Number 38.

Sugar Ration Cards Available Monday

Crawford Edwards Dies In Ft. Worth

Crawford Edwards, 63, principal owner of the T-Bar Ranch of 110 sections of land lying just west of Tahoka and owner of much other property at Fort Worth, died at his home, the house in which he was born, on the old Edwards Ranch adjoining the city limits of Fort Worth near Texas Christian University, at 8:30 o'clock Monday night.

Funeral services were conducted by Rev. W. Ray Watson, pastor of the University Baptist Church, at 2:00 o'clock Wednesday afternoon, in the Gause-Ware Memorial Chapel, and the body was buried in Mount Olive Cemetery. Wayne Chandler, who resides on the T-Bar Ranch under a long-time lease contract made here about three years ago, attended the funeral services.

Mr. Edwards had been confined to his bed most of the time for the past two years with a heart ailment and other trouble, and had not been to Tahoka for the last three years.

Surviving him are one son and one daughter, Caswell O. Edwards, bearing the name of his grandfather, and Miss Colleen Edwards; also the wife and her daughter by a former marriage, Miss Mary Eleanor.

His father, Caswell O. Edwards, died in April, 1941, just about a year ago, at the advanced age of 90 years. He acquired the T-Bar Ranch in 1884, when his son Crawford was a child about five years of age, and it (Continued on Back Page)

Crowell Wrecked By Terrible Storm

A tornado which struck Crowell, county seat of Foard County, with a population of about 2,000, on Tuesday night left death and destruction in its wake. Nine persons were killed and 125 others injured, while many of the homes and most of the business buildings were demolished, leaving 1,500 people homeless.

A number of Tahoka people have relatives there or nearby, including Mrs. Claude Donaldson, Jack Welch and Jim Banister of this city. Mr. and Mrs. Donaldson have since been there and say reports of the havoc cannot be exaggerated.

Mr. Welch and Rev. Geo. E. Turentine, who was pastor of the Methodist Church there four years and had many warm friends there, were circulating a petition in Tahoka Thursday and this morning for funds to be sent to the Red Cross at Crowell for the benefit of the sufferers.

A terrific wind early Thursday morning did some damage in the colored residential district of Tahoka. The colored Baptist Church building was practically unroofed, the colored Methodist Church was blown off its foundation, and several outhouses were blown down. Some of the colored citizens say that it was a little twister which struck their section of the town, about four o'clock this morning.

Delton Pemberton Is Given Commission

Luke Field, Phoenix, Ariz., April 24.—Delton L. Pemberton, son of Mr. and Mrs. M. R. Pemberton of Tahoka, received the coveted silver wings and a Second Lieutenant's commission in the Air Corps Reserve at graduation ceremonies here this morning at 9 a. m. He will be stationed at Victorville, California.

Pemberton is a graduate of Tahoka high school and attended Texas Technological College three years. Graduation exercises here were attended by his parents.

NEGRO DIES HERE SUNDAY

Jim Williams, colored, 36, died here Sunday afternoon following a long illness. The body was buried here Monday afternoon, with Rev. O. D. Hollins officiating.

Williams and his wife had been operating a cafe out north of the Jim Burlison grain and feed store.

APPLICATION FOR WAR RATION BOOK (To be filled in by Registrar only)

IMPORTANT.—A separate application must be made by (or, where the Regulations permit, on behalf of) every person to whom a War Ration Book is to be issued. Separate applications for each and every member of a Family Unit (see Instructions to Registrar) must be made by one, and only one, adult member of such Family Unit.

Local Board No. _____ County _____ State _____

Application made at _____ NAME OF SCHOOL, BUILDING, OR OTHER ADDRESS _____

Date _____ 194 _____ Book One No. _____

1. NAME, ADDRESS, AND DESCRIPTION of person to whom the book is to be issued.

LAST NAME	FIRST NAME	MIDDLE NAME
RESIDENCE OR P. O. BOX NO.	STREET OR R. F. D.	CITY OR TOWN
COUNTY	STATE	

2. (a) If the person named above IS a member of a Family Unit, state the following:

(1) Number of persons in Family Unit, including the person named above	_____
(2) The person named above is my _____	_____
(3) Total amount of white and brown sugar in any form which is owned by the Family Unit or its members	_____ lbs.

(b) If the person named above IS NOT a member of a Family Unit, state the total amount of white and brown sugar in any form which is owned by the person named above _____ lbs.

3. Number of War Ration Stamps to be removed from War Ration Book One (upon the basis of information stated above): "IF MAKE WHITE BOOK" _____

OPA Form No. R-301 U. S. GOVERNMENT PRINTING OFFICE 16-50550-1 (Continued on reverse side)

1,030 Men 45 to 65 Registered Monday

More than 1,000 persons between the ages of 44 and 65 registered for possible service in some character of war work Monday in the five registration centers of Lynn County. The exact figure was 1,030, but 61 of these are from other counties and will be transferred to those counties, according to members of the selective service board. At least a few will be transferred into this county from other counties, however.

It is not expected that it will ever be necessary for any of these registrants to engage in actual warfare, but there are some who, on account of their training in certain lines of work, may be called upon some time to assist in that kind of employment.

There were five registration points in the county, Tahoka, O'Donnell, Wilson, New Home, and Draw. Registrations at these points were as follows: Tahoka, 469; O'Donnell, 250; Wilson, 129; New Home, 113; Draw, 87.

In the registration that was held throughout the United States on February 16, 1942, there were about 796 Lynn County registrants, but after transfers into and out of the county were completed, the number remaining was about 722, according to members of the board.

Recognition Is Given Students

Approximately 125 students of the Tahoka schools were honored at a recognition program held in the Tahoka High School auditorium on Wednesday afternoon from 4 to 5 o'clock. Among those honored included those having high scholastic records, leaders in student activities, and those who won places on the athletic teams during the year.

County Attorney Calloway Huffaker made the address of the occasion. Many patrons of the school attended the program.

P. T. A. TO HOLD FINAL MEETING WEDNESDAY

The Parent-Teachers Association of Tahoka will have its final meeting at 4:00 p. m. next Wednesday in the High School Auditorium, at which time the newly-elected officers will be installed.

Also, a report of the annual district convention held recently will be given.

All members and visitors are urged to attend.—Mrs. Fred McGinty, president.

C. T. Oliver, who was so critically injured in an automobile accident a few weeks ago and whose hips and lower limbs are incased in a plaster cast, is said to be improving most satisfactorily now.

Directions Given Tahokans On Monday's Registration

Important announcement to all people living in Tahoka Independent School District:

Registration will be done in the Tahoka Grade School Gymnasium Monday, May 4, from 8 a. m. till 9 p. m.

If all will follow the few simple instructions listed below, it will simplify matters for all and the job will be done quickly, quietly, and efficiently.

1. Do not take valuable time in questioning the registrar about how much sugar you are to be allowed. This is registration only. Your buying instructions will come at a later date.

2. Come for registration as early in the day as you possibly can. One person can only register a certain number per day. School will be dismissed for one day, Monday. Those who do not register Monday are liable to have to stand in line at a later date for there will not be as many registrars on duty thereafter.

3. Any member of the family, who is over 18 years of age, can register for the entire family.

4. Every person living in the Tahoka (Continued on Back Page)

Free Immunization Against Smallpox

Immunizations against smallpox will be available to all people of Lynn county free of charge next Wednesday, Dr. J. W. Sinclair, Lynn county chairman of Health and Emergency Medical Service, Office of Civilian Defense, announces.

Hours for giving the immunizations will be 9 to 12 a. m. and 2 to 5 p. m. Wednesday only. Doctors are co-operating with the Government in the project as a defense and health measure, and the service is available to everyone from one year of age up. This is not for indigent people only, but for everyone, Dr. Sinclair states.

Later on, immunization from other diseases such as diphtheria and possibly typhoid will be available. Citizens are invited and urged to be at the county court room in the court house between the above hours next Wednesday for this service.

Redwine Girl Wins Place At Canyon

Juanita Williams of Redwine won second place in the Ready Writers contest of the Regional Interscholastic meet held at West Texas State College in Canyon last week end.

Due to the heavy rains, athletic events were postponed until this week end.

Erna Lee Jackson, ten-year-old daughter of Mr. and Mrs. Loyd Jackson of Route 2, was brought home from a Slaton hospital last Friday, having undergone an appendectomy there on the previous Friday. Dr. E. Froh of Tahoka Clinic did the surgical work.

C. G. Welcher, who was recently induced into the army, is now stationed at Gardner Field, Taft, Calif., according to relatives here. Like many of the other soldier boys, he is enjoying the News while in the service.

I hereby make application to the Office of Price Administration, an agency of the United States Government, for the issuance to the person whose name, address, and description are set forth above, of War Ration Book One and all War Ration Books hereafter issued for which the person named above becomes eligible under Rationing Regulations. I hereby certify that I have authority to make this application on behalf of the person named above, that no other application for a War Ration Book has been made by or on behalf of such person, and that the statements made above are true to the best of my knowledge and belief.

Section 35 (A) of the United States Criminal Code makes it a criminal offense, punishable by a maximum of ten years' imprisonment, \$10,000 fine, or both, to make a false statement or representation to any Department or Agency of the United States as to any matter within the jurisdiction of any Department or Agency of the United States.

I hereby certify that I have witnessed the Applicant's signature and that War Ration Book One, bearing the above number, has been delivered to the Applicant with the above-stated number of stamps removed.

(This space reserved for later entry by Local Board or Applicant)

The undersigned hereby certifies to the Office of Price Administration that he received the following War Ration Books on the dates indicated below or on the back hereof, and that with each receipt he reaffirms the truth of the statements in the foregoing application.

Date	Book No.	Serial No.	Signature of Applicant

All Families Must Register If They Expect Sugar

Registration of all citizens for the sugar rationing allotment will be held in Lynn County next Monday, as it will over all the nation, W. O. Thomas, chairman of the Lynn County Rationing Board, announces.

Registration will be in the school building of the district in which each family lives, and some member of each family who is over 18 years of age must fill out an application for a War Ration Book similar to one shown elsewhere on this page of The News.

Mr. Thomas suggests that where possible the wife should file the application.

Until the war emergency is over, no one may buy sugar unless he has a ration book.

School teachers have been designated to handle this registration and since much work is involved, all the schools of the county are expected to dismiss on Monday. Registration may extend through Tuesday, Wednesday, and Thursday, but since teachers must go ahead with their school work, everyone is urged to sign application for ration books on Monday except in emergency.

Also, elsewhere on this page are instructions from Supt. Hanes on registration of Tahoka school district people, and Mr. Thomas states that similar rules apply in all the school districts of the county.

Band Praised At Amarillo Contest

The Tahoka High School band, composed of forty-six students from the Grade and High schools, turned in a very creditable record for its last week's participation in the annual state competition held at Amarillo.

The band received a second division rating, comparable to a grade of eighty-five to ninety-three, on all three parts of the contest; namely, concert, sight reading, and marching.

The field marching drew quite a hand from the judges and people of Amarillo. We quote from the Amarillo News in describing the marching maneuvers: "Tahoka came through with the most unusual stunt of the evening. After preliminary marching, the band divided into two units—the Axis and the United States camps. Droning of airplanes and a sham battle in which the United States levelled the Axis was over in a few minutes with the Swastika and Rising Sun bowing. Color bearers for this band also exhibited the Texas Republic flag."

Soloists and ensembles played for judging last Thursday. The saxophone quartet composed of Winston Redwine, Gene Earl Knight, Euella Dollins, and Dorothy Day received a second division rating, as did Carl Griffing Jr., clarinet soloist, and Joan Edwards, also playing a clarinet solo.

The trip as a whole was very satisfactory and was accomplished in spite of an acute transportation problem. The Band Parents furnished cars; twelve cars in all making the trip.

Quota Exceeded In Navy Relief Drive

Citizens of Lynn County have raised the quota for the county in the drive for funds made for the relief of needy families of men serving in the Navy, the Marines, and the Coast Guard, according to reports reaching the county chairman here.

Lynn County's quota was placed at \$300.00, and a little more than that sum appears to have been raised. However, any who may wish to contribute may do so yet.

A full report will be given next week.

New Questionnaire To Feb. Registrants

Members of the Lynn County Selective Service Board, consisting of Judge J. W. Elliott, Marshall Stewart, and B. W. Baker, in session several days this week, are preparing to mail occupational questionnaires next week to every person in Lynn County who registered for possible military service on Feb. 16, 1942.

They desire to call attention to the fact that great care must be used by registrants in filling in these questionnaires. An error made in filling out the same may cause much annoyance and put the registrant to considerable additional trouble. Therefore they suggest that if a registrant has any doubt whatever as to how any portion of his questionnaire should be filled out, he should call upon some member of the County Advisory Board to assist him.

A list of the members of the County Advisory Board will be enclosed with each questionnaire. Do not hesitate to call upon the members of this board to give assistance. It is the advice which Judge Elliott gives to the registrants.

Dr. Richardson To Address Seniors

Dr. R. N. Richardson of Hardin-Simmons University, Abilene, will give the commencement address to 1942 Tahoka High School Seniors, Principal Hope Haynes announced Wednesday.

Complete program of the end-of-school exercises will be released next week, in all probability.

Approximately 45 boys and girls are expected to graduate.

New Plan For Air Corps Enlistees

A new officers training plan has been announced by the Army Air forces for 100,000 men 18 to 26, inclusive, full information on which those interested can get by calling at the U. S. Army recruiting office or the Aviation Cadet examining board, both in the Federal building, Lubbock, according to W. E. (Happy) Smith, local postmaster.

Qualifications have been greatly modified in this branch now, and high school students and even men in other walks of life who have not completed formal education, either married or single, in good physical condition, may pass examination for training. Those accepted, will be paid \$75 per month while training and will be given opportunity to try for an officer's commission within eight months.

Mrs. Harley Wells of Seminole is here visiting her parents, Mr. and Mrs. C. B. Keltner.

Ex-Students Hold Annual Banquet

The Ex-Students Association of the Tahoka High school gave a banquet in honor of the members of the Senior Class in the school gymnasium last Friday night, with about seventy-five or eighty persons present.

Harley Henderson, president of the association, started proceedings by delivering a brief but appropriate welcome address and then introduced W. E. (Happy) Smith as toastmaster for the occasion, who functioned in his usual inimitable manner.

Mrs. Mabel (Fred) McGinty was the principal speaker of the evening, and her address is reported to have been unique and most enjoyable.

Happy Smith and Burnett Smith gave a kind of skit giving the low-down on what the pupils of the Tahoka High school were thinking about away back when their names were on the rolls.

The program was interspersed with musical numbers. Miss Bonnie Jean Clark gave a piano solo. Misses Myrna Dean Gaignat, Mary Beth and Peggy Fenton rendered a vocal trio, and Misses Billyjo Cowan and Helenjo Rogers gave a duet.

MRS. RAY WEATHERS UNDERGOES SURGERY

Mrs. Ray Weathers underwent a major operation in the Dupre Hospital in Levelland on Wednesday of last week. Latest reports from the hospital are to the effect that she is recovering satisfactorily.

Mr. and Mrs. Weathers have a daughter residing there, Mrs. "Bill" Sewell, and he receives frequent reports as to his wife's condition and goes over every two or three days.

Miss Ina Faye Minor, who is employed in Lubbock, spent several days here visiting her parents, Mr. and Mrs. H. R. Minor of Midway. She will return to her work the last of this week.

Taylor's Funeral Last Thursday

Mr. and Mrs. A. M. Cade, Mr. and Mrs. Randolph Rutherford, and Mr. and Mrs. John Tippitt returned on Friday of last week from Friona where they attended funeral services conducted in the Methodist Church Thursday afternoon for Mrs. Cade's aged father, Mr. George W. Taylor, who died at his old home there at 10:00 o'clock Tuesday night.

Services were conducted by the aged man's pastor, Rev. Mr. Hill, assisted by the Baptist pastor.

For six months preceding his death, Mr. Taylor had been in the Cade home here rather seriously ill most of the time. Just three weeks prior to his death he was taken back to his old home at Friona in accordance with his own wishes and spent the last three weeks of his life in the home that he had owned for more than thirty years. His son, George C. Taylor, and family, resided with him in the old home.

Mr. Taylor left surviving him two sons and two daughters; George C. Taylor of Friona, Mrs. Laura G. Shoop of Payette, Idaho, Ward Taylor of New Virginia, Iowa, and Mrs. Aubra Cade of Tahoka. Also surviving are ten grandchildren and three great-grandchildren.

Mr. Taylor was a native of Indiana, having been born in that

Robert Spikes At Randolph Field

Randolph Field, April 30.—Aviation Cadet Robert F. Spikes, 20, son of Mr. and Mrs. R. H. Spikes of Tahoka, is one of 78 Texans from 54 Texas towns in the current class in basic flight training here at the "West Point of the Air," Randolph Field.

On leaving here, these Texans will go to one of several advanced schools, all in Texas, to fly still more complex airplanes and study more complex courses. Upon successful completion of their advanced work, they will be graduated as flying officers.

Spikes was a mechanical engineering student at Texas Tech. He took his primary flight training at Chickasha, Oklahoma.

Homan Edwards, son of Mr. and Mrs. Marcus Edwards, is here from California this week on a furlough from the army, visiting his parents. Homan first enlisted in the army in 1935 and served for three years. During two years of that time he was in the Philippines. Being honorably discharged at the end of three years, he re-enlisted in 1939, since which time he has been stationed at various places in the United States.

Mrs. Inez Knight went to Waco, Tuesday with her uncle, A. W. Edwards. From Waco Mr. and Mrs. Edwards and Mrs. Knight expected to go to St. Petersburg, Fla.

Mrs. Paul Anderson returned Wednesday from a two weeks visit with her mother at Bowie.

state on February 3, 1852, and he was therefore just past 90 years of age. He came to Texas when a mere lad but later went back to the North and was married in Illinois to Miss Lydia Ann Shoop on March 29, 1881. In 1909, he and family removed to Friona, Parmer County, Texas, where he established the home in which he died. His wife died at Friona on March 24, 1933.

He had spent much time with the Cade family here since the death of his companion and formed many warm friendships here.

He was a kindly, good, much-beloved Christian gentleman, having been a member of the Methodist Church since the early years of his life and a life-long member of the Masonic order.

Roy Stephens Is In Shanghai, Japs Say

Al N. Lehman, Home Service Chairman of the Lynn County Chapter of the American Red Cross received a letter from Red Cross headquarters in Washington, D. C., Thursday morning as follows:

"My dear Mr. Lehman: We have just received a cablegram from the International Red Cross Committee which includes the following information concerning Mr. Roy Stephens: 'According to information received (from) Japanese Red Cross, Roy Stephens prisoner Shanghai.'

"Kindly transmit this message to your inquirer. Yours very truly, (Miss) Annie H. Lockett, Director Inquiry Service."

Stephens was captured by the Japs when Wake Island fell into their hands.

INFANT IS BURIED

The remains of little Edna Jane Davis, born to Mr. and Mrs. Howard Davis of Grassland after its death, in a Lubbock hospital at three o'clock Wednesday afternoon, were buried in Grassland cemetery Thursday morning after services in Harris Funeral Chapel. Funeral services were in charge of Rev. Frank Thomas, pastor of the Central Baptist Church, and Rev. D. W. Reed of Grassland.

Survivors besides the parents include the grandparents, Mr. and Mrs. W. M. Davis of Grassland, Mr. and Mrs. W. C. McKenzie of Hagerman, N. M., and several uncles and aunts.

DURHAM'S ATTENDING DENTAL CONVENTION

Dr. and Mrs. K. R. Durham and the Doctor's office nurse, Miss Loree Reese, are in San Antonio this week, where the Doctor and Miss Reese are attending the convention of the Texas State Dental Society, while Mrs. Durham is seeing the sights.

Dr. Durham writes that he will be back in his office Saturday.

Carson Smith of New Home, brother of Truett Smith and Mrs. Beulah Pridmore of Tahoka, became seriously ill with a peculiar malady last Saturday and for a few days his condition seemed critical. Then he began to improve, and his condition now seems to be much better.

Sylvester Reese Joins The Navy

Sylvester Reese, son of Mr. and Mrs. J. L. Reese of this city, who has been advertising solicitor for the Robstown Record for the past year, has joined the Navy, according to members of the family here, and left Robstown for Norfolk, Virginia, last Saturday.

Sylvester was employed in the News office for several years, then attended Texas Tech, where he received both his B. A. and his M. A. degrees, working himself up to the position of foreman of the Tech printing establishment in the meantime.

SURPRISE BIRTHDAY PARTY

The friends of Mrs. R. E. Lee chose her forty-seventh birthday for an occasion to honor her with a surprise visit and gift shower, according to information given the News.

After the gifts were opened, sandwiches, cake and coffee were served and a social hour was enjoyed. Those present included Mr. and Mrs. Newt Steel and family, Mr. and Mrs. E. J. Spoles and family, Mrs. Jessie Young, Eural (Shorty) Lee and wife, J. R. Lee, Misses Juanita Lee, Margaret Justice and Johnnie Wilson.

CARD OF THANKS

We desire to express our appreciation of the many kindnesses shown us and our father, George W. Taylor, during the months that he was sick in our home. The delicate foods that were brought in for his enjoyment from time to time and the flowers that friends so frequently brought to him were always highly appreciated by him. We sincerely thank you all.—Mr. and Mrs. Aubra Cade.

Mrs. A. P. Sanders of Draw, who has been a patient in the Abel Sanatorium suffering from some sort of rheumatic trouble the past four or five weeks, is said to be showing much improvement and it is hoped that she will be able to return to her home Saturday or Sunday.

Neglect May Invite Pyorrhea

An astringent and antiseptic that must please the user or Druggists return money if first bottle of "LETO'S" fails to satisfy.

B-PW Entertained By Mrs. Gaignat

Honoring the Business and Professional Women's Club, Mrs. D. W. Gaignat entertained with an eight o'clock dinner in her home last Friday evening. The dinner plate featured fried chicken with all accessories. The Rumpus Room, where the dinner was served, was tastefully decorated with home grown flowers, beautiful varicolored pansters forming the table centerpiece.

Fun provoking games followed the dinner.

Visitors present were Meses. G. M. Stewart, E. H. Boulloun, and W. V. McElroy. Members attending included Meses. Lois Daniel, Helen Eubank, Lenore M. Tunnell, Gladys Stokes, Inez Knight, and Misses Ellen Nixon, Hattie Server, Viola Ellis

and Misses Claire Ruth Nichols and Florence Gary of O'Donnell, and the hostess, Mrs. Gaignat.

S. K. Holmes of Fort Blanding, Fla., came in Sunday to spend a few days with his wife and children in the home of her parents, Mr. and Mrs. D. H. Goodnough.

J. L. Reese, who has been ill, is able to be down town again.

REV. J. C. ALLEN OF GRASSLAND WILL SUPPLY NAZARENE PULPIT

Rev. J. L. Lawrence, who has been pastor of the Church of the Nazarene here for the past two years, has accepted a call to the pastorate at McLean in the north Panhandle, and has moved to that field of service.

Rev. J. C. Allen of Grassland will have charge as supply pastor here until a regular pastor can be secured; and he and the church extend a cordial invitation to the people of Tahoka to attend the services of this church while he has charge.

He has announced his subjects for Sunday, May 3, as follows: 12:00 noon, "Rapture of the Saints and the Marriage Supper of the Lamb." Evening Service: "Signs of the Coming of the Son of Man, and the End of this Age."

COLORED METHODISTS TO OBSERVE FLAG DAY

Rev. T. A. Amos, pastor, and the members of the Colored M. E. Church of Tahoka are planning an elaborate program to be given at the Colored Methodist Church here next Sunday, beginning at three o'clock in the afternoon, of a highly patriotic as well as a religious nature.

The program will consist of songs, addresses, the raising of the flag of our country, and possibly other numbers. Both white and colored speakers will appear on the program.

After the singing of "America" by the congregation, Rev. J. R. Robertson will give the invocation. Davis Washington will give a short talk.

Judge B. P. Maddox has accepted an invitation to speak on "What We Mean by Democrat."

Rev. T. E. Belvin will discuss "The Condition of Our People in This Country."

W. E. (Happy) Smith will talk on "The Flags of the U. S."

An offering will be taken and it is announced that one-fourth of the same will go for National Defense. The pastor hopes that fifty dollars may be raised.

The white people of Tahoka and vicinity are cordially invited to attend.

E. N. Humphries of Whiteflat, father of Mrs. G. H. Pettigrew, had a heart attack Sunday at his home. Mr. Humphries is 76 years old.

MISSION STUDY INSTITUTE

Attending the all-day Mission Study Institute at Wilson last Friday were the following from Tahoka, Mmes. Garland Pennington, Cornelia Kelly, V. A. Botkin, Coy Fielder and little Miss Phyllis Anne Fielder, Mrs. E. I. Hill and Mr. and Mrs. Melvin Rathel.

Mrs. R. L. Brown, State Mission Study Chairman, conducted an interesting program on Cuba, having just returned from a visit to the Mission work there.

Ropesville W. M. U. was awarded the attendance banner.

The last national election of the Republic of Texas resulted in the election of Anson Jones, in 1846.

PRESBYTERIAN CHURCH

Regular First Sunday services at the Presbyterian Church next Sunday, May 3. Dr. W. E. Gray, the pastor, will preach both morning and evening.

The Bible Class will be held at 11 o'clock. Preaching service at 12, topic of sermon: "Soul Security." The evening service will be at 8. Sermon: "Friendship With God." The public is cordially invited to worship with us.

CARD OF THANKS

To our many, many friends and neighbors: We want to thank you sincerely for all your thoughtfulness and kindness to us following my accident.

Your flowers, cards, and words of encouragement will ever be cherished by us. Again we say, "Thank You." — Mr. and Mrs. C. T. Oliver, Charles Oliver, Mr. and Mrs. John Brock.

CARD OF THANKS

I wish to thank my neighbors and friends of Lynn County for the many kindnesses they have shown me since I have been in the hospital. Their thoughtfulness and their tokens of esteem will be treasured up in my heart through the years to come. Gratefully, Mrs. John Berry.

WILSON H. D. CLUB HEARS DISCUSSION ON POULTRY

The Wilson Home Demonstration Club met with Mrs. Bill McLaughlin Wednesday, April 22, with ten members present.

Miss Maurine McNatt discussed poultry feeding and diseases. The next meeting will be at the home of Mrs. B. W. Baker. — Reporter.

Wilson Edwards of New Home and Waco left for the latter city Tuesday morning, saying that he was merely going by that city to pick up the finest woman in the world to go fishing with him; said she was a good cook, too, for he had been trying her out for more than forty years. Mr. Edwards had been here looking after business matters.

Mr. and Mrs. Arthur King and son, J. C., of Portales, New Mexico, and Mr. and Mrs. H. G. Walker of Clovis were here Sunday and Monday visiting Mr. and Mrs. J. Harvey King of Dixie and other relatives.

Joe E. McAllister Will Get "Wings"

Joe E. McAllister, 24, son of Mr. and Mrs. G. B. McAllister of the Petty community, has completed his basic flight training at Moffett Field, California, and within two months he will become a pilot in the U. S. Army, according to information given to the News from the Army Air Base at Chico, Calif.

McAllister began his army flight training at Santa Maria, Calif., where he received primary instruction on light aircraft. At Moffett Field, he has completed basic training on heavier planes, and had

learned cross-country, formation and night flying. Upon completing his training in the advanced flying school, he will receive his "wings" as a second lieutenant in the U. S. Army Air Forces.

McAllister is a graduate of Lamesa High school and an ex-student of Texas Tech.

Congratulations--

To Mr. and Mrs. Harold Snowden, the parents of fine little youngster, Harris Wayne, their first born, who arrived Monday morning at 11.45. He weighed 8 3-4 pounds.

ROBERTSONS ARE LEAVING TAHOKA

W. O. Robertson has resigned his position as funeral director at the Harris Funeral Home and as clerk at the W. M. Harris store here to accept a position as chief clerk in the post office at Mount Pleasant, where he and family formerly lived.

Mr. Robertson took the civil service examination for the position seven years ago while living there, and he received his call for service just last week.

He came here to take his position with Mr. Harris in August, 1938, and he and his family have made many friends here who regret their decision to leave.

Miss Edith, a daughter, is to receive her degree at the Texas Technological College at the close of this term, and Mrs. Robertson will remain here until that time, when they will join Mr. Robertson at Mount Pleasant.

Mr. Robertson left for that city Monday night.

Rev. J. Paul King and wife, of Bakersburg, Okla., visited his parents, Mr. and Mrs. J. O. King, in the Dixie community last week. Paul is a graduate of the Tahoka High school and later studied for the ministry of the Methodist Church. He now has two charges at and near Bakersburg. Sorry he didn't find time to call at the News office while here.

Mr. and Mrs. W. E. Tyndall and daughter, Carolyn, and son, Bobby, of Nashville, Ark., last week end visited Miss Ethel Calahan. They also visited a son, Billie, who is in the Air Corps school at Stamford.

Miss Bernice Edwards is visiting relatives and friends in San Antonio this week, having gone down with Dr. and Mrs. K. R. Durham, who are attending the convention of the Texas State Dental Society.

Mr. Jim Banister is in Oklahoma City this week visiting his sons, Roy and Cloman, and also a sister who lives in that city. He also expected to visit two brothers in Foard County.

Pvt. Carmon Morgan of Fort Leonard, Mo., recently paid a brief visit with his parents, Mr. and Mrs. J. E. Morgan, of the Garnolia community.

We have been for President Roosevelt one hundred per cent in his foreign policy and in the conduct of this war except as to his attitude regarding organized labor. He is calling upon the whole American people to put all they have or can spare into this war effort and to make all necessary sacrifices to win the war—except members of the labor unions. He is not asking them to work one hour longer or to relinquish one lot of the higher rate of pay which they receive for over-time work. They are being asked for nothing except the investment of their spare dollars in war bonds and stamps. A limit may be placed, we are warned, upon the price a farmer may receive for his farm products. The business man, small or great, is not protected and does not expect to be protected against loss by reason of the war. All of us are willing and some are anxious to sacrifice to the limit to win this war. But we feel that the highly-paid union-laborer man should also be willing to make sacrifices; and that if he is not willing to do so he should be required to do so. We can not appreciate the fact that our President seems determined to continue to pet and to pamper this one class of our citizenship to the exclusion of all other classes. But even though he does it, we are determined to do our full part in the winning of this war. We

must win it, and we are going to win it, because we think that it is supremely important that we do win it. We will try to take care of the labor unions further on down the line after this war is over.

We don't know whether the destructiveness of the RAF air offensive being conducted by the British against the munitions and industrial plants, airplane factories, railway yards and stations, shipping docks, and other vital manufacturing and industrial works in Germany is being overdrawn in the reports from London or not, but evidently the British Royal Air Force is now getting in the most effective work it has been able to do since Germany started the war. It is being powerfully aided in its assaults by the use of big American-built bombers and other American-built fighting craft. Many American-built planes, we may well believe, are also being used by the Russians. America is just now beginning to catch her stride in the manufacture of this powerful fighting equipment. It is a pity that we didn't begin in dead earnest at least a year earlier. This war may run on into 1943, but we are going to be so strong in the air and on the sea and on the land by this time next year that the Germans and the Japs will be compelled to see that they don't have a ghost of a show to win this war. Hitler is already talking to his people like a desperate man.

If matters should continue to go worse and worse for Hitler on the Russian front as the summer approaches, he may soon start a peace offensive. We do not believe that the Russians, as long as they continue to win, will consider any kind of a peace except one that would virtually disarm Germany; and it is to be hoped that Great Britain and the United States will not listen to any kind of proposal for peace until Germany is thoroughly whipped, becomes willing to restore the governments of conquered peoples back into their own hands, and to do all in her power to make restitution to them for the terrible havoc that she has wrought among these peoples and upon their lands. An outlaw nation must be conquered and rendered powerless to do further harm to her neighbors before she can be allowed to end a war that she began of her own volition and without just provocation. Germany this time must be thoroughly whipped.

In a radio broadcast Sunday, Donald Nelson, war production chief, reminded the people who might be listening that this country is supplying war-production goods not only for America but also for England, Russia, and China. All of which is well known; and while we sometimes wonder what goes with all the warplanes and tanks and other war equipment being manufactured in this country we should remember that a part of it is helping the Russians to win their fight against the Germans, a part is helping the British to smash German munitions factories and other war industries, and a part of it is helping the Chinese to fight their battles against the Japs. We hope that soon we can be turning it out so fast as to be able to supply General MacArthur and Admiral Nimitz with all the equipment they need with which to drive those Japanese rats back into their holes in the land of the rising sun.

If it ever comes to the point where the Government is as good to the common farm hand as it is to union labor, the cotton raiser will either be compelled to get about 30 cents for his cotton or go out of business. Yet, if the so-called skilled laborer is entitled to \$12.00 to \$20.00 for eight hours work, the farm hand ought to be entitled to at least half that much. The difference is this, that the farm laborers are not organized and do not possess political power. The A.F.L.'s and C.I.O.'s—well, they usually get what they go after.

Political Announcements

- The following announce their candidacy for public office, subject to action of the Democratic primary:
- For Chief Justice, Court of Civil Appeals, 7th District:** J. ROSS BELL of Childress Co.

 - For Commissioner, Prec't. 4:** LEON JENNINGS (re-election) C. H. (Claude) REAGAN
 - For Justice of the Peace, Prec't. 1:** P. D. SERVER

News reports received up to this time, which is the early part of the week, indicate that the allies are making satisfactory progress in their war effort everywhere except in Burma. The Japs keep on gaining there and it looks as if the whole country is to finally come under their domination. All their assaults on Australia have been successfully warded off. On the other hand, the allied air forces have frequently bombed with telling effect the air bases of the Japs in that part of the world. Just as soon as a sufficient number of flying fort-

resses, big bombers and fighting aircraft are received, General MacArthur promises an all-out offensive against the Japs which will drive them back out of the Dutch East Indies, out of the Philippines, and out of the other small islands in the Pacific now held by them. Hurry up, boys, and get those bombers built.

As if he did not already have as much power as any one man should have in any kind of emergency, Adolf Hitler asked the German Reichstag Sunday to give him absolute power of life and death over every person in Germany—unrestrained by any court or legislative body or any authority whatsoever; and the power was granted to him without a whimper of protest. Hitler seems to have most of the people of Germany located and the rest of them thoroughly intimidated. They all seem willing to give to him anything and everything he asks or are afraid not to do so. And, because he can not ultimately win, he is rapidly leading them to destruction. But a people who will submit to such a dictatorship and to the demands of so infamous a scoundrel as he, can not complain at any fate to which he leads them.

They are talking of putting a ceiling on the price of cotton. We know one way they can keep the price down: turn the farmers loose and let 'em plant as much as they please and raise all they can. And that would create jobs for lots of men who have been out of employment.

Some farmers are beginning already to plant their crops. Many no doubt will have their planters in the fields next week if the weather permits. Prospects for good crops this year are excellent at the present time. Here's hoping that these prospects bloom into fruition.

In summer pastures when grass is dry and dormant, lespedeza increases total yield from 25 to 100 per cent.

When a Child Needs a Laxative

Your child should like this tasty liquid laxative and you should like the gentle way it usually wakes up a youngster's lazy intestines when given by the simple directions. SYRUP OF BLACK-DRAUGHT contains the same principal ingredient which has enabled its older brother BLACK-DRAUGHT to give so many users such satisfying relief for so many years! Perhaps that's why it usually gives a child such refreshing relief when the familiar symptoms indicate a laxative is needed. SYRUP OF BLACK-DRAUGHT comes in 2 sizes. The introductory size is 25c; the economy size is 50c.

NEW HOME H. D. CLUB STUDIES POULTRY RAISING
The women's H. D. Club of New Home met Tuesday, April 21, with Mrs. Glenn Allsup, who was elected our council delegate.

Our Home Demonstration Agent gave us a demonstration on the care of poultry and feed mixtures, which was very interesting.

Year books for the club were issued to the members.

An interesting fact stated by Miss McNatt was that Lynn County produced \$300,000 worth of eggs last year.

Refreshments were served to the following: Mesdames Barney Mayfield, Arvil Lee Hilton, Clyde Ashcraft Jr., Aubrey Smith, Odus Mayfield, Charles Armontrout, Donald Caudie, and E. R. Blakney Jr.—Reporter.

ODDS and ENDS

by Eee Eye, the Elder

This war is bringing the islands of the Southwest Pacific into the front-page headlines of the newspapers nearly every day — the Philippines, Java and Celebes and New Guinea, New Britain, New Caledonia, and occasionally New Zealand, to say nothing of Australia, the largest of the islands or the smallest of the continents, whichever way you wish to regard it.

We are learning more and more about the lands and the peoples of those far-away islands; and they furnish an enchanting subject of study.

New Zealand, for instance. It lies so far away from our shores that we Americans have never tried to learn much about it and yet it is one of the most interesting countries in all the world.

New Zealand consists of two large islands and a few others so small as to be insignificant. Its area is approximately 104,000 square miles.

not quite two-fifths as large as Texas.

It lies about 1,400 statute miles southeast of Australia; 6,800 miles as the crow flies southwest of San Francisco, though it would take a bold crew to undertake to make the trip across this vast expanse of water. A ship sailing southwestward from the Panama Canal would have to cover almost 7,500 miles before steaming into port at Wellington, second largest city and capital of the country. A ship sailing from New York thence southward to and through the Panama Canal, and thence to Wellington, New Zealand, would cover a distance of 9,800 miles. If the ship should proceed onward to the great city of Sydney, Australia, as most of them do, the total distance from New York would be more than 11,000 miles.

And so, Australia, and even New Zealand, are so far away from our shores, and so very, very far away from our centers of population, that it takes a merchant vessel a long time to make the voyage, and transportation to and from those islands was comparatively light until recent weeks. Business is picking up now though, and we are becoming intensely interested in the people "down under."

While New Zealand is far away and in a remote part of the world, yet it is not as thinly inhabited as you might think. Considerably less than half as large as Texas, its population is approximately 1,600,000. And just think of it, probably ninety per cent of them are of British descent and speak the English language, even as you and I. They are of purer English stock than are the people of America.

And New Zealand is a member of the British Commonwealth of Nations, formerly the British Empire, though it is situated almost exactly on the opposite side of the globe. A hole punched straight downward from Wellington through the center of the earth and then on out would come up out of the ground somewhere in Spain.

New Zealand is just as far south of the equator, therefore, as Spain is north of it.

And that brings up something else. They have their winter there while we are having our summer here, their fall while we are having our spring. Their May corresponds to our November; and so, sailors leaving our shores now on merchant vessels bound for New Zealand or Australia will get there just about the time their winter is setting in. If they start back along about July or August, they will probably do so with their long-handles on; but we guess they will shed them and don the lightest they have long before they get back to America.

Some of our boys who have recently left this country for the Southwest Pacific are now doubtless looking into the northern skies instead of the southern to see the noonday sun. And their "northerners" down these will all blow from the south. While we up here are baking or stewing in our homes and stores and workshops next July, they will probably be digging out of a snow-storm down there. And next January, our soldier boys down in Australia or New Zealand, if they haven't already gone north in pursuit of the fleeing Japs, will likely be sitting under some huge palm-tree fanning themselves with palm-leaf fans, or strolling off to the beaches whenever they get half a chance to watch the bathing beauties of the South Seas, while the north wind will be whistling through our whiskers up here in Texas.

New Zealand is another of those great sheep countries. Her principal

But how do I do it?

UNTIL PEACE COMES WITH VICTORY no motor cars will roll from the assembly lines which once produced more than 5,000,000 automobiles a year.

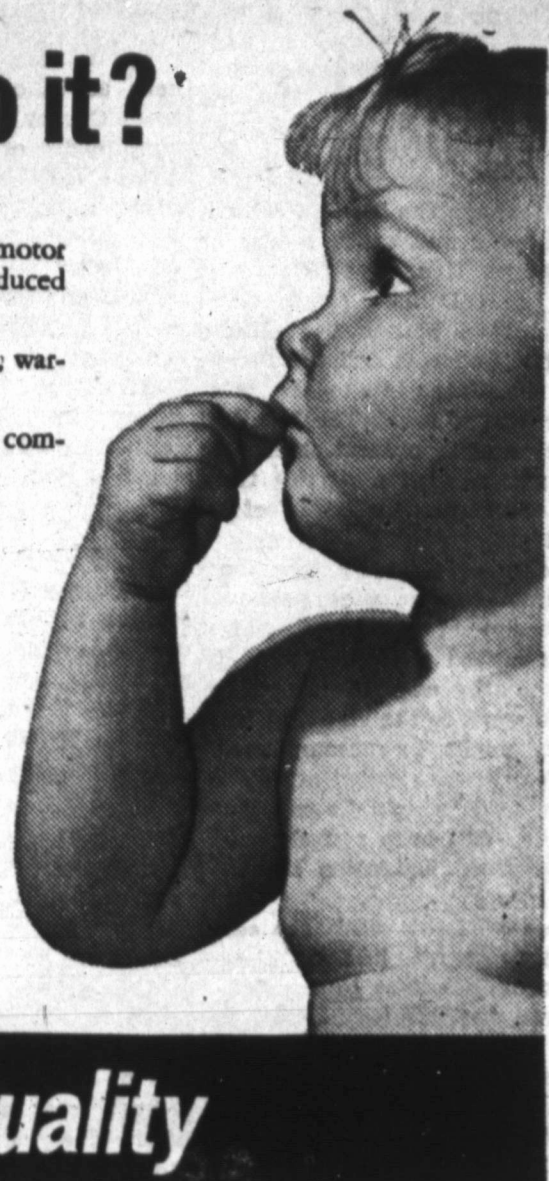

This is brought home to every car owner the vital; wartime necessity of making his car last longer.

If you are puzzled as to just what steps to take; a complete answer is ready and waiting for you at any Phillips 66 Service Station. There you will find a free folder, "Ten Patriotic Precautions for Good Citizens and Good Drivers" . . . published by Phillips in the interest of National Welfare. Also trained men to tell you what the Phillips Plan can do to help make your car last longer.

The heart of your car is the motor. Its care is of first importance. So keep the following facts in mind when you are deciding which oil to use:

The famous Phillips organization makes a complete and frank statement which does away with all doubt, if you want our best oil. Without hedging, without reservation, we say that Phillips 66 Motor Oil is our finest quality . . . the highest grade and greatest value . . . among all the oils we offer.

For seasonal or for the regular 1,000-mile change, play safe and save by asking for Phillips 66 Motor Oil.

Play Safe and Ride On LEE TIRES

product is wool. Next to that is beef cattle and dairy products. They raise a little wheat and oats and other grains but they have very little for export. They have eight or ten times as much pasture land as agriculture land.

The New Zealand housewife looks after Biddy pretty well too. They raise a lot of chickens in that country, and poultry and eggs constitute another source of income. A produce man might do pretty well over in Wellington or Auckland.

The greatest enemy to the sheep is not the coyote or the timber wolf, but a bird that lurks in the mountains of South Island. When hungry it will attack a full grown sheep and kill it for the fat around the kidneys.

Strange to say, originally there were neither snakes nor rabbits in New Zealand. There may be a few snakes now but not many, but constant war has to be made on the rabbits. Here is the strange story: In 1859 two rabbits, a male and a female, were introduced into New Zealand from England. They were permitted to multiply, until within a few years they had become a destructive pest. So serious had their ravages upon the succulent grasses become that within twenty years from the time that the original pair was brought from England literally millions of acres of sheep lands had to be abandoned. Then the government got busy. Warfare was made upon the rabbits. Hundreds of miles of rabbit-proof wire fences were built, and we guess the citizens staged innumerable rabbit drives, as we do in West Texas. But it took years and years to get the pests under control. In 1893, when the fight upon them was at its height,

seventeen million rabbit skins were exported. It was officially stated. They are plentiful enough yet, and continued warfare must be made upon them.

If the Japs could increase one-hundredth as fast as those cotton-tails do, we guess they would wipe up New Zealand some morning before breakfast.

While the average width of New Zealand from seashore to seashore is only 120 miles, yet it has some high mountains and magnificent mountain scenery. The tallest of the mountains rise to a height of more than 12,000 feet. It has one active volcano, the smoke from whose crater sometimes darkens the heavens for many miles around and above its crest.

There must be some real estate agents over in New Zealand who have been getting in their work, for although the rainfall varies from a few inches annually in some localities to a hundred inches on some of the western mountain slopes, the information has been broadcast that New Zealand is a land of sunshine, being more sunny than Italy itself; and although it stretches north and south for a distance of a thousand miles, its climate generally is mild and even-tempered.

We don't happen to have the names or addresses of any real estate firms on the islands, however, and if any of our people are thinking of moving over to New Zealand, better get in touch with Deen Nowlin or J. B. Nance. If J. B. has any oil leases over there, though, he hasn't said anything to us about it yet; but you'd better watch the classified ad columns in this great weekly newspaper.

Well, more about N. Z. some other time — there is a lot more about it.

Mrs. Jeanette Brock, the daughter of Mr. and Mrs. C. T. Oliver, and her two children, who have been here since her father was so seriously injured in an automobile accident a few weeks ago, left for their home at San Diego, Calif., Wednesday morning in company with Mr. and Mrs. Cope. Mr. Cope, who is also employed there, came recently for his wife, who remained here when he first went out there a few weeks ago.

Morgan Noble has been at home for several days on leave from the Army awaiting call to the Air Corps,

to which branch of the service he was recently transferred.

STATED MEETINGS of Tahoka Lodge No. 1041 the first Tuesday night in each month at 7:30. Members urged to attend. Visitors welcome.
JACK WELCH, W. M.
H. L. RODDY, Secretary.

Uncle Sam asks us to Hoard Coal Now

Coal is one thing the Government definitely wants us to hoard this spring and summer

- We are asked to buy coal now, if we are coal users, (1) to protect ourselves against a possible coal shortage next winter, and (2) to help make more freight cars available then for moving vital war material. Spreading coal shipments over a longer period than usual will do just that.
- Most folks wait until the last minute to order their winter's coal supply. Many millions of tons of coal must then be moved by rail in a very short time. Next winter's

war needs and the tire shortage will put the greatest load on the railroads in their history. War freight must move first, and those who wait too long to order their coal may not be able to get prompt delivery when they need it.

● So we repeat Uncle Sam's friendly warning to us all. If you use coal, get in your winter coal supply now, in the off season, when transportation is available. You'll help yourself and also help win this war.

AT YOUR SERVICE—subject always to war demands, Santa Fe is maintaining regular and efficient freight and passenger transportation vital to your community. Turn to your Santa Fe Agent for information about it.

Tahoka Rotary's Petition Reaches The President

Some time ago the Tahoka Rotary Club approved and ordered sent to our Senators, Hon. Tom Connally and W. Lee O'Daniel, and to Congressman Geo. Mahon, a petition praying the Congress and the President of the United States to take necessary action to abolish the 40-hour week and to prevent strikes in war industries, with a request that the communication be laid before the President.

Both of our Senators and our Congressman in due time acknowledged receipt of the communications and replied that they were in hearty sympathy with the proposals and would work to the end that this legislation might be accomplished. All of them in fact called attention to their records which showed that already they had been actively supporting proposed legislation to that effect.

On Monday of this week, the editor of this paper, who had sent these Rotary communications to our Senators and our Representative in Congress, accompanied by personal letters, received an additional communication from Senator Tom Connally in which he enclosed the following acknowledgement, received, by him from the Secretary of the President.

The White House, Washington, April 17, 1942.

My dear Senator Connally:

This will acknowledge the re-

EDGAR HAYS LEASES LOCKNEY BEACON

Edgar Hays will be remembered here as Linotype operator for the Lynn County News for a year or so some eight or ten years ago. For several years he has been connected with a newspaper at Luling and then went to Overton for a few months.

Recently he leased the Lockney Beacon and took charge of the plant as editor and publisher about two weeks ago.

Mr. Hays is a most excellent young man and is capable of producing an excellent newspaper. We welcome him back to the Plains.

Receipt, by your reference, of the letter addressed to you by Mr. E. I. Hill, of Tahoka, Texas. You may be sure that your courtesy in its transmittal is appreciated.

Very Sincerely Yours,
L. H. McIntyre,
Secretary to the President.

It will be seen from this communication that Senator Connally saw to it that the Communication of the Tahoka Rotary Club reached the desk of the President; and his action in this regard is genuinely appreciated, of course, by the Club.

Repeated statements of the position of the President regarding the 40-hour week and anti-strike legislation given out through the press and broadcast over the radio indicate, however, that there has been no change of attitude on his part respecting these matters. He does not favor abolition of the 40-hour week and he does not believe that anti-strike legislation is necessary.

FLORENCE-VEACH WEDDING

The First Baptist Church of New Home was the scene of a beautiful wedding Sunday evening, April 26, at 6 o'clock, when Staff Sergeant Willie Z. Florence of Camp Bowie, Brownwood, son of Mr. and Mrs. W. Z. Florence of Draw, and Miss Reva Veach, daughter of Mr. and Mrs. J. C. Veach of New Home, were united in marriage. Rev. Collins Webo, pastor of the church, officiated, using the single ring ceremony, before an altar of bridal wreath, iris, fern and geranium.

The bride, given in marriage by her father, was lovely in a white chiffon gown with finger-tip veil held in place with white sweet peas. Her bouquet was white gladiolas.

Miss Marie Veach, sister of the bride, was maid of honor. She wore pink chiffon and carried a bouquet of bridal wreath and sweet peas.

The bridesmaids were Miss Thelma Ruth Strain and Miss Kathleen House of Lubbock, who also wore pink chiffon and carried bouquets of bridal wreath and sweet peas. J. B. Florence, of Draw, brother of the groom, served as best man. Connally Unfred and Gene Smith of New Home were ushers.

Preceding the ceremony, Mrs. Ben McGhee of Lockney sang "I Love You Truly," accompanied at the piano by Mrs. Henry Heck of New Home, who played the traditional wedding march by Lohengrin. During the ceremony and recessional Mrs. Heck played "The Flower Song" and "Ah, Sweet Mystery of Life."

Immediately after the ceremony, a reception, was given at the home of the bride's parents. After the bride cut the two-tiered cake, Mrs. Joe Unfred and Mrs. Loyd R. McCormick presided at the punch bowl and served cake to about 70 guests.

Out-of-town guests were: Mr. and Mrs. W. Z. Florence Sr. and Mayme John, Mr. and Mrs. Zan Hensley and Robert Neal, Mr. and Mrs. C. Johnson, Mr. R. L. Pirtle, Mr. and Mrs. Julian Pirtle, all of Draw; Mrs. C. B. Evans, Mrs. Willis Pennington, Billy Wayne and Nan Bess and Mary Ruth Hargett, of near Tahoka; Mrs. Garland Pennington and Rae Fern of Tahoka; Mr. and Mrs. J. H. Veach of Post; Miss Ruby McKibben of Lubbock; and Mr. and Mrs. J. M. Williams and Shirley McGhee of Lockney.

Mrs. Florence attended Texas Tech and taught school at Providence near Lockney the past year. Sergeant Florence is a former student of Howard Payne College at Brownwood.

For her traveling suit, Mrs. Florence chose a navy blue ensemble with olive drab accessories.

After a short trip to New Mexico and the Carlsbad Cavern, the couple will be at home in Brownwood.

CARD OF THANKS

Our Golden Wedding to us was indeed a great occasion, and will be a bright spot in memory many years to come. Amid the tangled mass of string and wrapping some of the cards on gifts were misplaced. Should any not have had a card of thanks we regret very much as it is an oversight with us. If such be the case, we still would like to have their card to place among those we have in safe keeping. We cherish them as keep sakes. Though the gift perish and wear away, we desire the memory of the giver unto the "children's children." — Mr. and Mrs. J. H. Wyatt and children.

HOME FROM WASHINGTON

Miss Adina Morgan, daughter of Mr. and Mrs. J. E. Morgan of Garbolia, arrived Saturday from Washington, D. C., for a surprise visit with her parents. Her brother, Curtis, met her at Amarillo that morning and brought her to Tahoka without her parents knowing that she was coming. Miss Adina is employed in the War Department, and was allowed to come home on a sixteen day vacation. She states that the War Department is certainly a beehive of activity these days.

The last shot of the Civil War was shot in the Texas Lower Valley in May, 1865.

Thousands of Chicks Saved From Death

That's what happens when chicks are protected from bowel trouble, thousands are saved. Checking germ growth in the digestive tract and medicating the digestive tract are a big help in preventing bowel trouble, and that's just what Dr. Salsbury's Phen-O-Sal does; its double duty. Start your chicks on Phen-O-Sal.

EASTERN STAR ATTENDS PROGRAM AT O'DONNELL

Headed by the Worthy Matron, Mrs. Annie Hanes, Worthy Patron, C. H. Cain, and other officers, a delegation of local Eastern Star members attended the Annual Memorial Program of the O'Donnell chapter Monday evening.

Those going from Tahoka praised the beautiful ceremony and the hospitality of the O'Donnell chapter, which is presided over by Mrs. Alta Line, Worthy Matron, and Jeff Shook, Worthy Patron.

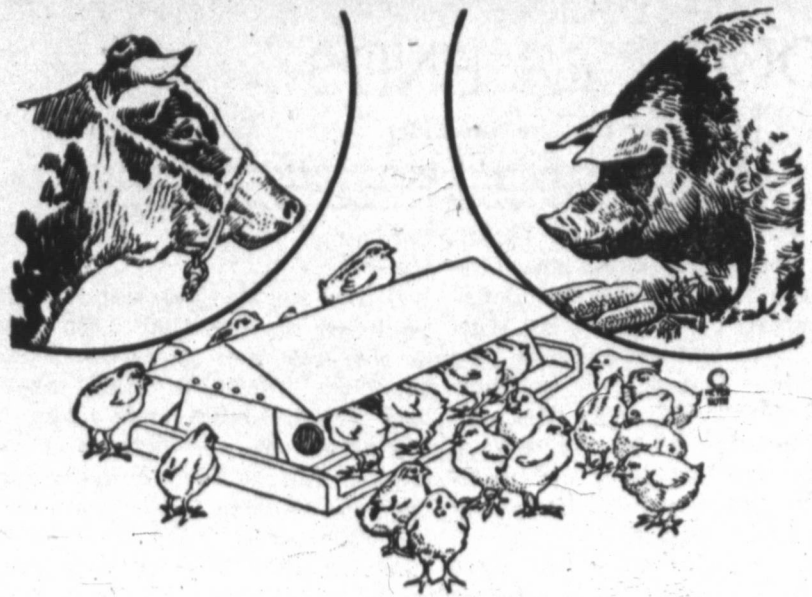

The following Tahoka members, in addition to the W. M. and W. P., attended: Mmes. R. C. Forrester, H. L. Roddy, C. H. Cain, W. M. Harris, Marvin Wood, C. B. Keltner, W. T. Clinton, L. O. Mitchell, and Borden Davis.

ATTENDS SUGAR LOAF MEET

Mr. and Mrs. L. C. Haney had as their guests Sunday his mother, Mrs. W. D. Haney, and his brother and wife, Mr. and Mrs. Hark Haney, all of Roscoe. Lum says that his mother attended the farewell meeting of the Sugar Loaf Methodist Church on the line of Bell and Coryell Counties mentioned in this paper last week. Both the living and the dead are being removed from the community to make room for the largest army camp in the world. Mrs. Haney's parents, Lum's grandparents, were among the dead, whose remains were to be moved by army engineers to another burial ground. The cemetery was started almost a hundred years ago, and the Methodist Church, which was dissolved, had been in existence almost as long.

The condition of Mrs. Ward Eakin, who underwent an operation in a Dallas hospital two weeks ago upon one of her limbs, is said to be improving more rapidly than was first expected and she will probably be brought home within a few days. Mr. Eakin's father, who was stricken with heart trouble at his home near Pioneer while Ward was with his wife in Dallas, remains in a serious condition.

J. D. Smith, father of A. L. Smith, who became critically ill suddenly a few weeks ago and remained in serious condition for some time, is now able to be up and left Monday to visit around with his brothers and other relatives near Floydada and other points in West Texas.

Mr. Farmer — you're a general now — in command of a vital force. Its members may never man a cannon, pilot a plane, or steer a ship; but they will produce the food that will give those fighting men the strength, the hardiness, the alertness they must have, to fight to win! You command land, livestock, poultry. Keep 'em producing. You command tractors, tillers, plows and reapers. Keep 'em rolling. So not a moment's time . . . not a grain of produce will be lost from the storehouse of Victory.

What You Can Build

Under The New Government Building Order

REPAIRS AND MAINTENANCE

There are NO RESTRICTIONS on repairs and maintenance.

"REPAIRS" means the restoring to sound working condition of any building structure after wear or damage, but without changing the design.

"MAINTENANCE" means the upkeep of a building; structure; or project in sound working condition, without any change in design of structure.

Thus, anyone may do any repair or maintenance they desire on any existing building structures. This includes homes; farm or ranch buildings; store buildings; factories; theatres; warehouses; schools or other public buildings, etc. It includes all fencing, walks, out-buildings and appurtenances to such buildings or projects.

NEW CONSTRUCTION

"NEW CONSTRUCTION" includes, not only homes, ranch and farm buildings and improvements, commercial structures, etc., but also additions to or design changes in any existing structures of any type.

For Farmers and Ranchers

For Home Owners, City and Rural

For Business Concerns

Any farmer or rancher can make additions to, or build new, any individual building, structure, project or improvement (other than his home) costing less than \$1000. Each individual project must cost less than \$1000 in any 12 month period. (But remember, repairs and maintenance are unlimited.)

Construction of a new home or additions and design changes in existing homes must cost less than \$500 in any 12 month period. This applies to farm, ranch, and city homes. But "Defense Housing" is unrestricted. (But remember, repairs and maintenance are unlimited. This includes paint, wall paper, roof replacements, etc.)

Any industrial, commercial, or recreational business institution can add to, or build new, any structure or improvement costing less than \$5000 in any 12 month period. This same applies to schools and public institutions. (But remember, repairs and maintenance are unlimited.)

Residential Replacement

Residences damaged or destroyed by fire, flood, earthquake, storm, act of God or the public enemy since December 31, 1941, can be completely replaced. This applies to both city and rural homes.

Special Permits

Application for a Special Permit may be made by anyone desiring to make additions to existing structures or to build new ones where the cost is above the limits set forth above. Sufficient cause must be shown.

Cicero Smith Lumber Co.

CARL OWENS, Manager

Happy Smith Is Rotary Speaker

W. E. (Happy) Smith, owner of the Orange Crush Bottling Co., told fellow-Rotarians many interesting facts about the bottling business and the local firm, in particular, at Thursday's Rotary luncheon.

He revealed that products of the local firm were distributed in eighteen counties, employed ten men, and gave other facts which were convincing evidence of the value of this industry to the town.

Carl Owens reported on the financial set-up of the local Boy Scout troop for the past year.

For a bit of fun, program chairman Frank George called on Elmore Boydston, A. L. Smith, Boyd Smith, and Eldon Gattis for a vocal quartet number, and the boys cheerfully responded and were given a mingling of cheers and boos.

The president appointed H. B. McCord, J. L. Heare, Elmore Boydston, Boyd Smith, and Frank George to act as a committee in charge of serving refreshments to the Defense Guard Monday night.

Rev. Geo. Dale, who has been absent because of illness the past few months, was given a hearty welcome back to the club meetings.

An announcement received this week from Kelly Field states that Woodrow Brewer of Route 3, Tahoka, who enlisted in the air corps at Lubbock some time ago and who was afterwards transferred to Kelly Field, had been promoted to the rank of Sergeant. He has been assigned to duty as an electrician. He is married, his wife being Mrs. Virgene Brewer.

Frank Williams of Grassland, who is taking treatments in the Nichols Sanatorium at Savannah, Missouri, is reported to be doing well and is expected to be able to return home Sunday or Monday, according to reports coming from Grassland. Many friends are wishing complete and speedy recovery.

Shaffer's Laundry

TO GUARD COTTON PROFIT
—plant CERESAN-TREATED seed!

This season, don't waste money, time and labor on cottonseed that won't produce a good stand and paying yield. Go on the defensive against seed-borne diseases right now by planting only CERESAN-treated seed! Texas Agricultural Experiment Station, reporting on tests, says, "Machine delinting plus treatment with . . . Ceresan gave highest increases in germination and yield." Ceresan generally reduces seed rotting, soreskin, surface seed-borne anthracnose and angular leaf spot; helps protect early-planted seed in unfavorable weather; usually improves stands to save replanting; commonly increases yields, often 10 to 25%. Treat your own seed, or buy seed marked with the Ceresan Certificate Tag.

TREAT OTHER SEEDS, TOO! Use Semesan Jr. for corn; New Improved Ceresan for small grains; Semesan for vegetables; Semesan Bel for potatoes.

Mrs. J. L. Turner Dies In California

Mrs. Nettie Jane Turner, 40, wife of J. L. Turner and daughter of Mr. and Mrs. J. Harvey King of the Dixie community, died in a hospital in Bakersfield, California, last Saturday, following a long period of ill health, but news of her death came as a great surprise to relatives here.

The body was brought to Portales, New Mexico, where other relatives reside, and was to be buried in Mt. Zion Cemetery near that place sometime this week, probably on Wednesday afternoon.

Mrs. Turner was a resident of this county for a number of years she said her husband removing from this state about fifteen years ago. Surviving her are the husband and four children, the oldest being about 11 years of age.

Other survivors are her parents, Mr. and Mrs. J. Harvey King of this county; four brothers, Arthur, Bill, and J. B., of Portales, and Elmer Lee of Fort Worth; and three sisters, Mrs. H. G. Walker of Clovis, N. M., Mrs. Florence Pinkley of Amarillo, and Mrs. Irene Haney of Fort Worth. One sister died in infancy.

Nettie Jane King was born in Beckham County, Oklahoma, in 1901. She removed with her parents to Lynn County in the latter part of December, 1912. She grew to womanhood here and was married to J. L. Turner in this county in 1924, and they resided for a few years near New Home. Then they moved to New Mexico, and have since resided in Arizona and California.

Mrs. Turner united with the Baptist Church as a girl in 1914 and has lived a devoted Christian life. Relatives and friends in this county deeply deplore her untimely death and sincerely sympathize with the bereaved parents, husband, children.

HONORED ON BIRTHDAY
The farm home of Mr. and Mrs. H. A. Roberts of Grassland was the scene of an enjoyable day when the children and friends gathered to celebrate Mrs. Roberts' 58th birthday.

Best wishes were made by all guests as Mrs. Roberts blew out the 58 candles which decorated the cake. Those enjoying the chicken dinner were the children and their families, Messrs. and Mesdames C. W. Roberts and H. H. Roberts and children, Grassland, Miss Jewell Roberts of Tahoka, Mrs. Mildred Peabworth and son, John Gray, of Grassland; Miss Margeline and Elbert Roberts, grandchildren, also of Grassland; and friends, Mrs. T. C. Edwards, Mr. and Mrs. Claude James and children, J. B. Thompson of Grassland, and Mr. and Mrs. John B. Curry and son of Tahoka. Two sons and a daughter were unable to attend.

Mr. and Mrs. Truett Smith and Mrs. Smith's mother, Mrs. J. K. Hunt of Claude, arrived back in Tahoka Monday night after having witnessed the ceremonies at Luke Field, Arizona, on Friday of last week in which Mrs. Smith's brother, Walter Hunt, was awarded his "wings." He was ordered to the army base at Tallahassee, Florida, to begin active service for Uncle Sam.

H. F. Lindley this week received a letter from his son, Dee Howell Lindley, who is now in the Navy, too late for us to publish this week; but Dee Howell is on a ship out of New York—could not say where he was going nor how long he would be gone. But he assured his mother and dad that he was going to "win the war."

Mr. and Mrs. W. C. McKinzie and little son were here from Hagerman, N. M., Thursday attending the funeral of the infant of their daughter and son-in-law, Mr. and Mrs. Howard Davis. Mrs. Davis is the former Rosa McKinzie. The McKinzie's formerly lived here.

Spring Football Game Wednesday

Ending Spring training, Coach Leo Jackson will afford the public an opportunity to view next fall's football prospects Wednesday night of next week when the 1942 Bulldogs will play a team made up of Seniors, and ex-students.

The band will be on hand to perform between halves, and a regulation game is promised as a climax to a month's spring training. Prior to the game a backfield and a line captain will be selected by the boys for the 1942 season and the new captains will serve in the game.

There have been 33 boys working out this spring, among them 12 first-rate lettermen from last season's club. They are: Ends, Jim Bob Curry, 165, E. L. Short, 150; tackles, Bill Woods, 165, Bill Bar-

ham, 150; guards, Leonard Wardlaw, 150; W. C. Harvick, 145, Eual Akin, 160; center, Leland Mitchell, 145; backs, "Sonny" Roberts, 150; Robert Harvick, 160, G. W. White, 145, Dwain McClintock, 155.

Much time has been spent this spring in trying to develop some first rate material to go with the lettermen. Quite a few boys are up from the Junior year and show prospects of becoming good ball players. They are: Ends, Edward Bartley, 160, Ovid Luallin, 135, and Othell Meeks, 145; tackles Dan Curry, 201; Gene Knight, 167; Johnny Allen, 165, Noble Rumbo, 160; guards, Robert Macha, 155; Blair Ramsey, 145, and A. J. Minor, 130; centers, Bo Cruce, 140, W. T. Hines, 130, James Bobavoset, 135, Laoun Caraway, 145; backs, Wayland Hughes, 150, Charles Reed, 140, Billy Knight, 135, Derwood McClintock, 120, Kenneth Carter, 125, J. T. Ellis, 125; and John Bigham, 115.

Congratulations--

Mr. and Mrs. J. B. Warren of Tahoka, Route 3, on the birth of an eight pound, ten ounce son, born at nine o'clock Wednesday morning. He will be called John B. Warren.

Sergeant Shelton K. Holmes of Camp Blanding, Fla., is here this week visiting with his wife and her parents, Mr. and Mrs. D. H. Good-nough.

Edwards . . .

(Continued from page one)
has remained the property of themselves and families ever since.

The Fort Worth ranch, which consisted of 10,000 or 12,000 acres, had also belonged to them for many years, having been acquired by the elder Edwards, in fact, before Crawford was born. Crawford had been looking after that ranch principally in recent years, and he had not been a frequent visitor here, though his father, during his life, spent much of his time here.

Crawford was educated in Weatherford College. He was a careful and conservative business man, and was well known here and in Fort Worth and among the cattlemen of the entire state.

Rationing . . .

(Continued from page one)
hoka Independent School District must register at the Tahoka Gym regardless of whether he registered last Monday for his business or not. This is for all consumers.

5. All registration must be done at the Grade School Gymnasium.

6. There are over 3000 people to be registered. Please leave the building immediately when you have registered. Do not stand around and visit. This is a big job and we want to get it done as quickly and efficiently as possible.

We know we can depend on every person to co-operate and we thank you now for your co-operation. We also appreciate the people who have volunteered to help us—there are 20 or 30 of you and we know we could have gotten more. The co-operation we have already received in the past week makes us appreciate Tahoka Independent School District, more than ever before.—W. T. HANES.
