NOTICE TO THE PUBLIC:
Any erroneous reflection upon the reputation or standing of any individual, firm or corporation, that may appear in the columns of The Lynn County News will be gladly corrected when called to our attention.

We are not suggesting that the United States government re-submit a national prohibition amendment or that the Congress re-adopt a national prohibition law at this time or in the immediate future, for we do not believe that the time is ripe for such a move, but we do believe that Congress could do something to curb the growing evil of the liquor business. While we enjoy listening to the news which several of the breweries of Texas broadcast nightly, we are sick and tired of hearing them blare out the claimed merits of the various brands of beer which they brew. Of course we could turn the radio off and on so as to miss most of that, but we do not believe that this propaganda should be drummed continually into the ears of the young people and the children of our country. It evidently pays the brewers big dividends, otherwise they would not incur the expense. It can pay dividends only by increasing the sales of their products. A large percent of these sales are evidently made to young people. It encourages and promotes the drink habit among our young people, some of whom will be the drunkards of

tomorrow. We believe that some congressman or some senator should have the "guts" to introduce a bill to prohibit the advertisement of beer or other intoxicating liquor over any radio station in the United States. And he should push it. Of course he would meet with opposition, even ridicule, but a statesman should not be afraid of that.

As we sat on the platform in the high school auditorium when it was jammed full of school children the other day and watched their eager faces as they listened to an address by our Governor, we envied the work of the school teacher. As Governor Stevenson suggested, we realized that we were looking into the faces of the physicians, the lawyers, the teachers, the public servants, the business men, the farmers, and the housewives of tomorrow. The changing expressions on their faces were an interesting study. Intelligent and full of life, they reminded us anew of the importance of keeping them surrounded with the right sort of environment and with holding up to them the right sort of ideals. Those who make a success of their lives will owe that success almost wholly to three factors, the home, the school, and the church. They will owe none of it to the liquor store, the honky-tonk, or the public dance hall. It behooves the home, the school, and the church each to do its best to make a real man or a real woman out of each and every one of these boys and girls.

Texas, it would seem, is most fortunate to have in the governor's office at this time a man of the stature of Coke Stevenson—a man of poise, sound judgment, and strong convictions, with the courage to act upon them. He made stanch friends in Lynn county Monday by his exhibition of these qualities.

Draw School News

An intramural track meet was held at Draw on Thursday and Friday of last week. Cecil Langford was high-point man with 31 points, on a five-three-two-one basis.

Nolan Jones scored 24 points, Bill Greenwood 23, and Noel Caswell 13. Also competing were Warren Williams, 12 points, Lowell Busby 9, J. W. Stevenson and Paul Sherrill, 4 points each.

The grade school also held a meet Wednesday, Leroy Mensch and Alfred Vaughn battling for first with 27 and 22 points respectively, D. L. Rudd 15, Billie Gene Stalcup 12, Roy Glenn 7, and Daniel McKay 4.

QUALIFICATIONS FOR A COUNTY COMMISSIONER
Honesty, ability, courage, a real desire to do the job for others. I am not asking that you give me anything other than an opportunity to work and serve to the best of my ability, thereby earning advancement for myself and an honest living. If you believe that ambition and service should be rewarded by promotion when one has qualified himself for a job, then I believe you will help me on July 23, election day.—C. I. Tew, Grassland. Lakeview News

The spring revival at the Baptist Church closed Sunday, April 23, with Rev. W. K. Horn, pastor of Avoca, Jones county, conducting each service. Rev. Horn is well known in Lynn county, having preached in every community and also in several adjoining counties. The visitors Sunday were: Rev. and Mrs. J. M. Morrison, pastor of the Petty Methodist Church, Mr. and Mrs. Allen Winningham of Meadow, Rev. Elzie Gale of Meadow, Rev. R. C. Hallman, pastor of the Petty Baptist Church, and several members from the Methodist Church of Lakeview and the Baptist Church of Petty.

The baby son of Mr. and Mrs. M. J. Williams of Shallowater is in the St. Mary's Hospital, where it had a cracker crumb removed from its lungs. The child is the grandson of Mr. and Mrs. S. L. Williams and Mr. and Mrs. R. W. Adams of this community. It is better at this writing.

Monty, son of Mr. and Mrs. Murry Parker, came home Friday from the Lubbock General Hospital where he spent several days under observation.

Mr. and Mrs. W. T. Knight and family have gone to Winters to visit relatives.

Mr. and Mrs. J. W. Armes of Shallowater visited in the home of Mr. and Mrs. John Ayres Sunday afternoon.

Mrs. A. J. Barnes and son, Mutt of the Marines, Mr. and Mrs. Dick Franklin and Mrs. J. W. Jordan of the Wells community visited Mr. and Mrs. Cecil Yeatts and other friends this week.

Rev. and Mrs. Lloyd Murphy, former pastor of the Lakeview Baptist Church, visited friends here Wednesday. He is now pastor at Grady, New Mexico.

Mrs. Hope Timmons of Lubbock and Mrs. Dollie Freeman of Crosbyton visited relatives here this week end.

Mr. and Mrs. Pat Byers of San Diego, Calif., are visiting her par-

ents, Mr. and Mrs. W. H. Timmons, and other relatives.
Ronnie, little son of Mr. and Mrs. M. W. Nettles, has the measles.
Mr. and Mrs. J. L. Jones and Mrs. Will Henson of Meadow visited in the John Timmons home, Friday.

NEEDS FOR VICTORY GARDENING CANNOT BE OVERSTRESSED

Last year one of the outstanding contributions of the home front toward the War Effort was its production of food for freedom. Eight billion pounds of fresh vegetables, which were consumed in the fresh state and preserved by canning and frozen food lockers, for future use, was produced by the Victory Gardeners of this nation. This is a tremendous record, however, the Government states that we must exceed that record by 25% this year if Victory Gardeners are to produce the amount of home-garden produce desired, states County Agricultural Agent Robert L. Stone. This means that more vacant lots should be put in Victory Gardens, that more town people should participate in this War Effort, and that farm gardens should be increased where possible.

Because of trucking difficulties, the home gardeners will likely find a good home market for much produce which he can produce, such as carrots, beets, radishes, onions, and other vegetables. J. F. Roseborough, Extension Service Horticulturist specialist, states that with the exception of a few vegetables, it is definitely not too late to start Victory Gardens in this section. In fact, around May 1st, by which time it is expected the wind will subside, will be the beginning of the gardening season for West Texas. About May 1, provided one has adequate watering facilities or as early as we have a rain otherwise, beets, carrots, leaf lettuce, green bush beans, squash, cucumbers, tomatoes, and peppers may be planted to advantage.

Good gardening calls for a conservation of garden space as well as complete utilization of vegetables grown. This means that the various vegetables should be grouped in the garden according to family and rate of maturity. Also as one vegetable is harvested, this space should be planted to some other vegetable. For example, two patches of radishes planted at two week intervals will keep one with nice tender radishes, whereas, a large planting would mature all at once and possibly many would be allowed to go to waste. Also there are many vegetables which do better in this country in the fall than in the spring. Some of our most outstanding gardens can be fall gardens. Head lettuce, turnips, fall English peas, and other vegetables come in this group.

Good gardening requires careful control of insects. This is not a difficult thing to do, but requires immediate action when the insects make their first appearance. Otherwise, after they make a start, they may do much damage to the

O'DONNELL SERGEANT AWARDED THE DSC

T/Sgt. Robert Healer of O'Donnell has been awarded the Distinguished Service Award for extraordinary heroism in action with the 5th Army in Italy, according to an Associated Press dispatch in Wednesday's dailies.

"Aggressive leadership at a critical moment during his company's attack against an enemy-held hill near Cairo, Italy, earned the DSO for Sgt. Healer," the dispatch stated. "The platoon he was leading was pinned down by heavy machinegun and grenade fire from an enemy nest. Healer crawled forward despite the fire, wiped out the nest with a grenade and then led his men in an offensive which destroyed three other machinegun nests and enabled the company to gain its objective."

Pvt. Elmer Dillard of Midland Army Air Field, returned to that base Wednesday after visiting here several days with his parents, Mr. and Mrs. W. P. Dillard. He was granted a furlough when news was received of the death of his brother, Pfc. Chester Dillard, in Italy.

WELLS ORGANIZES H. D. CLUB

An enjoyable time was had by the Wells women Saturday, April 22, when they met in the lunchroom of Wells school for the purpose of organizing an H. D. club. Each lady brought a covered dish and her cooker. The choicers were checked in every respect, getting them ready for summer canning. At noon lunch was served picnic style.

After lunch the house was called to order by Mrs. Gay, and the following officers were elected: President, Mrs. L. McLaurin; vice-president, Mrs. Virgil Bolch; secretary and treasurer, Mrs. Hutchinson; reporter, Mrs. Buster Phipps; council delegate Mrs. T. B. Barton.

Mrs. McLaurin took charge of the meeting and appointed a chair for each of the following committees: Exhibit, Mrs. R. G. Grogan; program, Mrs. Virgil Bolch; education expansion, Mrs. Hutchinson; recreation, Mrs. J. W. Simpson; luncheon, Mrs. Herman Brewer; and 4-H, Mrs. Buster Phipps. Those present were: Mmes. L. SUMMERS PROMOTED

Galveston, April 25.—Cpl. Jack N. Summers, husband of Mary Bertha Summers, O'Donnell, was promoted to the grade of Sergeant at the Galveston Army Air Field this week. Sgt. Summers is a graduate of O'Donnell High School. Before entering the service on Dec. 7, 1942, he was employed as a clerk by the Higginbotham Lumber Co. He is assigned to duty as a clerk in the supply section of the base. He is the son of Leona Simpson of O'Donnell.

Mrs. C. B. Caviness of Tahoka and Mrs. Johnny Hall of Pleasant Valley returned Saturday afternoon from Fort Worth, where on Wednesday night they attended the wedding of the former's step-son, T/Sgt. Sherrell T. Caviness, and her niece, Miss Frances Felkner of that city.

Mr. and Mrs. J. W. Goodell returned Tuesday night from a visit with relatives in Mississippi. The chief purpose of their visit was to be with Mrs. Goodell's soldier brother for a few days before he leaves for over-seas service.

J. C. CARPENTER, HOME FROM WEST INDIES, PRAISES THE "GOOD OLD TAHOKA FOLKS"

Pfc. J. C. Carpenter of the Army Artillery left Tuesday after a visit here with his parents. He has been in the West Indies and "other places" he is not permitted to reveal, but will report back to Fort Jackson, South Carolina, for some special training. He has been in the Army since August, 1940.

J. C. says the best people in the world live in the United States, the best in the nation in the Southwest, and the best in the section live right here in Tahoka. He says you don't know how to appreciate Tahoka's kind of folks until you have been in other sections of the nation and until you've lived out of the States awhile.

Jake King visited relatives in Amarillo Sunday.

The unhinged gate...

... "UNBALANCED" swings wrong both ways!

COTTON is the crop that "hinges" farm grains, grasses and roughage to livestock and dairy farming; providing a secure, balanced, livestock program.

Under the "one crop" system, the cotton farmer was hurt by lack of diversification. Then, more emphasis was laid on other crops; curtailing cotton acreage drastically. But cutting cotton production too much swung the gate too far the other way.

The present lack of protein feed, cottonseed meal and cake, proves the need to get back in-balance. This can be done in 1944 by growing more cotton.

Let's hinge the gate right this time!

"This school year is nearly over so I think I'll just rest the remaining week of school. I've already passed my subjects and I can just coast the rest of the way. I think I deserve a rest."

If you are one of these students who think that just because the second semester is nearly over and you've passed your subjects this far that you can "coast" the rest of the way in, you are badly mistaken.

Students, don't fall down the last six weeks in your grades simply because you know you can pass even if you don't study any more.

The few students who have that opinion must be found and reported and must keep up their work the remaining weeks of school.

Freshman

The Freshmen had their picnic Friday, April 18. They went to the sand hills and the girls enjoyed (?) being rolled down the sand hills by the boys. After finding their lemonade had gasoline in it, they went to the Roadside Park and finished their picnic there. They went on a truck.

Sophomores

The Sophomore class is giving a citizenship program Thursday morning. Also they are continuing their citizenship classes now.

Student Council Visits Big Spring

The Tahoka High School Student Council members went to Big Spring High School Friday for a joint meeting with the Big Spring Student Council.

After the meeting, at which ideas were exchanged, the councils adjourned to an assembly program given by a noted highway patrolman.

The Tahoka Council was honored with a luncheon at the Settles Hotel, attended by Supt. Blankenship, Prin. Coffey, and the Big Spring Council.

Members who took the trip were: President, W. T. Hines; vice-president, Dortha Jean Brown; Senior representative, Janette Coughran; Junior representative, Alice Roberts; Sophomore representative, J. Fred Bucy; Freshman representative, George Maurice Small; and Eighth Grade representative, Billy Travis Hanes.

Students Attend Regional Meet

High point team of the regional meet which was held in Canyon on April 22, was Amarillo. The track division was won by Lubbock.

Six of Tahoka's track boys entered the meet. They were: Roy Huffaker, 100 yard dash, 440 relay; La Vaughn Caraway, 440 relay and low hurdles; Bill Woods, shot put, 440 relay; Jerry Edwards, mile run; Lane Jones, broad jump, 440 relay; and Cecil Dorman, half mile. Bill Woods placed fourth in shot put.

The Speech Class' one-act play, "Nobody Sleeps," was classified as a good play, although Amarillo won first place and Lamesa second. The characters of the play were Euelia Dollins, Jane Bosworth, Rae Fern Pennington, Helen Norris, and Walter Williams. The play was under the direction of Miss Snow Johnson.

PERSONALITY OF THE WEEK

As we look through the hall of Personality this week, we find a Junior girl who is admired by both upper and lower classmen.

She has a reputation for getting things done in a hurry, and will fight for her school in a minute. She likes to skate and "simply adores the Navy."

The person in question could be none other than Billie Jo Cowan.

Governor Speaks Before Students

The High School auditorium was filled to overflowing Monday morning at 11:30, when the school students and many townspeople were privileged to hear Texas' governor, Coke R. Stevenson, speak.

After the entire assemblage sang "The Eyes of Texas," school superintendent W. T. Hanes introduced Student Body President W. T. Hines, who in turn introduced Governor Stevenson. On the stage with the Governor, Supt. Hanes and W. T. were Leon Jennings of New Home, Pat Swann of Wilson, E. I. Hill and Judge Tom Garrard of Tahoka.

Governor Stevenson made commendable remarks about Judge Garrard, a personal friend of his, praising him for the fine job he did when he served on the State Board of Education and in other state and civic affairs.

Stating that he is always glad for a chance to travel around meeting the people of Texas, the Governor pointed out the great natural resources in Texas, mentioning the things that make it the greatest ranching and agricultural district in America, and "six and a half million of the finest type of people in the world."

In the schools, Stevenson went on, we see the future doctors, lawyers, businessmen, farmers—people of every kind who will take the places of those now running our great state and nation. Also, he reminded the gathering, the men and women now in uniform were, only a few years ago, in these same schools.

As the main part of his speech, he gave a poem of a poor peasant who, when asked by the king if he didn't wish to be rich and free, replied that he had freedom working his own land and that he was able to live on his eight shillings a day, keeping two shillings for him and his wife, giving two for debt, a debt he owed his mother for taking care of him, two he lent to his three sons for their schooling, and thus establishing confidence in the future, and two he gave for charity, taking care of his sisters who were too old and sick to work, and though the two shillings weren't worth much in actual count, the spirit in which he gave it was important. The peasant was as happy as the king dividing his meager living between charity, necessities, his debt and the money he lent to prepare for the future.

The governor urged the students to keep studying and to accept the opportunities offered them by their teachers and parents, adding that every Texan who buys bonds and contributes to the War effort helps Texas uphold its reputation as the greatest state in America. In closing he apologized to the students for taking them from their classes.

Mr. Hanes paid tribute to the Governor, saying: "We believe in you, and when we hear of you going to Washington or somewhere else we know we have a man representing Texas that everyone admires and trusts."

Judge Garrard told of the Governor's busy schedule, explaining that he had several more places to visit Monday (although he had already spoken at two schools before being in Tahoka) and he was due back in Austin early Tuesday morning.

The time of meeting of the Rotary Club was changed from Thursday to Monday so that the Governor might meet with the Rotarians.

Eighth Grade

The 8th grade is practicing on a play entitled "Let's Make Up," and songs for their graduation exercises.

Army Cooperates In Graduation Exercises Of Tahoka Schools

Supt. W. T. Hanes this week received a letter from the Commanding officer of Pvt. Maurice Smith stating that Maurice would be given a 15-day furlough starting May 7 in order that he may come home and participate in the graduating exercises of his class.

As will be recalled, Maurice Smith and Kenneth Carter were called into the armed service at the close of the first semester of this school year. They were members of the graduating class of the Tahoka high school. Local school authorities immediately passed a resolution setting up a policy as follows with regard to graduating from Tahoka schools: "Any student who actually is called into the armed forces while he is in school and while he lacks not less than one semester of having finished the prescribed course for the high school diploma, may be graduated with his class and be awarded the high school diploma—by taking examinations as may be prescribed by the superintendent of schools."

The above two boys are therefore entitled to the high school diploma.

Mr. Hanes had written to the commanding officers of both these boys and has not as yet heard from Kenneth Carter's commanding officer. Kenneth is in the Navy and it has not yet been ascertained whether it will be possible in his case to be permitted to come participate in the graduation exercises. However, it is hoped that conditions will permit his doing so.

The promptness with which Mr. Hanes received a reply to his request concerning Maurice Smith should be evidence to all that our armed forces have men of judgment and character as their leaders. He took the time to answer by return mail and also to send greetings to young Smith's parents as well as to commend Maurice for the fine patriotic manner in which he has accepted his responsibilities and adjusted himself to his new duties, although just three short months ago he was a loyal, conscientious member of the Senior class in Tahoka high school.

The local school authorities state

that with such response as this, "Is it any wonder that we of the public schools have unquestioned faith in the integrity, ability, leadership, and judgment of the officer personnel of our armed forces?"

Seniors

On Tuesday, April 18, the Seniors went to Coopers' Canyon for their day off. The group enjoyed

hiking, eating, and aliding down hills. It was a very enjoyable day for all the Seniors who attended.

The Senior class is planning a farewell program for next Tuesday. It will be a program that will be enjoyed by every upperclassman.

There is only one more week of school left for the Seniors. Hooray!

A Word of Appreciation to Cosden Customers

As you know, it takes gasoline to power a modern war. COSDEN 80-OCTANE ALL-PURPOSE-GASOLINE and COSDEN 91-OCTANE AVIATION GASOLINE are helping give the Axis heels a headache.

COSDEN appreciates the faithful patronage of the many thousands of Southwest motorists who express their preference for COSDEN by their purchases, and assures them even finer gasolines and motor oils when post-war plans now being perfected can be put into operation—soon, we hope!

COSDEN HIGHER OCTANE GASOLINE

Yes, there's still plenty of COSDEN 70-72 OCTANE GASOLINE for essential civilian driving—and it's GOOD GASOLINE!

The larger part of every barrel of crude now goes to power the attack. Much of our manpower and facilities are also devoted to the war effort. Cosden products are helping on a dozen fronts and Cosden men and women are in almost every branch of service.

When you buy gasoline these days you can't afford to experiment, so stick to COSDEN—the finer HIGHER OCTANE GASOLINE that gives you mileage insurance. Play safe—get COSDEN!

Brother Tabor brought to a close the best meeting that has been held since I have been here last Sunday night. From the beginning the crowds grew and the last night the attendance was the largest in years. The visible results were seven baptisms, two restorations, and one placed membership.

In II John, verse 9, we read these words: "Whosoever goeth onward and abideth not in the teaching of Christ, hath not God: he that abideth in the teaching, the same hath both the Father and the Son." These words demand the respect of every Bible student. "Whosoever" includes every individual. No one can go beyond what

Jesus has taught and be reconciled to God. Jesus told his apostles that the "Holy Spirit would bring to their remembrance all that I have said unto you." Jno. 14:26. The things the apostles wrote are what the Lord taught. Christ said he would build one church; he commanded sinners to believe, repent, and be baptized to be saved. When this is done he adds people to his church. Paul tells us there is one body and that Christ is the head of that body. Friends, are you abiding in what Christ has taught? To abide in Christ's teaching you can have God as your Father; to fail to abide in the teaching of Jesus you are separate from the God of heaven. "Give heed to much reading."

A welcome awaits you at the nearest Church of Christ.

Grassland News

(By Mrs. V. V. Laws)

Mr. and Mrs. Loyell Watson and family of Fort Worth visited his parents, Mr. and Mrs. G. C. Watson of this vicinity last week. On Sunday they had a get-together dinner in the latter's home, with the following present: Herbert Watson, another son, and his family of New Lynn, Mrs. A. A. Lawson, mother of Mrs. G. C. Watson, Mr. and Mrs. Loy Lawson and family, Mr. and Mrs. R. E. Appling, Mr. and Mrs. E. A. Thomas and son John Paul were afternoon guests.

Mrs. J. D. Smith's parents, Mr. and Mrs. Wisdom of Meadow, are here visiting her.

Mr. and Mrs. A. L. Shepherd and family visited in East Texas the past week end.

Grassland school is closing out next week with a three-night program. The Primaries are having a May Pole Wednesday night. The Seniors will have their play on Thursday night, and the graduation exercises will be on Friday night.

The graduating class was honored with a party last Wednesday night in the home of Mrs. Mildred Pebsworth, and will be honored this Wednesday night with an entertainment in the home of Mr. and Mrs. M. C. Thomas.

This coming Wednesday night, Mrs. Mildred Pebsworth will entertain her room, the intermediates, with a party.

Billie Loran Thomas and Miss Joan spent Monday night on the Double-U ranch, so as to be there early Tuesday morning to help in the round-up. Their parents, Mr. and Mrs. M. C. Thomas, went Tuesday.

The singing last Friday night given in honor of Rev. Gibson and children, he being the former pastor here, was enjoyed by a large crowd of friends and acquaintances.

Rev. W. K. Horn of Stamford preached to a large crowd Sunday night at Central Baptist Church. He is a former pastor of the church, beloved by all, and has been called as pastor to succeed Rev. H. C. Bristow. He has not accepted yet but is considering it.

Rev. J. E. Young filled his regular appointment Sunday at the Methodist Church, bringing a good message.

Rev. Odell Brown gave an inspirational message Sunday to a congregation larger than usual, with several visitors present, including Mr. and Mrs. Pempleton and Mr. and Mrs. Elmer Richey or O'Donnell.

Congratulations to Mr. and Mrs. L. J. Arnold, who were united in marriage last Sunday afternoon at 2 o'clock in Post Baptist Church. Mrs. Arnold is a Grassland girl, the former Miss Martha Faye Thomas. Quite a few relatives and friends from here attended. The young couple had an unusual honor bestowed upon them: The Governor

Purr-r-r-s just like Daddy's Car

A sweet-running motor doesn't just happen, especially in a car that is three or more years old. It is the result of the owner's good driving habits, of regular service, and the use of a quality lubricant.

These facts are so clear, so well understood by most motorists, that it is practically a proverb that "good oil is cheaper than repairs." Today, with both practical and patriotic reasons for prolonging the life of every automobile, no sane car owner will risk using anything but high quality motor oil.

That is why his most frequent question is: How can I judge quality? How can I be sure? The answer is easy: Phillips tells you simply and frankly that if you want our best oil, we specify that Phillips 66 Motor Oil is our finest quality... the highest grade and greatest value... among all the oils we offer to average motorists!

These are days when cars must last. Hence experts now recommend changing oil every two months. Do the wise thing, do the safe thing, by asking for Phillips 66 Motor Oil when draining winter-worn lubricant or making regular changes.

CHILD GUIDANCE CLUB

On Tuesday, April 18, Child Guidance Club met in the beautiful ranch home of Mrs. Jno. Chandler out at T-Bar headquarters.

After routine business, Mrs. G. M. Reid and Mrs. N. E. Britton led the afternoon discussion on advantages derived from encouraging children to take part in household tasks after which Mrs. Fred McGinty and Mrs. James Clinton gave brief reports on the Seventh District Federated Club meeting in Plainview on April 17 and 18.

Mrs. McGinty brought back the report given by Mrs. Atwood asking that club women avail themselves of the privilege of taking part in

governmental affairs, knowing the constitution better, and seeing that America's return to religion is started in the homes.

The hostess served refreshments to the following members: Mmes. Calloway Huffaker, James Clinton, G. M. Reid, Fred McGinty, Leo Jackson, E. R. Edwards, Hick Gibson, N. E. Britton, C. E. Franks, P. A. Nowlin, and Coy Fielder.—Reporter.

Sgt. Sgt. C. B. Evans Jr. left last week, after visiting here, for his new station at San Antonio. He was transferring from Sheppard Field, and had spent a 17-day delay-en route furlough here.

Gardening for Victory

along the Santa Fe

Soon travelers will be seeing plots of beets, beans, tomatoes, corn and other needed vegetables "coming along" on both sides of our tracks.

For once again Santa Fe has made its right-of-way available to its employees for Victory Garden space.

This railroad is heart and soul behind America's Victory Garden project. Not only has land been made available, but we are offering \$2000 in War Bonds to our best Victory Gardeners as an added incentive toward helping "Food Fight for Freedom."

Located as we are "Along the Route to Tokyo," Santa Fe people throughout our 13,148 miles of track can "feel" this war. They are working full hours to move along the never-ending loads of guns, tanks, men and munitions.

Perhaps that's another reason why they're not only working harder on their railroad jobs, but are pretty fine War Bond buyers and Victory Gardeners as well.

It's Santa Fe all the way for the U. S. A!

SOLDIER WRITES HOME FROM THE ALEUTIANS

John Veach and other members of the family received a letter a few days ago from his brother, Pvt. Gene Veach, who is somewhere in the Aleutians Islands. They don't get letters up there often, Gene writes, and so letters are always very welcome.

Referring to the fact that they had run the Japs out of the Aleutians and back to Tokyo, Private Veach expresses the opinion that the "slant-eyes" are going to be thoroughly licked soon, "but it can't be too soon to suit me," he writes. He seems to think that too many of the soldiers are permitted to remain in the States when they should be out somewhere on some fighting front. But doubtless he doesn't know how many have gone "across."

Pvt. Veach has evidently undergone almost unbearable hardships up in the frozen North and has done his part to crush the Japs.

Mrs. A. D. Rogers and little son returned one day last week from a visit with Aviation Cadet A. D. Rogers, who is stationed at Keesler Field, Biloxi, Mississippi.

Jack Douglas, general manager of the A.A.A. Automobile Club, Lubbock, has announced his candidacy for Representative from the 119th district in the Texas Legislature.

Douglas is 39 years of age, married, has two children, and lives on Route 5 in Lubbock county. Douglas is of English and French descent and is a member of the Christian Church.

The 119th district is composed of Gaines, Dawson, Lynn, Terry, Yocum, Cochran, Hockley, Crosby and Lubbock counties.

This office was held by Hop Halsey for two terms, and since he is serving with the U. S. Marines, Mr. Halsey announced that he would not be a candidate for re-election.

Mr. Douglas is widely acquainted over South Plains territory, being vice-president and general manager of the Automobile Club, local affiliation of the American Automobile Association, having jurisdiction throughout his territory, comprising 59 counties in Texas. He has lived in Lubbock for the past 15 years and is past-president of the Lubbock County Young Democrat Club. He has been active in highway and motor tax legislation

through his organization, inasmuch as the American Automobile Association is the only active representative for the motorist in the legislature, both state and national, taking a stand in the interest of the automobile owner.

Mr. Douglas has been particularly active in safety education and driver training through the schools of his territory, and through his efforts, safety education was installed in the school curriculum.

Mr. Douglas stated that he was vitally interested in the district and was not dependent on the remuneration through the office. "I shall spare no effort in presenting legislation which will be beneficial to the district," Mr. Douglas added that he will not be able to see everyone because of the gasoline and tire rationing. However, he will do his best to make an active campaign for the office.

Mr. Douglas said that his concern for public interests is not confined to any one county or locality. As a legislator, he intends to visit and thoroughly study the needs of each county in the district, repeatedly.

SGT. CAVENESS MARRIES, IS VISITING HERE

Marine Technical Sgt. Sherrell T. Caveness arrived here Sunday from Fort Worth with his bride to visit his step-mother, Mrs. C. B. Caveness, for a few days before leaving Thursday for Santa Barbara, Calif., where they will reside.

Sgt. Caveness was married Wednesday night of last week to Miss Frances Felkner, daughter of Mr. and Mrs. W. M. Felkner of Fort Worth, in the First Methodist Church there, Rev. Warren Johnston reading the double ring ceremony.

Among the guests present were eleven of the relatives from Jacksonville, Texas. They were Messrs. and Mrs. Everett Caveness, Curtis Caveness, Dewitt Caveness, Walter Caveness; Mrs. Alice Smith, O. P. Caveness, and Nettie Francis. Two hundred guests attended the reception at the Felkner home following the ceremony.

The bride is herself a niece of Mrs. C. B. Caveness of Tahoka and has visited here several times. She is a graduate of T. W. College and is a Nurses' Aid.

The groom is a son of the late C. B. Caveness and a nephew of H. P. Caveness, former superintendent of the Tahoka schools and former county superintendent. Tech Sgt. Caveness attended Tahoka high school one year or more but graduated at the Wilson high school. He received his B. A. and M. A. degrees from Texas Technological college.

He has been on duty the past 16 months in the New Hebrides.

Guadalcanal, Munda, and Bougainville, and wears the Presidential Citation. He returned to the States about a month ago.

Southland News

(By Mrs. Marvin Truslock)
On April 17, in Lubbock, Miss Cruz Reyes and Victor Bara exchanged wedding vows. They were accompanied by Mr. and Mrs. Amallo Rodriguez, also of Southland. The bride wore a gold sharkskin with brown accessories. Mrs. Bara is a native of Southland, having lived here all her school days. For the past year, she has been employed as cashier in a restaurant in Los Angeles, where her older brother lives. The bridegroom has resided here for the past two years, coming here from San Antonio.

They haven't decided where they will make their home.

Rev. and Mrs. O. J. Harmonson left Tuesday evening for Oney, where their sailor son John was home on leave. They returned home Friday.

Sunday about thirty attended the birthday dinner honoring F. E. Weaver, Mr. and Mrs. Fred Cockerell, Wilburn Field, Donald Weaver and Mrs. J. A. Graves, all of them having a birthday in April. The dinner was at the lunch room.

A week ago Thursday night, Mr. and Mrs. Dave Draper of Slaton gave a musical which was attended by many local people. The Drapers are former Southland residents.

The newspapers predict one month before the monsoons begin in Burma. Judging from a letter dated April 8th by S/Sgt. Fred Fletcher in India, the season has already started there. He wrote: "Hope it isn't as muddy and doesn't stay as muddy as it is here. It rains every day now and probably will for the next five months. I'll probably mildew permanently after a few months of this."

The baccalaureate sermon of the Class of '44 will be at the High School auditorium next Sunday morning. Rev. M. O. Row, pastor of the Baptist churches at Hackberry and Pleasant Valley, will deliver the sermon. The graduation exercises will be May 5th and former Supt. W. A. Smith will deliver the address. The Eighth Grade will receive their diplomas on May 3rd.

Miss Beale Anderson apparently has the flu. Sunday her fever was 102 degrees. She has been an invalid for years, but is not a native of this dusty country.

Mr. and Mrs. T. B. Burrough had as their guests over the week-end their daughters, Mrs. J. H. Palmer of Tulla and Mrs. Eddie Delavan of Lubbock. Mrs. Burrough and these two daughters and another daughter, Mrs. M. V. Hodge of Tahoka, visited Mrs. Burrough's sister, Mrs. Coy Watkins of Snyder, last Saturday.

Baptist Meeting

(Contd. from first page) At the morning services, he has been giving an exposition of Paul's letter to the Romans, and these messages have been indeed a delight to those who have heard them.

The song services are being led chiefly by Rev. Art Brown, though L. D. Howell has substituted when Brown could not be present. In addition to the regular choir, the young people's and children's choir has also been functioning.

Prayer services for various age groups, men and women, boys and girls, are being held immediately preceding the regular congregational gatherings. There have been several professions of faith and several additions to the Church.

Nobody seems to be enjoying these services more than the pastor of the church, Rev. A. C. Hardin, who is to terminate his connection with the church soon after the close of this meeting to become an evangelist under the Board of the Baptist General Convention of Texas. He plans to reside in Plainview.

The meeting here will come to a close Sunday night. Services open at 10:00 o'clock each morning and at 8:30 each evening.

TAHOCA BOY HAS HAD BUSY TIME IN ITALY

Mrs. Jennie Lankford and daughter, Mrs. Hattie Garrett, received a letter a few days ago from their son and brother, Sgt. Grady H. Lankford, who has been in Italy with the U. S. invasion forces for almost a year now, enclosing a recent photograph.

Of course he has seen much action in Italy and he wrote that he had been busy day and night for some time and was being sent to a rest camp for a few weeks. He told little about the fighting there but was thrilled by the beautiful scenery.

Sgt. Lankford enlisted in the Army from Tahoka more than two years ago.

New Home Opening Canning Center

Recognizing the continued necessity for placing emphasis on food preservation, New Home public school officials have completed arrangements for setting up a canning instruction center with sufficient facilities to process the major portion of the garden products of those citizens who do not have adequate equipment or knowledge to do the job correctly.

A. L. Pace, superintendent, has announced that N. S. Abbott, vocational agriculture teacher, will have general supervision of the project, and that the school board will provide instructors with training and experience in canning to assist local victory gardeners lay away a supply of home grown food.

Each individual using the canning facilities will furnish his own cans and produce. The equipment, heat, water, and other essential items will be furnished free to patrons of the canning instruction center, Abbott said.

Funds for this service are made available through the State Board of Vocational Education. It is hoped by local officials that this opportunity for conserving food for victory will not be passed up, and that pantry shelves in our community will sag with the weight of canned food put up under the supervision of capable instructors, following intelligent canning budget plans.

Meetings to discuss setting up a canning budget are being held in the Dixie and Petty communities, Abbott said. Those needing help in canning or planning a canning program are invited. It is hoped that similar meetings can be held in the New Home and Lakeview communities.

Miss Myrtle Williams, who holds a responsible position in a hospital in Colorado Springs, Colo., spent the week-end here with her parents, Mr. and Mrs. W. A. S. Williams, coming Thursday and leaving Monday afternoon.

Mr. and Mrs. A. M. Cade spent several days last week at the bedside of his brother-in-law, D. C. Russell, who is seriously ill at Christoval.

Clear Sailing IF . . . You Prepare NOW!

The tightest squeeze this year on the farm front will come at harvest time. Many over-age binders and threshers cannot survive another year. All-Crop Harvesters must be prepared to carry an extra load.

Here's what you can do to get your machine ready—

- Schedule your All-Crop immediately for our 24-POINT FARM COMMANDO overhaul. This also includes reconditioning the attachments for special crops and replacing or rebuilding worn parts.
- List your machine on our local Register as a qualified Farm Commando, available for outside work on neighboring farms.

If you are in need of an All-Crop Harvester, come in and talk to us. We may be able to furnish one or help you locate just the machine you are looking for.
