

# THE GROWL

## Students Hear Woman Officer

(By Billie Greer)

Lt. Virginia F. Williams, first commissioned officer of the W. A. A. C. to appear in Tahoka, received many admiring looks when Supt. W. T. Hanes introduced her to the high school student body at an assembly on December 4.

Lt. Williams stated that she and Lt. Rose Smothers are W. A. A. C. recruiting officers for the Eighth Corps Area for the district which includes Lubbock, Sweetwater, Big Spring, Abilene, and the remaining parts of West Texas.

According to Lt. Williams, any woman between the ages of 21 to 44 inclusive, with excellent character, and who can pass intelligence and physical examinations, is eligible to enlist as a W. A. A. C. Lt. Williams stated that Lubbock is the nearest recruiting station to Tahoka.

The attractive woman in uniform then explained to the students that after joining the W. A. A. C., a girl recruit is sent to Fort Des Moines, Iowa, or Datona Beach, Florida, the only two women's posts in the U. S.

Leaving her home town, Millwau-kee, July 18, when she enlisted in the Women's Army, Lt. Williams was stationed at Des Moines for eight weeks. When she received her commission on September 12, she was given her choice of three states in which to recruit: Washington, Oregon, or Texas. Texas was her destination, because she had always been interested in the Lone Star State.

Lt. Williams explained, "The reason I am here is to tell the girls the purpose of the W. A. A. C.'s. Women who enlist will be trained to take over non-combatant jobs in the Army camps and to release soldiers who would otherwise be available for combat duties. It takes 18 men to keep one man at the front," she continued. "Every time one man is sent to the front, the war is shortened one day."

Lt. Williams also says, "We are interested not only in Texas girls, but all girls and women who are

## Football Queens Are Made Known

Entering the Tahoka spotlight are two new football majesties, one a freshman, and one a sixth grader. Dorothy Nell Johnson won the honor of being the "Bulldog Queen of 1942-43." In grade school, Nan Beth Pennington was acclaimed winner over five other candidates. Dorothy Nell stated, "I'm proud of my class for working so hard, and it is certainly an honor to be high school football queen." The freshman class tallied over 4,000 votes for their candidate, gathering about 3,000 pounds of scrap iron. Several bundles of clothes, counting 25 votes for each wearable garment, helped their winning total.

The sixth grade's best money-making device was a country store, where they sold groceries. All told, they had 3,627 votes. To the freshmen goes the vote for the most attractive concession of the carnival, a bowling alley.

The game was an eventful one with fouls, penalties, and extra goals, for each side, and Coach Olin Jay Reed commented that he expects the games to be better in the future.

Up until the fourth period of play, the game ran smoothly, with Tahoka ahead by a 14-16 score. However, in the last three minutes, the New Home lads ran up their score to 21 points, which brought the game to a close.

Those on the first string are: Clyde Briley, Dub Harvick, W. C. Harvick, James Roberts, and E. L. Short. James Brookshire was sent in as a substitution.

The calendar for the week of December 14 will be as follows:

Dec. 16—Seventh grade Christmas program under the direction of Miss Laurine Levitte.  
 Dec. 18—Sophomore Christmas party.

## Home Basketball Season Is Opened

"Pitch that goal!" "Block him!" Such shouts as these greeted basketball fans at the Tahoka Gym Friday night as the Tahoka and New Home cagers clashed in the first home game of the season.

Although the Tahoka boys were found to be on the short end of the 21-16 score, the game was evenly matched.

The game was an eventful one with fouls, penalties, and extra goals, for each side, and Coach Olin Jay Reed commented that he expects the games to be better in the future.

Up until the fourth period of play, the game ran smoothly, with Tahoka ahead by a 14-16 score. However, in the last three minutes, the New Home lads ran up their score to 21 points, which brought the game to a close.

Those on the first string are: Clyde Briley, Dub Harvick, W. C. Harvick, James Roberts, and E. L. Short. James Brookshire was sent in as a substitution.

## Postpone Aggie's Assembly Program

Mr. Tom Seay has announced that the agriculture program which was to have been presented Wednesday, Dec. 9, has been postponed until after Christmas.

The program has been redated since there have been so many absences due to the bad weather. eligible to become members of the Women's Army Auxiliary Corps."

## Overcoats, Rationing, Basketball, Bonds—Are In Week's News

(By Jimmie Lou Thomas)

Overcoats and overshoes were on parade at School Monday, as old mother Nature shook her feather bed Saturday night and all day Sunday.

According to the statistics from the office, students will observe Christmas holidays from Dec. 18 to 28. Since gas rationing is in effect, very few pupils will be able to make trips, but results from interviews show they will fully enjoy their absences from school.

Have you heard of the little moron who moved to the city because he heard the country was at war?

Mr. A. L. Pace, former principal of the grade school and basketball coach, was visiting here in the high school Wednesday. Mr. Pace is now superintendent at New Home.

The total amount of money collected for war bonds and stamps at the Victory concert Nov. 18 was \$18,050. The band presents a Victory program every month to sell bonds and stamps. The next concert is to be held Dec. 18 in the auditorium.

Since Keith Connolly did not arrive and the weather was not permissible, the parade and program, Monday afternoon, was postponed. day afternoon, was postponed.

Several girls have commented that they would like very much to join the WAAC's if they knew they would be as attractive as Lt. Virginia Williams in her uniform. Lt. Williams is a recruiting officer of the Eighth Corps Area and she is now stationed in Lubbock.

One hundred and twenty-seven students seemed to have let Jack Frost keep them from school Monday. Evidently, the main reason for so many absences was that the buses were unable to run. However, not all the 127 students live in the country. Whether they were ill, working, or playing hooky remains UNKNOWN.

A school paper's a great invention. The staff gets all the fame, The printer gets all the money, And the editor gets all the blame.

## This and That . . .

Winter really seemed to be under way as old mother Nature put on a coat of snow Saturday night and Sunday.

Coach Volney Hill was leading in the snow ball fight during the noon hour Monday, and Jeanene Smith seemed to be getting her share.

Although chunking snow balls can be an enjoyable pastime, damage can also be done. This may be illustrated by the fact that Billie Wayne Pennington's glasses were broken during the snow ball exhibition.

Since gas rationing has gone into effect, it doesn't sound a bit strange to hear high school boys make this remark, "Would you be willing to walk to the show tonight?" or "How about walking to town with me?"

The chemistry students seemed to be enjoying their course last Monday when Miss Mary E. King said, "Let's go outside and take some pictures." While the students were exhibiting an art of snow ball fighting, Miss King took several moving pictures and also a few still shots. The usual hustle and bustle of

buying Christmas presents has been taking most of the students' time this week. Many Christmas trees may already be seen through the windows of some of the houses in town.

Horace West, a former student of Tahoka high school, was here visiting friends last Monday. He now lives in Brownfield, but will leave for the Navy in a few weeks. Horace was chosen as one of the all-star football players of this district in 1941. He was also captain of the team here.

Even though the approach of the New Year brings visions of ration books and long walks, the students of Tahoka high school are not griping because they realize that it is part of winning the war and they are willing to do their share.

Mrs. W. T. Wharton of Sweetwater visited several days in the home of her son, Winston Wharton, and family the past week.

**Tahoka Band Has Complete Library**

The Tahoka high school band has a very complete musical library in addition to the band instruments," stated Miss Mary Eleanor King, director. "The library ranges from the classical overtures to the hit tunes of the day."

The band collection is made up and girls. I love you lots.—Evelyn overtures, six novelty selections, two chorals, seven popular numbers, three concert marches, three characteristic selections, 34 well-known marches, and two religious numbers.

The library is also equipped with several elementary training books, including 31 Victor Books I, 36 Victor Books II, 26 Victor Books III, and 21 Victor Books IV. The band possesses a number of folios: 24 Program classic folios; 18 of Our First Band Folio; 18, Band in Tune; 12, Transition Band Book; 23 Jewel Junior Band Folio; 25 Blaze of Glory; 12 Modern Band Training Series; 29 Tops Band Folio; 36 Recreation Band Books; and 25 Adjustable Orchestra Folio.

Miss King stated that there are a number of horns not in use.

**Personality . . .**  
A person never without a smile and a friendly greeting is an accurate description of the personality selected for this week. Every morning her striking brown eyes check the roll of her speech and English classes. Being approximately five feet and five inches tall, she wears glasses, and is often seen in a tailored cut dress or suit.

Before coming to Tahoka three years ago, this teacher taught two years in East Texas. Her major and minor subjects in Texas University, where she got her B. A. and M. A. degrees, were English and social science.

Since study hall is her destination each morning for home room, anyone might guess that the personality taking the cake this week is the Senior sponsor of T.H.S., Miss Ineva Headrick.

**EDITORIAL**

Have you ever stopped to realize how it feels to walk two miles on a cold frosty morning to school? Due to the gasoline rationing, the Tahoka high school students are beginning to catch a glimpse of what it means to have icicles on their noses and fingers with toes feeling cold enough to snap into bits.

"Oh, how I hate to get up in the morning," are clamors made by the bus students who have to arise an hour earlier in the morning in order to hoof it to the bus stop in time to catch the bus. Students who live within a mile of the bus route are seen toddling up the road each morning before daylight to keep from missing the bus.

The students in high school this year may not be able to look back over their school days and recall happy times spent in going to parties and other school affairs requiring transportation for participation, but they will have the satisfaction of knowing they were helping in the war effort by using the family car only for necessary mileage.

Gasoline rationing in Texas, a thing undreamed of six months ago, is here for the duration, and members of the Lone Star state are finding things a little hard to take and the going pretty rough.

With gushers practically in their laps, West Texas citizens are summing forth every ounce of stamina in order to super-saturate themselves in a philosophy that gasoline rationing is not aimed at them; that the Yankees aren't selfish in demanding that WE too be rationed; and that the primary purpose of the gas dole system is simply to save rubber, that precious material that turns the wheels of American civilian life, industry, and most important of all, the U. S. Armed Forces.

School students as well as grown-ups are finding the situation a little difficult. The present situation of "never getting the car" for a date, of cancelling out-of-town and county athletic tournaments, not to mention walking to school in the bitter cold, makes more than a few grit their teeth as they grin in order to show that they too are loyal Americans.

"I'm dreaming of a white Christmas, just like the ones I used to know!" Sunday morning, while not Dec. 25, proved in this case that dreams do come true, as students awoke to look out on a world blanketed in white-drifts.

Due to the sudden appearance of Jack Frost and all his allies, classes were literally a drip. Busses could not run, and students in town stayed at home to play in the snow and fill up on home-made ice cream. Noteworthy of the day, Monday, was the snowball fight at noon, when everybody got IT down the

**Junior Party Held, Without Trimmings**

A plain party, with no trimmings, is what the Junior class calls a "war time" entertainment. Last Tuesday night the Juniors managed to get to the gymnasium (in spite of gas rationing) to play games and eat pop corn and apples, with Rae Fern Pennington, Pat Hill, and Winston Redwine acting as host and hostesses.

A scavenger hunt was the main entertainment of the evening. The class sponsors, Mr. Volney Hill and Mrs. Charles A. Stewart, were guests.

**HOMEMAKING GIRLS LEARN PIE-MAKING**

An apple for the teacher! Armed with plate, fork, pie and an engaging smile, young home-makers of the second year class have discovered a new way of winning teachers favor.

Girls trooped up and down the halls and classroom doors became scenes of confusion. Teachers were called to the door and invited to sample the results of the girls efforts at pie making. All teachers were "served" and some of them even had to refuse the third pie.

**SUB-DEBS ELECT OFFICERS**

The Sub-Deb club elected new officers at its regular meeting Wednesday afternoon in the home of Gwynell Davis.

The next meeting will be December 23 in the home of Euella Dolins.

Popcorn balls were served to the members present.

The thirteen items still remaining on Schedule II are: one row, one horse corn planters; one row, one horse corn and cotton planters; one row, two horse corn and cotton planters; endgate broadcast seeders; horse and tractor drawn garden planters; walking, one horse steel bottom moldboard plows; walking, one horse, chilled bottom moldboard plows; walking, two horse and larger moldboard plows; stalk cutters; one horse, cultivators (all-types); one row, walking, two horse cultivators; one row, riding, two horse cultivators; and two row and over, riding cultivators.

The board declared that distributors and manufacturers may now make or accept transfers of the released items and dealers may replenish their stocks provided they are within any WPB or OPA regulations, or the manufacturing quotas of Conservation Order L-170.

**What You Buy With WAR BONDS**

Refrigerators are out for the duration. Manufacturers have now tooled their plants for production of war materials. Common-sense folk, however, are saving now, not spending, and building up a fund for purchase of refrigerators and other domestic needs through investment in U. S. War Bonds.

Your Money put into War Bonds today will bring you back \$4 for \$3 at maturity. So start saving for those domestic needs when you will be permitted to buy them. Join the Payroll Savings Plan at your office or factory and let's all "Top that Ten Percent."

**Enormous Turnips Raised At Draw**

Draw has outdone Grassland's big turnip. Wm. Mook, Carleton, Nebraska, who has been here all fall combining feed in the Draw section, brought in a turnip Thursday he claims was picked at random in W. Z. Florence's patch which weighs seven and one-half pounds, and part of it had been eaten away by rabbits.

He declares the Draw section can not be outdone by the Grassland section. A couple of weeks ago M. C. Richey of Grassland brought in a six and one-half pound turnip.

**FARM MACHINERY RATIONING CHANGE**

Removal of a number of items from the list of "frozen" farm machinery has been announced by the Texas USDA War Board.

Included on the list of "thaw out" machinery were such implements as poultry feeders, cattle stanchions and fittings, butter molds, hand water pumps, hand feed grinders and crushers, hand transplanters and hand sprayers. All but thirteen items in Schedule II of Temporary Rationing Order B were removed from the "frozen" list.

Winter comes but once a year, thank goodness, and gasoline rationing but once in a wartime.

**BIRTHDAY PARTY**

Mrs. Woodrow Walker entertained Friday afternoon with a party for her small son, Joe Dan, on his second birthday. Pictures were made of the groups and balloons were given as favors.

Cake and punch were served to the following: Gary Lynn Curry, Billie Ann Heard, Larry Norman Spruiell, Jan McElroy, Catherine Pierce, Jimmy Goddard, Marie Jane Smith. Out of town guests were Alton Herring Peak, and Gwenn Michael Newton of Lubbock. Geradine Tippitt, Carol Smith, and Ira Ann Knox sent gifts.

**COUGHS**

Due To Colds or Bronchial Irritation Here's good news for the people of the U. S. A. Canada's greatest cough medicine is now being made and sold right here, and if you have any doubt about what to take this winter for the common cough or bronchial irritation get a bottle of Luckley's CANADIAN. You won't be disappointed—it's different from anything else you ever used—one little sip and you see instant action. Only 45¢—all drugists.

Let the holly be greener . . . the trees bigger . . . the carols clearer . . . the gifts gayer to fill the hearts of friends and relatives with cheer and courage. Right now, our galaxy of gay gifts is complete. We don't wish to hurry you into doing your Christmas shopping, but we believe that the earlier you complete your gift buying, the easier, pleasanter and more economical it will be for you.

Just before the close of one full year after the Jap attack on Pearl Harbor, Secretary Knox gave out information as to the total loss suffered by the United States in that attack. Those losses were considerably heavier than Secretary Knox and other authorities in Washington had led the people to believe they were. Full information was not given presumably on the grounds that it would have revealed useful information to the enemy. This seems hardly tenable, however, in view of the fact that, according to the statements given out, the damage was not as heavy as the Japs believed it to have been. Possibly it was withheld from the public in the belief that it might have affected adversely the morale of the American people. In that case, the Washington authorities do not place as high an estimate on the fighting spirit and the mettle of the American people as said authorities claim for themselves. In this, we believe that they are mistaken. We believe that the whole truth told to the people soon after the attack would have made them even more determined to punish such an act of perfidy than they have been. Of course, it might have made them also more critical of the Washington authorities and the military and naval officers for being caught napping and unprepared for such an attack. And these same authorities may have felt that already they had about as much crit-

**ODDS and ENDS**

by Kee Eye, the Elder

It's natural for elderly people to dwell upon the events and the scenes and the customs that were familiar to them during their childhood days. A lot of us like to see things done as they were done back in "the good old days."

The editor of the Stanton Reporter, age unknown, became reminiscent for a paragraph or two in his publication recently, and William F. Kellis, the elderly editor of the Sterling City News-Record, caught up the strain and gave us a few additional stanzas.

If you young folks and you busy folks in the prime of life do not care to listen, you may ring off right

cism as they could bear. In that case, we deeply sympathize with them, and are willing to condone their hesitation in taking the people into their full confidence. At any rate, it has become perfectly clear to everybody that Japanese power must be utterly destroyed.

Those Japanese generals and admirals seem to be getting their eyes open just a bit. They thought that at Pearl Harbor they had utterly broken the naval and military power of the United States. But at the end of twelve months we find them being slowly but gradually driven back in defeat over the same trail over which they advanced in triumph. And now we hear one of their number telling the Japanese people that they can conquer the people of the United States only by annihilating them. That certainly is a big assignment he has given to his people. We must chase these rats back into their own dens.

British and American troops just now seem to be meeting some reverses in North Africa. They claim it is because they have advanced so far ahead of their air bases that it is not possible immediately for them to have adequate air support. It looks somewhat as if somebody on our side had been blundering; but in spite of any and all blunders that may be made, we are still confident that in time our boys will drive those Hitler hordes back out of Africa, back into Europe, back into Germany—those that manage to get that far—and will themselves some day scale the Alps or the Balkans and go right on into Berlin itself if it is necessary to go that far to get Hitler's goat. Those warmongers must be thoroughly cured of their madness.

General MacArthur and Admiral Halsey and that man Vandergift of the air forces seem to be doing a jam-up good job in the Southwest Pacific. They all have their faces set toward Manila and Tokio.

"NO HARSH LAXATIVES FOR ME ADLERIKA gives me proper action, is pleasant and easy. Used ADLERIKA past 10 years for spells of constipation." (A. W.-Vt.) ADLERIKA usually clears bowels quickly and relieves gas pains. Get it TODAY. WYNNE COLLIER, Druggist

Buy A Victory Bond . . . And Slap A Jap!

here—if you have read that far along.

Here is what Brother Kelly, the Stanton editor, had to say:

"Old fogey that I am, I still like to hear the ring of church and school bells. The abandonment of the church and school bellfries and the relegating of their bells to make room for modern civilization has added an almost grave-yard stillness on week days and Sunday mornings. I tell you the ring of church and school bells was a symphonic melody to my ear. It made a fellow feel upon awakening on a Sunday morning and hearing the sound of bells pealing forth from the little countryside churches, he was glad he was alive."

You almost make us feel sad, Brother Kelly, but if the church bells were usually pealing forth when you awoke on Sunday mornings we are wondering if you ever got there in time for Sunday School. Be that as it may, here is where the Sterling City editor chimes in.

Says Uncle Bill:

"Brother Kelly, you said a whole mouthful when you wrote the above. 'A bell or a horn may not appeal to the emotions of a modern man as it did to you and me in our coming up, but to us, those things are almost sacred.'

"In the long ago when I was a plowboy, it was a happy moment when Mother summoned us to our dinner by sounding the dinner horn. It meant food and rest for old Pete and Beck and me. To us it was the sweetest of all musical notes. When old Pete and Beck were fed and watered, the ting-a-ling of the dinner bell was sweeter to me than a Beethoven oratorio.

"Then when I walked three miles to school and heard the teacher ring the bell for 'books,' the tinkle of that bell still lingers in my memory. 'Then nothing sounded sweeter than when the church bells rang their 'Come, O come' on Sunday morning.

"From the day when the priests of Israel encompassed Jericho and blew a blast on their ram's horns that made the walls of that city crumble, horns and bells have played their part in civilization.

"Like Brother Kelly, I miss the horns and bells. They may be going out of style, but as long as we live, they will not be out of our memory.—Uncle Bill."

And here is where E. I. the Elder comes in.

As we read the above paragraphs from Brother Kelly and Brother Kellis, we could hear that old Thomas Arnold bell at Salado ringing just as plainly as we heard it long, long ago. It almost frightens us to recall how many years ago it has been.

That great old bell swung high in the belfry of the old Thomas Arnold high school. Boys and girls from many communities in Bell county and from many other counties in Texas have heard that old bell ring on many a morning. Josh Simpson did the ringing when we were there, he and A. L. Williamson. Josh later went into the real estate business. While at Hico, he heard the call of the West, and he located in Tulla when land agents were almost as thick as prairie logs in the Panhandle.

Then he got himself elected county clerk, served several years as county judge, then drifted to Amarillo—and he used to visit us here.

But we remember Josh Simpson best as the chap who used to ring the bell at the Thomas Arnold.

Yes, and there were the church bells, Baptist, Methodist and Church of Christ. They rang sweet and clear

every Sunday morning. How the memory of their melody mellows us yet!

And we usually responded to their call. Our Sunday school teacher during those years, when we were sixteen to eighteen years of age, inclusive, was one of the finest women we have ever known. And the sweet, cultured ladies that sang in the choir—one of them led the singing and another accompanied the choir on the organ—we have scarcely ever met their equals in attractiveness, in modesty, in sheer beauty, in character, anywhere. To us, they were tops.

Yes, and we cherish the memory, too, of the hand-bell that the teacher rang out at that country school at old Stampele to call us to "books" prior to our high school days.

Well do we remember every one of the teachers too; they were good, bad, and indifferent—at least one or two of them were not very good. In the estimation of the public, but somehow or other we liked every one of them. They all were men too. One of them was especially fine—a good teacher, a very practical man, and he exercised a wholesome influence over the boys and the girls.

And we can see him yet, standing in the school door, ringing that little hand-bell vigorously, as a peculiar, kindly smile illumines the face that at other times is often stern. Who could forget that bell or that teacher's smile?

We've heard many an old horn blow, too, Brother Kellis, but not to call us to dinner. Mother never blew a horn. But she hung out a flag at a conspicuous place while we were at work in the fields just as twelve o'clock was approaching to let us know that dinner was ready. We almost ruined our eyes when a kid watching for that flag.

As for the horn, we used to make them ourselves—that is, we mean that we trimmed and fashioned them for blowing. And how we did like to blow our horn! Some folks think we like to blow it yet. We would like to blow that kind, we will admit.

Yes, the bell and the horn have disappeared from modern life. And we miss them too. Maybe, some day we will hear old Gabriel blow his

**MEXICAN BABY BURIED**

**HERE MONDAY AFTERNOON**

A Mexican baby, Angelina Gonzales, little daughter of Manuel Gonzales and wife, who live in the vicinity of New Home, died Sunday morning and the body was buried here Monday afternoon by the Harris Funeral Home.

The infant was only six months old. On account of the forbidding weather, no funeral services were held.

Mrs. K. R. Durham left last week to spend some time with her daughter Margaret and other relatives at Shreveport, Louisiana. Margaret is staying there with her grandparents and attending school on account of her health. She suffers severely from asthma here.

Mr. and Mrs. Sam Holland of De Leon visited friends here Saturday, Mrs. Holland going to Lubbock to visit her daughter, Mrs. Harvey Johnson, whose husband is stationed at one of the flying fields there.

H. P. Caviness, who had been in a hospital in Lubbock for more than a week under treatment for rheumatism, was brought back home last Saturday. While his condition was probably somewhat improved, he is still confined to his room.

horn, and then hear them ring the golden bells. Won't it be fine, Uncle Bill?

Southland News

Letter from New Guinea (Fulton "Shorty" Fletcher worked on the Wilson Sun six months before leaving for the Air Corps 17 months ago.)

"Dear Sis: I'll try to answer your letter of Oct. 19 now. Sorry I haven't been answering your letters, but I'll try to do better.

"This New Guinea is kind of an old place, but the novelty soon wore off. Jungles, natives, tropical fruit—not the commercialized stuff like Hawaii, but the real thing. Any tourist who would come here would be a fool. This is the hottest place in the world, besides having the fiercest mosquitoes. About the only recreation is taking in a native dance. They are rugged looking individuals with the rig-up they put on.

"The guys who made 'G-strings' for those night club babes would find a good market here. Some of them wear 'em, and the rest are nature lovers.

"I can't think of anything to write that would pass through the censor. See you when the war is over.—Your Bud."

The snow Friday night must have

STATED MEETINGS of Tahoka Lodge No. 1041 the first Tuesday night in each month at 8:30. Members urged to attend. Visitors welcome.

Santa Claus Letters

Dear Santa: I would like a life-size horseman baby doll. If you can, please bring me a Kipling jungle book. I would like some candy, nuts, and fruit too. I will hang my longest stocking up; I will pin my name to it.

Doris June wants a pair of house shoes. I will hang a stocking up for her with her name on it too.

I am eight years old. I will be nine December 29.

I love you lots. Stop and drink some coffee.—Margaret Sue Roberts, Tahoka, Rt. 2.

Dear Santa Claus: We will spend Christmas in Tahoka with our grandparents, so please come to see us there. Please bring me a doll, a doctor set, and a dresser set and some little dishes that will not break. Nancy wants a doll and a Teddy Bear. We both want house coats and house shoes. We also want some candy, fruit and nuts. We have tried to be good little girls. Please remember all our family and all little boys and girls everywhere. We love you.—Sarah Beth Nelms and Nancy Beth Nelms, Pecos, Texas.

Dear Santa Claus: I have been a good little girl this year. So please bring me a play type-writer, doll, necklace, and a black-board. And I also want some fruits, nuts, and candy. I am a little girl ten years old. Your friend—Joy Williams, Rt. 2.

Dear Santa Claus: Please bring me a train, little barn, an airplane, and candy, nuts, and fruits. I have been a good little boy, and I am six years old. Your friend—James Williams, Rt. 2.

Dear Santa Claus: I have been a good little girl this year. So please bring me a doll, doll buggy, nurse and doctor kit, and a rocking chair. And I also want some fruit, nuts, and candy. And bring my baby sister, Linda, a doll and rocking chair. Your friend—Sue Williams, Rt. 2.

Dear Santa Claus: We are two little boys, ages 3 years and 4 years. We would like to have a tractor apiece and a farm implement set together and also some candy and fruit. Please remember all the other children. Always yours.—Thomas Collie King and Huey Lee King. P. S.—We have our tree all ready for you.

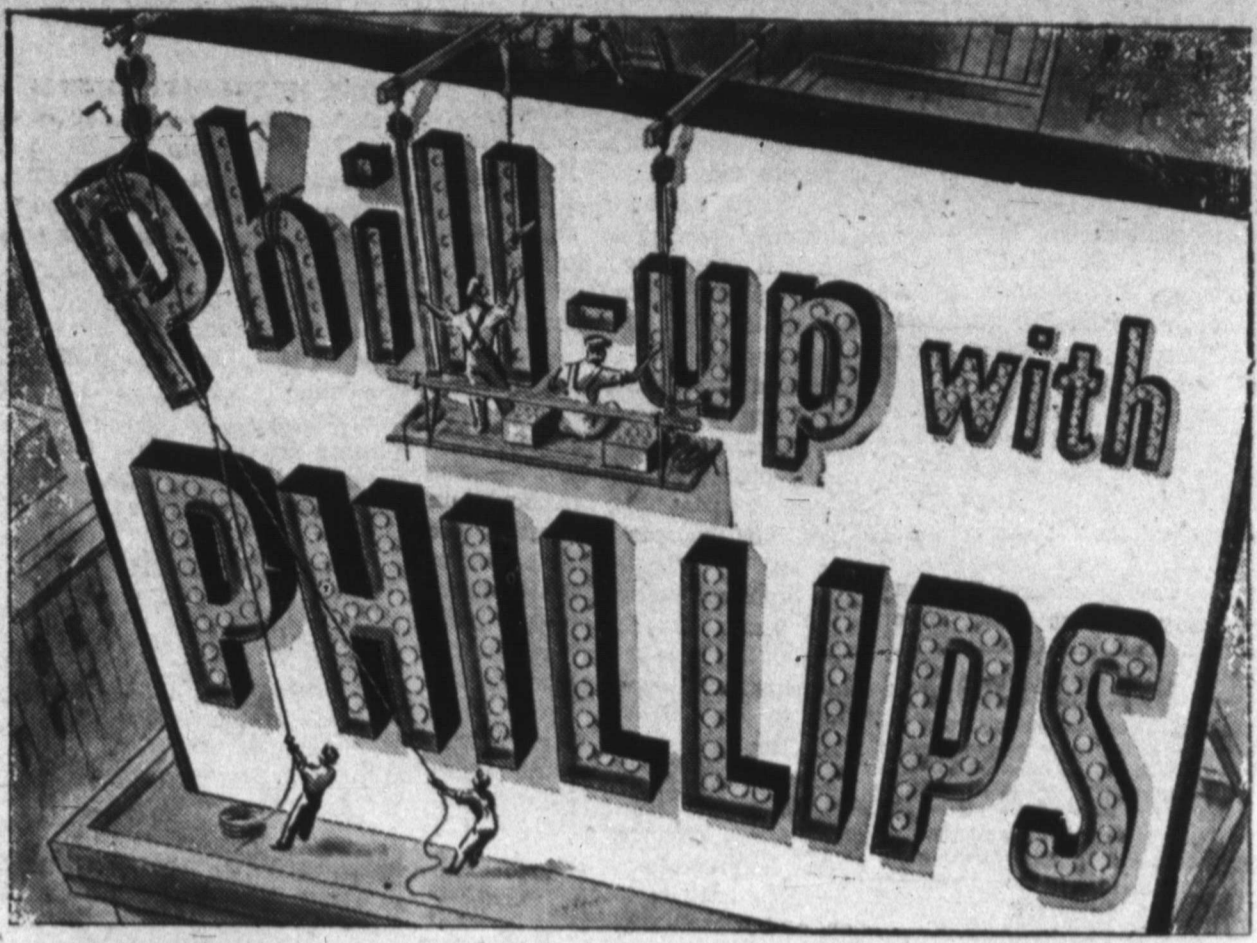

Dear Santa Claus: I have been a good girl—and want you to bring me a doll with real hair, a desk for my brother and me, also a typewriter. Love, your little friend—Jaeanel Martin.

I am 7 years old. I have tried to be a good boy. Will you please bring me an air gun, also lots of fruit and candy. Don't forget Mother and Daddy. Love—Wayne Martin.

Mr. and Mrs. Will Montgomery had as their recent guests their three daughters, Miss Marietta Montgomery, who teaches at Monahans, Miss Grace, who teaches at Bronte, and Mrs. Travis (Lola) Mason, who teaches at Tuscola. Mr. Mason is now in the armed service of the United States and is stationed at Dutch Harbor, Alaska. All the daughters are graduates of the Tahoka high school and of the Texas Tech, and each was an outstanding student both in high school and in college.

GRASSLAND PARENTS! All parents who are interested in Boy Scouts are urged to attend a meeting at the Grassland School Thursday night, Dec. 17. Mr. John Boyles, district executive, will be present to help organize a Cub Pack for boys 9 to 12 years of age. It will be necessary for the parents to sponsor this organization for these boys and your cooperation is invited.—Frank Thomas, chairman, Boy Scout Troop 66 committee.

Your first introduction should tell you WHY BLACK-DRAUGHT is a BEST SELLING LAXATIVE all over the South Follow Label Directions

WAR changes a famous slogan

FOR THE DURATION, a famous and friendly slogan goes into retirement. With gasoline being rationed to lengthen the calendar life of your tires and thus conserve the Nation's wartime stock-pile of rubber, we no longer invite you to Pick-up with Phillips. But you are still as welcome as ever at any Phillips 66 Service Station. The Phillips man is anxious to get and hold your business, even though your gasoline purchases are greatly reduced. If anything, he is more anxious than ever to give you those pleasant, friendly services which make your car and your tires last longer and go farther. That is his way of showing his appreciation for your business. And more, he has pledged himself to "Keep 'em Rolling", as a patriotic duty. In the meantime, hundreds of Phillips research workers and many thousands of production employees are speeding up their good work for victory. With Phillips vast resources of raw materials, their efforts have made the company one of the largest suppliers of 100 octane aviation gasoline to the Army Air Corps, the Navy, and the United Nations' air forces; have made the company an important participant in the U. S. synthetic rubber program. Remember these facts, and drive in where you see the Orange and Black 66 Shield. That's where you get Phillips 66 Poly Gas and Phillips 66 Motor Oil... two famous products which are everything you can expect in times like these, when the needs of Uncle Sam's fighting forces naturally come first. P.S. In place of our slogan at the bottom of this advertisement, we have placed a slogan that is yours, ours, and every American's.

FOR VICTORY... Buy U.S. War Savings Bonds and Stamps

H. B. McCORD AGENT PHILLIPS 66 Poly Gas Motor Oil Play Safe and Ride On LEE TIRES

BILL BRANDON'S SISTER THANKS TAHOKA PEOPLE The News has received the following expressing of thanks from Mrs. James Frew, sister of the late Billie Brandon, with request that we publish it. It follows: To the kind people of Tahoka and vicinity: Pardon the delay in acknowledging the wonderful deeds and kind acts so many of you did for my brother, Billie Brandon, and in laying him away with beautiful flowers and all. May the Lord bless and keep you and yours, is my prayer. I regret very much no, to have been there to meet all his friends and to thank each of you personally. Sincerely, Mrs. Jennie B. Frew, 14 Wright St., Willoughby, Ohio.

HERBERT LAMB PROMOTED The News has received a news item from the Army Air Forces Technical School, Amarillo Field, stating that Herbert L. Lamb, Rt. 1, Wilson, has been promoted from sergeant to staff sergeant. "He is stationed here at this growing technical school, whose purpose it is to train the ace mechanics who keep Uncle Sam's planes flying over the globe. Judge G. C. Orider came in Friday night from San Angelo, where he had spent three weeks in a hospital undergoing treatment for rheumatism. He came home somewhat improved.

WILLMAN-COX A belated report of the marriage of Miss Helen Wilman, daughter of Mr. and Mrs. S. W. Jared of the T-Bar Ranch, to Mr. Gafford Cox of Brownfield on November 26 at the home of Rev. H. A. Nichols, pastor of the Methodist Church here, was given to the News last Saturday. The marriage rites were read by Brother Nichols in the presence of the bride's parents, the mother and sister of the groom, and a number of friends from Brownfield. The couple have the best wishes of many friends.

### Boulliouns Close For 'Duration'

Mrs. E. H. Boullioun, who has been operating Boullioun's store here since her husband enlisted in the Army three months ago and was commissioned a lieutenant, closed out the business last Saturday night and is preparing to join her husband at Camp Murphy near West Palm Beach, Florida.

After conducting a sale throughout last week, in which most of the stock of groceries was disposed of, Mrs. Boullioun sold the remainder of the stock to the Piggly Wiggly store here.

She is preparing to leave Tahoka on Wednesday of next week. She

and her son, Elbert Jr., who is now a student in the Lubbock High School, will drive through in their car, and Elbert will spend the holidays there with his parents.

Mr. Boullioun, who is a veteran of World War I, enlisted in the Army and left here on September 17. For some time he was stationed at Lexington, Kentucky, but recently he was transferred to Camp Murphy, where he is a first lieutenant in the Signal Corps.

Mr. and Mrs. Boullioun have been engaged in business here for eighteen years, having gone into the grocery business with A. I. Thomas in 1924. A little later, Mr. Boullioun bought Mr. Thomas' interest in the store and he and Mrs. Boullioun have been conducting the business since. It was one of the oldest businesses under the same continuous ownership and management in Tahoka.

The Boulliouns have many friends here, and Tahoka will hardly seem like the same town without Boullioun's store.

Mrs. Boullioun says that they will be coming back to Tahoka after the war, and everybody here hopes that will not be too long off.

Dea Parker, son of Sheriff and Mrs. B. L. Parker, recently enlisted in the Army.

If you can't be at services Sunday, send your contribution, and thanks to you!—The Pastor.

### Tahoka Sisters Join The WAAC's

Lynn county's second sister team has joined the Women's Army.

Dorothy and Mary Willburn enlisted last week in the WAAC's at the Lubbock recruiting station. Two weeks ago Beulah and Cynthia spent Friday here interviewing ladies interested in joining the organization. The WAAC's include Percy Dean Tippit and Adaline Woods.

Miss Dorothy Willburn was formerly connected with the Fred McGinty office here.

In addition to these young ladies, several Lynn county girls are Army nurses.

### LOCAL MAN PROMOTED AT AAF NAVIGATION SCHOOL

AAF Navigation School, Hondo, Texas, Dec. 9.—Murrell B. Ramsey, son of D. E. Ramsey, Tahoka, Rt. 4, has been promoted from sergeant to staff sergeant at the Army Air Forces Navigation School, Hondo, Texas.

Staff Sergeant Ramsey, assigned to the 843rd School Squadron here at the world's largest Navigation School, is an air mechanic.

### CHANGES PLANNED IN FARM PROGRAM

According to J. C. Smith, Lynn county AAA administrative officer, a wire has just been received from Mr. E. F. Vance State AAA administrative officer in charge of the farm program, advising that the 1942 Farm Program has been amended to provide: first, that any acreages of any designated feed crops, including corn, grain sorghums, oats and designated vegetables above normal acreages, such crops can be substituted acre for acre for cotton in meeting the 90% Cotton Allotment requirement, or second; any acreage of the designated War Crops (peanuts, soy beans) may be used towards meeting the 90% War Crop Goal, as well as that acreage in excess of 90% of the goal may also be substituted acre for acre for cotton in meeting the 90% Cotton Allotment requirement.

Smith states that this amendment to the program will greatly benefit all farmers who do not desire to plant 90% of their 1943 Cotton Allotment.

Originally, the program provided

that the producer would be penalized if he did not plant at least 90% under his 194 Cotton Allotment.

### Santa Claus Letters

Dear Santa:  
 Will you please bring me an air hostess suit, a blackboard, some doll clothes. Love—Patsy Ann Smith.

**Payroll Savings Plan.** At least 10% of your salary every payday. Not 6%, or 7% or 8%—but at least 10%. And more, if possible.

Many Americans who ought to be buying War Bonds through the Payroll Savings Plan every payday, aren't. They just haven't yet STOPPED TO THINK what it means to Johnny.

Don't be like that, lady. Invest your 10% with Uncle Sam—payday after payday. You'll get a big kick out of it. Knowing that you, personally, are sending him the guns, planes, bombs, tanks—whatever it is he needs!

**WHAT YOU SHOULD DO**

If you are . . .

1. Already investing 10% of your pay in War Bonds through the Payroll Savings Plan—boost that 10% if you can.
2. Working in a plant where the Plan is installed, but haven't signed up yet—sign up tomorrow.
3. Working in a plant where the Payroll Savings Plan hasn't been installed, talk to your union head, foreman, or plant manager—and see if it can't be installed right away. The local bank will be glad to help.
4. Unable to get in on the Payroll Savings Plan for any reason, go to your local bank, or wherever bonds are sold. They will be glad to help you start a plan of your own.

Ensign M. S. Reese Is Visitor Here

Ensign Martin Sylvester Reese, who is stationed at Norfolk, Virginia, left Tuesday afternoon to return to the Norfolk Naval Station after a few days visit here with his parents, Mr. and Mrs. J. L. Reese, having come in by bus Saturday afternoon. He had come as far as Big Spring by plane.

Young Mr. Reese enlisted in the Navy about eight or nine months ago, going to Norfolk from Robstown where he had been advertising manager for the Robstown Record. For several years during his boyhood, he was an employee in The News office, the first newspaper office he was ever in. He learned rapidly, and after he completed high school, he procured a position in the printing shop of Texas Tech, then a very modest plant. There too he made rapid advancement.

After receiving his bachelor's degree at the Tech, he continued to work in the shop a year longer while working on his master's degree, and was foreman of the shop during that last year.

Then he went to Robstown and remained there about a year. He married just before entering the Navy, and his wife is with him in Norfolk. His work is in an office in the Norfolk Naval Station, but he expects to go to sea before many weeks.

Bill Sewell's Father Buried At Slaton

W. H. Sewell, 65, father of William R. (Bill) Sewell formerly of Tahoka, died suddenly of an attack of heart trouble at his home five miles east of Slaton last Friday morning, and the body was buried in Slaton at 2:30 o'clock Sunday afternoon, following services held at the Methodist Church there, according to information given The News by R. P. Weathers of this city.

Mr. Sewell had undergone an operation for appendicitis in the Mercy Hospital in Slaton about two weeks prior to his death and apparently he was recovering nicely when suddenly the heart attack came.

He leaves surviving the widow and son Bill, who is an only child. Bill was formerly connected with the First National Bank here but is now vice-president and cashier of the First National Bank of Levelland.

NEW LYNN COUPLE MARRIED SUNDAY

On Monday, December 7, Mrs. Aquilla Yandell and Mr. D. C. Roberts were united in marriage at the residence of Rev. D. W. Reed, who read the marriage rites, as reported to the News by the minister's wife.

Both of the contracting parties have resided in the New Lynn community for several years. They were accompanied by Mr. and Mrs. Buford Mathis, also of New Lynn.

The best wishes of many friends will follow them on the new voyage of matrimony. "Happy the bride the snow falls on," Mrs. Reed quotes.

Mrs. C. E. Evans reports that her son, Corp. C. E. Evans Jr. of Sheppard field, Wichita Falls, is still confined to the hospital there on account of an injury received when he was thrown from a horse while on a visit here several weeks ago. Shortly before the accident he had been promoted from the rank of private first class to corporal. Her other son, Boyce, received a like promotion recently.

WILSON NEWS

By THOMA GRYDER, Reporter.

Rob Key, Marjorie Crosby, and Elmer Watson were all home over the week end.

Mr. and Mrs. J. C. Key and Rob visited the S. H. Gryders Saturday night.

Mr. and Mrs. Ed Crowder and family and S. H. Gryder were in Lubbock Saturday.

Rev. and Mrs. W. H. Jackson visited Mrs. S. H. Gryder Saturday afternoon.

Mr. and Mrs. Ralph Milliken have been showing their new daughter off the past week. She made two trips to Wilson in one week.

S. H. Gryder and Billie waded through the snow Sunday afternoon.

Piles Hurt and Hurt

Got Relief in a Way He Never Expected!

"I got no satisfactory relief from distressing pile pain until I tried YOUR ointment. Then I got a quick relief I never expected." - A. J. Mahant. No wonder! Thornton & Minor's Herbal Ointment is the same used by DOCTORS and advertised as noted 44-year-old Thornton & Minor Clinic. Quick relief for piles, itch, soreness of piles, fissures, rectal irritations—simple non-surgical cure. Get tube today (with pile pipe cover), if not satisfied, money back.

Tahoka Ex-Students Will Hold Meeting

There will be a meeting of the Tahoka Ex-students Association at the Grade School Gymnasium on Thursday, December 17. Everyone who has ever attended the school system in Tahoka is urged to be guest of the Association. Perhaps, this may be the last meeting for the duration.

Harley Henderson, president.

WILSON H. D. CLUB PACKS BOXES FOR SOLDIERS

The Wilson Home Demonstration Club sponsored the packing of cookies for the soldier boys at the home of Mrs. Pat Swann on Saturday, November 28. Twenty-five boxes were packed for the soldiers from the Wilson community who are still in the States.

The Club had its regular meeting on November 25 in the home of Mrs. A. W. Montgomery. Miss McNatt gave a demonstration on killing and dressing a chicken.

Those present were: Mesdames W. F. McLaughlin, Pat Swann, B. W. Baker, W. H. May, R. A. Kahlich, Edmund Montgomery, Jiggs Swann, Owen Blevins, Fred Brannan, A. W. Montgomery, and Miss McNatt.

Rev. Claud LeMond, who was reared at Draw visited his parents, Mr. and Mrs. J. N. LeMond there recently, following the meeting of the Northwest Texas Conference at Sweetwater. He is just beginning his second year as pastor of the Methodist Church at Hedley, according to his father, who was a pleasant caller at the News office Saturday. His first year there having been very successful from every standpoint.

Santa Claus Letters

Dear Santa Claus:

Please, please bring me a doll with real hair and then a stick of candy. I have been nice part of the time. Remember the other little boys and girls and little orphans. See about my Christmas tree so you will know where I live. I am now 5 years old. - Cynthia Rae Forgy, O'Donnell.

Dear Santa:

I'm a little boy four years old. I have been a real good little boy this year. So I'm asking you to please bring me a tricycle, a cannon, a bomber plane, a mechanical tractor with the equipment, some candy, nuts and fruit. Don't forget the other little boys and girls. I'll be looking for you. With lots of love—Royce Gene Duckett.

Dear Santa Claus:

I've tried to be a good girl. So, please bring me a ring, roller skates and a sewing set; also some nuts and candy. And please don't forget my mother and daddy. With love—Rose Marie Gindorf.

Dear Santa Claus:

I've been a good little girl. Please bring me a ring, colors and color book, a tablet, and roller skates, also some fruit and candy. And please don't forget all the other little boys and girls. I love you lots.—Evelyn Ruth Gindorf.

Dear Santa:

I am a little boy nearly three years old. I would like to have a train, Tinker toys, a football, truck, and fruits and nuts. Don't forget my little brother wants a car, bear and a ball. With lots of love—John Edgar Redwine.

**E. C. Wilke Dies ...**  
*(Cont'd. from first page)*

Lynn for twelve years or longer. Survivors include his wife, six daughters, one son, six grandchildren, six brothers, two sisters, and other relatives.

The six daughters are: Mrs. Alfred Spreielauber of Bishop, Mrs. Ben Schroeder of Bishop, Mrs. Frank Dreyer of Kingsville, and Florence, Alvera, and Darlene Wilke, all living at home. The only son is Reuben S. Wilke of the U. S. Army, now stationed in Panama.

The six brothers are: Ernest of Cat Springs, Herman of Houston, Otto of Bartlett, Louis of Lubbock, Adolph of Southland, Henry of Tahoka; and the two sisters are Mrs. Ben Brieger of Wilson and Mrs. Albert Hartman of East Bernard.

Funeral services were conducted Thursday in the Lutheran Church at Wilson of which Mr. Wilke was a member, followed by burial in the cemetery there.

Many friends of deceased and family deeply deplore this tragic death and sincerely sympathize with the bereaved.

**T-Bar Ranch ...**  
*(Continued from page one)*

close up his business affairs there. Messrs. Parris and Huffman were partners in business there. Both men are expected to return to Tahoka in a few days. The Huffmans are on a deal for a nice residence here in town, it is said.

Mr. Chandler and partner, J. G. Adams, leased the entire T-Bar Ranch on a ten-year contract with a five-year additional option a few years ago from Cass and Crawford Edwards, and since that time many improvements on the ranch have been made, most of it having been converted into a sheep ranch.

The forty sections leased by Messrs. Parris, Huffman, and McCauley consists of two pastures, one extending from the city limits of Tahoka westward to the Three Lakes road, and the other pasture lying west of that road.

These three fine families will be welcomed by the business, civic, social, and church circles to our town.

**Snow ...**  
*(Continued from page one)*

fell but the weather has gradually warmed in the day time and most of the snow has slowly melted and soaked into the soil. It is fine for wheat and for pastures, and will help to keep the soil in good condition through the winter. The snow will result in immense benefit to the big wheat farmers in the Panhandle. It has delayed the harvesting of the crops yet remaining ungathered but otherwise it has done little harm to crops.

Mrs. W. V. McIlroy and Mrs. Gladys M. Stokes received letters this week from W. V. McIlroy and
