Thoughts for Meditation
I'd rather be a Could Be,
If I couldn't be an Are;
For a Could Be is a May Be,
With a chance of touching par.

I'd rather be a Has Been
Than a Might Have Been, by far,
For a Might Have Been has never
been,
But a Has Been was once an Are.

There was a fine crowd at the morning service in Tahoka last Lord's day. One placed membership, having recently moved here. At almost every service, new faces are seen. The work is very encouraging, and we hope to soon have some interesting news to report.

Grassland and Gordon report good interest, and plans are being discussed to have preaching at both places.

Members of the Tahoka congregation are urged to note the change in time for meeting for the evening services and on Monday evening.

Bro. Moore from New Home reports good interest and that there will be preaching there next Lord's day by Bro. Blevins of Lubbock.

CHILD GUIDANCE CLUB

"The child needs and wants consistent discipline in his home, and he must have it to become a worthwhile citizen when grown up; that good discipline depends on no set punishment for a given child, but on a thorough understanding of child life and of the individual child concerned." This was agreed to by 17 members of Child Guidance Club who met in the home of Mrs. E. R. Durham on Tuesday evening. They were led in general discussion on "What Constitutes Good Discipline" by Miss Truett Smith and P. A. Nowlin.

Each first Tuesday evening was voted to be given to Red Cross work in the surgical dressing room, and the regular December meeting changed from Tuesday, Dec. 21, to Thursday, Dec. 16.

After adjournment, the hostess served a delicious salad plate to James N. E. Britton, Alton Cain, James Clinton, E. R. Edwards, Coy Fielder, Calloway Huffaker, Tobe Kennedy, Wallace Kohler, Fred McGinty, C. E. McKnight, P. A. Nowlin, Reid Parker, Howard Payne, Truett Smith, J. C. Smith, and a new member, Mrs. John Chandler.

METHODIST CHURCH
The Northwest Texas Annual Conference closed Thursday afternoon of last week and the pastors were assigned to their various places. Many changes were made, despite what Bishop Holt had hoped. He stated that more changes were made in this conference than any other conference over which he presided. The best reports ever made at conference were made at Lubbock last week. Finances were 100 percent on all charges and in all districts; more members were received into the church by profession of faith and certificate. The pastors were happy and both laymen and ministers enjoyed the conference.

The pastor of the local church was returned again after having served some 17 months here. He and family have been received graciously by the church and their many friends, too. Those tokens of friendship make the parsonage family happy and encourages them to endeavor to undertake larger things for God and His church this year.

Our new Dist. Supt., Dr. L. N. Lipscomb, will fill the pulpit Sunday night at 7:30. We urge all of the members and friends to be present and give him a warm welcome too. He and Bro. Thos. Barcus will speak on the McMurry College Building and Endowment Campaign which will begin Monday, Nov. 22. They will explain and give the needed information pertaining to this campaign. Please do not fail to be present.

Last Sunday five persons united with the church—one by profession of faith and baptism. At least that many are coming into the membership of this church this Sunday, for they have expressed themselves thus to the pastor. Let the good work continue. We want every member and friend to become regular in his attendance upon all of the services.

MCDONALD CALLED AS PASTOR AT NEW HOME

Rev. E. C. McDonald, who resigned a few weeks ago as pastor of the Baptist Church at O'Donnell, has been called as pastor of the New Home Baptist Church and has accepted the call, according to information given The News.

The New Home church is one of the largest and most active churches in this county.

BAPTIST CHURCH NEWS

At a meeting of the Baptist Brotherhood Tuesday night, action was taken looking to the expansion of the Church's activities in and around Tahoka. Recommendations of the Brotherhood were approved at a church conference Wednesday night and it is expected that something tangible will soon result.

Pastor A. C. Hardin was called to Lorraine Sunday morning to conduct a funeral. On Sunday night he preached there to three combined congregations, the Baptist, Methodist and Bethel Baptist. He returned home Monday afternoon. He reports that the Baptist state convention which he attended in Dallas last week was one of the best in its history.

Rev. Art Brown filled the Baptist pulpit Sunday night.

THANKSGIVING SERVICE AT DRAW ANNOUNCED

Rev. Jesse E. Young announces that there will be a Thanksgiving service at the Draw Methodist Church next Thursday, with a basket dinner at the noon hour.

The Redwine Baptist Church will join with the Draw Methodist Church in this service, with its pastor, Rev. L. B. Edwards, having a place on the program.

Services will begin at 10:30 in the morning with the singing of America by the congregation, followed by prayer and Scripture reading. "The Early Church" by Wilson Gray will be read by Mrs. Hall, teacher in the public school. The history of Thanksgiving will be given by Miss Wanetah McLeroy, another teacher. A sermon will be given by one of the ministers, and then will come the noon lunch. Another service will be held in the afternoon but the program for the afternoon service had not been completed.

WVSCS MET MONDAY

The Womens Society of Christian Service met Monday afternoon, Nov. 15, at the church. Election of officers for the coming year was the business of the day.

Mrs. Bell and Mrs. Walter Mathis presented the study of the afternoon, which was the third chapter of "We Who Are America," by Kenneth Miller.

Mr. and Mrs. T. G. Clark and children, Bonnie Jean and Ronnie,

were here from Lubbock Sunday visiting the W. A. Reddell family and other friends and attending church services here. When the Clarks left Tahoka a year ago they went to Amarillo, where he was employed in a defense plant. Recently they removed from Amarillo to Lubbock, where Mr. Clark is again engaged in the bottling business.

Mrs. L. O. Mitchell and Mr. and Mrs. Ted Terry went to Amarillo

Sunday to see Mr. Mitchell, who is under treatment there in the Veterans' Hospital.

The chances of a crack-up in Germany before the winter slow-up on the part of the Allies seems to be fading. The chances now seem to be about ten to one that the war will continue through the winter, and nobody can guess how much longer. While the Russians have been gaining steadily on the German eastern front, yet the German retreat continues to be orderly on most sectors with nothing resembling a rout. The Russians advance might bog down completely by the time Poland is reached. In Italy, the advance of British and American forces has been slow, and the Germans hold more than half the country yet, and the indications are that they are now sending reinforcements into the country. The Yugoslavs have been waging vigorous warfare upon the Germans but they are divided among themselves and in the long run may not prove much of an asset to the Allies. Nobody can predict how long

Germany may continue to hold on in the Balkans. The French, the Belgians, the Dutch, and the Danes seem to be as helpless as a mouse under a cat's paw, and the same may be said of the Poles and the Czechoslovaks. Germany is still using millions of men imported from the subjugated countries as slave labor, while all her own able-bodied men and many who are not able-bodied are in her armies. So, that is the situation, and it looks none to roscate for us.

Not so long ago a farmer told us of having been paid too much money by mistake by a purchaser of some of his farm products one night recently. When he saw his customer a few days later, the customer had never discovered the mistake. He returned the extra money, a fact which the purchaser appreciated very much. But here is the point to the story. Several persons to whom he related the incident told him that he should have said nothing about the mistake, that they would have kept the money and said nothing about it. We are persuaded that only a small percentage of our people are dishonest, it does not augur well for our country. Dishonesty may make a man a few extra dollars, it may even make him rich in some instances, but no man, even though he be a millionaire, can live a happy life knowing all the time that he is a cheat and a thief.

We read in the papers and hear over the radio that somebody is raising all kinds of Cain up at Washington about an alleged whiskey shortage and want something done about it. Whiskey was selling on the "black market," one complainant said, at ten dollars per quart. One reaction which we have is that any man who will pay ten dollars for a quart of whiskey, which can never do him any good but may do him great harm, is bordering on idocy. Another reaction is that no patriotic citizen will demand that the distilleries be turned aside from the task of making alcohol for war purposes—all of them claim that they are busy night and day doing that now—in order to make a lot of rot-gut for him and his kind. Alcohol is needed for making synthetic tires and for other useful purposes. Whiskey is not only not needed at all but it makes a lot of trouble in the world. We can prove that right here in Tahoka.

Some time when you get blue and think all our young people are going to the dogs just go out to church some Sunday and see the number of young people who are being trained up in the right way. It will serve as a fine tonic for your drooping spirits. In spite of the vast number who are being led astray, we are persuaded that countless numbers of them are growing up into the best men and women the world has ever produced.

TAHOKA GIRLS 4-H CLUB
 The Tahoka Girls 4-H Club met Tuesday, Nov. 16, in the gymnasium at 3:15 p. m. The meeting was called to order by Wanda Faye Smith, vice-president. Lura Mae Howell, song leader, led the girls in the song, "Over There."

Miss Carolyn Dixon helped the club members in making their 4-H club reports for the past year. She also led the group in playing a new game.

Three new members joined. They are Alice Ruth Carr, Nancy Gill and Jean Phillips.

Approximately sixty girls were present for the meeting.—Reporter.

MULBERRIES RIPENING IN HAMILTON COUNTY

Down in Hamilton county the peach trees are blooming, pear and peach trees are in full flower as in the springtime, and mulberries are ripening on the tree, according to a story appearing in the Hamilton Herald-News of November 5, a copy of which Mrs. S. A. Cummings of Wilson carefully wrapped up and mailed to the editor a few days ago.

Hamilton is the old home county of Mr. and Mrs. Cummings and they are still much interested in what is going on down there.

The editor of the Herald-News thought this stunt of Nature so strange and unusual that he set about quoting Scripture to show that the world may be coming to an end soon. Don't worry, Brother. We have seen peach trees bloom in the fall out here in Lynn county a lot of times, but the old world is still rocking along.

Thanks, Mrs. Cummings, for the paper.

Sgt. W. J. Riddle of Bryan spent the week-end here with his parents Mr. and Mrs. Alex Riddle.

Tahoka Negroes Doing Their Part

Four Tahoka Negro youths are doing service for Uncle Sam in far-away Iran (Persia), according to Early Lee Lawson, "shine boy" at the Woodworth barber shop here and stepfather of one of the youths. Aaron Lee Williams, 19. The other three Tahoka boys over there are: Leroy Arnold, 19, whose mother lives here; Daney Hogan, who went to the army from this county but whose mother has since gone to California; and "Red" Sewell, whose wife and child live here.

These four boys enlisted in the Army about the same time, about Jan. 26, 1942, and they have been together ever since. They left the United States last February and soon arrived in Iran, where they have since been. Early Lee and his wife, Aaron's mother, had a letter from him recently. He has seen no fighting but is anxious to get back to the good old U. S. A.

Early Lee and wife have another son, his stepson, in the service, Johnny B. Williams, 23, who is in New Guinea, and he has doubtless seen a lot of action, for he has been over in that area for about 19 months.

Johnny B. enlisted in the Army in May, 1941, more than six months prior to the Japanese attack on Pearl Harbor. He left Fort Dix, N. J., on Feb. 25, 1942, and arrived in Australia on April 10. It was not long until he was sent over into New Guinea, Early Lee says. Johnny's letters indicate that he has been in the thick of the fighting, though he can tell practically nothing about it. He says he will have plenty to tell when he gets back home.

Edward McMillan, S-1/c, who has been doing land duty recently in San Francisco, has written to the home folks that he has just gotten out of the hospital, following an operation for appendicitis. He is a son of Mr. and Mrs. H. L. McMillan and was formerly employed in The News office.

TAHOKA O. E. S. HONORS DISTRICT DEPUTY

Tahoka Chapter Order Eastern Star was hostess to members of five other chapters in a reception honoring their District Deputy Grand Matron, Mrs. Imogene Burleson, Monday evening in Masonic Hall.

About seventy-five members and guests from Tahoka, O'Donnell, Lubbock, Brownfield, Southland, and Post, were welcomed into the room by Mrs. Minnie Davis, Worthy Matron; Mrs. Clara Harris, Associate Matron; the honoree, Mrs. Burleson; and Conductress, Mrs. Mittie Walker.

Mrs. Rosa McKenzie Davis had charge of registration, and Mrs. Annie Forrester presided over the lace-covered refreshment table which was centered with white carnations and fern in a crystal bowl. Assisting at this table were Meses LaRue Tippit and Eloise Carroll and Misses Mary Beth Roddy and Lohma Beth Hardin.

Soft lamplight and fall flowers with winter greenery, tinted foliage and berries were used in beautifying the hall.

Mrs. Minnie Davis had charge of the program and after a short welcome to Mrs. Burleson and to another distinguished guest, Mrs. Lillian Barnard of Lubbock Chapter, who is Grand Conductress of the State of Texas this year, these were seated at the front and a program of vocal and instrumental music and informal talks was given. A ladies' quartet composed of Meses E. C. Rogers, Deen Nowlin, W. H. Kenley and Miss Dolores Nowlin, rendered "The Bells of St. Mary's" and "When the Light Go On Again" accompanied by Mrs. Marcus Edwards at the piano. Mrs. Edwards also gave several piano numbers. Mrs. F. C. Stanley of Lubbock, dressed in the National costume of Mexico, told an interesting true story of the origin of this particular costume and then sang two well-known songs in Spanish, "Estrellita" and "La Paloma," giving the beautiful "Indian Love Call" in English. Her accompanist was Mrs. J. G. Shelton, also of Lubbock.

A gift from the chapter to Mrs. Burleson was presented by Mrs. O'Berger Biggerstaff with appropriate expressions of appreciation. Other guests present included Mr. P. C. Stanley and Sgt. J. G. Shelton of Lubbock, and Mrs. E. E. Callaway of Abilene. While Mrs. Callaway has lived in Abilene several years her membership is still in Tahoka and she was introduced as one of the charter members.

MRS. WITT HOSTESS TO TAHOKA H. D. CLUB

Thursday afternoon, 3 to 5 p. m., Mrs. John Witt was hostess to the Tahoka Home Demonstration club. In a short business meeting, Mrs. A. C. Weaver, secretary, added another new member, Mrs. Lisenbee, to the club roll.

The program was on Achievements for 1943. The county home demonstration agent, Miss Carolyn Dixon, was present. Patterns for little toys that children like to cuddle were given to all members desiring them. Others may be secured from the office of the county home demonstration agent.

The next meeting will be the Christmas party, which will be in the home of Mrs. W. S. Anglin.

Mrs. Witt, president for 1944, invites all who plan to place their names on the 1944 roll, to notify Mrs. Weaver, secretary, and attend the Christmas party. An interesting program is planned for 1944, and it is felt that since the club meets only once each month, it will certainly be well worth each member's time.—Reporter.

Three Speakers At Rotary Club

One of the best programs the Rotary Club has had was put on by local talent Thursday.

Coach Leo Jackson discussed What the Public Schools of Tahoka are doing for the physical education of the students. Without disparaging the importance of football and basketball, he declared that the schools of the country had been giving emphasis to these sports to the neglect of other means for developing the students physically. He asserted, however, that the Tahoka schools for a number of years had been devoting more attention to the whole physical education program, and he strongly approved this policy.

Rev. A. C. Hardin discussed What the Churches May Do for the Community. He said that the churches offer a service which no other organization can give. He mentioned a few of the ways in which it serves, namely: That it is the chief agency which gives to the people the great songs of the ages, the Bible and its great truths, and lastly Christ and all he means to men.

Happy Smith discussed What the Rotary Club and other civic organizations may do for the town and community. One of the chief suggestions he made was the formulation of a program to guide the youth in the matter of summer activities, a program of an educational, recreational, and entertainment activities under proper supervision in the city park and elsewhere during three months in the summer while school is not in session.

Supt. W. T. Hanes expressed his hearty approval of such a program, and all present in fact seemed to approve. Something doubtless will be done soon to launch such a program here next summer.

With Alton Cain as the general program director of the day, this program was under the immediate direction of Prentice Walker.

Three new members were voted into the club.

Rotarians O. D. Cardwell, Homer McCrery, and Rev. Tension of the Post club and a guest of Dr. J. W. Sinclair from Lubbock were present.

Mrs. M. C. Thomas of Grassland was in the office Monday on business and stated that her father, R. B. McCord, was leaving that night for Birmingham, Alabama, called by the serious illness of his sister, Mrs. Nellie Baker.

Guests in the home of Mr. and Mrs. E. J. Tannes last week end included his father, W. J. Tanner, a sister, Mrs. M. J. Miller and her little son, all of Ardmore, Okla., and another sister, Mrs. Buck Criner of Andrews.

Miss Peggy Fenton, who is attending Mrs. Hockaday's School in Dallas, spent the week end here with her parents, Mr. and Mrs. R. W. Fenton Jr., and sister, Mary Beth.

Mrs. W. M. Anderson and friend, Mrs. Allie M. Stone, of La Jolla, Calif., are here visiting Mrs. T. Applewhite. Mrs. Anderson is Mrs. Applewhite's mother.

Mr. and Mrs. Luther Jones arrived Sunday night from Kingsman, Calif., for a week's visit with the J. L. Nevill family. She was the former Jodie Bob Nevill.

J. L. Reese left Wednesday for Fort Sill, Okla., where his son, Pvt. Ernest Carna Reese, has been in the Army hospital several weeks.

COUPLE MARRIED HERE

A middle-aged couple, W. Z. Butler and Mrs. Mary Cummings, living a few miles south of Lubbock, procured a marriage license here Tuesday and were united in marriage by Rev. A. C. Hardin.

Mrs. Moman Johnson, daughter of Mr. and Mrs. J. W. Russell, and sister of Mrs. Gariand Pennington, underwent a major operation in a Lubbock hospital Thursday morning.

Mrs. W. P. Inman returned to her home at Snyder Wednesday after visiting with her several children in Tahoka and Lynn county for several days.

Dr. and Mrs. E. E. Callaway of Abilene spent several days here this week visiting friends and relatives and looking after business matters.

Mrs. J. B. Jones received word recently that her husband had been made sergeant. He is now stationed in Hawaii, as is also his brother-in-law, Cpl. J. L. Jenkins.

Tahoka Defeated In Final Game

The Tahoka Bulldogs were defeated on Armistice day by Seminole. The score was 27 to 6. The Bulldogs put up a hard fight in the first half, at the end of which the score was 7 to 0 in favor of Seminole. Seminole came back strong in the third quarter and scored quickly.

The Bulldogs then scored their only touchdown on a long pass thrown by McClintock to Caraway, who went over for the score. From then on the Bulldogs could never get started again. Seminole scored two more touchdowns.

Hats off to the Senior football players. You boys did a swell job all season.

Pfc. Dwayne McClintock, stationed at Sheppard Field, Wichita Falls, was home for the week-end. His buddy, Pvt. Bill Stevenson, came with him.

School Participates In Armistice Day

With a parade followed by a program in the grade school gymnasium, the Tahoka people and Tahoka schools observed this year's Armistice day.

The parade consisted of floats from High School, whose theme was Education for Peace; grade school, which was a battleship, S.S. Texas. The ex-students' float honored the servicemen who have been killed; the Sub-Deb float was a bond-selling booth; Jr. Red Cross' float urged the support of the Jr. Red Cross; Rotary Club's float honored the Lynn county servicemen.

The Armistice program, which immediately followed the parade, was in the gymnasium. The invocation was offered by Rev. A. E. Brown, after which the entire audience sang "America." Mrs. Rafe Richardson, on behalf of the American Legion Auxiliary, honored the Lynn county Gold Star mothers by presenting them with corsages and a year's paid up membership in the Auxiliary. The High School chorus sang songs of the last war, "Over There," "Tipperary," "Uncle Sammy," and "Keep the Home Fires Burning." As a tribute to the fighting forces, the grade school chorus sang "Anchors Aweigh," "The Air Corps Song," "Marine Hymn," "Field Artillery March," and "Song of the Seabees."

The principal speaker introduced by Caloway Huffaker, was Judge Clayton Heare of Amarillo. He spoke on Armistice day and its present significance. In closing, the audience sang the National anthem, and Bro. Brown dismissed the gathering with a prayer.

LIBRARY COURTESY

Students, has it ever occurred to you that the library in Tahoka High School is there for your benefit and convenience? Haven't you often wondered who was responsible for the books, dictionaries, and magazines that are in the library? Please remember these things the next time you check out a book or magazine and do not tear pages from the books or mar them in any other way. They were placed there to help you and therefore you are harming yourself by destroying them.

Have you been as courteous to the librarians as possible? Remember, they are students like you and have classes to meet, so they do not know all that happens in the library the entire day.

You could be of help to them by remembering the following rules: Do not ask for "just any old book," be more specific, give the name of the book and if possible the author; when you check out a magazine or reference book, be sure to turn it in before the bell rings at the end of that period; if you owe a fine, pay it as soon as possible, besides helping the librarian this saves your money; above all do not come to the library if two students are already there, this confuses the librarian and is annoying to the study hall teacher.

These few things are not difficult to remember and by obeying them you help yourself as well as everyone else concerned.

This an' That . . .

The game with Seminole wound up the 1943 football season with the Bulldogs tying for second place in the conference with Denver City. It was the last time our Seniors will have on the football suits, unless we have an ex-student ball game this year. No more work outs, no more staying in training (?). It'll seem strange to see boys out after 9:30 at night.

Maybe by mid-term everybody will have their books. New Journalism books came in this week. What! No Spanish?

All the students are holding their breath. Will we get two days for Thanksgiving this year?

Play Is Presented By Speech Class

The Speech class presented the play, "Dora Dean" Tuesday night in the high school auditorium. The proceeds were given to the football award fund.

This was the first experience for several of the students, and we are sure that they were benefitted by their characterizations. The play was under the direction of Miss Snow Johnson.

Mary Beth Fenton and Dorothy Lee Carmack furnished entertainment between acts when they sang "They're Either Too Young or Too Old" and "It's Always You." La Voyle Richardson gave one of the most original tap dances we've ever witnessed on the high school stage.

McMILLANS, ANDERSON COMMON SCHOOL NAMES

The most common names on the Tahoka School campus seem to be McMillan and Anderson.

The six persons who bear each of these surnames, respectively, are: McMILLAN, H. J. Jr., Bobbie, Callie Faye, Irene, Maxie Lee, and Pauline; ANDERSON, Johnnie Mae, Billy Faye, Mary Jo, Billie Earl, Laquita, and Edgar (Butch).

Even though they have the same names, they are not one big happy family. In the McMillan family, H. L. Jr. is the son of H. L. Sr., Bobby the son of L. L. McMillan, Callie Faye is the sister of Irene and Pauline—the M. Millan twins, daughters of Arthur McMillan—and Maxie Lee is their cousin, daughter of Amos McMillan.

No, the Andersons are not all in one family either. Johnnie Mae and Billy Faye are sisters, daughters of Mrs. Tom Anderson. Mary Jo and Billy Earl are in the same family, the children of J. B. Anderson. Laquita is Butch's little sister, the father being W. P. Anderson.

PERSONALS

Seen at the Armistice game Thursday were several former students of Tahoka High. They were: Ruby and Billy Greer, Jimmy Lou Thomas M. T. Cruse of the U. S. Navy, Bo Wanda and Wilma Cruse, and Lois Sproles.

Mr. and Mrs. Billy Jackson and son Billy Bob from Floydada, Texas visited Coach Jackson here Armistice Day.

SUB-DEBS SPONSOR DANCE

Friday night saw another whirlwind dance given by the Sub-Debs at the Gagnat Rumpus Room. Dancing began at 9:00, swinging along until 12:00. Sub-Debs and football boys made up the majority of young people attending.

The highlight of the evening began when shoes and socks were removed, and dancing was done barefoot.

VOCATIONAL AG.

The Tahoka F. P. A. boys met Friday night, November 12. They met to initiate the Green Hands. There were approximately 40 Green Hands to be initiated. Refreshments were served after the meeting. All of the boys, including the Green Hands, had a very good time.

Australia Fights COUGHS

or Bronchial Irritations Due to Colds
—With Buckley's "Canadiol"

It's extra fast for Dad — yet gentle and mild for Mother and the Kiddies. This means that those nasty irritating coughs — or bronchial irritations — due to colds — that so often disturb a man's sleep — get amazing fast relief. Almost instantly you get the surprise of your life — coughing spasms ease — right away it loosens up thick choking phlegm — opens up clogged bronchial tubes — makes breathing easier. There's real economy in Buckley's — all medication — no syrup. Half to one teaspoonful will convince the most skeptical. Get Buckley's "Canadiol" made in U.S.A. — the Cough Mixture that out-sells all others in Australia, New Zealand, Canada and many other countries on merit alone!
