Number 13.

## Tahoka, Levelland In Bi-District Game

### Light Vote Cast In Lynn County General Election

The people of Lynn County were too busy on the one hand and too indifferent on the other to take the trouble to go to the polls and vote last Tuesday. Only 419 votes were cast in the entire county.

O'Donnell, second largest voting precinct in the county, held no election. Election officials were just too busy to sit in a polling place all day long with few prospective customers. Likewise, the polls were not opened at Three Lakes, but that is a small box.

One box, Draw, had not reported late Wednesday afternoon.

Of all the state candidates, Governor Coke R. Stevenson received the most votes. His count was 413, while his Republican opponent, C. K. McDowell, marked up only 4 votes.

In the race for United States Senator, W. Lee O'Daniel received 394 votes while his Republican opponent, Dudley Lawson, got 7. C. L. Somerville, who called himself some kind of a Unity party candidate, got a goose egg.

The vote for other state candidates was as follows:

Ernest O. Thompson for Railroad Commissioner, 411; George Shepard for Comptroller, 410; Bascom Giles for Land Commissioner, 410; Jesse James for State Treasurer, 411; L. A. Woods for State Superintendent, 403; J. E. McDonald for Commissioner of Agriculture, 401. Their respective opponents received from nothing up to as high as ten votes. The woman opponent of L. A. Woods had the honor of getting the highest vote of any candidate on the Republican ticket. Her vote amounted to a grand total of 10.

Only one of the five proposed constitutional amendments met with favor in this county, the first one on the ballot, which forbids the legislature to make an appropriation unless money is available with which to pay it. The vote was 112 in favor and 108 against.

There was a tie on the John Tarleton College building amendment, 111 for and 111 against.

The proposed amendment providing for the creation of additional courts in certain large counties lost.

(Continued on last page)

### Annual Sale Of Poppies Saturday

New names on America's roll of honored dead give new meaning to the memorial poppy this year, Mrs. J. B. Oliver, Poppy Day Chairman of the local American Legion Auxiliary Unit, pointed out as she worked on final arrangements for the distribution of the little red flowers Saturday.

"Wearing a poppy is the individual way of honoring the men who have sacrificed their lives in the nation's service," said Mrs. Oliver. "Ever since the first World War the poppy has been worn in tribute to the men who gave their lives in that conflict. Now new names are being inscribed among America's heroic dead. The poppy is for them, too. It is a symbol of our sorrow and pride. It is a pledge that we will always remember them and serve on in the cause for which they died."

"As we honor those who give their lives, we should think, too, of those who sacrifice health and strength, and of the families left in need because a father or son has served his country. They are still within the reach of our help. Let us be generous in our contributions for the poppies. Every penny of the money given goes to support the work the American Legion and the Auxiliary are doing for the disabled and dependent families of the first World War and of the present conflict."

The Sub-Deb Club will assist Mrs. Oliver, the chairman, with the sale of the poppies.

### Instructions Issued On Gas Allotment

#### Cain Explains Ration Set-Up

Judge C. H. Cain, head of the rationing set-up in this county, suggests that The News call attention to the fact that owners of cars and other motor vehicles must fill out applications for gasoline under the rationing regulations prior to the presentation of application at the school buildings on November 12-13-14. Superintendents or teachers will receive these applications but they will not fill them out for applicants nor will they assist in filling them out. That must be done prior to presentation.

Judge Cain suggests that it would be appreciated if people who can find the time would volunteer to assist applicants in filling out these forms. The application forms may be procured at the office of the Rationing Board on the third floor of the court house just east of the district court room.

Judge Cain further calls attention to the fact that applications must be accompanied by receipts from the collector's office giving the serial number of the motor vehicle to be registered.

If people will note and observe these regulations it may save them time and trouble.

### School Faculty Changes Made

Tom Seay, who has been with the Lynn county AAA office force the past few months, has been elected teacher of vocational agriculture in the Tahoka schools, succeeding O. W. Richardson, who has resigned to go back into the Farm Security Administration work. Seay is a graduate of Texas A. and M. college.

Mr. and Mrs. Dewey Johnson of the grade school faculty will leave Friday for Quantico, Virginia, where Mr. Johnson has been called for training in the U. S. Marines.

Miss Irene Beckham of Draw, who has been teaching in Dawson county the past several years but who has been at Crosbyton this year, will be a new teacher in the grades.

Harold Snowden, caretaker of the grade school building, who leaves on Nov. 12 for training as a cadet in the Army Air Corps, will be succeeded by Ed. Jacques.

Rev. Henry C. Thomas, pastor of the local Church of the Nazarene, has been employed to drive one of the school buses.

By coincidence, another preacher, Rev. Frank Thomas, pastor of the Central Baptist Church, has been engaged by the Grassland district to drive his bus, and this same bus makes connections with the one to be driven by Tahoka's Rev. Thomas.

### Three Tahoka Men Now In Oregon

Corporal David Weathers, Sgt. Clayton Lawrence, and Tom Draper, three young men who claim Tahoka as home and who have been in training at the Lubbock Army Air Base, were recently transferred from that base to the Pendleton Army Flying School at Pendleton, Oregon, together with many other soldiers from the Lubbock base.

Col. Eck accompanied the soldiers, who went by train, while Corp. Weathers and a companion drove his car through overland, according to the former's father, Tax Assessor-Collector R. P. Weathers of Tahoka.

### Congratulations

To Mr. and Mrs. Robert Cathcart on the birth of a six pound son on Saturday, October 31.

### Register Thursday For Gas Books

Come on, Tahoka — Let's do it again!

We want to handle the issuing of basic gasoline rationing books just as we did the sugar rationing registration. To do this, we need a continuation of your cooperation.

You may get your gas book at the Tahoka grade school, November 12, from 7:30 a. m. to 3 p. m.

Please follow instructions by having your application in form and we assure you that you will not be at the school more than 5 minutes. Let's get it over with as quickly as possible.

W. T. Hanes, Supt. Tahoka Public Schools.

### Military Funeral Held for Wells Edwards, 23, Killed In Airplane Crash Last Week

Military funeral services were conducted at the Baptist Church here at 3:00 o'clock Saturday afternoon for Wilson Wells Edwards, 23, son of Mr. and Mrs. M. H. Edwards of this city, who was killed in an airplane crash near Helotes ten miles northwest of San Antonio on Wednesday night of last week.

The services were conducted by an Army chaplain, Rev. Coombs of the South Plains Flying School, and the pall bearers were six young men now in training or in service in the armed forces of the United States, five of whom are from Tahoka, the six being: Ensign Clinton Walker, Sgt. George Claud Wells, Sgt. R. C. Wells, Pvt. Eldon Carroll, Lieut. Truett Cooper, and Captain Edward Halbach. Sgt. Claud Wells and Sgt. R. C. Wells are cousins of the deceased and Captain Halbach of Fort Sill is distantly related and a close friend of the family, being a cousin of Mrs. Irene Gallagher and Mrs. Dude Hol-

(Continued on page 7)

### Dr. J. D. Donaldson Wants "The News"

Lieut. J. D. Donaldson Jr., who is out at sea, wrote his mother, Mrs. J. D. Donaldson Wednesday, that he would give twenty-five dollars for The Lynn County News. Mrs. Donaldson immediately ordered the paper, and we hope J. D. gets every copy. His mail is sent to him from San Francisco.

Mrs. C. V. Williams of Pecos came Thursday for an extended visit with her sister, Mrs. E. S. Davis.

## Tahoka Closing Armistice Day

Tahoka will close up Armistice Day, next Wednesday, a national holiday.

Every business man contacted Wednesday by J. K. Applewhite, president of the Chamber of Commerce, favored the move to close up for the day, or at least for a part of the day.

The big attraction of the holiday in Tahoka is the bi-district championship football game here at 2:30 p. m. between Tahoka and Levelland.

Also, the Legion Auxiliary is presenting an Armistice program in the High School auditorium

### Mexican Killed Here Saturday

John Mansolo, 31, a Mexican who had been picking cotton for Wiley Curry, was shot and killed by a Negro, whose name is unknown, at a pool hall in the Negro section of the town "over on the hill" Saturday night.

Two shots were fired, both taking effect. One shot entered the cheek about an inch and a half in front of the ear, passed entirely through the head, and came out just in front of the other ear. The second shot took effect in the ear, then ranged backward, and lodged somewhere near the base of the skull. It is believed that either shot would have produced death. The victim died almost instantly.

There is evidence that the two parties to the tragedy had been gambling. Another Mexican also seems to have been involved, he and the Negro apparently acting together. Mr. Curry had paid Mansolo about \$22.00 on that day, it is said, but only 75 cents was found on his

(Continued on last page)

### Auxiliary Sponsors Armistice Program

The American Legion Auxiliary will sponsor an Armistice program at the high school auditorium in the assembly at 11:00 o'clock a. m., Wednesday, November 11, according to Mrs. R. F. Richardson, district Auxiliary president.

The public is invited to attend and all Legion and Auxiliary members are expected to be present, Mrs. Richardson stated.

All members of the Tahoka Defense Guard and all men now in the service who may be in Tahoka on Armistice Day are especially invited to attend.

"We must not forget our November 11," Mrs. Richardson continued, "When our men and women who paid the price for us, brought Victory for us, our country, and our flag. Armistice Day has been a day of rejoicing for ex-service men and Auxiliary members, an occasion of dedication, of recalling memories, and of thanks for those who gave their all for our Armistice."

"We as an organization are working and looking forward with perfect confidence to Another Day when we can say 'Well done, ex-service men and women of America.'"

Mrs. Richardson announces that Mrs. A. M. Cade will have charge of the program.

Texas is the leading carbon black producing state, accounting for about four-fifths of the nation's supply.

### District Champions Play Here Armistice

#### Cotton Ginnings Are Near 35,000

Before noon Thursday, 8,477 bales of cotton had been ginned in Tahoka this fall. This means that more than 2,100 bales had been ginned since we gathered the reports on Thursday afternoon of last week.

With about 25 gins in the county, the entire county ginnings usually run four or four and a half times as much as those in Tahoka alone. The News estimates therefore that the total ginnings in the county up to this time amount to about 34,000 bales, possibly a little more.

The gathering of the crop has been hampered slightly the past week by a few sprinkles of rain, but clear skies and a north wind Thursday gave promise of more favorable weather.

Many whose cotton is late on account of summer hail or other causes are hoping that freezing weather may yet hold off a week or two longer, for this late cotton has been opening very slowly.

A large per cent of the cotton ginned has been placed in the loan, since the loan price is slightly higher than the price on the open market. Cotton seed is now selling for \$46.00 per ton.

### Methodists Attend Annual Meeting

The Northwest Texas Conference of the Methodist Church will convene in Sweetwater on Wednesday morning of next week, and Rev. H. A. Nichols pastor of the church here, Rev. H. H. Hollowell, pastor at O'Donnell, Rev. E. A. Todd of Wilson, Rev. J. E. Young of the Draw-Grassland charge, and all the Methodist preachers of northwest Texas included in this Conference expect to be in attendance.

Laymen R. C. Wood and C. A. Thomas of the Tahoka church and possibly several laymen from other churches in the county also expect to attend.

At the close of the Conference on Sunday night, November 15, the appointments for the ensuing year will be announced by the Bishop. It is expected that Rev. H. A. Nichols will be returned to Tahoka. He has been here only a few months, having been transferred to Tahoka when Rev. George E. Turrentine was transferred from the local church to Muleshoe several shifts being made at that time on account of a few pastors taking up work as chaplains in the Army.

We have no information as to the probable disposition of other ministers in this county but it is to be presumed that they will be returned to their present charges.

### Producers Are Receiving Checks

Conservation checks are now being received by Lynn County farmers according to J. C. Smith, County Administrative Officer of the local AAA office. The first consignment of 1942 conservation checks were issued October 29th. Fifty-nine producers received these checks which amounted to \$15,617.23.

Smith states that applications for payment are being submitted to the State office as rapidly as possible.

### LIEUT. SPIKES HERE

Lieut. Robert F. Spikes arrived Tuesday for a few days' visit with his parents, Mr. and Mrs. Houston Spikes, after spending the past three months in training at Waterboro, S. C., Army Flying Field.

Tahoka Bulldogs, District 6-A football champions by reason of their 14 to 7 victory at Denver City last Friday night, will meet the Levelland Lobes, champions of District 5-A, on the Tahoka field next Wednesday afternoon, Armistice Day, at 2:30 o'clock, for the bi-district championship.

Arrangements for the game were made by Coach Volney Hill and Supt. W. T. Hanes of Tahoka and Coach Gano Tubb and Supt. Tom McCollum of Levelland. Since Tahoka had played at Levelland last, Interscholastic League rules provide that the championship game be played here.

Levelland is sending its band and pep squad and a number of fans along with its twenty-man football squad. Levelland business men are closing their stores to follow their team to Tahoka.

Levelland won the championship of District 5-A last Friday by defeating Olton 13 to 12. Her only defeat of the season has been at the hands of Class AA Brownfield by approximately the same score by which Brownfield defeated Tahoka. Early in the season, the Lobes defeated Denver City at Levelland by a score of 19 to 6.

Last Friday night, Coach Hill's Bulldogs played their best game this year and were in real championship form. Denver City presented about the scrappiest, most offense-minded team the Tahokans have met this year, and that includes the three Class AA teams it has met.

The game opened with a blast of offensive power by Denver City, but Tahoka managed to stave off this initial scoring threat, and soon after taking the ball, a long 30-yard pass to End Bill Woods, placed Tahoka on the D. C. 30-yard line. G. W. White, fullback, raced around

(Continued on last page)

### AAA Committee Will Be Elected

Lynn County's farmers will elect next year's AAA committeemen Friday evening, November 13, at 8:30 o'clock.

According to J. C. Smith, secretary of the Lynn County ACA, community elections will be held at the following places:

- Lakeview schoolhouse for Lakeview and Petty.
- New Home schoolhouse for New Home, Joe Stokes, and Dixie.
- Wilson schoolhouse for Wilson.
- Morgan schoolhouse for Hackberry, Gordon, and Morgan.
- New Lynn schoolhouse for Garnolls, Garlyn, Edith, Grassland, and New Lynn.
- Draw schoolhouse for Midway, Redwine, and Draw.
- O'Donnell schoolhouse for Joe Bailey, O'Donnell, T-Bar, Wells, and Three Lakes.
- Newmoore schoolhouse for Newmoore, West Point, Fride.

AAA office for Tahoka.

Delegates to the county convention and alternate community committeemen also will be elected at these meetings, the chairman said.

In county convention Saturday morning, the ten delegates will select the county committees and who will head next year's AAA program.

"We have a tough battle to fight on our farms next year and we need our best leaders on AAA committees to help out," the secretary explained. Although county USDA war boards have done an excellent job of charting the county's wartime agriculture course, they need assistance from other county leaders, he explained, and added that in all probability some of the increasing responsibility would be shifted to the community AAA committeemen.

This issue of *The Growl* is dedicated to Aviation Student Wells Edwards, alumnus of Tahoka High School. The school joins the town in expressing a deep sympathy at his passing.

**EDITORIAL**  
 (By Peggy Fenton)  
 Have you noticed that one activity is missing on our extra-curricular schedule? Many of us have seen dramatic clubs in other schools and they were great successes. Why don't we have one?

The values or benefits derived from the study of drama and dramatics are: leading by pleasant paths to an appreciative interest in modern drama and to an understanding of some of the principles that control the writing of modern plays; securing information concerning some of the leading modern actors, and some of the principles in the movement for the uplift of drama; studying and presenting suitable and interesting dramatic material; and awakening an interest in original dramatic constructions and stage-craft.

Through the study of dramatics the student may learn to analyze, to interpret, and to assimilate the emotional and the intellectual content of drama. From dramatics the high school students will also gain a comprehensive knowledge of what constitutes good lighting effects, make-up, costuming, acting, and production technique.

Nearly every student likes to see, read, and act in plays. We could have a club in which we could study good plays and acting in cooperation with the speech class.

Would you like to have a dramatic club? If so, why not express yourself and back this campaign?

**CALENDAR**

The calendar for the week of Nov. 9 will be as follows:  
 Sunday, November 8—National Education Week.  
 Monday, November 9—Program at 9:15 o'clock in the grade school gymnasium.  
 Tuesday, November 10—  
 Wednesday, November 11—American Legion and Auxiliary program in the high school auditorium.  
 Football game with Levelland for bi-district championship at 3:00 p. m.  
 Thursday, November 12—Sugar rationing.  
 Friday, November 13—Sugar rationing.  
 Senior party for the Juniors.

## Observe Armistice; Scrap Pile Grows; Education Week

(By Jimmie Lou Thomas)  
 On November 11, 1918, the German representatives at Senlis, France, signed the armistice that brought to a close the World War on this date in 1918, at 5 a. m.; hostilities stopped at 11 a. m.  
 It is customary in the United States to halt work at this same hour, face east, and stand one minute in silent tribute to the World War heroes. This day is observed not only in the United States, but in Canada and other nations.

In last week's edition of the News, we mentioned the fact that in the Texas scrap collection, 467 million pounds had been collected, which averaged 72.8 pounds per capita. This week we find a large increase in these figures. Texas had collected 657,029,042 pounds, making the average per capita 102.5 pounds.

"There's very little difference in the two teams; they loaf just as much in Olney as they do in Tahoka," stated Mr. Leo Jackson, former coach and teacher of Tahoka high school.

Mr. and Mrs. Jackson and daughter spent the week end in the home of Rafe Richardson. He is now coaching in Olney, which is a class AA school.

Max Minor who is a 1940 graduate of Tahoka high school, has been shifted to first string right halfback for the Texas Longhorns by Coach Dana X. Bible.

While in high school Max won various honors in football and track. He is now classified as a Junior in the University of Texas.

Tahoka's Bulldogs are getting a stiff workout this week in preparation for the Levelland game November 11 which is for the bi-district championship.

The game will be played at three o'clock here. Students, let's back our team!

This year perhaps more than ever before, every school should reflect American Educational Week, November 8-14. The proposed schedule of emphasis—Renewing Our Faith, Building Strong Bodies, Serving Wartime Needs, Developing Loyal Citizens, Cultivating Knowledge and Skills, Establishing Sturdy Character, and Strengthening Morale for Victory, represents a most excellent basis for presentation and discussion both within the school and in public events.

Eight billion dollars is what the next tax bill will cost us. The government will take it while the people dish it out.

## Tahoka Bulldogs Win Championship At Denver City

"Hall, hall, the gang's all here!" This song could have been heard a mile away had you been in the vicinity of Deaver City's gridiron last Friday night when the Tahoka Bulldogs trampled Denver City's Mustangs by a score of 14-7. It was the third conference game of the season and its termination won for Tahoka the District Championship. The game was one of the best of the season for the fans and students as well as the Bulldogs.

The game began in an unusual way, with Tahoka scoring in the first quarter and also making the conversion. This initial score was made by G. W. White, who was one of the star plungers of the game. After the first score, Denver City went into action, making six points and the conversion late in the second period.

From the second period on, the two teams battled to the finish with no gains whatsoever, and it looked as though the game would end as a tie. In the last three minutes of play, G. W. White whirled and twisted his way over the goal line for another Tahoka score. James (Sonny) Roberts made the conversion.

Tahoka is scheduled to play Levelland for bi-district championship, Wednesday, November 11.

## Amateur Program At Assembly Hour

"This is station T. H. S. presenting Major Redwine's amateur hour," stated the master of ceremonies, Winston Redwine.

Fifteen amateurs from Tahoka high school presented the assembly program which was held in the auditorium, Wednesday morning, November 4. The program was as follows: Girls' songs "White Christmas" and "Three Little Sisters," by Mary Beth Fenton, Dorothy Lee Carmack, and La Voyle Richardson, accompanied by Miss King; imitations, James Bawosette; piano number, Clara F. Nordyke; french harp, Billie Jack Hancock; speech, Dorothy Rusk; dance, Peggy Fenton and Joann Edwards; piano selection, "Melody in F," Beth Shepherd; speech, Rae Fern Pennington; piano selection, Charlene Bucy; and baton twirling, Sina Earrington, accompanied by Winston Redwine.

## Students Interested In Current Events

All those pupils in the study hall are not star-gazers; they are only civic and social science students craning their necks to get a peek at the huge map on the wall or which are their current event assignments for the week.

These classes get a new map every week. The name of the map is "News of the Week," and in addition to the map study they have a set of questions to answer and hand in every Thursday.

The students will continue this current events exercise all year.

## Girls Must Put Learning To Work

Homemaking girls of Tahoka high school learn to carry on without the aid and advice of their teacher as they put into practice at home what they have learned at school.

The students have home projects based on the study in class, some of which are: sewing, cooking, raising a garden, and improving the home. Each girl must complete two projects during the year, and twenty-five hours are required for each project.

## Junior Band Is Making Progress

The junior band which is the training school for senior band, has much musical raw material this year. Miss King reports that the junior students are making progress and she urges all students who are interested in developing musical abilities to see her.

Members of the junior band are: Bobby Boyd, Lalon McMahon, Duane Howell, Jimmy Dumas Small, and Wayne Hinkle who all play cornets; Bentley Gaither, bass; Randall Hinkle and Frank Gillham, trombones; Bobby McMillan, alto horn; Billy Kelley, Gerald Wayne Tippit, and Bobby Tippit, clarinets; and Dale Rae Smith, saxophone.

Two of the band's favorite numbers are "March Marionette" and "Home Sweet Home."

## Freshmen Hold Hallow'e'en Party

Witches, hats, and cold black cats! In celebration of Hallow'e'en, the freshman class held a party in the gymnasium Thursday night, October 29. About 35 students attended.

The committee appointed to arrange the games was Colene Carmack and Wilma Cruce. The refreshment committee included Ruby Lou Coughran, Dorothy Rusk, Gay Jackson, and Nancy Nell Wyatt. Pumpkin pie and grapefruit were served to the group.

The gym was decorated with orange and black crepe paper strung in the shape of V's. A few jack o'lanterns also helped set the Hallow'e'en scene.

## Girls Become Good Judges Of Meats

The second year girls have been studying the different cuts of meat in class work last week, and they are planning to cook different types of meat this week. In line with this study they will make trips to various markets in town to price meats and

to see samples of the different cuts. Their study is based on what kinds of meat should be served with various menus. The purposes of the study are: to see the price difference on tender cuts and tough cuts; to be able to tell the cuts apart; and to see if the housewife is paying too much for her meat supply.

Do your part! Get in the SCRAP!

### Filing Project Of Junior Business Class

The junior business students, who were seen running around with a little box and a set of filing cards this week, have not suddenly turned into business men and women. They have been studying filing in class, and they made a small file of their own as a class project. The name of each student in the junior business class was filed, and then business addresses were listed according to the type of business, such as architect, and lawyer, and physician. Others were filed according to the state.

Mrs. John Kirkwood teaches the class.

### Grade School Girls Are Playing Ball

"Strike three! You're out!" Many similar phrases can be heard each day on the baseball court south of school, where the seventh grade girls practice from three until four.

Sponsor of playground ball is Miss Oveilla Warren, the new seventh grade teacher.

Some of the girls playing ball are: Mary Adamson, Betty Jo Tucker, Bertha Green, Lois Latham, Joyce Pyron, Ellowise Boydston, Virginia Wight, Mozell Jones, Evelyn Mitchell, Joretia Hill, Eddie Lois Hamilton, and Greta Joyce Beard.

### Students Study New Income Tax

"Do not overlook doctor bills, insurance bills, interest on debts, and all taxes as these items may be deducted from your income tax," read Mrs. John Kirkwood from an editorial in Civics class last Friday.

The class has been studying "the 1942 income tax" and the Civics group is happy to announce that the present outlook for the income tax is now brighter.

A married person may be exempt from paying an income tax if his income is less than 1200 dollars. A single person has to pay an income tax if he makes over \$500 per annum. The tax bill will be approximately 19 cents on the dollar. There will be a \$400 exemption on all dependents. If a person makes over \$25,000 per annum, he will have to pay approximately 83% of it in taxes, stated Mrs. Kirkwood.

The class has found this study very interesting and hope to learn more of the "up to date," current events.

### High Percentage Of School Absentees

Are you guilty of being tardy or absent? If so, do not feel slighted for the records show the average number of students absent per day in Tahoka high school is 68, and the average tardy is nine.

As a result of interviews from students, there are three main reasons for being absent. They are: illness, working, and going to Lubbock. Rae Fern Pennington explained her reason for being absent was that she had been ill with the flu for the last two days.

Ila Mae Schaffner says her reason for being absent would be a good work out for the football boys — "Shaking Peanuts."

"We went to Lubbock to buy us a pair of cowboy boots," was the explanation E. L. Short and Sonny Roberts gave for being absent one day this week.

October 16 was revealed by school records to be the day with the largest number of absentees since school started. The number was 91.

### Students Study For Exams On Friday

Getting out of buses and cars, walking up the walk, looking at the flag, shivering, shaking, and finally making it to third, the students are continuously thinking of "Friday" and "exams." Beginning with every third Friday in each six weeks, tests are on schedule for the fifth day. The office reports that the following subjects, held the first and fifth periods, were the courses getting all the gloomy looks last Friday: Home Economics II, English IV A, Economics, Algebra I, Jr. Business, History II A, Math 7A, Vocational Agriculture I, Home Economics I, Typing IV B, and English II.

Today, Biology, History III, Typing IV A, English I, Geometry, English III History II, Civics, and Algebra II will take place the second and sixth periods.

### Personality . . .

Starring an ear-to-ear grin, laughing brown eyes and black hair, our hero of the week is one of the football captains and a basketball star.

As president of the Junior class, he is a regular school attendant and his favorite subject is typing (he says).

Yes, you guessed his identity! ! ! Could be V . . . Leonard Wardlow.

### AGGIES MEET

A chapter meeting for the Agriculture club was held in the high school Wednesday.

This was the second meeting of the year.

— SCRAP THE AXIS! —

# "A Phoney Penguin...if I ever saw one!"

IT'S FUN but it's a phoney, says this skeptical young student of Spheniscidae (penguins, to you). With one poke of his inquiring finger, he established the fact beyond question.

Now that cars must last for the duration, many a motorist wishes that he could wish with a little doubt and effort pick a quality oil.

You can! Phillips, one of the leading independent petroleum organizations, makes a frank and simple statement which does away with doubt. If you want our best oil, remember we tell you frankly that Phillips 66 Motor Oil is our finest quality . . . the highest grade and greatest value . . . among all the oils we offer to car-owners like yourself.

Don't forget that the easy way to spot the genuine article is to look for the name, Phillips 66 Motor Oil. Do that whenever you make either the seasonal or regular 1,000-mile oil change.

IT'S PHILLIPS FINEST QUALITY

### Banquet Planned For Mothers

Mothers of all Home Economics girls will be the guests of their daughters at the annual Mother-Daughter banquet sponsored by the Homemaking department on Nov. 9.

The decorations will follow a patriotic theme, and the program is as follows:

Welcome Address, Lois Sproles.  
Song (America), Audience.  
Song ("There's A Star Spangled Banner Waving"), Donna Milliken and Lavern Reddell.  
Reading (Star Spangled Banner), Rae Fern Pennington.  
Piano Solo, Ruth Evans.  
Song (White Christmas), Beth Shepherd.  
Piano Selections, Miss King.

Song (This Is Worth Fighting For), Colene Carmack, Ruby Lou Coughran, Wilma Cruce, Gwynnelle Davis, Dorothy Johnson, Joyce Jolly, Jimmie Ruth Phillips, Jeannene Smith, Nancy Nell Wyatt, Geraldine Mather, Ruth Huffaker, Mary Murray, Joyce Vaughn Earlene Hicks, Jane Bosworth, Billie Cowan, Betty Chandler, Geraldine Connolly, Dora Ruth Fenton, Billie Greer, Letha Johnson, Eva Jo Reid, and Alice Roberts.

Closing Song, Mary Ruth Edwards.  
The menu for the banquet will be: Tomato juice cocktail, chicken and dressing, gravy, green beans, baked Irish potatoes, glazed carrots, relish dish, hot rolls, butter, apple pie.  
Each girl is to bring her mother.

### Chorus Sings At Rotary Meeting

Although the rough and rugged sea occupies most of a sailor's time, Ensign Clinton Walker found time to relax as the Rotary Club honored service boys on "Navy Day." Lieut. Charles Townes and Lt. Truett Cooper were also honored as members of the U. S. Army.

As a surprise feature on the program, the high school Chorus sang "Anchors Aweigh" and "The Air Corps Song."

Girls who sang on the program were: Mary Beth Fenton, Peggy Fenton, Dorothy Lee Carmack, Colene Carmack, Gwynnelle Davis, Pat Hill, Wilma Cruce, Geraldine Frazier, Gerry Mather, Jeannene Smith, Dorothy Johnson, Virginia Roddy, Rae Fern Pennington, Joyce Jolly, Marie Moore, Bobbie Jean Minor, Ruby Lee Coughran, and La Voyle Richardson.

Mrs. Deck Dunagan and Mrs. A. L. Dunagan spent last week end with their husband and son, Deck Dunagan, who is stationed at Camp Berkeley, near Abilene, where he is an ambulance driver in the Medical Corps.

### DIXIE SCHOOL NEWS

The children greatly enjoyed a few hours of Hallowe'en fun Friday afternoon. There were children scampering everywhere, trying to get a peep at witches and lighted jack-o'-lanterns. They had their greatest thrill in going through a

dark room where the lighted jack-o'-lanterns shined upon witches and goblins.

The scrap iron pile is still growing at Dixie which we hope will some day make a deep impression on a few Japs.

Teachers at Dixie are Claude

Freeman and Mrs. Georgia Freeman. — Contributed.

Texas' 14 deepwater ports lying along the Gulf of Mexico constitute one of the greatest shipping communities on any coastline in the world.

## Let Us Not Forget

To remember the heroism of the patriots who have died that our country might live in peace and freedom is to renew the spirit of patriotism in our own hearts. Let us meet with courage whatever sacrifices our country now asks of us for its safe defense . . . in the patriotic spirit of our honored heroes.

**NOTICE TO THE PUBLIC:**  
 Any erroneous reflection upon the reputation or standing of any individual, firm or corporation, that may appear in the columns of The Lynn County News will be gladly corrected when called to our attention.

Some of us have been fearful at times that the Russians might be induced some time to conclude a separate peace with the Germans. Newspapers and radios recently quoted high Russian military authorities as declaring that at the conclusion of this war Germany must be dismembered, so as to be incapable of starting another war soon. The feeling against the Germans is probably many times as strong among the Russians as it is among Americans. With four million to five million Russians dead as a result of the German invasion of their country, it is not likely that the Russians will be very keen to quit the drive until Hitler and his war lords are thoroughly licked.

In answer to the criticism of Wendell Willkie to the effect that the Atlantic Charter was not comprehensive enough and did not apply, as he stated, to the countries of Asia, President Roosevelt promptly and positively asserted that it applies to all humanity. That truth can not be proclaimed too positively nor too often. We must convince peoples who may be suspicious or doubtful that in fighting for the preservation of our own independence and freedom we are likewise fighting for the "inalienable" rights of all people everywhere. And then after this war is won, we must set about to secure these rights in the new world order.

It is regrettable that so few of the people of Lynn County took time out on Tuesday to go and vote. Of course nothing was at stake in so far as candidates were concerned, but every qualified voter ought to vote at every election as a matter of appreciation of his rights and privileges as an American citizen.

## ODDS and ENDS

by Eee Eye, the Elder

However imminent may have been the menace, or seeming menace, of Communism in this country prior to the assault of Paganism and Nazism upon us at Pearl Harbor, that menace seems to have passed — to have faded entirely out of the picture.

Undoubtedly there was much activity on the part of Russian Communists to spread their doctrines in this country during the 1930's. But outside of the foreigners in this country who had never become thoroughly Americanized and a few fanatical labor leaders, the virus really had little effect. The great masses of the people, barring a few malcontents, remain untouched.

The fact of the business is that the political, social and economic soil of America is not conducive to the germination of the seeds of Communism. The poisonous plant just will not thrive here. It has been tried at various times and places in this country, and without exception it has failed.

It was first tried away back in the administration of John Quincy Adams, on the banks of the Wabash in Indiana, then virgin soil. It seemingly had a fair and thorough trial. The story is told in the current issue of Reader's Digest as taken from The Progressive Magazine.

The name of the Communist community that was established on the banks of the Wabash was New Harmony. It consisted of 30,000 acres of rich soil, the equivalent of 47 sections of land. Its founder and promoter was a successful and wealthy manufacturer and business man, Robert Owen of Lanark, Scotland.

Owen was a Welshman by birth. Born and brought up in poverty, he nevertheless fought his way to success and opulence as a business man. The "child-labor-slavery" conditions in which he was brought up, however, had created in his mind a deep hatred for the injustices that were being done the poor and he decided

If a tenth part of the charges made by former prisoners of the Japs as published in the newspapers and magazines are true, these Japs are the most barbarous and brutal people of modern times. We have no desire that our people shall ever lower their moral standards to the point that they can cope with these barbarians in cruelty, but we do feel that this war must not end until such a brutal people as they are rendered incapable of waging another war for a thousand years.

to try to do something about it. The recently propounded doctrines of Immanuel Kant, a German "philosopher and political economist," found lodgment in his fertile and imaginative brain, and Owen determined to try out these Communistic ideas in the great new land of America.

He devised a "Model" of his proposed ideal community — a plan providing the ballot for women the same as for men, abolition of child labor, compulsory public education for all, the taking of children from their parents at the age of two and providing for their rearing and education by the Community, the abolishment of money and private property, all property and profits passing to the Community as a whole.

Owen laid this "Model" before Congress, before the Supreme Court of the United States and before President James Monroe, for their approval and encouragement.

Well, the new community opened its doors for business on April 27, 1825, just one week before the close of President Monroe's administration and the beginning of that of John Quincy Adams. Indiana was then a new state, having been admitted to the Union in 1816.

Originally there were about 800 of these Communists or about 18 for each section of land. They constituted all kinds and character of people — many of the best and most honest citizens, some adventurers, some dead-beats, some of the "most gifted men and women of the day" including educators, scientists, economists, chemists, geologists, and other "intellectuals."

Under the constitution adopted, all were to labor alike and all were to share alike the proceeds of the enterprise. Everybody lived in the community homes and had the same food and clothing, all property being owned in common.

And what happened? Well, here is the way Reader's Digest tells it: "Almost immediately the millennium showed alarming signs of departure. The moochers howled because they had to work. The industrious complained that as fast as the fruits of their toil accumulated they were borne off by the parasitic. In a town that was supposed to have abolished money people were ready to sell their souls for the feel of hard cash. Some of the more godly people protested the absence of religious worship and set up a commun-

ity of their own a few miles off. Ordinary standards of responsibility deteriorated swiftly. Since there was no incentive for accomplishment, the only ambition of the New Harmonists was to survive — without hope of an improved status. Inherent talents could not be developed because everybody had to take turns in performing necessary tasks. This led to the spectacle of musicians trying to milk cows, geologists attempting to solve the mystery of sewing on buttons . . . Great dissatisfaction arose from the scheme for state care and training of children. Parents lost the help and comfort of the older children, and saw the little ones starved for affection, regimented every hour of the day."

Finally dissatisfaction became so great that the members of the outfit asked the promoter to take charge of affairs as a dictator. He did so and tried to serve benevolently. But he found the task a hopeless one. Great debts had accumulated. He proceeded to pay them and to close up the affairs of the community. On June 1, 1827, he departed, broken in health, fortune, and reputation. It had taken just a little more than two years for the experiment to prove an utter failure.

All students of history are familiar with the Brook Farm experiment in Massachusetts, made by a bunch of New England "Intellectuals." This experiment was begun in 1841. It started with ample financial backing, but it was soon found to be going on the rocks financially and in other respects, and was finally abandoned in 1847, a complete failure.

Another communist experiment was started in 1847, the very same year in which the Brook Farm community went out of business. This one was established by a religious sect at Oneida, New York. Only members of the sect and their families, however, were admitted to this community, and it managed to survive for a number of years. Its character gradually changed, however, and in 1881 it was converted into a stock company.

Another communist community established by Amana, a German religious sect, near Iowa City, Iowa, in 1855, still maintains some kind of existence, but its character as a strictly communist enterprise has been greatly modified.

Strange as it may seem, a group of German students at one time established a Communist community in Texas. That was in 1847. The site of their experiment was on the Llano River, near the present town of Llano. They called it Bettina. It encountered troubles almost from the beginning and was soon given up as a failure.

Thus Communism has been tried out a number of times in this country under the most favorable circumstances, and in every instance it has proved a failure.

There is little likelihood that Communism will ever get a toe-hold in this country except, in a small way, among a few fanatical foreigners and certain crack-brained members of labor organizations.

The idea does not appeal to the heart of America.

Really, we believe that Russia is drifting away from the Communist idea. As we understand it, they do not have pure communism there now by any means. The State doesn't own all the property. The ownership of private property is allowed to a certain extent; and as the people become more and more enlightened and more independent of the dictators, they will probably drift farther and farther away from their communistic status.

The Russian leaders seem to have

relied somewhat also in their opposition to Christianity. It is probable that in the course of time this opposition will vanish altogether and thereupon Russia will probably become one of the most fruitful mission fields in all the world, unless it be China.

We are going to usher in a better world after these brutal dictators are crushed. But it will not be a Communistic world.

There are extensive iron ore deposits in East Texas and appreciable amounts apparently in the Burnet-Llano area.

### Junior Red Cross Makes Trinkets

Did you ever dream that anything beautiful could be made out of these horrid Devil's Claws that grow promiscuously in the pastures and fields of this South Plains country?

Well, if you will drop around to the office of County Superintendent Lenre M. Tunnell you will find that with a little paint and a little artistic work, these unsightly Devil's Claws can be easily converted into images of very gaudy fowls similar in appearance to the proud and colorful peacock.

Mrs. Tunnell has two of the "fowls" in her office as samples of the handwork of the Junior Red Cross children of the Edith public school. These children recently made many of these "fowls" and just last week Mrs. Tunnell sent sixty of them to Fort D. A. Russell at Marfa to be used as Halloween ornaments on the dining tables in the Army Hospital there. She had a letter from some of the authorities there expressing their delight and appreciation. Some of the handwork of these and other Junior Red Cross children of this county had been sent to this hospital and other institutions on previous occasions, and they always brought forth expressions of surprise and delight.

Last spring, Mrs. Tunnell sent out many dozens of Easter eggs which the Junior Red Cross had converted into things of beauty.

Mrs. Frank Hill last week accompanied her parents, Mr. and Mrs. B. H. Howard of Lubbock, and a sister, Mrs. Howard Crausby of Crosbyton, to Wichita Falls to visit Grady Howard, who has recently had a major operation at the Sheppard Field hospital.

Lieut. Kirby C. Eddleman, aviation student at Kelly Field and a close personal friend and companion of Lieut. Wells Edwards while there, came up last Friday and attended the funeral services for Lieut. Edwards Saturday afternoon. He was flagbearer at the funeral.

### What You Buy With WAR BONDS

It is imperative that the ship lanes be kept free of ice. With American troops occupying Iceland and the Navy using the northern route for transportation of supplies to Russia, ice breakers are essential to Naval operations. The ice breaker is a specially constructed ship with heavily armored bows and powerful engines that crush the ice floes rather than ram through them.

Ice breakers of the Kickapoo class operating in the North Atlantic cost approximately \$10,000,000. You can help our Navy build these ships by investing at least ten percent of your income in War Bonds every payday. Enroll in the payroll savings plan or apply at the nearest bank or postoffice. U. S. Treasury Department

### DEALERS MAKE FARM MACHINERY INVENTORY

Inventories of more than 100 types of machinery and equipment will get under way in Texas next week.

Working with Texas' 254 county farm machinery rationing committees, dealers, distributors and manufacturers are being asked to take stock of their supplies and make final report by November 10.

Purpose of the inventory is to determine equipment and farm machinery available to Texas farmers for the 1943 crop year and lay ground work for permanent rationing, according to B. F. Vance, chairman, Texas USDA war board.

He explained that dealers who do business in six or more Texas counties should file their reports with the state USDA war board instead of local rationing committees, and with the Washington office if business is conducted in more than one state.

Included in the inventories are various types of planting, seeding, and fertilizing equipment, plows and listers, harrows and pulverizers, cultivators and weeders, grain, and rice binders, combines, mowers, rakes, power feed cutters and corn shellers, and hay presses or balers.

Other types of machinery and equipment to be included in the over-all inventory are tractors, power engines, farm wagons and trucks, dairy machinery and equipment, spraying outfits and domestic water systems.

### LEO JACKSON HERE

Leo Jackson, former Tahoka coach, wife, and daughter, were in Tahoka last week end visiting friends.

Jackson's Class AA Olney team has won three and lost one conference games this year. His team has lost three non-conference games to Fort Worth Tech, Denison, and Plainview.

### COMPLETES COURSE

Having completed a business course which she was taking at a business college in San Antonio, Miss Billie Lee Bursleson returned to her home here last week. She does not expect to accept regular employment until after the Christmas holidays.

Mrs. A. C. Scott of San Angelo visited Mr. and Mrs. L. C. Haney from Sunday until Tuesday. Mrs. Scott is on her way to Georgia, where her husband is in defense work. Mrs. Scott and Mrs. Haney are sisters.

Pvt. Roy B. Howard of Camp Callan, California, was home on furlough visiting his parents in Lubbock and also his sisters here, Mrs. Henderson and Mrs. Frank Hill.

Mrs. Greta Joyce Privitt returned Wednesday from San Antonio, where she had spent a few days with her husband, St. Sgt. Samuel J. Privitt, who is stationed temporarily at one of the flying fields there.

Mrs. Elmore Boydston of Big Spring visited here Wednesday.

### O'Donnell Girl Dies Suddenly

Funeral services were conducted at 3:30 o'clock Sunday afternoon in the Baptist Church in O'Donnell for Della Ruth Lane, 10, daughter of Mr. and Mrs. Jack Lane, who reside four miles northwest of O'Donnell, by Rev. E. C. McDonald, the pastor. The body was buried in the O'Donnell cemetery under the direction of the Harris Funeral Home of Tahoka.

Della Ruth died at about 9:30 o'clock Saturday morning after having been seriously sick for only two days. Death came just after she was placed in a car to be carried to a hospital in Lamesa for treatment. She had not been feeling well for several days prior to the time when she became seriously ill Thursday morning. Members of the family were unable to state positively the nature of the fatal malady but believed that she was suffering from pneumonia.

Born in Oklahoma City, Della Ruth was just a little more than 10 years and 10 months old. Moving to Texas, the family had lived for a time in Lubbock County. Then they removed to Medina County and came from Medina to Lynn about two years ago. Up till the time she became ill, Della Ruth had been a student in the O'Donnell public schools. The parents have the sincere sympathy of many friends.

Texas is the largest natural gas-producing state in the Union, and it is also the largest consumer.

### Loy Huff Is Now In Hawaii

A. A. Huff of the New Lynn community reports that his son, Pfc. Loy Huff, is now in Hawaii. Loy was the first man to be inducted into the Army under the Selective Service Act from Lynn County. That was on March 10, 1941. Several had volunteered for service before that time but he was the first inductee. He was recently sent from an army camp in Washington to San Francisco and soon thereafter went aboard ship for Hawaii. He has been there only a few weeks.

Cadet Homan Edwards of a flying field at Tucson, Arizona, and Billie Jack Edwards, who is employed at the Douglas Aircraft plant at Los

STATED MEETINGS of Tahoka Lodge No. 1041 the first Tuesday night in each month at 8:30. Members urged to attend. Visitors welcome.

"I was positively amazed at the relief of pain and itching of piles when I changed to your ointment." — Lester Whaley, Hiawatha, Kans. That's what may be expected from Thornton & Minor's Rectal Ointment. It's used adjunctively by DOCTORS at noted Thornton & Minor Clinic. For quick relief of pain, itching, soreness of piles, fissures, rectal irritations, simple non-surgical cases. Get a tube today (with pile pipe cover). If not delighted, your money back. WYNNE COLLIER, Druggist

Angeles, came by plane last week to attend the funeral of their brother, Wells Edwards, which was conducted at the Baptist Church here Saturday afternoon. Cadet Homan Edwards returned to Tucson the first of the week but Billie Jack remained for a longer visit with his parents.

## ARMISTICE DAY

There will be another Armistice; there will be a new time of peace. When, we do not know. We do know that the time will be long and the fight will call for many sacrifices. YOU can speed Victory by faithfully buying War Bonds.

WYNNE COLLIER, Druggist

# KEEP IT FLYING . . . ...KEEP ON BUYING WAR SAVINGS BONDS AND STAMPS

November 11, 1942, the whole world is aflame again. Our boys are again staking their lives for the things for which our Government stands. We pause this moment to pay tribute to those who died in 1917-18, and to those who are now fighting for our way of life.

## Burleson Grain Co.

### Lieut. Robt. Spikes Is Rotary Speaker

Lieut. Robert F. Spikes, who has been in training in the Army Air Forces for the past several months and who is here from the Waterboro, South Carolina, Flying Field on a visit with his parents, Mr. and Mrs. Houston Spikes, was the guest speaker at the Rotary Club luncheon Thursday.

Within the limits of military regulations, he gave the "low-down" on our Army planes, and he discussed the criticisms of them that have been made in some quarters. He thinks that some of those already in use and others now being manufactured but not yet in action on the fighting fronts are the "finest in the world."

Comparisons which some of the critics have made between U. S. planes of one type with enemy planes of other types are not fair, he pointed out, for each type of plane is made for a specific purpose and should be compared only with enemy planes made for the same purpose.

Our greatest trouble, he suggested, is the matter of supplies. A plane can not perform satisfactorily with-

We hold high esteem for the boys who fought and died for our freedom in 1917-18.

Our boys today are fighting for the same cause - - -

Buy War Bonds and Stamps

**Black Cat Cafe**

out sufficient supplies, but we are now remedying this defect, he said.

Lieut. Spikes gave something of his own personal experiences. Learning to fly, he reminded his auditors, is a gradual process. It must be learned by experience and step by step. He himself has made rapid progress. He is now flying a B-25 medium bomber. There are four squadrons in our group, he said, and we think our group is the best. He attributed that to the fact largely that they have the best ground crew with a man of long experience directing it. And he stressed the importance of the part played by the ground crews.

An interesting fact about the plane which he is now flying is that it is one of the planes that raided Tokyo. A number of those planes and several of the men who raided Tokyo are in his group, he said.

He closed by expressing the confident belief that the U. S. Air Forces are going to be able to cope successfully with those of Japan and Germany and that "we are going to win this war."

His address was one of the most interesting the Rotary Club has heard.

Prior to his address, Prentice Walker called attention to the football game to be played here next Wednesday between Tahoka and Levelland, urging the people of Tahoka to give it their fullest support.

Deen Nowlin stated that he was told in Levelland this week that the business men there are going to close up on that day and come to the ball game here.

Coach Volney Hill expressed his appreciation to the people of Tahoka for the cooperation they had given him and assured his hearers that whatever the result of the game the people of Tahoka would not be ashamed of their team on that day. He commended the good work the team has been doing.

Miss Eleanor King is the new pianist for the Club.

Mrs. Houston Spikes was a visitor.

Mr. and Mrs. F. T. Thorpe were called to Lubbock Thursday morning. Mr. Thorpe's mother underwent an operation Wednesday in a hospital there and was reported as not doing so well.

BUY WAR BONDS & STAMPS.

### Grassland Man Is On Tulagi

Mrs. John Curry received a letter last Saturday from her brother, Corp. J. B. Thompson, who went into the service from Grassland, bringing the information that at the time the letter was written, August 15, he was on Tulagi Island, one of the Solomons, situated near Guadalcanal where so much fighting has been done since that date.

At that time he said he was just fine and asked Mrs. Curry to say Hello to all the folks for him. He is a son of J. B. Thompson of Grassland. He left the West Coast for some place in the Pacific on July 1, and soon after that time when he crossed the equator he wrote back home. Some time later he wrote that he had safely landed but of course did not state where. So, the family had no information whatever as to his whereabouts until this letter came Saturday, written almost three months ago. The only letter he had received from Tahoka since leaving was one written to him by Mrs. Curry in June.

It is not known whether Corp. Thompson has been in the thick of the fighting with the Japs or not, but it seems probable that he has been.

Rogers Curry, a brother of John Curry, was known to be on one of the islands of the South Pacific also back in the summer, but his location at that time was several hundred miles from Tulagi Island.

### Mrs. Geo. Knight's Mother Is Buried

The News learned belatedly this week of the recent death of Mrs. Atnie Gray, 86, mother of Mrs. George Knight which occurred at the latter's home in Lubbock on the morning of October 20.

She had not been seriously sick at all, so far as the family knew, and death came very unexpectedly. Apparently she just went to sleep and died without a struggle or a pain.

Funeral services were conducted the next day in the Methodist Church in Rotan, Fisher County, where Mrs. Gray resided for many years. For the past several years she had spent much time with the Knights here and had resided with them continuously for the past year or more. She went with the family from this place to Lubbock when they moved to that city a few months ago.

Mrs. Gray was a lovable Christian character and had many friends here. Mr. and Mrs. Lee Roy Knight and Mrs. Winter Knight of Tahoka attended the funeral services.

### Hicks Lease The McKinnon Laundry

Mr. and Mrs. George W. McKinnon have leased their laundry here to Mr. and Mrs. C. B. Hicks, late of Wolfforth, and they are preparing to take a rest.

They left here Wednesday morning for Oklahoma City, from which place they will be accompanied back to Tahoka by his mother and his sister. After spending a few days here, the four will leave for the far West. Mr. and Mrs. McKinnon expect to stop at Phoenix, Arizona, where they will spend an indefinite time for the benefit of their health.

Mr. McKinnon's mother and sister expect to go on to some point in California, possibly to take up their residence there.

Pvt. Johnnie Raindl, son of Mr. and Mrs. Frank Raindl of the Dixie community, who recently enlisted in the Air Corps, is stationed at the Lubbock Army Flying School.

We pause with bowed heads for the dead of World War I - - - this Armistice Day - - -

Also we honor the boys that are bravely fighting for our freedom and your freedom today!

### Harley Jolly Tells Of Landing Barges

Harley Jolly, fireman first class in the Navy, has been here the past few days visiting his parents, Mr. and Mrs. J. L. Jolly.

Jolly expects to be assigned to the operating crew of the Navy's newest type fighting ship on his return to an East Coast Naval Base.

His new ship is a gigantic landing barge, 327 feet long, and he says he is revealing no military secret in saying that this boat will carry 1,000 men and 17 amphibious tanks, completely supplied, and draws only four feet of water. This is the largest landing barge known, and Harley thinks it will be a powerful force when used against the enemy.

The Navy has been using much smaller landing barges than this, those previously built being 30, 50, 105, and 158 feet in length.

### MRS. MARTHA WIGGINS DIES NEAR TAHOKA

Mrs. Martha E. Wiggins, 81, died at her home at Tahoka route 2 or Wednesday afternoon at 2:15 o'clock. She has lived near Tahoka since 1928.

She is survived by one son, Henr Wiggins of Lynn County and on daughter, Mrs. W. C. Dulin; 10 grandchildren and eight great grandchildren.

Funeral services were conducted Thursday afternoon at 3 o'clock in the Big Spring Methodist Church and burial was made in the Big Spring cemetery. Bryan McDonald and Son Funeral Home was in charge of arrangements.

### 4-H CLUB MEETS

The 4-H Club girls met November 2, and the following officers were elected:

Bennie Lou Pridmore, president. Savannah Lou Tunnell, vice pres. Joretta Shawn, secretary. Joann Edwards, reporter. Lura Maye Howell, song leader. We had an interesting study on arranging flowers. We will have our next meeting on November 9.

In 1940, the power industry in Texas supplied more than 4,520,000,000 kilowatt hours of electricity to about 997,700 customers in more than 1,600 towns, villages and communities.

Texas' power companies employ approximately 10,000 persons and have an annual payroll of more than \$13,000,000 annually.

The first electric power plant in Texas was erected in Galveston in the early eighties.

WE HONOR THE DEAD THIS ARMISTICE . . .

Buy Stamps and Bonds - - - to help our boys - - - that they may not fight empty-handed.

### MRS. TUNNELL INITIATED IN DELTA KAPPA GAMMA

Mrs. Lenore M. Tunnell, county superintendent, was initiated in the Alpha Sigma chapter, Delta Kappa Gamma Society, at the October meeting in Lubbock last Saturday, at the home of Miss Dorothy Lomax.

Delta Kappa Gamma is an honorary sorority for women who have distinguished themselves in the teaching profession. The Lubbock chapter has members from eight counties. Besides Lubbock and Lynn, other counties included are Cochran, Crosby, Garza, Hockley, Terry and Yoakum. Eight new members have been elected this fall.

Mrs. E. I. Hill, Tahoka, is an associate member of the organization.

### L. H. Clark Is Buried Tuesday

O'DONNELL, Nov. 4 (Special) — Lewis Henry Clark, 50, died at a Lamesa hospital late Sunday night, from injuries received when he was kicked by a horse. Mr. Clark was doctoring horses at his farm in the O. K. community Friday afternoon, when a horse kicked him in the stomach. He was rushed to a hospital where an operation was performed, but injuries were so serious, no hope was given for his recovery.

Mr. Clark had made his home in the O. K. community since 1922. He was a member of the Baptist Church, having joined in 1917.

Funeral services were held at 2:30 p. m. Tuesday at the First Baptist Church in O'Donnell with Rev. E. F. Cole, Lamesa, and Rev. E. C. McDonald officiating. Burial was made in the O'Donnell Cemetery.

Survivors include his wife, Mrs. Clara Frances Clark; one brother, A. B. Clark, Lamesa; children, Mrs. W. T. Snellgrove, O'Donnell; L. G. Clark, Lamesa; Mrs. G. E. Vestal, Lamesa; and Bobbie Roy Clark, Bennie Wayne Clark, and Patsie Audene Clark all of Lamesa; and two grandchildren.

Today about 45,000 Texas farms are supplied with electric light and power, as compared with 8,250 in 1930.

More than 22,000 miles of steam railroad tracks are in operation in Texas.

Buy Stamps and Bonds now — Tomorrow may be too late!

### More Equipment For Defense Guard

New equipment is being received almost every week by Co. A, 39th Battalion, Texas Defense Guard, from the U. S. Army and the State Guard headquarters.

This week the Tahoka unit has received 53 shotguns, mess kit implements, etc. Ammunition for these guns and for 22 rifles and the three machine guns the company has on hand was received about two weeks ago.

Last Wednesday and Thursday, members of the company were issued new O. D. winter uniforms and windbreakers.

Several new recruits are signing up with the Defense Guard company since the U. S. Army recently made known the fact that members of the Guard who enlist or are drafted into the Army will be given credit for the work they did while members of TDG and excused from much of the strenuous "breaking-in" period of the recruit in the Army.

Monday night's drill consisted of instructions in wedge formations and close-order drill by Capt. Don Turner of the Guard and Lieut. Truett Cooper of the Army, who has been visiting relatives here.

Refreshments were furnished by Frank George and Claude Conway.

#### Meeting of Auxiliary Tuesday Night

There will be a regular meeting of the American Legion Auxiliary next Tuesday night at 8:00 o'clock at the Legion Hall.

All members and those eligible are urged to be present, according to Mrs. A. M. Cade, the president.

Do your part! Get in the SCRAP!

### Wells Edwards . . .

(Continued from page one)

The bugler for the occasion was a soldier from the Lubbock Flying Field while the flagbearer was from Kelly Field San Antonio.

A wealth of flowers was banked around the casket, and in spite of the fact that the services were held on Saturday afternoon when the business men and women of the town and their employees were unusually busy, the seating capacity of the church was practically filled.

The body was laid to rest in the Tahoka cemetery under the direction of the Harris Funeral Home, the funeral services being concluded at the graveside.

Wells Edwards was an aviation student at Kelly Field and lacked only two flying hours of having completed his training for his "wings" when the fatal accident came. He and his instructor, Lieut. Harold J. Gerow of Middleboro, Vermont, were out on a flight, and it is not known what caused the crash, though it is said that a fog enveloped the earth and limited visibility to only a short distance at the time. Both were instantly killed.

Wells would have received his commission this week. He had written his mother, the letter being received by her after his death, that he expected to be in Lubbock Friday and would stop over in Tahoka to see her.

Under date of October 6, he had also written to Mrs. W. O. Henderson, a former teacher whom Wells evidently loved and appreciated very much, expressing his gratitude to her for her encouragement and helpfulness. With her permission, we publish this brief missive.

"Kelly Field, October 6, 1942. 8:00 P. M. C. W. T.

"Dear Mrs. Henderson: "I am thrilled every time I get a card or letter from you. I am happy to know I have such a friend. It gives me a feeling of security when I know I have such people behind me.

"We are supposed to graduate November 10th although something could prevent us from doing so. It will be a great day for me if I graduate and I know that I will owe my success to those of you who have stood behind me. I hope I can show my gratitude by helping win the war. — Your loving pupil, Wilson Wells Edwards."

Wells was a graduate of the Tahoka high school with the class of 1937.

### Miss Adina Morgan Works In World's Largest Office Bldg.

A communication from Miss Janice Adina Morgan received by The News a few days ago giving her latest address states that she, together with a vast number of other War Department employees, is now located in the recently constructed Pentagon building, said to be the largest office building in the world. "It is a beautiful place and the offices are quite nice," she writes, "despite the fact that the view from my office window takes in the Arlington Cemetery."

Miss Morgan has been employed in Washington more than a year. She is the daughter of Mr. and Mrs. J. E. Morgan of Garnolia.

#### MRS. MINOR ILL

Relatives and friends here received word last week that upon arriving in California Mrs. Jane Minor, proprietor of Jane's Beauty Shoppe, suffered another heart attack and had to be taken to a hospital. Later information is to the effect that she is improving. She went out there in company with Mrs. Mildred Davis Bumpass and little daughter to spend a few weeks with her husband, A. J. Minor, who is engaged in construction work there.

On October 1, 1940, Texas had 208 power plants with an installed generating capacity of 1,177,200 kilowatts or 1,569,000 horsepower.

**CHILD GUIDANCE CLUB**

With Mrs. Coy Fielder as hostess, the Child Guidance Club enjoyed an interesting program on "Family Spending," Tuesday afternoon.

In discussing family spending Mrs. E. Prohl emphasized making a plan or a budget by which one could be guided in each month's financial management. Such a method, said Mrs. Prohl, would be a help to each particular family, and would enable each family to save through buying defense securities, which will help to win the war.

Mrs. E. R. Edwards discussed "Learning About Spending," showing how essential it is for each child to learn about money. "Each child should be allowed to handle money and learn the responsibility of putting it to worthwhile uses," Mrs. Edwards said.

Mrs. Howard Payne was received as a new member. Others present included Mmes. Fielder, Prohl, Fred B. Hegli, Edwards, K. R. Durham, Fred McGinty, W. C. Huffaker Jr., G. M. Reid and James Clinton.

**Sgt. Alvis Mensch Weds Miss Rudene McLain**

Rev. J. E. Young, pastor, of the Methodist Church at Draw, read the marriage rites for Sgt. Alvis Mensch of the Draw community and Miss Rudene McLain of Berry Flat on last Sunday at 1:00 o'clock in the afternoon.

The groom is the son of Mr. and Mrs. S. A. Mensch and is now serving in the armed forces of the United States, being stationed at the Carlisbad Air Base.

Mrs. Mensch is the daughter of Mr. and Mrs. E. T. McLain of the Berry Flat community. They are a popular young couple and their many friends wish them much happiness through life.

They will make their home temporarily at Carlisbad.

Miss Myrna Dean Gagnat, who is attending Chevy Chase, a girls' school near Washington, D. C., has written to her parents that in order to spend the Christmas holidays here she will be compelled to start on or before December 15 and can not then start back until January 15. Trains and busses will be reserved during that period for soldier transportation and other necessary traffic in the war effort. She and her brother Charles expected to see the great football game this week end between the Army and Notre Dame in New York City.

Mr. and Mrs. H. P. Caviness went to Texarkana last week to visit their son-in-law and daughter, Mr. and Mrs. Henry L. Dixon and children, before they return to Akron, Ohio. Mrs. Dixon and children were expecting to return to Akron soon, it is said, to remain there while Mr. Dixon is engaged in war work. Being a chemist, he is engaged in some highly specialized work. It was not known here whether Mr. and Mrs. Caviness would return to Tahoka this week or not.

Rev. and Mrs. H. A. Nichols had as their guests last Sunday Mr. and Mrs. Will Martin, who live just over the line in Lubbock County on the Tahoka-Lubbock highway. Brother Nichols says that Mr. Martin was a member of his board of stewards some years ago when he was pastor at Roby. They have been warm friends since. Mr. Martin has recently become noted as the originator of the popular Martin Maise.

**METHODIST CHURCH**  
Sunday, November 8, will be the last Sunday for this Conference year, hence it should be the best. And you can help make it the best by being present at all of the services, and taking part in the worship program.

The pastor will make a brief report of this year's accomplishments and you will be happy to hear them. Every member and friend should be present on this, the last Sunday in the Conference year. A bulletin will be given out having the names of officials, boards, committees and other items of interest in it. It is hoped that you will file away this bulletin for future reference — so you will know who is on the various committees with you, your stewards and superintendents of the church school, and the board of Christian education.

Sunday will be a good time for parents to bring their infants to the church and have them christened. Several have expressed themselves lately about coming into the membership of this church, so do not delay but line up with us Sunday. The pastor will leave for the Northwest Texas Annual Conference at Sweetwater, Wednesday, Nov. 11. It will continue through to Sunday afternoon, November 15.

Rev. Frank Thomas, pastor of the Central Baptist Church two miles north of Grassland, reports that they had a most successful Sunday School study course in his church last Sunday afternoon. Brother Thomas is not only pastoring the church now but he is also driving one of the school buses for the Grassland district.

Dr. Carl Prohl, dentist, brother of Dr. E. Prohl of this city, who located in Lubbock recently for the practice of his profession, has enlisted in the medical service of the army and was sent to Camp Berkeley.

Claude Raindl of Dixie has returned to school after staying out two weeks while receiving treatment of her leg.

Johnnie Raindl spent a week in San Antonio recently visiting his brother, Sgt. Joe Raindl of Fort Sam Houston.

Mrs. H. O. Dickson and baby of Mt. Pleasant spent last week here with her father, E. L. Smelser and family.

Mrs. W. H. Thornhill went down to Dallas Tuesday night to purchase holiday goods for the store.

**Three Florence Boys Home For Reunion**

They are planning a big turkey dinner down at the home of Mr. and Mrs. W. Z. Florence near Draw next Sunday. All their three sons and a son-in-law now in the army will be there, as will also the married daughter and the daughter-in-law.

Sgt. Willie Florence and wife came in Tuesday from New Orleans, near which city Sgt. Florence is stationed in an army camp. They expect to be here about eight days altogether.

St. Sgt. Charles Florence arrived on the same day from Camp Edwards, which is situated near Boston, Mass. He will be here a week.

J. B. Florence, who recently enlisted in the Air Corps and who is stationed at the Lubbock Flying Field, expects to be home on Friday, Saturday and Sunday. Pvt. Lawrence Edward Sherrod and wife, who is the daughter of Mr. and Mrs. Florence, are also at the Florence home this week and will be there Sunday. Pvt. Sherrod is also stationed at the Lubbock Flying Field.

Sgt. Willie Florence and St. Sgt. Charles Florence have each been in the service two years on the 25th of this month. Since it will not be possible for them to be here at Thanksgiving time, Mr. Florence says that they decided to have a regular Thanksgiving dinner Sunday—turkey with all the trimmings, 'n everything.

Douglas Finley took his wife and two children to De Leon Thursday where they will spend a week or more visiting her parents, Mr. and Mrs. E. B. Rider. Mrs. Finley's mother has been confined to her bed the past year and is not doing so well.

Mrs. H. O. Dickson and baby visited her parents, Mr. and Mrs. E. L. Smelser here last week, leaving Friday to visit her husband's mother at Memphis, Texas. They are living at Mount Pleasant.

Edith Dickens, daughter of Mr. and Mrs. Rex Dickens of Tahoka, Rt. 2, underwent a tonsillectomy at a local clinic Wednesday morning.

Mr. and Mrs. Tom Ireland of Houston visited in the home of Mrs. Ireland's aunt, Mrs. L. C. Haney, and Mr. Haney.

**"Leto's" Helps Your "Gums" Get Well**  
Are your gums unsightly? Do they itch? Do they burn? Druggists return money if first bottle of "LETO'S" fails to satisfy.  
WYNNE COLLIER, Druggist.

**McGonagill And McElroy Move**

Mrs. A. H. (Buddy) McGonagill, enroute to Rusk, stopped over Friday for a brief week end visit here with relatives and friends. Mrs. McGonagill and Mrs. W. V. McElroy and Jan were returning from a visit to their husbands at a West Coast Camp before the men were sent to duty elsewhere.

The wives reported an enjoyable trip and visit to the West Coast, because they found the men in good health and with high spirits, seeming very happy in their work.

As mentioned recently, Mrs. McGonagill is now a technician in the State Hospital at Rusk, and is finding her own work very interesting.

Mrs. Christine Rabun of San Diego, California, is spending a ten day vacation with her parents, Mr. and Mrs. J. B. Nance. Mrs. Rabun's husband was sent overseas last summer, and she is engaged in defense work at San Diego.

— SCRAP THE AXIS! —

Among the out-of-the-county relatives here last Saturday attending the funeral services for Lieut. Wells Edwards were Mr. and Mrs. John Burleson and Mrs. S. E. Melton, all of Lubbock.

County Home Demonstration Agent  
Extension Service, A. & M. College.

#### Shipping Christmas Foods

This year great quantities of home made food will go through the mails to the boys in training camps. That means packages must be mailed early to reach their destination before Christmas.

It also means that food must be well packed, so it will be delivered in first class shape. Only foods which can stand shaking and knocking about, which can withstand heat and cold, and which won't be affected by several days' delay in the handling should be sent.

What goes into the package should be determined by what the receiver likes best and by how well that food will ship. Here are some suggestions for a box of goodies: salted and spiced nuts in tight waterproof bags or tight tin boxes, nut bread, nut cookies, home made candy that isn't too brittle; jars of jam, jelly marmalade or cheese.

Bread should be wrapped first in waxed paper and then in corrugated cardboard. Cookies travel best wrapped separately and then put in a tin or cardboard box. Any spaces in the box should be filled in with paper to prevent the cookies shaking into crumbs.

Fruit cake, of course, ships better than any other cake. Dried fruit, dried fruit candies, and candied fruit — particularly candied orange and grapefruit peel, stand travel. Be sure your food gifts look attractive as well as taste good and travel well.

Jack Reaves of Lubbock, who is employed in the License and Weight Division of the Department of Public Safety, was in Tahoka on official business Monday afternoon. Statistics which Jack had in his possession showed that the Department had made big money for the State during the past year. Jack was formerly a citizen of Tahoka.

Miss Marie Cox, who has been employed in the Farm Security office here for many months, is being transferred this week end to Plainview, where she will be employed in the F. S. A. office. Her duties there will begin on Monday morning.

#### SHERIFF'S SALE

The State of Texas, County of Lynn: NOTICE IS HEREBY GIVEN that by virtue of a certain Execution issued out of the Honorable District Court of Dallas County, on the 23rd day of March, 1942, by Pearl Smith, Clerk of said District Court, for the sum of One Thousand Two Hundred Ninety-three Dollars and 79-100 Dollars and costs of suit under a Judgment, in favor of Republic National Bank of Dallas in a certain cause in said Court, No. 56740-C and styled Republic National Bank of Dallas vs. Elta Adams and Jeff E. Lindley, Independent Executors of the Estate of Mary Ellen Tucker, Dec'd, placed in my hands for service, I, B. L. Parker, as Sheriff of Lynn County, Texas, did, on the 1st day of September, 1942, levy on certain Real Estate, situated in Lynn County, Texas, described as follows, to-wit:

Survey 503, Block 1, Certificate 475, E. L. & R. R. R. Co. Less 12.43 acres in P. & S. V. Ry. Co. right-of-way and 8 acres owned by the Estate of A. D. Shook, deceased,

and levied upon as the property of Mrs. Geo. P. Tucker, also known as Mary Ellen Tucker, deceased, and that on the first Tuesday in December, 1942, the same being the 1st day of said month, at the Court House door of Lynn County, in the said town of Tahoka, Texas, between the hours of 10 A. M. and 4 P. M. by virtue of said levy and said Execution, I will sell said above described Real Estate at public vendue, for cash, to the highest bidder, as the property of said Mrs. Geo. P. Tucker, also known as Mary Ellen Tucker, deceased.

And in compliance with law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in the Lynn County News, newspaper published in Lynn County.

Witness my hand, this 16th day of October, 1942.

(SIGNED)  
B. L. PARKER,  
Sheriff, Lynn County, Texas.

11-3tp

Two of the Plunkett kiddies poised for a special dance with Harley Sadler's Own Company coming to Tahoka soon.

Texas' network of power lines consists of some 8,000 miles of high voltage transmission lines of 60,000 volts and over; approximately 20,000 miles of lines of 11,000 to 60,000 volts, and thousands of miles of lines of lower voltage.

The first long distance telephone line in Texas was established between Galveston and Houston in 1883.

### Despite War, Wilson Future Homemakers Have Great Time

The Wilson Chapter of Future Homemakers of Texas have been patriotic and saved on gas and tires and still had more fun than at any pre-war party. Staying at the home of their sponsor, Mrs. Marion Leitch, the girls participated in a very busy evening and night. With many helping cook, a delicious fried chicken supper was prepared and thoroughly enjoyed.

One of the highlights of the party was a skating party held in the gymnasium of the school from 9 to 11 o'clock, at which many learned to skate and others got a lot of practice and in spite of the many falls received it was voted a huge success.

Returning from the skating party, the 36 members of the party had a watermelon feast with the exception of one girl who fell in the fish pond.

The tired but happy girls were glad to go on with the rest of the program, which was a slumber party.

After a delightful breakfast the following guests returned to school Friday morning: Rosie Rinne, Faye Watson, Naomi Powers, Juanelle Callings, Jo Laverne Pruitt, Elizabeth Crowder, Sallie Young, Flois Willburn, Lois Snodgrass, Addie Jean Gryder, Atha Lee Brewer,

Becky Nieman, Jackie Callings, Bernice Neugebauer, Elnor Shambeck, Bessie Rose Gumm, Wanda Baker, Patsy Standefey, Pauline Hutcheson, Frances White, Mary Lou Punkoney, Mary Frances Evrage, Frances Wied, Ellie Walston, Ruby Alice Siewert, Betty Jo Willburn, Bernice Limmer, Mary Jane Hampton, Fama Hanabass, Frances Patterson, Rosa Lee Heinrich, Wanda Lee Rice, and Lenore Krause. Special guest for supper and the skating party was Miss Pauline Duff.

### New Operator At Booster Station

L. R. Rogers and family of Littlefield have removed to Tahoka and are occupying the house recently vacated by Mr. and Mrs. A. P. Nowlin and children. The Nowlins have moved into the residence which they recently purchased from A. L. Pace, Mr. Pace having moved to New Home where he is superintendent of schools.

Mr. Rogers succeeds C. C. Stephens, who has had charge of the booster plant of the West Texas Gas Company situated just west of Tahoka. Mr. Stephens has enlisted in the Army and was assigned to service with the Seabees. He left here last Saturday night.

There were 1,805,446 single-unit dwellings in Texas in 1940.

### Former Resident Is Visitor Here

Mr. and Mrs. L. C. Johnson had the pleasure last week of entertaining Mr. Johnson's brother, A. G. Johnson, who resides out beyond Albuquerque, New Mexico, who just came on a visit. It was the first time the two brothers had seen each other for twenty-one years. The vis-

itor formerly resided in this county, moving away from here in 1921. He recently lost his life companion by death. A son, whom he also visited, resides in Lubbock.

Texas' principal type of coal is bituminous, occurring in a belt through North Central Texas and also near the Mexican border in Maverick County.

## ON NEXT WEDNESDAY

Let all of us honor the honored dead. Let us also honor the living who were willing to give their lives for their country. In World War II, just as in World War I, they are making a noble sacrifice.

# ★ ★ ARMISTICE DAY ★ ★

Can you remember peacetime? Can you remember the noisy joy-filled throngs that celebrated the Armistice Day that ended World War I? We're "celebrating" that Armistice today — embroiled in World War II. And this is a different war: a people's war in which every civilian wages a fight. This war is going to be a fight to the finish—of totalitarian, fascist, power-lusting. This war is going to end with a more glorious Armistice than the last—because when this war ends liberty's torch will flame brightly, and she'll hold her head high — forever. When this war ends, those responsible for war shall have learned their lesson, and paid a heavy price for it. They won't want another war—ever. That's the kind of Victory to which we pledge ourselves this Armistice Day in tribute to all who fight—and ever fought for freedom!

Maybe you can't carry a gun. Maybe you can't turn out a tank. But you can buy War Bonds and Stamps — even to the point of privation. Because anything's worth doing without that will help the United Nations win a speedy Victory — a true peace . . .

PETE CURRY, Manager

**WILSON NEWS**

By MRS. FRANK FLETCHER

Visitors in the J. W. Lamb home Sunday were Mr. and Mrs. J. R. Lamb and family and Mr. and Mrs. Onas Ray and daughter of Slaton.

Mr. R. T. Parish, father of Mrs. J. W. Lamb, will leave Tuesday morning for Goose Creek, Texas. Mr. Parish spends the summer and fall here every year and spends the winter and spring at Goose Creek with another daughter, Mrs. P. C. Goodman.

Mrs. J. W. Lamb visited her daughter, Mrs. Lemon, in Lubbock, last Wednesday.

Last week end guests of Mr. and Mrs. W. C. Cook and Mrs. Fred Cook were Oscar Cook of Rogers, Texas; Mrs. V. R. Means of Belton; Mr. and Mrs. O. J. Pharr of Arlington; W. C. Cook and Calvin of Lubbock and Mrs. Cockrell and Georgia Faye of Idalou. W. C. left this week for Fort Sill, after having volunteered his services in the army.

Mrs. Alice Miller of Rotan, Texas, spent the week end with her daughter, Mrs. S. H. Gryder and family.

Arthur Hagens, brother of Mrs. Wuerge-Maeker, who is stationed in Wyoming, is home on a 15-day furlough.

Mr. and Mrs. Andy Campbell of Amarillo spent the week end here with his brothers, Jasper and Pat Campbell. Their sister, Anna Mae Campbell returned home with the Andy Campbells.

Sunday visitors in the S. H. Gryder home were Mr. and Mrs. Carl Gryder and sons of Slaton, Mr. and Mrs. J. E. Crowder, Jimmie Ann and Lila Faye, Mrs. C. A. Gryder and son Delbert.

Sylvia and Barbara Ann Montgomery, children of Mr. and Mrs. E. O. Montgomery, are recovering after tonsillectomies last week in Slaton. LaWanda, another daughter, was ill Monday.

Mr. and Mrs. Edmund Maeker are the very proud parents of a 7 lb.

13½ oz. son who arrived last Wednesday. His name is Rodney Carroll. Miss Lois Crosby, who is in defense work in Wichita, Kansas, visited her parents, Mr. and Mrs. H. B. Crosby, from Thursday until Sunday.

Marjorie Crosby a student at Tech, spent the week end at home and Mrs. Crosby's sister, Mrs. J. L. Quicksall of Lubbock, visited in their home Saturday.

Rob Elaine Key of Tech spent the week end at home with her parents, Mr. and Mrs. J. C. Key.

Mr. and Mrs. Harvelle, Phillips spent Sunday with her aunt, Mrs. W. A. Baxley and family of Morgan. Alfred Clary is ill again this week. Mrs. S. A. Cummings and Mrs. J. G. Biggs were shopping in Lubbock Thursday.

Mrs. Frank Fletcher, Jack Frank, Jimmy and Jerry, Mrs. Roy Robinson and Johnny were in Lubbock Friday.

Mills Roberts, district manager of Southwestern Associated Telephone Co. spent part of Wednesday in Wilson making an audit of the local telephone exchange books.

Jack Blevins of the South Plains Flying School at Lubbock was home on Sunday.

**Mrs. Fred Cook Entertains**  
Mrs. Fred Cook was hostess to a number of little spooks and goblins Halloween night when she entertained with a party for her little son, Fred Jr.

Dorothy Nell Watson and Mary Frances Campbell won prizes of Halloween candy for their skill in biting the apple, and a number of other games were enjoyed.

Refreshments of pumpkin cake, orange soda pop and pop corn balls on sticks of peppermint candy were served to Dorothy Nell Watson, Ina Ruth McLaughlin, Ruthie Mae Dudley, Katie Herber, Ludien Dodson, Mary Frances Campbell, Bobby Swann, Luther Herber, Jimmy and Jerry Fletcher, Dan Cook, Benson Rice, Delbert Sanders, Johnny Robinson, Don Dodson and Mrs. Pat Campbell and Mrs. Sanders.

**Halloween Party Friday Night**  
Mrs. Pat Campbell and Mary Frances entertained Friday night with a Halloween party for the little folk of the community.

Many games such as bobbin for apples, pinning tails on the donkey and biting an apple on a string were played and enjoyed by the youngsters.

Refreshments of punch and cookies were served to Patsy and LaWanda Montgomery, Floydell and Marthella Holder, June and Jean Covey, Dan Cook, Willene Klos, Dorothy Nell Watson, Ludien Dodson, Freddy Cook, Johnny Robinson, Jimmy and Jerry Fletcher, Lila Faye and Jimmie Ann Crowder, Bobby Swann, Wanda Lee Todd, Alfred Clary, Annette Jackson, and Mary Frances Campbell.

BUY WAR BONDS & STAMPS.

**NUPTIAL ARBOR OF RIFLES**—At a soldier's wedding in the Eighth Armored Division at the Chapel of Tent City, Fort Knox, Ky., rifles and bayonets rather than asbers formed the arch for the bridal couple after the ceremony. The bride was Miss Dorothy Parody, of Watertown, N. Y., and the bridegroom, Staff Sergeant Lorin E. Hicks, of Toledo, Ohio. The novel idea was the creation of the sergeant's Army comrades.

**Southland News**

(By Mrs. Marvin Truelock)

The Southland city council last week bought the Telephone Exchange so that it wouldn't be moved away. No further decisions have been made until the next meeting of the aldermen but Mrs. Gray will continue as operator until November 15.

Mrs. O. O. Gray sold her house last week, and it will be moved to Lubbock. B. Cummings bought her lots, well and windmill.

Leon King, Stotts Spence and Albert Lee Field went to Lubbock on Monday to enlist in the Navy.

Bobbie Leake and wife, accompanied by St. Sgt. Harvey H. Stewart, are spending their three-day leaves here with Bobbie's parents, Mr. and Mrs. John Leake.

Miss Olga Mae Jones and Pfc. J. L. Jenkins of Post were married last week. Other Sunday guests of Mr. and Mrs. John Leake were Mr. and Mrs. R. R. Jones, Mr. and Mrs. Burl Smith, Joe Leake and family of Wilson, Mr. and Mrs. Buford Jones and Mr. and Mrs. J. B. Jones, J. L. and J. B. and their wives left Sunday afternoon for San Luis Obispo.

Supt. and Mrs. W. A. Smith visited Saturday in Southland, their home for 12 years before they moved to Weinert.

Ruthie Johnson of O'Donnell arrived Friday to visit her brother, J. B. and wife.

Mrs. R. A. Rankin and F. E. Weaver returned from Spur Tuesday afternoon after attending their brother's funeral. Mr. Weaver had been in ill health for several years and died in

a hospital in Big Spring. Homer Gilliland's first letter to his mother was written by candlelight somewhere in Scotland.

Mr. and Mrs. Bill Kuntz and two sons of Waco arrived Friday to visit her uncle, Albert Krause. They left Tuesday to make their home in Loreno.

Mr. and Mrs. J. A. Willingham and daughter, Betty Jean, spent Sunday in Garnolia community with her parents, Mr. and Mrs. A. B. Thomas.

Horace (Rabbit) Whitaker married Marian Jennings of Coleman, a friend of Mrs. Jack Martin last year at Tech. Horace is on maneuvers at present.

Billie Jo Baker of Post spent the week end here with her sister, Mrs. C. E. Basinger.

Mr. and Mrs. Thurman Cole of Oklahoma moved last Wednesday

into part of the McNabb home.

Mrs. Gene Draper and son spent from Sunday until Friday at Post with the Olvis Huffs.

Mrs. L. V. Blain's son in Carlsbad left Monday for the army. She plans to leave Friday to visit her eighteen-year-old son Raymond before he is drafted.

1941 bales of cotton have been ginned here to date.

Brother Howell of Lubbock preached here Sunday morning and Dr. O. P. Clark, District Superintendent of Methodists, will preach here next Sunday.

Mrs. J. A. Thompson, who was too ill to run the cafe last week, left Sunday to visit her sons in Amarillo.

**YOUNG COUPLE LEAVE FOR CARLSBAD**

Pvt. and Mrs. Alvis Mensch have gone back to Carlsbad, New Mexico, where he is now stationed and where they will make their home. Their many friends wish them much success and happiness in life.

They were accompanied home by Mr. and Mrs. E. T. McLain, the bride's parents, and Mr. and Mrs. S. A. Mensch.

Texas proved oil reserves in January, 1941, were equal to more than 56 per cent of the national reserves.

## THE GROWL continued

### Junior Red Cross Drive Started

The Future Homemakers of Texas are doing their part toward winning the war and writing the peace.

They entered November 2 into a Junior Red Cross membership drive with Mrs. Lenore M. Tunnell as county chairman, Miss Lucille Wright as sponsor, Miss Mary Margaret Tunnell as chairman of high school, and Miss Anita Reddell as chairman of grade school.

The second and third year girls are to make various articles to be sent to our boys who are in service.

The membership fee is any amount over five cents and the money must be earned by the pupil himself. Every student in the Tahoka schools is expected to become a member of the Junior Red Cross.

### Sophomores Study Tennyson's Works

Sophomores in English classes feel that they are being carried back to the feudal age when "chivalry" was the flower as they study "Idylls of the King" by Tennyson.

Miss Leavitt's classes are also saying poetry to complete the num-

### "You're Never Fully Dressed Without A Smile" — Tunnell

"Remember that of all the things you wear your expression is the most important," and "You are never fully dressed without a smile on your face," were remarks made by Miss Mary Margaret Tunnell when giving a talk on grooming based on the book "Behave Yourself" at a sub-deb meeting Wednesday.

The sub-debs met in the home of Geraldine Connolly. At their business meeting the girls decided to have their presentation program November 20 in the Tahoka high school auditorium. Following the presentation program, a dance will be given at the Galinat "rumpus" room. "Jeep" hats for each member were ordered last week and they will arrive here next week.

Miss Tunnell was presented a sterling silver fork as a wedding gift from the club. Refreshments consisting of frosted cakes and cheese-its were served.

ber of lines required. "My knees trembled and knocked together as I said poetry before the room for my first time," was the statement made by a sophomore girl. Several students said they felt the same way but their stage fright soon disappeared.

### What Is Behind The News Story?

Did you ever stop and think just what is behind a news story?

The journalism class has been finding out. An assignment, an interview, racking the mind for a lead, (perhaps you call it the first paragraph) getting the facts down on paper so that they are legible—this is all in the day's work for the news story writer.

Students of the journalism class of Tahoka high think what they learn in journalism is well worth the time they spend on it. Some of the students gave their opinion thus: "I like journalism because it's something different," says Veria Lois Roland.

Testifies La Voyle Richardson, "I like journalism because I like to write stories."

"Journalism keeps me from playing hooky." This came from Maxine Oliver.

Fay Shadden likes it because "it's something new."

"I like journalism because it teaches you more about English and spelling and more about how to write stories," is Peggy Fenton's view.

To quote her own words Eva Woods says, "Well, I don't know, only I like my teacher."

Winston Redwine expresses himself with a blunt "I like it."

### This And That . . .

"Dot" Applewhite's hysteria at lunch last week was due to Gay Jackson and her snake, "Henri." A mean looking "critter."

Texas Tech is pretty well represented from Tahoka high as Joan Owens has a charming gold key from there. Billie Wayne Pennington has a lovely locket embossed with the Double T seal.

Unnoticed (we hope) we have been watching the Tahoka Hi boys handle their manners. Harold Smith seems to do quite well with his.

Mary Ruth Edwards looks nice in her red corduroy dress trimmed in black. One of the most attractive three-piece suits (slacks, jacket, skirt) in school belongs to Joretta Smith. The color is the new winter green with yellow trim. Wanda Cruce has an attractive "army drab" green skirt. Charlene Bucy looks nice in her gold skirt and yellow and brown sweater. Mary Alice Hines looks "sweet" in blue.

Girls, there's a new diamond in school. In case you're wondering who, just look on Iva Jean Steel's third finger—left hand.

"Serenade In Blue" is nice, played by Ray Herbeck, especially to "crawl out" by each morning.

Confidentially, girls, here's a hint on what colors boys, especially soldiers, like. They rank as follows: blue, winter green, purple, brown, yellow and burgandy red. So, choose your color and let your personality soar. (Authority unknown.)

After various Hallowe'en parties held last week, several students came to school looking freakish as they wore distorted amounts of left-over party make-up.

### Colored Fire Made By Science Class

The chemistry students have been making more colored fire! Tuesday, October 27, they made some northern lights by igniting a mixture of chemicals.

The colors seen were red, green, yellow, white, and sometimes a faint trace of blue dazzled students making the experiments.

Newspapers own wholly or in part 28 of the 56 radio stations in Texas.

A child's laxative your child should LIKE

When your child needs a laxative give him one he will probably enjoy taking—pleasant tasting Syrup of Black-Draught. Given as directed, it is usually mild in action, yet effective. Follow Label Directions

### Grade School Whine

The first grade, under the supervision of Mrs. Grady Howard, composed a song entitled "November." The class will receive new books this week. "Last week our first grade won the P. T. A. banner for having the most parents present," stated Mrs. L. F. Craft, the other first grade teacher.

Treats of candy suckers and pop corn balls were served by the room mothers to the second grade at their Hallowe'en party last Friday. Sponsors are Mrs. Deck Dunagan and Mrs. Wyatt.

The second grade seems to enjoy the prospects of being in the rhythm band which is being organized this week.

According to Miss Mary Lou Tucker her 3-A class is showing improvement in arithmetic.

The room mothers of the third grade honored this class with a Hallowe'en party last Friday. Refreshments were apples and pop corn balls. They sang songs and played games until four o'clock. Mrs. Roy Finch and Miss Tucker are third grade teachers.

The Language Arts classes for the fourth, fifth, and sixth grades are studying pronouns under the direction of Mrs. Fitzgerald.

The fourth grade geography class, taught by Mr. Dewey Johnson, is studying and drawing maps of North America. "The fourth grade health class finds vitamins essential, especially in time of war," stated Mr. Johnson.

Mrs. Dewey Johnson's sixth graders are studying the annexation of Texas to the Union while the fifth grade is studying the Declaration of Independence and is keeping up with the current events of the present war.

"I think I have an exceptional

bunch of classes this year, especially the fifth grade," stated Mrs. John A. Roberts. She teaches arithmetic to the fourth, fifth, and sixth grades.

Miss Anita Reddell's fourth, fifth, and sixth grade music classes are taking up composers and their work this week. Her art classes are making all-over initial designs.

"Soccer," an English game, has found its way into grade school. It is rapidly taking the place of football," stated Mr. Johnson. He supervises a physical education period of 45 minutes per day for each class.

The first telephone line in Texas extended from the editorial rooms of the Galveston News to the home of Col. A. H. Belo, publisher of the Galveston News and its successor, the Dallas News.

The first Texas railroad was the Buffalo, Bayou, Brazos & Colorado Railroad, chartered February 11, 1850

"IF MORE OLD PEOPLE would use ADLERIKA they would feel better. Im' 70 and have had it on hand for 14 years." (L. M.-So. Dak.) For QUICK bowel action and relief from bloating gas, try ADLERIKA today.

## Election . . .

(Continued from first page)  
heavily. The vote in Lynn County was 67 for, and 145 against.  
That authorizing pay for army instructors in the colleges fared a little better, 84 for and 139 against. The amendment to authorize the construction of a State Office Building at Austin registered a closer vote, 103 for and 118 against.  
The vote given above does not include the Draw precinct, but it is not thought that the vote there could materially change the complexion of the above results.

Mesdames J. L. Waggoner and Denver Gurley and Miss Estley Craig and their parents, Mr. and Mrs. R. L. Craig, attended the funeral of J. C. Lackey Wednesday in Floydada. Mr. Lackey was an uncle of the three women, he being a brother of their mother. Mr. Lackey was 76 years old and an old timer of Floydada. He owned a ranch near there.

**FOR SALE:** Iron wheel wagon; will haul two bales of cotton. — Tom Garrard. 13-1tp

## Football . . .

(Continued from page one)  
right end for a 30 yard gain and the first touchdown of the game. Sonny Roberts plunged over for the conversion.  
Denver City bounced right back, marched directly down the field in ten plays for a touchdown and conversion in the second quarter.

Fearing the passing arm of Denver City's "Cyclone" Jones, Tahoka's defense was built against passes, but Denver City instead threw a deceptive running attack at the Tahoka line in the first half. However, at halftime, Coach Hill gave the Bulldogs a defense that stopped the Mustangs cold in the second half.  
Twice Roberts, White, Harvick and Billy Knight carried to ball near the goal line, once losing it on downs on the 6-inch line, but finally as the game was growing to a close, White went over for the counter, following which, he skirted left end for the conversion.  
The entire team played a great game of heads-up football to win the championship.

Only four of the seven teams in District 6-A, Tahoka, Seagraves, Seminole, and Denver City, competed for the championship. O'Donnell, Slaton, and Post having withdrawn. Seminole and Seagraves were both victims of the Bulldog team.

The game is likely to furnish much fireworks, since both teams are strong offensively. Tahoka started the season slowly, with a new coach, the capable Volney Hill from Class AA Burk Burnett. Although Hill has been handicapped by the extreme dearth of reserves here, fans agree he has done an excellent job, and the team has improved with each game. Many fans believe the team really found itself in the game with Denver City, and will be out with an aggressive show of power against Levelland.

The starting line-up will likely be: E. L. Short, left end; Euel Akin, left tackle; Leonard Wardlow, left guard; "Red" Harvick, center; Bill Barham, right guard; Leland Mitchell, right tackle; Bill Wood, right end; Sonny Roberts, quarter; "Dub" Harvick, left half; Billy Knight, right half; and G. W. White, full. Reserves include Gene Earl Knight, Ramsey, Grider, Rumbo, and Hillary.

Levelland's possible starting line-up will be: Bob Underwood, 172, and Bill Tibbetts, 155, ends; Edward Watson, 190, and Marshal Hefner, 175, tackles; Murrell Taylor, 148, and Charles Ballew, 155, guards; Ralph Avara, 147, center; Horace Byerly, 155, quarterback; Harvey Tubb, 160, left half; Burrell Taylor, 148, right half; and James Chaney, 130, fullback.

Potash in great commercial quantities is known to exist throughout a large area in Western Texas.

## Mexican . . .

(Continued from page one)  
person after he had been killed.  
The Negro was a stranger here and it seems nobody here, not even in the Negro section, knew his name. He disappeared immediately and has not been located. Sheriff B. L. Parker of course got on the job as soon as he was notified of the shooting and is working on the case.

The Mexican came from Franklin or Calvert in Robertson County to this county to pick cotton. His father came up and was here for the funeral services Tuesday. Burial was made under the direction of the Harris Funeral Home.

Funeral services were held at the graveside for John Mansolo, who passed away Saturday by Garnie Atkinson, Minister of the Church of Christ, Tuesday at twelve o'clock.

Mr. Mansolo was born 31 years ago and was living near Tahoka at the time of his untimely death. He leaves his father and mother and three brothers and two sisters. His father was called from Calvert, Tex., and arrived Tuesday morning. The aged mother was unable to attend the services because of a very ill health. A number of friends and relatives were present for the funeral.

W. H. Fulkerson Jr. volunteered last week for service in the aviation department of the army and was sent to Fort Sill. There he was assigned to service at the Lubbock Flying School, Finance division, and has been home this week on furlough.
