Lynn County Third War Bond Drive Is For \$960,500 Quota

Lynn county's quota in the Third War Loan drive, which opens Sept. 9 and continues to Oct. 1 has been set at the staggering sum of nearly a million dollars, \$960,500.00 to be exact, according to Deen Nowlin, county War Bond chairman.

The U. S. Treasury Department's statement on the drive cited a need of 15 billion dollars at the present time to prosecute the war against the Axis nations; and Chairman Nowlin states that every effort will be made by Lynn county to bear its share of the financial burden by loaning money to the Government.

During the Second War Loan campaign, Lynn county's quota was set at \$415,000, and the citizens met this challenge by investing a total of \$422,595 in bonds.

Thus far, Lynn county has more than met its quota. Although a few monthly goals have been short, others have been exceeded. For instance, the June quota was not quite reached, but the July quota of \$50,400 was exceeded by about \$2,000.

Chairman Nowlin in his letter to county and community committees says: "It seems to me that it is almost an impossibility to raise something like three-fourths of a million dollars during the 15 days with the crop prospects as they are now. However, there is nothing impossible with our boys on the fighting front. They have surmounted every obstacle that has been put in their way and are doing a great job of bringing the enemy toward the terms of Unconditional Surrender. We are not going to let them down on the home front, so each and every one of our workers will have to double their time and really put their shoulders to the wheel to bring Lynn county through with our quota over-subscribed."

Federal Game, Fish Man Makes Survey

The Federal Fish and Wildlife Service, and F. O. Lytton, Game, Fish and Oyster Commissioner, were in Tahoka Tuesday making a survey of the fish and wildlife restoration program in this area. They reported that much progress was being made.

While here, they cautioned hunters against violation of game laws. Dove season opens in this section on Sept. 1 and continues through Oct. 12. The bag limit is 10 doves per day and the possession limit is 10 doves. Hunting time is 30 minutes before sunrise until sunset.

Duck season opens Nov. 2, and continues through Jan. 10, with the bag limit 10 a day and the possession limit 20 ducks. Hunting time is 30 minutes before sunrise and sunset. Exceptions are redhead and buffhead ducks, on which the bag limit is three of either or in aggregate.

Mr. Lytton, who is State game warden for this district, is working to stock tanks with fish in this county and to better the quail and dove hunting. He warns against violation of the duck hunting laws, and recommends that farmers, bothered with ducks destroying crops, consult with him.

John Sain Buys Gin At Slaton

John Sain announces that he has purchased a gin at Slaton and is moving there to operate it.

For more than fifteen years Mr. Sain was connected with the former Edwards gin here and he knows the gin business from top to bottom. Sain has also worked here as a mechanic.

Sorry to lose him as a citizen of Tahoka but hope he prospers in his new undertaking.

First Bale Cotton Brought to Tahoka

Tahoka's first bale of cotton was brought in to town at some time during the early morning hours Wednesday, Aug. 25. Sunrise found it standing on the sidewalk in front of the First National Bank.

It was raised by E. A. Thomas of Grassland and was ginned by the Thomas Bros. gin at Draw. The bale weighed 530 pounds and the seed 740 pounds. The snapped cotton (Cont'd. on last page)

Pvt. Moore Writes From Jap Prison

Mr. and Mrs. L. D. Moore early last week had a card from their son, Pvt. James W. Moore, who is a prisoner of the Japs in Prison Camp No. 10 in the Philippine Islands. They had been informed several months ago that he was a prisoner. He was presumably captured by the Japs in the fighting on Bataan Peninsula. The card received last week stated little more than that he was well. Just when it was written is not known.

A. N. Lehman, manager of the Levine Bros. store here, who represents the Red Cross locally in obtaining information for families of soldiers who are reported to have been killed or captured, says that a returned soldier gave a broadcast from San Angelo early last week stating that he had recently seen Pvt. Moore and that the latter had sent word to his family here that he was well and also sent them his love.

Plan Soil Work Near New Lynn

B. J. Emanuel, district supervisor for the Lynn County Soil Conservation District, has called a meeting of farmers in the vicinity of New Lynn for Friday afternoon of this week at 3:00 p. m. at the New Lynn school building.

Seventeen farmers in one watershed in that vicinity have asked the district for assistance. Engineers from the local office of the Soil Conservation Service, cooperating with district supervisors, have made a complete topographic survey of the watershed involved and these maps will be available for the farmers to study in making their conservation plans. Soil surveys have also been completed showing types of soils and the extent of erosion which has already taken place.

The New Lynn watershed emphasizes the fact that farmers must help each other if erosion is to be controlled, Emanuel states. The farms of A. A. Huff and Mrs. E. B. Terry are at the top of this watershed, with the farms of Carl Greer and L. C. Johnson Jr. at the bottom of the watershed, with 12 farms located between the top and bottom.

ENSIGN EDITH MACHA HERE

Ensign Edith Macha of San Diego, Calif., Hospital is here this week visiting her parents, Mr and Mrs. V. H. Macha, and sister for a few days on leave.

While here, Ensign Macha's cousin, Miss Marilyn Macha of Wichita Falls came to visit her and uncles, V. H. and H. A. Macha, and families. Miss Marilyn is secretary to the commanding officer of Station Hospital, Sheppard Field.

The two plan to leave this week end to their respective posts of duty.

Mr. and Mrs. Douglas Smith and Mr. and Mrs. Finis Smith of San Fernando, Calif., who had been to Botago, Red River county, to visit the men's parents, spent Friday night here with Mr. and Mrs. D. V. Smith, D. V. being their uncle.

Celebrate Sixtieth Wedding Anniversary

Mr. and Mrs. F. M. Sherrod, pioneer Lynn county couple, will celebrate their 60th wedding anniversary Sunday with nearly all the children and grandchildren present. They were married in Brown county August 29, 1883, and have lived in Lynn county for forty years. Mr. Sherrod will be 87 on September 4, and Mrs. Sherrod was 76 on her last birthday, April 22. Roy Stephens Still In Japanese Prison

L. R. Stephens and family received a letter Saturday which was written by his son, Roy Stephens, from a Japanese war prison at Shanghai, China, nearly eight months ago. Roy was captured by the Japs when Wake Island surrendered a few weeks after the Japs started this war. They had had one letter from him written in May, 1942.

His latest letter in full appears below:

Dear Mother Dad and All: Once more I have been given permission to write and again I am without something to say. Every day is another day less, and with a year in the past I see no chance of being home in the near future, but with little news of the outside world I am to be no judge. Life sure has its most dull days while a prisoner and without a given sentence I hope I am a short timer. My health is of a perfect condition and up to date I have not been sick since I had the mumps while in San Diego. So do not worry about me.

I have received four letters. Two from you, one from Bill Cowan, and one from Muriel and Winona. It is impossible for me to write to them, so write them letter of (Cont'd. on last page)

Mrs. Harris' Brother Dies Very Suddenly

Like a thief in the night came the saddening news to Mrs. W. M. Harris at about 3 o'clock last Sunday morning that her brother, W. L. Young, had died suddenly at about 5 o'clock Saturday afternoon at his home in Corpus Christi. Death came within 30 minutes after he had become ill of acute indigestion.

Mr. and Mrs. Harris made hurried preparations and left here at about 8 o'clock Sunday morning for San Antonio, where the body was to be buried. Funeral services were conducted in the chapel of a funeral home in that city at 5 o'clock Monday afternoon, with the pastor of the First Christian Church of that city officiating. Burial was made in one of the cemeteries there.

Mr. Young had resided in San Antonio many years prior to his removal to Corpus Christi about six years ago. Surviving are the wife and three sons, all of whom reside in that section of the state. Also surviving are two sisters, Mrs. Harris of this city and Mrs. Lydia Kelso, who has spent much time here the past two or three years but who has been in Sulphur Springs the past few months.

COOK GRADUATES

Amarillo Army Air Field, Aug. 26 - Wilburn H. Cook, son of Mrs. Ed Cook of Rt. 2, O'Donnell, has completed his course of studies as an aviation mechanic here, and is fitted for airplane maintenance on a Flying Fortress.

Wilson Youth Is Prisoner of Japs

John Standifer, prisoner of the Japanese in the Philippines, is well and uninjured, according to a card received a few days ago by his mother, Mrs. Jessie Standifer, of Wilson.

The card is the first message received from him in over a year. He was taken prisoner in the fall of Bataan.

Wilson School Will Open Next Week

Wilson school will begin the 1943-'44 term Monday, August 30, with opening exercises to be held at 9:25 that morning. School patrons and friends are invited to be on hand for the opening program and to meet the teachers, according to Supt. C. O. Head.

The following teachers make up the faculty: Mrs. W. L. Forrester, first grade; Mrs. G. L. Cobb, second grade; Miss Gladys Kirtley, third and fourth grades; Miss Corinne Stinson, fourth and fifth grades; Miss Nancy Langford, sixth grade; Miss Zelma Priddy, seventh grade; teacher yet to be employed for the eighth grade; Mrs. C. O. Head, high school English; Mrs. Robert Maeker, Home Economics; Nolan J. Robnett, Vocational Agriculture; Mrs. Elmer Blankenship, social science; C. O. Head, mathematics.

The lunch room will begin serving lunch on the second day of school. Enough help will be employed to serve lunch to all the students and teachers.

The bus routes will be run as at the close of last term with necessary changes to take care of new students. The busses have been repaired and are ready to go.

New Home Schools Ready For Opening

New Home schools will open on next Monday morning, according to A. L. Pace, superintendent, the faculty having been completed except for one teacher, and this vacancy will probably be filled by today.

School buses will run over routes the same as last year, at least for the first time. Students will be registered Monday morning, and Monday afternoon, the school will run through the complete schedule on half time and make lesson assignments.

The faculty consists of the following: A. L. Pace, superintendent and teacher of mathematics and science; Mrs. Wilmer Smith, high school principal and history; Miss Dorothy V. Fulkerson, English and typewriting; Miss Sue Foster, home economics; N. S. Abbott, vocational agriculture; eighth grade teacher to be selected; Mrs. A. L. Pace, seventh grade; Miss Callie Trussell, fifth and sixth; Miss Warren, third and fourth; Mrs. Burr Morrow, first and second. Petty school: Mrs. Lee Cromer Mrs. H. T. Carr.

W/O Frank McGlaun At Special School

Warrant Officer Frank McGlaun Jr., graduated last Saturday from a special Aircraft Armament course for officers of the 2nd Air Force at Lowry Field, Denver, Colo., according to information reaching Tahoka this week.

W/O McGlaun has qualified for the new position of fire control officer on heavy bombers.

He is one of the three sons of City Marshal and Mrs. A. F. McGlaun Sr. now serving our country in the Army Air Forces. W/O McGlaun and wife expect to visit their parents here soon.

Pvt. John L. Wagner Jr. was here last week from Fort Knox, Ky., where he is in a tank division.

12-Grade System In All of Schools; Tahoka Improves

Tahoka and most other Lynn county schools will open next Monday, all facilities having been completed except in two or three instances. Opening Monday are Tahoka, Wilson, New Home, Dixie, New Lynn, Midway, Edith, T-Bar, Grassland, Three Lakes and West Point, the latter two attending in Tahoka.

O'Donnell, Wells, Newmoore, and Draw-Redwine open a week from Monday, Sept. 6. Gordon opened on last Monday.

All Lynn county schools will operate on the new 12-grade system this year. Mrs. Lenore M. Tunnell, county superintendent states. This includes the rural schools, which will teach through the eighth grade and send the 9th, 10th, 11th, and 12th grade students to high schools elsewhere.

Although there is a critical shortage of teachers, all rural schools have full teaching forces, and each of the rural high schools and city schools reported one teacher short, but in every case these vacancies are expected to be filled before the opening date.

Supt. W. T. Hanes of the Tahoka schools said only one teacher was needed here and several prospects were being considered. He said the local school had been unusually fortunate in getting teachers who are considered of the very highest type, and everything "looked rosy" for the best school year in recent years.

Mr. Hanes stated that a well-rounded program of mental, physical, and social development would be carried out this year on a scale never attempted before. Closer coordination of courses and more emphasis will be given to classroom work. Physical education will be compulsory to every able-bodied student, boy or girl, in keeping with the war program, and high school students may develop leadership and personality through ten clubs.

West Point school students will attend the Tahoka Schools this year as the result of an agreement between the Tahoka and West Point school trustees. West Point has a scholastic enumeration of 51 and average attendance is about 30 (Cont'd. on last page)

School Registration Schedule Is Given

Schedule of registration for students in Tahoka High School for the opening of school next week have been announced by Prin. Leo Jackson as follows:

Seniors will enroll Monday morning, Aug. 30, beginning at 9 o'clock. Juniors will enroll Monday afternoon, beginning at 1 o'clock.

Sophomores will enroll Tuesday morning beginning at 9 o'clock.

Freshmen will enroll Tuesday afternoon, beginning at 12:45 o'clock. Seventh grade students will enroll Tuesday afternoon, beginning at 3 o'clock.

No student will be allowed in the building except those registering. He asks all students to please cooperate and come when their class is being scheduled.

Buses will not be run Monday and Tuesday, but will begin their regular runs Wednesday morning, September 1.

Students who are enrolling for the first time in Tahoka High School are meeting today, August 27, at the high school to have their transcripts checked prior to enrolling next week. This does not include the last spring graduates of Tahoka Grade School but applies only to students coming from other schools to the Tahoka schools for the first time.

A general faculty meeting of all teachers will be held this Saturday morning at 9:00 o'clock.

Sherrods . . .

Ten children were born to the couple, of whom eight are living. The living are: Mrs. Pearl Brown, Mrs. Iva Shaffer, Mrs. Jewell Connolly, Miss Floyce Sherrod, Guy G. B., and Beecher Sherrod, all of Tahoka, and Carl Sherrod, who lives in Portland, Oregon. The two children dead are Joy Sherrod, who was killed on October 9, 1918, in the battle of the Argonne, just about a month before the Armistice was signed; and Mrs. May Patterson, who lived at O'Donnell and who died July 27, 1924.

Children and grandchildren and a few friends will join this pioneer couple Sunday at a great and rare reunion.

Mrs. Sherrod was Camella Gregg before her marriage to Mr. Sherrod, and both the Gregg and Sherrod families were pioneers of Brown county.

In the 1870s Mr. Sherrod made his first trip to Lynn county, then unorganized and uninhabited except for a few nomadic Indians. He came with a party of buffalo hunters and camped at Tahoka Lake, seven miles northeast of the present town of Tahoka. He assisted in killing, skinning and dressing buffalo which the party carried back to Brown county. While camped at the Lake, Mr. Sherrod recalls, Indians visited their camp but gave them no trouble.

Mr. and Mrs. Sherrod recall many events of early West Texas days, particularly happenings in Brown and Lynn counties.

Some time after their marriage, Mr. and Mrs. Sherrod moved to San Angelo, where they lived for fourteen years.

Development of the Plains was just starting when, on June 12, 1903 Mr. and Mrs. Sherrod came to the newly organized county of Lynn to make their home on land that had

Rev. Philip McGahey, pastor at Albuquerque, New Mexico, formerly pastor at Wilson, has been conducting a revival at the New Home Baptist Church. The meeting will close Sunday.

CARD OF THANKS

Both for ourselves and for the bereaved wife and children of the late W. L. Young, who was laid to rest in San Antonio Monday evening, we take this method of thanking each one for the kind expressions of sympathy shown in our great loss. He was one of the greatest brothers and dads on earth. May God bless each one of you.—Mrs. Lyda Kelso, Mrs. W. M. Harris.

been a buffalo range only 25 years before Mr. Sherrod farmed at Edith for a number of years, and finally retired and moved to the home they now occupy in North Tahoka.

Many friends congratulate this beloved couple on their long and eventful life together on this their 60th wedding anniversary.

BAPTIST SERVICES

Returning Sunday afternoon from Wolforth, where he had conducted a successful revival meeting, Rev. A. C. Hardin was in his pulpit again last Sunday night and expects to be here without interruption for the remainder of the summer and fall.

In the pastor's absence, Rev. W. V. Allen, pastor of the Wolforth Church, preached here last Sunday morning.

The revival at Wolforth resulted in 15 baptisms at its close. There were four additions to the church by letter.

At the W. M. U. meeting here Monday afternoon, with Mrs. D. V. Smith presiding, the following officers were elected for the ensuing year: President, Mrs. J. W. Goodell; corresponding secretary and treasurer, Mrs. Deen Nowlin; recording secretary, Ms. Everton Nevill; young people's secretary, Miss Opal Smith; chorister, Mrs. Lee White; pianist, Mrs. Deen Nowlin.

METHODIST CHURCH

After he had talked with Rev. G. P. Comer, pastor of the First Methodist Church, Waco, Wednesday, the pastor is announcing definitely that the annual revival will begin October 3, or the first Sunday in the month.

Rev. Comer will bring one or two of his church helpers, the pianist and probably his choir leader. He is anxious that the local church will have everything well organized—the women, the young people, and all departments of the church.

It is fortunate for the local church to be able to get Rev. Comer, for he usually is dated many months ahead for revivals. A group from Dallas was after him when he called the pastor this week. Rev. Comer is an outstanding vocalist and leader of song services.

Services Sunday at the usual hours and everyone is invited to attend—member, friend, and visitor.

W. E. HANCOCK VISITS REV. AND MRS. NICHOLS

W. E. Hancock, superintendent of the Chillicothe public schools for fifteen years, but now of the U. S. Navy, stationed at San Francisco, and Miss Boyce Young of Wichita Falls, were guests of Rev. and Mrs. H. A. Nichols Wednesday night.

Mr. Hancock's mother lives at O'Donnell, and the first school he taught was at Three Lakes. He was home on a 10-day leave, and returned Thursday thinking he will be shipped across soon.

Both of these visitors were residents of Chillicothe when Rev. Nichols was pastor there.

We are bringing to the readers of The Lynn County News a list of the five Churches of Christ in the county. Each week we will be bringing to you the time of meetings for worship at each place.

Some Things You Should Know About the Church

It was:
Built by Jesus Christ. Matt. 16:13-18; Acts 20:28.
Built on Christ as the only foundation. I Cor. 3:11.
Not built upon Paul, Apollos, Cephas, or any other man. I Cor. 1:12-13.
Fully established on first Pentecost after Christ's resurrection. Acts 1:8; Acts 2:1-47.

At this time James W. Adams is conducting a gospel meeting with the church at Grassland. Good crowds are attending these services. Wednesday night a number from Tahoka drove out to attend and cooperate in the service. Brother Tabor from Lamesa will begin a meeting at the New Home church Friday night, Aug. 27. We urge any one living near either of these places to attend these meetings and hear the truth preached in plainness and simplicity.

Garnie Atkisson will speak Sunday morning on "Zeal in Action" and Sunday night the subject will be "Religion." We want the young people to be sure and be present at all services, especially at the 8:15 meeting. We extend to everyone a very cordial invitation to attend any or all of the worship services at any of these places of meeting.

Foods Office Set Up In Lubbock

Headquarters for the Food Distribution Administration in Lubbock, Texas area have been established in Lubbock, Mr. R. A. Metcalfe, Area Supervisor, said today in announcing duties of the new office which serves Lubbock County and 19 surrounding counties.

The livestock slaughter licensing system, other food distribution orders controlling wartime use and distribution of vital food products, numerous farm prices support programs, government assistances to community school lunch programs and other programs dealing with processing, marketing and distribution of food will be handled by the new office which is part of the War Food Administration.

Counties included in the Lubbock area are: Bailey, Borden, Cochran, Cottle, Crosby, Dawson, Dickens, Floyd, Garies, Garza, Hale, Hockley, Kent, King, Lamb, Lubbock, Lynn, Motley, Terry, and Yoakum.

ENTERTAINS EMPLOYEES
Winston C. Wharton and wife entertained his Conoco employees at his home Sunday night with a fried chicken and ice cream supper. Families of employees also were guests.

Mr. and Mrs. A. L. Smith and daughter Wanda Faye and her friend Bennie Lou Pridmore returned Monday from a week's outing spent in Southern Colorado. A. L. declares that they had a delightful trip.

WAR BOND COMMITTEE IS MEETING TODAY

All members of county, community, and club War Bond committees, and all other citizens interested have been asked by County chairman Deen Nowlin to meet at 3 o'clock this afternoon, Friday, in the Lynn county courtroom, to work out plans for the Third War Loan campaign which starts Sept. 9. Lynn county's quota has been set at \$960,500, more than double assigned this county in the Second drive, and the cooperation of everyone will be required if a creditable showing is made.

Cpl. Dub Kenney of the Bryan Army Air Field spent last week-end here with his wife. He was promoted to corporal on the first of this month, and is now head butcher at the Bryan field.

Ruby Lou Coughran left Sunday morning for Brownfield to stay a few days with her sister, Mrs. C. E. Sanders. Ruby Lou expects to return in time to start to school next Monday.

Kenneth Hanes of Cadiz, Kentucky, has been here the past few days visiting his cousin, Billy Hanes. Also visiting Billy was Malcolm Stokes of Littlefield.

I hope Americans will figure out for themselves additional payroll savings.

Guard Will Fire Machine Guns

All members of Company F, Texas Defense Guard, who attend the meeting Sunday afternoon at 3:00 o'clock will be given an opportunity to fire one of the Thompson sub-machine guns.

At Monday night's drill instruction and practice was given in the taking-down, cleaning and oiling, and handling of the machine gun. The local unit has some ammunition for the guns in order that at least a part of the members may receive some training in actual firing.

Attendance has been light at the Monday night sessions during the summer due to hot weather. Extra work many members have had to do, and on account of members taking vacations, but officers are urging an improved attendance now that fall is nearing.

Elizabeth Howard of Lubbock is here visiting her cousins, Joan and Jean Henderson.

CONDUCTS FUNERAL OF FRIEND AT IREDELL

Rev. H. A. Nichols was called Monday to conduct the funeral services of Mrs. Madden Tidwell of Ireddell. She was buried Tuesday afternoon. She had been a resident of Ireddell for more than fifty years. Rev. Nichols was appointed to Ireddell as his first pastorate. After serving four years there, he transferred to Northwest Texas in 1920.

Mrs. Tidwell made but one dying request and it was for her former pastor to conduct her funeral service. He returned Wednesday night.

Can Tomatoes In A Water Bath

By Carolyn Dixon
County Home Demonstration Agent
A. & M. Extension Service

Select fresh, firm, red-ripe fruit. Put in thin cloth bag or wire basket and dip in boiling water for 1 minute. Then plunge into cold water and dip in boiling water for 1 all steps. Add 1 teaspoon salt per quart. Pack tomatoes tightly in jar. Set in container with a rack, allowing the water in the container to be about 2 inches below the rim of the jar or can. The water should not be allowed to boil so rapidly as to bubble into the container of food. Cover the water bath kettle with a lid. Count steaming time as soon as the steam accumulates above the jar and the water begins to boil. Steam 10 minutes. Rubbers that fit on the jar instead of in the lid may be placed on the jar before steaming for ease in handling. Do not use lids on tin cans while steaming, because the paper gaskets would be ruined. At the end of the steaming period, remove containers from water bath. Press food down. If container is not full, use tomatoes from one can or jar to fill each of the others. Have tomatoes well covered with liquid. Leave 1-4 inch headspace for jars and 1-8 inch headspace for cans.

Have food hot when sealed. This steaming is used to shrink the food and drive out the air which prevents loss of liquid during processing, discoloration, not having container full, and even spoilage.

Para-Ski Troopers

When will this war end? Nobody knows, so the Army is continuing its training of Para-Ski Troopers. They're parachute troops who know their way about on skis or any other place in snow covered mountainous country.

A great measure of the success of Russia's victories last winter is attributed to these troops who move with the silence of a snowflake. Our work on the home front is not so hazardous as that of the Para-Ski Troopers but it is important that we perform our daily tasks and make every effort to increase our regular purchase of War Bonds.

In this day when nearly every-
body smokes, the fellow who speaks
out against the habit as harmful
to the body is regarded by many
as a sort of crank. Many quips are
made at his expense. All smokers
should read an article appearing in
the August issue of Facts maga-
zine, which was called to our at-
tention this week by Tom Garrard
with the remark that he believes
the use of tobacco is even more
harmful to the body than the use
of liquor. The writer in Facts cites
the results of many tests made by
physicians proving the harmful ef-
fects of the use of tobacco, tests
made by physicians in the Mayo
Clinic, in the Brooklyn Hospital,
in Boston University School of Med-
icine, in Johns Hopkins University,
and other institutions. The average
cigar, the writer states, weighs 5
grams, the average cigarette one
gram. "Each gram of tobacco con-
tains about 25 milligrams of nico-
tine. If 60 milligrams of nicotine
are injected directly into your
bloodstream, you die," is one of
the striking statements made by
the writer. The heart beat is
quicker by smoking, according to
a test made by a Princeton pro-
fessor. The smoking of two cigar-
ettes increased the number of beats
17 to 19 per minute. "It was found
also that when a pregnant woman
smokes one cigarette, the heart of
her unborn child beats 5 to 10 beats
extra and doesn't return to normal
for ten minutes." Young women
certainly should pause and think
before they contract the smoking
habit.

ODDS and ENDS

by Eec Eye, the Elder

Here's another squawk.

We are being warned constantly
that a paper shortage is imminent,
"a paper shortage which will cut
down your magazines, newspapers,
and books, restrict the supply of
various household necessities, and
cause you serious inconvenience," as
the Reader's Digest expresses it.

Yes, country newspaper publishers
have been asked to cut down on
the amount of paper used below
that of last year. That is difficult
to do in the face of a constantly
growing subscription list. And folks
are not cutting down on their news-
paper reading these days, you may
be sure of that.

The paper shortage is due to the
fact, according to the Digest, that
"the United States and Canada can
produce only three-fourths as much
paper this year as last, because of
manpower shortage in the woods."

So, "Don't use paper unnecessari-
ly," the Digest advises.

It is good advice. Everybody
should heed it.

But the thing that gets our goat
is the fact that the Government and
its numerous agencies is the worst
offender of all.

Every country weekly newspaper
editor throws into the wastebasket
each week oodles and oodles of
communications, publicity stuff,
propaganda, sent out by various
Governmental agencies; and the
amazing thing about it is that
these agencies just keep on sending
out this stuff to the newspapers in
the face of the fact that the heads
must know that not a hundredth
part of it is ever published in any
newspaper.

Nobody wastes paper as the Gov-
ernment itself does.

Another cause of the shortage, as
the Digest explains, is the vast
amount of paper required by the
Army and the Navy.

"The Army fights with paper.
Literally. Every shell fired comes
up to the guns in an individual pa-
per container. The powder that
sends it on its way is made largely
of paper stock.

"To make the V-Boxes in which
food and ammunition are shipped
overseas, a half million tons of
paper are being used this year—
more than half as much as all
magazines combined will use."

"Army fliers keep warm with
paper clothing. The troops keep

ed the admiration of the world.
But Russian leaders have been un-
reasonable in the demands which
they have been making for months
that the United States and Great
Britain establish immediately a sec-
ond front in Europe in utter dis-
regard of the dictates of common
sense. The Americans and the
British have been doing remarkably
well. It seems to us, in view of the
fact that the Germans had over-
run Europe, including a lot of
Russia, before the United States
and Great Britain could even get
ready to fight. Much less do the
Russians have reason to complain
when it is remembered that the
United States has furnished them
a large portion of the fighting
equipment which they have used
in stopping the Germans and driv-
ing them back. Besides, the Rus-
sians have established no second
front against the Japs on Russia's
eastern border. They have not even
given us a base from which to at-
tack Japan. Sauce for the goose
ought to be sauce for the gander.

cool with paper sun helmets." Not
only the officers but also the men
are provided with maps. Tough
paper insulation is used in many
temporary huts and Army buildings,
and paper camouflage hides army
installations. Army water mains
consist of paper pipes, and paper
is used for various other purposes.

So the householders and house-
wives of the country, and especially
the newspapers are admonished not
to waste paper.

And we should like to pass the
same advice on to the swivel-chair
boys that sit in innumerable Gov-
ernment offices and send out to
the newspapers each week tons and
tons of so-called publicity stuff
that never stops till it hits the
wastebasket.

Newspapers decline to use this
vast amount of publicity matter not
because of any grievance or prej-
udice they may have against the
Government agencies that send it
out but because of the fact that
it is not news in the first place, and
even if it were news it is not boiled
down to the point where it is prac-
tical to use it in a weekly news-
paper. Most of it, in fact, contains
more mere propaganda than news.
So, that's that.

This is just one of probably a
dozen matters about which we
could complain, justly. For instance,
The Amarillo News ran an adver-
tisement in The Dallas News and
several other newspapers scattered
over the United States Sunday
complaining about the beef ration-
ing. It claims that in fact there is
no shortage of beef—no need for
price ceilings—that there is an
abundance of fat cattle on the
farms and ranches of the nation;
that the rationing program as ad-
ministered is merely hampering the
marketing of these cattle to the
detriment of the cattle-raisers, and
is prying to be a nuisance to beef
consumers.

We do not claim to know any-
thing about the merits of this com-
plaint. Cattlemen and marketmen
and packing houses doubtless know
a lot more about it than the rest
of us, but we are willing to accept
their opinion as sound.

To tell the truth, a lot of prac-
tices and policies have been insti-
tuted during this war that we
people consider of no practical ben-
efit and are thoroughly "fed up
on"—the mere whim of some fel-
low who has been given a little
authority and wants to exercise it.

When we object to these nuisance
regulations and requirements, we
are chided for our unwillingness
to suffer small discomforts while our
sons on the battle fronts are offer-
ing their lives for our country.

None of us who register a kick
now and then would object to mak-
ing any sacrifice however great if
we felt that it were necessary to
our war effort or if it contributed
in any way to the safety or com-
fort of the boys on the fighting
front or to the winning of the war.

What we object to is the officious-
ness and dictatorial tendencies of a
few men who have been given, or
who have assumed, great authority

**Sgt. Chas. Florence,
In North Africa, Is
Glad To Get News**

Sgt. Charles Florence, son of Mr.
and Mrs. W. Z. Florence of Draw,
who is in North Africa with an
Army infantry company, writes the
editor of The News the following
letter:

Dear Mr. Hill: Just a few lines
to let you know that the good old
home paper is making its way
across the bounty deep and coming
in regularly. Sometimes they come
two at once, but since it's like a
long letter from home, the more the
better. I can hardly wait each week
for the next to come. I enjoy read-
ing all the letters the boys write
in, and at the same time I learn
where they are and what they are
doing.

I am well and fine and getting
plenty to eat three times a day. Is
it hot there? Don't come here to
try and cool off. Everything is
rather quiet here in North Africa.
But I can imagine things are go-
ing to get pretty hot for us soon.
Tell all the folks hello and not
to worry, the Axis is retreating fast.
I remain, as ever, Charles Flor-
ence.

Mrs. C. C. Ross returned last
week from Southern California
where she and family have resided
the past several months while both
she and Mr. Ross are employed in
a defense plant. She expects to re-
main here only a few weeks.

In this war emergency.

Maybe we boys at the forks of
the creek and up on the head of
the creek will attend to them and
their sponsors after this war is
over.

We believe in democratic govern-
ment by men who are democrats at
heart.

And the war looks good on every
front.

For once, the Japs have retreated
rather than die. Or, probably we
should say that their leaders or-
dered them to retreat rather than
to lose that much man power.

Anyway, Kiska is again in Amer-
ican hands, and no Jap enemy any
longer has foot anywhere on the
North American continent, except
as a prisoner of war.

CITATION BY PUBLICATION

The State of Texas,
To Raymond Malone, Greeting:
You are commanded to appear
and answer the plaintiff's petition
at or before 10 o'clock A. M. of
the first Monday after the expira-
tion of 42 days from the date of
issuance of this Citation, the same
being Monday the 4th day of Oc-
tober, A. D. 1943, at or before 10
o'clock, A. M., before the Honorable
District Court of Lynn County, at
the Court House in Tahoka, Texas.
Said plaintiff's petition was filed on
the 10th day of August, 1943. The
file number of said suit being No.
1512. The names of the parties in
said suit are: Iritha Malone as
Plaintiff, and Raymond Malone as
Defendant. The nature of said suit
being substantially as follows, to-
wit: Plaintiff and defendant were
lawfully married on 25th day of
April, 1942, plaintiff has been a
bona fide inhabitant of Texas more
than 12 months and has resided in
Lynn County, Texas, 6 months next
preceding the filing of this peti-
tion. That soon after their marriage
defendant began to curse and abuse
plaintiff, calling her vile names,
threatening to kill her, and kept this
up until on or about the 20th day
of December, 1942, while riding in
an automobile, defendant became
enraged, struck plaintiff a hard
blow with his fist, jumped out of
the car, got his gun and threatened
to kill plaintiff, plaintiff ran away
from him, at which time he told
plaintiff he would not live with her
any more, since which time plaintiff
and defendant have not lived and

cohabited together, and plaintiff is
afraid to return to defendant.
Issued this 17th day of Au-
gust, 1943. Given under my hand
and seal of said Court, at office in
Tahoka, Texas, this the 17th day
of August, A. D. 1943.

FFA Boys Enjoyed Trip To Mountains

E. J. Hendrix and 19 F. F. A. boys whom he chaperoned on an outing up at Ruidoso, New Mexico, last week returned home Saturday, declaring that they had had a wonderful stay up in the mountains. Mr. Hendrix declares that the boys were remarkably well-behaved and gave him no trouble whatever. About the only trouble was that he could hardly persuade them to eat, he said, and then proceeded to reel off the number of gallons of coffee and the number of pounds of bacon and this, that, and t'other that he prepared for them each morning for breakfast.

The list of boys consisted of Lester McNeely, A. L. Hodge, Bobby Ray Scott, Durwood McClintock, Dwayne Vaughn, Calvin Smith, Bill Grider, Donald Adamson, Billy Jack Warren, Lewis Botkin, Maurice Smith, LaVaughn Caraway, Cloyes Leverett, Robert Warren, D. R. Adamson, Charles Dollins, Jack Barrington, Robert Rusk, and James Hendrix.

Southland News

(By Mrs. Marvin Truelock)

Mr. and Mrs. Freeman of Lubbock were added to the local faculty Monday. He will be Grade School principal, while she will instruct fifth and sixth grades. They formerly taught at Morgan. Both received their degrees from Commerce.

The Freeman family, which also includes two school children, found difficulty when they went house-hunting. Finally Supt. J. P. Hewlett moved from the McNabb home to let them occupy it while he took one of the Ed Lieske rent houses.

A week ago Sunday night, Polly Stotts had an attack of appendicitis at midnight. Of course, such things had to happen at a time when her father and older brother were out of town. Mrs. H. R. Stotts carried her daughter to Slaton's Mercy Hospital where she was operated on before daylight. She plans to come home Monday, the day school starts.

After Sunday School, the Methodist people attended the revival of their sister church in a body. Visitors at the Church of Christ meeting are surprised in the remarkable musical ability of the song leader, 13-year-old Bobby Hoover of Slaton, and that their pastor, Brother S. D. Lofton, is not only a gifted speaker but a poet and illustrates his sermons with large, original paintings that are really artistic.

August 18th was the wedding date of Miss Juanita Duff, who has been employed in the Aircraft factory at Houston for about eight months. The groom is a soldier stationed at Galveston, and is known as Curley Tanton.

Miss Mattie Schwartz, who moved to Hermleigh after selling her help self laundry here, spent the week end visiting Mrs. John Flemings, Mrs. Walter Voigt, and other friends here.

Mrs. B. Spence returned home Wednesday after spending a week at Memphis with her son, R. B. and family.

J. A. Furch and Melvin Gray, both of Fort Worth, are putting in a grain elevator here. Their lease begins 150 feet from the depot. All of their equipment will be new. These men are staying at the Basinger Hotel but have not found a local place to get meals and are going to Slaton three times per day. They are also finding difficulty in getting labor to begin their excavation.

Miss Olive Davies returned home last week after the end of summer school at Hardin-Simmons.

Another student home for the rest of the summer is Miss Mary Lynn Morris, of Tech, daughter of Mr. and Mrs. M. E. Morris.

The Racklers of Gordon attended church here Sunday night.

Pvt. and Mrs. Sidney Smallwood of Lubbock spent the week end with her parents, the Alvin Dudleys, and his parents, the G. N. Smalwoods.

Mrs. James Cox and daughters, Janice and Margaret, of Lubbock, have been staying with the children of her brother, H. R. Stotts, while Mrs. Stotts was staying at Slaton with Polly. Mrs. Cox and daughters plan to leave soon for Bowman Field, Ky., where Mr. Cox is a flight officer.

The annual conference for electing officers and Sunday School teachers will meet at the Baptist Church Wednesday, Sept. 1.

The postoffice flag flies at half mast this week in memory of Sgt. Major Joplin C. Hord. The official declaration of his death doesn't mean that we have given up hope of his being alive somewhere.

Mrs. R. H. Grubbs Sr. and her son and daughter, Tony and daughter, returned last week end from Fort Sill, Okla., where they visited Sgt. R. H. Grubbs Jr. and wife. While Mrs. Grubbs, who lives at Redwine, was away, a number of relatives visited in the Grubbs home, including Mrs. J. H. Grubbs of Dallas, Mancel Grubbs of Lamesa, Mr. and Mrs. Chock Bromley and family of Sweetwater, and Mr. and Mrs. W. B. Adams and family of Ackerly.

WILSON NEWS

(By Mrs. W. H. Jackson)

A group of about twenty ladies of the American Lutheran Church attended the women's rally at Lamesa Wednesday, Mrs. Edmund Maeker addressed the rally on the subject of "Service," a number of ladies from the Southland church also attended.

Eight candidates for membership in the Lutheran Church will be examined at the service Sunday night, Aug. 29. This class has received a course of religious instruction during the past five months. They will be received as members of the church by the rite of Confirmation Sunday, Sept. 5, according to Rev. E. Huber.

Mrs. Ellis Todd went to Lamesa to visit her mother, Mrs. Anthony. Arthur Herzog, Vernon Teinert, and Rayburn Hahn went to Copperas Cove this week. Hahn went on to Taylor to visit his grandmother and uncle.

Mr. A. H. Gilbreath, who has been visiting Rev. and Mrs. W. H. Jackson, went to Lubbock Tuesday to visit his other daughter, Mrs. J. H. Cox, before returning to Fort Worth.

Mrs. L. Lumsden attended an all-day meeting Tuesday of the W. M. S. in Slaton.

Mr. and Mrs. Will Huffaker spent the day Sunday with Mr. and Mrs. Elmer Rice and family.

Mr. and Mrs. Pat Campbell and family went to Hill county Wednesday to visit relatives for a few days.

Glenn Moore, son of Mr. and Mrs. R. T. Moore, had his tonsils removed last Friday.

Guests in the home of Mr. and Mrs. John Heck Sunday were Mr. and Mrs. Hermon Heck and daughters June and Jean, Mrs. B. Freeman of Lamesa, Mr. and Mrs. Henry Heck and Rodney and Greta of New Home, Pete Strickland of Lamesa, Miss Allena Brock of Austin, and Mr. and Mrs. Howard Cook and children, Dan and Nancy.

Judy Blankenship was given a birthday party Tuesday evening at the home of her grandmother, Mrs. Crosby. Those present were: Bobbie Swann, David Hutchinson, Johnny Robinson, Benny, William, Earl, Marthella and Floydell Holder, Alfred Clary, and Jimmy and Leon Dickerson.

Mr. and Mrs. Ralph Milliken are visiting in Lampasas.

Peggy Jean Milliken is spending the week with her grandmother, Mrs. Williamson.

Mary Watson of Lubbock visited her mother, Mrs. Watson, the past week end.

The Baptist revival closed Sunday with 12 additions to the church.

Mr. and Mrs. Fred Nethelton and three children of Brownwood were here Saturday and Sunday visiting Mr. and Mrs. A. Pendleton of the T-Bar community and S. N. Norwood and Mr. and Mrs. Samie Norwood southeast of Tahoka. Mrs. Nethelton is the sister of Mrs. Pendleton and Samie Norwood, and S. N. is their father. Mr. and Mrs. Samie Norwood also had as their guests Mrs. Lester Barrett and her brother Brad Walden of O'Donnell, and her sister-in-law, Mrs. Carlis Walden and three children of Munday.

Miss Helen Norris and little sister, Alice Lynn, of Lubbock are here this week visiting their grandparents, Mr. and Mrs. R. C. Scott, and other relatives.

CRAIG FAMILY HAS REUNION AT GRASSLAND

A family reunion was held last Sunday at the home of Mr. and Mrs. R. L. Craig, who live a half mile from Central Church. A nice dinner was served at noon and was greatly enjoyed by all. Ice cream was served during the afternoon and pictures were made of the family and friends.

All the children were present except one daughter, Mrs. Denver Gurley of Weed, N. M., and one step-son, A/C Lawrence Hulsey of Chickasha, Okla.

Present were: Mr. and Mrs. Homer McKay and daughter, Louise, of Seminole; Mrs. J. L. Waggoner and son, W. W. Gurley, and daughter, Sue Waggoner; Charlie Craig of Garnolla (his family was unable to attend); Mrs. G. W. Davis and children, Bob and Viva, Lubbock; Loyd Craig of Holtville, Calif. (his wife, Lillian, couldn't be present); Mrs. Earl Chesser and son, Clyde, Ogleby; Estilee Craig, Tahoka; Leona Hulsey, step-daughter, and Billy, Robert, Harvey, Pearl, Frances, and W. C., of the family home; W. T. Rhea, the father of Mrs. R. L. Craig, who is an invalid.

Other visitors included: Albert Wanless, Seminole; Mr. and Mrs. N. J. Hudspeth, Tahoka; Mr. and Mrs. D. Fleming, Grassland; Mrs. J. B. Ray, Mr. and Mrs. G. E. Fleming and daughter, Margaret, and Mrs. William Young, Garnolla; and Mrs. J. W. McKay and daughter, Mrs. Alpha West, and baby, Roby.

Mrs. T. T. Ivey is here from Reseda, Calif., visiting relatives. Mr. Ivey is employed in a defense plant there.

Mr. and Mrs. J. H. Wharton of Houston were here last week visiting his brother, Winston C. Wharton. He is an electrical engineer.

Mrs. H. E. Mather and daughter, Jerry, are visiting

Mrs. H. E. Mather and daughter, Jerry, are visiting Mrs. Mather's son, Hilery, and her parents in Kansas City, Kan. Hilery has been working there since the close of school. Hilery and Jerry will return to Tahoka on Friday to be ready for the opening of school on Monday, but Mrs. Mather will remain in Kansas City to await the arrival of her daughter, Dorothy, who is employed by the FBI in Washington, D. C. Miss Mather is resigning her position to return to Tahoka, and will re-enter Texas Tech in September, arriving here about Sept. 4.

W. D. Norwood of Cleveland, Oklahoma, came in Friday afternoon to visit his brother Samie Norwood and wife, his sister, Mrs. A. Pendleton, and Mr. Pendleton, and his father, S. N. Norwood, Monday Samie and W. D. Norwood and their father went to Slaton to visit another brother, Floyd Norwood, from which place W. D. went on to his home in Oklahoma. Their father

Mail Packages To Boys Overseas At An Early Date

The Christmas shopping season is here—even though the weather is still warm.

Mailing of gifts for Army and Navy personnel overseas must begin by September 15, if many of the men and women in our armed services are not to be disappointed; and September 15 is less than three weeks away.

Christmas gifts may be mailed by parcel post to Army men and women overseas only between September 15 and October 15. After the latter date, such parcels may not be mailed unless a written request from the soldier for the article is presented with each parcel. No soldier should ask for a Christmas gift; so gifts must be mailed on time. The Navy also urges that gifts be mailed between September 15 and October 15.

Reasons for the early mailing dates are: The vast distances that the parcels must travel to reach our men at war fronts and stations the world over; frequent transfers of thousands of men from one location to another, which means forwarding of the mail and consumes additional time; the necessity for giving preference to reinforcements, arms, munition, medicine and food in allotment of shipping space, which often means that the shipments of gifts must wait. And it is most urgent that gifts be delivered to the men in time for Christmas, to keep their spirit high.

The only way to insure against disappointment for the fighting men is to buy at once and mail early—mail your gifts as soon as possible after the September 15th starting date.

Those who have relatives or friends in the service should remember that we have fighting men in Alaska, Greenland, Iceland, England, Sicily, far-separated regions of Africa, the Near Eastern countries, Australia, many of the South Pacific islands, India, China, South

BONDS OVER AMERICA

In San Antonio, Texas, stands a mission fort of which is written:
"Thermopylae had her messenger of defeat, the Alamo had none." 182 men gave their lives here in 1836.

Be Ever Alert Buy War Bonds

How many relics, dear to the hearts of millions of Europeans, Hitler has wantonly destroyed? Thousands of shrines linking the present with past glory have been smashed to rubble.

America, and other areas. Weeks are required for a ship to reach many of these stations. There can be no assurance, of course, that the first ship sailing for any of these locations will have space available to carry Christmas parcels. Gifts may have to wait until vitally needed supplies and equipment have been shipped, to assure victory and to save the lives of our men. If the parcels are not mailed early, that delay may prove to be just enough to prevent their arrival by Christmas day, with consequent disappointment to the men who are offering their lives for their country and ours.

Mail of all kinds is vital to the spirit of fighting men. Every officer who has inspected our Army and Navy postal facilities overseas has reported that thousands of fighting men disregard mess call when it conflicts with mail call, and get their letters first. Officers at our large military and naval stations report that the spirit and efficiency of their men receive a distinct lift when mail is distributed, and that a delay in mail service caused a decided decline in spirit with a consequent letdown in efficiency.

A disconsolate soldier or sailor who thinks he has been forgotten at Christmas obviously is not at his best. So the gifts MUST be mailed on time so that they can arrive on time.

Rules for Christmas mailings to the fighting forces overseas were made public in June for the guidance of early shoppers. They include:

The parcel must not exceed five pounds, and must not be more than 15 inches in length or 36 inches in length and girth combined. It should be marked "Christmas parcel" so that it may be given special attention to assure its arrival before December 25.

Not more than one parcel may be mailed in any one week to the same member of the armed forces by or in behalf of the same mailer.

The parcel must be well and strongly packed, in a container of metal, wood, strong fiber board, or similar material, then wrapped in strong paper and tied with twine. The cover should be such that it can be opened readily for censorship. The contents should be packed tightly.

Perishable goods, such as fruits that may spoil, are prohibited. Intoxicants, inflammable materials such as matches or lighter fluids, poisons, and anything that may damage other mail also are prohibited. Gifts enclosed in glass should be substantially packed to avoid breakage. Sharp instruments such as razors and knives, must have their edges and points protected so that they cannot cut through the coverings and injure

O. H. Tabor, minister of the Church of Christ, who is conducting the revival meeting at New Home.

Powder Monkey

On board ship and in the artillery their buddies call them "powder monkeys." Not disrespectful, just a personal, intimate term between friends. Civilians call them gun crews. During a battle the crews of "powder monkeys" must work like trojans bringing the ammunition to the guns.

The gun may fire an anti aircraft .50 calibre shell or a broadside from the 16 inch guns of a great battleship, but in either event the "powder monkey" must pass millions of dollars' worth of ammunition to make the gun effective, and your savings in War Bonds are necessary to supply the financial ammunition that provides the shells.

U. S. Treasury Department

postal personnel or damage other packages

Since the armed forces are being plentifully supplied with food and clothing, the Army and Navy recommend against these as gifts.

Addresses must be written clearly and completely. In addition to the return address of the sender, a parcel for an Army man should show the name, rank, Army serial number, branch of service, organization, Army post office number, and name of post office through which the parcel is routed. In other words the address should be as complete as possible.

Rural Carriers Set War Bond Goal At One Flying Fortress

Texas rural letter carriers at their Fort Worth convention in July agreed to start a two-month campaign on next Wednesday, Sept. 1, to sell \$300,000 worth of War Bonds. The money thus raised will be used by the War Department to buy a Flying Fortress bombing plane and a distinctive name for this plane will be selected by the carriers.

The state committee having the campaign in charge is composed of W. E. Suddarth of Tahoka, chairman, with Paul Attaway of Big Spring and W. L. Fletcher Jr. of Hamlin. This committee is now busy making plans for the drive and has secured promise of much newspaper and radio publicity. The sale of this amount of bonds during the two-month period should be easy if all the carriers in Texas do their part and it is expected that they will have the full support of all rural route patrons who can purchase bonds. The carriers particularly request that these patrons buy bonds directly from them rather than from a post office or bank as it is important that they get credit for every sale they solicit. However, if for any reason a patron should make such a purchase in town, he is requested to ask at the time that the carrier be given due credit in order that the sum may be added to his quota.

This campaign gives an opportunity to every rural route patron

to have a direct hand in the sending of some mighty effective messages from Texas rural routes to Tokyo or Berlin.

Mr. and Mrs. C. C. Dwight left Tuesday at noon for Quitaque to visit relatives a few days.

Delinquency Is Rotary Subject

Carl Griffing was responsible for the Rotary program Thursday and he presented a program that was very worth-while.

The principal speaker was Rev. H. A. Nichols, who discussed Youth and the obligations resting upon the home, the school, the church, and the civic organizations to guide the young people and children around the pitfalls of life and to lead them into lives of usefulness. He insisted that both moral and mental training is necessary to develop the child properly, a course which he offered as the solution of child delinquency.

Calloway Huffaker gave the legal definition of "child delinquency," a brief historical review of legislation touching this subject, and called attention to recent changes in the definition and legal procedure respecting the handling of delinquents.

President W. T. Hanes made some very pertinent remarks respecting the relationship of the school to the problem of child delinquency.

It was again announced that on Thursday night the Club will have its regular Rotary Ann-teachers meeting at the American Legion Hall.

The Legion Auxiliary served the meal Thursday, the Methodist ladies having served the preceding Thursday.

Deen Nowlin, county War Loan chairman, called attention to the forth-coming Third War Bond drive, and asked for cooperation in meeting the huge quota given Lynn county.

Wilbur LeVeque, new FSA men here succeeding Jack Welch, was introduced as a new member of the club.

G. O. Millman and wife came in Friday from Jefferson Barracks, Missouri, for a visit with their parents, Mr. and Mrs. J. F. Millman. Mr. and Mrs. Odean Millman of New Home were also in visiting his parents Sunday.

BOBBY RAY SCOTT SUFFERS APPENDICITIS ATTACK

While Bobby Ray suffered much one of the, Tahoka FFA boys enjoying an outing, Bobby Ray Scott, son of Mr. and Mrs. Roy Scott, suffered on Wednesday an attack of acute appendicitis. Dr. J. W. Sinclair of Tahoka, who was also there spending his vacation, was summoned. Seeing the boy's critical condition, he gave such relief as was possible and brought the boy hurriedly back to Tahoka.

While Bobby Ray suffered much pain for the next few days, his condition gradually grew better and by Sunday he was able to be out again.

MISS CHRISTINE WENZEL IS BACK AT HER DESK

Miss Christine Wenzel, formerly of Wilson and a former employee of the Lyntegar Electric Cooperative here, who has been out of the office the past fourteen months on account of serious illness, was able to resume her duties in the office last week, to the great delight of many friends.

Miss Wenzel underwent two or three major operations and was critically ill for a long time. Her parents, Mr. and Mrs. A. D. Wenzel, and family recently moved from Wilson to Brownfield.

Booby Trap Detector

In the snow, in the sand, on the beaches, on the roads, in the woods, everywhere the Axis soldiers hide "booby traps," to slow the movement of oncoming fighting men of the United Nations. The detector does the same work on land as the mine sweeper does at sea.

Like buying War Bonds, the soldier operating the detectors will never know just how much they have aided in the success of their campaign, but he knows his work is necessary and must be accomplished. If more Americans on the home front will come to realize this, the success of our War Bond campaigns will be assured.

MISS BETTY CHANDLER WEDS IDALOU MAN

Miss Betty Chandler daughter of Mr. and Mrs. C. L. (Bunk) Chandler and J. M. Graves of Idalou were united in marriage at the home of Rev. Jeff D. Welch in Lubbock on Thursday, August 19th.

The bride wore a blue suit with black accessories. Mrs. Graves is a former student of Tahoka high school. The couple will make their home at Idalou. They have the best wishes of their friends.

Hurley Halsey of Luling, brother of Mrs. E. I. Hill and of Mark and John Halsey of Lubbock, who had come up to see his father, Grandpa Hop Halsey, last week while the latter was so ill, visited briefly in Tahoka last Friday. He has long been in the employ of an oil company at Luling, and this was his first visit to the Plains. He found it a little hot and dry out here but reported the same conditions in south Texas.

J. B. Nance states that his son, Dayton Nance, a business man of Barrington, Illinois, and owner of a tract of land eight miles south of Tahoka on the O'Donnell highway, was recently inducted into the Navy. Dayton has visited here a number of times. He is married.

Miss Bonnie Lay, niece of Mrs. R. C. Scott, accompanied Mr. and Mrs. Scott home last week from Stephenville, to which place they had gone to be at the bedside of Mrs. Scott's brother, who was gravely ill. Miss Lay left Friday for her home in Waynesboro, Tenn.

FORMER O'DONNELL BOY WEDS IN WASHINGTON

Perry Clayton Jr., son of Mrs. Perry Clayton of Rainier, Oregon, formerly of O'Donnell, exchanged nuptial vows with Miss Opal Fletcher of La Center, Washington, in the YMCA building at Lodg-view, Washington, on Tuesday evening, August 3, at 8:30 p. m., according to a story sent The News.

The pastor of the Methodist Church at Rainier officiated. The bride was given in marriage by her father, while her maid of honor was Miss Dorothy Clayton, sister of the groom.

The couple will make their home in Portland, Oregon.

The Clayton were pioneer residents of Lynn County.

SGT. JESS HILL IN AFRICA

Mr. and Mrs. W. T. Hill received a cablegram this week from their son, Master Sgt. Jess L. Hill, who is somewhere in North Africa, the second time they had heard from him since he sailed for overseas in May.

Another son, Pfc. Andrew W. Hill, was in New York when last heard from. A third son, Sgt. David L. Hill, is at Camp Roberts, Calif., and writes that he is well but very busy.

Mrs. T. M. Dobbins Jr. and two children, T. M. III and Dawn, came up Tuesday from their home at Roscoe for a few days visit with her husband's aunt, Mrs. G. M. Stewart. The husband, a dentist, is Lieut. T. M. Dobbins Jr., now somewhere in the Pacific aboard a hospital ship of the Army Dental Corps.

Mr. and Mrs. John Brock of Fort Worth were here over the week end, leaving Sunday with their two little children, Paula Jan and Nancy Kay, who had been here several weeks with their grandparents, Mr. and Mrs. C. T. Oliver, while the infantile paralysis epidemic was raging so uncontrollably in Fort Worth and environs.

Mr. and Mrs. Gene Moore, who lived here once before, have returned to be associated with the Craft Tailor Shop, L. L. Craft, owner, who is operating a shop at Sem-nole, will be here a part of the time in the future looking after the business, according to Mrs. Craft. Mrs. Moore is the former Miss Doris Sargent.

A Few ??'s To Ask the Printing Peddler

When the peddler selling printing solicits your business, there are a few questions which he should be willing to answer to your satisfaction.

Among them being:

- Does he pay taxes in this community?
- Does he donate space in his newspaper to your local community enterprises?
- Does he pay wages to a force of employees located in this city, county, state?
- Does his paper devote its entire space toward the betterment and upbuilding of this community?
- Does he grant you every favor that you would ordinarily ask of a local newspaper?
- Does the quality of his merchandise stand inspection--is it on quality paper stock and the printed matter attractively arranged?
- Will he submit proof of your work before finishing and mailing it to you C. O. D.?
- Does his price include postage and insurance charges?
- Can he supply your order on short notice?

If he can answer all the questions in the affirmative, he is entitled to your business. If not, consult the...

Students from Three Lakes attend the Tahoka schools on a similar agreement, and high school students from Dixie, Grassland, New Lynn, Edith, Midway, T-Bar, and a few from Wells and Carnolia.

West Point trustees are Hubert Tankersley, Cody Bragg, and C. E. Bartley.

The Tahoka board of trustees, which is composed of Prentice Walker, John Slover, Truett Smith, Oscar Roberts, Wynne Collier, Winston Wharton, and John Price, has had several meetings recently arranging for the school opening.

ton from which it was ginned weighed 1900 pounds.

On Thursday morning the Tahoka Chamber of Commerce announced it was presenting Mr. Thomas, the producer of the bale, a \$50.00 War bond, and that another \$50.00 War having the first bale ginned in Tahoka.

Without consulting the records, it is believed that this is one of the earliest dates for a first bale to be received in Tahoka.

On account of the long-continued hot and dry weather, some of the cotton is maturing early, and it seems likely that the gathering of the crop will begin earlier this year than usual.

The cotton crop has taken much punishment, as the weather has been unusually hot and little rain has fallen since July 9, a period of almost 50 days. A shower of .11 of an inch fell on July 26, and a local shower that covered very little territory outside of Tahoka fell on August 4, amounting to .68 of an inch in town. Other than this there has been no rain.

From July 16 to the end of the month, there were six days on which the temperature rose to 100 degrees and above. Up to Aug. 25, there had been ten days in the month on which the temperature rose to 100 or above. On three separate days it registered 105.

All the late feed has also suffered greatly. There is much good feed in the county, however.

L. R. Stephens returned Sunday from Hot Springs, New Mexico, where he had spent some time taking the hot baths for the benefit of his health.

thanks, and give them my best regards.

This Christmas was much improved over the last one due to the Red Cross. We had a very good Christmas dinner and have received four parcels of food from the American and Canadian Red Cross, which is worth more than words can express.

If I am here another winter I will be very much in need of clothing due to the fact that it is almost impossible for me to wear Japanese clothing, so anything you can send in the way of clothing and food will be a great help.

Tell everyone to write and enclose snap shots for all is greatly appreciated.

I hope this finds everyone in the best of health, and if Burt is away tell him hello for me.

Mother and Dad, take care of your health and I will see you some time soon, we hope. I send my love to all. May God be with you. Your loving son,

ROY STEPHENS, Barrack 3, Section 6, Shanghai War-Prisoner's Camp.

Plan Soil Work

(Cont'd. from first page)
the heavy rains of the past two years and many of the farms have small to large gullies on them.

Emanuel states that the interested farmers will make plans at this meeting for fall and winter work in erosion control. Terracing is one part of the program, according to Emanuel, who states that approximately 100 miles of terracing will be required. "We believe," Emanuel states, "that we cannot only control erosion on these farms but in doing so we can hold the water on the land where it falls and thereby grow more crops to help win the war."

Emanuel, in addition to being a supervisor for the district, is a member of the Lynn county AAA committee. He states that any terracing done before December 1 of this year, if done according to AAA specifications, will draw government pay at the rate of 80 cents per 100 feet of terraces constructed.

The AAA program for 1944 has not been announced.

Pat Swann, county commissioner, has been asked to attend the meeting and to explain how the county can cooperate.

Staff members of the Soil Conservation Service will attend the meeting to assist in planning the fall and winter program.
