Lt. Bill Lumsden Recounts Air War Over New Guinea

Listen to Lt. William G. (Bill) Lumsden modestly relate his experiences as navigator on a bomber plane in the Southwest Pacific, and you instinctively feel and know you have just been listening to a real hero, although Lt. Bill would be the last man on earth to admit it.

At least that is the way he impressed the members of the Rotary Club and a number of guests when he appeared before the club at its weekly luncheon here Thursday.

First he briefly outlined a few of the 51 missions on which he had gone and then submitted himself to questions by the members. His answers to these questions were most enlightening, keen, and often witty. In fact, without any conscious effort to be humorous, he kept his auditors laughing much of the time.

Lt. Lumsden, son of Mr. and Mrs. Lomie Lumsden, Wilson, went to Australia in June, 1941, but was soon transferred to New Guinea as a base of operations. Since that time he has had more than 300 combat hours as navigator with a Liberator formation, and in the 51 missions credited up to him his plane was shot up fifteen times. A number of the raids in which he participated were made on Rabaul in New Britain. These were perhaps the most daring raids of the war in the Southwest Pacific. Always his outfit met with strong resistance on the part of the Japs, who attacked with ack-ack shells and numberless Zero planes. He told of one time when a Jap plane shot right into the middle of the American close formation of Liberators and numerous others swarmed all about them. His plane was shot at to pieces but he and his crew managed to get back to the base. Of course they had taken their toll of the Japs.

Lt. Lumsden admitted that on many occasions he was "scared to death" but said that finally they got so used to danger and to close calls that it didn't bother much. Asked about the effect one of these perilous raids had on the morale of the men, he replied that in a real emergency he was always able "to dig up more religion than he knew he had." He always carried a little bible in his shirt pocket, he said, for there were times when the Supreme Being was "about all they had to rely on."

Lt. Lumsden stated that the Japs Cont'd. on Page 2

Ex-Sailor Conducts Revival In Tahoka

A revival meeting has been in progress at the Nazarene Church here since Sunday, with the pastor, Rev. Edward Jackson, doing the preaching until Wednesday night.

Evangelists Harold and Bonnie Walker arrived Wednesday, and among the subjects he has announced he will discuss are the following: What Actually Happened at Pearl Harbor, Life Story and Naval Experiences, and others of a similar nature.

Evangelist Walker served two years in the Navy on the aircraft carrier Lexington, which was afterwards sunk in a fight with the Japanese, and he knew personally many of the men who lost their lives when it went down. He also served in the Merchant Marine and says he was in submarine-infested waters when Germany and England went to war.

You are invited to hear this well-informed and most interesting speaker through this revival.

A. F. Edwards, 64, Is Buried Here

The body of Anthony F. Edwards, 64, who died at his home in O'Donnell last Friday, was buried in the Tahoka cemetery Sunday afternoon, following services conducted in the First Methodist Church in O'Donnell by Rev. H. G. Gantz, pastor of the First Christian Church of Lubbock.

There will be no preaching service Sunday night at the Methodist Church.

Pensacola, Fla.—Paul A. Casebeer, 23, of Tahoka, son of A. E. Casebeer of Hereford, won his Navy "Wings of Gold" and was commissioned an Ensign in the Naval Reserve recently following completion of the prescribed flight training course at the Naval Air Training Center, Pensacola, Fla., the "Annapolis of the Air."

Prior to entering the Naval service, he attended Eastern New Mexico College for two years. Having been designated a Naval aviator, Ensign Casebeer will go on active duty at one of the Navy's air operational training centers before being assigned to a combat zone.

H. W. Calaway is reported seriously sick at his home here, suffering from heart trouble. He and Mrs. Calaway spent a few days at Glen Rose last week, but he found no relief and they returned home Friday.

Pfc. Gordon Casbeer of the Army Air Corps, stationed at Glendale, Calif., visited his sister, Mrs. J. C. Lackey, over the week end.

REPAIRS ON THE SPOT

SOMEWHERE IN ENGLAND—The Flying Fortress shown here has been forced down in an English farmer's oat field. It will soon be on the wing again, as it was quickly reached by a mobile repair unit. In the background is a trailer made in the United States, equipped with a complete repair shop. The crew of this mobile repair unit consists of about eighteen men, usually twelve soldiers of the U. S. Forces and six American technicians. While this crew handles the repairs from the Frushauf Trailer travelling headquarters, an engineering outfit is constructing a temporary runway so that as soon as the Fortress is repaired, it will be able to take off and rejoin its squadron.

T. R. Tune, 61, O'Donnell, Dies

Thomas Rufus Tune of O'Donnell, 61, died in a Lamesa hospital Sunday, Feb. 27, and funeral services were conducted Monday afternoon in the Church of Christ in O'Donnell with Elder R. P. Drennon of Melrose, N. M., officiating. The body was buried in the O'Donnell cemetery.

A native of Brown county, Mr. Tune had been a citizen of O'Donnell for many years, where he was engaged in farming.

In addition to his wife, he left the following children surviving him: Dick Tune, Mrs. Calvin Fritz, and Billie Tune, all of O'Donnell, and Burl Tune and Earl Tune, both in the U. S. Army; together with three grandchildren, two brothers, and two sisters.

Mr. Tune was a highly respected citizen and had many friends who deeply deplore his death.

Mrs. Georgia Shugart Dies at Brownfield

Mrs. Georgia Shugart, wife of Robert E. Shugart, residents of Tahoka for many years, died at her home in Brownfield last Sunday afternoon. Mr. and Mrs. Shugart removed from Tahoka to Brownfield about 14 years ago.

Mrs. Shugart was the mother of Jessa Eubanks, who was also a resident of Tahoka for a long time and is still well known throughout Lynn county, being a mail carrier while here and also being prominent in church work.

Funeral services were held in the First Baptist Church of Brownfield Monday afternoon, and the body was buried in the Brownfield cemetery.

Ens. Travis Shelton Is Visiting Home

Ensign Travis Shelton is here this week visiting his parents, Mr. and Mrs. S. L. Shelton. He graduated at the Coast Guard Academy at New London, Connecticut, on Wednesday of last week, and he expects to leave here next Monday for Miami, Florida, where he will be assigned to duty, possibly at sea, in the U. S. Coast Guard.

Opl. Harris Frazer, who is in England, writes his parents that he recently met up with another Tahoka boy, Woodrow Dulin, son of T. G. Dulin, and found that they were in adjacent bombardment squadrons. Harris is the son of Mr. and Mrs. L. F. Frazer.

Friends here will regret to learn that Rev. W. P. Brian, former pastor of the Redwine Baptist Church and other churches in this section, is ill with typhoid in the Plainview hospital.

Farm Bureau For County Organized

The Lynn county Farm Bureau was reorganized at a meeting of farmers in the county court house last Saturday afternoon, at which District Attorney Rollin McCord was the speaker. Nearly 100 farmers are said to have attended the organization meeting.

R. C. Wood was named county chairman, and Hubert Tankersley secretary.

A director and alternate for each commissioners precinct was named, as follows:

Precinct 1, John Heck, director; Rudy Maeker, alternate.
Precinct 2, Fred McGinty, director; R. L. Pirtle, alternate.
Precinct 3, Joe McLaurin, director; S. N. Parker, alternate.
Precinct 4, Terry Noble, director; J. R. Strain, alternate.

New Farm Agent Starts Work Here

Robt. L. Stone assumed his duties as the new Lynn county farm agent Wednesday.

Stone formerly lived at Slaton, is a graduate of Texas Tech, and has been teaching vocational agriculture the six years since his graduation from Tech. He resigned as teacher at Roosevelt rural high school in Lubbock county to accept the local job. Mrs. Stone is also a teacher at Roosevelt, and will finish out the school year there before joining her husband in Tahoka.

Stone comes highly recommended as an agricultural worker. He succeeds Judge C. Smith, who resigned to farm near Slaton.

Special 4-H Club Program On Air

Attention of all Lynn county 4-H members is called to the fact that President Roosevelt and General Eisenhower will each address the 4-H Clubs of the nation on a national radio hook-up Saturday, 6 to 6:30 p. m. The outstanding work of 4-H club members as soldiers on the home front, in the production of food for victory, has prompted these men to appreciate the great accomplishments being made. Each 4-H member of Lynn county is urged by Robert L. Stone, county agricultural agent, to listen to the program Saturday evening on the Blue Network.

Co. Agent Stone says he is looking forward to the near future when he shall be meeting the various 4-H Boys' clubs of the county, with great appreciation of the boys' past accomplishments and with much enthusiasm and interest for a continued expansion and growth in our county 4-H enrollment and program.

Methodist Women Meet In Tahoka

Women of the Methodist W. S. C. S. Zone 5, met in Tahoka on Thursday, the churches at Sparenburg, Patricia, O'Donnell, Hancock, Lamesa and Tahoka, composing the zone.

An interesting program and many fine reports were given. Mrs. Wayne Martin, Lubbock, was one of the speakers of the day.

Mrs. H. A. Nichols, wife of the local pastor, is zone leader.

Fight Program At School Tonight

Tahoka boxing fans will get an opportunity to see some fast action tonight, Friday, at 8:30, when 13 Tahoka fighters will meet a strong Petersburg team in the local gym.

Complete line-up of the Petersburg boys hasn't been received yet, but some of the boys who will fight for Tahoka are:

Jerry Edwards, flyweight, district Golden Gloves champion, who also reached the quarter-finals in the state meet. Jerry has been looking very promising in work-outs.

Wayne Miller, who won the Lubbock district meet in the featherweight class, will fight in the lightweight class Friday night.

Bill Grider, who was kept out of the district meet due to a foot injury but who got a first round K. O. on his Petersburg opponent two weeks ago.

H. L. McMillan, always a crowd pleaser, will fight in the flyweight class.

Dwaine Vaughn, and Glenn Newton, good hard-hitting bantamweights for high school boys, will defend this weight, trying to stack up points for a team championship.

Jacky Driver and Pete Shaffner, two clever little 105-pounders, will give Tahoka added strength in this division.

LeVaughn Caraway, Tahoka's hard-hitting middleweight who received a cut eye in the district but as now healed and will be ready for the bell. Also, A. L. Hodge, a heavyweight with lots of promise, will fight.

All team members haven't been selected yet due to the fact that 35 boys are working out and they all want to fight, but fight fans of Tahoka are promised a good fast show for Friday night.

John Wesley Pyron Here From Aleutians

John Wesley Pyron, seaman first class, came in from the Pacific coast Monday afternoon on a 30-days leave to visit his grandmother, Mrs. C. M. Pyron, and a sister here in Tahoka, two half brothers at O'Donnell, and other relatives.

Enlisting in the Navy in July, 1942, two months prior to his 21st birthday, young Pyron has seen some strenuous service out on the North Pacific. Loath to talk of his experiences, he admitted that he had been in two real battles and a number of skirmishes. Most of his service has been on a tanker, and he was with the forces that drove the Japs off of Attu and Kiska in the Aleutians.

At the end of his leave, Pyron will go to New York, where he will be assigned to a newly-constructed ship to operate presumably on the Atlantic.

GRIDER BROTHERS MEET

Judge and Mrs. G. C. Grider have letters this week from two of their sons, Earl and Ray, telling of their recent visit in New Guinea.

Pvt. Earl Grider, who supposedly has been up in the battle area, tells of flying down over the mountains to the place where his brother, Sgt. Ray Grider, is located, possibly Port Moresby, and the two had a joyous reunion. Earl says he showed Ray the sights of that area.

Edwin Mathis, S 2-c, son of Mr. and Mrs. J. R. Mathis, came Tuesday from San Diego, Calif., where he is in training for service in the Navy, to spend a few days leave with his parents, Mr. and Mrs. J. R. Mathis. Only 17, Edwin volunteered for service a few weeks ago.

Red Cross Drive Well Under Way, Anglin Reports

Funds were already coming in when the Red Cross War Fund drive opened Wednesday, and at least one community was over the top of its quota, according to Walter Anglin, county drive chairman.

Lynn county's quota has been set at \$7,200.00, the largest it has ever been, but Mr. Anglin felt that the quota would be reached easily if workers in the various communities will just contact the people.

A larger part of the \$200,000,000 national quota will be used in war work, especially among the men in the camps, on the war fronts, and in the hospitals.

Citizens are expected to make their contributions to any member of the solicitations committee without the necessity of any high-powered salesmanship, as everyone in this county should know of the work the Red Cross is doing.

West Point Over Top

Before the Red Cross War Fund drive was scheduled to begin, C. T. Tankersley, chairman for West Point, one of the smaller communities of Lynn county, reported Tuesday that his community had already gone well over the top in raising their quota.

The quota for his community was given to him Monday afternoon, according to W. S. Anglin, county War Fund chairman, and in less than 24 hours Tankersley reported that the amount and then some had already been raised.

Tahoka Rainfall Sunday Is .72 Inch

Following two days of high winds, one of which brought a real old-time sandstorm, rain began falling early Sunday morning and continued till mid-day, with another shower early Sunday night. The total precipitation in Tahoka was .72 of an inch. About the same amount fell throughout Lynn county and this entire section of the state, with snow in the Panhandle. Cool, cloudy, damp weather has prevailed since.

While the soil already was in fine condition for farming, this rain doubtless will be of additional benefit.

Sgt. Raymond Gatzki of the Marines, who has been stationed at San Diego, has gone overseas, according to his father, Gus Gatzki, of Grassland.

New Home Wins Cage Tournament

In keeping with the war slogan of keeping physically fit, the plowboys of Lynn and surrounding counties in a basketball tournament in the met last Friday and Saturday nights Tahoka gym.

Due to the fact that the boys are busy part of the year, their games started about 9:30 o'clock, but those who had the patience to wait enjoyed the games very much.

Because of lack of practice, the games were a bit ragged in spots, but nevertheless, the old spirit to win, for which our American boys are noted, still existed, and some of the games were very spirited.

The fireworks started on Friday night when New Home boys defeated Pleasant Valley. The next game found Friendship winner over Meadow by one point, and Tahoka advanced to the semi-finals with a forfeit from the Ropes five.

On Saturday night, New Home defeated Friendship, while Tahoka defeated Lorenson. Then, in the championship game, the New Home boys emerged winners.

Because of the fact that the Tahoka boys practiced only one night a week, with no day practice at all, they made a good showing and the fans were pleased with them.

The school officials who helped the boys sponsor the tournament, extend an invitation to all men of the county to use the gym in the physical fitness program.

are good fighters but that they do not have the intelligence nor the initiative of Americans. He thinks the latter are far superior. He also thinks that American planes and fighting equipment are far superior to those of the Japanese, though these have been improved.

Since only about five percent of the output on planes in this country have been furnished our forces in the Southwest Pacific, according to his information, he believed that as soon as the war in Europe is over we can clean up on the Japs in a hurry.

For his outstanding service in the Pacific, Lt. Lumsden has been awarded the Distinguished Flying Cross; has been recommended for two clusters to it, and the Air Medal; has one campaign star on his overseas ribbon—New Guinea—and will doubtless get another—New Britain.

In spite of the honors that have been awarded him, Lt. Lumsden stated to the Rotary Club that practically all men in the war zone are entitled to as much credit as he. They all are eager to do their part and to encounter perils equal to those which he has undergone, and most of them have done so, he says.

Lt. Lumsden furnished one of the very best programs of its kind that the club has ever had the pleasure of enjoying.

Wives of a number of members were present, as well as Lt. Lumsden's wife, and a number of other guests.

Another honored guest present was Ensign Travis Shelton, Tahoka, now home on leave, after having graduated last week in the Coast Guard Academy in Connecticut. He was introduced by President W. T.

Hanes, under whom Travis graduated in high school here in 1939, and Hanes paid him a high tribute.

The parents, wives, and children of men in the armed service of our country, residing in the Redwine-Draw community, are to be special guests in our preaching service this Sunday. We salute you for the personal sacrifices you are making and wish to recognize this in our special service in your behalf.—L. B. Edwards, pastor.

METHODIST CHURCH

Sunday will be the culmination of the Week of Dedication throughout our church in the United States. It will be observed by some 43,000 churches. It means the dedication of self and our means—a sharing with our Lord of that which he has entrusted to us. Let our gift be measure by our sympathy and our love.

Last year the church placed on the altar nearly one million dollars—not a pressure collection, but just a free-will love gift. With this love gift, chaplains were sent to your soldier sons, hungry children were fed, churches in new industrial areas were built, educational institutions were saved, missionaries were brought home from internment camps in China, new missionary enterprises were begun in Latin America—all of the above results came because the church dedicated itself and its means to the good of mankind.

And, too, the church needs added spiritual strength for the colossal task of building or helping build a new world out of what will be left of this one where 9-10th of the human race are fighting.

Our boys are sacrificing their lives, fighting for our country, home and church—can we afford to do less? True dedication of self to God will mean something individually and collectively for the church and all the programs of the year. It will mean so much to the church school, and the different boards and auxiliaries.

Our annual revival is tentatively set for early July. We have a man and his wife who will do the preaching and furnish the music and work with the children and young people. They are known as the "Bonney Workers," and their home is in Indiana. They are to hold five meetings in Texas before they can come here. They will close a meeting at Lamesa July 2, and will come here from there.

Despite bad weather last Sunday, we had good congregation at both services, and too, the young people had a splendid attendance. Three new members were added to our

church that day. We have two more to announce Sunday. The church is growing spiritually and numerically.

PVT. FITTS IN NORTH AFRICA

Mrs. C. E. Anderson has received a letter from her brother, Pvt. Aubrey O. Fitts, who is with the Medical Corps in Italy. He had been stationed in North Africa until recently. He reports that he has seen a few boys from Lynn and Lubbock counties.

Mrs. Anderson has two other brothers in service. One, Pvt. J. M. Fitts, is with the Anti-Aircraft Artillery, stationed at New York. The

other, Pfc. Harold R. Fitts, is with the Reconnaissance Tank Destroyer Battalion in Tennessee. He was home recently on furlough, during which Mrs. Anderson went down and spent a few days with him. He has been in the service over two years. He is an intelligence scout, and says this branch of the Army is certainly interesting.

Mr. and Mrs. E. R. Brown and children visited relatives in Dallas over the week end.

Mrs. G. W. Simmons is visiting her daughters and their families in Los Angeles.

**PRESIDENT'S GUN BACKFIRES**

President Roosevelt last week received the greatest rebuff and shock of his political career when Senator Alben Barkley of Kentucky, Democratic leader of the Senate and right-hand man of the President, resigned his position in protest of the action of the President in vetoing a tax bill which Congress had passed and bitterly excoriating Congress for passing it in lieu of his pet measure. Almost immediately the Democrats in the Senate rebuked the President and upheld the action of Barkley by re-electing him unanimously to the position he had held. They were angered at the bitter criticisms the President had directed against Congress and they re-elected the fact that he was attempting to drive them to submit to his will. He had cracked his whip and they defied him.

Then both houses accentuated their resentment and independence by passing the bill over the President's veto by far more than the two-thirds majority required. Senator Barkley had declared on the floor of the Senate that the President in his veto message had deliberately undertaken to discredit and humiliate Congress simply because it refused to bow to his dictation and the facts seem to bear out the Senator's charge. Thus the President's dictatorial conduct recoiled upon his own head, and he

instead of Congress, has suffered defeat and humiliation.

It is regrettable that a President who has shown himself to be great in many respects will, on occasion, so far forget himself as to overstep all bounds of common sense and expediency. The President needed to be reminded that Congress is still the legislative body in this country and that it has its constitutional rights and powers just as he has his. He got his lesson.

The tax bill which President Roosevelt and Secretary Morgenthau demanded that Congress pass recently provided for the levying of taxes which they estimated would have amounted to more than ten billion dollars. Congress felt that this was too much to saddle on the backs of the people at this time, and it therefore refused to pass the bill and chose to pass a bill of its own which, it is estimated, will raise about three billion dollars. The President's bill calling for more than three times as much taxes as the bill Congress passed. And that is what caused the row between the President and Congress. The great masses of the people of the United States doubtless agree with Congress rather than with the President on this issue. The people are willing to pay to the utmost to win this war, but they demand of the President and of the President that they guard against unnecessary waste and extravagance in its execution.

According to newspaper and radio reports, the American soldiers in Italy have fought doggedly and heroically to drive the Germans out of that country. Hitler however has sent strong reinforcements into Italy from time to time and ordered his soldiers to stop the Americans and drive them back into the sea at any cost. Thus far the Americans have held their ground but they have not been able to advance to any Emarked degree. Reports have come from Italy that many of our soldiers feel that they have been forgotten by the folks at home, but that is an erroneous idea. We do not know why the leaders of our armed forces have not sent overwhelming reinforcements to relieve the boys on the Italian fronts, but other plans have probably prevented it. The people at home however would like for vast reinforcements to be sent to their aid immediately.

CARD OF THANKS

We will never be able to adequately express our appreciation for the many kind and generous expressions of sympathy during the illness and after the death of our baby boy. Your friendliness and understanding were a great comfort to us in that hour. May the grace of God abide with you all.—Mr. and Mrs. Henry Heck and family, Mr. and Mrs. John Heck and family, Mrs. F. H. Mr. and Mrs. A. L. White accompanied by his nephew, R. A. Leggett and wife of Lubbock, spent last week end in Norman, Okla., visiting the former's son, Seaman 1/c G. W. The school pictures arrived Saturday.

Last Tuesday Lucille Payton, one of last year's graduates, arrived from Fort Worth, where she is employed in a jewelry store. This is her first visit home since last Christmas. She expected to visit here at the same time as her brother but for some reason he did not arrive, although he telegraphed her on his arrival in New York. Mr. Payton waited at Southland all Monday night to meet every bus, expecting his son.

Miss Idilla Corley underwent an appendectomy in the West Texas Hospital Friday night. This native Southlander spent most of last week visiting friends here, returning to her home in Lubbock the day of her operation. Her sister, Mrs. Dan Siewert and family spent the week end there.

Miss Betty Sue Basinger has completed the third week of her five-week training class in ground aviation school at Lubbock. When she passes this course, she will begin her civilian flying course to secure her private pilot license. Miss Basinger has been employed in Lubbock but moved back to her home at Hackberry last week.

Mrs. H. C. White of Lubbock and

son, Billy, who is now a S 2/c Seaman, came last Monday to Hackberry to visit the Clem and William Lesters. Billy is stationed at Redlands University, Calif.

Mrs. White's son-in-law, S/Sgt. Herman Irwin, has recently transferred to the Air Corps. He has been in the radio corps since entering the Army.

Mrs. A. M. Spikes commuted to Lubbock each school day of last week because her baby was ill here with her mother. Her sister, Miss Olive Davies of Hardin-Simmons University spent the week end here with her parents, the A. F. Davies.

Mr. and Mrs. John Harmonson and three sons of Olney visited his parents, the O. J. Harmonsons, last week, leaving Sunday. Saturday, both families visited the latter's daughter, Mrs. Roy Dopson, and family at Ropesville. John is on his 21-day leave from the Navy.

On March 10, Miss Mabel Manley, Garza home demonstration agent, will meet with the local 4-H club. All girls nine years old and older are eligible to join. Mrs. Sims and Mrs. Imogene Basinger are sponsors of the club. Mary Nell Sims is the president. The next lesson is to be on the making of a head scarf.

The Senior play, "They Gave Him a Co-ed," was presented in the high school auditorium Thursday night, Feb. 24, at 8:30.

The Senior class donated their play to the war effort, and through charge of admission, which was one 25 cent War Stamp per person. \$129.00 was taken in.

Entertainment between acts was provided by Miss Dorothy Lee Carmack and Judge Tom Garrard. Miss Carmack sang "St. Louis Blues" and "I Can't Give You Anything but Love" between the first and second acts; Judge Garrard made a short talk on the war effort between the second and third acts.

Only one new student has enrolled in high school this week. He is Maurice Martin, a senior student. Maurice formerly attended Shallowater High School.

EDITORIAL

What can we do in post-war days to improve our school?

Of course, we can start now by taking care of the things we have but in the future when things are more or less back to normal, we of T. H. S. can bring around more needed improvements to our building and school grounds.

Have you ever noticed the tennis courts and the football field? We are proud of them as they are, but we can readily see some things that could be done to improve them.

On some things, we won't have to wait until the war is over to make improvement. Students, let's look around us. Take care of our building, or there may have to be far more improvements than are already needed. In the meantime, notice things and see how we can help to improve them in days to come.

First Year Vocational Agriculture Boys Are Interested In Projects

Vocational Agriculture boys are required to have projects. In the first year class, we have nine boys that have pigs for pork. Seven boys have sows for pig production, and one of the seven is registered. One has a dairy milk cow. Five boys have calves for beef production. Three boys have cotton for lint production, and two boys have grain for grain production. All the boys are taking their projects to heart and trying to have the best project possible. The boys expect to make profits on all their projects.

On some boys' projects the father gives the boy a hog, and the feed for the hog. But Vocational Agriculture does not want the father to do that. It is all right for the father to sell the hog and feed to the boy, or loan it to him until he sells the hog, then pay all he borrowed from his dad back. That way he will learn how to manage for himself. It is all right for the dad to advise the boy on what to do.

The boy will learn how to keep records. The boy will learn how to judge projects.

The advisors at Tahoka, New Home, and Wilson are trying to get a project show for the boys. If we get that show, the boys will be very busy getting their hogs ready for showing.

M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 17th day of April, A.D. 1944, at or before 10 o'clock A. M. before the Honorable District Court of Lynn County, at the Court House in Tahoka, Texas. Said plaintiff's petition was filed on the 28th day of February, 1944. The file number of said suit being No. 1551. The names of the parties in said suit are: L. N. Hancock, as Plaintiff, and the Unknown Stockholders, of Temple Trust Company, a Corporation, as Defendant. The nature of said suit being substantially as follows, to-wit:

State of Texas, County of Lynn—In the District Court of Lynn County, Texas.

To said Honorable Court:
Now comes L. N. Hancock, who resides in Lynn County, Texas, hereinafter called plaintiff, complaining of the unknown stockholders of the Temple Trust Company now a dissolved corporation, which corporation formerly was incorporated under the law of the State of Texas and had its principal place of business in Temple, Bell County, Texas, hereinafter called defendant and for cause of action plaintiff would respectfully show the following:

1. On the 4th day of November, 1943, plaintiff was, and still is, the owner in fee simple of the following described premises situated in the County of Lynn and State of Texas and described as follows:

All of the Northeast ¼ of Section 128, surveyed by virtue of Certificate No. 679, Abstract No. 932, Block No. 12, ELERRRR Company survey and containing 180 acres of land, more or less.

3. Defendants have occupied and used such premises under such unlawful possession for a period of three months and the rental value thereof during such occupancy is \$1000.00, in which amount by virtue of such wrongs the defendants are jointly indebted to plaintiff; but though repeated demand for the payment thereof has been made of defendants by the plaintiff, defendants have failed and refused and still fail and refuse to pay the same to plaintiff's damages in the sum of \$1000.00.

Wherefore, plaintiff prays that the defendants be cited to answer this petition, and that plaintiff have judgment for the title and possession of the above described premises, for damages, for costs of suit and for such other and further relief as he may be entitled to, either at law or in equity.

Issued this 28th day of February, 1944.

Given under my hand and seal of said Court, at office in Tahoka, Texas, this 28th day of February, A.D. 1944. (SEAL)
