Tahoka, Lynn County, Texas, Friday, February 6, 1942.

Number 26

## District Cage Title At Stake Tonight

### Basketball Team Still In The Lead

The district boys basketball title is at stake tonight when Tahoka and Denver City, tied for the lead in round-robin play, meet at 8 o'clock in the Tahoka gym. Each team has won six and lost two games, but Tahoka was victor over Denver City in the only game they have played.

Coach A. L. Pace's boys are in good shape for tonight's game, having clicked in fine shape to win three games in the last week. Friday night they defeated Brownfield in a game at Brownfield 28 to 20. Tuesday night, in the local gym, Tahoka won over the strong Post five 28 to 20, and Wednesday night they took the game from O'Donnell 28 to 12.

This is Tahoka's last regularly scheduled conference game in this district. If the boys win tonight, they are the district champions. If they lose tonight, they still have an outside chance at the title, since Denver City yet has to meet Seminole.

Fans are due to see plenty of action tonight. Coach Pace's combination of Shawn and McClendon at forwards, Harvick at center, and Fulford and Wells at guards, is one that few teams have been able to cope with this season. On the other hand, Denver City has a hot-shot named

(Continued On Back Page)

## Annual C. of C Banquet Feb. 17

Annual banquet of members of the Tahoka Chamber of Commerce will be held Tuesday night, February 17, directors of the body have announced.

W. T. "Tanlac" Strange, well-known West Texas humorist, will be the principal speaker at the affair.

Further details of the meeting will be carried by The News next week.

### EDWARDS AUTO PARTS IN NEW LOCATION

The Edwards Auto Parts has moved its place of business from its former location on the west side of the square into the east half of the Chevrolet building recently vacated by the Raborn Chevrolet Company.

Loyd, Garland, and G. A. Edwards operate the Edwards Auto Parts co., which has been doing a thriving business here for the past few years.

## Tippit Announces For Commissioner

J. F. Tippit has authorized the News to announce that he is a candidate for county commissioner of precinct No. 2, which embraces the southeast quarter of the county.

Mr. Tippit is a farmer by occupation, having been born and reared on the farm. He is a native of Coryell county, and moved from that county to Lynn county in 1929. Then he moved away but came back to stay six years ago. He has been here ever since.

For the past three years Mr. Tippit has been doing work on the public roads along with his farming operations. He has acquainted himself with road conditions throughout that precinct and in other parts of the county, and he believes that he knows the importance of maintaining the farm-to-market roads.

Mr. Tippit says that if he is elected he will do his best to serve the people of his precinct and of the county with fairness and diligence. "I promise, if elected, to devote my entire time to the office," he stated, "for I will have no other business as a sideline."

He says that he will do his very best to see every voter in the precinct personally before the election, but he wants them to know now that he will appreciate their support.

## Lynn Is Second In Cotton Production In State Of Texas

When the News stated last week that Lynn county was not lower than fourth and possibly as high as second place in cotton ginnings in the state from the crop of 1941, figures as to the number of bales ginned in the counties throughout the state were not then available.

Figures which we now have show that Lynn county stands second in the state, with Lubbock county leading.

As stated last week, Lubbock county had ginned 76,830 bales prior to January 16 and Lynn county had ginned 61,987. Jones county, another West Texas county, runs just a little behind.

(Continued On Back Page)

## Dr. Kent Speaks On World Affairs

Next Tuesday night at 8 o'clock, Tahoka Rotary club members will entertain their wives, sweethearts, or lady friends with a banquet and program, Dr. J. W. Sinclair of the program committee announced at Thursday's meeting. The meeting will be held in the school gymnasium.

Dr. Harry L. Kent of Texas Technological College was the speaker of the day. The subject of his address was International Relations. It was undoubtedly one of the clearest and most thoughtful discussions of international affairs ever heard in Tahoka.

Dr. Kent gave expression to no vehemence, no malice, no intemperance of speech. He discussed the situation in a calm manner but with deep insight and understanding.

(Continued On Back Page)

## Jim Dye Appointed Deputy Sheriff

James E. Dye resigned his position as justice of the peace here and was appointed deputy sheriff Monday, succeeding Edd Sanders in this position.

Edd had previously tendered his resignation to take effect on February 1 to accept a position on the Texas Ranger force.

Sheriff B. L. Parker submitted to the commissioners court the name of Mr. Dye as his deputy, and the court confirmed the appointment.

Thereupon P. D. Server was appointed Justice of the Peace to fill the vacancy created by the resignation of Mr. Dye. He is the father of Miss Hattie Server, district clerk, and is deemed well qualified for the position.

Before being elected Justice of the Peace a few years ago, Mr. Dye had served a term as mayor of Tahoka.

## Frazier Will Open New Produce House

As will be noted from his advertisement in this issue of the News, L. P. Frazier is opening a new produce house on the south side of the square. He is occupying the new Jaques building.

Mr. Frazier operated a produce house here for many years, selling out a few years ago, since which time he has been operating his truck. He knows all the "ins and outs" of the produce business and will operate an up-to-the-minute business.

He invites his farmer friends and their wives to visit his house at the big opening Saturday.

## License Plates Now Available

We are now ready to issue 1942 license plates for motor vehicles. It is important that you bring your Certificate of Title with you to register as the number of said Certificate must be shown on your registration receipt.

—E. F. Weathers, Tax Assessor-Collector.

Rev. Frank Thomas, above, is the new pastor of the Central Baptist Church, eleven miles east of Tahoka.

## Guard Sponsoring Benefit Dance

Tahoka's unit of the Home Defense Guard this week is seeking funds for uniforms and other necessary equipment. The Tahoka city council and the Lynn county commissioners court have promised financial aid to the unit, but additional funds will be necessary, officers state.

The Guard is raising further funds through the sale of tickets to a benefit dance which will be held next Thursday night, February 12 at 9:00 o'clock at Tippit Roller Rink. Over one hundred tickets had already been sold at \$1.00 each Wednesday, W. V. McElroy reported. Those who buy tickets but do not expect to attend the dance are urged to turn these tickets back to ticket salesmen for donation to Service men. Ross Edwards' orchestra will play for the

(Continued On Back Page)

## District Court Session Opens

The February term of the district court convened here Monday morning, and in the absence of District Judge Louis B. Reed, who has been called to the colors as a reserve officer in the U. S. army and is now stationed at Fort Sill, it became necessary for the lawyers at the bar to elect a special judge.

Judge J. E. Garland of Lamesa, who has served as special judge on many occasions before, was elected to the position. He will serve in the absence of Judge Reed, during this term of court; which, under a new law, continues until the next court convenes in September.

Upon taking the oath of office, Judge Garland proceeded to impanel a grand jury. The body consists of the following citizens of Lynn county: J. K. Appiewhite of Tahoka, foreman; John Earles O'Donnell; Lynn West, Wilson; J. R. Strain, New Home; Jim Burleson, Tahoka; E. W. Holloway, Redwire; J. E. Sherrill, Draw; C. C. Scholer, O'Donnell; Hubert Tankersley, West Point; A. R. Tyler, Wells, R. R. Adams, Newmoore; Prits Speckman, Lakeview.

Bailiffs are: A. L. Dinagan of Tahoka and C. Burns, O'Donnell. District Attorney Rollin McCord was not able to be in court or with the grand jury Monday, being confined to his home with a case of mumps.

Miss Hattie Server, the district clerk, was just recovering from a case.

The docket was called for setting of cases, and one divorce case was heard. Divorce granted.

## Rev. Geo. A. Dale's Brother Is Dead

Rev. and Mrs. Geo. A. Dale were called to McKinney early Monday morning by the death of his oldest brother, J. L. Dale, aged 73. The message stated he had died at 3:00 p. m. Monday and that funeral services would be held at 3 p. m. Tuesday.

Rev. and Mrs. Dale expected to return home Wednesday.

Read the Classified Ads.

## February 16 Is Set As Registration Day

### B. T. Smith New Teacher Here

Having been released from Army service at Fort Bliss last Fall on account of the age limit then in force, Lee Dodson was called back into the service last week.

The authorities are this time making use of his professional talents, however, and he was sent to some Army Air Corps training center in Southern Illinois to teach mathematics. He left here Saturday and was to report there for work Monday morning.

Mr. Dodson has been principal of the high school here for about five years and has been one of the best school ever had.

At a called meeting of the school board Wednesday, his resignation was accepted by the Board of Trustees, and B. T. Smith, principal of the Edith school for the past few years, was elected to succeed Mr. Dodson.

John A. Roberts, who is a former teacher and who resides in the Edith community, was elected by the Edith trustees, we understand, to succeed Mr. Smith as principal of that school.

## 2962 Poll Taxes Are Paid Here

A final check-up showed that 2,962 poll tax receipts were issued in this county prior to February 1, according to Tax Collector R. F. Weathers.

Mr. Weathers estimates that there are between 600 and 700 persons in the county over 60 years of age, who are not required to pay a poll tax, and that there are around 3,500 qualified voters in the county.

Two years ago, however, 3,338 poll taxes were paid in the county, which was reported at the time to be a record-breaking number.

Many Lynn county men were away this year in the armed forces of the nation, and that accounts, no doubt, for much of the reduction.

It may be, furthermore, that there are not as many people in the county now as there were two years ago, but this is not probable, if the soldiers and sailors now absent from the county be taken into the count.

It is entirely probable that on account of the overshadowing importance of the war and the consequent lack of interest in politics, many persons in the county neglected this year to pay their poll taxes.

The comparatively few who did not pay may wish they had done so before the summer primary elections are over. For there may be some hot political campaigns yet this year.

## Defense Volunteers Needed To Help Fire Fighters

As an emergency measure, Tahoka will be required by the Civilian Defense to recruit and drill from 20 to 40 Auxiliary Firemen, Fire Chief W. T. Bovell has been informed.

This force is being required in addition to the present volunteer firemen. They will not be required to report at any local fires and are not subject to call except in case of emergency.

Bovell asks that able bodied men who are interested and who do not belong to any other Defense group contact him or meet at the Fire Station Friday night at 7:30 o'clock. Some valuable training and educational features are attached to the work. The only requirement and obligation, Bovell says, is that these volunteers drill a minimum of four hours a month. Instruction includes the fundamentals of fire fighting.

This is only a small sacrifice local citizens can make for their country that would be of tremendous value in an emergency, Bovell says.

### Men Aged 20 - 45 Must Register

All men from 20 to 45 years of age must register as required by the Selective Service Act, according to J. W. Elliott, chairman of the Lynn County Selective Service Board, on February 16, 1942, beginning at 7 a. m. and lasting until 9 p. m.

The following places have been designated for registration:

Tahoka, at Local Selective Service Board office in court house. O'Donnell, at B. M. Haymes' office. Draw, at school auditorium. New Home, school auditorium. Wilson, school auditorium.

All who have reached the age of 20 and those who are 21 who did not reach their 45th birthday are required to register.

The following persons have been appointed chief registrars: For Tahoka, Truett Smith; O'Donnell, B. M. Haymes; Wilson, S. A. Cummings; New Home, Acie Bailey; Draw, E. W. Holloway.

All chief registrars will be required to select other necessary registrars to help with registration and to report to the local board at the earliest date possible of their readiness. That is, that they have secured the necessary assistants, tables, chairs, etc. All registrars will be required to take the oath of office and sign a waiver of pay, as the registration will be done without expense to the government.

## Tahoka Citizens Visit New Home

Nearly one hundred men attended the banquet and good will meeting at New Home last Thursday night, at which the men of that community were guests of members of the Tahoka Chamber of Commerce.

Fun and entertainment featured the program, including a comedy skit by barefooted Ray Weathers and Wynne Collier, and numbers by the Tahoka colored quartet.

Weathers was program chairman for the evening and J. W. Webb of New Home presented the invocation. Henry Heck welcomed the visitors, and Henry Maasen responded with a talk. J. R. Strain also made a short talk. Bonnie Jean Clark and Nancy Ray Weathers, both of Tahoka, gave a piano solo and a vocal solo, respectively. Two New Home children also presented musical numbers.

The dinner was prepared and served by the New Home Baptist W. M. U., with Mrs. Henry Heck in charge, and was declared by all the men to be about the best possible.

Tahoka men were loud in praise of the reception they received from the New Home people.

## John Anderson For Commissioner

The News is authorized to place the name of John Anderson of O'Donnell in our political announcement column this week as a candidate for county commissioner from precinct No. 3.

Mr. Anderson is well known to the citizens of that precinct, having made the race for this office two years ago. With the efficient and popular incumbent, Waldo McLaurin, as his opponent, he lacked only a few votes of being the high man in that contest.

Mr. Anderson is recognized as one of the best men and one of the best citizens of Lynn county, and he is well qualified to fill the position which he seeks.

He has been a resident of Lynn county and of that commissioner's precinct for many years and his sterling character and excellent qualifications are well known.

He will make an active canvass of the precinct for the position.

### Grassland School Doing Its Part In Defense Program

Pupils of the Grassland school have just staged a novel and spirited contest for the purchase of Defense Stamps and Bonds.

A graphic recital of the contest together with a moving appeal to the citizenship generally is contained in a story written by Joyce Kenley, an eighth grade pupil. Postmaster W. E. (Happy) Smith of Tahoka had offered a prize for the best write-up of the affair, and Joyce's story won first place.

It is a little too lengthy for us to publish in full, but we give a few paragraphs just to show its tenor and to give an idea of the wonderful campaign that those pupils waged.

**Grassland's Part In Defense**  
"Remember Pearl Harbor!" will be the battle-cry of America through out this victory-or-death, struggle with Japan, Germany and Italy.

"The cowardly attack on December 7 clearly revealed the type of white-livered rats we must face as enemies; and it causes every true American boy, girl, man and woman to want to do his part.

"In doing our part we must each and every one take a part of this burden upon ourselves to make it lighter. If we love America we should defend America. Are we going to let Hitler take us in his dirty hands and smash us to bits? No, we are not. We are going to victory with our chins up, chests out, and wearing a smile.

"How soon that victory can come will be measured by the effort an aroused America can put forth. To insure and to hasten it, you, too must help. How? By letting this be your motto: 'Don't let a dime lie idle! Make every dollar fight for the free America that is giving you the free opportunity to earn it.'

After a few more paragraphs, Joyce states that one boy, James Murray of the seventh grade, bought the first stamp in the school. The campaign started on January 1, and by 9 a. m. on January 2, Joyce states, there were 57 out of 77 pupils who had bought stamps.

"The first student in the Primary department to buy a stamp was Don Reeves. In the Intermediate department, Odetta Greer was the first to buy a stamp. In the high school room, James Murry was the student to have that honor. The children were in a panic that morn-

### BUY A SHARE IN AMERICA

ing trying to beat each other to the teacher, as each room had a contest to see who could reach the hundred percent goal first.

"Boys and girls, you too can do this if our little three-teacher school can. The way we can put this great task over is to save every penny, nickel, and dime we get to spend for candy, soda-pop, or toys, and take it to our nearest postoffice or bank and buy a savings stamp. Our baby citizen of the school even picked cotton during the Christmas holidays and invested every penny he made in buying stamps for his book. It would stir your hearts so much to hear and see him get right up without hesitating and slip 'It's My Flag Too' that you would spend every spare nickel and dime you had in helping out in this present emergency.

"Some of our pupils picked cotton on evenings after school and on holidays. Some headed maize. Others dried and washed dishes for a few cents at a time. Others hoed weeds, cleaned yards, did without candy and soda-pop, used fewer postage stamps. One little girl even risked the danger of being butted or kicked by a goat. There are many other chores we are doing to earn the money.

"We have had several pupils to complete their \$5.00 stamp books, and are now working on the second. Miss Railsback's and Miss Young's rooms have reached their 100 percent goal. Four of our students have a defense bond. They are Harry Lee Short, John Shepherd, Odetta Greer, and Billy Loran Thomas."

Pupils of the school had raised \$82.30, according to Joyce's report. Sixty-six of the 77 pupils had bought stamps.

#### RUTH CLASS HAS MEETING

The members of the Ruth Class of the First Baptist Church met Tuesday in the home of Miss Jennie Reba Nevill.

The meeting was opened with a song and a prayer, after which the president called the house to order. The roll call was answered with suggestions as to how the class might be improved in the coming year.

After the business was attended to, games were played and refreshments of punch and cookies served to the following members: Billie Margaret Riddle, Mary Beth Roddy, Joyce Evans, Pauline Owens, Jennie Reba Nevill, Doris Latham, Ethel Norris, and their teacher, Mrs. D. V. Smith.

Doris Juanelle Walker was taken to Lubbock Sanitarium Tuesday with pneumonia. She was said to be resting better Wednesday.

### Former Citizen Dies In Northwest

The News received a communication a few days ago from Mrs. Perry Clayton of Ranier, Oregon, and also a copy of the Leavenworth Echo of Leavenworth, Washington, telling of the death of Miss Winnie Ferguson, 45, a sister of Mrs. Clayton and a daughter of Mrs. D. M. Estes, formerly of O'Donnell, which occurred at Leavenworth on January 15th.

Miss Ferguson had been a teacher in the public schools of Leavenworth the past fifteen years. She was a native of Texas and received her education in the West Texas State Teachers College at Canyon and in the Western Washington College of Education. A high tribute was paid to her by the Leavenworth Echo.

#### GRASSLAND MAN HAS CIVIL SERVICE JOB

C. P. Bullock of Grassland, who now has a civil service position at Camp Barkeley near Abilene, visited his family at Grassland over the week end.

His family is planning to move to Abilene as soon as school is out unless Mr. Bullock is transferred to Lubbock in the meantime. In that event they will move to Lubbock.

Miss Dorothy Kahl, daughter of Mr. and Mrs. W. H. Kahl, who reside out a few miles east of Tahoka, has accepted a position in Deen Nowlin's office as successor to Jimmie Shook, who has enlisted in the Army.

Mrs. O. P. Rutledge of Floydada came Wednesday for a few days visit with her sister, Mrs. Raymond Weathers.

### Caution Urged To Preserve Tires

Lynn county farmers believe that prevention of tire trouble is as important as its cure, according to Vernon C. Willhoit, chairman county USDA War Board.

Farmers throughout the county already are exerting caution to see that foreign matter is kept from treads, that tires are free of grease and oil, rims, straightened, stored equipment is jacked up to relieve pressure, tires are shadowed from excess sunlight, and that cracked tires are painted and plugged, the board chairman said.

"Certificates for new tires may be issued for tractors, farm implements, and trucks used to haul farm products directly to market," Willhoit said but explained they could not be obtained for transporting farm products to ultimate consumers. He also added that tires could not be purchased if the rationing board had already issued certificates comprising the monthly total.

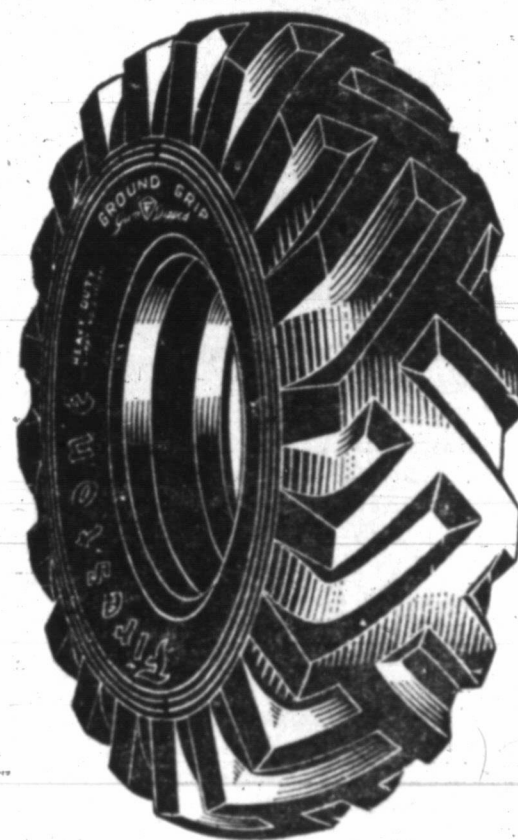

"This simply means farmers will everybody else," Willhoit said. Recapping, retreading and vulcanizing tires on automobiles and implements are other precautionary measures farmers may follow in preventing tire trouble. Since correct air pressure adds to life-span for tractors and farm implement, periodic checks for proper pressure should be made, the chairman said.

For Commissioner, Prec't. 3: E. O. SLAUGHTER JOHN ANDERSON

For Commissioner, Prec't. 4: LEON JENNINGS (re-election) C. H. (Claude) REAGAN

### Selectees Leave For Army Service

Six of the seven selectees who had been called to appear in Tahoka for entrainment to the Army camps Monday morning reported and were sent to Fort Sill. They were: Edward Louis Brosch of Wilson, William Monroe Wallace Jr. of Lakeview, Garland Clyde Shepperd, O. L. Harris, Sam Michael Abraham, and Charles Raymond Waddell, all of O'Donnell.

The seventh man who was scheduled to appear was Ike Lawler Barnes of O'Donnell, and he had gone to Dallas on the preceding Saturday and joined the Marines.

Jimmy Shook, an employee in the office of Deen Nowlin, volunteered for service and was accepted. He left for Fort Sill Tuesday. Jimmy had tried to volunteer twice before but had failed to pass the physical examination each time. Jimmy is fine clerical help and it is believed that he will be assigned to some clerical position in the army.

Clayton Lawrence, son of C. A. Lawrence who for several years had been secretary of the AAA committee here, volunteered for service and left Lubbock for Fort Sill Wednesday afternoon. Clayton is married and for the past cotton ginning season he had been manager of the Petty gin. He was accompanied by Tom Draper, who had also volunteered for service.

About thirty men appeared here Monday for physical examination by the local physician. Those who

### Patients Being Treated At The Tahoka Clinic

The six-months-old baby of Mr. and Mrs. Samie Norwood is being treated for pneumonia. The disease developed following a case of the measles.

Floyd LeMond of Draw had his tonsils removed Wednesday.

N. J. Estes, who resides twelve miles north of Tahoka, was treated for a broken finger, sustained accidentally.

Leland White, a pupil in the Petty school, suffered a severe cut on the lip when he and another school boy were in collision Wednesday and was brought to the Clinic to have the wound treated and dressed.

Sidney Cowan, 11, son of Mr. and Mrs. Bart Cowan, is recovering from a case of blood poisoning. A new shoe rubbed a blister on his heel, which became infected, and the consequences for a few days threatened to be serious. He has been under the care of a local physician.

Mrs. Lois Daniel, county treasurer, and Mrs. Helen Eubank of Tahoka Clinic, who is enjoying a brief vacation, left Wednesday night to visit Mr. and Mrs. Dan Daniels at Sherman. They expected to visit Mrs. Eubank's aunt in Seymour en route.

READ THE CLASSIFIEDS!  
passed the local examination will appear in Lubbock for further examination next Wednesday.

### Congratulations--

To Mr. and Mrs. Francis Powell upon the birth of an eight-pound son on Sunday, January 25. He has been named Ronald Kent. Mr. Powell is employed in the G. & R. store here.

To Mr. and Mrs. J. B. Smith upon the birth of a son at 7:30 o'clock last Friday morning, weighing eight pounds. The youngster bears the name of Gerald Dwin, reported by Dr. J. W. Sinclair.

To Mr. and Mrs. J. L. Brooks upon the birth of a daughter at the Tahoka Clinic at 2:10 a. m. Wednesday, weighing 8 1-4 pounds.

### Feed and Seed Loan Director Here Friday

A new Feed and Seed Loan director for the South Plains district has been appointed to succeed Joun Watson, according to announcement recently made.

L. B. Wright of Lubbock is the new director and it is announced that he will be here each Friday at the First National Bank to accommodate those who may want loans.

Between appointments, applicants for loans should see Miss O'Berger Forrester in the Deen Nowlin building.

Ben Parks, wife, and two children of Allison, Wheeler county, were here Saturday till Monday visiting Carl Owens and family. They were on their way to some point in California, where they expect to reside. They are long-time friends of the Owens family.

Mr. and Mrs. E. Y. Lee and little four-year-old son have moved to Tahoka from Santa Rosa, New Mexico, and are occupying the Ward Eakin place in north Tahoka. Mr. Lee is a brother of Mrs. W. L. Burlington and is employed at the Tahoka Service Station.

**NOTICE TO THE PUBLIC**  
Any erroneous reflection upon the reputation or standing of any individual, firm or corporation, that may appear in the columns of The Lynn County News will be gladly corrected when called to our attention.

News came Monday that the Pacific Fleet had made a surprise attack on Japanese auxiliary craft and air forces in the Marshall and Gilbert Islands situated east of the Philippine and southwest of the Hawaiian Islands, and had wrought great havoc, with only slight damage to two of our own battleships. Eleven American planes were shot down and a great number of Japanese planes were destroyed, as well as tanks and other fighting equipment. Disappointment was expressed that none of the larger Japanese battleships were found. This report sounds very satisfactory, and since the Army and Navy commanders have sent out no exaggerated reports of their successes yet, we are confident that this report is true. Likely it has understated the damage done to the enemy. We are expecting the Pacific Fleet under the command of Admiral Nimitz to be giving constantly better and better reports of its achievements from here on out. However, we are up against a wily and well prepared enemy, and we should be prepared to hear of reverses now and then.

Press reports from Austin state that the old age pension payments this month average a little more than \$19.00. The amount paid to the needy will probably increase gradually from now on. But, if the proposals so strenuously advocated by some politicians two or three years ago had been adopted to the effect that all persons over 60 years of age be paid a uniform pension regardless of their financial condition, thousands of well-to-do and even rich persons would be sharing with the needy the sums of money available today for the payment of

pensions, and each pensioner, perhaps, would be receiving not more than half the amount he is now receiving. The News was one of those who fought for the policy of paying all the pension funds available to those who are really needy, and we are still sure that we were right. Why should a part of the pension funds be taken away from the needy and given to rich oil operators, bankers, owners of sky-scrapers, or ranchmen who already have more than their share of this world's goods? It is strange to us how some "friends of the common people" can advocate such a policy and get away with it.

It is too early to predict the outcome of the Japanese assault upon Singapore, but the probabilities are that this great fortified city will not be captured immediately, and if it is not captured immediately it is probable that it will not be captured at all. Announcement has been made that reinforcements have already begun to arrive, and if they arrive in sufficient numbers soon enough the Japs will never be able to capture it. The battle of Singapore, however, will be a titanic struggle for both the Japs and the British realize that much depends on it. If the Japs capture it, the war will be greatly prolonged. If they should meet disaster there, it would be the beginning of the end for them.

Some folks just do not know how to be fair with their neighbors. When it is announced that certain necessary commodities will be rationed soon by reason of the exigencies of war, then some selfish people begin immediately to buy up and hoard an excess of that particular commodity, so that they will have an ample supply when other folks may be compelled to do without it. Some attempt to hoard sugar, silk stockings, tires, and other commodities when they think there is to be a scarcity. This is neither patriotic nor fair to their neighbors and friends. It is that sort of spirit that may cause us to lose the war.

It is marvelous how General MacArthur and his men have been withstanding the attacks of greatly superior forces of Japanese in Luzon. We suspect that the Japs are beginning to realize that they have a big task ahead of them. But they don't know nothin' yet. We are just now beginning to turn out airplanes and other fighting equipment and just now beginning to get men across. Japan will feel like the little brat that chunked a beehive before we get through with her.

Possibly we were in error last week in stating that Senator O'Daniel probably has a cinch on his job in Washington. It is being rather authoritatively stated that some really able and popular man is sure

## ODDS & ENDS

by Ece Eye, the Elder

They are tearing up that portion of the Roscoe, Snyder & Pacific Railway track which extends from Snyder to Fluvanna. Thus the prospect that this little railroad will ever be extended to the Pacific seems to have been blasted.

But there is ample prospect that the steel they are taking up will reach the Pacific; for they expect to use it in the building of war ships or fighting planes or armoured tanks or munitions of war of some kind. It may be more useful as implements of war than it was as an artery of commerce.

This section of the road that is being abandoned is about eighteen miles long. Fluvanna is its terminus and is the only stripping point on the road west of Snyder, at least it is the only town. Hereafter Fluvanna will be served solely by trucks—vehicles of transportation that had not been invented when this railroad was built.

The perpetrator of this column had the privilege and pleasure of being one among about 500 passengers who rode the first train into Fluvanna. The railroad had just been completed into that prospective western metropolis and they ran a Sunday excursion from Roscoe to the terminus. Temporary seats, as we remember it, had been fastened on top of "flat" cars, and thus the "ride" was a great lark for the passengers. At the other end of the line, Fluvanna, a barbecue was served. There were no trees and no buildings to speak of, and the big "feed" was served out in the open—and the sun was plenty hot. That must have been in the summer of 1909.

This writ had located in Roscoe about the first of December, 1908. It was then being touted as the coming town of that section. It was hoped that it would be on the line of the Santa Fe to be extended from Coleman to the Plains. The R. S. & P. had been built—already from Roscoe to Snyder, and that road was doing a thriving business. Prospectors and other folks traveled by train in those days, for the automobile was still a rare bird. And prospectors were numerous. Scores of them came into Roscoe over the Texas & Pacific every morning, and most of them took breakfast there and then caught the R. S. & P. for Snyder. Restaurants there did a land office business, especially the one situated near the T. & P. station.

In September, 1908, while still a resident of Belton, this scribbler was such a prospector. But we stopped for a day or two with friends in Roscoe before boarding the train for Snyder.

We found district court in session in Snyder with Judge Higgins on the bench. Years later he was assassinated by a criminal, who shot him through a hotel window. We do not know who was district attorney at the time we first visited Snyder, possibly Jim Stinson of Anson, but we do recall that Fritz R. Smith was county attorney. Later, he became district judge. The court house was an old rickety frame building, and it was filled with cowboys and horny-handed farmers from the forks of the creek.

Snyder then impressed one as a very thriving, growing, "hick" town, but it soon emerged into a beautiful attractive one.

But Roscoe was the town that caught our fancy—Roscoe, with a number of our old-time friends already there, situated in the heart of the "black-land divide," with prospects of getting the main line of the Santa Fe. But in 1910 the Santa Fe built through—or by—Sweetwater.

Roscoe has not grown very much in population since those days, but

to announce a little later for the position. If so, it is to be hoped that the people will rally to his support.

### Teachers Planning March Meeting

(By Ruby Nell Smith)

Officers of the West Texas Teachers Association met in Lubbock Wednesday night and made plans for the annual spring meeting which is scheduled to meet in Lubbock March 20 and 21.

Supt. W. T. Hanes of the Tahoka Public Schools is serving his second term as secretary of district four of the Texas State Teachers Association. The West Texas organization is composed of 26 West Texas counties. Other officers of this district are Sam Lefeste, president, Lubbock; F. A. Hemphill, vice president, Littlefield; and O. C. Thomas, treasurer, Spur.

"Education for Victorious Living" is the theme of this year's meeting. Approximately 1500 West Texas teachers and school officials attend this meeting annually. It has been the custom for the Tahoka schools to close on the days of the meeting so that all local teachers may attend. There were several of the trustees of the Tahoka School Board that attended the meeting in Big Spring in 1941. Trustees and school patrons are extended a special invitation to attend the meeting this year in Lubbock where the

### Business Changes Are Being Made

Osa Gattis, who has been operating a produce house in the old Thomas building on the corner of the block south of the Deen Nowlin office building, has discontinued the business and purchased the grocery business of L. H. Kenley at Draw.

A. I. Thomas is remodeling that portion of the building vacated by Mr. Gattis. The front half, used as an office, will be ceiled and nicely finished inside. New and enlarged windows and doors will replace the old ones at the front, and the outside of the building will eventually be stuccoed, in all probability. Mr. Thomas states. It will be occupied by Winston Wharton, who will move the Conoco Service Station into it.

### FATHER OF MRS R. H. BATES DIED WEDNESDAY

Funeral services were conducted in the First Presbyterian Church in Lubbock Thursday afternoon for W. T. Hester, 80, who died at his home in that city Wednesday afternoon.

Mr. Hester was the father of Mrs. R. H. Bates of New Home and had many friends in this county. His wife, four sons, and three other daughters survive him.

He had been a resident of Lubbock and vicinity for 26 years.

The baby of Mr. and Mrs. Curtis Stevens, who was taken to the Lubbock Sanitarium suffering from pneumonia on Saturday night, January 24, was brought back home last Saturday, well on the way to recovery.

meetings will be held in the auditorium of the Lubbock High School. The Lubbock Hotel has been designated as the official headquarters for the convention.

Appearing on the program this year will be some of the best-known educators of the South. They are Dr. Emer P. Rainey, president of the Texas University; Dr. John Brown, Brown University at Siloam Springs, Ark.; Dr. George W. Frazier of Greeley, Colorado; Dr. R. L. Sutherland, director of the Hogg Foundation, Austin; Dr. B. F. Pittenger, president of the Texas State Teachers Association, of Austin.

### Fighters Do Well In 'Gloves' Meet

Tahoka boxers who entered the District Golden Gloves tournament held at Texas Tech the first three nights of this week did very well for themselves.

Local school boys entered the Class A competition, for boys of little experience in amateur boxing.

Out of eight divisions in Class A competition, Tahoka boys were declared champions in three.

Buster Driver won the lightweight championship by clearly out-pointing Pete Jenkins of Muleshoe in the finals. Pete is the younger brother of Lew Jenkins, the former national professional lightweight champion.

Kelly King won the welterweight title by a knock-out in the second round of the finals over Melvin Visage of Lockney.

Warner Schaffner won the middleweight title by a technical knock-out of Billy Buck of Morton.

Derwood McClintock advanced to the finals in the flyweight class, but lost a close decision which brought a great many boos. Everette Sparks of Pampa was declared the victor.

Tuesday night, Wayland Hughes, after advancing to the semi-finals, lost to Jimmie Robinson of Littlefield; Keith Kivehen of Texas Tech won over G. W. White; and Roland Berger of Stinnett won from Sport Pendleton of T-Bar.

James Bavousett lost his initial fight to a Plainview boy.

### FULKERSONS MOVE BACK TO OLD HOME PLACE

Mr. and Mrs. W. H. Fulkerson, who moved out of their home into the Parkhurst place soon after purchasing it about seven months ago, have sold the Parkhurst place and moved back to their former home in northwest Tahoka. They made this move last Saturday.

The Fulkersons have sold the Parkhurst place to Bill McNeely, and he and family moved into it Saturday.

Mr. and Mrs. Fulkerson also recently sold their Martin county farm, and they have expressed the intention of investing the consideration in U. S. Defense bonds.

### New-Born Infant Of Goads' Dies

A little son was born to Mr. and Mrs. Floyd Goad at 11:00 a. m. Saturday but the little fellow lived just a little more than two days, dying at 4:00 o'clock Monday afternoon. He was given the name John Mack.

Funeral services were conducted by Rev. George E. Turrentine at the home and at the cemetery here where the child was buried Tuesday morning.

Attending the funeral from other points were Mrs. Goad's parents, Mr. and Mrs. Homer St. Clair and their two sons, Frank and Scottie, of Lamesa, and Mr. Goad's sister, Mrs. Lois McElfresh of Dallas.

Z. R. Ingle, who resides on the Leon Bromberg farm about seven miles southeast of Tahoka, has sold his farming equipment, livestock, and poultry, to his son, Butch Ingle, and he and wife are preparing to move to Norman, Oklahoma, where they formerly lived. They expect to leave about Saturday.

Mrs. L. N. Hancock of New Home and Mr. and Mrs. Eugene Hancock of Lubbock recently visited relatives in the vicinity of Dallas and particularly their son and brother, Billy Hancock, who is Naval Cadet at Grand Prairie.

W. D. Ingle and wife, who have been living on the Deen Nowlin place east of town, left Wednesday for Hico, where they will reside temporarily with her mother.

Frank McLaughlin Jr., who has been stationed at a military camp in Las Vegas, Nevada, has been transferred to 21st Technical School at Lowrey Field, Denver, an officers' training school, according to his dad, A. F. McLaughlin.

### When Child Needs a Laxative

Your child should like this tasty liquid laxative and you should like the gentle way it usually wakes up a youngster's lazy intestines when given by the simple directions.

SYRUP OF BLACK-DRAUGHT contains the same principal ingredient which has enabled its older brother BLACK-DRAUGHT to give so many users such satisfying relief for so many years!

Perhaps that's why it usually gives a child such refreshing relief when the familiar symptoms indicate a laxative is needed.

SYRUP OF BLACK-DRAUGHT comes in 2 sizes. The introductory size is 25c; the economy size is 50c.

### Rotary Sponsoring Speaker On War

Tahoka Rotary Club is sponsoring an address here on Wednesday night, Feb. 18, by a speaker of international reputation on the subject, "Our Neighbors in the Pacific." Dr. No-Yong Park, now a resident of Kirksville, Mo., is the speaker, and he has a wide reputation for his knowledge of Asiatic life and affairs, as a public speaker, and for his witticisms. In fact, he has been called a second Mark Twain by the New York Times.

The address is expected to be of especial interest due to the fact that our people are vitally interested in the war in the Pacific.

Dr. No-Yong Park was born in Manchuria, received his Eastern education in China and in Japan, and his post-graduate education in Europe and the United States. Although he holds a doctor's degree, he can speak with the man on the street. He is author of several books on China and the Far East, including "Chinaman's Chance," and "Retreat of the West."

The speaker will appear in Tahoka as result of negotiations carried on by Lamesa, Tahoka, and Seminole Rotary clubs during the past few weeks, who are sponsoring an Institute of International Understanding. Dr. No-Yong Park's address is the first of a series of prominent authorities on international relations being brought to this section by the three clubs. Two of the speakers will appear on Wednesday nights succeeding the meeting here at Lamesa, and another will appear at Seminole.

The lecture will be in the Tahoka High School auditorium and will be available to the public. Tickets may be secured from any Tahoka Rotarian.

**BUFFALOES IN LIME LIGHT**

The Buffaloes, world's tallest basketball team, and also one of the best, from West Texas State Teachers College, is featured in this week's Colliers' magazine. The March edition of Esquire will also carry a feature on this team, which played to a record-breaking crowd in Madison Square Garden last week but lost to Long Island U. 56 to 58.

**Mrs. R. C. Wood Talks With Sailor Nephew**

At eight o'clock Wednesday night, Mrs. R. C. Wood of this city had a telephone conversation with her nephew, Heber Brundrett, whom she reared, and who is now in the U. S. Navy. He talked with Mrs. Wood from Vallejo, California, having wired her in the morning that he would call her that night.

About the only information he was at liberty to give out, however, was the fact that he is "OK". In response to a number of questions that she asked, he stated that he could not answer them.

Mr. Brundrett is a mechanic on the U. S. S. Detroit, one of the finest in the Navy. Prior to the attack on Pearl Harbor on December 7, Mr. Brundrett was a mechanic on the U. S. S. Utah.

**THREE TAHOKA BOYS AT NORFOLK NAVAL STATION**

Cards received from Billy Hill, former operator for the News, indicate that he reached Norfolk, Virginia, on Wednesday of last week, and that he is in Platoon 84, Naval Training Station, near that city.

Bill writes that he has seen both Arvil Akin of Tahoka and Robert Holloway of Redwine since he has been there. Pierce Hallmark of this county is also there.

Bill was expecting to be placed aboard ship within about two weeks from the date of this issue of the News, presumably on the Atlantic.

On another page of this paper is an account of the amputation of one of the feet of Ed Strain of Colorado City, brother of J. R. Strain, well known citizen of Lynn county. J. R. Reports that on Tuesday of this week, it became necessary for a second operation to be performed, the leg then being amputated above the knee. His brother is in critical condition, in the Veterans' Hospital in Amarillo, but it is hoped that he will recover.

Tell the news to The News! University of Texas staff members, teachers and administrators of the South's largest institution of higher learning, have been asked by President Homer P. Rainey to pledge one day's salary each month to the purchase of U. S. war bonds and stamps.

### Highway Paving In Dawson County To Be Completed Soon

County Judge Vernon D. Adcock of Dawson county received word recently that actual work on the last gap in the Lamesa-Brownfield highway would start early in March, according to the Lamesa and Brownfield papers. This will complete that portion of the highway from Pumphkin Center to the Terry county line, it is stated.

Furthermore, bids were received last Friday on the project to complete 10.02 miles of highway No. 303 leading north from Stanton to Lamesa.

By the end of the year, every state highway that touches Lamesa will have been completed, it is announced.

### ADVERTISING AGGRESSIVELY URGED DURING WAR

Dallas, Feb. 4.—Advertisers must keep up an aggressive, sane program of advertising during the war in order that America may produce one hundred billion dollars income annually and finance the war as well as fight it, Stanley Campbell, president Dallas Advertising League, told the league Tuesday at the Hotel Adolphus.

He spoke in the place of I. S. Randall, president of the New York Advertising Club, whose grounded plane kept him from reaching Dallas in time to address the league.

"We must go back to the fundamentals in advertising and not try to be cute," he said. "There is no need now to try to play on the emotions of people which are already strained to the breaking point. Advertising should be sane and calm."

Campbell said the American system of advertising was an aid to free enterprise and kept up mass production methods used in the United States to make it great.

"Advertising at this point has the greatest audience in history," he said. "Everyone is reading news, opinions, stories and wanting to be entertained during these trying times. It is an ideal time to advertise."

"In order to give full co-operation to the nation's war effort, the public must continue to fight the military enemy abroad and the economic and social enemies at home."

"It is the duty of advertising to handle all civilian defense advertising and stories and to carry on an educational campaign against the enemies of advertising."

"America has been afraid of the tears and sweat up to now," he said, "but never of blood. During this war, we'll find both tears, sweat and blood to achieve the final victory."

### FRED MCGINTY ATTENDS COMMITTEE MEETING

Fred McGinty attended a committee meeting of the Production Credit Association in Lubbock Wednesday afternoon.

Fred says there are now about 75 members of the association in this county, which is practically the same as the membership in Lubbock and Crosby counties. Hockley is the leading county in the district, with approximately 200 members.

T. M. Dobbins and Mr. and Mrs. R. O. Dobbins of Roscoe and Mr. and Mrs. T. E. Crutcher of Sweetwater spent Sunday here as guests of Mr. and Mrs. G. M. Stewart. They are the father, brother, and aunt respectively of Mrs. Stewart. All enjoyed a fine turkey dinner.

Mr. and Mrs. Leonard Craft were called to Blackwell early Tuesday morning by the serious illness of his father. They had returned Thursday morning, Mr. Craft having improved.

Texas hardware stores enjoyed the biggest increase of any type of consumer business during 1941 trading, the University of Texas Bureau of Business Research reported. The hardware trade was up 23 per cent for the year.

Texas independent retailers had 16 per cent better business during 1941 than in the year previous, the University of Texas Bureau of Business Research reports.

J. R. STRAIN'S BROTHER HAS FOOT AMPUTATED

Mr. and Mrs. J. R. Strain and daughter Thelma Ruth and Mr. and Mrs. Boswell Edwards of New Home went to Amarillo last Sunday to visit Mr. Strain's brother, Ed Strain of Colorado City, who is in the Veterans' Hospital there. It had become necessary to amputate one of his feet just above the ankle recently. The patient seemingly was doing as well as could be expected. Accompanying the New Home party were another brother, Lon Strain, and two nieces of Colorado City.

Edward McMillan, former employee in the News office, wired his mother here last Friday that he was then in San Francisco but did not know how long he would be there. He is in the Navy and was on the Battleship Oklahoma in Pearl Harbor when the surprise attack was made there on December 7. He was unhurt.

SERGEANT W. E. MOFFITT APPRECIATES THE NEWS

The News has received the following appreciative communication from Sergeant Wallace E. Moffitt, who went into the army from this county and who is now stationed at Oroville, California. The News goes regularly to a number of the young men now in the armed forces of the United States, who seem to greatly enjoy the news from home. The letter from Sergeant Moffitt follows:

"I have been receiving the Lynn County News regular for some time, and I do appreciate it so much. But due to the fact that my organization is moving so often, I must inform you that my address must be changed. I have been notified by my Company Commander to ask this of you.

"I am just one of the many Tahoka and Lynn county boys who are doing their part in the defense of their country.

"I read about the boys in other camps in the Lynn County News, and I do want to get it regular; I read about the donations made by the people of Lynn county and how they are helping in our defense."

Sergeant Moffitt's address is: Sergeant Wallace E. Moffitt, Co. H, Central Defense Area, Communication Zone, Oroville, California.

Many friends here will be glad to read this brief note from Sergeant Moffitt. They know that just such red-blooded Americans as he and other Lynn county boys in the service must be depended upon to put Hitler and the Japs out of business. They know that General MacArthur's army in the Philippines is made up of just such soldiers as these.

FARMERS URGED TO GET MACHINERY IN SHAPE

Every piece of old farm machinery repaired and used this year will mean more guns in the hands of the armed forces, Vernon C. Willhoit chairman Lynn county USDA War Board, said this week.

"If we deliver our Food-For-Freedom pledges by using the equipment we have on hand instead of buying new machinery, we'll be releasing just that much material for guns, tanks, planes, and ships with which to lick the Japs," Willhoit said.

Realizing the tremendous responsibility of food in total war, OPM allocated as much materials as possible for repair parts and new machinery several months ago.

"We might be able to buy extra parts and new machinery later and again we might not. Any way you look at it, this year is the wrong time to take chances," the chairman said.

Every farmer who repairs an old machine, instead of buying a new one as he might in normal times, is giving two-fold aid to the fighting forces by releasing essential materials for war use, and insuring production of food for the war effort, he said.

"We can't sit around two-thirds of the winter and expect to get all farm machinery in top-notch shape overnight," the chairman said in pointing out all equipment should be checked and repair parts ordered immediately.

SON OF J. B. NANCE UNDERGOES OPERATION

Mr. and Mrs. J. B. Nance received a telegram last Friday from their daughter-in-law, Mrs. Dayton Nance of Barrington, Illinois, stating that her husband, their son, had undergone an operation for appendicitis Thursday. They received another telegram and a letter Tuesday stating that their son was recovering satisfactorily.

Dayton owns a farm seven miles south of Tahoka and has visited here a number of times.

Mr. and Mrs. Nance were very anxious about their son's condition until they received the messages Tuesday.

ROGERS-WAGGONER

Marriage vows were read here early Saturday afternoon for Miss Ivy Mae Rogers and Mr. M. M. Waggoner, both of O'Donnell, by Rev. Geo. A. Dale at his home. They were accompanied by a few friends. They will reside at O'Donnell.

MISS BERYL ROBERTSON WEDS SAN ANTONIO MAN

Miss Lillian Beryl Robertson, daughter of Mr. and Mrs. W. O. Robertson, became the bride of Alvin Earl Robinson of San Antonio at the home of her parents here last Sunday morning at 10:30 o'clock.

Rev. Geo. A. Dale, pastor of the Tahoka Baptist Church, read the marriage rites, using the single ring ceremony.

Miss Edith Robertson, sister of the bride and a Senior student in the Texas Technological College, was the maid of honor. Art Robinson of Odessa attended his brother as best man.

The bride wore a powder blue ensemble with black and white accessories and a corsage of gardenias.

She received a B. S. degree in Foods and Nutrition from the Texas Technological College in 1941, and for the past few months she has been employed as a dietitian at the San Antonio State Hospital. She will continue her work there.

Mr. Robinson has attended San Antonio Junior College and Coyne Radio School, Chicago, and for the past six months he has been employed as medical guard attendant at the Federal Detention headquarters in New Orleans.

Immediately after the ceremony, the couple left for Santa Fe to spend their honeymoon, following which they will reside in San Antonio.

ANNOUNCEMENT PARTY HELD FOR MISS BERYL ROBERTSON FRIDAY

Mrs. W. O. Robertson and her daughter Miss Edith were "at home" last Friday, January 30, from 5:30 p. m. to 8:30 p. m. to announce the approaching marriage of their daughter and sister, Miss Lillian Beryl, to Mr. Alvin Earl Robinson of San Antonio.

Piano selections were rendered during the hour by Misses Valerie Wells and Mary Beth Roddy.

Miss Marjorie McWhorter presided at the guest book and Miss Lucille Wright poured punch.

The refreshment table was laid with a white hand-made cloth. The centerpiece was a heart surrounded by white and scarlet carnations reflected on a mirror. Plate favors were tiny silver bells tied on small valentines revealing the couple's names and the date.

In the receiving line were the bride-elect's mother, Mrs. Robertson, the honoree, the bride-elect's sister, Miss Edith.

The honoree wore a rose crepe afternoon dress with a corsage of dubonnet carnations.

During the evening approximately fifty guests called.

Mr. and Mrs. Henry Burkhalter and little daughter Sarah Louise, and his sister, Mrs. A. L. Dunn, and son Billie, all of Austin, stopped in Tahoka a short time Monday morning while en route home from a visit with Mr. and Mrs. H. P. Burkhalter at Lubbock. Henry, who is a graduate of Tahoka High School, and also of Texas Tech, has for the past few years been an electrical engineer with the Lower Colorado River Authority. However, he is preparing to move to New York City, where he will be in the design division of the Engineering Dept. of Electric Bond & Share Co.

Charles Townes and David Weatherers, who are stationed at the Advanced Flying Base at Lubbock, spent last week end with home folks. They both say they are enjoying their work so far, and declare that the accommodations at the field are about the best imaginable.

W. M. LEE HONORED WITH BIRTHDAY DINNER

City Marshal W. M. Lee was honored with a birthday dinner Sunday at the home of his daughter, Mrs. Condly Carmack, all of his children and their families being present. Mrs. Carmack, Mrs. Jess Gurley, and Preston Lee. Preston and family came up from Sweetwater, where he is manager of the Higginbotham-Bartlett Lumber Co.

Mr. Lee declares that it was a most pleasant occasion, though these birthdays are doubtless beginning to come in a bit too rapid succession. But many, many friends here hope that he may yet be honored with a score more just such occasions.

Pvt. Albert Curry of the 134th Cavalry, Machine Gun Troop, Fort Brown, returned to the Fort on Thursday of last week after a ten-day visit here with his wife and parents. Mrs. Curry dropped in this week and arranged for the News to be sent to his address.

Mrs. Inaug as Finley returned home Monday night from DeLeon, where she visited her mother, who was ill.

### Deputy State Supt. Gives Interesting Education Views

(By Wendell Coffee)  
Mr. E. H. Boulter spoke in assembly Thursday afternoon, January 29, following a short band concert. Mr. Boulter is deputy state superintendent in charge of 18 West Texas counties.

When interviewed following the chapel, it was found that he enjoys memorizing poetry while driving. He said that when he saw a poem in an outstanding place, he would copy it on the back of an envelope and then memorize it in the next two or three days as he was driving from one place to another. He memorizes from two to three a week in this manner. "I Bargained with Life for a Penny," a poem he recited in assembly, was an example of this.

Because school trains the future citizens, it will be up to the schools soon to reconstruct the world, according to Mr. Boulter. He said that during the war, greater interest should be placed on schools. Also, he said that any teacher who stayed with the job rather than leave for greater pay in other work was really making a patriotic sacrifice for the nation and that particular community.

When asked of the progress of music in schools, he replied, "For the past few years the State Department of Education has been stressing the importance of music in the school. It is my personal opinion that the school band will

become more and more popular. There are now 832 school bands in Texas."

Mr. Boulter will be back to observe the Tahoka classrooms more closely in February. For twelve years prior to this time, he was superintendent of the DeLeon schools. He was born in Brownwood, received his A. B. degree at Abilene Christian College, his M. A. at Hardin-Simmons, and now resides at Lubbock, with his office at Texas Tech.

He stated that he liked the posters and other signs of work on the walls of Tahoka High School and that four base walls were distasteful to him. He also likes the patriotic interest they showed. He stated that T. H. S. had exceptionally good spirit and pride.

#### PIRTLE-HARDIN WEDDING SOLEMNIZED JAN. 28TH

The marriage of Miss Bertie Jean Hardin, daughter of Mr. and Mrs. Rube Hardin of Post, and Julian W. Pirtle, son of Mr. and Mrs. R. L. Pirtle of Draw, was solemnized January 28 in Hobbs, N. M., in the home of Fred Curtis, minister of the Church of Christ, who read a single ring ceremony.

The bride, who is a graduate of Post High School, wore a navy blue costume suit with navy and white accessories and a corsage of white carnations.

The couple is now at home on their farm south of Draw.

Miss Mary Preston, who is teaching at McNary near El Paso, spent the week end here with her sisters, Miss Elizabeth Preston and Mrs. Grady Gore.

#### Lient-Gov. Candidate

SEN. VERNON LEMENS

The first lieutenant-governor candidate to forward his filing fee, Sen. Vernon Lemens of Ellis County is entering actively upon his campaign for election. Senator Lemens is one of the two Senators with the longest continuous legislative tenure, with eight years' service in the House and now in the sixth year in the Senate. He is a native of Red River County and subsequently resided in Hood and Somervell Counties, prior to moving to Waxahachie. Senator Lemens is a graduate of North Texas Teachers' College, Denton, and attended University of Texas Law School. He taught three years in Lubbock County prior to practicing law. He is a Baptist, a member of the American Legion and a Rotarian. His wife is the former Lelia Engberg of Anneton. They have two young sons.

#### Three Members Of Draper Family Are In U. S. Service

Three members of the I. M. Draper family are, or soon will be, doing duty in Uncle Sam's army.

Robert Draper, who was in Fort Bliss for several months last year and was released on account of the age limit then in effect, was called back to the service recently and left Tuesday night for Camp Wolters at Mineral Wells.

Tom Draper volunteered for service this week and left Wednesday morning for Fort Sill.

Miss Claudia Draper, who served as a nurse for about a year in a hospital in Honolulu, resigning her position and coming home just a few weeks prior to the Japanese assault on Pearl Harbor, has volunteered as an army nurse. She has not been assigned to a post of duty yet and it is not known just when she will leave but it is expected that she will be assigned to active work somewhere right soon.

#### TWO FAMILIES LEAVE FOR CALIFORNIA

Mr. and Mrs. B. J. Mayberry and son Nelson and Mr. and Mrs. O. J. Warren and children, Alene and Jackie, left Wednesday of last week for California, where both sets of parents have children.

Mrs. Warren has been suffering for a long time from heart trouble, and it is hoped that the climate out there will be helpful to her.

#### CARD OF THANKS

Words cannot express our deep appreciation for each deed and act of kindness shown us while we were ill.—May God's richest blessings be with each of you.—Mr. and Mrs. J. W. Chesser.

Norma Thompson, who lives with her grand-parents, Mr. and Mrs. W. F. Mitchell near New Home, underwent an operation for appendicitis in Mercy Hospital in Slaton last Friday. Her condition was reported this week to be satisfactory.

#### ASTHMA SUFFERERS

For shortness of breath, wheezing, coughing, and other asthmatic symptoms, try LEAVENS. It is the only medicine that gives relief. LEAVENS is sold under guarantee.

WYNNE COLLIER, Druggist

Paul Cox, son of Mr. and Mrs. Jarrell Cox of West Point, who has been attending the North Texas State Teachers College at Denton, came home last week with the intention of returning to college some time later.

### Scrap Metal Is Vital To Defense

Collection and sale of scrap iron and steel is only one of the many ways Lynn county farmers can help lick the Japs, the Nazis, and the Fascists, according to Vernon Willhoit, chairman of the Lynn county USDA war board.

Growing needs of a nation at war serve to intensify demands for steel and scrap iron to feed the hungry mouths of arm factories, the defense board chairman said.

Urgent appeal is also made to the public to gather up steel and scrap and carry it to nearest dealers for use in charging the nation's steel furnaces. A list of dealers for the county are on file in the local AAA office and may be consulted any time, he said.

"We're not asking that you give your scrap to your country. We're asking that you sell it at prevailing prices for immediate defense use," Willhoit said in explaining that financial returns cannot be expected to be large but results will be of untold value to farmers in their whole victory effort.

Willhoit explained that prices for scrap vary in different sections since dealers deduct costs of transporting scrap from shipping point to mill, as well as preparation charges.

"It's just another way of saying that we're at our posts on the farm front," the chairman said. "We're in his war to win, and each of us will have to do his part to get the job done."

**THUMBS UP FOR BONDS AND STAMPS!** This war poster, illustrating how Americans can help the air forces to victory, is being displayed in the windows of 500,000 of the Nation's retail stores where Defense Stamps—in denominations from 10 cents to \$5—are being sold. This is one of a series of human-interest posters being prepared to remind the public of its part in the war effort.

### WHAT'S DOING AROUND GRASSLAND

Mr. and Mrs. Claude Johnson of Hobbs, New Mexico, were visitors in Grassland last week end.

Everyone is busy putting up his land and getting ready for another crop.

There are a number of new students in the school now. Some are moving away to start at other places.

Jack Brown is a victim of the mumps this week.

The new store is well under way. No doubt it will be ready to go by the middle of the month.

Mr. and Mrs. William Young and Mr. Arch Aten will leave this week for California. Son Aten is out there now working in a ship yard.

Grassland basketball team played a game at Graham last week but it was defeated by several scores. Graham will play the team here this week.

Mr. and Mrs. Meyers have moved back to Grassland again.

### CHILD GUIDANCE CLUB MEETS WITH MRS. HAMBLÉN

Mrs. John Hamblén was hostess to the Child Guidance Club Tuesday afternoon in her home.

The members answered roll call by telling what book their child likes best.

Mrs. Fred Hegi reviewed the book, "Marriage Is a Private Affair" by Judith Kelly.

Refreshments were served to Mesdames Roy Edwards, Coy Fielder, Jack Welch, Truett Smith, A. L. Pace, Gibson, Happy Smith, James Clinton, Calloway Huffaker, and Fred Hegi.

### DOUBLE PROGRAM AT DIXIE FRIDAY NIGHT

There will be a double program at Dixie school house Friday night, February 6. Nothing like it at Dixie in twenty years. You will miss something if you fail to come.

Mr. and Mrs. Sims, Teachers. A. L. Dunagan, Precinct Chairman

### Advice Offered On Income Tax

The News has received a communication from W. A. Thomas, collector of Internal Revenue, Dallas, advising that a deputy collector will visit Tahoka on Wednesday, February 13, for the purpose of assisting citizens in making their tax returns, and giving some important information respecting changes made since last year. The communication, in part follows:

The Revenue Act of 1941 reduces the personal exemption allowed a single person to \$750, and a married couple to \$1,500, on individual income tax returns for 1941. In addition, increased surtaxes have been levied upon all net income exceeding personal exemptions in addition to the regular normal tax. This reduction in the personal exemption will require many thousands in this District to file income tax returns who have never been required to file before. This office is anxious to aid all taxpayers who desire assistance in preparing their returns.

"For this reason, a Deputy Collector of Internal Revenue will visit your city to assist your citizens with their income tax problems. Existing laws do not impose this duty upon us or our employees, but we feel obligated to assist whenever possible. The Deputy's advice and assistance is extended purely as a courtesy and without cost to your Citizens.

"Deputy Collector Burl Bedford will be at the First National Bank, in Tahoka, Texas, on February 18th, 1942, from 8:30 a. m. to 5:00 p. m. to render assistance with income tax problems to any who desire it. This will be the only visit that can be made to your city before the end of the current filing period on March 15, 1942.

"Respectfully yours, W. A. Thomas Collector of Internal Revenue."

N. W. Alphin reports that his son Noel is now in the Signal Service Intelligence department of the army at Fort Benning, Georgia. He was recently transferred there from Fort Sam Houston, where he had been for quite a while. Noel is a graduate of the Tahoka High School.

### EASTERN STAR

A stated meeting of the Eastern Star chapter will be held Friday night at 7:30 o'clock in the hall. Annie Hanes, W. M. Loraine Garrard, Sec'y.

STATED MEETINGS of Tahoka Lodge No. 1041 the first Tuesday night in each month at 7:30 Members urged to attend. Visitors welcome.

JACK WELCH, W. M. E. L. RODDY, Secretary.

### HOME SWEET HOME

really means something when the whole family is agreeable. But it takes only ONE to spoil the harmony. Nervous strain from over-work causes EXCESS ACID and indigestion, sour stomach, follows. ADLA Tablets with Bismuth and Carbonates QUICKLY relieve these discomforts. Druggists have ADLA Tablets.

## Treadway . . .

(Continued From Page 1) had seen much history made. Even Tennessee was still a pioneer state when he was born. He grew up under the shadows of the gathering storm known in history as the Civil War, and was a boy fifteen years old when that tragic conflict broke upon the nation. He became a soldier of the Confederacy.

Following the War, he was married in the county and state of his birth to Miss Amanda Jones, and there they continued to live until 1886, when they yielded to the lure of the West and came to Hunt county, Texas. Fifteen years later, Mr. Treadway and family left the Hunt county home and came to Runnels county, settling at or near Ballinger. Three years later, 1904, they moved again, stopping this time in Borden county.

In 1922, they came from Borden county on up to Tahoka; at least, Mr. and Mrs. Treadway and two of the sons, Tom and Porter, came here. Two other sons, W. A. and E. J., located along about the same time at O'Donnell.

Mrs. Treadway died here in 1929, after the couple had lived together as husband and wife for sixty years or more. One of the sons, Porter Treadway, it will be remembered, was killed in an automobile accident on the Highway between O'Donnell and Tahoka in 1934. Only the three sons, W. A., T. G., and E. J. Treadway, survive; all now residents of O'Donnell. Also surviving are twelve grandchildren and six great-grandchildren.

Mr. Treadway has been a devoted member of the Church of Christ since early manhood. He was a man of sterling character and genial disposition, beloved by all who knew him. He made life a little more pleasant for every individual with whom he came in contact, and the world must be a little better because Mr. Treadway lived in it for almost a century. Many friends bow their heads in sorrow today because of his passing.

**Home Guard . . .**

(Continued From Page 1) dance.

The company, under Captain Don Turner and Lieutenants H. O. Hargett and E. R. Edwards, held its third drill period Monday night with 63 recruits present. Many others have signed applications for membership in the company, but those who are not reporting for drill must be dropped, Sgt. W. T. Bovel announces.

There is still room for more men, according to Capt. Turner, who urges that more young men who will possibly become eligible for duty in the regular army in the next few months or years take advantage of this opportunity to get some training before their induction. High school boys are especially urged to join the Guard. Older men are also welcome, there being a number in the company now who are in their fifties. Work with the company will afford valuable training and exercise to the individual as well as a service to the county, section, and nation. Capt. Turner points out.

Several men from Wilson enlisted last Monday night.

The local unit has applied for membership in the Texas Defense Guard, and Tom Garrard, who is handling the application, received a letter this week from Lieut. Col. Neill H. Banister of the Adjutant General's Department, stating that Tahoka's application had been placed in the "live file" for possible approval some time in the future.

## Cotton Record . . .

(Continued From Page 1) tie more than a thousand bales short of Lynn and stands third in the state. Its ginnings are given as 60,916.

Nueces county, which used to vie with Ellis for first place, now takes fourth place in the state, and another South Plains county, Dawson, is fifth, with 52,820 bales. Ellis county ginned only 47,561.

Ten other counties in this section of the state are given as follows:

Crosby	45,836
Lamb	41,686
Scurry	39,761
Hockley	36,999
Dickens	32,329
Berry	27,412
Hale	25,625
Garza	15,005
Bailey	14,672
Motley	14,593

Rev. Frank Thomas, pastor, and M. L. Kenley, represented the Central Baptist Church at the Workers Conference held in Denver City Thursday.

## Dr. Kent . . .

(Continued From Page 1) ing. No resume of his address could be given in this space, but in closing he stressed two points: first, that we should be determined, to bring about a just peace at the close of the war which would make it possible for the peoples of all nations to have and enjoy the necessities of life; and second, that we should have some kind of league of the Christian nations that would so organize and control the affairs of the world as to make another such war practically impossible.

In this connection, he took occasion to praise the ideals and the efforts of President Woodrow Wilson at the close of the last World War to bring about just such a peace.

His address received spontaneous and prolonged applause.

Deen Nowlin announced a Defense meeting at Grassland for last night, at which Dr. Kent was to speak.

Supt. W. T. Hanes had as his guests Coach A. L. Pace and Capt. Wayne Shawn of the basketball team which plays tonight for the district championships.

Capt. Don Turner told of progress being made by the Defense Guard.

Happy Smith called attention to the series of Boy Scout Week programs, particularly the program on Sunday night at the Methodist Church.

C. L. Avin, president, and two members of the Brownfield club, were present and issued an invitation to Tahoka Rotarians to make up attendance with that club on Friday noon.

J. L. Brooks was elected to membership in the club.

The president revealed the fact news had leaked through from Manila, Philippine Islands, that the Vanilla Rotary Club had recently held a meeting "in a grove just out-

## Basketball . . .

(Continued From Page 1) Reynolds who is hard to handle. He is a forward, and then there is a guard, Jones, who comes up to sink many shots. Other Denver City starters are Pevehouse, forward, Williams, center, and Fleetwood, a guard.

Coach Hope Haynes' Tahoka High girls' team is also one of the better teams in this section, and play for girls championship got under way this week when the Tahoka girls won over the always strong New Home girls 50 to 20, which was probably the biggest score any Tahoka team ever piled up over a New Home team. These two teams are playing again Thursday night as the News goes to press.

Tahoka, New Home, and Wilson girls are playing a round-robin tournament for the county championship. Tahoka plays Wilson here February 11 and at Wilson Feb. 13. The winner of the round-robin will enter the district tournament to be held at New Deal beginning on Feb. 17.

Post girls also played here Tuesday night and lost to Tahoka girls by a score of 31 to 14.

## TAHOKA MAN PROMOTED

Roy C. Harvick, son of Mr. and Mrs. William Harvick of Tahoka, and now stationed at Goodfellow Field, Army Air Corps basic flying school at San Angelo, recently was promoted from the rank of private first class to the rank of sergeant. Sergeant Harvick is attached to the 67th School Squadron.
