Tahoka Organizes Defense Guard Unit

Complete Company Enlisted Tuesday At Legion Rally

Tahoka will soon have a company of Home Defense Guard, as a result of a meeting at the American Legion home here Tuesday night, at which 79 men signed applications for enlistment. An effort will be made to secure inclusion of the company in the Texas Defense Guard, which has been organized to take the place of the National Guard, now in active service.

Don Turner was elected captain of the company, E. R. Edwards, first lieutenant, and H. O. Hargett, second lieutenant. The commanding officers will select their non-commissioned officers.

Turner received military training at Texas A. & M., and Edwards and Hargett saw service during the World War I.

The meeting was called by the American Legion post, of which A. M. Cade is commander, following investigation of the work of the Guard in other towns by Cade, Turner, W. T. Bovell, and others. Assisting in the organization were Capt. Pitt Edwards, Lieutenants Holt and Glenn Akers, and Sergeant Black of the Brownfield Texas Defense Guard company.

Attending the meeting were 100 men from Tahoka and Lynn county, about half of them Legionnaires, 76 of whom signed for enlistment, and three more were added to the list Wednesday. Though the maximum membership will be 75, it is expected that several may be cut out in the physical examination and for other reasons. However, many men not present at the meeting may desire to join the Guard and they may do so

Thieves Caught, Tires Returned

Two gentlemen who recently allegedly stole tires from cars in Tahoka are learning that such thefts do not pay. The two men, one of whom lives at Lubbock and the other at Littlefield, were making a collection of automobile tires when apprehended by Tahoka and Lubbock sheriff departments. A total of 33 tires were recovered and returned to their rightful owners.

Stolen in Tahoka on the night of December 30 were one tire each from the cars of Jim Burleson, Ovid Luallin, Harold Snowden, and Victor Botkin, while their cars were parked at the Baptist Church.

Soon after the theft, officers were on the job, and the two men were arrested on January 3. One has received a 2-year jail sentence and the other, who pled guilty, received a 3-month sentence.

Mrs. Tunnell Asks For Second Term

Mrs. Lenore M. Tunnell, county school superintendent for the past three years, this week announces for re-election for a second term in this office.

Mrs. Tunnell has been a resident of Lynn County for many years, and was a teacher in Tahoka high school most of this time. She is well known to practically every citizen in the county, but she promises to see every voter possible before election day.

Her statement follows:

To the People of Lynn County:

As I announce for re-election to the office of Lynn County School Superintendent for a second term, I wish to thank the people of the county for the opportunity they have given me to serve them in the past, and I want them to know how very much I appreciate the co-operation and kindness they have given me in my work. This kindness and loyalty has made my work most pleasant.

Car Tax Stickers Available Soon

WASHINGTON, Jan. 15 (Spl.) — The Treasury said Thursday that the new automobile tax stickers would go on sale in postoffices and federal revenue offices throughout the country, Jan. 26.

The first sticker, which every private automobile or truck will have to carry after Feb. 1, will cost \$2.00 and will be sold at the annual rate of \$5 each. Other stickers at varying costs will be sold for all other types of motor vehicles and motor boats.

The Treasury at first is going to ask motorists to go to postoffices or revenue offices and buy stickers on their own initiative. A record will be kept of those who pay and will be compared with registration lists to find out how many persons will have to be reminded of the new tax, which was enacted by Congress last Fall.

The first sticker will be a green revenue stamp showing a Liberty Bell design.

The Treasury said that because these stamps have an actual value, they will be sold only for cash or money orders or certified checks. No personal checks will be accepted.

School Will Offer Defense Course

"Your school has been selected as one of the few of Texas schools to offer 'Economic and Social Problems of the Agricultural South,'" is quoted in a letter received by Superintendent Hanes from the United States Department of Agriculture.

This is a course dealing with the agricultural conditions of the south and is designed to equip students to better understand and appreciate the problems confronting agriculture in this chaotic age in which we are living.

In keeping with a previous pledge to accept any responsibility which confronts it, the Tahoka schools, believing a course of this nature is of importance to our community, will offer in some form the above course the second semester of this year which opens today.

Harvey Freeman returned to Abilene Tuesday, where he will again be employed at Camp Barkley. The Camp is being enlarged.

Leon Jennings Asks Second Term

Leon Jennings, commissioner of Precinct No. 4, announces this week that he is a candidate for a second term.

Mr. Jennings needs no introduction to most of our readers, he having been a well-known farmer of the New Home country for twelve years. During his first term as county commissioner, he has applied himself to the job of running the affairs of the county and of his precinct to such a degree as to warrant many complimentary remarks from the public.

"I certainly do appreciate the past favors the voters of my precinct and all other citizens have given me," he said in making his announcement for re-election. "My desire is to make you the best commissioner possible. I am giving careful attention to the handling of the county affairs in a most economical way and at the same time giving every part of our precinct the best roads possible with the equipment and funds available."

"I am now well acquainted with the affairs of the office, and I feel that I am better equipped to serve you in the future. Meantime, I will appreciate helpful suggestions, as well as your support and vote in the coming election."

Mr. Jennings hopes to see every voter in his district before election day.

Many New Readers In News Family

Two weeks ago The News carried a brief story calling attention to its rapidly growing subscription list.

Since that date, The News is being read by 30 additional families, bringing the circulation to 1500. In fact, 1530 copies of the paper are being printed this week, and the circulation is now the largest in the history of the publication.

There is no more economical method of getting a message to the people of Tahoka than through the columns of The Lynn County News.

Bids Asked For Carrying of Mail

Bids for mail route from Big Spring to Tahoka and Lubbock, the service to start Feb. 1, will be received until Jan. 20 by the postoffice department, according to an announcement by Postmaster Amos Howard of Lubbock.

The route, according to bid announcements, will be a 6-day service from Big Spring to Lubbock and return, with stops at Ackerly, Lamesa, O'Donnell and Tahoka. The route is to leave the Big Spring postoffice at 7 o'clock, stop at the T. and P. railway station to get mail from a train, with not more than an hour and a half wait, and arrival in Lubbock in time to connect with a Santa Fe passenger train for Amarillo, scheduled to leave at 1:15 o'clock.

Return is to be from Lubbock at 2 o'clock, with connections at Tahoka to be made before 7 o'clock and arrival in Big Spring at 9:15 o'clock. Sunday service will be to Tahoka only, the announcement said.

Train Almost Gets Geo. Short

George Short is hustling around about as fast as ever, but he came near being stopped cold Monday.

And, thereby hangs a tale. Mr. Short had been having some feed ground at Burleson's feed plant. As he was leaving the mill, he drove his car out onto the railroad track. It happens that the Blueweed Special was steaming down the track, unbeknown to George, at the same instant. Before George could say Jack Robinson, the train had bashed in the side of his car and flopped the car, George, and all over on the ground.

The boys at Burleson's dashed to the rescue, but you can't hurt old George. And he's still driving the car.

Tire Inspectors Named By Board

W. O. Thomas, chairman of the Lynn county tire rationing board, the other members of which are Lynn West and E. J. Treadway, reports that the following men have been named tire inspectors:

- Vernon Davis, Tahoka.
- J. K. Applewhite, Tahoka.
- Kelly Hill, Tahoka.
- Frank Liddell, O'Donnell.
- Conway Clingan, Tahoka.
- B. E. West, Tahoka.
- A. P. Edwards, Tahoka.
- Boyd Smith, Tahoka.
- H. B. McCord, Tahoka.
- Bill Balch, New Home.

"Other reputable tire dealers are expected to make application for approval as tire inspectors," Mr. Thomas says.

BOY IN ARMY INJURED

Mr. and Mrs. E. J. Sproles of Wilson have been informed that their son, who is in an Army camp in the state of Washington, lost an eye and received a serious injury to one of his arms in a recent accident.

Basketball Team District Favorite

Upon defeating the Denver City Mustangs in a basketball thriller Tuesday night with a score of 32-28, Coach A. L. Paces' basketweavers established themselves as favorites to capture the title for the south half of district 5-A this season.

After taking an early lead of 8-2 in the first quarter, the Bulldogs were trailing at the half 19-14. Captain Wayne Shawn led the assault, banging the basket for 18 points and helped his team mates give the Mustangs the defeat.

The Bulldogs have only lost one game this season. They were defeated by Seminole in the early part of the season on penetrations.

In an interview Wednesday, Coach Pace stated that Tahoka had the best basketball team that the school has had in several years and yet the crowd of spectators at the home games is rather small. Quoting Coach Pace, "The boys have an excellent chance of winning the district title, but they need some backing at home to do so."

Boys making the trip to DeWey City Tuesday night were Wayne Shawn, Morris McClendon, Dub Pulford, James Harvick, Leonard Wardlow, Charles Bullock, Clyde Briley, W. C. Harvick and E. L. Short.

Wednesday night of this week the boys team defeated Meadow, one of the strongest Class B teams in this section, 27 to 15. The girls team lost 14 to 19.

The present rating of the district teams is as follows:

| Team | Won | Lost | Pct. |
|------------|-----|------|------|
| Tahoka | 4 | 1 | .800 |
| D. City | 4 | 1 | .800 |
| Seagraves | 3 | 2 | .600 |
| Post | 3 | 2 | .600 |
| Seminole | 2 | 3 | .400 |
| Brownfield | 2 | 3 | .400 |
| O'Donnell | 0 | 5 | .000 |

USO Funds Put To Excellent Use

Results are now becoming evident at the Army camps and other Service concentration points as a result of the recent United Service Organizations for National Defense drive, (USO) according to Mrs. Era Stewart, who conducted the drive in Lynn county.

The program now embraces 514 operations, of which 232 are service clubs, she is informed by E. B. Germany, Dallas. Up to now the clubs have been temporary rentals, but 131 of the 191 new buildings, to serve as recreation centers, were ready by January 1, 1942. And Texas has gained more from this program than any other state, as more military camps are located in Texas than in any other state.

The goal of the drive was \$10,765,000, and the people gave more than sixteen millions.

Lynn county was the first county in the 19th Congressional district of which Mrs. J. W. Elliott is district chairman, to raise its quota. In fact Lynn and Howard were the only two counties in the district raising their quota.

A total of \$1021.65 was raised in Lynn county, and the quota was only \$850.00.

FSA Will Hold Meeting Monday

The county Farm Debt Adjustment Committee will be in charge of the program. Mr. E. J. Emanuel, Chairman of the Committee, will be in charge of the meeting. Everyone interested in land tenure is invited to attend. Mr. Peter F. Murray, District Farm Debt Adjustment Supervisor, will be on the program.

Wanda Faye Smith, daughter of Mr. and Mrs. A. L. Smith, is ill with the measles.

Variety Program At Rotary Club

Short talks by five members featured Thursday's Rotary program. Frank George, Al Smith, Joe Haire, Carl Owens were each called on for talks on the effect of the war on bread, groceries, railroads, and lumber respectively, and Don Turner spoke on the farm outlook for this year.

Miss Julia Snowden rendered two vocal solos, accompanied at the piano by Mrs. Melvin Rathaal, which brought much applause.

The program was under direction of Dr. Jim Sinclair, chairman for the month, who announces that a new series of programs have been arranged for the next three months. New members voted into the club Thursday were: Pete Curry, G. A. Blanton, and C. A. Thomas.

New Grocery Is Opening In City

Pettigrew Food Market, the new store on the west side of the square, is holding its opening today, Friday, and Saturday. Coffee and doughnuts will be served visitors.

Workmen have been busy the past week installing fixtures and stocks of groceries, vegetables, and meats.

G. H. Pettigrew, who is the owner, has moved his family to Tahoka from Lubbock where he has had his headquarters as a traveling salesman for a wholesale grocery house for several years. Among other employees in the store are Virgie Higgins, checker, W. A. (Bill) Higgins, butcher, and Denver (Pink) Anderson store assistant.

Keith Connolly Is Safe In Philippines

Mr. and Mrs. "Skinner" Connolly have received word through their son, Finis, who is in the Army in California, that their other son Keith is "safe and well in the Philippines."

Mrs. A. D. Davis and son, Slaton of Dallas came Tuesday and will visit with Mrs. Davis' parents, Mr. and Mrs. W. B. Slaton.

Lonnie Williams For Re-election

Running for a second term, Lonnie Williams of Draw this week authorizes us to announce his candidacy for the office of county commissioner of Precinct No. 2.

Mr. Williams has been a resident of this precinct for 22 years and has long been active in affairs of the county. He is well known to all and is one of the leading citizens of his precinct.

"While I may have made some mistakes," he says, "during the first year of my first term, I am trying to profit by them in order that I may be of the best service possible to the county and to my precinct. I appreciate constructive criticism at any time so that I may better handle the work of this office."

"The voters have been mighty nice to me in the past, all of which I appreciate very much. I pledge myself now, if you see fit to re-elect me to this office, to work just a little bit harder to give you the very best county roads and the most efficient county government possible, for the money available."

"I'll try to see all of you personally but in the meantime, please consider this a personal message. I'll certainly appreciate your co-operation and support."

Boxing Tournament To Open Monday

82 Fighters Enter Golden Gloves Meeting Here

Some of the best boxers on the South Plains are entering the Tahoka boxing tournament which is scheduled to begin Monday night and continue through Wednesday, January 21 at the local gymnasium. All bouts will start at 7:30 o'clock each night.

A few of the boys that have sent in their entries are Tech McLaurin, O'Donnell flash, who is considered a top ranking welter-weight, Dale Odam, another voy who is popular in fight circles and Glen Bratcher of Draw who will represent Tahoka. Several Lubbock fighters are entering the tournament. Competition promises to be strong in each division. Eighty-two fighters in all, have entered.

Weighting of the boxers will begin Monday afternoon at 5 o'clock. If there are boys that have not entered the tournament and wish to do so, they can report to the Tahoka gymnasium Monday afternoon at 5 o'clock.

The three added weights for the smaller boys, 85, 95, and 105, should be of interest to a number of boys who have ambitions to box yet are not large or old enough for the Golden Gloves boxing. Trunks will be given to the winners in all the divisions.

Fourteen Tahoka fighters entered the Post Tournament Thursday and Friday night of this week.

Judge Louis Reed Called To Service

District Judge Louis B. Reed received orders from United States Military Authorities last week to report at Fort Sill, Oklahoma, January 12th in uniform. Judge Reed's military rank is that of Lieutenant Colonel, Field Artillery, and it is at that rank and branch of service to which he has reported for duty.

Col. Reed is a veteran of World War I. He entered the First Officers Training Camp in May, 1917, and upon graduation was commissioned as a Lieutenant of Artillery. He was assigned to the 90th Division, composed of Texas and Oklahoma men, and served with this famous division from its organization until his return to civil life in July, 1919. He served with the division both in France and in Germany in the Army of Occupation.

Col. Reed was commissioned as a Captain in Field Artillery, Reserve Officers Corps, following his honorable discharge from active service, and during the years since, by studies and summer training service, he has been advanced to his current rank.

Lt. Col. Reed stated that members of the Reserve Officers Corps have expected a national emergency and have worked hard to keep informed on modern military problems and to keep in physical condition to meet the National emergency requirements.

His orders were that he report to Field Artillery Replacement Training Center, Fort Sill, Okla.

F. S. A. Families Repay Loans

Lynn County farm families cooperating with the Farm Security Administration have made substantial repayments on their loans advanced by this agency and are beginning the New Year with the best prospects in years.

This information was released this week by Wyman J. Welch, rural rehabilitation supervisor for this U. S. Department of Agriculture agency in Lynn County, with offices in the courthouse at Tahoka.

"Eager to do their part in the Food for Freedom campaign, a basic part of National Defense, these farm families," said Mr. Welch, "are busy with plans for increasing production of many needed food items in 1942. They are cooperating in the greatest manner possible with the local USDA Defense Board and their support will do much to help this county reach its food production goal."

Gains made by FSA families in the past year are shown in the records of repayments. With most loans due for payment later on, 30 farm families in Lynn County have met their 1941 obligations before they were due, and 8 families have paid their accounts in full and will need no further loans from this agency.

Mr. Welch said the families who are "graduating" from this program this year are equipped with adequate farming equipment, workstock, hogs, chickens, cows and other facilities which will enable them to operate their farms successfully and contribute much to the Food for Freedom drive.

"In addition to having sufficient funds, food and feed with which to carry out their operations in 1942," Mr. Welch continued, "these people have learned the value of keeping accurate farm and home records; how to diversify their crops to best advantage, and how to protect and conserve the fertility of the soil they till."

The rehabilitation supervisor said 10 farmers are participating in community and cooperative services sponsored by Farm Security Administration, and that additional co-ops are being organized over the county and will be placed in operation soon.

Eleven families have purchased farms under the Bankhead-Jones Farm Tenant Act. Several of these families will make two payments on their loans this year. Two loans are pending at this time which will bring the total to 13 farms that have been purchased to date in Lynn County.

Many other plans are offered families served by FSA. These farm debt adjustment services, long-term lease forms, health and sanitation, improvement, and farm and home guidance.

Although the Farm Security Administration is serving more than 140 of farm families in this county, this agency's services are available to other small and low income operators who cannot get adequate credit elsewhere. Farm families who may need help to carry on their operations in 1942 are urged to contact Mr. Welch immediately. Feed, seed tools, livestock and equipment necessary for preparation, planting, cultivating and harvesting crops are among the things for which loans are available to worthy applicants.

WHAT'S DOING AROUND GRASSLAND

Its a cinch there will be cotton ginned in 1942, as both gins are still running.

There is a good bit of maize to be headed yet, lots of feed to haul in, and cotton to pull. Most all the hands have left, so it seems the farmers are going to be late getting their land put up.

The measles and mumps are still raging. No one seems to be escaping them this year so far.

Mrs. Ruby Rash and her sons, Billie and Elmer have the measles.

Mrs. Eugene Evans has the mumps Mary Gene and Arvil Roy Evans have them also.

Mr. V. V. Laws is just getting over the mumps.

There was preaching at the Methodist Church Sunday. A large crowd was there.

Mr. George Glenn and family of Ropesville visited relatives in Grassland Sunday.

Mr. and Mrs. C. C. Jones spent the weekend in Coleman. They were accompanied by Mrs. J. E. Bullock as far as Abilene. She visited her daughter, Mrs. A. L. Taylor.

Mesdames E. S. Evans of Fort Worth and Tom Mott of Amarillo are here visiting their parents, Mr. and Mrs. R. B. McCord and other relatives and friends.

Education Makes Changes To Meet Demands of War

By W. T. HANES

Education's first job from now on is to help win the war. Everything else is secondary and the immediate need is for hard work, sacrifice and adjustment to the stringencies of war conditions.

The personnel of the Tahoka Independent school district accept the above challenge and hereby pledge to this community their wholehearted services for the continuation of the things all of us are fighting for.

It is the job of the public schools to build and maintain morale, courage, and confidence in the face of reverses inevitable in a war suddenly forced upon a people devoted to the ways of peace. In order to show their confidence in the outcome and their belief in America's ability to meet and overcome ANY obstacle, the Tahoka public schools believe it their duty to continue the activity program of its students.

Illiterate men are not good soldiers in a modern mechanized army. Selective service officials have already rejected 142,000 men who have not acquired sufficient education. The health of the youth of our nation must not, yea CANNOT be impaired by curtailment of health and athletic programs in the public schools.

"New occasions teach new duties". Teachers will assume their duty with determination and calm resolution to preserve the things for which we are fighting. It is the teachers' job to prepare the youth of America for an active, energetic, useful life in a Democracy that must never fail. EVERY CITIZEN MUST HEREAFTER ACCEPT HIS RESPONSIBILITY AS A CITIZEN. This means no more listless inactive citizens in any community. The schools will continue to keep us reminded of this responsibility. The Youth of America must be taught the true meaning of citizenship as never before.

NO PTA MEETING HELD THIS WEEK

The regular meeting of the Parent-Teacher Association scheduled for Wednesday afternoon of this week was postponed until the fourth Wednesday in Jan., which will be Jan. 28, according to Mrs. L. F. Craft, teacher in the local schools.

Postponement was because of the illness of Mrs. Fred McGinty, club president, and the prevalence of mumps in the town.

Mesdames Ruby Bergett of Galveston, Hugh Gray of Belen, New Mexico and Carl Sherrod of La Habra, California are here visiting relatives. The three ladies are daughters of J. E. Ketter and sisters of Mesdames Happy Smith and Sam Price.

Mrs. Roy Rockett of Wichita Falls and Mrs. Bill Cate of Jolly have been visiting their mother, Mrs. Pete Wetzel, who is critically ill, their sister, Mrs. R. L. Gray, and brother, Jim Wetzel. Mrs. Wetzel is some improved but is still very ill.

E. H. Boullion spent four days in Fort Worth on business this week.

ELDER DRENNON'S NOTES

A new year is upon us. What it holds for us, none knows. 1941 was kind to me and mine, for which I am thankful.

I failed to get the Christmas issue of the News, and we sure missed it. The first issue of the new year was sure newsy, and to know that it was read by so many; and, as Editor Hill said, it is a fine avenue to reach the people. (Credit that to Frank, Brother Drennon, but we will vouch for its approximate accuracy—Ed.)

I sure appreciate the privilege of having my notes printed in it. Editor Hill has sure been kind to me in printing all I have sent in.

I also appreciate the many kind words I have received of the readers. May God's richest blessings rest upon us all in the future, and may we live more worthy lives this year than ever before.

Our hearts were made sad yesterday on hearing of the death of the Governor's wife, but it brought to our mind the fact that death is abroad in the land, and to think how many lives will be snuffed out this year by war.

We were sorry to hear that Editor Hill was suffering with flu. We have escaped even a bad cold this winter, but I am knocking on wood. I attribute my good health this winter to sleeping outside on the porch. Last night it was real cold out there with zero reading, and to make it worse my wife moved inside.

I have made just one New Year resolution. That is To keep calm and cheerful whatever comes my way; and it seems to be that would be a good resolution for many to make.

Yours for more people who think of making a life than making a living and are more interested in the welfare of their souls than of their bodies.—R. P. Drennon.

(ED. NOTE: We will join you in that New Year, resolution, Brother Drennon, knowing full well that we are not so constituted as to keep it perfectly at all times. Just now we are not mad at anybody except the Devil, and old Hitler, who is meaner than the Devil, those pesky Pagan plunderers of the Pacific that we call Japs, for short; a bunch of Quislings scattered throughout the world, some of them in our own country—and that's all. Thanks for your kind words.)

Mr. and Mrs. A. C. Gray of Shawnee, Okla., visited Tuesday, and Wednesday in the home of Mr. and Mrs. Horace Blackburn. They are parents of Mrs. Blackburn.

District Judge Seeks Re-election

To the Voters of the 106th Judicial District:

I am a candidate for re-election to the office of District Judge. I seek election a second time on the basis of the record I have made and the manner in which I have tried to conduct the courts of the District. Due to the recent discovery of oil in the District about the time I became Judge, the dockets were unusually crowded, and since then an unusually large number of suits has been filed. Many of these suits have involved valuable oil properties and have been difficult to try and have required a great deal of time. Practically all of these difficult cases have now been disposed of and there are very few cases of any kind upon the dockets of the District ready for trial at present.

I have worked hard and have tried to conduct the courts with honesty, fairness, diligence and courage. I have sought a maximum of efficiency and a minimum of expense to the counties of the District and to the State. I have tried to treat jurors and others having business with the Court with consideration and courtesy that would reduce the unpleasant burden of their services in the Court. In return I have at all times received splendid cooperation from the citizenship who have served upon the petit and grand juries.

Through the help and cooperation of the attorneys of the District we adopted, beginning with the fall terms of Court in 1941, a new form of procedure in our District where by the terms are continuous. This was authorized by Special Act of the Legislature at my request. This attracted favorable attention from enables much quicker and less expensive trials. This procedure has lawyers and judges of the state, and members of the Supreme Court and leaders of the State Bar of Texas are urging that such continuous terms be adopted throughout the State. An instance of such advocacy is presented from the Star-Telegram of Fort Worth, Jan. 10, 1942. "The legislative committee of the State Bar of Texas decided in meeting Saturday that continuous twelve month terms for all District Judges in Texas will be sought at the next session of the Legislature."

"The committee, working to expedite judicial proceedings in Texas and take the law out of the 'horns' and 'buggy days' of long delays and prolonged litigation, said that in many counties of Texas, judicial service can be had only a few weeks

Mrs. Lenore M. Tunnell
County Superintendent

For Re-election

(Continued From Page 1)
I am sincere in hoping that I have not violated in any way the wonderful vote of confidence I received from the people of my county at my last election. I am asking to serve as Lynn county's school superintendent the next term.

To the best of my ability, in a conscientious way, I have tried to serve each school, each patron, each teacher, and each school child in a fair and impartial way, regardless of the size of the school or the status of the individual. This policy shall be continued, if you should see fit to return me to this office. I have gained a lot of valuable experience which should certainly enable me to serve my county more efficiently in the future, and I shall appreciate your consideration in this coming election. Sincerely, Lenore M. Tunnell.

BROOKSHIRE REPORTS BOYS ARE WELL TAKEN CARE OF IN CAMPS

W. G. Brookshire of Grassland, who returned Wednesday from a visit with his son in the hospital at Camp Roberts, California, says parents need have no worry about the kind of care their sons are receiving in the training camps. He says they are being given the very best of medical and hospital care.

His son, Price Brookshire, who underwent an operation for hernia on Dec. 2, is improving, he says. Mr. Brookshire made the trip to California with Mr. and Mrs. Buford Jones and children of Gordon, who went to visit their son, J. B. Jones, who likewise is in Camp Roberts.

ATTEND STATE MEETING

Mrs. Lenore M. Tunnell, county superintendent, attended the annual meeting of the Texas School Administrators' Conference held in Austin last weekend. National defense, conservation, and emergency education was the theme of the program.

MEXICAN DIES

Jerman Gulroga, about 80, a Mexican laborer, died Wednesday afternoon on a farm near Petty, and was brought here Thursday for burial.

So far as is known, he had no relatives.

Mrs. Bennett Howell of Longview is here visiting her sisters, Mesdames D. W. Gagnat and W. V. McElroy and families.

Our Country being at War, we must all make sacrifices. As a Reserve Officer of the U. S. Army, I have been ordered to report at Fort Sill, on Jan. 12, 1942 for duty in the Army. The dockets being light and the law providing for a Special Judge to serve during absence of the regular Judge, I am asking that you permit me to continue as your regular Judge during the time that I am in the Army, and that you elect me a second time. During the time that I am in the Army I will not draw pay both as an Army officer and as District Judge, but will draw pay for only one position.

Louis B. Reed

Dodson Leaves Soon, Succeeded By Haynes

At a regular meeting of the Tahoka school board Tuesday night, Hope E. Haynes, assistant football coach and math teacher was elected to the high school principalship effective when Mr. Dodson leaves for service with Uncle Sam.

Mr. Dodson has been high school principal for the past 5 years and has made an enviable record as such. He has been an active member of the Tahoka Rotary club and served in the army for 3 months last summer. He was put on the reserve list when the 28 year old limit was put in effect last September, but he has now been called to report for duty some time between now and February 10.

Mr. Haynes is a graduate of Hardin-Simmons University at Abilene and has done graduate work at Texas Tech. He has been the "forgotten man" in Tahoka football battles for the past two years. As assistant coach and general "funky" he took care of the many little details that the average fan never knows about. Coach Jackson says he knows of no man he could have counted on any more than he has Mr. Haynes, and he is happy to see him get this well earned promotion.

According to Supt. Hanes, this promotion does not leave a vacancy in the coaching staff and the Board is not sure that it will leave a teaching vacancy. At least for the present time there will be no new teacher employed.

Incidentally, Hope E. Haynes is not related in any way to Superintendent W. T. Hanes.

School Students Give For Defense

National Defense means a great deal to the children in Tahoka Grade School. The public may be surprised to find that the children of our town have, in the past six-weeks, rallied to "Help America Win".

Each grade has become a tiny Defense Unit, making up the larger Defense Unit of the entire Grade School; which, in turn is working with all schools and all citizens in the big Defense Program of the United States.

A. R. Bostick, in charge of the Grade School Defense Unit, gives the following figures showing that these children "mean business":

| | |
|--------------------------------|---------|
| First Grade | \$12.00 |
| Second Grade | \$50.85 |
| Third Grade | \$10.25 |
| Fourth Grade | \$17.75 |
| Fifth Grade | \$53.45 |
| (Including two defense bonds.) | |
| Sixth Grade | \$43.95 |

TOTAL \$118.45

AUSTRALIA AROUSED

Beyond the Indies lies Australia. Where for years the American public has learned about the Yellow Peril only as a newspaper scare-story, the Australians have lived under its very shadow.

Currently the Australians feel very much alone, very much isolated; so isolated, in fact, from the heart of the British Empire that their eyes turn with one accord to Cousin Sam.

So it is not surprising that Prime Minister John Curtin announced that in future Australia would carry on direct negotiations with the United States on all problems relating to grand strategy in the Pacific.

Co-op Ass'n. Makes Advance To Growers

The Plains Cooperative Glas, Inc., the cotton growers' association of the Plains area, with headquarters at Lubbock, has made advances of two million dollars to the cotton producers of that district.

The Houston Bank for Cooperatives, a unit of the Farm Credit administration of Houston, finances this and other cotton growers' association in Texas. Funds obtained by the cooperative cotton producers' groups," states W. J. McAnelly, president of the Houston Bank for Cooperatives.

Loans made by the Bank for Cooperatives to the cotton marketing associations give the producer the maximum amount obtainable under the OCC program and permit him to retain his warehouse certificate in the association's local office, where his warehouse receipts are available for immediate withdrawal.

ODDS & ENDS

by Eec Eye, the Elder

We wonder if Hitler and Mussolini and the Pagans of Japan took any note of the fact that the Christian people of America humbly bowed before Almighty God on the first day of this year and asked for forgiveness and divine guidance.

If so, we wonder what their reactions were.

Perhaps they laughed in their sleeves. Perhaps they said those Americans are scared. Perhaps they said that we are soft and in their respective tongues called us "sissies".

Perhaps they overlooked the fact that this going down on their knees by the American people denoted, not that they are cowards, not that they are frightened, but that they are in deadly earnest and that they have faith in God.

George Washington would hardly be called a "sissy" or a coward in any man's country. Yet, in spite of the fact that he could become luridly profane when deeply angered, he had a deep and abiding faith in God and he often went down on his knees in prayer.

Stonewall Jackson was the most dashing and resourceful general perhaps in the Confederate army, and yet he was a deeply religious man. He often prayed fervently. It may be that Stonewall Jackson was fighting against the very stars in their courses in that mighty conflict, but his piety and his habit of prayer didn't make him soft, they made him the most formidable and dangerous fighter in the Southern cause.

So, if we had any hunch to give to the Hitlerites, and to the Japs, we would grimly remind them that they have made war upon a praying nation. That should be enough to make them pause.

Now, it may be that many of the prayers uttered in those religious services throughout our country on Thursday of last week did not reach the ear of God. We are sure that those who prayed from purely selfish motives, if any such there were, and those who prayed merely because they were frightened, if there were such, did not arrest God's attention.

But those who really humbled themselves before Almighty God, sincerely confessed their transgressions, asked Him to cleanse and purify their motives and their purposes, and prayed for his tender guidance and care—we are persuaded that he heard every one of these from the greatest to the least. And He will not fall them.

This matter of prayer as related to the current conflict should not be merely a prayer for victory or for peace. It must be a prayer, in humility and submissiveness, for cleansing and for guidance. And in proportion as the masses of our people get into that attitude and remain in that attitude toward their Creator, in that proportion may they have assurance of final victory; provided they do their part to attain it.

We don't charge anything for this little theological disquisition, folks, but we really think it is worth something.

One of the bitter pills for some of us to swallow in this conflict is the fact that we have found ourselves lined up with bolshevistic, godless Russia.

In the middle of the first World War Russia suddenly went completely "bug-house". For centuries, the Russian people had been servile serfs. They had been ground down by the iron heel of the Czars and the overlords and had been persistently "gypped" and robbed by the dignitaries of the "Church".

Finally, these ignorant and impoverished Russian hordes, in the midst of this great world upheaval, under the leadership and direction of well-meaning but fanatical reformers, suddenly threw off the yoke of the Czars and the plutocrats, the priests and the potentates, and set up a new order.

But being ignorant and unschooled in the art of self-government, they soon became the victims of designing politicians who led them into the gravest excesses in their opposition to government and religion and they set up an autocracy almost as complete as that from which they had escaped.

They were led also, not only to renounce the Orthodox Church and

the robbers that ruled it, but to throw all religion over-board.

Since that time, the masses in Russia have been floating aimlessly, without chart or rudder, on a sea of atheism.

During all these years, however, there have been several million Protestants in Russia who have continued, secretly or unostentatiously, to worship God.

In recent years, there have been recurring signs that the Russian rulers have been relaxing their oppression of Christians, and now there is evidence that they may lift the ban entirely.

Just a few days ago, Dr. Francis C. Stiffler, editorial secretary of the American Bible Society, of New York, announced that permission had been given by Russia for the distribution of Bibles among Russian prisoners, and he desired to place an order for 30,000 New Testaments. The order was made.

In the International pact signed by the United States, Great Britain, Russia, China, and twenty-two other nations Friday and Saturday of last week, religious freedom was set out in the instrument as one of the ends to be attained, and Russia unhesitatingly signed the pact.

After this war is won, Russia and China promise to be two of the greatest missionary fields for Christians in all the world.

The signing of that pact by these four great powers wrote Doom in big letters over the door of old Hitler, and his Japanese partners in perfidy—if it had not already been written over Hitler's door by the hand of Russia. It looks now as if Russia has Hitler whipped already. Of course, the Russians may, possibly, suffer a reverse any day, but that seems to be a very remote possibility. Even if the Russians should be stopped in their tracks, which is wholly improbable, those Germans would have no heart and no power to march back again toward Moscow till warmer weather comes, which is several months away. And we doubt if Hitler could lead them back then. He will have to try some other tack, such as the invasion of England, or an attack upon Gibraltar, or an attempt to crash through Turkey.

Either of these would be an enormous task. And besides, the Russians have now raised the cry of "On to Germany". They say they are determined to drive every German out of Russia and then fight the Nazis on German soil. If they do this, Hitler will have no time to give much attention to the West. In that event, the British might dare to throw an army across the channel, and attack Germany on the west. We are not counting on that strong, but it is in the realm of possibilities.

But whatever may be the immediate fortunes of war, the coalition of these four great nations, Great Britain, the United States, Russia, and China—great in resources and great in man power—means the eventual crushing of the Germans and the Japs. Each agrees not to sign a peace treaty with any of the nations with which it is now at war except with the consent and agreement of its allies.

Mr. Hitler, you may hold Poland and Czechoslovakia and Yugoslavia and Greece and Norway and Holland and Denmark and France under your heel for a while longer yet, but you will not be able to hold them long.

Mr. Jap, you may succeed temporarily in running America out of the Philippines and off of Wake Island and Guam, but your victory will not last. Retribution is coming. The Day of judgment is not very far down the road for you.

And when this war ends, you will be stripped of all your Pacific possessions. You will have been driven out of China. All your battleships will be gone. All of your submarines

will have been taken from you. All of your dive bombers and other fighting aircraft will have been destroyed or confiscated by your conquerors. Your pocket knife will be taken from you and you will be made to stand up in a corner by yourself without a thing in the world to fight with, and you will just have to be good.

Same to you, old Hit. You and your people are going to be disarmed, when this thing is over. When a man is allowed to carry a gun and then he turns out to be a bandit, the best thing to do is to take his gun away from him. And so you, old Hit, and old Goering, and old Goebbles, and old Ribbentrop and old Himmler, and all the rest of you cutthroats, you had just as well be making up your minds now that before long you are going to get the worst thrashing of your lives and then you are going to be stripped of your knife and ter-baccor. The world is not going to stand for your international banditry much longer. And when you do get finally cornered, decent folks are going to pour it on you.

You have been sowing the wind, you are fixing to reap the whirlwind. Mussolini? Humph! He is not worth our notice.

DEATH-TEST PROVED IT!

Death-Test?... It was this way... One strict 5-quart fill of some one big-brand oil of quality went into each of six duplicate cars. The referee snapped the locks—no oil could be added. All cars sped till oils and engines quit dead. One brand—Conoco Nth—out-miled the runner-up by 74% and lasted for more than twice the mileage averaged by all its Death-Tested rivals. They were mere smoky smears—engines ruined—when the fill of Conoco Nth oil was still up above half! That's economy. Get the whole certified record at Your Mileage Merchant's Conoco station and you'll want Conoco Nth—the oil with the plus of OIL-PLATING to make prompt Winter starting safe. Continental Oil Co.

Guard At School To Protect Cars

Due to the wave of tire thefts and petty car pilfering that seems to be sweeping the country, the Tahoka school officials announced this week that hereafter when school basketball games, boxing contests, etc., are being held at school at night, an armed guard will be on duty at all times.

Supt. Hanes stated this week that the policy of the local schools will be to do anything that the national officials say do to help build moral and confidence in the minds of our people. The Army and Navy authorities have already made a plea for athletic and health programs to continue. Consequently, the activity program of the Tahoka public schools will go ahead as heretofore planned.

Citizens of Tahoka Independent school district are urged to cooperate in keeping up moral by actively supporting the public school policies.

METHODIST CHURCH NEWS

Have you lost the habit of church attendance during the busy fall and the holidays? Some are now coming back and you will be happier if you become regular in attendance again. Every class in the Sunday School needs to make a drive for attendance and this we urge upon the officers. Have you kept your pledge to pray regularly for the duration of the war?

Mothers with little children will find a place for them at the Women's meeting on Monday at 3:30. The Nursery also has willing workers who teach little children how to act in the house of God. There is now no excuse for you to remain away from the services because of your children, for they will learn while you worship and study.

A warm welcome awaits you at 9:45 Sunday mornings.

Annual Missionary Institution is in session today at First Methodist church, Lubbock. Rev. and Mrs. Geo. Turrentine and others are attending from Tahoka. Geo. E. Turrentine, Pastor.

MARY LOUISE RILEY HONORED WITH PARTY

Mary Louise Riley was honored on her third birthday with a party Saturday afternoon at 2:30 o'clock given by her mother, Mrs. C. R. Riley.

After games had been played, birthday cake and hot chocolate with sacks of pop corn, sucker, balloon, and chewing gum as favors were served to Viola and Mary Lou Kennedy, Joyce, Edward and Mary Ann Ellis, Joreta Newton, Jolene Sikes, Kenny and Margaret Durham, Ruth Mae and Joan Curry, Jerry Lynn Freeman, Betty Grace Akin, and the guest of honor.

Mrs. Lane Moreland and daughter, Sheila of Ballinger were visiting Sunday in the Applewhite home and with other friends here.

Mrs. Carlos Edwards of Los Angeles, Calif., is here visiting her parents, and other relatives. She will be here ten days.

Hugh Elliott of Loreline is here visiting in the home of his sister, Mr. and Mrs. Clarence Williams.

Herman Reid is in Fort Worth on business this week.

BAPTIST CHURCH NEWS
The attendance for the preaching services Sunday were the best that we have had in six weeks. We really enjoyed the services, and everyone received a blessing for having been there. We would like to see the house filled on Sunday morning and Sunday night of this week. We still have room for about 200 in Sunday School and Training Union, and we invite you and urge you to come enjoy the services with us.

The Brotherhood will meet Thursday night at 7:30 p. m. A good program has been arranged and we are hoping that many of the men will come to this program. We would like to have 75 men at this night of fun, information, and inspiration.

The Associational Training Union emphasis week program will be held in our church January 20 from 2 p. m. until 9:15. We have a team of five workers coming that are as good as we have in the state and are urging that every church in the Association send their delegates to this meeting. The goal for this meeting is 300. We have the largest goal of any association in this district. Won't you come, and tell everyone you see that the meeting will be the best that they will get to attend this year. Mr. Leo Waite of Lubbock will be our team pastor. Winston Crawley of Nashville will have charge of the Young People's conference. Rev. Reavis of Plainview will have charge of the Adult conferences, and will be the team pastor. Mrs. Lattimore Ewing of Lubbock and Mrs. Twitty of Lubbock will have charge of the intermediates and juniors, and the story hours respectively. Every person is to bring lunch, and all will eat together at 6 o'clock. The Church will furnish the drinks.

When a Child Needs a Laxative!

Your child should like this tasty liquid laxative and you should like the gentle way it usually wakes up a youngster's lazy intestines when given by the simple directions.

SYRUP OF BLACK-DRAUGHT contains the same principal ingredient which has enabled its older brother BLACK-DRAUGHT to give so many users such satisfying relief for so many years!

Perhaps that's why it usually gives a child such refreshing relief when the familiar symptoms indicate a laxative is needed.

SYRUP OF BLACK-DRAUGHT comes in 2 sizes. The introductory size is 25c; the economy size is 50c.

Defense Guard

(Continued From Page 1)
by contacting either of the officers. Mr. Cade presented the object of the meeting and introduced Capt. Edwards, who explained in detail the operation of the Guard, qualifications for enlistment, its purpose, and other details.

In case the local unit is accepted by the Texas Defense Guard, the company will be subject to call for duty by the Governor, just as has been the case with the National Guard, but the primary function is for home defense work and to put the men in condition for possible service if and when called to war duty.

Any man between 16 and 65, in good physical condition, may join. With good excuse, he may secure an honorable discharge at any time the work of the company interferes with his other duties. The guard is strictly a military organization, in which discipline is stiff, and there will be no foolishness.

In most cases, the uniforms are furnished by the county, Capt. Edwards explained, while guns and

ammunition are furnished by the Federal government.

He says the Texas Guard has been recognized by military authorities as the most efficient in the nation. The Brownfield company was organized a year ago, and is therefore one of the oldest companies in the state. Without exception, every man going from the Brownfield company to the U. S. Army has received a commission in the "big" army, he says.

The company voted to meet once each week on Monday nights, beginning next Monday night at 7:30, at the Legion hall. Drill and study periods will be of two hours duration each meeting night.

A number of the enlistees will go to Brownfield tonight, Friday, to attend the weekly drill of the Company at that place. Transportation will be furnished in a school bus leaving from the north side of the square at 6:30 p. m.

CLINTON SERIOUSLY ILL

M. P. Clinton has been seriously ill since last Thursday night. Saturday he was taken to a Lubbock hospital for a diagnosis, but was returned home Tuesday.

Error Corrected In Server Announcement

The News apologizes to Mrs. Lois Daniel, county treasurer of Lynn county, and Miss Hattie Server, district clerk.

Last week each of these ladies authorized The News to announce their candidacy for re-election to the offices they now hold. However, in the first paragraph of the story announcing Miss Server's candidacy The News erroneously stated she was a candidate for re-election as treasurer. We knew better, but this was just one of those slips that occur in every newspaper office occasionally.

Miss Hattie Server is the present district clerk and is a candidate for re-election. Mrs. Lois Daniel is the present county treasurer and is a candidate for re-election.

The News appreciates the fact that these ladies took the error in good humor, but we herewith straighten out the affair, in case someone might be misinformed.

W. L. Burleson and W. D. Smith spent several days in Dallas this week on business.

BUYS HOME HERE

Garland Pennington, manager of Lyntegar Electric Co-op., has bought the Sam Holland home here in Tahoka. His brother, Willis Pennington, has moved from Draw to Garland's farm home southeast of town.
