

BACK the ATTACK . . . with WAR BONDS!

The Lynn County News

"I wholly disapprove of what you say but will defend to the death your right to say it."—Voltaire.

Volume 40.

Tahoka, Lynn County, Texas, Friday, September 10, 1943

Number 5.

All County School Faculties Filled

With only one or two exceptions, all Lynn county schools are now operating with complete faculties, according to Mrs. Lenore M. Tunnell, county school superintendent. She considers this unusually fortunate, since the State Department of Education announced just this week that 25,000 school rooms in the nation were closed because of the teacher shortage.

Schools opening Monday morning of this week were Rural High School No. 1 (Draw-Redwine), and Wells, Grassland and Newmoore.

A. D. Lewis Jr., who is farming in the Midway community, is the new superintendent at Draw, succeeding Durwood Dodson, who is in the Armed Forces. Mr. Lewis is from Highlands University, Las Vegas, New Mexico. His wife, an ACC graduate, will also teach in the high school.

Other teachers at Draw-Redwine are: Miss Margaret Preston of Tahoka; Miss McLeroy, Brownfield, Mrs. R. L. Pirtle, who is substituting until another teacher may be found; Mrs. J. W. Shaw, of this county; and Mrs. Madge Hall, Commerce.

Mrs. Gray is principal at Wells, and Mrs. Roy Adams and Mrs. Lucille Barnes, the other teachers.

At Newmoore, the teachers are Mrs. Bertice Askew and Mrs. Ruth Ingram.

Grassland's teachers are Mr. and Mrs. Sims from Taylor county, and Mrs. Mildred King of the Grassland community.

Mrs. Tunnell states that Edith needs one teacher.

Open House At Farmers Co-op

Installation of new Lummus gin equipment in the No. 1 plant of the Farmers Co-operative Association No. 1, and directors and management will be hosts to members and friends Saturday afternoon from 3 to 5 o'clock.

Cotton ginning will be demonstrated and operation of the machinery explained. Refreshments will be served those attending the open house.

Revival At Baptist Church Announced

The First Baptist Church fall meeting will open a week from Sunday and continue through Sunday, October 3, Rev. A. C. Hardin, the pastor, announces.

Rev. Sid Martin, pastor at Memphis, Texas, will do the preaching, and Bill Goodell of this city will direct the song services.

WILLIAMS HERE

Clarence Williams, second class petty officer, and wife arrived last Thursday from Williamsburg, Va., where he is stationed with the Navy Seabees, for a week's visit with his parents, Mr. and Mrs. W. H. Williams of Draw, and other relatives and friends.

Clarence, who formerly worked with H. B. McCord, says he likes his work and that he and his wife have greatly enjoyed the past few months. The only place to live they could find was a farm home several miles from his base, but it is in a picturesque setting near streams, and Clarence has found time to do a good deal of fishing.

WORKING AT POST OFFICE

Mrs. Lee King has returned to her former position as clerk in the post office, B. T. Smith having resigned to become principal of the Tahoka grade school. Mrs. King says her husband, 1st Lt. Lee King is temporarily in Washington state but is still stationed at Cheyenne, Wyoming.

CPL. HERBERT G. SMITH

Cpl. Herbert Smith Gets Third Award

Special to The News:

Somewhere in New Guinea, Aug. 26.—Lieut. General George C. Kenney, commander of the Allied Air Forces in the Southwest Pacific area, has awarded an Oak Leaf Cluster, in lieu of a second award of the Distinguished Flying Cross, to Corporal Herbert G. Smith, Tahoka, Texas, for extraordinary achievement while participating in fifty operational flight missions in the Southwest Pacific, during which hostile contact was probable and expected. These operations consisted of dropping supplies and transporting troops to advanced positions in the course of General MacArthur's offensive against the Japanese in New Guinea and northward.

The flights involved flying at low altitudes over mountainous terrain under adverse weather conditions, in a transport plane, and often necessitating landing near enemy bases.

Throughout these flights he demonstrated outstanding skill, courage and devotion to duty.

Cpl. Smith is on active duty with a troop carrier squadron with the Fifth Air Force.

Lt. H. H. Maasen Is Home on Leave

Lt. H. A. Maasen Jr., U. S. Marine flyer, is leaving today for Cherry Point, North Carolina, where he expects to be stationed for the next several weeks. He has been here nearly two weeks on leave visiting his parents, Mr. and Mrs. Henry Maasen.

H. A. likes his work very much and is looking forward to a crack at the Axis. He has been flying a PBX Catalina ship, among others, but expects to receive some experience in faster, more maneuverable craft as a prelude to combat duty.

He is a graduate of the local schools and a former student of Texas Tech. For the past several months he has been stationed at Jacksonville, Fla.

Loy Lawson Working In Yukon Territory

Loy Lawson, who was reared at Grassland, a son of Mrs. A. A. Lawson, is now away up on the Alcan Highway at White Horse, Yukon Territory, Canada, working as a welder. He left the States on August 9, and expects to be in the North about nine months. He has been living in Los Angeles for the past several years.

While Loy is away, his wife and two children are here with her parents, Mr. and Mrs. R. E. Appling.

Lynn County Ninth To Get Rolls Approved

Lynn county was ninth in the state to have its tax roll approved by the State Comptroller's Office, according to R. P. Weathers, Lynn county tax assessor and collector, who carried the rolls down to Austin last week end. He left here with the rolls late Thursday night and returned home Sunday.

He was accompanied by Mrs. Weathers and their daughter Nancy Ray.

Tahoka Bulldogs Open Season Here Tonight at 9 O'clock With Meadow

A large but inexperienced squad of Tahoka Bulldogs will open the 1943 football season at home tonight, Friday, at 9 o'clock on Bulldog field with Meadow High offering the competition.

Little is known of Meadow's strength, but the team is coached by V. P. Carter, well known over Lynn county as the school principal who developed such fine athletes at Midway, Wells, and other schools.

Coach Leo Jackson, back with the Tahoka schools after having spent a year coaching at Class AA Olney High, has out the largest squad of boys Tahoka has ever had. The number of boys reached 44 this week, but only three are let-terms from last year's 6-A championship team. These are Gene Earl Knight and W. T. Hines, linemen, and Bill Woods, back. Others have come up from the Junior team or are transfers from rural schools: Ovid Luallin from last year's squad will join the team next week.

Coach Jackson says he does not know what to expect from a green team, but he wears a knowing grin

and says the fans may have a pleasant surprise this fall. Every boy shows lots of hustle and there is keen competition for positions on the team.

Tahoka's probably starting lineup:
J. Carraway LE 173 0
H. Mather LT 168 0
G. Knight LG 173 1
W. T. Hines C 145 1
Clyde Peddy RG 160 0
D. Curry RT 175 0
M. Williams (160) or C. Griffing RE 130 0
B. Grider LH 145 0
K. Carter RH 132 0
B. Woods FB 175 2
D. McClintock QB 135 0

Other boys looking good, according to Coach Jackson, are: I. Lehman, 140, guard; L. Jones, 133, center; A. L. Hodge, 195, tackle; W. Miller, 137, back; P. Bazier, 132, back; R. Huffaker, 130, back; J. Allen, 170, tackle; B. Barrington, 117, back; J. Jackson, 187, back; H. Crawford, 137, back; and B. Knight, 145, back, and others.

Supt. W. T. Hanes is training the B squad.

Guard Prepares For Maneuvers

Nearly 50 members of Co. F, 39th Battalion, Texas Defense Guard, went through drills and received instruction Monday night preparatory to the next battalion maneuvers to be held at some point in Yellow-house canyon on Sept. 25-26.

Capt. Edwards stated that these maneuvers will be something different from any thus far held.

Pfc. Robert and W. C. Harvick of the Marines were present and spoke briefly on the value that training in the Guard had been to them since entering the Service.

The company is receiving valuable if it is very needed or if any of the men go into the Armed Forces.

Capt. Edwards announced that the Tahoka unit likely would be inspected by Army officers and other Federal officials at an early date. The Army has furnished the Tahoka company with between \$10,000 and \$12,000 worth of equipment, and further equipment was issued Monday night.

CLINT HOUSE IN ENGLAND

Pvt. Clint House is stationed in England with an engineering battalion, he notified his parents, Mr. and Mrs. Fred House, last week.

He writes that the people of England are very nice to the American boys, but it seems a bit strange to see cars running down the left side of the streets.

White Boys Make Good In Service

Many Tahoka people will be happy to learn of the remarkable success being made in Uncle Sam's Armed Forces by three former Tahoka boys, the sons of Mrs. Iva White, who moved to Lubbock about three years ago.

Tuesday, one of the older boys came back to Tahoka to meet some of the friends he had made a few years ago.

He is now Technical Sergeant Alfred G. White, on furlough from his post at the Ritz Hotel, once a \$25-a-day hostelry, in New York City. He is a radio technician, and during his two and one-half years service in the Army has been stationed in Baltimore, Camp Custer Michigan, Camp McCoy, Wis., Oglethorpe, Ga., and other places.

Another of the boys is Capt. Dale White of the Army Air Corps, stationed at Albert College, Albert Michigan.

ENTERS COAST GUARD

Dorman Lee Gandy of Route 1 has entered the U. S. Coast Guard service. He is home on furlough before assignment to a training station.

Mrs. J. L. Reese who was seriously ill for several days is reported to be much improved.

WALTER VAN HAITSMSA

Lyceum Number Coming Monday

"Wings Over America" is the subject of a lecture by Walter van Haitsma, nationally known lecturer, vocational counselor, and natural-color photographer, which will be given Monday afternoon at 3 o'clock in the High School auditorium as the first lyceum number of the school year.

His address, according to the press, is timely, interesting, and instructive, and stresses the part that aviation is playing in world affairs—politically, economically, militarily, and socially.

Mr. van Haitsma has appeared in all major universities and colleges and in hundreds of high schools throughout the country.

The public is invited, and all students are urged to attend the lecture, as this will be one of the outstanding educational and cultural programs of the year, according to Supt. W. T. Hanes.

Harvicks Advance Quickly In Marines

Though they enlisted in the U. S. Marines only two months ago, W. C. Harvick Jr. and Robert L. Harvick, brothers, have already been advanced to private first class, and the Marines is generally considered the branch of the service in which advancement is the slowest. Robert recently scored 313 on the rifle range, third highest in his platoon, and W. C. scored 303.

The Harvick boys have been here for about a week on furlough from their base near San Diego, Calif., visiting their parents, Mr. and Mrs. W. C. Harvick Sr.

Both are graduates of Tahoka High School, where they played football and basketball. They were members of the Tahoka company of the Texas State Guard before their enlistment.

Lt. Floyd Heck, New Guinea, Wants News

The News had a letter this week from Lt. Floyd H. Heck, son of Mr. and Mrs. John Heck of Wilson, stating that he had not received the home paper regularly. He is supposedly in New Guinea, in the Southwest Pacific.

"Of course the papers over here give a person a lot of news," he writes, "but as you can well understand, it is not really the news that we fellows like to hear. We like to know just what is going on in the 'old home town.' Of course, Tahoka is not the old home town, but it is not far from Wilson, and after all fourteen miles is a lot closer than ten thousand."

REV. HARDY'S GRANDSON GOING TO NAVAL SCHOOL

Rev. and Mrs. Ben Hardy learned this week that their grandson, Wofford Hardy Jr., who is now in the Navy, had received an appointment to the U. S. Naval Academy Annapolis, Md.

Wofford is the son of Dr. and Mrs. W. B. Hardy of Big Springs, and has visited here frequently. He was a pre-med student in S. M. U., Dallas, before entering the Navy.

SMITH REDECORATING

A. L. Smith is redecorating, rearranging, and otherwise improving the interior of his food market.

Rain Is Great Help To Many Crops, Grain Crop Good

Rain Saturday night covered most of Lynn county, broke the long heat wave, and benefitted many crops.

The rainfall in Tahoka, which began with a hard rain at dark and continued intermittently during the night, amounted to 1.75 inches. However, the rain seems to have been spotted over the county, some sections claiming as much as three or four inches, while others received all the way from a sprinkle on up. Most farmers report sufficient rainfall to benefit late feed and probably most of the cotton.

Feed not yet matured was suffering severely from the long heat wave, one of the worst this section has ever experienced. Farmers also expressed the opinion the rain would also make cotton bolls larger and the staple better.

Combines have been busy cutting row crops the past two weeks, and the local elevator reports that between 160 and 170 carloads of grain have been received here. Early feed is turning out even better than expected, with most fields ranging from 1500 pounds to more than a ton per acre.

Ted Willingham In Naval Battles

Robert Ted Willingham, gunner's mate 2/c, U. S. Navy, home from Pacific battle zones, visiting his parents, Mr. and Mrs. R. E. Willingham, southeast of town, left this week to attend a six-weeks' gunnery school at Washington, D. C. "It seems strange that a fellow tough enough for Southwest Pacific fighting would be sent to Washington to learn how to shoot," he told a representative of The News about half-jokingly.

Ted enlisted in the Navy on December 26, 1941, and after only a few weeks training he went to sea. He participated in the battle of Midway as gunner on a submarine tender. Later he transferred to a torpedo boat as a gunner, and in that capacity participated in another great naval battle, the Battle of the Bismark Sea.

He says service on the fast little torpedo boats is a bit rough but that he can take it. They make considerably more than forty miles per hour, he says, and are very effective.

Willingham thinks our Navy is definitely on the move and gaining on the Japs, and have everything under control. He was elated over the fact that the Jap base of Lae is surrounded by Gen. MacArthur's men. He thinks that the fall of Lae will pave the way for destruction of the Jap naval base at Truk and the collapse of all Jap defenses in the Southwest Pacific.

On his way home, Ted visited his brother Richard, who is working at San Pedro, Calif. His arrival here was a happy surprise to the family as he came in home unannounced. He attended Draw High School and was a student in the Tahoka grade school back in 1932.

Cpl. Garland Walker, who is in the Army, stationed at Fredericksburg, Virginia, has been here the past few days on furlough visiting his parents, Mr. and Mrs. C. C. Walker. He returned to camp on Thursday.

Congratulations—

Mr. and Mrs. T. B. Mason on the arrival of a son on Sunday. Weight 8½ pounds. The young fellow has been christened Jack Doyle.

Mr. and Mrs. O. D. Simmons are the proud parents of a son born Friday, weighing nine pounds. He has been named Dennis Ray.

Mr. and Mrs. H. C. Beattie of Route 2 on the birth August 28 of a son, Clifford Gene.

Mr. and Mrs. Dale Coats, Rt. 3, O'Donnell on the birth of a son on last Saturday. They have named the young fellow Bobby Dale.

This Is Our Battle

FOR YOUR OWN GOOD,
BUY WAR BONDS NOW!

A. D. Dunagan occasionally writes an article for The News, and each one is filled with spic comment and "horse sense." Mr. Dunagan is chairman of the Dixie Community Victory Committee, and a wheel-horse in drives for the betterment of his community and county. This week he contributes the following timely article which we are using as our lead editorial of the week:

Editor Lynn County News:
Will you please give space in your fine paper for a few rambling remarks about the 3rd War Bond drive?

Our Government has asked Lynn county to buy \$960,500.00 worth of

Bonds from September 9th to October 1st.

This sounds like a big task, but if each of us will do our duty we will go over the top with flying colors.

There are at present around three million dollars on deposit in the banks of Lynn county.

Our Government knows what we can do. It has never yet asked us to do the impossible!

How many of us remember eleven or twelve years ago what an awful financial condition our country was in? Banks were failing throughout the nation, hundreds of thousands of people losing their homes, millions of good people on relief and distress. Our Government decided to do something about that condition and did do something! It gave us all possible aid available. The result is this county is now in the best financial condition ever known.

Our Government is now struggling for its very life. Therefore, it is now asking you and I to do something.

It is not asking us to give anything—only asking us to lend it some of the money that it so generously helped us to make.

Don't you think we would be a very ungrateful people if we do not lend our Government the \$960,500 asked for at this time?

There are several hundred—maybe a thousand—Lynn county boys in the Armed Forces. Where are those boys today? They are in most all parts of the world—my boy, my grandson, your boy, your grandson, your neighbor's boy, your friend's boy.

These boys have given up good jobs, good homes, fathers, mothers, sisters, sweethearts, and many of them gave up wives and babies, everything near and dear to them, and have gone to a foreign battlefield to fight, bleed, and die that you and I may have a decent place to live.

Some of us may think it a sacrifice on our part to lend the Government this \$960,500 at this time. Let me say here, we on the home front have not made any sacrifice. We really don't know or realize the true meaning of sacrifice.

Let us just place ourselves in these boys' places in the Armed Service for a few minutes.

Think what they have given up, what they are sacrificing, what they are doing and what they must go through... many many thousands never to return home to their loved ones... many thousands more to come home wounded, or disfigured for life, or broken in health and spirit—there we can begin to get a glimpse of what sacrifice is and who is making the sacrifice in this war.

Buying these Bonds is not a sacrifice; it is a three-way means of helping ourselves.

First, it will help win the war and therefore help to win the war. If security is lost, all is lost.

Second, it will help keep down inflation. Everyone knows too much inflation is bad for all of us.

Third, it is helping to prepare ourselves for a rainy day, so to speak.

Let each of us buy Bonds to our limit and show Hitler and Tojo that we will go over the top on the home front while our brave boys are going over the top abroad.

In the beginning we were given two ends, one to think with and one to sit on. Buy bonds, (heads) we win; sit down, (tails) we lose!

Mr. and Mrs. A. D. Rogers have moved from Oklahoma City, where he was employed by Douglas Aircraft, to Houston, where he is employed as a painter in the naval yard.

STATED MEETINGS of Tahoka Lodge No. 1041 the first Tuesday night in each month at 8:30. Members urged to attend. Visitors welcome.

H. L. RODDY, Secretary.

Sgt. McDonald In Sicilian Invasion

Special to The News:

An Advanced Base, North Africa, (Undated)—Sergeant Jim W. McDonald, 23, of Route 3, Tahoka, is a member of one of the Troop Groups that took part in the initial phase of the invasion of Sicily on the night of July 9, and the morning of the 10th.

Prior to the departure of the Group on the vital mission, Sgt. McDonald along with all officers and personnel aided in final preparation for the dropping of American paratroopers on the historic island. So thorough were these preparations that Lt. Col. John Cerny, commanding officer of the Group, who led the flight, declared:

"I wish to compliment each and every member of the ground echelon for his devotion to duty and unselfish effort to make this dangerous mission a success. The fact that all our planes returned safely after dropping our paratroopers in one and the same area is evidence of the hard work of you officers and men in those days of final preparation. From administration departments to the ground crews you did your part as loyal Americans. I thank you, and hope that the missions to come will be as successful as our drop in Sicily."

The Troop Carrier Group of which Sgt. McDonald is a member has seen action in various sectors. In addition to dropping troops, the Group has also performed dangerous missions ferrying gasoline, ammunition, supplies, as well as evacuating wounded.

Sgt. McDonald is the son of Mr. and Mrs. William Paul McDonald of Tahoka. He enlisted in the Air Corps on December 31, 1941. He is a graduate of Tahoka High School and worked on the farm in civil life. His Army duty is airplane mechanic.

Sgt. McDonald summarized his Air Corps experience as follows: "I am proud to be a member of the Group that took part in the Sicilian invasion."

CITATION BY PUBLICATION

The State of Texas.

To Raymond Malone, Greeting:

You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 4th day of October, A. D. 1943, at or before 10 o'clock, A. M., before the Honorable District Court of Lynn County, at the Court House in Tahoka, Texas. Said plaintiff's petition was filed on the 10th day of August, 1943. The file number of said suit being No. 1512. The names of the parties in said suit are: Irltha Malone as Plaintiff, and Raymond Malone as Defendant. The nature of said suit being substantially as follows, to-wit: Plaintiff and defendant were lawfully married on 25th day of April, 1942, plaintiff has been a bona fide inhabitant of Texas more than 12 months and has resided in Lynn County, Texas, 6 months next preceding the filing of this petition. That soon after their marriage defendant began to curse and abuse

HELP SAVE FEED

By Carolyn Dixon
County Home Demonstration Agent of A&M Extension Service

You can cull 20% or more of your hens if they have not already been culled. A reduction of 20% culls in all flocks in Texas would mean a saving of many pounds of feed during the current months.

Feed is scarce, so help save it by culling now. Confine hens to the house during the night—next morning use a catching hook and work quietly among them. Take out all that look like this:

1. Shriveled combs.
2. Yellow legs and beaks.
3. Molters.
4. Weak and emaciated.
5. Grey eyes.
6. Saggy abdomens.
7. Coarse, masculine heads.
8. ALL ROOSTERS.

Weed the culls and feed the layers! When you cull your flocks, you accomplish four important things: (1) Saves feed, (2) Meat for table—saves ration points, (3) Canned chicken—for year-round use, and (4) Cash for loafers. Cull today—so you can feed tomorrow!

Sgt. and Mrs. C. B. Evans Jr. of Sheppard Field, Wichita Falls, are here during his 15-day furlough visiting Mr. and Mrs. C. B. Evans Sr. and other relatives.

plaintiff, calling her vile names, threatening to kill her, and kept this up until on or about the 20th day of December, 1942, while riding in an automobile, defendant became enraged, struck plaintiff a hard blow with his fist, jumped out of the car, got his gun and threatened to kill plaintiff, plaintiff ran away from him, at which time he told plaintiff he would not live with her any more, since which time plaintiff cohabited together, and plaintiff is afraid to return to defendant.

Issued this the 17th day of August, 1943. Given under my hand and seal of said Court, at office in Tahoka, Texas, this 17th day of August, A. D., 1943.

HATTIE SERVER, Clerk, District Court, Lynn County, Texas. 2-41a

YOU CAN'T FAIL THEM NOW!

Every day INVASION battles are taking the lives of gallant boys fighting under the Stars and Stripes. Your dear ones—sons, husband, sweetheart, father, brothers, relatives and friends—are, or soon may be, engaged in those bloody battles where the scythe of the Grim Reaper flashes in every volley of the guns.

The 3rd War Loan of 15 billion dollars must pay for the equipment, ammunition and food our boys need so desperately—and you must raise the money!

Buy at least one EXTRA \$100 War Bond in September besides your regular bond purchases. Go all-out with every dollar you can scrape up and keep right on slapping every cent into the world's safest investment—War Bonds!

Make the 3rd War Loan a quick success—back up your soldier, sailor or marine ALL THE WAY!

Tahoka Sergeant Sees Historic Spots Of London, England

Special to Lynn County News:
Headquarters, European Theatre of Operations (Undated).—In his first time off for several months from intensive combat training, Sgt. Felix H. Macha, 22, of Tahoka, recently made a tour of the historic buildings and monuments of London.

Scores of American soldiers have taken advantage of these tours, which are organized by the American Red Cross daily. They are shown the places which they have read about all their lives. Many of them, symbols of Britain's ancient and colorful past, are essentially the same as they were centuries ago.

FACES ON THE HEN-HOUSE DOOR

Let these faces be an ever-lasting reminder that we need more eggs! Add Dr. Hess Fowlry PAN-A-MIN to your laying ration. Research Farm hens receiving PAN-A-MIN lay as many as 23 more eggs per bird per year.

We believe PAN-A-MIN will do its full share toward stimulating production. You can't produce too many eggs—you get a good price for all you produce.

MAILING REGULATIONS

1. Christmas parcels and cards for Army personnel overseas must be mailed between Sept. 15 and Oct. 15. Gifts and cards for the Navy, Marines and Coast Guard must be mailed by Nov. 1.
2. No written requests from the addressee will be required during the specified period for Army gifts. Packages should be endorsed with the words, "Christmas Parcel."
3. Parcels shall not exceed 5 pounds in weight, or 15 inches in length or 36 inches in length and girth combined. Intoxicants, inflammables, and perishables will not be accepted.
4. Addresses must be legible and complete. Packages must be securely boxed, wrapped, and tied. Only one package can be mailed in any one week to and from the same people.

WEST TEXAS GAS COMPANY

Sgt. Macha witnessed the changing of the guard at Buckingham Palace, and saw unimposing Number 10 Downing Street, scene of many national and world shaking dramas; the ministries at Whitehall, the British Parliament buildings, and Big Ben.

Near the Houses of Parliament the Sergeant viewed the statue of Abraham Lincoln, who captured the admiration of the British as few other American leaders have done.

At Westminster Abbey, resting place of nearly all the leading figures in British history, he was shown memorials to Nelson, Tennyson, Browning, the poets, Darwin, Livingstone, Charles Dickens, and many others.

Sgt. Macha said his visit to the bombed areas of the city of London was as impressive as the rest of the tour.

Mr. and Mrs. D. V. Smith returned Monday afternoon from a week's vacation spent down on the South Concho at Christoval. Miss Mary Seroyer, who had spent several weeks visiting Mrs. B. H. Baker in San Angelo, accompanied the Smiths home.

MISS SCRUGGS CALLED

Miss Clara Jean Scruggs, who enlisted in the WACs recently, left Friday for Amarillo to report for duty. She is the daughter of Mrs. J. E. Mayberry, but has been living here in Tahoka with Mr. and Mrs. Jim Banister.

CITATION BY PUBLICATION OF FINAL ACCOUNT

The State of Texas,
To the Sheriff or any Constable of Lynn County, Greeting:

Velda Ray Chisum, Independent Executrix of the Estate of Martha I. Ray, deceased, having filed in our County Court her Final Account of the condition of the Estate of said Martha I. Ray, deceased, numbered 389 on the Probate Docket of Lynn County, together with an application to be discharged as said independent executrix.

You are hereby commanded, that by publication of this Writ for ten days in a newspaper printed in the County of Lynn, Texas, you give due notice to all persons interested in the Account for Final Settlement of said Estate, to appear and contest the same if they see proper so to do, on Monday the 27th day of September A. D. 1943, at the Court House of said County, in Tahoka, Texas, when said Account and Application will be acted upon by said Court.

Given under my hand and seal of said Court, at my office in the town of Tahoka in Lynn County, Texas, this 7th day of September, A. D. 1943.

W. M. MATHIS, Clerk, County Court Lynn County. (SEAL) 1tc

METHODIST CHURCH

Last Sunday was decidedly a gain in attendance upon the services. Let this continue with a gain each Sunday. One new member came into the church by vows.

It is less than three months until our annual Conference convenes at Lubbock, which will be the end of the Conference year. All pledges should be met soon. See your steward and find out what you lack yet.

September 19th, Rally and Promotion Day, will be observed in the Church School. Divisional and departmental superintendents, and class officers should look over the rolls and see who are the absentees and do all they can to get them back regularly in Sunday school. Let's work to that end, and so, there are many in this community who do not attend any services. They should be reached. A splendid program will be rendered at the Sunday school hour in observance of the day.

Remember that the first Sunday in October will be the beginning of our revival meeting. We want every one to feel that he has a part and responsibility in its success. So, there is much to be done in the way of preparation for a successful revival. Rev. Comer of Waco will expect everyone of us to do his best in order that he may lead and direct the meeting successfully. We shall expect you to fill some responsible place—so, don't refuse us when we ask you to do that something.

The pastor will use Sunday morning as his subject: "Mending the Net." The disciples had lost some large and fine fish because, there were some weak places in the net. By mending them a big haul on fish was made by casting the net on the right side. What about the church making strong the weak places—so many may be reached?

ATTENDANCE INCREASES AT FELLOWSHIP MEETING

The Tahoka Methodist Youth Fellowship met last Sunday evening at their regular hour, 8:00. More young people were present at this meeting than usually attend, which is very pleasing to the older members.

The program for the evening included discussion of the need for every member to realize that he is needed. Information was gathered as to their talents, capabilities, and things they would enjoy doing. From this the officers will better know what work to give them. It was very successful.

An installation of the Fellowship officers is planned for the evening of September 19th.—Reporter.

Auxiliary Irene Grider of Camp Robertson, North Carolina has been here the past few days visiting her mother, Mrs. G. C. Grider. Judge Grider, her father, who has been receiving treatment at Carlsbad, Texas, came up for a visit while the daughter was here. Irene is in the WACs.

CHARLENE BUCY GIVES PROGRAM AT LAMESA

A Fidelis sub-district meeting was held at Lamesa August 29. The program was Miss Charlene Bucy's report of her visit to Mount Sequoyah. She brought back new ideas, goals, programs, and needed improvements in the organization were pointed out and discussed. She also told of the banquet, picnics, classes, evening vesper programs, consecration service, and special communion service, etc.

Ideas she brought back are to be put into practice starting with the coming Sub-District meeting which is to be held at the Draw Methodist Church September 19.

T. E. L. CLASS MEETS WITH MRS. GEO. AKIN

The T. E. L. Class of the Baptist Church held its business and social meeting in the home of Mrs. George Akin Tuesday afternoon.

Following a devotional led by Mrs. H. A. Riddle, the class elected new officers, as follows: Mrs. H. A. Riddle, teacher; Mrs. J. L. Rees, secretary and treasurer; Mrs. Akin, first vice-president; Mrs. Cornelia Kelley, second vice-president; Mrs. G. W. Hickerson, third vice-president.

A social hour was enjoyed and refreshments were served to all present.

Mr. and Mrs. Archie Tippit and son Jack from Flat, Coryell county, came Thursday of last week to visit their relatives here. Mrs. Tippit is a sister of V. A. and V. L. Botkin, and Mr. Tippit is a brother of T. I. E. S. and Pete Tippit. The E. S. and T. I. Tippit families and the V. L. Botkin family joined them on a trip to Ruidoso for the week-end.

Pfc. Frank Briles of South Plains Army Air Field, Lubbock, was here Monday and again Thursday to visit his parents, Mr. and Mrs. W. G. Briles of New Lynn and to get some of Mother's good old home cooking. Pfc. Briles is a cook in the Army, but he says there's nothing like Mother's cooking, even if he is a cook himself.

Rev. and Mrs. C. F. Carmack, who for the last few months have been living in the suburbs of Los Angeles, Calif., were back in their old home town the latter part of last week and the first of this visiting their son, C. O. Carmack. They left Tuesday for Oklahoma City to visit a daughter.

Mrs. G. C. Price, the former Miss Ophelia Eudaley, recently left for California, where she is now visiting a few days before proceeding to Fort Lewis, Wash., to join her husband, Sgt. G. C. Price, who is in the Army there.

SGT. BOYCE EVANS AT WICHITA UNIVERSITY

Wichita, Kansas, Sept. 8.—Sgt. Boyce Evans, 20, son of Mr. and Mrs. C. B. Evans, Rt. 2, Tahoka, has arrived at University of Wichita for a course of Army Air Force instruction lasting approximately five months prior to his appointment as an aviation cadet. During this period he will take numerous academic courses, as well as elementary flying training. Upon completion of the course he will be classified as a pilot, navigator, or bombardier and go on to schools of the Flying

Training Command for training in these specialties.

Mrs. H. C. Story and daughter, Ruth Evelyn, have been here from Austin since Sunday visiting relatives and friends. She says they have bought a nice home in that city and are enjoying life there much more than they did at first. Mr. Story is employed in the office of the state comptroller.

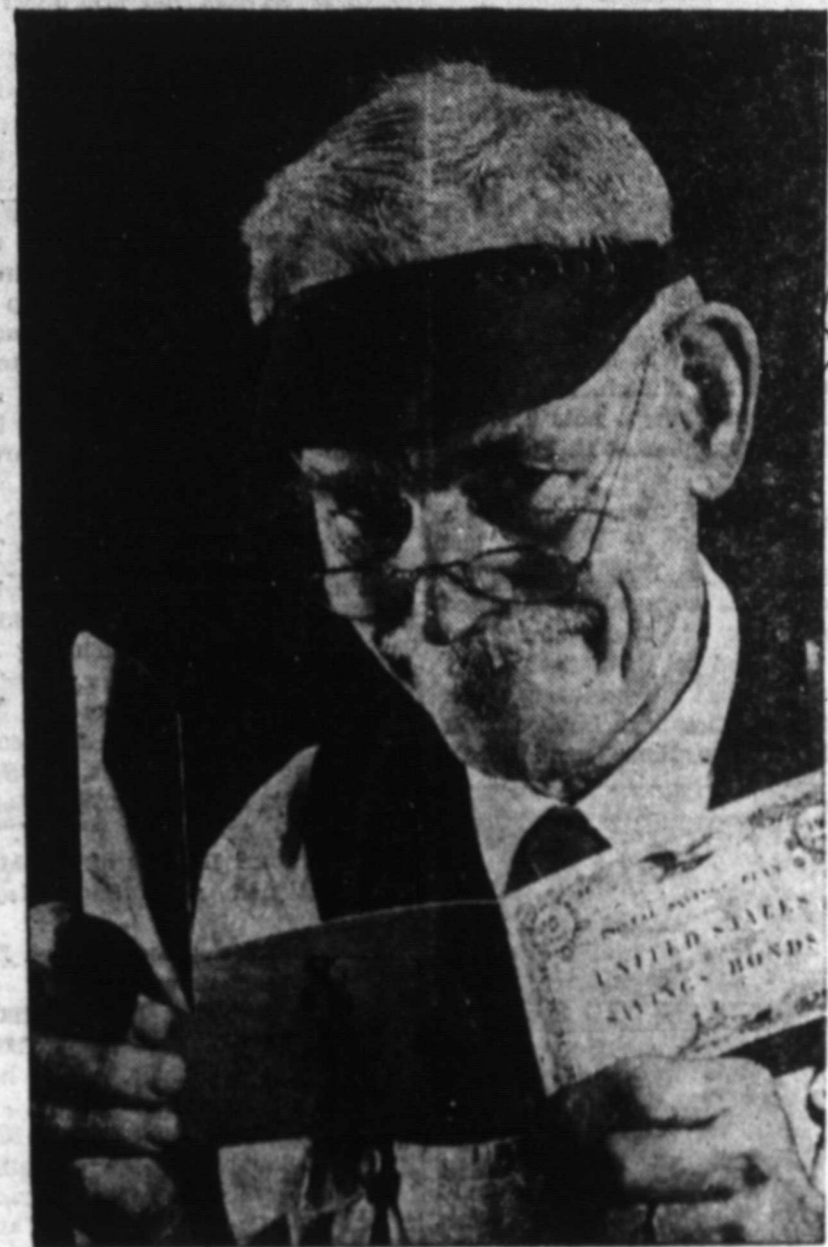

Mrs. E. A. Bergfeld of San Antonio visited her parents, Mr. and Mrs. D. B. English, and other relatives here over the week-end.

This Is To Speed Up His Return Home!

My bones just ache to get out there and take a crack at the Axis, but that is exactly why I can't do it—my bones ache too much. It's those youngsters with plenty of pep and zip in them who are going to show the Japs and Germans what they're up against. And they can do it, too! But we old timers can do something. Buy War Bonds and Stamps to keep our boys properly equipped and buy as many as we can. I'm not just talking to have something to say. It is our duty to give at least 10 per cent of our wages to buy war stamps. We can do that easily compared to the sacrifice all those boys are making. We can't let them down. They're counting on us all. DON'T LET THEIR SACRIFICE BE IN VAIN!

Some Things You Should Know About the Church

Man did not—
Build the church, Matt. 16:18.
Purchase the church, Acts 20:28.
Add to the church, Acts 2:47.
Man will not present it, Eph. 5:27

Brother O. H. Tabor brought a very fine meeting to a close last Sunday night at New Home. The visible results were nine baptized for remission of their sins and three restored to their first love. We rejoice with the brethren there. A Brother Nance from Lubbock will preach at New Home next Lord's

CARDUI

A 62 year record of 2-Way help

Use as a tonic, Cardui weakly peeps up appetite, aids digestion, and thus helps build energy for the "time" to come. Started 3 days before your time, and taken as directed, it should help relieve pain due to purely functional causes.

C. W. Slover, 75, Died Thursday

Lynn county lost one of its finest citizens Thursday morning with the death of Charles Slover, who died in a Lubbock sanitarium of "blood clot" following an illness of about two or three weeks. A few days ago he contracted pneumonia, and his condition gradually grew worse.

Funeral services will be conducted at the Methodist Church Friday afternoon, today, at 3:30 o'clock, with Rev. Ben Hardy and Rev. H. A. Nichols officiating. Burial will be in the Tahoka cemetery.

Mr. Slover was a native Texan, born at Veals Station, Parker county, September 22, 1858, and therefore would have been 75 years of age on the 22nd day of this month. He was married Oct. 1, 1891. He and Mrs. Slover and their children came to Lynn county 38 years ago, settling two miles south of Tahoka, where they have reared their family.

This summer, Mr. and Mrs. Slover had been in California visiting for several weeks, and returned by way of New Mexico, where they spent several more weeks in the mountains, and only a few weeks before his death he had climbed Capitan peak.

He was a man of the highest moral character and strictest integrity, kind and considerate, a friend to all, and loved by everyone who knew him. He had long been a member of the Methodist Church and was the highest type Christian.

Besides his wife, Mr. Slover is survived by two sons, John Slover and Rufus Slover, both of Tahoka; and five daughters, Mrs. Sam H. (Martha) Floyd, Tahoka; Mrs. David S. (Willie) Whiteley, El Monte, Calif.; Mrs. R. G. (Frankie) Henderson and Mrs. J. R. (Georgia) Henderson, both of Hart; and Mrs. Vernon (Lillie Dell) Jolly, Phillips.

He is also survived by three sisters, Mrs. Frey Patchines, Clarendon; Mrs. Mae Johnson, Lubbock; and Mrs. Sam Cooper, Dimmitt.

THE STATE OF TEXAS

County of Lynn.

To all persons indebted to, or holding claims against, the estate of W. M. Waldrip, Deceased:

The undersigned having been duly appointed administratrix of the estate of W. M. Waldrip, deceased, late of Lynn County, Texas, by Chester Connolly, Judge of the County Court or said county, on the 10th day of August, 1934, hereby notifies all persons indebted to said estate to come forward and make settlement, and those holding claims against said estate to present them to her within the time prescribed by law at her residence on Rural Route No. 3, Tahoka, in Lynn County, Texas, where she receives her mail.

Dated this 9th day of September, A. D. 1934.

BEULAH M. SWALESH, Administratrix of the Estate of W. M. Waldrip, Deceased. 11c

Rev. and Mrs. J. P. Durham of for a visit with their son, Dr. K. R. Shreveport, La., arrived Saturday Durham, and family.

day at the morning service.

Brother Alvis Bryan preached to the Grassland brethren last Lord's day. Brother Bryan is now living at Seminole and will be returning to Grassland soon.

The report came to us that the O'Donnell church is soon to have a full time preacher located with them. We are glad to hear this news and will be anxious to make his acquaintance as a co-laborer in the work of the church in this county.

The meeting now in progress at Gordon, conducted by Garnie Atkisson of Tahoka, is being attended by fine crowds at every service. The meeting will continue through next Sunday night. If you are living near Gordon and have not attended any of these services you are urged to do so.

There were fine services at the Tahoka church through the day last Lord's day. During Brother Atkisson's absence the work is carried on by the local talent. It is the desire of the church to use the local talent at every opportunity that the support that would go to a visiting preacher may be used for mission work in other places.

You are invited to attend the worship services of the nearest Church of Christ to you.

HAVE FAMILY REUNION

All members of the W. C. Harvick family were at home last Friday for a family reunion, including the four sons of Mr. and Mrs. Harvick who are in the Armed Forces.

The four sons are: Pfc. Lawrence Harvick of San Marcos, T/Sgt. Roy Harvick of Gordon City, Kan., both of the Army, and Pfc. W. C. Jr. and Robert Harvick of the Marines, stationed near San Diego, Calif.

Other children present were: Elmer Harvick, son, and family, of Fort Stockton; Miss Frankie Harvick, daughter, Lubbock; and Mrs. Bill Cathcart, daughter, and her daughter, of Tahoka.

Other visitors included: Mrs. Roy Harvick, daughter-in-law; Walter Harvick, brother of Mr. Harvick, and his family from Lamesa; and Sgt. Walton Harvick, nephew, home from Alaska on furlough.

Mrs. Leta L. Rankin, secretary in the local Soil Conservation Service office, has been transferred to Hereford, a district office. She will be succeeded by Mrs. Elaine Hughes, who is being transferred from Brownfield to Tahoka.

R. P. Weathers reports that his son, Sgt. David Weathers, who is stationed in England, near London has been promoted to the rank of staff sergeant.

Teachers, 'Anns' Guests of Rotary

One of the most entertaining and best attended meetings of its kind was the annual Rotary-Rotary Ann Teacher banquet last Thursday night at the Legion Hall. About 125 were present.

The program directed by Dr. Emil Prohl, featured fun. Calloway Huffaker, apparently starting out on a long dry speech on the Withholding Tax, wound up by extracting, with a vacuum cleaner, the Hoover plan, the contents of the pockets of two Rotarians, these contents including dice, playing cards, articles of women's apparel, etc.

A clever singing contest was directed between the men and the women by Rev. Art Brown and Dr. Prohl, with Mrs. John Sims accompanying on the piano.

Another stunt that brought many laughs was the school conducted by Dr. K. R. Durham, dressed as a woman. His pupils were six Rotarians playing the parts of boys and an other six playing the part of girls and wearing dresses.

The event is held annual in honor of the school teachers. High school teachers were introduced by Principal Leo Jackson and the grade school teachers by Principal B. T. Smith. Supt. W. T. Hanes is president of the club.

Mrs. Herchel Roberts and Mrs. A. P. Reagan were honored with a big birthday dinner Sunday in the Roberts home. Twenty guests were present, and the honorees were presented gifts.

Farmers Co-op Installs Lummus Gin Machinery

New Lummus Double Moting ginning equipment, with automatic features as modern as those possessed by any ginning plant, has been installed by Farmer Cooperative Association No. 1, it was announced this week by B. J. Emanuel, president of the association.

"Lummus Automatic Double Moting gins are known throughout the cotton states for their ability to produce cotton that is in better condition," Mr. Emanuel said. "In actual tests where the same cotton has been run side by side, Double Moting gins has showed samples a full grade better than that produced by the old-process gins.

"We have installed this equipment so our customers can have the very best ginning service available."

The 25 original features developed in Lummus gins include:

The patented Double Moting process, in which trash and motes are removed above the air blast nozzle and also below the saws.

Automatic feeding, to suit the condition of the cotton.

A patented roll box which provides for a loose roll throughout the operation.

Auxiliary seed comb, which loosens the final seed clinging to the lint as it turns in the roll box.

Seed conveyor trough, built into the gin stand and equipped with hinged slide so seed can be diverted to the seed conveyor or discharged on the floor.

The No. 2 gin plant has also been improved, completely overhauled, and new machinery installed.

Rotary Information Program Presented

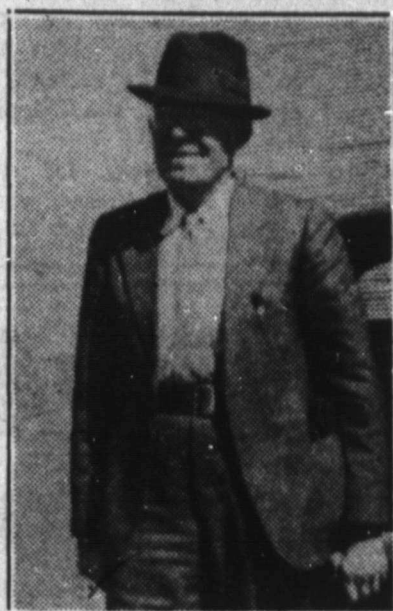

Rotary information was the theme of Thursday's Rotary luncheon program, at which several short talks were made on the work of Rotary, the bond drive, and other subjects.

Wynne Collier was program chairman of the day, and introduced the three scheduled speakers: Walter Anglin, who has maintained a perfect attendance record since the organization of the club seven years ago, 350 meetings, and Walter told of some of the achievements of the world-wide organization. Deen Nowlin, the next speaker, brought interesting information of the operation of clubs over the nation, he having visited more clubs than any other member of the local club and having averaged nearly two Rotary meetings in one year of his membership. Frank Hill told some benefits of the club to the town of Tahoka.

Lt. H. A. Maasen Jr., guest of L. C. Haney, was called on for a few words, and he gave interesting information in the training of flying Marines.

Deen Nowlin spoke again briefly on the current Third War Loan drive, and introduced Mrs. John

Gin Officials

B. J. EMANUEL

CLAUDE DONALDSON

Berry of Draw-Redwine, who also spoke briefly of the drive. Nowlin stated that Draw-Redwine, through Mrs. Berry's organization efforts, was already over-the-top in its drive in the current campaign.

Happy Smith urged that cooperation be given the Rural Mail Carriers in their part in the drive. Texas carriers are aiding the Bond drive, through efforts of W. E. Sudarth and other local carriers as the motive-force, and all aid made by them for the banks and post-offices will help them in raising their sales quota and thereby give Tahoka some state and nationwide publicity among carriers. Mr. Smith said.

Rev. H. A. Nichols, program chairman announced that programs were planned for two months in advance. About twenty Tahoka Rotarians were expecting to attend the annual Lubbock inter-city meeting last night.

Mrs. Paul Cox, who has been with Mr. and Mrs. Jarrell Cox since her husband, Cpl. William P. Cox, of a radio intelligence company, left Fresno, Calif., Aug. 1st for an embarkation camp, has gone to Brownfield to teach first grade work in the Gomez school.

Miss Ida Botkin is spending a few days with friends in Tucson, Ariz., before entering Texas Tech as a Senior student.

Open House...

Farmers Cooperative Ass'n. No. 1

3:00 to 5:00 Saturday Afternoon

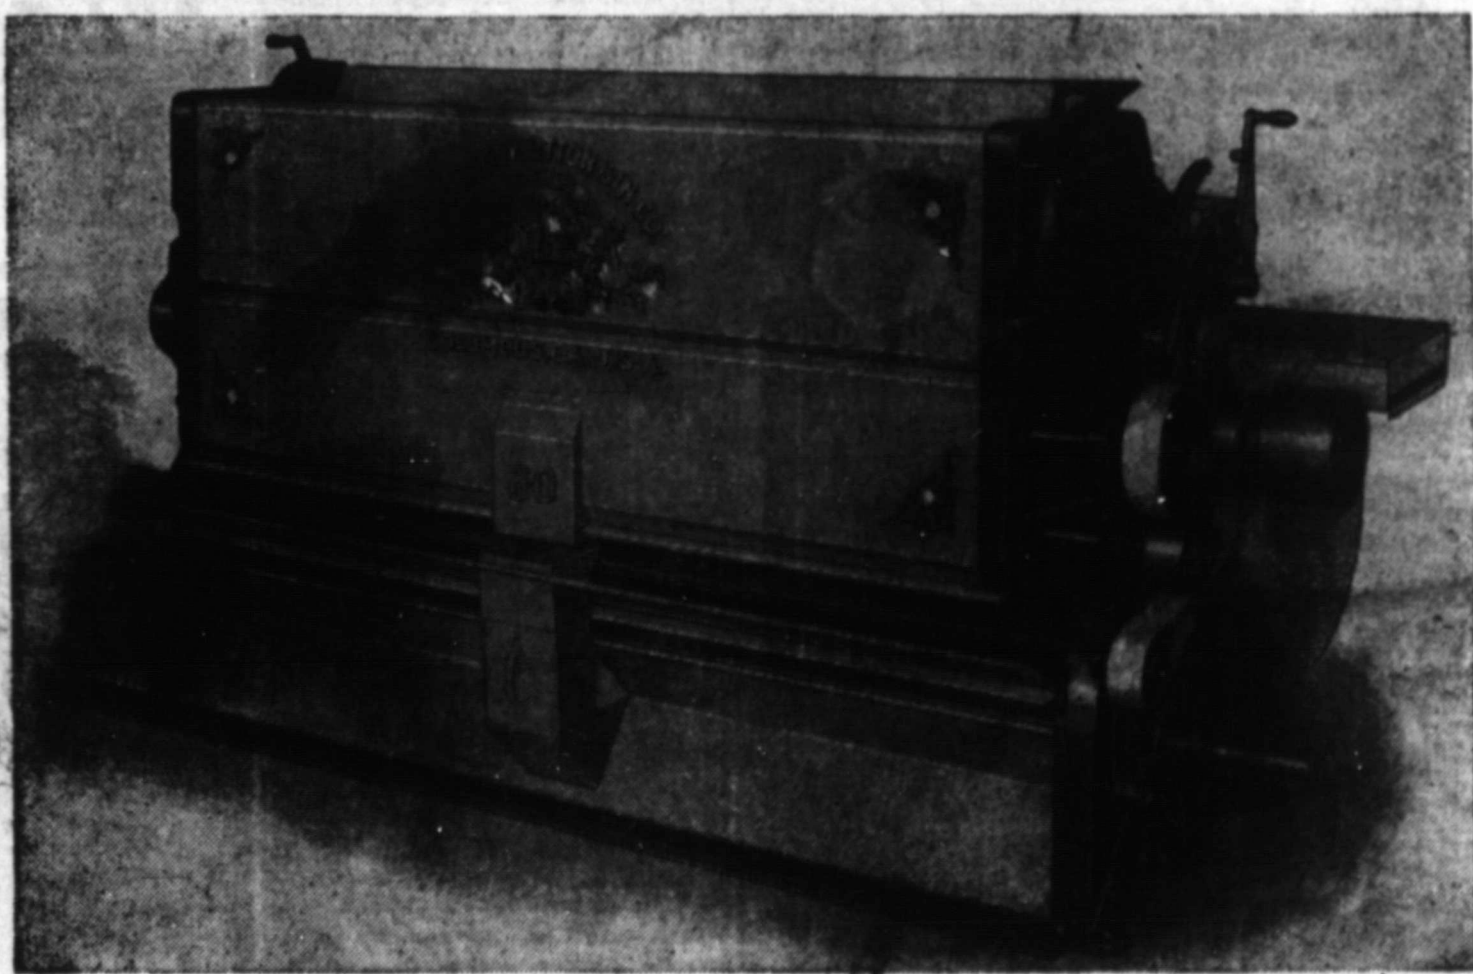

The members and friends of the Association are invited to inspect the new Lummus gin machinery installed in the No. 1 Plant and watch demonstrations of cotton ginning with our Double Moting Gins. The many improvements and new features of this machinery will be pointed out and explained by Engineers of the Lummus Cotton Gin Co. Bring the entire family and your friends.

REFRESHMENTS

Our New Lummus Automatic Double Moting Gin

Can Give You The Finest Service Possible

We have just installed Lummus Automatic Double Moting ginning equipment of the latest type. No plant, ANYWHERE can offer you anything better. Lummus Double Moting gins, with their 25 original features, turn out superior cotton wherever they operate. Under actual tests where the same cotton was run side by side, Lummus has produced fiber that was a full grade higher. Come by and look over this equipment, which will help you earn more from your crop this season.

Southland News

(By Mrs. Martin Truelock)
 The first four days of September, Southland people bought \$168.75 in Bonds. Last drive we totaled \$4,000.00 and we are expected to double the amount this time.
 The Southland Baptist Church met in its regular annual conference last Wednesday night to elect officers and teachers for the coming year. The following were elected: Clerk, Mrs. O. J. Harmonson; treasurer, A. F. Davies; chorister, John Leake; pianist, Mrs. Marvin Truelock; board member, A. F. Davies; Sunday School superintendent, J. V. Young, associate superintendent, O. J. Harmonson, secretary, Mrs. M. A. Truelock; men's teacher, I. J. Duff; women's, Mrs. A. F. Davies; young married

class, Mrs. I. J. Duff; senior, Mrs. C. A. McArthur; intermediate boys, O. J. Harmonson; intermediate girls, Mrs. John Leake, juniors, Mrs. O. J. Harmonson; primary, Mrs. C. A. Bloxom; beginners and cradle roll, Mrs. S. M. Truelock, B. T. U. director, O. J. Harmonson; associate director, Mrs. I. J. Duff; secretary, Mrs. Marvin Truelock; senior and intermediate, Mrs. McArthur; juniors and story hour, Mrs. S. M. Truelock; W. M. U. president, Mrs. McArthur; delegates to Association, which meets Sept. 9 at Abernathy, Mr. and Mrs. A. F. Davies, Mesdames S. M. Truelock, C. A. McArthur, Annie Landers; alternate, Rev. O. J. Harmonson, Mrs. G. D. Ellis, Mr. and Mrs. A. J. Matlock, Mrs. A. F. Everage.

The pastor, Rev. O. E. McGaw, was re-elected for the ensuing year but has not accepted the call yet. He and his family left Thursday morning for Levelland to accompany her mother home, attend the annual Association there, and spend the week-end at his church at Shallowater before returning to Southland.

The drivers of the school buses this year are Robert Sartain, Billy George Kelley, Wesley Scott, and Harvey Stotts.

Rev. O. J. Harmonson and grandson, James Olin, returned home Friday night, after being stranded in Hollywood awaiting bus reservation here. They were visiting Jo Jo's parents, Mr. and Mrs. John Harmonson of Hollywood.

A week ago Saturday, J. W. Kellum fell at the Planters' Gln and sprained his foot. He is still using crutches.

Mrs. Grady King has been teaching general science, biology, and history at the High School the past week. Sunday she, her husband and son and sister, Olive Davies, spent the day with the J. H. Robbins family of Crosbyton.

Mr. and Mrs. E. N. Lamb and son left Saturday afternoon for Fort Worth to visit her sister and secure employment. Their daughter, Mrs. O. B. Nichols of Houston, who underwent an appendix operation last week, was expecting a visit from the Sunday. And Sunday, two trustees from near Tahoka came over to hire Mr. Lamb as superintendent of their school. Mrs. Lamb has been our telephone operator since December. Miss Roella Rankin took charge of the telephone office Saturday.

Melba Green of Gordon spent Thursday night with Virginia King. Mrs. Alfred Gregg's son was born at Slaton's Mercy Hospital Thursday night. Pvt. Gregg may get to see his son before he leaves the States. Mrs. Gregg is the daughter of Mrs. Clara Jefferson.

Mrs. R. C. McMahan and two daughters, Bea and Joyce, of Spur, visited Mr. and Mrs. Bob Russell

last week. Miss Bea McMahan is the fiancée of S/Sgt. Scott H. Russell.

Last week a long letter from Scottie Russell in Sicily described his participation in the North African battles. He was one of the first American boys in the Dark Continent.

Mrs. Mary Ellis of Post, one of our former residents, visited Mrs. T. S. Kellum last week.

George Bahlman's brother, Elder Ray of Winters, came Saturday at noon to visit here for several days. Mr. and Mrs. E. W. Siewert, who live near Slaton, visited the Ed Lieskes Thursday.

The Wiley Johnson family, former neighbors of John Irwins, were in town Saturday morning.

Lorena Becker, who is employed at a drug store in Lubbock, is spending two weeks at home with her parents, the B. H. Beckers.

A letter this week from Frank Fletcher, formerly of Wilson, came from Sanford. He writes that Amarillo and other Potter county schools have postponed their opening indefinitely because of infantile paralysis. "I now run my own motor car on the tracks furnished (furnished by the Rock Island—that's the one thing I didn't have to buy) and follow the gang doing the signs. However, we are so short-handed I've had to pitch in and help paint houses here. We plan to move to Slaton about Wednesday, and then I aim to take Velma and the little ones on to Liberal, Kan., over the Labor Day holidays. By parking the trailer house there now, maybe she can find a house by cold weather. I can't even get a day off, unless it is a holiday, for we are running so short-handed and so far behind what a full gang is supposed to do, they wouldn't even let the boss have his vacation this month." In Mrs. Fletcher's letter, she expresses homesickness for Wilson, but adds the consolation that their are keeping their family as closely together as possible.

Miss Hattie Irwin of Lubbock spent the week-end here with her parents, the John Irwins.

Mrs. Dave Draper and children were week-end guests of her parents, the W. W. Gilllands.

Mr. and Mrs. Bill Martin and children of Lubbock spent several days last week with his parents, Mr. and Mrs. Ed Martin.

In looking through their new Hartford, Ark., song book, the A. M. Tanners were surprised to find Flora Truebeck's name listed among the authors, and found her song in the book. But they weren't more surprised than she was, as she had written the words and music to it and sent it in more than a year ago.

Mary Frances King spent the week-end with the Ed Kings.

Mrs. J. C. Leake left Thursday for Sacramento, Calif., to visit her daughter, Mrs. Sam Hendrix, and husband.

Mrs. John Baker was a visitor here Friday.

Mrs. C. A. McArthur, newly-elected president of the Baptist W. M. U., is calling an organization meeting for next Monday.

Mr. and Mrs. C. N. Bell of Lubbock were Sunday guests of the A. M. Tanners.

Last Wednesday evening guests of the Herbert Dumas spent some time in playing various games, then spent the rest of the time at Liverpool rummy. Refreshments of chicken salad sandwiches, olives, pickles, potato chips, and punch were served to Messrs and Mesdames James Baker, Royce Loveless, and Aubrey McNeely.

Jack Cox came in Monday from Arizona, having been given a medical discharge from the Army Air Forces on account of injuries received in a car accident. His mother, Mrs. Lee Faye Gray, now lives in San Diego, Calif.

Sgt. and Mrs. Joe Beckham of the Pryor Air Base have been here visiting her parents, Mr. and Mrs. Paul McDonald, and other relatives.

HOMEMAKING GIRLS COMPLETE SUMMER WORK

Homemaking girls, as part of their summer work, did their share in helping solve the food problem and keeping the family healthy and happy.

With 33 girls enrolled in the summer course, Miss Lucille Wright states that this group has prepared 465 meals and canned 1889 jars of vegetables, 304 jars of fruit, 278 jars of pickles, and 9 jars of mests.

The food program was stressed, and many girls became interested in planting Victory gardens and canning foods which were grown in these gardens. They are now able to serve well-balanced meals at a much lower cost.

The following list includes other home projects on which various girls worked during the summer: Purchasing and preparing foods for the family meals, improving the home, bedroom improvement, personal improvement, selection, care and construction of clothing, family and social relationship, child care and guidance of children, consumer buying and earning and budgeting money.

The Homemaking students finished their work the last of August. Twenty-eight girls completed the work and have received one-half credit.

HOMEMAKING GIRLS COMPLETE CHILD PROJECT

The small children of Tahoka who attended the summer Homemaking school summer before last, were again thrilled to come up this past summer and attend the summer activities with the Homemaking girls.

The girls enjoyed tending to the children through this class, and besides the pleasure, there was also work to the school. The children were taught how to play and how to share with other children. They came every Wednesday morning at 9 o'clock, and the school lasted six weeks. The group consisted of seven Homemaking girls and twelve children ranging from two to seven

Prescription Filled Over 15 Million Times

Recommended to do just two things! relieve constipation and gas on the stomach.
 This successful prescription is now put up under the name of ADLERIKA. Get a bottle of Adlerika next time you stop at your druggist's and see for yourself how quickly gas is relieved and gentle but thorough bowel action follows. Good for old and young. Get Adlerika from your druggist today.
TAHOKA DRUG
 WYNNE COLLIER, Druggist.

P.S.
 Of course, I haven't forgotten that trip we planned that was interrupted when you joined up. I dream about it and plan it down to the last detail. Of course, we'll have to go in our present car, as we probably can't get a new one as soon as you get back. So, like a hen with a chick, I'm mothering it no end. Down it goes every week to your old friend Mileage Merchant Jim, and he does everything to it. He says to tell you he's keeping the engine OIL-PLATED with Conoco Nth motor oil and for you not to worry. It will be in fine shape for our trip it! —says he'll practically guarantee it!

Your first introduction should tell you WHY

Lynn County's War Bond Quota Is \$960,500.00

WHAT WILL YOU DO?

THE 3rd WAR LOAN DRIVE STARTS — TO BACK THE INVASION!

3RD WAR LOAN

15 BILLION DOLLARS (NON-BANKING QUOTA)

What you will be asked to do—

MARK WELL the date—Thursday, September 9th. For on that day, you must answer to your country's call.

On that day, the 3rd War Loan Drive opens. To you—and to every other true American—a clarion call goes forth to rally to the support of our flag.

You will be asked to back our fighting forces to the very limit of your resources. You will be asked to go ALL-OUT FOR INVASION by investing in EXTRA War Bonds—more War Bonds than you perhaps think you can possibly afford.

To meet the national quota, every individual in the country who earns a wage or draws an income or has accumulated funds must invest, if he possibly can, in at least one EXTRA \$100 War Bond. Those who can, must invest more—thousands of dollars' worth more. Each and every one must do his full part.

Scrape up the money from every source you can... turn in all the loose cash you carry with you... dig out what you had tucked away "just in case." Go without pleasures, luxuries, even necessities this September. And give our fighting men the things they need to fight with—and win.

These men are throwing everything they have into this fierce invasion push. They are giving

their blood, their lives. No one can put a price on such courage, self-sacrifice, devotion. But you can show you're with them to the limit! You can say it with Bonds... EXTRA Bonds this month.

World's Safest Investments

For this 3rd War Loan, you will be offered your choice of various government securities. Choose the one that fits your requirements.

United States War Savings Bonds Series "E"; gives you back \$4 for every \$3 when the bond matures. Interest: 2.9% a year, compounded semi-annually, if held to maturity. Denominations: \$25, \$50, \$100, \$500, \$1,000. Redemption: Anytime 60 days after issue date. Price: 75% of maturity value.

2½% Treasury Bonds of 1964-1969; readily marketable, acceptable as bank collateral. Redeemable at par and accrued interest for the purpose of satisfying Federal estate taxes. Dated September 15, 1943; due December 15, 1969. Denominations: \$500, \$1,000, \$5,000, \$10,000, \$100,000 and \$1,000,000. Price: par and accrued interest.

Other securities: Series "C" Savings Notes; ½% Certificates of Indebtedness; 2% Treasury Bonds of 1951-1953; United States Savings Bonds series "F"; United States Savings Bonds series "G".

JESSE BUSBY COMPLETES COURSE IN MECHANICS

Amarillo Army Air Field, Sept. 8.—Jesse D. Busby, son of Mr. and Mrs. N. B. Busby of Rt. 1, Wilson, has completed his course of studies as an aviation mechanic in this school of the Army Air Forces Technical Command. Busby is now trained for airplane maintenance and will be sent to some air base where he will assist in keeping America's Flying Fortresses in the air for Allied victory.

Pfc. James H. Cox, as result of a physical examination at Sheppard Field last week, has been reclassified, taken out of a gunnery class and placed on limited service. However, he will continue to attend the airplane mechanics school until he is placed elsewhere.

O'DONNELL MAN HAS LONG SERVICE RECORD

S/Sgt. J. O. Spikes of the Army Air Forces, Dodge City, Kan., and wife, Mrs. Inez Spikes, Lubbock, were here Wednesday on business. They formerly resided at O'Donnell. Sgt. Spikes has been in the Army this time about a year, but he has previously served other "hitches" being in the Army before the outbreak of World War I. He served in the Mexican campaign, then went to France and was in the St. Mihiel, Verdun, and Argonne battles. Following that war and before the present one, he served again, three years at Pearl Harbor. He re-entered the Army about a year ago.

HOME FROM SOLOMONS

Cpl. Wendell Cain, who had just come home from 13 months in the

Solomons with the U. S. Marines, surprised his brother, Alton Cain, by walking in on him at Gaignat's store Saturday afternoon for a week end visit. When the war is over and military secrets can be revealed, Cpl. Cain's story, no doubt, will be one of the most interesting personal experiences coming out of the war in the Southwest Pacific. A hint of his activities may be given in the fact that his squad landed on Jap-held islands many days ahead of the invasion forces to carry out intelligence work for high Navy and Army officers. His home is in Canyon.

Mrs. R. A. Ray of Stephenville and Mr. and Mrs. Roy Stafford of Uvalde were here last week visiting Mr. and Mrs. W. A. Yates and other relatives. The two ladies are nieces of Mr. Yates.

Howdy, Folks!

I am glad to announce that BEGINNING SEPTEMBER 15th I shall be back HOME enough to personally supervise my business.

I am sure you would want me to continue to serve Our Boys as much as the need demands in the Government Cleaning and Pressing Shop at the Hobbs Air Base, where I was called about a year ago. But, I assure you, I will be happy to be in good old Tahoka for part of my time.

I have endeavored to render a cleaning service here, too. Now, I am in a position to do an even better job here. I am adding additional equipment to give better cleaning and a special machine to assure the correct measures of dresses.

I have a full force of mature, experienced, competent workers who will be ON THE JOB FULL TIME. I am allowing full time to a checker. This I am sure will make more efficient the handling of clothes as they are checked in and out.

I am glad to announce the resumption of deliveries. Naturally, this service must be limited, and I am sure you will continue to bring and call for your garments when at all possible. We will call for regular bundles Monday A. M., Wednesday afternoon, and at the end of the week we will pick up and deliver. Please plan your demands on our car service for these days. We will continue this service so long as possible with limited gas and tire rationing.

BRING HANGERS FOR ALL GARMENTS! Thanks!
