Number 10.

Tahoka Students Get In Scrap Metal

Lynn County's Scrap Metal Crop Hits 1,000,000 Lbs.

Though totals on the amount of scrap metal collected in Lynn county in the current drives is lacking, there seems little doubt but that this county's contribution is now well over the 1,000,000 pound mark.

Tahoka school children last week gathered nearly 150,000 pounds, or 75 tons of scrap, of which the High School students collected 90,000 pounds Thursday afternoon.

W. G. Forgy and Dr. J. M. Burbary report that O'Donnell school children have gathered a total of 130,000 pounds of scrap, or 260 pounds per student, and that about 475,000 have been handled by the junk dealers in that town, including that gathered by the school children, since last May.

In addition, about nine or ten tons have been donated to the Red Cross and USO pen on the court house square in the past three weeks. School children at Grassland had gathered about four or five tons, and Dixie school children had gathered an undetermined amount.

Up until the current school and newspaper drive, Lynn county had gathered, about 600,000 pounds, or 300 tons. It is estimated by J. K. Applewhite, county salvage chairman.

County Judge Connolly requests that those wishing to donate their scrap metal bring it to the pen on the north side of the square.

D. W. Gaigant has been appointed county results chairman and is attempting to compute figures on the county's scrap sales. Individuals and organization which have delivered scrap either in Lynn county or to dealers elsewhere, are asked to report such deliveries to him.

Other schools and organizations, as well as individuals, are urged to join the drive to get in the scrap. Drives so far have had the cooperation of the Lynn County Salvage Committee, the War Board, the filling stations and gins, and a few schools.

Paxton Will Pay Rotarians Visit

District Governor Chas. Paxton of Sweetwater will visit the Tahoka Rotary Club next Thursday at noon, President Truett Smith announced at Thursday's meeting of the club. Mr. Paxton, an oil refiner, is one of West Texas' most outstanding citizens, long a leader in Boy Scout and Rotary Club activities, and is a popular public speaker.

Thursday's program consisted of two talks by Rotarian on professions other than their own, Tom Garrard speaking on the school profession, and Frank Hill on the medical profession. Mr. Garrard made an excellent address in which he called for more interest in the public schools from the citizens and predicted that

Victory Concert Series Started

Typifying a day in the Army, Thursday night set the stage for the first Victory concert in Tahoka. Entitled "A Day With Uncle Sam," the entertainment was given in cooperation with a nation-wide patriotic program, and it was under the direction of Miss Mary Eleanor King, band director for the school.

The program was as follows: "Bugle Call"—Reveille by Bobby Raye Fuitts.

Pledge of Allegiance to the Flag—by the audience.

"Star Spangled Banner"—Played by the Band and sung by the audience. The Band members are: Carl Griffing, Savannah Lou Tunnell, Virginia Roddy, Pat Hill, Billy Travis

(Continued on last page)

REV. ARTHUR E. BROWN
Pastor, Assembly of God Church
Rev. Brown comes here from Crane, Tex. Their son, Le Moynes, 14, is in his first year at the high school. Bro. Brown is greatly interested in civic work, and his hobby is music. He is anxious to make his acquaintance with Tahoka folk, get settled, and feel at home, he says.

Pioneer Citizen, H. C. Smith, Dies

Another Lynn County pioneer lost the battle for life with the Grim Reaper, Death, when on last Friday afternoon at 1:30 o'clock, H. C. Smith, 75, died of a heart ailment at his home in North Tahoka.

Funeral services were conducted at the Tahoka Methodist Church at 3:30 o'clock Saturday afternoon by Rev. H. A. Nichols, pastor of the church, assisted by Rev. George A. Dale, pastor of the Baptist Church, after which the remains were interred in Tahoka cemetery.

Hesekiah Calvin Smith, who was born in McMinn County, Tennessee, April 21, 1867, had lived for some

Former Teacher Is Jap Prisoner

The name of Morris E. Day, Army Chaplain, was listed among about 200 names of Jap prisoners appearing in Tuesday's daily papers. They were a small number of many held at Tarlac prison camp outside of Manila, Philippine Islands.

Day, whose father, Rev. R. E. Day, was well known in this section while pastoring the First Baptist Church in Big Spring, is well known in Lynn County. He and Mrs. Day taught the West Point school from 1932 to 1934, and he served as pastor to the Baptist congregation there.

Leaving here, Day entered the Army as a chaplain and was stationed for a while in San Antonio, later going on to some of the island possessions of the United States. His last station was in the Philippines, from whence Mrs. Day returned to the U. S. A. in June, 1941, when the government asked that the wives of Army men return.

The list of names included that of Gen. Jonathan M. Wainright, taken at the fall of Corregidor.

Mrs. A. H. McGonagill Hospital Technician

Mrs. A. H. McGonagill, formerly a nurse in the offices of Dr. J. W. Sinclair, is now assistant technician at Rusk State Hospital, her sister-in-law, Mrs. Gladys M. Stokes, informs The News.

Mrs. McGonagill's husband is a member of the Seabees, U. S. Naval construction force.

F. A. Wyatt Opens New Grain Elevator

F. A. Wyatt announces this week the opening of a newly equipped grain elevator.

The new elevator is located on the Santa Fe tracks, convenient to farm customers.

Hail And Rains Damage Crop In Much Of County

Hail and torrential rains late Wednesday did much damage to Lynn county crops, principally in the west and northwest part of the county. Damage was especially heavy in the West Point and Dixie communities.

Hail may have damaged crops in other communities, but only meager reports were available to The News Thursday morning. Some hail fell east and southeast of Tahoka, but no material damage was reported.

Though Tahoka received only .09 of an inch of rain, a downpour fell over much of the county. Northwest of town roads were under water in many places.

Among those in the west part of the county who received damage were A. D. Schaffner, who estimated his damage at about 35 percent, Ethan Bartley, C. T. Tankersley, Terry Noble, Tom Hale, and Claude Wells. Unfortunately, this area has felt victim to bad hailstorms nearly every year the past three or four years.

Among those at Dixie receiving damage were the A. J. Kaddata farm, E. R. Tunnell, N. S. Price, Buell Draper, W. J. Benson, and others. Some of these farms were likewise haled out last year.

Extent of the damage to cotton is a little hard to estimate, County Agent Don Turner says. However, the opinion is that there is even more damage to the staple than there is actual loss in cotton, although there is much cotton on the ground that can not be salvaged.

Local Men Enter Army Air Corps

Ten Lynn County young men have enlisted in the Army as Air Corps Specialists, according to Major W. W. McCollom of the Lubbock Recruiting and Induction office.

Nine of the men are listed as being from Tahoka. They are: Henry Harter Kieberg, J. E. Fleming, Willie Kermit Brown, Preston Foy Buchanan, William Polk Chancey, Glenn Howard Boydston, Dexter Robert Dunagan, Olin Ray Harper, and John Ross Kirkwood.

The tenth man, Weldon Harris Smith, is from O'Donnell.

Air Forces Technical Recruiters Coming

Recruiters for the Army Air Forces will be in Tahoka Saturday and Monday, Oct. 17-19, at the office of Justice of the Peace F. D. Server in the court house, to interview men interested in enlisting in the Air Forces to become aviation mechanics and technicians.

The recruiters coming here are from the Lubbock Army Flying School.

Three Sherrod Boys Are In Service

Staff Sergeant Herman R. Sherrod, who is a glider pilot with the Flying Commandos, en route from training at Spencer, Iowa, to Randolph Field, San Antonio, accompanied by his wife, spent a few days here this week visiting his parents, Mr. and Mrs. Ray Sherrod.

Mr. and Mrs. Sherrod have two other sons in the service, the youngest son, Pvt. Harold Sherrod, being at a Marine Corps base at San Diego, while Pvt. Lawrence Edward, who recently enlisted, is stationed at the Lubbock Air Base.

Rufus Yvarra Herrera of Tahoka was to leave today (Friday) for Dallas for his final physical examinations before entering the Naval Reserve as a ship cook. Herrera expects to be stationed at Davisville, R. I. for several weeks.

School children of Tahoka, O'Donnell, Grassland, Dixie, and possibly other communities of the county, have done a fine job during the past week in getting in the scrap metal, a fine example for their parents to follow. Every bit of scrap is needed in this war for America's survival.

R. J. Riley Dies In Arkansas

Mr. and Mrs. Gene Riley of the Wells community were called to Van Buren, Ark., Tuesday by the death on Monday night of his father, R. J. Riley, 72. Funeral services were to have been held Wednesday at Alma, Ark.

The deceased was known to many Lynn county people, he having made his home with his son at Wells a part of the time. In fact, he was preparing to come out for a visit when he was suddenly stricken with some fatal ailment, supposedly a heart attack Monday.

Mr. Riley's former home was in Webber Falls, Okla.

General Election Absentee Voting

Those desiring to vote an absentee ballot in the forthcoming general election, may now do so at the office of the county clerk, County Judge Chester Connolly announces.

In addition to the election of national, state, district, county, and precinct officers, there are five important constitutional amendments to be voted upon by the qualified voters.

Nominees from the Democratic, Republican, and People's Union party are on the ballot.

Lt. Elwayne Nevill Is Made Instructor

Lt. and Mrs. K. Elwayne Nevill were here visiting his parents, Mr. and Mrs. Jodie Nevill, over the week end.

Friends here will be glad to know that since graduating from the Bombardier School in Midland last month when he was commissioned a Second Lieutenant, Elwayne has been made an instructor at Concho Field, San Angelo. Mrs. Nevill, who is employed in Lubbock, is giving up her work this week and they will make their home in San Angelo.

Weathers Guests At Army Air Base

Mr. and Mrs. R. P. Weathers were guests at a dinner at Lubbock Army Air Base and the following program at Texas Tech stadium Monday afternoon and night honoring about 300 enlisted men of the base who expect to be transferred to the Pacific Northwest some time soon.

Their son, Corp. David Weathers, is one of the group to be transferred.

Employment Man Is Stationed In Tahoka

A. B. Taylor of the U. S. Employment Service has been stationed in Tahoka to work with Lynn county farmers through the fall season.

His principal work is in the placing of cotton pickers.

Cotton Ginnings Reach 3,035 Bales

Tahoka cotton ginnings for the 1942 season totaled 3,035 bales up to 2 p. m. Thursday, a gain of 1,556 bales since last Thursday.

This would indicate that approximately 12,000 to 13,000 bales have already been ginned in Lynn county. The government census, taken by E. W. Holloway, shows that on Oct. 1, there had been 2,215 bales ginned in the county, as compared with 157 on the same date last year.

Rains Wednesday and earlier in the week and the hail Wednesday night cut down the production and the grade to some extent, but this year's crop may yet be the second largest the county has ever raised. Farmers are still harvesting feed, and grain dealers here are doing a rushing business.

Though there is still a need for more pickers, the gins are being kept busy most of the time.

Bombs Made By Defense Guard

The making and use of the "Molotov Cocktail" and the "Potato Masher" Grenades were demonstrated by Capt. Don Turner at Monday night's Co. F, Texas Defense Guard, drill.

Both of these improvised weapons were developed in the recent civil war in Spain, and were used in the defense of Moscow by the Russians with marked success. They may be used by civilians and soldiers when no other weapons are available.

The "Molotov Cocktail", which has proven so effective in the destruction of tanks, may be made by the guardsmen in a very few minutes from gasoline, coal oil, or distillate, a bottle and a rag.

The potato masher grenade requires a half-stick of dynamite, a small board, small pieces of scrap iron or nails, a piece of cloth and a few feet of wire.

Monday night a few of these explosives will be tried out by members of the company.

A small crowd reported Sunday afternoon for drill, and Monday night's crowd was not up to normal, due to the fall rush.

H. B. McCord furnished the refreshments.

Draw Ginner Is Accident Victim

A. V. Pace, with Thomas Brothers gin at Draw, suffered a painful and near-serious accident at the gin on Wednesday morning of this week. While standing on the feeder trying to unchoke the burr line, he fell backward on the concrete floor and suffered fractures of both heels.

He was rushed to the local clinic for first aid and X-ray, after which he was carried to a Lubbock hospital, where both feet were put in plaster casts. He was allowed to return to his home.

Tahoka Students Gather 75 Tons Of Scrap Metal

The 650 students in Tahoka's public schools patriotically answered Uncle Sam's call for scrap materials vital to the war effort by gathering a total of 75 tons of salvage collected during the national scrap drive week set aside by the War Production Board officials.

Organized on the basis of a contest held between classes, the youngsters brought in from all parts of the county scrap iron ranging from out-of-commission Ford tractors to a freezing unit discarded by the local ice plant.

Winner of the contest in high school was the junior class, which collected a total of 24,000 pounds. Next in line came the senior class with 20,965; then the seventh grade with 17,279; the sophomores with 15,450 and the freshman with 12,195.

The winning class was awarded for its patriotism in gathering the most scrap with one-half school day to be used as a holiday to be spent in the manner decided by the class and sponsors.

The grade school contest was held in cooperation with the Junior Texas Ranger organization of which every Texas school child was made an honorary member last week by Gov. Coke R. Stevenson. Ranks were awarded to the children bringing in the most scrap, the station of four-star general being the top-notch position. A final count has not as yet been taken to determine the class winner, but a holiday will also be awarded the grade school winner.

The grade school has gathered an estimated 30 tons of scrap.

School officials were very gratified in the manner in which the school children "came through" in answering the President's plea for valuable scrap which will help win the war. To be considered was the fact that there was no incentive for personal gain which promoted cooperation in the drive, but only the pride of being able to assist the government in its time of need. This prompted the students to spend their time and energy in scouting back alleys, vacant lots, and neighboring farms and homes to "Get In The Scrap" by bringing in the scrap.

Soil Conservation Meeting At Wilson

Farmers and farm owners of Wilson and the northeast part of Lynn county will meet at Wilson school auditorium Saturday night, Oct. 24, at 8:30 o'clock, to hear explanations of the new Soil Conservation district benefits.

H. E. Mather, new Lynn county supervisor, and other members of the SCS will be present to explain the program and to receive applications from individual farmers.

John Sander, member of the county board of supervisors from the Wilson area, will be chairman of the meeting.

Miss Nettles Is Secretary of AAA

Miss Eloise Nettles, member of the Lynn county AAA office force for the past several years, is acting secretary, succeeding Derrill Henry, The News is informed.

Henry was inducted into the U. S. Army at Lubbock last week.

Miss Nettles is the daughter of Mr. and Mrs. Roy Nettles of Lakeview.

Mesdames W. L. Burleson and J. K. Applewhite were in San Antonio visiting from Friday until Monday. Mrs. Burleson visited her daughter, Billie Lee, who is attending a business school. Mrs. Applewhite visited her daughter and husband, Cadet and Mrs. Sam Privitt.

This And That . . .

Seniors feel that they are practically in college, and juniors are feeling like important seniors as they put in orders for their senior rings this week. While here, the salesman for the company contracted to sell senior rings and invitations explained that due to war production, the manufacture of class rings would be dispensed with next year, and in order to obtain them for the class of '43, the juniors would have to take a chance on passing and order their rings a year early. The only change in the standard ring will be the absence of the black stone in the center which can no longer be bought since they formerly have been imported from Europe.

After a few little misfortunes in the metal drive, the junior class was all smiles when the announcement was made by Mr. Haynes that they were the lucky winners who will at some undecided date get one-half day for a holiday. Every class is due commendation regardless of the number of pounds collected, and the student body has shown remarkable patriotism in collecting an average of 290 pounds for each student enrolled in school.

The lassies can't seem to make up their minds these days as to what adds the most allure to coiffures. Some say flowers and others say ribbons, but at any rate, perched on the top of nearly every feminine

Juniors Winners In Local Scrap Drive

"School's out for half a day!" yelled the Juniors as the announcement of the winner of the scrap drive was made Monday.

The winners brought in twelve tons of scrap metal, including an old tractor and a freezing unit from the ice plant. The Seniors placed second with ten tons of scrap; the seventh grade came in third with 17,327 pounds; with 15,430 pounds, the Sophomores won fourth; and the freshmen came in fifth, bringing in 12,995 pounds. The entire student body turned in receipts totaling 90,000 pounds, yielding around 290 pounds for each student.

Find A Hobby, B. T. Smith Advises

"Do you have a hobby? Then why not start one?" asked Mr. B. T. Smith in assembly Wednesday.

"In many instances hobbies turn into avocations and later into vocations which will reap financial rewards," stated Mr. Smith.

Advising all students who did not have a hobby to start one at once, Mr. Smith ended his talk with this statement, "Find something you really enjoy doing for a hobby and I dare say that it will mean more to you in later life than all your credits in school."

Mr. Smith has several very interesting hobbies. A few of them are: aviation, telegraphy, photography, and astronomy. He has had several pictures printed in nationally known magazines and he also enjoys doing trick photography. Mr. Smith is one of our ex-teachers and is now employed with the U. S. post office.

Pigs Are Given Lynn County Boys

"This one wins first prize, and this one is too lean," were the remarks heard last Thursday afternoon when four Sears-Roebuck pigs which are given away annually were judged here.

Agriculture boys from schools in this district wrote a theme on "Cow, Sow and Hen," the four best essays written winning a pig. Troy Bruster from Wilson won first; Joe Sweat from New Home, second; Neil White from Wilson, third; and Earl Shultz from Tahoka, fourth. The first prize winner took his pig to Lubbock for the district show. The first place winner at Lubbock will receive a registered Jersey heifer.

Tahoka agriculture boys received one Sears-Roebuck pig last year and two pigs the previous year.

Report Cards Bring Dejection To Some

"How did I get in this grade? I think I deserved more than this! What will Mom and Pop say when they see this report card?"

These were some of the expressions heard Wednesday afternoon when the students received their first six weeks grade.

The seventh grade students were given one card for all subjects while the high school students were given one card for each subject.

Grade reports are given every six weeks.

head may be found either a perky bow or a felt flower to match the Sloppy Joe.

Maxine Lindley is looking very lonesome these days since Dwan McClintock has withdrawn from school but she has a third finger-left hand reminder to remember him in case she forgets.

Report cards are out and may be safely forgotten for another five weeks. (Thank goodness!) In many cases, it will take the whole of the allotted time to get Mom and Dad in a sufficiently good humor to be ready for the ordeals again.

The seventh grade is the most under-estimated class in school — especially as far as artistic achievements are concerned. In safety and health class they have made many novel and quaint displays ranging from burned wood placards to Graham cracker houses enclosed with a front yard of vegetable foliage. What these kids (or rather teachers) won't think of next!

The Victory concert was voted a huge success by all who attended, and Miss King is to be commended for the fine showing the musical program made.

Brownfield Cubs Win Over Tahoka

Reassuring athletic directors, referees, and students of their interest in the "russle-tussle" game of football, fans from Tahoka, Brownfield, and those of other nearby towns, crowded into the Brownfield stadium to see the game between the Bulldogs and Bears.

The tilt proved to be interesting and snappy, although the final score found the Bears on the long end with a tally of 33-0.

Starting the game were: Bill Barham, E. L. Short, Leonard Wardlow, Gene Earl Knight, Bill Woods, Eual Akin, Red Harrick, James (Sonny) Roberts, Charles Reid and G. W. White.

Although there were substitutes sent in at intervals, the first string was busy most of the time. Substitutes playing an active part in the game were: Bill Ward, Hilery Mather, and Bill Knight.

Knowing that the Brownfield team's 20 man squad was in class AA, the Tahoka squad had determination to make a good impression by playing 60 minutes of hard, scrappy football.

The Brownfield squad had many senior lettermen having much football experience.

Seventh Grade Makes Health, Traffic Posters

"Stop! Look! and Listen! Or how is your health? Topics pertaining to these expressions were found on most of the posters made by the seventh grade in health the past week.

Mr. Volney Hill, teacher of Health and Safety, is having the students prepare posters and exhibits on traffic and health rules as well as making soap carved displays.

Mr. Hill stated "Some of the best posters on health were made by: Loydine Edwards, Dolores Nowlin, Barbara Jean Young and Nancy Ray Weathers. On the subject of safety, excellent displays were prepared by: W. L. Bursleson, Joan Henderson and George Maurice Small.

No prize was awarded, the best posters received only a higher grade.

Bulldogs Watch Game At Seminole

Last Friday at 12:45 saw the high school football team loading its equipment and making preparations to see the game at Seminole between the Seminole Indians and Monument high school's A-1 squad. The game was held at Seminole and the final score was 13-0, in favor of the Indians.

The football squad had special interest in this game due to the fact that the next Bulldog game is to be held with the Indians. It is a conference game and is expected to be one of the most exciting grid battles of the football season.

Starting the game will be the usual first string with substitutes to relieve them at various periods.

The complete Tahoka and Seminole rosters are not yet known.

Homemaking Girls Sell War Stamps

Patriotism extends into the Homemaking department as plans are being made by the classes for the sale of defense stamps.

A booth will be erected in the school library, and various girls from the classes will sell the stamps.

Bond and stamp speakers were elected from the senior, junior, sophomore, and freshmen classes. They were as follows: senior class, Mary Ruth Edwards; junior class, Rae Fern Pennington; sophomore class, Joy Carter and Billy Wayne Pennington; and, freshmen class, Ruby Lou Coughran and Dorothy Johnson.

Spirited Contest In Scrap Drive

(By Mary Ruth Edwards)
 "Hey! that doesn't belong to you," and "You get out of our district," were the shouts and arguments of high school pupils Thursday afternoon when the school turned en masse for the rustling of scrap iron and metal.

"Smile, stand up straight and wait until Mr. Barney Dwight has taken your picture," were the orders given when all of the students in Tahoka ward school and high school stood before the camera preceding the drive. The pupils made the formation with the first grade for the front row and the other grades arranged behind in succeeding order.

Did you say interested in gathering this scrap iron? You could have seen for yourself if you had been in town. Bicycles and little red wagons furnished transportation for many pounds of pots, pans, and milk pails.

Looking down the street, one could notice a water cooling system, an old sewing machine, or a windmill fan being hauled to the scene of action, which was the wrecking yard. On the pavement and in the roads all over the townsite lay scrap metal thrown off trailers in the rushing and scrambling to get to the wrecking yard, then to unload and start after another supply.

Trucks and more trucks as well as tractors and pick-ups ventured in the scramble to do their stuff, and from the looks of the pounds in the Junior class, a thorough job was done.

Speaking of heavy scrap metal, did you notice those "old Ford tractors" collected by the Junior and Sophomore classes? How much did they weigh? Oh, not less than two and one-half tons at the least.

If Uncle Sam wants anything done, all he has to do is put the school students in a contest, and presto, the job starts getting under way.

After looking at that Fisher Wrecking Yard, a person might wonder where all of the old scrap iron in the county had been hiding during the previous drives. If all the schools in the United States take as big a part in the scrap round-up as Tahoka high school and Tahoka ward school did, Uncle Sam would have enough bullets and guns to kill all of the Japanese in Nippon. But as students of a free American school it was our duty to gather all scrap metal available to aid the boys who have gone into the service to fight for our democratic form of living. We know it would be impossible for us to make up for the lives of those who have been killed, but we do know that each piece of scrap metal is another bullet to shoot at the Axis.

CALENDAR

The school calendar for the week of October 19 is as follows:

- Monday, Oct. 19—
- Tuesday, Oct. 20—
- Wednesday, Oct. 21—Assembly at 10:15. World Events, Supt. W. T. Hanes.
- Thursday, Oct. 22—
- Friday, Oct. 23—Football game. Seagraves, here.

Home Makers Have New Set Officers

Off with the old and on with the new was the feeling of Home Making chapter club members as new officers for the year were installed at an impressive candlelight service on Monday night.

Jimmie Lou Thomas, acting as the spirit of Home Economics, performed the installation ceremony for president, Lois Sproles; vice president, Mary Ruth Edwards; secretary, Rae Fern Pennington; recording secretary, Wilma Cruise; reporter, Joy Moore and Fay Shadden; parliamentarian, Marlene Stephens; song leader, Letha Pearl Johnson; and social chairman, Clara Faye Nordyke.

Retiring officers are: president, Lois Sproles; vice president, Ruby Greer; secretary and treasurer, Beth Sheppard; corresponding secretary, Wanda Cruise; reporter, Ruth Evans; parliamentarian, Dolly Gatzki; and song leader, Margie Sheppard.

All girls who have had at least one year of Home Economics are eligible for club membership.

Aggie Boys Study Feeding Methods

Do you know the correct amount of vitamins and minerals to put in cow feed? The boys in agriculture II can easily give you this information, since they have been studying kinds of feed and how to balance livestock rations this past week.

Trench silos have likewise proved an interesting and valuable study. When dug, they preserve the feed put in them for more than a year.

The boys enrolled in agriculture I have been studying the breeds of livestock and breeds and varieties of poultry.

Pyorrhea May Follow Neglect

Grade School Whine

"Our pile will be made into a submarine and sink fifty Jap ships." This was typical conversation among the grade school students last week.

Nearly every student in grade school got a rating during scrap week. Two students reached the top as four-child generals. Each child received a rating according to the amount of scrap he collected for his class.

All art classes are making posters and cut outs this week pertaining to safety and patriotism. Miss Anita Reddell's music classes are singing safety and patriotic songs.

The six-B class, under the supervision of Mrs. Dewey Johnson, is studying the Texas Revolution in History class. Mrs. Johnson said, "The class seems really to be interested in exploring Texas all over again."

"I'M NOT AFRAID NOW. Sometimes after eating too much I had gas pains. ADLERIKA quickly relieved me and my doctor says it's all right to use." (S. R. Minn.) Get ADLERIKA today.

BLACK-DRAUGHT

Mrs. Finch Has Unique Class Plan

(By Maxine Oliver) The third grade students, taught by Mrs. Roy Finch, find "smooth sailing" lots of fun.

As an incentive for better work, on the bulletin board Mrs. Finch has placed a large piece of cardboard with a row of ships, a row of life boats and then open sea infested with sharks.

Devoting one fourth of the north black board to a race track also brings cheers. Miles are blocked off across the board with crayon. String forms the track.

The idea is to encourage study and friendship. It also brings out the sportsman in every child, stated Mrs. Finch.

Mrs. Finch said, "I have had this plan of study in effect for two years now and have found it quite effective."

Jacquess' Squirrel Gets Tasty Foods

"Buster doesn't like to be touchy about his eating, but he has a special tooth for soda pop, pecans and apple cores."

Such was a statement made by Mr. J. W. Jacquess, high school janitor, who has a fox-squirrel for a pet.

Buster's home is a wire-pen and his sleeping quarters may be found in a small metal box.

NAN BETH PENNINGTON WILL APPEAR IN RECITAL Mrs. Marcus Edwards, teacher of music, will present her pupil, Nan Beth Pennington, in a recital next Wednesday morning at 10:15 o'clock in the High School auditorium.

JIMMY COX HERE Jimmie Cox, formerly with the Piggly Wiggly store here, but now of Athens, paid a surprise visit to his parents, Mr. and Mrs. Jarrell Cox of West Point on Monday of this week, remaining over Tuesday.

Tahoka High School's enrollment has jumped to 308. Miss Maxine Stephens is a freshman in Miss Mary Eleanor King's room.

SCRAP THE AXES!

Lieut. J. D. Stewart Writes Of Flying

(From The O'Donnell Press) Dear Folks: I've been trying to find time to write ever since I left L. C. but I've been so busy the last two or three weeks that I just didn't make it.

I will be here two more weeks as co-pilot, then graduate as a first pilot, then after another month's training I will be given a new ship and crew and head for the big show, seems like I have a date with the Axis in parts unknown, but I'll tell you one thing for sure, if a German or a Jap pursuit comes after me and my "17" they will think they grabbed a "wildcat" in the (tall anyway). We really have plenty of protection and plenty of guns.

Well, I am about to run down and I should be listening to this lecture (I'm in ground school). So if you want to know anything else just write and ask me—write anyway.

Mr. and Mrs. W. E. Hammonds of the South Ward community received word this week that their son, Willie B. Hammonds, who entered the armed services on August 4, 1942, as an aviation mechanic, had "landed safely" on October 9.

Billie Rowland spent last week end with her parents, Mr. and Mrs. W. W. Rowland. She is employed as a secretary and priorities clerk in the Quartermaster Depot at Camp Berkeley, Abilene.

Mrs. Boyce Evans of Wichita Falls came Wednesday to visit with her and her husband's parents, Mr. and Mrs. H. O. Hargett and Mr. and Mrs. C. B. Evans.

Misses Hattie Server, Helen House, Ellen Nixon and Florence King of Lubbock visited friends and relatives at Sheppard Field near Wichita Falls, Sunday.

Lieut. L. T. Barksdale and wife of Goodfellow Field, San Angelo, spent Tuesday night visiting Mr. and Mrs. W. T. Hanes.

Lignite, of which Texas produces an appreciable quantity, is found in a broad band stretching across Texas approximately from Laredo on the Rio Grande to Texarkana on the northeastern border.

Texas accounts for more than 40 per cent of the natural gas produced in the United States.

It is estimated that there are approximately eight million tons of coal available for mining in Texas.

Gas companies of Texas employ almost 11,000 persons.

Carvie I. Tew Gets Gunnery Awards

Carvie I. Tew of Camp, Carson Colorado Springs, Colo., was here last week end visiting his parents at Glassland.

Tew, who has only been at Camp Carson since July 21, is already wearing both the anti-tank gun sharpshooter medal and the automatic rifle medal, awarded for unusual ability with these weapons.

Chas. Schulz returned home a few days ago from Hillsboro, where he had been for about three weeks at the bedside of his father. He left his father some improved, but not out of danger.

Mr. and Mrs. John Evans made a trip to Fort Worth and vicinity recently. They visited their son and his wife, Mr. and Mrs. E. S. Evans, and also visited Mrs. Evans' mother.

THRETT-GREGORY

Thursday morning at 10:00 Mr. Bruce Gregory and Miss Dorothy Thrett exchanged the marriage vows in the home of Garnie Atkisson, Minister of the Church of Christ.

Mrs. M. E. Hays of Wells has had as recent visitors her granddaughter, and husband, Mr. and Mrs. John Lee Hanson and their little son Johnny, from Donna, Texas.

Mrs. Lee Holden and little son Edward came over from Rochester last Friday and are spending this week with their parents and grandparents, Mr. and Mrs. O. L. Kidwell.

Mrs. W. D. Smith Sr. returned last Saturday from a two weeks visit with her sisters at Hillsboro and Dallas.

CARD OF THANKS

We extend heartfelt thanks to the many friends and neighbors for their thoughtfulness and the many kind deeds and words tendered us during the illness and at the death of our beloved husband and father, H. C. Smith.

Lt. James C. Womack of Jefferson Barracks, Mo., is here spending a few days in the Garland Pennington home.

Mrs. Randolph Rutherford visited several days this week with her husband's parents in Littlefield.

E. H. Young of Decatur is here looking after his property and visiting Mr. and Mrs. C. B. Evans.

H. P. Caveneas has been confined to his bed for several days this week with a heavy cold.

EDITOR IMPROVING
E. I. Hill, editor of The News, who has been ill and confined to his home for almost three weeks, is improving and hopes to be on the job again before long.

Texas has possibly the greatest volume and variety of stone of any state, and also great quantities of sand and gravel, Portland cement materials, brick and tile clays, gypsum and asphalt.

Although Texas is not primarily a metal producing state, gold, silver, iron, copper, mercury, lead, manganese and tin are produced in Texas in varying quantities.

Stone for the present state capitol of Texas was produced in a quarry at Granite Mountain near Marble Falls in Burnet County, Texas.

Silver is found extensively in the Texas Trans-Pecos area, where it has been produced for many years.

ABOUT SKUNKS, NEE POLECATS

Wonder why our skunks are so often referred to as polecats? Of course they do have distant relatives who do answer to the name polecat—very distant, indeed, as they reside in Europe. I believe they have been reported from New Jersey, possibly having been "smuggled" over.

Various and sundry tales are told of American skunks, most frequently the one concerning their bite causing the one bitten to "go mad." I recall one case in which a fellow made his bed in his watermelon patch, in order to protect his melons from thieves. A skunk, probably objecting to his snoring, proceeded to take hold of his nose, whereupon the farmer "came alive" and slapped the intruder. But the skunk clamped down with his "fangs." The fellow did not develop hydrophobia, but likely felt somewhat agitated.

Like a lot of human beings, the skunk is at his best (or worst) when both hindfeet are on the ground. In other words, he simply cannot emit that powerful, convincing odor unless he has a solid "footing" so that that little springy motion is made, thus forcing the liquid dynamite from the receptacle which would be impossible should the varmint be held by the tail in mid-air.

The very young do not emit an objectionable odor. I have in my lifetime seen but two or three solid black skunks. With a few pairs of this specie, one might well be on the road to fame and fortune.

In South Texas a small sized, speckled (black and white) variety is encountered. Their first cousin in Asia and Africa is actually used in the production of perfume for, and not against, humans.

Skunks do a world of good in the destruction of mice and insects and should not be wantonly killed when far removed from your hen's nest.—Ben Moore, O'Donnell.

There are approximately 31,000 miles of natural gas pipe line within Texas representing about 17 per cent of the total natural gas pipeline mileage of the entire nation.

Southland News
(By Mrs. Marvin Truelock)

The local scales would not weigh old-time tractors, so we could not get the totals of winners in the scrap gathering contest. LeRoy Voight, a Senior, won the \$5.00 in War Stamps offered to high school students and James Craft of the fourth grade was awarded a like amount as winner in the grade school.

The Plains Lumber Company, C. A. Porter, Manager, donated the frame for our service flag. Evans Dry Cleaners, another Slaton business firm, cleaned and pressed the flag free of charge.

Rev. H. B. Coggin left Monday night to visit several days in Abilene before reporting as Chaplain at Fort McClelland, near Birmingham, Ala., next Monday. The Methodist people brought a basket dinner to the church last Sunday to surprise the Coggin family on their last Sunday in Southland, though the plan had been announced at school on Thursday.

Sunday guests of Mrs. Leonard Anderson and her mother, Mrs. Ida Stewart, who has been visiting here the past two weeks from Pasadena, Calif., were their brother and son, Ernest Stewart and family of Levelland, Ernest Jr. and wife, Wayland, and Mrs. Stewart's mother, Mrs. D. A. Martin of Post.

Sunday's all-day services at the Baptist Church included a program, "God's Plan" by Rev. T. M. Gilliam, and members of his church at Close City. Other out-of-town guests were Mr. and Mrs. Roy Morris of Friendship, Edgar Mosely and family of Slaton, the Ernest Stewart family of Levelland and Bill Ellis of San Diego.

Bill Ellis, who is in the Navy, spent the week end here with his uncle, G. D. Ellis and wife and the Sam Ellis family.

Bennie Voight of the Air Corps moved recently from Selfridge Field, Mich., to Syracuse, N. Y., where the boys will break-in a new field.

I. J. Duff Jr. sent his parents a wire that he is safe and doing fine, which probably meant that he had reached port.

Wayne Whited has been transferred from Engineers to the Signal Corps and changed from Fort Jackson, S. C. to Camp Blanding, Florida.

Mrs. A. M. Spikes and baby daughter, Anita Jo, was moved from a Lubbock hospital to the home of her parents, Mr. and Mrs. A. F. Davies at Southland, last Friday.

Lillian Bullum of Honey Grove came last Saturday to visit her aunt Mrs. C. W. Gary.

The pupils and teachers had individual pictures made at school last week. After a two weeks' vacation for cotton picking the pictures will probably be ready for distribution, and the parents may see them, though they are not required to buy them.

Miss Morene Trigg left Tuesday for her home in Brownwood.

Miss Frances Caffey has gone to Loop to visit her parents.

Rev. I. J. Duff preached at Morgan Sunday morning and night.

The Heywood Basingers of Hackberry spent Sunday here with his parents, Mr. and Mrs. E. M. Basinger.

Mrs. J. R. Wood has been in the hospital a week because of throat trouble.

J. S. Boyd is on the sick list. Their daughter, Mrs. Calvert, arrived on Monday night to spend a few days with them.

Babe King of Fort Sill, Oklahoma, spent several days last week with his parents here.

James Becker telephoned his mother Friday night from San Diego. Southland total ginnings to date are 448 bales. Monday night's rain will cut the large number of bales expected this week, with the help of the school children.

Mrs. J. T. Whited's sister, Mrs. Pharr of Bonham, spent the week end here.

August Becker, Southland's telephone lineman, is unable to get extra consideration on the rationing.

J. O. ALLEN BRINGS IN FINE WALNUTS

Just as proof of what can be raised in Lynn County, J. O. Allen of the Dixie community has brought some fine walnuts to The News office.

The walnuts raised by Mr. Allen are about as large and as fine as any ever seen on the market.

RAISES FINE PEACHES

Several years ago, J. B. Nance bought some fruit trees from a Plainview nursery and planted them at his place here in Tahoka.

One of the trees he bought was supposed to be an Indian Cling peach.

This week he brought a sample from that tree to The News office that was about as fine a specimen as one could imagine. However, Mr. Nance thinks the peach is some variety other than the Indian Cling.

Leroy Knight, who has been employed as an armed guard on the big ordinance plant at Amarillo, was down the first of the week to take a physical examination ordered by the draft board.

Staff Sergeant Nathan ("Bugs") Woosley is here on a 15-day furlough visiting his sister, Mrs. F. E. Calvery and family, and also his sisters, Mmes. Spencer Kendrick and Daniel Davis in Brownfield.

In the future when rural people need his services they will have to furnish him transportation.

About thirty guests were present at the shower last Wednesday for Mrs. Walter Wilke, Mrs. J. R. King, the hostess, was assisted by Mmes. Hub Halre and Marcus Wilke. The honoree received a large number of beautiful and useful gifts.

Mrs. O. E. McGaw returned Saturday afternoon from Levelland accompanied by her mother, Mrs. Timmons.

Sunday visitors of Mr. and Mrs. Sam Ellis were Mr. and Mrs. Verne Johnson of Lubbock, Mrs. J. R. King and Miss Morene Trigg.

Mrs. Tom Craft and children took Mrs. W. R. Craft to Swenson last Sunday. Mrs. Craft will remain there with a brother during the ginning season to get relief from hayfever.

Miss Dorothy Fulkerson Member Women's Sports Ass'n.

FORT WORTH, Oct. 15 — Miss Dorothy Fulkerson of Tahoka is one of 40 new members of the Women's Sports Association at Texas Christian University.

The W. S. A. is open to all T.C.U. girls interested in some sport.

Miss Fulkerson, a freshman, has signed for instruction in ice skating and archery.

LAWRENCE PRICE HERE

Mr. and Mrs. Lawrence Price of Amarillo were here early this week visiting his parents at Dixie. Lawrence is working with the U. S. Government Engineers, which has been building the huge Army Air School near Amarillo and two Japanese Concentration Camps on the North Plains.

Lawrence states that the Army will soon take over the Engineering service to which he is attached, and he hopes to be commissioned a lieutenant in the Army when the change is made.

Lawrence Harvick, who enlisted in the Army as Airplane Specialist, is stationed at the Lubbock Air Base. He is the son of Mr. and Mrs. W. C. Harvick of Tahoka.

Mrs. Mack Cross of Plainview is visiting her sister, Mrs. L. B. Burk, and other relatives at Grassland this week while their brother, Ferman Chapman, is home on furlough.

Here's why Mom says it PAYS to worm with GIZZARD CAPSULES

Quick-Easy - Won't Make Sick or Spoil Eggs Production

Whether your double distended this year, in need of eggs for Thanksgiving and bigger profits for 1943. Keep Gizzard Capsule Capsules close to you. They are in grip-protective medicine until crushed by glass—delivers correct dose, full strength to worms. Won't stain. Mix or knock egg production. Fine Layers Bound and Large Yokes. Get heads of all species of Worms that any product on market can get. About 10¢ per box.

TAHOCA DRUG

Dr. and Mrs. Skiles Thomas of Jeff Davis Hospital, Houston arrived Sunday for a few days visit with his parents, Mr. and Mrs. C. A. Thomas. Skiles, who graduated last summer from the University of Texas School of Medicine at Galveston, is doing his interne work at the large Houston hospital.

Our Boys Must Have The Best

They must have plenty of it—and fast! Time against time: bullet against bullet; plane against plane. It's the enemy—or the United Nations, and you have a loud voice in saying who will win, and how soon! Speak up, by buying War Bonds to the fullest extent your income will permit—and more... Speak up, by impressing the people you know with the urgency of backing up our boys by buying War Bonds. They have the will to win: and by means of native intelligence and the finest training they can't be outwitted. But it's still up to you to see that they're not outnumbered in force or equipment. Our boys must have the best... that you and your family... and future generations of all nations may have liberty!

FIRST BAPTIST CHURCH

Rev. George A. Dale, pastor.
The members of the First Baptist Church are planning a great day for Sunday, October 18. Since tires are rationed, and gas will be rationed soon, there must be some changes made in the regular organized work of the church. We are planning to make one of those changes this week. Everyone is urged to bring his lunch and immediately after the Morning Worship, all will enjoy a picnic style lunch which will be followed by a Sunday School Study Course. These courses are usually taught in five nights, but we are going to finish the course in 4½ hours. Every worker in the Sunday School, and every adult that will come is urged to attend this meeting. Also, the Juniors will study the book, "The Junior and His Church," taught by Mrs. Melvin Rathel. The Intermediates will study the book "Not Your Own" taught by Miss Anita Reddell. The Sunday School book will be taught for the corps of Sunday School workers by Miss Mary E. King.
Make your plans now to attend this meeting, and bring your lunch. This will be the last Sunday the Rathels will be present since they have resigned and are leaving next week to attend the Southwestern Theological Seminary at Fort Worth. The pastor will bring the message Sunday morning and night, and we are hoping that we will have the largest attendance for the year. Come and bring someone with you. Sunday October 18th will be a great day also, for we are trying to pay the debts of Texas Baptists, and our quota has been set well above \$250.00 and we are going to do our best to raise that amount Sunday. Come help us pay off the State debt of Texas, that Texas Baptists may start laying up money to send Missionaries to needy folks as soon as this war is over. Come and enjoy the day with us.
Remember, bring your lunch and stay for the entire study course.

PRESBYTERIAN SERVICES

Rev. W. B. Gray will fill his regular appointment at the Presbyterian Church Sunday, October 18.
The theme for the Adult Bible Class at 10 o'clock will be: "Christian Growth."
At the 11 o'clock service, "Remember Jesus Christ," a Communion Meditation, followed by the observance of the Lord's Supper.
The evening service at 8. Topic for the sermon: "The Four Lepers of Samaria."
A cordial invitation to attend these services is extended to all.
J. F. Beckner, en route from his home in Clayton, N. M., to San Antonio, spent Monday night here in the B. H. Baker home.

At the Churches

Morning Worship 11:00 a. m.
Evening Evangelistic 8:00 p. m.
Wednesday Prayer Meeting 8 p. m.
Saturday Family Night 8:00 p. m.
The public is cordially invited to all services. Come early and enjoy the old fashioned singing. The new Pastor is anxious to get acquainted with Tahoka folk, so come out and hear the message of the hour from this man of God. Subjects you will hear each service will be on: "Old Time Salvation," "Holiness," "Baptism in the Spirit," "2nd Coming of Jesus," "Rapture of the Saints," "Millenium," "Great White Throne Judgment" and many other great prophetic subjects. Come prepared to listen to a real old fashioned service. — The Pastor.

CHURCH OF CHRIST

The cooperation was fine last Lord's Day. We had more in Bible study than we had planned on. Each of the teachers are trying to contact all they can, and encourage every one to be in their place and on time.
We are wondering why such perilous times come upon us. Let us note some of the things we are doing and not doing: We have neglected the study of God's word. We have studied geography, geology, and Greek; we have studied art, algebra, accounting, and agriculture, etc., but we have not studied the Bible. We have read Shakespeare, Aristotle, Plato and Milton; but we have not

Air Raid Warden of the Southwest

Civilian defense is not new to the Indians of the Southwest. As a protection against hostile attacks of warring tribes and later the Spanish Conquistadores, a system of defense has been part of their communal life for more than five hundred years. Standing atop his Hogan, this young Navajo brave assumes the role of "air raid warden of the Southwest" to demonstrate how the centuries-old organization of his forefathers will function again in case of an enemy bombing.

read Moses, Isaiah, Peter, Paul, and Matthew. We survey the heavens, naming the stars, calculating the size of the sun and the moon and the distance from the earth to the various planets; but we have failed to survey the pages of the Bible and come to a clear understanding of the will of the Lord. We send our children to kindergarten, to day school and to night school, to high school and to college, to dancing school and to riding school; but we do not bring them nor even send them to Bible school on the morning of the Lord. Need we be surprised then at the gross ignorance of the Bible and the terrible unrest that is about us? I think not.

Study YOUR Bible daily to show yourself approved unto God: "We must obey God rather than man." May we all read and learn of the will of God and worship Him in spirit and truth.—Garnie Atkisson.

Mrs. E. A. Bergfeld of San Antonio is here visiting her parents, Mr. and Mrs. D. B. English.

BAPTIST W. M. S.

The monthly missionary program from Royal Service was presented by members of Lunsford Circle at the Church Monday afternoon when the three circles held a joint meeting. The subject: "Think on These Things."

"Whatsoever Things Are Heard Through His Word," was discussed by Mmes. Melvin Rathel, Newt Smith, Clay Hughes, Coy Fielder and K. R. Durham, after a devotional brought by Mrs. P. A. Nowlin. Mrs. T. H. Seay, chairman of Lunsford Circle, was Program Chairman. Melvin Rathel gave a vocal solo, accompanied by Mrs. Rathel at the piano.

Others attending Monday's meeting included Mmes. W. M. Harris, Lida Kelso, C. T. Oliver, D. V. Smith, Ovid Luallin, Taylor White, Alex Riddle, Jodie Nevill, Alice Fortenberry and J. M. Scott.

Rev. H. A. Nichols made a business trip to Fort Worth the first of the week.

Mrs. Weathers' Kin Injured In Battle

Mr. and Mrs. R. P. Weathers, Nancy Ray, and Corp. David Weathers of the Lubbock Army Air Base visited Sunday night with Mr. and Mrs. O. P. Rutledge at Floydada. Mrs. Weathers and Mrs. Rutledge are sisters.
Mr. and Mrs. Rutledge had just received word a few days previously that Lieut. O. P. Rutledge Jr., who has visited in Tahoka a number of times, had been wounded in action somewhere in the Southwest Pacific. Lieut. Rutledge is an aviator, and when last heard from he was stationed at Guadalcanal, in the Solomon Islands. However, the message notifying his parents of his injury stated that he was now located in a place that could not be revealed and that they should not try to communicate with him. The seriousness of his wounds is not known.

METHODS SHORT COURSE

Baptist women from all over the Brownfield Baptist Association will gather at Tahoka Baptist Church next Wednesday morning, bringing their lunches along with pencil and notebook, for an all day course in W. M. U. methods.

Mrs. E. F. Lyon of Dallas, State W. M. U. Secretary, will conduct the one day school, and those who know Mrs. Lyon know that every moment will be packed full of information on how to get the most out of the W. M. U. program of work.

Mrs. Coy Fielder, local W. M. U. president, says that each Tahoka woman is expected to bring a covered dish and that Tahoka women will furnish a drink for all to go with the picnic meal at the noon hour. Everyone is invited.

Notice of Election

Pursuant to the Election Proclamation issued by the Governor of Texas, notice is hereby given that a GENERAL ELECTION will be held on TUESDAY, THE THIRD DAY OF NOVEMBER, 1942, in the various election precincts in the County of LYNN, State of Texas for the purpose of voting for United States Senator, Member of Congress, Nineteenth District, Governor, Lieutenant Governor, Attorney General, Chief Justice of the Supreme Court, Judge of the Court of Criminal Appeals, Railroad Commissioner, Regular Term.

Railroad Commissioner, Unexpired Term, State Comptroller of Public Accounts, Commissioner of General Land Office, State Treasurer, State Superintendent of Public Instruction, Commissioner of Agriculture.

One Chief Justice of the Court of Civil Appeals for the Seventh Supreme Judicial District.

Senators and Representatives to the Forty-eighth Legislature, and District Judges and District Attorneys as named in the Governor's Proclamation and such County and Precinct Officers as the law requires to be elected, and for or against five amendments to the Constitution of the State of Texas, as follows:

Amendment requiring appropriation bills to be certified by the Comptroller, and for issuance of bonds to pay off State obligations outstanding September 1, 1943.

Amendment authorizing the Legislature to pay for building constructed for John Tarleton Agricultural College.

Amendment authorizing the Legislature to create Courts in certain counties to have exclusive or concurrent jurisdiction with the County Court.

Amendment authorizing the accounting officers of the State to draw and pay warrants for salaries of officers of the Army or Navy who are assigned to duty in State institutions of higher education.

Amendment authorizing the investment of not more than Two Million Dollars of the Permanent School Fund in bonds of the State of Texas to be issued for the construction of a State office building.

Navy Needs More Lynn County Men

Seeking a quota of 13 men from Lynn County during October, the Navy Recruiting Service sends an officer to Tahoka for the purpose of interviewing interested men and taking applications.

From about noon until about 4 o'clock in the afternoon, Yeoman Collier Parris of the Navy Recruiting Station at Lubbock is in Tahoka each Monday, prepared to take applications and make preliminary physical examinations, thus saving applicants an extra trip to Lubbock. They may set a date for departure and report to Lubbock on that day, receiving transportation by train at government expense to Dallas for final enlistment.

The recruiting officer may be contacted at the office of the Lynn County News, where Frank Hill is in possession of information and printed data concerning Navy enlistment, and can give the information at any time. He urges, however, that applicants try to meet the recruiting officer each Monday afternoon.

Men enlisting in the Navy Construction Regiment, or Seabees, for which there is urgent need just now, will be returned to their homes and permitted to continue work for two months or longer before being called into active service. Men with experience as carpenters, cooks, mechanics, electricians, engine operators, road machine operators, etc., may enlist with petty officer ratings. Those without experience may enlist and take up their choice of work, receiving special training. Promotions and advancements are made as quickly as a man qualifies.

Special appeal for Navy enlistment is made to men about to be called up for induction by the selective service system. Men may volunteer for the Navy even after they have been notified for induction.

Attend Funeral Of Lubbock Citizen

Mr. and Mrs. D. S. Waldrip and children of Tahoka attended funeral services for Mrs. A. T. Lemon, 83, pioneer Lubbock County resident, Tuesday afternoon at Lubbock.

The services at Calvary Baptist Church were conducted by Mrs. Lemon's pastor, Rev. W. A. Read of Canyon community, assisted by Rev. C. J. McCarty, pastor of Calvary Church, Rev. J. T. Clinton, a former pastor of deceased, and Rev. O. A. Graydon, a long-time friend of Mrs. Lemon and family.

A special feature of the service was a song rendered by four of Mrs. Lemon's grandsons, the well known "Cousins' Quartet," which has as members Wilbur and Lynn Lemon, sons of Mr. and Mrs. W. I. Lemon of Wilson, and Glenn and Merlin Willson, sons of Mr. and Mrs. D. A. Willson of near Lubbock.

D. A. Willson Jr., son of the daughter with whom Mrs. Lemon made her home, now in training at Lubbock Air Base, was accompanied to the services by his entire squadron, of whom W. H. Kenley of Tahoka is a member.

Following the church services, burial was made in Lubbock cemetery with Mrs. Lemon's grandsons as pall bearers.

Among four surviving children, all present, was W. I. Lemon and family of Wilson. Mrs. Waldrip and her brother, Rev. Lynn Lemon of Plainview, former pastor of Central Baptist Church, are among the 29 surviving grandchildren, and there are 25 great-grandchildren.

A number of Wilson people attended the funeral.

Small Town Boys On Texas U. Team

AUSTIN, Oct. 15—There certainly is place for small-town boys on the University of Texas football team.

Coach D. X. Bible's team this year lists only one man from one of the state's five major cities, the rest coming from middle-sized cities and towns throughout the state.

Max Minor, the Texas wingback and a member of the sprint relay team, is from Tahoka, and Roy McKay first string fullback and the Southwest Conference's best-kickoff man, is from Junction. Coy Warren comes from Cisco and Jack Sachse, a center, is an Electra product.

Jack Freeman, first string guard, is from Mexia and Fritz Lobpries, who understudies him, is a Schulenberg boy. Harold Collins, another guard who played blocking back and called signals for Texas against Oklahoma Saturday comes from Breckenridge and George Watkins, a tackle, is from San Saba.

Franklin Jeffers, an end, is a Belton high school product, and Lewis Mayne, a speedy left end, came up from Cuero.

Only big city product on the Texas team is Paul Tracy of San Antonio who is a reserve guard.

Clarence Shambeck Gets Honor Award

Aviation Cadet Clarence Shambeck, son of Mr. and Mrs. Louis Shambeck of Wilson, was given a gold star for his good work at the Seventh Army Air Flying Training detachment at Oxnard, Calif., when he graduated there in September. Cadet Shambeck was a cadet flight lieutenant and a cadet squadron commander while taking his training there.

Since receiving his primary flight training there he will continue his training in one of the basic flying schools.

METHODIST CHURCH

Sunday at 2:30 p. m. the District Young People's meeting will be held in the auditorium of this church. This meeting includes several counties and a great many churches will be represented. A good program will be rendered.

Sunday, October 25, will be Flag Service at the morning hour. A big flag and an honor roll will be included in that service. Every soldier that has gone out from any family of this church — whether he is a member or not—his name will be placed on the Honor Roll underneath a blue star. If any have died in service a gold star will be placed above his name. We have about 35 names and stars placed on the Honor Roll. All parents and other relatives and friends are urged to be present for that unusual service—a week from this coming Sunday.

The first Sunday in November all church and church school officials will be publicly installed at the morning hour. Superintendents, stewards and trustees are included in the installation service.

Mr. and Mrs. J. N. Garrison, of Guyton, Okla., arrived about nine o'clock Wednesday morning to spend a few days visiting her father, J. F. Stuart and family here. Since Mr. Stuart was working at O'Donnell, they, accompanied by Mrs. Stuart, paid him a brief call and returned to Tahoka where they received a message to return home at once and left about five o'clock. No explanation was given them in the message.

Mrs. Levi Noble returned Wednesday night from Tulsa where she had been visiting her mother and two of her brothers from the service who were at home for a reunion of the family. It was thought probable that the brothers would soon be in foreign service. Mr. Noble visited there over the week end.

Practically the entire world's helium supply is produced in a government-owned plant in Potter County, Texas.

Grassland News

(By Mrs. V. V. Laws)

Pfc. Carvie I. Tew, who is stationed at Camp Carson, Colo., made the most of a three day leave in seeing his parents and a number of friends at Grassland. He is reported to be looking fine.

Mrs. Belle Mathews visited Mrs. Tucker of Graham Chapel Sunday. Mrs. Tucker, who underwent a goiter operation recently, is reported as improving.

Claude James and his infant son have both been very sick but both are reported better now.

Mr. and Mrs. Claude Brown and little son of New Home spent Tuesday with Mrs. Brown's parents, Mr. and Mrs. C. M. Greer here.

Mr. Wilton Scott of Lampasas spent the week end here with his uncle, C. M. Greer.

Staff Sergeant Walter Thomas, a nephew of the Thomas brothers at Grassland, received his wings on the ninth at the Lubbock Training School. Quite a number of friends and relatives from Grassland attended the exercises. We wish for him the best of luck.

Staff Sergeant Pilot Jack D. Hoover, who is piloting a transport plane at Fort Benning, Ga., will have charge of parachute troops there, according to information given his mother.

Mr. and Mrs. Herbert C. Hoover, V. A. teacher at Ropesville, spent the week end visiting his parents here. Mr. Hoover will enter the armed services soon, having signed up for duty with the Air Corps.

Burford Chapman has been promoted to Shore Patrol duty at Norfolk, Va.

Mr. and Mrs. John Sewell, who now live in New Orleans, La., are the proud parents of a seven pound son, born there Oct. 8th. The young man will be known as John Howard. Mr. Sewell formerly lived at Draw and Mrs. Sewell is the former Miss Louise Edwards of Grassland.

Mr. and Mrs. W. R. Greer spent Monday in Lubbock.

Rev. and Mrs. Frank Thomas were Sunday dinner guests in the V. V. Laws home.

Mr. and Mrs. L. A. Enloe of Post, accompanied by Rev. Crenshaw and Rev. Monrows of Kentucky, were visiting in Grassland Sunday afternoon. Rev. Monrows will be pastor of the Church of God in Sweetwater the coming year while Rev. Crenshaw will engage in Evangelistic work in this district.

Pfc. Furman Chapman of Moore Field in the Rio Grande Valley has been granted a five day extension on his furlough and accompanied his sister, Mrs. Mac Cross, to her home at Plainview for a few days' visit. Miss Doyce Chapman accompanied her brother and sister to Plainview, to continue their visit together.

Mrs. Cross had been here several days visiting among the Chapman brothers and sisters.

Corp. Frank Gary of Fort Knox, Kentucky, is here visiting his sister, Mrs. A. L. Shepherd of Grassland, and his parents, Mr. and Mrs. L. T. Gary of the Graham Chapel community.

Mr. J. C. Howard's brother spent the week here visiting him. He plans to enter a training camp soon.

Grassland School Scrap Drive

The intermediate grades taught by Miss Neal have been doing their part in collecting scrap iron to help win the war, but I am sure that the students in other grades have not been idle. We just have not had their report, yet.

Some of the boys and girls collected a large amount on the first day and have added to it, but we can only give their totals for the week, as we have heard: On the day the contest started, Oct. 5, by five o'clock little Jimmy Chapman whose Daddy is in the armed forces, had collected 390 pounds of scrap, to which he has added quite a bit since.

Some other records are: Billy Loren Thomas, 3360 lbs.; H. C. Gribble, 2047 lbs.; J. B. Greer, 600 lbs.; Wendell Huddleston, 390 lbs.; Elmer Rosh, 231 lbs.; Julia K. Thomas, 170 lbs.; Juanita Mitchell, 115 lbs.; and Charles Brookshire, 103 pounds.

At our neighboring school of Graham Chapel, Billy Bob Hoover is reported leading the drive with 1340 lbs. to his credit.

EDWARD McMILLAN WRITES

An airmail letter mailed October 8 from an unknown address was received by Mrs. H. L. McMillan from her son, Edward, on October 14.

Edward had been getting mail and presents from home, but his letter, which had to pass the Naval Censor, discussed only family matters, giving no clue as to his present whereabouts or the line of "work" he may be pursuing.

WILSON NEWS

By MRS. FRANK FLETCHER

Mrs. J. W. Lamb has returned home after a two-week stay in Canadian. Between trains in Amarillo she visited with her son, Sgt. Herbert Lamb who has recently been transferred there from Sheppard Field.

Mr. and Mrs. J. R. Hamilton were visitors in the J. W. Lamb home Sunday afternoon.

Mr. and Mrs. Onas Ray and Peggy of Slaton visited Mr. and Mrs. J. W. Lamb Monday night.

Mr. R. T. Parish, father of Mrs. J. W. Lamb, has been visiting relatives in Lubbock and Slaton the past three weeks.

The above items reached your correspondent too late to get in the news last week. Let us remind you that we are always glad to have the news turned in to us so that we won't have to make trips after it. A post card filled with news is always appreciated.

Mr. A. H. Gilbreath of Fort Worth father of Mrs. W. H. Jackson is visiting in the Jackson home this week.

Mr. and Mrs. Ira Clary and Alford visited her mother, Mrs. W. L. Ferguson of near Post, Sunday. Mrs. Ferguson is still ill.

Mr. and Mrs. Roy Robinson and children visited Mr. and Mrs. W. M. Clark of Slaton Sunday.

Rev. E. Herber, pastor of the American Lutheran Church, left on Wednesday for the biennial convention of the American Lutheran Church at Mendota, Illinois. He expects to be gone about ten days.

Mission Festival at Lutheran Church Sunday, October 18, the American Lutheran Churches of Wilson and Southland will conduct their annual Mission Festivals-Services, at which Rev. F. Beacher of Sagerton will speak, will be conducted at 11:30 a. m. and 3:30 p. m. at Wilson, and at 8:45 p. m. at Southland.

Sunday School Class Meets
Mrs. Elmer Blankenship was hostess last Thursday night to the regular monthly business and social meeting of the Dorcas Class of the Baptist Church. Following the business meeting, refreshments of cocoa cookies and mints were served to Mrs. Clyde Shaw, teacher, R. L. Robinson, H. G. Cook, J. F. Covey, E. O. Montgomery, Doc Holder, Evelyn Nelson, Edith Still and Frank Fletcher. The next meeting will be November 5 at the home of Mrs. H. G. Cook.

Miss Juanita Maeker left Monday to visit friends and relatives in West Columbia.
Mr. and Mrs. John Heck were in Wilmuth Saturday night and Sunday, where they visited a sick friend.
Mr. and Mrs. H. G. Cook and family spent Sunday with Mr. and Mrs. J. W. Wilson of Lubbock.
Mr. and Mrs. J. F. Covey and daughters, June and Jean, spent the week end in Amarillo visiting their friends, Mr. and Mrs. H. E. Knight and children.
Mrs. Frank Fletcher, Jimmy and Jerry spent Friday night with her parents, Mr. and Mrs. Walter McNabb of Lubbock. Saturday they went on to Plainview to visit her twin sister, Mrs. Lloyd Clark and family; and Mr. Fletcher's parents, Mr. and Mrs. W. H. Fletcher. They also enjoyed seeing Frank who came from Amarillo to visit for Sunday. He was still suffering from the injuries received when he fell from a scaffold while working two weeks ago.

Baptist W. M. S. Meets
The W. M. S. of the Baptist Church met Monday afternoon for another program on State Missions, with Mrs. J. F. Covey in charge. Those present were Mrs. Clyde Shaw, L. Lumsden, W. C. Cook, J. F. Covey, Tadlock, Frank Fletcher, John Heck, W. H. Jackson, W. H. May, B. W. Baker, Bess May and J. T. Williams.

There will be no meeting next Monday and all members are urged to attend the Methods School on Wednesday when Mrs. E. F. Lyon will have charge. A box for Buckner Orphans Home was packed following the meeting Monday.
Visitors in the J. W. Lamb home Sunday were Sgt. Hubert Lamb and Mrs. Lamb of Amarillo, Mr. and Mrs. Weldon Lemon and daughters of Lubbock, Mr. and Mrs. Onas Ray and daughter and Mr. and Mrs. Carl Gryder and sons of Slaton.
R. T. Parish, father of Mrs. J. W. Lamb, spent the week end in Big Spring visiting his son, Pvt. Ernest Parish.
Mrs. S. H. Gryder is ill.
H. Hannabas will preach at both the morning and evening services of the local Baptist Church Sunday in the absence of the pastor, Rev. W. H. Jackson, who is conducting a revival in Wichita Falls.
Mrs. A. T. Lemon of near Lubbock mother of W. I. Lemon, passed away Monday after a lingering illness. Funeral services were conducted on Tuesday afternoon from the Calvary Baptist Church at Lubbock.

Mr. and Mrs. H. G. Cook and family spent Sunday with Mr. and Mrs. J. W. Wilson of Lubbock.
Mr. and Mrs. J. F. Covey and daughters, June and Jean, spent the week end in Amarillo visiting their friends, Mr. and Mrs. H. E. Knight and children.
Mrs. Frank Fletcher, Jimmy and Jerry spent Friday night with her parents, Mr. and Mrs. Walter McNabb of Lubbock. Saturday they went on to Plainview to visit her twin sister, Mrs. Lloyd Clark and family; and Mr. Fletcher's parents, Mr. and Mrs. W. H. Fletcher. They also enjoyed seeing Frank who came from Amarillo to visit for Sunday. He was still suffering from the injuries received when he fell from a scaffold while working two weeks ago.

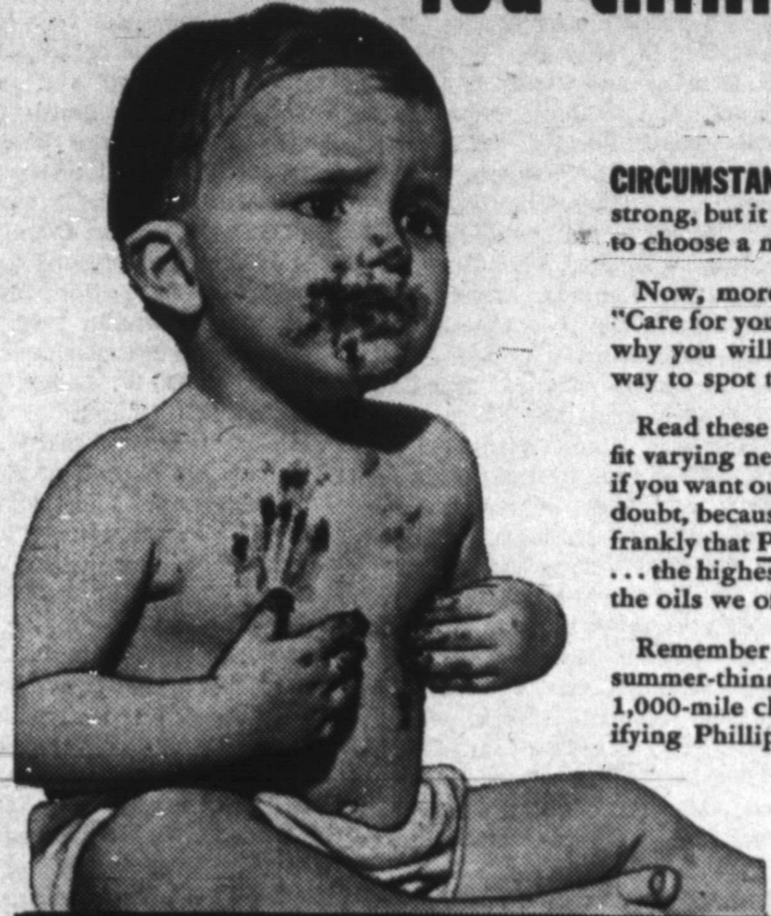

Starting next Monday it will be 21 days before we can get out of boot-camp training. We can't even get outside the Detention Camp gates. Boy, oh boy, this is going to be a long month I betcha.
I haven't heard a word from not one soul. I guess I haven't had time, but it sure seems like I have.
I am so tired tonight I can't even think straight. I went down to take
Mr. and Mrs. A. J. Edwards had as guests from Thursday to Monday Mrs. Edwards' sister, Miss Agnes Anderson of Waco, her brother Cody Anderson of Crawford and his son Billy Anderson of McGregor. They also visited their brother and uncle, county commissioner-elect John Anderson and family of O'Donnell, and niece, Mrs. F. A. Wyatt, of Tahoka.

Mr. and Mrs. H. Jackson attended funeral services for Mrs. A. T. Lemon in Lubbock Tuesday.
Wilson folks, especially farmers, are very proud of the grain conveyor which is being installed on the railroad right of way near the depot this week.

Jack Minor Writes From Marine Camp

Camp Endicott, Davisville, E. I. Oct. 7, 1942

Dearest Mother, Dad & Kids: Hope you are all well tonight. I am feeling just fine so far. They have really been putting us thru the paces. There has been about 3000 new men come in here since Friday night. We moved today to our new barrack so some more men that are coming in tonight can have ours.

We got all of our clothes Monday —and had to roll them that evening. We have really a big job washing and rolling all our clothes.

I got one typhoid shot and one smallpox vaccination this evening. My arm is so sore tonight I can hardly write. I bet I don't sleep very much this nite. We have marched about ten miles today outside of all the other. They have been waking us up at 5 o'clock every morning and we get to bed about 10 o'clock every nite. These are sure long days to me.

Starting next Monday it will be 21 days before we can get out of boot-camp training. We can't even get outside the Detention Camp gates. Boy, oh boy, this is going to be a long month I betcha.

I haven't heard a word from not one soul. I guess I haven't had time, but it sure seems like I have.

I am so tired tonight I can't even think straight. I went down to take

Wilson folks, especially farmers, are very proud of the grain conveyor which is being installed on the railroad right of way near the depot this week.

a good hot bath but the water was ice cold so I just skipped it.

We are right on the coast line. I bet I could throw a rock from our new barrack to it. They told us the other day we were about 3 miles from shore. The town of Davisville is about the size of Draw, Texas—just a wide place in the road. It is only 20 miles to Providence.

How is Lt. Minor and family getting along? Fine, I hope. If he has to come to Mass. we will be pretty close together for a while. We listened to the Texas-N.W.U. football game last Sat. I have got to write Max when I get his address. I tried to call him from Dallas but couldn't get ahold of him.

Boy, my arm is throbbing like a sore toe. Better fix my bunk and get ready to hit the hay I guess. I have got 2 pr. of shoes to shine before I can go to bed tho, and have a big washing to do tomorrow. Every stitch of clothes we got has got to be washed and rolled and we have to keep them spotless.

Tell Joe, Bobby & Dad to drop in a word to me. We made out our application for insurance the other night. Hope we never have to cash in on it, don't you?

Bye and tell everyone hello for me.

Lots of Love, Jack.
P. S. Be sure you put the exact address in full on my letters as I will get them quicker.

Mr. and Mrs. A. J. Edwards had as guests from Thursday to Monday Mrs. Edwards' sister, Miss Agnes Anderson of Waco, her brother Cody Anderson of Crawford and his son Billy Anderson of McGregor. They also visited their brother and uncle, county commissioner-elect John Anderson and family of O'Donnell, and niece, Mrs. F. A. Wyatt, of Tahoka.

PHOEBE K. WARNER CLUB

At a meeting of the Phoebe K. Warner Club, October 13, Dr. Emil Prohl gave a very instructive and interesting talk on "The Heart and Heart Diseases." Mrs. E. R. Edwards and Mrs. Fred B. Hegi discussed "Hurts" and "Health in the Home." The meeting was held in the home of Mrs. Prohl with the following members present: Mmes. R. W. Fenton, W. C. Wharton, Fred B. Hegi, J. Douglas Finley, R. L. Richardson, E. R. Edwards, Fred Bucy, John Chandler, A. L. Pace, G. M. Stewart, and the hostess, Mrs. Prohl. Mrs. N. E. Britton was a visitor.

CARD OF THANKS

We wish to thank our many friends who were so kind to us during our sad hours when Death took our loved one, Hugh McLaurin. We especially appreciated the beautiful floral offerings, as well as the many acts of kindness. — The McLaurin family.

Mrs. R. C. Forrester is visiting her sister in Greenville this week.

"When Lights Go On Again All Over The World"—All participants sang.

This is the first of a series of Victory concerts which will be nation-wide every month.

Rae Fern Pennington announced the program.

Grassland H. D. Club Meets

"The secret of properly cooking eggs lies in the temperature used," insisted Miss Maurine McNatt in her demonstration this week in the home of food demonstrator, Mrs. Roy Lemond.

A moderate temperature of 325 to 350 degrees F. will never make eggs curdy or leathery unless they are cooked too long. Eggs simmered thirty minutes are much nicer and more digestible than those boiled ten.

The food demonstrator gave an account of her year's plans and accomplishments after which delicious refreshments were served to Mesdames Dee Fleming, Claude Thomas, A. L. Shepherd, Tom Brown, Buck Edwards, Miss McNatt and the hostess, Mrs. Lemond.

The next meeting will be Nov. 10 at three o'clock in the home of Mrs. R. E. Appling.

Rev. and Mrs. George A. Dale are visiting their children, Everett Dale and Mrs. J. C. Edwards and family in Dallas this week. They plan to be home Saturday.

County Treasurer Lois Daniel returned Thursday from Sherman where she had accompanied her son, Staff Sergeant Dan Daniel and family earlier in the week.

Smith Dies ...

(Continued from page one)

years in Texas before coming to Lynn County from Taylor County in April, 1903, the very month that the county was organized. As citizens of the town and surrounding communities, the Smith family has had a part in all the development of the county since its very beginning.

Mr. and Mrs. Smith were married at Dudley, Callahan County, October 13, 1896, and continued to live near that place in Taylor County until they moved here in 1903.

Mr. Smith was a charter member of the W. O. W. Lodge. He joined the Baptist Church in 1901, and while he had never taken a very active part in church work, he had been a student of the Bible and had made it known to his loved ones that he felt secure in the faith that he had placed in the Saviour.

Though confined to his room for some time before his death, he bore his sufferings patiently, assuring his family that he had made all arrangements and was only waiting to cross over. It is said that when his son Herbert, who is in the service of his country, wrote that he was "leaving his safety in the hands of the Lord," Mr. Smith almost shouted as he remarked: "He sure is the One to lean upon, and you will be all right."

While helping to develop this new, sparsely settled country, and rearing their own family of seven worthy boys and girls, Mr. and Mrs. Smith also reared three nieces, the children of a deceased brother. Visitors in the home had to be told that A. V. Leah, and Hortense Smith were not sisters to the others.

Surviving Mr. Smith are the companion of 47 years, Mrs. Mary Smith, and the following children: W. E. (Happy) Smith, Lynn and Newt, all of Tahoka; Mrs. Eunice Riffe, of Dallas; Mrs. Dexter Armstrong, Abilene; and Miss Lola Smith of Cleburne, all of whom attended the funeral; and a son, Herbert Smith, in the armed services in California, who did not get to come home. Two of the three nieces reared in the home also survive, Mrs. Leah James of Tahoka and Mrs. Hortense Marsh of Fort Worth. There are 10 living grandchildren and 2 grandnieces.

Wynell Jones, daughter of Mr. and Mrs. J. M. Jones underwent a tonsillectomy at a local clinic Monday.

Rotary Club ...

(Continued from page one)

as a result of the war, there would be a distinct turn in educational methods and a return to the basic studies of reading, writing and arithmetic.

Thursday night of last week the Rotarians entertained their wives, teachers of the Tahoka schools, and members of the board of trustees with a banquet in the school gymnasium, which was one of the most successful both from standpoint of attendance and entertainment that the club has ever held.

Mrs. "Skeeter" Slaughter, wife of the late Jay Slaughter, of Post, entertained the crowd of ninety for more than an hour with her wit and humor, readings, songs, and piano numbers. She kept the crowd in laughter almost constantly. She appeared unannounced, proclaiming herself a teacher seeking a job in the Tahoka schools. She proceeded to present her case, demonstrate her wares, in so doing revealing some previously unknown facts about Tahoka Rotarians, and dealing in such humor that the audience was asking for more when she had completed her program. Mrs. Kate Davis, also of Post, presented three vocal solos which the audience appreciated very much.

President Truett Smith presided at the banquet, and R. P. Weather's had charge of the program.

Club directors have reached an agreement with the Legion Auxiliary whereby the latter organization will continue being responsible for the Rotary club meals. Due to the rise in prices caused by the war, the women have little more than broken even on the meals here of late.

Wynell Jones, daughter of Mr. and Mrs. J. M. Jones underwent a tonsillectomy at a local clinic Monday.

Piles Hurt and Hurt

Get Relief in a Way He Never Expected!

"I got no satisfactory relief from distressing pile pain until I tried YOUR ointment. Then I got a quick relief I never expected.—A. J. Melant, No wonder! Thornton & Minor's Rectal Ointment is the same used by DOCTORS adjectively at noted 64-year-old Thornton & Minor Clinic. Quick relief for pain, itch, soreness of piles, fissures, rectal irritation—simple non-surgical cases. Get tube today (with pile pipe, cover). If not delighted, money back."

Changes Made In Mail Time

The local Post Office has asked The News to announce that due to change in motor car speed, the pick-up hour for Tahoka's outgoing mail has been set at 5:45 p. m.

This means, if you want your letters to leave Tahoka that day, they must be in the post office before 5:45 p. m.

This change went into effect yesterday, October 15th.
