Drive For \$960,500 Bond Quota Starts

Record Enrollment In Tahoka Schools

Raising Quota Is Biggest Task Ever Attempted Here

Tahoka public schools opened this week with 721 students enrolled the first three days, the largest opening week enrollment the school has ever had. Of this number, 307 are in the high school, 371 are in the grade school, and 43 are in the Negro school.

Others are expected to enroll before the week is out.

Many changes are being made in the school set-up due to the change over to the 12-grade system, and, also, to the adding of a complete program of physical training through the system, but Supt. W. T. Hanes said that he was expecting the best school year in the history of the school.

In spite of the teacher shortage, Supt. Hanes and the school board have been fortunate in securing a well-trained and experienced faculty. Nearly all members of the faculty have degrees, several teachers have M. A. degrees, and all are proven teachers by experience.

The High School teachers with their training and experience follow:

Leo Jackson, West Texas State graduate, High School principal and (Cont'd. on page 3)

Draper Gins First Bale In Tahoka

I. M. Draper brought in the first bale of cotton to be ginned in Tahoka Monday afternoon, and will be presented a \$50.00 War Bond by the Tahoka Chamber of Commerce.

The bale weighed 490 pounds, and the seed weighed 785 pounds. The bale was ginned at the Tahoka Co-op gin.

E. A. Thomas of Grassland holds the honor of producing the first bale on August 25, which was ginned at the Grassland gin. He will likewise receive a \$50.00 War Bond. Several other bales have been ginned, it is reported.

Mrs. Sophia King, Aged Pioneer, Is Ill In Lubbock Hospital

Mrs. Sophia (G. W.) King, 82, a resident of Tahoka for more than thirty years, is now seriously ill in the Lubbock General Hospital, according to her daughter-in-law, Mrs. John B. King of Smyer, who was here Tuesday and who has been at the aged woman's bedside in the hospital since she became ill. Mrs. King was taken to the hospital on Wednesday of last week. Physicians have indicated that her condition is critical.

Mrs. King's husband, G. W. King, died here in 1926. Sons are Bert King of Welch, Ben of Lamesa, Raymond, better known as "Red" King, Ruel King now in the Marines, and John B. King of Smyer. Mrs. Maude McCormick of Kingsville is a daughter.

If Tahoka friends would like to call, she would appreciate it. Her room is No. 334 in the Lubbock General Hospital.

DEA PARKER GETS WINGS

Dea Parker, son of Mr. and Mrs. B. L. Parker, has graduated from the Flexible Gunnery School at Fort Myers, Fla., where he was awarded Silver Wings and promoted from private first class to sergeant. He is now stationed in Salt Lake City, Utah.

Mrs. Redwine, Son, Move To Lubbock

Mrs. F. E. Redwine and son Winston recently moved to Lubbock to make their home in order that Winston might pursue his study of music. They are living at 2408 21st street in Lubbock.

Mrs. Redwine has long been a citizen of Lynn county and has many friends here who regret her leaving.

Her son-in-law and daughter, Mr. and Mrs. Clarence Cassauon are occupying the Redwine home here.

'Enemy' Taken By State Guardsmen

Machine gun target practice Sunday afternoon and a motor patrol maneuver problem Monday night brought out a large crowd of members of Company F, Texas State Guard.

Sunday afternoon, the men were given training in firing the Thompson sub-machine gun in the caliche pit south of town and some of the men proved to be excellent marksmen with this powerful little weapon on their first practice shooting.

Monday night, about 50 men participated in the motor patrol problem, the site of which was southeast of town on the roads in the vicinity of the cemetery and railroad, where a group representing a theoretical enemy had placed road and railroad blocks and taken charge of the area. The guardsmen cleared the area through flanking movements.

Two field telephones have been added to the equipment of the company, according to Capt. E. R. Edwards, and canteens, helmets and leggings will be issued at the next Monday night meeting to all men. Battalion maneuvers will be held some time late in this month, according to information given Capt. Edwards by higher officers.

NEW OFFICE HOURS AT THE RATIONING OFFICE

The Lynn County Rationing office, on the second floor of the court house, will close at 4:00 p. m. each day in the future. The office opens at 8:30 a. m.

YOUNG MAN FINED

A Tahoka young man was assessed a fine of \$50 and costs in court here Wednesday for aggravated assault on a girl. He had been charged with rape, but the charge was reduced on hearing of the testimony.

BARTLEY IS CORPORAL

Pfc. Preston S. Bartley, son of Mrs. Susie Bartley of Rt. 1, has been promoted to the rank of corporal at the Carlisle, N. M., Army Air Field. His wife is the former Rachel Bankston of this city.

George H. Brandon and family and his wife's parents, Mr. and Mrs. J. A. Bates, all of Waco, are here this week visiting A. B. Hatchell. Mr. Brandon stated to a representative of The News that the hot, dry weather had hit Central Texas hard also and that the cotton crop in that area promised to be very short.

Mrs. Clara Ford left Monday for a visit with her sister, Mrs. E. Roby, at Non, Okla., and with her sons, Charley and Cecil Ford, at Fort Worth and Austin.

J. B. Nance was able to be out again Tuesday after having been "laid up" with his feet and legs for a few days.

Hottest August In Recent Years

Hoo-ray! Clouds. Spreading. Thickening. Coming up. A flash of lightning. More lightning. Rolling thunder. A light sprinkle of rain. Clearing skies. Heck!

That tells the story of what happened late Tuesday afternoon and early that night, the last day of August.

It was the best prospect for rain Lynn county had seen for weeks, and then it vanished.

But there were showers in a few spots—not enough to get excited about.

And so ended the month of August, the hottest month that Lynn county has seen the past nine years—we don't know how much longer.

There were only two days in August when enough clouds appeared to mark them up on the record as "partly cloudy" days. There was not enough rain to register during the entire month, with the exception of one day when a local shower fell on Tahoka and environs.

The last two-thirds of July had likewise been hot and dry.

As a result, farmers complain that although cotton has held up remarkably well under the blistering rays of the sun, it has deteriorated greatly in the past two weeks. Cotton that promised a bale to the acre with another shower or two a few weeks ago will now do well to turn out a third or a fourth of a bale. It is opening prematurely too. The general estimate is that Lynn county's crop will run around 40,000 bales this year.

Much of the feed has suffered too. Late feed will not amount to (Cont'd. on page 3)

RURAL MAIL CARRIERS EXCHANGE ROUTES

A. A. Suits of Plainview and Frank Nease of Post, rural mail carriers, have exchanged routes, according to the Post City Dispatch. Suits will carry the mail on route 3 out of Post, which invades Lynn county on the east and passes through Grassland in this county. Nease has been the carrier on this route for the past four years.

Mr. Suits was one of the carriers out of Tahoka some ten or twelve years ago, he and Mrs. Suits living here three or four years and being very active in church circles. Their son, Gordon Suits, had a remarkable bass voice and was in much demand as a soloist. He sang regularly over WFAA, Dallas, for some time preceding the outbreak of the war and his enlistment in the armed forces.

WEATHERS IS CADET

Keesler Field, Biloxi, Miss., Aug. 28.—Pvt. John William (Jackie) Weathers has reported at Keesler Field to begin training as a pre-aviation cadet.

The son of Sam W. Weathers, Rt. 2, Tahoka, Pvt. Weathers will spend 28 days here before going to a college or university for five months of further work preparatory to becoming an air cadet.

EDITOR INJURED

E. I. Hill, editor of The News, severely sprained his back Wednesday morning while at work at the office. He is laid up in bed and will probably be there for some time.

Mr. and Mrs. Pat Hutchison and son have moved from Shreveport, La., where he worked in a bank for a number of years, to a farm he has bought in the Wells community, arriving here Saturday. He is a brother of Mrs. K. R. Durham.

Sgt. Boyce Evans, who has been in training at Sheppard Field several months, has been transferred to the Municipal University of Wichita, Kansas, for further training in aviation.

Bulldog Football Training Starts

Football will be retained in Tahoka High School as a part of the general physical education program, Leo Jackson, principal and coach announced Wednesday. All students in the school who are physically fit will be required to take physical education.

Wednesday afternoon 43 boys of the three upper grade, 10th, 11th, and 12th, reported for football practice, while the 8th and 9th grade boys will play junior football under their physical education classes, Jackson said.

The Bulldogs, 1942 district champions, will open the season with Meadow, a class B team here on Friday night at 9 p. m., but the first conference game in class A play will not be until Sept. 24, when the Bulldogs play at Seagraves.

A round-robin schedule will be played among the teams of the district, and five games will be played in Tahoka and five away from home.

Coach Jackson states that prospects that Tahoka will have a good team are fair, though only two lettermen, Gene Eri Knight and Bill Woods, are returning. A few of the boys have good weight, and all are under 17 years of age.

The season schedule follows:

Sept. 10—Meadow here.
Sept. 17—Lamesa there.
Sept. 24—Seagraves there.
Oct. 1—Denver City here.
Oct. 8—Lubbock Cowhams here.
Oct. 15—Seagraves here.
Oct. 22—Seminole there.
Oct. 29—Big Spring there.
Nov. 5—Denver City there.
Nov. 11—Seminole here.
Denotes conference game.

KETNERS HERE

Ross Ketner and Coughran Ketner and wife, arrived Wednesday for a few days visit here with their father, J. E. Ketner, and other relatives. Ross and Coughran are former citizens of Tahoka. Ross is in the wholesale distribution business in San Antonio, while Coughran is in the Army stationed at Druber Field, Muskogee, Okla.

Coughran and wife also visited her mother in Lubbock.

Payne Jean, daughter of Mr. and Mrs. Ross Ketner, is now Mrs. Herbert G. Dearing and is with her parents in San Antonio while her husband is in the Army as a radar technician.

CPL. ALVIN WHITE WRITES

Cpl. Alvin White, who has probably been in Africa longer than any other boy from Tahoka, writes his parents, Mr. and Mrs. A. L. White, from his present station in North Africa that he is getting very tired of that country since the "fireworks" were over.

He sends greetings to all his friends over here and asks them to write him.

ROBERT HOLLOWAY HOME

A/C Robert J. Holloway left Sunday for Northwestern University, Chicago, to take an officers training course, after a visit of several days here with his parents, Mr. and Mrs. E. W. Holloway of Redwine. Immediately prior to his visit here he was stationed at Great Lakes, Illinois.

James Elton Wells, son of Mr. and Mrs. R. C. Wells, who has been working with a seismograph crew for the past year, resigned his job and came home a few days ago preparatory to entering the A. & M. College about September 25. He has been at Haskell.

Congratulations—

Mr. and Mrs. Cecil Curry on the birth of a son in a Lubbock hospital Monday afternoon. The young fellow weighed 6 pounds, 15 ounces.

Lightning Sets Fire To Grass, But Quick Work Saves Range

Lightning set fire to the 400-acre R. L. Gibson pasture near Tahoka Lake at about 10 o'clock Tuesday night, but Mr. Gibson and neighbors managed to put the fire out after only about 50 acres had been burned.

Mr. Gibson was asleep, and when a sharp clap of thunder awakened him, he looked out the window and saw fire break out in the pasture about 200 yards southeast of the house. He and his family rushed out to fight the fire but had little hopes of stopping it because of the high wind blowing. However, possibly as many as fifty neighbors soon had gathered to offer their fire-fighting services, and the flames were extinguished.

Mr. Gibson says its fine to live in a country where one's neighbors are good enough to get up and rush to one's assistance in putting out such a grass fire.

New Lynn Studies Erosion Control

Thirteen farmers in the New Lynn vicinity met at the New Lynn school on Friday afternoon of last week to plan erosion control on their farms.

B. J. Emanuel, District Supervisor, presided at the meeting, giving an outline of the purposes and functions of the Lynn County Soil Conservation District. The policy of the district, Emanuel stated, is to work entire watersheds as groups, with each farmer controlling erosion on his own farm so that farms at the bottom of the watershed are not damaged by run-off from above.

Our immediate task, Emanuel stated, is to hold the water on our land, so that we may grow every pound of grain and fiber possible to help win the war.

H. E. Mather, Work Unit Leader, Carey May, Conservationist, and J. W. Goodell, Agricultural Engineer for the Soil Conservation Service, explained methods of terracing and (Cont'd. on page 3)

W. T. Bovell Is Now Marine Corporal

It's Corporal W. T. Bovell. This information was revealed in a letter from "Bo" to his friend, Wade Holland, Saturday. "Bo" is a volunteer in the U. S. Marines, stationed near San Diego, Calif.

Cpl. Bovell before entering the service was one of Tahoka's most prominent young business men, and rendered this community public service as fire chief, top sergeant of the State Guard company, as an active member of the Rotary club, and in other capacities.

KOLODZIEJCZYK ENTERS VAVIER UNIVERSITY

Raymond Peter Kolodziejczyk, son of Mr. and Mrs. Dennis Kolodziejczyk, prominent citizens of Wilson, route 1, has been transferred to Xavier University, Cincinnati, Ohio, for pre-flight training in the Army Air Forces. He will take a five months course of military and academic training there.

Kolodziejczyk attended Wilson High School, and participated in baseball and track while in school.

BAIRRINGTON IN ALASKA

Chester Bairrington, 2/c Petty Officer of the Navy Seabees is in the Aleutian Islands, according to his sister, Mrs. Curtis Stevens. He sailed from the States July 7.

Mrs. Bairrington is in California.

RAIN AT WEST POINT

C. T. Tankersley reports a fine shower of rain Tuesday night and another one Wednesday night at West Point. The rain extended north from that community but very little distance east.

Complete, Well Trained Faculty Plans Big Year

Back the Attack with War Bonds! Twenty-five workers from ten Lynn county communities answered the call of Deen Nowlin, county War Bond chairman, and met in the county court room last Friday afternoon and laid plans for conducting the greatest campaign ever attempted—the investment, during the next three weeks following September 9th, of \$960,500 in U. S. War Bonds and securities. And, those present at the meeting left with the conviction that the job could be done.

Nowlin stated that in this campaign "every last rag soul" will have to buy to his utmost. In the second War Loan drive, much of the half million dollars invested in the nation's war effort from this county came from corporation, bank, and others, but in this new campaign corporations will buy their bonds in the cities where their home offices are located, and bonds bought by banks will not count in the quota. Farmers, businessmen, and workers must fill this quota.

Stirring talks were made at the meeting by Nowlin, Mrs. J. W. Elliott, J. W. Lowrey, Hervey Gardenhire, and others, and bankers W. B. Slaton and J. L. Shoemaker gave suggestions as to the conduct of the campaign.

Community committees and all other citizens are asked to go to work immediately without waiting to be asked. Everyone must help if this war is financed and inflation (Cont'd. on page 3)

Rotarians Hosts To Anns, Teachers

Tahoka Rotary Club is holding its annual Rotary Ann-Teacher party tonight at the American Legion hall as The News goes to press. The Rotarians have their wives and the Tahoka teachers present as guests.

W. T. Hanes, club president, announces that Dr. Emil Prohl, chairman of the club fellowship committee has charge of the program.

Johnson's Children Are At His Bedside

L. C. Johnson, who recently became gravely ill and who has shown little or no improvement, has been visited by all his children at his home near Redwine during the past few days.

Daughters and their families visiting Mr. Johnson are: Mr. and Mrs. B. M. Vaught and Mrs. and Mrs. H. A. Welch, Mountainair, New Mexico; Mrs. Hattie Bishop and daughter, Valleyermo, Calif.; Mr. and Mrs. O. J. Worthen, Elmore, New Mexico; Mr. and Mrs. W. T. Garnett, Spade; and Mr. and Mrs. Joplin, Meadow. Two sons, Clayton and John Johnson, live at Redwine.

MISS CLARAGENE SCRUGGS ENLISTS IN THE WACS

Miss Claragene Scruggs has enlisted in the WACS and been accepted, according to her mother, Mrs. J. E. Mayberry.

Pending her call, she has been visiting an aunt, Mrs. Buddy Carter, in San Angelo but returned to Tahoka the early part of this week.

Miss Nell Bairrington, who is employed in the Army Recruiting office at Lubbock, was here last week spending her vacation and visiting relatives and friends.

C. W. Slover, who is in a Lubbock hospital seriously ill, is reported slightly improved after having had two blood transfusions since entering the hospital.

Sherrods Celebrate 60th Anniversary

Mr. and Mrs. F. M. Sherrod celebrated the sixtieth anniversary of their marriage Sunday, August 29, in the home of Judge and Mrs. Chester Connolly.

Judge Connolly acted as toastmaster at noon and introduced the honored couple together with some old-time friends and relatives.

The invocation for the noon meal was given by Rev. J. M. Sherrod of Lubbock, brother of Mr. Sherrod. A bountiful dinner was served under an old-time arbor to a large number of friends and relatives.

Open house was held from 3 to 6 in the afternoon for their many friends.

The livingroom was decorated with summer flowers and ivy. The punch service centered a lace covered table in the diningroom. White candles in crystal holders were used on the buffet.

A beautifully decorated two-tiered anniversary cake was cut by the bride of sixty years.

Mrs. J. B. Graham of Houston presided at the punch bowl. Punch and cake were served to many guests.

Out-of-town relatives present on this occasion were: Rev. and Mrs. J. M. Sherrod, Mr. and Mrs. J. B. Sherrod and Twila B., Mr. and Mrs. C. C. Sherrod and Mike, Mr. and Mrs. Carol Sherrod and Carol Ann, all of Lubbock.

Mr. and Mrs. O. D. Pierce, Langtry; Mr. and Mrs. Sam Sanders, Charlie and Donna, Lake Charles, La.; Mrs. J. M. Parker, Sundown; Mrs. J. B. Graham, Bob and Kenneth, Mrs. Exa McJunkin, G. C. Shaffer and Rhena, all of Houston. The latter named are grandchildren and great grandchildren of the Sherrods.

Out of town friends present: Mrs. W. R. Sanders, Lufkin; Mrs. G. E. Lockhart, Mr. and Mrs. George Knight, all of Lubbock.

Mr. and Mrs. Sherrod still say they have the most wonderful friends to be found in the world and wish to thank each and every one for their many kindnesses and all the lovely gifts.—Reported.

MRS. SARAH JANE HARRIS CELEBRATES 89TH BIRTHDAY

Mrs. Sarah Jane Harris was honored Wednesday at 4 p. m., that day being her 89th birthday, by a group of friends at the home of her daughter, Mrs. C. A. Thomas, with whom she lives.

She has been celebrating each birthday for the past nine years here, and Wednesday only two of the friends who helped her celebrate nine years ago were present.

Miss Charlene Bucy furnished music for the occasion.

Those present: Mmes. Hancock, R. C. Wood, E. S. Davis, R. W. Fenton Sr., C. E. Woodworth, J. F. Bucy, and W. D. Smith Jr., and Charlene and Ethelene.

Misses Marie and Pauline Raindl of near Dixie returned home this week after visiting with their brother and wife, S/Sgt. and Mrs. Jim Raindl of El Paso. While there they went over to Juarez, Mexico, and to Carlsbad Cavern accompanied by S/Sgt. L. B. Herman of Biggs Field, formerly of Hallettsville, and Sgt. and Mrs. Raindl.

Mrs. Madge Hall of Commerce, sister of Mr. Jim Banister, arrived Thursday of last week to get ready for her school work in this county. She is to teach during this session in the primary grades of the Draw-Redwine school.

Mr. and Mrs. A. T. Adams, formerly of the Dixie community have moved into their little home in northeast Tahoka and have just added a room to the house.

R. C. Wells and family went to Pampa last Sunday to visit their son, S/Sgt. R. C. Wells Jr., who is in the Air Field there.

W. M. U. HONORS NEW MEMBERS

Honoring new members and visitors, the Baptist W. M. U. held a Fifth Monday social in the adult assembly room of the church Monday afternoon from 4 to 6 o'clock. Spring flowers were used for decorations.

Mrs. Coy Fielder, president, was in charge of the meeting. Mrs. D. V. Smith gave the 122nd Psalm as a devotional.

In a program directed by Mrs. J. W. Goodell and Miss Opal Smith, Mrs. L. L. McKeehan of Fayetteville, Ark., offered "Pie as a Bird" as a solo, and the ladies quartet composed of Mmes. H. P. Caveness, K. R. Durham, Deen Nowlin, and R. C. Wells gave two special numbers.

After several lively games, the guests were served punch and cookies by Mmes. Lee White, V. A. Botkin, and T. B. Burrough.

Attending were: Mmes. Fielder, Goodell, Wells, Nowlin, Caveness, Durham, White, Botkin, P. A. Nowlin, E. J. Cooper, G. H. Hines, T. H. Seay, G. W. Hickerson, Garland Pennington, S. D. Bailey, H. B. Howell, Everett Nevill, J. L. Reese, E. J. Hendrix, W. A. Yates, Alice Fortenberry, D. V. Smith, L. M. Nor-dyke, T. B. Burrough, J. R. Wyatt, George Akin, Ward, McClellan, W. C. Cook, E. I. Hill, C. T. Oliver, A. C. Hardin, McKeehan of Fayetteville, Ark.; Misses Valerie Wells and Opal Smith, and Peggy and Nancy Nowlin.

Jack Swafford, who entered the Navy a few months ago, has been sent to Boulder, Colo., to attend a radio school, according to his grandmother, Mrs. "Becky" Roberts.

Lonnie King and wife recently moved back to Dixie community from Amarillo, where they had been residing for some time.

Mr. and Mrs. R. L. Gibson of Tahoka Lake spent last week-end with relatives at Dallas. They were accompanied as far as Fort Worth and back by Mr. and Mrs. C. T. Oliver, who went to visit their grandchildren, the little John Brock girls.

Mrs. W. E. Watson of Bryan is here for a visit of several weeks with her sister, Mrs. H. A. Winkler of New Lynn.

HOW MUCH MORE SHOULD YOU PUT INTO WAR BONDS AND OTHER GOVERNMENT SECURITIES?

Figure it out for Yourself . . .

HELP FIGHT THE WAR WITH THE MONEY YOU SAVE—

Machine guns range in price from \$275 to \$930.

Planes, now being produced at the rate of 7,000 a month cost from \$3,000 for the smallest to \$500,000 for a big bomber.

Bombs cost up to \$500 each!

A destroyer escort, so important in submarine warfare, costs five million dollars.

The Third War Loan, starting September 9, offers another opportunity for Americans to help their country in its greatest emergency—and to help themselves at the same time.

During this short period, we must raise the largest amount of money from individuals that any drive has ever raised in the history of the world. And we can do it, if you (meaning all Americans) will do your share.

Before you figure out for yourself how much more of your income and savings you can invest in Government securities, let's look a few facts in the face.

Right now, it is costing nearly \$100,000,000 a day more to equip our men and take care of other war expenditures than we were spending a year ago. Even if our taxes were much higher, they wouldn't come anywhere near meeting present and future costs.

Your money, every penny you can spare, is needed—and needed now—

if we are to continue the all-out effort required to insure a speedy victory.

But you aren't asked to GIVE—only to LEND, to invest your money at a generous rate of interest in the safest known securities—BACKED BY THE UNITED STATES GOVERNMENT.

Below is full information about all of the securities available during the Third War Loan. You'll find included a Government bond to meet every investment need and every size pocketbook, from War Bonds at \$18.75 (Series E, for individuals only) to Treasury Bonds at \$1,000,000.

For a quicker victory, for a safer peace (free from inflation) and to provide the post-war comforts and luxuries that you can't buy today, SIGN UP FOR YOUR LIMIT NOW!

Back the Attack with Extra Bonds this Month

Some Questions Answered!

● What will the Government do with the money I invest in bonds?

All money invested in Savings Bonds and other Government securities, as well as receipts from all other sources goes immediately into the general fund of the Treasury, from which all war and other expenditures are made.

● How can I get special information or advice about a Government security?

If your banker, postmaster, or local War Finance Committee is unable to supply it, write to your nearest Federal Reserve Bank or to the Treasury Department, Washington, D. C.

● Where can I buy War Bonds and other Government securities?

During the Third War Loan, the Treasury, through its many volunteer workers and issuing agents, will be offering the complete list of available Government securities as described in this advertisement. Series E War Bonds are available at more than 50,000 sales outlets. Other Government securities may be purchased through any bank.

● What security is behind these bonds?

The full faith and credit of the United States Government.

That Hitler and his war-lord helpers are becoming desperate is evident from the extreme measures they are employing to hold what they have. They have sent an army of fifty thousand into little Denmark, their model little subject state, to crush riots and rebellion against German authority and have established a military dictatorship there, summarily putting many to death. They tried to take over Denmark's little navy but the Danes are said to have gotten away with most of it. Many Danes, under-taking to flee in little boats to Sweden, went to their death, however, as their boats were sunk by the Germans. Last week the Germans sunk two Swedish fishing boats, Sweden being a neutral country afraid heretofore to offend Germany, and when the Swedes protested, the Germans claimed that the Swede fishermen were spies for the allies. Germany is threatening further drastic steps to over-awe the Swedes. Dire warnings and extreme measures have been resorted to by Goebbels, Hemminger, et al. to stop the flight of Germans from stricken Berlin. They are holding the "Sword of Damocles" over the peoples of every one of the subjugated nations and over dissatisfied elements in Germany herself to keep these people from rising in revolt. Such a situation can not last long; it must grow better or worse, and there seems to be no possibility for it to grow better Hitler's house, built on the sand, is bound to come tumbling down soon—and when it falls, woe be unto Hitler.

School days are here again. Many of the schools of the county, including the Tahoka schools, opened Monday morning. Most of the schools have had great difficulty this year in procuring and holding teachers. Some teachers have been called into the service. Some have voluntarily gone in. Others have accepted war work of one kind or another. All these demands in other fields have created a teacher shortage. The Tahoka schools are opening with a practically complete faculty, however, and Superintendent Hanes declares that he believes it to be probably the best in the history of the school. He is very confident that a most successful school session is just opening. Mr. Hanes and the entire faculty deserve and doubtless will receive the loyal and enthusiastic support of the entire citizenship of Tahoka and of the school district. Let's help to make the Tahoka schools the best ever.

ODDS and ENDS

by Ede Ede, the Elder

About fifteen years ago, a smooth-faced young country lad, then a student in John Tarleton College at Stephenville, appeared before the Tahoka school board making application for a position to teach. He made application not only for himself but also for a girl friend, who was soon to become his bride. Though he had little or no experience, his modest claims for himself, his unusual degree of frankness, and his pleasing personality, greatly impressed the members of the board.

The South Ward school in the Tahoka district was still open. The board for several years had had great difficulty in finding teachers who could satisfactorily "deliver the goods" in that two-room school. In fact, practically all of the principals there for years had been failures. Much dissatisfaction existed. The board was also frank with the applicant and laid the situation before him and asked him if he wanted to tackle the job. He did.

Mr. and Mrs. Joseph R. Griggs taught there for two years most successfully. At the end of that time, he and his wife were elected at Draw, and the Tahoka board gave them up reluctantly.

Two or three years later, the Woodrow (now Cooper) school in Lubbock county took Mr. and Mrs. Griggs away from Draw, and a few years still later Mr. Griggs was elected county superintendent of Lubbock county, in which position he served four years, we believe.

The following little news story which appeared in a recent issue of the Lubbock Avalanche, therefore, interested some of us very much.

"Joseph R. Griggs, former Lubbock school teacher and county school superintendent, is to receive a doctor of education degree at the University of Texas this (last) week end. After leaving Lubbock five years ago, Griggs was deputy state superintendent at Wichita Falls three years and for the past two years in a similar post at College Station. He received his Master of Arts degree from Texas Technological College in August, 1939, and since that time has been doing graduate study at the University. After September 1, he will be state director of curriculum and college examiner for the State Department of Education at Austin."

A nice series of promotions, you will agree, that Joseph R. Griggs has received since he was elected as principal of the South Ward school situated in a rural community seven miles southeast of Tahoka about fifteen years ago; but he has received them because he has earned them.

The school board who gave Griggs his first teaching contract was composed of the late Dr. C. B. Townes, the late Coleman Wells, the late Sid Sanders, Clifford Thomas, Sam Sanford, either J. C. Welch of New Home or John Russell, and last and not least, the perpetrator of this column. Every living one of that board is proud of the record Joseph R. Griggs is making. He possesses in high degree those qualities of mind and heart necessary for successful teaching. That kind of teacher is always in demand.

The demands upon the teaching profession are going to become more and more exacting as the years come and go. There is no more important work in life than that of teaching and training the boys and girls of the land—inspiring them with high aspirations and giving the right bent to their minds.

This has been strikingly demonstrated in the case of Germany. The great problem that will lie before the great democracies after this war is won, according to many statesmen, writers, and students of world affairs, will be the problem of changing the "bent of the mind" of the German people, especially of the boys and girls of Germany, so as to forestall another war that is almost sure to come twenty-five or fifty years from now unless the German people can be imbued with the spirit of democracy and be led to banish from their minds the idea that they are a race of supermen intended and destined to rule the world.

For many years, and especially during the last quarter of a century, this idea has been pounded into the minds of the school children of Germany, day in and day out, and Hitler was able to ride to power and become the great leader of the German people and induce them to follow him into a campaign for eventual world conquest, because he and others before him had thoroughly imbued the youth of Germany with this fallacious but enchanting idea. Hitler was able to go forward so fast and so far because of the fact that he had first made fanatical Nazis out of the youth and the school children of Germany. Without a dissenting voice and without the quiver of a doubt, they were taught to "Hell Hitler" with the fanaticism and the fury of crusaders.

Will the turning of the tables against Germany, the bombing of her cities, the devastation of her land, the slaughtering of her people, the utter rout of her Hitler, Himmlers, Goebbels, and Goerings—will all this crush forever the spirit and the ideology of the Germans that led them to make this war? Many think not. They think that

in some way we must get the message of liberty, of freedom, of democracy to the school children of Germany.

Why shouldn't the great principles set out in our Declaration of Independence and in our Federal Constitution be just as thrilling to the school children of Germany tomorrow as they have been to American school children ever since they were first proclaimed?

"We hold these truths to be self-evident," wrote Thomas Jefferson.

"That all men are created equal; That they are endowed by their Creator with certain inalienable rights;

"That among these are life, liberty, and the pursuit of happiness.

"That to secure these rights, governments are instituted among men, deriving their just powers from the consent of the governed;

"That whenever any form of government becomes destructive of these ends, it is the right of the people to alter or abolish it, and to institute a new government" for their safety and protection.

What a contrast all this is to the teachings of the Nazis!

The Declaration sets out the rights of men as paramount, government as the mere instrument to be used by men for their happiness and well-being.

Nazism teaches that men have no rights; that they owe all to the government; that the government can do as it pleases with the individual for the good of the whole, and that the individual has no right to complain whatever may be required or demanded of him. Nazism is the antithesis to democracy.

The Nazis scorn the idea that men have the right to religious liberty, the right to worship God as they may see fit.

They scorn the doctrine of the Freedom of Speech; Freedom of the Press; the Right of Peaceable Assembly; the Right of Petition; the Security of the person and of the home against unreasonable search or seizure; the Right of Trial by an impartial jury; and other sacred rights guaranteed to the individual citizen in our great Constitution.

German children are taught in the schools to scorn and renounce and despise such asserted rights, it being their duty to serve their

government without complaint or protest however unjust or cruel its demands upon them may be.

How can they be induced to face about?

Only by teaching these principles of liberty and justice and human rights to the children in the home and in the school, many say.

But who will do this?

We do not know.

But we do think that German Americans, enjoying the liberties and the privileges of a free people in this country, are in better position than anybody else in the world to get this message of freedom and democracy over to the people of Germany.

If they can and will do this, they will not only do the world as a whole a great service but will do their own people in Germany the greatest possible favor that could be done them.

Proclamation

TO THE PEOPLE OF THE UNITED STATES

Proclamation

RECOGNIZING THE FACT that in carrying the war into enemy territory, we shall need greater amounts of money than any nation has ever asked from its citizens in all history, I, FRANKLIN D. ROOSEVELT, President of the United States of America, do officially proclaim that on Thursday, the ninth of September, 1943, the Third War Loan shall be launched.

As Commander-in-Chief, I hereby invoke every citizen to give all possible aid and support to this Third War Loan drive, not only so that our financial goal may be reached, but to encourage and inspire those of our husbands and fathers and sons who are under fire on a dozen fronts all over the world. It is my earnest hope that every American will realize that in buying War Bonds in this Third War Loan he has an opportunity to express voluntarily and under the guidance of his conscience, the extent to which he will "back the attack."

The American people supported well the first and second War Loan drives and in fact did even more than was asked of them. Our need for money now is greater than ever, and will continue to grow until the very day that Victory is won; so we must ask far more sacrifice, far more cooperation than ever before.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the seal of the United States of America to be affixed.

DONE at the City of Washington, this twenty-sixth day of July, in the year of our Lord nineteen hundred and forty-three, and of the Independence of the United States of America the one hundred and sixty-eighth.

By the President:

CORDELL HULL

Secretary of State.

METHODIST CHURCH
Last Sunday was a splendid day. There were many new faces and there were five persons who united with the church. We were so happy to receive them into the fellowship of the church. We shall expect the members and the friends to become regular now since the summer season is about gone and vacation time too. And too, the weather is much cooler that it has been. Why not be in that Sunday School class Sunday morning? If you can sing, what about getting in the choir at all the services without the pastor having to ask you? There is a place for you in the services of the church, but are you going to fill it?

Wednesday night at 8:30 prayer meeting. If you like services in mid-week you have an opportunity to be there and make a great contribution to the building up of the Kingdom of God and being benefited therefrom. You get out of the church services about what you put into them—if you are indifferent and careless and irregular in attendance you'll not get much out of them.

Remember that the first Sunday in October will be the opening of the two weeks revival campaign. We must organize in all divisions and departments of the entire church. Revival don't come by

Some Things You Should Know About the Church

The Church is called—
The temple of God. I Cor. 3:16.
The bride of Christ. Eph. 5:21-32.
The body of Christ. Col. 1:24; Eph. 1:22-23.
The house of God. I Tim. 3:15.
The church. Eph. 3:10.
The church of God. I Cor. 1:2.
The church of the firstborn. Heb. 12:23.
The church of the Lord. Acts 20:28.
The churches of Christ. Rom. 16:16.

James W. Adams concluded a good meeting at Grassland last Sunday night. Good crowds attended this meeting, and Brother Adams preached the gospel with power and plainness. The Grassland brethren have invited Brother Adams back for another year.

O. H. Tabor is now in a meeting at New Home. Brother Tabor is one of the best young preachers, and we feel sure that anyone in the vicinity will do well to go and attend these services.

Good crowds were present at all services at the Tahoka congregation last Lords Day. The work of the church here is moving along in a very fine way. Next Lord's Day a report of the past year will be read to the church. We urge that every member be present to hear this report.

Garnie Atkisson, minister of the Tahoka church will begin a meeting at Gordon on Friday night, Sept. 3. G. B. Stanley of Grassland will direct the singing. People living near Gordon are invited to attend this meeting.

Remember, the latch string hangs on the outside of all Church of Christ meeting houses.

WORKING for VICTORY ON THE SANTA FE

Through these hectic days and busy nights, troop trains, regular trains with troop cars, and freights loaded with war materials keep rolling along the Santa Fe.

Watch a section head grab his pick a little tighter after a trainload of American fighting boys has rolled past. "We'll get 'em through" is his attitude these days.

Yet—he is only one of more than 60,000 employees on the Santa Fe who are doing their bit to "keep 'em rolling" all along the line...

moving millions of troops and millions of tons of materials needed for Victory, where and when they are needed.

They know that if you stop the wheels that move them, you stop everything that floats and flies as well!

And they never forget that thousands of boys in our armed forces came from Santa Fe ranks and from the families of Santa Fe employees, and these boys who are fighting for all of us have the toughest job of all!

You bet, we're backing them up in the best way we know—and that's by buying War Bonds, and seeing to it that movements essential to Victory come first on the Santa Fe!

MRS. TIMMONS HOSTESS
TO LAKEVIEW CLUB

On Tuesday afternoon, August 17, 3:30 p. m., the Lakeview Home Demonstration Club met in the home of Mrs. J. A. Timmons, Miss Carolyn Dixon, county home demonstration agent, was present and gave a demonstration on "Drying Foods at Home." Driers made for the home were exhibited. One particularly adaptable and yet inexpensive one can be made from an apple box. Methods for preparing both fruits and vegetables for drying were demonstrated.

Factors in successful drying depend not only on just the removal of the water. Checking chemical changes, or the action of enzymes, is necessary if the product is to have a good appearance and flavor. Briefly, successful drying depends on three conditions: Dryness of the air, temperature of the air, circulation of the air.

The next meeting will be September 21st, 3:00 p. m., in the home of Mrs. A. E. Fletcher.

Those attending the demonstration on drying were: Mmes. S. T. Godfrey, Jim Key, T. H. Charters, G. N. Ensor, A. E. Fletcher, C. B. Nowlin, and the hostess, Mrs. J. A. Timmons. Visitors were Mmes. W. H. Crake and J. P. Anderson, San Diego, Calif., and Adell Valentine, Dallas.—Reporter.

Mrs. Gladys Stokes is away taking her vacation this week.

CITATION BY PUBLICATION

The State of Texas.
To Raymond Malone, Greeting:
You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 4th day of October, A. D. 1943, at or before 10 o'clock, A. M., before the Honorable District Court of Lynn County, at the Court House in Tahoka, Texas. Said plaintiff's petition was filed on the 10th day of August, 1943. The file number of said suit being No. 1512. The names of the parties in said suit are: Iriha Malone as Plaintiff, and Raymond Malone as Defendant. The nature of said suit being substantially as follows, to-wit: Plaintiff and defendant were lawfully married on 25th day of April, 1942, plaintiff has been a bona fide inhabitant of Texas more than 12 months and has resided in Lynn County, Texas, 6 months next preceding the filing of this petition. That soon after their marriage defendant began to curse and abuse plaintiff, calling her vile names, threatening to kill her, and kept this up until on or about the 20th day of December, 1942, while riding in an automobile, defendant became enraged, struck plaintiff a hard blow with his fist, jumped out of the car, got his gun and threatened to kill plaintiff, plaintiff ran away from him, at which time he told plaintiff he would not live with her any more, since which time plaintiff cohabited together, and plaintiff is afraid to return to defendant.

Issued this 17th day of August, 1943. Given under my hand and seal of said Court, at office in Tahoka, Texas, this 17th day of August, A. D. 1943.

Southland News

(By Mrs. Marvin Truelock)

Monday morning school opened with a record attendance. Rev. S. B. Lofton, pastor of the Church of Christ, gave a short talk and showed the students his large original painting of Christ which he would use that night in his sermon. Rev. O. E. McGaw, Baptist pastor, was substitute English teacher, and all the other vacancies were apparently filled. Friday afternoon's assembly program included a talk by the Methodist pastor, Rev. E. C. Armstrong.

But by Sunday, the Home Ec teacher, Miss Myrl Perdue, had married and moved away. The same day Mr. and Mrs. Freeman, grade school principal and teachers of the 5th, 6th, 7th, and 8th grades, moved to Lubbock, where one of them will teach, while the other has secured a position at Roosevelt and plans to commute daily.

A week ago Supt. J. P. Hewlett moved from the large McNabb house to the Tim Field house, so that the Freemans would have plenty of room.

The Lutheran Women's Missionary organization of Northwest Texas was served dinner at the Lamesa Club House, then went to the church for an afternoon program, ending with supper at 5:00. On this annual Rally Day program, a musical number entitled "Oh, Jesus, I Have Promised," was rendered by these local women: Miss. Marie Voigt and Mesdames E. Huber, Joel Neugebauer, Walter Voigt, Walter Maeker, Wallace Becker, and Marcus Wilke. Other Southland people attending were: Rev. E. Huber, Mesdames Willie Becker, G. W. Gindorf Sr., and Messrs. and Mesdames O. Klaus and August Becker.

C. W. Dean had a cataract removed from his right eye three weeks ago, and is slowly regaining his sight. Later his other eye is to undergo an operation. Last week, while he was very ill, his brother, S. A. Dean of Houston visited him for several days. Also, Judge and Mrs. W. S. Shipp of Belton came Tuesday and remained until Thursday.

Pvt. Charles Elmer Altman, formerly of Pleasant Valley, but now a ground mechanic with the Air Corp at Del Rio, and Miss Lucy Nell Westbrook of Shallowater were married Aug. 17. Elmer was home on a 15-day leave, then received a 10-day extension. They left Thursday for Del Rio.

Saturday at noon, Mrs. H. A. King received a phone call advising her that her brother, C. S. Purrh of Stratford was in a car wreck Friday night. She called relatives Saturday night and learned that he had not yet regained consciousness.

The Hackberry Baptist revival, which began Monday night after their pastor had closed a meeting at Pleasant Valley the night before, will continue this week. The church, led by Rev. M. O. Row, is studying Bible prophecies. Mr. Luther Rudd of Slaton is leading the singing. Saturday evening he, Mrs. Marvin West, Hubert Taylor, and Earl Lancaster gave an inspiring quartet. Sunday night Mr. Rudd brought a quartet from Slaton. Our neighboring community is fortunate in having a resident pastor; we understand the Rows live across the road from the Hubert Taylors, and their son attends school at Southland.

L. C. Weaver and family of San Diego came Monday for a surprise visit with his brother, W. M. Weaver and wife. They had previously spent a week with her parents at Brownfield. Because the Adrian Weaver children at Abilene have the whooping cough, L. C. left his children with his nephew, Ronald, at Lubbock before he and his family and the W. M. Weavers visited the latter's son and other relatives at Abilene.

Last Sunday Mrs. Annie Landers returned from a visit with her daughter, Mrs. Herman Whitely, at Odessa to receive the message that her mother-in-law was seriously ill. She left immediately for Houston.

Miss Fanny Lucky of Winters spent the week-end here with her sister, Mrs. Baney Walker.

Monday morning former resident J. W. Stotts opened the local cafe. Mr. Stotts is well known here, having resided near Southland for 28 years.

Mr. and Mrs. John Baker have bought a home across the street from Bartlett Laundry in Slaton and have already moved.

Last Thursday, Mr. J. E. Noack, who has resided at Hackberry about as long as any of the first settlers, purchased a home in Wilson and moved there.

Mrs. W. Williams and son of McFarland, Calif., arrived Wednesday night to visit her parents, Mr. and Mrs. Ben Altman of Pleasant Val-

George Washington called it
a "BURNING SPRING"

Today, it becomes
100 Octane Aviation Gasoline!

CARE FOR YOUR CAR—
FOR YOUR COUNTRY

NATURAL GAS, seeping up through rock and earth and water, fed the strange flame which Washington described as a "burning spring."

Today, natural gas flows from controlled wells to feed a gigantic maze of pipes, tanks, and towers. In these it is transformed into an astonishing variety of essential wartime chemicals.

These petroleum chemicals are basic materials for 100 octane aviation gasoline... synthetic rubber... explosives... plastics... medicines and anesthetics. The list is almost endless because natural gas is an overflowing storehouse of hydrocarbons (carbon-

hydrogen compounds). When split, these become the chemical building blocks for constructing an almost limitless number of products.

It is easy to understand, therefore, the importance of two Phillips facts: 1. Phillips Petroleum Company has, we believe, the world's largest proven natural gas reserves. 2. Phillips has for many years been a leader in extending the frontiers of knowledge concerning hydrocarbon chemistry.

From now on, every time you see the Phillips 66 Shield, let it remind you that Phillips refineries in addition to producing gasoline, lubricants, and fuel oils, are also gigantic chemical plants pouring out weapons for victory.

Wednesday night, Mrs. Roy Craft and two sons and her mother, Mrs. S. W. Gregory of Sweetwater, accompanied by Miss Joetta Beauchamp, arrived for "several days' visit. As Mrs. Gregory had left her furniture, they planned to stay in her home, but had to wait until Saturday to get the gas turned on.

Mrs. Craft took her sons to Lubbock to have their doctor before school starts. Miss Beauchamp, who formerly taught English here, plans to teach in Denver City, this year.

Friday morning, Miss Cleon Moore, accompanied by her mother's sister, Mrs. Suda Aven of Ridgeway, Texas, returned home. Mrs. Ed Bryan of Bismark, South Dakota, is visiting her sister-in-law, Mrs. Joel Neugebauer. She accompanied the Lutheran women to Lamesa Wednesday.

Mr. and Mrs. Walter Voigt were Sunday dinner guests of the Herman Klesels. That afternoon both couples visited Mr. and Mrs. Alfred Sanders in Tahoka.

Mr. Marion Long and sons of Haskell came Wednesday afternoon to visit his brother, Robert, and family, who accompanied him home for a few days.

The Edd Kings were Sunday dinner guests of Rev. and Mrs. E. C. Armstrong. We forgot to ask where Brother Armstrong's revival which started Friday evening, was being held. He came back to preach here Sunday morning, then the Methodist and Baptist churches had no services that evening so that they might attend the Church of Christ revival.

The Southland Service Flag was displayed in the drug store window this week-end. The only star removed from it (to date) was the one bearing the name of Sgt. Major Joplin Carl Hord, and was replaced by one of gold satin. Several people have expressed the wish to have the names removed of those boys who are now out of service. This would not be fair concerning boys receiving a medical discharge, especially if they had volunteered. Please write in your opinion, as this is your flag, honoring your boy.

Cpl. and Mrs. Blanton Martin arrived Thursday morning to visit their parents, the Sam Martins, and the A. F. Davies.

Miss Mattie Schwartz, who moved to Hermleigh when she sold her help-sell laundry here, visited Mrs. Walter Voigt Friday and Saturday of last week. She had previously visited Mrs. John Fleming.

Mr. and Mrs. J. C. Rolan and children of Rogers, New Mexico, spent Thursday night with his sister, Mrs. S. M. Truelock.

Jack Martin came home Aug. 30 on a 10-day leave to visit his parents, the Sam Martins, and his family at Lubbock. This is his second time to see his son.

Mrs. O. J. Harmonson was informed by long distance Monday of the arrival of a new grandson. The parents, the John Harmonsons live at Olney.

The new substitute teachers Monday were Mesdames Wallace Becker and Clyde Sartain. Supt. J. P. Hewlett spent the week-end out of town and learned of the teacher shortage Sunday night.

Earlene and A. J. Jester of Lorraine have been visiting relatives and friends here the past two weeks.

"GUADALCANAL DIARY"

Theirs is the Greater

SACRIFICE.....

You and your family have given up many things to bring the day of a victorious peace nearer. Driving your car whenever and wherever you like; meat a dozen times a week; all the butter, sugar and coffee you want; shopping just because you've the money to buy something new.

It hasn't seemed easy to adjust yourself to these sacrifices. But as each new need to do without has arisen, it's just been a matter of minutes until your mind snapped to the realization that what makes it seem difficult to give up peacetime conveniences is the fact that we at home have been so unscathed so far. Our streets haven't been turned into battlefields like the cities of Russia and China. A malevolent Gestapo doesn't spy on us and our children.

Sacrifice? Have we any right to consider the little we are giving up? Sacrifice? How about our boys at Pearl Harbor, Manila, Guadalcanal, North Africa, New Guinea, the Aleutians—your own son, perhaps, or cousin or nephew. They've experienced true sacrifice: many the supreme sacrifice of death!

To them, it's all in the line of duty—the only way to win. And that must be the attitude: that must determine us to really making some sacrifice that counts—in dollars that will make the war a month, week, or even one day shorter! Dollars that will buy War Bonds. Of course you've bought several already: but you can't buy enough! This month every person should buy a Bond, should solicit someone else to buy another War Bond—of \$100 or more. Does that sound like a lot? Will the \$75 or more it will cost you call for a sacrifice? Well, why not? That sacrifice won't cost you your life as the sacrifices of war cost fighting men's lives. But that sacrifice may make the war enough shorter to send home alive some boy you love—and millions more like him, loved by millions more parents, relatives, friends. Let's not forget—the more bonds and sweat, the less blood and tears! And the sooner the war is won, the sooner our heroes will be able to enjoy with us, the benefits of hard-won freedom which they now fight to secure.
