Armistice Observance Is Planned Here

Former Citizen Is Shooting Victim In South Texas

In response to a telegram received Tuesday night, informing them that their nephew, Rura Reid, had been shot and killed near Mercedes, Mr. and Mrs. Tom and George Reid and daughter Eva Jo, of this city, and Jasper Reid of Brownfield left here at an early hour Wednesday morning for that city without knowing any of the details of the killing.

Press reports published Thursday morning, however, stated that U. S. custom patrolman Paul White and Raul Guzman, mistaking Reid for a liquor runner, had shot and killed him.

Reid, 26, son of Robert Reid, had made a dying statement to the effect that the two men ordered him to halt; and mistaking their action as an attempted hold-up, he refused to stop. He was driving a truck, and they pursued and shot him.

The two men were charged with murder and had each been placed under a \$5,000 bond.

The Reids formerly lived in Tahoka, Robert being a rural mail carrier here. Eura was a student in the Tahoka schools.

The tragedy seems to have been the result of mistaken identity on the part of all concerned.

Charles Lichey, 75, Died Wednesday

Charles Lichey, 75, a resident of Lynn county for the past 31 years, died at 12:15 o'clock Wednesday afternoon at his residence eight miles north of Tahoka from an attack of heart trouble.

Mr. Lichey had been busy about the house and went to his bedroom. Members of the family found him doubled up in bed shortly thereafter apparently suffering great pain. Dr. Prohl was summoned and hastened to the residence, but the patient lived only a short time after his arrival.

Funeral services are to be held at 3:00 o'clock this afternoon at the Harris Funeral Chapel, with Rev. E. Herber of Wilson officiating.

Mr. Lichey was a native of Germany, having been born in that country on June 17, 1867, but he came to the United States at the age of 17. He was married to Miss Louise Gerstenberger at Welmar in Colorado county in young manhood. He is survived by the widow, three sons, and one daughter, Walter and Charlie Lichey of Tahoka and Kent Lichey of South Gate, Calif., and Miss Frieda Lichey of Tahoka.

The son in California could not get immediate passage, and he is not here for the funeral.

Mr. Lichey was a member of the Lutheran Church and one of the most highly respected citizens of this county. The family have the sympathy of hosts of friends in their bereavement.

House Burned At Wilson Sunday

J. C. Key of Wilson brought word to The News office Tuesday that on Sunday afternoon a farm house just east of Wilson belonging to L. A. William G. Lumsden and occupied by Dock Holder and family had been totally destroyed by fire.

Lumsden, whose wife is the former Wanda Lee Tinsley of this city, is a navigator on a warplane somewhere in the Pacific.

Mr. Holder and family were away from home Sunday afternoon and have no idea how the fire started. They lost all their household goods, on which they carried no insurance. The house was only partially insured.

E. J. Tanner Jr. returned Wednesday from Valley Mills, where he spent a week with relatives.

Standing just back of a tractor which he was operating, he threw it into gear in order to move it back closer to a trailer just behind him but failed to stop it in time to keep from being caught between it and the trailer, with the result that he suffered a compound fracture of the right thigh and severe bruises on the left leg.

He was brought hurriedly to the Tahoka Clinic, where first aid was given and the patient was sent on to a Lubbock hospital for further treatment. Reports from the hospital early this week were to the effect that the patient was showing remarkable recovery.

Wac Tells of Pearl Harbor Attack

Lt. Dede Cook, of the WAC recruiting office in Lubbock, and a native of Honolulu, Hawaii, brought one of the most stirring patriotic talks of the year at Thursday's Rotary Club luncheon.

Lt. Cook told of the Pearl Harbor attack, the feelings and reactions of the people, her own feelings, the strange awakening to the fact that the attack residents of Hawaii were expecting had at last come, though earlier than they expected, and also the strange feeling of finding people she had known intimately arrested as saboteurs.

She said the Air Forces alone desperately needed 600,000 women to relieve men for possible service on combat areas.

She ended with a strong appeal for more women in the WACs, and everyone present, no doubt, left Thursday's meeting realizing the importance of the Women's Corps of the Army, as well as a deeper appreciation for our way of life.

Carl Griffing also spoke on the coming financial drive for support of the Boy Scouts.

Maurice Small spoke briefly of the premiere showing of "This Is The Army" next Thursday night. Included among visitors were E. E. Hancock, superintendent of schools at Brownfield, Bill Sewell, cashier of the bank at Slaton, both of whom are former citizens, and Tom Gill, new Santa Fe agent here.

Cotton ginnings in Lynn county have already run well above 50,000 bales, possibly as much as 52,000, according to the best estimates The News can make.

Thad Smith of New Home, critically ill for several weeks in a Lubbock hospital for several weeks with blood-poisoning, is reported to be slowly improving.

Armistice Day, November 11, will be observed all day in Tahoka, and every person in Lynn county is invited to participate.

The program throughout the day will pay tribute to our boys in this war, those in the last war, and is designed to point out more forcibly the things for which we are fighting.

The day's program starts with a parade at 10:30 a. m. through the down-town streets, followed by a program in the school gymnasium at 10:45. In the afternoon, at 2:30, Tahoka plays Seminole on the local field, and at night at the Ada Theatre will be premiere showing of Irving Berlin's technicolor picture, "This Is The Army," the entire funds from which will go to the Army Emergency Relief Fund.

The parade will form at the Legion Hall at 10:00 o'clock, and will consist of the color guard, American Legion and Auxiliary, float honoring men in the service, Co. F Texas State Guard, Grade School, Ex-Student Honor Roll float, Red Cross float, High School float, and school students. Coke Stevenson as associate justice of the court of civil appeals, of Amarillo, will be the principal speaker at the program at 10:45 at the school gymnasium. Judge Heare, who is a brother of J. L. Heare of Tahoka, is one of West Texas most outstanding lawyers.

Also included on the program will be a brief recognition service by the Legion Auxiliary honoring all gold star mothers in the county, and men now in the service; and music furnished by the local schools. The program will last only one hour.

At 2:30 p. m. Tahoka Bulldogs seek revenge from an earlier defeat at the hands of the Seminole Indians. The game played at Seminole will not be repeated here, the Bulldogs have promised, and a rejuvenated team is expected to take the field Armistice Day.

The premiere showing of "This Is The Army" will be at the Ada Theatre at 7:00 and 9:00 p. m. This is one of the greatest shows ever produced, and every mother and father, sister, brother, wife, or sweetheart of a service man is urged to see it.

This is the show that was donated by Irving Berlin, Warner Bros., and many prominent movie stars for the benefit of the Army Emergency Relief Fund. No one gets a dime from the proceeds, which will go to aid soldiers and their families who are in distress. The local theatre, through D. B. English and Maurice Small, is donating the house, lights, etc.

Tickets for Thursday night's show are \$1.10, and are on sale there, at the drug stores, and by Rotarians, State Guardsmen, and Legionaires.

Mail Christmas Packages Early

Christmas mail and packages, to insure arrival on time, must be mailed earlier than ever before, Postmaster Happy Smith warns.

Due to the fact that mails are crowded with official business and service men's mail, and to the fact that 30,000 postal employees have gone into service and transportation facilities are limited, mail will be congested during the holidays.

This year, November is the time for mailing Christmas gifts and cards. Gifts should be marked "Do not open until Christmas."

Local NFLA Reports Prosperous Year

Carl Griffing, secretary-treasurer of the Tahoka National Farm Loan Association, reports that a most interesting meeting of the stockholders of that organization was held last Saturday and that the financial report made to the body indicated that farmers have enjoyed unusual prosperity during the last fiscal year, which closed on June 30, 1943.

In addition to the secretary-treasurer's report, interesting talks were made by Judge C. Smith, county agent, Ross Smith, field representative of the Production Credit Association, H. E. Mather of the Soil Conservation Service, and Deen Nowlin, one of the F. L. A. directors.

Nowlin and G. M. Stewart were re-elected as directors. Other directors are: R. C. Wood, president, A. J. Edwards, vice-president, and Oscar Roberts.

Mr. Griffing says that the financial report for the last fiscal year showed that while only 33 new

farmer loans were made, aggregating \$110,000, a total of 162 old loans, aggregating \$474,925, were paid off during the year. These loans were paid, too, from the actual earnings of the borrowers and not from re-financing the loans. Thirty-five new Commission loans, which mean second-lien loans, were taken out during the year, amounting to \$58,300, but 159 old commission loans amounting to \$273,750 were paid off.

That so many of the farmers were able to pay off their loans in full and so few farmers made application for new loans is evidence, Mr. Griffing commented, of the healthy financial condition of the country.

Southland News

(By Mrs. Martin Truelock)

We wonder how Sgt. William Basinger in Kingman, Ariz., felt when he read his home-county paper, informing him of his visit with his parents. We didn't learn that the report was a mistake until after the paper had gone to press.

The representatives of the Duncan Music Co., who will soon begin a class in Slaton, were tuning their instruments early at the Halloween Carnival at the High School Friday evening; they gave a 30 minute program, using Spanish, Hawaiian, and electric guitars. A magician was supposed to accompany them here, but was probably afraid the goblins would get him.

The Senior booth was soon sold out of cold drinks, ice cream, and candy. Other classes increased their funds for their candidate for queen by various booths and guessing contests. The children missed the fishing pond, etc., not seeming to realize the scarcity of prizes, etc.

About \$75.00 in chances were sold on the \$25.00 War Bond. Tim Field Jr.'s name was drawn. We didn't learn the amount of the cake auction, but B. H. Thomas Jr. made the winning bid.

The Queen's retinue included: (Freshman) Mary Lou, Duchess of the House of eWst, accompanied by Billy, Duke of Lancaster; (Sophomores) Eddie Marie, Duchess of the House of Cummings, and Lloyd, Duke of Mock; (Juniors) Alice, Duchess of the House of Fowler, and Jack, Duke of West.

The Queen of the Carnival, Allawane Bland, was crowned by King Roderick Duff, also of the Senior class. First-grade pupil, Carolyn of the House of Walker, was crown bearer.

The crowd then went to the gym for the boxing matches. Lyle Brasfield, Slaton High School principal, who held the same position here last year, was referee. The winners received cash prizes.

Kernit Jackson was declared winner in the bout with Jackie Meeks. Charles Stotts and Jimmie John Spense tied. Troy Bruster won over Max Chaffin, Mack Field and Roderick Duff tied. Wesley Scott won over Max Jackson, and outsiders Melvin Bruster and H. T. Duff tied.

The four boys in the fourth and fifth bouts had just returned from playing four full quarters of football at Whiteface, where we were defeated 12 to 7.

B. R. Arthur received word that the Lynn Weeks of Amarillo have a new daughter. The mother (Madeline Arthur) and baby are doing fine.

Friday afternoon, the pupils of Mrs. O. J. Harmonson's Junior Sunday School class gathered at her home for a Halloween party. At 4:00 o'clock, the hungry school children trooped in and were given weiners to roast, bread, etc. After various games were played, they were served cookie boys, and the marshmallows floating in their cocoa had faces painted on them. Those present were: Doris Jean Sartain, Billie, Norma, and Betty Barkley, Jim Fuqua, Tim Field, Buford Duff, Doris Jean Sartain, and Glynda Grantham.

Sunday morning Mrs. Harmonson's class had 12 present.

Fifteen grade school pupils, all of them either living in or near town or having relatives here, stayed after school Monday afternoon to sing. As eleven of the students attend the Baptist Sunday School, they will sing Sunday morning at the Baptist Church, "Farther Along," a song in unison, and "On the Jericho Road," a song in three parts. There were two representatives of the Lutheran Church and one each of the Methodist and the Church of Christ. At the next meeting the church having the largest representation will be honored with the second selections. They decided to meet each Monday after school.

Those present were: Josephine and Ruby Ruth Becker, Barbara June Brooks, Diane Haire, Mary Frances King, Billie Betty and Nona Barkley, Lena Mae Samples, Jim and Alta Pae Fuqua, Carolyn and Rodney Walker, Robby Joe Oakley, Elton Truelock, Glynda and Calvin Grantham, and Mesdames Barney Walker, C. A. Barkley, R. O. Rankin, and Marvin Truelock.

Cpl. Homer Gilliland's last letter, before the one received Thursday came here in August. This one was written the 17th and arrived the 28th. He said he was well and for his parents, the W. W. Gillilands, not to worry about him. He also stated that he had not heard from them in some time.

Kenneth Ramsey left Wednesday for Houston to visit with a friend, while the latter's mother was in the

hospital for an operation.

Elder Nesbitt of Abilene filled the pulpit of the Gordon Church of Christ Sunday.

Sunday, 24th, James Becker was given a farewell dinner at the gym. About 75 people, including friends from Slaton and Wilson were present. The crowd would have been larger but many people did not know about it.

When James went to Lubbock Monday, his pal was waiting at the hospital with his sister, Dorothy Becked, and when the train pulled out nine boys, all from the same ship, were together.

Two weeks ago, George Bahman's sister, Miss Hilda Bahman of Winters, underwent an operation at Lubbock General Hospital. Mrs. C. P. Bahman, George's mother, who also lives at Winters, has been staying with her and visiting here in her spare time.

Mail service across the Atlantic must be improving. Arthur Stolle, who is in the Army in Africa, wrote a letter Oct. 2 and his parents received it 11 days later. He stated that he was getting along fine so far. In the late summer, Arthur requested his father to send him a pocket knife. The latter searched Lubbock stores with no luck; then learned that a store in Post had three.

Sunday before last visitors of the C. W. Deans were their son, Mr. and Mrs. Harlan Dean, and children of the Joe Stokes community. Mr. and Mrs. Sam Martin and Harley, and Mr. and Mrs. W. A. Hamilton.

Demonstration Of Terracing Nov. 12

Supervisors of the Lynn County Soil Conservation District will hold a terracing demonstration at the Jown F. W. Maeker farm two miles east of Wilson on Friday afternoon, Nov. 12, at 2 o'clock.

Edmund Maeker, son, has proved to himself and his neighbors that terraces can be built with equipment found on most farms. This demonstration is being held to show other farmers that they can build terraces without the use of heavy duty terracing equipment. The county commissioners are co-operating with the District in building terraces, but the demand of farmers for terracing is so great that the commissioners can reach only a small number of those asking for the use of county equipment.

Maeker will demonstrate how he builds terraces with a disc plow on one tractor followed by a small blade on another tractor. He will have several terraces in different states of completion so that farmers can see the full operation from starting the terrace to final completion.

E. L. Blankenship will demonstrate building terraces with a Ford tractor and terracing equipment, and it is expected that other types of equipment will be on hand for demonstration.

B. J. Emanuel, District Supervisor, states that most farmers who want terraces will have to construct them with their own equipment. "My farm doesn't need too many terraces, but I'm going to build them with equipment on my own farm."

H. E. Mather, Work Unit Leader, for the Soil Conservation Service, states that 250 farmers of the county have made application for assistance from the district. Mather states that approximately 100 miles of terraces have been constructed during the past season and that planning work has been completed for approximately 400 miles additional terraces.

Farmers who plan to construct terraces with their own equipment include J. K. Applewhite, E. A. Park, L. C. Johnson, F. O. DeBusk, E. O. Cook, Carl Griffing, Hugo Maeker, Walter Maeker, E. L. Blankenship, George E. Hancock, W. J. Montgomery, H. L. Dunlap, A. B. Hatchell, T. P. Brown, G. C. Coleman, and L. A. Coleman.

TAHOKA H. D. CLUB STUDIES POULTRY

"It is not advisable to can fried chicken because fat when heated to 250 degrees F or 17 lbs. pressure becomes rancid more quickly and often has a bitter flavor," advised Miss Carolyn Dixon, County Home Demonstration Agent, at the Tahoka Home Demonstration Club meeting in the home of Mrs. W. S. Taylor Thursday. She also explained, "Young, tender chickens which are best for frying are not as good canned; they do not have as good a texture and flavor as the older birds, as for example, the two-year-old hens."

Chickens should not be too fat for canning. Miss Kate Adele Hill, district agent for District 2, A&M Extension Service, who visited the club meeting, recommended removing all fat possible and rendering it, for the same facts hold true in excessive fat in canning as in canning fried chicken.

For pretty meat, a chicken must bleed well. Miss Dixon also gave the demonstration on killing and pulling the tendons following the

That announcement made Monday that a five-point agreement had been signed in Moscow by representatives of the three great allied powers, Russia, Great Britain, and the United States, and also by a representative of China, to insure victory and to hasten the end of the war must have brought deep satisfaction to every real American, with the possible exception of a few die-hard isolationists in this country who are still seeing a "booger" behind every English stump and a "nigger" in every Russian woodpile. The four nations have gone down on the dotted line to continue to fight until Hitler and the Huns bow to the demand of "unconditional surrender." Great Britain and the United States agree to do that which presumably means the establishment of a second front. The three nations offer independence to Austria if she will break with Germany and fight with them for her rights. They assure the establishment of democratic Government in Italy. They agree among themselves to turn Hitler and other German leaders over to the nations concerned for trial for the crimes they have committed in those nations, and lastly to establish the machinery after the war to preserve the peace of the world. That whole program suits us to a gnat's heel.

The News is informed that at least three farmers in this county have recently purchased a cotton harvesting machine that has just been placed on the market. If these machines prove to be satisfactory, it means that the cotton harvesting industry will be revolutionized in the course of the next few years, and that the armies of Mexican cotton pickers who migrate to the Plains country each fall will gradually decrease in number to the vanishing point. It would be a strange fall out here on these Plains without hordes of Mexicans on our streets each Saturday afternoon.

Mrs. H. P. Hays and two sons of Midland spent a few days here this week with her parents, Judge and Mrs. G. C. Grider.

ODDS and ENDS

by Kee Eye, the Elder

Evidence comes from many sources that the German people are sick and tired of the war—a war they started themselves with great glee and glamor and gusto and which they have prosecuted with such brutality as was never known before among civilized peoples.

Yes, this war was of their own making. They deliberately set out for a quick conquest of Europe and eventual domination of the world. To that end they attacked nation after nation; and no nation has yet made war upon Germany until it was first attacked by Germany or was compelled to strike in anticipation of what, obviously, was coming.

None of the nations of Europe wanted war with Germany. None of them in fact was prepared for war. Germany alone is responsible for this war and for the carnage and devastation that it has wrought.

Now she is getting sick and tired of it. She sees defeat and disaster ahead of her, and she wants to quit. But she is afraid to quit—afraid of retributive justice, afraid of the punishment which she fears would be meted out to her for her monstrous crimes by the enraged peoples of the war-torn nations of Europe.

So, whichever horn of the dilemma she takes, she sees the hand writing on the wall.

Yes, Germany is sick and tired of being bombed. These bombings are about to get her goat. Possibly they are having just as adverse effect upon the morale of the German people as are the defeats being inflicted upon her armies by the Russians, American and British bombs have destroyed many of the great industrial plants of Germany; they have laid waste her cities—Hamburg and Berlin and Hannover and Bremen and Emden and Essen and Stuttgart and Dusseldorf and Frankfurt and scores of others; they have rendered several million Germans homeless, according to many reports, and have made the entire population jittery.

Yes, the Germans are sick and tired of the bombings.

But it was the Germans who started this bombing business.

Back yonder in 1940 and 1941, when England, unprepared for war and with little equipment with which to defend herself, had been whipped to her knees but was game still, Germans undertook to break her morale by bombing the homes and the churches and the business houses and the public buildings of London, including the House of Parliament and the King's palace, by bombing Coventry and other cities into shambles, and by snuffing out the lives of men, women, and children in civilian life. All this was great fun for Hitler and his war lords and for far too many of the German people themselves.

But now, the tables have turned, and Germany has become the victim of her own kind of warfare.

The Americans and the British, however, have aimed chiefly at the war industries, transportation facilities, and military installations in Germany. Necessarily, in the terrific assaults which they have made, many homes also have been destroyed, some cities having been almost entirely wiped out.

And the people have become jittery. The bombings have gotten on

their nerves. They can not sleep at night. They want it all stopped. They are mad and defiant. But there is little evidence that they have yet become humble or penitent.

In our opinion, they must become both humble and penitent before the allied nations can listen for a moment to any peace pleas. They must become anxious to surrender unconditionally before we can afford to stop the war. For, unless they learn that any war of conquest and savagery, started by them under even the most favorable circumstances, is likely to rebound upon themselves in the end with most terrible consequences, they will begin preparing at the first opportunity for another and greater war to be started at some future date when the time seems to them to be ripe.

The Germans must be convinced that they are not supermen but are mere common clay like the rest of us, that wars to subjugate and enslave other nations in this enlightened age can not succeed in the long run, and that brutality and savagery never pay.

The war spirit in Germany must be crushed; and until she proves to the world by her conduct after this war is over that she wants nothing more of war, she must be kept under lock and key, as it were, and kept unarmed, just as we in Texas put thugs and bandits under lock and key and expect to keep them there until they are cured of their madness. Sometimes they are not kept there, however, to our great sorrow. But a war-mad nation like Germany must be kept there until the world is convinced that she has regained her sanity.

Pvt. Emil A. Raindl, son of Mr. and Mrs. Frank Raindl Sr. of Wilson son, Rt. 1, who was stationed at Fort Sam Houston, has received a discharge from the U. S. Army. He was inducted six weeks ago.

WILSON H. D. CLUB HAS EXCELLENT MEETING

The Wilson Home Demonstration Club met in the home of Mrs. R. A. Kallch Wednesday, Oct. 27, at 3:00 p. m.

Miss Carolyn Dixon was present and gave the demonstration on canning poultry. We were shown how to prepare the chicken, remove the bone from the chicken, how to pack the meat in the jars.

Put salt into container first, then the meat, then steam before sealing. This may be done in either water bath or pressure cooker. After steaming, wipe off rims of containers well and seal airtight. Process in pressure cooker at 17 lbs. pressure. This was a very interesting demonstration, and any one who wants "Steps in Canning Chicken" outlined in detail should see or write the County Home Demonstration Agent.

A business meeting was called to order by the president, Mrs. Pat Swann. The motion was made and carried to change our meeting day from the fourth Wednesday of each month to the second Wednesday.

A review of the 1944 Year Book was given. Officers elected to hold office in 1944 are as follows: President, Mrs. Jiggs Swann; vice president, Mrs. Covey; secretary-treasurer and

reporter, Mrs. Robnett; council delegate, Mrs. Pat Swann; parliamentarian, Mrs. R. A. Kallch.

We were glad to have two visitors, Mrs. Ella R. McBride, associate FSA supervisor, and Miss Martha G. Brent, associate district FSA supervisor.

Others present were: Mmes. Smith, Covey, Jiggs Swann, Robnett, Robert Maeker, McLaughlin, Pat Swann, Edmund Maeker, and the hostess, Mrs. R. A. Kallch.

The next meeting will be Wednesday, Nov. 10, at 2:30 p. m., with Mrs. May as hostess.

PETTY CLUB STUDIES POULTRY CANNING

The Petty H. D. Club met with Mrs. A. R. Cowart on October 25 at 3:00 p. m. for a demonstration of poultry canning, conducted by Miss Carolyn Dixon.

The demonstration was very interesting and educational and I am sure it was enjoyed by all present.

We all know that canning our culled poultry and keeping most of it at home won't only save our precious points but will put more such factory-canned products on the front lines for our boys and allies. Let's all try to learn to profit by Miss Dixon's and hundreds of other agents' patient teachings to live at home and help win the war. I urge every club member to make an effort to be present at the next meeting, and rest assured you will learn enough to more than pay you for your trouble. Besides, we get to know our neighbors better when we work and visit with them. Let's make our club one of the best in the county.—Reporter.

NEW MOORE GIRLS CLUB

The New Moore Girls 4-H Club met in the School auditorium Oct. 28. Billie Jean Cathey, president, presided, while Emma Jean Crutcher wrote the minutes.

Work to be done for the coming year was discussed by Miss Carolyn Dixon, county home demonstration agent. Miss Dixon showed the members how to make nice gifts for Christmas.

BAPTIST CHURCH

Good-sized crowds greeted the pastor, Rev. A. C. Hardin, at both the morning and the evening services Sunday, who brought two excellent messages.

There was a slight decrease in attendance upon the Sunday school in the morning and the B. T. U. services in the evening, however, according to Miss Opal Smith, educational director, the Sunday School attendance being only 228 against an average of 245 for the five Sundays in the month. At B. T. U., 73 were present against an average of 78 for the month. The absentees are urged to be present again next Sunday, and visitors are always welcome.

Deen Nowlin, treasurer, reports that contributions for all purposes during the month of October were \$1,925.83.

Of this amount \$1,224.11 came in through the regular Sunday contributions for Church and denominational causes, and \$701.72 came in through special collections, \$419.87 being for the revival, which closed the first Sunday in the month; \$194.40 was a special collection for State Missions, \$73.00 was for the Southwide 100,000-club, and \$14.45 was birthday offerings for Buckner Orphans Home.

Total contributions in the month of September amounted to \$1,128.06. The budget for the associational year was fixed recently at about \$10,800.00.

METHODIST CHURCH

Sunday, Nov. 7, will be the last services of this conference year. Tuesday, Nov. 9, the pastor will go to Lubbock, where the Northwest Texas Annual Conference will convene. Let us make Sunday a day long remembered because of our attendance, worship and thanksgiving for this year of progress—spiritually, numerically, and financially.

The new altar will be dedicated at the close of the morning sermon. The subject will be: "Costly Living and a Cheap Religion." II Sam. 7:2, or giving God the second place in our support, thinking, and building, etc. David lived in a house of cedars but the Ark was placed in tents, etc.

Infants will be christened immediately before the morning sermon. Many parents have expressed themselves as desiring this rite performed for their babies.

Sunday night a candle-light service will be held. The sacrament of the Lord's Supper will be observed. Installation service for the Young People's Division will be part of the evening program.

Let's have 275 in the Sunday school and a packed auditorium at both the morning and evening services. A hearty welcome is extended to not only the members of this church, but to all friends and visitors to worship with us in all services Sunday.

Mrs. H. P. Caviness, who returned recently after spending two weeks at the bedside of her sister in McGregor, reports that her sister's condition is still very grave.

You should know that members of the Church are called:—

- Members. I Cor. 12:27.
- Disciples. Acts 6:1.
- Believers. Acts 5:14; II Cor. 6:15.
- Saints. Acts 9:13; Rom. 1:7; Phil. 1:1.
- Priests. I Pet. 2:9; Rev. 1:6.
- Children. I John 3:1-2.
- Christians. Acts 11:26; 26:28; I Pet. 4:16.

Last Thursday night, Oct. 28, Brother O. M. Reynolds of Trinidad, Colorado, preached for the Church in Tahoka. He presented the needs of the cause of Christ in Trinidad and other towns in Colorado. The New Testament Church is young in

this town and is in need of a suitable place to worship. Such a place has been found, and the Tahoka brethren were very happy for the opportunity to contribute about one hundred and twenty-five dollars to the effort there.

A talent, whether natural or acquired, is of no value unless used. Even supernaturally-endowed men were required to stir up the gift they had received. The difficulty with many Christians is a non-use of the talents possessed, not the lack of talents. The man in the parable was not condemned because he did not have five talents, but because he did not use the one he had.

Make your plans now to attend the worship services of the Church of Christ nearest you next Lord's day.

YOUR GOVERNMENT ASKS YOU TO USE LESS GAS

and Help Keep War Plants Humming

- HERE IS HOW YOU CAN HELP**
1. Winterize your home by insulation, weather stripping, caulking and storm windows if possible.
 2. Close off all unused rooms.
 3. Keep home temperatures as low as possible.
 4. Reduce temperatures to 55 degrees at night and when home is not occupied.
 5. Do not use range ovens or top burners for room heating.
 6. Save gas in other ways which will occur to you.

The natural gas that heats your home and fries your breakfast bacon is used also for many vital war purposes. Pipe lines to transport it are over-taxed. New materials cannot be secured to bring you all that is required for unrestrained consumption.

The conservation of gas is the home-front duty of every man, woman and child, at home or at place of business. Uncle Sam is counting on you to do your part.

Yeah? Who says so!

THIS IS YOUNG MR. DOUBLING THOMAS, JR. He is a symbol, and stands for millions of motorists who want facts, not claims, about motor oil quality.

With all automobiles growing older and no new ones in sight, facts about oil quality have never before been so important to car owners. That is why we briefly present these facts about a motor oil with a good name, which is backed by a great name.

Phillips offers a number of oils, in various grades to match varying demands and pocket-books. Of all these oils, we have specifically set one apart as our best. To make choice simple and easy for you, we frankly say that Phillips 66 Motor Oil is our finest quality... the highest grade and greatest value... among all the oils we offer to average motorists.

Assembly Sing-Song Proves To Be A Hit

In the high school auditorium, Tuesday morning, Mrs. Pittman, eighth grade sponsor, sponsored a sing-song for the student body. It was a medley of religious, patriotic, round, and popular songs.

After the 19th Psalm was read by Mr. Brown, Virginia Roddy led the students in Onward Christian Soldiers, and Blest Be the Tie. The patriotic songs were next, with Bobby Louise Cowan leading America, the Beautiful and Star Spangled Banner, and the pledge to the flag.

The round songs, Three Blind Mice and Row, Row, Row Your Boat, were led by Billy Jo Cowan and Johnny Wells. As the last part of the program, Mary Beth Fenton led the very popular songs, Pistol Packin' Mama (in which the students participated wholeheartedly) Sunday, Monday, or Always, and Paper Doll.

After announcements, the assembly was dismissed by Student Body President W. T. Hines.

NEW STUDENTS

Tahoka High School received one more student this week, but she is not new, because she attended school here year before last.

Have you joined the Junior Red Cross? Why haven't you? Did you need the money to go to the show? Did you want to buy your girl a box of candy?

This is certainly no excuse, students. Why do we even have the Red Cross Drive? Because we need the money to buy things for our soldiers and things for the needy people in our own country.

Suppose that just because you didn't give your little dime that a soldier didn't have enough food, clothes, or even medicine. I know that none of you want to be guilty of this, so why not join the Junior Red Cross? NOW!

Remember, all you give will help a soldier live!

This an' That . . .

Everybody is talking about the Hallowe'en party the Seniors sponsored Monday night. There was a large crowd, most of whom were dressed in costume for the occasion. Witches, spooks, goblins, Spanish señoritas, caballeros, cowboys, boys dressed like girls, girls dressed like boys, and even a Commando were seen. Marlene Stevens, dressed in black as a witch, won first prize for the best costume. The old gym really looked good dressed up with feet, pack-o-lanterns and pumpkins as decorations.

Seems good to have Gerry Connolly, who has been out of school almost two months with an appendicitis operation, back in school. We're glad you're back haunting the halls of old THS, Gerry, even minus the appendix.

The sing-song we had in assembly Tuesday was the most fun we've had in a long time. Especially singing "Pistol Packin' Mama" at the top of our voices.

SCHOOL PEP RALLY

The students of Tahoka High School met in the auditorium Friday morning, Oct. 29, for their weekly pep rally to boost the Bulldogs on to victory.

The student body, led by pep leaders, Billy Wayne Pennington, Dorothy Nell Johnson, W. L. Burlinson, and Joe Don Minor, gave a number of peppy yells and songs. Coach Jackson, LaVaughn Carraway, Clyde Peddy, Lane Jones, and Bill Woods made talks.

Each pep leader led his respective class in a yell to see which class could yell the loudest and longest. Due to the fact that the senior yell leader, Macky Fenton, was absent, Hilery Mather led the seniors in their yell. He made such a hit with the students he was asked to lead the entire student body in a yell.

The singing of the "Alma Mater" by the entire student body and faculty ended the pep rally.

Tahoka Defeated By Big Spring

Tahoka went down in defeat Friday night, Oct. 29 to Class AA Big Spring. The score was 33 to 13.

In the first half, the Bulldogs hadn't hit their stride, Big Spring made good gains and held the Bulldogs. In the last part of the second quarter, the Bulldogs made several good gains and were within 5 yards of the goal line when the whistle blew for the half.

In the second half, the Bulldogs looked much better on both offense and defense. They carried the ball over for two touchdowns making the final score 33 to 13.

Students Turn Out For Hallowe'en Party

Monday night, Nov. 1, in the gymnasium, the Seniors were sponsors of an all-school Hallowe'en party. The school was well represented in its attendance, and spooks, phosts, and witches reigned through out the evening in full splendor.

A prize was given for the best costume, that of an all-over black witches' regalia worn by Marlene Stevens. Second place went to Jeannine Smith, who represented a Spanish girl, third to "Seabiscuit" Carraway for his exact imitation of a dumb clown, fourth place was taken by Joe Don Minor in a red and black all-over suit, and fifth place was given to Claude Donaldson, who impersonated a young lady. Sixth place was given to John Goodell, who made his appearance in a full face mask complete with a long wig to portray his character Nan Beth Pennington, with seventh place, was dressed in a yellow dress with hat to match.

Other outstanding costumes were worn by Billie Wayne Pennington, Nat Parks, Clifton White and Jos Harvick, Faye Johnson, Maxie McMillan, Fern Pennington, and the members of the "Sophomore Society."

Games were played consecutively, many of them proving to be loads of fun, until the hour of parting drew around.

Even though they didn't have on noticeable costumes, Dot Applewhite and James Brookshire insist their names be put in the account of the party. There were approximately 130 other students there besides the two mentioned.

These Glamorous Gals

Well, kids now that the party is over and past we can breathe easy and start looking forward to something else, November 11 for instance ought to give some excitement. The various floats should cause the students to start thinking now. Besides the school float, the different clubs are sponsoring individual attractions. I might add that it would be wise to watch for the Sub-Deb creation.

But going back to the Hallowe'en party, just for a moment, we were thrilled to see how much the Seniors are appreciated in THS. Over half of high school attended the party, and in costume! The Juniors can pay their respects to the Seniors come banquet time, but what are the other three classes going to do to show their enjoyment of all the fun?

J. Fred Bucy ought to wear dresses more often, but no cackling next time, Freddie!

Clara Faye, were you dressed for a Hallowe'en party or a dinner party? It was a beautiful dress, really. We've never been so mixed up in all our lives as we were trying to figure out who were boys and who were girls. Boys with dresses on and girls with boots and trousers on can certainly cause confusion!

Orchids to Mr. Smith for trying his best to electrocute the high school student body.

Onions to Gene Earl for almost but not quite succeeding where his game was concerned!

BUT WE HAD FUN!

PERSONALS

Mr. and Mrs. Pete Hegi are the parents of a new baby boy. Mrs. Hegi is a former Home Economics teacher in THS. Congratulations to her from all of us in THS.

Cpl. Eugene Schulz is home for 15 days from Hoffman, North Carolina, visiting his parents, Mr. and Mrs. Charley Schulz of Route 4, Tahoka. Cpl. Schulz is a former student of THS. He enrolled in the Gilder Infantry February 23, this year.

Junior Red Cross Enrollment High

October 24 to November 1 was again time for calling the roll of the members of the American Junior Red Cross. This time last year the students enrolled for the year 1943. This year they were invited to enroll for 1944.

Miss Lucille Wright is the chairman for the Tahoka Junior Red Cross. Miss Snow Johnson is high school assistant, and Mrs. Roberts is grade school assistant.

To be an enrolled room, each class had to contribute at least \$1.00. The following contributions were made: First grade, \$2.92; second, \$2.23; third, \$1.71; fourth, \$3.17; fifth, \$4.68; sixth, \$5.87; seventh, \$4.04, making a total of \$25.66 for grade school; Seniors, \$9.38; Juniors, \$7.24; Sophomores, \$4.45; Freshmen, \$5.47; eighth grade, \$9.91, making a total for High School of \$36.45.

Draw Longhorns Prove Too Strong

In a close battle for victory Tuesday afternoon, Oct. 25, the Bulldogs lost to the Draw Longhorns 18-19.

Both teams fought a hard sixty minutes, gaining considerable yardage. Several boys were slightly injured in the work-out, Jerry Edwards receiving a shoulder injury. However, most of the boys were rejuvenated in time to play Fluvanna Thursday night.

CORRESPONDENCE CLUB

The Correspondence Club and its sponsor, Miss Johnson, met at the regular meeting October 27.

At this meeting, the club members wrote V-Mail letters to enlisted men or women across the seas.

The club intends to help keep up the morale of fighting men and women. We think that is a patriotic duty as well as enjoyable to ourselves. The club has decided to buy uniform stationery for the members' use.

The next meeting we plan to write to boys and girls in other states, which will be held Nov. 3.

GIRLS P. E. CLASS

The P. E. students are learning how to play new games and enjoy them very much.

It seems as though most of the students enjoy P. E. more than any other subject. You can go down the hall and hear remarks such as, "I can hardly wait until the sixth period because I get to compete against Mary in throwing darts," or "I beat Mary playing shuffle board today."

Probably it encourages Mrs. Adams when she hears these remarks.

STATED MEETINGS of Tahoka Lodge No. 1041 the first Tuesday night in each month at 8:30 Members urged to attend. Visitors welcome.
V. A. BOTKIN, W. M.
H. L. RODDY, Secretary.

High School Classes Hold Weely Meetings

Johnny McKaughan had charge of the citizenship program. He gave a talk on "El Dorado." He gave the Seniors some good points in how to develop our talents.

Junior News

The Juniors met Monday, Nov. 1 Plans are being made for the assembly program. The Juniors are third with the Red Cross drive. The Junior Class has ordered their Senior rings and hope to receive them sometime next September. The Juniors say "Thanks again" for the swell Hallowe'en party.

Sophomore News

The Sophomores decided on their class yell this week and it will be given Friday in pep rally. In citizenship this week the program will consist of American citizenship.

Eighth Grade News

The 8-A section received a letter from Bob Hope telling of our obligations as American citizens of buying War Bonds and Stamps. They also received an autographed photograph of the actor.

We were all very glad to welcome Juanita Crabb, Vernese Moore and Imogene Brown, who have been absent for several days.

We're all looking forward to a good game that the Eighth grade will play with the Lamesa Eighth grade Thursday afternoon at 2:30.

The Eighth grade room has been kept quite attractive for the past two weeks with bouquets of chrysanthemums.

Observance Planned For Armistice Day

The Student Council met Oct. 28 to discuss plans for an Armistice Day observance. The entire county is asked to take part in the celebration. Various business firms, civic clubs, and the Tahoka High School are contributing floats for a parade.

An outstanding feature of the day will be a football game between Tahoka Bulldogs and the Seminole Indians on the Tahoka field.

PERSONALITY OF THE WEEK

The personality of this week is the cute little guy with brown hair and brown eyes. He is very small but always makes himself heard and behind our Bulldogs one hundred percent. He is also reporter for the eighth grade class. Of course—none other than B. L. Parker Jr.

Bullpups Victors Over Fluvanna

Thursday evening, Oct. 28, the Bullpups met the second challenge of the Fluvanna squad by defeating them 13-0.

Billy Jack Barrington, quarterback-co-captain, led the "pups" to a touchdown in the second quarter giving a score of 6-0, while Wayne Miller flew over the line for another goal in the third quarter. James Brookshire, Bullpup fullback, made the final scoring with an extra point, bringing the score to 13 to 0.

Since this was the second game with Fluvanna, the first being a 12-0 victory for Fluvanna, the boys were "rarin' to go," and they did.

COMMERCIAL CLUB B

The Commercial Club of the Tahoka High School met Wednesday, Oct. 27, at the usual club period.

New business was brought before the house, and after some discussion, the president turned the meeting over to Claude Donaldson, program chairman.

Johnny Wells, who read "What Can We Do?" gave us an idea as to what we students can do to help win the war. Following the report several seniors spoke on "My Plans After Graduation."

The meeting was adjourned until Nov. 3.

Mr. and Mrs. Herman Anglin arrived in Richman, Calif., last Friday, where he is working as an electrician in a shipyard.
