Plans Are Being Laid for Fight On Johnson Grass

County Judge Tom Garrard reports that definite steps are being taken by the commissioners' court for the eventual eradication of Johnson grass growing upon the county's roadways.

At a recent meeting of the court Lonnie Williams was appointed to see about getting the necessary equipment with which to destroy the grass, and Pat Swann was appointed to look into the matter of poisoning the grass and the best method of destroying it in the county roads.

One day last week, Judge Garrard and Commissioner Williams spent one entire afternoon at the Tech College inspecting machinery and studying methods used in killing the grass, and the Judge says that they procured a lot of valuable information.

Commissioner Pat Swann, he says, has also been making a study of the best and most economical measures to be employed in eradicating the grass.

The court will meet again next Monday and go over all the facts learned to date, he says.

It is contemplated that the court will launch a campaign to eradicate the grass, which he declares will be an enormous and expensive job, for there are several hundred miles of road affected. Before spending the vast sums of money required to kill out the grass the court wants to be sure of the best and cheapest methods that can be employed, so that the job may be done in a business-like manner and in the most effective way without any wastage of public funds.

Negroes Urged Not To Vote At Present

Henry Sayles, for a long time one of the leading colored citizens of Tahoka, is making a plea to members of his race this week not to vote in the Democratic primaries to be held here on July 22. His communication follows:

To all loyal colored Americans: We are facing a problem that we haven't faced before as Negroes, the problem of voting. Let's be fair, let's be men and women, and not be led away by politicians. Let's stay out of politics until the war is won. Our boys need our support.

I am 59 years of age and have been paying a poll tax for 38 years, and the idea of voting has not been interesting to me. I would advise you to let politics alone for awhile. Instead of participating in politics at present, I think it would be better if we would cooperate in having better schools in order that our people may be better educated and understand better how to go into politics in the future. Let's not let the Negro vote question be made a political football.—Henry Sayles.

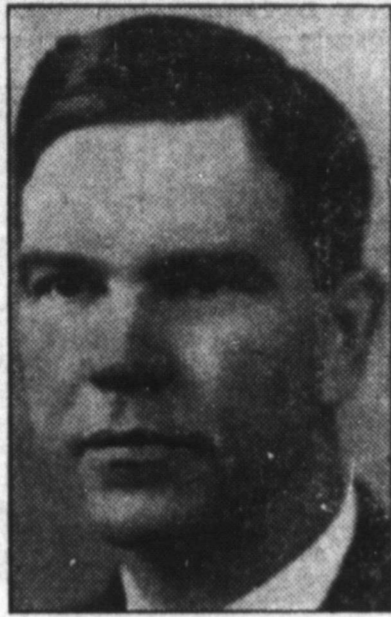

Heavy Shower Falls In Tahoka

A fine rain fell in Tahoka and contiguous territory Monday afternoon, amounting to .93 of an inch as measured by the government rain gage kept by The News.

The rain covered only a limited territory outside the city limits of Tahoka, however, extending up the Lubbock highway no further than the roadside park. It is said to have reached a distance of four or five miles up the Santa Fe railway but only a few miles east of town and a short distance west and south.

The amount varied considerably in different localities too, being much heavier about two miles north of Tahoka, and it varied considerably at different points in the city limits. W. L. Knight, who has a rain gage almost exactly like a regular government gage, reports that 1.21 inches fell at his home, four blocks from the gage kept by The News.

GEORGE MAHON

Geo. Mahon Home From Washington

Congressman George Mahon is taking advantage of the recent recess of congress to visit among the people of the 19th District. Mahon was a visitor in Tahoka Tuesday and stated that he would be back another day soon to meet and talk with more of the voters.

Mahon is a candidate for reelection, and this week he issued the following statement to the people of Lynn county:

"Congress is in recess and I have returned home to visit among the people of our Congressional District. In our district there are 25 counties, dozens of towns and more than a quarter million people. Naturally, I will not be able to see a large proportion of the people between now and the primary July 22.

"This is meant as a personal word to the people of Lynn county. You have been generous to me beyond measure in the confidence you have shown in me and the support you have always given me. I have aggressively championed the rights of our people, seeking in every possible way to serve our people and our nation well in matters great and small.

"Our problems and difficulties have been many. I know that you are interested in many matters but that the war and the welfare of your sons in the service are your greatest concern.

"Our country's progress in the war has been amazing. I join you in the hope and prayer that victory will come sooner than we can now foresee. I have great faith in the stability of our country. Victory, peace for the longest possible span of years, and a better America for all our people are uppermost in my thinking in my service in Congress.

"I warmly thank you for the opportunities for service which you have given me and I pledge my best in the difficult and tragically important days ahead."

Rev. Price Accepts Tahoka Pastorate

H. P. Caviness, member of the pulpit committee and recently elected moderator, or presiding officer, of the Baptist Church, read a telegram Sunday from Rev. L. W. Price of Merkel accepting the call of the church recently extended to him to serve as its pastor.

He stated, however, that he could not begin his services until August, on account of previous engagements. He is expected to move to Tahoka early next month.

In the meantime, the church is preparing to have some repairs made on the parsonage.

APPENDIX AND TONSIL OPERATIONS REPORTED

The office of Dr. J. W. Sinclair reports the following cases of surgery.

Removal of tonsils for Patsy and Delois Griffin of Ft Worth on June 23; also a tonsillectomy for Mrs. Claude Cooper of Tahoka on June 27.

Appendectomy for Mrs. Claton Eudaly in the Price Hospital in Lamesa June 27.

Judge Chester Connolly is reported to have had a "bad night" Monday night and is not doing so well this week.

Sgt. Leroy Sikes Missing In Action

Staff Sgt. Edgar Leroy Sikes, Tahoka has been missing in action over France since June 19, according to a message received Friday by his wife, Mrs. Lillie M. Sikes, from the Adjutant General, office of Secretary of War.

Sgt. Sikes was top gunner and first engineer on a B-17 bomber and was with the invasion forces over Normandy, France. He was a grandson of Mrs. W. E. Sikes of Tahoka and lived with her most of his life. He would have been 22 years old on June 20, the next day after he was reported missing in action.

He was reared in the county and graduated at Tahoka high school in May, 1941. He was married to Miss Lillie M. Clinton on March 11, 1942, and one little daughter, Sandra Lee, now 19 months old, was born to them. He was employed at the Piggy-Wiggly store for a year or more here before being inducted into the Army on September 10, 1942.

He took his first training at the Lubbock Army Air Field and was then sent to San Marcos. From there he went to Gulfport, Miss., where he took training as an airplane mechanic, was then sent back to Harlingen, where he was given his first training as a gunner, and finished off as gunner and engineer at Tampa, Fla. His wife is the daughter of Mr. and Mrs. Charlie Clinton of Tahoka.

Pugh Murder Case Is Set For Monday

A special venire of 100 men is being summoned this week in the Bud Pugh case, which has been set for trial next Monday.

Pugh is charged with the murder of Deputy Sheriff Con Burns on the streets of O'Donnell on Thursday night, June 10. At a habeas corpus trial a few days ago he was denied bond by acting District Judge J. E. Garland of Lamesa and is in jail.

District Attorney Rollin McCord will be assisted in the trial by County Attorney Calloway Huffaker. The defendant will be represented by Truett Smith.

Lt. Chas. Gaignat Awarded Medals

1st Lt. Charles Gaignat was awarded the Air Medal and the Silver Oak Leaf Cluster of May 31 by Major General Quesada at some U. S. Army air base in England for action over the European continent, according to Mrs. Charles Gaignat, who received the medal last week end. Charles had completed 35 missions and 50 sorties against the enemy at that time.

Lt. Gaignat is pilot of a P-38 fighter plane, the "Texas Traveler." He is seeing service with a fighter-bomber group and has been in England since early in February. He is a graduate of U. S. Military Academy, West Point.

A daughter was born to Lt. and Mrs. Gaignat a few weeks ago, the first born, which Charles has not seen.

Texas Co. Test Is Said Running High

Drilling on Tunnell wildcat oil well No. 1 six miles southeast of Tahoka has been suspended this week while casing is being set preparatory to going deeper, the contract calling for 6,000 feet.

Drilling was suspended at a depth of 2,165 feet. The structure is regarded as favorable as the anhydrite was topped at 1700 feet, which is 230 feet higher than it was in the old Cowan well 3 miles south of Tahoka drilled 20 years ago.

It is expected that drilling will be resumed soon.

Tahoka Airport Is Given Designation

Official designation of the City and County Airport, Tahoka, has been granted by Civil Aeronautics Authority, Interdepartmental Air Traffic Control Board, Fort Worth Sub-Committee, according to a letter to B. T. Smith, of the Tahoka Flying Club, from Frank W. Cazier, aeronautical inspector, Amarillo.

Tahoka's airport is located two and one-half miles west of town on land which T-Bar ranch lessees are permitting the flying club to use until a permanent field can be acquired.

In order to get designation, Tahoka business men have aided the Tahoka Flying Club to the extent of about \$500 in building a hangar, laying off run-ways etc. Club members have borne the remainder of the expense. The hangar accommodates the club's two Piper Cub planes, but will be enlarged to take care of four or five planes.

The two Cubs have recently been completely overhauled, and are said to be "as good as new."

Designation of the airport will permit visiting planes to land here and permit any private planes to be kept at the field. Also, it is believed the designation will add impetus to this city's application for inclusion on the post-war feeder air lines to be inaugurated in this section.

Lt. H. Burkhalter Wins Air Medal

2nd Lt. Harold B. Burkhalter, son of Mr. and Mrs. W. L. Burkhalter, residing in the New Home community near the Lubbock county line, was recently awarded the Air Medal for "exceptionally meritorious achievement in combat missions over enemy occupied continental Europe," according to announcement made by Brig. General James P. Hodges, commanding general of a Liberator bomber division.

Lt. Burkhalter is a pilot of a B-24 Liberator bomber based in England. He entered the service August 15, 1942, at Lubbock and took his flying training at Garner Field, Goodfellow Field, and Blackland Army Air Field, where he received his wings.

He is a former student of New Home high school and of the Texas Technological College.

CORRECTION

All scholastic transfers must be made during July, instead of during August, as stated by The News last week. Students wishing to attend some other school than the one in which they were enumerated should fill in proper blanks at the office of the County Superintendent, Mrs. Lenore M. Tunnell.

War Bond Sales In County \$490,000, Drive Near End

With Lynn county War Bond sales in the Fifth War Loan Drive at approximately \$490,000.00 Thursday at noon, the county yet needs sales totaling \$200,000.00 to reach the \$695,000.00 quota assessed this county.

The First National Bank of Tahoka reached the \$300,000.00 mark in its sale of bonds. Sales at Wilson were estimated at \$130,000.00, while O'Donnell had sold only about \$60,000.

Both New Home and Dixie communities had exceeded their quotas. Bonds bought by out-of-county concerns this past week included Southwestern Associated Telephone company, \$2,000.00, and P. C. A., \$1,000.00.

Since the Fifth War Loan ends Saturday night, Lynn county will be listed as one of the counties that failed to reach its quota unless the people buy more and more bonds immediately, chairman Truett Smith said.

It is possible that an extension of time may be granted the county to raise its quota, but this is not likely if the national quota is reached.

Work Started On New Sinclair Clinic

Dr. J. W. Sinclair recently purchased the building formerly occupied by Boullion's grocery, situated next door north of Tahoka Drug, and is converting the same into a clinic, which will be known as the Sinclair Clinic.

The building is approximately 20 feet by 90 feet in size and is being cut up into almost a dozen rooms. At the front will be a reception room and a consultation room. There will be two treatment rooms, a surgery room, an x-ray room and laboratory, a diathermy room, and three bed rooms.

The walls are to be plastered and redecorated, the ceiling lowered, and an air cooling system installed. The front of the building is also to be remodeled.

The Doctor contemplates that the building will be ready for occupancy about August 1 or soon thereafter.

The Clinic will be a distinct asset to Tahoka and to the people of Lynn county, and Dr. Sinclair is to be congratulated upon his making this progressive move.

Congratulations—

Mr. and Mrs. Ira L. Burt upon the birth of a daughter at 9:30 p.m. Tuesday at Tahoka Clinic. The little lady weighed 7 pounds, and has been named Wanda Jean.

Mr. and Mrs. W. W. Tuckness of Tahoka on the birth of a son on June 30, weighing about 8 pounds. Dr. J. W. Sinclair officiating.

Mr. and Mrs. James Haigood on the birth of a son on July 3, also weighing 8 pounds and Dr. Sinclair officiating.

Will Add Names To Honor Roll

Lynn county's Service Honor Roll will be brought up to date, if relatives and friends of Lynn county men and women now in the service whose names are not on the board, will call at The News office or at the office of Harley Henderson and fill in the proper form.

Henderson, chairman of the county committee selected to erect the board, said the sign pointer will be here soon to add the additional men who have entered the service, correct the spelling of names in a few instances, and to add a few to the gold star group.

Co-operation of the citizenship is urged in bringing the Honor Roll up to date quickly.

N. S. ABBOTT

Abbott Resigns New Home Post

N. S. Abbott, teacher of vocational agriculture at New Home, has resigned to accept an appointment with the Civil Service commission, Soil Conservation Service, at Lubbock, effective July 1.

Abbott has stressed registered animals and certified seed in boys' projects. During his two years at New Home, he has sponsored many important farmer meetings, set up and supervised a farm shop for use of farmers and students, rendered much service in tending sick livestock of the community, and has been working on the establishment of a canning center, having all of the equipment bought.

Abbott was reared near Abilene, graduated from Texas Tech, and taught in Dawson county before coming to New Home.

Local Men To Attend State Guard School

Lt. H. L. Roddy and Sergeants J. W. Lowrey and Coy Fielder of Co. F, 39th Bn., Tahoka will leave Saturday for San Antonio, where they will attend a special one-week training school of the Texas State Guard at Camp Bullis.

The school is conducted annually under direction of the U. S. Army, Eighth Service Command, and its commandant will be Col. Hobart Brown of Fort Sam Houston.

Instruction will include rigorous field training, martial law, emergency and disaster relief plans, use of weapons, scouting and patrolling.

The school is divided into four weekly sessions. Capt. E. R. Edwards and Lt. H. O. Hargett expect to attend the session which begins two weeks from Sunday.

LEASES SERVICE STATION

Wade Holland has leased the Tahoka Service Station, and took charge of the business Saturday, July 1st. He has had long experience in this type of work, and promises the public the best of service.

PUPILS ENJOY RECITAL
 Pupils of LaVoyle and Mrs. Richardson enjoyed a studio recital last Friday evening, June 30, from 5 to 7 o'clock.
 At the close of the recital refreshments of icecream and cookies were served to Jimmie and Tommy Wharton, Jimmie and Joan Conley, Nancy and Peggy Nowlin, Dot and Shirley Floyd, Howard Cheatham, Bobby Franks, Robert and Ona Belle Jaquess, Carolyn Collier, Patsy Burden, Phyllis Ann Fielder, and the hostesses, LaVoyle and Mrs. Richardson.

Mr. and Mrs. Osa Gattis returned from Cottonwood Wednesday morning, where they had visited relatives and friends and attended business.

HAS MADE GOOD RECORD
 Our present district attorney, Rollin McCord, has made one of the most outstanding records in Texas. He has represented the State in which four persons were given life terms in the penitentiary and three others 99 years each. Out of approximately 400 felony cases tried, he has lost only five. Due to the increased crime wave the past several months, the people want a man as their district attorney who they know to be capable and qualified—that's why you hear so many say "McCord's the man" for district attorney. SOUTHLAND NAVY BOY MARRIES IN NEW GUINEA
 With a Navy chaplain officiating, Miss Betty Lucas, an English girl living in Auckland, New Zealand, and 1/c Petty Officer Carlos H. Wagoner of Southland exchanged vows before the flower-banked altar of the Baptist Church in that city May 8. The bride was given away by a Navy captain.

Mrs. Wagoner is a native of New Zealand. She was employed in a nursery until all women there were drafted for war work three years ago.
 Carlos Wagoner lived at Southland most of his life, graduated from high school there, and volunteered for the Navy in February, 1940. He came home twice during the year he attended Navy School in San Diego. He left the States, which he has not seen since, in May, 1941, going to Pearl Harbor, where he was stationed until after the December 7th attack. Since leaving there, he has seen much action in the Southwest Pacific.

LA VOYLE RICHARDSON WILL STUDY IN NEW YORK
 Miss LaVoyle Richardson left Monday morning for New York City to study the rest of the summer.
 She taught primate lessons four days each week in school here the past year. Also she studied piano and voice at Tech one day each week for the past ten months, making an average of A. She missed only one lesson during the entire ten months.
 She will study piano and voice under Miss Griffing and tap, toe, ballet, stage lighting and setting and costuming for three weeks under Ernest Carlo, and then she will be a student of the dancing masters American Normal and Conference for 15 days, where the most noted instructors of America will be her instructors.
 LaVoyle will teach here again next year.

Mrs. W. E. Sikes had all of her children except two with her here last Sunday. Those present were Mr. and Mrs. E. L. Sikes of Amarillo, Mr. and Mrs. C. R. Riley, and Mr. and Mrs. T. M. Ellis and children of Brownfield, and Mr. and Mrs. O. C. Sikes and little daughter of Tahoka. One of the sons, Roy Sikes of Waco, and one daughter, Mrs. Lenore Strasser of Bakersfield, California, could not be present.

J. T. Bolch returned Wednesday from Torrance, Calif., and announced that he had sold his residence there to give possession in August. Mrs. Bolch and their daughter, Mrs. Gwendolyn Timmons, will remain there through the summer. They are employed in a defense plant.

County Agent Robert L. Stone and County Home Demonstration Agent Miss Carolyn Dixon attended a state meeting of such agents and other extension service workers at the Texas A. & M. College last week.

Mr. and Mrs. Temple Brashear and son of Baird have been here this week visiting her mother, Mrs. J. A. South, and other relatives and friends. Temple, who was reared in Tahoka, is in the grocery business at Baird.

Mr. and Mrs. Coy Fielder left Monday for a two weeks vacation to be spent with relatives and friends at Anson, Rotan, Lamesa, and possibly other West Texas points.

METHODIST CHURCH
 The services will be as usual Sunday. All ages will meet at 10 a. m. for Church School. Preaching at 11 a. m. and 9 p. m.
 The pastor will use as his subject at the morning hour, "The Tired World," taken from the text in Isaiah 6: 1. God is on His throne in the midst of a corrupt and lost world—Christ or chaos. Materialism and humanism have failed to be the balm in this crucial and testing time. To what or whom are you anchored?
 Summer time has arrived, and unless you will make an extra effort to attend all services there will be a slump in every department of church work. Let's not fall in our loyalty to the church and God these hot summer days.
 The McMurry Building and Endowment drive should be cared for at this time and at least one-third of our quota should be met. We got one-third of the quota last year—this is a three year drive.—The Pastor.

B. T. Smith and family returned last week end from California, where he has been working since the close of school in a defense plant. Smith, who is principal of Tahoka grade school, will attend Texas Tech during the second semester of the summer term to do work toward an M. A. degree.

I guess you've seen pictures of those real ancient cars that are quite a fad with some prominent people. I'm no big shot, but folks envy me, even at that, for keeping this car like an heirloom. Oh, some say that any good motor oil would largely do the trick, and they're welcome to believe it. I simply say this: Keeping my engine OIL-PLATED ever since I switched to Conoco Nth motor oil, has helped me beat the curse of engine acids. I got wise that acids from combustion always try to corrode an engine's inside finish, but OIL-PLATING furnishes special protection. A synthetic in Conoco Nth oil, I've learned, behaves almost like magnetism. This makes the working parts attract OIL-PLATING, and hold on to it. It's fastened as closely as chrome plating to keep metal under cover from acids. That would certainly be a check on corrosion, from the minute you switch to an OIL-PLATED engine. So just get Conoco Nth motor oil.

Fred McGinty New Rotary President

Fred McGinty was inducted into office as president of Tahoka Rotary Club Thursday at noon, succeeding Travis Hanes, who has served for the past year.

Hanes reported on activities of the past year and made some recommendations for the future.

Alton Cain reported on progress of the city recreation project.

In accepting the gavel of office, McGinty pledged his best for an active club year. He announced his committees for this year, which began on July 1.

Ted Wagener, theatre manager, was present as a new member of the club. V. F. Jones, a charter member, who has moved back to Tahoka after five years in Lamb county, and Leonard Craft, a member of the club who is keeping up his attendance by attending the Seminole club, where he operates a cleaning plant, were also present.

Miss Echo Milliken, Mrs. Jack Alley Robinson, and Miss Billie Lee Burfison returned Tuesday afternoon from a few days outing spent at Ruidoso, New Mexico.

Donna Sue Milliken and Eva Jo Reid spent the Fourth over at Carlsbad, New Mexico, with the former's sister, Mrs. W. C. Mathis Jr. and family.

KIESCHNECH-WUENSCH

Miss Agnes Kieschnech of Wilson and Melvin Wunsche, son of Martin Wunsche, were united in marriage Sunday evening at 7:30 o'clock in a single ring ceremony read at the St. Pauls Lutheran Church by Rev. R. E. Risko of Sparenburg.

The wedding music was played by Miss Delphine Hahn of Lubbock.

The bride wore a gown of white marquisette. Her floor-length veil of bridal illusion was fastened with a floral headdress. She carried a bouquet of white gladiolas. The bride wore a cameo brooch that was 80 years old for something old. Something borrowed was a wrist watch belonging to a close friend.

Miss Mildred Kieschnech, sister of the bride, was maid of honor. She was gowned in a blue net dress with flowers in her hair. She carried a bouquet of mixed flowers.

Willebald Wuensche served his cousin as best man. The bridesmaids and their escorts were: Frances Wuensche, W. O. Kieschnech; Laverne Wuensche, Clarence Umlang; Lorine Dube, Vernon Teinert.

The bridesmaids wore floor-length gowns of pink net with gathered skirts and flowers in their hair. They carried arm bouquets of mixed flowers.

The flower girl, Lucile Umlang, wore a floor-length gown of orchid net and carried a white basket.

Ronnie Moerbe, carrying the ring on a white pillow, was ring bearer.

The bride's mother, Mrs. Arthur Kieschnech, Mrs. Albert Wuensche, and Mrs. Cecil Wied, wore corsages of carnations.

A reception was held later in the evening at the home of the bride's parents. The three-tiered wedding cake was served by the couple.

My policy has ever been and shall ever be Fairness and Justice to All—which you have a right to expect and demand.
I hope you will be as just and fair to me as you expect me, as County Judge, to be to you.
To fail to return me to the office I have held for such a short time without cause, would be a stain and reflection upon my character and integrity that, in justice, I do not deserve.
If permitted to fill the office of County Judge a full term, I hope and expect to so act and live as to be one of the best loved men who ever held office in our good county.

American forces have suffered the heaviest casualties of the entire Pacific war in their conquest of Saipan in the Marianas, nearly 1500 Americans killed, 7,500 wounded, and almost 900 missing. This seems to be a terrible price to pay for the subjugation of one pin-point island in the Pacific, and all America grieves with the families of the dead and the wounded and the missing, and honors these heroes who were willing to make the supreme sacrifice for their country. But Saipan is the most important island of the Marianas, a strongly-fortified group that lies directly in our path to Tokyo, and its reduction and subjugation are imperative.

If we are to get at the heart of Japan. We may expect to suffer heavy casualties again and again as we approach the Japanese mainland and also as we undertake the re-capture of the Philippines, but that in the end we will succeed in performing both these feats is a foregone conclusion, for the Philippines must be liberated and Japan must be conquered. On with the battle.

We were pleased with the announcement made by the school board recently that as soon as materials may be obtained, the board will begin the construction of a new and adequate school building for the Negroes of Tahoka. While some people are not "sold" on Negro education, we believe that it is our duty to offer them the same educational advantages, in so far as is possible, that we afford to our own people. Education should make of the Negro a more intelligent and useful citizen, just as it does of the white man.

It is too early yet, to predict the outcome of the approaching Presidential campaign. That can not be done with any degree of assurance until after the Democrats hold their convention beginning on July 19. The Republicans are making a show of jubilation just now over the prospects of electing Thomas E. Dewey, but their optimism may turn to ashes when Roosevelt goes on the air and begins his verbal bombardment of the enemy. In our opinion, Dewey will be no match for Delano in a radio combat.

JUDGE ALTON B. CHAPMAN OUT OF SENATE RACE

The Supreme Court of Texas, in an opinion handed down Saturday of last week, held that any person holding a lucrative state or federal office is not eligible to have his name placed on the ballot of the legislature during the term to which he is appointed or elected. Following that opinion, Alton B. Chapman, District Judge of the 110th Judicial District and a candidate for the office of Senator of the 30th Senatorial District of Texas, withdrew from the race. Judge Chapman made the following formal statement concerning his withdrawal:

"On Monday, after the Saturday opinion of the Supreme Court, a Lubbock attorney called me to advise that he had been employed by Mr. Parrish to file an application to keep my name off of the ballot for State Senator. After I had time to study the case, I concluded that the new opinion clearly changes the law as it existed heretofore and that under a contest my name would likely be kept off the ballot. The courts have heretofore held that the legislature is the sole judge of the qualifications of candidates for the legislature, both on law and fact, and that the courts have no authority to even adjudicate the matter. The fact that they even considered the qualifications of a candidate for senate clearly changed the law as it existed prior to Saturday. Of course, I would gladly have resigned my present office in order to stay in the race, but under the opinion of the court that would have made no difference. "I sincerely regret that by reason of the change in circumstances the people have been denied the opportunity to make their own selection for this important office. "I wish to express my deep and sincere thanks to all those who were so unselfishly working in my behalf. My sole motive in seeking the office was a sincere desire to contribute a constructive and respected administration."

WEIDS VISIT SON IN SAN DIEGO, CALIF.

Mr. and Mrs. B. G. Weid and daughter, Frances, and Miss Dorothy Teinert of Wilson returned last week from San Diego, Calif., where they spent a week visiting Milton G. Weid, S 2-c. U. S. Navy. Milton had just graduated from Gunners Mate school and got a 5-days leave, but being unable to come home from such a distance and not expecting a visit from his home folks, he spent his leave in Los Angeles and Hollywood. Being unable to contact him by telephone or telegraph, the visitors had trouble locating him. He was surprised and very happy indeed to see his home folks from Texas. Milton is now stationed at Camp Elliott and likes the Navy very much. Mr. and Mrs. Weid, Frances and Dorothy enjoyed their vacation very much and have many interesting things to tell about California.

Tire Shortage Still Acute In County, Ration Board Says

There are numerous reports by radio and in the papers indicating that both tractor and passenger tires are due to be plentiful now, but our unfilled orders are mounting each month, and our allotments of new tires have been decreased right along. Even though the tire inspector may have recommended new tires, that does not necessarily mean that a motorist will be able to secure a certificate from the board.

Demand for new tires is much heavier than the allotted quota in this county. Please do not apply for any kind of tires until you can not use your vehicle without one tire. If you have four usable tires on your automobile and your spare is in bad condition, you would be eligible for a grade three tire. Only very essential drivers, such as physicians and some other classes are allowed certificates for Grade One tires, to purchase a spare.

We ask that you cooperate with us by filling out your application in full and then leaving it at the office. It is not necessary to look up any member of the board about it. Just write all information you think we should have about your condition, what you are using the vehicle for, etc., on the back of the application, and we promise you the best possible service under present conditions.—Lynn County Tire Rationing Panel.

Hell Diving's HIS Job ...LENDING IS YOURS!

WITH GUNS BLAZING and a prayer in his stout heart, this American fighter is hell-bent on destruction of our enemies. HE is not thinking of how little or how much he's doing to help win the war. For him, the chips are down; but his fighting spirit is as high as the heavens from which his plane is diving.

In cramped foxholes and disease-infested jungles, on sun-scorched beachheads—under and over the seven seas—other Americans are matching his courage. And their name is legion. They KNOW that war is a bloody business; that their lives, as well as yours are

now at stake. You cannot—you must not—let them down.

Is it asking *too much* of you to back these men up by buying more, and still more, War Bonds? There can be but one answer. You'll find it in your own heart.

And remember, too, as you dig deeper than ever before into your pocketbook or cash surplus, that the Fifth War Loan *MUST* raise 16 billion dollars. It is the *greatest financing drive* the world has ever known... to back up the *greatest invasion drive* the world has ever known.

And Here Are 5 MORE Reasons for Buying EXTRA Bonds in the 5th!

1. War Bonds are the best, the safest investment in the world!
2. War Bonds return you \$4 for every \$3 in 10 years.
3. War Bonds help keep prices down.
4. War Bonds will help win the peace by increasing purchasing power after the war.
5. War Bonds mean education for your children, security for you, funds for retirement.

Mrs. W. D. Taylor Died Monday

Mrs. Helen Ethel Taylor, wife of W. D. Taylor of Joe Bailey community, died rather unexpectedly late Monday afternoon in the Lubbock General Hospital after having been a patient there for about three weeks. It is not known whether her death resulted from a blood clot on the brain, from an attack of heart trouble, or some other cause. Her condition was regarded as serious but was not thought to be critical until a few minutes before her death.

Funeral arrangements are being held up awaiting the arrival of a son, W. J. Taylor, a member of the Marines at Quantico, Virginia, who is expected to arrive today, Friday. Funeral services will be conducted this afternoon.

Had she lived, Mrs. Taylor would have been 44 years old on the 16th day of this month. Surviving are the husband and six children, W. J. in the Marines, Evelyn, 17, Carolyn, 15, Leon and Leah, twins, 13, and Keith, 5. Also surviving and here for the funeral are her mother, Mrs. N. A. Harper of Gatesville, Mrs. Dr. Campbell of O'Donnell and Mrs. Myrtle Greer of Sweetwater, aunts; Mrs. Louie Powell, sister, and her husband of Gatesville, and Mrs. S. M. Self, sister of Bee House near Gatesville, and John Self, nephew, and his wife and children of Portales, N. M. Also here are Mr. Taylor's father, W. J. Taylor of Lampasas; his sisters, Mrs. G. F. Lee of Evans, and Mrs. Gilbert Nawlin and her husband and their son of Coryell City; and his brother, Gilbert Taylor of the Army Air Field, Wichita Falls.

The Taylors had been residents of the Joe Bailey community for about 18 years, and Mrs. Taylor had many friends there and at O'Donnell who are deeply grieved at her untimely death.

Mr. and Mrs. C. L. Moore of Smyer, former resident of Tahoka, spent Saturday night here in the home of Mrs. W. E. Sikes. They are grandparents of Leroy Sikes, who is reported missing in action in France.

Grassland News

(By Mrs. V. V. Laws)
Mrs. C. M. Thomas chaperoned eight girls from the Baptist church here to the Encampment at Ceta Gien from Wednesday until Friday.

The Church of Christ is having services every Saturday night, with Bible study on Sunday night.

Rev. Jesse Young, pastor of the Methodist church, is away attending a pastors' school.

Rev. Odell Brown preached to a larger crowd than usual Sunday. Visitors present were: Mr. and Mrs. King and daughter from Mt. Zion, Miss Mary Dikes from near Edith, and Ted McDonald, who has recently moved here.

Mrs. Odell Brown, who recently underwent a major operation at Lubbock General Hospital, is to be brought home this week.

Rev. Pool, pastor of Central Baptist church, preached Sunday. He was accompanied here by his son and daughter and son's wife. His son recently returned from service overseas. Rev. Pool and family are residing in Lubbock, but are planning on moving to the Baptist parsonage at Central.

Cpl. Furman Chapman of Mission is here on a 10-day furlough.

Forrest Chapman is also here to be with his brother and to visit other relatives.

Mr. and Mrs. L. H. Arnold from Dallas, accompanied by Miss Julia Katherine Thomas, were here over the week end visiting Mrs. Arnold and the latter's father, E. A. Thomas.

Mr. Melton left this week for the wheat harvest.

V. V. Laws left last Friday for Wichita Falls to attend the funeral of his brother-in-law, Mr. Hubert Lewis. Mrs. Lewis was the former Miss May Laws, who helped teach Grassland's second school.

Wilson Youth Wins Wings, Commission

William H. Jackson, 19, son of Rev. and Mrs. W. H. Jackson of Wilson, was commissioned a second lieutenant and received the silver pilot's wings of the Army Air Forces on Tuesday of last week at the Altus, Okla., Army Air Field, according to a news dispatch received by The News.

From this advanced two-engine pilot training school, he will go on to further advanced training at a multi-engine bomber or fighter school or to the Central Instructors' School at Randolph Field, after which he will be ready to carry the air attack over enemy territory.

Until recently, Lt. Jackson's father had been pastor of the Baptist Church at Wilson. He himself was a graduate of the Wilson high school and had been a student at Simmons University before entering the service.

A. T. Beard of Redwine was able to be brought home from the West Texas Hospital Wednesday after having been taken up there early Monday morning for what is supposed to have been a gall bladder ailment. He has also been suffering recently from some sort of heart trouble. He is preparing to move into one of his houses here in town within the next few days.

Lt. Clarence Poff Home From Italy

Lt. Clarence Poff, who has been with the 98th Engineers in Italy, is now at home on a 21-day leave for a visit with his wife in Lubbock and with his parents, Mr. and Mrs. J. W. Poff, who reside at Wayside in this county, according to his father, who visited The News office Wednesday afternoon.

Lt. Poff left this country for England on July 1, 1942. He remained in that country till February, 1943, when he was sent to Africa. In December of that year he went with his division to Italy. He left Italy for America on May 18 and later landed at Camp Patrick Henry, Virginia, from which place he was sent to El Paso, and came from El Paso to Lubbock and Lynn counties a few days ago.

As first lieutenant in the Engineers, he had a lot of Negroes under him and his father reports that he gave high praise to these Negroes for the fine service they rendered. One of the duties of the Engineers was to clear out the mines that had been set by the enemy and they had to be careful to discover all "booby" mines that had been set before removing them. In the face of this ever-present danger, Lt. Poff reports that his crew never had a single casualty either in Africa or in Italy.

Mr. Poff has two other sons in the service, T/Sgt. Doyle Poff with the 15th Air Force in Italy and Pfc. Johnny W. Poff with the Marines somewhere in the Pacific.

V. F. Jones Family Returns To Tahoka

V. F. Jones and family, former residents of Tahoka, have moved back with the expectation of making their home here permanently. At the present they are occupying the residence in which they formerly lived, the Mrs. E. S. Davis house, one block west of the G. H. Cain home.

For several years Mr. Jones was Lynn county's very proficient county agent. Several years ago he resigned here and accepted a like position in Lamb county, locating at Amherst.

Recently he resigned his position there to take effect on July 1 and began the construction of a grain elevator in Tahoka. This elevator is still under construction but will be completed in time to begin handling grain for farmers as soon as harvesting begins.

The Joneses are fine people and are cordially welcomed back to Tahoka by the entire citizenship.

FAVORS BETTER PAY FOR PEACE OFFICERS

Fred Erisman of Longview, president of the Texas District and County Attorneys' Association and a candidate for Attorney General, who visited Tahoka recently, has issued a statement in which he favors better pay for peace officers. Under his direction, a survey was recently made showing how low the salaries of some sheriffs and constables of Texas have reached.

"When a peace officer is killed in line of duty," Erisman says, "that's the end of the picture in most of our communities, underpaid, overworked, in the most dangerous profession, and without benefit of pension, insurance, or hospitalization."

"Texas prosecutors and Texas peace officers of the future are going to be well-paid, professional, scientific investigators. . . . Texas now has a marvelous scientific department in Austin and we must keep it ever such, and work to extend the privileges of scientific evidence to every county and community in the state."

If elected Attorney General, he promises to work with the legislature to this end.

Lt. Homan Edwards In Combat Training

Harding Field, La.—2nd Lt. Homan R. Edwards, son of Mr. and Mrs. M. H. Edwards, Tahoka, is currently assigned to the 72nd Fighter Wing indoctrination unit at Harding Field prior to being assigned to one of the Combat Crew Training Schools in the Wing for final training in combat tactics of the Army Air Forces.

Lt. Edwards is married and his wife, Mrs. Wanda Edwards, lives in Tahoka.

JESSE MARTIN CANDIDATE FOR ATTORNEY GENERAL

State Senator Jesse E. Martin, Fort Worth, candidate for attorney general of Texas, is campaigning as "the only ex-service man in the race," who, as a Marine fought in World War I.

He served as assistant district attorney of Tarrant county, three terms as district attorney, and as an assistant federal district attorney. As a state senator, he worked for old age assistance appropriations, teachers retirement, the needy blind and dependent children.

Pfc. Charles Cloe of Fort Benning, Ga., recently visited the home folks here on a 15-days furlough. His wife went back with him to Fort Benning to remain until he is sent across, which he expects to be within about two months.

Veda Ruth Chancy left Thursday for McCook, Nebraska, to spend the summer with her brother, Ray Chancy, and his wife and son. She will return in time for the opening of school here in September.

LAND FOR SALE—

Five sections raw land, good water, no mineral go with sale. Good terms.

Section of land, 500 in cultivation, well water, \$42.50 per acre. 24 1/2 acres, all in cultivation, \$50.00 per acre.

Royalties and leases—plenty to sell. Would like to have more for sale.

64 town lots in Tahoka, \$15.00 cash on each lot. Balance long time.

One million dollars to loan on farm lands and ranches. J. B. NANCE, Real Estate, Tahoka

Mr. and Mrs. C. F. Holland of Mineral Wells and Mrs. Mella Robbins of Whitewright arrived Wednesday night to visit the former's son and the latter's nephew, Wade Holland, wife and son.

Elna Reba Dunagan and her cousin Don Mack Mathis of Carlsbad, N. Mex., who has been visiting, are spending this week with Mr. and Mrs. Wilson Edwards of Floydada.

Gerald Lynn Drager, 4, son of Mr. and Mrs. Ernest Drager, suffered a break of the arm last Saturday while playing with his brother Jimmy.

Mr. and Mrs. C. C. Dwight left early Wednesday morning for Stall Wells, near Throckmorton, where they expect to spend about two weeks for the benefit of their health. Barney may fish a little while gone, too.

RE-ELECT—

George Mahon

To

Congress

CONGRESSMAN MAHON—

1. Occupies a key position in the War effort, being a member of a seven-man Committee on Military Appropriations and is working for victory at the earliest possible moment and return of our boys to their homes.

2. Favors co-operation for a lasting peace.

3. Is a strong advocate of the Pace Bill, which passed the House months ago and requires that all labor costs be included in fixing farm prices.

4. He was original supporter of Rural Electrification program, and is on committee for appropriations for this project. When he was elected to Congress, there was no REA in existence; now there are 10,000 farm homes served by electric lines in this congressional district. Plans are already made for immediate expansion of REA at end of the war.

5. Is strong supporter of Soil Conservation program, and is confident that, at end of the war, Soil Conservation districts will receive additional equipment.

6. Stands for less regimentation of the people and a abandonment of Governmental interference with private business after the war.

7. Contends that strikes have hurt morale and the war effort more than any one thing, and his voice and vote has always been against wartime strikes and profiteers, and is therefore on John L. Lewis' blacklist.

Cpl. Alvin White In Big Baseball Game Played In Italy

The News this week received a large picture from the War Department depicting Cpl. C. Alvin White, son of Mr. and Mrs. Alie White, and two buddies and the Army mascot, at a baseball game in Italy.

Following inscription was attached to the photo: "American League" mascot, Sheila the Sheep, appears confident her team will win the Memorial Day classic staged at an Air Service Command general repair and supply depot in Italy. Coca-cola, hot dogs, and play-by-play broadcast had the 6,000 spectators believing they were at Ebbetts Field, Brooklyn. Attending Sheila is Cpl. John West, Chilli-cothe, Ohio, and two players, Cpl. Chas. Alvin White, Tahoka, Texas, and S-Sgt. Bill Roseberry. Little Rock, Ark."

Cpl. White is in a technical reconnaissance squadron of Army Air Corps. He has been over seas two years last June 3. He was in the invasion of North Africa, and later moved over to Italy after the invasion there.

GATTIS ON BEACHHEAD

Mr. and Mrs. I. I. Gattis had a letter from their son Pvt. Albert Benoy Gattis Tuesday. It was the first letter since the 26th of May. He stated that he is with the 4th Division Assault Troops around Normandy. His division making D-Day landing in France. He states that he has been in combat since the invasion. Benoy states that, "It is pretty tough going at times going without food and water for days and nothing to keep you dry but a good steel helmet. Benoy is pictured in the July 19th issue of the Life Magazine giving a plasma transfusion to a seriously wounded soldier in a dark shirt. According to Stars & Stripes, a copy of which he sent home, the 4th Division has been given credit for the D-day landing in France.

W. J. "Dad" Faires was taken to a Lubbock hospital early this week in serious condition. It is said, with the expectation of undergoing an operation within a few days. The News has had no further information as to his condition.

Time is money— Insure Now!

Don't PENALIZE YOURSELF by delay in taking out the insurance protection you need. To procrastinate in this way is to expose yourself to the hazard of needless financial loss. Why take so great a risk? Remember, that the element of time is extremely important; that time is money. Upon request, we'll gladly recommend the right policy for you.

Special Bulletin---

To Allis-Chalmers All-Crop Harvester Owners and Farmers with **SEED TO HARVEST . . .**

Seed is needed VERY URGENTLY

This is a call to action — now! Livestock feed reserves are running short due to the shortage of SEED for hay and pasture. Your All-Crop Harvester can help meet this emergency. We urge you to enlist your machine NOW in the "Seed Task Force." We are gladly volunteering as headquarters. Register your harvester with us.

If you have no means of harvesting seed, contact us and we will try to put you in touch with a nearby Allis-Chalmers owner. Millions of bushels of high-priced grain sorghum seed have been shattered on the ground unnoticed. An All-Crop Harvester can save this valuable seed which might otherwise be lost.

We recommend that your machine be given the 24-POINT FARM COMMANDO CHECK-UP, which includes reconditioning and adjusting for a BUMPER SEED HARVEST.

It will PAY in a BIG WAY TO SAVE FEED . . . Let's get READY TO ROLL! See us or phone—
