Bulldogs Play In Lamesa Tonight; Defeat Meadow

Coach Leo Jackson's Tahoka Bulldogs, fresh from a 20 to 0 victory over Class B Meadow, have a tough assignment tonight when they run up against Coach Volney Hill's Class AA Lamesa team at Lamesa, but Jackson thinks, win or lose, the Lynn county boys will give a good account of themselves.

Few fans will likely follow the team, due to the tire shortage, but Lamesa is expecting a large crowd of home folks.

Biggest blow to Tahoka's hopes against Lamesa is the fact the Bill Woods will not be able to play because of an infection on his leg.

Last Friday night, an amusement-hungry crowd, much larger than expected, turned out to witness the inexperienced Bulldogs in their appearance against Meadow.

The Tahoka boys had charge of things all the way through, but Coach V. P. Carter's boys from Meadow formed a team that would do credit to many schools larger than Meadow.

Tahoka scored one touchdown in each period except the third, Capt. Bill Woods making two of them. The Bulldogs made nine first downs to Meadow's two, completed four passes to Meadow's two, punted only once for 30 yards, but was penalized a total of 60 yards to the visitors' five.

Though the Bulldogs looked a bit ragged at times, the prospects are better than many years. Though only four lettermen are back this year from last year's team, there is a total of 45 boys out for the team, but most of them have had little or no football experience.

Last year's team, coached by Volney Hill, now at Lamesa won the championship of the south half of District 6-A. Jackson, who coached last year at Class AA Olney, is back at Tahoka, where he successfully coached the Bulldogs for three years before moving to Olney.

275 Cars '43 Grain Shipped To Date

Grain sorghum shipments from the 1943 crop had totaled 275 cars up to Wednesday night, Santa Fe employees report, 210 cars having been shipped since Sept. 1.

Shipment of grain has been slowed at times by inability to secure sufficient cars for shipping.

Cotton picking is getting under way in a number of fields, although possibly not much more than 50 bales have been ginned in Tahoka. Mexican and negro pickers are beginning to arrive, but many of them are "shopping around" a few days before going to work. A number of farmers would like to have pickers now.

Harvest was slowed somewhat last Friday morning by a shower of rain. The precipitation in Tahoka was .54 of an inch.

Classified Ads. In News Get Results

The News' little classified ads. get quick results at a minimum of cost.

T. H. Basinger had a meat box he wanted to dispose of, and as the result of a little ad. in The News, sold it before the paper had even gone out on the routes.

"Take my ad. out," Tom Garrard told The News. "I sold that gas engine immediately after it ran the first week, and people are still asking me about that engine."

Two Lynn County Boys, Cpl. Robert Potts, Tahoka, Sgt. Clyde Crowder, Wilson, Reported To Have Lost Lives

Two Lynn county boys have died in the service of their country, according to telegrams received here Wednesday afternoon from the Secretary of War. They are Cpl. Robert L. Potts, 24, of Tahoka, who died in the Southwest Pacific, and Sgt. Clyde E. Crowder, about 21, of Wilson, who died in the Latin America Area.

Cpl. Potts was the son of Mrs. Mary E. Potts of this city and Vin Potts, who is now working at Berger. Mrs. Potts notified her husband of the son's death immediately by wire.

Young Potts was born in Hunt County March 28, 1919, and came with the family to Lynn county in 1927. He attended school at Dixie On July 9, 1941, he volunteered for service in the Army, and was sent to Camp Roberts, Calif., following which he received training at Ft. Lewis, Wash., Cheyenne, Wyo., and Camp Carson, Colo., before being sent last Christmas to Australia. When the last letter from him was received last Monday he was still in Australia, but the letter had required nearly a month to reach Tahoka, and he may have been transferred.

Short Talks On Rotary Program

Short talks made up Thursday's Rotary program when the scheduled speaker of the day, who was to have been a Tech professor, failed to appear.

Tom Garrard, program chairman for the day, expressed his chagrin at the speaker's failure to appear.

Short talks were made by Walter Anglin, urging co-operation with school authorities in making this a successful school year; Deen Nowlin, on the current 3rd War Bond drive; Rev. H. A. Nichols, Rev. Art Brown, Calloway Huffaker, and Dr. Emil Prohl and others on the development of better fellowship in the club and town.

Frank McBroom of Lubbock, state USO representative, was introduced by R. P. Weathers, and Mr. McBroom explained briefly the operation of the USO. Mr. McBroom is a former Rotarian from Atlantic City, N. J.

Bob is the son of Mr. and Mrs. H. P. Caveness and was reared in Tahoka.

William Draws 10 Years For Murder

H. H. Williams, about 50, charged with the murder of R. E. Hodges on July 24th was found guilty in district court at Brownfield Thursday night of last week and sentenced a term of ten years in the State Penitentiary.

Williams, a former O'Donnell gin-ner, lived about 20 miles southeast of Brownfield, just across the Lynn county line. He and his neighbor and former friend, R. E. Hodges, about 40, had had a dispute, the evidence showed, over stock of both men getting in to each other's fields. At about 8:30 the morning of July 24th the two men in the road about one-fourth mile south of the Williams home, and the fatal shooting occurred. A .44 pistol loaded with .410 shotgun shells was found beneath Hodges' body and a .22 automatic rifle was found in his car. Williams is said to have used a 12 gauge automatic shotgun in the shooting.

The State relied on circumstantial evidence, since there were no witnesses to the affair, according to District Attorney Rollin McCord, the prosecutor. He was assisted in the trial by Virgil Crawford, Terry County Attorney.

Williams was represented by the law firm of Crenshaw and Dupree of Lubbock.

The largest crowds ever to attend a trial in Terry county are reported to have attended the hearing, many of the people being from Lynn county.

New Contract For Supt. W. T. Hanes

W. T. Hanes, who is serving his sixth year as superintendent of the Tahoka Public Schools, was given a new three year contract by the board of trustees Wednesday according to Prentice Walker, president of the board.

Under the present administration many improvements have been made in the Tahoka school system and its curriculum, Walker stated. Included are the addition of public school music, business courses, and physical training for all students, better co-ordination of all courses, improvement of the physical property, putting all the school business on a cash basis, and paying off many thousands of dollars in bonded indebtedness before bonds became due and thereby making substantial savings on interest to the district.

Hanes has met the approval of practically all patrons. He has taken active part in community affairs, and at the present time is president of the Rotary Club, vice-president of the Chamber of Commerce, and is serving his fifth year as secretary of the West Texas Teachers Association, a body of about 3,000 members.

20 Rotarian Attend Lubbock Meeting

Twenty members of the Tahoka Rotary Club attended the annual inter-city meeting of the Lubbock Club Thursday night of last week in the Tech stock-judging pavilion, where a chicken barbecue was served 300 Rotarians from nearly every town on the South Plains.

D. D. Monroe of Clayton, New Mexico, was the speaker of the evening.

Lynn County War Bond Drive Reaches \$286,268.50, Far Short of the \$960,500.00 Quota Assigned County for September

Cecil Warren Safe, His Aunt Reports

Pvt. Cecil Warren, reported missing in North Africa several weeks ago, is well and doing fine and is still with the American Army, according to his aunt, Mrs. B. J. Mayberry of Willows, Calif.

Her last letter from him was written August 18, in which he said: "I've been over some miles since the last time you heard from me and at times it has been darn rough." Evidently the report that he was missing is erroneous.

Warren landed in North Africa with the invasion forces last November, where he, no doubt, has likewise been in action.

Mr. and Mrs. Mayberry arrived Saturday for a visit here with their old-time friends, Mr. and Mrs. Ocie Pate. They expected to return to California Wednesday.

Cecil Warren is the son of O. J. Warren, now in California. His mother died last year.

Physical Exams For Guardsmen

Further preparations were made Monday night by members of the Tahoka company, the Texas State Guard for participating in the 39th Battalion maneuvers to be held on Saturday night and Sunday morning, Sept. 25 and 26, in Yellowhouse canyon north of Slaton.

Mobilization plans were discussed in the non-com meeting, and members were put through a short drill session. Physical examinations were given about 35 of the men by Drs. J. W. Sinclair and Emil Prohl at Tahoka Clinic.

Approximately 300 Guardsmen are expected to participate in the military problems at the maneuvers, which will be witnessed by high state officials and Army officers. The maneuvers are under direction of the Eighth Service Command of the U. S. Army.

Edmund Macha In Hospital At Temple

Pfc. Edmund V. Macha, who was reported wounded in the North African campaign, is back in the States and is at McClosky General Hospital, Temple, Texas. Edmund is the son of Mr. and Mrs. H. A. Macha.

Though some sales, possibly, had not been tabulated, Lynn county was lagging far behind its quota in the 3rd War Loan campaign Thursday morning, according to the county chairman, Deen Nowlin. A total of only \$286,268.50 in War Bonds had been sold up to that time, and Lynn county's quota is \$960,500.00.

Ordinarily this sounds mighty fine, Nowlin told The News, but we must remember that this is less than a third of our part. Every person who wants to win this war and who wants to avert ruinous inflation must do his utmost in this campaign.

Many people, workers report, are buying \$25 and \$100 bonds which could and should be investing much more than this amount.

Workers were making house-to-house campaigns in Tahoka and in other communities of the county this week and in some cases are meetings with excellent results. Others are not yet waging an effective drive, and are urged by the county chairman to get busy at once, since everybody must co-operate if Lynn county is to do its share in this great war effort.

Of the \$286,268.50 in bonds already purchased, \$215,756.00 in bonds had been bought in Tahoka, \$37,262.50 in Wilson, and \$33,250.00 in O'Donnell. This latter figure does not include the O'Donnell postoffice, from which no report was available Thursday morning.

War Bonds may be bought in Tahoka at the First National Bank, the postoffice, the National Farm Loan Association, or the Production Credit Association; in Wilson and O'Donnell, at the bank and postoffice, or orders given to any one of the many volunteer workers in the county.

766 Are Enrolled In Tahoka Schools

Tahoka schools have an increased enrollment of approximately 50 students over last year, according to information furnished The News by school authorities Thursday. The enrollment now totals 766 in the three buildings.

The high school has an enrollment of 393, the grade school of 393, and the negro school of 43.

By grades, the enrollment is as follows: Seniors 44, Juniors, 81, Sophomores 77, Freshmen 69, and eighth grade 59.

Grade school: Seventh grade 55, sixth 60, fifth, 61, fourth 58, third 60, second, the new grade added to make the 12-grade system, 30, and first 63. About 15 enrolling this week are not included in the latter figures.

Last year's enrollment was 707 at the end of the first 10 days.

The Tahoka schools, the Dixie district, and E. H. Boulter of the State Department of Education Wednesday worked out an arrangement whereby all students from Dixie above the fourth grade will attend Tahoka schools, the Dixie district paying for one teacher, and the State Department continuing the transportation aid and scholastic apportionment.

All children in the fourth grade and below will continue to attend the Dixie school if they live in that district. High school students from Dixie were already attending local schools. Due to the fact that Dixie had too many students for one teacher and not enough for the two they had hired, and due to the fact that some rooms were overcrowded in the local grade school, the arrangement, it is hoped, will be of benefit to both schools.

Also, the bus will be kept out at Dixie, instead of in town, cutting its mileage about one-third and thereby effecting a saving on bus expense.

Cpl. Roscoe Roberts of Garden City, Kan., left Saturday after a brief visit here with his two daughters and mother, Mrs. Becky Roberts.

A Substitute for Hell

Somewhere in New Guinea these wounded soldiers await evacuation. Flat on their backs, in the steaming heat of the jungle, where mosquitoes plague the air and ants and mosquitoes torment weary bodies, they dream of home . . . of clean white sheets and the touch of cool, comforting hands. You can help provide modern hospitals and the medicines they need for their recuperation by putting every dollar you can into War Bonds during the Third War Loan.

SHUCKS, THEME OF NEW HOME H. D. CLUB

The New Home Demonstration Club met with Mrs. Donald Caudle at 4 p. m. Friday, Sept. 10. "Ah! Shucks" usually means a depressed mood, but at this meeting it meant weaving a new bottom in a little red rocker!

Miss Carolyn Dixon, county home demonstration agent, assisted the club members in successfully weaving a rope out of corn shucks used for a new seat in a chair. This is inexpensive, yet attractive.

Nine suggestions for the 1944 program were submitted. Henceforth, the club will meet once each month on second Friday at 3:00 p. m. The next meeting will be with Mrs. Margaret Edwards on Friday, October 8th.

Those present were: Mes. Clyde Ashcraft, Glenn Allsup, Charles Armontrout, Boswell Edwards, R. W. Overstreet, Grayam George, and the hostess.

Women Report On State Convention

The Lynn County Home Demonstration Council met in the regular monthly meeting Saturday, Sept. 11th, 3:30 p. m., in the office of the county home demonstration agent, Mrs. B. Cromer, Petty, and Mrs. J. B. Oliver, Tahoka, gave interesting reports on the Texas Home Demonstration Association meeting in Dallas August 17, 18 and 19. Lynn county was represented in a panel discussion.

"More than 500 home demonstration club women, who represented approximately 48,000 club women of Texas, met in Dallas to plan their strategy for battle on the home front," stated Mrs. Cromer. "A recommendation agreed upon was that home demonstration women would use their influence in securing popular support of amendments affecting the rights of rural people. They will study, also post-war planning."

Resolutions endorsed, according to Mrs. Oliver, included one encouraging the selection of films conducive to a higher standard of living for childhood and youth. Another resolution provided the Association to ask all food processors to standardize containers so that they might be used in pressure cookers for home canning and thus eliminate waste.

Work is forming a well-planned program for 1944 in Lynn county. Subjects on which club members and non-club members desire help by the home demonstration agent the coming year should be mailed on a postcard to Mrs. B. Cromer, program chairman, Rt. 4, Tahoka. Quoting Mrs. Leon Sullivan, president THDA, in her president's message, "THDA women are winning battles on the home front, as was the theme of our convention, and will continue to stand by their post of duty until victory comes. Then may we take up our duty and privilege of helping to establish a post-war world of lasting peace."

Lieut. R. W. Rutherford, who is with an Army special service company, is now stationed at Yuma, Arizona.

Mr. and Mrs. D. W. Gagnat, her parents accompanied her to Amarillo, where she caught a plane for the east. She will visit her roommate, Miss Sally Minor, in Batavia, New York, and the two expect to enroll at Briarcliff Sept. 22, where they will again be roommates.

Insurance Company Buys \$15,000 Bonds

Southwestern Life Insurance Co. Tuesday bought \$15,000.00 in War Bonds through the First National Bank of Tahoka, to be applied on Lynn county's quota.

This is the third time that company has bought bonds here, twice before having bought \$25,000.00 in War Bonds. The bonds bought this week brings that company's total to \$65,000.00 in bonds bought in Tahoka.

MANY RELATIVES, FRIENDS ATTEND SLOVER FUNERAL

A great host of relatives and friends attended the funeral services here last Friday for Charles Wesley Slover, long-time citizen of Lynn county, who died Thursday morning in a Lubbock hospital.

Out of respect to his son, John Slover, a member of the Tahoka school board, and several grandchildren who attend the local schools, the Tahoka schools were dismissed Friday afternoon in his honor.

Among the relatives present, in addition to the children, were: Fred Pachung, Edgar Pachung, and John Harris, all of Clarendon; two daughters of his sister, Mrs. Sam Cooper of Lubbock, who had undergone an operation in the same hospital while Mr. Slover was a patient; Lint, Merrit, Hart, brother-in-law of Mrs. Slover; Mr. and Mrs. Jack Blankenship, Brownfield, close friends of the family; Mrs. Mae Johnson, Lubbock, sister; Mrs. J. S. Slover, Lubbock, sister-in-law; Mrs. Leslie Smith, niece, and husband, Lubbock; Mrs. Emma Slover and son, Ira, and daughter, Mrs. Jamie Green; Whitefish; Mr. and Mrs. R. H. Dyer, Dimmitt, brother-in-law and sister of Mrs. Slover; and Mr. and Mrs. B. B. Wise, son and daughter-in-law, and J. A. Wise, all of Dimmitt.

CHARLES OLIVER HERE

Charles Oliver, fireman in the U. S. Maritime Commission, is here spending a 30-day furlough with his parents, Mr. and Mrs. C. T. Oliver. Charles has seen much of the Pacific in recent months.

Mrs. John Brock and two little daughters of Fort Worth are here also while her brother is at home. Thursday the group was joined by a cousin, Miss Gerry Seroyer, of Cleburne, who will also visit her aunts, Mrs. D. V. Smith, and Miss Mary Seroyer.

J. C. May, once in the jewelry business here about twenty years ago and later at Post was here last Saturday greeting old-time friends. He and his wife had been to Hamilton county, at the bedside of her father, J. B. Lowe, also a former Lynn county citizen, who was ill following a stroke. The Mays now live in Winslow, Arizona, where he operates a large jewelry business.

ENTERS DALLAS COLLEGE

Miss Peggy Fenton left Sunday for Dallas, where she entered the Hockaday School for Girls Wednesday. She was a Spring graduate of Tahoka High School.

She was accompanied to Dallas by her parents, Mr. and Mrs. R. W. Fenton Jr.

To the People of this Community:

ARE YOU REALLY AT WAR?

What does being at war mean to you? Less gasoline for your auto? Less sugar in your coffee? Higher prices for your food and clothes? Separation from your husband?

Sure, it has meant all those things, some serious and some really trivial for a period when your actual safety is at stake.

But has the war meant BLOOD, SWEAT AND TEARS to you? In many instances YES. The first stage of invasion has already pushed our casualties over the 100,000 mark.

The gold stars which decorate thousands of our homes today are a challenge to the vast majority of us to do our best in the Third War Loan. No good American wants to see one more gold star added to the firmament of glory. We educate our youth for life, not for death. If they die, they die so that we might live. Every extra War Bond you buy today will back the invasion so that the war will be shortened and so that there will be less blood, sweat and tears for you and your friends.

Loan Association Urges Bond Buying

"This fall when products are moving to market is the best time for farm and ranch people to put money into War Bonds," C. E. Hicks member of the board of directors of the Lubbock Production Credit Association said at the last meeting of the body in discussing the Third War Loan Drive.

"Every family needs reserves in War Bonds to help them in the post-war days and they need extra money to pay for replacement of things that are wearing out now but cannot be bought for the duration."

The board voted to buy \$10,000 worth of War Bonds in the Third War Loan Drive with association funds from members' investments in stock and from surplus earnings, making a total investment in Government bonds from this source of \$84,800. This represents about \$675 for each of the 961 members.

GERALDINE CONNOLLY UNDERGOES OPERATION

Geraldine Connolly, daughter of Judge and Mrs. Chester Connolly, is seriously sick in a Lubbock hospital following an operation performed Wednesday morning, when it was found that her appendix had ruptured. She is reported to have rested well Wednesday night, but attending physicians were fearful that complications might set up.

Judge and Mrs. Connolly left Tuesday for Glen Rose for his health. Geraldine was not intending to make the trip, but as prepared to go she became slightly ill and her parents decided to take her with them. En route, she became so ill that they turned around at Albany and came back home, and it was found that she was suffering from appendicitis.

REV. NICHOLS PREACHES FUNERAL OF OLD FRIEND

Rev. H. A. Nichols was called back to Iredell last Sunday to hold the funeral services of Ray Tidwell, a druggist. Just 18 days before, Rev. Nichols conducted the funeral of Mrs. Madden Tidwell, mother of Ray Tidwell. It was the largest funeral ever held there, some estimating the crowd to be a thousand people. Rev. Nichols had known Ray for 27 years and was neighbor to him for four years. He baptized and received Ray into the membership of the Methodist church when he was but a lad of 14 years. A few years ago he baptized Ray's older child. He had been steward and Sunday school superintendent of the church. He was loved by all who knew him. He was 39 years of age.

Mrs. Skiles Thomas came Saturday to visit with her husband's parents, Mr. and Mrs. C. A. Thomas, who have been keeping the grandbaby. Mrs. Thomas has been with her husband, Lieut. Skiles Thomas, who is with the Medical Corps and who is headed for foreign service.

Cpl. Harlan Pate of the Army, stationed at the Florence Prisoner of War camp near Coolidge, Ariz., returned to his post Wednesday after a little over a week's visit here with his parents, Mr. and Mrs. Ocie Pate.

S/Sgt. James Keith Connolly is now stationed at Gulf Port Field, Mississippi, he writes his parents, Mr. and Mrs. James Connolly.

NAVY RECRUITER HERE

V Mail

When a soldier or a sailor is low in spirits there is nothing that will cheer him up as much as a letter from home, so the War and Navy Departments have devised a method of getting "the word" to its fighting men with the greatest dispatch. This is the microfilm method of transmitting letters, known to all of us as V-mail.

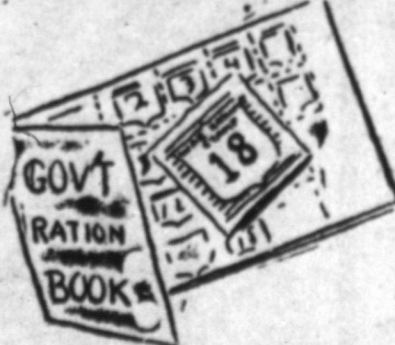

Any news from home is bound to please our soldiers and our sailors but the news they want to have most is the news from our production front and news that we are winning our fight against inflation by our savings and investment in War Bonds. U. S. Treasury Department

SHALL WE LET HIM COME HOME TO THIS?

We cannot allow Inflation, a great and disorderly rise in all prices, to occur in this land.

Either during the war or after it. That is the supreme reason—among many other sound ones—why every man and woman of us should put every dollar that can be reasonably spared into additional War Bonds now.

It may be shocking to discover that you, personally, may have been contributing to bring on such a national tragedy; by mere PARTIAL support of the Government in its efforts to raise money for the war.

Here is a simple basic truth, about the nation's monetary affairs, which every American must understand:

Every available dollar which we fail to put into War Bonds compels our Government to CREATE A NEW DOLLAR—to take the place of the one we do not lend.

This manufacture of new money in great quantities has been the root cause of every disastrous inflation recorded in history.

It is now going on in this country by the millions of dollars monthly.

GET YOUR

ICE CREAM
—at—

GROCERY STORE

Our active money supply has already increased \$43,000,000,000 since the war began. It has more than doubled in that time.

If all of us—individuals and business firms—do not lend the Government far more than we did in 1942, this increase WILL GO ON at an estimated rate of at least \$30,000,000,000 each year the war lasts.

Should this happen, with two more years of war, our money-supply would be inflated to a total almost FOUR TIMES what it was in 1939.

You do not need to be an economist to realize that this progressive enormous inflation of the nation's money-supply is at the same time piling up the difficulties of preventing a great and disorderly rise in prices.

This wartime manufacture of new money must be lessened greatly, if such a disaster is to be averted. It is that necessity which explains the WHY behind the Government's colossal taxation and borrowing program.

You surely know that our Government, if it is forced to do so, could get the extra money it needs to apply its current war bills by running the money off the printing presses, the way Germany did in the twenties.

Have you ever thought, "Why doesn't it? Why does it tax me so heavily? Why does it bother me continuously about loans?"

The answer is: the Government, in your long interests, must do everything possible TO KEEP TO A MINIMUM this wartime creation of new money.

The best way to lessen this perilous swelling of our money supply is by taxation. The next best way is for all of us—every individual and every business firm—to lend the Government every dollar we can reasonably spare.

Whatever you pay in taxes, whatever you lend, LESSENS BY SO MUCH the new money the Government is obligated to create.

This is the crucial role each one of us, as an individual, plays in safeguarding the future of the nation at home, while our boys do so abroad.

Whatever else you may be humbly doing for your country, in this momentous period, this basic responsibility of a citizen must be added to it.

It is hard—and may get harder—on everybody. But whatever the inconveniences an sacrifices may be, how will they compare with what will have been done by the 10,000,000 young men and women who, at their best years, have broken their careers to win the war?

What kind of land shall we let these boys come home to?—From Book-of-the-Month Club advertisement.

Minor Received By Eastern Press With High Praise

The name of Max Minor may appear in sports page headlines more than ever before this fall, if press reports coming out of New York City are to be relied upon, for the former Tahoka Terror of Tahoka High School and the University of Texas football and track fame is now a student in the U. S. Military Academy at West Point, and is appearing, in practice, on the first squad.

Minor, who was outstanding on Tahoka High's Bulldogs as a half-back, who equaled the nation's record in high school 220 yard low hurdles and once captured the state championship in track for Tahoka single-handed, who was one of Coach D. K. Bible's favorite backs and Coach Clyde Littlefield's sprint stars for the U. of T. Longhorns, a leading student scholastically in both high school and university, and vice-president elect of the University student body, is being heralded by New York City papers and magazines as the back to watch in the East this fall.

The New York Times recently carried his picture, and other big metropolitan newspapers are giving him the works.

This week a book appearing on Tahoka newstands, the 1943 Illustrated Football Annual, has probably more to say about Minor than any other player in America, the following being two of several quotations:

In the feature article, page 5: "As backfield bonus there's a lowly plebe, freshly appointed, named Max Minor. Just a plebe—but for the past two seasons he's been top back of the Texas Longhorns. Sprint champ of the Southwest, 190-odd pounds of plow-'em-under power, wise in every gridiron dodge, Max Minor of U. S. M. A. may well be the season's sensation.

The East, page 25: "Minor, great Texas University wingback of '42, may be the Back of the Year on the Team of the Year. Sprint champion of the Southwest, packing 190-odd pounds on a compact 5' 10" frame, this swift Tahoka traveler simply runs through those tacklers he can't outspeed. Fully experienced, adept in every backfield pivot and feint, superbly supported, he's in a spot to make the nation forget the fabulous feats of Frankie Sinkwich."

Minor would have been a senior at the University this year, but was given an appointment to West Point this summer by reason of his high scholastic record in high school and at the University of Texas, where he was one of the highest ranking students.

He writes his mother, Mrs. John Minor, that he has seen Lt. Charles Gagnat, who is stationed near-by and who graduated at West Point last Spring, and that Charles is giving him many valuable pointers on how to get around at this most difficult war college.

Max is one of the four Minor brothers, all athletes, in the Armed Forces.

Lt. James Minor is in North Africa with the Army; Jack Minor, seaman first class, is with the Navy Seabees in Bermuda; and A. J. Minor is just completing boot camp at Norfolk, Va., where he is in the Navy Seabees, following which training he is supposed to receive a rating.

Cpl. Johnnie Raindi of San Marcos has spent a week in the home of his parents, Mr. and Mrs. Frank Raindi Sr., near Dixie. He will visit in Big Spring and Brownwood before returning to duty.

Miss Lois Smith, teacher of physical education in the Cleburne high school, left Monday for that city to resume her work after visiting her mother, Mrs. H. C. Smith, and brothers here.

INSECT DAMAGE TO STORED GRAIN IS PREVENTABLE

Lynn county farmers are now in the midst of harvesting their 1943 grain sorghum crop. Every year farmers suffer from insect damage to stored grain.

A large part of the heavy loss in stored grain which Lynn county farmers, as well as other Texas farmers, suffer yearly from insect damage could be eliminated at small expense. J. C. Smith, county agricultural agent of the A. & M. College Extension Service, estimates that the insects could be destroyed at the cost of a fraction of a cent a bushel.

Weather conditions in Lynn county usually are ideal for maximum development of insects which damage stored grain. Hence, control should begin in the field. Grain should be thoroughly dry when harvested. Grain stored in Lynn county with a high moisture content is the best brooder for destructive insects. When grain is mature and thoroughly dry it is wise to harvest it quickly and put it into storage because many of the pests attack it in the field.

Before putting the newly harvested grain into storage all carry-over grain should either be disposed of or fumigated. If disposed of, the bin or granary should be cleaned and then sprayed with a mixture of one gallon dormant tree oil emulsion and three ounces of lye in nine gallons of water. This will kill insects concealed in cracks or corners.

To obtain successful fumigation, the bin or granary should be as nearly air-tight as possible. For this purpose, Smith recommends a mixture of one part ethylene dichloride and one part carbon tetrachloride as an inexpensive, non-inflammable and effective fumigant. It does not harm germination regardless of quantity applied, exposure, or moisture content of the grain. The mixture should be applied to the surface of the grain at the rate of six gallons per thousand bushels. The grain should be inspected once monthly for signs of reinfestation.

Summarizing, Smith says that fumigation is successful only when (1) the bin or granary is tight; (2) the temperature is above 85 degrees Fahrenheit, and (3) sufficient and effective fumigants are used.

Cpl. W. H. Fulkerson Jr. underwent appendectomy Sept. 6 at the Lubbock Army Air Field, where he is stationed. This week he was reported to be recovering nicely.

Baptist Meeting Will Open Sunday

Rev. S. F. Martin, evangelist from Memphis, Texas, will do the preaching in the revival meeting at the First Baptist Church starting Sunday, Sept. 19, and continuing through Oct. 3, according to Rev. A. C. Hardin, pastor. J. W. Goodell of Tahoka will direct the song services.

Morning services will be at 10:00 o'clock and evening services at 8:30. "Bro. Martin has been having some outstanding meetings," Rev. Hardin's announcement states. "We feel fortunate in securing the services of this able man. He will be with us Sunday morning. Let's have a great crowd to hear him the first service. Yes, we know you are going to be busy. It was a busy time in the town of David when Christ was born. Jerusalem was a busy place when He was tried and condemned to die. The greater the sacrifice, the greater the victory. Come be with us and we will do these good."

Elder and Mrs. R. P. Drennon and son Robert, the latter in the Air Corps at San Marcos, were here Monday afternoon from Melrose, New Mexico, where Elder Drennon is pastor of the Church of Christ. The Elder came down to have some dental work done, but was disappointed to find Dr. Durham gone to the hospital for an operation.

ELDER DRENNON'S NOTES

We had a very pleasant Labor day. Our son Robert and daughter Martha, also son's wife and her mother, were with us. Robert is in the Army Air Corps, in training at San Marcos. The day was so cold that we lighted the fires until noon. If it had been damp, I believe we would have had frost.

Talk about dry years, the official report in Clovis was 3.45 inches for the first eight months of this year. It is about the same here. Despite the drought we made a fair wheat crop and will make quite a bit of broomcorn.

The citizens are worked up over the fact that a German prison camp is being established in the heart of our little town.

Our hearts were made glad last week when the citizens voted liquor out of Clovis. I wish it was out everywhere, especially around the Army camps.

We were indeed sorry to read of our friend Hill's injury. Hope he is up and around again. We sure do enjoy his editorials.

I made a talk at the opening of the school here, and my mind went back to the school at Tahoka and my preaching the two Baccalaureate sermons, one for Robert's class.

I hope to be back in Lynn county soon, so so-long everybody until I see you.—R. P. Drennon.

CPL. SCHULZ ATTENDING ARMY RADIO SCHOOL

Cpl. Eugene C. Schulz, son of Mr. and Mrs. Chas. Schulz, Dixie, who formerly attended Tahoka High School, is now attending the Army radio school as a member of the glider infantry at Camp Mackall, North Carolina. He entered the Army February 23.

Mrs. Schulz reports that Cpl. Schulz greatly enjoys The Lynn County News, which he receives each week.

Former County Commissioner and Mrs. Tom Hale have returned from a stay of several weeks at Hot Springs, N. M., where they have been for the benefit of their health.

CPL. MILDRED COOPER WEDS ARMY SERGEANT

Sgt. and Mrs. Charles K. Harris of Camp Abbott, Oregon, arrived last Friday for a few days' visit with her parents, Mr. and Mrs. E. J. Cooper.

The marriage rites uniting Cpl. Mildred Cooper of Tahoka, of the WACs, and Sgt. Harris of Oakland, Calif., of the Army, were performed by the Post chaplain in the Chapel at Camp Abbott, where both were stationed on Wednesday, Sept. 1.

Following a reception held in their honor, the couple went to Oakland for a visit with the groom's relatives, and from there they proceeded to Tahoka.

They will make their home in Abbott. Mrs. Harris was practically reared here and graduated from the Tahoka High School. She attended Howard Payne College, where she specialized in voice. For a time she was employed at the Glider Base at Lamesa before joining the WAC.

MISS PRESTON MARRIES

Announcements of the marriage at Fort Hancock on Tuesday, Aug. 31, of Miss Mary Preston to Charles Herman Schroder have been received by the bride's friends in Tahoka. The couple will make their home at McNary, near which place Miss Preston had taught during the past two years.

While the groom is not known here, Mrs. Schroder has spent most of her life in Lynn county. She is a graduate of Mary-Hardin Baylor College and of Southwestern Baptist Theological Seminary at Ft. Worth. She is a well-known teacher of the county and was active in educational and religious work while a resident of this county. Many friends here wish happiness to the couple.

NUT TREES DOING WELL

Ben Moore of O'Donnell is displaying some excellent pictures as evidence that pecan and walnut trees do well in this section.

He has a large picture of the fine A. L. Lockwood pecan and another of C. E. Woodworth's English walnuts, and others of the Dr. J. E. Campbell, O'Donnell, black walnut, and M. F. Bellaw's pecan trees.

Those experimenting with nuts in this area are finding that they do unusually well when the proper varieties are planted.

PHIBE K. WARNER CLUB HAS FIRST MEETING

The Phebe K. Warner Club held its first meeting of the season in the home of Mrs. J. K. Applewhite Tuesday, Sept. 14.

The program included a reading, "The Clock on the Wall of the Depot," by Miss LaVoyle Richardson, and two piano numbers by Miss Charlene Bucy, "Berceuse" by Iivansky and "Russian Romance" by Rudolph Fremal. Mrs. Winston Wharton, the president, spoke on the subject "Looking Forward."

Refreshments were served by the hostess to the following: Mmes. N. E. Britton, Fred Bucy, John Chandler, R. W. Fenton, Douglas Finley, H. E. Mather, A. L. Pace, R. L. Richardson, G. M. Stewart, Woodrow Walker, Ben Hardy, Winston Wharton, and one guest, Mrs. Thomas Applewhite.

Walter L. Carley, Dallas arrived last Friday for a visit of two weeks with his brother-in-law and sister, Mr. and Mrs. J. K. Callaway. Mr. Carley visited here about ten years ago.

Dr. J. A. Hill, president, and Dr. Stuart Condon, head of the government department, of West Texas State College, Canyon, visited the former's brother, E. I. Hill, a short time Tuesday. They were returning home from Abilene, where they attended the installation ceremonies of Dr. Harold G. Cook as president of McMurry College.

Their Eyes Need Good Lighting

NOW, MORE THAN EVER, their eyes need good lighting. Tests show that 35 per cent of all children develop defective eyesight during school and college years . . . due largely to insufficient light. Don't let this happen to your child because you failed to provide good light for him to study by.

Although there will be no more I.E.S. lamps manufactured for the duration, we give you these five points for protecting precious eyesight.

1. Keep lamp bulbs and fixtures clean.
2. Avoid direct glare from electric light globes. Use indirect reflectors whenever possible.
3. Don't work in your own shadow, especially on close work.
4. Use the right size globe to supply enough light and the proper kind of light.
5. Don't waste electricity.

Will save the church. Eph. 5:23.

Brother Porter Turner from Littlefield has moved to O'Donnell to work with the church there. We are very glad to have this good man come to Lynn county to help carry on the Lord's work. We feel sure that the people of O'Donnell will be benefitted by the presence of this fine family. May success and happiness be yours, Brother Turner, during your stay with the O'Donnell brethren.

Alvis Bryan of Seminole will fill the pulpit at Grassland next Lord's day. Everyone living near Grassland should go hear this talented young minister. The Grassland brethren are fortunate in securing Brother Bryan's services.

The faithful in the Lord will be meeting at New Home next Lord's day for worship. Meet with them and we feel sure that you will be able to say, "It was good to have been there."

Garnie Atkisson closed a very enjoyable meeting with the Church at Gordon last Sunday night. The brethren at Gordon are very zealous and are abounding in Orphan's Home work. The visible results of the meeting were four baptisms. If the Lord wills, Brother Atkisson will return next year for another meeting.

Every member of the Tahoka congregation is urged to put everything aside and be present for the Bible study next Lord's day. The Bible study is for you. Will you be there or elsewhere? Brother Atkisson has finished his meetings and will be here for some time now. You expect him to be present and on time at all times. Had you ever thought that he also expects you to be present and on time? Resolve now to be there.

Garnie Atkisson Is Re-elected by Church

Garnie Atkisson, minister of the Tahoka Church of Christ for the past two years, has been re-elected for another year by the Elders and Deacons, according to Tobe Kennedy, secretary.

The church has prospered under Atkisson's ministry, a number of new members having been taken into the church, and improvements have been made to the church property.

This year, a basement of two class rooms and rest rooms has been added, and the interior of the building completely redecorated. Improvements are not yet complete, as the church plans redishing the outside stucco, and repainting the outside woodwork.

Elder Atkisson and family have made many friends here who are glad that he will remain with the Tahoka Church of Christ.

METHODIST CHURCH

Sunday is Rally nad Promotion Day in the Sunday School. This is the day for each member of the Sunday school to be present. You may have been irregular during the year, but this is Rally Day and it means that every pupil should be present in his class. Let's be one of the 250 we expect to be in Sunday school Sunday. We have a large gain in enrollment this year so, we want to see you in your class.

Promotion Day is a great event in the lives of the boys and girls when they are promoted from one division to another, and from one class to another. Parents should make an extra effort to come with their children Sunday and see them promoted. The children expect you to be there, parents.

The pastor will be in his pulpit Sunday. He was absent last Sunday on account of a funeral he held in Central Texas. The subject Sunday morning: "Mending the Net." This sermon's aim is to prepare each of us for the coming revival—beginning the first Sunday in October. We want to be fishers of men, but to be successful we must do some mending within.

Let's have a large attendance like last Sunday—it will help you like last Sunday—it will help you and to the pastor.

Sgt. Tom Draper Tells Of Life In England

Sgt. Tom Draper, who is in England, writes his parents, Mr. and Mrs. I. M. Draper, that he is seeing many magnificent palaces and churches near London.

More appealing to him, however is the fact that he has found a 10-acre field in which he drives a tractor while one Bill Draper rides a combine and harvests barley. Fields over there contain 1½ to 10 acres, and each is surrounded by a hedge of trees.

This English Draper family lives near Tom's base and is entertaining Tom royally, serving tea twice daily. He says they wonder what he do over here during the tea hour.

Tom says the Red Cross is doing a fine job entertaining the soldiers. He mentions going to a show with Sgt. Felix Macna. He is surrounded by fine, hospitable people and is enjoying life in England.

Howdy, Folks!

I am glad to announce that BEGINNING SEPTEMBER 15th I shall be back HOME enough to personally supervise my business.

I am sure you would want me to continue to serve Our Boys as much as the need demands in the Government Cleaning and Pressing Shop at the Hobbs Air Base, where I was called about a year ago. But, I assure you, I will be happy to be in good old Tahoka for part of my time.

I have endeavored to render a cleaning service here, too. Now, I am in a position to do an even better job here. I am adding additional equipment to give better cleaning and a special machine to assure the correct measures of dresses.

I have a full force of mature, experienced, competent workers who will be ON THE JOB FULL TIME. I am allowing full time to a checker. This I am sure will make more efficient the handling of clothes as they are checked in and out.

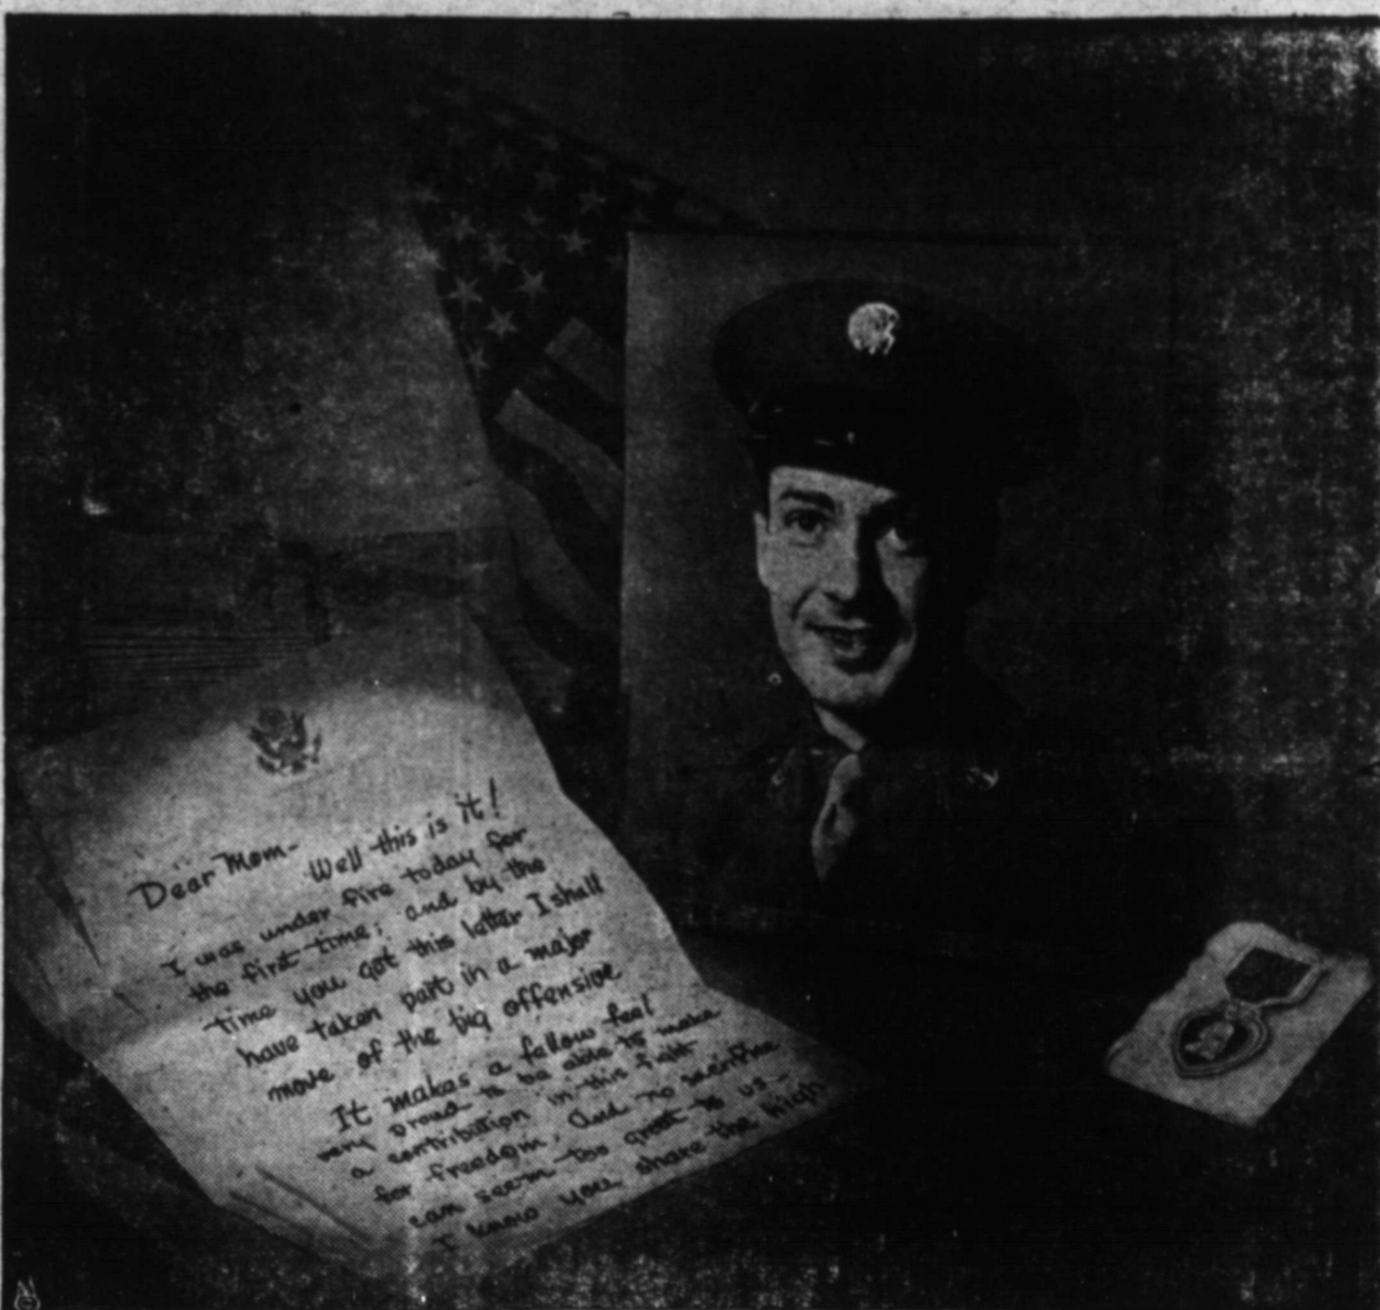

I am glad to announce the resumption of deliveries. Naturally, this service must be limited, and I am sure you will continue to bring and call for your garments when at all possible. We will call for regular bundles Monday A. M., Wednesday afternoon, and at the end of the week we will pick up and deliver. Please plan your demands on our car service for these days. We will continue this service so long as possible with limited gas and tire rationing.

That's all that's left of Tod Sloane. The flag he always had in his room. The picture he had taken for Mother's Day. His letters from the induction center . . . from the camp where he got his basic training . . . and with less and less regularity . . . from many places overseas. Then there was that last letter: almost as if he knew what was coming, and wanted his folks to understand that he had no regrets . . . "no sacrifice can seem too great," his very word! And the Purple Heart he was awarded posthumously is all that will ever come home of Tod Sloane . . . and thousands like him. Sgt. Tom Draper Tells Of Life In England

Sgt. Tom Draper, who is in England, writes his parents, Mr. and Mrs. I. M. Draper, that he is seeing many magnificent palaces and churches near London.

More appealing to him, however is the fact that he has found a 10-acre field in which he drives a tractor while one Bill Draper rides a combine and harvests barley. Fields over there contain 1 1/2 to 10 acres, and each is surrounded by a hedge of trees.

This English Draper family lives near Tom's base and is entertaining Tom royally, serving tea twice daily. He says they wonder what he do over here during the tea hour.

Tom says the Red Cross is doing a fine job entertaining the soldiers. He mentions going to a show with Sgt. Felix Macna. He is surrounded by fine, hospitable people and is enjoying life in England.

Howdy, Folks!

I am glad to announce that BEGINNING SEPTEMBER 15th I shall be back HOME enough to personally supervise my business.

I am sure you would want me to continue to serve Our Boys as much as the need demands in the Government Cleaning and Pressing Shop at the Hobbs Air Base, where I was called about a year ago. But, I assure you, I will be happy to be in good old Tahoka for part of my time.

I have endeavored to render a cleaning service here, too. Now, I am in a position to do an even better job here. I am adding additional equipment to give better cleaning and a special machine to assure the correct measures of dresses.

I have a full force of mature, experienced, competent workers who will be ON THE JOB FULL TIME. I am allowing full time to a checker. This I am sure will make more efficient the handling of clothes as they are checked in and out.

I am glad to announce the resumption of deliveries. Naturally, this service must be limited, and I am sure you will continue to bring and call for your garments when at all possible. We will call for regular bundles Monday A. M., Wednesday afternoon, and at the end of the week we will pick up and deliver. Please plan your demands on our car service for these days. We will continue this service so long as possible with limited gas and tire rationing.

BRING HANGERS FOR ALL GARMENTS! Thanks!

Dear Mom— Well this is it! I was under fire today for the first time; and by the time you get this letter I shall have taken part in a major move of the big offensive. It makes a fellow feel very proud to be able to make a contribution in this fight. See Fred & W. And no more of the same. You can't see me. I'm home.

That's all that's left of Tod Sloane. The flag he always had in his room. The picture he had taken for Mother's Day. His letters from the induction center . . . from the camp where he got his basic training . . . and with less and less regularity . . . from many places overseas. Then there was that last letter: almost as if he knew what was coming, and wanted his folks to understand that he had no regrets . . . "no sacrifice can seem too great," his very word! And the Purple Heart he was awarded posthumously is all that will ever come home of Tod Sloane . . . and thousands like him. You can pay a memorial tribute to these American Heroes, by making some small sacrifice yourself: enough to permit you to buy an extra \$100 in War Bonds this month! That will avenge all the dead Tod Sloanes, and guarantee YOU a wonderful life!
