Plans Announced On Another Draft Starting April 27

Announcing the distribution of instructions to Texas local boards concerning the April 27 registration, General J. Watt Page, State Selective Service Director, said today that plans are under way to register approximately one and one-half times the number of men who were registered in the third registration.

As soon as the President's proclamation calling for the fourth registration has been received at State Headquarters, Governor Coke Stevenson will, according to the Director, issue a proclamation calling upon all men in this state who had attained their forty-fifth birthday on or before February 16, 1942, and have not attained their sixty-fifth birthday on April 27, 1942, to register as of their home address between 7:00 a. m. and 9:00 p. m. on Monday, April 27.

General Page pointed out that although the men affected by this registration are not liable for military service under the Selective Training and Service Act of 1940, as amended, they will be registered in much the same manner as men who enrolled in previous registrations.

Local boards will conduct the registration with the assistance of volunteer registrars, and will record the same information on registration cards as was required in the first three registrations.

General Page pointed out that since registrants who were forty-five (Continued on Back Page)

Mrs. S. J. Kitchens Is Buried Here

Funeral services were conducted at the Harris Funeral Chapel here Sunday afternoon for Mrs. Ella Kitchens, 55, wife of S. J. Kitchens, who died at their residence near Andrews Saturday after a long period of illness, Rev. Collins Webb of New Home officiating. The remains were interred in the cemetery here.

Mr. and Mrs. Kitchens formerly resided in the vicinity of New Home in this county, moving away a few years ago. She had been in bad health for several years before leaving Lynn County.

Surviving her are the husband and four children, all of whom were here for the funeral. The children are, Mrs. Earl Bradshaw of Levelland, Mrs. Jack Jackson and Mrs. Doyle Jones of Andrews, and Claud Kitchens of Brownfield.

Six grandchildren and the following brothers and sisters also survive: Mrs. Savannah Bradshaw of Cleburne, Mrs. L. D. Eskew of Mart, J. M. Walker of Ropesville, Mrs. C. M. Thompson of Munday, and Earl Walker of Oklahoma City.

Ella Walker was born in Oktibbeha County, Mississippi, on January 31, 1887. She removed to Texas with her parents as a small child. She was married to S. J. Kitchens on December 22, 1908. She came with her husband and family to Lynn County possibly fifteen years ago, and they resided in this county for a number of years.

She united with the Baptist Church when she was eighteen years of age and had lived a devoted Christian life. Many friends in this county were grieved by her death.

Mrs. Ruth Simpson Is Buried Tuesday

Mrs. Ruth W. Simpson, 37, teacher at Lakeview, was buried Tuesday afternoon at Bolivar, Denton county, beside the body of her husband, who died several years ago.

Mrs. Simpson had died Sunday morning in a Lubbock hospital from a malignant ailment that had confined her to the hospital since March 19. Funeral services were held at 5 o'clock that afternoon in a Lubbock funeral home before the body was taken to Bolivar.

Survivors include her parents, Mr. and Mrs. D. A. Willis of Sanger; two children, and two brothers, Chas. Willis of Waco and Clarence Willis of Sanger.

WHEN PERSHING HONORED MacARTHUR 23 YEARS AGO—This picture, made on a blustery March day in Remagen, Rhenish Prussia, shows the commander of the A. E. F. pinning the Distinguished Service Medal on General Douglas MacArthur then commanding the 84th Brigade, 42nd Division. The photo is from the World War files of the U. S. Signal Corps.

This was General MacArthur's second decoration. He was awarded the Distinguished Service Cross for gallantry in action in March, 1918. He also wears the Silver Star Medal with six oak leaf clusters. A bill is pending in Congress to award him the Medal of Honor.

Sugar Rationing Plans Are Made

Supt. W. T. Hanes of the Tahoka schools, County Supt. Lenore M. Tunnell, and possibly other school people of the county, attended a meeting of school administrators in Lubbock Thursday at which the process of sugar rationing was explained.

Registration of all consumers for sugar rationing cards will be conducted in the schools of the nation starting May 4. Registration of handlers of sugar will be held starting April 27.

The meeting was called by Assistant State Superintendent T. M. Trimble of Austin.

Spicy Program At Rotary Club

A spicy variety program was heard by Rotarians at their regular weekly meeting Thursday noon at the Legion Hall.

Jack Stone, district Boy Scout executive, of Lubbock, made the principal talk, in which he told of work of the Boy Scout organization and Scouters in this district and in Tahoka.

For their work in Scouting, Mr. Stone paid high tribute to Rollin McCord, Lee Dodson, A. R. Milliken, W. A. Reddell, Happy Smith, Carl Owens, A. C. Weaver, Travis Hanes, and others.

Rev. Frank Thomas of Central Baptist Church, brought some serious thoughts along with a number of clever imitations and comedy that brought cheers from the Rotarians.

A clarinet quartet was presented by four high school students, Joan Edwards, Bobbie Jean Minor, Virginia Roddy, and Carl Griffing Jr., who will participate in the annual band contests in Amarillo next week.

R. P. Weathers had charge of the day's program.

Houston Spikes, serving out the unexpired term of Charles Townes as club secretary, was unanimously elected for the coming year. Truett Smith, who becomes president of the club in July made a short talk.

The club voted to accept the invitation of the Farmers Co-operative Gin to take lunch with them at their annual meeting at the gin offices next Thursday at 1:00 o'clock.

RABBIT DRIVE AT WEST POINT

The West Point people are inviting all their friends to come out and take a shot at their rabbits next Wednesday, April 22. The school house will be the meeting place, and there the good ladies will serve lunch at the noon hour.

Dallas Boosters Coming Wednesday

DALLAS, April 15 (Special)—With nothing to sell but the idea of unity to win the War, 75 business executives wearing red, white and blue uniforms will pile off the annual Dallas Goodwill Tour Special Train at Tahoka at 10:35 a. m. Wednesday, April 22.

With them for their stay in Tahoka will be officers of the Army, Navy, Marine Corps, and Army Air Corps.

Entertainers aboard the special train who will stage a show include the Early Bird Orchestra, Cass County Kids, Peg Moreland, and the Plainsmen Quartette, all from 50,000 watt Radio Station WFAA.

The members of the Dallas Goodwill Tour, the 41st to be staged by the Chamber of Commerce of this city, will leave their train and march uptown in Tahoka. There, the entertainment groups will play, sing, and cut capers for the audience. The parade and show will occupy one hour.

P-TA Convention Is Invited Here

Tahoka Parent-Teachers Association, represented by four members at the district convention in session Thursday and Friday at Anson, is making a bid for the 1943 convention to be held in Tahoka.

Those attending from here are Mrs. D. G. Ridge, recently elected president for the coming year, Mrs. A. O. Conley, Miss Nellie McLeroy, and Supt. W. T. Hanes. The president, Mrs. Fred McGinty, was unable to attend because of illness in the family.

The convention is usually attended by several hundred people.

Mr. Hanes, according to press reports, is a member of the elections committee.

Farmers Co-op To Hold Annual Meet

Announcement has been made by the directors of the Farmers Co-operative Association No. 1 that the annual meeting of the membership will be held next Thursday, April 23, at 10:30 a. m.

The morning program will be devoted to educational features and entertainment, followed by a barbecue lunch at noon. The afternoon session will include the auditor's report and discussion of the business affairs of the Association.

The business men of the town are being invited as special guests of the Association. B. J. Emanuel is president, G. L. Cobb vice president and Terry Noble secretary.

Two Pioneers Of Tahoka Are Dead

Press dispatches recently have chronicled the deaths of two pioneer business men of Tahoka, W. R. Hampton of Post and G. W. Coughran of near Abilene. These two men, both born in the middle of the nineteenth century, contributed much to the upbuilding and ongoing of Tahoka when the town was still young, during the early years of the present century.

Backing Promised To Defense Guard

Tahoka Defense Guard held a period of intensive drill at their meeting Monday night, attended by 68 members of the company. Several new movements were given the company by commanding officers, following a short period of instruction on discipline.

Capt. Turner announced that in all probability, commanding officers of the 39th Battalion, Lubbock, would inspect the company next Monday night, and urged that every member be present.

Thursday night voluntary drills are continuing with from one-half to two-thirds of the membership taking advantage of these extra drill periods.

Refreshments were served to the men by the Court House Bunch following the drill period. The local Legion post sponsored organization of the unit, and have now promised to see that the men do not have to buy their own refreshments on meeting nights. Various organizations of the town and county are asked to volunteer to furnish the eats some drill night.

Plans are already under way by the Legion, represented by a general committee, of which Claude Conway is chairman, to secure a committee in each community of Lynn County to assist in maintaining the Guard unit.

Chairmen already appointed include: Clayton Beard, Redwine; D. E. Holcomb, New Lynn; Otto Carter, Edith; Chas. C. Coffee, T-Bar; and Mrs. R. C. Forrester, Tahoka. Committee members will be named later. Organizations that have promised support include, in addition to the Legion and Auxiliary, the Court House gang, Post Office employees, and Rotary Club.

Plan Demonstration On Food Here

A "Food for Freedom" meeting participated in by all communities of Lynn County and featuring the preparation of whole grain products and sugar substitutes to be held in the American Legion Hall here on April 25, is being announced by Miss Maurine McNatt, County Home Demonstration Agent.

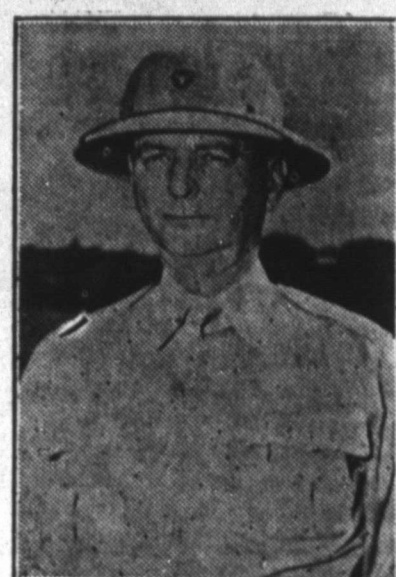

This meeting will be similar to the one held at the same place last September. The dishes will be prepared by Home Demonstration Club women and home economics leaders of the county will assist with the program.

There is no charge and every one is invited. Miss McNatt says.

Legion Auxiliary Will Give Program At Lubbock Meeting

The Ladies Auxiliary of the Marion G. Bradley Post No. 250 of the American Legion has accepted an invitation from the Lubbock Post Auxiliary to present the program in that city next Monday night at 8:30, according to Mrs. A. M. Cade, president of the Tahoka Auxiliary. Since this is "Child Welfare" week, the program consisting of talks and songs, will carry out that theme.

Officials of the local Auxiliary consider this invitation a distinct honor, and ask that every member and every lady eligible for membership go to the Lubbock meeting with the Tahoka delegation. Anyone not having transportation may contact Mrs. Cade. The group will leave from the local Legion hall shortly after 7 p. m.

DEFENDER OF THE PHILIPPINES—Lieut. Gen. Jonathan M. Wainwright, successor of Gen. MacArthur in command of United States troops in the Philippines.

New Teachers On School Faculty

At the regular monthly meeting of the Tahoka school board this week, resignation of one teacher; Mrs. Stella Duke first grade, was accepted. Mrs. Duke is not going to another teaching job although she will be dealing with the teaching profession. Mrs. W. T. Hanes will act as substitute teacher in Mrs. Duke's place for the remainder of the school year. Mrs. Hanes has been formerly a primary teacher, having about ten years experience.

Miss Nellie Mae McLeroy, third grade teacher, and Miss Georgie Taylor, public school music teacher, notified the board that they did not plan to teach in Tahoka another year. It is understood that Miss McLeroy is entering another field of endeavor and Miss Taylor has not announced her plans. The board regretfully accepted these teachers' letters because they have been excellent teachers and good citizens in our midst.

Miss Anita Reddell was elected to the public school music place for the 1942-43 school term. Miss Laurine (Continued on Back Page)

Bell Candidate For Chief Justice

J. Ross Bell, prominent Childress attorney, was here Wednesday and Thursday in the interest of his candidacy for the office of chief justice of the Court of Civil Appeals, Amarillo. He met many of the voters and a number of old friends.

Mr. Bell has practiced law over Northwest Texas for over thirty years. He lived in Paducah for twenty years, but for the past fourteen years he has been practicing at Childress. He is a former district attorney of the old 50th Judicial District which comprised Baylor, Knox, Cottle, King, Motley, and Dickens counties. During these years he has been prominent in legal and civic circles of this area.

Mr. Bell seeks election to the office now held by Chief Justice M. J. R. Jackson, who is retiring January 1.

The candidate stated that he is making an active campaign and would see every Lynn county voter possible during the campaign. However, there are 64 counties in this district and he will not be able to spend as much time here as he would like to spend. He asks that every voter take an interest in the candidates for this office and made a thorough investigation of his qualifications.

A number of friends here commend Mr. Bell very highly.

Texas Utilities Is Holding School

The first session of the Texas-New Mexico School of Electric Cookery was held at the company offices at 2:30 Thursday afternoon and another session will be held there this afternoon at the same hour.

Miss Anna Bell Hickman, the company's cooking specialist, is conducting the school.

Midway: R. L. Littlepage and Curtis Driver.

Keith Connolly Is In Australia

"Gunner in Flying Fortress. Came out of Java in one piece. Take it easy, James Keith Connolly."

This is the wording of a telegram received Thursday morning, sent earlier in the day by Keith from somewhere in Australia to his parents, Mr. and Mrs. James Connolly of Tahoka.

It was the first word anyone here had had from him since the invasion of Java, in the southwest Pacific, by the Japanese. Relatives and friends had been very uneasy concerning his safety, and the telegram was comforting news.

A few weeks ago, both Mrs. Connolly and The News received letters from Keith which had been written on January 10, evidently from Batavia, Java.

The telegram revealed for the first time that he is on the crew of one of the famous Flying Fortress bombers which are proving so devastating to the Japs and against which they have yet to find any effective weapon. Previously Keith had been a gunner in the Field Artillery, having made an unusual record at Camp Bowie, Brownwood.

Keith, with his brother, Finis, and other Tahoka boys, went into the army through the Lubbock National guard company when it was called into service two years ago. Finis is at Camp Blanding, Fla., and is expected to visit here this weekend.

He sailed for the Southwest Pacific from San Francisco last November 21. His usual comforting admonition to his mother is "Take it easy."

Ex-Students Will Attend Banquet

Ex-students of Tahoka schools will be hosts to the 1942 Senior class at a banquet in the gymnasium Friday night of next week at 9 o'clock, according to Harley Henderson, president of the Ex-Student organization.

The affair is being arranged by the social committee composed of Mrs. Pete Curry, Mrs. Happy Smith, R. P. Weathers, A. R. Milliken, and Mr. and Mrs. Oscar Roberts.

All ex-students, ex-teachers, and teachers are being urged to attend the affair. Tickets are 50 cents each.

BAPTIST CHURCH
 The Sunday School attendance last Sunday was 18 less than the record, attendance for the last 4 years. The record attendance was 300. We had 282 last Sunday and we are working and praying that we will have over 300 next Sunday. We do not want you to come for any other reason than to worship God, but feel that all the people are now more ready to worship Him than probably they have been for many years. Won't you come and be the one—and we will have 301.

The preaching attendance was up last Sunday also, and we appreciate very much the fact that the people are working, and that you are interested in the ongoing of the Kingdom work and that you are willing to sacrifice time and effort to come to the House of the Lord. We are going to be watching for you.

Brother Hal Upchurch will bring the messages Sunday. The people are enjoying his messages very much and we urge that you come and hear them Sunday.

The Brotherhood will meet Tuesday night at 9:00 p. m. We are very anxious that every man of our church, be present for this meeting. This is our first since the Association meeting, and we are very anxious that our men come help us make this one of the best if not the best Brotherhood in the Southland.

We are going to have a Sunday School Study Course on Monday, Wednesday, Thursday and Friday nights of next week. We are very anxious that every person that would like to know more about the Bible, Sunday School work, Departmental work be urged to come. There will be 6 courses taught, and there will be something that every person will enjoy and appreciate.

The program for the week—
 Sunday—10:45 a. m. Sunday School.
 12:00 Morning Worship.
 8:00 p. m. Training Union.
 9:00 p. m. Evening Worship.

**Judge E. L. Pitts Seeks
 Office of Chief Justice**

E. L. PITTS
 District Judge E. L. Pitts of the 89th District Court at Lubbock, has announced for the office of Chief Justice of the Court of Civil Appeals, 7th District, to succeed Chief Justice M. J. R. Jackson, who retires voluntarily next January 1.
 Judge Pitts is 53 years old, a native Texan, born in Fannin County. His parents moved to West Texas when he was a child; and he grew to manhood in Palo Pinto County, where he resided until he moved to Northwest Texas some years ago. Judge Pitts' education was received in the public schools, East Texas Normal College, Commerce, Texas, and the University of Texas. Subsequently he taught school; and then he entered the law profession. Before his election as District Judge, he served as County Judge of Lubbock County.

ELDER DRENNON'S NOTES
 I feel I just must write a few lines expressing my appreciation of the fine information Editor Hill has given us on India and Japan, of their peoples customs and religions. They are very enlightening.

I also want to commend the fine tribute he gave brother Herbert Womack. I had the privilege of baptizing Herbert into Christ several years ago, and if ever a boy was devoted to his mother, it was Herbert. How we need more boys like him in this respect.

I was indeed sorry to read of my friend C. T. Oliver getting hurt. I hope he completely recovers.
 Also sorry to hear of Rev. Dale's illness. Glad to hear the church was paying him his salary while he is off. That is a fine thing for them to do and I think he deserves it for his faithful work.

We have had some moisture fall lately and things are beginning to get green. Our Easter freeze ruined most of our fruit.

I still get a little homesick for Lynn County and her fine people, but we have a fine place to live here with a fine citizenship.

Yours for more people who will look up, as well as down and out.—
 R. P. Drennon.

**PRESBYTERIAN CHURCH
 SUNDAY**

The Presbyterian Church will have its regular third Sunday services on April 19th. Dr. W. B. Gray, the pastor, who has been in evangelistic meetings in Lubbock and Spur for the past three weeks, writes that he expects to fill his regular appointment here on this date.

Preaching services will be at 12 noon and at 8:30 p. m. The topic for the morning sermon will be: "Christ at the Door." For the evening sermon: "Following Afar Off." The Sunday School Class will be at 11 a. m.

METHODIST CHURCH

President Frank Turner will preach in the evening and the pastor in the morning. Christian Education will be the theme for the services. Our children's classes had a better attendance Sunday than the adults.

The Children's Division was the one represented at the Workers' Council Tuesday evening. It is not enough to let the burden of church work fall upon children while the adults play around or lay out. Nero fiddled while Rome burned. May his end be our warning. All together for a great Summer. Plans were discussed for another Vacation Bible School after the close of the day school.—Geo. E. Turrentine, pastor.

**DORCAS S. S. CLASS TO
 HAVE SOCIAL MEETING**

The Dorcas Sunday School Class of the Baptist Church will hold a social meeting Friday night at the home of Mrs. W. M. Harris, to which all members and prospective members are invited to come and bring their husbands.
 Something "extra special" has been planned, members say.

**Roy Stevens Is
 In Jap Camp**

L. R. Stevens, father of Roy V. Stevens, who was captured by the Japanese at Wake Island on Dec. 23, reports that he is hopeful of gaining communication with his son some time soon.

The American Red Cross has under way negotiations for an agreement with the Japanese for the communications. Negotiations have also been under way for some time through the Swiss government for exchanging the group of prisoners, including Roy, for Japanese prisoners held here, though hopes are none too bright right now.

Hope for Roy's safety was brightened some a few days ago by press reports which claimed that the Americans in Japanese prison camps taken as a result of the raids on Guam, Wake and Midway Islands were being well fed, and that as a whole they were in good physical condition. It was claimed that some had lost weight, but that others had gained some weight, in spite of the fact that there was no meat or milk in their diet.

Roy is a graduate of Tahoka High School, and has many friends here who are anxious to hear some word from him directly.

He spent two years in Howard Payne College, and a few months in West Texas State. On Aug. 1, 1941, he left San Francisco for Wake Island to accept a job as a dredge operator in the building of the harbor and naval and military base on that island. Then came the treacherous Japanese attack. The Wake Island defenders held the Japs off for a little more than two weeks, the defenders being overcome on Dec. 23.

According to the best information available, the captives were taken first to Yokohama, Japan, and later to Shanghai, Mr. Stevens says.

Congressman George Mahon and other officials have worked faithfully to determine Roy's status, and Mr. Mahon is convinced that Roy is alive since his name has never appeared in any of the casualty lists.

**Robert Maddox Is
 Transferred To
 The Air Service**

Robert Maddox, who first went to Camp Bowie as a member of the National Guard more than a year ago and who has been at Camp Blanding, Florida, the past several weeks, has been transferred to the Aviation Department and was given a furlough of 30 to 90 days pending a call for training in the air forces.

He came home on Saturday, and doesn't know, of course, just how long he will be here. He can not be received for training immediately, it is said, for the reason that all the air schools and training fields are full for the time being.

Robert is a graduate of the Tahoka High School and was a student in the University of Texas for about two years preceding his enlistment at Camp Bowie.

Rev. and Mrs. Geo. E. Turrentine, Edward and Mariani were in Canyon Thursday to attend the senior piano recital of Mary Jane, who will receive her degree from West Texas State Teachers College next month.

CENTRAL BAPTIST CHURCH

The Sunday School study course was postponed after Monday night because of the revival meeting at the Church of Christ. The course will be resumed next Monday evening, April 20, and ending Thursday evening, April 23. Make your plans now to study "The Baptist Faith" with us.

Let us show our gratitude to God for the splendid amount of moisture of the past two weeks by applying ourselves more faithfully in His Kingdom work and attending His House of Worship regularly.—Frank Thomas, pastor.

Jerome Sanders Is Injured in Wreck

Jerome Jerry Sanders husband of the former Mary Greathouse, was seriously injured in an airplane accident near Cleveland, Ohio, last Saturday afternoon. Mary has notified her parents, Mr. and Mrs. F. O. Greathouse, of this city. The Sanders live at Toledo, where he is superintendent of the Standard Oil Refinery.

In a letter to her sister, Mrs. Homan Hilliard, early this week, Mary said that both of Jerry's legs and his right arm were broken, that he suffered severe shock, in addition, and would probably remain in the hospital at Elyria, Ohio, for at least two months. Another Texan in the plane when it crashed was only slightly injured.

She explained that Jerry, an experienced pilot, flew into a snow squall, ice gathered on the wings, the plane gathered a load of ice quickly, necessitating an emergency landing. It is said that the pilot's skill in landing the ship was the only thing that saved the two men's lives. The plane was pretty badly wrecked.

SKILES THOMAS WILL BE MARRIED TODAY

Dr. C. Skiles Thomas, who was reared in Tahoka will be married at 8 o'clock this evening, Friday, in Galveston, to Miss Alta Lois Lyons of that city. The ceremony will be at the First Methodist Church, following which the couple expect to take a trip to Monterey, Mexico.

The bride is the daughter of Mr. and Mrs. William George Lyons of Galveston and is a cousin of Mrs. Lenore M. Tunnell of this city. She was reared in Galveston, and attended Sam Houston State Teachers College at Huntsville.

Skiles is the son of Mr. and Mrs. C. A. Thomas of Tahoka, who are in Galveston for the wedding. After graduating from Tahoka High School, Skiles took a pre-med course in Texas Technological College. He recently graduated from the University of Texas School of Medicine at Galveston, and is now connected with the Jeff Davis Hospital in Houston, where the couple will make their home.

The couple have the best wishes of many Tahoka friends.

Mrs. A. J. Mullins of Corpus Christi, who is visiting her daughter, Mrs. O. B. Davis, near Dixie, was a pleasant visitor in the News office early in the week. Mrs. Mullins states that both she and Mr. Mullins like their location near Corpus Christi and that Mr. Mullins enjoys much better health there than here on the Plains.

The News had a card Monday from Preston Strasner of Bakersfield, California, giving a change of street address, and he stated that he had been on the police force there since the first of the year. "I enjoy my work and it gets very exciting at times," he commented.

Wade H. Ray and family, who moved from this county to Pietown, New Mexico, some fifteen months ago, have been here this week visiting his parents, Mr. and Mrs. J. B. Ray, of Carnolia and other relatives in this section.

Mr. and Mrs. Jess Igo, Mr. and Mrs. Granville Igo and children, Wilma Gale, Robert, and George, all of Falls, spent Sunday with Mr. and Mrs. Ray Sherrod.

George McCracken came home from a Lamesa hospital Tuesday and is recovering from an appendicitis operation performed there last Friday.

F. A. "Andy" Anderson, who operates the market at Piggly Wiggly, had his tonsils removed at the Tahoka Clinic Sunday.

The Plainsmen quartet will be among the featured entertainers on the patriotic program to be staged in Tahoka when the "Victory Special" from Dallas comes to town. Left to right are: Ivan Wayne, Jack Prigmore, Jerry Scroggins and James Hodges.

HOUSEWARMING PARTY HELD FOR FENTONS

The neighbors and friends of Mr. and Mrs. Jack Fenton gave them a complete surprise with a visit and gift shower last Friday evening.

To carry out the surprise feature, the neighbors invited Mr. and Mrs. Fenton to the home of Dr. and Mrs. Durham for a party. When all was ready at the Fenton home, Mr. Fenton was asked to go home for his pictures, and then the fun began for the "neighbors" had gathered in and the "party" was held in the new Fenton home.

About thirty adults and 12 children participated in this joyous affair, and Mrs. Fenton says they received about forty separate gifts all of which were opened and viewed by the friends, who were shown through the new home, after which the "guests" served a delicious iced drink prepared by themselves.

It will be recalled that the Fentons lost their home and all its contents by fire some weeks ago, and it has been replaced by this new home, which is newly furnished throughout, and the "house-warming" followed shortly after their removal into it.

VISITORS

Edwin Guthrie, representing a text book company, formerly of Salado and life-long friend of the Editor and wife, and W. P. Clement of Texas Tech who were here on business, called by the News office Tuesday afternoon. Sorry to have missed you, gentlemen. Come to see us again.

CARD OF THANKS

We want our friends and friends of our father, J. K. Woosley, who rendered so many kind acts and spoke words of comfort, and paid tribute to him with flowers, to know that we deeply appreciate you and your kindness. May God bless you all.—The Woosley children.

Mr. and Mrs. Howard Henderson returned Saturday from a visit of several weeks with their son and daughter-in-law, Mr. and Mrs. Douglas Henderson, in Los Angeles. Douglas is employed as a mechanic in a big aircraft plant there.

Mr. and Mrs. J. K. Callaway, who are recuperating at Glenrose, write that they are both improving but they want the News. Lots of rain down there, they say.

J. C. Carpenter, son of C. J. Carpenter of this city, has been serving in the U. S. Coast Guard Service since Aug. 6, 1940. The News is informed.

Rev. W. Bristow Gray, pastor of the local Presbyterian Church, was here from his home at Levelland Thursday. He will conduct services here Sunday.

Rev. George A. Dale, who has been seriously ill for six weeks, is now able to sit up, and his many friends are enjoying brief visits with him.

Mrs. Sam Holland and Mrs. Paul Johnson, who now reside near Comanche, were here over the week end visiting relatives and friends.

Mrs. W. A. Reddell returned Sunday night from a week spent at Chico and Dallas.

AMERICAN LEGION AUXILIARY NOTES

Mr. and Mrs. Aubrey Cade, Mrs. R. L. Richardson and Mrs. R. C. Forrester, all of Tahoka, and Mr. and Mrs. C. C. Coffee of T-Bar returned Sunday night from the District Convention of the Legion and Auxiliary which were held in Colorado City over the week end. They report that both meetings were fine, though not as well attended as in former times due to present conditions.

When the Tahoka Legion Auxiliary met in regular business session Tuesday evening, three of the juniors rendered a musical program in keeping with child welfare observance. Jeanine Smith and Jo Ann and Jimmie Conally each gave piano numbers which were greatly appreciated by the grown-ups.

During the business session Jeanine acted as secretary in the absence of the regular Auxiliary secretary.

NEW HOME CLUB NEWS

The young women of New Home community met Tuesday afternoon in the home of Mrs. Boswell Edwards to organize a Home Demonstration Club.

The following officers were elected: Mrs. Donald Caudle, president; Mrs. Boswell Edwards, vice president; Mrs. B. A. Marrow, secretary-treasurer; Mrs. E. B. Blakney Jr., reporter; Mrs. J. W. Shadden, clothing demonstrator; Mrs. Fred Edwards, food demonstrator.

Refreshments were served to Mesdames Clyde Ashcraft, J. W. Shadden, Glynn Allsup, Aubrey Smith, Odie Mayfield, Barney Mayfield, Donald Caudle, and E. R. Blakney Jr.

The next meeting will be with Mrs. Glynn Allsup, Tuesday, April 21, at 2:30 p. m.—Reporter.

UNDERGOES OPERATION

Mr. and Mrs. Ward Eakin, accompanied by Mrs. Gladys Stokes, went to Dallas Monday. Mrs. Eakin underwent an operation on her leg and will remain in a hospital there for two or three weeks. Friends here will regret to learn that Mrs. Eakin must, again, have her limb in a cast for several months.

A country home, be it ever so plain, with a father and mother of sense and gentle culture, is nature's university. (Dr. Seaman A. Knapp—1908).

Congratulations To . . .

Mr. and Mrs. J. W. Stuart Jr., of O'Donnell on the birth of a six pound son at Tahoka Clinic on April 13. He will be called Donald Wayne.

The Day of Vengeance Coming

It is depressing and exasperating to think that the lives of thousands of fine American youths had to be sacrificed and other thousands made prisoners of the Japanese simply because the war caught us unprepared and we could not get reinforcements to them.

But if Speaker Sam Rayburn knows his okra, and we must assume that he does, then a day of mighty vengeance is coming. In a speech delivered at Sulphur Springs on Thursday of last week, Rayburn declared that the nation's war effort right now is either up or ahead of the program that had been outlined. Fine!

The United States today, he said, "just four months after Pearl Harbor, has more than six times as many soldiers on world-wide fighting fronts as General Pershing had with the AEF after ten months of the first World War." Very interesting, if true, but we need 'em. We have so many more fighting fronts than they had in World War No. 1. The United States, Rayburn continued, is making 3,300 planes a month, and this nation and its Allies "can and will build two and a half times as many planes as all our enemies put together." It certainly will be fine when we can say that this nation and its allies have built two and a half times as many planes as all our enemies put together.

With his armies being beaten back on the Russian front, Hitler finds himself in a dire predicament. He needs the oil fields over in southern Russia, and he needs a larger Navy with which to help him get the oil. Therefore he is making an all-out effort just at this time to induce France to turn over her Navy to him, and it looks as if he were about to succeed. Through pressure, it seems that he has caused doddering old Petain to yield and to consent to a reorganization of his cabinet with the treacherous Laval as the main guy in the Vichy government. In that event, the United States will need a still larger Navy, and need it quick. Young man, join the Navy, and keep 'em steaming ahead.

The young men of America are distinctively becoming air-minded. They say that all the air schools and air fields are filled up and applicants for training in the aviation service must await their turn. But more flying fields are being established constantly in order to take care of the applicants and to make our air force the strongest in the world at the very earliest day possible. Among others, a big new field is soon to be established near Lubbock. Keep 'em flying!

The glory of those fine young Americans who died or were bombed and starved into surrender on Bataan will never fade. They have taken their place in the halls of fame alongside that little group of heroic Americans who held out for so long against overwhelming odds on Wake Island. And now, it seems that Corregidor is writing another page just as glorious in the military annals of the world. America is going to win this war as soon as she gets half a chance.

In the big five-million-dollar cantonment now beginning construction at Killeen, Bell County, is to be established a tank destroyer school. If we ever send an American Expeditionary Force into Germany, we will need more tanks of our own and be able to destroy those of the enemy. We must be supreme on every field with every character of weapon. Keep 'em building and keep 'em rolling.

HERE'S HOW CERESAN BOOSTS COTTON PROFIT!
Hiding on cottonseed are many crop enemies—disease organisms that impair stands, reduce yields and quality, cut cotton income! But easy, economical seed treatment with CERESAN kills many of these organisms! Temple, Texas, reports tests in which "germination was doubled . . . seedling diseases greatly reduced." CERESAN treatment generally reduces seed rotting, sores and certain other seed-borne diseases; commonly gives stronger, more uniform stands at a saving in seed; usually increases yields, often as much as 10 to 25%. Inexpensive; easy to use. Get it now and treat your own seed, or buy seed marked with the Ceresan Certificate Tag.

TREAT OTHER SEEDS, TOO!
Use Semosan Jr. for corn; New Improved Ceresan for small grains; Semosan for vegetables; Semosan Del for potatoes.

lookouts, no stoppages. I believe we should have a 48-hour week in war production, without over-time or double-time, and that will come. This is no time for capital to be greedy and labor to be unreasonable. Production must be uninterrupted in every quarter." That's just what we've been saying out loud down here in Texas, Mr. Speaker, and a bunch of you Washington folks commenced accusing us of creating dissension and disunity and of trying to throw a monkey wrench into the machinery. We can tell 'em now that Speaker Sam Rayburn said it too.

But production, Mr. Rayburn assures us, has proceeded thus far with a minimum of hindrance. Present production rates "indicate 125,000 planes in 1943, 100,000 of which will be combat planes," he says. Mighty fine! Couldn't a hundred thousand planes do a lot of fighting? And couldn't 25,000 bombers drop a lot of dynamite and do a lot of devilment? But, whip 'em up, boys, and let's get about 'steen thousand of them in action right over Tokyo this summer if possible.

"Your son is not being sent to battle until he is the best trained and equipped soldier that ever went to war," Rayburn declared. Hurrah for our soldiers and sailors! We all shout. What if we had in Burma and China today a million just such boys as those that fought like tigers on Wake Island and those that held Bataan Peninsula against a hundred thousandimps of Hell for four months!

We hate to have to wait a year, or six months, or three months, or even a day, but some of these days not too far in the future the day of wrath and vengeance is coming to you, Mr. Togo, and Mr. Hirohito, and all your treacherous co-conspirators andimps! Japan, you are doomed.

While some of our army camps are filled with young men who have been in training for a year or more, and while thousands are making application for service in the air, the Navy needs more men. Uncle Sam is undertaking to make his navy the most powerful and most efficient in the world, and it should be done at the earliest moment possible. Japan has a large fleet on the Indian Ocean today that absolutely controls the use of that great sea and presents a mighty threat to all India. Her Navy also still controls most of the Pacific, to our great chagrin and shame. Let's build a Navy quick that will make that Japanese Navy look like a mere plaything. Join the Navy, and keep 'em floating.

With his armies being beaten back on the Russian front, Hitler finds himself in a dire predicament. He needs the oil fields over in southern Russia, and he needs a larger Navy with which to help him get the oil. Therefore he is making an all-out effort just at this time to induce France to turn over her Navy to him, and it looks as if he were about to succeed. Through pressure, it seems that he has caused doddering old Petain to yield and to consent to a reorganization of his cabinet with the treacherous Laval as the main guy in the Vichy government. In that event, the United States will need a still larger Navy, and need it quick. Young man, join the Navy, and keep 'em steaming ahead.

DRAW CLUB WILL SPONSOR BOOK REVIEW

The Draw Home Demonstration Club, of which Mrs. L. B. Jones is president, will sponsor a book review and variety program to be given at the Draw High School Auditorium Friday evening, April 17th, at 8:30 p. m.

Mrs. R. C. Carroll of O'Donnell, who has an enviable reputation as a reviewer of books, will be presented in the review. The book she will offer is JANE EYRE, one of the finest of the old English classics and one that has stood the tests of time to rank in popularity even now with modern fiction.

The story was written almost a century ago by Charlotte Bronte and is recognized as a masterpiece among literary efforts. Like many other of the classics, the screen possibilities of this story have been recognized by the Hollywood producers, and the film version of the book is to be released shortly.

If you would enjoy an evening of worthwhile entertainment, you are invited to be present for this book review and program. A small admission fee will be charged.

The picture may be overdrawn, the wish father to the thought, but Russians claim that many Germans are deserting the ranks of Hitler's army. The report we read did not state whether the deserters were Germans or citizens of conquered nations who had been drafted, but it was claimed that the deserters were hiding in the woods and carrying on guerrilla warfare against the German forces. It seems not unreasonable.

We don't claim to know much about it, but if a strong British and American force could land somewhere in France, a lot of Frenchmen might join them, if furnished arms, in spite of the treacherous disposition of Laval and others to turn France over to Germany body and soul.

A lot of those youngsters at the Lubbock Flying School are evidently getting quite a bit of experience in night flying. Those planes that come over Tahoka every night, colored lights burning, present a beautiful picture and somehow or other they just simply stir the blood. Keep 'em flying.

CITATION BY PUBLICATION THE STATE OF TEXAS, COUNTY OF LYNN.

TO: Claude Cash, Guy Cash, Ernest Cash, J. S. Cash, Bert Cash, M. G. Cash, Mrs. Minnie Wardlow, Mrs. Belle Permenter, and the heirs and legal representatives of each of said eight parties.

GREETING:
You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 27th day of April, A. D. 1942, at or before 10 o'clock A. M. before the Honorable District Court of Lynn County, at the Court House in Tahoka, Texas.

Said plaintiff's petition was filed on the 8th day of March, 1942.

The names of the parties in said suit are: J. T. Herd as Plaintiff, and R. M. Cash, Claude Cash, Guy Cash, Ernest Cash, J. S. Cash, Bert Cash, M. G. Cash, Mrs. Minnie Wardlow, Mrs. Belle Permenter, and the heirs and legal representatives of each of said nine parties, as Defendants.

The nature of said suit being substantially as follows, to wit:
Plaintiff is the owner of the North-east Quarter (NE 1/4) (Farm 138) out of Survey No. Five Hundred One (501), Block One (1), Certificate No. 4-743, containing 164.8 acres of land, in Lynn County, Texas, more particularly described in plaintiff's petition, and further described in deed to M. G. Cash dated March 2, 1917, of record in Book 25, p. 124, of the Deed Records of Lynn County, Texas; that M. G. Cash died, and his wife as survivor of the community estate, encumbered for more than \$5500.00, was empowered to sell, and did sell, said land, afterwards acquired by the plaintiff, as against the heirs and legal representatives of the said M. G. Cash, and other defendants above mentioned; that defendants have wrongfully entered upon said premises and ejected plaintiff to his damage in the sum of \$5000.00; that plaintiff has title to said land under the five-year statute of limitation, as alleged, and is entitled to recover said land, and have title quieted in him, as against said defendants and have all claims asserted by defendants canceled and removed.

Issued this 13th day of March, 1942.
Given under my hand and seal of said Court, at office in Tahoka, Texas, this 13th day of March, A. D. 1942.
(Signed) Hattie Server, Clerk, District Court, Lynn County, Texas.

(Seal) Our Boys Want Books.

The News this week adds Corp. Jack Randall Fuitts of Camp Wolters, Mineral Wells, to its subscription list. Randall volunteered and joined the army about two years ago and was sent to Fort Bliss, where he remained about six months. Then he was transferred to Camp Wolters, where he has been since. He lived here for a number of years and assisted at times in the News office. He was married about six months ago and recently visited his mother here, who has ordered The News sent to his address.

Mr. and Mrs. A. O. King came down from Portales Friday to visit relatives here, returning home Monday. They were accompanied to Tahoka by Miss Margaret Preston, who has been with them since October, last year. She remained here, Mr. King reported just about the same amount of snow at Portales last week as we had at Tahoka.

Registrants In Draft Get Order Numbers

Registrants in military service February 16, totaling 722 men are being published herewith, as announced by Mrs. Loyce McMahon, secretary of the Lynn County Selective Service board. Questionnaires will be mailed these men soon.

The first number in the list below is the "Order Number" or the order in which registrants will be called for questionnaires. These numbers were determined by the local board from the master list drawn in Washington. The second list is the serial number of the local registrant and has no bearing except as a means of determining the Order Number. In other words, No. 10,001, Otto Ewell Robertson, O'Donnell, will be the first Lynn county man to be called up by the board.

"There are no atheists in fox-holes."

That was the terse but forceful comment which a sergeant in the little American army on the Bataan Peninsula is said to have made after he and another officer had finally emerged from a fox-hole in which they took refuge and in which they "audibly prayed" during one of the terrific bombing attacks made by the Japanese.

Most men, however irreligious they may be in the ordinary walks of life, will instinctively pray when they consciously stare death in the face.

There are many "intellectuals" who can laugh at the idea that there is a God as long as they are perfectly safe in their libraries and laboratories, but there are few who will scorn the thought of a God when faced by such a torrent of impending death and destruction as that which the soldier in battle must face.

In such peril, puny man feels his utter helplessness and his dependence upon some Higher Power and instinctively he turns to God. Even the pagan, we imagine, prays to his gods.

The indescribable suffering and the final fate of our brave soldier boys on Bataan Peninsula is enough to excite the pity of every true American. Their endurance and their heroism will forever shine brightly on the pages of our history.

But there is another page that must bring the blush of shame to our cheeks and to the cheeks of our children's children as long as this nation stands and as long as our civilization survives. That is the page on which it is indelibly imprinted that through our ignorance and neglect, the Monster War caught us unprepared and utterly unable to protect the lives of the American civilians and the handfuls of our soldier boys scattered throughout our far-flung possessions in the Pacific.

One of the most humiliating and exasperating experiences that the people of this nation have ever undergone is that which we have been undergoing since the surprise attack on Pearl Harbor and upon Wake Island and upon the Philippines on that Sunday morning, December 7, 1941. We have been compelled to witness the destruction of the enforced surrender through utter exhaustion of our brave soldiers on these islands while we stood by helpless to send reinforcements or relief of any kind.

And the shame of it is that prior to the attack, for which the Japanese had been carefully planning for more than three years, we permitted ourselves to be duped by Japanese militarists and diplomats and to remain in utter ignorance of their foul purposes and designs, blissfully ignorant of the elaborate preparations which the Japanese were making and of the mighty war machine which they had built up.

Now with Wake Island, Guam, and practically all of the Philippines in the power of the Japs, about all that we have left in the entire Pacific, beyond the Hawaiian group, is a toe-hold on Corregidor and a few possessions of minor importance far to the south and east of the Philippines. Our stepping stones to Japan and to China have been broken, and we must steal our way through countless perils even to reach Australia. And our operations in the Pacific, for the present at least, must be carried on chiefly from Australian bases, two thousand miles south of Japan. Corregidor and the neighboring tiny islands in Manila Bay can do nothing more than to defend themselves, and they may not be able to do even that much longer.

They say it is not wise nor profitable to look back upon the mistakes of the past, and it isn't unless we can get a lesson from them that will be helpful to us in the future. But we surely can profit in the future from this inexcusable blunder which we have made in the recent past and that forever hereafter we will give no listening ear to any isolationist or "pacifist" that may appear above our political horizon. This blunder should forever put an end to the political careers and aspirations of our Wheelers and Bennett Clarks and Nyes, our Vandenberg and Lindberghs.

We can sympathize, in a way, with our "conscientious objectors." The sight of blood is sickening to us. We abhor war. We can understand why a Lew Ayres should shrink from the task of taking a gun in hand and shooting a human being—any human being.

But what is a man to do if he is

"...and put some teeth into it!"

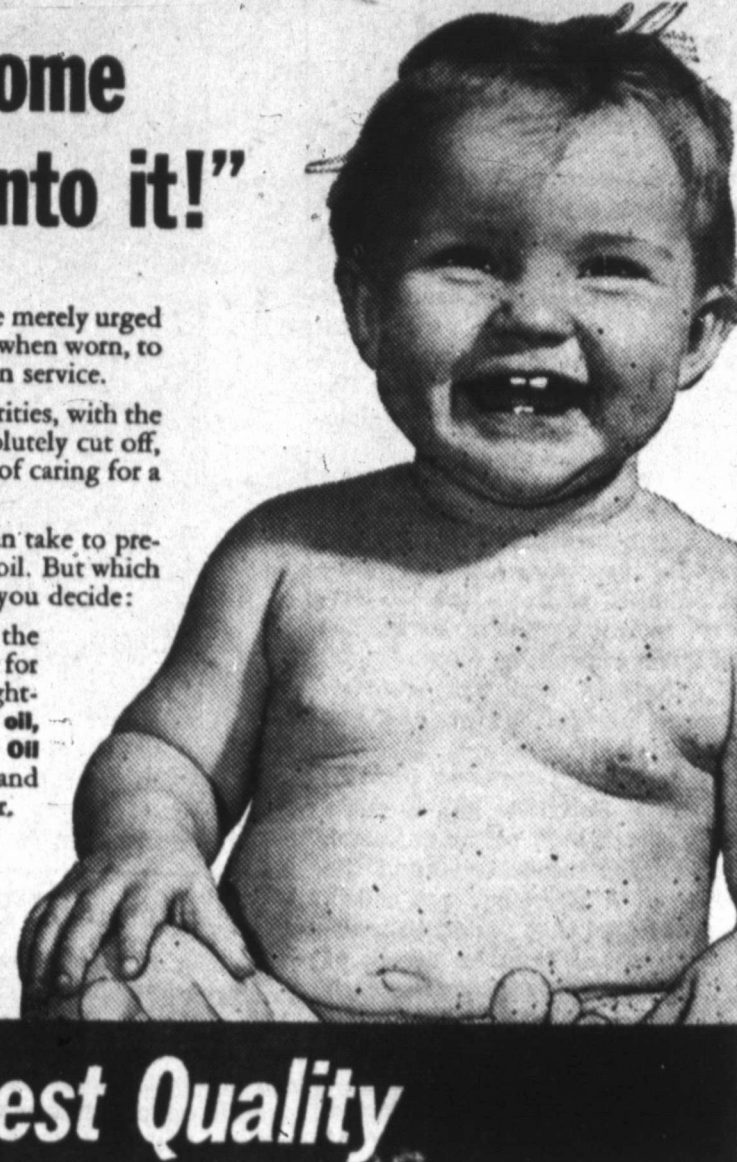

ONCE UPON A TIME, car owners were merely urged to use good oil, to change it regularly when worn, to adopt a regular schedule of lubrication service.

Now, in the new era filled with priorities, with the manufacture of new automobiles absolutely cut off, real teeth have been put into the idea of caring for a car in order to lengthen its life.

One of the most useful precautions you can take to preserve and protect your motor is to use good oil. But which oil is good? The following facts should help you decide:

Phillips, one of the great independents of the petroleum industry, with a fine reputation for giving greater value, makes this simple, straightforward statement: If you want our best oil, remember we specify that Phillips 66 Motor Oil is our finest quality... the highest grade and greatest value... among all the oils we offer.

Every time a new 1,000-mile mark clicks up on your speedometer, play safe with your motor, and play fair with your budget, by draining and refilling with Phillips 66 Motor Oil.

assaulted by an armed outlaw intent upon murder and robbery? Should he not defend himself with all the means at his command? What is a man to do if his wife or his daughter is assaulted by a brute intent upon rape? Would not Lew Ayres's shoot, and shoot to kill, to prevent or to stop such a crime, if perchance he had or could get a gun?

What if our country is assaulted by a murderous outlaw nation, destroying our property and murdering our citizens? Shall we then refuse to fight and permit the murderers to over-run our land and make virtual slaves of our citizens? Mr. Ayres must know that that is exactly what Japan would do if we should make no resistance of her unprovoked attack.

In the face of these facts, the attitude of the "conscientious objectors" becomes absurd and foolish in the highest degree.

And in the face of these facts, the attitude of either labor or capital which would impede or cripple our ability to defend our country and to put the robber and the brute assaulter to rout is little short of treason.

Should it be surprising that a hundred strikes which have been staged in war industries since the Pearl Harbor attack have riled the people of this country? Our opinion is that we did not become riled soon enough.

We sincerely hope that whether Congress takes any steps or not to outlaw such conduct, there will not be another strike that will in any way hinder our war effort during this life-and-death struggle with Japan and Germany.

While the Japs continue to move steadily onward in the Pacific, in the Bay of Bengal, and in Burma, the outlook is better for the Allies in Europe. Russians keep on claiming victories on the eastern front and boast that they will continue to frustrate Hitler's plans for the big spring offensive.

Little has been heard from Italy lately. A report that came from there Sunday was to the effect that Mussolini had suffered a nervous breakdown. The inference was that he had become a raving maniac and was utterly unable to attend to matters of state. Conditions in Italy were said to be in a chaotic condition. That is probably true whether old Muss is sane or insane. He had become a mere stooge of Hitler long

ago, and Italy had become a mere puppet state of the Nazis.

Another good bit of news is that, over the week-end, the British RAF carried their bombing raids into a number of industrial cities of Italy.

Still another hopeful bit of information is that America and Britain acting together are to stage a mighty offensive against Germany's western front in the next few weeks. Whether that will be an air attack alone or will include an attack by land forces also, we do not know; but we are anxious for the British and the Americans to do something effective — and destructive — in Hitler's rear. In fact, we should like to see them give him such a kick in the pants that he will never know what hit him.

We didn't intend to fill this column up this week with war talk, folks, but what else can a man talk about when his country, his home, the very lives of our children, and the life of freedom on this earth itself is at stake?

Let's keep 'em flying, floating and fighting, folks, until Hitler and Hirohito and Hades are whipped.

REMEMBER PEARL HARBOR!

TAHOKA, April 15 — Beginning immediately, representatives of the Lubbock office of the Social Security Board serving this particular section of the State will confine their visits to itinerant points to one each month by means of bus or train, it was announced today by John Palmer, manager.

"This change in our working schedule has been made necessary in order to conserve automobile tires and comply with the Government's request to save this vital material for use of our armed forces," Palmer said, "and we sincerely hope and believe our office representatives will receive the full co-operation of prospective claimants, employees, employers, and others in our efforts to achieve the desired results."

It was further explained by Palm-

er that this change will result in a complete revision of itinerant schedules as heretofore arranged. Information about the new schedules, including the hours and days of the week, will be announced shortly.

Emphasis was placed on the fact that itinerant stops will be made only at designated points on given dates, hours, and places. This will make it necessary that all individuals having business to transact with the Social Security Board representatives should contact them according to schedule.

Negro Is Found Dead In Room

The dead body of Will Owen Nelson, colored, 66, who worked at odd jobs and occasionally as needed at the Woodworth Barber Shop as a "shine boy," was found dead in his room "over on the hill," the Negro residential section of Tahoka, at 1:15 Saturday afternoon, when Early Lee Lawson, also colored, went to look for him.

Early Lee, who is the regular "shine boy" at the barber shop, had had Nelson working Friday afternoon on his yard, and the latter had promised to finish the job Saturday morning. When Early Lee went home at noon, he found the job still unfinished, and went to Nelson's room to find out why he was not at work.

The door being fastened with an inside hook, Early Lee had to cut a window screen to effect an entrance. When he got inside, he found the dead body. A physician was called, who announced that the death probably was caused from an attack of heart trouble. Its condition was such as to indicate that Nelson had probably died in the night. He lived alone.

Funeral services were conducted by Rev. O. D. Hollins, pastor of Pleasant Grove Baptist Church, colored, at about 4:30 Saturday afternoon, and the body was buried in the Negro cemetery here.

Nelson came to Tahoka several years ago from Dawson, Navarro County, but he was a native of Palestine and called that his home.

The Lesson of Bataan

(Ablene Reporter-News)

At the exact moment the president of the United States was volubly explaining how it is impossible for men to work more than 44 to 48 hours a week and keep up their efficiency, the devoted Americans and Filipinos on Bataan were rounding out 72 hours under continuous bombardment of heavy shells and aerial bombs. For four months they had been under pressure, day and night, but they did not quit at the end of 72 hours of overwhelming pressure; they battled on another 72 hours, for a total of 144, and they did not quit then, either. They collapsed from sheer exhaustion. They had not paused to ask what time it was. They were not concerned with such abstract theories as "rights" and "privileges."

You were right, Mr. President; there is a limit to human endurance. But if we pause to speculate on the fate of Bataan and to draw conclusions therefrom, we must begin a great deal further back than four months or even four years. We have to admit that Bataan is a natural product of years of stupid planning, of pacifistic leanings, of unrealistic attitudes. We have to admit that Bataan was not lost by the men who defended it, but by the incredibly pusillanimous viewpoint in congress and out which denied proper defenses for the whole Pacific area. The sort of twisted crazy unbelievably witless congressional thesis that we shouldn't fortify Guam because the Japs wouldn't like it.

As a matter of fact, as history will record, Bataan never had a chance under our system of niggardly penny-pinching with respect to military appropriations in the piping times of peace. When the blow fell, it was too late to get out of the Philippines, it was too late to reinforce them, it was too late to appropriate money to fortify Guam, Wake and other outposts. In Bataan and on Guam and on Wake and on a score of other battlefields the chickens came home to roost. We discovered, too late, that the greatest nation on earth, caught with its defenses down and its offensive weapons still in the blueprint stage, had to give ground before an inferior enemy who had been preparing for

When a Child Needs a Laxative!

Your child should like this tasty liquid laxative and you should like the gentle way it usually wakes up a youngster's lazy intestines when given by the simple directions.

SYRUP OF BLACK-DRAUGHT contains the same principal ingredient which has enabled its older brother BLACK-DRAUGHT to give so many users such satisfying relief for so many years!

Perhaps that's why it usually gives a child such refreshing relief when the familiar symptoms indicate a laxative is needed.

SYRUP OF BLACK-DRAUGHT comes in 2 sizes. The introductory size is 25c; the economy size is 50c.

this thing for years.

The lesson of Bataan, the one that should burn itself into the consciousness of Americans of each succeeding generation, is that pacifism is a delusion and a sham and an open invitation to get your block knocked off by any thug who can muster the strength to do it. And there will always be a thug standing round, watching for the chance.

The Men of Bataan scanned the earth and the sea and the sky in vain for help that never came. It never came because we were unprepared to send it in time. We would have risked all our navy and a great deal of our air force to land even a token force on Luzon, and had the enterprise gone wrong our whole continent would have been left undefended.

We shall avenge the Men of Bataan. We shall avenge them completely and absolutely, so all the world will know that Americans at home know how to fight as well as the men of Bataan. Let us count no hours in this struggle save the hours that lie between us and eventual triumph over our enemies. What do we in the comfort of civil life know of the hardships, the sacrifice, the flaming spirit and the undying determination of the Men of Bataan? Can we call ourselves worthy of them when we stop to count time or personal vainglory or convenience or comfort?

The fall of Bataan is a challenge to every red-blooded American. If we ignore the challenge, if we fail to pick up the gage of battle and carry on, it would be an insult to the memory of the defenders of Bataan. They did not fail. They gave everything they had. We must not fail them now.

The above editorial was written and published a week ago, but it will be perfectly good for this week, next week, next year, and all time to come in this country of ours. It sets forth the folly of pacifism, complacency, and unpreparedness. We are learning the lesson after the horse has been stolen from the barn but may be we will be there with a gun when the thief comes back to steal the next horse.

MRS. J. W. NEUGENT HOSTESS AT PARTY

Mrs. J. W. Neugent was hostess in her home Wednesday to a group of friends and neighbors who gave a shower of miscellaneous gifts to Mr. and Mrs. Jimmie Threet of this city, who were married about two weeks ago.

Mrs. Threet was the former Miss Pauline Bradshaw of Celina, Texas. After the games were played, many beautiful and useful gifts were opened by the bride and groom.

Refreshments were served to 34 ladies and five men. Many who were not able to be present sent gifts.

Mr. and Mrs. A. S. Cousins and his mother, all of Amarillo, were here Friday of last week to visit their cousin and niece, Mrs. Alice Fortenberry, and her family.

Among the sick this week are listed the editor, W. A. Reddell, and County Judge Chester Connolly.

13,204 NEWSPAPERS

The Lynn County News is one of 13,204 newspapers published in the United States. From the smallest weekly to the largest metropolitan daily, these newspapers have but one aim, to bring the news to their readers, and each has its own particular niche to fill.

The field of news varies widely, of course. The big dailies cover news of national and international significance, gathered by vast organizations from the ends of the earth. But you will also find in the big publications many pages daily devoted to news of interest only to the people of their own cities. A resident of Amarillo will find more to interest him in the Amarillo News than in, for instance, the Fort Worth Star-Telegram.

The News, along with 10,000 other weekly and semi-weekly newspapers, strives to fulfill the demand for local news. Of all the thousands of publications throughout the nation, only local papers are concerned with local activities. So, in spite of the multiplicity of publications our readers could read each week, we feel that The News gives them something they want which they could not obtain in any other way.

This local reader interest is what makes this newspaper the ideal advertising medium for Tahoka business firms. In no other way can they reach as large a number of potential buyers as effectively.

KEEP 'EM LAYING

Produce Eggs for Victory.

Throughout the United States poultrymen are being asked to step up the production of eggs to meet the increased demand for this product.

In 1942 possibly 210 million pounds of eggs will be dried, and this means that 21 million cases will be needed for this phase alone. The potential egg-drying capacity is found in 6 egg-drying plants in the United States.

Texas has 12 egg-drying plants in operation with a potential production of 40 million pounds of dried eggs per year. Texas poultrymen can see their responsibility in this vast effort of producing eggs, since 20 per cent of the drying plants are in this state. Dried eggs are not the only demand, however, since shelled eggs are being used in increasing amounts by our armed forces and by our civilian population.

Thirteen Per Cent Increase Needed

Texas poultrymen are being asked to increase production in 1942 by 13 per cent. A thirteen per cent increase in eggs will require a better management program than that heretofore followed.

Suggestions To Meet 1942 Goals:

1. Start with chicks of proven quality.
2. Feed complete ration of high quality ingredients.
3. Provide succulent green feed.
4. Fill poultry houses to capacity.
5. Use sanitary methods and protect birds from internal and external parasites.
6. Increase profits by marketing quality eggs.
7. Encourage poultry raising among rural youth.

Quality First

Poultrymen should be thinking of purchasing chicks for flock replacement, and it is extremely important that they think in terms of good quality chicks. One should buy quality and not be influenced by attractive prices on cheap chicks. Heavy laying ability is an inherited characteristic.

Good Feed Vital

Regardless of how good a flock might be as to breeding or how comfortably they are housed, it takes good feed, properly fed to get top

production. A good quality mash is essential and should be available at all times since it is the protein feed which stimulates production. Most poultrymen are feeding a ready-prepared mash or using a protein concentrate with their home-grown grains. This supplement or concentrate is a properly balanced protein mixture of both animal and vegetable protein, together with essential minerals, vitamins, etc. It can be used in combination with grain produced on the farm to provide a well-rounded mash, by using two parts home-grown ground grain to one part concentrate. Of course, when concentrate is bought from a manufacturer his recommendations as to proportions of ground grain should be followed.

Amount Of Feed

A poultryman growing his own feed should plan to produce 70 pounds of grain per chicken for a year's feeding. Thus, 100 hens will eat about three and a half tons of grain per year. Plan, plant, provide and profit.

Green Feed

Green feed, the greatest source of vitamin A for chickens, will aid in maintaining the health and vitality of the flock and will stimulate production. Sudan grass is the best green feed here in Spring and Summer, and should be planted near the poultry yard. Other green feeds rich in vitamin A are young wheat, oats, alfalfa, lettuce, rape, kale, and collards. Cabbage and mustard should not be used. If no green feed is available, dehydrated alfalfa meal and alfalfa hay may be substituted. A large amount of water is necessary in any feeding program.

Fill Houses To Capacity

One should not be intoxicated by the egg price outlook and expand his operation beyond what he can safely handle. It is an advantage to any producer to fill all laying houses to capacity. It is also safe to use old buildings on the place if they can be converted into comfortable laying houses.

Keep Things Clean

Sanitation is the key to Poultry Success. Keep things clean, by disinfecting poultry houses, worming stock at regular intervals, vaccinating to prevent pox, and by keeping flock free of external parasites. These steps are all part of the poultry health program and will lead to ultimate profit on the flock.

Pauline Owens And J. W. Tippit Marry

In a home wedding attended only by family members and close friends, Miss Pauline Owens and J. W. Tippit were united in marriage with a double ring ceremony by Garnie Atkisson, minister of the local Church of Christ, the rites being read at eleven o'clock Sunday morning. The young couple were attended by Miss Joan Owens and James D. Walker.

The bride chose navy blue with white accessories for her bridal costume while the groom was attired in his sailor's uniform, he being a member of a naval unit at San Diego, Calif. After a short trip the young couple returned to Tahoka to visit among relatives during the remainder of the groom's furlough, which expires Saturday.

Mrs. Tippit, the daughter of Mr. and Mrs. Carl Owens, is a graduate of Tahoka High School and has attended Mary Hardin Baylor College. She is popular in church and social circles, and is well-known as a singer.

The groom was reared here, the son of Mr. and Mrs. E. S. Tippitt. He attended school in Tahoka. For some time previous to his enlistment he was employed in a local lumber yard.

CARD OF THANKS

We wish to express our sincere appreciation to our neighbors and friends for the assistance and the many kindnesses shown us during the bereavement which we have suffered in the loss of our beloved mother and grandmother, Mrs. Mary Jane Tankersley. The floral offerings were indeed lovely and meaningful to us.—The Tankersley family.

Lonnie Loyd was here this week visiting his parents, Mr. and Mrs. J. A. Loyd of Dixie. Lonnie has resided at Quemado for several years, but was returning from Dallas where he had completed a course in an aircraft school. He expects to leave soon, accompanied by his family, for Los Angeles, where he will be employed.

CARD OF THANKS

We wish to thank our friends and the people of Lynn County for their many kindnesses and favors shown us at the funeral of our wife and mother and may God's blessings be on all.—S. J. Kitchens and children.

mate profit on the flock. Lynn County poultrymen will reach whatever goals are set for them and do more if necessary to bring victory to our nation. To these producers let's say, "Keep 'Em Laying."

TAHOKA 4-H CLUB

Roll call was answered by 44 girls when the Tahoka Club met on April 14th. Miss McNatt told about 4-H Club week, which was last week. There are 1,800,000 4-H Club girls and boys in the United States.

The 4-H girls are learning the Texas Food Standard which is listed here:

THE TEXAS FOOD STANDARD

Daily Requirement Per Person:

- 1 pt. to 1 qt. milk.
- 1 egg.
- 1 serving meat, poultry, fish or cheese.
- 1 serving Irish or sweet potatoes.
- 1 serving green- or yellow vegetables.
- 1 serving of other vegetable.
- 1 serving of citrus, tomatoes raw cabbage, strawberries or melon.
- 1 serving of whole grain products.
- Other cereals and bread as desired.
- Butter, or margarine with vitamins added.

Some sweets. Dried beans, peas or nuts may be substituted for eggs or meat. The Club girls are learning to eat the right kind of food and a number of them have started gardens of their own.

Tuesday evening from 6:30 to 8:30 the Club girls had a party in Tahoka Park. — Reporter.

Mrs. T. Cowan reports that Mr. T. B. Cowan of 2012 13th Street, Lubbock, has been confined to his bed the past month with heart trouble and high blood pressure. Members of the family are deeply concerned about his condition. Mr. Cowan was a pioneer citizen of Lynn County and lived in and near Tahoka for many years.

Mrs. Byron Lindsey and Mrs. J. H. White of Odessa spent Wednesday here visiting in the D. V. Smith home with the Smiths and Mrs. Taylor White. Mrs. White accompanied them to Odessa, her former home, and after a visit there expects to visit relatives in East Texas.

Pioneers Die . . .

(Continued From Page 1)
W. R. Hampton, who died at Post and was buried at Hico beside his wife, who had preceded him in death by eleven years, was born in Austin, July 2, 1850. He left as survivors three children, eight grandchildren and five great-grandchildren.

During a long and useful life Mr. Hampton had aided in the building up of both the material and spiritual where he had lived, having been a member of the Methodist church for 77 years.

One of Mr. Hampton's daughters is Mrs. W. E. Porterfield of Post, whose husband was, also, an early day merchant in Tahoka and for whom Porterfield Street was named.

G. W. Coughran, who was buried in Taylor County recently, left surviving his aged companion of the past 73 years and all of their eleven children, among whom is J. Anson Coughran, our former townsman, now of Brownfield. Mr. Coughran, who was born at Center Point, Ark., on May 17, 1849, had been a Christian and a member of the Methodist church for more than fifty years. Rev. C. H. Ledger, a former Tahoka pastor, conducted funeral rites.

In the first issue of the Lynn County News, published October 9, 1903, appears an advertisement of "W. R. Hampton & Son", and when the News stated that Mr. Hampton had sold his store to G. W. Coughran of Lubbock County in February, 1906, it stated: "Mr. Hampton has been here as long as Tahoka has been a town." Mr. Coughran continued this store for some three years, later buying a farm or ranch and settling there.

One by one they leave us, these brave ones who blazed the way in spite of obstacles that would seem too great for endurance in these times. All honor to them, and the pattern that their courage, fortitude and Christian living set for our little town in its infancy.

Teachers . . .

(Continued from page one)
Leavitt was elected to a place in the schools for the 1942-43 term.

Due to the shortage of teachers, the board rescinded a former board ruling which forbade two members of the same family teaching and then elected Mrs. John Kirkwood to a place in the system. Miss Reddell is now teaching at Hale Center. She is the daughter of Mr. and Mrs. W. A. Reddell of Tahoka. Mrs. John Kirkwood, formerly Miss Lowell Douthitt, had taught at Tahoka until she married Mr. Kirkwood four years ago. Mr. Kirkwood teaches in the grade school. Miss Leavitt's parents live in the New Home community of this county. She is now teaching in New Mexico.

After canvassing the election returns of the recent school board election, the board officially declared John Slover and Prentice Walker elected to new three-year terms as members of the Board. In the re-organization of the officers of the board, Prentice Walker was again elected chairman and Wynne Collier vice chairman.

Former Resident Dies In Itasca

Mr. and Mrs. J. M. Jones and their daughter, Mrs. Gilbert Newton and her children recently attended funeral services at Itasca, Hill County, for Mrs. Jones' father, M. N. Martin, who died there after being ill but five days of a heart attack.

Services were conducted in the Methodist Church there, of which deceased was a member. For the past six years, Mr. Martin had spent much of the time here. Mr. Martin was 77 years of age.

BAND PARENTS WILL HAVE PARTY TUESDAY NIGHT

All parents of children in the Tahoka school bands are invited to a party to be held in the school gymnasium Tuesday night at 8:30 o'clock.
