## Interesting Legion Program Tuesday

Forty members and guests attended the meeting Tuesday night of Marion G. Bradley Post of the American Legion, presided over by Elmer J. Hendrix, post commander.

Hendrix introduced Marine Sergeant Cade Davis of Lubbock, who had just completed 30 months service in the Pacific and over three years absence from Lubbock, who was in Tahoka visiting his uncle and aunt, Mr. and Mrs. Aubra Cade; Cpl. Roscoe (Toe) Roberts, Garden City, Kan., who is home visiting his mother, Mrs. Becky Roberts and daughters, Misses Dot and Alice; and Mrs. Kendrick of Lubbock, first vice commanded of the Allen Bros. Post.

Mrs. Rafe Richardson and daughter, Miss LaVoyle, were then introduced, who in turn presented several of their pupils in musical and dance numbers. The first was a violin solo by Lafayne Moore, then a piano duet by Jimmy and Joan Conley, Miss LaVoyle then presented three little girls, Patsy Smith, Susie Smith, and Joyce Thorp, in a dance number, "Shortening Bread." Joan Conley gave a piano number, Miss LaVoyle a dance number, and Jo Ann ended the program with a piano solo.

Rev. Levi Price was then introduced and made a wonderful talk, humorous and serious, giving praise to the man in service.

Following the program, a feed consisting of fried chicken, French fried potatoes, and all necessary accessories, which had been prepared by Mr. and Mrs. E. J. Hendrix and Doc Johnson, was served.

## Sgt. Moffitt Is In Harmon Hospital

Mrs. T. D. Lishman of Dixie and Mrs. Frank Willingham of Brownfield left Saturday for Longview to visit their brother, Sgt. Wallace Moffitt, who is a patient in the Harmon General Hospital there.

Sgt. Moffitt, son of J. A. Moffitt of Rt. 1 out of Wilson, was injured in a glider crash in France on August 9, suffering a broken leg, several broken ribs, and other injuries. He was in a hospital in England a few weeks following the accident and was then brought back to the home land. In spite of his many serious injuries, it is said that his condition is steadily improving.

## H. B. McCord Is Erecting Building

Workmen began the preliminary work Monday on a new building to be constructed of brick and tile, with a steel roof, by H. B. McCord, adjoining his present place of business on the east. The foundation is now being laid.

The building will be 50 feet by 60 feet and will be used as a show room for Pontiac cars, for which Mr. McCord is the Tahoka agent, and for a garage.

The 60-foot front facing north on the highway will consist mostly of plate glass. Entry in to the show room will be from the north. Entry into the garage will be from the street on the east.

Construction will be rushed just as rapidly as the material can be procured.

Plastered inside and outside and painted pure white, this will be a beautiful building and will be a distinct contribution to the attractiveness of that section of the town.

## Billy Jack Edwards Promoted to Sergeant

Fifteenth Army Air Forces in Italy—Billy Jack Edwards, 20, son of Mr. and Mrs. M. H. Edwards, Tahoka, was recently promoted to the grade of sergeant, it was announced by his commanding officer, Col. Arnold L. Schroeder of Glendale, Calif.

Sgt. Edwards graduated from the Sand Springs, Okla., high school in 1942, and was later employed by Douglas Aircraft in Long Beach, Calif., as a riveter. He entered the Army in July, 1943, and after basic training, he volunteered for duty as an aerial gunner. He attended the Army's gunnery schools and received his wings upon graduation. He was assigned to a crew and underwent the training phases in the States before coming overseas in August.

He is now flying as a waist gunner on a 15th AAF B-24, and since coming overseas has flown on missions over targets in France, Germany, Poland, Roumania, Austria, and other countries of occupied Europe.

## E. J. Cooper's Brother Dies At Whitesboro

Mr. and Mrs. E. J. Cooper returned Monday from Whitesboro, Grayson county, where they were called on Wednesday night of last week by the death of Mr. Cooper's brother, William Henry Cooper, 66, who had died suddenly at a hospital there at 6:30 o'clock Wednesday afternoon.

Mr. Cooper says that until recently his brother had enjoyed the best of health. He first had an attack of pneumonia but had apparently recovered and gone back to work. Wednesday he became suddenly ill, doubtless from an affection of the heart, and he was rushed to a hospital, but died within a few hours.

Funeral services were conducted in the Baptist Church there at 4 p. m. Thursday, the Baptist pastor officiating. He was a prominent citizen of that area and was engaged in the raising and shipping of plants of many varieties and enjoyed a thriving business.

## Congratulations—

Mr. and Mrs. L. L. Sprulleff, Petersburg, Rt. 2, upon the birth of a daughter, Maryann Joyce, on Oct. 4 at Tahoka Clinic.

Mr. and Mrs. G. E. Owens of Draw upon the birth of a daughter, Alma Louise, at Sinclair Clinic on October 9.

Lieutenant and Mrs. Wm. Lumsden, Arlington, Calif., on the birth of a girl there Friday. Grandpa J. O. Tinsley is wearing a big grin.

Mrs. D. H. Goodnough, who was confined to her bed most of the time for several weeks from asthma, is now able to be up.

Lt. H. C. "Bud" Garrard now is in action with the artillery on the Western Front in France, according to his father, Tom Garrard.

## Weather Delays Harvesting of Crops; 2400 Bales Cotton Ginned In Tahoka; Grain Shipments Here Reach 220 Cars

A little more than 2400 bales had been ginned in Tahoka up to Wednesday night, the number being 2391 when reports were made to The News in the late afternoon.

Grain shipments total 220 cars, Tom Gill, Santa Fe agents reported. Much grain is being stored this year, however, and some has been hauled out by truck.

Crop harvest has been retarded the past two weeks on account of the rains reported last week and the damp weather that has prevailed since. A shower amounting to .07 fell Tuesday night, and in addition to that there has been much damp weather in the mornings.

A cool norther blew up Tuesday afternoon and very cool weather for the season prevailed all day Wednesday. Thursday morning registered the lowest temperature of the month, 39 degrees, almost down to the frost line.

With 2400 bales ginned in Tahoka, it is estimated that fully 10,000 have been ginned in the county.

If the weather remains fair harvesting will be rapid from here on out. Much feed still remains in the fields unharvested also, on account of the weather.

## Toney Chisum Dies of Stroke

Toney Chisum, 58, brother of Mrs. W. O. Thomas of this city and at one time a resident of Tahoka himself but a prominent business man of Amarillo since 1916, died at an Amarillo hospital at 11:30 o'clock last Friday night after having suffered a stroke early Wednesday morning.

Mrs. Thomas hastened to Amarillo Thursday to be at his bedside and Mr. Thomas went up Friday. Both were there at the time of his death.

Funeral services were conducted at 10 o'clock Monday morning in an Amarillo funeral home, with Dr. R. Thompson, pastor of the First Presbyterian Church of Amarillo, officiating. Prominent business men were the pall bearers and (Cont'd on page 3)

## R. F. Groves, Aged Plains Pioneer, Dies

R. F. Groves, 87, of Stinnett, a pioneer of the Plains, being one of the oldest cowboys of this section, died last Friday. He was the father of Fred Groves of the local Farm Security Administration office.

He came to the Panhandle in 1879 as trail boss for the Spades. "He saw the last of the Indians, the buffalo, and the mustangs when he came," says the Amarillo Globe-News. "He was contemporaneous with the freighters, the old-time cowboys and the open range. He was here to see the first fences, the first houses, the first towns, the railroads, the wheat fields, and the oil wells come."

He served for 25 years on school boards, and his funeral services were conducted Sunday afternoon in the high school auditorium at Stinnett.

Pvt. Billy H. Smith, youthful son of Mr. and Mrs. N. M. Smith of the Midway community, who was recently inducted into the Army and sent to Camp Wolters for training, spent the weekend at home visiting his parents and other relatives. The Smiths live on the Nordyke farm.

## Pythian Temple Organized Here

Organization of a Pythian Temple composed of women of Tahoka, Pesty, Wilson, and one from Slaton was completed here Monday night. Mrs. Ina Belle Ater of Lubbock, Grand Protector of Grand Temple, was instituting officer, and was assisted by a corps of officers from Lubbock Plains Temple, who filled the stations, and a degree team of 16 members from the Lamesa Temple, who exemplified the conferring degrees in the initiation of a Knight and a Lady.

Also attending in an advisory capacity were: Grand Chief Oia Muckelroy, Naacogoches; Grand Mistress of Records and Correspondence Maude Wright; Past Grand Chiefs Mary Sneed, Mary Lewark, and Anna Hyde, all of Fort Worth; and District Deputy Edna Muriel Smith, Lamesa.

The new Temple, to be known as Lynn Temple No. 45, has the following officers: Millie Hill, S. P. C.; Fanny Lee Server, J. P. C.; Blanche Swann of Wilson, S. P. C.; Myrtle Head, Wilson, Chief; Hattie Server, Senior; Myra Swann, Wilson, Junior; Ethel Covey, Wilson, Manager; Florine Best, M. of R. and C.; Mrs. Frances Chestnut, M. of F.; Helen House, Protector; Betty Frazier, Guard.

Meetings will be held in the K.P. Hall each second and fourth Monday nights at 8 o'clock.

A social hour followed adjournment, and refreshment were served 87 members and visitors.

## THOMPSONS WILL MOVE BACK TO TAHOKA

Mr. and Mrs. Terry Thompson and little daughter of Alice were here last week end visiting friends and making preparations to move back to Tahoka about the first of January.

They have been operating a tailshop and cleaning plant at Alice for two or three years, and expect to move their plant to Tahoka.

Pvt. John R. Link of Fort Sam Houston visited his family here Tuesday, coming and leaving the same day.

## Club Boys Exhibit Gilts In Tahoka

This past Saturday five Lynn county boys showed registered gilts of breeding age which were awarded them in May for having written winning essays on the Cow-Hog-Hen Program of Farming, a contest among 4-H and FFA boys, sponsored by Sears Roebuck. The show was held back of the County Agricultural building, across the street north from the postoffice.

Purpose of the show was for the boys to bring their gilts together for judging to determine which had the most typey gilt of the group and by comparison to determine the quality of the job they had done in raising the gilts from weaning age to breeding age.

Placings of the show and awards won by the boys were as follows: First place, Owen Schneider, Wilson FFA, choice of 125 quality baby chicks or 33 turkey poult.

Second place, Buddy Gene Bragg, Tahoka Senior 4-H Club.

Third place, George Rainey, Mid- (Cont'd on last page)

## Sgt. Warren Viewed South France Invasion

12th AAF B-26 Marauder Base—Sgt. Raymond F. Warren, Rt. 3, Tahoka, had a bird's eye view of the August 15th invasion of Southern France.

A photographer with the AAF's oldest B-26 medium bomber group, he participated in his group's attack on the German beach defenses in Southern France in support of the invading ground forces. For a week prior to the invasion, he had flown over southern France in softening-up missions, striking at vital enemy communication systems and gun positions.

Sgt. Warren's Marauder group are veterans of amphibious support operations, having participated in the invasions of Sicily, Pantalleria, Salerno, and Anzio. His was the first B-26 group in Major John K. Cannon's 12th AAF to complete 350 missions over Axis targets in the Mediterranean Theatre of Operations, and recently was commended by Brigadier General Robert M. Webster.

## Lindsey's Brother Dies At Lockett

H. T. Lindsey received a message Friday night that his brother, J. D. Lindsey of Lockett, near Vernon, had just died, and he left by bus the next day for that city.

Returning Monday night, he reported that his brother had died very suddenly and unexpectedly from a heart attack. He was 76 years of age. For the first time in seven years, Mrs. Lindsey had visited her brother in August, remaining with him for three days. Burial was in Vernon.

Karr Wells, who suffered an accident which crushed the tip of his left index finger while working at the bottling plant had the tip of the finger removed at the first joint at Tahoka Clinic recently.

## Lt. H. A. Maasen, Pilot in Marines, Killed In Crash

Mr. and Mrs. Henry A. Maasen received a message late Monday afternoon from Lt. Gen. A. A. Vandegrift, commandant of the U. S. Marine Corps, and sent through the office of the War Dept. in Washington, informing them that their son, First Lt. Henry A. Maasen Jr., U. S. M. C. R., had "died in an airplane crash." No further information was given, but it was doubtless somewhere in the Southwest Pacific war zone.

Born in Dallas on October 18, 1922, Lt. Maasen was approaching his 22nd birthday. He had been reared in Tahoka. In high school, where he graduated in 1940, he was a popular student and played on the football team.

He was a student in the Texas Tech for two years, majoring in journalism, being on the Torreador staff a part of the time. He was also a member of the Wranglers and Saddle Tramps at Tech.

In September, 1942, he enlisted in the U. S. Marine Air Corps, and received his training at the Dallas Naval Air School, Corpus Christi, Athens, Georgia; Jacksonville, Fla.; and Cherry Point, N. C. He was transferred to El Centro, Calif., in February of this year and left out for overseas service on July 14.

Lt. Maasen is survived by the parents and one sister, Joycelyn, and a number of other relatives here.

He was a fine young man and had great hosts of friends here who deeply regret his tragic death but are proud of the fact that he was willing to give his life for his country.

## Lt. Harold Snowden Home From War

1st Lt. Harold Snowden, who recently returned from England, from which base he flew 33 missions over Europe, was here visiting friends Wednesday afternoon. He was accompanied by his wife and two babies, who now reside with her parents at Frederick, Okla., and by his father, H. M. Snowden of Post.

Lt. Snowden was reared here principally and is a graduate of the Tahoka High School. Entering the Air Corps of the Army many months ago, he became a pilot on a big bomber and was sent to England. In his 33 combat missions he has been over practically every country in Europe and has never received a scratch. He has been in many "tight places," however. On one of these missions 15 of the 18 bombers in his squadron were shot down. He happened to be the pilot of one of the three bombers that got back to base.

He will now be stationed somewhere in this country for an indefinite period.

Mr. Snowden has two other sons and a son-in-law in the service.

Lt. Hiram Snowden, who was stationed in India for many months piloting a transport plane across the lofty Himalaya Mountains into China transporting supplies, is now stationed at Nashville, Tenn., having come back to the States in April. Each trip and return across the Himalayas involved a flight of about 1,000 miles, and Hiram made more than 140 such trips. At no point on these trips could an emergency landing have been made, but Hiram never had a single accident. He is still piloting a transport plane, from Nashville now.

Rudolph Snowden, the third son, is now in training as a pilot at Stockton, Calif., and the son-in-law, C. L. Howard, is in the Navy. His wife, the former Julia Snowden, has long been employed as a stenographer in the OPA office in Lubbock.

A Mexican child, whose parents are picking cotton near Tahoka, became seriously ill and was rushed to Lubbock General Hospital Thursday of last week, where it was given a blood transfusion. We have had no further report as to its condition.

## Area FHT Holds Meeting Here

A five-point program for 1944-45 was presented at a council meeting of the area Future Homemakers of Texas officers held Saturday at 9 a. m. in the Tahoka High School Homemaking department.

"Being Responsible to Ourselves, Helping Food Fight for Freedom, Serving in the Community, Building for World Friendship, and Planning for Post-War Living," were the five points which featured the program, over which Darlene Wilke, Area president, presided.

Plans for the contents and future editions of the Area Newsletter were discussed by the 17 student officers.

Those attending were: Alma Outlaw, Post, vice president; Margaret Weaver, Post, sponsor; Ganelle Newman, Brownfield, recording secretary; Mrs. Vivian Gore, sponsor, Brownfield; Marcia Delle Lane, O'Donnell, corresponding secretary; Mrs. Bearden, O'Donnell, sponsor; Freda Sherwood, Crosbyton, treasurer; Dona Duckworth, Crosbyton, sponsor; Sue Tippit, Lubbock, reporter; Jackie Rector, Spur, State recording secretary; Miss Esther Srenson, Lubbock, Area advisor; and Darlene Wilke, Tahoka, president.

Also present were the following local officers: Wynema Pool, local vice president; Lloydine Edwards, local reporter.

There will be another area council meeting March 3, 1945, in Tahoka.

## PERSONALITY...

Say, have all of you kids seen that "short but cute" dark brown haired and brown eyed girl running around at THS? She is a Senior. She is liked by everyone and is very friendly. Well, as I know you are wondering who it is—it's none other than Mora Jenkins.

## OUTSTANDING—

Of course you have noticed her! She is an eighth grade girl with light brown hair and lovely blue eyes. She is small and dainty, but just because she is small is no reason why she can't be heard. She likes to talk and she likes to skate. She has no favorite dish; just anything to eat. Her favorite movie actor is Lan MacAllister. This particular girl is only 12 years old. She is the eighth grade cheer leader, and is O. K. She is also candidate for football queen. Her favorite subject is history. If you don't know her by now, she is none other than Laura Mae Howell.

## Bulldogs Play 0-0 Tie At Floydada

Post defeated Tahoka "B" team Thursday night in a non-conference game on Bulldog field 18 to 0. The "B" team is the reserves.

Post, an inexperienced team, received some vital training during the first game of the season with Tahoka's second team on September 21, which the Bulldogs won 13-0.

Friday night, Oct. 6, Tahoka "A" team went to Floydada to beat their powerful opponents, the Whirlwinds.—We did not score, but neither did Floydada. At one time, Tahoka penetrated the 20 yard line and threatened to score. However, they were held back by the scrappy Floydada linemen.

## JUNIOR NEWS

In Junior Class meeting Monday every student who had not yet paid his dues was requested to do so and thereby save the class extra financial troubles and save himself money, all in one process.

Then, on Wednesday in our regular Citizenship meeting, money was obtained for the Junior Red Cross. A dollar from an entire class made the class a member. The quota was exceeded. With June Burckhardt as chairman, the Citizenship program was presented and enjoyed by all.

The president chose Dorothy Johnson and a committee of three to produce the citizenship programs for the following two weeks.

The class has been functioning nicely, due to the grand co-operation of its members.

## SENIOR CLASS NEWS

The citizenship chairman, Virginia Jones, gave a very interesting program on mannerisms Wednesday Oct. 4, during home room period.

On Monday, Oct. 9, the Seniors met to choose their class song from a list the song committee gave the class. The song was written by our class president, Johnny Wells, and will be sung to the tune of "The Seabees of the Navy."

## SUB-DEBS MAKING RUSH WEEK PLANS

The Sub-Deb club has completed its plans for Rush Week, Sunday, Oct. 15-22.

A number of girls have been selected to be rushed and the decision will be made one week after Rush Week. They are planning for a bigger and better time in the future.

## WORLD HISTORY CLASS

Miss Sherrill's last period World History Class has elected their class officers for the semester; Pat Bennett, president; Imogene Hargett, vice president; Paul Sherrill, secretary and treasurer; Paye Johnson, reporter; Thomas Fulkerson, social chairman.

The class has decided to give a party October 14 in the grade school gymnasium.

## WORLD HISTORY CLASS

The second period World History class has elected officers, and plans to have a party October 17.

Officers elected are: Nolan Jones, president; James C. Bairrington, vice president; Nancy Weathers, secretary and treasurer; Maxey McMillan, reporter; Randall Hinkle, parliamentarian.

## EIGHTH GRADE NEWS

The Eighth Grade met in their home room and selected the "Wild Irish Rose" as the class song, blue and gold as class colors, and the red rose as the class flower.

# "I'm in a Cold Sweat!"

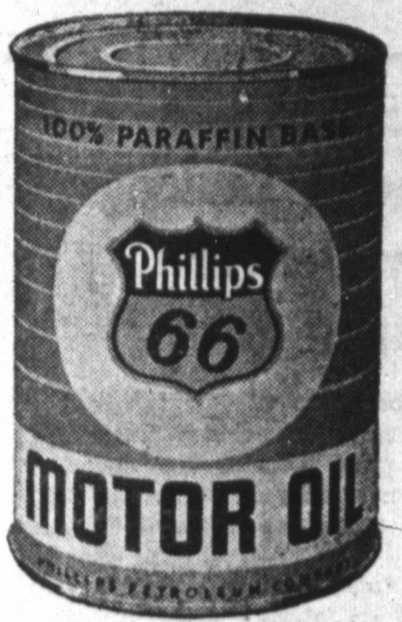

**FEAR IS WHAT DOES IT**, and many a car-owner has felt that freezing chill this summer, when a sudden, new noise from his motor has filled him with dread that his car was chugging its last.

There's nothing like that fear to make a stupid driver resolve to follow better driving practices. The intelligent motorist needs no such warning; and he always makes certain that the motor runs only with quality oil in the crankcase.

Obviously there are a number of such oils. And to help you select one of them, easily and with certainty, Phillips gives you these facts:

Phillips offers a number of oils because car-owners' preferences and pocketbooks vary. But when you want our best oil, remember Phillips tells you frankly that Phillips 66 Motor Oil is our finest quality... the highest grade and greatest value... among all the oils we offer to average motorists.

It's good for your motor, under today's reduced driving conditions, to change oil every two months, say experts. For that change, and for seasonal draining and refilling, you make sure of getting a quality lubricant, when you simply say: Phillips 66 Motor Oil.

## TABLE MANNERS

Emily Post has written some rules on table manners, but our inquiring reporter slightly disagrees with them. His version is:

1. When a person sits down at a table, he will undoubtedly have chewing gum in his mouth. This can easily be disposed of by dropping it on the floor.
  2. Take the napkin, and tuck it in your collar or if you are not wearing a collar stick the napkin in your belt.
  3. A good time to serve yourself is during the blessing. Reach quietly and quickly and leave a little for the rest.
  4. One good thing to do while at the table is to laugh and talk with your mouth full—this make you seem intellectual.
  5. A good prank between courses is to flip your spoon into your water and throw bread across the table.
  6. Peas should be eaten with the knife, but syrup to stick then on is advised.
  7. When the finger bowl comes around, don't be foolish and wash your hands in it; drink it and set the pace for the others.
- Students, the above rules are not supposed to be followed in the lunch room, so let's watch our manners when eating there.

## AMERICAN HISTORY CLASS NEWS

Have you heard what the third and fourth period American History classes of THS have been doing? They have elected officers. They are, third period class: Buddy Bragg, president; Glen Newton, vice president; Jerine Bartley, secretary; Maxine Hardin, treasurer; Betty Hendrix, reporter; Wayne Miller, parliamentarian; and Nita Bragg, social chairman.

Fourth period class officers are: Jacky Driver, president; Virginia Jones, secretary; Eva Jo Reid, treasurer; Bill Grider, reporter; Dwayne Vaughan, parliamentarian; and Gwynelle Davis, social chairman.

Both classes went on a trip to Lubbock Sunday afternoon in a truck and a few cars. The affair was sponsored by Miss Bea Sherrill. Games, picture taking, and a picnic lunch were enjoyed by all in Mackenzie Park. A game of miniature golf and a movie also added to the fun.

The program for last Tuesday was very entertaining. It consisted of the following numbers: Doris Jane Roberts, playing the piano; Dolores Nowlin sang "Pale Moon"; then, Mrs. Edwards played a few selections on the piano. At the end of the program, Marshall Shelton sang "A Fellow on a Purlough." Everybody enjoyed the program very much.

## PHEBE K. WARNER CLUB

The Phebe K. Warner Club met in the home of Mrs. Douglas Finley Tuesday, Oct. 10. The program on Health and Safety was made up of a discussion on Socialized Medicine by Dr. E. Prohl and The Red Cross by Mrs. John Chandler. Both subjects were most interesting to members and guests.

After a brief business meeting, dainty refreshments were served to the following members and guests: Mmes. J. K. Applewhite, J. Fred Bucy, John Chandler, R. W. Fenton Sr., Douglas Finley, Fred Hegl, Calloway Huffaker, H. A. Nichols, Paul Pittman, Emil Prohl, R. L. Richardson, Truett Smith, G. M. Stewart, Winston Wharton, Fred McGinty, Wingo, Lester Adams, and Miss Skeeter Smith.

The club will meet Oct. 24 at the Surgical Dressing room.—Reporter.

## Pictures Shown At Rotary Club

Moving color pictures of the Hawaiian Islands shown by President Fred McGinty made up Thursday's Rotary Club program.  
The pictures were taken in Honolulu and Pearl Harbor a few weeks before the Jap attack by his sister-in-law, Claudia Draper, then an Army nurse in the Islands. The pictures are very beautiful, and gave an interesting insight into life there.  
Capt. Draper is now with the Army in Europe, and when last heard from she had her hospital in a field just behind the front lines in Belgium.

Thursday night, the "B" string was in Big Spring to play a return engagement with the "B" string there. Tahoka defeated Big Spring earlier in the season 13 to 6.  
In a thrilling, hard-fought game at Floydada last Friday night, the Tahoka Bulldogs and the Floydada Whirlwinds battled to an 8-0 tie.  
Due to the fact that the Bulldogs were twice in scoring position but were held on down both times by the strongest defense team the Bulldogs have met all season, fans and players alike were disappointed not to win.  
Early in the first quarter, the Bulldogs plunged and slashed to the 2-yard line, where they had a first down. But the strong Floydada defense aided by a 5-yard penalty against the Bulldogs staved off a touchdown.  
Again, in the fourth quarter, a pass Caraway-to-Hines, placed the ball on the 17-yard line, and again the local boys were held for downs.  
Though threatening on several occasions, the Whirlwinds never got inside the 20-yard line. They amassed more yardage from running plays than the Bulldogs but most of it was in the center of the playing field.  
Floydada's stout line, principally the two tackles and the left end, coupled with a muddy turf, probably were what save the co-champion 5-A Floydada team from defeat.  
The team put up a good fight, but their plays just didn't click on this night.  
Game statistics were: First downs, Tahoka 6, Floydada 8; punts, Tahoka 8 or an average of 34 yards, Floydada 4 for average of 36; passes, Tahoka, 3 incomplete, 3 complete for 45 yards; Floydada, 5 incomplete, 2 intercepted, 3 complete for 19 yards; fumbles, Tahoka 3, Floydada 8, six recovered; penalties, Tahoka, 35 yards, Floydada 40 yards.  
The game was of special interest to the two coaches, Leo Jackson of Tahoka and Floyd Murry of Floydada. The two played on the same team at Floydada High, and each had been team captain. At West Texas State, they played together, and each had served as captain of the college team.  
Last Friday night the Tahoka "B" squad, made up of third and fourth teams, 25 boys having been held out for the Floydada game, lost to Post Antelope here 18 to 0. Halfback Billy Sheppard scored in the first half on a one-yard line-plunge. In the third quarter, a pass from Bobby Cash, quarterback to Jimmy Bird, end, from the 8 yard line was good for a touch. Then in the fourth, Billy L. Thomas intercepted a Tahoka pass and ran 35 yards to score.  
Wednesday afternoon, the junior team, the Pups, went to Lubbock, where they eked out a 13-13 tie with the Lubbock Junior High Cowboys Red team. Lubbock scored in the first quarter on an 80-yard run, and in the second quarter they scored again. But the plucky Pups came back in the fourth quarter, when Finis Botkin ran 55 yards for a touchdown. Joe Don Minor ran the ball over for the extra point. In the closing seconds of play, Botkin again got loose and ran 65 yards for a touchdown to tie the score.

Harlan Cook and the D. H. Goodnough family received the information a few days ago that the little daughter of Mr. and Mrs. A. G. Cook, who now reside at Fort Scott, Kansas, had undergone an emergency operation for appendicitis. A. G. is a brother of Harlan and Mrs. Goodnough and formerly lived here. His wife is the former Miss Mary Lou Jennings, daughter of Mrs. Bob Rusk.

Mr. and Mrs. W. H. Willingham of Tahomingo, Okla., have been here visiting the R. E. Willingham for several days.

Mr. and Mrs. Thomas returned to Tahoka Monday afternoon, accompanied by Mrs. Thomas' sister, Mrs. E. H. Wilkinson of Oklahoma City, who is their guest for a few days here.

### THREE AT McMURRY

Ablene, Oct. 12.—Three students from Tahoka are enrolled in McMurry College this year. They are: Beth Shepherd, junior, Jimmie Lou Thomas, sophomore, and Billie Greer, freshman.  
Miss Shepherd is president of the junior class and a member of Gamma Sigma social club, Women's Athletic Association, of which she is secretary, and Alpha Theta Nu literary club. Miss Thomas is outstanding in the WAA and the Alpha Theta Nu.  
Miss Greer as a first year student is taking part in the activities of the freshman class. Her major is in business administration.

### MISS EDWARDS HONORED

Stephenville, Oct. 12.—Miss Jean Edwards, daughter of Mr. and Mrs. M. H. Edwards of Tahoka, has been elected secretary-treasurer of the Senior class of John Tarleton Agricultural College.  
Miss Edwards, a Senior business administration student, made an outstanding record in Tarleton last year, and by virtue of her high scholastic achievements and her extra-curricula activities, was awarded the Uta Davis scholarship for the 1944-45 term.

## Toney Chisum . . .

(Continued from page one)  
a great concourse of friends attended the funeral services. Interment was in Llano Cemetery, Amarillo.  
Survivors of Mr. Chisum are his wife, Mrs. Velda Ray Chisum; two sisters, Mrs. E. H. Wilkinson of Oklahoma City and Mrs. Thomas of Tahoka; three nieces, Mrs. S. B. McCubbins and Mrs. H. G. Land of Oklahoma City and Mrs. W. S. Salmon of Amarillo, and other more distant relatives.  
Mr. Chisum had lived in Tahoka from 1905 to 1908, and he married here. He was born in Bowie, Texas, but at the age of 11 he went to live on his father's ranch near Haskell, where as a boy he became an expert rider. A few years later he came to Tahoka, and the following story is told of one of his experiences here.  
"One day in Tahoka, down on the South Plains," the Amarillo Daily News relates, "a man boasted of his outlaw horse. A few men had tried to ride it and ended with broken bones; others refused to risk their reputations on the unsafe back of the beast. Mr. Chisum said 'Why, I'll ride him.'"  
"He mounted the outlaw on the main street of Tahoka. The horse departed from earth. It whirled, it snorted, it bounced. It was about as good a job of pitching as anyone ever beheld. Mr. Chisum stuck and dived at a bank window. Mr. Chisum rode it into the bank. The banker's daughter screamed and crossed the building in record time. Later Mr. Chisum expressed regret at the rather unannounced entry on unofficial business. The banker's daughter was Velda Ray. She became Mrs. Toney Chisum."  
After leaving Tahoka, Mr. Chisum engaged in the automobile business at Snyder, Childress, and Albuquerque, New Mexico, and then located in Amarillo.  
An excellent business man, his business grew rapidly. He invested in ranches and business property in West Texas and in New Mexico, and for years before his death his property holdings ran into the hundreds of thousands of dollars.  
Acquiring a seven section ranch a few miles west of Hale Center a few years ago, he built a magnificent residence upon it, and thereafter he and Mrs. Chisum spent part of the time on the ranch and part of it in their Amarillo home.  
Mr. Chisum was a member of the Masonic fraternity and of the Khiva

**How women and girls may get wanted relief from functional periodic pain**  
Cardui is a liquid medicine which many women say has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Here's how it may help:  
1-Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come.  
2-Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes.  
Try Cardui. If it helps, you'll be glad you did.

Commenting on an editorial appearing in this paper last week, John Slover, a member of the board of trustees of the Tahoka Independent School District, explained to the editor that the reason why the board does not construct a school building for the Negro children of the district is lack of funds. "We just simply do not have the money to do it," he said. There are only two ways to get the money, he further explained, either through a bond issue, which would have to be voted by the people, or by raising the property valuations of the district, unless the people will do it by private contributions. This last alternative is hardly practical. A few private citizens can not be expected to thus contribute to public funds, although Mr. Slover himself expressed a willingness to thus contribute liberally. He thought a bond issue for so small amount of money as would be required would hardly be advisable. Since property values have greatly increased, it seems that the most logical thing to do would be a slight raise in valuations. Certainly some step should be taken to provide the fifty Negro children of the district with

Shown here are A. D. Wenzel and sons, Leo and Wilburn, with 100 ribbons representing prizes they have won with their registered Berkshire hogs since 1936 at stock shows in Amarillo, Lubbock, Plainview, Fort Worth, and Dallas. Their prizes include three grand champion litters at Fort Worth and Dallas, and six single champions. Each boy has shown a grand champion at the Lubbock show. Several more prizes were won at Tahoka, Slaton and Seagraves. In 1935, Miss Christine Wenzel won the grand champion single and

in 1936 Leo won a champion litter and single, both showing under County Agent V. F. Jones. Wilburn was the grand champion under Don Turner, county agent in 1939. These prizes were all won at Lubbock shows. The picture was made recently while Leo was home on leave from Oceanside, Calif., where he is stationed with the Marine Corps. The Wenzels now live near Brownfield where they have 83 registered Berkshires, some of which they expect to show this year.

a school building, as they virtually have none. The district draws from the State nearly \$30.00 each for these children and the teacher's salary costs far less than that. Mr. Slover agreed that by all means they should have a school building. We believe the taxpayers generally will approve any practical steps the board may take to provide them a building.

Some "wet" who doubtless wished to put in a beer joint and some other "wets" who doubtless like to guzzle beer, decided recently that they would test out sentiment in Garza county and hayhap make the county wet. So they signed a petition and had an election called. Well, they got their answer. With one small dry box still out, the returns showed 784 dry votes and only 165 wet. The total results evidently were not much different giving the "drys" a majority of nearly 5 to 1. Garza county has a splendid citizenship and few of the people want their county messed up with beer joints or liquor stores.

Most of the Republican leaders did not like Wendell Wilkie. He was too friendly with the British and the Russians to suit them, and too sympathetic with the Roosevelt foreign policy. Therefore they squelched his Presidential aspiration this year in the bndding. And that is a forecast as to what their attitude might be at the peace table if Dewey should be elected President. We want no isolationists and no appeasers at that peace table.

**COVETED "E" AWARD IS MADE TO PANTEX**

Amarillo, Oct. 12.—Army and Navy Production Award will be presented to the Pantex Ordnance Plant on October 20 for its excellent record of production in the war effort. The "E" for excellence with its proud background of tradition is the symbol by which both Armed Services confer their highest praise on those plants whose record in the production of war materials is outstanding. Justly proud of their achievement, workers at Pantex continue their efforts to keep a steady stream of bombs and shells flowing to the men who are in the actual fight on distant battle fronts.

Additional workers are needed now at Pantex in order to meet the increased demands coming from the front lines. New workers will find a typical West Texas welcome in joining the ranks of its "Fighters behind the Fighters" at Pantex. Attractive wage scales start at \$50 per hour, with time and one-half for more than 40 hours per week. No experience is necessary. Wage increases are given for length of service.

Workers who have been employed within the last 60 days at their highest skill in essential war work must have a statement of availability. Men engaged in farm work should secure their County Agent's approval before applying.

**BIRTHDAY DINNER**

A birthday dinner honoring Mrs. J. P. Rackler was given by her daughter, Mrs. Claud Roper, Oct. 3. Several lovely gifts were presented the honoree.

The dinner was enjoyed by the following: Mrs. Rackler, Mr. and Mrs. Claud Roper and children, B. H. Mining, Mr. and Mrs. G. C. Rackler and children of Lubbock, Mr. and Mrs. McMaster of Lubbock, Mr. and Mrs. Fred Mining, Mr. and Mrs. W. A. Wooten and children of Leveland, Mr. and Mrs. R. F. Rackler and children of Lorenzo, Mr. and Mrs. J. B. Rackler, Misses Ora and Bobbie Mining, Dorothy and Emalee Rackler of Lubbock, Allene Rackler of Lubbock, Lewis McMaster of Lubbock, Mrs. J. W. Silman and son of Lubbock, Kenneth, Carl and Tracye Rackler of Lubbock, Troy Mining, Lewis McMaster of Lubbock, and Jess Rackler.—Contributed.

Mrs. J. L. Jolly returned from Dallas late last week after having spent a month there with her son "Tiny," who is undergoing treatment there. She reports that he is still improving in health and even growing in height. He is 20 years old, and has been afflicted for several years with a strange malady that greatly retarded his growth and almost cost him his life.

**CITATION BY PUBLICATION**

The State of Texas.  
To: Doris Lee, Greeting:  
You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the First Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday, the 8th day of November, A. D. 1944, at or before 10 o'clock A. M., before the Honorable District Court of Lynn County, at the Court House in Tahoka, Texas. Said plaintiff's petition was filed on the 1st day of August, 1944. The file number of said suit being No. 1573. The names of the parties in said suit are: Henry C. Lee, as Plaintiff, and Doris Lee, as Defendant.

The nature of said suit being substantially as follows, to wit: On or about the 12th day of August, 1941, plaintiff was duly and legally married to defendant at Clovis, New Mexico, and continued to live with her as her husband until on or about the 14th day of June, 1944. Plaintiff is and has been for more than twelve months immediately prior to exhibiting this petition, an actual bona fide inhabitant of the State of Texas, and has resided in the said county of Lynn, where this suit is filed, for a period of six months, next preceding the filing thereof.

Plaintiff says that no child or children have been born as issue of the marriage of these parties and that they have no community property between them.

At all times while married to the defendant, plaintiff has conducted himself with propriety, doing his duty as a husband, has at all times treated defendant with kindness and forbearance, and has been guilty of no act bringing about or causing the hereinafter described acts, omissions, and conditions on defendant's part.

That the defendant, disregarding the solemnity of her marriage vow, and her obligation to treat plaintiff with kindness and attention, within a short time after their said marriage, commenced a course of unkind, harsh and tyrannical conduct towards plaintiff, which continued with very slight intermission until plaintiff finally separated from defendant on or about the

14th day of June, 1944. On divers occasions while plaintiff lived with defendant as aforesaid, defendant was guilty of excesses, cruel treatment and outrages toward plaintiff of such a nature as to render their living together insupportable.

Wherefore, plaintiff prays that defendant be cited to appear and answer this petition, and that upon a final hearing, he have judgment of divorce, dissolving the marital relations between plaintiff and defendant, and for such other and further relief, either in law or in equity, to which he may show himself justly entitled to receive.

**METHODIST CHURCH**

October is Loyalty Month in our church. This is the time Sunday School pupils are promoted; new superintendents and teachers take their places in the various divisions; and departments. And, too, it is the time for full attendance upon the classes and different services of the church. If you have been irregular in attendance at the Church school and the preaching services, this is the time to begin anew. So, if you have not already begun, start in again Sunday.

The pastor will speak on the theme, "Church Loyalty" Sunday morning. Every member and friend of the church is urged to be present. The Sunday night preaching services will begin at 8 o'clock. The Y. P. and the Leagues will begin at 7 p. m. A welcome awaits all—Reporter.

Rev. Levi W. Price accepted an invitation to address the men of the Leveland Baptist Church on Thursday night of last week and he reports that 95 men were present. Mrs. Price accompanied him.

Mr. and Mrs. John M. Scott and Miss Ethel Callahan visited relatives in Lamesa Sunday.

**BAPTIST CHURCH WILL RENOVATE BUILDING**  
Contract has been let by the building committee of the Baptist Church to Rev. W. J. Campbell to make some necessary repairs on the Baptist Church and to redecorate the interior. Practically all the woodwork is to be repainted and the walls and ceiling of the auditorium are to be given a touch of lighter colored paint. Better disposition of the water from the gutters is also to be provided. Quite a quantity of good clothing has been brought in for the needy in Europe.

Announcement was made last Sunday that a collection for state missions will be taken next Sunday. The state mission collection this year will really be an educational collection, and the amount contributed by the Tahoka church will be used for the enlargement of Wayland College, the pastor stated. He made an appeal for as much as a thousand dollars for this purpose.

Sunday school attendance dropped back down to 275 last Sunday but there was a decided increase in attendance at B. T. U., the number climbing to 132. The B. T. U. assembly was entertained with several numbers given by the "Hummingbird Quartet," colored musicians from Gilmer, Texas. There were two additions to the church at the morning service and two at night. Two of these were for baptism, and the ordinance was administered to one of them Sunday night immediately preceding the preaching service.

**BAPTIST BROTHERHOOD WILL REORGANIZE**  
Announcement has been made that on next Tuesday night there will be a joint meeting of the Men's Bible Class and of the Baptist Brotherhood, and a banquet will be served. The pastor will address the gathering. At this meeting, the Brotherhood is to be reorganized, and new officers will doubtless be elected. All men of the church are invited and urged to be present.

Mrs. J. J. Atkinson reports that her grandson, Sgt. Harold French, is stationed in New Guinea.

**BAPTIST W. M. S.**  
All circles of the Baptist W. M. S. met in the church Monday afternoon for a mission program which was directed by Mrs. Garland Pennington. After a devotional period conducted by Mrs. Alex Riddle a program on Prayer was carried out. In a short business session preceding the program groups of women, previously designated by the drawing of names, met in separate rooms and reorganized the following circles, electing chairmen for each: Blanche Rose Walker circle, Mrs. A. C. Hardin; Lunsford circle, Mrs. Jarrell Cox; Sallee circle, Mrs. Alex Riddle. Clothing is being brought to the church and will be packed for shipment today (Friday). Any good used clothing will be accepted except shoes, hats, and party dresses.

1. 51-e. Constitutional Amendment providing that the cities and towns in this State shall have the power and authority to provide a system of pensions for their appointive officers and employees.

2. 51-f. Constitutional Amendment giving authority to the Legislature to provide for a system of retirement and disability pensions for appointive officers and employees of cities and towns.

Amendment to Section 9 of Article 8 of the Constitution of the State of Texas, so as to provide that the Commissioners Court in any county may re-allocate the county tax levies authorized in said section by changing the rates provided for any of the purposes authorized in said section by either increasing or decreasing the same, but in no event shall the total of such taxes exceed eighty (80) cents on the one hundred dollars valuation for any one year; providing that before such Commissioners Court may make such re-allocations and changes in such levies that the same shall be submitted to the qualified property tax paying voters of such county at a general or special election and shall be approved by a majority of the qualified property tax paying voters, voting in such election; providing that if and when

such re-allocations and changes in such county tax levies have been approved by the qualified property tax paying voters of any county as herein provided, such re-allocations and changes shall remain in force and effect for a period of six (6) years from the date of the election at which same shall be approved, unless the same shall have been changed by a majority vote of the qualified property tax paying voters of such county, voting on the proposition, after submission by the Commissioners Court at a general or special election for that purpose; and providing that this Amendment shall not be construed as a limitation on powers delegated to counties, cities or towns by any other section or sections of the Constitution.

TOM GARRARD, County Judge, Lynn County, Texas.

ROM. 16:16  
**SALUTE YOU!**

**FAITH**  
Get you Bible and read the following scriptures:  
What is faith? Heb. 11:1.  
How many kinds? Eph. 4:5.  
How many conditions? Jas. 2:18, Jas. 2:26.  
Does faith alone save? Jas. 2:19; Jas. 2:20.  
Why is faith necessary. Heb. 11:6; Acts 15:9.  
Living faith leads to victory. 1 John 5:4.  
We get faith by hearing Word of God. Rom. 10:17.  
Faith saves us, but when does faith save? Are men justified by faith before or after they obey God. Notice these Scriptures:  
When was Abel justified by faith? Heb. 11:4.  
When was Noah justified by faith? Heb. 11:7.  
When was Abraham justified by faith? Heb. 11:8.  
When did the Walls of Jericho fall by faith? Heb. 11:30.  
Conclusion from above, **FAITH MUST BE OBEYED**. Rom. 16:26.  
Are men justified by faith only without an act of obedience on their part? The Bible nowhere says we are saved by faith only. The words ONLY and ALONE are absent from Text.

If men are justified by faith only, why are they going to be judged according to works? Rev. 20:12.  
If men are justified by faith only, why are the going to be rewarded according to works? Matt. 16:27.  
The Bible says, "Faith without works—dead," Jas. 2:17.  
Salvation by faith only would save devils. Jas. 1:19.  
Abraham was justified by faith but not by faith only. Rom. 4:3; Jas. 2:21-24; Heb. 11:8.  
If justification is by faith only, how can we deny God by our works? Titus 1:16.  
If justification is by faith only, why should the Lord desire of us perfect works? Rev. 3:2.  
It is not the hearer of the law that is saved, but the doer of the law is justified. Jas. 2:22.  
If man is saved by FAITH ALONE then he is not saved by grace. Eph. 2:8; Rom. 8:2.  
It takes more than a mere mental assent to save a man from sin. Our faith comes by hearing the Word of God. This faith leads us to Repent, Acts 17:30; to confess the name of Christ, which is faith

spoken, Matt. 10:10; and to be baptized, which is faith shown. Acts 2:38; Rom. 6:3-4; Gal. 3:26-27.  
Attend the Church of Christ services, where Bible subjects are discussed in a Bible way.

### Southland News

(By Mrs. Marvin Truelock)  
Monday morning at 6:00 a. m. Mrs. Ella Moize, mother of Mrs. I. J. Duff, died. She had been ill for several months.

Mrs. S. M. Truelock and children went to Lubbock last week end to visit her sister, Mrs. Lonnie Carlton, Post, who underwent an appendectomy Friday.

Doris Jean Sartain and her aunt, of Los Angeles, arrived Friday to visit relatives and friends. If Robert Sartain continues to improve, he will come home next week.

Monday morning, Mr. and Mrs. J. I. Bartlett were carried to the Slaton sanitarium.

The house formerly occupied by Rev. and Mrs. O. J. Harmonson is not sold, as reported last week.

August Becker Jr. and Arthur Voight Jr. went to Lubbock Saturday to elicit. The former is the third son of the August Beckers to join the Navy.

Odell Donahoo left Tuesday night for camp in Virginia. He is an M.P. guarding Prisoners of War, as he was rejected for overseas duty.

Ben (BoBo) Becker Jr. arrived here early Tuesday morning on leave from the Navy.

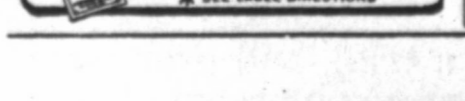

Capt. Garth B. Thomas came Tuesday afternoon to spend a day with his parents, Mr. and Mrs. B.H. Thomas. Their son, Wilbur and family of Cone, happened to be here visiting at the time. Capt. Thomas is being transferred from Eagle Mountain Lake near Ft. Worth, to Cherry Point, N. C.

Pvt. Loraine Cooper, who has been here visiting his parents, the A. J. Coopers, left Wednesday to report back in Maryland.

Pfc. George Wayne Whited writes that he was walking down the road in Southern France when a boy called him—it was Merle Spence; so, the report that he was here was a mistake.

**How women and girls may get wanted relief from functional periodic pain**

Credul, many women say, has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Taken three a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "blimey" to come. Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes. Try it!

### Chester Connolly Died Thursday

Chester Connolly died Thursday night at 8 o'clock.

In the automobile business here for many year and more recently county judge of Lynn county, he was one of this county's most prominent and best loved citizens. He has been in ill health many months, and last winter resigned as judge while serving his second term.

Funeral arrangements had not been made when The News went to press a few minutes after his his death.

### Howell Completes New Shop Building

With his new hollow-tile black-smith shop nearly completed, Charlie Howell had the old dilapidated frame structure torn away Monday, and is as happy as a lark in the larger quarters.

The new building is 40 by 60 feet in size, standing on the site of the old Colleenback shop. With walls built of tile, its roof is of steel. The building is complete except that eventually Mr. Howell expects to give the front of the building a stucco finish.

Not only does the inside of the shop afford two or three times as much room as the old structure but it sits 15 or 20 feet further back from the street and affords therefore more parking space in front of the building. It also sits far enough away from the side street to afford much parking space on the south.

The old building, which Mr. Howell finished tearing away Monday, was a landmark of the town. One of the first buildings constructed after Tahoka was started, it first stood on the site of the Piggy-Wiggly store but was moved to the present site about 1914, when Knight & Brashear built their business house. H. C. Smith operated the shop for years, and later it was purchased by J. H. Colleenback, who continued to operate it until his death a few years ago.

The new building is a real workshop.

### CITATION BY PUBLICATION

The State of Texas. To Lettie Mae Wardlow. Greeting: You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation the same being Monday, the 27th day of November, A. D. 1944, at or before 10 o'clock A. ### Top Quality Canning One of Household Acts

Achieving top quality in home canned products is an art requiring as much skill as any of the household arts. The following suggestions will help the homemaker reach top quality in her canned products.

1. Select fruits and vegetables in their best eating stage and grade them carefully for soundness, size and color.
2. Wash all products thoroughly, lifting them from the water instead of pouring off the water.
3. Have the canning room or kitchen spotlessly clean and in order before the food is brought from the garden.
4. Have all canning equipment checked, washed thoroughly, rinsed, and arranged in order of its use.
5. Make sirups before fruits are prepared for the jar.
6. Have plenty of hot water ready for use in filling jars as needed.
7. Follow manufacturer's directions carefully for various types of closures.

### Mental Illnesses

In 1929, Kolb of the U. S. public health service estimated that one child in every 20 in this country will at some time in his life be hospitalized for mental disease and another in the same 20 will at the same time be psychiatrically disabled but not hospitalized. He estimated that there are probably 6,000,000 feeble-minded persons of all grades in the United States, 80 to 95 per cent at large in the population; 100,000 alcoholics and drug addicts, between 800,000 and a million mentally diseased and 400,000 epileptics. There are more hospital beds devoted to psychiatric cases than all other forms of disease: Ninety per cent of the cost is at public expense. The number of persons suffering from neuroses in civilian life cannot be even conservatively estimated because of the fact that most of these neuroses are concealed under other diagnoses. It is variously estimated that 75 to 80 per cent of the illness seen by the general practitioner is initiated or complicated by emotional factors.

### Pack Storage

Select firm, ripe peaches to prepare for freezer locker storage. Peel and slice only enough for one carton at a time. It is a good plan to put the sirup into the carton—about two-thirds of a cup for a pint carton—and slice peaches into sirup. This keeps them from the air and tends to prevent discoloration. Add more sirup if needed to cover peaches and seal as soon as carton is filled. Leave one-fourth to one-eighth inch of space at top of carton for expansion during freezing. Either 50 or 60 per cent sirup is used in freezing peaches. To make a 50 per cent sirup use one cup sugar and four-fifths cup water; to make a 60 per cent sirup use one cup sugar and one-half cup water. While sugar and water are heating, stir until sugar is thoroughly dissolved. Chill sirup thoroughly before adding to fruit.

### Canning Figures

One bushel of snap beans (24 pounds) cans 16-20 quarts, 1 1/2 pounds can one quart; one bushel of beets (60 pounds) cans 22-24 quarts, 2 1/2 pounds can one quart; one bushel of corn (72 pounds) cans eight to nine quarts whole kernel, six to ten ears can one quart; one bushel of grapes (48 pounds) cans 16-20 quarts, 2 1/2 pounds can one quart; one bushel of peaches (50 pounds) cans 18-20 quarts, 2 to 2 1/2 pounds (eight to ten peaches) can one quart; and one bushel of tomatoes (56 pounds) cans 15-20 quarts, 3 1/2 to 3 3/4 pounds (eight to ten tomatoes) can one quart.

Pvt. Billy Jack Hancock, in the Marines stationed at Parris Island, S. C., has returned to his base after spending his furlough here with his mother, Mrs. Edd Cobb, and family, and also his grandparents, Mr. and Mrs. R. C. Scott. He was honored with a dinner last Sunday in the Scott home. He expects to go overseas soon.

### Capt. McAllister Home From Italy

Capt. Joe E. McAllister, son of Mr. and Mrs. G. B. McAllister of Route 4, arrived home Tuesday on a 21-day leave, after having completed 50 combat missions in the European Theatre with the 15th Army Air Force in Italy.

Capt. McAllister is holder of the Distinguished Flying Cross, and the Air Medal with four Oak Leaf Clusters. Since receiving his commission as a pilot at Mather Field, Calif., in June, 1942, he has flown 1200 hours in the United States, South America, Africa, and Italy.

Serving as a flight commander with a 15th AAF Liberator Bombardment group stationed in Italy, Capt. McAllister has led his flight of Liberator bombers on bombing missions over Steyr, Austria, the Ploesti oil fields, the capitols of Hungary, Rumania, Austria, and Bulgaria; he has participated in the destruction of Cassino and has also bombed German held targets in France and Northern Italy.

After having been in contact with people of all classes in Italy, he has little respect or sympathy for the Italian people. He thinks they all are Fascist-minded. But, he says that nation is one of starving people. They seem not to greatly appreciate our help; but look on us as a nation of "suckers."

J. J. Gray returned Thursday afternoon from Portales, New Mexico, where he had been on business and to visit his two sons, Will and Houston Gray, and their families. He was accompanied home by three grandchildren, Juanita, Pauline, and Waymon Gray, who came for a visit.

Mrs. G. D. Dennis of this city accompanied her son-in-law and daughter, Mr. and Mrs. Bill Hutson of Hereford, to Fort Worth Thursday of last week to spend several days with her other daughter, who resides in that city.

Miss Marietta Montgomery, who teaches at Monahans, visited here in the home of her parents last week-end and was accompanied by Miss Mildred Fouts of Rails, who teaches at Monahans, also.

Pfc. Olen Ray Harper and wife returned Wednesday to Garden City, Kansas, after a 15-day furlough spent here with their parents, Mr. and Mrs. Claude Harper and Mr. and Mrs. Lloyd McMillan.

**Tahoka Man Wins In Contest Held In Italy**

With the Fifth Army, Italy.—Pvt. D. H. Lindsey of Tahoka is a member of a rifle company which recently won \$936.00 in prize money and the regimental championship in the 88th Infantry Division in a field firing contest with infantry weapons.

The company, which has had combat experience on the Fifth Army front in Italy, topped all other fighting units in the regiment with a score of 1006. It nosed out the nearest company by a single point while no other outfit scored more than 1000.

The competing companies fired 1460 rounds of ammunition. Eight rounds each were fired from 120 M-1 (Garand) rifles, 20 rounds from seven Browning automatic rifles, 15 rounds from five carbines, seven rounds from five 45-calibre automatic pistols, and 50 rounds from two light machineguns. A heavy machinegun section composed of two 30-calibre water-cooled guns also fired 50 rounds each for each participating company.

**When the LIGHTS go on again**

"When the LIGHTS go on again"—magic phrase that signifies the return of peace! The end of war will end many another dislocation in civilian life, but we somehow express ourselves most naturally in terms of light. For an abundance of light, above all else, means comfort, relaxation, modern conveniences, civilized life.

Your homes, at least, need not be "blacked out" these days. In fact, most electric dealers now stock bulbs in all common home sizes. Adequate lighting will cost little, but is worth many times its cost in terms of easier, more comfortable seeing. Make sure your light is right before the winter evenings arrive.

When you fill up those empty sockets, be careful to use the RIGHT SIZE bulbs in each place. See that shades and diffusing bowls of all lamps and fixtures are clean. Replace dark shades by those having white or light linings. If necessary, rearrange lamps and furniture so that the light is closer to the point of use. These steps will help you make certain you get all the light you are paying for.

Good lighting at home for eyesight protection will help us all. It will help conserve our vision so we can carry our share of the war load, thus speeding the day of victory, when the lights go on again—all over the world!
