Tahoka Boxers Win At Lubbock

Tahoka boxers, coached by Leo Jackson, high school principal, all but stole the show at the annual district Golden Gloves Boxing tournament held at Texas Tech gym, Lubbock, Thursday, Friday, and Saturday nights.

Two Tahoka boys, Jerry Edwards and Wayne Miller, were crowned champions, and 14 others gave excellent accounts of themselves. The winners received boxing trunks and shoes, \$20.00 in merchandise, and will receive an all-expense-paid trip to the state meet in Fort Worth next week. Three other Tahoka boys, A. L. Hodge, La Vaughn Caraway, and Glenn Newton, received boxing trunks and shoes.

The champions were: Jerry Edwards, 112-pound flyweight, who whipped Frank Stanton from Petersburg, in a decision fight. On the opening night H. L. McMillan, the Tahoka printer, staged the sensation of the meet by defeating the champion Billy Brackeen from Slaton. Other Tahoka boys in the division were J. A. Dodson, Bobby Scott, Buddy Bragg, Billy Barrington, and Jackie Driver.

For the Bantamweight championship, the veteran Wiley McCarty of Littlefield won by default over Glen Newton, Tahoka. Other Tahoka boys in this division were Dwain Vaughn and James Tippitt.

Wayne Miller won the featherweight championship in a slam-bang battle with Louis Hobbs of Littlefield, said to be the greatest fight in Lubbock Golden Gloves history.

Sgt. Joe Dugan of Bristol, Penn., won the lightweight title, Dwain Vaughn and Deaton of Tahoka having been eliminated earlier.

Pfc. Arduus Ward of Malta, Utah, won the welterweight title. No Tahoka boys were entered.

Sgt. Ernie McGarity of Dyersburg, Tenn., won by default from La Vaughn Caraway, who has received a cut over his eye in a previous fight and was kept out on doctor's recommendation. Hilary Mather was eliminated earlier.

Joe Music, Lubbock, won the light heavyweight title. Albin and Alfred Ratliff were Tahoka's entries.

For the heavyweight title, Sgt. Clyde Jones of Perryton knocked out A. L. Hodge of Tahoka.

The tournament was declared the most successful in Lubbock's history.

CARROLL PROMOTED

Among the promotions at LAAP, Lubbock, last week, was that of Cpl. John Eldon Carroll of Tahoka, who was promoted to the rank of sergeant; and Pvt. Weldon H. Smith of O'Donnell, who was promoted to private first class.

Jailbreaker Is In Custody Again

Sheriff Sam Floyd received a message from Corpus Christi officers the first of the week that Anastacio Ramirez, a Mexican under indictment here for car theft, had been captured at Robstown, and Mr. Floyd planned to drop by on the return trip from Huntsville, where he has gone to take a prisoner, and bring the culprit back to Tahoka.

Ramirez and another Mexican stole a car here back in November and in trying to make their getaway they ran into the back end of a truck between here and Lubbock, wrecking the car and almost killing themselves. They were placed in jail here for theft, but one morning while Tom Reid was feeding the prisoners, Ramirez, slipped out the door and made his escape.

Petty Methodists Erecting Church

The material is being placed on the ground and trenches for the concrete foundation will be excavated this week for the construction of a new Methodist Church at Petty, according to L. C. Crews, who was in Tahoka Monday.

The church building is to be 30 feet by 70 feet in size and is to be constructed of tile, plastered inside and outside, and probably painted snow-white. The estimated cost is \$3,500.

It is to be built on a plot of land carved out of the Crews farm and is to be situated just across the road south of the school building.

The Petty church was recently organized and is on the Tahoka circuit. While the membership is yet small, it is evidently made up of a progressive people. The pastor is Rev. Morrison of Posey.

State Guard Men Are Given Test

A few members of the Tahoka State Guard company were found not able to give the "general orders" when Capt. E. R. Edwards gave all members present a written test at Monday night's drill. The captain reports that he was surprised at some of the answers, however.

A snappy drill session was also held, with only seven or eight members absent.

Sgt. Weathers drilled a number of new recruits in the manual of arms.

Among recent promotions are the following: To corporal, Curtis Stevens, Wade Hollard, John Inman, F. E. Walker, J. W. Lowrey, and Sam Stone; to private first class, Leo Jackson, T. C. Beard, J. A. White, Newton Smith, H. B. McCord Sr., H. B. McCord Jr., Hercl Roberts, Edgar Roberts, Lonnie Labell, Carey May, F. M. McBeth, Hilary Mather, and L. A. Forsythe.

Petty Ranch House Is Being Torn Down

L. C. Crews of Petty, who owns that portion of the old Petty ranch on which the ranch house and headquarters were situated, announces that he is preparing to tear down the old structure and with the lumber he plans to build a good four-room residence and several cotton-picker houses.

The old ranch house is a large structure and is one of the landmarks of this county, having been built about 40 years ago. It is now in bad repair but Mr. Crews says that the lumber is of the best. The ranch for years was the property of W. E. Petty, one of the first commissioners of Lynn county.

Congratulations to:

Mr. and Mrs. E. D. Copein of Tahoka, Rt. 4, on the birth of a daughter, who will be called Donna Kaye, at Tahoka Clinic Feb. 7.

Mr. and Mrs. Chester Short of Wilson, Rt. 2, on the birth of an 8 lb. daughter at Tahoka Clinic on Feb. 7. Her name is Loretta Mae.

So You Can't Buy Another Bond

Take a good look at this American soldier as he lies in the mud of Rendova Island in the Southwest Pacific, victim of a Jap air raid. It is not a pleasant scene, is it? When you are asked to buy an extra War Bond to Back the Attack think of this picture of your fellow American blasted by the concussion of a Jap bomb thousands of miles from home. Then brother, don't you think you will want to dig a little deeper to back up his comrades?

Boy Scouts Present Rotary Program, Summer Recreation Program Planned

As one of the activities of Boy Scout week, the Scouts gave the program at the Rotary luncheon Thursday, one of the most enjoyable the club has had in a long time.

Preceding the program, which was under the direction of Carl Griffing, President Travis Hanes made a few remarks in behalf of the Youth movement generally, and Scoutmaster A. R. Milliken gave some hot shots in behalf of Scouting.

The program was an auction sale, with Roy Anglin as the auctioneer. A boy was placed on the block and sold to the highest bidder. Among the bidders were Pleasure, Crime, Labor, Agriculture, Big Business, Education, The Church and a number of others. The boy was finally knocked off to Scoutdom itself, whose bid was a million dollars.

Each bidder stated why he wanted the boy as he made his bid, and really it was about the most impressive auction sale one could imagine.

The Scouts have been carrying out this week the program as announced in this paper last Friday, and Scoutmaster A. R. Milliken stated that they could have sold twice as many bonds and stamps at the grade school building last Tuesday night if they had had the bonds and stamps present.

Truett Smith announced that the county lacked only a few thousand dollars of having reached its quota in the purchase of bonds.

Alton Cain announced a program of strictly out-door activities had been decided upon for the youth of the county this summer.

Harley Henderson announced that the committee was ready to begin the work of erecting the county honor roll board, although a few names and a few necessary dollars are still lacking.

Jed Rix of Fort Worth, formerly of Big Spring and Lubbock and well known throughout West Texas, was a visitor. He is field representative of the West Texas Chamber of Commerce.

J. L. Rumbo made a business trip to Dallas last week.

Names of Service Men and Women Should Be Turned In For Honor Roll

All persons having relatives or friends in the service of our country, who have not already done so, are urged to fill in one of the service cards in circulation, or that has been printed in this paper and turn it over to Harley Henderson, Frank Liddell, Pat Swann or the News.

The cards are needed for a permanent county record of our men in the service, and in order that their names may be included on the county honor roll board being erected on the court house square, which is already under construction.

Henderson and A. L. Smith made arrangements the first of

the week on behalf of the honor roll committee with a Chickasha, Okla., man to do art work for the board, which is expected to be the most beautiful one in West Texas.

Contributions from citizens are also being received by the committee for erection of the board. However, financing of the board is already assured.

The committee hopes that not many names are missed, but gathering of the names is a tremendous task, and if you want to be sure your boys is not missed bring or send in his name this week.

Tahoka Teachers Enjoy Fun Night

At their regular monthly meeting here Tuesday night, the Tahoka Teachers Association and a number of guests heard a humorous program rendered by Mrs. "Skeeter" Slaughter of Post, under the stage name of Sarah Puckett, assisted by R. P. Weathers. Sarah kept her auditors screaming with laughter most of the time.

A recital of school methods and practices of a half century ago was also given by E. I. Hill, during which the teachers had opportunity to become somewhat acquainted with the old blue-back speller.

Leo Jackson is president of the organization and Rev. Art Brown had charge of the program. At the close of the program refreshments were served, under the direction of Miss Lucille Wright.

Airplane Hangar Is Being Built

Work has been started on a hangar for the planes of the Tahoka Flying Club on T-Bar ranch land two miles west of town.

The hangar, which will be large enough for three planes, will be of steel and sheet iron construction. Right now the flyers are looking for sheet iron covering for the building, completion of which will possibly bring approval from the Civil Aeronautics Board as an auxiliary landing field. Runways have already been laid out, cleared, and are in use.

Considerable interest is being aroused in flying here, especially since an airline recently inquired of the Tahoka Chamber of Commerce if the town was interested in being included on a post-war air line. Increased air traffic increased air traffic is almost certain to come at war's end, and local citizens are studying the possibility of a permanent airport.

Sunday, B. T. Smith of the Flying Club took a representative of The News for a spin in the air and allowed him to manipulate the plane about ten or fifteen minutes just to prove that flying is not so hard.

Huffaker Seeking Attorney's Office

County Attorney Calloway Huffaker announces that he is a candidate for re-election to the office he now holds.

"I have tried to attend to duties of the office to the best of my ability and in accordance with the law, treating one and all fairly. If the voters see fit to return me to this important post, I promise you I will remain worthy of the trust and will certainly appreciate the honor," he said in making his announcement.

Though it is likely that Huffaker may enter the armed services soon, he hopes that the war may be over before many months, and that he, with other service men, may return to normal life.

Huffaker has an excellent record as a prosecutor in the county court and is generally recognized as one of the rising young lawyers of the South Plains.

Joe Hickerson Will Work In Persia

County Nearing War Bond Quota, Drive Ends Feb. 15

Lynn county was within sight of its Fourth War Loan quota Saturday night, when the last survey was made, according to Truett Smith, county chairman.

Those who have not done their best in the buying of bonds are urged to invest all they can before next Tuesday night, Feb. 15, when the drive ends.

Up to Saturday night, \$622,817.56 had been invested in War Bonds during this drive, only \$72,172.45 short of the goal, \$695,000.00.

The First National Bank of Tahoka had sold bonds totaling \$462,599.25, and the Tahoka postoffice had sold a total of \$19,375.45. O'Donnell First National Bank and postoffice had sold a total of \$80,116.85.

Wilson State Bank and postoffice had sold \$60,736.00 in bonds.

Smith urges buying of bonds up to the deadline. With just a little cooperation, Lynn county may be reported as having done its part in financing the war effort in this drive. See your community committee, bank or postoffice today for a War Bond.

Mrs. Coughran, 95, Pioneer, Buried

Death came at 2:00 o'clock last Sunday afternoon to Mrs. Mason Catherine Coughran, 95, who had been a resident of Lynn county since 1901, and funeral services were conducted at the Methodist church here at 3:00 o'clock Tuesday afternoon by Rev. R. M. Hocker, pastor of the Church of the Nazarene at Midland, assisted by Rev. H. A. Nichols, pastor of the Methodist Church here, and by Rev. E. O. Jackson, pastor of the Tahoka Church of the Nazarene. Interment was in the Tahoka cemetery under the direction of the Harris Funeral Home, beside the grave of her departed husband, A. S. Coughran, who died 30 years ago.

Surviving is one daughter, Mrs. J. J. Atkinson, at whose residence Mrs. Coughran had lived for many years, and one son, Virgil S. Coughran of Ontario, Calif. Another daughter, Mrs. J. E. (Ida) Ketter, died here a number of years ago.

Also surviving are 19 grandchildren, 43 great-grandchildren and 14 great-great-grandchildren.

Among the grandchildren are Ross Ketter of San Antonio, Mrs. Happy Smith and Mrs. Sam Price of Tahoka, and the other J. E. Ketter children.

Born in Tennessee on March 23, 1848, Mrs. Coughran came to Texas with her parents when yet a child, and they settled at Floresville in Wilson county. There she grew to womanhood and was married to A. S. Coughran on July 10, 1870. The family removed to Coleman county in 1889 and come on to Lynn county in 1901, before Lynn county was organized and before the town of Tahoka was laid out, which occurred in 1903. Mrs. Coughran has lived here ever since.

Mrs. Coughran was a very devout Christian woman, greatly beloved by her family, her numerous descendants, and by a wide circle of friends. Members of the family have furnished the following data as to her Christian experience, which we publish as written:

"Mrs. Coughran (commonly known as Fannie) was converted in her early twenties, joined the Methodist Church, and lived a consistent Christian life.

"After hearing her Methodist pastor, Brother Ellis, preach on Sanctification, she sought and obtained the experience on July 11, 1894. After this, it was much easier for her to live for the Lord.

"In later years, she joined the Church of the Nazarene. Her delight was the service of her Lord, and being ready for his return. She filled a place in the church as long as she was able to go. Even though she was unable to hear the message, her desire was to be one in number."

This Is ONE Battle Only Lynn County Can Win

and we're all in the same boat . . .

. . . and if every person in Lynn county pulls at the oars, Lynn County will far exceed its 4th War Loan quota of \$695,000.00. And reaching our goal is the same as winning a battle over the Nazis or Japs. Not making our local quota is like losing a battle — like quitting in the midst of action!

Our boys didn't count the cost when they took Tarawa, when they landed at Salerno. We can't count the cost in winning our battle. The only difference is that at Tarawa and Salerno their very lives were at stake. And they gave them — for us!

We are not asked to give our lives. We are not even asked to give our dollars. We are asked to

lend them, at good interest — so that we can hasten the war's end. So that we will have money to tide us over when the war does end. So that we will be able to send our children to school or college, build a new home, buy a new car, buy another farm. All thanks to the safest investments in the world today — War Bonds! But remember — we can't make our quota unless you first make yours. Buy another \$100, or \$500 or \$1,000 or \$5,000 bond NOW!

Invest to the very limit of your ability, just as our boys are investing their lives — for America's freedom, for your freedom!

Lynn County must invest \$695,000.00 in Bonds!

GRAPES WILL GROW IN LYNN COUNTY

By Carolyn Dixon
County Home Demonstration Agent of A&M Extension Service
Numerous requests have been coming to this office regarding the kinds of grapes to buy for this section. Grapes are the surest source of fruits for West Texas.

By selecting proper varieties which ripen over a long period of time, fresh grapes may be available throughout the mid and late summer season, as well as juice and jams and jellies for the entire year.

The recommended varieties are: Beacon—Black, rather large bunches. Ripens in August and is used for market, table, and juice. Plants very vigorous.

Bailey—Black, long open bunches, good quality but inclined to shatter in bunches. Used for table and juice. Plants moderately vigorous.

Extra—Black large bunches, moderately compact, fair quality, ripens in late August. Plants very vigorous. Use for market, table and juice.

Catawba—Red, large bunches, of good quality. Ripens early September. Plants moderately vigorous. Used for market, table, and juice.

Edna—White to green, long bunches, good quality. Ripens late August to early September. Plants very vigorous. Used for table and market.

The cherry-plums that are recommended are the Opata, Sapa, and the Waneeta.

Raymond Jenkins, the little 11-year-old son of Mr. and Mrs. H. M. Jenkins, was brought home Friday, Jan. 28, after a week in a Lubbock hospital with pneumonia. He is reported to be doing fine.

February 6th-13th

Soldiers on the battlefield today are the Boy Scouts of yesterday . . . This week, National Boy Scout Week, let's all try to match the glorious war effort of the Boy Scouts with our own renewed Victory efforts . . . let's show them that we, too, know the meaning of the Scout's Pledge: "I WILL DO MY BEST . . . TO DO MY DUTY."

Let's All BACK THE ATTACK!

Gov. Coke Stevenson is making a swing through portions of West Texas this week, with addresses scheduled for a number of points. He was scheduled to climb the Capitol for only one address, however, that at Floydada at noon today. He was in Big Spring Tuesday night. It is presumed that he will make a tour of the Plains at some later stage of the campaign. Of course he is not formally campaigning yet but we imagine that he is thoroughly sounding out public sentiment in view of the fact that a Waco man has announced as a candidate for governor and opened his campaign in Marlin last Saturday. At this stage of the game it does not seem probable that the Governor will have any very formidable opposition.

The war in the Pacific and in Russia is going fine, but we are afraid our boys are having a little trouble in Italy. They underwent an inferno of fire at Salerno that took many lives and sent many others to the hospitals, and now according to the meager information that reaches us they are undergoing about the same kind of trial on the beachheads near Rome. We have made progress in Italy but it has been slow and costly. The perseverance and resourcefulness of our Nazi foes is really amazing. But we are going to win.

CORRECTION
By some strange misunderstanding and one of those peculiar quirks of the imagination which it is difficult to explain, The News erroneously stated last week that Lt. Elwayne Nevill was being transferred from Liberal, Kansas, to Camp Abbott, Oregon, and that his wife was here visiting his parents. The mistake lay in the fact that it was Pvt. Everton Nevill instead of Lt. Elwayne Nevill who was being transferred and Mrs. Elwayne Nevill was not here at all. Mrs. Everton Nevill has been here all the time. We very much regret this mix-up on our part.

(By Mrs. Marvin Truelock)

The report for the last four days of last school week for the sale of Bonds and Stamps in the four rooms of Grade School were: Mrs. Rankin's 5th and 6th grade room, \$150.00 in Bonds, and \$39.16 in Stamps; Mrs. Stotts' 1st and 2nd, \$75.00 and \$19.05; Mrs. Hill's 7th and 8th, \$25.00 and \$16.95; and Mrs. Duff's 3rd and 4th, \$25.00 and \$5.00; total \$275.00 in Bonds and \$80.16 in Stamps. All of the Bonds were sold by the students to grown people.

The local Bond chairman of the sales committee is Mrs. Hub Haire, who has charge of the school sales. Bond salesmen south of town are Aubrey McNeely, Royce Loveless, Earl Lancaster, and Cliff Johnson. Sam Ellis has charge of the territory east of town. Local salesmen are Mmes. Hub Haire, Herbert Dunn Clarence Basinger, and Barney Walker.

The Stamp sales at school this year have already exceeded our last year's sales for a whole semester.

Mary Lou Field had her tonsils removed Thursday.

Congratulations to Mr. and Mrs. Sam Ellis, whose son, Sam Edgar, was born at Slaton Hospital Thursday afternoon at 1:00.

Because of muddy roads and unsettled weather, there was no school Wednesday.

Sunday morning the doctor visited Clyde Strain and put him on a diet. Mr. Strain's right arm would not wake up, and his high blood pressure was worse.

Rev. O. J. Harmonson appointed Mesdames I. J. Duff, S. M. Truelock, and G. D. Ellis as a committee to nominate a Sunday School superintendent to take his place. When they met, each had the same man in mind, Mr. Dowe Mayfield.

Mrs. J. D. McCaskill, the former Audie Harris, had an attack of spinal meningitis Friday but is better now. She is in the hospital in Lubbock.

Mr. Harvey Stotts, who is employed at Artesia, New Mexico, spent the week-end here with his family.

Sarge Cummings, who has been living at Long Beach, Calif., arrived home Sunday. The damp weather there brought back his asthma.

Next Wednesday, Feb. 16, at 4:30, the Sunbeams and Junior G. A.'s are giving a Valentine program, box, and party at the Baptist Church for all boys and girls living in town. The program includes a play with these characters: Doris Jean Sartain, Mary Frances King, Glynda and Calvin Grantham, John Hewlett, and Elton Truelock.

Mrs. O. J. Harmonson is the new leader for Junior G. A.'s. Despite the mud last Wednesday, seven girls were present, and four Sunbeams.

The Marvin Truelocks spent Friday night and Saturday in Plainview visiting her parents. Recently, Mrs. Fletcher had received three copies of the newspaper printed for the American Army in India and Burma sent by her son, Fred, from India. The paper contains very little news "over there," but many articles about happenings in the States. Small wonder that they hear of strikes and brutal murders as soon as we do.

Mrs. M. S. Reynolds of Hamlin and family come by Monday to see her parents, Mr. and Mrs. J. C. Harris, en route to Lubbock to visit her sister, Audie.

Mrs. Clyde Ashcraft left for Tyler Saturday morning to visit her husband, Pvt. Clyde Ashcraft, who is in training at Camp Fanning. Mrs. J. P. Unfred accompanied her and will visit her mother, who lives in Big Sandy.

Mrs. J. B. Nance returned a few days ago from Tyler, where she had been with her sick daughter since Christmas.

WHEN WILL I GET SYNTHETIC TIRES?

Facts on the rubber situation by

Phillips Petroleum Company, operating a 90,000,000 pound butadiene plant, for an annual production of rubber equivalent to 11,000,000 tires

THE RACE FOR RUBBER is right now entering the homestretch. Swiftly and surely, the nation's synthetic rubber plants are approaching peak annual production of 850,000 tons.

Despite this record-breaking achievement, the next six months are the time of crisis, because the full fighting power of rubber is needed for war: Tires for planes, and combat trucks and cars; rubber for life rafts and landing boats; rubber for bullet-sealing tanks and electrical insulation; rubber for a thousand and one victory needs.

This is why only the most essential civilian drivers can be supplied with new tires of synthetic rubber at least until late in the year. The

rest of us must continue to save miles and rubber, and recap in time to keep rolling.

As a major producer of butadiene (the chief ingredient in synthetic rubber) and 100 octane aviation gasoline, the Phillips Petroleum Company presents these facts as a contribution to general understanding of the present transportation problem.

With us, as with every American motorist, the needs of war come first. But when victory is won, car owners will begin enjoying the benefits and product-improvements flowing from Phillips gigantic chemical plants, devoted to producing new and better things from petroleum gases as well as petroleum. DALE PRESIDES AT CHURCH BUILDING PROGRAM

Rev. Geo. A. Dale, who is supply pastor of the First Baptist Church at Levelland pending the call of a regular pastor, presided at exercises last Friday afternoon at which ground was broken for a new church building to cost approximately \$65,000.

The construction of a new church was made necessary by the destruction of the former building by fire last fall. Rev. A. A. Brian, the pastor, was recently called to the

pastorate of the Brownfield Church and accepted, after a service of eight prosperous years at Levelland. Brother Dale had been pastor at Tahoka eight years prior to his resignation a year ago on account of ill health. He has since resided in Lubbock, and has been kept busy nearly every Sunday since filling pulpits for absent pastors or pastorless churches.

Mrs. Dan Yandell and Miss Billie Parr left Monday for a visit in Lawton, Oklahoma.

G. G. Vaughn of O'Donnell always comes in and pays up his subscription long before his time expires. He was in a few days ago and set the expiration date a year further into the future. Mr. Vaughn kind of likes this country. He came to the county 37 years ago and has never moved away. He can't remember just when he began reading the Lynn County News but it was away back in the days when Mr. and Mrs. H. C. Crie were at the helm.

Sub-Debs Present Assembly Program

The Sub-Deb Club presented as their annual assembly program, a radio program sponsored by the "Kill 'Em Quick Fly Swatter Company," entitled "The Half Hour of Corn," and Macky Fenton, announcer, stated any resemblance to the "Hour of Charm" was purely coincidental.

The entire club sang "Girls Who are Happy and Free," and Elmer, the Fly Slayer, Dot Applewhite, gave a commercial. Charlene Bucy, Vonelle Preston and Janette Coughran sang "I'm Getting Tired So I Can Sleep"; tap dance by the Kern Sisters, Maxie McMillan and Mary Adamson; "Stormy Weather," Dorothy Lee Carmack; "My Ideal," Donna Sue Milliken, Gerry Connolly, Euella Dollins, and Vonelle Preston; "Essay on Feet," Euella Dollins; "Marley Dots," by Dorothy Lee, Macky, and Pat Hill; "For the First Time," Gerry Frazier; "Twelfth Street Rag" and "Webb's Blues," piano solos by Mrs. Marcus Edwards; "I Couldn't Sleep a Wink Last Night," Pat Hill; "Put Your Arms Around Me," (sings music and shoes) Imogene Hargett, Faye Johnson, Joan Henderson, and Eddie Lois Hamilton; "G. I. Jive," Macky Fenton, Euella Dollins, Pat Hill, Dorothy Lee Carmack, and Dot Applewhite.

The club held a quick meeting on the stage to vote Coach Jackson into the club, and the entire club sang their theme song, "Thanks for the Memories."

LaVoyle Richardson played for the tap dance and "Thanks for the Memories." Mrs. Jesse Gurley played for Dorothy Lee's song, and Mrs. Marcus Edwards played the other accompaniments.

CLUB NEWS

Commercial Club

W. E. (Happy) Smith was guest speaker for the Commercial Club Wednesday. He spoke on "Business Career" and discussed character as being the first and greatest essential that a business man or woman should have. "You should know your job," he said. He told the club members that in order to be a successful person in business you must be friendly and know how to get along with people.

The social chairman served cookies and hot chocolate.

The next meeting will be February 9.

Hobby Club

"After seeing my cousin's stamps I decided I would like to make a collection of my own," stated Doyle Akin, at the regular Hobby Club meeting Wednesday. He showed the members his collection of stamps and told them about getting his album from an advertisement on a "funny" book.

The girls and boys enjoyed Doyle's talk and they have all agreed to bring their hobbies to class if possible and tell the club members important facts about them.

Senior Play Will Be January 24

Practice began January 24 on the Senior play, "They Gave Him a Co-ed" by John Nash, to be presented February 24 in the High School auditorium.

The cast is as follows: Ovid Lullin, Dean Brown; Carl Griffing, Gary Blaine; Roy Anglin, Dal Thomas; Gene Earl Knight, Herb Grant; Calvin Smith, Chuck Rhoades; Charlene Bucy, Gloria Manson; Dot Applewhite, Una Scanlon; Johnnie Margaret Price, Margie Thornhill; Pat Hill, Emily Wayne; Euella Dollins, Ione Babson; Rae Fern Pennington, Miss Howard; Macky Fenton, Beth Hanson; Dorothy Lee Carmack, Mabel Reese; Johnny McKaughan, Roland Graves; Robert Rusk, Charles Bradley Brown; Hilary Mather, the stranger.

The play is a story of college students. It is based around the fact that the students get an illiterate Western boy mixed up with the new dean whose last name is also Brown. There is also an escaped lunatic who adds spice to the play. It is a hilarious comedy from beginning to end.

SOPHOMORE CLASS

The Sophomore class wishes to congratulate all the boxers of Tahoka High who entered in the Golden Glove Tournament at Lubbock. We are happy to be so fortunate as to have the two district championship boxers in our class. They are Jerry Edwards, who boxed Frank Stanton from Petersburg in the lightweight division and Wayne Miller who boxed Louis Hobbs from Littlefield in the featherweight division. Nice going, boys! and the Sophomore class will be backing you when you enter the state round in Ft. Worth.

COMMERCIAL CLUB VISITS DRAUGHON'S

The members and sponsors of the Commercial Club made a field trip to Lubbock Friday to visit Draughon's Business College.

The students visited the typing, shorthand, accounting and dictation rooms. Very few students take advanced dictation because too many students get jobs and quit before they get that far along. The accounting course is divided into different projects, and most of the accounting pupils only finish the first project before they get a job.

All work is done individually, therefore some students complete the course before others. It takes an average student about 12 weeks to complete an average course. If it is a student's desire, he may take only one subject and devote his entire time and study to this certain course. Students may stay and study after school and on Saturdays since the college does not have classes on Saturdays.

Due to the war, only one boy is enrolled.

The club members attending included: H. B. McCord, Euella Dollins, Johnny McKaughan, Rae Fern Pennington, Dortha Jean Brown, Virginia Roddy, Clara Faye Nurdyke, Joretta Smith, Marcellene Stephens, Jesse Faye Jackson, Claude Donaldson, Johnny Wells.

June Ed Poor, Charlene and J. Fred Bucy, Syble Brower, Clovis Stephens, Mr. and Mrs. L. M. Nurdyke, and Mrs. Adams.

MRS. EDWARDS HOLDS PUPIL RECITAL

The music pupils of Mrs. Marcus Edwards were presented in a recital Monday, Feb. 7, at 8:00 p. m.

Nine pupils, several of whom obtained their credits, rendered the musical program which lasted an hour.

Those on the program were: Bobbie Louise Cowan, Nan Beth Pennington, Dolores Nowlin, Doris Jane Roberts, Geraldine Frazier, Gay Jackson, Lloydine Edwards, Dorothy Lee Carmack.

Sgt. Charles Florence Is On Battle Front

M/Sgt. Willie Z. Florence, who was honorably discharged from the U. S. Army in November, and who now is with the Boll Conservation Service in Tahoka, was a pleasant caller at The News office Tuesday, and he informed us that his brother, Sgt. Charles J. Florence, is with the Fifth Army in Italy and probably in the thick of the fighting over there.

Sgt. Charles participated in the final phases of the North African campaign and was with the invasion forces that landed at Salerno. There he was wounded and sent to a hospital for fifteen days. Then he was sent back to the front and no doubt has been doing his full part to oust the Germans from Italy.

Last Lord's day was a record day for the church in Taboka. We had the largest crowd in Bible study we have had in many months. After services the elders and deacons came together and planned for the churches of Lynn county to support a meeting about the first of March at Socorro, New Mexico. Crowds and interest at Socorro are increasing all the time.

Crowds continue to grow each Thursday night at Gordon. Make your plans now to attend.

Next Sunday evening at 3:00 o'clock, Garnie Atkinson will preach at New Home. Every one living near there is invited to attend the service.

Y. W. A. MEETING
The Young Women's Auxiliary of the First Baptist Church met in the home of Billie Jean Preston Monday night, with Billie Jean in charge of the program.

This is Y. W. A. Focus week, and plans were made for the week's activities which included Wednesday night's prayer meeting program and an Association-wide meeting at the Church Friday night, Feb. 11.

All the Y. W. A. organizations in Brownfield Association are to be represented at the meeting in Taboka tonight.

Refreshments were served to the following girls: Rae Fern Pennington, Opal Smith, Beth and Estelle Hardin, Billie Riddle, the counselor Robbie Milliken, and the hostess. Visitors included Mrs. Preston and Mrs. J. W. Goodell, W. M. S. president.

Sgt. and Mrs. C. B. Evans Jr. returned to Wichita Falls Monday, after a three days visit here with his parents, Mr. and Mrs. C. B. Evans Sr. and other relatives.

Question for discussion today is: "Are the Church of Christ preachers Pastors?"

In Eph. 4:1, we find the word "pastors." God placed in the church apostles, prophets, evangelists, pastors, and teachers. In the New Testament we have these three words referring to the same group of men, namely: pastors, elders and bishops. Read carefully these passages: Elders, Acts 14:23; 20:17; 1 Pet. 5:1. Bishops, Acts 20:28; Phil. 1:1; Tit. 1:7; 1 Tim. 3:1-2. Pastors, Eph. 4:1. The duties of these men were to "feed the church," Acts 20:28. "Exercise the oversight of the flock," 1 Pet. 5:2; "and rule or watch in behalf of souls," Heb. 13:17. There was always a plurality of elders in every congregation. An elder sometimes preaches, but the preacher should never be called the pastor. The minister works UNDER the supervision of the elders. The minister does not have the authority to rule, or exercise the oversight of the congregation. The minister is to preach and teach the word of the Lord. Paul speaking to Timothy in 1 Tim. 4:6, "If thou put the brethren in mind of these things, thou shalt be a good minister of Christ Jesus." Paul was a minister, Col. 1:23. We that are preaching the Word should be very careful to always stay in our place, according to God's plan.

Visit the Church of Christ nearest you. It will be different.

METHODIST CHURCH
A Visitation Campaign is in the offing. It will be, too, a religious census and survey. The pastor will not ask for volunteer workers, but shall appoint about 80 percent of men and 20 percent of the women workers. We shall expect everyone asked to respond. This is included in our evangelistic program this year.

The local church Board of Christian Education met last Sunday afternoon. Many worthy undertakings were discussed and planned. One was that a training school be held in the church soon. Also, a children's group is to be organized, sponsored by the W. S. C. S.

The different boards are functioning in a splendid way. Yet there are several committees which have not been organized. Let each one whose name heads the list act as temporary chairman and call the same together and organize real soon.

The services of the church have been well attended the past few weeks. Keep it up, members and friends! We had 51 at prayer meeting Wednesday night. A welcome awaits everyone who will worship with us.

CARD OF THANKS

We desire to express our sincere thanks and the deep appreciation of our hearts to the many friends for the loving kindness and sympathy shown us during the last illness and upon the death of our beloved mother and grandmother, and for the beautiful floral offerings. May God bless and supply the need of every one of you.—Mr. and Mrs. J. J. Atkinson and family, V. S. Coughran and family, Edd Ketner and family.

BIRTHDAY PARTY

Little Miss Ruthel Jackson entertained with a birthday party Thursday afternoon at the ripe old age of two years.

Those who brought gifts and enjoyed refreshments were: Floydene and Netta Fern Jackson, Fatsy and Sandy Veach and Modena Jackson. A good time was had by all.

Methodist Men's Meeting Tuesday

Dr. Doyle D. Jackson, a professor in Texas Tech and teacher of the large Horn Bible Class in the Lubbock Methodist Sunday School, will be principal speaker at a men's meeting in the basement of the Taboka Methodist Church next Tuesday night at 8:00 o'clock.

"World Problems" will be the general theme of his talk.

Dr. Jackson is an outstanding speaker, and is said to be one of the best informed men in West

Texas.

Other program numbers will be furnished by local talent.

All men members and friends of the church are urged to attend this meeting. The program committee promises that the meeting will offer something different. And there are no "strings" attached—its just a good-fellowship meeting.

PARTY IS HELD

The Methodist Young People wish to thank Mrs. Ted Terry for sponsoring a very enjoyable party for them last Tuesday night. Everyone brought gifts for Evelyn Mae

Mitchell as farewell presents. She is moving to Lubbock in the near future.

Jeannine Smith has been elected secretary-treasurer to fill the vacancy which Euella Dollins' resignation left.

The Young People have charge of prayer meeting this Wednesday night. They shall give talks and lead the singing as well as have some special songs.

Pvt. Thomas Fender has been transferred from Canyon, Texas, to Lowrey Field, Colo. He is in the Army Air Corps.

FARMERS!

This is just another reminder that you not neglect your tractor and other farm machinery... not just for economy's sake, but to aid the war effort as well. Few new tractors are available, and it may be a long time before there are very many.

Just to make sure, check your farm equipment carefully... let one of our expert mechanics check it—and don't wait until it is too late. BE SURE your equipment will be ready when you need it most.

All farm machinery experts recommend that it is economy

1. To replace all broken or worn parts.
2. To have equipment serviced and put in top condition.
3. To clean and paint your equipment, which adds years to its useful life.

I. H. C. Parts

Genuine I. H. C. Parts are cheapest in the long run—time tested and the best quality available.

"So can your boy be proud of you!"

"You've earned some sort of medal yourself, I'd say, for giving lots of us drivers safe warning. Good thing you kept harping on rationing. You said limited driving couldn't keep clearing out the rank acids always left from combustion; they'd linger and corrode the engine. But you said that plating, of course, wouldn't soon let metals corrode. And you convinced me, all right, about keeping my engine OIL-PLATED with your patented Conoco Nth oil. Now my OIL-PLATED engine is seeing me through, and I say good for you!... helping the home front! They all should know how Conoco Nth gives engines protective OIL-PLATING!"

The how of it is that Conoco Nth motor oil—popular-priced—includes a costly modern synthetic. Its strong "power of attraction" fastens and maintains the OIL-PLATING on inner surfaces. Despite engine inactivity, the unavoidable acids aren't "working right through" the OIL-PLATING, and so the

wartime risk of corrosion is cut! The more extras you're doing to huddle the boys home, the more you need your car and Your Mileage Merchant's Conoco Nth. OIL-PLATE today. Continental Oil Company
