Cold Snap Kills Much of Fruit On South Plains

Old Winter gave us a terrible walloping before surrendering the field to Spring early this week. But Spring had already had a short inning and fruit trees were in full bloom when a norther swept down on us Saturday night, driving the mercury down to 26 by Sunday morning. Six degrees below the freezing point usually gets the fruit, and it is believed that much of the crop was destroyed by this late winter blow.

Monday morning the thermometer registered 30, and on Wednesday morning it was just slightly below 32. Spring is supposed to have been ushered in on Tuesday, but a cold north wind held the fort all day Wednesday, and the mercury stood at 32 again Thursday morning.

Junior Class Will Present Mystery

Tuesday night, March 28, the Junior class will present "Who Killed Aunt Caroline," sponsored by Miss Lucille Wright and Miss Snow Johnson.

This three-act mystery play is a new kind of play—one that doesn't depend on unreal effects for its mystery. Instead, "Who Killed Aunt Caroline" is a study in character—humorous and pleasant characters—and that is the thing about this clever play that "gets you." For instead of peopling the stage with frightening suspects, each with a reason for the crime, the author, Grant Richards, introduces, as nice a group of people as you'd want to meet: The Endicott family, the kind of folks who live next door, and for three exciting acts he holds over your head the frightening knowledge that one of these genial people has committed a murder, a cold, calculating murder.

Of course, Aunt Caroline, rich, mean, and domineering, deserved to die, but who could have killed her? None of the characters seems like a murderer. Cleverly, you will be kept guessing to the end, held with suspense wondering "Who Killed Aunt Caroline" and hoping they didn't.

In the cast are: Lois Walker as Mrs. Eleanor Endicott, Jane Bosworth as Agnes Endicott, Johnnie Wells as Rloey Endicott, Donna Sue Milliken as Beryl Endicott, Billie Wayne Pennington as Cicely Endicott, Zelma Willingham as Aunt Caroline, Billie Jo Cowan as Miss Abbott, E. B. McCord as David Thompson, Jim Edd Poer as Dan Donovan, Bobbie Jean Minor as Miss MacLain, Laverne Reddell as Una Hagaman, and A. L. Hodge as Lieutenant Clayton.

Methodists To Hold Meeting at O'Donnell

Methodists of the Southern Zone of the Lubbock district will hold an Evangelistic meeting at O'Donnell Sunday afternoon at 3 o'clock.

The zone is comprised of Tahoka, Tahoka circuit, New Home, Wilson, Slaton, Post, O'Donnell, Draw and Graveland, Lamesa, Lamesa circuit, Southland, and Sparenburg.

At this meeting each charge and church will organize for the Home Visitation Evangelism for the two weeks previous to Easter. The laymen from each of the charges are urged by Rev. H. A. Nichols of Tahoka, who is in charge of the meeting, to be present so they will know the program and method that are to be used.

DAIRY FEED PAYMENTS

Producers should file application and file sales record before March 31, on the January Dairy Feed allotment. Those who have not already done so should see R. R. Adams, county AAA administrator at once.

Mrs. Harve Henderson of Redwine is recovering at her home from an attack of pneumonia, the crisis having been passed the first of the week.

Elton Hinz of Garden City, who will begin revival services at Redwine Baptist Church Saturday night.

Parents Should Report Scholastics

Many Lynn county children have not yet been enumerated in the annual scholastic census, according to Mrs. Lenore M. Tunnell, county superintendent. For each child not enumerated, the district in which it resides will lose \$25.00 in state apportionment funds.

Parents should see that every child born since Sept. 1, 1926, and before Sept. 1, 1935, is reported to a census enumerator, or to Mrs. Tunnell before the first day of April.

Secretary J. S. Weatherford of the Tahoka district, reports that this district is about 65 short of last year's total, which will mean a loss of several thousand dollars to the local school.

A. L. Lockwood Is Critically Ill

A. L. Lockwood, who has been critically ill the past several days, was reported Thursday morning to be slightly improved. However, little hope is held for his recovery.

Mr. Lockwood was one of the earliest settlers in Lynn county, coming to this area in the 1880s as a ranch hand. He soon acquired ranch property himself, later became associated with the First National Bank, and for many years has been president of this prosperous institution. Until his health began to fail a few months ago, he was for many years chairman of the Board of Stewards of the Tahoka Methodist Church. Accordingly, he is known to almost every man, woman, and child in the county, and a host of friends are hoping for his recovery from his present illness.

DR. E. PROHL ATTENDS MEDICAL MEETING

Dr. and Mrs. Emil Prohl returned the first of the week from a trip to New Orleans, where the Doctor attended a medical meeting. They visited relatives en route.

Mrs. Loyce McMahon underwent an operation for appendicitis in a Lubbock hospital Wednesday morning. Her condition is said to be satisfactory.

Three Names Filed For Tahoka Board

Only three names had been filed Tuesday, last day for filing, for the three places on the Tahoka school board, Mrs. Lenore M. Tunnell, the county superintendent, reported on Wednesday. These are Truett Smith, Wynne Collier, and Dr. Emil Prohl. These names have been filed by petition of a number of citizens.

Smith and Collier are now on the board. Oscar Roberts, third member whose term expires, declined to permit the filing of his name.

Other members of the board are Prentice Walker, John Glover, W. C. Wharton, and J. G. Price.

Citizens generally have expressed satisfaction with the service of these men.

Mrs. Tunnell said names of trustees candidates in other districts had been filed, but The News does not have them available for use this week.

The election in all districts will be the first Saturday in April, which is April 1 this year.

Local People On District Program

A number of Tahoka school people will have a part in the 28-county West Texas Teachers Association whose 3,000 members hold their annual meeting in Lubbock Friday of next week.

W. T. Hanes, superintendent of the Tahoka school is secretary of the body; E. E. Hancock of Brownfield, formerly of New Home, is the president; and Mrs. Lenore M. Tunnell is a member of the advisory committee. Hanes is likewise chairman of Credentials and Registration committee, and assisting him on the latter are Mrs. Deck Dunagan of Tahoka, and Misses Lucille Collier and Mary Lou Tucker, Lubbock, both formerly of Tahoka.

Prentice Walker, chairman of the Tahoka school board, is likewise the chairman of the 28-county district trustee meeting, and he is urging all trustees of the area to attend the meeting at 2:30 in room 186 of Lubbock Senior High School. Frank Hill of Tahoka is on this program and will discuss "How School Officials and Local Newspapers Can Make a More Progressive Community by Closer Cooperation With One Another."

All schools in this section of West Texas will be dismissed for the day Friday, March 31, in order that the teachers may attend the all-day meeting.

DEEN NOWLIN IMPROVED

Reports from Baylor Hospital, Dallas, are to the effect that Deen Nowlin is now clear of pneumonia and is no longer in danger from that malady. His condition is still serious, however, due to heart trouble. His children and his brothers who were at his bedside came home last Sunday.

Sgt. Lemuel L. Martin of Bryan is here on a 17-day furlough visiting his parents, Mr. and Mrs. Lee Martin, who live seven miles southeast of Tahoka.

Rotary Anns Give Surprise Program

When Rotarians convened at the Legion Hall Thursday for their regular weekly luncheon, they found Rotary Anns swarming everywhere. When the time arrived to rap the club to order a Rotary Ann had already usurped the president's seat at the head table and did the rapping herself. From that moment on, the Rotary Anns were in full charge.

Travis Hanes (Mrs. Harley Henderson) presided, Bill Goodell (Mrs. K. R. Durham) led the singing, and Art Brown (Mrs. John Sims) "attacked" the piano, while Rev. A. C. Hardin (Mrs. H. A. Nichols) pronounced the invocation.

Following an excellent meal, they proceeded to stage a burlesque program, the women impersonating the men, introducing the visitors, appointing committees, making all the speeches, and pulling all the stunts at the expense of the vain fellows who constitute Tahoka Rotary Club. (Contd. on page 3)

H.D. Club Women Elect Delegates

In an election meeting following the Lynn County Home Demonstration Council meeting Saturday, three voting delegates to the district meeting of the Texas Home Demonstration Association in Lubbock April 21 were elected from the following candidates: Draw, Mrs. R. R. Ragan; Hackberry, Mrs. H. D. Taylor; Lakeview, Mrs. Felty; New Home, Mrs. Margaret Shadden; New Moore, Mrs. Jesse Murphy; Petty, Mrs. S. M. Watkins; Tahoka, Mrs. W. S. Taylor; and Wilson, Mrs. Pat Swann.

The delegates elected were: Mrs. Swann, Mrs. W. S. Taylor, and Mrs. Shadden. Alternates are: Mrs. Watkins, Mrs. Ragan, and Mrs. Murphy.

All club members, also, are invited to attend this meeting. The time will be from 10 a. m. to about 4:30 p. m.

Farm Bureau Names Donaldson Secretary

At a meeting of the Farm Bureau held in the county court room here last Friday, Claude Donaldson was elected secretary to succeed Hubert Tankersley, who resigned on account of being employed in the AAA office.

County Agent Robert L. Stone made the principal address of the occasion.

A goodly number of farmers were present and there were a few new members.

JUDGE CHESTER CONNOLLY IS SLIGHTLY IMPROVED

Though still confined to his bed most of the time, Judge Chester Connolly is now able to sit up some, according to reports of relatives, and his numerous friends are hoping that he may continue to improve.

CALAWAY MUCH IMPROVED

H. W. Calaway, who has been so seriously ill, is reported to be much improved the past few days.

Mr. and Mrs. W. A. Yates, prominent Lynn county couple, who recently celebrated their Golden Wedding anniversary.

Book Review Will Be Given Here

The Woman's Society of Christian Service of the Methodist Church is sponsoring a book review and tea in the church auditorium Monday at 4 o'clock.

Mrs. T. D. Young of Roscoe will be present to review the new best-seller, "All The Trumpets Sounded." This is the story of the life of Moses brought to us in a new and interesting way.

Mrs. Young is a reviewer of great ability and charm. She came to Tahoka last year to review "The Robe" for the Phebe K. Warner Club, and those who heard her then can testify to the ability Mrs. Young has to enthral an audience.

A most cordial invitation is extended to all the women of Tahoka to attend. There is no charge. A pleasant and instructive hour is promised.

O'Donnell Pioneer Taken By Death

Following funeral services conducted in the First Methodist Church of O'Donnell at 2:30 o'clock Monday afternoon, the body of Mrs. Nannie Warren, wife of A. J. Warren, was buried here at 4:00 o'clock. Mrs. Warren died at her home in O'Donnell on Sunday. Funeral services were conducted by Rev. E. C. McDonald of Wilson, former pastor of the O'Donnell Baptist Church, assisted by Rev. J. M. Hale, who recently became pastor.

Mrs. Warren and her husband were pioneers of the South Plains, having come to Lynn county about the year 1901, something like two years before the county was organized and before the city of Tahoka was established. They settled in the southern part of the county near the site of the present little city of O'Donnell, long before it made its appearance on the map. They have been residents of that immediate section of the county ever since.

There was not a sure-enough farmer in the county when they came. This was then a region of big ranches and stock cattle, most of them longhorns. They have been witnesses of and active participants in the marvelous transformation of this plains region which has taken place during the past forty-odd years. They came when men and women were compelled to make their living the hard way, and as others came they made friends who have remained friends through life.

These old-time friends and many new ones were grieved to learn of Mrs. Warren's passage from the stage of action.

LT. (Jr) HANCOCK HOME

LT. (Jr) Norman Billy Hancock, Navy pilot of a Helicat fighter plane, who has seen much action in the Pacific, is home visiting his parents, Mr. and Mrs. L. N. Hancock of New Home, and his wife, the former Miss Billie Nell Smith, who is a teacher in Lubbock High School.

Billy has figured in much sensational air combat. He wears the Purple Heart for combat wounds, and has been recommended for the Distinguished Flying Cross and two Air Medals.

Red Cross Fund Is Still Growing, Goal Exceeded

With some communities still working to reach their quotas, total contributions in Lynn county had climbed to \$8,369.00 Wednesday morning, according to W. S. Anglin, county chairman. Since the county's quota was \$7,200, she has exceeded her quota by \$1,169.00.

Another of the larger communities has gone over the top since our report last week. O'Donnell, with a quota of \$2400.00, had exceeded that figure Tuesday afternoon by \$160.00 and more was to come in.

West Point, Dixie, New Home, Draw-Redwine, Wilson, and Tahoka had each gone over the top before our report of last week. Mr. Anglin expressed the belief Wednesday that every community in the county, with one possible exception, would exceed its quota by the end of the campaign.

Mrs Fannie Dawson Buried at Wilson

Mrs. Fannie Dawson, 75, a longtime resident of Wilson in this county but a resident of Lubbock for the past five years, died at her residence in Lubbock late Sunday afternoon.

Funeral services were conducted Monday afternoon at the Four Square Gospel Church in Lubbock, of which she was a member, and her son, Rev. Floyd Dawson, is pastor, with Evangelist Daisy Wilbanks officiating. The body was brought to Wilson and interred in the cemetery there.

Deceased was the mother of Mrs. Lonnie Lumsden of Wilson, well known in religious circles throughout many counties of the South Plains. Three other daughters survive, Mrs. J. M. Hobbs and Mrs. Velma Hobbs of Lubbock, and Mrs. Wade Perkins of Paris. In addition to Rev. Floyd Dawson, three other sons survive, Albert and Will Dawson of Lubbock and Fred Dawson of Dalhart. Other survivors include a sister, Mrs. Mary Reeves of Fort Worth, ten grandchildren and five great-grandchildren, LA. Bill Lumsden, who recently spoke here before the Rotary Club, being one of the grandsons.

Pallbearers were: Howard Cook, Bernice Hobbs, Harry Hewlett, Dave Cummings, Harry Wilbanks, and P. O. Brock. Honorary pallbearers included C. A. Anderson, W. N. Stanton, W. A. Hasford, Mark Burns, H. B. Crosby, Elmer Rice, W. G. Boyd, and Doc Cook.

Mrs. Dawson was one of the pioneer residents of Lynn county and resided many years at Wilson, where for several years she served as postmistress. She was a very devoted Christian and was an outstanding religious worker. She had hosts of friends at Wilson and vicinity. A number of Tahoka friends attended the funeral services, including Mrs. R. C. Forrester, Mrs. Obara Biggerstaff, Mrs. P. D. Server, Miss Florine Server, and probably others.

Co-op Leaders Hold Meeting In Tahoka

About 75 members and out-of-town Co-operative leaders attended the meeting held by the Farmers Co-operative Association here, Monday night. Leaders from Brownfield, Slaton, O'Donnell, and Lubbock were present.

Roy Meecham and A. L. Mills, representing Consumers Cooperative Associated of Amarillo showed films of Co-operative interest to those present, and gave a report on the progress of the movement to buy a refinery. Over \$200,000.00 preferred stock has been subscribed by Co-operative members and Associations towards the operating capital of the refinery.

Nearly \$4,000.00 stock has been purchased by the local Association and its membership.

Alex Riddle, who has been suffering from a severe attack of heart trouble, is reported to be showing much improvement.

Interest Revived In Boys 4-H Club Work In Lynn County

Eleven of the 19 boys 4-H Clubs of Lynn county have met with the new county agricultural agent, R. L. Stone, and the balance of the clubs will meet next week. Approximately 200 farm boys have attended these meetings thus far held, and signed application blanks to continue as members of the 4-H organization.

Mr. Stone says the boys have been very enthusiastic in their plans for further advancement and expansion in their programs of farm demonstration work.

Group discussions in the meetings have concerned themselves chiefly with the tremendous amount of possibilities which farm boys have to serve as first class soldiers on the home front through their efforts in producing food—eggs, milk, beef, pork, vegetables, fiber, and other essentials of war which a farm boy

can produce. In line with this discussion, the fact was brought out that a boy has the opportunity to achieve many recognitions of a personal nature for his accomplishments in 4-H work in the nature of pins, medals, war bonds, trips, and scholarships. There are in excess of a dozen agricultural activities in which 4-H boys engage on a competitive basis in which they are awarded county, state and national honors for their accomplishments.

The need for still more victory gardens this year than last, based on government estimates that 8-

WELL DONE
The man who has provided ample insurance for his family has gone to the limit of his ability to protect those who trust in him. The man who has provided all that he is able to afford has made his effort, also. The man who defers doing that which he can, is the father of a family that is in danger.

"I'VE SET MY GOAL—
MORE COTTON
for FOOD
AND FEED"

These are fightin' times when a man must use the weapons he's handiest with, to win.... That's why I'm growing more cotton. Here in the Cotton Belt we have the land, climate, the tools and the "know how" to grow the crop that contributes most to the war effort. That crop is COTTON! Cotton provides edible oils for food, necessities that are scarce and rationed. Cotton provides meal, cake and hulls for feed to produce more meat and milk products.

THE OVER-ALL FOOD GOALS WILL NOT BE SUFFICIENT UNLESS ENOUGH COTTON, THE FOOD AND FEED CROP, IS PRODUCED.

(By Mrs. Marvin Truelock)

Rev. and Mrs. O. J. Harmonson attended the funeral Sunday afternoon at Wichita Falls of his nephew who died Monday of last week.

Lt. Rhea L. Woodrum was at the controls of the plane which carried eight 100-lb. bombs and several hundred pounds of ammunition, leaving the Florence, S. Car., Army Air Base for bomb practice. One engine caught fire, and one wing was lost over the town, but Lt. Woodrum coaxed the plane to a near-by field. When the ship hit the field, three of the bombs exploded, the other five miraculously failed to add to the holocaust. The Commander at the Field told the boy's father that his son could have bailed out and saved his own life; but in sacrificing his own he saved the explosion from the town and thereby saved at least 100 lives. He is survived by his wife, parents, two sisters, and one brother.

Mrs. Clyde Sartain, who has been in the Slaton hospital with pneumonia, is to be sent to the Tuberculosis Sanatorium this week. Her daughter, Doris Jean, turned in her books Monday and is going to live with her aunt. We all hope for Mrs. Sartain a speedy recovery.

The trustee election will be held at the usual time, the first Saturday in April. Three of the following five (or anyone else the patrons wish to vote for) will be elected: Sam Ellis and Earl Lancaster, for re-election, and Marcus Wilke, Roy Williams and Kenneth Davies.

Mrs. Grace Wilson of Lubbock came a week ago Saturday night as

Mrs. E. M. Basinger's night nurse. She reports her patient is improving.

T/Sgt. Ralph Landers graduated March 16 in radio school in Tomah, Wisconsin, and came home last week. This son of Mrs. Annie Landers must be in Fresno, Calif., on March 26. His sister, Mrs. Herman Whited and family of Odessa, were here last week. Friday, all of them were dinner guests of Mr. and Mrs. J. L. Whited.

Sunday the Adolph Wilkes visited their three children who reside at Morton—Walter Wilke and family, Mrs. Buster Betts and family, and Mrs. Walter Steinhauser and family.

Sunday Mr. and Mrs. S. M. Truelock celebrated their silver wedding anniversary. Their dinner guests were their daughter, Miss Eva Pae of Lubbock, and son, Marvin Truelock and family.

Mrs. Delbert Allcorn of Stillwater, Okla., came Saturday to visit her parents, the J. L. Taylors, until her husband knows where he will be stationed.

The Baptist children will have an Easter program and egg hunt at the church the Wednesday before Easter. Each Sunday School pupil of the three younger classes is urged to be present and bring a few eggs.

Twenty evergreen trees have been ordered to be set out on the back of the church lots for a windbreak, and if the package arrives by that time, each child will set out his tree and give it his own name.

S/Sgt. and Mrs. Herman E. Irvin and his sister, Mrs. Charles Richmond of Woolworth's at Lubbock, spent the week end with their parents, Mr. and Mrs. John Irvin.

Seed Loans Again Available Here

Loans to farmers to finance production of 1944 crops are now being made by the Emergency Crop Loan Division of the Farm Credit Administration, according to L. B. Wright, field supervisor for this county. Applications are being received at Mrs. Forrester's insurance office.

These loans, usually known as "seed loans," have been made in this county by the government for many years and have proven of great benefit to farmers of limited collateral whose cash requirements are small. The maximum loan to an individual is \$400.00. The advances cover the cost of seed, fertilizer, fuel, fuel oil and supplies. Farmers who can secure loans from banks or other sources are not eligible for the seed loans.

As in the past, borrowers will be required to plant a large garden for home use and a balanced crop program will be encouraged.

4-H Clubs . . .

(Contd. from first page)

000,000 tons of vegetables were grown in victory gardens last year, but that the need for this year is ten million tons, is being carefully considered by the boys and approximately 90% of the boys in the clubs met have strongly indicated that they intend to do their part in meeting this increase by carrying victory garden demonstrations as an important part of their 4-H work. Plans are being carefully developed to make a number of very desirable awards throughout the county to boys doing outstanding garden work.

Wilson Junior and Senior clubs, Midway, T-Bar, New Moore, O'Donnell Junior and Senior, Wells, Draw, New Home Junior and Senior, New Lynn, and Grassland clubs have met. Tahoka, Dixie, Edith, and Redwine clubs will meet next week.

All of the clubs are electing new officers at this time. Clubs which have elected new officers and boys elected are as follows:

Wells: President, Billy McKenzie; vice-president, Donald Edwards; secretary, Arvis Grogan; treasurer, Bryan McLaurin; reporter, Billy Ledbetter; sponsor, Joe McLaurin. T-Bar: President, Edgar Eaken; vice-pres., Walter Ray Billings; sec., John Renfro; treas., M. J. Dorman; reporter, C. J. Renfro.

New Moore: President, Sonny Rogers; vice-pres., Junior Godbehre; secretary, C. D. Tyler; treas., James Murphy; reporter, James Blair. Midway: President, Buddy Brock; vice-pres., Carl McClintock; secretary, John Henry; treas., Bill Draper; reporter, Bland Draper.

Other clubs expect to elect officers at their next meetings.

Rotary . . .

(Contd. from first page)

Winston Wharton (Mrs. Wharton) checked the guests, and Ray Weatherers (Mrs. Frank Hill) interrupted to give a "verse." Tom Garrard (Mrs. Jep Wharton) got up to report on the Red Cross drive, but Walter Anglin (Mrs. W. M. Mathis) corrected him to the merriment of the crowd. Wynne Collier (Mrs. Travis Hanes) proposed a fictitious new member, Fred Brown, who was voted into the club after much discussion by H. A. Nichols (Mrs. A. L. Smith), Rollin McCord (Mrs. McCord), and Leo Jackson (Mrs. Jackson). Mrs. Wynne Collier, imitating her husband, welcomed Shorty Franks (Mrs. Franks) into the club.

Alton Cain (Mrs. Fred Bucy) acted as program chairman, and introduced the speaker, Tom Garrard (Mrs. Wharton) who gave a humorous talk. Next Art Brown played the piano, while Bill Goodell sang a solo, and Dr. Emil Prohl (Mrs. Prohl) gave a report on everything else but the medical convention they went to New Orleans for recently.

Mrs. John Sims was largely responsible for springing the surprise program on the Rotarians. Although the joke was on them, the men enjoyed the program to the fullest extent. And we think the women did.

TROUBLE APPARENTLY IS BREWING

A brief little news item came out of Washington a couple of weeks ago, which was published in some of the daily newspapers but evidently attracted little attention. Yet, though brief and scarcely noticeable to the average reader, it was of tremendous importance to the people of Texas and of the South. In fact, it is significant of a trend that portends much trouble.

Here is the item. The United States Office of Education recommended today (March 7) that white colleges in the South make their facilities available to negro students to help develop leaders able to attack "the difficult problems of the Southern region."

Now wouldn't that sting you? We do not know what the U. S. Office of Education regards as the "difficult problems of the Southern region," but it recommends that negroes be admitted to white colleges in the South so as to "develop leaders able to attack" these problems. White leaders in the South evidently are not able to attack these problems, whatever they may be, in the eyes of the U. S. O. E.

The truth of the business is that powerful labor organizations in the North and East have been demanding for the negroes in this country social, economic, and industrial equality with the whites. That they be allowed to work alongside the

whites in industrial plants, on trains and buses, in banks and other financial institutions, everywhere. Recently they raised a big rumpus because negroes were not permitted to serve as conductors on passenger trains in the South.

They have likewise been demanding equal educational advantages for the Negro. Their idea of equal educational advantages is the privilege of attending the white schools along with white students. These labor organizations, especially the communists among them, have been encouraging and promoting organizations of Negroes in the North and East to demand their "rights" in all the states of the Union and especially in the South. They have put it into the heads of these Negroes furthermore to demand unrestricted "social equality" with the whites.

In order to get results they are appealing to the Federal Government. They feel that they can count on the sympathetic ear of the President and Mrs. Roosevelt and even their active aid to a certain extent. They can count also on most of the Congressmen of the North and East, where the parties are almost equally divided and where the Negro vote may determine the result of an election.

They can count on the active support of some members of the Cabinet, such as Madam Perkins and possibly Harold L. Ickes, and many other influential personages connected with the various departments of the Government.

They seem to have gotten their work in with the U. S. Office of Education, which is a department of the Department of the Interior. This U. S. O. E. is now "recommending" that "white colleges in the South make their facilities available to negro students."

As a part of the same program to merge our white and colored schools throughout the country—in the South as well as the North, in Texas, in Dallas, Houston, Fort Worth, Lubbock, and right here in Tahoka—a powerful drive is now being made to authorize the appropriation by Congress of vast sums of state colleges and universities, a made to authorize the appropriation by Congress of vast sums of money to aid the public schools, up till now supported by state and local funds and controlled by state and local authorities.

Since this holds out the promise of better salaries for teachers, most of the teachers in our state seem to have fallen for the sop. The superintendent of the Tahoka schools, be it said to his credit, is an exception to the rule. He has seen the dangers lurking in this proposal, and he is fighting it with all his heart and soul. Other members of the faculty here, doubtless, also oppose the proposition.

When our people as a whole discover the significance of the movement, they likewise will oppose it tooth and toenail. For they will realize that Federal support of the public schools and colleges will ultimately mean Federal control; and Federal control will mean the indiscriminate mingling of the races in the schools, white and colored sitting together in the same classes, taught by white or colored teachers as the Federal authorities may demand.

However, as a matter of simple justice to the Negroes as well as a means of disarming those who are urging the fusion of white and colored schools, we believe that more liberal appropriations for Negro schools should be made by our Legislature, better buildings provided for them by local school boards, and higher educational qualifications required of Negro teachers as a whole.

Ireland and Finland are two fine little countries that have proved to be a disappointment to the great democratic nations. The course they have pursued is obviously due to bad leadership. One had a grudge against big, powerful Russia and hoped to get even by throwing in with Germany. The other hates England and was so intent on getting revenge that she flaunts the friendship of her greatest benefactor, the United States of America. The American-born De Valera, premier of the Irish Free State, has always been a narrow fanatic; in his present situation, he is playing the part of a blatant fool, for his course means ruin for his own people.

About to be pushed back entirely out of Russia, the Germans Sunday night marched in and took possession of Hungary, over the opposition of the Hungarians. Now, somebody is going to have a whale of a time driving them back out of those hills of Hungary. Germany is fighting like an infuriated hyena licking a dozen mortal wounds.

OIL-PLATING YOUR ENGINE is like outdoing the future—today

"A bird in the hand" is worth a whole flock of 1950 cars with wings—or even more moderate 1945 models that aren't here yet either. Better grasp the big advancement that's ready now... Better have your engine OIL-PLATED!

Conoco Nth motor oil, for your needed Spring change, at once brings your engine internal oil-PLATING—the foe of cursed engine acids. These unavoidable "leftovers" of combustion were a menace even when partly driven off by the steady heat of long trips. But rationing brought short jumps, with overcool operation that magnified acid attacks. It's high time now—in any car, under any conditions—to check rampant acids. And you'll succeed with Conoco Nth oil, containing an advanced synthetic. This acts "magnet-like"... makes metals attract and hold their acid-resistant shield of OIL-PLATING.

Though your engine's cool or hot—running or not—the OIL-PLATING doesn't all promptly drain down to the crankcase. And where there's OIL-PLATING, the acids that want to destroy are told to "Keep Off!" That's how Conoco Nth oil can advance your car's chance to keep going. Change for Spring today at Your Mileage Merchant's Conoco station. Continental Oil Company

PERSONALITY OF THE WEEK

This week's personality is none other than that Romeo of the Freshman class, Clifton White. Clifton started school in Taboka last fall. His home before that had been in or around Amarillo. Clifton has blue eyes and brown hair. He is coming out for junior football training.

JUNIOR-SENIOR PARTY

Dance and play games! Yes, that's what the students did at the party Friday night which the Seniors gave for the Juniors.

Before the party, the Senior class, Miss Garmes, the sponsor, and Rev. Art Brown ate dinner at a cafe downtown.

After the meal, the members of the Junior and Senior classes enjoyed the party in the grade school gym.

Fifth Grades Have Patriotic Program

Both sections of the fifth grade, sponsored by Mrs. Haynes and Mrs. Hill, gave a patriotic program in the high school auditorium at 1:00 p. m. Thursday, March 15. With songs and children dressed in uniforms of the various services, they paid tribute to the armed forces of the United States.

The program opened with a number by the rhythm orchestra of the fifth grade. Then the group sang God Bless America and The Battle Song of Liberty. Each boy or girl carried an American flag.

They paid tribute to the Army by singing the Field Artillery March. Joy Nell Hamilton drove a tank on the stage, then Sgt. Ronnie Mack Gurley drilled six soldiers. They were: Billy Joe Green, Fane Wilkes Jr., Freddie Cook, Wayne Goodell, Lynn Talley, Dan Cowan, and Danny Lockaby.

To the Navy, with a ship, the U. S. A., Hazel Phillips, dressed as a WAVE sang Anchors Aweigh. The sailors were: L. C. Allen and Roy Elliot.

To the Marines, the group sang the Marines Hymn. The Marines were: Freddie Cook, Dan Cowan, Danny Lockaby, and Wayne Goodell.

To the Seabees, with the group singing Seabees of the Navy. To the Air Corps, with Joy Nell Hamilton in an airplane. Then the group sang the Air Corps Song. Aerialists were: Gerry Mack Stevens, Karr Franklin Wells, and Bobbie Hodge.

To the Red Cross Nurses, with seven nurses. A wounded soldier was brought in by stretcher bearers. Angels of Mercy was sung by the group. Nurses were: Joan Bennett, Edna Rebe Dunagan, Doris Mason, Helen Nita Carr, Joan Conley, Patsey Fred McGinty, and Margaret Sue Roberts. Patient was J. N. Freeman.

A sketch was given by Ann and Dan Cowan and Margaret Sue Roberts. They sang Soldier, Won't You Marry Me?

In the finale, all the nurses, sailors, etc., sang Over There. All the flags were waving in the background.

PERSONALS

Nancy Ray Weathers, who underwent an appendectomy in the Mercy Hospital at Slaton Monday, Mar. 13, is reported doing nicely.

Billie Jo Cowan left for Lubbock Saturday morning where she spent a couple of very enjoyable days with Eva Beth Woods, who is in nurse's training at Lubbock Hospital.

Miss Nita Stephens was home last week end from West Texas Teachers College at Canyon to visit her parents, Mr. and Mrs. L. R. Stephens.

Mary Jean Evans is in the Lubbock General Hospital expecting to undergo a mastoid operation in the near future. She was taken to the hospital late Sunday evening expecting to have her tonsils removed when the doctors discovered she had mastoid trouble.

WHY CO-OPERATE?

"Why co-operate?" This is the attitude being taken by many of the students of Taboka High School. It sounds rather bad, and is.

Students, if each one of us will make a special effort to be as thoughtful and considerate of others as we are of ourselves, we will have a better time, more friends, better grades, and happier school days.

It is not important who we are, but what we are. Character is judged by actions, thoughts, words and disposition. If our actions and our thoughts are selfish, our words thoughtless, and our dispositions unpleasant, how can we expect to be received with pleasure by those who know us? Our personalities will improve if we show co-operation in school. Bad habits are too often formed. Good ones, also, can, and should, be cultivated.

So put on that smile, students. Co-operate in every way possible and be a credit to dear old Alma Mater.

SUB-DEB NEWS

Students, don't faint please, if in the next two weeks you come to school and see white and red blotches running before your eyes. It will only be the result of the latest idea on the part of the Sub-Deb Club.

In a meeting Wednesday afternoon, March 15, at Joan Henderson's, white T shirts were ordered with "Sub-Deb Club" across the front in red lettering. Since thirty High School girls belong to the club, the current sweater fad will be a priority for the Sub-Debs. Don't strain your eyes when you see them, for with a little time the sight of them will be acceptable to the eyesight.

MIDWAY 4-H CLUB

The Midway 4-H club met in the school room March 16. Miss Dixon had planned to come March 17, but Mr. Stone, the boys' agent, came and she came with him so as to save an extra trip.

One thing Miss Dixon demonstrated was a pair of house slippers made of padding with some blue print material bound around it.

Miss Dixon gave each girl directions on how to make her field, her frame and field garden. Each girl promised her she would have a goal of at least three vegetables in her garden.

Those present were: Betty Lou Henry, Dorothy Rainey, Jackie Stephens, Katherine Henry, Martha Stephens, Pauline Rainey, Dovie Jenkins, and Mary Draper. Hazel Ruth was absent.—Reporter.

Great News for Asthma Sufferers

A Real Expectorant That Loosens Thick, Choking Phlegm

Spend 40c today at any good drug store for a bottle of Buckley's CANADIAN Mixture (triple acting). Tonight at bedtime pour yourself a teaspoonful, let it lie on your tongue a moment, then swallow slowly. Feel its instant powerful effective action spread through throat, head and bronchial tubes. Starts at once to loosen thick choking phlegm making breathing easier. No claim is made that Buckley's is a cure for Chronic Bronchitis or Asthma, but sufferers often find Buckley's CANADIAN Mixture (the largest selling cough medicine in all Canada) eases coughing spasms and loosens up that choking phlegm which seems to clog the tubes and makes breathing difficult. It helps many to get a better night's rest. Take good advice—try Buckley's tonight—satisfaction guaranteed or money back.

METHODIST CHURCH
Sunday will be the beginning of the Home Visitation Evangelism in our church. Two weeks previous to Easter is designated as the time for home evangelism. Four nights out of each of the two weeks will be given to this kind of work by the church workers. This is not a campaign, religious census or a survey; it is a movement, a siege, which will continue indefinitely. Personal interview was one of the methods Christ used—and with great success, too.

Sunday School teachers, church officials, and the WSCS and Y. P. will be called on, as well as others, to do this kind of evangelism. It will mean so much to the church and community if each worker will do his best.

Monday evening at 7:30, the workers will meet at the Pastor's study for cards and instruction before they begin their visitation. Other announcements will be made at the morning service Sunday in regard to the workers.

We shall be happy to have you worship with us Sunday at both the morning and evening services.

SPRING REVIVAL AT REDWINE
An eight-day revival begins at Redwine Baptist Church this Saturday night, March 25, and will continue through April 2. Evening services will begin with prayer groups at 8:15, and morning services will be conducted at 10:30 o'clock.

Rev. Elton Hinz of Garden City will lead in our revival.

The general public has a hearty invitation to attend all our services. We will have our new butane heating system installed, so you may be comfortable regardless of the weather.

Brother Hinz is an outstanding preacher. May we give him a good hearing and be used wholly of the Lord in this revival.—L. B. Edwards, pastor.

Wenzel Hogs Win Stock Show Places

A. D. Wenzel and two sons, Leo and Wilburn, formerly of Lynn county but for the past year residents of Terry county, won eight places on ten entries of their Berkshire hogs at the Fort Worth Fat Stock Show last week. They brought home three second place ribbons, one third, one fourth, two fifth, and one seventh place.

The grand champion of the show was a Berkshire showed by Merrill Dilks of Temple, Okla.

Mr. Wenzel and his sons have been winning prizes for years at the Panhandle-Plains, Tri-State, and State Fairs, and at the Stock Show. He says this was one of the largest shows that Fort Worth has ever had.

WELLS Y. W. A.
The Y. W. A. of the First Baptist Church of Wells met Sunday afternoon with Mary A. Gates.

Refreshments were served to the following: Callie McMillan, Leola La Grone, Doris Barton, Christine Parker, Vone Lee Simpson, Iline McMillan, Mrs. W. P. Hutchison, and the hostess, Mary A. Bates—Reporter.

Mr. and Mrs. L. C. Keith of New Home left this week to visit their son, LaMon Keith, at Richmond, Calif.

Mrs. F. O. Greathouse of Cross Plains is here this week visiting her son, Frank Greathouse, and his wife and children.

Mrs. Ruby Porter of the Modern Beauty Shop visited her home folks in Big Spring over the weekend.

FACES ON THE HEN-HOUSE DOOR

* Let these faces be an everlasting reminder that we need more eggs! Add Dr. Hess Poultry PAN-A-MIN to your laying ration. Research Farm hens receiving PAN-A-MIN lay as many as 23 more eggs per bird per year.

We believe PAN-A-MIN will do its full share toward stimulating production. You can't produce too many eggs—you get a good price for all you produce.

Mrs. C. C. Williams Dies In Dallas

Many friends here will remember Mr. and Mrs. C. C. Williams, who lived in Tahoka some fifteen years ago, Mr. Williams serving for two or three years as secretary of the Tahoka Chamber of Commerce.

The News had a brief letter from him this week telling of the death of Mrs. Williams, which occurred at their residence in Dallas on Wednesday of last week. She was a very accomplished woman and was active in her church and in one of the Parent-Teacher clubs of that city. Both she and Mr. Williams taught in the Philippines and traveled in China, Japan, Australia, Egypt, and Europe. While Mr. Williams served as Chamber of Commerce secretary here she taught in the Tahoka school. One son, Charles Oliver Williams, survives. Mr. Williams now is a prominent citizen of Dallas and is Southwestern representative of the American Arbitration Association.
