

Typing Students Place At Lubbock

By Dorothy Jean Fulkerson.
Out of the three typing representatives, Myrna Dean Gaignat, Charlene Bucy, and Betty Ruth Wyatt, two placed in the district meet. Charlene Bucy won third with a score of 132.55, meaning 45 words per minute, and Betty Ruth Wyatt won fifth with the score of 131.58, meaning 43 words per minute.

The first five places are to go to regional, but due to a technicality, Betty Ruth will not be able to participate at the regional although Charlene will.

A Lubbock office supply house gave each of the three girls a beautiful Eversharp pencil.

Mr. and Mrs. Frank Raindl Sr., accompanied by their sons, Johnnie and Emil, visited in Shiner, Moulton and Yoakum last week, returning Tuesday accompanied by their daughter-in-law, Mrs. Jim Raindl, of Yoakum, who will spend a few days here in their home.

Friends here have been informed that Jimmie Shook was transferred this week from Fort Bliss, El Paso, to Fort Sam Houston, San Antonio. Jimmie is serving in the Hospital Corps.

Juniors Entertain Seniors At Banquet

By Dorothy Jean Fulkerson.
Wednesday night the Tahoka High School had their annual Junior and Senior banquet in the gymnasium.

This year the banquet was most effective with its Hawaiian theme. The banquet was held in a beautiful garden and the ceiling of the gym was full of silver stars. On the stage was the Hawaiian girl and the program was as follows:

The Garden of Dreams, by Joan Owens.
Products of the Island, by Mary McDonald.
Distinguished Guest, by Hope Haynes.
The Mother Country, by Elbert Boullouin.
Hawaiian Breezes, by Mr. Hamblen.
The Islanders, by W. T. Hanes.
Volcanic Eruption, by Mr. Jackson.
Exploring the Island, by Wayne Shawn.

The place cards were palm trees made of wood with the names of each student burned on them.

The High School quartet sang "Aloho Oe" as the guests entered and paused at the gate to receive their Hawaiian leis.

"Farewell to Thee" and "God Bless America" were the closing numbers, led by Mr. Hamblen and sung by the entire assembly.

Mrs. Cain Hostess To Child Guidance

The Child Guidance Club met at Mrs. Alton Cain's home Tuesday evening. Members contributed victory books for the soldiers and Mrs. Emil Prohl urged members to bring more books as the Lynn County allotment for books is falling short. Mrs. Fred McGinty gave a report on Seventh District Women's Federation Convention.

Mrs. Douglas Finley gave a discussion on Rheumatic Fever. This disease causes more serious disability among children of school age than any other single disease. In addition, it is responsible for most heart disease among people under the age of 40—much of this heart disease results from rheumatic fever attacks which started during school years. Rheumatic fever usually appears after a sore throat, tonsillitis or a cold. Symptoms are rapid heart, fever, pallor, loss of appetite, weight and vigor, and fleeting muscular aches; however, symptoms may be much more pronounced, such as nose bleeds, extreme nervousness, swelling in joints and muscles, pain traveling from joint to joint. It is vitally important for parents to realize that a child with any of these symptoms may have rheumatic fever and needs immediate attention.

Mrs. Prohl gave a discussion on Infantile Paralysis. This disease is caused by a little virus which is contagious. It is found more in rural communities than in cities. As soon as infantile paralysis is diagnosed, your physician will help you secure a bone specialist. A bone specialist should be secured as soon as possible.

Members present were Meses. E. R. Edwards, Jack Welch, Douglas Finley, Wynne Collier, James Clinton, Alton Cain, Emil Prohl, Fred McGinty and A. L. Pace.

Give a book for a soldier.

STATED MEETINGS of Tahoka Lodge No. 1041 the first Tuesday night in each month at 7:30. Members urged to attend. Visitors welcome.

JACK WELCH, W. M.
H. L. RODDY, Secretary.

EASE THE PAIN OF SORE AND PILES

The pain, soreness and other surface irritations respond quickly to Thornton & Minor's Rectal Ointment. A soothing, effective emollient—try a tube.

Political Announcements

The following announce their candidacy for public office, subject to action of the Democratic primary:

For Chief Justice, Court of Civil Appeals, 7th District:
J. ROSS BELL of Childress Co.

For Judge, 106th Judicial District:
LOUIS B. REED (re-election)

For District Attorney, 106th Dist.:
ROLLIN McCORD (re-election)

For County Judge:
CHESTER CONNOLLY (re-election)

For Tax Assessor & Collector:
R. P. WEATHERS (re-election)

For Sheriff:
B. L. PARKER (re-election)
SAM FLOYD

For County Attorney:
CALLOWAY HUFFAKER (re-election)

For County Clerk:
W. M. MATHIS (re-election)

For District Clerk:
HATTIE SERVER (re-election)

For County Treasurer:
MRS. LOIS DANIEL (re-election)

For County Superintendent:
LENORE M. TUNNELL (re-election)

For Commissioner, Prec't. 1:
CURTIS MORGAN
VERNON WILLHOIT.
E. J. COOPER.
PAT SWANN

For Commissioner, Prec't. 2:
LONNIE WILLIAMS (re-election)
J. F. TIPPIT
SAMIE NORWOOD
CLYDE SARGENT

For Commissioner, Prec't. 3:
E. O. SLAUGHTER
JOHN ANDERSON

For Commissioner, Prec't. 4:
LEON JENNINGS (re-election)
C. H. (Claude) REAGAN

For Justice of the Peace, Prec't. 1:
P. D. SERVER

Information Given On Strawberries

O'Donnell, April 20, 1942.
News Readers:
In setting strawberry plants in West Texas it is advisable to place in a depression six inches to a foot below ground level. Ditch should not be over three feet in width so pickers may work from either side.

Plants should be entirely covered with straw—threshed sudan is usually obtainable here. Plants will come right up thru straw, producing clean fruit. Also, one thickness of burlap makes a suitable covering, no objection to its lying upon the plants. Evaporation is cut to a minimum with these coverings.

Settings should be made thru April and early May.

I have none for sale.—Ben Moore.

HOME CEREMONY SUNDAY AFTERNOON FOR THELMA MAE WATKINS, LLOYD BEATY

The marriage of Miss Thelma Mae Watkins and Lloyd Beaty was solemnized at 5:30 o'clock Sunday afternoon, April 19, at the home of the bride's parents, Mr. and Mrs. S. M. Watkins, in the Petty community northwest of Tahoka.

The Rev. Collins Webb, pastor of the New Home Baptist Church, read the nuptial rites, using the single ring ceremony. The house was decorated with large baskets of bridal wreath.

The bride wore a navy blue ensemble with white accessories. For "something old," she wore a lovely antique lapel watch belonging to Mrs. R. N. Ensor; "something borrowed" was the silver dollar in her shoe. Her bouquet of stephanotis was caught by Rita Jo Phifer.

Mrs. Beaty is a senior in New Home High School. She plans to continue her studies. Mr. Beaty is a former resident of the Petty community but is now in military training, stationed at Pass Christian, Mississippi.

At the informal reception after the ceremony, the wedding cake was served to a host of friends of the couple. Mrs. Oris Smith, sister of the groom, honored the couple with a dinner Sunday evening, after which they left for a short trip. Following a brief honeymoon, Mr. Beaty will return to Pass Christian.

Pet. D. D. Johnson of Abilene will preach at Redwine Sunday, April 20th at the morning and evening services. Mrs. C. N. Woods is his daughter and he will visit her and her husband while here and wishes to see his friends while here.

Broadcast April 23

2 tablespoons sugar 7 tablespoons Fat
2 tablespoons cornstarch 2 cups cake flour*
1 1/2 teaspoons salt 1/2 cup cold shortening
90cc. can crushed pineapple 3 tablespoons water

Mix together sugar, cornstarch and 1/2 teaspoon salt in saucepan. Stir in pineapple gradually. Cook slowly until thick, stirring constantly. Remove from heat. Cover and cool thoroughly. Set in 1/2 cup milk. Meanwhile, turn on oven and set at hot (425° F.). Sift flour before measuring. Resist with remaining 1 teaspoon salt. Work cold shortening into flour mixture with pastry blender, 2 knives or fork. When mixture has appearance of small peas, gradually stir in remaining 3 tablespoons milk diluted with the water. Roll out on floured board to 3/4-inch thickness. Cut into 12 rounds with floured 4-inch cutter. Cut 3 diamond-shaped openings in one side of rounds. Put about 2 tablespoons pineapple filling on other side of rounds, being careful to keep away from edge. Fold dough over filling, pressing edges together with fork. Put on ungreased baking sheet. Bake on oven shelf slightly above center, about 15 minutes, or until pastry is brown. Makes a dozen.

*To Substitute All-Purpose Flour for Cake Flour, increase shortening to 1/2 cup and increase both milk and water to 1/4 cup in the pastry mixture.

It strikes us that that man Pierre Laval is one of the most contemptible characters of all history. Having been a traitor to his country while Hitler was clutching at its throat, having helped that monster to destroy democracy and enthroned totalitarianism in France, Laval now undertakes, as Hitler's puppet, to rivet more securely the chains of slavery upon the limbs of his prostrate country. Judas Iscariot and Benedict Arnold are the only names to be found on the pages of history that are worthy to stand alongside of Pierre Laval on the scroll of perfidy.

Marshal Petain is now one of the most tragic figures of all history. Hero of Verdun in World War No. One, he now clings to the mere forms of power at the sacrifice of everything that is heroic in a man's character. His course can be explained on the ground that he has become a doddering old man too weak to play the heroic role that Opportunity threw into his lap. If, instead of yielding to the demands of Hitler, he had defied the monster even at the cost of his life, he would have tired the enthusiasm and won the undying admiration of his people. As it is, he merely excites pity.

The people of America are getting great satisfaction out of the visit that American bomber planes made to Japan last Saturday. Nobody knows just how much damage was done, but it at least was sufficient to give the Japanese a good case of the jitters. Indications are that considerable damage was done to factories, railroads, and other property. The best thing about it is that it proves that it can be done and that these visits will probably be repeated with even more deadly effect from time to time from here on out. Keep 'em flying.

Official posters warn factory workers and government employes in Army posts, Naval stations, war industry plants and government offices to guard against loose talk that may reach sharp enemy ears. "The enemy is listening! He wants to know what you know. Keep it to yourself," the posters caution.

A monument to a wrecked automobile greets motorists on the high way near Caracas, Venezuela. Its inscription reads, "Slowly one goes far."

What would you think of an army camp as large as the T-Bar pasture? Wouldn't it be a whopper?

Well, down at Killeen in Bell County they are building a camp that will cover much more ground than the T-Bar. The site procured contains 108,000 acres, according to published reports, and some acreage is to be added yet, it is stated. The T-Bar embraces about 70,000 acres, or 110 sections. Camp Hood at Killeen will embrace the equivalent of 168 sections.

We have no idea how many men a camp that size will take care of at one and the same time, but a few camps like that ought to be sufficient to train enough men to back old Hitler off into the Baltic or to cause the whole Japanese army to commit harj-kari.

It should be explained, however, that only 4,000 acres are to be used as a cantonment. More than 100,000 acres are to be used for tank-destroyer training — which is sumpin!

Camp Hood is ideally situated for an army camp. Not only will it be of broad dimensions but it will have a scenic setting — wooded hills and restful valleys and crystal streams. Largest of the streams is Cowhouse Creek, which runs down through it, a picturesque and normally placid stream which becomes a raging torrent when the heavy rains come. We have seen the old Cowhouse when it looked like a mighty river.

Owing to the nature of the soil, this is not a thickly populated region. Much of the land is thin pasture land, partially covered with live oak, and post oak, and cedar, and other tree growth. But the early settlers in Texas settled along the streams, where there was plenty of water and fencing material. Barbed wire had not been invented then.

And so, some of the oldest settlements in Bell and Coryell Counties are situated along the old Cowhouse. This army camp is situated partly in Bell and partly in Coryell.

Now, some of these old settlements, seventy or eighty years old, are being rooted up completely and the inhabitants are hunting for other homes, to make room for the army.

Unique and strange indeed was this announcement which appeared in THE KILLEEN HERALD in its issue of April 10 calling the people together for their last meeting in a near-by community.

Next Sunday, April 12th, has been set as the farewell meeting date of the Sugar Loaf Methodist Church. The public is invited and all members of the church are urged to attend this last meeting. A business

session of the church will be held at eleven o'clock in the morning, at which time disposition of the church property will be made.

"Everyone is invited to bring a basket lunch and have dinner on the grounds and spend the day in visiting. Bring enough food to feed a guest who may come without a basket."

"The occasion will have dual significance, as it is the 92nd birthday of 'Aunt Rene' Elms, the only living charter member of the congregation. 'Aunt Rene' has lived in the Sugar Loaf community for seventy years.

"This will be the last gathering of the people of Sugar Loaf, as all will move out of the area by May 1st to make room for the army."

While the people have been paid handsome prices for their property, yet it must be heart-breaking for some of them to give up homes which they have occupied for a half century, to see the school building and the little old church torn down, break up their community life, and scatter to other places of abode.

"Aunt Rene" and the others will have to charge it all up to old Hitler and old Hirohito, neither one of whom has ever lived in the community.

The community got its name from Sugar Loaf Mountain, a picturesque mound of considerable elevation, the outstanding physical feature of the vicinity. And many are the young people who have climbed to its top and carved their names on the limestone rocks that cap it.

This is said to be the largest army camp of its kind in the world, or it will be when completed.

But there are numerous other army camps in Texas, and more are being established.

Yes, and just think of the big aviation fields, and the many smaller ones that have been established the past few years, most of them since last December 7.

Just think of the great naval training stations.

Take a brief survey of the big building program. Flying fortresses, giant bombers, and fighting planes of various types being turned out like fighting fire. Look at the ships, fighting craft, transports, airplane carriers, merchant ships, all being set afloat at a rate never equalled before in the world's history. We are building eight million tons of merchant ships this year and ten million tons next year. That is the equivalent of eight hundred 10,000-ton ships this year and a thousand 10,000-ton ships next year — several times as

many ships as Germany, Japan and Italy put together can turn out this year, or next, it has been pointed out.

And more big battleships are being launched!

A new era in the history of this country is being ushered in.

Following the first World War, we

seem to have concluded that we had made the "world safe for democracy," refused to join the League of Nations proposed by President Woodrow Wilson to prevent future wars, threw down our guns, junked a lot of our navy, turned our attention to money-making, and thought that we had successfully entered upon a period of isolationism. We

were sure that we would never enter another European war and we refused to believe that Japan would ever become a serious threat to this country.

So we drifted along, smug and complacent.

And then the Japs suddenly crack-

(Continued on Page 5)

Whether you want your wife to have a check she can cash every month, as long as she lives, or a plan through which you can protect your business investments—you, too, may get SOUND COUNSEL by consulting your SOUTHWESTERN LIFE INSURANCE representative.

Tahoka Representative:
MRS. GLADYS M. STOKES

**Yes, vaccine prepares you to beat trouble...
now how does this oil work that principle?**

Like a plague, modern driving conditions are widely attacking motor oil—wasting it away. Nature can't modernize her oil. And the best refining even weakens certain natural "immunities"...

BUT CONOCO Nth OIL makes it all up—and then some—with its modern man-made preventives. They get the credit for its healthy record of more than twice the mileage averaged by five other fine oils in a Death-Test lasting till engines burned up.

The rival oils, in identical cars, under impartial observation, braved blistering Death Valley with a strict 5-quart fill apiece and no more. One gave out when Conoco Nth was still more than two-thirds up! None came closer than a bare 58% of Conoco Nth mileage!

Get this same Conoco Nth oil for the Spring change that your engine must have. You'll be getting the added modern synthetic, Thiakene inhibitor, to forestall the fouling attacks of highest engine speeds and pressures. Instead of breaking down into so-called varnish, gums and worse obstructions, your Conoco Nth oil can stay more like its own good self—to help your mileage stay up.

The out-and-out Death Valley victory proved it—and proved once again that an

OIL-PLATED engine lives long. OIL-PLATING, a recognized Conoco advantage through the years, comes from the other great synthetic in Conoco Nth. This exerts magnet-like action to envelop inner parts in clean-bonded lubricant that doesn't all quickly drain down. Instead it stays plated in place—much as any other plating—and that's what the conventional movable oil film slides on!

You're one more remove from excess wear—from the hazard of repairs and delay these days. You're up to the Nth degree of oil mileage for your car. Change now at Your Mileage Merchant's Conoco station. Continental Oil Company

FSA Farmers Will Raise More Food

It's spring again and in all sections of Lynn County farm families on the program of the Farm Security Administration are enthusiastic about prospects of a good farm year for themselves and a good year to produce record food supplies for the United Nations, said Wyman J. Welch, rehabilitation supervisor for this federal agency.

"Farm families cooperating with the FSA," said Mr. Welch, "are showing more interest than ever before. They are talking about more milk from their cows, more chickens and bigger gardens because they realize how important food has become in the fight against the aggressor nations in this second world war."

"For the past several years these families have been devoting more time to diversified farming, producing more of their living on the farm, improving their living conditions and gathering for themselves a more desirable life," he continued, "but now, as never before, they are realizing how important the little farmers are to the cause of democracy."

The supervisor pointed out that the men folks, knowing they cannot shoulder a gun in the fight for freedom, are doing the next best thing. The men, urged on by their wives, are taking more than a passing interest in the chickens, the garden, and in making their homes more pleasant and beautiful.

"I've noticed," he said, "that this year the men refer to the poultry

flock as 'our chickens' and to the garden as 'our garden.' Formerly these were described as 'my wife's chickens' and 'my wife's garden.'"

More news about the farm women's spring work in connection with the Food for Victory program comes from Miss Allie Mae Tipps, home management supervisor for the Farm Security Administration. She reports that on an average the gardens on farms in Lynn County will be much larger this year than ever before and that they will contain a greater variety of vegetables. She reported also that many of these farm women have completed their plans for purchasing more jars in which to put up the record food supplies which they expect to produce this year.

"We have been told that the large farms in America are producing the maximum amount of products, and that the majority of needed increases must come from the small farms throughout the United States. If this is true, then if all small farmers over the nation are planning to work as hard and produce as much as the small farmers in Lynn County, I know this country need have no fear of a food shortage," Miss Tipps declared.

Mr. and Mrs. Clay Bennett and daughter, Joan, left Tuesday morning for Ft. Worth, Dallas, and Whitney on a combined business and pleasure trip.

Mrs. Chappie Edwards came in Tuesday from her home in Los Angeles, Calif., for a visit with her parents, Mr. and Mrs. R. R. McCord, and other relatives.

Extension News

Buying Cereals

With food prices on the rise, Lynn County homemakers can help keep their families healthy and at the same time serve their pocketbooks well by eating the right food, producing part or all of it, buying food wisely and preparing food correctly and attractively.

According to the Texas Food Standard, Texan's guide to a good daily diet, every person needs one serving of whole grain products and other cereals as desired every day. For the period of a week, one person needs from one-fourth to 1½ pounds of whole grain products and 1½ to 3 pounds of other cereals and breads.

Here are some tips for buying cereal products:

Buy whole grain flour and cereals in amounts which can be used in a short time. Try to buy them freshly ground.

Store flour and meal in closely covered tin containers in a cool place.

Watch the surplus commodity list. Items on it usually are inexpensive.

Store bread in a dry, well covered, ventilated tin container.

Use cereals that need to be cooked, if income is limited, because cooked cereals are cheaper.

Check weight as well as price on

packaged flour and cereals.

War and Your Wardrobe
The first step in taking care of clothing intelligently is knowing fabrics and their proper treatment. It will help to study labels and consult clerks and store buyers about materials—whether the color is fast to light and washing, and how much a garment is likely to shrink. There is nothing to the old custom of soaking materials in a solution of salt and water to "set" the color. It doesn't work.

The right way to wash wool is to use warm, soft water and neutral soap. Squeeze the suds through the cloth—don't rub it—and rinse in water the same temperature as first used. Dry wool in a warm place, but not in the sunlight. Wool garments should be pressed while they're still damp with a medium-hot iron. A pressing cloth should be used too.

Washable rayons require heavy, lukewarm suds of neutral soaps. These should not be rubbed and they should be handled with particular care while they are wet. It's also important to rinse rayons in water the same temperature as that in which they were washed. Ordinary rayons may be ironed with a moderately warm iron, but acetate rayons require temperature even lower.

The sensible way to wash most cottons is to wash them. If colored cottons are colorfast, both to washing and light, and if they won't shrink more than two per cent, there's little to worry about.

Tips on Buying

Whether you buy clothes for the family or cotton goods for the home you will find these tips helpful.

Be sure to take your list with you shopping.

If you don't know the prices of things you need, get them. Don't hesitate to ask questions.

Read carefully all labels on the articles you buy.

Remember good quality material generally means a saving since it lasts longer and stands hard wear better.

Don't let a "bargain" lead you into buying something you don't need.

If you buy goods on a sale, check the price and quality with values offered regularly and in other stores.

Go slowly. Think carefully. Decide wisely.

Mr. and Mrs. J. S. Skaggs and Miss Eileen Gibson, all of Oklahoma City, Okla., enroute to Luke Field, Phoenix, Ariz., stopped over Monday night to visit his sister, Mrs. J. K. Applewhite and family. They expect to be present at the graduating exercises there on Friday when J. S. Skaggs Jr. receives his "wings."

Odds and Ends . . .

(Cont'd. From Editorial Page)

ed down upon us and taught us unprepared!

And so, today, we are in this war!

But what about this country of ours after this war is over — after we have won it, as we must and will?

Will we turn to drifting again?

Will we again junk a lot of battleships just to show the world that we are a peace-loving people? Will we abandon our preparedness program and thus again invite attack? Will we be deterred from fortifying whatever possessions we may have, in the Pacific, in the Atlantic, anywhere, for fear we may give offense to some other nation, as we were deterred from fortifying Guam?

Well, we think not.

We don't think that hereafter we will wait till war breaks out to start a campaign of military training. After this war, we surely will devise some system by which every able-bodied young man will be given a certain amount of military training, so that he will be ready to be called into active service almost immediately when any emergency arises.

This will not only be helpful to our country, but it will be good for the boys themselves.

As a part of this program, more attention doubtless will be given by the schools to physical education. More care will be taken to keep the boys—and the girls—physically fit.

We believe that incident thereto, athletic activities that so often cripple the participants or that put too severe a strain upon them temporarily, will be banned. It should be done anyway, aside from any program of military training.

Not only will we train them as

soldiers on the ground but we will give many of them training as aviators, many as sailors.

We will teach them also the rules of health.

We will raise up generation after generation of the finest physical specimens of manhood the world has ever seen, and, we hope, the finest specimens morally and spiritually.

Yes, we are entering upon a new era in the history of this country and the world.

Mrs. J. K. Applewhite is recovering from a tonsillectomy which she underwent at a Lubbock hospital on Tuesday of last week.

CARD OF THANKS

We wish to express our sincere appreciation to our friends and neighbors for their kindness shown us during the illness and upon the death of our beloved husband and father, J. A. Williams; also for the beautiful floral offerings. May God's blessings be on all. — Mrs. J. A. Williams and children, and his brother.

Mr. and Mrs. M. R. Pemberton left Wednesday morning for Phoenix, Ariz., where their son, Delton, will receive his "wings" in the graduation exercises to be held at Luke Field today (Friday).

Burkhalter Now Live In Austin

The News received a letter a few days ago from H. P. Burkhalter, a former well-known citizen of the Grassland community who had been residing near Lubbock the past few years, advising that he and Mrs. Burkhalter had recently moved to Austin.

Mr. Burkhalter had been operating a dairy about four miles south of the Texas Tech for a number of years but his health failed, making it necessary that he lead a less active life, hence his removal.

He stated that he and Mrs. Burkhalter were well pleased with their new surroundings.

He stated that he and Mrs. Burkhalter were well pleased with their new surroundings.

Seven members and one new member, Lucille King, were present. —Reporter.

Mrs. Gladys M. Stokes returned Tuesday from Dallas where she had spent a week at the bedside of her sister, Mrs. Ward Eakin, who underwent an operation last Wednesday. Mrs. Stokes says that her sister had a blood transfusion after the operation and was doing as well as could be expected when she left.

Pfc. Jack Liston, who is with the 124th Cavalry at Fort Brown, Brownsville, Texas, is visiting Mr. and Mrs. Marvin Walker of the South Ward community. He will return to the fort today (Friday).

Mrs. R. B. Floyd left Saturday for El Segundo, California, to visit her son, Ben Floyd, and family.

DIXIE H. D. CLUB MEETS

Stressing "Our Food for Victory" program, in speeding up production, Miss Maurine McNatt, County Home Demonstration Agent, advised the Dixie club members that "regardless of how good a flock might be as to breeding or how comfortably housed, it takes good feed, properly fed, to get top production."

Emphasizing the above, she stated that "a good quality mash is essential and should be available for the birds at all times, since it is the protein feed which stimulates production."

The club met in the home of Mrs. H. H. Nash with nine members and one visitor present.

Mrs. T. D. Lishman and Mrs. O. B. Conley reported on the district meeting which was held in Lubbock on April 11th.

After a brief business session, the club adjourned to meet with Mrs. J. H. Knight, May 7th.

The following members were present: Mmes. A. C. Aycock, B. C. Aycock, O. B. Conley, Pat Healey, J. H. Knight, J. L. Hill, J. C. Lackey, T. D. Lishman, H. H. Nash and Mrs. G. C. Grider, visitor.—Reporter.

MRS. JOHN BERRY HAS OPERATION

Mrs. John Berry, who has lived in Draw for many years, is in a serious condition at Lubbock General Hospital, having undergone a major operation there on Tuesday morning.

Mrs. Berry is widely known in the south part of Lynn and northern part of Borden County for her work among the sick and suffering of all classes of people. She is known throughout the county and this section as an active worker in all Civic and Club, Church and Eastern Star work, and many friends are wishing for her a complete and speedy recovery.

CARD OF THANKS

We wish to express our thanks, and appreciation, to our many friends for their deeds of kindness and words of sympathy through the illness and death of our mother, Mrs. J. J. Shepherd. We want also to say "thanks" for the beautiful flowers and to let you know your thoughtfulness helps lighten our grief.—Mrs. Blain Ramsey, A. L. Shepherd, Mrs. O. T. McCarver, and B. E. Shepherd.

Mr. and Mrs. Truett Smith accompanied by Mrs. Smith's mother, Mrs. J. K. Hunt of Claude, left Wednesday morning for Phoenix, Ariz., to attend the graduating exercises at Luke Field, where Mrs. Smith's brother, Walter Hunt, of Claude, will receive his "wings" in the graduating exercises to be held there today (Friday).

Joe D. Unfred, son of Mr. and Mrs. J. P. Unfred of Petty, has transferred from Fort Bliss to Fort Knox, Kentucky. Officers Candidate School, Armored Force. He visited his parents here near the first of the month, when he and his mother visited her parents in Big Sandy, and Joe D. went from that place on to Fort Knox.

Sergeant Frank P. Liseby of the Forty-ninth Pursuit Squadron at Hamilton Field, California, came on a twelve-day furlough on last Friday to visit his parents, Mr. and Mrs. Frank Liseby, at New Home.

Mrs. Ruby Bullock, who formerly sent in the news items from Grassland, writes from Route 3, Abilene, for us to send the News to them there, as they have moved there. She says they greatly miss the News.

Little Miss Nancy Jane Nowlin, daughter of Mr. and Mrs. P. A. Nowlin spent Sunday afternoon, Monday and Tuesday in Lubbock visiting her aunt, Miss Myrtle Cooper.

Mrs. Billy Hill, whose husband is in the U. S. Navy, left Sunday to make her home with her parents, Mr. and Mrs. J. B. Anderson, in Amarillo.

BLACK-DRAUGHT

a star among laxatives all over the South

Mrs. Joe Sanders' Brother Is Dead

Mrs. Joe Sanders received a message Saturday night informing her of the death of her brother, Charles L. Ruoker, which occurred at his home in San Francisco at 4:00 p. m. Saturday.

Mrs. Sanders was unable to attend the funeral services.

Mr. Ruoker was her only brother and he lived here for awhile a few years ago, having come here for his health. He was born in Wylie, Collin County, but moved to California about thirty years ago. He leaves surviving him his wife and one daughter, Mrs. Audra Crawford of Santa Monica, California.

MISSION STUDY INSTITUTE

An all day Mission Study Institute for Brownfield Association W. M. U. will be held in Wilson First Baptist Church April 24 (today).

Mrs. Garland Pennington, Association W. M. U. President, is urging as many Baptist women as possible to attend.

Mrs. R. L. Brown of College Station, State Mission Study chairman, will be the main speaker of the day. With Mrs. L. T. Bledsoe of Ropesville, Association Mission Study chairman in charge, the program will open at ten o'clock with Mrs. J. H. Kuykendall of Central Church bringing the devotional.

Mrs. Henry Heck of New Home Church will review the book "Dear Margaret." Mrs. Brown will bring an inspirational message at the noon hour.

Mrs. L. Lumsden of Wilson, district president, will have a message; Melvin Rathel, Educational Director at Tahoka, will sing; Mrs. R. T. Barton, wife of Ropesville pastor, will give a demonstration on Junior Work; Brownfield W. M. U. will close the program with a demonstration on Sunbeam work.

Wilson women, with their well-known hospitality, will provide the noon-day lunch.—Reporter.

Pfc. Jim Raindl, son of Mr. and Mrs. Frank Raindl Sr., has been promoted to the rank of Corporal, according to information given his parents. He is with the Hospital Corps at Camp Wallace, Texas.

Mrs. Harry Woods is spending a couple of weeks with relatives in Bell and Milam Counties, around Rogers, where she was reared.

Pyorrhea May Follow Neglect

Are your gums unsightly? Do they turn money if first bottle of "ADLERIKA" fails to satisfy? Druggists re-TO'S" fails to satisfy.

WYNNE COLLIER, Druggist

Mrs. Jack Welch has returned home with her little son from Dallas, where the little boy underwent an operation to relieve a paralytic condition which was developing. The operation was thought to have been entirely successful and the young man appears to be as healthy as ever.

The News inadvertently stated last week that J. W. Portenberry was in the Navy. We should have said the Marines. This branch of the service was established in 1775 and is the oldest of the armed forces of the United States. It has a career of distinguished service as long as the life of the Nation itself.

Clint Walker, former Lynn county AAA secretary, who is now in the Naval Air Corps, is now located at the Corpus Christi Naval Air Station, where he is receiving advanced training, his brother, Woodrow Walker, informs The News.

Corp. Wilson King of the Kelly Field Replacement Center, San Antonio, was here last week and the early part of this week visiting his parents, Mrs. and Mrs. J. O. King, who live north of town.

Mr. and Mrs. Owen Fields of Los Angeles, Calif., came Monday to visit Mrs. Fields' mother, Mrs. E. S. Davis, and family, here for two weeks.

Jerry Cain, son of Mr. and Mrs. Alton Cain, left Saturday for Canyon to visit for two weeks with his grandparents, Mr. and Mrs. S. W. Cain.

CONSTIPATED?
Spots of constipation often bring aggravating bowel gas, sour stomach, bad breath, coated tongue, headaches, dizziness, listlessness.
ADLERIKA effectively blends 4 carminatives for relief of gas pains and 5 laxatives for gentle but quick bowel action. Get ADLERIKA today!

Keep Your Chicks Growing

... Because they're going to play a big part in keeping our planes flying. To keep your chicks growing, keep them eating heartily. Give your chicks the benefit of Dr. Salsbury's Avi-Tab. They'll like it, and it's good for them.

WYNNE COLLIER DRUGGIST
A member of Dr. Salsbury's Nation-Wide Poultry Health Service.

Mr. and Mrs. Henry Douthit and daughter, Mrs. Gladys Collins of Lubbock, and Miss Helen Williams of this county went down last Friday to Camp Walters, near Mineral Wells, for a visit with the former's son, Corbin, who is in training there. They returned Sunday.

Word comes that Ward Eakin, who was at the bedside of his wife at Baylor Hospital, Dallas, was called to Pioneer last Sunday night to the bedside of his father who had suffered a heart attack. At last reports his father had shown no improvement.

First Air School Class Gets Wings

LUBBOCK, April 23.—The saddened city of Carlsbad, N. M., whose National Guard unit was last heard of on Bataan, put away its tears last week end and gave a rousing send-off to a graduating class of Air Corps aviation cadets, from the Lubbock Army Flying School here.

It was a "coming-out" party for the Lubbock twin-engine school's first class of cadets, scheduled to receive the silver wings and gold bars of flying officers April 29. Upon graduation they will be ready for active flying duty wherever needed in the war effort.

In their honor the people of Carlsbad put on their glad rags and for a time tried to forget that the state's entire National Guard, including 100 of their sons and brothers, had been in the Philippines with Generals MacArthur and Wainwright until the end just a week before.

There was a two-day celebration. Saturday the cadets paraded through the city, rode cowpunches and roped calves and goats, were guests at a Western "son-of-a-gun" chuck wagon supper and danced an old-fashioned Western Dance. Climax of the visit was a tour through the famous Carlsbad Cavern Sunday morning.

On hand through the week end was John Flora, crack photographer for Life Magazine, after pictures for the magazine's "Life Goes to a Party" section.

Gay as the celebration was, however, Carlsbad couldn't quite forget. Everywhere cadets heard the same thing from dads, mothers, brothers and sisters of Bataan's lost fighting men:

"When you get there give 'em hell for us, boys!"

WILLIE REED LIKES THE NAVY

The News had a communication this week from Willie Reed, now in the Navy. His mail reaches him out of San Francisco.

"I am liking the Navy just fine so far," Willie writes. "I got a little sea-sick the first day or so at sea but soon got over it."

"I am separated from all the boys from home but I look to run into them some day. We sure have got a fine bunch of men on our ship."

Give a book for a soldier.

JUNIOR CO-ED CLUB

The Junior Co-ed Club was organized February 17 1942 at the home of Gerry Connolly when the following officers were elected: President Billie Jo Cowan, Vice President Gerry Connolly, Secretary Donna Sue Milliken, Treasurer Irene Carver, Reporter Johnnie Mae Anderson, Social Committee Helen Jo Rogers.

The club meets every two weeks at the home of one of the Club members. We have a business meeting, serve refreshments and play games afterward.

There are nine members in the Club, as follows: Gerry Connolly, Irene Carver, Johnnie Mae Anderson, Billie Jo Cowan, Anna Freeman, Bobbie Jean Minor, Helen Jo Rogers, Bonnie Jean Clark, and Donna Sue Milliken. — Reporter.

Mrs. Cade's Father Dies At Friona

Mr. and Mrs. A. M. Cade and children were called to Friona Wednesday by the death of Mrs. Cade's father, "Grandpa" Taylor, which occurred some time Tuesday night or early Wednesday morning.

Messrs. Randolph Rutherford and John Tippit left Thursday morning for that place. It was expected that funeral services would be conducted Thursday afternoon.

Mr. Taylor had become seriously ill here several weeks ago, but when he grew better, he went to Friona to visit with other children. He had spent much of his time here with the Cade family the past eight or ten years and had many friends here who greatly deplore his death.

Mr. Taylor was about ninety years of age.

CARD OF THANKS

We take this means of thanking our friends and neighbors for their many kind deeds to us during the illness of Mrs. Minor. Your thoughtfulness expressed in food, flowers, messages, visits, and in many other ways will not be forgotten. We appreciate all of it more than you can ever know. — Mr. and Mrs. A. J. Minor and Family.

Two customers who watched a West Texas State Teachers basketball game from windows outside the gymnasium walked in after the contest and paid admission because they enjoyed it so much.

Dorothy Kahl Receives Interesting Alaskan Paper

Miss Dorothy Kahl, daughter of Mr. and Mrs. W. H. Kahl of Edith, is in possession of a copy of a newspaper printed in Kodiak, Alaska, and sent her by a soldier friend there, that is of considerable interest to we folks here in the States, especially in the Southwest.

The paper, The Kodiak Mirror, carries this line in the front page masthead: "News of America's Last Frontier." Stories of special interest include one about a bear hunt, local bond sales which had reached a total of \$55.45 per capita for the town's population, and about the bank's deposits totaling \$3,000,000.

Some of the "red hot" grocery specials read like this: Lettuce, 25 cents per head; tomatoes, 35c per pound; eggs, 50 cents per dozen; butter, 50 cents pound; fresh milk, 40 cents per quart; and No. 2 1/2 can peaches, 2 for 65 cents.

The paper was well filled with advertising, and contained fourteen five-column pages, all hand set.

EXPRESSION RECITAL NEXT THURSDAY NIGHT

Mrs. R. L. Richardson announces that her Expression pupils will give a recital in the high school auditorium on Thursday night of next week, April 30.

There will also be musical and other numbers on the program.

You are cordially invited and are assured of an evening of pleasure if you attend.

Olive growers and producers in Spain are now allowed to keep only 44 pounds of olive oil per year per person, including dependents and servants.

Airplane mail shipments from Cuba last year weighed 119,227 pounds, a gain of 18 per cent over 1940.

The blood of a cold-blooded animal is not always cold, but takes the temperature of the air or water in which the animal lives.

Egypt has decreed that all cotton seed and unspun cotton must be insured against war risks.

Alcohol is being produced from sugar cane in Ecuador.

Tahoka People At P-TA Meeting

Mrs. D. G. Ridge, in-coming president, Mrs. A. O. McLeroy, Miss Nellie McLeroy, and Supt. W. T. Hanes, represented the Tahoka Parent-Teacher Association at the 14th district PTA convention in session at Anson Thursday and Friday of last week and made a bid for next year's convention to be held in Tahoka but lost by a narrow margin to Plainview.

However, they report that Tahoka would be reasonably sure of securing the meeting next time, should she ask for it.

The convention was an excellent one, the delegates report, with talks by many prominent educators and laymen, and the ladies came home with enthusiasm for the work.

Mrs. Fred McGinty, the retiring president, was unable to attend on account of illness in the family.

CHANGE OF DRAW REGISTRATION PLACE

E. W. Holloway, in charge of registration in the Draw voting precinct, has requested us to announce that school at Draw will not be dismissed on that day. Those who are to register for the draft on April 27 will go to the gin office instead of to the school house. Mr. Holloway says.

WANT ADS PAY

Marvin Walker can testify that want ads pay. He got his pig back, the one that jumped out of his trailer, unknown to him at the time, as he was bringing it down the highway from Lubbock. A New Home man read his ad and dropped him a card. It doesn't cost, it pays, to advertise.

"Juan re la Calle" (John of the Streets) is the title of the first motion picture produced in Venezuela and its premier recently was a success.

Over 1,000,000 oranges were given free to natives in South Africa recently, war having prevented exportation of the fruit.

So many mountain lions have been killed in recent years that the species is rapidly becoming extinct.

Canadian lakes have a greater area than all the land in the Dominion of New Zealand.

Tahoka Auxiliary Presents Program At Lubbock Meet

Tahoka Auxiliary members who rendered a Child Welfare program for the Lubbock Auxiliary Monday night report a good meeting and a most cordial reception by the Lubbock Auxiliary.

The following ladies attended the meeting: Mmes. H. L. Roddy, T. I. Tippit, Ott Patterson, R. C. Forrester, A. M. Cade, R. L. Richardson, Viva M. Woosley, Carl Owens, C. C. Coffee, H. F. Lindley, A. O. Conley, W. S. Taylor, J. B. Oliver and James E. Dye.

CARD OF THANKS

I wish to thank my thoughtful friends for nice birthday cards and gifts received on the occasion of my seventy-fifth birthday. May God's richest blessing rest upon each of you, is my prayer. — Mrs. M. C. Sherrod.

G. C. Price, son of Mr. and Mrs. J. G. Price, who has been mortician in an El Paso funeral home for the past two or three years, has written his parents that he is now serving Uncle Sam in the Hospital Corps at Fort Bliss.

Mrs. J. E. Brown of Big Spring spent the week end with her mother-in-law, Mrs. Pearl Brown.

European butterfly lay their eggs in empty oyster shells.

G. C. WELLS PROMOTED

George Claude Wells, son of Mr. and Mrs. Claude Wells, who is stationed at the Lubbock Air Base, has been promoted from Corporal to Sergeant, according to his parents. He visited them here Thursday.

Private First Class John W. Fortenberry, United States Marine Corps has graduated from the Primary Course, Aerographer School, at the Naval Air Station in Lakehurst, N. J. Pfc. Fortenberry is the son of Mrs. Alice Fortenberry, Tahoka. He enlisted in the Marine Corps on August 4, 1941, at Oklahoma City.

Avoid Replanting! TREAT COTTONSEED WITH CERESAN

Progressive planters of Texas, Oklahoma and every other cotton state have proved how successfully CERESAN seed treatment reduces seed rotting and sores-shin, generally improves stands, saves costly replanting and commonly increases yields—often 10 to 25%.

Oklahoma A. & M. College reports, "Dusting the seed with Ceresan is in more general use than any other cottonseed treatment.... Temple, Texas, reports some tests in which "germination was doubled." Give your seed this protection this year! CERESAN costs only a few cents an acre; is easy to use. Get it from your dealer and treat your own seed, or buy seed marked with the Ceresan Certificate Tag.

TREAT OTHER SEEDS, TOO!
Use Semesan Jr. for corn; New Improved Ceresan for small grains; Semesan for vegetables; Semesan Hot for potatoes.

Registration . . .

(Continued From Page 1)
 not attained the 65th anniversary of the day of his birth on or before April 27, 1942, is required to present himself for and submit to registration on April 27, 1942."

Anyone who is unavoidably away from his home on April 27 may register at the registration place most convenient on that day, Gen. Page said, but all registrants are urged to make every effort to register with their own local boards to avoid possible confusion in the future. Any person who must register away from home also is warned to carefully specify his home address so that his registration card may be forwarded promptly to his own local board.

Special registrars will be provided for men who cannot appear at a designated registration place because of illness or other incapacity, but

it is incumbent upon these men to advise a registrar in their local board area of their inability to appear at a registration place.

After the registrant has answered all question and signed his name to the registration card, he will be given a registration certificate signed by the registrar. This certificate must be in the personal possession of the registrant at all times. Failure to possess this certificate, or to show it to authorized persons constitutes a violation of Selective Service regulations and is considered prima facie evidence of failure to register.

Gen. Page pointed out that those who register on April 27 are not liable for military service under the Selective Training and Service Act of 1940, as amended. They will be required later to fill out an occupational questionnaire concerning their civilian qualifications and skills, but that is for the purpose of obtaining information only.

E. B. Terry, long-time resident of Lynn County who lives at New Lynn, was brought home from a Lubbock hospital Sunday. Though he is still confined to his bed, he is getting along as well as could be expected.

Mr. and Mrs. J. K. Callaway returned Wednesday from a few weeks spent at Glen Rose. Both are feeling much better and Mrs. Callaway reports that "Uncle Joe" is like a new man.

EVERY TUESDAY Ladies Day, 10c per line. O'Donnell Bowling Club.

SICK CHICKS NEEDN'T ALL DIE— not if proper steps are taken promptly. But it's best to safeguard chicks against illness. That's where Dr. Salsbury's Phen-O-Sal comes in. It checks germ growth in the drinking water and medicates the digestive tract. Wynne Collier, Druggist, Phone 22.

RENEW THE OLD!

● Why throw away the old clothes when CRAFT'S can make those old ones look like new again.

● Your clothes, like your tires, must last longer.
