent of the meetings of the Church?

The Brotherhood of the Church will be held Monday night, January 19 instead of the regular meeting night which is Tuesday. The meeting will be held at 7:30 p. m. at the Church and all men are invited and urged to attend this meeting.
 The Associational Training Union Emphasis Week program will be held in our Church January 20. This meeting is for all people who work in Training Union, and for all who would like to learn something about the Training Union. There will be people present from every Church in the Association. The program will start at 2 p. m. and will continue until 9:15. This should be one of the greatest meetings ever held in our Church, and we hope that all our members will make their plans to receive information and inspiration.

The Business Women's Circle met with the O'Donnell Circle Tuesday evening for the annual Banquet in the O'Donnell Hotel, sixteen going from Tahoka.
 Mrs. J. K. Applewhite of Tahoka made the principal talk, and the occasion was a very pleasant one for all who attended.

How much is experience worth?

WHAT DO most good doctors have besides skill? Experience.
Good lawyers? Golfers? Machinists? Experience.
 The same thing is true of good electric service. Running an electric company is a specialized business. Good electric service can't always be delivered simply on somebody's promise that it will be.
 It takes equipment, money, and what is most important, it takes trained men with the knowledge of how to serve.
 In our business, as in every other business, there is no substitute for experience.
 And to make a success of this business there must be this constant aim—to give customers more for less.
 For example, your household electric rates have been going down steadily to where they are only about half of what they were 10 to 15 years ago. This means that today you get about twice as much electricity as you used to get—for the same money. Business management of the electric companies has made this possible. Your electric company and its employees. The folks whose constant aim is to keep on improving your service, at less and less cost to you.

Funeral Is Held For J. J. Bishop

Funeral services for J. J. Bishop of Slide were conducted in the Church of Christ here Wednesday afternoon by Garnie Atkisson, Minister, following which the remains were laid to rest in the Tahoka Cemetery.

Mr. Bishop died at 3:40 o'clock Tuesday morning in the Lubbock Sanitarium of injuries suffered in an automobile accident on October 29, when a car which he was driving was struck by one driven by some Mexican at cross roads two miles from his home. His neck was broken and other injuries sustained. He has been paralyzed since the accident.

Mr. Bishop had resided in Lynn county for many years. Formerly he resided in the immediate vicinity of Tahoka. Born on March 2, 1892, he lacked less than two months of being 50 years old.

He was married to Miss Helen Johnson, daughter of Mr. and Mrs. L. C. Johnson of this county, in 1916. Nine children were born of this marriage, eight of whom are still living; these being, Mrs. Eva Welch of Oklahoma, Mrs. Lillian Welch and Mrs. Gladys Welch of New Home, Mrs. Thelma Stringer of Wells, Tobie Jr., Helen Pearl, Jessie Belle and Isabelle, all of the family home. All the children were present for the funeral. One child, Tressie, died in early childhood.

His wife, the mother of these children, died on October 6, 1937. In 1939, he was married to Mrs. Edna Gray, who was with him at the time of his death.

Besides the children, two step-children, and the wife, he leaves surviving him his mother, Mrs. Sarah D. Bailey of this county; two sisters, one living in Oklahoma and one in Louisiana; and many other relatives, among them L. C. Johnson of this county, father of his first wife and grandfather of his children, and other members of the Johnson family.

Mr. Bishop had been a member of the Church of Christ for many years. He was a good citizen and a good man, and he left a host of friends here and elsewhere, who greatly deplore the tragic accident which resulted in his death.

Christmas Store Chairman Reports

Mrs. D. G. Ridge this week reported on the success of the Christmas Store which was conducted this year by civic organizations of the town under her direction. She said toys and gifts were taken to over 300 children, and 62 baskets were distributed to families.

Total cash donations were \$47.00, and after Christmas there was a balance of a little over \$12.00, which was turned over to the Community Chest committee. Grocers donated some fruit for the baskets, and there were some home canned goods donated besides the many toys and other gifts. The Boy Scouts reconducted many toys, and women's organizations contributed time and some of their money to the store.

Mrs. Ridge said she considered the project a big success and appreciated the cooperation which she received in carrying it out.

G. H. Nelson Is Rotary Speaker

G. H. Nelson, former state senator and former Tahoka resident, was the principal speaker at Thursday's Rotary meeting. Also on the program were Dr. J. W. Sinclair, who told of his recent visit to Canada, pianist Bonnie Jean Clark, and some "horse play."

Kenneth Reid had charge of the program.

Visitors included Mrs. Fred McGinty, Pete Curry, C. A. Thomas, and Newt Barham.

Other Tahoka relatives attending the funeral services included Mrs. F. E. Redwine Sr., Mrs. Clarence Gaussoin, Winston Redwine, Rush Dudgeon, and Mrs. Stice.

Tahoka Teacher Weds Army Man

Miss Marion Oriana Bandy of Tahoka daughter of Mr. and Mrs. G. O. Bandy of Joshua, became the bride of Max Dodson of Camp Wolters, son of Mr. and Mrs. B. A. Dodson of Olton, at the home of her parents in Joshua Friday morning, December 26, at 11:30 o'clock. Reverend W. H. Brown of Cleburne, Baptist minister and great uncle of the bride, read the single ring ceremony by candlelight.

The bride wore a RAF blue crepe dress with a white gardenia corsage. She was attended by her sister, Mrs. J. A. Harrell of Houston, and Mr. Harrell attended Mr. Dodson.

Following the ceremony a reception was held for members of the bride's family and a few close friends. The couple spent the remainder of the groom's furlough in Abilene and with his parents at Olton.

Mrs. Dodson is a graduate of West Texas State college at Canyon, and teaches English and Spanish in Tahoka High school. She will continue her duties here.

Mr. Dodson is a private in the United States army at Camp Wolters. At the time of his induction he was a senior at Texas Technological college. He is a brother of Lee Dodson, principal of Tahoka High school.

Mr. and Mrs. Sam Holland left Tuesday for Dallas, where, after a physical examination he expects to enter Veterans Hospital. Mr. Holland has been in very bad health for the past year or two. His many friends here hope that he may get immediate relief and finally regain his health. They expect to call Fort Worth home—for a while at least.

Mrs. H. C. Story, in sending her renewal to the News from Austin says: "Give our regards to our friends in Tahoka."

Mr. and Mrs. Garland Pennington have purchased the Sam Holland home and are moving into Tahoka this week.

Basketball Boys Win Two Games

Brownfield and Seagraves were victims of the rapidly improving Tahoka basketball team in conference games played here the past week.

Seagraves was vanquished 30 to 5, the visitors being kept completely bottled up without a single point being scored in the first half, while Tahoka's first string ran up 20 points.

Tuesday night Tahoka defeated Brownfield 24-12, and thereby became a favorite for the district championship, along with Denver City. In a curtain raiser, Brownfield second team defeated Tahoka's second string 27 to 11.

Mr. and Mrs. Eldon Gattis, Mrs. C. G. Franks and son, Bobby, Mrs. W. F. Gallagher and George Knight left Saturday afternoon for San Antonio, where they visited relatives, returning home Sunday night.

FINLAND WANTS PEACE
Finland is now wanting peace with Russia. She could have gotten favorable peace terms with Russia a few weeks ago, before the tide of war turned on the Russian-German front. We don't know whether she can get peace on the same terms now or not.

Finland joined the axis powers a few months ago in their war on Russia, in spite of expressed disapproval on the part of the United States, because we did not feel that she should aid old Hitler in his drive to enslave the world.

But Finland had been unjustly attacked earlier by Russia and she saw an opportunity to get revenge. She therefore turned a deaf ear to the threats and importunities of our State Department at Washington.

Some of our isolationists and haters of England in this country deplored the fact that our State Department took a hostile attitude toward Finland for joining up with Hitler, on the ground that Finland was the only European country that had never made a default in the payment of its war debts to the United States. It was touted as the 'only honest nation in the whole bunch.

LITTLE MARY MIXUP - BY R. M. BRINKERHOFF

and much praise was heaped upon it.

The Finns doubtless are a fine people, industrious and honest, and we would not pluck from them a single item of credit to which they are entitled. It is commendable in them that they have consistently met their payments on this so-called war debt.

But in praising the Finns to the disparagement of other nations owing war debts to this country, these pre-Pearl Harbor axis propagandists overlooked some pertinent facts.

In the first place, Finland took no part in World War No. 1. It was never attacked by Germany. It never placed a single soldier in the field. It was not lined up actively either with the United States and the Allies or with Germany.

But presumably to arm itself against possible attack by Germany, it did borrow some money from the United States. At the close of the conflict, its so-called war debt to the United States amounted to nine million dollars, which was about \$260 per capita. A measly sum.

On the other hand Great Britain owed us four billion six hundred million dollars, which was about \$100.00 per capita. France owed us four billion and twenty-five million dollars, which was about \$96.00 per capita. Is it fair to praise Finland for making her measly little payments in disparagement of Great Britain and France, whose debts to us were staggering?

But that is not all. Finland did not lose directly a single dollar's worth of property nor the life of a single soldier in World War No. 1.

On the other hand, Great Britain suffered a property loss estimated at 35 billion dollars, more than \$750.00 for every man, woman and child in Great Britain. More than 900,000 of her soldiers were killed or died from other causes in the war, and more than 2,100,000 were wounded, a casualty list of more than 3,000,000, one out of every fifteen of her population.

France suffered a property loss of 24 billion dollars, more than \$560.00 per capita. More than 1,385,000 men were killed and 2,675,000 others were wounded, a total of more than 4,000,000 casualties, one out of every twelve of her population.

Our own losses in property and in men, as compared with these, were insignificant. The sacrifices that Great Britain and France made in that war are staggering. We have no right to disparage either of these nations for their conduct during that war nor for the failures that some of us have been chalking up against them since.

If Finland wants peace with Russia, we hope she gets it; but before she gets it she should cut loose, entirely from Hitler and his hordes.

President Roosevelt's speech Tuesday sent a message of hope to the millions of people living in the conquered countries of Europe. He assured them that we expect to furnish them arms with which they may again rise at the opportune time and, with our help, throw off the yoke of the hated Nazi aggressors. Already, the dissatisfaction and the unrest in these countries has been steadily growing. The tornado will break over the heads of Hitler and Mussolini sooner or later, and it may not be very much later.

County and precinct candidates have already begun to announce for various offices in this county this year. A few state candidates have also announced. Here's hoping that we, the people, will try to use the same good judgment in the selection of our public servants that we try to use in the selection of our private employees.

President Roosevelt declared Tuesday that we expect to hit the Nazis and the Japs, and hit them hard, wherever and whenever we can reach them. We will fight them on any front on which we can get to them. That means that we may send some of our millions of soldiers to Europe as well as to the Western Pacific. The declaration was cheered to the echo by the Congress assembled in joint session. We believe that it meets with the approval of the American people. As much as we regret the necessity for us to do so, we must give both Germany and Japan a strong dose of the war on their own grounds. They must have the lights whipped out of them right in their own front yards.

It may be several months before the United States can really swing into its real stride in the Pacific, but we are going to gradually increase our effectiveness there on land and sea and in the air, and if these Japs expect to win this war they had better get busy and do it within the next six months. Really, in spite of their initial successes and their present advantage throughout the western Pacific, they don't have the shadow of a chance to win this war.

We don't think old Hit, old Muss, or old Togo got any consolation out of that Roosevelt speech Tuesday. If this country gets anywhere near the mark set by the President for the building of war equipment this year, those boys will all be hiding in the tall timber long before next January.

Those Chinese, under the leadership of that splendid Christian gentleman, Generalissimo Chiang Kai-Shek, are putting Japs to rout in China just as Russians are putting the Germans to rout in Russia. We

T. E. L. CLASS

The T. E. L. Class of the First Baptist Church met in the home of Mrs. F. H. Hancock on Tuesday evening. Devotional was led by Mrs. H. A. Riddle. Scripture read was Psalm 100. Prayer by Mrs. A. J. Edwards after which they went into a business session and plans for the coming year were made.

They decided to raise a fund to help the war orphans of China. It is said that \$1.00 will feed one child for 30 days. Who wouldn't help feed the starving child?

We had a real spiritual meeting after which refreshments were served to the following: Mrs. A. J. Edwards, H. A. Riddle, Betty Douthit, Geo. Akin, J. L. Reese, Cornelia Kelly, J. L. Nevill, C. T. Oliver, Hancock and Minnie Fender the hostesses.

G. W. Taylor, father of Mrs. A. M. Cade, has been sick at the Cade home the past several days.

really hope that China doesn't whip those Japs before our boys can get to them.

The people of the South Plains should be thankful for the fair share of prosperity that has come this way the past year. We have been blessed far more than most other sections of the country with good crops that brought fairly good prices. Wonderful South Plains.

Jack Fenton's Home Is Burned

The home of Mr. and Mrs. Jack Fenton was razed by fire and all their furniture and clothing burned last Saturday morning. Origin of the fire is unknown.

Mrs. Fenton had stepped over to the home of her mother-in-law, Mrs. R. W. Fenton, Sr., and Mary Louise, their five year old daughter, was playing in the yard at the time the fire was discovered by a neighbor.

A. R. Bostick was able to salvage some fishing tackle, guns and quilts, but the house burned so quickly that everything else was lost in spite of desperate efforts on the part of the fire department to put out the fire. Fire plugs nearby were frozen and the fireboys could not get a spray of water to the house.

The loss was partially insured.

Mrs. Ruby Fields and daughter, Eva Jane Wood, and Mrs. D. B. Cheatham of Los Angeles are expected the first of next week to visit relatives here. Eva Jane will remain for some time for a visit with her grandmother, Mrs. E. S. Davis, and her grandfather, R. C. Wood.

Defense School Starts Monday

The school is sponsored by the Federal Government and the Tahoka public schools, but enrollees need not be students in the local schools.

Lyntegar Extension Will Be Made

Garland Pennington, Manager of Lyntegar Electric Cooperative, Inc., of Tahoka, has announced receipt of an A-10 Preference Rating from Donald M. Nelson, Director of Priorities of the Office of Production Management, to secure the necessary materials for the construction of 230 miles of electric lines to serve approximately 550 new members in Borden, Dawson, Garza, Hockley, Lynn, Martin, Terry and Yoakum Counties.

Mr. Pennington states that electricity on the farm means more to the farmer, and to the nation, than ever before, as a tremendous burden will be placed on the American farmer to provide food and clothing for the people of the United States and our Allies during the years of conflict that lie ahead. Since farm labor is becoming very difficult to obtain, and since the cost of this labor is becoming prohibitive for the average farmer, the value of electricity for the farm is reaching the proportions of an absolute necessity.

Lyntegar officials are paying high tribute to Mr. Donald M. Nelson and the Office of Production Management for the wisdom and foresight they have shown in making available the materials for this line construction as the increase in farm production which will result from the increased usage of electricity will do much to help win the war and write the peace.

Mr. Edward P. Price of the Consulting Engineering firm of Price & Hawk, who are the engineers for this project, states that much credit is due Senator W. Lee O'Daniel and Congressman George Mahon for their loyal and untiring efforts in behalf of the farmers and rural communities of this section in presenting their problems to the Office of Production Management, and in securing the Preference Rating necessary to the construction of these lines. Mr. Price also says that he has written numerous letters to Senator O'Daniel and Congressman Mahon in regard to priority ratings for rural lines and that they have given much of their time and effort to this matter.

You can help us continue this delivery service by allowing us a little time on your orders. As you know, if you demand rush orders, we have to make extra trips. At times, we can give you service within a few hours, and again we may have to ask you to give us two days or more notice on orders.

As you know, it is nearly impossible to get tires, and we all want to help conserve this rubber. Most customers are very thoughtful along this line already, but there are a few who are not, and we ask you to PLEASE co-operate with us.

the present time, he asks the voters to kindly consider his claims for a second term, with the promise that if elected he will continue to serve to the best of his ability.

His statement follows: "In announcing for re-election to a second term as your county judge, I want to thank the voters for their liberal support in the past, and to solicit your vote and support in the primaries this summer."

"I have done the best of my ability as your judge this past year, and will continue to give the business of the office my careful study. Having had this experience in the office, I feel I will be even better qualified for this second term, if you see fit to return me to the office. I propose to give the people of Lynn county a fair, conservative, and business-like administration with careful consideration of every problem coming under the jurisdiction of this office. Again, I thank you for past favors and co-operation."

I solicit just consideration and your vote and influence in the coming election. I hope to see all the voters possible between now and election day. The office of district clerk requires only a portion of any incumbent's time, and all who have served in this capacity since the office was separated from that of county clerk have found it necessary to engage in some other employment part of the time. For the past several months, Miss Server has been supplementing her remuneration from this office by serving part of the time as a bookkeeper in the First National Bank. Prior to that, she assisted at times in other offices in the courthouse.

But, she is always accessible to the public and may be found in her office at any and all times when official business demands her attention. She will appreciate your support in the July primaries.
