

**Leroy Saul Is Candidate For State Senator**

**LEROY SAUL**  
Leroy Saul, Kress, has announced his candidacy for the State Senate from the 30th Senatorial District.

The district includes Bailey, Farmer, Deaf Smith, Lamb, Castro, Motley, Hall, Donley, Collingsworth, Childress, Armstrong, Swisher, Hale, Briscoe and Floyd Counties.

Saul, who has lived in Swisher and Hale counties for the past 33 years, was a classroom teacher and administrator in the Runningwater, Prairiewood, Petersburg and Kress schools for ten years. After moving to Kress 12 years ago, he was a farmer, publisher of the Kress News and now owns a cleaning establishment there.

Saul was first elected to the House of Representatives from the 80th Legislative District in 1952, and has served six years, being elected twice without an opponent. Saul is a lifelong undeviating democrat.

During his six years in Austin, Saul served as vice-chairman of the Water Resources Committee, was one of two Texans appointed to serve on the Southern Regional Conference of the Council of State Governments special committee on water policy and was chairman of the Inauguration committee for the state governor in 1957.

**On Many Committees**  
He was also chairman of the House Temporary Rules Committee, which adopted the Code of Ethics for the House in 1957. He was chairman of three of the temporary committees appointed by the Speaker in 1957. He also served on the following permanent committees since his first election in 1952: chairman, Conservation and Reclamation; vice-chairman, Rules; vice-chairman, Labor; member, agriculture; member, State Affairs; member, Appropriations; member, Transportation; member, Elections; and member, Highways and Roads.

Saul said his platform will be:  
1. Ground water belongs to the owner of the land and therefore must be kept free of state or federal control.

2. Those who have not kept faith with the public must be removed from positions of trust and responsibility.

3. The same economy that the intelligent farmer and businessman uses in running his affairs can and must be extended to State government.

4. Local self-government is our tried and proven way of life. Any further trends toward further centralization in state and federal must be ploughed under.

5. An education second to none for every child.

"I've tried to make you a good hand as Representative, and now I'm asking you for a promotion," Saul said. "I'm running on my record, not promises for the future. I urge you to check my record in detail and then decide for yourselves whether you want to promote me to the senate."

ON WEST SIDE OF SQUARE. . .

**Production Credit Ass'n. Building New Office For Muleshoe Branch**

Construction has started on a new building for the Muleshoe office of Plainview Production Credit.

The building, to be 25 feet by 72 feet in dimensions will go up on Lot 8, block 23, Original Town. Contract was awarded to Raymond Jamison on his low bid of \$22,438, when sealed bids were opened June 1. He has 90 days from that date to complete the building.

Wilbur LeVeque, local manager for the PCA, said the building will set back a few feet from the sidewalk. It will have a Roman brick front and walls will be of concrete tile. The building will face east on the west side of the square, its north wall being about 60 feet south of Old Fellows hall.

Completely new furniture and office equipment will be installed in the building. Mr. LeVeque told The Journal. The building will have a large lobby, and meeting place, two private offices, large bookkeeping area, rest rooms, and kitchen facilities. It will be centrally heated and cooled. The ceiling will be covered with acoustical tile.

The local PCA office is now located two lots north and PCA has contracted to sell their present property to J. M. Forbes of The Journal.

Officers pursued Monday after trying several hours to locate a funnel reported on the Lubbock weather bureau radar screens near Stegall.

The Maple-Goodland area received from 4 to one inch of moisture from the cloud, and scattered showers were reported from Muleshoe to the south county line.

No confirmation of the funnel was made by the officers.

**THURSDAY STORM DAMAGES MULESHOE AIRPORT**

AND FOUR PLANES. This Journal photo, made early Friday morning, show some of the damage at Muleshoe airport from heavy winds the night before. Four planes were severely damaged.

AIRPORT, HIGHLINES HARD HIT . . .

**Two Small Twisters Cause \$20,000 Damage In Muleshoe Thursday Nite**

Two small twisters dipped down on the north side of Muleshoe about 10 p.m. Thursday, causing an estimated \$20,000 property damage, but no injuries. The small tornadoes destroyed a 100 x 100 foot hanger at Muleshoe airport, and almost totally destroyed four airplanes. Damage was estimated at almost \$15,000. In addition, the storm ripped out ten of Southwestern Public Service Company's high voltage lines over a quarter mile stretch in northwest Muleshoe, causing a power failure in the section of 13th street which crews were still working on Friday.

Trees, tree limbs, small out-buildings, and TV antennas suffered the most damage in other places in town. Highway department personnel were forced to bulldoze a stretch of high 84 feet, where trees had blown across the road.

One small residence in the northwest part of town was shifted on its foundation and a hen-house overturned, but no one was injured.

Robert Knight of Muleshoe Flying Service, told The Journal he was in the airport office, writing a letter when the storm struck. The wind velocity meter in the office, about 50 feet from the hanger, registered only 45 mph.

The lights went out, Knight said, and in the flashing of the almost continual lightning which accompanied the driving rain he saw the hanger go by the office building, and noticed the overturned planes.

Light planes belonging to C. W. Sanders, Earl Ladd, Jr., and Dr. C. W. James of Littlefield, suffered severe damage as did one plane belonging to the flying service.

Ten crop dusting planes in a nearby hanger were untouched, as was the main hanger building.

One of the breaks of the high wind, was that a strip of corrugated metal pierced the propeller of one plane, and remained imbedded there, half sticking out on either side.

Knight said the hanger which blew for about 100 feet, had previously withstood winds of 80 mph velocity.

Parts of the hanger were scattered over a half mile distance from the spot where the roof structure landed. A heavy one-way plow was overturned, while three empty five gallon cans a yard away, remained upright and untouched.

Ten high line poles of WSPS Co. were tilted like jackstraws, and one pole was snapped off at the base, from the force of the second twister tearing from the airport storm damage site.

Jim White, local repairman for WSPS Co., immediately began

what was to be a 16-hour uninterrupted stretch of work putting service lines back into operation. Four crews of linemen, two from Clovis and Littlefield each, also reported on the job shortly after the storm ceased.

An official .65 of an inch of moisture was recorded from the 10 p.m. storm and from a previous thunderstorm which hit about 7 p.m. West Camp area received high winds and 1.10 inch of rain and some light hail. No crop damage was reported in that area, although a well house on the Buddy Meyers farm was overturned by high winds.

An estimated 5,000 acres of young cotton was severely damaged in an area north of Muleshoe, with an estimated additional 1,000 acres which will have to be replanted.

Hardest hit was the A. E. Erickson place farmed by J. G. Arnn, where cotton was shredded by the hail. The Carl Bamert place also sustained some severe damage from hail and heavy rains, accompanied by high winds.

Brilliant and spectacular lightning effects accompanied the winds which blew driving sheets of rain and a sprinkling of small hail across the "twister."

No personal injuries and no accidents were reported either during or because of the storm.

**Postal Rates To Go Up, Box Rent To Go Down**

Although you'll be paying four cents to mail a letter out of town after August 1, there is some consolation for postoffice patrons, after all, in the new change in postal rates due at that time.

Although no official word has been received here it is known that the four cent rate is due to go into effect on that date.

However, effective July 1, postoffice box rents will decrease somewhat, to offset the advance in stamp costs.

Postal officials said this week that on July 1 postoffice boxes renting for \$1.10 will be cut to 90 cents; and boxes now renting for \$1.50, will go down to \$1.10. \$2.25 boxes will remain the same, for rental, while \$3.00 boxes will drop to \$2.25.

The decrease in box rent is said to equalize other services with the value of box service to postal patrons.

**Two Littlefield Men Arrested With Quantity Liquor**

Two Littlefield Negroes were arrested at 3:15 a.m. Saturday by Sheriff Dee Clements and deputy Joe Hodges. The two men were charged with possession of liquor for purpose of sale, after officers found the following in their car:

Five cases of beer in quarts, 3 1/2 cases of wine; a case of whiskey and a quantity of vodka.

They were brought before Judge Glen Williams Saturday morning, who set their bond at \$2,000.

Charged were Alton Thornton and James Hill.

Willis continued by explaining that there is little farm work going on right now at present, requiring extra hands. Most farmers are sticking to the tractors right now, but some hoeing is expected to begin after farmers get over their fields the first time.

Most weeds are showing in vegetable fields, the labor official said, with most cotton being cleaner than usual.

Willis said he welcomes inquiries from farmers needing hands, as he has a good supply available.

**Five Injured In Two Car Collision On FM 1760 West of Muleshoe Monday**

Five persons received injuries in a two car collision at the intersection of FM road 1760 and the county road 11 miles west of Muleshoe at 6:20 a.m. Monday.

Officers reported the accident happened when a Ford sedan, driven by Wendell Akers of Muleshoe, collided with a Chevrolet driven by Ernest W. Gray, of Rt. 2, at the intersection of the county roads.

The Akers car was damaged an estimated \$350 worth, while

**COTTON DAMAGED BY HAIL**

THURSDAY NIGHT, as part of the storm which hit Muleshoe, this field of young cotton on the A. X. Erickson place, farmed by J. G. Arnn, sustained severe hail damage. County agent J. K. Adams reported that all stalks still bearing a bud would probably survive and make a cotton plant.

**Labor Supply Plentiful Now Reports TEC**

The farm labor picture in the Muleshoe area has changed drastically within the past five days, with a previous acute shortage of labor, now reported as a surplus, with but few exceptions.

Horace Edwards, chairman of the committee, and other members have announced they are in the planning phase of a program to build a labor housing unit for permanent agricultural workers and their families in Muleshoe.

Early discussions have centered around a project to be built of either steel or cement block, containing 50 units, each to house a single family, with community sanitary facilities.

Next phase of the project is to secure financing and to explore the most economical means of construction.

**Lions Club Installation Banquet To Be Wednesday Night At Leigons Cafe**

Wilbur LeVeque will be installed as boss of the Muleshoe Lions Club at a special installation ceremony and ladies night banquet to be held Tuesday evening at 8 at Leigon's Dining Room.

Rev. Edwin Hall, pastor of Muleshoe Methodist Church, will be the principal speaker on the program, and W. D. Moore will install the new officers.

Other officers to be installed include Owen Jones, first vice-president; Truman Lindsey, second vice-president; J. E. McVicker,

**Chamber Committee In Planning Phase For Construction of Labor Camp Here**

The planning stage has been reached by a committee of the Muleshoe Chamber of Commerce for the possible construction in the near future of a 50-family labor camp housing project in Muleshoe.

Ernest Kerr, president; M. D. Gunstream, treasurer; J. E. McVicker, secretary; Herbert Griffiths, tail twister.

There will be no Wednesday noon meeting of the club next week.

**Truck Loaded With Cattle Overturns At Sudan Monday**

A truck loaded with cattle, belonging to the H. M. Gable Cattle Co., overturned about four miles west of Sudan, early Monday morning, officers here reported.

The driver, whom police did not identify, was not injured, but a number of the cattle were trampled when the truck overturned.

**W. E. 'Bill' Boothe Funeral Services Held Wednesday**

Funeral services were conducted Wednesday morning for Will Elwood "Bill" Boothe, age 50, Mr. Boothe died June 16 at 2:30 p.m. in West Plains Hospital of a heart attack. He had been in poor health prior to his death.

Bill Boothe was a resident of Muleshoe for 23 years, and at the time of his passing, was an accountant. He had served about 12 years as chief for the Muleshoe fire department, and was a deputy sheriff for eight years, working in the tax office, which was at that time connected with the sheriff's office. He was a native of Jones county, and received his degree from Hardin - Simmons University.

Funeral services were conducted from the First Baptist church here, with Rev. E. K. Shepherd officiating, assisted by Rev. J. E. Moore. Interment, under direction of Singleton Funeral Home was in Bailey County Memorial Park.

Surviving are his wife, Opal Boothe, a daughter, LaNelle, both of the home; his parents, Mr. and Mrs. C. W. Boothe of Amarillo; five brothers, C. A. of Dimmitt, James of Stephenville, N. T. of Dimmitt, Don of Hollis, Okla., and Lon of Dimmitt; and one sister, Mrs. Dent Bradley of Dimmitt.

Active pollbearers were M. C. Burke, Carroll Goss, Norman Bays, Dr. A. E. Lewis, Myron Pool and Ernest Kerr. Honorary pollbearers were the following members of the fire department:

Guy Kendall, Houston Hart, Earl Ladd, Ira Robinson, J. W. Holmes, L. I. St. Clair, C. O. Jones, Alex Williams, Roy Bayless, Wayland Harris, Charles Aisp, James Leigon, Duane Lloyd, Roy Wrinkler, Doc Rogers, B. Z. Beaty, Buddy Howard, Arnold Alcorn, and Woody Lambert. Also the following friends: Dr. L. T. Green, Ray Griffiths, Roy Jordan, W. T. Bovell, Hugh Freeman and Gil Wollard.

Officers issued a stern warning to motorists that prompt action will be taken against any motorist who does not pull off the road and park when sirens are heard on any vehicle. Police say any official vehicle, including fire truck, ambulance, or officers cars, have right of way in case of emergency, and motorists must yield in the interest of their own safety, as well as in the interest of prompt action by police, firemen and ambulance drivers in times of emergency.

Two near tragedies were narrowly averted Monday morning when motorists failed to yield to the ambulance and police cars trying to reach the Akers-Gray accident on FM 1760.

City and county officers reported several vehicles failed to yield right of way to the sirens of the official cars, and two near-accidents were averted only by the skillful driving and quick thinking of police and ambulance drivers.

Editor's Note: This is the first in a series of articles which Mr. Kirk will prepare for publication, based on problems facing the school board and administrative staff in the months ahead.)

**South County Gets Benefit Of Rains Past Few Days**

Rains of the last few days covered more of the south part of the county than stay-at-home city folks realize it appears. Baker Johnson, who lives south of Stegall, said he had more than an inch of rain early Sunday morning, another inch of slow falling rain Monday evening.

Wilson Witherspoon, 2 miles west and 2 north of Needmore had 1.10 inches Monday evening, which took 50 minutes to fall. It was "just exactly right", Wilson told The Journal man. Neal Warren in that area received a good rain. Jack Schuster's place got about a 2 inch drenching; and the Bert Mathis' had better than an inch.

**Trustees Seek Additional Funds For Increased Scholastic Program Here**

Warning that increased emphasis on science, math, driver education, music and physical education, such as suggested by the recent Hale-Alkin committee will mean increased financial demands, Jerry Kirk, superintendent of Muleshoe schools this week issued a statement bearing

out this natural progression of increased cost following increased school programs.

Kirk said, "As many of you know, the Hale-Alkin Committee spent several months studying the educational program of all the schools in the state of Texas. As a result of this study it was suggested that more stress be put on several phases of the school program, including math, science, driver education, public school music and physical education, and that there could be improvement in all phases of the program."

"We all realize that when there is an increased demand for a better educational program, there will be an increase in the expense of maintaining such a program. Also, that there is going to be an increase in expense in the maintenance and operation of the additional school buildings which we have in Muleshoe."

"Therefore, the Board of Education met in special session recently to discuss ways and means of raising more money to finance the expanded program. Several ways of raising money were discussed, but no definite conclusions were reached at this meeting."

**Failure To Yield To Emergency Cars Subject To Charges**

Two near tragedies were narrowly averted Monday morning when motorists failed to yield to the ambulance and police cars trying to reach the Akers-Gray accident on FM 1760.

City and county officers reported several vehicles failed to yield right of way to the sirens of the official cars, and two near-accidents were averted only by the skillful driving and quick thinking of police and ambulance drivers.

Officers issued a stern warning to motorists that prompt action will be taken against any motorist who does not pull off the road and park when sirens are heard on any vehicle. Police say any official vehicle, including fire truck, ambulance, or officers cars, have right of way in case of emergency, and motorists must yield in the interest of their own safety, as well as in the interest of prompt action by police, firemen and ambulance drivers in times of emergency.

## Methodist Women's Officers Meet Wednesday For Training Session

Muleshoe WSCS and Wesleyan Service Guild members were hostesses to an Officers' Training Day for the officers of all WSCS and WSG groups in this sub-district. The meeting opened at 9:30 in the Fellowship Hall yesterday with a hymn, "Break Thou The Bread of Life", led by Mrs. Cecil Buhman and a prayer by Mrs. Dean Bishop.

After preliminary instructions and announcements the women broke into buzz groups according to offices. Groups and the leaders of each were as follows: president, Mrs. C. C. Christian; vice-president, Mrs. Sam Billingsley; secretary, Mrs. H. L. Ivy; publicity, Mrs. H. L. Ivy; treasurer, Mrs. Arnold Morris; secretary of promotion, Mrs. Billy Suddeth; missionary education, Mrs. J. L. Hibson;

## Mrs. Edens Chosen Head Wife's Assn.

Mrs. Davis Edens of Bovina, was elected president of the Minister's Wives Association at the planning session of the ministers of the Plainview District last Friday. The ministers and their families from this district met in Plainview to set up the plans for this year's activities.

Mrs. Edwin Hall of Muleshoe is the outgoing president of the Wives Ass'n.

Those from the Muleshoe area at the picnic and planning session were Rev. and Mrs. Bernard Seay of Lazbuddie; Rev. and Mrs. C. A. Norcross, Progress; Rev. and Mrs. Roscoe Trostle, YL with their daughters, Mary Dee and Sue Beth; Rev. and Mrs. Edna Tiedel of Sudan; Rev. and Mrs. Davis Edens, of Bovina, and Rev. and Mrs. Edwin Hall of Muleshoe, with Donna and Jan.

## Thomson, Gardner Installed As Methodist YF Presidents Sunday

Tommy Thomson and Don Gardner were installed as presidents of the Senior and Intermediate Methodist Youth Fellowships respectively Sunday night before the congregation of the First Methodist Church.

The recently elected officers for the coming year were reminded of their responsibilities in leading the youth of the church in the traditional installation ceremony and the members of the Fellowships were reminded of their responsibility to be good followers.

Youth director, Paul Sackett, in the capacity of installing officer, officially put the following into office: Senior MYF: president, Tommy Thomson; vice-president, Nell Moore; secretary-treasurer, Sandra Howard; publicity, Mag-

## Willing Workers Miss Storm Thurs.

Members of the Willing Workers Class of the Methodist Church narrowly missed being caught in the church during the storm last Thursday night.

Approximately 20 couples and their families had just left the Fellowship Hall where they had an ice cream social, when the rain came. Most of the class got home before the electricity went off, but a few were delayed by attractive cellars.

The group played ping-pong, dominoes, and visited after being served ice cream and cake.

## Visit From Pensacola

Mr. and Mrs. J. F. Smith of Pensacola, Fla., and formerly of Muleshoe visited last week with Mr. and Mrs. Clyde Bray while enroute to Carlsbad, N. M. On their return they will spend a few days with Mr. and Mrs. Dan Bray of Lubbock.

## Visits Parents

Max Gardner, son of Mr. and Mrs. A. J. Gardner, spent last week with his parents. Gardner is employed by the Traveler's Insurance Co., in Dallas.

**PIERSONS VISIT**  
Mr. and Mrs. Billy Pierson and Billy and Teresa Elizabeth, of Lubbock, spent last weekend with his parents, Mr. and Mrs. F. B. Pierson.

**TO ATTEND ART COURSE**  
Mrs. A. J. Lenderson will leave this weekend for Cloudcroft, N. M., where she will spend a month studying art with Don Pierce, a watercolorist from New York, and Walter Froman, a portrait specialist from Dallas. Jeanelle McGuire will accompany Mrs. Lenderson to Cloudcroft to spend a week at twirling school.

## Mrs. Moeller Hostess To Club

Mrs. Anna Moeller was hostess to the Half Century Club Thursday, June 12 for their regular bi-monthly meeting.

Betty Ruth Swint served luncheon to Mrs. Beulah Carles, Mrs. Maude Jones, Mrs. Lula Kistler,

## Mrs. Tille Martin, Mrs. Pearl Moore, Mrs. Hazel Farrell, Mrs. Hertha Walker, Mrs. Myrtle Harper, Mrs. Mary Young, Mrs. Mattie Duke, Mrs. Jennie Pantier and the hostess, Mrs. Moeller.

The group played cards and visited.

The next meeting will be on June 26 at the home of Irma Ray with Mrs. Mattie Duke serving as hostess.

## Progress HD Club To Host West Camp

A demonstration on "Living Room Furniture Arrangement" given by County Home Demonstration Agent, Mrs. Harriett Jackson, was the program for the West Camp HD Club meeting June 11.

Mrs. Ethel Harding, the hostess, gave the opening exercise. Members answered roll call by naming their preference in television programs.

The meeting scheduled for June 25 will be canceled as the Progress Club and the West Camp Club will meet jointly on June 26, with Mrs. Wells, who will give a demonstration on games.

Present at the June 11 meeting were, Misses Wilma Austin, Naomi Austin, Louise Roark, Mae Bushie, Wanda Walker, Alta Hughes, Katie Robertson, Ethel Harding, Betty Flowers, Harriett Jackson, and Juanita Schengel, a visitor.

## Miss Agnes LaFerne Long Is Wed On Father's Day To Mr. Smith In Home

On Father's Day in the home of her parents, Miss Agnes LaFerne Long became the bride of Donald Ray Smith, son of Mr. and Mrs. C. K. Smith of Lazbuddie. The Rev. J. E. Moore, pastor of the Trinity Baptist Church, officiated the double-ring ceremony.

The former Miss Long, given in marriage by her father, Homer Long, chose for her wedding ensemble, a white linen sheath with a sweetheart neckline and matching bolero with three-quarter length sleeves. Her flowers were white feathered carnations and pink rosebuds.

Mrs. Bob Smith, of Canyon, was matron of honor. She wore a turquoise linen suit, and carried pink feathered carnations.

Bob Smith, of Canyon, brother of the bridegroom, served as best man.

A reception at the bride's home followed. The bride's table was laid with pink linen under lace and a traditional wedding cake. The houseparty included Mrs. June Spittler, Mrs. Norma Gamble, Gracie Smith, and Mrs. Jo Spivey, all sisters of the groom.

Mr. and Mrs. Henry Allmand, grandparents of the bride, of Melrose, N. M., were present for the ceremony. Other guests were present from Canyon, Lazbuddie, Amarillo, West Camp, and Muleshoe.

After a wedding trip to Oklahoma, the couple is at home in Muleshoe, where Smith is employed by Western Fertilizer Co. Mrs. Smith is a 1958 graduate of Muleshoe schools. The groom attended Lazbuddie schools.

## Circle To Install Officers Tonight

The Philothea Circle of the Methodist WSCS will install new officers tonight at Mrs. Harold Allison's home at 8:00. All members and officers are urged to be there.

## WSCS Finishes Meeting Sunday

The Women's Society of Christian Service finished their study in the book, "A Voice In Every Place" Tuesday in their regular meeting in the Youth Chapel of the First Methodist Church.

Mrs. Dean Bishop led the study. Next week the entire book will be reviewed as a summary to the study.

## Majorettes To Go To Twirling Camp

The drum majorettes for the Muleshoe High School Band for next year will leave Sunday for Cloudcroft, N. M., where they will attend a week long twirling school.

Laquanna Stone, Sue Logan, Pat Barrett, Rosemary Richards, Doris Ann Gilbreath, and Janelle McGuire, all twirlers for next school term, will be instructed in such classes as: fire baton, two baton twirling, dance baton and others. The instructors for the camp are Miss Barbara Plaskett of El Paso, Miss Benni Dunn of Lubbock, and a guest instructor.

A contest among all students on Sunday, June 29, will close the camp.

## Exercises Close V. Bible School

"Commencement exercises" for the First Baptist Vacation Bible School were held last Wednesday night at the church.

Each department of the school presented a portion of the program, demonstrating to the parents present some of the skills they had learned during the week. After the program, the parents were invited to a display of the craftwork of the students done at the school.

The final enrollment figures for the week were 262, with an average daily attendance of 205.

## Cub-Dad Retreat At Alamogordo

Pack 20 of the Muleshoe Cub Scouts returned Sunday from their annual Cub-Dad outing. This year they went to Alamogordo Lake near Fort Sumner, N. H.

The group fished, went boating, and swam. The dads were the cooks for the retreat.

Cubs and dads who went were: Horace Edwards, Gary Edwards, Owen Jones, Tommy Jones, Jim Cox, Edwin Cox, Donald Green, Corky and Ronald Green, R. A. Bradley, Rickey Bradley, Kenny Gulley, Clarence Jones, Charles Jones, D. S. Anderson, Hal Anderson, Guy Kendall, Terry Kendall, Alex Wilkins, Ken Wilkins, Jim Fowler, Diekey Fowler, Homer Sanders, Jr., Mike Sanders, L. T. Green III, Houston

## YAW Opens With Study Tuesday

Rev. Lyman Wood, pastor of the Methodist Church at Hart, Texas, will be the speaker for the worship service each evening for Youth Activity Week, at the First Methodist Church here in Muleshoe.

Youth from Earth, Sudan, Lazbuddie, Oklahoma Lane, YL, Progress and Muleshoe will open the week at 7 o'clock Sunday at the Muleshoe Methodist church. The entire congregations of these churches will be here for the initial session.

The schedule for each evening will be: 7:00-7:45 p.m., workshops; 7:45-8:30, workshop; 8:30-9:15, recreation; 9:15-9:30, refreshments; 9:30-9:40, devotionals. All youth from 12 to 23 are invited each night.

## Kathryn Whitworth Downs Joan Farquhar To Win Womens Invitational Meet Friday

Kathryn Whitworth, New Mexico state amateur womens golf champion, downed a field of 48 entries to win the first annual Muleshoe Womens Invitational tournament here Friday, defeating Joan Farquhar Pappas of Amarillo 5-4 in 14 holes. Hettie Moore of Amarillo won consolation in the championship flight and Floyce Leach of Plainview was runnerup in the championship consolation round.

Russell Haberer and Don Moore were starters for the three day meet, and they, assisted by Harold Newsom and Houston Hart, ran the Calcutta. The public address system was furnished by Chief Jones.

Marie Sanders of Kermit won the first flight, with Wanda Hardy, wife of host pro Ray Hardy, runner up. Inez Bobo of Muleshoe won consolation in first flight, and Beula Koen of Plainview was runnerup in consolation.

In the second flight, Blackie Reynolds of Morton was winner, with Vere Fox of Muleshoe runnerup. Consolation in second flight went to Mary Frances Holt of Muleshoe, and runnerup was won by Hattie Rae Jones, also of Muleshoe.

**Golf Prizes Awarded**  
Golf merchandise, donated by the following firms were awarded: Alsop Cleaners, City Cleaners, Lambert Cleaners, Cashway Grocery, Johnson-Pool, Johnson Furniture, Sam E. Fox, White Auto Store, Muleshoe Floral, Malone Milk, Taylor Metal Works, E. R. Hart Co., Bobo Insurance Fashion Shop, St. Clairs, D. H. Sneed Supply, Lenau Lumber Co. Lindsey Jewelry, Barron Insurance, Damon Drug, Muleshoe Journal, Evans Oil, Holtz, Morris Douglass Implement, and Muleshoe Motor Co.

Gladys Jones of Loveland won a golf bag for cry baby low net of 74; luggage was won by Floyce Leach of Plainview, Beula Koen of Plainview and Hattie Ray Jones of Muleshoe in consolation flight first three places.

Lalla Michie won a scissors set for being the eldest player present; Lou Ann Peery of Fort Worth won a lamp for having come the farthest distance to play; Gloves were awarded Juanita Sims for cry baby flight runner up; an umbrella went to Peggy Elliott of Tahoka, Eunice Evans of Muleshoe and Beth Kropp of Plainview for winning a flight and losing two.

Shirts were presented Ruby Hart of Muleshoe, Ida Stewart of Wichita Falls and Liz Barnett of Muleshoe for losing first, winning second and losing third rounds.

**WINNERS**-Posing with their prizes are winners and runnersup in the championship flight of the Hi-Plains Women's Golf Tournament completed last Friday. Kathryn Whitworth of Jal N. M., left, is the tourney champion. Other winners, left to right, are Joan Farquhar Pappas, Amarillo, runnerup; Hettie Moore, Amarillo championship consolation winner; and Floyce Leach, Plainview, championship consolation runnerup. Journal Photo

Thy Forbes won a necklace for having the most 8s on the front side; a golf shirt went to Ola Mae Trimble for being high medal champ on the front side. Headcovers were given Maxine Walker and Rosie Wallace for high medal on first and second flights. Kathryn Whitworth won a jewelry case for the most 4s on the front side, in addition to a set of clubs for championship, plus a trophy donated by club pro, Roy Hardy.

Weesie Carroll won balls for highest in first five, and Eunice Evans cologne for lowest one first five. A shag bag went to Billie Lambert of Muleshoe.

## News Of Men In Service

**ON ACTIVE DUTY**  
FORT LEONARD WOOD, Mo.—Army Reserve Pfc. Bill M. Gaede, 20, whose wife, Darla, lives at 1401 Leroy St. Rolla, Mo., is receiving two weeks of annual active duty training at Fort Leonard Wood, Mo.

Gaede, a member of the 9857th Engineer Reserve Training Unit, is scheduled to complete his training June 22.

The son of Mr. and Mrs. John C. Gaede, Friona, he is a 1956 graduate of Cassville, Mo. high school. Gaede attended Missouri School of Mine in Rolla.

**SERVING ON GUAM**  
AGANA, Guam—Bobby J. Farris, airman, USN, son of Mr. and Mrs. Lonnie Johnson of Rt. 2, Muleshoe is serving with Airborne Early Warning Squadron Three at the Naval Air Station, Agana, Guam.

This squadron helps provide radar protection for U. S. bases and possessions in the Pacific.

### COMPLETES TRAINING

Camp Pendleton, Calif.—Marine Pvt. Paul K. Hughes, son of Mr. and Mrs. P. Hughes of Friona, completed four weeks of individual combat training June 2 at the Marine Corps Base, Camp Pendleton, Calif.

The course included the latest infantry tactics, first aid, demolitions, field fortifications and advanced schooling on weapons.

### DAVY JEAN ANDERSON ENTERTAINS FRIENDS

Davy Jean Anderson entertained a group of friends at her home last Thursday with a Coke and Vne party honoring three out-of-town guests. They were: Patricia Butts, Ft. Collins, Colo.; Sandy Warner, Adrian, Mo., and Sarah Spalding, Healey.

The serving table was covered with maps of the three states in which the girls reside. The guest list included Marilyn Green, Roxanna Hart, Sandra Harris, Kay Davis, LaNelle Boothe, Donna Moore, Janet White, and Gayle Wilson.

### ALSUP GAINS STRENGTH

Condition of Lloyd Alsup continues to improve, members of the family report. He was able to sit up in a chair Wednesday, now sits up in the car as he rides to Plainview to take his daily x-ray treatment. The family was cheered by the doctor's announcement that only a few more treatments will be necessary.

# Local Races To Get Spotlight In Democratic Party Primary July 26

A copy of the list of names that will appear on ballots for the Democratic Party primary Saturday, July 26, has been furnished The Journal by George Johnson, acting county chairman. A certified copy will be furnished soon for use in printing the ballots.

No. 1 position on the Bailey County ballot was drawn by Ralph Yarbrough, opposed for reelection as United States Senator by Wm. A. Blakley, Dallas.

In the race for nomination for Governor, four remain, several having recently withdrawn. On the ballot will be the names of Gov. Price Daniel; Joe A. Irwin, Dallas; Henry B. Gonzales, San Antonio; and W. Lee "Pappy" O'Daniel, Dallas.

Land Office. Jesse Williams will have no opponent on the ballot in his race for renomination as State Treasurer.

Olin Culberson is unopposed for nomination for another term on the Railroad Commission and Robert S. Calvert is unopposed in the race for renomination as Comptroller.

Four justices of the State Supreme Court are to be nominated: For place 1 there are three candidates for the Democrats' favor; one for place 2; one for place 3; and two for place 4.

The Place 4 race will be of interest because Judge Sarah T. Hutzler, of Dallas, is a candidate for nomination to fill the unexpired term, and this is an office for which one seldom sees a woman candidate. She is opposed by Judge Joe Greenhill, of Austin, a recent visitor in Bailey County.

**Draws Middle Place**  
Karl L. Lovelady, of Muleshoe, a candidate for nomination as State Senator from this the 30th Senatorial District, drew the middle position on the Bailey County ballot. He is opposed by Leroy Saul, of Swisher County, and the present Senator, Andy Rogers, Childress County.

Jesse M. Osborn of Muleshoe is unopposed for renomination as State Representative, 96th District. E. O. Northcutt will have no ballot opponent in his race for nomination Associate Justice, Court of Civil Appeals, 7th District.

**Judge Bills Unopposed**  
District Judge E. A. Bills, of Lamb County, is unopposed for renomination. Likewise Bill Sheehan, of Friona, is unopposed for renomination as district attorney.

County Judge Glen Williams, Tax Assessor Collector Mrs. Dess Stafford, County Treasurer Edith Witt, are unopposed. Names of Hazel Gilbreath, Jack Obenhaus, and Calvin Calvert will be on the ballot in the race for nomination as District and County Clerk.

**Commissioner Races**  
Commissioners will be elected for 4 year terms in Precincts 2 and 4 of Bailey County this year. In the race for nomination by the party in No. 2 are Sherman Inman; the present commissioner, Woodie Couch; and W. E. "Jinks" Meyers. Over in Precinct 4 the present commissioner, R. P. McCall is opposed by P. A. "Dude" Altman and John Hubbard. Mr. Altman is a former commissioner from this precinct.

**County Committee Races**  
Two races have developed for places on the Bailey County Democratic Party Executive Committee. George Johnson, a former county chairman, was asked to act in this capacity by the rest of the committee after the chairman, Dr. B. R. Putman recently resigned to serve on the school board.

For county chairman, the names of Harvey L. Bass, Muleshoe business man, and W. T. "Bill" Millen, Muleshoe area farmer, will appear. In the race for election as chairman for Precinct 1 the Muleshoe box, are two well known local men. C. G. "Gib" Wollard, and Bill Wilson, the present chairman.

**Local Students Named To Deans List At WTSC**  
Two Muleshoe students were among the 94 named by Dean Walter H. Juniper to the spring semester honor roll at West Texas State College.

The dean's honor list is composed of the upper five per cent of the undergraduate student body at West Texas State. From Muleshoe are Elma Faye Bishop and Rose Lee Millen.

Miss Bishop, a Hereford high school graduate, is the daughter of Mr. and Mrs. Dean F. Bishop, 514 West Second in Muleshoe. She will be a senior elementary education major this fall at WT. She is a member of Alpha Chi, national society, and the Student Education Association.

Daughter of Mr. and Mrs. W. T. Millen, Rt. 1, Muleshoe, Miss Millen will be a sophomore elementary education student. She is a 1937 graduate of Muleshoe high school.

# Judge Urges More Hard Work At Home And Less Calling For Aid From Austin

Urging his listeners to return to the old theory of hard work and trying to do for themselves before asking aid from Washington or Austin, County Judge Glen Williams spoke at the noon luncheon of the Muleshoe Lions club Wednesday.

Judge Williams said that more interest in local and county government is the basis of self-help, and the beginning of a decline in the amount of help asked from the state and federal government.

He continued his talk by briefly outlining the functions of county government, and each of its departments. Judge Williams detailed the indebtedness of the county, and also listed its assets.

Among problems facing the county government are the need for additional roads, additional office and jail space, and more operating revenues. But, concluded the official, these things must come through hard work on the local level, and from a sense of service rendered by elected officials.

Jack Young was program chairman, and guests included Don Nickels, Stanley Fox, Ray West and Dixon Ray.

**Rotary To Install Officers June 30**  
Rotary Club of Muleshoe will hold its annual installation of new officers at a ladies night event Monday evening, June 30, in the Legion dining room. Arrangements were announced at the meeting of the club Tuesday by Myron Pool, spokesman for the committee.

Arvel White, who will become president July 1, announced his assignment of directors and a chairman of committees.

Visiting Rotarians included Robert Parker, Paris; Odie Echols, Jr., Clovis; and C. O. Gregory, of Sudan.

**Hall's Cousin Is Dragged By Horse**  
Funeral services for Donald Fuller, 17 year old son of Mr. and Mrs. Hubert Fuller of Eules, Texas, were held Wednesday at the First Methodist Church in Eules.

Fuller was a cousin of Rev. Edwin Hall, pastor of the First Methodist Church here. Rev. Hall preached the service.

Young Fuller was dragged to death by the horse he was riding last Monday. It was supposed that he was roping cattle on a ranch near Eules when the accident happened.

**6. Why people behave as they do.**  
**7. Discussion of Public Relations situations.**

This educational program is made possible through the cooperation of the Chamber, the University of Texas, Division of Extension, and the Texas Education Agency. Enrollment is open to any person employed in the retail, wholesale or service occupations, with a small registration fee being the total cost of the employee. Additional information may be had by contacting the Chamber of Commerce.

Mrs. David Stephens and Bryan David, her son, spent last week with her parents, Mr. and Mrs. Connie Guppon. Mrs. Stephens went to Tulsa Thursday to visit Mrs. Robert Holt.

**RETURN FROM CLOUDCROFT**  
Mr. and Mrs. Charles Lenau and Paul returned from Cloudcroft, N. M., Friday night where they had been vacationing. On their way back they picked up their daughters, Pam and Lynn, who had been attending Band Camp at ENMU in Portales.

**SPEND WEEK IN NEW MEXICO**  
Mr. and Mrs. C. O. Hall are spending this week in New Mexico. Their children, Buddy and Tommie, are with them.

**RECEIVES AWARD**  
Jack Carney, son of Mr. and Mrs. Roy Carney of Muleshoe, was recently awarded a \$25 prize by Paymaster Co., for winning the county cotton production contest for 1957, according to county agent J. K. Adams.

**IT'S CORPORAL PHIL PROVENCE NOW**  
Phil Provence, serving with the 21st Signal Service at Camp Darby, in Italy, has been promoted to Sp 2, equivalent to the corporal rating.  
Phil is the son of Mr. and Mrs. George Provence of Muleshoe.

**FROM ARKANSAS**  
Mr. and Mrs. Roy Howard and children, Tim and Ginger, of Springdale, Ark., are here for a visit with his parents, Mr. and Mrs. W. E. Howard.

**VISIT CARROLLS**  
Mrs. Glenn Eye of Oklahoma City, is spending this week with her sister, Mrs. Albert Carroll. The Carrolls' daughter, Mrs. Charles Lewis and her husband, Dr. Charles Lewis are visiting with the Carrolls and with his parents, Dr. and Mrs. A. E. Lewis this week.

**VISIT IN DALLAS**  
Mr. and Mrs. Travis Butler and their children, Carolyn Louise, Travis B., and William Edward, have recently returned from a trip to East Texas. They visited with Butler's mother, Mrs. J. W. Finch in Clarksville; with her brother and sister-in-law, Mr. and Mrs. Charlie Wright in Cleburne, and with other relatives and friends in Dallas and Fort Worth.

**SEEFELDS VISIT**  
Mr. and Mrs. C. L. Seefeld and Mike and Pamela were weekend guests of her parents, Mr. and Mrs. Ernest McNatt, Mrs. Seefeld's brother, Wayne McNatt, returned to Las Cruces, N. M., for several weeks.

**VISIT IN ODESSA**  
Mr. and Mrs. Joe Damron and their grandson, Gary Smith, are in Odessa this week visiting their daughter and son-in-law, Mr. and Mrs. Jim Reese and their grandchildren, Greta and Rocky Reese.

**GO TO CENTENNIAL**  
Mr. and Mrs. Sam Damron will leave Wednesday for Mason, Texas, with their daughters, Drucilla and Dana, to attend the Mason County Centennial. They will spend several days visiting with friends while they are there.

**CARD OF THANKS**  
Words can never express our deepest appreciation and thanks to each one who has been so kind and thoughtful during the hour of sorrow on the loss of our husband and father, Bill Rudd. For the floral tributes and food we are deeply grateful.  
May God richly bless each of you.  
Mrs. Bill Rudd  
Mr. and Mrs. Oscar Rudd  
Mr. and Mrs. Russell Weems

**CELEBRATE ANNIVERSARY**  
Monday, June 16, was the 57th wedding anniversary of Mr. and Mrs. C. M. Black of Muleshoe. The Blacks are long time residents of the Muleshoe area.

## Investors Club Organized To Teach Members About Stocks and The Market

The Muleshoe Investors Club, organized in April, is a unique organization locally, but is one of more than 50,000 such clubs in the nation, all with the same primary purpose, to enable their members to learn more about buying stocks and the operation of the stock market.

The local club has 20 members, each of whom pays an equal amount in monthly dues. Dues money is then used as a fund from which certain selected stocks are purchased. However, no stock is purchased until a thorough study of it and its company history is made by a three-member committee appointed each month.

The committee reports on the stock, and members vote on whether or not the stock will be purchased.

The club is organized as a partnership, with Alex Williams as president, Herbert Griffiths as vice-president, Noel Woodley as secretary and Norman Thomas as treasurer.

So far, four stocks have been purchased: Safeway, Sehering Carborundum, and General Dynamics. Three of them remained steady this week and one was up from the purchase price.

Williams, and other members of the club are quick to point out that all stocks are purchased from a conservative, long term viewpoint, and no effort is made to "make a quick killing" in the market. In fact, club members say, without any dividends from stock purchases at all, the club will be worth an estimated \$13,000 in five years time.

Stock purchases are made through the brokerage offices of Merrill, Lynch, Pierce, Fenner and Smith of Amarillo.

A member has the privilege of dropping out at any time and will receive market value of his share of the club owned stock less one per cent. Other club members may either absorb his pro rata share, or it may be sold to a new member.

Interest in the club is high, and already there is talk of organizing a second club in Muleshoe.

The number of shares of a chosen stock purchased depends on the status of the treasury, and the desires of the membership. Democratic procedures rule each meeting, and a stock chosen by the committee is not always se-

lected for purchase by the club. In addition to the interest and pleasure members derive from learning about stocks and the market, there is the chance they may make some money also!

## New 'King Size' Coca-Cola To Go On Sale This Week

Beginning this week shoppers in the Muleshoe area will find that the familiar Coca-Cola bottle has a "big brother".

New king-size bottles of the famed soft drink will go on sale today in local food and beverage stores, John Alford, manager of the Littlefield Coca-Cola Bottling Co., announced. This is the first packaging change this plant has made in over forty years.

Alford explained that a shift in the public's consuming and buying habits has brought about the need for new bottle sizes. "Only ten years ago, most soft drinks were sold in drug stores, restaurants, ball parks, offices, and factories", he said. "Today all that has changed. Now people are drinking more soft drinks at home than anywhere else. And the trend is growing. Home sales, for example, have increased every year since 1948. Five years ago, 1 percent of the soft drinks were consumed at home, now its over 50 percent."

"The introduction of the king-size bottles—still of the traditional 'pinch-waist' shape—doesn't mean Coca-Cola intends to neglect the regular 6½ ounce bottle, which traces back to 1915. Surveys show the majority of the public prefer the regular size, since it is ideal for individual drinks. In fact, a million cartons of it are sold every day. But we also think there are many people who will want the convenience of another size, depending on the occasion."

Alford said the new bottles will not be in all food and beverage stores by today. Complete distribution through the area served by the Littlefield Coca-Cola Bottling Co., will take several days.

## Three Way News

By Mrs. Frank Griffith

**Guests in the W. C. McCelvey home last week were Mr. and Mrs. S. E. McCelvey of Lubbock, W. C. and S. E. are brothers.**

Brady Worley returned to Lubbock with his grandparents, the S. E. McCelveys, after spending several days visiting here.

**Mr. and Mrs. Joe Hodge and children have moved to Muleshoe from Maple.**

**Visiting in Levelland last Wednesday were Mrs. Lewie Jordan, Mrs. Gaylon Weaver and Gayle McCelvey. Linda Jordan returned home with them after spending a few days with her cousin, Gena Cook of Levelland.**

**School Opening**

School begins at Three Way September 8, according to A.chie Sims, school superintendent. Two teachers have been added to the faculty. They are Mr. and Mrs. Ivan Prewit of Lingo, N. M. Mr. Prewit will teach high school math and Mrs. Prewit will teach science in high school.

**Rainfall Sunday evening measured from 30 on the north side to one inch on the south side of the community.**

**Mr. and Mrs. Don Davis and children of Portales, N. M., visited relatives and friends in the community Sunday. The Davises are former residents of Three Way.**

**Mrs. Kennard Gilbreath of Levelland is spending two weeks with her parents, Mr. and Mrs. Brock Hodnett, while her husband is in California with the National Guard. Mrs. Gilbreath is the former Pauline Hodnett.**

**Robbie Self of Orange, Texas, granddaughter of Mrs. A. E. Robinson, will spend three weeks in New York City as winner of the United Nations Youth Rally contest in that area. She will leave from Denton by chartered bus June 20.**

**Robbie is the daughter of Rev. and Mrs. Self of Orange, formerly of Maple, where he was pastor of the Baptist church. Nan Johnson of Goodland, is the winner of this area and will go to New York.**

**J. L. Lemons was released from the Cochran County Hospital of Morton Friday after undergoing surgery Monday.**

**Mrs. Kent Cooper and children of Levelland visited last week with her parents, Mr. and Mrs. Elmer Bateas.**

**Yearbooks and the scrapbook for the FFA club were presented and discussed at a meeting Monday, June 16 in the auditorium of the Three Way Baptist church.**

**Mr. and Mrs. Marion Walker and children of Farwell, formerly of Goodland, visited Sunday in the Thurl Lemons home. Mrs. Walker is a sister to Thurl.**

**Live in Alamogorda**

Mr. and Mrs. R. B. Wittner and Terry of Lubbock are living in Alamogorda, this summer where R. B. is employed. Their parents are Mr. and Mrs. D. P. Brinker and Mr. and Mrs. Andrew Wittner of Three Way. Both R. B. and Mrs. Wittner are graduates of Three Way high school and he is a senior at Texas Tech. Wittner will return to Tech in September.

**Rev. George Turrentine of Lubbock preached morning and evening services at the Three Way Methodist church June 15.**

**Wheat harvesting is underway here and the yield is reported to be 40 bushels per acre.**

## AROUND TOWN

CECIL TATE TAKEN TO A LUBBOCK HOSPITAL

Cecil H. Tate, a patient in West Plains Hospital here since Monday, was taken to a Lubbock hospital for special treatment this morning. The attorney, a former county judge, has been hemorrhaging, and several blood transfusions have been necessary.

**RETURN FROM TRIP**

Mr. and Mrs. Travis Reed and Maria, returned Wednesday from a weeks vacation trip to points in south Texas where they visited friends and relatives.

**STATE BANK OFFICERS TENDERED STEAK DINNER**

Dr. Anson L. Clark, chairman of the board of Muleshoe State Bank, was host at a steak dinner given Wednesday evening at Leigson's Dining Room for officers of the bank and their families. Dr. Clark made a short talk. Col. Wann E. Hill, a director accompanied Dr. Clark here, the two Dallas men spending most of the day in Muleshoe.

A pay raise for all personnel of the bank was announced Saturday.

**COMPLETE BIBLE SCHOOL**

Sisters Lucia and Ann Leo of the mother church in Lubbock closed the Catholic Bible school Sunday with a communion service for about 15 first communicants. The Sisters will go from here to surrounding towns conducting Bible Schools.

**CELEBRATE FATHERS' DAY**

Sunday was a double celebration for the Watson family. Mr. and Mrs. Delbert Watson, Tommy and Jim; Mr. and Mrs. Tom Watson, Buford and Naomi; and Mr. and Mrs. C. W. Stallings, Vickie and Teddy were at the home of Mr. and Mrs. W. T. Watson and David to recognize the fathers present and to celebrate Vickie Stallings birthday.

**VISIT THOMSONS**

Susie and Kay Williams spent several days last week with Mr. and Mrs. Bill Thomson. Susie and Kays parents, Mr. and Mrs. Bill Williams of Lubbock were on a business trip in California.

**ATTENDS STATE CONVENTION AT AUSTIN**

Clyde Bray left Monday evening to attend the Texas Multiple Listing Board annual convention in Austin, and will return this weekend. Bray is president of the local real estate organization in this area.

**GUNSTREAMS VISIT**

Mr. and Mrs. M. D. Gunstream and their sons, Tommy and Danny, visited Monday night in Littlefield with Mr. and Mrs. Harmon Elliott.

**VISIT RICHARDS**

Mrs. Don Sweet and her children, Gary and Cathy of Fort Worth, are visiting Mr. and Mrs. Earl Richards and Rosemary and Shirley.

**TO TAKE BOARD EXAM**

Mr. and Mrs. Charles Lewis arrived in Muleshoe Monday for a few days visit with their parents, Dr. and Mrs. A. E. Lewis and Mr. and Mrs. Albert Carroll. Lewis and Frank Salzar, both graduates of Baylor Dental School, are fishing in New Mexico for a few days before going to Santa Fe to take their New Mexico State Dental Board Examinations.

**WILTERDINGS VISIT**

Mr. and Mrs. Ashton Wilterding of Barstow, Calif., are staying with Miss Dottie Wilterding for a few days while visiting other relatives in Muleshoe. The Wilterdings, Miss Wilterding, and Mrs. E. H. Burhman have recently returned from a months visit with relatives in Nebraska.

## DAUGHTER-IN-LAW TO VISIT

Mrs. Howard Tate and her son Rickey, are expected for a visit with her mother and father-in-law, Mr. and Mrs. Cecil Tate.

## IN HOT SPRINGS

Mr. and Mrs. J. E. McVicker with their children, Jan, Susan and David, took Mrs. McVicker's mother, Mrs. A. F. Curry of Plainview, to Hot Springs, N. M., last weekend.

## EVANGELIST SPEAKS

Bro. Morris Sheets youth evangelist of Lubbock, was the speaker for the Assembly of God Youth Emphasis Revival last weekend. The meeting had four sessions, Friday and Saturday nights, Sunday morning and Sunday night.

## RALLY HELD MONDAY

A Sunday School Rally for Circle 2 of the West Plains Section was held Monday night at the Assembly of God Church.

## McADAMS NOMINATED FOR MULESHOE POSTMASTER

Horace McAdams has been nominated by President Eisenhower to be Muleshoe postmaster. It was the second time the name had been placed in nomination, it having been sent to the Senate last year, but the Senate did not get around to acting upon it before the session ended.

McAdams, who is 36, is a graduate of Muleshoe high school, attended the University of Texas, and served with the Navy during World War II. He is now traveling for a pharmaceutical firm. Arnold Alcorn has been acting postmaster since September 6, 1955.

## VISIT PARENTS

Mr. and Mrs. Fred Harvey spent the first of this week visiting their parents, Mr. and Mrs. Cecil Harvey, and Mr. and Mrs. Clarence Wilhite.

## RETURNS FROM COLORADO

Jay Dawson returned recently from a visit with his sister and brother-in-law, Mr. and Mrs. Leon Harvey in Pueblo, Colo.

## GO TO FARMINGTON

Mr. and Mrs. Clarence Wilhite have returned from Farmington, N. M., where they visited with their daughter and son-in-law, Mr. and Mrs. Fred Harvey. After their visit in New Mexico, they went to Oklahoma to visit relatives.

## CARD OF THANKS

We wish to express our appreciation for the sympathy and kindness shown us at the death of our baby and granddaughter, The Arthur Profit and John Rogers Family.

## GOES TO ROTC CAMP

Jerry Inman, the son of Mr. and Mrs. Sherman Inman, will leave tomorrow for six weeks at ROTC Summer Camp at Fort Hood. Inman will be a senior student at Hardin-Simmons University at Abilene next fall.

## TO ATTEND WEDDING

Mrs. Lucille Campbell, employee of Piggly-Wiggly, left this morning for an extended vacation to Dallas and nearby places. Mrs. Campbell is to meet Mr. and Mrs. Mike Brady, her parents; Mr. and Mrs. C. J. Bennett and family, her sister; Mrs. I. H. Harding and family; and Mr. and Mrs. Mike Oberline and family in Lubbock today. The group will go to Dallas Friday to attend the wedding of Mrs. Campbell's brother, Mike Brady, and to visit with friends and relatives.

## Political Announcements

## VACATION FROM HARVEST ENJOYED BY GREENS

Mr. and Mrs. Lusky Green and their son and daughter were allowed a brief furlough from the wheat harvest when Oklahoma rains wet grain fields first of the week. They made a quick trip back to Muleshoe to attend to business affairs then hurried back.

They have been cutting wheat near Buffalo, Okla., starting out in north Texas. They'll move on north as wheat ripens, and are looking forward to the sorghum grain harvest here in the fall.

## VISITS GRANDMOTHER

Joyce Adams, daughter of Mr. and Mrs. J. K. Adams is spending two weeks with her grandmother, Mrs. W. H. McMillan in Mineral Wells.

## FROM ANDREWS

Mr. and Mrs. Vernon Harp of Andrews spent last weekend with Harp's brother and family, Mr. and Mrs. Ed Harp.

## VISIT FROM IDAHO

Lt. and Mrs. H. L. Robinson of Mountain Home, Idaho, are visiting their parents, Mr. and Mrs. H. C. Robinson, this week.

## VISIT WOODLEYS

Mr. and Mrs. Darrell Hanks of Albuquerque, N. M., are visiting Mrs. Hanks' parents, Mr. and Mrs. Noel Woodley, this week.

## SUBSTITUTE FOR REEDS

Mr. and Mrs. Curtis Spivey and their children, Vick and Jim, of Seminole, are filling in for Mr. and Mrs. Travis Reed, while the Reeds are on vacation.

## VISIT MOTHER

Mr. and Mrs. James Hobbs, with Camille, James Roy and Vicki, of Lovington, N. M., stayed with Mrs. Hobbs' mother, Mrs. W. H. Kistler, for a short while the first of the week. The Hobbs were enroute to their home after visiting a brother of Mrs. Hobbs, Gene Kistler and his family, in Rogers, Ark.

# The Muleshoe Journal

DEDICATED TO THE PROGRESS AND DEVELOPMENT OF BAILEY COUNTY AND THE GREAT MULESHOE COUNTRY

VOLUME 37

Published Every Thursday At Muleshoe, Bailey County, Texas

NUMBER 25

## SURVEYING THE WRECKAGE

EARL LADD, JR., owned this plane, which was one of four heavily damaged at Muleshoe airport last Thursday night.

## Two Auto Fires In Two Weeks For Mrs. E. Stevens

Mrs. Elmo Stevens is beginning to think she is "jinxed". For the second time in two weeks she has had her car to catch fire, the first time destroying the motor before she could put out the flames with scooped up dirt.

The second auto fire happened at 11 a.m. Thursday at The Journal corner on the square in Muleshoe. Not as much damage was done as in the first fire, but enough to thoroughly unnerve

Mrs. Stevens. She related that the first fire occurred when she was a quarter mile from home, on her way to pick up her family in the field. She was accompanied by a two-year-old granddaughter. When she discovered the fire, she hurried the child out of danger and returned to throw sand on the flaming engine, finally extinguishing the fire.

## Drapery School Held Last Week

Under the supervision of Mrs. Martha K. McCormick and Mrs. Dorothy L. Brock, homemaking teachers in Muleshoe high school

eight of their students made draperies for the office of Mr. Jerry Kirk, superintendent of schools, and Mrs. Pat Patterson his secretary.

The Home Ec. department sponsored a Drapery Making Workshop June 4, 5, and 6 during which time Sharon West, Rita Lewis, Betty Ogletree, Mozelle Ellis, Dorothy Hickman, Landa Landers, Virginia Hickman, Marilyn Mitchell, and Pat Thomson worked on their project.

The workshop met from 2 until 5 each afternoon.

## ALSUP MUCH BETTER

Lloyd Alsip, who is in a Plainview Hospital, is reported to be doing much better and it is possible that he may be dismissed this weekend.

## Travis and Paula Clements See Brussels And Holland While Stationed In Europe

FRANKFURT, Germany (Special to The Muleshoe Journal) — A former Muleshoe resident has returned here with his wife after making a whirlwind tour of the Brussels International Exhibition in Belgium and a tour of a number of major cities of Holland.

SP/3 Travis Clements and his wife, Paula, spent 10 days in May seeing sights at the World Fair and later driving through Holland "just stopping along the way whenever we felt like it."

Clements is stationed on the outskirts of Frankfurt with the 3rd Armored Division. He has been serving his military duty here a little over a year.

"The World Fair was great," Clements explains. "We thought the American exhibit was one of the best there. I got quite a kick out of the way the Russians tried to out-do the Americans. The U. S. exhibit just showed what we have."

The Texan added with a laugh that one of the first items of the American exhibit to catch his eye was a display of "common old Texas tumble weeds."

"We also thought The Neatherlands had a very fine exhibit. They had made dykes and windmills inside their building, and it made it very attractive," the Texan added.

The Clements spent two days touring the fair, the continued on an eight-day tour of Holland,

where they visited such cities as Amsterdam, Rotterdam, The Hague, Kinderdyke, and a number of others.

"The country this time of year is wonderful," Clements said. "We arrived right at the height of the tulip season, and everywhere you would look you could see the flowers in bloom."

"At Kinderdyke, we found about 25 or 30 windmills all in one bunch, surrounded with tulips. At Limmen, we arrived just in time to see a flower contest. We had good luck all the way around."

"We were especially impressed with the cleanliness of the whole country of Holland. Even the big cities were clean. Everywhere you went, it was just like walking into a 'Class A' dairy barn," Clements said.

"And bicycles, I've never seen so many bicycles anywhere to compare to the number in Amsterdam. They say there's a bicycle for every Hollander, and I believe it. In Amsterdam we saw three times as many bicycles as people."

The Clements hope to travel to Italy in July, where they will visit with Paula's brother, Phillip Dale Provenzo, who is stationed with the Army in Leghorn, Italy.

It will be the first time in about 11 months that the brother and sister have seen each other. Provenzo is also a former resident of Muleshoe.

## Commander For Salvation Army In Texas Is Named

LT. COL. PICKERING

The Salvation Army in Texas will have a new commander, effective June 19, the first change in top command in ten years.

Chairman Joe D. Vaughn of the Bailey County Service Unit Committee, announced today that he had been notified that orders have been issued by Lt. Commissioner William Davidson, Territorial Commander of The Salvation Army in the Southern Territory, Atlanta, Ga., for the retirement of Lt. Col. John A. Morrison as Divisional Commander of the Texas Division, effective June 18 and the installation of Lt. Col. Ernest Pickering as Texas Divisional Commander, effective June 19.

Colonel Pickering has served as Divisional Commander of the Virginia-Southern West Virginia Division for the last two and one-half years. The orders affecting Colonel Morrison and Colonel Pickering also include their wives who hold equal rank with their husbands and fill important executive positions on the Divisional Staff.

HEAVY DUTY STAPLER-TACKER only \$4.95 at The Journal.

## POWER LINES DAMAGED IN STORM

THIS STRING of power lines was in the path of the Thursday night storm. One pole was snapped off, and about 15 were pulled to the ground by the force of the winds.

Journal Photo

## MRS. TROUTMAN BETTER

Mrs. O. D. Troutman was reported to be slightly improved Wednesday. Mrs. Troutman is at home.

## VISIT THORNTONS

Mr. and Mrs. C. W. Durham and children, Karen, Tommy, and Bill, visited his sister and brother-in-law, Mr. and Mrs. H. K. Thornton this week while en-

route to Arizona. The Durhams are of Texarkana, Texas.

## VISIT IN TEXARKANA

Mr. and Mrs. J. W. Holmes and their daughters, Alice May and Carolyn Sue, have recently returned from a visit with Mrs. Holme's relatives in Texarkana, an uncle, Dee McDaniel, and two aunts, Mrs. Johnny Whitehead and Mrs. Sam Sexton. The Holmes

went to Louisiana for a few days of fishing also.

## FORMER RESIDENTS TO TEACH

Mr. and Mrs. Ernest Hale, from Pryor, Okla., and former residents of Muleshoe, have returned to Muleshoe to teach in the Richland Hills Elementary School next fall. The Hales are hunting for a homesite at present.

## For Those WHO are SICK

Muleshoe, Texas  
May 7, 1958

To Whom It May Concern:

For several years I suffered with severe headaches which occurred regularly and quite often. These headaches were of the migraine type. I tried many different medications with little results.

On February 22, 1957, I became a patient at the Muleshoe Chiropractic Clinic. At this time I also suffered from dizziness, low blood pressure, stomach trouble, gall bladder and chronic appendicitis. I have not had a headache for several months and all of the other conditions have improved greatly. I was so pleased with the results that my wife and two of our children have become patients.

Signed:

ROY GOVER,  
Route 4,  
Muleshoe, Texas

The above statement signed before me a Notary Public in and for Bailey County, Texas, this the 13th day of May, A. D. 1958.

L. S. BARRON, Notary Public,  
Bailey County, Texas

NOTE: The above letter was not solicited, and was given voluntarily.

## BABSON DISCUSSES... Outlook For World War III

Babson Park, Mass., June 19— I have long felt that there would be a "shooting" war some day between Russia, representing Communism, and the United States, representing Free Enterprise. Nevertheless, each year in my Annual Forecast I have taken the position that a shooting war would not take place during the following twelve months. I now feel that no shooting war between the United States and Russia will take place during the Eisenhower Administration.

If a shooting war with Russia occurs, it must be started by Russia. Because of our retaliatory power, I now feel that Russia would hesitate to attack us directly. But some "brush war," such as the Korean War, may touch off a World War III. Such a conflict may occur in South America, though the critical region now seems to be the oil-rich Middle East. Nasser, an able and ambitious man, seems determined to make Egypt the hub of a great oil empire. Should he provoke a conflict, the great oil interests of the United States, Great Britain, and other nations might push us into the fight, while Egypt pulls Russia in.

### What A Chemical War Means

Most people now visualize a so-called atomic war. I feel that there more likely exists the possibility of an equally dangerous chemical war. This may occur through various means, such as poisonous gases or bacteriological attacks. Russian publicity centering on their advances in spunkies,

missiles, and atomic weapons may well be a cover for more serious work on chemical warfare.

In addition to the closeness in the race for supremacy in nuclear weapons, there is another logical reason for a chemical or bacteriological attack. Russia would probably be more interested in destroying the people of our large cities, leaving industrial equipment, resources, and communication systems intact. An atomic attack, on the other hand, would reduce entire areas into masses of useless rubble.

### Outlook For Economic War

I am now greatly concerned over another possible Russian tactic, namely, stepped-up economic warfare against the United States and her allies, accompanied by more intensive propaganda. In fact, Russia may already be largely responsible for our business recession and the slumps in aluminum, copper and other commodity prices. Steel prices have withstood the cutbacks in output to fifty per cent of capacity. Russia's supply of this and other commodities is rapidly increasing. Moreover, we must carefully watch the current high outflow of gold from the United States. A certain use of gold could take the place of gas, germ, or atomic attacks.

This, Russia's rapidly advancing technical knowledge could cause severe industrial competition. She has accelerated her program to expand trade with dollar-short Free World Nations. "Gadgets and gimmicks" such as

subsidies and tariffs could temporarily cushion us against such competition, but these may further arouse Russian enmity and make things worse. If left alone, this recession could run its course by 1960. But an economic war started by Russia would cause more unemployment and business slumps. Moreover, it could inevitably lead to drastic inflation and may even drive our dollar to twenty-five cents.

### Protecting Against Any Form of World War III

I strongly advise all readers to work for sound economics in their own lives, in business, and in the Government. Young people in the Central West should stay there, and others should avoid locating in large cities, especially along seacoasts. Investments should be widely diversified among the smaller well-run industrial companies, and among companies owning large reserves of natural resources underground.

Chain stores with wide geographical and product diversification are very well desirable as a hedge against bombing and inflation. Certain well-located real estate could become very valuable. All should build up reserve buying and investment funds, but avoid long-term bonds. Learn about Civil Defense survival suggestions. Finally, I emphasize the importance of sane religious faith, good health, intensive education, and industry as the best protection against World War III, and as the only hope for survival from any such catastrophe.

## Sandhills Philosopher Differs With Congressman Who Wants The Government Returned To The People

Editors' note: The Sand Hills Philosopher on his Johnson grass farm has an odd idea this week, which is not unusual with him.

Dear editor: I was listening to the radio the other night—I don't listen to it very much on account of it doesn't leave enough time to think, by the time somebody has said something and you settle back to think it over he's off on something else. I prefer a newspaper, where you can read a paragraph, think it over, sleep on it awhile, get up and walk around, and still come back to the same place—at any rate, I was listening to a Congressman, I don't even know what state he was from, and he said something that suddenly made me come alert.

What he said was: "It's time we returned the government to

the people." Now I have heard this statement lots of times before, but somehow or other it stuck in my mind this time and I've been thinking it over for a couple of days and have come to the conclusion that as far as I'm concerned I'm not sure I want the government back. Not at this time.

That is, I guess if I was running the government and it was in the financial shape it is, I'd be looking around for somebody to unload it on too, but with my present financial strain I don't see how I can take it on.

Understand, I think the government's sound all right, it still owns more than it owes and it has an awfully steady income, and I think it will eventually pay out, but it's the longest-term investment I ever heard about, and some of its stockholders are the

hardest people on earth to please. Nope, I don't believe it's the right time to return the government to the people. We're saddled with so many other debts and burdens I just don't believe we're in shape to take on anything else right now. A man can get too far out on the limb.

I'll appreciate it if you'll tell that Congressman and any other government officials who have come around to the conclusion it's time they gave the government back to the people that I decline the honor. They're stuck with it and will have to work it out the best way they can.

In fact, the more I think about it the madder I get. That's a shoddy trick, waiting till the government's in the shape it is and then trying to give it back to us.

Yours faithfully,  
J. A.

DESIGNING A ROCKET TO REPLACE THE V-2 WAC CORPORAL COMBINATION BEGAN IN 1946. IN 1948 THE TESTING WAS SUCCESSFUL. THE NEW AEROBEE, 16 FT. LONG AND 14 FT. IN DIAMETER, ROSE TO A HEIGHT OF 70 MILES REACHING A SPEED OF 2,800 MPH. A SOLID PROPELLANT BOOSTER LIFTED IT OFF THE LAUNCHING TOWER TO SPEEDS OF 1,000 MPH IN THE FIRST SECONDS AND FELL OFF. PROPELLSION LASTED ONLY 45 SECONDS BEFORE THE TOP SPEED WAS REACHED.

## Today's Meditation

Read Ephesians 1:15-23.

Christ . . . loved the church, and gave himself for it. (Ephesians 5:25.)

More than thirty years ago, in the midst of the anti-Christ movement in China, a young man was told that the church had this and that bad within it.

This young man answered, "I don't know many things, but I know I came from a poor family; if there were no church, I could not have received any education. My wife and many of my friends are Christians. They are not so bad as you have said."

The man who had said so many bad things about the church had nothing more to say.

Why do I love the Church? I love it because I myself am growing spiritually and mentally in the fellowship of the church. Our children are trying to be good citizens. All our Christian friends are doing good things for the church and for society.

We need the Church as sheep need the fold. We should feel as King David felt in saying: "I had rather be a doorkeeper in the

## Weekly Cotton Insect Report

Lack of rains during the past week has been favorable for increased early season cotton insect activity. Reports from over the area indicate that infestations have often been heavy, with resulting damage very apparent. Prevailing high winds have hampered control operations.

Thrips were reported in medium to heavy infestations throughout the area. Heavy hatching and continuous movement of the in-

house of God, than to dwell in the tents of wickedness."

### PRAYER

Our heavenly Father, we thank Thee for Thy Son, Jesus Christ, who came and founded the Church. Guide us that in the Church we may grow in the love and knowledge of Christ and that we may become perfect in Him. In His name we pray. Amen.

THOUGHT FOR THE DAY  
Christ is our good Shepherd, and the Church is our fold.  
—Wen T. Lin (Sarawak)

sects into cotton fields caused rapid increases in populations on cotton, particularly in Crosby, Lamb, and Lubbock counties. Under such conditions, control has often seemed rather poor. Infestations on cotton in the southern part of the area have decreased somewhat, with improvement in plant appearance.

Where populations of thrips are heavy and movement into cotton fields continues, the interval between treatments should be shortened to 4 or 5 days. Doses of recommended insecticides should also be increased toward the upper limit indicated in the Teas Guide for Controlling Cotton Insects.

Grasshoppers were present along turnrows and other uncultivated land in all counties. These insects were also present in many fields, although feeding on cotton had not been observed in a majority of fields. The hoppers were reported moving into fields from grassland in Gaines, Hale, Lubbock and Mitchell counties. Damage was generally confined to the outer edges of cotton plantings. As grass and weeds dry or mature, cotton should be checked frequently so that control practices may be used once feeding on cotton is observed.

Fleasnoppers were found in light infestations in the earlier planted fields in most localities. Light to medium infestations were reported in some fields in Castro, Lynn, and Swisher counties.

Aphids, flea beetles, and garden webworms appeared in medium to heavy infestations in parts of scattered fields.

## WASHINGTON NEWS LETTER

By Senator Lyndon Johnson

Dear Friend:

A labor bill designed to drive racketeers and crooked officials out of the union movement and to protect the rights of workers, management, and the people generally has been reported to the Senate by the Labor Committee.

The bill has the support of Senator John McClellan, the Arkansas Senator who has led the Senate investigation into labor racketeering. Senator McClellan is probably better informed about the evils growing out of dishonest labor leadership than any other man in the country. He has given close study to proposed labor legislation, and he suggested several strengthening amendments to the bill.

An analysis of the bill, as reported by the Committee, shows that it would have the following important effects:

\* The right of secret ballot would be guaranteed union members in selecting their officials.

\* Crooked or rigged elections would be contested in Federal courts under a system provided by the bill.

\* Fair standards to govern union trusteeships would be established, and a time limit would be placed on them so that no union would be under trusteeship for an indefinite period.

\* The spotlight of publicity would be focused on "middle-man" deals that are against the best interests of the working man.

\* Effective reporting of union operations would be required.

\* Union leaders and officials would be required to reveal any personal financial transactions having a bearing on the manner in which they conduct their re-

sponsibilities in order to disclose any conflict of interest.

\* Needed barriers against the control of union by crooks — by unreformed, convicted thieves, embezzlers and extortionists — would be erected.

\* Union treasuries and trust funds would be protected against misappropriation and embezzlement.

\* Criminal penalties would be imposed against men who give bribes and men who take bribes in labor-management relations.

\* Union officials would be prevented from using union funds to perpetuate themselves in office.

\* Important financial records on election ballots would be required to be preserved.

\* It would make ineligible for office convicted criminals and union officials who willfully falsify or destroy records.

These are worthy objectives. The bill does not, of course, cover all areas in which legislation is needed. But its enactment would represent some long steps in the right direction.

In the opinion of men who have thoroughly explored the problem, it is a bill that, if enacted and properly administered and enforced, will drive many unsavory characters out of the union movement and strengthen the position of honest, decent unionism and its leaders.

That is an objective on which the great majority of Americans can unite.

## Alicel Club Wheat Crop In Plains Offers Promise as Food and Forage

Farmers in this area may soon be hearing a lot about a new (to this area, at least) variety of wheat, now being grown on a 15 acre plot by Owen Broyles, 8 miles north of Muleshoe. Another plot, not yet planted, will be grown by the Gunter brothers, west of town.

The variety is Alicel Club wheat, and it was developed by the Oregon Experiment Station, and brought to this county by J. K. Adams, the county agricultural agent.

Said to produce an exceptionally fine grade of flour, suitable for cake and cookie baking in the commercial trade, Alicel wheat bears but little resemblance to varieties commonly grown on the Plains.

The head is short and fat, with two distinct rows of grain-bearing husks, and it is beardless, which makes harvesting easier.

In addition to its value to the commercial bakery trade, Alicel club wheat appears to offer a decided advantage to farmers with cattle for grazing. The plant bears a wide leaf, and is highly palatable. Since it is new here, no one in this area has grazed any yet, but it would seem to offer much promise as forage.

Mr. Broyles got his wheat from Adams, who had it shipped in last summer. A second shipment will be divided between Broyles and the Gunters in the next few weeks.

Broyles sold a quantity of his harvested wheat last summer, getting \$5 a bushel from neighbors who wanted to try the new variety.

OWEN BROYLES stands in a field of Alicel Club wheat on his farm north of Muleshoe. Despite some bug infestation, the grain is expected to produce a high yield this year. (Journal Photo)

## Quality Cotton To Be In Good Demand Despite Leftovers

Extra rewards await the cotton producer who succeeds in producing a high-quality crop this year, while discounts for low quality will continue to be stiff, reports Fred C. Elliott, extension cotton specialist.

The abundance of low grade cotton that was left over from last year's crop will continue to depress the market for lower grades, points out Elliott. However, he adds, the present outlook for the 1958 crop indicates a continued shortage of high grade fiber.

A late spring, shortages of good seed, and too much moisture have

contributed to a poor start for cotton this year in many areas. But the specialist says there is still plenty of opportunity to aim for high quality through careful management and harvest practices.

These practices include weed, disease and insect control; fertilization at rates based on Extension Service recommendations; irrigating for good maturity in areas where it is done with special reference to cutoff dates; careful harvesting and ginning; keeping low and high grade fiber separate and selling on grade.

Almost a third of last year's cotton crop classified as spotted resulting in a lower grade for the 1957 crop than for any year on record.

Much of this spotting could have been avoided through better management practices, says Elliott. Widespread failure to ad-

here to such practices weakens cotton's position with synthetic and other fibers in marketing for many uses. And this in turn, contributes to cotton surpluses and depressed prices.

County agricultural agents can provide the latest information on how to grow cotton for quality, and how to preserve that quality in harvesting and ginning.

## Cooking In Foil Is Good Tip For Trips

For a camping trip, a picnic, or a meal in the backyard, food cooked in aluminum foil is delicious and easy to do. You can bake and serve in the foil and save on dish washing.

Vegetables, meats and fruits can be "pressure cooked" in their own juices this way, with only a bit of seasoning, shortening, butter or bacon added for flavor and moisture.

For best results, extension foods and nutrition specialists offer these suggestions. Wrap carefully—piece of foil should be large enough to allow for drug store wrap. Place food in center. Add butter or fat and seasonings. Fold edges until tight on food. Double the layer around the food by repeating the process with another piece of foil.

Place package directly on a bed of hot coals. Never use a flaming fire (except when using a reflector oven).

Cooking time will vary with type of firewood, wind strength and other factors. Recipes can give only approximate time. Turn food package at approximately half its cooking time.

Serve contents directly from the wrap, doing away with a dish or plate.

Details on foil cookery are given in the bulletin on "Food For Camp." Get a copy from your local county extension agent's office.

## MISS HINES VISITS

Miss Marcia Hines, of Amherst, was an overnight guest in the home of Mr. and Mrs. W. F. Birdsong Thursday night. Miss Hines has recently returned from three years as a missionary in Africa.

## Lone ★ Agriculture

By JOHN C. WHITE, Commissioner

### D-DAY FOR GRASSHOPPERS AND FIRE ANTS

The Texas Department of Agriculture has declared open war on two major farm pests—the grasshopper and the imported fire ant—and is engaged in active battle on two vital fronts in East and West Texas.

The two enemies are being engaged in separate campaigns benefiting their individual tactics. The grasshopper, an ancient foe, has been met in a pitched battle in several Panhandle counties with a mechanized force of eight federal-state spray units. These units are working along major roadways to prevent organized movement and regrouping of hopper offenses in highly strategic points such as field crops and rangeland.

On the eastern front, federal-state "demolition" troops are waging more subtle warfare on the imported fire ant through means of a federal-state quarantine recently imposed in six East Texas counties. A new adversary, the native South American fire ant first began its march on Texas last year after having been introduced into Alabama several years ago.

Natural movement of the ant is rather slow; however, "subversive" movement by means of mechanical transportation of soil from one area to another provides a quick, free ride into unconquered territory. Therefore, the new anti-ant campaign will involve a complete check on movement of all products capable of carrying the fire ant from the quarantine

## New Standards For Grading Potatoes To Become Effective Here On July 15

Potato growers and handlers of this area will begin operating under a new schedule of grading standards on July 15, according to an announcement by the U. S. Department of Agriculture.

The revised standards, the first major changes in potato grades in 25 years, were developed by the USDA with close cooperation of trade representatives. Suggestions for further improvements have been invited.

Under the new standards, there will be no U. S. Extra No. 1 grade. Instead, there will be a newly defined U. S. Fancy grade, similar to the former U. S. Extra No. 1, except that it calls for higher requirements for maturity, shape and cleanliness.

In addition, the new standards involve modifying the definitions of "damage" and "serious damage", to improve the accepted standards of U. S. No. 1, U. S. Commercial and U. S. No. 2 grades.

Scoring of defects in all grades now is based solely upon the individual potato, not on the general appearance of defective potatoes in the lot. Changes in size classifications also are included and tolerance for oversize is reduced from 15 to 10 percent. A new Size C classification has been established to include potatoes ranging from 1 inch to 1½ inches

in diameter. Copies of the new standards may be secured from the Fruit and Vegetable Division, Agricultural Marketing Service, USDA, Washington 25, D. C.

## Dairy Judging Team Places 7th In State Meet

counties into uninfested areas. Although grasshoppers far outnumber the fire ants and are capable of doing more actual crop damage, the hoppers are not ordinarily so bothersome. The fire ant is notorious for both its painful bite and sting and does most of its harm through discomfort caused to humans and animals. In heavily-infested areas, field work by farm laborers is extremely difficult and sometimes impossible.

In addition to the initial spray entrenchment against the grasshoppers along Panhandle highway right-of-ways, an air attack involving spraying of at least 500,000 acres of privately-owned rangeland has been approved. Counties involved in the grasshopper campaign include Dallam, Sherman, Hansford, Oehltree, Hartley, Moore and Hutchinson. Fire and quarantine counties include Jasper, Newton, Tyler, Hardin, Jefferson and Orange.

The Bailey county 4-H dairy cattle judging team, in their first time out, won seventh place in the Holstein division of the state dairy cattle judging contest at College Station last week.

Competing against more experienced teams from all over the state the boys made a creditable showing, J. K. Adams announced.

Adams said there were 22 teams in the contest, and the Bailey county team won first in their district.

Members of the team included Nelson Shipman, Jim Mitchell, and Jack Carney.

It seems this girl was so cr-azy about the service she got from her Phillips 66 Dealer that she'd buy only one gallon of Flite-Fuel at a time : : just so she'd have an excuse to come back oftener:

It was rather trying for this Phillips 66 Dealer, considering all the free services he provides for every customer on every visit. Brushing out inside the car, for example: Cleaning the windows all around. Checking the tires, battery, and radiator:

It turned out just about as you'd expect. Such an obliging fellow, she decided, would be a handy man around the house. So she hooked him.

The trouble is; of course, that most Phillips 66 Dealers are so dedicated to their jobs that household chores get short shrift. No moral here for wives. Obvious moral for motorists:

# 1958 WHEAT HARVEST Is almost underway

## To market a bigger, higher-quality crop use Du Pont MANZATE

MANEB FUNGICIDE

"Manzate" offers effective, one-chemical control of fungus diseases of these crops:

- TOMATOES— Both blights, leaf spot and anthracnose
- POTATOES— Early and late blight
- LETTUCE— Mildew
- CABBAGE— Mildew and leaf spot
- CARROTS— Leaf spot

Du Pont "Manzate" maneb fungicide simplifies your disease control program. It does an effective job straight through the season—there's no need to switch from one chemical to another. "Manzate" is tough on fungus diseases of tomatoes, potatoes, lettuce, carrots, and cabbage, yet is mild in action — permits plants to achieve the full vigor of normal growth.

"Manzate" may be used alone as a dust or in dust mixtures. And it is compatible with commonly used insecticides, such as methoxychlor, DDT, DDD (TDE), sulfur, organophosphorus compounds, calcium arsenate, rotenone, and pyrethrum. Order Du Pont "Manzate" maneb fungicide from your dealer today. For further information, write: E. I. du Pont de Nemours & Co. (Inc.), Grasselli Chemicals Department, 1100 E. Holcombe Blvd., Houston 25, Texas.

On all chemicals, always follow label instructions and warnings carefully

Lazbuddie News Letter...

# Lullaby Shower Fetes Mrs. Watts Tuesday

by Mrs. Clyde Monk

Gerald McGehee and Odie Bradshaw left Friday morning on a six day trip to St. Louis, Mo., and Chicago, Ill. The boys were going by bus along with other winners in a contest sponsored by Farm and Ranch magazine. This contest was open to FFA boys and with the cooperation of the whole class, two winner from the Lazbuddie class are getting this all expense paid trip. Their teacher, Mr. Jack Black, will join the group in Oklahoma City to make the trip with them. Plans are not complete when they left but they were to see two major league baseball games while gone.

The home of Mrs. J. D. Carpenter, Jr. was the scene of a Lullaby Shower, Tuesday afternoon, June 10 honoring Mrs. Billy Watts of Farwell. Mrs. Carpenter was assisted with hostess duties by Mmes. Kenneth Seales, Frank Hinkson, C. D. Gustin, Loren Howard, David White, Wayne Moore, and Misses Patsy Weaver and Clo Ann White.

The mantle was decorated with a lovely arrangement of baby blue mums and silver sprayed greenery with a miniature stork peeping through the arrangement held in a pink wicker cradle and flanked on either side with pink and blue candles. A large pink and blue satin ribbon bow

on the front of the mantle completed the decorations.

The serving table was centered with a large stork surrounded by tiny pink rose buds. Refreshments of pink punch white cake squares covered with blue icing were served with plate favors of miniature checkered three cornered diapers filled with mints. Mrs. Watts was assisted with the opening of the gifts by her mother, Mrs. Finis Jennings and a sister-in-law, Carolyn Watts and all were presented with corsages made of baby rattlers and ribbon. Others signing the guest register besides those already mentioned were Mmes. Bud White, Leland Gustin, Ernest Nowell, Bernard Seay, V. H. Bewley, J. B. Jennings, Don McDonald, B. Whitt, Albert Carroll, Gene Harlage, Also Johnny Nowell and Theresa Jesko and Vicki.

Mr. and Mrs. Bernard Seay and Mr. and Mrs. Finis Jennings were in Plainview Friday, where they attended an all day district meeting of the Methodist churches.

Mrs. Jack Husband and her daughter, Carolyn, from Amarillo visited last Thursday in the home of a niece, Mr. and Mrs. Bill Brown.

The Jackie Brown, Claude Watkins, Bob Jones, W. G. Harlan and Allen Grusenford families took advantage of the unexpected vacation brought on by the rain and spent last Friday at Alamogordo Lake, boating and water skiing.

Mr. and Mrs. E. A. Parham, Sharon, and Terry spent last week doing some fishing at Lake Stamford. They also visited their parents, the W. M. Parhams in Merkel, the Y. B. Mayfields at Anson and with Mrs. Parham's sister, Mrs. Mary Vassar in Abilene. Mr. Vassar has not been well for quite some time.

Mr. and Mrs. Jim Sybert and daughter, Nancy from Denton, spent the weekend visiting their parents, Mr. and Mrs. Leon Smith and family and his parents, who live at Morton.

The next meeting of the Midway Home Demonstration Club will be held Tuesday, July 1, in the home of Mrs. Glen Splawn of Muleshoe.

Mr. and Mrs. E. E. Engelling returned home last week from Newkirk, Okla., where they attended the funeral of Mr. Enkelking's father, Mr. and Mrs. Richard Engelling and children and Mrs. Floyd Embry were also in Oklahoma to attend the funeral. They returned home on Sunday.

Ronald and Linda Ashford returned home last week after vis-

## Chevrolet Builds Its 39,000,000th

Pretty Ann Garner Long, 16-year-old brunette daughter of Lieutenant Governor Edward V. Long of Missouri, gets ready to drive the 39,000,000th vehicle made by Chevrolet Motor Division off the assembly line at Chevrolet's St. Louis Corvair

plant last week. With her are her father, seated at left, and Edward H. Kelley of Detroit, general manufacturing manager for Chevrolet. Eight band majorities peek through large numerals at the gold-painted sports car.

iting several days with their aunt and uncle, Mr. and Mrs. E. L. Merriott in Dalhart.

Mr. and Mrs. Junior Stout from Plainview visited Sunday with her parents, the Barney Floyds. Other visitors in the Floyd home were Mr. and Mrs. R. G. Treider, Sr.

### Visit Menefees

Mr. and Mrs. Norman Wright and boys from Albuquerque, N. M., spent the weekend here in the home of his uncle and aunt, Mr. and Mrs. W. S. Menefee. Other visitors in the Menefee home on Sunday were Mr. and Mrs. Joe Cox and children, Farwell; Mr. and Mrs. Kenneth Reeves and family, Dimmitt; Mr. and Mrs. Sam Long and family, Hereford; Mr. and Mrs. Ted Treider and son, and Mr. and Mrs. Juel Treider. The Longs were accompanied by Chang, who is formerly of Korea, but now working in Hereford.

Mr. and Mrs. Walter Steinbock and Mrs. Nealy Moore were dinner guests Sunday in the home of Mr. and Mrs. Seaborn Moore of the Pleasant Valley community.

Sunday dinner guests in the Bill Lancaster home were Mr. and Mrs. Pete Lancaster of Slaton.

Willie Steinbock and Gordon Duncan were in Ft. Worth on business over the weekend.

Mr. and Mrs. J. T. Mayfield, Marsella and Ronald spent the weekend visiting his parents, the

Y. B. Mayfields, in Anson, his sister in Sweetwater and on Sunday attended a Mayfield family reunion in Abilene.

Mr. and Mrs. Shelby Bewley and son, Gary, were recent visitors in the home of his parents, enroute to their home at Darby, Mont. They were returning from the funeral of her father in Jamestown, Tenn.

Mr. and Mrs. Glen Stevens visited Sunday in Lubbock with his sister, Mr. and Mrs. Grady Watkins and other relatives. Mr. and Mrs. Dean Stevens from Albuquerque, N. M., were also present for the reunion.

Visitors last week in the Jess Pendergrass home were her brother, Mr. and Mrs. Reese Hester and children from Eunice, N. M., and Mr. and Mrs. Cecil Wiley from Lubbock.

Mr. and Mrs. Paul Templeton are the parents of a new baby boy, born Tuesday, June 10. The young man weighed 7 lbs., 2 ozs., and has been named Gary Michael. The Templetons have three other children, Pauletta, Terry and Gaylon.

Mrs. John R. Crabtree and Pamela from Levelland spent the weekend with her parents, the R. L. Forresters. Reggie Crabtree of Levelland also spent the weekend with his grandparents.

Mr. and Mrs. Ernest Nowell, Johnny and Jan were Lubbock visitors Sunday with his sister, Mrs. S. V. Taylor and family.

Gayla Seaton spent last week at the Pan-Fork Baptist Encampment held in Wellington.

Mr. and Mrs. L. A. Reed and Doyle spent the weekend at Spur visiting with her parents, Mr. and Mrs. Dick Mathis and family. Mr. Mathis, a heart patient in the Crosbyton Hospital, hopes to be dismissed in another week.

Mr. and Mrs. C. C. Matthews, accompanied by Miss Evelyn Matthews from Lubbock and Mrs. Melugan of Slaton, are vacationing this week at Lake Buchanan, Corsicana and other points of interest.

Fathers Day guests in the home of Mr. and Mrs. E. L. Clark were Mr. and Mrs. Calvin Clark and Janice, Butch Ryder, Larry Gunner, Mr. and Mrs. Andy Brown and Sonya, Mr. and Mrs. Albert Clark, Mr. and Mrs. Wayne Clark, Loy Dale, Danny, Bob and Jerry Templar. Before bedtime, the group took a swim in the tank that is kept ready during the summer months.

Thursday night supper guests of Mr. and Mrs. L. A. Reed and Doyle were Mr. and Mrs. Albert Jones of Houston and Mrs. T. D. Reed and Gail Ivy.

Mr. and Mrs. George Taylor

from Levelland visited last Thursday with Mr. and Mrs. C. C. Matthews.

Mr. and Mrs. J. J. McDonald and Kim, Mr. and Mrs. Don McDonald and children were all picnicking at MacKenzie Park Saturday. Others of the family there were Mr. and Mrs. Johnny McDonald and Billy Wayne and Mr. and Mrs. Leroy McDonald, all of Farwell.

Mrs. J. H. Clay has been at the bedside of her father, Mr. W. B. Lawrence, who is a patient in an Amarillo hospital, for the past ten days.

**Irrigation Installations Featuring TWO WORKHOSE LINES OF ALCOA PIPE**

New Alcoa® Lite-Line Irrigation Pipe... priced low, brings high-yield benefits of irrigation within reach of every farm. Lite-Line is a welded pipe, built to give years of profitable service under all normal irrigation needs.

Alcoa Lite-Line has a stronger alloy, excellent corrosion resistance. It's clad to withstand harmful minerals and chemicals. Extra interior smoothness cuts pumping friction. Uniform diameter insures full-rated performance.

Alcoa Standard... the heavy-duty Alcoa Pipe that pioneered portable irrigation. For years our engineers have recommended it for our complete irrigation systems.

Alcoa Standard is a seamless extruded pipe. Full-thickness walls guarantee extra dent resistance, even under the most rugged conditions.

We stock a full line of quality irrigation equipment... pumps, couplers, sprinkler heads and Alcoa Pipe. Our trained engineers will help you develop an irrigation system to water your land right. We'll be glad to figure with you.

# Bula News Briefs

by Mrs. John Blackman (Omitted Last Week)

Miss Sue Johnson was hostess Thursday night to several of her friends at a slumber party in the home of her parents, Mr. and Mrs. D. T. Johnson.

The girls had a weiner roast at 8 o'clock. They sang and visited until midnight when a dumb supper of fried chicken, salad and strawberry ice cream was served.

At 3 a.m. the group called an end to the evening and went to bed.

Those attending were Lennell Claunch, Opal Bogard, Sammy Reynolds, Judy Young, Sandra Spence, Shirley Cox, Kathy Arch-

er, Kathy Phillips, Sandra Angel, Linda Holt and Sue Johnson

W.S.C.S. met June 4 at 2:30 p.m. in the church building with six ladies present. Mrs. Blackman was in charge of the lesson.

Program opened with a song, "Saviour Like a Shepherd Lead Us". Mrs. Simmons then led the prayer.

The group continued their study of the life of Christ.

Those present were: Mmes. Paul Young, Nettie Blackman, F. L. Simmons, Billy Bradford, P. M. Lancaster, and one visitor, Mrs. Nettie Groves of New Gulf.

Visiting over the weekend in the John Blackman home were Mr. and Mrs. Jim Moren of New Gulf, Texas. Mrs. Nettie Groves returned home with them after a month's visit here with Mrs. B. L. Blackman.

## Ladies of the Church of Christ

met Tuesday morning at 10 o'clock for their regular weekly study with 14 ladies present. Lesson was taken from the 3rd chapter of the study book, "Christian Home". Mrs. Beale and Mrs. Harper opened and closed the lesson with prayers.

Present were Mmes. Dutch Cash, Bennie Claunch, W. A. Beal, Kenneth Black, Ronnie Fisher, Fred Archer, B. S. Setliff, Lula Harlan, T. L. Harper, James Withrow, Wayne Swart, Jerry Ray, Martin Maxwell, Bradley Robertson and John Blackman.

Mrs. Gene Bryan had charge of the children with seven in their class.

Mrs. B. L. Blackman, Mrs. P. M. Lancaster and Mr. and Mrs. D. T. Johnson were in Amherst Sunday afternoon. They attended the program and tea sponsored by the W.S.C.S. of the Amherst Methodist Church.

Mr. and Mrs. T. L. Harper and son, Craig, and Mr. and Mrs. Jack Hicks and daughter, June, attended the house warming given for the L. G. Fox family in Littlefield.

Sunday visitors in the W. B. Gage home were Mr. and Mrs. Irvy Carlisle and children of Friona, and Mrs. Carlisle's mother, Mrs. Duncan of Anson.

Miss Beverley Snodgrass of Ft. Worth is visiting this week with Doris McBee. Beverley attended Bula school until two years ago.

Miss Jo Hubbard attended church services at the East Side Church of Christ in Morton Sunday, and visited Miss Dorance Bratton of Morton.

Army Pvt. George W. Autry, son of Mr. and Mrs. Edd Autry of Enochs, has completed eight weeks of basic training at Camp Chaffee, Ark., and is now on a thirteen day leave, visiting his parents. He will return to Camp Chaffee for further training.

Mr. and Mrs. Dee Parkman and girls of Pettit were lunch guests Sunday in the C. W. Parkman home.

Mr. and Mrs. Gene Bryan visited Sunday afternoon in the Dee Sims home at Littlefield.

The C. K. Holt family was honored Tuesday afternoon at the annex of the Methodist Church with a miscellaneous shower to help them with some of the loss they sustained when their home burned.

Miss Sharon Holt has returned to El Paso to attend summer school at Texas Western College.

Mrs. Byron B. Lee of Sundown visited Tuesday morning with Mrs. C. K. Holt. Mrs. Lee and Mrs. Holt have been life long friends.

Mr. and Mrs. Edd Crume and girls, Donna and Diane, spent the weekend at Eastland, visiting her parents, Mr. and Mrs. R. L. Parker.

After Bible study Wednesday night at the Baptist Church, everyone attended a fellowship

## H. D. CLUB Chatter

(Omitted Last Week)

Indications are that there will be an abundant fruit crop this summer and I know you will be interested in making some of it into jams and jellies. The conventional method of cooking jams and jellies is a very good one, but you may want to add some variety in flavor by making some of the uncooked jams and jellies. Of course, you do not have to wait for the new crop of fruit for you can use the frozen fruit as well.

Here are some recipes you may like to see:

**Uncooked Orange Jelly**  
1 box (2½ ounces) powdered pectin.  
2 cups cold water.  
1 6-oz. can frozen orange juice concentrate.  
¼ cup strained fresh lemon juice.

¼ cup sugar.  
Dissolve the powdered pectin in cold water in a 1-quart bowl. (Add pectin slowly, stirring constantly. It is important to have the pectin completely dissolved.) Allow to stand for 45 minutes, stirring occasionally.

Thaw orange juice concentrate by placing the can in cold water. Pour into a 1-quart bowl. Add lemon juice and 2½ cups of the sugar. Mix well. (All of the sugar will not dissolve.)

Add the remaining two cups of sugar slowly to the dissolved pectin. Stir until all of the sugar has dissolved. No crystals should be visible.

Add the juice-sugar mixture to the pectin-sugar solution. Stir constantly until all the sugar from the juice-sugar mixture has completely dissolved.

Pour into cooled, sterilized jelly glasses or freezer containers. The glasses can merely be covered with aluminum foil. Allow the jelly to stand at room temperature overnight, or at least six hours. Jelly will not be quite so firm as cooked jelly. Makes 5½ cups.

The pectin solution may be made and stored, covered, in the refrigerator. It will then be immediately available for preparation of the jelly at any time.

**Uncooked Grape Jelly**  
1 box (2½ ounces) powdered pectin.  
2 cups cold water.  
1 6-oz. can frozen grapejuice concentrate.  
¾ cup sugar.

Grape jelly is prepared in exactly the same way as the uncooked orange jelly, except that 1½ cups of sugar are added to the thawed grape juice. The rest of the pectin solution. (The grape jelly sets more quickly than the orange.) Makes about 5½ cups.

**Cherry Jam**  
4 cups ground cherries.  
1 package (3½ oz.) pectin.  
5½ cup sugar.  
¼ cup lemon juice.  
1 cup light corn syrup (optional).

Put ground fruit and lemon juice into a two quart bowl and stir well. Sift in slowly the pectin, stirring vigorously. Set aside 20 minutes, stirring occasionally. Add the corn syrup (if used). Mix well. Gradually stir the sugar. Homemade ice cream and cake were served.

Mr. and Mrs. J. W. Richardson spent last week fishing and visiting relatives at Rush Springs and Cash, Okla.

## gar into the fruit and pectin mixture.

Put into jars and chill 24 hours in deep freeze or freezing compartment of refrigerator. Store in freezer or refrigerator. Makes 4 pints.

Use the same method to make black and red raspberry, strawberry, boysenberry and loganberry jam except:

Strawberry add the lemon juice after the sugar has dissolved.

Red raspberry, boysenberry and loganberries need no lemon juice.

**Uncooked Jam With Frozen Strawberries**  
3 10-oz. pkgs. frozen berries.  
½ cup cool water.  
1 package (3½ oz.) jelly pectin.  
¼ cup sugar.

Thaw the frozen berries. Sift 1 package of jelly pectin into the thawed berries, stirring vigorously. Set aside for 20 minutes, stirring occasionally. Stir in sugar and mix well. Add the lemon juice. Put into jars and store in refrigerator or freezer. Makes 2½ pints.

Use the above method to make red raspberry jam except omit lemon juice.

## Lazbuddie News

(Continued From Page 4)

**Home Ec Class Meets**  
The adult summer homemaking class met last Wednesday afternoon in the homemaking cottage in the first of a series of three classes to be conducted. Cake decoration was studied under the direction of Mrs. John Bond. The traditional birthday cake, along with the "doll" cake and a Fathers Day cake were all decorated with special instructions for making making "flowers".

Another class on "You and Colors" was conducted Wednesday. The last meeting will be June 25 and will be under the direction of Mrs. Travis Reed on "Principals of Flower Arrangements". Present for the first class were Mmes. R. G. Treider, Don Strahan, Alfred Steinbock, V. W. Rannals, J. G. Ward, John McGehee, Demp Foster, Ed Steinbock, Raymond McGehee, C. A. Weir, John Bond, the homemaking teacher, Mrs. Diane Reed, and Misses Beverly Smith and Johnnie Nowell.

Mr. and Mrs. Jarrett Pinckley and Sue spent the weekend in Merkel visiting relatives.

Mr. and Mrs. Woodie Splawn from Whiteface, Mr. and Mrs. Glen Splawn and Benny, Muleshoe; Mr. and Mrs. Howard Splawn, Pam and Kenny, Muleshoe, and Mr. and Mrs. Jackie Brown, Judy, Sandy and Jody, honored their father, Mr. C. M. Splawn, in the traditional way Sunday in their home. Other visitors in the afternoon were Mr. and Mrs. Jack Tate from Lubbock.

Mr. and Mrs. Jess Pendergrass and Susan spent the weekend in Brownfield with her brother, Preston Hester and Sunday attended a Hester family reunion. Susan

accompanied her grandmother, Mrs. L. C. Hester and an aunt, Mr. and Mrs. Bob Trigg, back to Abilene to visit this week.

The J. B. Wrights had their three daughters together Friday and Saturday at their home. They were Mr. and Mrs. Kenneth Stone and girls, Frederick, Okla.; Mr. and Mrs. Ray Lovejoy and son, Lovington, N. M., and Mr. and Mrs. June Wagnon and girls Muleshoe.

Mrs. J. B. Young, Cooper and Steve were in Amarillo Saturday where Cooper was on "Cotton John's" TV program in connection with 4-H work. While in Amarillo the Youngs visited with Mr. and Mrs. Earl Chitwood, Mr. and Mrs. M. F. Barnes, and Mr. and Mrs. Tony Barnett. Mrs. Barnett, the former Francis Tucker, was a grade school classmate of Mrs. Young.

Saturday night visitors in the Jimmie Black home were Mr. and Mrs. Gene Smith, Mr. and Mrs. Max Steinbock, Mr. and Mrs. Ted Treider and Mr. and Mrs. George Whitworth.

Mr. and Mrs. Don Briggs from Ft. Worth were weekend visitors in the home of their parents, Mr. and Mrs. Doc James and Mr. and Mrs. H. H. Briggs. The Briggs also attended the wedding of her niece, Rosetta Simms.

**Mason Preaches**  
Rev. E. Mason filled the pulpit at the Baptist church Sunday in the absence of their regular pastor, Rev. Bill Curry, who with his family, are on vacation.

Mrs. Euel Mitchell and Jan visited last Wednesday in Littlefield with her mother, Mrs. J. J. Williams and her sister, Mrs. Efton Graham.

Mr. and Mrs. Truman Gleason, Linda and Bobby vacationed last week at Lake Stamford, and visited their parents, the Y. B. Mayfields and L. F. Gleasons in Anson.

Mr. and Mrs. G. R. Boatride from Fillmore, Calif., visited last Wednesday night with Mr. and Mrs. C. C. Graef and other relatives.

Sunday visitors in the H. H. Briggs home were his parents, Mr. and Mrs. W. H. Briggs, Lubbock, and two brothers, Alton Briggs, Lubbock and Jess Briggs, Denver, Colo.

Mary Hartsell returned home last week from a visit with relatives in Oklahoma.

A Fathers Day dinner and get-together was held Sunday in the home of Mr. and Mrs. D. B. Ivy. Present also were, Mr. and Mrs. W. H. Gammon, Mr. and Mrs. Joe Briggs, Mrs. Reece Wilterding and children, Tullia; Mr. and Mrs. Everett McBroom and daughter, Mr. and Mrs. Roy Daniels, Mr. and Mrs. J. W. Gammon and girls and Mr. and Mrs. Denton Thompson and family, Morton.

Mr. and Mrs. Robert Edwards from Pampa visited Sunday with her parents, the Fred Gallmans. They were accompanied by Billy and Eddie Edwards.

## Escape Tornado

The J. T. Eubanks family are working in the wheat harvest in the Tullia district and were there when the tornado struck recently. They were working on the Weeks farm, who is a nephew to Mrs. Eubanks, and had quit for the day, leaving for Tullia and were only 15 minutes away when they looked back and saw the twister. Mrs. Eubanks says, "We can always say what we would do if something like that happened to us but one really doesn't know until he is faced with it."

Gary Merriott celebrated his third birthday, by going with his parents, Mr. and Mrs. Lonnie Merriott to Dalhart and spending the weekend with his grandparents, Mr. and Mrs. E. L. Merriott.

Mr. and Mrs. Lee Mason and Mr. and Mrs. Wayne Hardage and children enjoyed a Fathers Day get-together with their parents, the Lacy Hardages.

Mr. and Mrs. Lester Rannals, Dorothy and Kenneth from Borger were Sunday visitors in the home of his brother, Varney Rannals, Leroy and Stanley Rannals, both from Borger are staying with Mr. and Mrs. V. Rannals, and helping with work in the fields.

**"I cook complete broiler meals for my family—thanks to my Electric Range!"**

**Broiler Recipe...**  
Here's the recipe Mrs. Wadley used when these pictures were taken. It's a complete, delicious broiler meal — one you'll want to try.

Steaks 2 cans Mexican Tomatoes Grated Cheese  
2 cans asparagus 1 can pimiento

Drain liquid from cans of vegetables and arrange in bottom of the broiler pan. Place asparagus down center of pan. Place pimiento strips down the center of asparagus. Arrange 1 can of Mexican on each side of asparagus. Season vegetables with salt and pepper.

Wipe steaks with damp cloth, score fat around edges to prevent curling. Place on rack of cold broiler pan, season, and place under broiler unit of electric range so the top of the steak is four or five inches from the broiler unit.

Turn oven control to Broil. Leave oven door ajar. Cook on one side until brown (about 12 minutes). Turn and broil other side (about 10 minutes). Cut tomatoes in halves and put grated cheese on top. Arrange on broiler rack just before steaks are done.

**REMEMBER WHEN?**  
by JOHN CROW  
He was just a rookie pitcher that nobody knew. Bill McKechnie, manager of the Cincinnati Reds that year, thought the young hurler was a comer and had confidence in him. Although he'd only won five games in the minors the year before, McKechnie made him a regular on his staff. His name was Johnny Vander Meer.

Johnny got off to a good start that year, tossing a shutout in his first game... but there was nothing in his record to prepare the baseball public for what happened in June.

On June 11th against Boston, Vander Meer was suddenly catapulted into national fame when he pitched a no-hit game. Few hurlers ever achieve this greatest of pitching feats... and it's likely that no pitcher will ever match what Vander Meer did... for on June 15th, against Brooklyn, he accomplished the incredible by pitching his second successive no-hitter!

Remember the year?  
In those days a car buyer was suspicious of the incredible... especially claims of unbelievable savings on a new car. He had to be shown in black and white that he was getting more than "paper savings".

The year was 1938.  
We'll be glad to show you in black and white just how much we can save you on the longer, lower new 1958 CHEVROLET. We don't make wild claims... but we can give you a better deal — and we'd like to prove it! Come in this week!

**Free... Two Outdoor Bug Lamps!!!**  
See the versatility of electric cooking, first-hand. Your Reddy Kilowatt dealer will give you a personal demonstration of an electric range PLUS a certificate good for two free bug lamps. Yellow bug lamps, which fit ordinary sockets, eliminate most of the light that insects see, yet provide a soft, comfortable light for outdoor living.

### GO TO FT. HOOD

Mrs. Glenn Watkins and Mrs. Tommy Bratcher spent last weekend at Ft. Hood, Texas with their husbands who are there for a two week training period.

## Parmer County Farm Bureau News

by Raymond Euler

The Reciprocal Trade Extension Bill passed the House with a good margin the other day. This is the bill that has assisted in getting many farm commodities to foreign nations and out of U. S. warehouses. A happy note regarding this bill is that practically every segment interested in it agreed on it. Among them are: AFL-CIO, U. S. CofC, American Bankers Association, American Farm Bureau, National Grange, National Farmer's Union, Catholic, Protestant and Jewish groups. Even major newspapers were in agreement. We are at a loss as to why Walter Rogers voted against the extension, however.

The political rally held out at the Black community house last Thursday night was a success, as just about all the meetings held out there. We were late getting out there, but Gilbert Kaitwasser and Jack Patterson were

there from start to finish. Bill Flippin did a good job selling the boxes, and everyone enjoyed eating the contents.

Monday night, Farm Bureau directors, weed committee men and county officials met in the office in Friona to look into the proper procedure to follow in combatting the grasshoppers in the county. Tuesday night, a public meeting was held in the school house in Friona on the same subject. FB president Kaitwasser had called the Monday night meeting prior to the announcement of the Tuesday night one, but they both contributed to the success of any plan inaugurated to stop grasshoppers.

There will be a Farm Bureau contest in Parmer county again this year. This will be the sixth annual contest held in Parmer county, and some very charming girls have entered each year. We hope this will be the year that we can provide the state queen. The contest committee will have further information in the news in a few days.
