

Our Boys Will Do the Fighting-- We Must Send Them Ammunition

The Lynn County News

"I wholly disapprove of what you say but will defend to the death your right to say it."—Voltaire.

Volume 39.

Tahoka, Lynn County, Texas, Friday, November 13, 1942

Number 14.

Tahoka Ginnings Reach 10,613 Bales; Grade Is Lower

Ginnings of cotton in Tahoka this season amounted to 10,613 bales at 3:00 Thursday afternoon, according to reports given by the gins to The News.

On account of weather conditions that have prevailed, there is little good middling cotton being ginned. The prices being paid for the cotton that is being sold range around sixteen cents per pound. The loan price, however, is a little better than that, running around 16.70 to better than 17 cents, it is said.

Cotton seed are now selling for \$44.00 per ton.

Very favorable weather has prevailed most of this week for gathering the crop.

School Girls On Rotary Program

Since this is National Education Week, the program committee of the Rotary Club asked students in the high school to give the program at the luncheon Thursday.

Accordingly a program was presented under the sponsorship of Miss Eleanor King with Joan Owens in charge.

The program opened with a song by eight high school girls, who also gave a second number.

Nancy Ray Weathers sang "Keep The Home Fires Burning" and then led in the singing of "Smile Awhile." Little Jerry Cain, in soldier's uniform, gave a cute little reading, which was followed by a piano solo by Frances Marian Haney.

Pat Hill sang "Dear Mom," and LaVoyle Richardson gave an appropriate and impressive reading.

The entire program was very fine and was in keeping with the spirit of the times.

Preceding this program, Supt. W. T. Hanes took occasion to thank the Rotary Club and the people of Tahoka for the fine cooperation which had been given the football team and he also expressed his appreciation of the splendid work this team has done this season.

Prentice Walker also praised the work of the team and suggested that the Rotary Club sponsor some kind of effort to show the team that it is greatly appreciated. President Truett Smith announced that this matter would be submitted to the directors immediately after the program; and at the directors' meeting it was decided to sponsor a movement to raise funds to purchase awards for the team.

The Club decided to have no meeting on Thanksgiving Day. One visitor was present, Newt Barham.

Local Men Enter Army Air Forces

A communication from Major W. W. McCollum of the West Texas Recruiting and Induction Office at Lubbock, dated November 7, was received by The News this week showing the following enlistments from Lynn County in the Air Corps Specialist branch of the service.

Major McCollum also takes occasion to thank The News and other papers of West Texas for the "splendid cooperation" they have given him. "As a result of the effective publicity you are giving to the opportunities for enlistment in the Army," Major McCollum says, "West Texas has a higher percentage of enlistments than any other district in the five states comprising the Eighth Service Command."

The recent enlistments from Lynn County in the Air Corps Specialist branch are given as follows: Otis Odell Bosworth, Post; R. L. Thomas, Tahoka; Lehman James Brown, Tahoka; Dwight Irvin Gryder, Tahoka; Jess Wiley Gross, O'Donnell; Harris Eugene Gardenhire, O'Donnell; Ray Sherrod, Tahoka; Frank Hamilton Briles, Tahoka; Donald Clay Todd, O'Donnell; Edgar Wilson Edwards, Tahoka; Roscoe Conklin Roberts, of Tahoka.

Sgt. R. C. Wells of Lubbock Army Flying School was among those in Tahoka for the Armistice Day game.

Gas Rationing Plan Postponed

Judge C. H. Cain, chairman of the Lynn County Rationing Board, received a telegram Tuesday morning from Mark McGee, state director of the Office of Price Administration advising that the gasoline rationing program had been postponed. Postponement was necessary, it was said, by reason of the fact that it had been impossible to get the ration books in the hands of all the county boards at that time. The telegram was sent from Fort Worth and is as follows:

"Registration for gasoline rationing postponed to November 19, 20, and 21. Effective date of gasoline rationing will be postponed. You will be advised later of actual effective date. All passenger type tires above minimum must be turned in by November 22. Give foregoing information to local newspaper and school superintendents.—Mark McGee, State Director of Price Admin."

Announcement received from Washington later stated that rationing had been postponed until December 1.

Billie Brandon Dies Suddenly

William W. (Billie) Brandon was found dead in his room just west of the Shaffer Laundry at about four o'clock Monday afternoon. Little Benny Thorpe, 6, who had just come in from school, went out to the shack to see about the aged man, as he usually did when he failed to find him at his fruit stand at the Frozen Food Locker and Cream Station operated by his father, F. T. Thorpe, in the Larkin building. He came back and reported to his father that "Uncle Billie" looked very pale and asked that he go out and see about him. He did so and found the body dead.

An inquest was held by Justice of the Peace P. D. Server and County Attorney Calloway Huffaker at about five o'clock, and upon the testimony of Dr. E. Prohl, who examined the body, and other witnesses, it was found that Mr. Brandon had come to his death from natural causes, probably an attack of heart trouble. Apparently he had been dead from twelve to eighteen hours. He probably died, according to the Doctor, at about ten o'clock Sunday night. He had complained on Sunday of having a pain in the

(Continued on last page)

Lawrence Promoted Two Ranks At Once

Mrs. Clayton Lawrence had a letter this week from her husband, who with many others was transferred from the Lubbock Flying School to Pendleton, Oregon, about two weeks ago, stating that since his arrival there he had been promoted to Technical Sergeant.

He felt highly elated in that his superior officers skipped him over the rank of staff sergeant and promoted him two ranks at one time. So, he is now Technical Sergeant Clayton Lawrence.

P. T. A. MEETS NEXT WEDNESDAY

Announcement is made that the Parent-Teacher Association will meet at 3:00 p. m. on Wednesday, Nov. 18, in the grade school building. All members and others interested are urged to be present.

S/SGT. YANDELL VISITS MOTHER HERE

Staff Sergeant Dan Yandell and his wife of Hattiesburg, Mississippi, are here on a fifteen-day furlough visiting his mother, Mrs. Lynn Yandell of the New Lynn community.

S/Sgt. Yandell has been in the army twenty-six months and has been at Camp Shelby at Hattiesburg since last April. He is in the Medical Corps.

Jim Woods and wife spent several days here last week with his parents, Mr. and Mrs. Harry Woods. He has been employed for several months at Lawton, Oklahoma.

TAHOKA'S 1942 DISTRICT 6-A FOOTBALL CHAMPIONS — First row, left to right: Noble Rumbo, Bill Grider, Billy Knight, Leonard Wardlow, E. L. Short, "Dub" Harvick, Bill Barham; second row: Leland Mitchell, Bill Woods, Eual Akin, Gene Earl Knight, Sonny Roberts, "Red" Harvick, G. W. White, Hilery Mather; third row: Jesse Ray Adams, W. T. Hines, Jerry Edwards, and Coach Volney Hill. Blair Ramsey was not present when this picture was taken.

COACH VOLNEY HILL

Clint Walker Off To Fighting Front

Ensign Clinton Walker, first pilot on a Navy PBV Catalina Flying Boat, left San Diego, Calif., Monday "for points west", according to his brother, Woodrow Walker.

Clint recently finished training at the Corpus Christi Naval Base and was here two weeks ago on furlough. He was expecting to be sent to the some Pacific war zone then.

Walker was reared in Tahoka and for a time was Lynn county AAA secretary.

Farm Machinery To Be Scarce In '43

COLLEGE STATION, Nov. 12 — Don't count too much on getting new farm machinery because new stuff will be scarce in 1943.

That's the word the Texas USDA war board is getting out to Texas farmers this week.

Basis for the announcement is incorporation of WPB's concentration program and limitation order which transfers manufacture of farm machinery from larger companies to small and intermediate producers, and cuts production by approximately 50 per cent over the previous limitation order.

In explaining the new program, the war board said that quotas for new machinery would be held to 20 per cent of 1940 production while repair parts would be allowed at 100 per cent of that year's production.

Although total manufacture of new machinery during 1943 will reflect 20 per cent of the 1940 production, only 75 per cent of the material has been allocated at the present time.

The balance of 25 per cent will be distributed later on the basis of efficient use of existing inventories, available labor, and to correct inequities between producers of approximately the same size and type which might otherwise develop.

Meldon Leslie and Edgar Edwards, until recently with the Texas Liquor Control Board, have enlisted in the Army Air Specialist Corp. Both expected to be assigned to the Midland Bombardier School.

Leslie was district inspector of the Big Spring district, largest in the state, and Edgar was his assistant.

Tahoka Loses 7-6 Bi-District Game

Levelland Lobos nosed out the Tahoka Bulldogs 7 to 6 for the Class A bi-district football championship before a large Armistice Day crowd on the local gridiron. The two teams battled furiously, and on even terms for a full sixty minutes of playing time, with the breaks of the game being the deciding factor.

The game was a hard-fought but clean battle from start to finish, and no fan left the field with the slightest criticism of team, coaches, or officials. Even though the home

(Continued on last page)

Second Victory Concert Soon

Approximately one hundred students are to participate in the "Fight for Freedom" concert, which is to be presented Thursday night, Nov. 19, at 8:00 o'clock in the high school auditorium.

The evening's entertainment will depict, through scenes and music, the lives of the early pioneers, the grim worship of the Pilgrims, the music and dances of the Indians, the struggle for independence, the establishment of the government "for the people, of the people, by the people." Civil War days, the hard times which followed, the shake-up of the world once, then twice. This panorama of historical events has been planned to give the audience a deeper love for this, our country.

The program will be under the direction of Misses Anita Reddell and Mary Eleanor King.

Both grade and high school students will participate.

The admission to the concert is simply some denomination of War Stamps or War Bond. These are to be bought at the door from Postmaster Happy Smith. Six hundred dollars has been set as the goal for the sale of stamps and bonds.

Come, do your part, and quickly bring back our boys from all over the world.

Aged Lady Doing Her Part in War

If harvesting the cotton crop is important for National Defense, then "Grandmother" Harris, a widow and a cripple 62 years of age, who lives in the Grassland community, is certainly doing her part in the defense of our country and in the winning of the war.

In the month of October, according to W. R. Greer, for whom she has been pulling bolls, "Grandmother" Harris made \$92.45 as a boll-puller. On her sixty-second birthday anniversary, October 27, she pulled 595 pounds of bolls, according to Mr. Greer, who gave the figures to our Grassland correspondent.

Her widowed daughter and two little grandsons reside with her, and they are doing their part too.

Does any one in Lynn County have a record that will beat this?

TOM HALE JR. ATTENDING MERCHANT MARINE SCHOOL

Tom Hale Jr., who enlisted in the Navy last year, is now a cadet in the Merchant Marine Cadet School at San Mateo, Calif., according to his father.

Tom entered the school Oct. 1, and will soon complete his two months' probation period. The complete course require about sixteen months time to complete, but if he can finish from this school he will be given a Navy commission.

The State Constitution of Texas is about five times as long as the Federal Constitution.

Tahoka's Hero Of Pacific War Is Coming Home

Mrs. James "Skinner" Connolly received a telegram Monday from their son, James Keith Connolly, who is in the air corps of the army under General MacArthur in Australia, indicating that he would be here for a visit during the Christmas holidays.

"Stop all mail and packages and set a plate for me Christmas," was about the way the message read.

As reported by The News several weeks ago, Corp. Connolly, gunner on a Flying Fortress based in Australia, was recently awarded the Silver Star for gallantry in action, but it was not until this week that the award was officially announced to the press. Six other Texans also were presented the award.

Concerning the raid which brought decorations for the men, Tuesday's Dallas News says:

"Lieut. Ellis (Dallas) was a pilot of one of the planes in a Flying Fortress formation that made a raid on Lakanaal Airfield, Rabaul, New Britain, on August 9. He was the first to see the enemy planes. He effectively directed the fire, enabling the Fortress gunners to concentrate on the target. This formation shot down seven enemy Zeros

(Continued on last page)

Farmer Meeting At New Home

Farmers of the New Home vicinity will have an opportunity to learn details of the program of the Lynn County Soil Conservation District at a meeting at the high school on Tuesday night, November 17, at 8:30. This meeting is being sponsored by the Vocational Agriculture Department of the New Home high school under direction of Mr. N. S. Abbott in cooperation with the District Board of Supervisors.

Don Turner, County Agent, and H. E. Mather, Work Unit Leader of the Soil Conservation Service, will be present to explain the type of assistance available to farmers.

Mr. Loyd R. McCormick, Secretary of the District Board, will have charge of the meeting. Mr. McCormick urges all farmers of the community to attend this meeting. He explains that farmers are accomplishing a double purpose by practicing soil conservation at this time. Not only are they saving their top soil from washing and blowing away, but they are contributing immensely to the Food for Freedom fight. Thus every farmer in the country has a double obligation in contributing his share in the war effort. No place in the High Plains Area can food be produced more economically than in Lynn County, McCormick states, and we must produce every pound possible of food and fiber needed in the war effort.

A number of farmers of the New Home community have already made application for assistance from the District. Farmers will have an opportunity at this meeting to sign applications for conservation work on their farms.

Garrard Sells Calves For Fancy Price

Tom Garrard sold five Hereford bull calves last week end to Lee Byrd, Garza county ranchman, for an average of \$200.00 each. The animals were from 8 to 13 months old.

Mr. and Mrs. Garrard are reputed to have one of the finest small herds of registered Herefords in this section.

F. S. A. WORKERS HERE

Miss Polly Brazil came over from Post Monday morning to assume her duties as clerk-typist in the F. S. A. office here, succeeding Miss Marie Cox, who was transferred to Plainview.

Also here for several days this week was Miss Pio Sterling of Amarillo, administrative supervisor of F. S. A. work for this district, checking up on the work here, Jack Welch reports.

Truck Smashes I. B. Hill's Wagon

The wagon of I. B. Hill, who resides a few miles north of Tahoka, was completely demolished and one of his horses killed when the wagon was struck by a truck on the highway Tuesday night. Hill was not seriously injured.

The driver of the truck, H. F. Morgan, who was in the employ of a gift at Crosbyton, was arrested there upon complaint filed in the justice court here, and Sheriff B. L. Parker went to Crosbyton Thursday morning and brought the man to Tahoka, where he was placed in jail.

Two charges were filed against him, one charging drunken driving and the other charging failure to stop and render aid.

The truck belonged to the Crosbyton Gin. It also was badly damaged. Morgan quit the truck and disappeared in the darkness when the accident occurred, it is said.

The charges will be investigated by the grand jury when that body convenes again.

TWO TAHOKA GIRLS JOIN THE WAACS

Miss Adeline Woods, daughter of Mr. and Mrs. Harry Woods, and Miss Percy Dean Tippitt, daughter of Mr. and Mrs. E. S. Tippitt, each of whom lives a few miles east of Tahoka, are leaving today for service in the WAAC's. Miss Woods as a nurse and Miss Tippitt in some other line of work.

Both these young women are graduates of the Tahoka high school. Miss Woods studied nursing at the Lubbock General Hospital for several months and then decided to offer her services to her country. Miss Tippitt attended a beauty school but recently she has been employed in a drug store here.

Tahoka has reason to be proud of both these fine young ladies.

Mr. and Mrs. C. D. Uzzle and their son, Milton Uzzle, and wife of Draw and Miss Anne Brewer of O'Donnell visited the former's son, Staff Sgt. C. J. Uzzle, at the Army Air Field at Carlsbad, New Mexico, over the week end. They went over Saturday morning and returned Sunday afternoon.

MAX MINOR - Tex. Back

Special To The News:

AUSTIN, Nov. 12—Lynn County's contribution to the University of Texas football team which this week faces its most critical game so far this season is speed-demon Max Minor, a combined track and football man who has fooled some of the best teams in the country this season with his burst of necessary speed on wide sweeps.

Minor, who is sometimes referred to as the Tahoka Terror around the athletic dormitory at the University, is one of the Southwest Conference's ranking individual scorers this year, having scored three touchdowns, two of them against Southwest Conference competition — Arkansas.

Perhaps the fastest man on the team, Minor alternates with Corpus Christi's Ken Matthews at right half back for the Steers. He has been a vital factor in keeping Texas in the

running for sectional and national honors.

In addition to Minor, West Texas has some very fine representation on the Texas team this year, including Stanley Mauldin, the all-America prospect from Amarillo who is playing his greatest year at left tackle for the Longhorns.

Others from the Western areas include Roy McKay, Junction fullback; Coy Warren, Cisco wingback; Audrey Gill, Sweetwater center; Jack Sachse, Electra center and guard; McCharles Huff, Max Bumgardner and Joe Parker of Wichita Falls, and Mauldin.

This week the West Texans come back to their home, sector to play the Texas Christian Horned Pops, who are on the rebound and who stand in a fine position to challenge the Steers for the Southwest Conference championship.

Citizens Contribute To Burial Fund

Following the death of Billie Brandon, who passed away in his room in the night, Mrs. Dude Holland canvassed the town to procure funds with which to pay the funeral and burial expenses, and practically everybody approached made a contribution. Mrs. Holland has requested that a list of the contributors be published. It follows.

Ruby C. Wells \$5.00; Irene Gallagher \$5.25; Chester Connolly \$1.00; Jack Wells \$1.00; Jack Robinson \$1.00; Roy Hudspeth \$1.00; Ivan Cathcart \$1.00; T. R. Cathcart \$1.00; Skip Taylor \$2.00; Don Bradley \$1.00; Ray Grider \$1.00; Ethel Robinson \$2.00; Sam Floyd \$1.00; Mr. Scott \$2.25; Mrs. Belton Howell \$1.00; Levi Nordyke \$5.00; Bart Cowan \$1.00; Lee Roy Knight \$1.00; Irvin Stewart \$1.00; Garland Pennington \$1.00; Grover Stewart \$5.00; Wade Holland \$2.35; Fred McGinty \$1.00; Calvin Edwards \$1.00;

Jim Fenton \$1.00; B. L. Rudd \$2.00; Karr Wells \$1.00; John Boydston \$1.00; Ed Hamilton \$1.00; Mrs. D. Sanders \$1.00; Geo. Small \$1.00; Mrs. E. H. Boullouin \$3.50; Claude Cheairs \$1.00; E. I. Hill \$1.00; N. C. Rainey \$5.00; Clarence Gausson \$2.00; John Slover \$1.00; Ethel Callahan \$1.00; George Reid \$1.00; Bill Reddell \$1.00; Happy Smith \$1.00; Odel King \$1.00; Jess Gurley \$1.00; Arthur Conley \$1.00; B. T. Smith \$1.00; Harry Roddy \$1.00; Harvey \$1.00;

A. P. Stephens \$5.00; Jim Burlison \$5.00; A. C. Hodge \$1.00;

Curtis Driver \$1.00; Pete Curry \$1.00; Vernon Davis \$1.00; A. J. Edwards \$1.00; B. R. Brewer \$10.00; West and Nowlin \$2.00; Jones Dry Goods \$2.00; H. H. McNeely \$1.00; J. W. Neugent \$1.00; T. J. Cloer 25c; A. L. Lockwood \$1.00; W. E. Slaton \$1.00; W. C. Wharton \$1.00; Bob Luttrell \$1.00; Mr. Carver \$2.00; Jack Fenton \$1.00; Wynne Collier \$1.00; Tom Hale \$1.00; Roy Stephens \$10.00; Joe Van Dyke \$10.00; Alice Fortenberry \$5.00; Harris Funeral Home \$15.00; Billy's own money \$3.40.

W. B. EDWARDS RELATIVES VISIT HERE SUNDAY

Staff Sergeant J. B. Godwin of Portland, Oregon, visited his grandparents, Mr. and Mrs. W. B. Edwards, over the week end. S/Sgt. Godwin recently received his 'wings' as a radio technician in the Air Corps at Portland.

He was accompanied to Tahoka by his mother, the former Miss Velma Edwards, and his three little brothers, Kenneth, Truman, and Arlen, of Vernon, Texas.

Coming Saturday night, they returned to Vernon Monday, and from there S/Sgt. Godwin was to leave for Portland Tuesday.

All the Edwards children were present but Carlce, who lives at South Gate, California, and all of the grandchildren were present but one. It was a most happy reunion.

EDDIE HATCHETT HERE

Sgt. Eddie Hatchett, who was reared in Tahoka but who has been in California for a number of years, is here visiting relatives and friends. He is a grandson of Ed Ketner and a nephew of Mrs. Happy Smith.

Eddie was on his way back to California after visiting his mother, who now lives at Galveston, for a few days.

He is a Sergeant technician in the Army Anti-Aircraft Corps, but is transferring to the Poison Gas division of the Army and hopes to qualify for a commission. He is stationed at San Diego.

Eddie is a graduate of the Tahoka High School and has many friends here.

Mrs. Frankie (Jack) Fenton received a letter from C. G. Welcher a few days ago stating that he is now in McClelland Field in California. He enlisted in the Air Forces of the Army several months ago.

Texas farmers had a cash income of \$78,000,000 in August, as compared with \$30,000,000 in the same month of 1941. The University of Texas Bureau of Business Research has reported.

FIRST METHODIST CHURCH

Church school hereafter will begin at 10:15 each Sunday morning and church services will be at 11:05 in the morning and eight o'clock in the evening.

Sunday there will be no preaching at the church, but the church school will meet at 10:15 o'clock. The pastor will be at Sweetwater attending the Northwest Texas Conference — which will close Sunday afternoon, November 15.

Every member should go to some of the churches for services Sunday.

PRESBYTERIAN CHURCH

Dr. W. B. Gray will fill his third Sunday appointment at the Presbyterian Church next Sunday.

"Things That Spoil Home Life" is the topic for the Adult Bible Class at 10 a. m.

The Preaching Service will be at 11 o'clock. "Are There Many Who Are Saved?" Luke 13:23.

The evening sermon at 7:30. Topic will be: "A Vision of Life." Isaiah 6:1-11. A cordial invitation to worship with us is extended to the public.

SERVICES AT PRESBYTERIAN CHURCH IN PROGRESS

Beginning Wednesday night, a series of evangelistic services was begun at the Presbyterian Church to series of evangelistic services was continue through this week and next. Services begin each evening at 8:00 o'clock.

Conducting these services are Miss Douglas and Miss Blackburn, who give explanations of the Bible that are said to be very illuminating and interesting to the casual reader as well as to the devoted student of the Sacred Book.

Everybody, regardless of church affiliation, is cordially invited.

Mrs. Alice Fortenberry and her daughter, Mrs. Genell Lawrence, accompanied by Mrs. Pauline Tippitt, visited Saturday night and Sunday in the home of Mrs. Fortenberry's aunt, Mrs. Oscar Cousins, in Amarillo.

Sproles Family Holds Reunion

Thirty-six persons attended the family reunion at the home of Mr. and Mrs. E. J. Sproles near Wilson on Sunday, October 25, according to a report of the affair given to The News this week.

A bountiful meal was served by Mrs. Sproles at the noon hour. In the afternoon, kodak pictures were taken and singing by the family was enjoyed by all.

Those attending the reunion were: Corp. T. J. Sproles of Fort Lewis, Washington, at home on furlough; Mr. and Mrs. Troy Sproles of Malvern, Arkansas; Mrs. Woodrow Rosewell, a daughter, also of Malvern; Mr. and Mrs. Ray Bunger of Tahoka, Mrs. Bunger being a daughter; Mr. and Mrs. Deo Blakely and daughters, who reside on the farm with Mr. and Mrs. Sproles. Mrs. Blakely also being a daughter; Mr. and Mrs. Elmer Sproles and daughter Lois of the Dixie community, Elmer being a nephew of Mr. Sproles; Johnnie Wilson, also a nephew; Mr. and Mrs. J. L. Rhodes and daughter Naomi of O'Donnell; Mr. and Mrs. Riley Lee and family of the New Lynn community; and Mary Margaret Mitchell of Tahoka, a friend of the family.

The children at home attending were: Raymond, Lewis, Leon, Betty Lou, and Virginia.

LEWIS WILLIAMS GOES TO ANGLETON

Lewis Williams, Linotype operator for The News since February 16, this year, is leaving today for Angleton in South Texas, where he has accepted a more lucrative position.

Of course The News regrets his departure, for he is a very proficient operator, being both unusually speedy and accurate, but he deserves the increased remuneration offered him.

Since it is difficult to procure printers of any kind at this time, the rest of The News force may be even more busy temporarily than we have been, but we are sure our patrons will be patient until we can arrange for more help.

Corporal Boyce Evans and wife were here from Wichita Falls over the week end visiting their parents, Mr. and Mrs. H. O. Hargett and Mr. and Mrs. C. E. Evans. Corporal Evans is in training at Sheppard Field. He received his commission as corporal on the first day of this month.

E. B. Kemp Jr. left Monday for Santa Ana, Calif. where he will be inducted into an Army Air Force school for cadet training. Kemp enlisted last May and has been here with his wife much of the time since awaiting call.

The Wilson Home Demonstration Club met Wednesday, October 28, at the home of Mrs. Pat Swann, food demonstrator, for her achievement program.

Miss Maurine McNatt home demonstration agent, gave a demonstration on egg cookery.

Refreshments were served to the following: Mesdames R. A. Kahlich, W. J. Hancock, W. F. McLaughlin, Fred Brannon, Ernest Sanders, Jiggs Swann and Miss McNatt.

1939 Club Meets With Mrs. Lumsden

Attendance of the 1939 Club at the home of Mrs. L. Lumsden on Tuesday proved that women are busy at this time helping gather the crops.

Roll call was answered by giving some service performed by the Red Cross. Mrs. H. B. Crosby gave some interesting facts on Red Cross activities and Mrs. W. H. Jackson told the fundamentals of a Red Cross drive. Mrs. Lumsden and Mrs. Robert Maeker were the other members present.

Sunday School Class Discontinues Social Meetings

The young married women's class of the Baptist Church held its last business and social meeting Thursday night at the home of Mrs. H. G. Cook. The members voted that since these meetings were purely personal and did not concern all members of the family, they would not be using gas to attend and therefore they would be discontinued.

After an evening of games directed by Mrs. J. F. Covey, refreshments of fruit juice, cake and mints were served to Mesdames J. F. Covey, S. G. Anthony, Clyde Shaw, Frank Fletcher, Roy Robinson, Edith Stell, G. L. Nelson and the hostess.

W. H. Jackson Jr., student of Hardin-Simmons University, Abilene, spent the week end with his parents, Rev. & Mrs. W. H. Jackson. Accompanying him was his room-mate, Larson Keeter, whose parents were Hardin-Simmons students with the parents of W. H. Jr. Other Sunday guests in the Jackson home Sunday were her sister and family, Mr. and

Mrs. J. H. Cox and Kenneth of Lubbock.

Marie Duff, student nurse from Abilene, is visiting her mother, Mrs. L. A. Duff, L. A. Jr. who is stationed at Lubbock, and Jean Duff, teacher in the Post schools, were also home for the week end.

Marjorie Crosby, Tech student, spent the week end with her parents, Mr. and Mrs. H. B. Crosby, as did Rob Elaine Key with her parents, Mr. and Mrs. J. C. Key.

Mr. and Mrs. F. E. Weaver of Southland were in Wilson on business last Friday.

Shopping in Lubbock Friday were Mr. and Mrs. Pat Campbell and Mary Frances, Faye Watson, Fama Hannabas, Mrs. John Heck and Mrs. H. G. Cook. Mrs. Frank Fletcher and boys visited her mother, Mrs. Walter McNabb, a short while.

Wilsonites shopping in Lubbock Saturday included Mr. and Mrs. S. H. Gryder and Addie Jane, Mrs. C. A. Gryder and son Delbert and Ed Crowder.

Mrs. Frank Fletcher, Jimmy, and Jerry visited Mrs. Tim Field, Mrs. Gene Draper and Mrs. Marvin Truelock in Southland Saturday afternoon.

Faye Summers of Slide spent the week end with the daughters of Mr. and Mrs. E. O. Montgomery.

Carol Lynn Leavitt of New Home spent Friday night and Saturday with her grandparents, Mr. and Mrs. W. A. Tadlock, while her parents were shopping in Lubbock.

Mr. and Mrs. Mack Alderson and family of Clovis, N. M., are visiting his parents, Mr. and Mrs. E. F. Alderson. Mack plans to go on to California from here.

Miss Ruth Garms and her niece of Plainview visited in Sterling City over the week end.

Mr. and Mrs. Lonnie Lumsden left Sunday to attend the Baptist Convention in Fort Worth. Mrs. Lumsden, district nine president of the W. M. U., will meet with the women Monday.

Rev. and Mrs. W. H. Jackson and Annette, Mrs. B. W. Baker and Miss Clara May are also attending the convention.

Winona May was a Sunday guest of Mary Frances Campbell.

Sunday dinner guests of Mr. and

DEADLY U. S. MARINES: 1776 AND TODAY — From a richly adorned musket shooter in 1776 (shown at right) to the streamlined specialist in sudden death shown at left, United States Marines have been fighting America's wars all over the globe — and winning them. The 1942 version of a leatherneck carries a Thompson sub-machine gun in his right hand, a razor-sharp knife in his left. The figure at right wears, to quote from the records, "a green coat with red facing, white woolen jacket, light-colored cloth breeches, woolen stockings, a round hat with white binding." — Official USMC Photo.

Mrs. C. A. Gryder were Mr. and Mrs. S. H. Gryder and Thoma.

Marie Purvis arrived Sunday from Alabama to live with her grandparents, Mr. and Mrs. E. F. Alderson.

Skating parties took the time of young folk last week, the community one climaxing the week Friday night. Some good skaters are developing and even the little folk are learning the art of walking on wheels.

Mr. Jno. D. Franklin of Godley, Johnson County, Texas, and Mrs. Ola Sparkman of Clairmont, Texas, were married at the Methodist parsonage Sunday morning by Rev. H. A. Nichols, the pastor. Mrs. Franklin is a niece of Mrs. Wiley Curry of Tahoka. The couple were accompanied by Mr. and Mrs. Wiley Curry, Mrs. Pete Curry and a niece.

NEW LYNN 4-H CLUB

The New Lynn 4-H Club met on Tuesday, November 3 at the school. A discussion on Family Relationship was led by Miss Maurine McNatt, home demonstration agent. Each girl was allowed to ask questions and have her problems discussed.

A check was made on what the members are doing to help win the war. Every girl has gathered scrap iron and many of them are buying war stamps and doing other things. Clotee Cook, a nine-year-old member, has gathered approximately 500 pounds.

Eleven members were present. Five members were out of school, picking cotton.

BUY WAR BONDS & STAMPS.

Achievement Week For 4-H Members

National 4-H Achievement Week is a time for 4-H'ers to show what they have and can do as soldiers in a war involving everybody. Here's an example of what Texas 4-H girls would have to show for inspection if they could get it all together.

They've collected scrap rubber enough for 7 battleships, 72 28-ton tanks and 1 tire for a bomber.

Enough steel for 738 light tanks; enough waste paper and rags to make over 391,000 cartons for anti-aircraft shells. With their bonds and stamps they've bought Uncle Sam could buy over 700 machine guns with 10 rounds of ammunition each.

4-H girls have a land army over 26,000 strong that's on the job today — gardening, caring for chickens or livestock, or doing extra farm work; preparing and preserving food; sewing, mending, cleaning, improving homes inside and out; doing without and buying wisely; helping others to be cheerful; making health a daily duty; saving, buying war bonds and stamps. In their ranks also are about eight and a half thousand fire fighters and 800 air raid wardens and plane spotters.

Besides growing food for home use, they have preserved enough food to supply 1,700 soldiers for a whole year. It takes 2000 pounds per soldier. And there are enough girls who have had first aid and home nursing this year to supply each of those 1,700 soldiers with 2 nurses each—and there would be more than 400 nurses left over.

Lynn County girls are working to contribute their share in carrying out the Victory Demonstration Pledge. The labor shortage has caused many girls who had not done so before to help with the field work in order to insure production of food, feed, and fiber.

Garden fruit plots are common at 4-H girls' homes. For example Patsy Ann Mathews planted 200 strawberry plants from which she has canned 4 pts. and has had berries for ice cream, pies, etc. Production, however, was kept low as she was interested in producing new plants and she now has 300.

Velma Ruth Howell planted 100 strawberries while Geraldine Shepherd worked with 250 plants. Joretta Shaw had 250 tomato plants and Billie Joe Anderson had 70. Wymia Jean Gilliam and Joy Alice Ellis are growing grapes from cuttings.

To increase beauty and comfort in her home, Wanda Jean Tyler has re-sodded the lawn, built a tennis court, started a rose garden, rearranged foundation plantings and added others, and has moved some poultry houses.

100% of the girls have contributed to the scrap metal and rubber drive. Clotee Cook, a nine-year-old, was responsible for collecting 500 pounds of metal. Practically every girl has purchased war stamps.

4-H Achievement Week is intended to give the girls and others an opportunity to look over their work — see where it's good and make it better. It is time for each girl to set her sights and to begin to do a finer piece of work for her country and herself than she has ever done before.

CARD OF THANKS

We wish to thank the friends and neighbors for their great kindness during the illness and upon the death of mother, Mrs. M. E. Wiggins. We are truly grateful to every one of you. — Mr. and Mrs. W. C. Dulin.

The world's youngest owner of a "Seeing-Eye" dog is blind. He is Tood Lowry 15-year-old University of Texas freshman. He is taking a pre-law course.

Even as Hitler is the worst enemy that Germany has ever had, so is Pierre Laval the worst enemy that France has ever had. A mere stooge of Hitler for the position and power that this brutal power-mad maniac might bestow upon him, Laval has deliberately betrayed his own people. He is the most contemptible character since Judas Iscariot. Benedict Arnold was a saint as compared with that detestable cur. Not content to turn France over to Hitler to be exploited by him, not content to drive the men of France if possible into German slavery, he now turns his clammy hand against America, the would-be savior of his people, and meets with guns and battleships. Well, he will get the punishment he deserves. And doddering old Petain, once a French hero, will go down too. He is to be pitied more than condemned, though he has helped to mislead a lot of the French people. France will yet be saved by Britain and America in spite of her traitorous leaders.

Adolph Hitler is the worst enemy the German people have ever had. Obsessed with the opinion that he is the greatest military leader of all time, he has hypnotized them and led them to believe that they can conquer the world, and thus he has led them into an aggressive war that is rapidly leading them to ruin. Hitler's downfall is as certain as death, and when he falls the German nation

ODDS and ENDS

by Eee Eye, the Elder

Not since the treacherous assault on Pearl Harbor has news so thrilling been brought to the American people as that which came over the air shortly after eight o'clock Saturday night announcing that great convoys of American soldiers were being landed in North Africa for the purpose of destroying or driving out the Germans and their French stooges and eventually using the southern shores of the Mediterranean as bases from which to attack and crush Germany itself.

We do not know how many hundreds of thousands of United States soldiers have been sent to Africa, and it is not our purpose here to discuss the war. We are just thinking of the strange environment into which these American boys have suddenly been thrust. Truly it must be a new world to them.

Invariably when we think of Africa we think of Negroes. But there are comparatively few Negroes along the north coast of Africa. Some of the cities along this coast are really modern cities, more European in fact than African or Oriental, such cities as Algiers and Oran, and Tunis, and Tripoli. In them are found many French, Italians, Spaniards, Greeks, and other European nationalities.

All of those named except Tripoli are in French territory. Tripoli is in Libya, which has been an Italian colony.

But the Europeans are confined almost entirely to these coast cities. The country back away from the coast is inhabited by strange peoples—Berbers, Arabs or Moors, Furks, and other strange races. Some of these live in fairly respectable dwellings; some in huts and hovels;

tion will be crushed. Having incurred the undying hatred of all their neighbors, the vengeance that will be visited upon them when the Hitler machine is crushed will be relentless and terrible. We repeat that Hitler is the worst enemy the German people have ever had.

Although meeting with resistance on the part of some who should have welcomed our soldiers with open arms, our forces have made gratifying progress in bringing French North Africa under submission. However, the Germans apparently are feverishly preparing to meet us, and it seems to us that a mighty struggle is brewing between the Germans and their stooges on the one hand and the Americans and the British on the other on the historic Mediterranean and its shores, a struggle that may decide the outcome of the war.

WYNNE COLLIER, Druggist

countless thousands live in tents. Some of them are engaged in farming on a small scale, cultivating such crops as may be raised there with crude farm implements. Some are engaged in raising sheep and goats and camels. Most of these are nomadic, wandering from place to place over the desert with their flocks and herds living chiefly on camel's milk, dates, and such other fruits as may be found in the oases of the desert. All of them are strangely garbed and speak a language that no American can understand.

Add to this their peculiar manners and customs, their strange religion—practically all of them are Mohammedans—their queer ideas of right and wrong and strict social standards, and you have a society in which no American would know how to behave himself.

In view of this situation, General Eisenhower has forbidden American soldiers even to speak to the inhabitants of North Africa, not only because of the fear that they might unintentionally reveal military secrets but also because any Moslem woman considers it an insult for any male stranger even to speak to her however innocent his purpose and however respectful his manner of address.

As strange to the European or to the American as these people of Oriental or African origin and status may be, they each have behind them a long and interesting racial history.

Some of them date back to old Phoenicia, known to the early Hebrews as Canaanites, that great ancient nation of merchants and tradesmen living on the eastern shores of the Mediterranean who gave to us our alphabet, who made great advances for their day in the field of science, and who became a great maritime power, planting colonies along the northern coast of Africa and as far west as Spain. Their merchant ships even passed through the Gates of Hercules, now known as the Strait of Gibraltar, and cruised along the northwest coast of Africa and the west coast of Europe.

Most famous of the colonies which they planted was Carthage, which grew to be a great and powerful city and which even challenged the power of Rome in the third century B. C. Hannibal, who might be termed the Napoleon of antiquity, a little more than 200 years B. C. invaded Italy and came very near conquering the imperial city of Rome.

Carthage, a city at that time of about 700,000 population, was situated near the point where the modern city of Tunis in Northern French Africa now stands. Tunis, the capital of Tunisia, has a population of more than 200,000 and is one of the points from which the Americans hope to operate against Italy and Vichy France and eventually Germany itself.

One of the first cities of North Africa which was forced to surrender to the Americans is Algiers, the capital of French Algeria, a modern city of more than 250,000 population.

Algeria has a long history. Centuries before Christ there was an empire in northern Africa known as Numidia, covering roughly the territory now embraced by Algeria. The people were natives of Africa. They were the ancestors of the Berbers, one of the races that still inhabit Algeria. The ancient Numidians were descendants of Ham, and hence also are the Berbers, though the latter are not typical Negroes. Numidia was conquered by Rome

VITAMINS FOR YOU

You need vitamins to build a healthy body and to keep fit and strong. The most natural way to get vitamins is by eating the right kind of food—eating enough of it and eating it regularly.

Why We Need Vitamins A, B, C, D

For health's sake it is well to be acquainted with these vitamins and know what they can do.

Vitamin A could be called by a war nickname—the "blackout" vitamin—since it guards against "dry eye" and night blindness. It also guards against infections of the mucus membrane—lining of the nose, throat, lungs and other organs of the body, and is needed for growth, healthy bones and good skin. The Vitamin B group is quite a large family. B1, called thiamin, can be nicknamed the "morale vitamin" because it makes for steady nerves—helps keep one cheerful. Lack of thiamin results in poor appetite, slow heart rate, constipation, and a tired feeling.

Another B vitamin is niacin, or nicotinic acid, which helps nerves and digestion, and prevents pellagra. Still another B vitamin is riboflavin, which is needed for health

and made a Roman province in 46 A. D.

Then when the Vandals, a fierce, barbaric German tribe, over-ran southern Europe early in the fifth century A. D., they invaded North Africa also, bringing Algeria and Carthage under their sway. For nearly a hundred years from 440 to 534 A. D., the Vandals ruled the land. They were overthrown by Justinian in this latter year and Algeria was again under the Roman rule until the Arabs appeared in the eighth century. These Arabs were fanatical Mohammedans, and they not only subdued northern Africa but for a time brought Spain also under their sway. They were defeated by Charles Martel at Tours, France, in 732, however, when they undertook to invade that country, but they continued to rule a large part of Spain until 1492 and Northern Africa until about 1830, at which time France subdued them.

For hundreds of years they had been robbers in North Africa and pirates on the Mediterranean until 1815 when Stephen Decatur of the United States Navy showed them where to head in.

And now our boys have gone over again, not to squelch Arab pirates this time but to German plunderers, who have shown themselves to be fully as Vandalistic as the ancient Vandals who emerged from the German forests and became the scourge of civilization.

and normal growth. If a diet is deficient in this vitamin, sores may develop around the nose and mouth, the eyes may be overly sensitive to light, and become bloodshot.

Vitamin C's scientific name is ascorbic acid. This vitamin makes healthier tissues, particularly bones, teeth, and gums, and is well known as the "scurvy fighter."

Vitamin D is a two-way vitamin—it can be obtained from sunshine as well as from food. This vitamin helps bones and teeth grow strong and straight.

How To Get Your Vitamins

Bright colors—yellow, green, orange, sometimes red,—are often signals of vitamin A value which one can get by eating ripe yellow and green vegetables and some red ones, such as tomatoes, liver, butter and eggs are good sources.

B vitamins come in many foods. Some of these foods contain only one or two of the vitamin B group—others have more. Among those having thiamin, niacin and riboflavin are: whole eggs, milk, lean beef and mutton, liver, cabbage, collards, cowpeas, kale, mustard greens,

peanuts, dried or green peas, spinach, soybeans, tomatoes, and turnip greens.

Vitamin C is found in citrus fruits and several other fruits, tomatoes, kidney, liver, and many vegetables.

When sunlight meets the skin directly vitamin D is formed. Butter, cream, whole eggs, and egg yolks, whole milk, some fish, and fish liver oils are sources of vitamin D.

Mrs. Delbert Carter of Lubbock spent the week end with her niece, Miss Claragene Scruggs, who resides a few miles east of Tahoka. Mr. Carter is somewhere in Alaska.

DANGER IN THE HOME

THE whole breed of domestic contagious and infectious diseases will disappear in the years to come as the lessons of cleanliness come to be learned; not only the lesson of cleanliness of the home, but also personal cleanliness, the cleanliness that demands the daily washing with soap and water, the cleanliness that destroys germs, removes the substances in which they breed, and disinfects and makes healthy all human surroundings.

It has long been an established fact that one of the most dangerous agents in the transfer of bacteria is the human hand with its five fingers.

When we wash our hands we seek to do for others what we would have them do for us.

Southland News

(By Mrs. Marvin Truelock)

To make the Honor Roll this year every grade must be 90 or above, rather than an average of 90. Another reason for our shortened list is that almost every student has been busy pulling bolls.

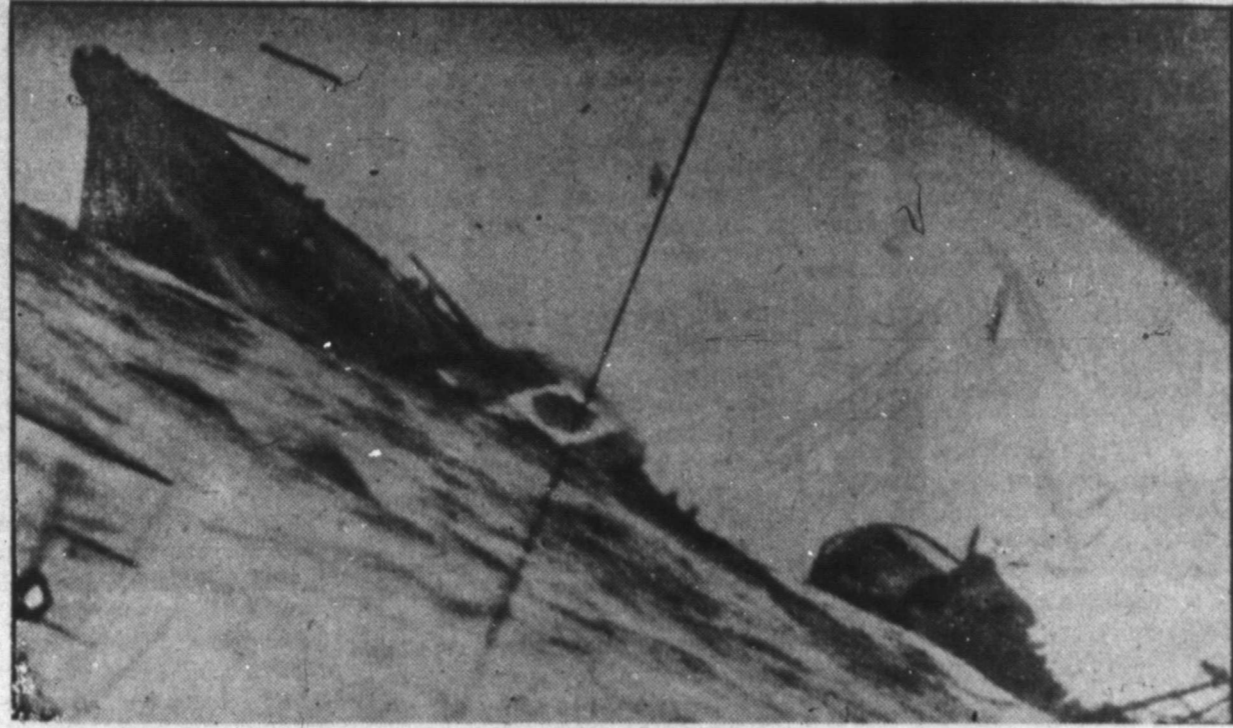

The Honor Roll for the first six weeks of school includes: First grade, James Donald Basinger, Doris Jackson; Third grade, Glynda Grant-ham; Fourth grade, Carolyn Edwards; high school, Jack and Eldon Lancaster.

The pre-flight course is arousing more interest than any other class in high school. Only juniors and seniors having completed two years of Math may enroll. Part of the 13 members of this class are girls.

The 92nd monthly devotional and business meeting of the Lutheran Ladies Aid was held at the home of Mrs. H. Breudigam last Sunday afternoon. The following ladies were present: Mesdames Aug. Becker, Ben Becker, Wallis Becker, Willie Becker, H. Breudigam, Otto Biess, C. W. Gindorf, Elmer Gindorf, E. Herber, A. Krause, Otto Klaus, Joe Neugebauer, Oscar Nelson, Walter Stolle, Walter Voigt, Miss Marie Voigt, and visitors; Mesdames D. G. Stolle and C. W. Gindorf Jr. Mrs. Walter Stolle is secretary.

Mrs. Herbert Dunn went to bed with a severe case of flu at noon Sunday, which cancelled her plans to attend the Northwest Texas Annual Conference of the Methodist Church Wednesday at Sweetwater. Rev. O. E. McGaw left Sunday af-

PERISCOPE PHOTO OF SINKING DESTROYER

WASHINGTON, D. C.—PIXPAGE—This official U. S. Navy photo shows an American sub's eye view of the sinking of a Jap destroyer, one of the largest and latest types, after it had been struck by two torpedoes launched from the submarine from which this picture was taken. Note the Rising Sun insignia on top of the turret to the left, and two men in white scrambling over the conning tower at right. The photograph, first of its kind, was taken through the periscope of an American submarine.

ternoon with Rev. Vic Allen and family of Frenship to attend the State Baptist Convention at Fort Worth. Later they will visit Mrs. Leroy Cate, known here as Mollie Mae Allen. Mrs. McGaw left Thursday morning with her parents of Levelland to visit relatives in Waco.

Mrs. C. T. Anderson took over the telephone exchange Tuesday.

A handkerchief shower honoring Mrs. M. J. Gray, who is moving away from Southland, was given by her friends in the Eastern Star Monday night. Mrs. Gray moved her telephone exchange here in April, 1920. Then there was only one phone in town.

Mrs. Frank Fletcher and sons of Wilson were Saturday afternoon visitors of her sisters, Mrs. Tim Field and Mrs. Gene Draper, and of her husband's sister, Mrs. M. True-lock.

Word has been received that Pvt. James R. King, who was placed in the postal department of the army, has been transferred to the post office in New York City.

Harvey Smallwood of San Francisco, California, arrived Friday to spend a ten-day furlough with his parents, Mr. and Mrs. G. N. Small-wood. Other Sunday visitors of the Smallwoods were Mr. and Mrs. Neil Smallwood of Midland, Pvt. and Mrs. Sidney Smallwood of Lubbock, Master Sergeant and Mrs. R. Hoskins of the LAFS, Lubbock, Mrs. Annie Landers and son, Sgt. Ralph Landers of San Antonio.

The Senior Class with Miss Frances Coffey as sponsor, had a Sadie Hawkins party at the Gym Friday night.

Margaret and Juanita Duff finished their six weeks aircraft course ahead of schedule and are already employed in Houston. Their brother, Lieut. I. J. Duff Jr., has been in Alaska for several weeks.

Mrs. J. R. King, accompanied by Misses Dorothy Dell Oates and Moore Trigg, spent the week end in Midland as guests of her sister, Mrs. Sam Revis.

Miss Alta Clements, who has been visiting relatives in Lubbock, returned to her home at Hackberry Wednesday.

Mrs. Leonard Anderson has purchased the cafe and will take charge Tuesday.

Mrs. Ella Pennell of Houston is visiting her son and family, Mr. and Mrs. Donald Pennell. Sunday they were guests of the B. W. Pennells of Canyon Valley.

Thursday afternoon the Santa Fe section gang reported a strange-colored airplane landing and being met by a car. The rendezvous was near the grade coming up the Caprock the other side of Buenos switch. After dark, which was about an hour later, two army trucks with soldiers fully equipped, came to get Section Foreman Juan Reyes for an investigation, but learned nothing more.

Next to silver, the most consistently produced Texas metal is mercury.

Tunnell-Stewart Wedding Sunday Elaborate Affair

In the presence of a great throng of relatives and friends, Miss Mary Margaret Tunnell, daughter of Mrs. Lenore M. Tunnell, and Charles A. Stewart, son of Mr. and Mrs. S. L. Stewart of Aspermont, were united in marriage at seven o'clock last Sunday evening in the First Methodist Church here with Rev. H. A. Nichols, the pastor, reading the beautiful and impressive double ring ceremony.

Preceding the service, Mrs. Marvin Munn sang "I Love You, Truly," with Mrs. J. K. Applewhite as piano accompanist, and then followed the lighting of the candles, which had been placed at the ends of the pews and on the altar, by Savannah Lou Tunnell, the bride's sister, wearing fuchsia chiffon velvet, and Frances Marian Haney, in royal blue velvet.

Following the lighting of the candles, Mrs. Munn sang "Because" with Mrs. Applewhite as accompanist, and to the strains of a beautiful wedding march the wedding party entered, taking their places before an altar decorated with floor baskets of white chrysanthemums against a background of Boston and Oregon ferns.

The bride, who was given in marriage by her great uncle, W. G. Lyons of Galveston, wore a wedding dress of white duchess satin with long train. Her veil, a family heirloom, was of imported Battenberg lace, and bridal illusion, and she wore a single strand of pearls, carried a wedding handkerchief as "something borrowed," and her bouquet was of white orchid showered with white chrysanthemums.

Miss Betty Shryock of Pampa was maid of honor. She wore hunter's green chiffon velvet and carried a bouquet of yellow chrysanthemums. Miss Betty Sue Roberts and Miss Little Jo Townes were the bridesmaids, wearing dresses of velveteen, Miss Roberts' being rose and Miss Townes' turquoise.

Mrs. Eldon Carroll was matron of honor, in gold chiffon velvet.

Mrs. Tunnell, mother of the bride, wore Eleanor blue crepe with gold accessories and a corsage of Talisman roses, and Mrs. Stewart, mother of the groom, wore plum crepe with black accessories and a corsage of gardenias.

Jay S. Stewart, brother of the groom, served as best man, James Roberts and Elbert Boullion of Tahoka, Pfc. Eldon Carroll now of the Lubbock Army Flying School and Lt. Kenneth Elwayne Nevill of the Goodfellow Field of San Angelo, both formerly of Tahoka, were the ushers.

Immediately following the ceremony a reception was held at the home of the bride's mother, Mrs. Tunnell.

The reception rooms were attractive with roses, carnations and chrysanthemums. A white chrysanthemum centerpiece and tall white tapers decorated the bride's table, which was laid with Irish cloth, from which the three-tiered wedding cake, decorated with miniature bride and groom, was served with punch to the guests. Mrs. L. C. Haney presided at the table.

Mrs. Stewart chose for her going-away costume a black broadcloth, fur-trimmed suit with black accessories, with white blouse and gloves. For a corsage she wore an orchid.

Out-of-town guests who attended the wedding included exclusive of the wedding party, Mrs. John Schultz, Galveston; Mrs. V. N. Schultz, and daughter, Alice Ann, of San Antonio; Mr. and Mrs. Bob Crawford and Mr. and Mrs. Bob

Gee, Ballinger; Mr. and Mrs. S. L. Stewart and Mrs. Alice Comer of Aspermont; Misses Jewell Tipton and Ann Martin of Big Spring; Mrs. Kenneth E. Nevill, San Angelo; Mrs. Rex Rose, Pampa; Mrs. S. H. Adams and Mrs. John Frye, Slaton; Mr. and Mrs. Glen Howard and Mr. and Mrs. Carl P. Shaffer, and Mesdames Effie Townes and Della Hawkins, all of Lubbock; Mrs. Jay S. Stewart, San Francisco, California.

Mrs. Stewart, who graduated from Tahoka high school at the head of her class, was graduated from Texas Technological College with high honors, having won the Hutchinson Scholarship in journalism for two successive years, serving on the women's staffs of the Treador and La Ventana, vice president of the Press Club and Theta Sigma Phi, and was listed in Who's Who Among in American Colleges and Universities.

Mr. Stewart, son of Mr. and Mrs. S. L. Stewart of Aspermont, is a graduate of Aspermont high school, a former student of Texas Technological College and is now Civilian Flight Instructor in a Flying School in Ballinger.

WEDDING PARTY HONORED

Mrs. Eldon Carroll, assisted by her mother, Mrs. Oscar Roberts, entertained with a rehearsal dinner in the latter's home Saturday evening at 8:30 o'clock, honoring Miss Mary Margaret Tunnell, and Charles A. Stewart and members of their wedding party.

Yellow chrysanthemums formed the centerpiece of the dining table where a sumptuous turkey dinner—the menu suggesting the Thanksgiving season—was served to Miss Tunnell, Mr. Stewart, Mr. and Mrs. Jay Stewart of San Francisco, W. G. Lyons of Galveston, Miss Betty Shryock of Pampa, Miss Lottie Jo Townes of Lubbock, Mrs. Effie Townes of Lubbock, Pfc. Eldon Carroll of LAFS, Lubbock, Elbert Boullion Jr., and Misses Betty Sue Roberts, Savannah Lou Tunnell and Frances Marion Haney. Mrs. Lenore M. Tunnell, Mrs. Carroll and Mr. and Mrs. Roberts, all of Tahoka.

Evangelistic Services

You are invited to attend Evangelistic Services in the Presbyterian Church, beginning Wednesday night, November 12.

Miss Douglass
Miss Blackburn.

The gifts from the bride to her matron-of-honor and bridesmaids, were sterling silver pins, while to each candle-lighter she gave miniature gold pitchers.

The best man and ushers received from the groom tiny gold pen knives.

COXES VISIT SON

Mr. and Mrs. Jarrell Cox of West Point have returned from a visit to their son, Jimmie, and Mrs. Cox, who were married in West Baptist Church of Athens, Texas, by the pastor some four weeks ago.

The young couple are keeping house at 605 E. Tyler St., in Athens, where the groom is connected with a grocery store.

Mrs. Cox, who until October 16, was Miss Norma Jo Barkley, only daughter of Mr. and Mrs. Jack Earkley of Athens, is a graduate of Athens high school and is secretary of a brick plant there.

Mr. and Mrs. Cox greatly enjoyed their visit in Athens.

Winfred Tinsley of Norman, Oklahoma, was here this week visiting his uncle, J. O. Tinsley. Winfred is now serving his country in the U. S. Navy. He was born and reared in California, and this was his first visit to Texas, a strange looking country to him.

QUICK RELIEF FROM Symptoms of Distress Arising from STOMACH ULCERS DUE TO EXCESS ACID

what will your new car be like?

GREAT CHANGES in automobiles are certain after the war. What will they be? Will your post-war car be teardrop in shape? Will it have sealed plastic windows to preserve air-conditioned interior temperature? Have "shiftless" transmission? Longer-lasting synthetic rubber tires? A smaller engine using higher octane gasoline to deliver greatly increased horsepower per pound of weight?

before Pearl Harbor, Phillips scientists were engaged in never-ending study, research, experimenting, exploring the limitless possibilities of petroleum chemistry.

Slowly but surely, there emerged new processes, new products, new benefits. Even before the war, much of this purposeful knowledge was channeled into the national defense effort. Now, all of it has been "enlisted" for the duration.

As a user of Phillips 66 Poly Gas and Phillips 66 Motor Oil, you surely share with us the pride that comes of knowing that Phillips is doing its part in the Nation's victory effort.

The answer to the first of these questions is still uncertain. But to the two final queries, synthetic tires and engine power, Phillips Petroleum Company can suggest affirmative replies.

Phillips vast resources of raw materials and Phillips knowledge have made the company one of the largest suppliers of 100 octane aviation gasoline to the Army Air Corps, the Navy, and the United Nations' air forces; have made the company an important participant in the U. S. synthetic rubber program.

THE GROWL

Bulldogs Have Excellent Record

(By Winston Redwine)
Tahoka high's Bulldogs have always been a good team but much improvement has been shown since the first game of the season with Lamesa's Godlen Tornados.

This year's crop of Bulldogs is one of the best Tahoka has seen in many a day, having won the district championship over Denver City, Friday, October 30.

James (Sonny) Roberts is high scoring man for the Bulldogs, having made a total of 32 points for the team up to date. Roberts has made an approximate total of 3 conversions for the 1942-43 high school football season.

Next in line comes G. W. White, Tahoka fullback who through hard and unflinching efforts has chalked up an approximate total of 23 points for the team. White is top man in the conversion line with 4 conversions to his credit.

The Bulldogs, who are now noted for their passing ability have now hit the grand total of 55 points scored in games this season. The Bulldogs have 6 points against Lamesa, 7 against Monahans, 7 against Seminole, 21 against Seagraves, and 14 against Denver City.

(* denotes conference games.)
After giving due credit to the fullbacks and halfbacks of the team, we shall not forget the linesman, Dub Harvick, short red-headed senior, has to his credit the most tackles of the season, having made 13 tackles in the game with Denver City.

At the Denver City game, anxious Denver fans watched for the expected aerial attack. One pass was completed for the Mustangs, which was put in the shade by G. W. White who completed 2 out of 4 passes and these were caught by Bill Woods. Tahoka intercepted no passes from the Denver City eleven.

The first of these passes averaged 28 yards. The second was 15 yards. Gene Earl Knight, right guard, was the only substitution made, taking the place of Leland Mitchell.

The first string Tahoka roster is:

Name	Weight	Pos.
Short	140	LE
Wardlow (co-capt.)	145	LG
Akin	160	LT
Harvick	164	C
Barham	145	RG
Mitchell	140	RT
Woods	155	RE
Harvick	137	BB
Knight	135	RH
White	155	FB
Roberts	148	QB

Substitutions:
Guards — Blair Ramsey and Bill Barham.
Tackles — Noble Rumbo and Gene Knight.

Hilery Mather and Don Ware are not eligible for the team because they have not lived in Tahoka long enough to qualify. It is necessary to live here at least one year.

SELL POP AND POPCORN
Girls of the Home Economics department sold popcorn and soda pop at the Tahoka - Levelland game at Tahoka high school last Wednesday. The money will go to the chapter club of the Homemaking department.

CALENDAR
The calendar for next week will be:
Friday, November 20 — Sub-Deb Presentation Program.
R39F—

More than 450,000 passengers fly in and out of Texas annually.

Personality . . .

Tiny and quiet are the two words which describe our pet personality this week. This little Miss is a new student from McAllen. She has dark, curly hair worn in a long brushed style, is 16 years old, a Junior, plays in the band, is a member of the Sub-Deb club, and works at a downtown store.

Janette Coughran is the young lady we introduce this week.

Junior Red Cross; Ex-Editor Here; Superstitious?

(By Jimmie Low Thomas)
Tahoka's records reveal that every student in Tahoka high school is a member of the Junior Red Cross.

The junior class leads the high school in contributions in the drive, having \$3.60. The freshman class has \$2.45; the seniors, \$1.90; and sophomores, \$2.92.

The Tahoka Bulldogs should be called "The Tahoka Cowboys" as they have taken up the cowboy dress. There are nine boys out of fifteen who already have their boots and the remainder plan to get some. Many of the boys have "Jeans" and "Levis" to wear to complete the rustic appearance.

The ex-editor of The Growl, Dorothy Virginia Fulkerson, visited the journalism class Friday afternoon. Dorothy Virginia returned home on Thursday night from T. C. U. where she is now attending school.

Rev. Henry C. Thomas, pastor of the Nazarene Church of Tahoka, has taken the place of Ed Jaquess as bus driver of the eastern route, which includes Grassland and New Lynn.

Bill Barham, Bulldog co-captain, received a broken hand Thursday afternoon while working out in the eighth period. Bill has played every game this season, but he will be unable to play Wednesday afternoon because of his injury.

Nieto Stephens, 1940 graduate of Tahoka high school, visited school Friday while home from West Texas State College. Nieto was chosen beauty of the college last year and is now classified as a junior.

"Hey, let me see your picture," "Trade pictures with me," "Isn't this terrible?" These were some of the expressions heard Friday when the students were given pictures which they had had made about three weeks ago.

There were eight small ones and one enlargement. The prices were five cents for one, ten cents for two, fifteen cents for three, twenty cents for four, twenty-five cents for six, thirty cents for eight, and enlargements were thirty cents each.

Are you superstitious? If so, you better watch out today for it's Friday the thirteenth. Don't walk under any ladders, break any mirrors, or cross the path of a black cat for it might be bad luck.

The Home Ec girls are to make some card table covers and utility bags for the boys in service.

The bookkeeping class started working in their new workbooks on Friday.

The last great wilderness of Texas lies around Big Bend State Park, 80 miles south of Marathon, Texas.

EDITORIAL
(By Peggy Penton)
"With confidence in our armed forces . . . with the unbounded determination of our people . . . we will gain the inevitable triumph . . . so help us God."

The above paragraph was taken from President Roosevelt's war message delivered to members of Congress December 8, 1941.

Tahoka high school strongly believes the above statement and that the graduates and ex-students of this institution now in Uncle Sam's forces will come through with high honors.

A list of the former students and alumni in the Armed Forces is: Noel Weldon Alphin, Arvel Dee Akin, Ted Howell Boylston, William Wade, Guy Bulman, Morgan Livingston Bulman, Wayland Huges, Jo Bob Eillman, Levi Billman, Edward McMillan, Jo Edwin Brown, Raymond Bulman Paul Arthur Casebeer, Keith Connolly, Finis Connolly.

William Albert Curry, Dan M. Daniel, Thomas Curtis Draper, Robert Draper, William Corbin Douthitt, Homan Ruben Edwards, Wilson Wells Edwards, Boyce Evans, C. B. Evans, Jack Randal Fults, J. W. Fortenberry, James F. Oster, Alex Harris Frasier, Charles Arthur Gaignat, Cecil Clyde Godsey, Sam Houston Garrard, Pierce Benton Hallmark, Grady L. Herrin, Billie Hill, Tom William Hale, Eugene Jaynes, C. B. King, Monterey Keltner, Jack King, Bill King.

Nathan Hughes Woosley, Wathal L. Littlepage, Clayton Alfred Lawrence, James Leroy Minor, Andrew Franklin McGlaun Jr., Kenneth Howard McKinzie, Odean Millman, Felix Macha, Kenneth Elwayne Nevill, Morgan Alexander Noble, Charles Townes.

Delton Loyd Pemberton, Harlon J. Pate, Ernest Carma Reese, Ray Smithe, Cecil Clinton Smith, Roy Dalton Stephens, J. C. Sproles, John Reid Townes, Colman Green Welch, James Calvin Womack, David Grayson Weathers, George Claud Wells, Charles Alvin White.

Cecil Odus White, Neil Walker, Clint Walker, Herbert L. Womack (killed in action March 24, 1942, serving with General MacArthur in the Philippines), R. C. Wells Jr., George Wright, Joy James Welch, Raymond Knight (drowned in Guthrie Lake), Truett Cooper.

Jim McDonald, Randal McGlaun, Garland Walker, Homer Parker, Herman "Curley" Reid, Robert Maddox, Lee King, C. W. Conway, Harold Snowden, Hiram Snowden, Lee B. Dodson, Frank McGlaun, John Leslie Browning, Robert Warren, Jacob King, Jackie Weathers.

Leroy Sikes, Jack Alexander, Billy Boydston, Glenn Boydston, Dub Riddle, Lester Adams, Tom Short, Horace Rogers, James Price, G. C. Price, J. H. Dyer, Curtis Morgan, Corman Norman, J. C. Womack, Travis McCord, Travis Shelton, Pete Jolly, Jasper Nixon.

Carl Lane, Kenneth Reid, Randall Fults, Dave Childress, Jack Childress, and Rusty Waldrip.
L. A. Claudia Draper, Army Nurse; Adaline Woods, WAAC; Mildred Cooper, bookkeeper; Billie Lane; Kathleen King, Army Nurse; and Percy Dean Tippitt, WAAC.
This list is incomplete.

SPORTS EDITORIAL
(By Winston Redwine)
Do you take part in some extra curricular activity in school? If a census was taken on this subject the results would probably be 75 per cent in the negative and 25 per cent in the affirmative.
Do you take the proper attitude toward the football team, and other activities? Some of us, no doubt, do and then there are others that don't. Do you go to all the games and yell with the student body, or do you sit in some parked car on the sideline, wishing you were at home reading a book or in bed? Do you go to the pep rallies and yell with the pep leaders, students, and fans? If you

School Students Show Much Pep

(By Billie Greer)
"Raising the roof" wasn't the phrase for Supt. Hanes to use last Tuesday at a pep rally. The high school was led by the band, accompanied by the sixth grade.

"Beat Levelland" tags were issued to everyone and speaking of school spirit, the high school really had it in their blood. At the assembly, before the downtown parade, the "Marine Hymn" was led by Pat Hill. The first verse consisted of high school students mainly, but when the second verse started, the sixth grade took the lead and made the high school students feel little. (P.S. Pat didn't know the second verse.)

Tickets were issued to a few students to sell while the rest really gave Tahoka a build-up. Many of the business men cooperated, and every man in town was asked at least five to ten times to buy tickets.

In assembly the football boys were asked what they expected to do in the game Wednesday. Leonard Wardlow, Bill Barham, and "Red" Harvick said, "I intend to go into the game to win the first bi-district in the history of Tahoka." The student body and the football boys really went to the rally in full swing. With the help of the student body, any team can win.

As the chapel broke up, the sixth grade sang "Marine Hymn" to march out by.
About forty guests attended.

Committees Named By Aggie Group
Organization of committees was the topic of business matter carried on at an Agricultural Chapter meeting Wednesday.
The committees appointed are: executive committee: Othell Meeks, chairman, Clois Leverett, and James Brookshire; refreshment committee: Charles Dollins, chairman, Leslie McNelly, and Billy Jack Warren; program committee: L. J. Walker, chairman, Bill Barham, Dan Brookshire, Earl Shultz, and Noble Rumbo; thrift committee: A. L. Hodge, chairman, Roy Huffaker and Jacky Driver; social committee: Derwood McClintock, chairman Tommy Leverett and Bill Grider; program of work: Blair Ramsey, chairman, Don Strickland, and Grady Woodward.

The first year Aggies are studying soil conservation as that is an important field for future work for the boys, stated Mr. Tom Seay, the new agriculture teacher.

F. F. A. pens were ordered and they will arrive next week.

Grade School Whime

At the opening of the chapel program last week, Mrs. L. F. Craft, first grade teacher, stated that since the war we have found that principals are essential people. Mr. Dewey Johnson, principal for the last few weeks in Mr. John Kirkwood's place, left last week to join the Marines. Mrs. Johnson accompanied Mr. Johnson to Quantico, Virginia, where he will be stationed. Miss Fitzgerald, assistant principal, is now in charge. Mrs. James Clinton has replaced Mrs. Johnson.

"A typical school day" was the theme for Mrs. Craft's first grade students. Mrs. Craft printed instructions on a blackboard which the students carried out quite well. "Safety Song" was played and sung by the rhythm band under the supervision of Mrs. Deck Dunagan. The third grade sang, "There's a Star Spangled Banner Waving Somewhere" under the direction of Mrs. Linnie Finch.

The fourth grade, taught by Miss Anita Reddell and Miss Fitzgerald, gave a short skit on "What is school for?"

Gerald Wayne Tippitt led the fifth grade boys in a Physical Education act.

A dramatization of "Historical Characters" was put on by the sixth grade.

At the close of the program, Mrs. Wyatt led the audience in "The Star Spangled Banner."

As the chapel broke up, the sixth grade sang "Marine Hymn" to march out by.

About forty guests attended.

Committees Named By Aggie Group
Organization of committees was the topic of business matter carried on at an Agricultural Chapter meeting Wednesday.
The committees appointed are: executive committee: Othell Meeks, chairman, Clois Leverett, and James Brookshire; refreshment committee: Charles Dollins, chairman, Leslie McNelly, and Billy Jack Warren; program committee: L. J. Walker, chairman, Bill Barham, Dan Brookshire, Earl Shultz, and Noble Rumbo; thrift committee: A. L. Hodge, chairman, Roy Huffaker and Jacky Driver; social committee: Derwood McClintock, chairman Tommy Leverett and Bill Grider; program of work: Blair Ramsey, chairman, Don Strickland, and Grady Woodward.

The first year Aggies are studying soil conservation as that is an important field for future work for the boys, stated Mr. Tom Seay, the new agriculture teacher.

F. F. A. pens were ordered and they will arrive next week.

This And That . . .

The high school would like to congratulate G. W. White on the two touchdowns he made in our game with Denver City. If anyone can make 'em he can.

Corduroy is still really getting places, or rather it is with Ruth Grider. Her dress of rust, yellow, and blue is very attractive.

Our old friend Richard Hancock is back again. Now we start laughing again.

Why was "Mackey" Fenton so happy last week? Not much guessing took place, everyone knew Lt. Robert Spikes was back in town.

Jim Edd Poer is Tahoka's No. 1 car hop these days. He might take a tip and add more sugar to his short limes, however.

Miss Wright's black dress with the white trimmings is a stunner.

Everyone liked the way Joan, Edwards and Peggy Fenton tap danced and sang in assembly. We'll vote for Miss Tunnell to be in charge of assembly programs.

Are you superstitious? The seniors are trying to find out if the juniors are — is the superstitious party slated Friday the 13th any indication?

The Home Ec girls really like "The Boy in Khaki and The Girl in Lace." They like it so well they even acted it out with Billy Jo Cowan the soldier and Rubie Lou Coughran as the girl.

For the shortest girl in high school, Faye Shadden gets all the friendly smiles. We all feel good to get "looked up to" by such a nice girl.

lock, chairman Tommy Leverett and Bill Grider; program of work: Blair Ramsey, chairman, Don Strickland, and Grady Woodward.

Eye-Witness Tells Of Wells Edwards' Tragic Accident

A few days ago, Mr. and Mrs. M. H. Edwards received the following letter from a lady residing near San Antonio, who witnessed the air accident in which their son, Wells, aviation cadet at Kelly Field, was instantly killed:

"Helotes, Texas, Nov. 7, 1942
"Mr. and Mrs. M. H. Edwards,
"Tahoka, Texas
"My Dear Unknown Friends:
"I have been trying to write you for several days, but simply didn't know how nor what to say.

"Let me introduce myself. I am Mrs. Mayme Moore, a graduate Red Cross nurse teacher. I live here in the hills near Helotes just across the valley from where your son and his teacher came to such a tragic end. I teach nurse's classes in a San Antonio Hospital. I go to and from here to town each day. It is about twenty miles or so. Well on the evening of the awful crash, I had come in home and was sitting at the supper table. I live directly on top of a mountain and quite a distance from any one and I am alone. Just as I sat down this plane flew over and it seemed that it was in trouble and not over a hundred feet in the air above the house. I went running out on the front porch to see what was happening and by then it had dived right across this little valley at the foot of my house and ploughed into the treetops on the opposite hillside. It made a god-awful crash. I jumped in my car and went to where I thought it had landed as fast as I could drive. I met a Mexican boy and his wife who live over there and Jesse drove to the village a mile away to phone the army post that a plane was down. His wife and I had a small flashlight and we searched everywhere, calling all the time to see if any one would hear us and answer. After a half hour I'd say we found the plane partly buried

in the earth and simply twisted and torn to bits. But we couldn't locate any one in it. I kept circling around hundred yards away from the wreck-further and further and finally saw two long white objects further yet upon the hillside — a good two ed plane. I ran to it and found it to be two parachutes stretched full length on the ground and the boys at the other ends of the silk. I am sure the boys never suffered and that it was all over in a split second. They were badly crushed as you no doubt know but maybe it will be of comfort to you to know that they did not have to suffer. It seemed ages before anyone got there and I had many, many thought sitting there beside my two silent companions on the dark hillside. You see I have three young nephews in service about the age of these two boys, so it made it seem pretty close to me. I never knew these boys, but somehow I feel that they were partly mine; in fact I feel that way about all our boys in the service.

"My heart goes out to you parents in this hour of your sorrow. I wish I could do something to make your hearts lighter. Somehow I just feel that if you know that someone who cared was there with your boy until his buddies came from Kelly Field and took him home that you would feel better.

"Sincerely, an unknown friend,
"Mrs. Mayme Moore,
"Helotes, Texas.
"I am enclosing the pictures and article which came out in the San Antonio paper the next day. Perhaps you didn't get one."

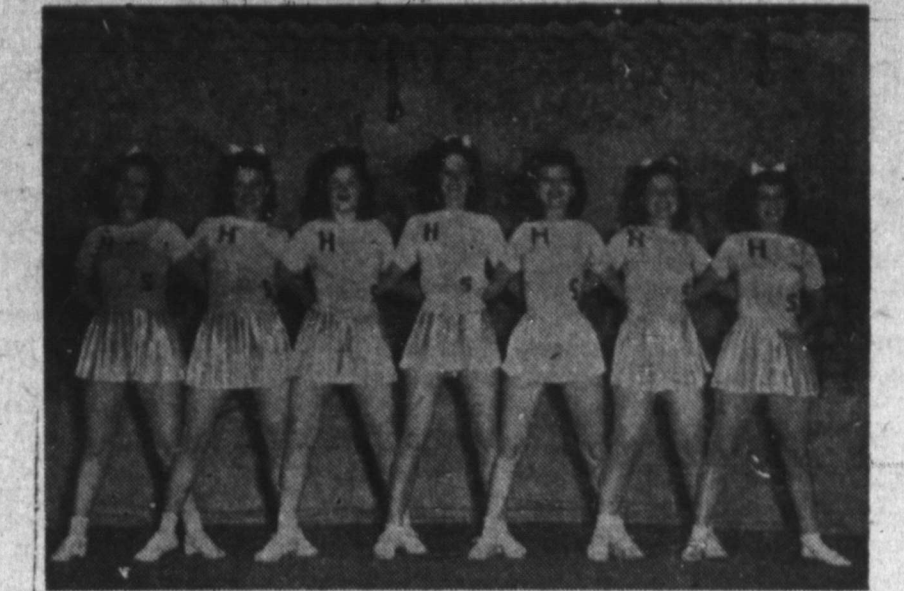

In making report last week of the recent visit of Mrs. A. H. McGonagill here, we stated erroneously that she and Mrs. W. V. McElroy had just returned from a visit with their husbands on the West Coast. We should have stated the East Coast.

Mrs. J. D. Donaldson left Wednesday for Houston, where she will visit three weeks with her son and family. Mr. and Mrs. Wallace Donaldson. Mr. Donaldson will go down later for a visit.

Mr. and Mrs. Troy Sproles, after a ten days' visit here with his parents and other relatives, left last Friday for Malvern, Arkansas, where he is employed in an aluminum defense plant.

Kenneth Bozeman
AUCTIONEER
LUBBOCK, TEXAS

Harley Sadler's Show Here Mon., Tues., Wed.

Sub-Deb Club Plans Presentation

ram were topics of conversation discussed by members of the Sub-Deb club at a meeting in the home of Colene and Dorothy Lee Carmack Wednesday.

Lavoye Richardson, president of the club, appointed committees for the program and to send out invitations. Those on the program committee are: Peggy Fenton, chairman, Mary Ruth Edwards, Jimmie Lou Thomas and Dorothy Lee Carmack. On the invitation committee are: Mary Beth Fenton, chairman, Dorothy Jean Applewhite, Lavoye Richardson, and Sina Barrington.

"One, two, three, kick" were dance steps taught to the Sub-Deb rushees Friday night in the home of Billie Lee Burleson.

The next meeting will be at Jeanette Coughran's next Tuesday due to the Armistice holiday on Wednesday. Dorothy Jean Applewhite is program chairman for the meeting. The program will consist of a talk by Mary Beth Fenton on "Etiquette on the dance floor." A song, "I'll Pray For You," by Pat Hill.

Apples and fudge candy were served as refreshments at the meeting.

The presentation program will consist of: The welcome address, by Lavoye Richardson, president; History of club, by Mary Beth Fenton; Presentation of rushees by Lavoye Richardson; song by a group of girls; and announcements by the president.

W. E. Edmundson, who lives near the Lynn-Garza county line six miles south of Southland, was a visitor in The News office Tuesday morning renewing his subscription, although it had not expired, and he reported that the cotton crop in his community was even better than they had expected. Some of it was yielding almost a bale per acre while other farms were producing more than a bale per acre. Good cotton for any man's country.

Grassland News

(By Mrs. V. V. Laws)
(Delayed)

Our new school bus driver, Rev. Frank Thomas, has also been substituting as teacher in Mrs. Ezell's room.

Mrs. Nina Belle Chapman and baby left last week to visit her husband, who is stationed at Norfolk, Virginia. Pfc. Chapman is doing shore patrol duty there.

James Enloe is expected home soon on furlough. He is in the parachute squadron in the camp at Bowling Green, Georgia.

Rev. Arch Gibson, who has been pastoring the Church of the Nazarene here for the past year, is leaving with his family this week for his new pastorate at Dalhart. We will miss them here but we wish for them the greatest of success in their new field of work for the coming year.

Rev. and Mrs. Odell Brown and little son will be with us the coming year. Rev. and Mrs. Brown were former pastors here.

Mr. and Mrs. J. E. Bullock and family of Ropesville spent Sunday here with his mother, Mrs. J. E. Bullock Sr. She had six of her nine children home on that day, and it was a great occasion for her.

The P. T. A. wishes to thank the Roberts Bros. here for the use of their cafe building for the rummage sale, and coffee and hamburger stand. Thanks are also extended to each and every one who helped with the work and the donations, also to the customers.

The Hallowe'en party sponsored by the P. T. A. was pronounced a success. Every one had loads of fun. The prize went to Mrs. Estelle Roberts as the tackiest of the tacky, and there were some very tacky ones there too.

Tom Anderson, orphan boy from Bokchito, Oklahoma, who formerly lived near here, was here this week getting assistance from County Attorney Calloway Huffaker in securing guardianship papers in order that he might enlist in the Navy. He was to leave early Thursday night from Lubbock for Dallas.

Mr. and Mrs. Elzie Watson and children left for their home at Lovington, N. M., Thursday morning, accompanied by his mother, Mrs. D. B. Cowart. Mrs. Watson had been in Lubbock General Hospital for two weeks, having undergone a major operation there, but seems well on the road to recovery now.

Technical Sergeant Ray Grider of Fort Bliss, near El Paso, has been here several days visiting relatives and friends. Ray is the proud possessor of a marksmanship medal with two bars denoting proficiency in rifle mounting and dismounting and pistol firing.

Christmas Rush At Post Office

The Post Office Department now is starting the most gigantic task in its history — the movement of a deluge of Christmas parcels cards and letters while maintaining the regular flow of millions of pieces of mail daily to and from our armed forces all over the world.

Indications are that the volume of Christmas mail will be the largest on record. Already in September, latest month for which figures are available, retail sales had reached a level second only to the record month of December, 1941, according to the Department of Commerce.

And sales are rising. Such heavy purchases always presage heavy mailings.

If thousands of our soldiers, sailors, marines and civilian friends are not to be disappointed at Christmas time, the public must cooperate by mailing earlier than ever before and by addressing letters and parcels properly. The best efforts of the Post Office Department alone cannot be enough, in view of wartime difficulties faced by the postal system. The public must assist.

About 25,000 experienced postal workers already have been taken by the war services. Arrangements are under way to add thousands of temporary personnel to postal staffs, but this man power is hard to find and is inexperienced. Facilities of railroads and air lines are heavily taxed by movements of huge quantities of war materials and personnel. Extra trucks are almost impossible to obtain. Winter weather, hampering transportation, is beginning.

The free-mailing privilege granted to members of the armed forces has raised their mailings some 30 per cent, it is estimated. Expansion of those forces also is adding rapidly to the postal burden.

The deadline already is past for mailing gifts to Army and Navy personnel overseas with assurance that the parcels will arrive by Christmas. The New York post office reports that in late October, 350,000 such parcels were handled daily in that office alone.

The Post Office Department is making strenuous efforts to avoid such a terrific jam as it faced in 1918 under similar conditions, dur-

Bagged Peanuts Bring \$2.00 Ton

COLLEGE STATION, Nov. 12 — An extra two dollars per ton is in store for growers of oil peanuts who deliver their peanuts in sacks instead of in bulk.

No extra payment will be made for bagged quota peanuts, according to B. F. Vance, chairman, Texas USDA war board.

He explained that peanuts which are grown under marketing quotas and channeled into edible trade are grown largely on acreages normally devoted to peanuts and where sales methods, handling and storage practices already are established.

The extra two dollars should pay for the costs of sacks and will make the peanuts more easily handled when delivered to cooperating agencies participating in the program.

Under the 1942 purchase program, producers who deliver oil peanuts to cooperative agencies will receive the market value for crushing for oil on the day of delivery, less handling costs, or the support price, announced earlier in the year, whichever is higher.

Texas has the largest production of soft drinks of any state in the nation.

Football...

(Continued from page one)
boys lost, everyone who saw the game was proud of the boys for the showing they made in winning the district 6-A championship, the first ever won by Tahoka, and for the hard battle they put up Wednesday for the bi-district title.

Practically every store in Tahoka closed for the day and the game, and stores at Levelland likewise closed and a large crowd of fans from that city were present.

Soon after the opening kick-off, Levelland carried the ball down to the goal line on two long passes, but a penalty erased their threat.

Then, early in the second quarter, the Bulldogs started a sustained drive down the field with Sonny Roberts going over for the touchdown. A line-up for the extra point failed. However, a short time later, Levelland got into scoring position and completed a long pass from the 28-yard line for a touchdown. A quarterback sneak play was good for the extra point, and the score was 7 to 6 in favor of Levelland.

With the exception of one brief drive, that was the visitors last scoring threat of the day. All during the second half, the Bulldogs kept the visitors under control, and put on three sustained drives, one of which carried to the 1-foot line and another to the 5-yard line, but another touchdown was not in the cards, and Levelland was the victor. Levelland will represent Districts 5-A and 6-A in a game for the regional title.

Not a star could be named on the Tahoka team. The line-men and the backs were working as a unit Wednesday. Roberts scored for Tahoka. Tubbs for Levelland threw their touchdown pass to Bob Underwood.

Coach Volney Hill and the boys were congratulated by fans for their fine season's work.

The Tahoka High School Band, directed by Miss Mary Eleanor King, entertained on the field in the half-time intermission.

Men of Co. F, Texas Defense Guard, a few of whom were on duty to handle the crowd at the game, have asked The News to thank the people, especially the home folks, for their unusually good behavior and co-operation at the game.

Keith Connolly

(Continued from page one)
in a thirty-five minute fight and caused damage to the airframe and a 10,000-ton vessel.

Lieutenant Moore was the navigator of one of the Fortresses. He won his Silver Star for being cool and alert and remaining at his station throughout the running fight. Corporal Connolly, Fortress rear gunner, in spite of numerous attacks by enemy fighters, assisted in driving them off and aided in the successful completion of the mission.

Lieutenant Ellis is the son of Mrs. Kathleen M. Ellis and the late Dr. Leland C. Ellis. In a letter to his mother, Lieutenant Ellis wrote: "I was decorated by the General yesterday (Oct. 15) with the Silver Star and the Oak Leaf Cluster. I have been recommended for the Distinguished Flying Cross.

"I am getting tired of war. I am war weary. I need a rest, medals or no medals. You know your son is doing some good. You would really be surprised how much. As long as you people back home let labor get away with murder you shouldn't have anything to say about anyone but yourselves. Money isn't going to mean a thing. Cut the cost of this war. Cut the price of wages and tax more. I hope to get back home and get these things firsthand."

J. W. Jaquess reports that Mr. and Mrs. W. A. Winchester, who formerly lived here but who now reside in Arizona, have five boys in the uniform of the United States fighting forces. Mrs. Winchester was a sister of the late Mrs. Jaquess.

Brandon...

(Continued from page one)
and finally a wagon yard and filling station. At the time of his death he was operating a little fruit stand.

For a long time, Billie Brandon was prosperous and he was so generous that one who has known him from her childhood declared that his generosity was the main cause of his straitened circumstances as old age approached. Often he would give ten and fifteen and twenty-five dollars to sheer strangers who put up a hard luck story to him, she declared.

Mr. Brandon had no relatives here or in this part of the United States. He had a sister, Mrs. J. P. Frew, living in Baltimore, unless she has died during the past year, Mrs. Duce Holland says. In the early '20's, two of the daughters of this sister visited him here. These are the only living relatives he is known to have had. Born in Pennsylvania, he came to West Texas in a very early day. Ruby Wells says that he located in Midland during the 1880's. He never had a family. Papers in his possession indicated that he was 67 years of age, but some of his old-time friends declare that he was considerably older than that.

Although he lived alone here, he was socially inclined and had many friends and no enemies. His sudden passing, and especially the circumstances in which he came to the end of the way, is greatly deplored by his friends and acquaintances. Peace to his ashes.

Funeral services were conducted just before noon Tuesday by Garnie Atkinson, Minister of the Church of Christ, at the Harris Funeral Home, followed by interment in the Tahoka cemetery.

Billie Brandon had long been a familiar figure in Tahoka. He was a resident of Midland when this town was laid out, but even before that time he made frequent trips to Lynn County buying cattle for the Kansas City Cattle Company, which concern he represented for long years. When Tahoka was established, he made frequent trips here and was well known from the very beginning of the town, but according to Ruby C. Wells he did not actually move to Tahoka until about the year 1910. He continued to represent the

Townes Writes Of New England

Lieut. Charles B. Townes writes from an Army camp in Massachusetts that he wants The Lynn County News sent him "Postal Officer, APO 45, in care of Postmaster, New York, N. Y." However, he hastens to explain "We are getting our mail in this manner in order to keep the enemy guessing. This address has been in effect since last summer, and it doesn't mean that we are going over immediately."

Charles is postmaster for the 45th Division.

He further writes:

"If you have never been in the New England States, it would be very difficult for you to picture a part of the U. S. as being as different from the South Plains of Texas as this portion of the country actually is. The trees, the people, the smoke-begrimed cities, the old style frame houses (they all look as though they are at least 100 years of age), and the prevailing climatic conditions are very different from those to which I was accustomed in West Texas. I am enjoying my stay here to the fullest extent; and, if travel is broadening, I should look like Oliver Hardy when I return to my native haunts.

"The first day I spent in Fort Devens was most enjoyable. The officers and men in my division are mainly from Texas, New Mex., and Okla., and they have been exceptionally kind to me. Also, the weather was as pretty as anybody could ask for. That was the first day—the next day was very different. Rain started

Kansas City Cattle Company and also engaged in a general trading business here, sometimes operating a little cafe, a feed and grocery store.

falling about 2:00 a. m. and did not quit until the middle of the afternoon (Tuesday). Then, last night, the weather got cold, and ice was all over the ground this morning when I arose; however, the sun is shining at the present time, and I think the weather is going to clear again. This proves that West Texas is not alone in the fact that its forthcoming weather is very unpredictable.

"Give my regards to all the Rotarians and other Tahoka boys. I certainly enjoyed seeing everybody again last week."

Rev. Bruce Giles, who has been teaching at T-Bar, has resigned his position there on account of having accepted full-time work as pastor of the Baptist Church at Welch in Dawson County.

Mrs. Charlie Nelms and two little daughters, Sarabeth and Nancy, joined her husband and the children's father at Pecos last week. He is employed at the Army Flying Field there.
