Lynn County Exceeds War Bond Quota

Post-War Planning Board Is Set Up By Local Bodies

A planning board to investigate and develop possible post-war projects has been set up by the Tahoka Chamber of Commerce and the Tahoka Rotary Club.

J. K. Applewhite is chairman of the committee, and he will be assisted by W. B. Slaton and W. E. (Happy) Smith. The body may increase its membership at its own discretion.

The board is delegated to study possible air line connections, highway and road projects, work projects, readjustment from war-time to peace-time activities, and other matters that may be of interest or benefit to the town and county.

In setting up the board, the two Tahoka organizations feel that a small board can better keep informed and be ready for action on any post-war projects that may develop.

Name Officers For General Election

Judge Chester Connolly and the commissioners court have announced the following presiding judges and associate judges, respectively, for the General Election to be held the first Tuesday in next November:

South Tahoka, precinct 1: N. M. Wyatt, J. S. McKaughan.

Gordon, precinct 9: Howton Hairs Noble Wynn.
Garnolia, precinct 10: J. B. Ray, Dan Carpenter.
West Point, precinct 11: C. T. Tankersley, Ivan McWhirter.
New Moore, precinct 12: N. S. Parker, Pete Crutcher.
Dixie, precinct 13: J. L. Rumbo, Earl Tunnell.
Morgan, precinct 14: Jack Cook, Chester Swope.
Lakeview, precinct 15: J. H. Newman, A. C. Millington.

New Tahoka Church Erecting Building

Members of the church known as the Pentecostal Assembly of Jesus Christ recently organized here report that they expect to have their building sufficiently completed to have a revival meeting in it early next month. They have already engaged the services of two evangelists to conduct the revival.

The new church building is situated just east of and facing the highway in south Tahoka.

Waste Paper Drive Is Said Lagging

Only two or three tons of scrap paper have been contributed to the war effort locally to date, Judge Chester Connolly states.

Of this total, the Boy Scouts of Tahoka gathered one truck load, and Leon Jennings, commissioner of precinct 4, brought in a pick-up load, about 1,000 pounds.

The government is asking the people to save their old newspapers and magazines, as paper is a vital war material.

Paper is being received here at the old Red Cross room in the sheetiron building east of the square.

O'Donnell, Denver City Win Cage Meet District Meeting Here This Week End

O'Donnell High School basketball team, though it is the only Class A school without a gymnasium, proved its championship calibre by winning all games to take first honors in the split-district 4-A tournament held in the Tahoka gymnasium Friday and Saturday. Tahoka and Denver City tied for second place, but in the play-off Monday night at Denver City, that school was the winner by the lopsided score of 36 to 16.

As a result, O'Donnell and Denver City will represent the south half of the district in the all-district tournament being held in Tahoka Friday and Saturday of this week, with Levelland and Sudan representing the north half.

The district champion will be determined in what is known as a double elimination tournament, in which two losses eliminate any one team.

O'Donnell and Levelland, the top team of each half, open the play at 2:00 p. m. today, and Denver City and Sudan play at 3:00 p. m.

Friday night at 8:30, winners play winners, and losers play losers. One game will be played Saturday afternoon at 3:00 o'clock, and the final game will be Saturday night at 8:30.

Cotton Neely of Brownfield and Johnny Sims of Tahoka will be the officials.

These are four of the top teams on the South Plains, and the games promise to be among the most hotly contested of any ever played here.

The south half tournament of last week end was one of the best tournaments ever held in Tahoka, and was marked by friendly competition. When it became obvious that the host team could not win the championship, local fans were rooting for their sister city of O'Donnell.

Winning teams were presented beautiful trophies donated by J. K. Applewhite and Pete Curry.

Tahoka received some consolation by placing one man La Vaughn Carraway on the all-tournament team, and two men, W. T. Hines and Bill Woods, on the second team.

In the opening session, Tahoka lost a heart-breaker to O'Donnell 22 to 23, after leading by 10 points a few minutes before the end of the game. But, Tahoka boys received some satisfaction by winning an equally sensational game in the closing session from Denver City 30 to 29. Regular play ended in a 23-22 tie, and in the extra period the visitors out-scored the local boys by one point.

Game scores were as follows:

Senior Play Will Be Next Week

The Senior Class will present the play, "They Gave Him a Co-ed," by John Nash Thursday night, Feb. 24, at 8:30 o'clock in the High School auditorium. The admission will be one 25-cent War stamp or more. Student activity tickets are good.

Of all the whacky plots ever conjured up in the fertile mind of a dramatist, this is the Seniors' choice for top honors. Maybe the term "screw" would better describe it.

The set is that of a lounge room in a college assembly building. The topic of the hour is the new dean, Charles Bradley Brown, whose arrival is momentarily expected. In pops a new student with the incidental name of Dean Brown. He's a plain, unvarnished American boy, simply unimpressed of his many educational short-comings, yet frank and breezy as youth can be. Dean is assigned one the girls as his secretary. The Registrar persists in giving Dean an advance on his salary. Poor guy, he's thrown overboard in a malestorm of riotous happenings that would be chaotically bewildering were it not that they are so cleverly knit together into a perfect story for high school players. When the real dean comes along, he's mistakenly thought to be an escaped lunatic. Every character denotes youth, every part is custom-built for laughs, and romance abounds in its most elementary stages.

School Booths Sell Bonds and Stamps

War bonds sold to Tahoka High school students at the school during the Fourth War Loan drive totaled \$850.00. The News is informed.

Bond and stamp sales at the Grade School totaled \$464.00, of which \$132.50 was sold on the last day of the drive, according to the principal, B. T. Smith.

CRAWFORD COMPLETES MECHANICAL COURSE

Keesler Field, Miss., Feb. 11.—With his intensive Army Air Forces basic training already behind him, T/Sgt. Elbert Crawford, son of Mr. and Mrs. T. D. Crawford, Tahoka, Rt. 2, has begun airplane mechanical training at Keesler Field's huge B-24 Liberator bomber school.

Tahoka Fighters In State Contest

Two Tahoka fighters, champions of the Lubbock district, Jerry Edwards, flyweight, and Wayne Miller, featherweight, accompanied by Leo Jackson, coach, and Curtis Driver, left Wednesday morning for Fort Worth, where the fighters are participating in the Texas Golden Gloves Boxing tournament.

By reason of winning the district title, all expenses of the fighters and their coach are being paid to the state championship meet.

Jerry was to meet the Camp Fannin winner and Wayne the Beaumont winner Thursday night.

FATHER OF FORMER TAHOKA RESIDENT DIES

Mr. and Mrs. W. M. Harris attended funeral services at Ralls Sunday for Pearl H. Parish, 70, who died at his residence near that place on Friday night.

Mr. Parish was the father of Mrs. Roy Leslie, well known here. Mr. Leslie having been local manager of West Texas Gas company and now has a like position at Quitaque.

We Have Done It Again!

The United States has made its quota, Texas has made its quota, and Lynn county has made its quota!

We wish to thank the citizenship and bond solicitors of Lynn county for their magnificent co-operation in the Fourth War Loan Drive. Citizens, you have done your duty if you bought the biggest bond possible. If you could have bought a \$1,000 bond and you bought only a \$100 bond, you have fallen short of your duty to your country, to the boys in the training camps, and to the Allied soldiers in every foxhole in the jungles and on other battlefront lines.

Please do not bear your conscience any longer, but buy bonds until you have denied yourself of all luxuries and many necessities. Bond solicitors, you have done your job in a big way as true patriots. You have not only purchased bonds, but you have used your automobiles for this noble cause. In these days of gas and tire rationing, the extra driving may cause you to be without a car in the near future; but, friends, you had better be without a car than to be without a home or without a country or the failure of your son to return to his own native land.

To the bankers and postmasters of Lynn county, we thank you for your extra work and the agreeable way you have done it. Lynn county citizens, do you know that the bankers are employing help, paying postage and costs of messages out of their own funds in order that we may make our quotas? Lynn county citizens, do you know the postmasters are doing a lot of extra work, too, for the same reason? Let us all extend our sincere thanks to these overworked organizations.

There will, no doubt, be another bond drive in the near future, and please be ready to co-operate with the solicitor, or when you learn who are soliciting in your community, make a little effort to hunt them up and subscribe for as large a bond as you possibly can afford.

Lynn county has shown the "spirit of '76"—Washington crossed the Delaware to win our FREEDOM—We cross oceans to keep it! They fought for freedom; we fight to keep it. PLEASE BUY BONDS!

TRUETT SMITH, Lynn County Chairman.
MRS. J. W. ELLIOTT, Lynn County Chairwoman.

C. L. Harris, young Lubbock attorney and president of the Texas Young Democrats organization has announced as a candidate for representative in Congress from the 19th Congressional district.

Connolly Is Out Of Judge's Race

County Judge Chester Connolly announces that he is withdrawing as a candidate for re-election on advice of his physician.

"I deeply appreciate the co-operation I have had," Judge Connolly said. "I have enjoyed the work, and greatly appreciate the consideration given me by the people, but I must give closer attention to my health. I will do my best during the remainder of the term, but we decided not to run for another."

Judge Connolly was unopposed, and so far as The News knows, no one contemplated running against him.

Judge Connolly is generally recognized to have conducted the affairs of the office in a fair and business-like manner, and his many friends regret that his health is not improving more rapidly since the near-fatal attack of a few months ago.

Independent Teams Will Play Here

Tahoka Orange Crush independent basketball team will be host to an independent team basketball tournament in Tahoka Friday and Saturday, Feb. 25 and 26, according to Roy Botkin. Sessions of play will start at 8 p. m. Friday night and at 7:30 Saturday night.

Teams expected in addition to the local team are Pleasant Valley, New Home, Roperville, Friendship, Meadow, and Lorenzo.

Among those on the Tahoka team are: Botkin, L. A. Forsythe, Cotton Davis, Bob Spence, Winfred Carpenter.

Mrs. A. R. Hensley is visiting her aged mother at Cameron.

Liston Wounded In Action at Arawe

Mack M. Liston, technician 5th grade in the U. S. Armed forces in the Southwest Pacific, was seriously wounded in action at Arawe on New Britain Island on February 1, his sister, Mrs. M. H. (Oneta) Walker, living about six miles southeast of Tahoka, has been officially informed by the War Department at Washington.

The first information to this effect was contained in a telegram dated Feb. 10, which was confirmed by letter from the department dated Feb. 11. The letter indicated that he is being treated in an overseas hospital, presumably in that area.

Beyond the statement that he was seriously wounded, the nature of his wounds were not stated.

Liston's parents are dead and he made his home with his sister, Mrs. Walker, before entering the service. He has a brother, A/S Odell Liston, now in training as a pre-flight student at Kelly Field, San Antonio.

Rev. A. C. Hardin Talks On Fishing

"Fishing" was the subject of an entertaining talk by Rev. A. C. Hardin at Thursday's Rotary luncheon, and when he was through, he had about every man present wishing he was out on a stream or lake.

He emphasized the thrills and the wholesome recreation connected with fishing, and related many humorous stories connected with the sport. He also displayed two large bass heads, casting rods, types of casting baits, and presented a number of hints to the man who would be a successful angler.

Calloway Huffaker qualified the minister to talk on the subjects of fishing by reading a certificate of A. C.'s membership in the Liar's Club.

Tom Garrard and Walter Anglin announced the approaching annual Red Cross drive, for which Lynn county's quota has been set at \$7,200.00.

Truett Smith introduced the program speaker.

Scouts Complete Week's Program

Tahoka Boy Scouts climaxed a busy week of observing National Boy Scout Week Monday by taking charge of the city for a day. Principal activity was in calling attention to law violations, and many a citizen paid a "fine" for jaywalking, failure to stop at "stop" signs, etc. "Fine" money, which totaled \$110.70 will be used in Scouting activities.

Other activities included the "pot luck" supper Tuesday of last week which resulted in the sale of War Bonds and Stamps totaling \$5,025. A skating party Wednesday night, a program at the Rotary Club on Thursday, observance of Scout Day in school Friday, and on Saturday the Scouts co-operated with the paper drive by gathering a truck load of old newspapers and magazines.

A. R. Milliken, scoutmaster, asks The News to convey his thanks to the citizens, and especially to their sponsors, the Rotary Club, for the fine co-operation given the boys in putting over their week's program.

BOY DIES FROM POLIO

Ebert Olen Lane, 12-year-old son of Mr. and Mrs. R. O. Lane of O'Donnell, died in a Lubbock hospital Sunday night of bulbar type polio. He had become ill with the disease only a few days and had been put in the new iron lung acquired through public subscription at Lubbock.

Funeral services were held at 2:30 p. m. Tuesday at O'Donnell, O. H. Tabor, Lameis Church of Christ minister, officiating.

4th War Bond Sales Total \$813,310.30 At Drive's Close

Lynn county topped its \$695,000.00 Fourth War Loan quota by buying \$118,310.30 in bonds above the assessed amount, or a total of \$813,310.30. Truett Smith, county chairman, announced Thursday morning. The E Bond quota of \$302,000.00 was far exceeded, though no figures were available Thursday.

Wilson, O'Donnell, and Tahoka, and most of the smaller communities of the county exceeded their quotas.

The First National Banks of Tahoka reported sales of \$544,605.25 in Bonds, while the postoffice reported \$27,851.95, bringing the total amount sold here to \$572,457.10.

O'Donnell First National Bank sold \$105,979.35 in Bonds, and the postoffice there reported \$22,068.75, a total of \$128,048.10.

Wilson State Bank and Wilson postoffice reported \$112,795.00.

Of course, these figures include bonds bought in outlying communities of the county where there is no bank or postoffice.

Lynn county citizens were rightfully happy over the fact that the county had exceeded its unusually large quota by such a substantial margin, and the excess compensates somewhat the county's failure to go over the top in the Third War Loan last fall.

Wilson Is Host To 11-B Tournament

Wilson, long a leader in South Plains basketball circles, was scene of the District 11-B basketball tournament last week end. Sunday boys and girls being the winners and Whiteface boys and girls being the runners-up. These teams, as a result will enter the regional meet.

Neiman of Wilson and Scott of Southland were honored with places on the boys' all-district team, and on the girls' honor team, Watson and Gryder of Wilson were selected.

J. O. Tinsley has sold his home place just north of town to B. R. Tate. He will continue to reside in the house for the present.

John A. Roberts Out For Office

John A. Roberts, prominent farmer residing a few miles southeast of Tahoka is a candidate for commissioner from precinct 2. Following is his formal announcement:

To the Voters of Precinct No. 2: Having served the public for some 17 years, I feel that I am qualified and fitted to serve you as your commissioner. If you should see fit to elect me to the office, I shall dedicate my tenure to the following program:

1. Building and maintaining our rural mail routes.
2. Building and maintaining our school bus routes.
3. And making a chemical fight against the Johnson grass and other noxious weeds along our right-of-ways.

If our school bus routes and our mail routes are built and maintained, none of us will be far from good roads. When men and materials are available, these routes should be the first to receive consideration by our commissioners court for all-weather construction.

Just as we furnish poisons at a small cost for the purpose of fighting the grasshopper and other farm pests, we could furnish chemical to eradicate the Johnson grass.

If you see fit to elect me commissioner, I shall look after the other duties of the office in a fair, sane, and economical manner.—John A. Roberts.

Tournament Is Filled With Thrills

The bleachers of the Tahoka Grade School gym were packed Friday when the District 4-A, south half basketball tournament began. Denver City walked Seagraves to victory, with a score of 32 to 21 in the first game.

The crowd went wild during the last quarter of the second game when Tahoka boys, who were 10 points ahead, fought desperately to hold their ground and O'Donnell slowly but surely crept up on them.

The crowd roared during the first few minutes when the score was tied and both teams were putting forth their best to make that extra point—both teams fighting, fouling, shooting and missing. Then O'Donnell made a free shot which won the game for them with a score of 23 to 22.

Saturday night the gym was again filled with excitement when Tahoka and Denver City tied for second place district championship. An extra three minutes was played to break the tie-game, and Tahoka won by one point.

Monday night, Feb. 14, the second place winner was determined when Denver City defeated Tahoka at Denver City 39 to 16.

Statistics on the tournament are as follows:

- O'Donnell 35, Denver City 30.
- O'Donnell 23, Tahoka 22.
- O'Donnell 42, Seagraves 23.
- O'Donnell 30, Seminole 15.
- Denver City 28, Tahoka 30.
- Denver City 32, Seagraves 21.
- Denver City 29, Seminole 3.
- Tahoka 27, Seagraves 22.
- Tahoka 19, Seminole 24.
- Seagraves 25, Seminole 23.

La Vaughn Caraway made district first string and Bill Woods and W. T. Hines made second string, all of Tahoka.

Students Support War Bond Drive

To make their contribution to the Fourth War Loan drive, the students of Tahoka High School have been buying bonds and stamps from a booth in the balcony of the auditorium. The Juniors have had charge of the booth with a different Junior student selling every period from 9:30 until 4:00.

From Feb. 3, when the booth opened, until it closed Feb. 11, the high school students invested \$667.75 in bonds and stamps, according to Miss Snow Johnson, Junior sponsor.

Later—Final tabulation of bonds shows sale of \$850.00 to students in high school.

HOW TO LOSE FRIENDS

By Edwin Banks
 There are several ways to lose friends. One good, quick way is to wear the wrong type of clothes to the right place. For example, you could wear a bathing suit to a funeral, or a tuxedo to a swimming party. You could also wear a zoot suit to a formal dinner party, or a formal suit to an informal dance. You should not dress to suit the occasion.

You should stick to your bad habits to lose your friends. If you do lose your best girl, so what? It's cheaper. Never cover your mouth or turn your head when you sneeze. When you ask someone to join you that you really don't want, just ask him in an unenthusiastic manner. If he decides to join you anyway, just sneeze in his face when he least expects it. That will help.

Never help a girl in or out of a car. She probably has more energy than you have. Besides, you have to drive, while she just looks or primps. When you have a date with a girl don't ask her where she wants to go. Just go where you want to. You should have the right to decide; it's costing you more than it is her.

When a person starts to sit down just go ahead and pull the chair from under him. It's a lot of fun, and you can get another friend, maybe.

Always eat something in the theatre. It is great sport to get a sack of popcorn and see how many people you can make move. By the time the sack is empty, you will have plenty of room to yourself. If you are still a little crowded, just blow up the sack and pop it loud enough to scare the day-lights out of at least half a dozen people.

If you will follow these simple rules, you will be able to live a nice quiet life of complete solitude, not bothered by social life or friends.

EDITORIAL

"I'm sorry, teacher, I just couldn't make it," exclaims Johnny as he rushes in five minutes late—again. Thus, begin the morning and afternoon classes in Tahoka High School.

Students, we are becoming negligent about arriving at school promptly, in the morning and after lunch.

It seems that we never stop to think how much trouble we are causing the teacher. Nor do we consider that we are harming ourselves.

If we continue to be tardy it will lower our grades and perhaps ruin our chances of exemption. Tardiness can, also, become a habit; and bad habits have wrecked many lives.

Let's begin to form good habits while we are in high school. Come on, students, don't be a "Tardy-Johnny," be on time!

CLASS NEWS

8-A Class
 The 8-A section is busy learning poems and diagramming sentences in English. We are, also, trying to get a newspaper from every town in Texas.

We are sorry that Bobby Reese and Vernese Moore, fellow classmates, have moved away.

Freshman Class
 The Freshman Class enjoyed a very nice Valentine box in home room period Monday, Feb. 14.

Sophomore Class
 Members of the Sophomore Class attended a "Sadie Hawkins" party Thursday night, Feb. 17, in the Grade School gym. The girls came dressed to resemble "Daisy Mae," and the boys dressed to resemble "Ed Abner."

Junior Class
 The citizenship program of the Junior Class Thursday, Feb. 10, was on "Defense." They had two special guests, Mr. W. T. Hanes and Mr. Leo Jackson.

The Junior Class will have try-outs for their play Friday, Feb. 18.

Senior Class
 The Seniors have selected and ordered their caps and gowns. They are to be navy blue with white tassels on the caps.

The Senior play is coming along fine and will be presented Feb. 24.

Spanish Class In Assembly Number

"Buenos dias, amigos. Como usted? Hoy el clase de espanol presenta la programa de la escuela."

The students were introduced to something like this Tuesday, Feb. 15, when the Spanish class presented their annual program in assembly.

The assembly was a radio program and was presented both in English and Spanish. The English program was sponsored by Grapette and Hilery Mather acted as announcer. Dorothy Lee Carmack gave a news flash, and the Spanish class sang "Sunday, Monday or Always." The program was then turned over to Irwin Lehman, the Spanish announcer. The program was similar to the English one, and a Good Will Hour and musical program were added and sponsored by "Dentyne Chicle."

The musical program was as follows: "Juanita," the Spanish class; "La Paloma," Gerry Frazier, Virginia Roddy, and Charlene Bucy; "Besame Mucho," Dot Carmack and Macky Fenton; talk, Dot Applewhite; "La Cucaracha," Spanish class; "Oh, Ya, Ya," Dorothy Carmack.

All the songs were sung in Spanish.

Students Buy New Stage Property

Led by the Student Council, the Tahoka High students are donating money for much needed new stage furniture. A local furniture dealer is selling the furniture at a generous discount.

For the past several years, people participating in plays have either used the old wicker set (which is now completely torn up) or borrowed furniture from a local business house.

Student council president, W. T. Hines put the proposition of buying the furniture before the student body in assembly Tuesday, and it was unanimously voted for each class to donate a given amount.

PERSONALS

Several ex-students of Tahoka High School were home during the past week.

College students Peggy Fenton and Bessie Rainey were home over the week end. Miss Fenton is attending Hockaday's Junior College in Dallas, and Miss Rainey is attending the Abilene Christian College.

FARMERS!

This is just another reminder that you not neglect your tractor and other farm machinery... not just for economy's sake, but to aid the war effort as well. Few new tractors are available, and it may be a long time before there are very many.

Just to make sure, check your farm equipment carefully... let one of our expert mechanics check it—and don't wait until it is too late. BE SURE your equipment will be ready when you need it most.

All farm machinery experts recommend that it is economy

1. To replace all broken or worn parts.
2. To have equipment serviced and put in top condition.
3. To clean and paint your equipment, which adds years to its useful life.

Farm Bureau Will Meet Wednesday

There will be a meeting of the Texas Farm Bureau Federation in the county court room here at 2:30 o'clock next Wednesday afternoon, at which time Walter Hammond, president of the state organization, and Bill Tilson, district director, will be present and will discuss matters of vital importance to the organization and to the individual members, it is announced.

Among these will be:

1. To obtain necessary machinery, supplies and labor for the 1944 crop.
2. The matter of prices for farm and livestock products.
3. Including increased labor costs in figuring parity prices.
4. To give the farmers a voice in setting fair prices for their products.
5. To obtain legislation and appropriations for the adequate operation of Farm Credit, Rural Electrification, AAA, Soil Conservation, Extension Service, and Farm Security.

Everybody is cordially invited to attend this meeting.

Second Lt. D. F. Reddell left for his station at Blackland Field, Waco, Monday after a few days visit here with his parents, Mr. and Mrs. W. A. Reddell. His sister, Miss Anita, who visited here at the same time, also returned to her work at Dallas.

Sgt. David Hill Is Visitor At Home

Sgt. David L. Hill of Camp Roberts, Calif., left Monday night for his post of duty following a week's visit here with his parents, Mr. and Mrs. W. T. Hill, who live east of town.

Enlisting in November, 1939, Sgt. Hill has been in the service for more than four years. He has never been outside the continental United States but is expecting to be sent abroad some time soon.

The Hills have two other sons in the service. M/Sgt. Jesse L. Hill was wounded in the invasion of Sicily and was sent back to this country for hospitalization. He is a patient in the McClockey Hospital at Temple.

Cpl. Andrew Hill, the youngest of the three sons, is now with the U. S. armed forces in England.

EXPRESSES APPRECIATION

We wish to express our thanks, publicly to the people of the Draw Redwine High School District No. 1, for the generous response they made when called upon to purchase war bonds, for their cooperation in every way, for the fine spirit they exhibited and the uniform courtesy shown the committee; and especially do we thank those who actively assisted the committee in making sales and helping our district to go over the top. Thanks to everybody.

—W. W. Caswell, J. E. Sherrill, W. G. Cass, Mrs. John Berry, E. W. Holloway, Graham Hensley, J. M. Patterson, Waldon Martin, Clayton Beard, committee.

John Henry, three months old son of Mr. and Mrs. Henry Heck of New Home, who was taken to a Lubbock hospital last Sunday, was said to be slightly improved Thursday.

Cpl. Horace Rogers of Bryan Army Air Field, came up Tuesday, accompanied by his wife, who also works on the post. They will return to Bryan about Wednesday.

Pvt. W. A. (Dub) Fulford, who has been stationed at Camp Pannin, is home for a few days while en route to a new post somewhere west.

Southland Lady Is Taken by Death

Funeral services for Mrs. Audie Lee McCaskill, 21, who died at a Lubbock hospital Friday night at 7:30, were held in Southland Methodist Church Sunday afternoon, and interment was made in the Southland cemetery. Her husband, S/Sgt. J. D. McCaskill is stationed at the South Plains Army Air Field.

Services were conducted by Rev. E. C. Armstrong, Southland Methodist pastor, assisted by Rev. V. W. Allen, former Baptist pastor there. Mesle Mae and James Baker sang "Farther Along."

Pall bearers were: Lonnie Collinsworth, R. Robinson, Kenneth Davies, Sgt. R. C. Tullos, Sgt. L. H. Coffey, and Sgt. R. O. Malcik, the latter three stationed at SPAAF. Flower girls were: Juanita Merrill, La Wanda Loveless, Hope Robinson, Maurine Lester, Dorothy Jack and Catharine Bartlett, Dorothy Sue Smallwood, Enleale Davies.

Mrs. McCaskill is survived by the husband, parents, Mr. and Mrs. J. C. Harris; two sisters, Mrs. M. S. Reynolds of McCauley, and Mrs. Glen Allen of Stockton, Calif.; three brothers, Fern R. Harris, Seaman 2/c, San Diego, Calif., Emnis Harris of Hereford, and Wayne Harris of Ralls.

Audie Lee was born on a farm four miles from Southland, where she lived until August, 1942, when she moved to Lubbock to attend Draughon's Business College. She graduated from Southland High in 1940. On April 11, 1943, she and Sgt. J. D. McCaskill were married at the local parsonage, Rev. Armstrong performing the ceremony, and they made their home in Lubbock.

Many out of town relatives, and friends attended the funeral.

PHOENIX K. WARNER CLUB

The regular meeting of the Phoenix K. Warner Club was held in the home of Mrs. Fred Bucy Feb. 8th. Vice-President Mrs. Douglas Finley presided over the meeting in the absence of the president.

Members voted to make service kits for soldiers, and each member to donate money to buy supplies for one kit.

The parliamentarian, Mrs. John Chandler, presented several rules of parliamentary procedure.

The roll was called by the secretary treasurer, Mrs. Woodrow Walker, and was answered by each member stating some unusual fact.

A "spelling bee" was conducted by Mrs. G. M. Stewart.

Mrs. E. R. Edwards, presiding program chairman for the afternoon, discussed the topic "Psychology of Modern Warfare." "Miracles from Molds and Penicillin" was discussed by Mrs. Douglas Finley. "The Real German Enemy" was discussed by Mrs. N. E. Britton. Ethelene Bucy entertained by playing the piano and singing while refreshments were served to the following: Mmes. H. E. Mather, Calloway Huffaker, Truett Smith, Ben Hardy, John Chandler, N. E. Britton, G. M. Stewart, Douglas Finley, Roy Edwards, Woodrow Walker, H. A. Nichols, C. E. Woodworth, John Barbee, K. R. Durhame, and J. S. Hutcheson.

FENTON-LISTON

Miss Dora Ruth Fenton, daughter of Mr. and Mrs. J. C. Fenton of Tahoka and A/S Samuel Odell Liston, pre-flight student at Kelly Field, San Antonio, formerly of Tahoka, were married at the First Baptist Church in Austin Saturday night, Feb. 5, Rev. Kirkbride, pastor of the church officiating.

The bride was dressed in navy with white accessories and her corsage was of white gardenias. They were attended by friends of the groom.

After spending the week end at Bastrop with the bride's relatives, they are at home in San Antonio.

We think that President Roosevelt is in many respects a great man. It seems to us most unfortunate therefore that recently he so far forgot the rights of others to exercise their own opinions as to charge that the soldier ballots measure passed by the House of Representatives was a "fraud on the American people." The House of Representatives together with the Senate constitute the legislative branch of this government, and it has its functions and rights just as distinctly as the President has his. It is just as indefensible for him to charge some action of the House as a fraud upon the American people as it would be for the House of Representatives to make such a charge respecting some official action of the President. Es-

pecially was such a charge indefensible in this case when the constitutionality of the President's own proposed measure was exceedingly doubtful while the House of Representatives in its measure was seeking to conform to the Constitution. It seems difficult for some great "Democrats" at times to be Democratic.

Recent events have greatly impressed the people of West Texas, with the importance of improving our methods of protecting the public against the criminally insane. Certainly great caution should be exercised to prevent a recurrence of such tragedies as have been committed in this section recently by men whose sanity has been questioned or who have actually been adjudged insane at some time in the past and thereafter released, without notice to officials or the public. This whole matter is one that deserves the most thorough investigation and study on behalf of members of the legislature, and something should be done about it at the next session.

Since the people of the United States are most concerned right now with the winning of the war and the peace that will follow, we believe that a majority of them are in favor of keeping the President at the helm until the job is finished. Especially does this seem so since no great, outstanding leader has yet appeared among the Republicans. It seems that Lincoln's observation about swapping horses in the middle of the stream would apply with much force to the present situation.

ELDER DRENNON'S NOTES
(Delayed)

While over in Texas last week a good woman in Slaton asked me to write a few notes for her mother's sake.

I visited Monument, New Mexico, the fifth Sunday in January, and preached for them. On my way home, I visited Lubbock, then Slaton, where I spent Monday night with my dear friend, Dean Brookshire. I also had the privilege of teaching the ladies' Bible class while there. It began raining Monday about night and kept it up until I left Wednesday morning—too much rain for a dry-lander.

Brother Brookshire accompanied me to Tahoka and O'Donnell Tuesday. At Tahoka, I visited my old friend, J. K. Callaway, also Brother Atkinson, who was as busy as a hen with three chicks. I was indeed sorry I did not get to visit Editor E. I. Hill, but am glad to see he is able to write again, and think his editorial last week had just the right ring to it. I wish we had more editorials like it.

After visiting Tahoka a few minutes, we went to O'Donnell, where I visited my old neighbor, J. B. Miles, who had been down with the flu about three weeks but was up again. I had the privilege while there of taking lunch with Stansell Jones, who is home on a furlough after spending 16 months in and around the Aleutian Islands. It was a treat to see him again. While driving through the streets of O'Donnell, we got stuck in the mud. It wouldn't hurt to put some caliche in the worst spots, I think. I arrived home Wednesday afternoon safe and sound with many pleasant memories of old friends and places. Yours for more people who had rather convert Japs than kill them.—R. P. Drennon.

SAM WARD'S MOTHER DIES IN NEW MEXICO

Sam Ward, plant man for the Southwestern Associated Telephone company here, returned last Thursday from Tolar, New Mexico, where he had gone to visit his mother, who was critically ill. She passed away while he was there and he remained for the funeral services, which were held in Clovis.

GROWING ROSES THEME OF WILSON H. D. CLUB

"Ordinarily roses will grow in soil in which cotton grows well," stated Mrs. A. W. Montgomery in the meeting of the Wilson Home Demonstration club in the home of Mrs. J. P. Covey Wednesday, Feb. 9. She also explained, "The radiance is the most thrifty and dependable grown. Shallow cultivation is desirable. Roses should be pruned about the time the last freeze is over."

"Shrubs for Foundation Plantings" was the demonstration given by the county home demonstration agent, Miss Carolyn Dixon. The cuttings received by each member as a gift from Mrs. E. I. Hill were appreciated.

The next meeting will be second Wednesday in March, March 8. The club is looking forward to a large percent of the club roll and a number of visitors being present.

A. L. SHEPHERD'S VISIT DAUGHTER AT McMURRY

Mr. and Mrs. A. L. Shepherd, accompanied by Mrs. Shepherd's parents, motored to Abilene last Friday to spend the day with their daughter Beth, the occasion being Beth's birthday. Beth and her room-mate were given the treat of "eating out" in honor of the day. It was hoped the two girls could return home for the week-end but Beth had to attend a tea for all honor students, and Jimmie Lou Thomas had other plans for the week-end.—Contributed.

W. M. U. WOMEN HEAR INDIAN MISSIONARY

Thirty-two Tahoka women and a smaller but equally representative number from Wilson attended a W. M. U. meeting in the First Baptist Church of Lubbock Monday afternoon, at which Mrs. A. W. Hancock of McAlester, Okla., herself an Indian, wife of an Indian, and a missionary to the Indians of her native state, was the speaker. Her husband is likewise a missionary to his people.

Mrs. Hancock is speaking to the Baptist women of Texas this week, and it was through the efforts of Mrs. L. Lamasden of Wilson, W. M. U. president of district nine, that Mrs. Hancock was procured for the Lubbock meeting, which was attended by women from several different associations.

Dressed in native Indian costume, Mrs. Hancock told of their work among the Indians.

She stated that the Indians are not a "dying race" but that their number is increasing all of the time. There are 200,000 Indians in Oklahoma and 50,000 in New Mexico.

While the early day Indians hated and fought the white man, Mrs. Hancock says that the Christian Indians are grateful that the "pale-faces" have brought to them a knowledge of Christ, the Bible, schools, and so on.

She stated that the Indians are doing their share in carrying on this present war.

Mrs. Hancock has a pleasing voice and opened her talk by singing "Indian Love Call" and at the close she gave "Earnestly, Tenderly Jesus Is Calling" in sign language, while J. D. Riddle of Lubbock sang the words.

Mrs. L. Lamasden and Rev. W. H. Jackson and ten others from Wilson attended the meeting, while the following from Tahoka attend-

ed: Mrs. Garland Pennington and mother, Mrs. John Russell, Mmes. Coy Fielder, J. W. Goodell, W. M. Harris, V. A. Botkin, E. J. Hendrix, W. C. Cook, K. R. Durham, J. M. Scott, D. C. Cooper, H. P. NIX ON THE OVEN, MR. MACGOVERN

TO MAKE SURE WAR PLANTS GET GAS
AVOID HEATING YOUR KITCHEN WITH YOUR GAS RANGE OVEN

- HERE'S HOW YOU CAN HELP ON COLD DAYS!**
1. Avoid heating your kitchen with your gas range-oven or top burners.
 2. Keep room temperature as low as possible.
 3. Minimize the use of gas for cooking on cold days.
 4. Heat no more water than necessary.

The fact about the natural gas shortage is NOT that there is LESS gas than during pre-war days, but that there has developed a greatly increased demand for this vital fuel. EVERYBODY, including businesses and industries, as well as householders, can do a great deal to help relieve this shortage simply by following this slogan: "USE WHAT YOU MUST, BUT SAVE WHAT YOU CAN!"

Othell Carey of Mrs. Hollis' room sold the most stamps of any one student. His sales amounted to \$28.00 for the week.

Miss Dorothy Del Oate, a WAVE stationer at Seattle, Wash., was recently promoted to 2-c petty officer. Mink and Wink Cash recently postponed their visit home as they had hopes of a promotion. Their brother-in-law, Carl Reams, stated that the twin boys received their sergeant stripes on the same day. Earl Dyer Morris, son of Mr. and Mrs. M. E. Morris, is now at home. He is stationed at Camp Coffee, Ark., and his wife and son accompanied him home.

Joe E. Childress, who is stationed at Laredo, is here visiting his wife and relatives at Slaton.

Mrs. Herbert Dunn and brother, Talmadge (Dick) Day, who is in the Navy, and his wife and baby are visiting their parents in Mulahoe. Mrs. Dunn plans to spend the week there.

Junior Hord, who is stationed at Ft. Knox, Ky., sent Mrs. J. L. Whitel a nice picture of himself.

Mrs. Marvin Truelock does not think it foolish to mail early Christmas packages to boys in foreign service. Her brother, S/Sgt. Fred H. Fletcher, received the fruit cake mailed Oct. 13 on Jan. 23.

Fulton (Shorty) Fletcher wrote his brother in San Antonio not to mail him any more films as he would be home before any more might reach him. He is serving his second stay on New Guinea.

Miss Anita Sokoll is now employed at Slaton and is rooming with Mrs. Dave Draper, who formerly lived here.

Mr. and Mrs. Bunch Pullingim and son of Petersburg were guests of Mr. and Mrs. Hub Haire and Mr. and Mrs. Sam Ellis last week end.

Pfc. J. L. Taylor is now stationed at Ft. Nelson, Canada. He was first sent to Edmonton before Christmas. He is direction finder operator in radio in the Air Force.

Pfc. Norman Kruster received the watch that his relatives sent him for Christmas. This Marine is stationed in the South Pacific.

Hansford Hudman of Post, the brother of Mrs. Melvin Kruster, graduated Christmas Eve with the highest rank of his class in Norman, Okla. He is now an instructor in airplane mechanics.

Congratulations to Mr. and Mrs. Callan Cash. Their daughter, Brennan, was born Feb. 10 at Slaton. Mrs. Cash was Joyce Johnson, who lived here most of her life; and to Mr. and Mrs. Dick Mathis, whose son arrived Thursday.

Mr. and Mrs. Beene and children of Lockney were Sunday dinner guests of Mr. and Mrs. Dowe Mayfield.

There were no services at any of the local churches Sunday night because of the bad weather.

Several people are seriously troubled with sinus. Earl Lancaster, Mrs. J. L. Whitel, Mrs. A. J. Becker, and Marvin Truelock.

Mrs. E. M. Basinger is about the same, no better or no worse.

Last week, W. W. Gilliland went through the hospital at Lubbock. His nerves have been getting worse lately and the exact trouble hasn't been located unless it is his teeth.

Mrs. John Leake's father stopped here on a return visit from Vernon, became ill and is still unable to get home.

Mrs. L. A. Dunn returned home after spending two weeks in Mineral Wells.

Misses Cleon Moore and Bell Kuykendall of Lubbock, Mr. and Mrs. Peyton Crawford of Hackberry were week-end guests of the J. P. Moores.

Juan Reyes is taking a two weeks vacation. A supply foreman is here taking his place.

Friday evening Mrs. O. J. Harmonson was hostess at a party for her Junior Sunday School class and Junior O. A.'s. After an evening of games, candy, mints, cocoa, and heart-shaped pink and white cookies were served to: Betty, Billy and Norma Barkley, Doris Jean Sartain, Mary Frances King, Glynda and Calvin Grantham, Connie and Tim Field, Tommy and Dowe Mayfield, Tommy Leake, Carlton Davies, Mr. and Mrs. Dowe Mayfield Sr., Winston Davies, B. R. Arthur, Mrs. Carlos Barkley, and Mrs. Marvin Truelock.

Quite a crowd of mothers and other visitors gathered at the school Friday afternoon for the patriotic program given by Mrs. Stotte Rhythm Band, which included all the pupils in her primary room. The girls were dressed in blue suspender skirts, the boys in blue waist trousers, all in white short-sleeved blouses and blue overseas type caps, the boys having red sailor-type ties and the girls red bow ties.

The whole student body sang several songs while the Band was getting ready. Vernon Scott was Band leader. Seven girls sang "Tick Tock," then the band played it. BEAUTIFYING YARD'S THEME OF NEW HOME H. D. CLUB

The New Home H. D. Club met Friday, Feb. 11, at 3:00 p. m. in the home of Mrs. Havah Haley.

Miss Dixon was present and gave an interesting demonstration on shrubs and flowers. The program was on the care of roses and how to set them out. They should be from 18 to 24 inches apart.

Miss Dixon gave each member a cutting of pyracantha and jasmine, the compliments of Mrs. E. I. Hill of Tahoka. She also showed us several different cuttings of shrubs and flowers.

Mrs. Havah Haley resigned as president, and Mrs. Irene Renfro was held by Mrs. Doris Ashcraft, Nell Blakney was elected also to take the secretary's place, which was hid by Mrs. Doris Ashcraft, who left to be with her husband who is in the armed forces.

Refreshments were served to the following members: Mmes. Virginia Pendergrass, Floy Ben George, Pauline Smith, Margaret Edwards, Sue Armontrout, Ruth Allsup, Mary Smith, Nell Blakney, Hannah Overstreet, Irene Renfro, and the hostess, Havah Haley. We also had a visitor, Mrs. Anna Laura Jasper of Sweetwater.

The next club meeting will be March 10 at Sue Armontrout's. Reporter.

MOVED TO CALIFORNIA; LIKES TEXAS BETTER

The News received a communication this week from L. A. Watley, former resident of Draw, who now resides at Wasco, California. He was a reader of The News while here and soon decided that he must have it out there.

Mr. Watley still owns his farm at Draw but rented it out this year, "but I had rather be there in a good old sandstorm," he writes, "than out here in a peach orchard."

CPL. ROGER CURRY WRDS BROWNFIELD GIRL

Cpl. Roger Curry of the U. S. Coast Artillery, a former resident of Tahoka, was married to Miss Bettie Longbrake, chief telephone operator at Brownfield, on last Friday at the parsonage of the Methodist Church in that city, the pastor officiating.

Passing through Tahoka, the couple spent Friday night in the home of Roger's brother, Charlie Curry and family, who reside in Lubbock, and Charlie accompanied them back to Tahoka Saturday afternoon. From this place, Mr. and Mrs. Borden Davis accompanied them to Rule Saturday night, where the mother of Mr. Curry and Mrs. Davis resides.

The bride and groom expected to visit there about two weeks before returning to the West Coast.

Roger is stationed at Fort MacArthur, near Los Angeles, but for the past two years he has seen service in the Southwest Pacific, both in the Tonga and the New Hebrides Islands.

Roger was employed for a short time in The News office, being the third one of the Curry brothers so employed, the other two being Albert and Charlie.

Mr. and Mrs. J. C. Gable left Wednesday for Bladock, Cochran county, and will engage in farming just over on the New Mexico side of the line this year. They have resided here many years.

1944 Farm Goals Stress Production Of More Foods

The following article has been presented The News for publication by the local AAA office.

The farmers of Lynn county having done a wonderful job in the production of cotton, grain sorghum, peanuts, beef-cattle, dairy and poultry products, during the past two years will be called upon in 1944, to do even a greater job than ever before.

Goals have assigned to Lynn farmers as follow; cotton 150,000 acres, wheat 1524 acres, peanuts 2500 cres, dry edible beans 300 acres. There are approximately 401893.4 cultivated acres in such as sudan grass and sweet sorghums also blackeyed peas.

Quotas having been removed in 1944, farmers are now at liberty to plant all of any crops they desire, but in order to meet the above mentioned goals for Lynn County they will plant approximately the same acreage in cotton as they did in 1943, as the cotton allotment then was 147827.5 acres. The wheat goal will automatically take care of itself, home gardens and victory gardens will absorb the 300 acres of edible beans. The peanut goal will possibly be absorbed by volunteers, but considerable increase will be made in grain sorghum.

The county AAA Committee has estimated that Lynn County will contain list, plant and farm 350,000 acres of crops following terracing or contour lines leaves a sorghum stubble eight inches or taller, as a protection against wind erosion on 100,000 acres strip crop on the contour 500 acres, seed 500 acres on the contour, build 100 miles of terraces, build ten tanks, drill five wells, contour furrow 2,000 acres of pasture land and build or maintain fifty miles of fire guards on pasture and range land. The County Committee is thoroughly convinced that these practices help conserve soil and moisture and at the same time increases production, so badly needed during war.

The principle object of the 1944 Agriculture program is to increase production. Statistics on past experiences carried out by demonstration farms and individual farmers is proof positive that an increase of 20 percent or more can be obtained by proper conservation of the soil and moisture.

AAA will and is more than anxious to help farmers carry out conservation practices by paying a great part of the actual cost, since it is so essential to the war effort to keep agricultural production at its peak during this war.

SERVICE MEN'S HONOR ROLL

Have you returned a form similar to the one below to the Lynn County Honor Roll Committee on your son, daughter, brother, sister, or friend in the Armed Service. Every Lynn county man and woman in the service should have his name

on this honor roll board—to be erected soon on the court house square. DO NOT DELAY. Work has already started on the board, and you boy's name may be overlooked unless you fill in this blank NOW and give or mail it to one of the

following: Harley Henderson, A. L. Smith, W. T. Hanes, or The Lynn County News, or Judge Chester Connolly, Tahoka; Mack Haymes, Frank Liddell or the O'Donnell Press, in O'Donnell; or C. O. Head or Pat Swann in Wilson.

Since quotas have been removed there will be no payment on cotton and feed and you will earn your conservation check by some of the following practices. 75 cents per acre of crop and plus 6 cents per acre for pasture land. You can also earn one and half cent per foot for each foot of large ridge type terraces built according to AAA tank of 2000 cubic yards for water for livestock, one on each farm or ranch.

Payments will be earned at the rate of 30 cents per acre for cropland, listed following guide lines run with a farm level, 50 cents per acre for row crops planted and farmed following guide lines run with a farm level, 35cents per acre for leaving an eight inch, or better, stubble on the land, \$1.50 per acre for strip cropping, \$1.50 for each acre of green manure crop left on the land, \$1.50 for each acre of the satisfactory cover crop of small grain, 50cents per acre for mowing of noxious plants, and as many as three mowings per year making a total of \$1.50 per acre. There are also other practices which are not so applicable to Lynn county.

All farmers are urged to participate, in this program and if possible, earn the entire allowance in 1944.

Tilled fields are given substantial protection, by terracing. This method of land water preservation, as been used for many years by the

southern states. Properly terraced fields, followed by contour listing, planting and farming retain a very high percentage of actual rainfall. They produce better crops because they slow down the water run off. No one knows better than the southern farmers that the wealth of the south is rooting in her soil. In our own Lynn County and the south plains of Texas we watch the wealth that comes out of the soil, build our cities, churches, schools and roads. When our farmers fail, we have all failed. Today the farmers are battling on the home front to keep production at its utmost and by terracing and contour listing on a water level, he is conserving both soil and moisture, and by so doing he is increasing yields of war crops and income. Conservation of soil and moisture must not fail, if it does, THE UNITED STATES, fifty years hence will not be the great nation that it is today.

Congratulations—

Mr. and Mrs. R. I. Brewer on the birth of a daughter Monday morning in a Lubbock hospital, weight eight pounds, four and one-half ounces.

C. L. Harris Makes Announcement

In announcing my candidacy for Congress from this the 19th Congressional District in the National House of Representatives in Washington, I do so, only after having given much consideration to the responsibilities of the office and to the many problems now confronting the nation and to those problems that will come with the post war era.

This office has been held for five terms by the present Congressman, who lives in Colorado City.

I believe the time has come for the people of this district to have a man representing them in Washington who will give all of his time to the office and who will know as his master, only the voice of the people of the 19th Congressional District.

I believe the man who represents this district should mingle with our farmers, stockmen, businessmen and industrialists to learn from them the desires of the people of the district. He should then conduct himself accordingly in Washington.

The man who represents this district should be able to look to the welfare of the nation as a whole, but he should never lose sight of the desires of the people of this district. I contend that when the national picture does not reflect the welfare of the average man and woman of this district then there is something wrong with the national picture.

As a member of Congress, I would make a determined stand for a return of the government to the people. I would fight for a return to that brand of freedom and government which our forefathers had in mind when they wrote the first phrase of the preamble to the constitution, "We, the people..."

Woodrow Wilson once said that the history of liberty is the history of the limitations on the power of government. This is as true today as it was in the time of Wilson, of Jefferson, or at the founding of this great nation.

States rights would also come in for close attention on my part. One of the greatest protections we

have from the dangers of dictatorship is that of states rights and I would guard them most jealously for Texas.

I would lend every effort and full cooperation to a speedy and victorious end of the war. I would cooperate with the President when I thought he was right and for the best interest of the people of this district, and I would oppose him when I thought he was wrong and it was not for the best interest of the people of the 19th Congressional District. When a representative adopts the attitude that he will follow the Executive Department right or wrong, then he ceases to be a representative of the people. Our Government is made up of three separate and distinct branches, Executive, Judicial and Legislative. Each acting as a check on the other and they must remain free and independent of each other, in order for our present form of government to survive.

Texas fighting men are famous all over the world. Texas men and women should be permitted to enjoy the freedom for which they are now giving their lives. We should never be forced to knuckle down to Washington or any clique or power. This is what I ask for the people of the 19th Congressional District of Texas, and, God willing, we shall have it.

I would work for simpler tax laws and simpler forms of tax returns so the average man could understand what he is doing when he pays his taxes.

Immediate action should be taken on legislation to pay full compensation to the men and women who are in the services of our country. I believe in the rights of organized labor, but I am opposed to the labor racketeer. There are no strikes among our men and women on the foreign front and there should be no strikes on the home front.

The years immediately ahead will be the most critical we have ever faced as a nation. The people, tired and worn by the confusion of war and post war problems, will need, as never before, to be kept alert and informed as to what is going on in their nation's Capitol. I will endeavor to do this.

I believe in the right of every man to a useful, well paid job. The right to earn enough to provide adequate clothing, food and recreation.

The right of every farmer to raise and sell his products at a return which will give him and his family a decent living; the right of every business man, large and small, to carry on his business in a normal manner; the right of every family to a decent home and the right of adequate education and religious freedom for our people.

I believe in the right of every Texan to be looked upon as an individual and not as a cog in a machine which rolls the lives out of men for the benefit of a few in a party, class or clique.

I am 35 years of age, married and have one child, seven years of age. This Congressional District has been my home for 31 years, McAdoo being my home until I entered Lubbock High School, where I graduated in 1926.

In 1936, I was elected to the State Legislature from the Spur district and was re-elected in 1938. I did not seek another term, but came to Lubbock and opened law offices, where I have since been actively engaged in the practice of law.

I am State President of the Young Democrats of Texas. I volunteered my services to both the Army and Navy and was turned down because of defective vision. However, should Uncle Sam change his mind, I stand ready to serve.

Your vote and a word to your neighbor about C. L. Harris, who wants this district to have a representative in Congress who will attend to the business of this district, will be appreciated.

Respectfully submitted to the voters of the 19th Congressional District—C. L. Harris.

Mr. and Mrs. Conner Williams of Fort Worth visited Mr. and Mrs. Leon Cook near Draw Monday. They are now visiting Mrs. Williams parents at Hale Center.

Sunday will be Laymen's Day throughout all Methodism. Some 43,000 churches on circuits, missions and full-time stations will be observed in the United States. All services will be conducted by the members of the church—Bible reading, songs, prayer, and lay sermons. A splendid service is expected in the local church Sunday.

The regular monthly meeting of the stewards will be held Tuesday night, Feb. 22, in the Young People's room in the basement of the church. Every steward should have a full report ready to make at that meeting. One-fourth of the conference year will have passed into history by that time. The board has done an excellent work to date, applying business methods to the program of the church.

All of the month of February is given to prepare the church for the Week of Dedication, Feb. 27-March 5, when some eight million Methodists in the United States are to dedicate their powers to serve this present age. When the world is at its worst, the church, to be effective, must be at its best—hence, the Week of Dedication. The church stands in the midst of a world encompassed by perils and pregnant with possibilities. We are in the morning of a new era. The church faces a world opportunity.

The Young People had charge of the prayer meeting Wednesday night and rendered an inspirational and informational service to an attentive group of 63 persons. Our meetings are very spiritual and helpful. Come!

MRS. GLADYS M. STOKES

SOUTHWESTERN HAS MUCH INSURANCE IN FORCE

Southwestern Life Insurance Co. closed the year 1943 with more than \$450,000,000 of insurance in force and with assets in excess of \$98,180,000, it was indicated by the 41st annual report to policyowners released today by C. F. O'Donnell, Dallas, president.

The report shows a gain in assets of \$9,766,770 and \$25,219,533 in insurance in force for 1943.

Pursuant to its announced policy of investing all new premium money in United States government securities during the war, Mr. O'Donnell reported that the company has invested this and other funds in \$37,000,000 of such bonds since Pearl Harbor.

Death claims paid during the year under policies on persons in the armed forces of the United States amounted to \$270,463, and the company has insurance on persons reported missing in action in the sum of \$106,500, and \$165,000 on members of our armed forces reported as prisoners of war. Although these payments resulting directly from the war are substantial, Mr. O'Donnell said, the total mortality record of the company during 1943 was more favorable than its average mortality during the last five years.

In releasing the annual report, Mr. O'Donnell voiced tribute to the more than 120 members of the company's field force and home office personnel who have answered the call to the armed service of the nation. "The company," he said, is conscious of the great sacrifice they are making, and is deeply proud of them." He also expressed satisfaction with the production record of the local sales agency whose sales, he said, made an important contribution to the company's growth in 1943.

Representing the company locally is Mrs. Gladys M. Stokes. Sunday papers carried the information that 1st. Lt. William R. Lace of Breckenridge had been promoted to the rank of captain. Lace was a former teacher of vocational agriculture in the Tahoka high school and still has many friends here who will be interested in this little item of news.

ROM. 16:16
SALUTE YOU!

Garnie Atkisson continues to preach at Gordon each Thursday night. There will be preaching at New Home next Sunday evening at 3:00 o'clock. Everyone living near is invited to come and hear Bro. Atkisson at this time.

Question for today is: "Why do you practice immersion for baptism?"

The New Testament teaches that baptism is immersion and nothing else. The best scholars in the world and those absolutely impartial on the subject, as they care not what the Bible says about baptism, all say with one united voice that baptism is immersion.

Will you turn to and read the following passages of scripture: Matt. 3:16-17; Mk. 1:10; Acts 8:38-39; Rom. 6:3-4; Col. 2:12.

From these passages we learn the following: (1) Jesus came up out of the water, (2) Phillip and the sunsh... they both went down into the water, and he baptized him... and they both came up out of the water, (3) we are buried with him (Christ) through baptism into death, (4) having been buried with him in baptism, wherein ye were also raised with him through faith in the working of God. To be baptized according to the teaching of our Lord, one must go to the water, go down into the water, be buried beneath the water, be raised out of the water, and come up out of the water. Any other observance of baptism is not according to di-

One plan. May we ever be seeking to learn the truth, and always striving to obey it. "We must obey God rather than man."

Visit the Church of Christ nearest to you. It will be different.

Lubbock Man Is Methodist Speaker.

Dr. Doyle D. Jackson, Texas Tech professor and teacher of the Home Bible Class of the Lubbock First Methodist Church, was principal speaker at a men's meeting in the basement of the Tahoka church Tuesday night attended by a large crowd of men of the church and a number of guests.

Dr. Jackson brought a thought-provoking message dealing with a few of the possible changes in government and society, political, social, and religious changes that may face us on the end of the world war. His address was declared by all as a most excellent one.

Preceding the address, three High School girls, Mackey Fenton, Pat Hill, and Dorothy Lee Carmack sang three special numbers, accompanied at the piano by Mrs. Marcus Edwards. George Maurice Small gave a couple of readings, all of which brought much applause.

Mrs. Edwards, and Rev. Art Brown, a guest, alternated at the piano during a spirited sing-song led by Calloway Huffaker and Dr. Emil Prohl.

Dr. Prohl acted as master of ceremonies.

Coffee and doughnuts were served. Prior to the program, Mr. and Mrs. John Jackson, entertained Dr. and Mrs. Jackson and Rev. and Mrs. H. A. Nichols at dinner. Dr. Jackson is a cousin of John Jackson's.

WFC. CALVIN WALDRIP SEES REAL SERVICE

Mr. and Mrs. J. J. Waldrep recently received a letter from their son, Pfc. Calvin Waldrep of the U. S. Marine Corps stating that he is now back in Bremerton, Wash.

Pfc. Waldrep was with the first American forces that landed on the island of Attu and helped to wrest that and others of the Aleutian islands out of the hands of the Japs. Twice he has visited Pearl Harbor since the Japs made their sneak attack upon it.

CARLICE EDWARDS' RETURN TO CALIF.

After having spent three months at Port Arthur, where he was employed in a defense plant, Mr. and Mrs. Carlice Edwards were here and at Lubbock from Wednesday until Sunday visiting her parents, Mr. and Mrs. R. B. McCord, and his parents, Mr. and Mrs. W. B. Edwards, now of Lubbock.

They left here for Los Angeles, where he will again be employed with the M. W. Kellogg Construction company, engaged in building catalytic cracking units for the manufacture of 100 octane gasoline.
