BOYCE HOUSE

Boyce House Will Speak at Rotary

Boyce House, author of the record-breaking book, "I Give You Texas," will address the Tahoka Rotary Club at noon on Wednesday of next week.

His book, a collection of 500 jokes of the Lone Star State, has gone into the ninth edition in eight months. House is also known as a newspaper-radio columnist, being heard by several hundred thousand listeners each Sunday at 12:45 p. m. over a state hook-up in "I Give You Texas and the Great Southwest," and his weekly column appears in some 200 weekly newspapers.

House is "good-will ambassador" of the Southwestern Exposition and Fat Stock Show and his home is in Fort Worth. He is the author of four books, has written in the Saturday Evening Post and spent four months in Hollywood helping write "Boom Town."

Few speakers in Texas are more in demand and he has spoken more than 125 times this year. The subject of his address here will be "I Give You Texas."

Mrs. Dyess Gives Rotary Program

Mrs. Grace Thompson Dyess, recently named recreational superintendent of the city of Lubbock at a lucrative salary, was the principal speaker at the Rotary luncheon Thursday.

The program was under the direction of Alton Cain, chairman, and Happy Smith, of the committee appointed several weeks ago to work out a program of recreational activities for the children and the young people of Tahoka during the summer months.

Mrs. Dyess had many suggestions to make as to the kind of program that would be practical here and how to make it successful.

Mrs. Dyess was the former Miss Grace Thompson, daughter of Mr. and Mrs. J. Y. Thompson, and was reared here. She has been a recreational supervisor for several years, most recently at Orange, Texas.

President Travis Hanes called a meeting of Rotary Club directors and representatives of various other civic organizations to meet in the county court room next Tuesday night to further discuss the summer program.

The teachers of the grade school who directed the program, "This Is Worth Fighting For," at the gymnasium on Thursday night of last week which attracted so great a crowd and elicited so much praise, were guests of Supt. W. T. Hanes. He stated that these teachers alone were responsible for that program and he paid them a glowing tribute, then called upon Leo Jackson to introduce them.

Harley Henderson was also given special recognition for the swell job which he and his committee had done in having the service board erected and in staging the celebration in honor of those whose names appear thereon.

The club will meet on Wednesday at noon next week, when Boyce House will be the guest speaker.

All Tahoka beauty shops were closed Monday while the operators attended a beauty school in Lubbock.

District Eastern Star Meeting Here Saturday Night

Saturday is to be a great day in Tahoka for the 99 members of the local Eastern Star chapter, or for most of them at least. They are to be honored by a visit from state and district officers and members from all of the 15 chapters of this district, including Lubbock, Slaton, Post, Leveland, Brownfield, Seagraves, Lamesa, O'Donnell, and others.

This will be the official visit of the Worthy Grand Matron of Texas, Mrs. Cynthia May Watts of Lufkin. Other state and district officers expected include: Walter B. Baldwin of Wichita Falls, Worthy Grand Patron; Mrs. Lillian Bernard of Lubbock, Associate Grand Matron; Mrs. Esther Baldwin of Wichita Falls, Grand Warden; Mrs. Audra Tanner, Grand Examiner, district 2; Mrs. Della Mae Moore of Abilene, District Deputy Grand Matron; Mrs. Pauline Hagood of Seagraves, Grand Representative from Utah to Texas. All these will be the guests of Mrs. Imogene Burleson of Tahoka, who is Deputy Grand Matron, district 2, section 4.

For the official visit of the Worthy Grand Matron, a chapter meeting will be held in the grade school gymnasium at 8:00 o'clock Saturday evening, which will be attended by members of the local chapter, representatives of the other 14 chapters of the district, and by the state and district officers present. The visitors will fill the stations in the chapter at this meeting.

Mrs. Minnie Davis is the Worthy Matron of the Tahoka Chapter and W. E. (Happy) Smith is the Worthy Patron.

Preceding the Chapter meeting, a garden party will be held at the home of Mrs. Annie Forrester at 6:30 o'clock in honor of the distinguished visitors.

The Worthy Grand officers are holding schools of instruction in this section of the state, and a number of Tahoka and O'Donnell members of the Eastern Star expect to attend the school to be held in Lubbock next Tuesday, May 9.

Rev. Nichols Home From California

Rev. H. A. Nichols, pastor of the Methodist Church, returned the first of the week from an 11-day visit in Los Angeles with Dr. Don W. Nichols, a retired Missionary of China, who is his cousin.

Dr. Nichols, the Tahoka pastor says, is 83 years of age and spent many years in China. His children were born in China and his only son is a resident of Shanghai. The Japs detained him but let his family come to the United States on the Gripsholm. Nothing has been heard of the son in more than two and a half years.

Some two years ago Dr. Nichols presented Rev. H. A. Nichols a large library of various books while the latter was visiting him.

Aside from congested travel on the trains, the trip was interesting and restful, according to the statement of the pastor.

Daughter Rev. Hays Dies At Gatesville

Friends here received the message Tuesday that Peggy, daughter of Rev. and Mrs. Lawrence Hays, had died that morning in Gatesville, where the father is pastor of the First Baptist Church. Peggy must have been about 13 years of age. She had been sick a long time.

Rev. Mr. Hays was pastor of the Baptist Church here for about two years in the early thirties, and many people here remember Peggy as a very sweet little girl.

Funeral services were to be conducted in Gatesville Wednesday afternoon.

After visiting his parents here recently, Lt. Elwayne Nevill and his wife proceeded to Florida, where he was to be stationed in an air field somewhere in that state. They had been at Liberal, Kansas, for several months.

Light Rains Fall In Lynn County

Sandwiched between sandstorms, rain fell throughout Lynn county and the major part of the South Plains last Friday night, amounting to .77 of an inch in Tahoka, though it was much lighter in most localities. Wilson, however, reported 1.08 inches. O'Donnell reported a half inch. Many communities received not more than a quarter inch.

Another shower on Wednesday night of this week registered .11 of an inch in Tahoka.

Mrs. J. W. Elliott Died Thursday

Mrs. J. W. Elliott, one of the pioneer women of Lynn county, died at about 3:30 o'clock Thursday afternoon at her home here in north Tahoka, after having been seriously ill since Thursday night of last week.

Funeral services are to be held in the Baptist Church here at about 4:00 o'clock this afternoon (Friday). Rev. L. L. F. Parker, former pastor of the church here and a special friend of the Elliotts, now at Midwood in south Texas, will conduct the services, assisted probably by one or more of the local pastors.

Mrs. Elliott became ill during Thursday night of last week, but was able to be up at intervals Friday and to converse with Judge Elliott and others until about 5:00 o'clock in the afternoon, when she seemed to collapse while lying on

Now, It's Major James L. Minor

Captain James L. Minor has been raised to the rank of major. The News was informed Thursday. He is with an infantry company of the 36th Division and has distinguished himself in action on the Italian front. One of the first to land at Salerno, he wears the Silver Star, the Purple Heart, and many battle stars.

The News this week carries a story elsewhere in this issue sent us by an Army public relations man.

Congratulations—

Mr. and Mrs. J. Elmo Burkett, upon the birth of a son in the Lubbock General Hospital last Saturday at 4:56 p. m. The little fellow weighed 8 pounds, 8 1/2 ounces.

Mr. and Mrs. Billy Driver, route 2, on the birth of a son at a Lubbock hospital May 2, 8 a. m. He weighed 7 pounds at birth and has been named Ronnie Gene. He is the first grandchild of Mr. and Mrs. L. A. Phillips and of Mr. and Mrs. Curtis Driver.

Changes Made By Local Businesses

R. A. Brand, who had operated a shoe shop here for several years, removed to Roscoe a couple of weeks ago, and the Pettigrew grocery is moving into the Wells building which he occupied at the southwest corner of the square.

D. H. Goodnough, who closed up his shoe shop here to work at the Lubbock Army Air Field, reopened the shop in his building on the west side of the square this week.

Mrs. C. T. Tankersley left Thursday of last week for El Paso in response to a message from her daughter, Mrs. Walter Denman, that her son Willie was seriously sick. She returned home Tuesday and reported the boy much improved.

Sgt. Henry Jahnke, who formerly lived in this county and was inducted into the service from here, has written to relatives that he has arrived safely somewhere in England. He was stationed at Camp Berkeley before going across. His parents live at Big Spring.

14 More Men Enter Armed Services

Six Lynn county men who had been inducted into the Army recently left for Fort Sill, seven left for the Navy, and one for the Marines.

The six Army inductees were: Patrick Brewer Healey, Cletus Roy Caswell, and A. J. Stephenson of Tahoka, and Stewart Lytle Schooler of O'Donnell, who were inducted on April 17, and Wiley Brodner and Philip Gant of Tahoka, both colored, who were inducted on April 13.

The Navy men were: Loutia Smith, James Welton Greenwood, Enrique Munis, Roy Rodriguez, Tony Lanard McGlaun Jr., and Floyd Henry Lightner, all of Tahoka, and Max McKenzie Waggoner of O'Donnell, all of whom were inducted on April 18.

The lone inductee into the Marines was A. G. Crutcher Jr. of O'Donnell, who also was inducted on April 18.

Phillips Test Now Near 4,000 Feet

Drilling on the Phillips Company well on the Gray tract nine miles east and two miles north of Tahoka was proceeding satisfactorily Thursday morning at a depth of 3,760 feet, in line, according to information given The News early Thursday afternoon by Bill Stahl, the rig superintendent.

This well was spudded in about April 19, and barring three or four "fishing" jobs that delayed operations to some extent, drilling has proceeded satisfactorily from that date.

The Sohio Company abandoned its test near the Walter May place six miles east of Wilson on last Saturday, the contract depth having been reached without any substantial showing of oil, but it is reported that another test will be made by this company at a new location somewhere southeast of the abandoned well.

Lt. J. T. Seroyer Jr. Dies At Abilene

Mrs. D. V. Smith received a telephone call Tuesday night informing her that her nephew, Lt. J. T. Seroyer Jr. of Camp Berkeley, Abilene had died rather suddenly that day from what was believed to have been ptomaine poisoning, and that funeral services would be conducted in Cleburne, his former home, Friday afternoon. He was the son of Judge J. T. Seroyer, who had served a number of years as district clerk and two terms as county judge of Johnson county.

Mrs. Smith, Mr. and Mrs. C. T. Oliver, and Miss Mary Seroyer, the three ladies being aunts of the deceased, left here very early this (Friday) morning to attend the funeral services, Edd Hamilton driving the car for them.

Atvis Mensch's New Baby Wins Prizes

Carlsbad, N. M., May 3.—Two-fold congratulations are being extended to Pfc. Alvis A. Mensch, son of S. A. Mensch, route 2, Tahoka, a cook in the Cadet Mess at the Carlsbad, N. M. Army Air Field.

His baby daughter, Barbara Anne, born to Mrs. Mensch at 1:33 a. m. Monday, May 1, in the St. Francis Hospital, was the Honor Baby of Carlsbad, the first baby to be born in Carlsbad during National Baby Week. She weighed five pounds 13 1/2 ounces. A dozen Carlsbad firms showered prizes on the Menschens, who reside at Camp Bonita in Carlsbad. The mother is the former Rudene McLean of Gatesville, Tex.

Wayside Gin Will Be Rebuilt Now

Work of rebuilding the Wayside gin has been started, according to J. H. Poindexter of that community. A modern 5-80 gin will be erected by Paul Lawlis, Lubbock, the owner, it is said.

The gin was completely destroyed by fire last fall.

Baccalaureate Services Sunday Night Mark Beginning of Commencement Week in the Tahoka Public Schools

Annual baccalaureate services on Sunday night in the Tahoka High School auditorium will open a week of school-closing exercises which reach a climax with the presentation of diplomas on Friday night.

Dr. J. M. Lewis, pastor of the First Presbyterian Church, Lubbock, will deliver the sermon at Sunday night's program, which begins at 8:30 o'clock. The invocation will be by Garnie Atkinson, minister of the Church of Christ, the Scripture reading by Rev. H. A. Nichols of the Methodist Church, and the benediction by Rev. A. C. Hardin of the Baptist Church. Rev. Art Brown will direct the choir in special numbers. Churches of the town will dismiss their evening services for the class sermon.

Commencement exercises will be held in the same auditorium Friday night, May 12, at 8:30 o'clock. The address will be by Dr. Doyle D. Jackson of Texas Tech, and diplomas will be presented graduates by Truett Smith, president of the school board. Salutatory and valedictory addresses will be by Clara Payne Nordyke and Euelia Dollins, respectively. The class musical presentation will be a trio composed of Patricia Hill, Dorothy Lee Carmack, and Mary Beth Fenton, singing "Come Where the Blue Bells Ring."

Mrs. Marcus Edwards will preside at the piano for both programs.

Thursday night, May 11, at 8:30 o'clock, Eighth Grade class exercises will be held, with diplomas of graduation from grade school being presented by John Slover, vice-chairman of the school board, and awards by High School Principal Leo Jackson. Savannah Tunnell is valedictorian and Frances Haney is salutatorian.

The Eighth Grade, as is the custom, will present its own program. Among the numbers are choruses by the class, a piano duet by Nan Pennington and Bobby Louise Cowan, a talk by Carolyn Cox, and a short play by a cast composed of Phil Harrington, Billy T. Hanes, Barbara Wells, Billy Payne Anderson, Kenneth Reed, and Carroll Sue Botkin.

The public is invited to all these programs.

Lee Baldrige Is Taken By Death

Lee R. Baldrige, 42, of Phillips in the Panhandle but a native son of Lynn county, died at 10:06 o'clock Monday morning in the Lubbock General Hospital, and funeral services were conducted at 3:00 o'clock Tuesday afternoon in the city of Abilene, where his parents, Mr. and Mrs. R. E. Baldrige reside.

Mr. Baldrige had been suffering from heart trouble for the past ten years.

Born in Lynn county before it was organized and before the town of Tahoka was laid out, Mr. Baldrige spent his boyhood days here, attended school here, and graduated from Tahoka High School. Later, he attended Abilene Christian College and Draughon's Business College. He got his first experience in the lumber business with the Higginbotham-Harris company, now Higginbotham-Bartlett, in Tahoka. He has since been the manager of yards at Roaring Springs, O'Donnell and Lorraine, and assisted in yards in Abilene and Seagraves.

Surviving are his parents, Mr. and Mrs. H. E. Baldrige of Abilene, who lived in Tahoka many years and took an active part in church, school, and civic activities while here; his wife and two sons, Lee Jr. and E. T. Baldrige, and a daughter, Carol Inez, all of Phillips; two brothers, Bud Baldrige of Clovis, N. M., and H. E. Baldrige Jr. of Abilene; and four sisters, Mrs. Ben Moore of O'Donnell, Mrs. Albert Mayfield of Clovis, Mrs. H. D. Terry and Mrs. C. B. Shankie of Abilene, together with other relatives in this section of the state.

Mr. and Mrs. Ben Moore of O'Donnell attended the funeral services.

Lt. Robt. Sharrock Killed In Action

Lt. Robert Pershing Sharrock, 26, son of Mrs. G. C. Payne, now of Los Angeles, Calif., but formerly of Tahoka, was killed in action on March 5 over Burma, according to Mr. Payne who arrived here last week end.

Lt. Sharrock had never lived in Tahoka but had visited here several times and had a number of friends here. He was born in Granfield, Okla., educated in the Tulsa, Texas, schools, and had attended Amarillo College. While training as a pilot in Kentucky he was married to a girl of that state about six months ago, and almost immediately had left for overseas service.

No details of his death have been received by the family.

Mrs. W. G. Lyons and daughter, Mrs. Skiles Thomas and little daughter Susan came up from Galveston Saturday to visit Mr. and Mrs. C. A. Thomas and Mrs. Letha M. Tunnell and Savannah.

Men in U. S. Uniform Will Graduate With Tahoka High Class

When diplomas are presented Tahoka High School graduates Friday night of next week, two service men will be present, wearing caps and gowns, to graduate with the remainder of the class. They are S. 2/c Kenneth Carter of the Navy, stationed at Oceanside, Calif., and Pvt. Maurice Smith of the Army.

Supt. W. T. Hanes received a telegram this week from Carter's commanding officer stating the youth would be given a leave to graduate. Last week he had been notified Smith would be given a furlough by the Army.

Both youth, Seniors, were drafted in the middle of the school term.

Revival Closes At Baptist Church

Revival services which had been conducted for ten days in the Baptist Church here came to a close on Sunday night, when eleven converts were "buried with Christ" in beautiful baptism. Fifteen others had united with the church by letter, or statement, during the meeting, making a total of 26 accessions.

There had been a great service on Sunday morning, when there were sixteen responses to the invitations given, some professing faith in Christ, some dedicating their lives to service, and some transferring their membership from other churches. A total of 308 had registered in Sunday school preceding the worship hour.

Both the morning and the evening services throughout the meeting had been unusually well attended, Dr. Johnson bringing many thoughtful and scholarly messages. The pastor, Rev. A. C. Hardin, had been very active throughout the meeting, and at its close he expressed his great gratification at the results. Rev. Art Brown, L. D. Howell, and finally J. W. Goodell led the song services, with Miss Valerie Wells at the piano.

Without any pressure whatever being exerted, special contributions for the meeting amounted to \$429.

Tobe Kennedy has been confined to his bed more than two weeks from an attack of measles complicated with asthma and will probably not be able to be back in the office of the Higginbotham-Bartlett company for two or three days yet.

California Weather Not Much Better

G. C. Payne, who returned to Tahoka last week end after spending eight months in Los Angeles, Calif., to again work at the Orange Crush Bottling Co., says the weather out there is beautiful now but that they really have some changeable weather out there. He says he got a big "kick" out of the story N. M. Wyatt brought back a few months ago about the rain, hail, snow, sleet, and wind in and near Los Angeles. He doesn't think California weather is much better than our is most of the time.

Mrs. Payne and the children will remain in California for the present, as Jack is working at Douglas Aircraft and Rosemary at a grocery store.

Mrs. Elliott Dies . .

(Continued from page one)
a couch, and to lapse into unconsciousness. It was not until Sunday or Monday, however, that she lost consciousness completely. It is believed that her illness and death were caused by a hemorrhage in the brain.

Minnie Chambers was the daughter of the late Mr. and Mrs. J. N. Chambers and was born in Johnson county on September 25, 1882. She came with the family to Tahoka on October 31, 1903, just a few months after the town was laid out and while the court house was just being finished. She was one of the first teachers in Lynn county, teaching one year at the Lynn school house and one year at Six-Mile, a rural school which stood on or near the site of the present town of O'Donnell. Then she was primary teacher in Tahoka for three years with J. B. Walker as principal. She attended the North Texas State Teachers college at Denton for one term, and soon after the West Texas State Teachers College at Canyon opened, she entered that institution. She was a member of the first graduating class there in June, 1911.

Following that she taught in Tahoka two additional years, while E. A. White was superintendent.

On June 16, 1912, she was married to J. W. Elliott, who afterwards served two terms as county judge and has filled other responsible positions.

She was the prime mover in the organization of the Phebe K. Warner club here and gave the club its name. For a number of years, she was the leading spirit of the club, serving as its president and in other capacities.

She was also active for several years in the Order of the Eastern Star. For a few years she was affiliated with the Methodist Church and later attended the services of the Baptist Church, becoming a warm friend of the pastor, Rev. L. L. F. Parker, and his family while they were here.

Mrs. Elliott has long taken an active interest in politics. She has been a member of the State Democratic Executive Committee since September, 1938, being the woman member from the 19th congressional district. She was one of the Presidential electors from Texas in 1940.

Her husband and two sisters survive, Mrs. W. E. Henderson of Los Angeles, Calif., and Miss Dallis Chambers, who has long resided in the Elliott home here. Mr. and Mrs. Henderson arrived from California Tuesday, and were at her bedside constantly until her death. She also leave a number of cousins, none of whom reside here.

A woman of the highest character and keen intellect, Mrs. Elliott has won and held the esteem of a large circle of friends throughout the state and friends in Tahoka and vicinity include almost the entire population. She will long be remembered here for her sterling character, her superior accomplishments, and her unusually active life.

METHODIST CHURCH IS OPEN AT ALL HOURS

Rev. H. A. Nichols, pastor of the Methodist Church here, has authorized The News to announce that as soon as the impending invasion of the European continent begins, the doors of his church will be open day and night for all persons who desire to resort there at any time for prayer and meditation. In fact, the public is invited to use it for that purpose.

Mr. and Mrs. John Roberts and daughters visited his parents in Lamesa last Sunday. Their home is at Anson but they had come to Lamesa on a visit and his father became very ill there.

Grassland News

(By Mrs. V. V. Laws)

Last Sunday morning at the Methodist church, the children had charge of the Sunday School, a child having charge of each branch or service. They did a good job of it.

Last Saturday night Miss Mildred Pebsworth, one of the public school teachers, gave the children of her room a weiner roast out under the trees at the home of her parents. She is also giving them a theatre party tonight (Tuesday) at Tahoka.

Mr. and Mrs. J. W. Warrick and Mr. and Mrs. M. C. Richey spent the week-end in the Valley, attending a revival conducted by the Warricks' son, Rev. J. C. Warrick. They returned home Monday.

Mr. and Mrs. McFarlan of O'Donnell attended church here Sunday night at the Church of the Nazarene. The ladies of the Red Cross room here have finished their quota of surgical dressing and are awaiting another shipment.

Mrs. M. C. Greer reports that Alton has run across Duane Reeves in the Hawaiian Island. The boys, while in different branches of the service, get to see each other quite often.

Pfc. Kelly Laws, one of the Grassland boys in the service, passed through Posat on day last week enroute to the west coast.

Chester Barrington, on hearing of our sandstorms, says that he thinks that he could enjoy eating some dry sand, since they never have a chance to see dry sand where he is.

Mrs. J. E. Bullock had as her guest Sunday her son and family, J. E. Bullock Jr., from Ropesville, and their daughter, Mrs. Marie Ward and son Jimmie of Lufkin, who recently came to visit her parents. They visited in the V. V. Laws home in the afternoon. Mr. and Mrs. L. A. Enloe and little daughter Pauline from Slaton; Mr. and Mrs. Allen Julian of Post, Mrs. J. E. Bullock Sr. and Mr. and Mrs. Leonard Bullock here were visitors for the afternoon.

Last Sunday the Lawson and Apple families had dinner in the home of Mr. and Mrs. Roy Apple.

Mr. and Mrs. S. L. Williams, who recently received a telegram stating that their son was missing in action have our most earnest wish that they will receive better news, soon.

E. A. Thomas is in Lubbock General Hospital suffering with an infection in his face following the extraction of some teeth.

Pfc. Howard Davis who has been stationed in North Carolina is here on furlough.

Woodrow Stewart returned to his base in California, Monday.

Mrs. H. A. Roberts was honored with a surprise birthday supper last Thursday night.

Miss Louise Crabb spent the week end with Eulamae Laws.

Mr. and Mrs. M. L. Thomas had as guest Sunday afternoon Mr. and Mrs. G. W. Cochran, little daughter, Nancy Evelyn, Mr. and Mrs. John Cochran, Mrs. G. W. Cochran, Sr. all of Lubbock, and Mr. and Mrs. R. M. Thomas of this community. The Thomas' entertained with a fish fry.

J. H. Williams of Littlefield is here this week visiting his brother, W. A. S. Williams. The two went to Lamesa Wednesday to visit old-time friends there, returning to Tahoka Thursday.

NOTICE TO THE GASOLINE CUSTOMERS OF LYNN COUNTY

This is to again advise that the Gasoline Board meets each Wednesday. All applications must be filed at the Ration office for action of the board. This can be done by mail and save your tires, gas and much time for both yourself and any member of the gas panel, as members of the panel are giving their time each week for this purpose. No application can be approved by any member of the board except in extreme emergencies. Your cooperation in this matter will be appreciated.

A. L. DUNAGANS HAVE FAMILY REUNION

Mr. and Mrs. A. L. Dunagan have as their guests their daughters, Mrs. A. T. Kent of Madisonville and Mrs. Craig of Hill county. They came to be with Sgt. Deck Dunagan, their brother, who is here on furlough from up on the Alcan Highway in Canada, where he has been with an Army truck unit for about 16 months.

The Dunagans together with their visitors and their children and "in-laws," including Mr. and Mrs. J. W. Lowrey, Sgt. and Mrs. Deck Dunagan, Mr. and Mrs. Irvin Dunagan and daughter, left Tuesday for Carlbad, N. M., to visit other members of the Dunagan family there.

Accompanying Mrs. Kent from Madisonville was her little grandson, Rhene Shaffer, 3, who came to visit not only the Dunagans but also the Shaffers. His father, G. C. Shaffer Jr., was inducted into the Army a few months ago and the little fellow and his mother are living with her mother, Mrs. Kent, at Madisonville.

STILL LIKES TEXAS

A. D. Marshall, who was a resident of the Wells community in this county for many years, now employed in one of the war industries at San Diego, Calif., wrote in this week to renew his subscription to The News, and then appended this paragraph: "California is a wonderful state but nothing to compare to Texas and Lynn county. We shall be back in Lynn county to make our home at the close of the war."

Visitors Honored With Tea

Mrs. C. A. Thomas gave a tea Thursday afternoon from 4 to 6 o'clock honoring her daughter-in-law, Mrs. Skiles Thomas, and the latter's mother, Mrs. W. G. Lyons, who are here from Galveston visiting. Little Susan Skiles Thomas was also one of the honored guests.

DOES THIS SURPRISE YOU?
Under the above caption, The Southwestern Advocate, official organ of the Methodist Church in Texas, Oklahoma, and New Mexico, in a recent issue, contained the following statement:

"Volume two of the recent National Survey of Higher Education of Negroes indicates that in 1939 the Survey Commission found only 200 Negroes in eight northern universities and found 3,000 northern Negroes in southern Negro colleges. One thousand more northern Negroes were found in Negro colleges along the border between North and South."

What does all this indicate? It indicates one of two things: First, that as a rule, Negroes prefer to attend colleges for Negroes with members of their own race, in which case all this hullabaloo for admitting them into colleges for the Whites arises out of no general demand on the part of the Negroes themselves; or, second, that Negroes entering the colleges and universities of the North were not made to feel welcome by the white students, in which case it would indicate that Northern people in demanding that southern white colleges be opened to Negroes are prescribing a medicine which they are not willing to take themselves.

The fact of the business is that communistic labor organizations and many politicians of both parties in the North are stirring up certain Negro organizations to make

these demands because the communists' preach social equality and the promiscuous mingling of the races, while the politicians are merely playing politics and seeking votes among the colored population. There is no real reason why Negroes and Whites should attend the same schools, as a general rule, either North or South; and the Negroes of the South will be making no such demands if let alone by the politicians and the communists of the North.

In the meantime, the Negro public schools and colleges of the South should be continually improved so as to provide the Negroes with every educational opportunity which their needs and aspirations may demand.

In the meantime, also, these Northerners should be requested to attend to their own business.

Secretary of the Navy Frank Knox, who died last Friday, obviously had his limitations—as all men have—but he had his strong points too. It has been amazing to us that he and all the military leaders of this country were so completely hood-winked preceding the Jap attack on Pearl Harbor. They seem to have been in the dark as to the size of the Japanese war machine, and even the character of the Japanese people. Knox had written an article for one of the national magazines shortly before that attack, which was published shortly after it, making the claim that we had a two-ocean navy that could successfully meet any world power on any of the seas. Before that article appeared in print, a large portion of our Navy had been shattered and sunk by the Japanese at Pearl Harbor.

Be it said to the credit of Knox, however, that almost before the dawn of the Jap planes over Hawaii had died away, he was on his way to Honolulu. He had been thoroughly disillusioned. His eyes had been opened. He was determined to get all the important facts respecting that catastrophe as quickly as possible. Having gotten them, he acted promptly and never thereafter permitted his determination to weaken nor his ardor to cool in the task that had been thrust upon him, the task of building a Navy in the shortest possible time that would drive the Japs from the seas. As head of the Navy Department, he and those under him or associated with him were rapidly accomplishing that task when death suddenly came to him. It is a pity that he could not live to see the job finished.

SGT. RAY GRIDER WRITES FROM SOUTHWEST PACIFIC

Judge and Mrs. G. C. Grider recently received the following letter from their son, Sgt. Ray Grider, from Somewhere in the southwest Pacific:

Dear Dad, Mother and all: I am getting along all right. It sure is hot and not all from heat, but we are doing a good job. I have been in some pretty tight places but got out all right.

I have slept so long in a fox hole that I could not rest out of one. There was a lot of nights I never did close my eyes. I can get a little sleep now. When I get home I will have a lot to tell about. So don't worry about me. I will be OK. If I could I would tell you a lot of things, the fighting Fifth Cavalry. We'll get the job done. Tell every one hello for me and that we are making it hard for the yellow boys.

I am a long ways from Earl now I am in the best of health. Your loving son, RAY.

GIVE GREAT DINNER FOR AGED FATHER

Mr. and Mrs. T. C. Edwards and children served a great supper out at their home in the east part of Lynn county on Wednesday night of last week in honor of her aged father, Mr. T. M. Butts of Houston, her sister of Houston, and brother of Dallas, who had come to visit them.

Upon invitation, other relatives gathered in, and 24 were present for the supper. Eighty-eight years of age, Mr. Butts has 23 grandchildren and 39 great-grandchildren.

He came for a visit of several months with his daughter, Mrs. Edwards, and her family. The sister and the brother came for only a brief visit.

Of course the Edwards family are delighted to have her aged and honored father with them for the next several months.

ARMY AND NAVY OFFER EDUCATIONAL OPPORTUNITIES

Sgt. Rex Jackson, who was rear-ed at Draw, now stationed at Bryan, has written the youth of Lynn county, to reach them through The News, giving information as to educational opportunities offered them by the Army and the Navy of the United States. Jackson is a son of Mr. and Mrs. C. C. Jackson of Draw, graduated from Texas Tech in 1941, and was high school principal at Lorenzo before being inducted into the service in October, 1942.

His letter follows:
To the High School Boys of Lynn County:
Because you are boys of my home country and because it is the duty of an Army educational worker to help acquaint high school and college students with information concerning the Armed Forces' plan of continuing your education while serving in some branch of the service.

Many of you are now nearing military age and will soon be serving in some branch of the Armed Services. This is the privilege you have of helping preserve the American way of life, but in so doing, you are relinquishing that dream of securing a higher education or entering some type of trade.

However, after you enter the services, you will be given an opportunity to continue your education, whether it be high school, college, or vocational. The Army and Navy operate the world's largest educational institution, The U. S. Armed Forces Institute, which works in cooperation with 80 of the country's top-ranking colleges to offer you more than 700 high school and college credit courses by correspondence and the new self-teaching method. Upon completion of one of these courses, the credit is transferred to the school or college previously attended.

The 1944 high school graduate who plans to enter college after the war will find it highly advantageous to get off certain required subjects while in the Army or Navy, and the ambitious boy that lacks only a few high school credits can earn that high school diploma while in the Armed Forces. To show you that boys are continuing their education while even in actual combat, it has been reported that more than 1,500 boys while taking

part in the "rat" extermination on Guadalcanal were enrolled with the institute.

It is hoped that this letter has given you some idea of what you can accomplish on your own when you are in uniform, and if you feel that you would like to become a more efficient soldier or sailor, and a more intelligent civilian after the war, go to your Special Service Officer as soon as your Basic Training is completed and he will give you complete details.

Good luck to each of you wherever you may go.
Sgt. Rex Jackson, Educational Director, Bryan Field, Texas.

One Day's Activities of Tahoka Man's Infantry Company in Italy Described

By Pfc. Anthony S. Amoscatto
36th "Texas" Division

Special to The News:
With the Fifth Army, Italy—"Your mission is to infiltrate thru German lines, take up positions behind Hill 720 and eventually try to occupy the hill. But if the going is tough, come back." Captain James L. Minor, commanding an infantry company in the 36th "Texas" Division dismissed his patrol and went up to the observation post.

The first section of the patrol moved out quickly and silently. Through his field glasses Captain Minor followed them until they disappeared.

The second section of the patrol commanded by Second Lieutenant C. T. Askew of Oswego, New York left some time later, located the first section of the patrol, found it firmly entrenched and then continued toward their objective.

Pfc. Richard M. Swanson, Iron Mountain, Mich., first scout for the

patrol, approached to within 20 yards of a German outpost when he was challenged. Receiving no answer, the Kraut opened up with his machine gun, another German began tossing hand grenades. One of the grenades landed near Lt. Askew but did no damage. "A bullet got Swanson in the head and he fell to the ground," said Lt. Askew. "Pretty soon all hell seemed to break loose. Mortars, artillery, machine guns and small arms fire."

From his observation post, Capt. Minor saw and heard the firing directed at his patrol. He called for artillery fire and two machine guns located in caves on a terrace above and beyond the patrol were quickly silenced.

Lt. Askew called for the Browning automatic rifleman. In a flash Pvt. Robert Laughlin, West New York, New Jersey, runner for the unit, was away and back with Pfc. D. S. Ruiz, Rio Grande City, Texas. The Boche were now all alerted and bullets were zinging toward the 36th Infantry patrol in all directions.

Cool and collected, Pvt. Ruiz assumed a kneeling position and began spraying the entire area, neutralizing the enemy machine guns and small arms fire. "All at once," said Lt. Askew, "Ruiz stops firing, takes off his pack, picks up his B. A. R. and starts firing again."

Staff Sergeant Jack M. Anderson of Spartansburg, S. C., platoon leader, was busy firing his carbine trying to knock out a machine gun nest to his flank. He called for the anti-tank grenadier and Corporal George Merle, Muncie, Indiana, was already waiting for firing directions.

His first shot was right on the target, but it was a dud. The next five rounds were too wide. As Anderson gave his firing mission, Pvt. Swanson, who had been dazed by the bullet which struck his helmet stood up, pulled the pin out of a hand grenade and tossed it at the machine gun nest knocking it out and killing the crew.

While this was going on, Lt. Askew moved to the right flank noticed no enemy fire coming from that direction and sent his runner for the riflemen. By the time Pvt. Laughlin returned with the riflemen, the Boche had moved a number of men in that position with machine guns. The riflemen tried to storm the positions but before they were half way up, one was hit and the others pinned to the ground. They crawled back to Lt. Askew who decided that the Boche were too well entrenched. He gave orders to withdraw. Ruiz, Swanson and Lt. Askew formed a rear guard as the patrol moved back. Ruiz shouted for Swanson who was still unconscious. He crawled to him, placed an arm about him and ran back before Jerry knew what had taken place.

Capt. Minor realized that the patrol was meeting stiff resistance, so he called for more artillery fire, placing it to the rear and on Hill 720. Lt. Askew's platoon moved back and made contact with the first section of the patrol.

They waited for darkness and re-

Rev. and Mrs. H. B. Coggins of Anton, accompanied by J. W. Kellum of Southland, who has been visiting relatives in Anton, went to

turned to the command post. All had returned except the rifleman injured on the right flank. A medical patrol was sent to find the injured man but was unable to locate him.

The following morning Lt. Askew was notified that the wounded rifleman had been found at the bottom of the hill in front of the orderly tent. He had crawled back the entire distance. Swanson's injury to his head only proved to be a flesh wound. He is now back on duty.

Capt. Minor entered the action of the patrol in the unit journal: "Seven machine guns neutralized and very many enemy killed and wounded." All members of the patrol returned.

Capt. James L. Minor was reared at Tahoka. His wife is Marian Lee Minor, Post. They have a son, James Marshall, Jr. Overseas 11 months. Capt. Minor has served in North Africa and was among the first to set foot on the Italian mainland during the invasion. He is holder of the Silver Star for gallantry in action in Italy, and the Purple Heart.

Post Mail Carrier Dies Suddenly

Frank A. Gilley, mail carrier on Route No. 2 out of Post, died suddenly at his home at 10 o'clock last Sunday night, and funeral services were conducted Tuesday afternoon in the First Baptist Church of Post by Rev. A. C. Hardin, former pastor of the church, and Rev. R. C. Tennison, the present pastor. The body was laid to rest in Terrace Cemetery just east of town with Masonic honors.

Survivors include the wife, one daughter, two grandchildren, and other relatives. One brother, S. A. Gilley, is a rural mail carrier at Whitney. His mother also resides there. Mr. Gilley lacked only a few days of being 59 years of age. He was appointed carrier at Whitney in 1907, transferred to Southland in 1930, and the Southland route was later changed to run out of Post instead of Southland and Mr. Gilley was at the same time transferred to Post, his route serving a number of Lynn county patrons.

He had long been active in the Rural Letter Carriers Association of Texas. He served as president of the West Texas Association and also of the 19th congressional district association.

Mrs. Gilley has also been active in the Ladies Auxiliary of the T. R. L. C. A., having served as state treasurer of the organization.

Mr. Gilley was popular with the patrons of his route, his fellow carriers, and the people of Post. He also had a number of friends in Tahoka, who deeply regret his untimely death. W. E. Suddarth and H. L. Roddy and family and possibly others from here attended the funeral services. Four Tahoka carriers, George Reid, W. A. Reddell, A. O. Conley, and Roddy visited the Gilley home Monday night to offer their sympathy to the bereaved wife and daughter.

WELLS 4-H CLUB GIRLS SAVE FOR WAR BONDS

The Wells girls 4-H club met last Friday, at 10 o'clock, and Margie Ann Fleming and Sue Franklin led the club in singing. The boys were visitors.

Each club girl had saved money for stamps and bonds by placing a pattern and cutting out a simple garment for herself. Mrs. Joe McLaurin, sponsor, was present and assisted Miss Carolyn Dixon, home demonstration agent, with the instructions.

Those present were: Margie Ann Fleming, Mary Sue Franklin, Sarah Nelms, Mozelle Bayton, Ima Jo Ledbetter, Joyce Weatherby, Christine Houston, Wilma Dean Gage, Helen Lankford.

SGT. DECK DUNAGAN HERE

Sgt. Deck Dunagan arrived home last week end after spending about 16 months up on the Alcan Highway through Canada to Alaska. For the first few months on the highway, Deck drove an Army truck, but more recently has had an office job. He will report back to El Paso May 20 for a new assignment. He says the scenery in Northwestern Canada is beautiful, but that it is not as pretty to him as the West Texas Plains.

Aubrey Thomas of Grassland has been in the Lubbock General Hospital since Saturday suffering intensely at times from an infection following the extraction of a couple of teeth on the preceding Tuesday. His jaw, which was badly inflamed, had to be lanced on Wednesday of this week, and it is hoped that the infection will speedily disappear.

Why a Farmer Should Buy and Keep War Bonds

by Gabriel Lundy
Head, Dept. of Agricultural Economics
South Dakota State College

PATRIOTISM, willingness to combat harmful inflation, and a desire to build up a reserve of post-war buying power will impel the farmer to buy and keep War Bonds.

Farmer loyalty will express itself not only in maximum production of necessary food and fiber for the winning of the war. Farmer loyalty will also express itself in the equally necessary and patriotic duty to invest cash with which the government can purchase both food and war equipment. Fortunately farmers are receiving higher prices and larger incomes. This has enabled many of them to reduce old debts to manageable amounts or to acquire surplus cash for Bond purchases. A sense of responsibility toward the need of the nation for funds with which to carry on the war will urge farmers to purchase War Bonds to the limit of their resources.

Both direct self-interest and patriotism dictate the purchase of Bonds as a means to prevent inflation. During all our large wars we have had high war prices followed by very low prices and depression some years later. During World War I many farmers and others unwisely used the enlarged income to bid up the prices of farm land. As a result the farm mortgage debt was more than doubled. Then when post-war prices dropped, very few farmers became unable to pay, and lost their farms through foreclosure. A repetition of this calamity can be avoided by investing in War Bonds instead of buying land at inflated prices and on credit.

The danger of inflation, however, is not limited to land. It is also important not to bid up the prices of other things. Price inflation and price collapse in every line are harmful. Such harm can be avoided by diverting surplus funds away from the markets for scarce commodities and into War Bonds. Financing the war by means of heavier taxes would be more anti-inflationary, but since Congress has decided in favor of Bonds it is our duty and privilege to invest in War Bonds.

Good farm management and self-interest as well as patriotism will urge the farmer to buy and keep War Bonds. If prices fall

after this war as they did after our other large wars, the farmer with a reserve in Bonds will be in an ideal economic position. Farm buildings and machinery are wearing out faster during the present war period than during normal times due to difficulties in obtaining needed material and labor for repairs and replacements. Farmers should now be putting money in Bonds to cover these costs. About 10 percent of the total machinery investment and about 4 percent of the total farm building investment should be saved each year to cover wear and depreciation. With lower prices, farm equipment, new buildings and new furniture and household equipment will be at the farmer's disposal for less money after the War than now.

Furthermore, if he holds his Bonds until maturity, his money will be increased by one-fourth. With lower money and lower prices, the Bond-investing farmer will then have cash to make his farm work easier and more productive. His money will also yield him more in home comforts, education for his children or in the purchase of a farm for the son.

The danger of war-induced inflation does not end with the actual fighting. Post-war inflation is fully as threatening. Large-scale conversion of Bonds into cash for the purchase of articles, commodities, etc., before industry has had time to convert fully to peacetime production, will be undesirable. By holding his Bonds longer, the farmer or other Bond-holder will contribute to the elimination of both a wild "boom" and a subsequent depression.

Agriculture and industry are intimately interrelated and interdependent. The government is now industry's big customer. After the war, farmers will be big buyers of industrial products. If the accumulated purchasing power is released gradually, and if income is widely distributed, industry can furnish full and continuous employment. In turn this will give farmers a profitable market for their products. Thus, both patriotism and far-sighted self-interest will induce farmers and others to buy and keep War Bonds until after peace is achieved.

PFC. WILLE B. HAMMONDS AND WIFE VISIT HERE

Pfc. Willie B. Hammonds and wife left Monday for Tallahassee, after spending his 21-day furlough here with his parents, Mr. and Mrs. W. E. Hammonds of Tahoka, and her parents, Mr. and Mrs. Tillman Brooks of Garnolia community.

Pfc. Hammonds, who has seen 11 months of overseas duty, is now stationed at Dale Mabry Field at Tallahassee.

Norwoods Have Visitors

Mr. and Mrs. Samie Norwood and children of Redwine had as their guests Sunday Mr. and Mrs. R. T. Parramore Sr., Mr. and Mrs. R. T. Parramore Jr., another son Davie Lee Parramore, and a daughter, Traphene, all of Dallas, and Pvt. LeRoy Parramore, who is at the Lubbock Army Air Field. The Dallas relatives had come out to visit LeRoy at Lubbock and the entire family spent Sunday with the Norwoods, Mrs. Parramore Sr. and Mrs. Norwood being sisters.

Mr. and Mrs. E. W. Shawn, accompanied by Mrs. Jess Gurley, were in Electra Sunday, where they visited with Pvt. Wayne Shawn and Jess Gurley who are in training at Sheppard Field. Jess was just out of the hospital, having had the flu.

R. C. "Grandpa" Scott, 81, who has been so seriously sick of Bright's disease and pneumonia at his residence in south Tahoka, has greatly improved the past few days and is now able to sit up in his bed. For two or three weeks no hope was held for his recovery.

Mrs. W. C. Mathis Jr. and sons are here from Carlsbad, N. M., visiting her parents, Mr. and Mrs. G. R. Milliken.

MYRNA DEAN GAIGNAT IS HONORED AT BRIARCLIFF

Briarcliff Manor, New York, May 1.—At the traditional May Day festivities at Briarcliff Junior College, Miss Myrna Gagnat, daughter of Mr. and Mrs. Dean Williams Gagnat of Tahoka, had the honor of being named president of the Drama Club for the coming year. Miss Gagnat has been a prominent member of the Drama group this year and has taken part in several productions. She is also a member of the Briarcliff Junior College Chorus which recently broadcast an afternoon program over Station WQXR in New York City, and is assistant editor of The Sign Post, the students' monthly publication.

Before entering Briarcliff last September Miss Gagnat attended Chevy Chase Junior College in Washington, D. C.

H. J. KING MOVES TO TOLAR, NEW MEXICO

After having resided in the Dixie community for 18 years, H. J. King and family left Thursday for Tolar, New Mexico, where they will make their home. Tolar is situated about 75 miles west of Clovis, and Mr. King's home will be in an irrigated farming belt near there.

Mr. King recently sold two farms in this county, the 300-acre farm on which he lived and an 80-acre tract about four miles north of Tahoka, and a farm over in Terry

county, and bought the tract of 1040 acres near Tolar upon which he is moving. Of course he got a nice price for his Texas property and he thinks he got the Tolar land cheap enough. But he will be welcomed back to Lynn county when he decides to come back.

Mrs. Birdie Smith of Roswell, New Mexico, who is doing the preaching in revival services in progress at the Assembly of God Church here.

REVIVAL SERVICES AT THE ASSEMBLY OF GOD CHURCH

Revival services are now in progress at the Assembly of God church and will continue indefinitely, according to Rev. Leon Quillin, the pastor.

Mrs. Birdie Smith of Roswell, New Mexico, is the evangelist, and she is "preaching the word of God without fear or favor of men," the pastor declares.

The services begin each evening at 8:30 o'clock.

METHODIST CHURCH

The past two Sundays the pastor was not present at the services. But the finest reports have come to him about the services conducted by Rev. Ben Hardy and the young people. We felt that the church was in safe hands when we took a few days off from our church work. For these were the first within 21 months that the pastor has had. We feel refreshed and somewhat rested.

Services Sunday as usual, except at evening there will be no preaching at the church on account of the baccalaureate services at the school building. We shall attend that service.

The Leagues and the Youth Fellowship will meet at 7:30 p. m. Sunday. Prayer meeting Wednesday night at 8:30 o'clock.

Let's make Sunday morning services worth-while by being present and in a worshipful attitude. You

They are making their home here. He works at the compress.

Pat Johnson and Forest Jones, prominent citizens of Snyder, accompanied by their wives, were here Tuesday looking for some good investments. Being long-time friends of the editor, the two men dropped into The News office for a brief chat.

L. T. HOMAN EDWARDS AND BRIDE VISIT IN TAHOKA

Lt. Homan Edwards and his bride of a few days left Tuesday noon for his new station at Baton Rouge, La., after a few days visit here with his parents, Mr. and Mrs. Marcus Edwards, and other relatives.

Lt. Edwards was married to Miss Wanda Fox of Butte, Montana, in Galveston at 6 p. m. last Thursday, April 27, and immediately following the ceremony the couple left on the Tahoka visit.

Mrs. Edwards is the daughter of John Fox of Butte, Mont., and Mrs. E. M. Fox of Galveston. She and Homan met at Albuquerque, New Mexico, while she was working there in the First National Bank and he was in training at the Albuquerque Army Air Field. She is a graduate of Butte High School and attended the University of Montana at Missoula.

Lt. Edwards was born and reared in Tahoka. He served a "hitch" in the Army 1935 to 1938, and re-enlisted November 1, 1939. Part of his service was in the Philippines, but he was in the States when the Islands were invaded. In

1942, he was accepted for pilot training in the Army Air Corps, and received his wings and commission May 20, 1943. He has just recently been transferred from Gardener Field, Calif., to Baton Rouge.

Mr. and Mrs. Belton Howell and Mr. and Mrs. Oran Short visited relatives in Brownfield Sunday.

To Our Friends and Customers

The Southwestern Public Service Company has been furnishing Tahoka with electric and ice service since the fall of 1942, having acquired the electric and ice system at that time, and in order to better acquaint our friends and customers with the Company and its operating policies, we are instituting a series of statements to be published in the form of advertisements once each week for the next few weeks.

The Southwestern Public Service Company was organized in New Mexico in 1925 and, before acquiring the electric and ice facilities in Tahoka, and in neighboring cities and towns, it served principally the Central Panhandle of Texas and the Pecos Valley area of New Mexico.

Soon after its organization, the Company established a general policy of operation which has been continued through the ensuing years.

This policy consists principally of the following:

- (1) *The best possible service to the public with friendly and courteous handling of our customers' dealings with us.*
- (2) *The fair treatment of our employees, supplemented by a continuous program of training them in an eager willingness to serve the public and in good citizenship in their communities.*
- (3) *A program of voluntary reduction in our rates to the public made periodically as business conditions permit.*

As a result of the repeated rate reductions made during the period of our operations from 1925 until the outbreak of the war, the average rate per kilowatt hour for all lighting and power sold by the Company, in the original territory served, was reduced to less than one-third of what it was in the beginning. These reductions in rates were accompanied by large increases in electric plant and line investment to provide adequate service at all times.

This is the program of service to the public which we bring to the people of Tahoka. Although we are handicapped along with all others by war conditions, it is our purpose to put our operating policy in full effect in the years of peace ahead. These matters will be amplified in later statements, and additional information will be presented to you, in order that you might become better acquainted with the Company and the service which it renders.

Interest continues to be very good with the church in Tahoka. Many things are being done and are planned to be done in the future by the churches of Lynn county. The leaders of these congregations are to be commended for their zeal and vision.

The verse of Scripture for discussion is found in II Cor. 5:17: "Wherefore if any man is in Christ, he is a new creature: the old things are passed away; behold, they are become new."

First, we will note that there is a condition expressed. "IF" "IF" any man is in Christ there is a changed state; there is a new in-

stead of an old state. The individual is a new creature; not the same. A new creature means a new life. The question now is: When do we get into Christ, or when does the new life begin? Turn to and study Rom. 6:3-4. In this passage you will learn that we are baptized "into" Christ Jesus. We are buried with him and raised with him, so we might walk in newness of life. Paul is the writer here and he uses the personal pronoun "we." Turn to and study Acts 22:16. It tells you that the preacher told Paul "to arise and be baptized and wash away thy sins, calling on the name of the Lord." The lesson is plain and simple—everyone that believes, Mk. 16:16, and repents, Lk. 13:13, Acts 2:38, and is baptized, Mk. 16:16, Acts 2:38, 22:16, is saved or has remission of sins; they are in Christ and new creatures. Some say they do not believe the things just stated. Disbelieving a truth affects you, not the truth, my friend. May we all study to know what saith the Lord.

A welcome awaits you at the Church of Christ.
