## Lamesa Lucks-Out In Close Game, 7-0, Cowhands Coming

Due to late re-entry of Post into Class A football competition, Tahoka this week has a complication of its football schedule, and was faced with playing the Post Antelopes in that city last night (Thursday) in a conference game, and in meeting Lubbock Cowhands here tonight at 8:30 o'clock.

Boys not used in the Post game, will be used against the Lubbock second stringers.

Last Friday night the Tahoka Bulldogs lost to Class AA Lamesa 7 to 0, in spite of the fact that Lamesa was outclassed in every department of the game and for 58 minutes of the 60-minute game—but, football games are decided on scores, and Lamesa won.

Tahoka ran up 10 first downs to Lamesa's four, and two of the latter were the result of penalties. Although Tahoka had made consistent gains throughout the first half and threatened to score twice, Lamesa had not made a first down at half-time. But in the middle of the third period, Lamesa completed three successive passes, and on the next play Dan Boone, Tornado fullback, carried the ball over for the score.

Failure of the Tahoka boys to punt on fourth-down, and the breaks of the game, probably cost Tahoka its best opportunity to defeat Lamesa.

The Bulldogs are in good condition and have fine morale, except for "Seabiscuit" Caraway, fullback, who has a sprained ankle.

Fans say the Bulldogs looked better against Lamesa than any team in recent years, and are due to win a lot of games this fall. Blocking and team play is good, and Tahoka fans will not be disappointed.

Tonight's game on Tahoka's field gives promise of being a good one.

Thursday night of last week a big, fast Meadow team decisively defeated Tahoka's "B" string, the third and fourth teams, 45 to 0 on the local field. The visitors, one of the biggest teams played here in a long time, have a fine team, and would, no doubt, give a lot of Class A teams plenty of trouble.

## Federal Inspection Is Made of Guard

Major Charles Hartman of the U. S. Army, accompanied by Capt. Bruce Craig and Capt. Krause of the 39th Battalion headquarters company, Texas State Guard, conducted the annual Federal inspection of Co. F, Tahoka, here Monday night.

Though deploring the fact that the local company is not up to full strength in membership, Major Hartman told the company it is one of the best drilled and best disciplined units he has inspected in Northwest Texas. He told Capt. E. R. Edwards and Lts. H. O. Hargett and H. L. Roddy that the company records were in excellent condition.

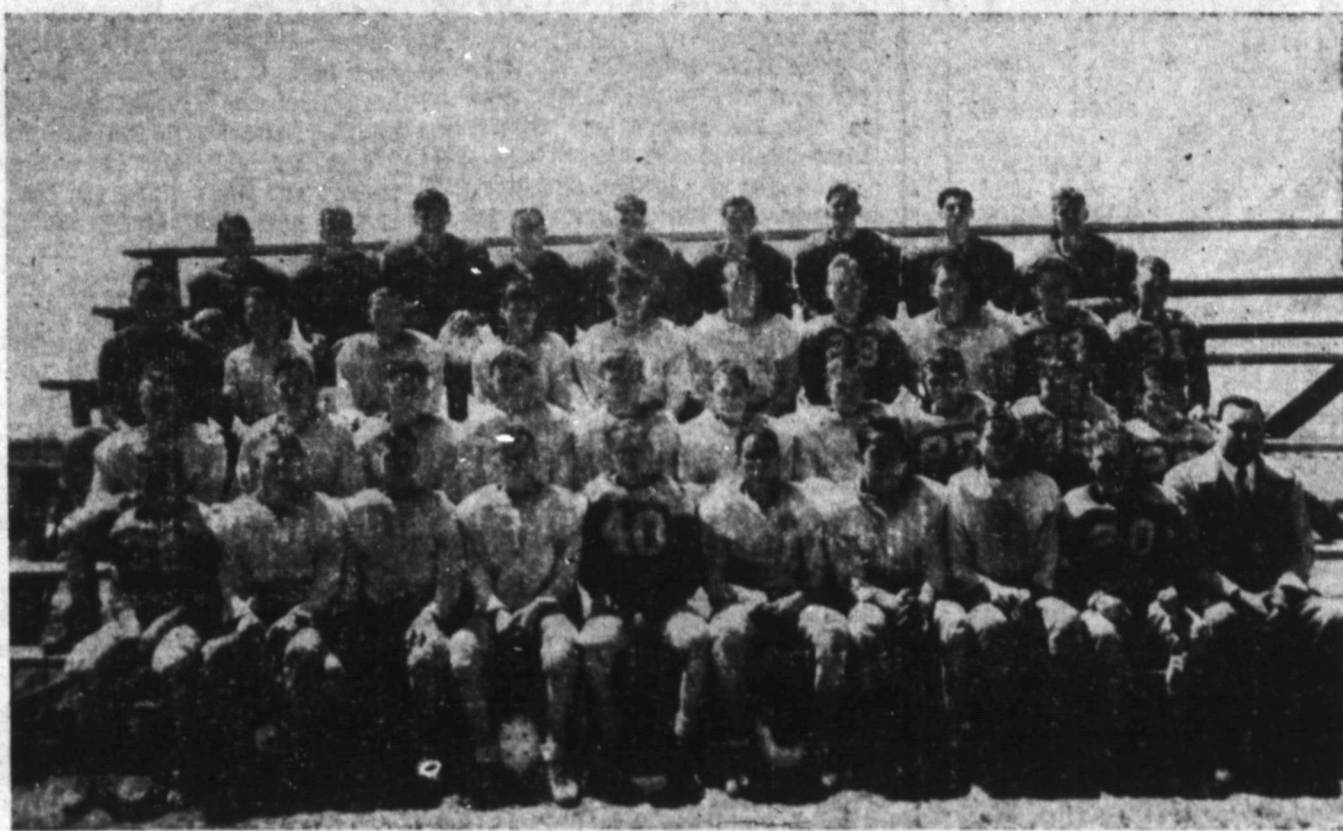

Major Hartman in his talk to the company stressed the importance of the Guard as an internal security safeguard at this time when the National Guard is away and there are constant threats of labor and race riots.

A number of new recruits have been taken into Company F lately but attendance is still light.

Guard members will leave here at 8 p. m. Saturday to attend the annual battalion maneuvers Saturday night and Sunday in Yellow-house canyon northeast of Slaton, at which special training will be given in firing the Enfield rifle, the Thompson sub-machine gun, and in the use of gas.

Guard men will report in full uniform, pack, blanket, shelter half, and arms.

Aviation Mechanist Mate E/c Ralph Gary of O'Donnell, who has been here on leave, left Thursday for his station at Jacksonville, Fla. He was accompanied by his wife, Mrs. Ola Lee Gary, who had been visiting her parents, Mr. and Mrs. D. A. Stevens.

SQUAD—Front row, left to right, Billy Kelly, H. L. McMillan, Pete Shaffner, Bobby Scott, Dan Brookshire, Dwain Vaughn, Buddy Bragg, Arnel Akin, Joe Harvick, Supt. W. T. Hanes; 2nd row, Cleve Barrington, Claude Donaldson, Bill Ramsey, Ray Adams, Donald Hall, Jerry Edwards, Charles Dollins, Jacky Driver, J. A. Dodson, H. R. Tankersley; 3rd row, Coach Jackson, Fred Grider, manager, Billy Stevens, Ray Chaney, Leslie McNeely, Elwayne Chandler, Leroy Clinton, Clois Leverett, Maurice Small, W. J. Kahl; Back row, Billy Barrington, Cecil Dorman, La Vaughn Caraway, Glenn Newton, A. L. Hodge, Bill Grider, J. T. Miller, Irvin Lehman, W. T. Hines. Boys not in picture: Lowell Busby, Lane Jones, Nolan Jones, Wayne Miller, James Tippitt, Don Akin, H. B. McCord, Arvil Evans, Bobby Weaver, Junior McClintock, Randal Hinkle, Roy Poer, Charles Stevens, Billy Oliver, and Jim Ed Poer.

## Several Homes Are Being Built

A number of residences are being constructed, or reconstructed, here in Tahoka at the present time. Many houses evidently would be built if material were available.

Mr. and Mrs. I. M. Draper, who purchased the former Preston place just beyond the south limits of Tahoka, have torn the old house down and are using the lumber in the construction of a neat and commodious modern home.

J. M. Jones, operator of a dairy at the southern outskirts of the town, has also had a nice modern home under construction for several weeks in south Tahoka.

Judge J. W. Elliott, who recently sold his splendid residence on North Main Street to Mrs. Gussie (Albert) Williams of Draw, is building a 5-room house and garage on West N. 3rd Street. It is being constructed of tile, and will be finished outside in snow-white and inside with tinted colors.

Mrs. Williams and family are occupying the former Elliott home. Mr. and Mrs. Carl Williams of Draw also purchased the McBeth home next door west of Calloway Huffaker, near the grade school building, several weeks ago and are occupying it.

Several other small houses have been built and additions made to still others in recent months.

## Sgt. Raymond Warren Awarded Air Medal

Sgt. Raymond F. Warren of Rt. 3, Tahoka, has been awarded the Air Medal for action in the Mediterranean theatre of war. His sister, Miss Willie Warren, brought the beautiful medal to The News office Thursday for identification.

Sgt. Warren, son of Mrs. Roy Goforth, has been overseas for two years, serving first in North Africa, and later in Sardinia. He is with the 17th Air Force.

## New Home Child In Dallas Hospital

Mr. and Mrs. Ed Pollis of New Home recently took their little son Junior to the Scottish Rite Hospital in Dallas to have his crippled leg treated. The leg was placed in a cast from the hip down. The attending physician stated that he might be brought back home in ten or fifteen days, and it is probable therefore that he will be home before this paper reaches the reader.

The little fellow has many friends who are hoping for the rapid improvement and finally the complete recovery of the affected limb.

Mrs. James Minor and Jimmy Marshall of Post visited here Sunday. Mrs. Minor's husband, Major James Minor, is believed to be in France.

## Sgt. Wallace Moffitt Wounded In France

Sgt. Wallace Moffitt, who was wounded while on a mission with airborne troops in France on Aug. 15, has written his sister, Mrs. T. D. Lishman of Rt. 4, that he had received the Purple Heart on Sept. 7.

Sgt. Moffitt wrote from a hospital in Italy, saying that he felt lucky to be alive, as four of the men with him were killed in the glider crash. But, he added, "the mission was a success."

He had been promoted to sergeant recently.

## Burglars Busy Last Saturday

At least two country homes in Lynn county were visited by burglars last Saturday while the occupants were away from home.

A radio and a small tool chest and other items were taken from the home of Mrs. Poer, who lives about nine miles north and two miles west of Tahoka.

Wearing apparel valued at probably \$150 was taken from the Silas Russ residence in the Joe Bailey community. Among the missing articles were two fur coats, a new wool blanket, two satin gowns, three pairs of trousers, three shirts, and other articles of clothing.

The burglars forced their way into each of these residences. The sheriff and his deputies are investigating but no arrests have yet been made.

## COMPLETES COURSE

Werner Schaffner, who recently visited here, has graduated from the Naval Electric Training School at St. Louis, and received recognition as eligible to qualify for the petty officer rate of electrician's mate third class, according to a news story from the school.

## R. L. Gibson Recalls Philippine Service During Spanish-American War of 1898

As U. S. Forces are now threatening invasion of the Philippines, R. L. Gibson has been reminiscing recently about another invasion of those Pacific Islands which took place 46 years ago. R. L. participated in the land invasion, and spent several years in the islands with the U. S. Army ferreting out and subjugating the hostile Spanish and natives.

He was in the assault and capture of Manila Bay, in the Moro campaign, the Mindanao campaign, and most of the other battles that made history 38 to 46 years ago.

Mr. Gibson, who then lived in Dallas, enlisted in the 23rd Infantry Regiment of the Army August 24, 1896. He had served nearly two years when Admiral Dewey sailed into Manila Bay and sank the Spanish Fleet. But, the Navy had no force to take and hold the

## Rotary Clubs Had Barbecue Tuesday

Tahoka Rotarians were hosts to members of the O'Donnell club and wives and friends of the members of both clubs at a barbecue Tuesday evening in the Fred McGinty pasture half way between the two cities. Tahoka was host club by reason of the fact that it lost an attendance contest to its sister city and had to "pay off."

Beef furnished by President Fred McGinty and barbecued by Claud Wells, salads, pies, cakes, "sun-of-a-gun," and coffee made up the menu and the feast was enjoyed by approximately 150 people.

Following the meal, contests were conducted by R. E. Weathers of Tahoka and Naymon Everett of O'Donnell. These included a potato race, sack race, three-legged race, team race, and a rope-pulling contest between the blonde and brunette ladies. These contests, together with a few Ray Weathers stories, furnished much merriment for the crowd.

Everyone who attended pronounced the affair one of the most enjoyable inter-city meetings ever held.

## Lost Dog Ad Brings Too Many Dogs

The News' classified ads. have been getting astonishing results for most of our customers, but here's one customer who got too much results.

W. H. Fulkerson phoned over Tuesday: "For gosh sakes, don't run that lost dog ad. any more that was put in The News last week by my boy, Thomas. It's about to run me nuts. Everybody in the country is bringing in dogs that meet the description, and I'm dog-gone near dog-poor."

Thomas got his pet back.

## Other Young People Attending Colleges

Last week The News omitted a number of students entering the various colleges. The following are also attending colleges this fall.

Clovis Stephens at Abilene Christian College, Abilene.

Jean Slover at Texas Tech.

Billie Greer at McMurry College.

Addie Pearl McKibben at Draughn's Business College, Lubbock.

Joan Edwards at John Tarleton College, Stephenville.

Noble Rumbo at the University of Texas.

There are possibly others not reported to The News.

## United War Fund Drive Succeeding

At least five Lynn county communities have already exceeded their quotas, and the county as a whole is over the top in the United War Chest fund drive. Wallace Kohler, county chairman, announced Thursday.

Those over the top are West Point, O'Donnell, Tahoka, Dixie, and Hackberry.

Though the county quota of \$5,800.00 has been exceeded, other communities are expected to reach their quotas as quickly as possible. The total amount reported up to Thursday morning was \$5,822.87.

The drive was conducted this year by the American Legion post. O'Donnell took the responsibility of its own communities and those of communities nearby.

By communities, the following amounts have been reported.

West Point	\$ 123.00
Draw	17.50
Hackberry	217.25
Midway	42.50
Gordon	30.50
Garnolia	86.00
Dixie	140.25
New Home	234.62
New Lynn	15.00
Grassland	163.00
O'Donnell	2202.00
Wilson	378.00
Tahoka	245.50
Total	\$5822.87

## AAA Program Has Aids For Farmers

Farmers of Lynn county are urged to avail themselves with sufficient and suitable grain sorghum storage and take advantage of the Commodity Credit grain loan, which will net you \$1.67 per hundred on 95 percent of the grain stored in your bin, which contains not more than 13 percent moisture content and grades No. 2 or better.

The local AAA office will honor all F. L. 200 applications for AA 2 and 3 ratings to Lynn county farmers, which will enable you to secure lumber to repair or build granaries or storage places for grain sorghums produced in 1944.

We now are paying six cents per pound on cream, and 45 cents per hundred on whole milk, on July and August sales only. Bring your sales stubs in for these two months, immediately, and obtain this subsidy payment, which is rightfully yours.

Robert L. Adams, secretary, Lynn County ACA.

## Lt. Robert Maddox Receives Air Medal

Lt. Robert Maddox, only son of Judge and Mrs. B. P. Maddox, who was reared in Tahoka, recently was awarded the Army Air Medal for service in the war in the Pacific.

The parents received the medal from Robert a few days ago, but the citation has not been received.

Lt. Maddox is navigator on a transport plane carrying supplies in to the boys on or near the Pacific island battle fronts.

NEW BOOKS AT LIBRARY

Among the new books at Lynn County Library are 15 new novels, including Leave Her to Heaven, Time for Decision by Sumner Welles A Bell for Adano, A Walk in the Sun, and Pastoral by Nevil Shute.

Mrs. G. M. Stewart says that the Library will be open on Saturdays only for the next few weeks.

## Crop Harvesting Gets Under Way, 572 Bales Ginned

Cotton pickers may be seen in many fields now though the gathering of the crop has not yet become general. Ginners reported to The News Wednesday afternoon that 572 bales of the 1944 crop had been ginned in Tahoka up to that time. Six gins are in operation here. It is probable that more than 2,000 bales had been ginned at that time in the county.

Ginners are known to be very conservative always in making estimates of the crop but their estimates are always interesting nevertheless. So the News got the estimates of Tahoka ginners Wednesday of the Lynn county crop this year. Their estimates ran all the way from 50,000 to 75,000 bales, and the low man thought the crop might not even reach the low figures he mentioned, while the 75,000 bale man surmised that the crop might reach 80,000. A majority of the ginners placed the figures at 60,000 to 65,000 bales.

If The News were disposed to stick its neck out, it would guess the high man is nearest to the correct final figures.

Cotton is opening slowly yet due to the recent rains, except in those localities where it had burned badly before the late rains came.

The harvesting of the feed crop has also been greatly delayed by the rain. Many farmers report that it seems to be no dryer now than it was two weeks ago. That indicates, however, that much of it is still maturing and filling out which would have produced a light yield without the late rains. A huge crop is going to be produced.

Handling of the crop, however, has been greatly delayed for lack of railway cars in which to move the grain. Jim Burleson a few days ago wired Congressman George Mahon for any assistance he could give in having cars provided for this area. Mr. Mahon promptly wired back that he would do all in his power to have the situation remedied.

The three elevator companies and two other grain buyers had shipped a total of 141 cars of grain up to Thursday, in spite of the slowness of the crop in maturing and the lack of available cars.

On account of the greenness of much of the maize harvested, the price dropped to \$1.15 and \$1.25 per hundred, but the market began rising again Wednesday.

Middling cotton of 7-8 to 15-16 inch staple is bringing around 19 to 20 cents, loan value. Cotton seed is bringing \$50.00 per ton.

## Airport Engineer Will Visit Tahoka

A Government engineer will be in Tahoka next Tuesday to confer with local citizens in regard to establishment of an airport adjacent to Tahoka, the Chamber of Commerce and B. T. Smith of Tahoka Flying Club have been informed.

E. C. Metz, associate airport engineer, El Paso, of the Department of Commerce Civil Aeronautics Administration, who was here a few weeks ago, will be here Tuesday evening and Wednesday "to investigate airport site possibilities close to Tahoka, and to survey the particular site which best meets all requirements."

A conference of local business men will likely be held with the engineer.

When here recently making plans for post-war aviation, Mr. Metz said an airport to be of greatest value to Tahoka must be as near to the center of town as is possible sible to get it.

Since mail, passengers, express, and some freight will be carried by air after the war, Mr. Metz says, the town that does not prepare early for air traffic may not be up with its neighbors when such service is inaugurated.

Mrs. Woodrow Walker, who recently underwent an operation in a Lubbock hospital, came home Tuesday and is improving satisfactorily.

## War Plants Are Needing Men

"Need for manpower in the nation's war plants makes it necessary that this community divide its manpower resources among its own essential civilian activities with our war plants that are turning out the ammunition, guns, ships, aircraft, trucks, synthetic rubber, and high octane aviation gasoline that are so urgently needed by our fighting forces," so stated F. A. Wells, area director for the War Manpower Commission, today.

In a fast moving recruiting program designed to secure male workers for our own Panhandle war plants in and near Borger, hiring representatives of the L. O. Stocker Company, who are engaged in the construction of high octane aviation gasoline refineries, the B. F. Goodrich Rubber company, the Phillips High Octane Aviation Gasoline Refinery, and the Phillips Butadiene plant will be at the county court room in Tahoka on Wednesday, Sept. 27, from 2 to 6 p. m. A representative of the United States Employment Service will also be with these hiring representatives to insure employers in this community that no worker engaged in essential activity is hired away from them.

"It is not our interest," Wells stated, "to recruit men who are already employed in essential war activities, or workers who are sorely needed in essential civilian activities, but we do feel that there are several men in this vicinity who are not contributing as much to the war production program as they could be. We are also aware of the fact that lack of knowledge of male workers of the seriousness of this need is the primary reason they are not yet in essential war activities."

Pfc. Loy Huff, who has been in New Britain, Southwest Pacific, for 10 months, has sent his parents, Mr. and Mrs. A. A. Huff of New Lynn, an Australian cotin bracelet, a model airplane made from brass shell casings, and an ashtray made from a 105 MM shell casing. Pfc. Huff was in Hawaii for a year prior to going to the Southwest Pacific island.

### NEW HOME H. D. CLUB

The New Home H. D. Club met Friday afternoon, Sept. 8, at 4:00 o'clock in the home of Mrs. B. A. Morrow.

Miss Dixon was present and gave a demonstration on preparing soldier boys' Christmas parcels.

The club elected officers for the coming year.

Delicious chicken salad sandwiches, coffee and tea were served to the following: Mmes. Garland Peek, D. D. Renfro, Charles Armontrout, Clyde Ashcraft Jr., E. R. Blakney Jr., Glenn Allsup, Wyn Overstreet, Graham George, J. W. Shadden, Aubrey Smith, Boswell Edwards, Virgil Haley, Morrow, and Miss Dixon.

The next club meeting will be Friday afternoon at 3:30, Oct. 13, in the home of Mrs. Clyde Ashcraft, Jr.

### CARD OF THANKS

We wish to express our sincere appreciation to all the neighbors and friends who were so thoughtful, sympathetic, and helpful while our son James was suffering so long and so much from his recent injuries. Especially do we thank Dr. Prohl for his invaluable services.—Mr. and Mrs. Guy Smith and James.

J. K. Little of the U. S. Marines, whose home is at Stamford, spent a few days here this week visiting his uncle, Lee White. After spending 13 months of strenuous service with the Marines in the Southwest Pacific, Little became ill and was placed in a hospital in California, where he remained for five months and was then sent to another hospital for three months. He expects to be sent back overseas about October 21.

L. S. Todd of House, New Mexico has been here this week greeting friends while his wife is recovering from an operation which she underwent in a Lubbock hospital almost two weeks ago. Mr. and Mrs. Todd lived in this county for several years.

### R. V. Poindexter In German Hospital, Relatives Informed

Mrs. Thelma L. Poindexter, wife of Pvt. R. V. Poindexter, who is staying in the home of his parents, Mr. and Mrs. J. H. Poindexter at Wayside, received a communication Monday from the office of the Provost Marshal General, Washington, that her husband, who had been in a German prison since Feb. 17, 1943, was now in a hospital suffering from chronic appendicitis, but no operation had been performed.

This report had been received from the American Legation at Bern, Switzerland.

Mr. Poindexter says that patients in German hospitals have the attention of American Red Cross nurses, however, which gives assurance that his son is having proper care.

Mr. Poindexter has another son, Cpl. Roy Poindexter, who is in the service in Italy and who has been in an Army hospital there suffering from fever of some kind, but the last letter from him stated that he was better and expected to be out of the hospital in a few days.

Three other sons are in the service, one in Arkansas, one in South Carolina, and one somewhere in the Southwest Pacific.

### SGT. OLIVER JOHNSON HERE

M/Sgt. Oliver Johnson, who has seen almost three years service in the Pacific and has been here on furlough visiting his parents, Mr. and Mrs. J. T. Johnson, who live seven miles south of Tahoka, left Wednesday morning for El Paso. He did not know what assignment would be given him there.

He has been serving in the Ordnance department in New Guinea, Australia, and other islands of the Southwest Pacific.

### NAZARENES HAVE ZONE MEETING AT GRASSLAND

The Lamesa zone of the Nazarene Church met at Grassland in a zone rally last Saturday.

The subject of the day was "Giving Christ to the Nations." The morning message was brought by Rev. Benson, the Lamesa pastor, and many interesting talks and songs were given throughout the day.

Each church of the zone was well represented with its pastor and a large number of laymen.

Visiting ministers were Rev. Herbert Land of Fort Worth, Rev. Arthur Scuddy of Oklahoma, and Rev. and Mrs. John Ferguson of Atlanta, Texas, former pastor of the church at Grassland.

Rev. Benson of Lamesa was elected general zone chairman; Rev. Charles Wheeler of Seagraves was elected N. Y. P. S. zone chairman; Rev. Austin Moore of Post, Sunday School chairman; Mrs. Ivy Bohannon of Big Spring, W. F. M. S. chairman; and Mrs. Estelle Stanley of Lamesa, secretary-treasurer.

Rev. Levi W. Price left Sunday night after services to visit his wife and little son and new little daughter at Wichita Falls and telephoned back Wednesday that he was moving his wife from the hospital to her mother's in Wichita Falls but that she could not yet accompany him back to Tahoka. He will be in his pulpit next Sunday at both the morning and the evening hours.

### ENTERS WAVES

Dallas, Sept. 20—Emma Dora Kirbie, daughter of Mr. and Mrs. Sam B. Kirbie, Wilson, has enlisted in the Women's Reserve, U. S. Naval Reserve, and will report to the U. S. Naval Training School, Hunter College, Bronx, New York, on September 21 for indoctrination. Miss Kirbie is a graduate of Wilson High School.

### POWERS IS PARATROOPER

Fort Benning, Georgia.—Pvt. O. W. Powers, son of Mr. and Mrs. Buford Powers of Rt. 2, Wilson, has won the right to wear Wings and Boots of the United States Army Paratroops. He has completed four weeks of jump training during which time he made five jumps, the last a tactical jump at night involving a combat problem on landing.

Harold Ray Waller, BM 2/c, now stationed at Bremerton, Wash., has written to his sister, Mrs. O. C. Mensch, that he hopes and expects to be assigned to the new escort carrier USS Block Island when it is launched some time this year. He was one of the crew of the original Block Island, which was the first carrier lost in the Atlantic during this war. Harold Ray visited his parents here, Mr. and Mrs. C. C. Waller, last spring.

Pfc. Allen Lualin, wife and little daughter, Linda Sue, left last Thursday for their home at Dodge City, Kansas, after spending two weeks visiting in Linn county and at Hartlingen.

Rev. A. C. Hardin, former pastor of the Baptist Church here, has purchased the Shawn house in which his family is now living.

Mrs. J. L. Nevill is spending a few days in Amarillo with her daughter-in-law, Mrs. Everton Nevill.

### Sgt. Joe Chandler Home From France

Sgt. Joe Chandler of Quitaque, a recent patient in Ashburn General Hospital at McKinney following a wound received in action in France, and his sisters, Mrs. Carl Patrick and Mrs. E. E. Lokey and children of Lubbock, were visitors here last week in the home of their brother and wife, Mr. and Mrs. Bunk Chandler.

Sgt. Joe was a casualty of the first D-Day invasion, and won the Purple Heart on the 13th day after landing. He went ashore on June 7 and received his wound on June 19.

"We were outside the town of St. George Dupree," Chandler says, "and were being fired on by snipers. I spotted one in a tree, took careful aim, and pulled the trigger. At the exact moment my rifle fired, something hit me in the foot that felt as though some one had kicked me. I got the sniper I was after and if he were alive he would probably be telling how he got me."

Edwin Mathis, S 2/c, of Moffett Field, Calif., arrived Tuesday to visit his parents on account of the serious illness of his father, J. R. (Jack) Mathis, who suffered a heart attack while enroute to Tahoka last Friday morning and has been confined to his bed since. Mr. and Mrs. Mathis reside four and one-half miles southeast of Tahoka.

Mrs. Harold E. Smith, who is employed in San Diego, Calif., left Thursday night of last week for home after a week's visit here with her parents, Mr. and Mrs. Oscar Corley, and her husband's parents, Mr. and Mrs. Guy Smith. Harold is now in France, where he serves with a mobile refrigeration unit of the Army.

### AT JOHN TARLETON

Stephenville, Sept. 21—Joann Edwards of Tahoka will return here Sept. 25 to resume her business administration course in John Tarleton Agricultural College.

She is reporter of her social club, O.W.L.S., president of Association of Women Students Council, which is composed of girls selected for their good grades and disciplinary record, secretary-treasurer of the Senior Class, a member of the Grassburg staff, the college annual, and Aggettes. At the end of last semester, she was awarded the Campus Club scholarship. She also had a featured part in the Senior play.

Pvt. A. D. Rogers of Tindale Field, Florida, is here visiting his wife and little son and her parents, Mr. and Mrs. C. B. Evans. He expects to leave next Monday for an embarkation port at Boston, Mass.

### Congratulations—

Mr. and Mrs. J. A. Wilhite, Tahoka, Rt. 3, upon the birth of a daughter at Tahoka Clinic Sept. 14. She has been named Glenda Darnell. The father is in the Coast Guard. Mr. and Mrs. A. B. Furlow of O'Donnell, Rt. 1, upon the birth of a son, who will be known as Bobby Mack Furlow, at Tahoka Clinic on Tuesday.

Mr. and Mrs. E. R. Blakney of Wilson on the birth of a daughter, weighing 8 pounds 1 ounce at 8:00 a. m. Wednesday in a Lubbock hospital.

Pvt. Billy Harris Smith of Camp Walters visited his parents, Mr. and Mrs. N. W. Smith, of Midway over the week end.

Mrs. Lee White returned Sunday from a week's visit with her parents at Tulla.

### STUDENT EYES NEED GOOD LIGHT

No, Reddy can't really do their sums for young students, or memorize all those tables, but he can solve one big problem—how to see the work with less effort. That's "home work" he knows all about!

Most home study involves hours of reading, writing or drawing. These are all intense eye tasks that demand good lighting. If too much energy is consumed in the mere attempt to see, study and grades suffer.

Light is priceless. Light is cheap. Your electrical dealer probably has light bulbs now in all common home sizes. You can fill all your empty sockets inexpensively. Then follow these simple rules to get the best use of the light you are paying for:

- Keep lights, reflector bowls and lamp shades clean.
- Use the RIGHT SIZE bulb in each lamp and fixture.
- Rearrange lamps for "double duty"—to serve two persons at once.
- Move lamps closer to the point of use, to shed more light directly on the work.
- Reddy's glad to help with home work if you'll let him. Just make sure your light is right!

If you were to go on a hunt, Mr. Voter, and find that your gun would shoot true to aim only eight times out of every twenty-three and that the bullets would be deflected in some other direction about fifteen times out of twenty-three, what would you do with that gun? You would either take it to a gunsmith for repairs or throw it away and get a new gun. Anybody but a moron would do that whether he were gunning for bear or for a President. So, if this strange political phenomenon which we are about to witness in Texas this fall should be repeated many times, we suspect that the people of the United States will throw away that old Presidential-Elector gun that they have been using for a century and a half and provide themselves with the new weapon of direct vote for President and Vice-President. The anti-Roosevelt faction in Texas may have the correct view of the law relating to Presidential electors but they are pursuing a course that is almost sure to result in a radical change of the law if the courts hold that they are correct.

We still believe that wise old Coke Stevenson suggested the best way out when he proposed that two sets of electors, one pro-Roosevelt and the other anti-Roosevelt, should be printed on the Democratic ballot and submitted to the people in the November election. That would have been true to the principles of democracy.

We feel, Mr. Dewey, that the man who wins the war should write the peace.

**Christmas Goodies For Service Men**

By Carolyn Dixon  
County Home Dem. Agent  
When food is requested by boys in the service, prepare it so it will be protected against gases, grease, water, rats, insects, and all kinds of odors.

**Fruit Cake:** Fruit cake is the most popular item requested. Use any favorite recipe for making fruit cake or plum pudding or Boston Brown bread. After the ingredients have been mixed well, pack the mixture into greased R-enamel or plain tin cans. Line the cans with waxed paper instead of greasing cans, if desired. No. 1 or No. 2 cans are more satisfactory than larger cans. Leave 1 to 1 1/2 inches head space. Seal the first roll on the can; then steam before sealing second roll. Steam in a pressure cooker or water bath. In the pressure cooker, leave the petcock open during the steaming. If a water bath is used, have the hot water about two inches below the rim of the can. Steam No. 1 cans for 60 minutes, No. 2 cans for 75 minutes. Complete seal. Put back in cooker and process at 10 lbs. pressure. (Use 12 lbs. pressure in Lynn county) for 30 minutes.

**Pickles and Relishes:** Pickles and relishes are usually canned in glass for use at home to prevent hydrogen springers where the relish or pickle is kept over a long period of time, but if the food is to be used in two or three months, the cans can be used. No. 1 or 2 R-enamel is best. Use any good recipe that is a favorite of the boy to whom it is being sent. If the pickles are thoroughly fermented or cured, the contents of the can can be heated to 170 degrees F. before sealing. This takes about 20 min. in a No. 2 can when it is steamed in a water bath. When the pickles are not well cured or fermented, heat No. 2 cans for 30 to 35 min. At the end of steaming, seal the cans and thoroughly cool them in cold water. Then wash the cans in case any brine or vinegar is sticking to the outside because that might cause corrosion. When canning freshly made relish, pour into the tin can while still boiling. Seal, cool, and it's ready to mail.

**Preserves:** Preserves are one of the most satisfactory products that can be sent. Again use the boy's favorite recipe. At the end of the cooking, or if you have reheated the preserves, pour the hot preserves into R-enamel cans. Fill cans full and leave no head space. Seal, and then invert the cans and let cool in cold water.

**Jelly:** Jelly is handled in a similar manner as preserves. Only it should NOT be handled during the cooling or it may not set properly. Once it is placed in the water to cool, don't remove it until it's cold. Another problem in sending canned jelly is the high temperature the container may be held in transportation. The high temperature of 120 degrees F. that jelly may be stored enroute may break down the jelly. Reheating jelly and then canning is not recommended. Jelly is not as sure of reaching the boys in good condition as other things.

**Cookies:** Cookies may be canned as the conditions that they go through before they reach the boys cannot be foretold. Honey cookies or any recipe using molasses keeps well. Also, butterscotch cookies are very good. Cookies made with dried fruit and nuts usually keep moist.

**Candies:** Put layers of waxed paper between candies or cookies (or wrap each piece of candy or cookie separately with waxed paper) and then fill in the extra space with tissue paper, popped corn, or nuts. Fruit-nut candies, peanut brittle, taffy, and crystallized fruits are the best keeping candies. The fat in chocolate fudge candy seems to break down easily when subjected to high temperatures and long storage—so fudge isn't recommended.

**Meats:** Canned chicken would be one of the best things to send. Barbecued chicken or beef is easily canned. Chili or tamales for the boys who particularly like these foods are recommended.

Mrs. Winifred J. Levens, Food Preservation Specialist of A. & M. College summarizes: "The way to determine what to send... Every man has some favorite food that his mother or wife cooks or cans. Something it is something like black-eyed peas or sausage or smoky kraut. So let's try to send them things that we know they'll like and that will be GOOD when it reaches the boys."

Joe Chastain of Floydada was here the first of the week visiting his nephew, D. V. Smith, and Mrs. Smith.

**Southland News**

(By Mrs. Marvin Truelock)  
Miss Ruth Landers of San Diego, Calif., daughter of Mrs. Annie Landers of Southland, and R. A. Willis, who is stationed at San Francisco, were married last Thursday at the Presbyterian Church at San Luis Obispo, Calif. The sailor-bridegroom only had a two-day leave. They will make their home at Morro Bay, a suburb of San Francisco.

Jesse Owens' brother, Capt. Ross Owens, wrote Aug. 27 that he was in France and expected to be in Germany soon. Their nephew, Pvt. Oran C. (Dick) Owens, was last heard from in May, his letter coming from Hawaii.

Week-end visitors of Mr. and Mrs. J. C. Harris were their son-in-law, S-Sgt. J. D. McCaskill of Lubbock, their daughter, Mrs. G. K. Allen and her husband's niece of Amarillo; their son W. M. Harris and family of Falls.

Mrs. Nettie Kellum's niece, Mrs. Bessie Evans and her daughter, Mrs. Margaret Mosley of Lubbock visited here last week end. They spent Sunday with Mrs. Kellum's daughter, Mrs. L. B. Mathis. Mrs. Evans left Tuesday to visit her husband who is stationed in Georgia.

Monday afternoon Lewis Donahoo was filling the carburetor of his car at the Basinger shop when the gas became ignited. Without looking, he slung the can of burning gas behind him. The gas hit Robert Sartain, setting fire to his shirt. Both boys were rushed to Mercy Hospital, where it was learned that Robert's burns on forearm were his worst, with a few blisters on his shoulder; Lewis suffered a few burns on his arm.

Last week Mrs. Lee Leflor and husband and her sister, Miss Virginia King of Phoenix, Ariz., arrived to visit their parents, the H.A. Kings. Saturday the whole family left for Haskell to visit relatives for several days.

Robert Stotts Spence and Mrs. Minnie Lee Griffith were married Friday morning at the home of Rev. O. J. Harmonson, who officiated. Stotts had lived here until his parents moved to New Mexico last January.

Mrs. D. H. Mayfield returned home Monday from visiting almost a week in Sweetwater and Roby. A week ago she received the message that her brother, an aviator, was missing in action, but learned when she arrived at Roby that the report was a mistake.

A letter recently from Rev. O. E. McGaw, former Baptist pastor here, stated they now live at Loop.

J. I. Bartlett underwent an operation recently at Slaton.

Mrs. Cora Morton of Hollister, Okla., has been visiting her twin sister, Mrs. E. M. Basinger. Mrs. J. M. Haire, their sister-in-law, also has been visiting here.

Connie Field recently underwent another operation on his leg at Scottish Rite Memorial Hospital in Dallas.

Pvt. Arthur V. Stolle is back in

England after having been in France from June 11 to Aug. 25. He was flown back because he had been hit. His letter of Aug. 29 stated he was in a hospital and getting along pretty well—the seriousness of his injuries are not yet known. He is in the Second Armored Division.

Mr. and Mrs. R. E. Parr and daughter recently visited their niece and cousin, Mrs. W. W. Davies, who underwent an operation at West Texas Hospital.

Mr. and Mrs. Henry Cooper and son are visiting his parents, the A. J. Coopers. They expect to settle somewhere on the Plains. He has a medical discharge from the shipyards because of his wife's need for a change in climate from that of the Pacific Coast and because of his own poor health.

Mrs. Essie Watson and daughter, Mrs. Connie Mae Huddleston and her daughter, Vera, of Edgewood, moved here recently. Mrs. Watson is the mother of Elmer Watson and Mrs. Millard Phillips.

Those attending the Baptist Association at Lubbock were: O. J. Harmonson, Dowe Mayfield, M. A. Truelock, and Mr. and Mrs. A. F. Davies. Those from Hackberry: Mmes. Ed Denton and Claude Cooper and Rev. M. O. Rowe.

Gadgets? I love 'em.

A periscope on cars, instead of the little old mirror?... Doors that slide?... Or a sunshine top? Bring 'em on! Till then, however, my one main idea is to keep this car rolling. I need to. You can start naming motor oils or anything else that you think's helpful. First though, I want to warn you not to let engine acids do their worst damage, when you can easily outsmart them by getting your engine's insides OIL-PLATED. Listen, right on a can of Conoco N<sup>th</sup> motor oil you'll read about N<sup>th</sup> oil's modern synthetic. It works something like magnetism. That's how it makes metal surfaces keep hold of OIL-PLATING. Then what if the engine explosions produce deadly corrosive acids, as every expert and his brother will tell you? Those acids still wouldn't gnaw direct at fine steel that's shielded by OIL-PLATING—a real acid-fighter! It fights for your car. While waiting for new ones—who knows how long?—don't delay switching to Conoco N<sup>th</sup> oil.

## Bulldogs Lose To Lamesa Team

Tahoka Bulldogs lost their first game of the season Friday night, when the Lamesa Tornados defeated them 7-0. For 21 years, Lamesa's Class AA team has beaten Tahoka, but this year the game was very close. Lamesa did not score until the third quarter of the game.

The Bulldog "B" team was defeated also on Thursday night by Meadow with a score of 46-0. It is believed that they will fight much harder, however, when they tackle the first conference foe of the year Thursday night at Post.

## Two Assembly Programs Given

The Tahoka students have been presented with two programs in assembly since school started which everyone enjoyed very much.

Rev. Levi Price of the Baptist Church spoke to us on Sept. 5 on the subject, "I'm Proud to be An American."

The following week, Rev. Flowers and his wife spoke to us on "Love for Our Fellow Men." Songs were also sung. Rev. and Mrs. Flowers have been holding a meeting at the Methodist Church in Tahoka for the past week.

### SENIOR CLASS NEWS

On Sept. 13, the Senior Class held its first Citizenship program of the year. Virginia Ray Jones, chairman, and her committee of four presented an enjoyable program on National Heritage. The committee assisting was composed of Ruth Huffaker, Gerry Connolly, Doyle Akin, and Alice Roberts.

On Sept. 18, the class met and chose red and white for the class colors, and "Finished—yet beginning" as its motto. A song will be chosen at a later date.

### CLUB NEWS

Every Tuesday is Club Day in Tahoka High School. Each student belongs to a club, and we hope this will improve school spirit.

Below is a list of clubs and the sponsor of each: Journalism club, Miss Sherrill; Dramatics, Miss Frazier; 4-H, Mr. Stone; F. H. T., Miss Wright; Commercial, Mrs. Adams; T club, Mr. Jackson; Library, Miss Johnson; Correspondence, Miss Jackson (temporarily); Study, Miss Gregory; Band, Mr. Montgomery; Student council, Mrs. Pittman.

### SOPHOMORE NEWS

In home room Monday, the Sophomore class selected its class colors fuchsia and white, and the sweet pea as the class flower. N. M. Barnham resigned as cheer leader, and Nancy Weathers was elected to take his place. The sophomore class intends to select a class song and motto at the next meeting.

## Student Council Is Being Formed

Club meetings were not held last week in order that we might use that period to close our race on the activity tickets. The Freshmen came out winners.

The students met to nominate candidates for our Student Council. Two weeks are to be given for campaigning. Those nominated were as follows:

President: W. T. Hines and Jane Bosworth, Seniors; Billy Travis Hanes, Freshman, George M. Small, Sophomore; J. Fred Bucy, Junior.  
 Vice President: Johnnie M. Anderson, Senior; Gwynell Davis, Junior; Clifton White, Sophomore.  
 Secretary: Nancy R. Weathers, Sophomore; Billie Jo Cowan, Senior; Glenda Spencer and Dorothy Nell Johnson, Juniors.

### JUNIOR CLASS NEWS

The Junior Class had a meeting Monday, and elected Colene Carmack their candidate for football queen. The class also chose the yellow rose for their class flower, their colors as purple and gold, and their motto, "Long live the Juniors of 1944-45 in spirit and activity."

Four candidates to the Student Council have been nominated from the Junior class, J. Fred Bucy for president; Gwynell Davis for vice president, and Dorothy Johnson and Glenda Spencer for secretary.

Juniors, let's get behind our nominees and see them placed in the Student Council offices. The Juniors ask the support of the other classmates in this election.

### HOMEMAKING II

The second year home making girls elected their class officers Tuesday, Sept. 12. Jo Bennett was chosen president; Wynema Pool, vice president; Modena Murray, secretary; Clonnie Mae Gribble, reporter; Margie Fay Thomason, song leader; Joretta Hill, social chairman; Nema Pool, Clonnie Mae Gribble, and Modena Murray, program committee.

Next meeting of the club will be the third Tuesday in October.

### CITATION BY PUBLICATION

The State of Texas.  
 To: Doris Lee, Greeting:  
 You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the First Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday, the 6th day of November, A. D. 1944, at or before 10 o'clock A. M., before the Honorable District Court of Lynn County, at the Court House in Tahoka, Texas. Said plaintiff's petition was filed on the 1st day of August, 1944. The file number of said suit being No. 1873. The names of the parties in said suit are: Henry C. Lee, as Plaintiff, and Doris Lee, as Defendant.

The nature of said suit being substantially as follows, to wit: On or about the 12th day of August, 1941, plaintiff was duly and legally married to defendant at Clovis, New Mexico, and continued to live with her as her husband until on or about the 14th day of June, 1944. Plaintiff is and has been for more than twelve months immediately prior to exhibiting this petition, an actual bona fide inhabitant of the State of Texas, and has resided in the said county of Lynn, where this suit is filed, for a period of six months, next preceding the filing thereof.

Plaintiff says that no child or children have been born as issue of the marriage of these parties and that they have no community property between them.

At all times while married to the defendant, plaintiff has conducted himself with propriety, doing his duty as a husband, has at all times treated defendant with kindness and forbearance, and has been guilty of no act bringing about or causing the hereinafter described acts, omissions, and conditions on defendant's part.

That the defendant, disregarding the solemnity of her marriage vow, and her obligation to treat plaintiff with kindness and attention, within a short time after their said

marriage, commenced a course of unkind, harsh and tyrannical conduct towards plaintiff, which continued with very slight intermission until plaintiff finally separated from defendant on or about the 14th day of June, 1944. On divers occasions while plaintiff lived with defendant as aforesaid, defendant was guilty of excesses, cruel treatment and outrages toward plaintiff of such a nature as to render their living together insupportable.

Wherefore, plaintiff prays that defendant be cited to appear and answer this petition, and that upon a final hearing, he have judgment of divorce, dissolving the marital relations between plaintiff and defendant, and for such other and further relief, either in law or in equity, to which he may show himself justly entitled to receive.

Issued this the 19th day of September, 1944.

Given under my hand and seal of said Court, at office in Tahoka, Texas, this the 19th day of Sep-

## METHODIST CHURCH

Our ten-day revival closed Sunday night with satisfying results. More than a score were received into the membership of the church by baptism, vows, certificate and conversion. The church was helped spiritually—every department—especially the young people's and children's divisions.

The adults rejoiced in the fine sermons, both morning and evening—and especially the morning services conducted by Mrs. Flowers. She will measure up to the best of the ministers of this day in preaching ability. Her discourses were Biblical, pointed, convincing, and persuasive—the strongest will melt to tears under them.

Rev. R. L. Flowers' sermons were top-notch in every way. His choirs were interesting and especially the children's was developed into fine singers, which was enjoyed by all who heard them.

This church has never had better workers among its young people and children than the Flowers party. Their work will abide. They had no hobbies to ride to death. They did not go off at a tangent—but were sane, sincere, kind, appealing and affable. Those who know them love them.

The Sunday school was greatly helped, and there was a notable increase in attendance, some 50 or more.

Sunday will be Church School rally day. Let every pupil be present Sunday. If you have been absent for weeks and months, begin anew Sunday morning.

The pastor will fill the pulpits at both services Sunday, and he urges you to be present. A hearty welcome awaits you.—The Pastor.

### SOUTHLAND LUTHERAN

#### LADIES' AID TEN YEARS OLD

After several discussions concerning the possibilities of a Ladies' Aid here, the Lutheran ladies met July 22, 1934, with the purpose of organizing.

Rev. E. Herber, pastor submitted the constitution he had written, which was adopted, after a few changes.

The eleven charter members were Mmes. August Becker, Ben Wilke, E. Herber, G. Voigt, Walter Stolle, Ed Becker, C. W. Gindorf, Sr., Walter Voigt, Willie Becker, Otto Klaus and O. O. Biels.

With the signing of the Constitution, our Ladies Aid has shown a steady increase in members. It now has 24 active members, only lacking four ladies in the church, having every family represented, and making its membership 100 percent, a goal toward which we are striving. One of our members has been called to the Heavenly Home, and one has moved away. Four presidents have served during this decade.

There have been 111 meetings held, rotating its meetings with the hostesses alphabetically. The attendance has been above the average. Mesdames August Becker and W. Stolle attended every meeting for six years. Mmes. C. W. Gindorf, Walter Voigt and Miss Marie Voigt did not miss a meeting for five years, and all but six of the members have attended every meeting for one year.

Our programs usually followed the church calendar, in so far as they were planned around some special day in the month, such as New Year's Lent, Easter, Pentecost, Reformation, Christmas, also National holidays.

A birthday fund was also started ten years ago, the money used for charitable work: Eloyen memorial wreaths sent to the Trinity Lutheran Home, Round Rock, one to the L. World Action, two quilts and \$5.00 to the home. The fund was augmented by money from bazaars, dues, etc.

We have bought or help buy several things for the church: electric lights, rug and runner, window panes, the silk American flag for the church, 36 hymn books, two subscriptions to the Lutheran Standard and for the two Lubbock Air Fields, \$10.00 for the local cemetery fund, \$13.00 to the Mission in Houston, \$10.00 toward Wilson Church building fund, \$5.00 for Orphan Missions, \$5.00 to help Wilson Aid reaper parsonage, and made several donations to the Lutheran Red Cross and Lutheran World Action, etc.

Our organization observes its anniversary annually with a picnic, and at Christmas time gifts are exchanged.

As in the past, we hope in the future, with God's blessings, the guidance of the pastor, leadership of our officers, and cooperation of our members and congregatin, we may ever strive for greater things for God's Kingdom and His church.—Ladies Aid Reporter.

**R. L. GIBSON . . .**

(Cont'd. from first page)

In San Francisco, Dec. 1, and shortly after his second "hitch" had been completed, he re-enlisted on Sept. 1, 1902, in Co. C. of the 23rd Infantry, and was again sent to the Philippines, where he saw services in the Moro campaigns of 1903, 1904, and 1905. Among the engagements listed are the Fort Bryan campaign Sept. 14, 1903; Munay Valley Feb. 5 to 13, 1904; West Shore Lake Lariis, Mindinao, April 11-15, 1904; assault on Baclod, April 12; Canoyan, April 18; Rio Grande Valley, May 12 to June 11; and assault on Ratu Hill, May 27.

He left the Philippines May 20, 1905. He re-enlisted Sept. 8, 1905, at New York as a musician, but was honorably discharged at San Antonio, Texas, July 1, 1906, after 9 years, 9 months, 23 days service in the Army, most of it in the Philippine Islands during the Spanish American War, Philippine Insurrection, and Moro Campaigns.

Through the many battles and skirmishes, Mr. Gibson never got a scratch from enemy bullets or bolo knives, but he now draws compensation for the long years spent in the Philippine jungles.

Of course the veteran soldier is a great booster of the Army, and has confidence that the Islands where he fought so long will soon be liberated.

M. P. Clinton, who has been in poor health for some time, is reported to be very seriously sick.

**Joe E. McAllister Is Promoted to Captain**

Special to The News:

15th AAF in Italy—Joe E. McAllister, 27, of Tahoka, has been promoted to the rank of captain, it was announced by the 15th Army Air Force headquarters.

Serving as a flight commander with a 15th AAF Liberator bombardment group stationed in Italy, Captain McAllister has led his flight of Liberator bombers on missions over Steyr, Austria, the Ploesti oil fields, the capitals of Hungary, Roumania, Austria, and Bulgaria; he has participated in the destruction of Cassino and has also bombed German-held targets in France and Northern Italy.

Holder of the Distinguished Flying Cross, the Air Medal with four Oak Leaf Clusters, Pilot McAllister has flown over 1200 hours in the United States, South America, Africa, and Italy. He received his commission as pilot at Mather Field, Calif., in June, 1942.

A former student of Texas Technological College, Capt. McAllister is the son of Mr. and Mrs. G. B. McAllister of Rt. 4, Tahoka, the Petty community.

Mr. and Mrs. W. P. Crews of Kilgore visited his sister, Mrs. Jerrell Cox and Mr. Cox last week. Mr. Crews was a delegate from District Two to the Democratic Convention in Dallas and came from there to Tahoka.

D. V. McMillan, a member of the local flying club, made his first solo flight last Sunday, according to B. T. Smith.

**NORMAN GETS WINGS**  
 South Plains Army Air Field, Lubbock, Sept. 21.—Albert N. Norman, Jr., whose wife, the former Miss Auda Mae Aycox, resides in Tahoka, has received his wings as a glider pilot and appointment as a flight officer at the "Home of the Winged Commandos" at Lubbock. Flight Officer Norman is the son of Mr. and Mrs. Albert N. Norman of 2606 24th St., Lubbock.
