After next Saturday, October 2nd, the subscription price of the Lynn County News will be \$1.50 in Lynn and adjoining counties and \$2.00 elsewhere. Sérvice men and women may receive the paper at the local rate, \$1.50 per year,

The News, contrary to the policy of some of our brother-publishers, is giving a few days grace, during which our subscribers may still get the home paper at the old price without their feeling that we took advantage without giving previous warning.

The News had hoped to keep its price down to \$1.00, which already was less than the price charged by most county seat weeklies. However, newsprine and all other printing materials have continued to rise and rise, labor is higher, living costs have increased, and the Government is seeking to cut down on the use of paper by the newspapers, all because of the war, and The News has finally had to raise its subscription price.

We now have 2,300 readers, 300 of them service men, and we want to keep every one of these subscribers in our reading family. This notice will give our readers an opportunity to renew their subscriptions at the old rate. But, remember, daily subscriptions have already been frozen, and weekly subscription lists may be frozen soon, necessitating the renewal of subscriptions before the expiration

## The World's War-Free Frontier! ... be ready to drive right over

No fierce border forts or haughty garrisons separate the U.S. and Canada, where peaceloving good neighbors welcome you. But there's fight in the fish up there. "When the lights go on again, all over the world," you can steer for the Canadian Rockies or quaint Quebec, without even a passport. You'll need a car, of course, but re-designing and re-tooling for new cars will take long months. So for prompt recreation after hard-earned Victory you'll need your present car!

But note: Rationed mileage that might seem to conserve your car now, may actually be destructive, because it encourages the inroads of engine acid!

You don't want that, and that's why to have your engine OIL-PLATED by changing to Conoco Nth motor oil. It's popularpriced but includes the modern synthetic whose strong "magnet-like" force attaches OIL-PLATING and maintains it - even for days-on inner engine surfaces, sort of "walling them off" from corrosive acid.

Always produced by combustion, this acid was little worry when constant driving kept the heat on it. Yet now, despite aggravated conditions, acid can be still less worry!-because you can OIL-PLATE with Nth today, for your engine's future. Continental Oil Company

NOTICE TO THE PUBLIC: Any erroneous reflection upon the reputation or standing of any individual, firm or corporation, that may appear in the columns of The Lynn County News will be gladly corrected when called to our attention.

For many years. The Lynn County News has kept its subscription price at only \$1.00 per year, and at that price-in the reach of everyone-the paper has built up a fine subscription list-2300 at the present time-without the use of solicitors or campaigns. We have at all times tried to give our readers and our advertisers at least a little bit more than their money's worth. But, with increasing costs of production, we are now forced to raise our subscription price to \$1.50 per year to those living in Lynn and adjoining counties and to service men, to others the price will be \$2.00 after October 2nd. Thus, our subscribers yet have an opportunity to renew at the old rate of \$1.00 for this vicinity and \$1.50 for those living at a distance. When the war is over, and the cost of production returns to normal, The News hopes to return to the old rate. Renew your subscription before the end of next week.

Pfc. Calvin E. Waldrip, 19, of the U. S. Marine Corps, left Thursday after a three day visit with his parents, Mr. and Mrs. C. E. Waldrep, southwest of town. He was returning to a base in Washington.

Waldrep was home for the first time from the North Pacific theatre of war, where he has seen the war at its roughest. As a member of the Marines he has been with more than one landing force. In fact, on one occasion, his outfit landed on enemy held land ahead of the main landing force, and for several days harassed the enemy within their own lines.

He says our losses have been very heavy at time, but hastens to say that the enemies' were ...much heavier. He feels fortunate to have come out of the war in one piece Waldrep is a range setter on a

#### Wilson McLaurin Is In New Guinea

S/Sgt. Wilson McLaurin, 31, indicates in letters from New Guinea his mother, Mrs. Ella-McLaurin of O'Donnell, that life on that faraway Southwest Pacific island is pretty rough. He is a gunner of a B-24 bomber and was among the first American boys to land on that island nearly a year ago.

He doesn't believe anything will break the spirit of the American boys, because, if there was, he says, their spirit would already be broken. They can still stand in line in the mud and rain and heat and laugh

The boys stand in line in the rain for chow, and occasionally they get to a show but usually stand in the rain again. However, he sees beauty in the jungle, too, for he writes Mrs. McLaurin of the vari-colored birds of rare beauty.

S/Sgt. McLaurin was born the day Woodrow Wilson was inaugurated president. He is a graduate of O'Donnell High School.

Two other sons of Mrs. McLaurin are in the service. She went to Amarillo Tuesday to meet Pvt. Hornaday McLaurin, 19, who was coming home on furlough from Camp Mackall, N. C., where he is stationed with the glider infantry. He has been in the Army since February 21. The third son is Sgt. M. L. McLaurin, 24, who has been in about 18 months and is stationed at Pine Camp, N. Y., where he is a tank commander.

> N. R. Booth and Rev. H. H. Hollowell of the O'Donnell Rotary Club The elder Mr. and Mrs. Metcalfe proposed that a fund be made up by organizations of the county to pay telephone, office and other expenses incurred in waging the War Bond drives, and Pres. Travis Hanes asked the War Activities committee to work with the O'Donnell committee on the matter.

Visiting Rotarians were Rev. H. H. Hollowell, N. B. Booth, and Hervey Gardenhire, Lamesa,

Other guests were: Rev. Sid Martin, Memphis, Texas, who is conducting the revival at the Baptist Church, Rev. Durham, father of Dr. K. R. Durham, "Dub" Kenley of the Army Air Force, and Sgt. McLean, who accompanied Capt. Reilly.
