Tahoka, Lynn County, Texas. Fri day, June 18, 1943.

War Is Renewed On Bang's Disease | Car Stamp Now **Among Cattle**

A renewal of the fight against Bang's disease among Lynn county dairy cows is being started by County Agent J. C. Smith, on the solicitation of several owners of dairy

About two years ago, approximately 500 cows were tested and ten per cent of them were found to have this rapidly increasing disease, which is transmitted to humans through infected milk or by handling of raw infected meat.

In humans, the disease is known as undulant, or Malta, fever, and is very stubborn to deal with. In fact, medical science has not found a certain remedy for the disease as yet. A number of cases of the disease have been reported in Lynn county, some of which have been cured after a few months treatment.

Farmers and dairy men are urged to make application now with the county agent, or by contacting Postmaster Happy Smith, for tests to be made on their herds., This is not only important as a health measure of protection for the owner's family. his neighbors, and other citizens, but should be done as an economy

Changes Made In State Guard Set-Up

and the organization will be known officially in the future at the Texas this her native son. State Guard, as result of a bill passed by the 48th Legislature.

Changes will also be made in the patch and insignia, but there is no change in enlisted men's status, except that after this year, Guardsmen will be exempted from payment of road or street taxes, from jury service, and from partial exemptions of poll taxes, entitled to railroad passes on official business, etc., much as other military units, Also, inurance provision is provided for its members when called for duty.

First copies of "The Texas Guardsman," a new monthly magazine published by the Guard in Houston, were distributed.

Monday night's drill consisted of close and extended order drills directed by Lts. Hargett and Roddy and Sgt. Welch.

Newmoore Is Last School To Close

Newmore school closed last Friday the last school in the county to close, according to County Superintendent Lenore M. Tunnell. The closing exercises were held on the preceding Wednesday night.

The school was late in closing on account of having suspended for several weeks during the cottonpicking season in the Fall.

Congratulations—

The Tahoka Clinic reports the following visits of the Stork to that

institution the past few weeks: To Mr. and Mrs. C. G. Franks on Sunday, May 24, a son, Jerry Garland Franks, weighing 81/2 pounds.

To Mr. and Mrs. M. L. Womack, who reside out on Rt. 2, on Tuesday, May 26, a son, who has been named Marshall Leslie.

To Mr. and Mrs. Roger Bell, city, n Thursday, May 28, a daughter, low bearing the name of Martha Jane.

To Mr. and Mrs. R. J. Carl of Route 1, Wilson, on Friday, June 4 a daughter, Erma Maxine, weight

To Mr. and Mrs. Dave Polk, city, on Wednesday, June 16, a daughter weighing 71/2 pounds.

The Clinic also reports that Jimmy Matthews, little son of Mr. and leaving here but is now back on Mrs. Fred Mathews, underwent ton- duty. sillectomy on Monday, June 14.

Get Your Federal

All operators of motor vehicles must have displayed on the windshield of each vehicle by July 1, the 1943 Federal Stamp, obtainable at the postoffice for \$5.00, according to Postmaster Happy Smith.

Smith urges that these stamps be bought immediately, since many postoffices will not have sufficient stamps to meet the last minute rush. Failure to display the stamp is punishable by a heavy fine.

Lieut. Gaignat Is Rotary Speaker

Lt. Charles Gaignat, recent graduate of the United States Military Academy at West Point, was guest speaker at the Rotary luncheon Thursday.

Without making any prepared speech, he subjected himself to questioning by Rotarians respecting that institution, military tactics in general, aviation, and combat in the air, since he elected to take the Air Corps course, and his answers were highly instructive and entertaining.

If any person present had previously had any doubt as to the value of West Point training in time of Registered Gilts war, that doubt must have been entirely dissipated by Lt. Gaignat's answers and discussions. Varied and Changes in the Defense Guard of wide range were the questions set-up were announced at Monday propounded, and comprehensive and night's drill by Lieut. SUBSCRIPTION RATES Lynn or Adjoining Counties: Per Year __ \$1.5**0** Elsewhere, Per Year ____ Advertising Rates on Application.

NOTICE TO THE PUBLIC: appear in the columns of The Lynn the war is over. County News will be gladly corrected when called to our attention.

Whether the war ends next year of five years hence, people are beginning to think more and more of the problems that will confront us after the war is over. A lot of people are becoming more and more interested in highways. A meeting was held in Big Spring Saturday for the purpose of laying plans to have highway No. 87 incorporated into the great inter-continental highway to extend some day from Alaska, through Canada, the United States, Central America, and South America to Buenos Aires. Much of this highway is already built and in use. The route through the United States has not yet been designated, but it is claimed that No. 87 would furnish the shortest and most direct route through this country. If it should be included as a link in this great highway, traffic over it through Lynn county and all the Plains counties through which it passes would greatly increase, and the roadbed doubtless would soon be greatly widened throughout its course. It is important that we join now with other towns and cities along the proposed route to get the time over this route.

Strange as it may seem today Mussolini had become a memace to the peace of the world before Hitler had emerged from obscurity or gained any power whatever. He was putting men in jail long before Hitler got out of jail. He was hanging men while Hitler was still hanging

The story of Mussolini's rise to power is dramatic.

He was the son of a village blacksmith of the town of Dovia somewhere in northern Italy. Born in 1884, a country kid, he had few educational advantages in early life. But his mother and a private teacher taught him. Italy was never famous for its public schools.

At the age of twenty, finding it necessary for him to make his own way, he went up into Switzerland. where he worked at various jobs at meager wages. But, he was eager to learn, and he burnt the midnight oil as he workerd in the day time. In a remarkably short time, he had won a diploma somewhere and became a teacher of French at Lausanne University in Switzerland.

In his struggles and his studies, however, he had been bitten by the Socialist bug, and became active in teaching socialism and organizing labor unions. The Swiss were not Socialists and they made it hot for young Benito. In fact they expelled him from their country, and he found lodgement over in the Tyrol, then a part of Austria on the Italian border. But the Austrians also soon decided that he was a bad egg, and they drove him out of their country.

There was nowhere else for him to go, and so he returned to his native land. Italy, where he took a leading part in organizing the Socialist party, and in 1912, at the age of 28, he became the editor of the official organ of that party

Then World War I broke out. The Socialist party was strictly Pacifist. It believed in peace at any

This statement explains why many Santa Fe box cars, built to move wheat during harvest season, are many miles away doing other war jobs.

* This year an estimated 75,000,000 bushels of wheat must be moved by the Santa Fe from the wheat states it

It will take about 50,000 carloads to handle Santa Fe's big share of this vital job!

To move wheat and other grains, Santa Fe has specially built weatherproof box cars—but today, many of these cars are far from the wheat belt. Where are they? What are they doing? The map above will give you an idea-it shows the movement of a wheat car for the past four months.

A Wheat Car Gets Around Starting at Hutchinson, Kansas, with

a load of flour for Boston, this wheat car has been kept rolling with vital war cargoes, including Army shoes, Army clothing, aluminum, lumber, machinery, and has just delivered a warload at San Francisco : : : far from

the wheat belt where it is needed now! In four months this car has covered 1,439 miles on Santa Fe rails, and 9,749 miles on the other railroads. No rest for a war worker these days, but a fellow sure gets around!

Every Car in Action

Every Santa Fe box car, as well as box cars of all other railroads, is in action today. Some of these cars are too far away to be able to return to the wheat belt in time for use.

But guided by the wise direction of the Association of American Railroads, the Office of Defense Transportation, and the Interstate Commerce Commission's Bureau of Service, plus the friendly cooperation of the Army and Navy and war freight shippers, Santa Fe is making every effort to secure as many cars as can be spared from war movements to handle this year's wheat harvest.

One of America's Railroads-ALL United for Victory

Pressure Cooker **Quota Increased**

The new quota of 125,444 pressure cookers brings this year's projected production to 275,000, which exceeds the output of any previous year.

Ceiling prices from retailers to consumers on cookers made by the National Pressure company, Wisconsin Aluminum company, and Burpee Can Sealer company are \$13.90, \$14.90, and \$15.90, respectively. Each cooker sold under the dollars and DRAW-GRASSLAND cents ceiling will carry a 90-day CHURCH NEWS guarantee.

The rationing of pressure cookers, which was delegated to county farm rationing committees several weeks ago, aims at placing the cookers where they will be used to maximum capacity in preserving foods this

Onder the present set-up, anyone is eligible to secure a certificate for The destruction that wasteth at that was continually patroleld by ana and finally found him in Verthe purchase of a cooker by filing an application with the Farm Rationing Committee at the AAA office, provided, of course, they can qualify under the standards of use

A statement must be filed by the eligible applicant that the cooker has been located in a dealer's stock and that it will be delivered upon presentation of the certificate.

The Farm Rationing Committee is assisted in their selection of eligible applicants by Miss Carolyn Dixon, home demonstration agent, and Miss Almarine Nunnally, home supervisor for the Farm Scurity.

CARD OF THANKS

We wish to thank the many friends of our father and grandfather, the late J. B. Haile, for the many illness and also for the kindnesses never forget these marks of esteem | nifier. and thoughtfulness .- Mr. and Mrs. E. P. Hale, children and grandchildren.

Chief W. V. McElroy Home From Alaska

Chief Petty Officer W. V. Mc-Elroy, U. S. Navy, arrived home Thursday afternoon from the Aleutians Islands, Alaska, where he has been on active duty since Aug. 9, 1942. He will be here at least 10 or 12 days.

"Mack" was formerly connected with D. W. Gaignat Co., but enlisted in the "Seabees" on May 4, 1942.

We are in our Vacation Bible

School now (at Draw). We will have a short Fathers and of the school. All are invited, but a special invitation goes to the parents.

The pastor is preparing a special noonday.

served at the Church.

On July 9 we start our revival at Grassland, with Rev. H. H. Hollowell of O'Donnell doing the preaching. We are hoping every one will make plans now to attend these

Our revival at Draw will start on August 11, and Rev. T. Marvin Mc-Brayer of Childress will do the preaching.—Jesse E. Young.

A FLANK ATTACK ON YOUR HOME

You have your house covered with fire insurance. But how about the other commonplace accidents? A windstorm uprooting trees and unroofing houses. An explosion in your home or a neighbor's. Loss from hail, smoke, a riot, a "wild" car or truck, or a falling airplane. Damage from these seven common hazards is costing home owners thousands of dollars every single day.

Don't gamble with your property. Have your fire insurance policy broadened with the Alliance Extended Coverage Endorsement. It may cost only a fraction of what you expect, and may save you hundreds of dollars. Phone me for complete details today.

NEW TEXAS ALMANAC IS. FILLED WITH VALUABLE STATISTICAL INFORMATION

Great economic and social changes pursuit ship. Home have recently returned from are revealed in data presented by a visit with realatives in Coryell the 1943-1944 edition of the Texas Approximately 400,000 rural Texans D. C., and was one of the honor Odean Millman, at New Home Sunhave received or will receive shortly For the first time in the history of nats. supplies of arsenate. The County the state, the majority of population Agent suggests that each farmer lay is now urban, according to informaaside enough of this material to tion in the new volume. More remarkable, relatively, has been the founding of munitions, rubber, shipbuilding aviation and other war industries. Texas' manufacturing outthe last three years as in all pre-

> ceding history. Mineral production has also been greatly stimulated. Last official figure on value of all minerals produced was \$954,211,150 in 1941, placing Texas far ahead of any other state. On basis of partial reports, the Texof minerals produced in 1942 was weeks. more than one billion dollars. While petroleum, natural gas and natural gasoline accounted for most of the production, Texas would rank high among the states without the oil group. During the last two years, there has been rapid increase in the number of minerals produced in Texas, and in 1942 there was commercial output of more than sixty different kinds.

Next to the greatly increased manufacturing and mining production, military activity has had the most notable effect on recent Texas developments. While reasons of military secrecy prevent release of some information, the new Texas Almanac lists twenty-two major Army camps, in addition to which there are more than fifty Army aviation fields. At San Antonio and Corpus Christi, the Army and Navy have, respectively,

their greatest air training centers. While the chapters on military activities and industrial esxpansion are the principal items of current interest, the new Texas Almanac is essentially the all-round reference book that it has been, ranging through the whole field of Texas historical, civic and economic data. The date of the battle of the Alamo, the cotton production of Jones County, the name of the State Comptroller, the number of deer killed in Texas in 1942 and thousands of other classes of information in as widely diversified fields can be found on its pages.

The Texas Almanac is a biennial publication, and the new volume is for the two years, 1943 and 1944. It is bound in paper at 60c on newsstands, 75c by mail; also in cloth at \$1 on newsstands and \$1.15 by mail.

Kinnie Watson and family of Iraan were here last week visiting his mother, Mrs. S. J: Cowart, who

Lt. Charles Gaignat And Wife Are Here

Lt. Charles Gaignat and his bride of a few days and Miss Myrna Dean Gaignat, arrived home from the East last week-end in company with their parents, Mr. and Mrs. D. W. Gaignat, who had gone to New York and Washington to attend the graduations and the wedding.

Charles graduated from the U.S. Military Academy at West Point on June 1, a member of a class of 514 men who had completed the usual four-year course in three years, and Congratulations to Pfc. and Mrs. likewise one of the 220 members who were the first to graduate from that

> In addition to the diploma of graduation, Charles received his commission as a second lieutenant in the Army Air Corps, his pilot's "wing" and the privilege of making the Army a life-time career.

> In the afternoon, Lt. Gaignat was the participant of another important West Point ceremony, when Miss Ann Patricia Kane, daughter of Mrs. Francis X. Kane, 250 Bedford Park Boulevard, New York, became his bride in a traditional West Point ceremony held in the Post Chapel and with all the splendor of Academy tradition. Miss Myrna Dean was a bridesmaid in the ceremony, which included the recessional under the draw sabers of fellow-

Mr. and Mrs. Gaignat state that the military school exercises were very elaborate, colorful, and impressive, even more so than frequently

West Point has the reputation of having one of the "toughest" courses possible of mental and physical training, and the young man who completes the work has accomplished a feat that wins him a good position in the Army for life

Lt. Gaignat and wife will leave in a few days for Craig Field, Selma, Alabama, where he expects to receive tactical training for about four weeks in a P-40, possibly a P-51,

Lynn County Youths

Several Lynn county youths have recently gone to work in war industries after taking NYA war work training, and others are planning to enter NYA centers this month.

Juanita Lee of Tahoka and Betty employed at the Fort Worth plant Buster Dulin, Tahoka, is working at They were accompanied to Ama- the Kaiser Shipyards in Portland, NYA center during the past few

> Neoma Coff and Betty Jo Simpson, both of O'Donnell, reported to the Inks Dam NYA war work center at Burnet this week to learn radio maintenance work. Girls who receive radio instruction may take civil service examinations and secure appointments to flying fields as radio upkeep workers. Other training offered by NYA is in aircraft sheetmetal work, machine tool operation and welding.

Boys 16 to 171/2 years of age and girls 171/2 to 24 are accepted for training at the Ranger war work center, while girls 16 years and 9 months of age up to 24 are trained at the Inks Dam center north of Austin.

Those interested in entering NYA training for war jobs should write to Miss Louise Lomax, NYA counselor, 1207 13th street, Lubbock, or see her at the U.S. Employment office there.

Lenton Pool and family had as their guests Sunday and Monday his mother, Mrs. J. S. Pool, and his sister, Miss Winnie Pool, of Tucumcari, New Mexico, and his brother and wife, Mr. and Mrs. Johnny Pool of Amarillo. His sister is supervisor for the Farm Security Adwas expecting to leave Wednesday for service in the Army.

George Reid brought a sample head of lettuce from his garden to The News last week end that was one of the finest we ever saw, or ate. He says this is the first time raised anywhere can be raised right here on the South Plains,

Miss Geraldine Mensch spent last week with her brother, Pfc. Alvis Mensch, and his wife at Carlsbad, New Mexico, where he is in training at the Army Air Field. Following her visit there. Pfc. and Mrs. Mensch visited relatives at Draw and at Lamesa Sunday.

PETTY H. D. CLUB MEETS WITH MRS. LOWREY

The Petty Club met at the J. W. Lowrey home Thursday, June 16. The meeting was caued to order by Chairman Mrs. J. W. Lowrey. 'ine roll was called and answered by some suggestion of ruture program. Some of the suggestions made were; Chickens, sugar saving recipes, nome-made cheese, canning, and nower-bed work.

There were fourteen members present, seven new members, who are: Mmes. Ensor, Charlie Hemmeline, Foy Rogers, Ada Carrot, Poer, and G. B. McAllister. Visitors were Mrs. Sealy and Mrs. Paul.

The Finance chairman, Mrs. Lee Cromer, suggested an auction sale of household goods to raise Club runds. She appinted ner committee, Mrs. Charlie Hemmeline and Mrs. Ray Hoover.

Mrs. Alvin Perry, Program chairman, had on the program for this meeting, Mrs. Lee Cromer, Insect demonstrator, who gave several very helpful suggestions on killing bugs and worms on garden plants.

M.s. J. W. Lowrey and Mrs. Lon Cromer demonstrated whole-wheat muffins and drop cookies, which were used later as refreshments, with berry juice as beverage, by Mrs. J. W. Corral.

Mrs. L. C. Crews, Exhibit chairman, appointed Mrs. O. R. Phifer and Mrs Joe Unfred as committee

Miss Ina Mae Corral. Recreation chairman, provided a lot of laughs and games for the group. One game that was very interesting was Vita Bingo. She appointed Mrs. Foy Rogers and Mrs. Loyd E. Beaty as committee members.

We are very sorry that our Parliamentarian, Mrs. Joe Jones, was ill and in the hospital and could

The next meeting will be held at ministration at Tucumcari. His Mrs. Lee Cromer's June 23. This brother has been employed by the meeting was a success. The meeting Pan-Tex Company at Amarillo but adjourned with Club Prayer promptly at 5 o'clock.—Reporter.

> NEEDLE AND SEWING CLUB The Needle and Sewing Club met

at Mrs. Allie White's Wednesday afternoon of last week.

Those attending were: Berniece Irene Bartley White, Kelley loia Fox he has ever been able to get lettuce Reid, Judie Euilee Tyler Akin, Zetta to head out. George is proving that Ida Crouch Riddle, Jewell Willie lettuce as crisp and delicious as any Harrison Akin, Eloise Dee McKaughan Brooks, Jennie Agnes Crouch Nevill, Lotta Amelia Brock Cook. > Refreshments consisted of cherry pie, ice iream, and iake. Then the presents were presented to Mrs. Fender and Mrs. Pat Akin, as they are moving away.

The next meeting will be at Mrs Thomas Reid's.

CARD OF THANKS

We wish to express our thankfulness for the sympathy and kindness extended in our sorrow for our beloved Paul, to our many neighbors and friends for the food and helpfulness, and our appreciation of the many, words of kindness, and the beautiful flowers. Our gratitude is everlasting to all of you.-Mrs. Paul J. Lawson and son, John Paul; Mrs. A. A. Lawson and families.

Mrs. Jimmie Cox of Athens has been here several days visiting the family of his parents, Mr. and Mrs. Jarrell Cox, and she and Miss Mildred Cox spent the week end with Jimmie at Amarillo, where he is in the Amarillo Army Flying School. They found him temporarily in the Post hospital, however.

Mr. and Mrs. Guy Cockrell and daughter Georgia of Idalou came Sunday to visit Mrs. Cockrell's parents, Mr. and Mrs. W. C. Cook. Mr. Cockrell returned home Sunday afternoon but Mrs. Cockrell and Georgia remained for a visit of several

we all but ran over a fox, He bounc- ed that they had not yet had sufed into a patch of wheat. Twentyfive years ago this would have been unbelieveable.-Ben Moore.

The McMillan family had a letter from Edward Monday stating that he had been sick but was again on duty. He had had an attack of flu and suffered a relapse. He is now on shore duty in the Navy in San Francisco. He wrote that Billy Hill, who had just returned to San Francisco from a visit home, had just visited him. That was Tuesday night of last week. Nothing was indicated as to when B.hy was to go a-sea again.

D. J. Bolch of Wells was a business visitor in Tahoka Tuesday. He reports moderate rainfall in his community and cotton looking fine. No hail and no heavy rains. Five weeks ago, however, he had 442 acres of cotton on his Dawson county farm completely destroyed by hail, but it was replanted and is now up and also looking good.

Mesdames O. C. James, J. C. Sparks; Vernon Kelly and T. M. Ellis and Misses El Wanda James and Eva John Sparks recently have been visiting relatives in Bosque county. Mrs. Ellis and El Wanda remained for a longer stay with the former's daughter. Mrs. Kelly also visited in Dublin.

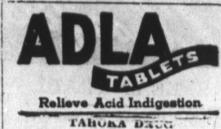

J. W. Hickerson and wife and iting his grand-parents, Mr. and Mrs. G. W. Hickerson. J. W. has been stationed in an Army camp in has been in a hospital. He is here on furlough recuperating.

was unable to do so. Then he ran to the field a few hundred yards away, where Mr. Dulin and a hired For SALE or TRADE FOR SALE-100 Plymouth Rock hand were at work, and they rushed

Dr. E. Prohl of Tahoka was summoned, but of course there was FOR SALE—Saddle horse and new nothing that he could do except to 44-2tp make a cursory examination of the body in order to determine if possible the cause of her death. He ton seed, recleaned and treated, thought it very probable that she had been struck by lightning, since persons near-by had heard at least one very keen clap of thunder and the body was still limp.

There were no marking or discoloration or other evidence, on the body or the clothing, to indicate that lighning had struck, however, nor were there any signs of a lightning stroke on the ground, trees, or buildings nearby. Since Mrs. Dulin had been suffering severely from heart trouble in recent weeks, many think that she suffered a fatal stroke, induced possibly by excitement or over-exertion.

Mrs. Dulin was a native Texan, having been born at Chriesman in Burleson county on August 17, 1884 She would have been 59 years of age, therefore, had she lived till her next birthday.

Her maiden name was Susie Johnson. She was married to T. G. Dulin on November 10, 1908. Eleven years later, Mr. and Mrs. Dulin and their children removed to Lynn county and moved onto the farm on which they still lived at the time of her l deah, having resided upon this farm for a period of almost 24 years.

Mrs. Dulin united with the Methodist Church in her girlhood and was a faithful member. She was greatly beloved and highly respected by the neighbors and hosts of friends, and she will be greatly missed in her home, her church, and her community.

Surviving her are five children, all 45-1tp of whom except one, were present at the funeral services. One son, George C. Dulin, is in the Navy and motors, any condition. See Jack is supposed to be somewhere in the 45-tfc Southwest Pacific. He could not be immediately located and could not have come had the family been able to reach him with a message. His wife, however, was here from San Antonio for the funeral.

Another son, Pvt. Woodrow Dulin, is in the Army and was stationed at the Army Flying Field at Las Vegas, Nevada. Funeral services were delayed to await his arrival. He arrived here Monday night.

Other children are: Mrs. Naomi (Johnnie) Tadlock of Houston, Mrs. Ruth (Dayton) Short of Amarillo, and James E. Dulin of Amarillo, all of whom were present.

Other relatives here from a distance included a brother, Wash W. Johnson of Happy, and a sister, Mrs. Leola Merritt of Valiant, Okla.

Five grandchildren also survive: Jack Ector Dulin and Ronald Leo Dulin of Amarillo, Harol d Gene and Tommye Sue Short of Amarillo, and Reta Sue Dulin of San Antonio.

Carl Nowlin of Tucumcari, New Mexico, came down Sunday for a visit with his brothers, Deen, P. A., Lloyd, and Claude Nowlin, and sister, Mrs. N. E. Wood, returning home Monday. Carl is now serving as the FSA director at Tucumcari,

Miss Dorothy Virginia Fulkerson is leaving today for Camp Mackall, North Carolina, to visit her friend, Cpl. Earl Adams a few days. She will also visit Mrs. Greta Applewhite Privett, wife of Lt. Sam Privitt, in Memphis, Tenn.
