Mexicans Killed In Car Wreck

A Mexican and his wife named Herrera were fatally injured when a car which he was driving was struck by a car driven by A. R. Kimbrell of O'Donnell as the Mexicans drove out onto the highway from a side road at the turn of the highway three miles on this side of O'Donnell soon after 1:00 o'clock last Saturday afternoon, and Mr. Kimbrell was himself painfully injured. The two Mexicans died from their injuries Sunday.

There was also a Mexican in Mr. Kimbrell's car but he was unhurt. Mr. Kimbrell's nose was broken and he suffered some severe cuts and bruises. All the injured were taken to a Lamesa hospital for surgical attention, and Mr. Kimbrell is reported to be recovering satisfactorily.

The Mexican's car, it is said, barely missed being hit by a Santa Fe train as the Mexican drove it at high speed across the railroad track just in front of the train immediately before the accident on the highway.

News Items Must Be Reported Earlier

Readers having news items, club and society reports, and community correspondence for publication in The News, are requested to get the same to the News office as early in the week as possible.

Nothing except late, important news will be accepted hereafter on Thursdays.

The News respectfully begs the cooperation of our readers in this matter. Due to the labor shortage, we just simply can not put into type all the news when it piles up on Wednesday and Thursday.

Surgical Dressing Work Completed

Early this week, Mrs. Irving Stewart, county Red Cross Surgical Dressings' production chairman, made the fourth and last shipment of dressings for 1944, consisting of 16,200 dressings. This October quota was completed in three weeks by women working in seven production centers, Mrs. Stewart says.

Summing up the production of surgical dressings since the Tahoka work room was opened in 1942, Mrs. Stewart says that Mrs. Rollin McCord was the first chairman, followed by Mrs. Emil Prohl, who served until early in 1944. "These chairmen really had the hard work to do in getting the work organized and started in the seven work rooms of the county," Mrs. Stewart said.

Since the beginning of the work, 304 women working at Tahoka, Wilson, O'Donnell, New Lynn, Grassland, Hackberry, and New Home, have made and shipped out a total of 270,600 surgical dressings.

Mrs. Stewart asks The News to express her appreciation to every chairman and to every worker who has had any part in this work.

Coach Leo Jackson Gets New Contract

Leo Jackson, Tahoka High School principal and coach, was re-elected at a regular meeting of the local school board Tuesday night.

Jackson has done a good work especially with the physical training program, here. Nearly 100 high and junior high school boys have been receiving football training under him this fall.

This is Jackson's fifth year with the local school system. He came here a little over five years ago, spent three years here, then coached one year at Olney, but returned to Tahoka last year.

Mrs. B. B. Gilliam of Paris is here visiting her daughter, Mrs. L. D. Howell. She came on Tuesday of last week.

Tahoka Wins Over O'Donnell 26 to 14

Tahoka Bulldogs will be in Monahan tonight, Friday, where they will end the 1944 football season. Little is known here of the Monahan team, but usually it is one of the better Class A teams in all West Texas.

Last Friday night, on the local field, the Bulldogs brought their season to a fitting climax with a 26 to 14 victory over their old rivals the O'Donnell Eagles before one of the largest crowds of the season.

It was a game filled with thrills, hard blocking and tackling, sensational runs by Hubert McGallion and C. L. Tomlinson, O'Donnell backs, by "Seabiscuit" Caraway, Jim Ed Poer, Lane Jones, and other Tahoka backs, and the superb line play of Tahoka's seven iron men. As it has all season, it was the linemen who greatly enabled the backfield to shine.

Tahoka received the opening kick-off on her 35, fumbled on the first play and lost the ball. O'Donnell failed to gain, and Tahoka took over again, rolled up three first downs with McNeely, Edwards, Caraway and Jones carrying the mail, and appeared on its way for the pay stripe, but again fumbled and lost the ball. McGallion made seven yards, and Tahoka's Nolan Jones intercepted a pass. Neither team gained consistently, the rest of the quarter, but it was apparent the

Holloway Boys Meet In Pacific

Mr. and Mrs. E. W. Holloway of Redwine recently received a letter from their son, Ensign Robert J. Holloway, in which he tells of a happy meeting with his brother, 2nd Lieutenant David Truett Holloway, of the Air Force. They are somewhere in the Southwest Pacific area.

Truett, having learned of Robert's location by phone, arranged with Sgt. Homer Parker, who had charge of a Motor Pool near by, to bring him to his outfit. The three friends had a fine visit together. Then the two brothers spent most of the night talking.

Next morning Homer drove R. J. back to his location, and he says they hope to see more of each other. He also says the boys look well and seem in fairly good spirits. He hopes to have them visit him aboard his ship.

Congratulations—

Mr. and Mrs. William Young of Grassland on the birth of a son Saturday morning at Sinclair Clinic. The youngster has been named William Darrell.

Sgt. and Mrs. Melvin Romine on the birth of a seven-pound daughter at West Texas Hospital on Monday. The little lady has been named Linda Janet. The mother is the former Beckie Jenkins. The father is overseas.

County Ginnings Pass 46,000 Bales

Approximately 10,690 bales of cotton had been ginned by the six gins of Tahoka up to 10 o'clock Thursday morning, according to reports given The News. Reliable but not authentic information indicates that more than 46,000 bales had been ginned in Lynn county.

Harvesting operations have been stopped, however, by rain that began falling Wednesday night and was continuing Thursday.

No freezing weather has yet visited Lynn county, though a few light frosts have been reported. The lowest temperature recorded here was 34 on Wednesday morning.

New Home Farm Home Is Destroyed

Mrs. Morris Renfro, whose husband is in the armed forces, and who has been living with her mother Mrs. S. A. Allsup of the New Home community since her husband left, was a business caller at The News on Wednesday and while here told of her mother's home and most of the contents being destroyed by fire on Saturday, Oct. 28.

The fire caught from the kitchen stove at about 5 o'clock in the afternoon and was soon fanned to uncontrollable fury by a high wind that was blowing. Only a part of the contents of the two front rooms was saved.

The house was occupied by Mrs. Allsup and five children and by Mrs. Renfro and one child.

Mr. Reid had been ill for several days with asthma, and is leaving this week for the Gulf Coast in the hope of finding some relief. He told The News that he greatly regretted having to give up his position as deputy sheriff but that he was forced to do so by his health. He asked The News to express his appreciation of the fine treatment accorded him by both the public and fellow-officers.

Plains Pioneer Is Buried Here

Funeral services were conducted at 10:30 o'clock here Saturday morning for J. D. McIntyre, 83, who died early Friday afternoon at the home of his niece, Mrs. W. L. Feazell, seven miles west of Lubbock. He was a brother of the late J. R. McIntyre of Tahoka, and an uncle of Mrs. Alice Fortenberry and the Nowlin brothers of this place.

The services were conducted by Rev. Levi W. Price at the Harris funeral home, with Lloyd, P. A. and Claude Nowlin, N. E. Wood, Sgt. Clayton Lawrence, and W. L. Feazell of Lubbock acting as pall bearers. Interment was in the Tahoka cemetery.

The aged man was a native of Alabama but moved from that state to Comanche county, Texas, in 1874, from there to McLennan county in 1875, and went to California about 1900. Five years later he moved to Lorraine, Texas, then to Muleshoe in 1923, and finally to the home of his niece Mrs. Feazell near Lubbock about two years ago. He had visited here a number of times.

Lt. Col. Leo Fielder Home From Europe

Lt. Col. Leo Fielder of the Army Air Forces was here Thursday visiting his brother, Coy Fielder, of the First National Bank.

Col. Fielder, whose parents now live at Lamesa, has seen 26 months service in North Africa, Italy, and most of the time piloted an A-20 Boston medium bomber. He wears the Silver Star, the Distinguished Flying Cross, and the Air Medal with five Oak Leaf Clusters. According to press dispatches from the war theatres, he has been one of the outstanding heroes of the air war over Europe.

Col. Fielder was reared at Hamlin.

Cpl. Howard Smith, son of Mrs. Zelma Smith of Hackberry, and well known in Tahoka, is home from the Southwest Pacific, where he has been two and a half years.

The 6th War Loan drive opens Monday, November 20, and continues through December 16, during which period Lynn county citizens and institution will be expected to invest in \$645,000.00 worth of War Bonds. The National quota for this drive is 14 billion dollars, five billion of which individuals are asked to invest in.

Trust Smith, county War Bond chairman, has called a meeting for 3:30 p. m. Saturday in the county court room of all workers on previous bond sales committees to make last-minute plans for waging a successful sales campaign during this important drive. He urges that every one who can possibly do so be present Saturday.

Of Lynn county's quota, \$270,000 in "E" bonds have been allotted the county. This is slightly less than the last two or three campaigns.

As in previous campaigns, the Treasury Department has asked local business men to sponsor the advertising campaign, and as always, Tahoka business and professional men were glad to comply. The first of the series appears this week, and we ask that you give special attention to this advertising.

Tahoka has been placed on the schedule for one of the big Army road shows being presented in the interest of the 6th War Loan drive, the date being Friday, Dec. 1, at 1 p. m. on the court house lawn. Further details will be announced later, but the program is expected to include an Army band, three returned World War II heroes who will tell their experiences, five GI entertainers, and a speaker from the U. S. Treasury Department.

Men must have what it takes in full measure when ordered into a machinegun nest as first scouts. Pvt. Burtchell Linwood of Weld, Me., can tell you all about it for he didn't come through unscathed. The other side fractured his humerus bone but he will get back to near normal as a result of funds available for hospitalization from War Bond sales.

Pfc. Tom Burrade, 26-year-old Noxapater, Miss., boy, hit while on an ammunition truck in France, regained consciousness in England, his jaw fractured and lips cut to the chin, but thankful for War Bond sales.

Lt. Leo Klein, 27, Scranton, Pa., hospitalized with burns and compound fracture of both legs, was a B-17 bombardier-navigator with 14 missions accomplished when ordered to a rest home. The train on which he was riding figured in a wreck near London and he suffered wounds that had passed him by on dangerous missions. War Bonds funds are mending his hurts.

ELDER R. P. DRENNON
MAKES CONFESSION

The Bible says to "make confession." So I want to break down and confess that I was mistaken in W. Lee O'Daniel. I am afraid he has turned out to be just another "professional politician," so I guess I will not string along with him any more. I am sure this will be good news to Editor Hill, who has been these many years trying to set me right on this.

I think Brother Lee O' was all right to start on but he has fallen from grace. This won't fit in with the editor's theology, but O'Daniel has just the same.

I have some awfully sick Republican friends today. I have to be very careful what I say to them, but I think they will recover. This town is real short on men folk today; every able-bodied man who could but a deer-hunting license and borrow a gun or some shells is gone. I have promise of lots of deer meat but have bought some beef. I am taking no chances.

Our farmers are up in the air about selling their broom corn. The buyers have cut the price from \$250.00 per ton to \$150.00. So a committee is going to Washington to get good old Uncle Sam to loan them \$225.00 on the corn, which I am sure he will do, as he handles his (our) money rather carelessly. I hope he quits that before he goes broke like I am.

I had a pleasant surprise one afternoon this week when two of my friends, Captain Clayton Lawrence and his wife Genell dropped in on me for a short visit. They were on their way from Ogden, Utah, to Lubbock and Tahoka to visit their parents. I surely was pleased to see them. Come again.

My wife got in this afternoon from San Marcos, Texas, where she had been visiting our son Robert, who is in training there. He sends greeting to all his old friends in Tahoka. He also enjoys reading The News, which I send him each week after I have read it with pleasure.

Yours for more people who are more concerned about our country being righteous than being right.—R. P. Drennon, Melrose, N. M.

Ed. Note: We have no disposition. Brother Drennon, to rub it in, even though you used to chide us bitterly for our refusal to fall down at the feet of the great O'Daniel and worship him. No, we do not think that O'Daniel has fallen from grace in the sense that there has been a change in his character. He has been a political devil from the beginning. And that corresponds to our Theology. Read John 6:64-71.

Mrs. Roy Hastings of Hereford is here this week visiting her former college room-mate, Mrs. Charles Stewart, and the latter's mother and sister, Mrs. Lenore M. Tunnell and Savannah Lou.

Let's Echo That Cry With Bonds

Let's all get behind the greatest march in history — the march to Tokyo — and victory!

On countless invasion fronts, thousands of your fighting men are taking up the battle cry: "On to Tokyo!" We've got to back them up with what it takes for complete victory. Remember, the supply lines in the Pacific are long and your fighting men will need more material than was required for the entire European invasion to crush the Jap foe.

Our boys won't quit until they've reached their goal. Let's not stop buying bonds until we've reached OURS! In this 6th War Loan Drive, the Nation's goal is \$14,000,000,000—our individual job is to buy an extra \$100 Bond — ANOTHER and ANOTHER — let's keep on going — let's keep on saying it with Bonds — "On to Tokyo!"

Probably there is no man in all this South Plains area who is happier over the results of the recent election than G. H. Nelson of Lubbock. No man fought harder than he from the very start, for the Roosevelt regime and the existing Democratic New Deal set-up. When the anti-four-termers last spring began to wax strong and to lay their plans to capture Texas, Nelson snuffed the danger to the Administration, stepped into the breach and set himself sternly to meet the coming onslaught. He met rebuttal after rebuttal in Lubbock county. When, outnumbered, he undertook to speak for Roosevelt forces in the county convention, the opposition tried to boo him down. But he defied his tormentors and continued to speak, castigating the leaders of the opposition unmercifully. They had won out and then proceeded to sit on him like a thousand brick. He got the first blood when Roosevelt and Truman were nominated at Chicago. The anti-New Dealers went on the air during the campaign and so did Nelson. He bore the brunt of the fight in this section of the state in so far as the speech-making was concerned. Roosevelt not only carried the Nation but he swept the entire South Plains like a hurricane. In Lubbock county, his vote was 7,654 to 2,021 for the Texas Regulars and 1,169 for the Republicans, approximately 2 2-5 to 1 over an opposition. And Senator Nelson is a happy man.

Six or eight weeks ago when everybody seemed to be thinking that the war was all over but the shouting and newspaper correspondents and radio operators were making much of every little breach in the Siegfried line that the Allies were making, we took occasion to warn our readers against the over-optimism that prevailed, giving it as our opinion that there still lay a long road of blood and sweat and tears between us and victory. It has proven to be even so. Our forces have made only slow, tedious, and bloody advances since that time and we still have not reached the Rhine River at any point along the fighting front except where it leaves Germany and enters the soggy lowlands of the Netherlands, and Winston Churchill just a few days ago expressed the hope that the war in Europe would be over in six months. The fault is not with our soldiers, they are doing valiant service. The fault is with us, who failed to properly appraise the difficulties of the climate and the terrain facing our forces and the dogged determination of the German people to contest even an inch of ground every inch of the soil of the Fatherland. But, during the past few days, our forces have again been on the move, and we are going to win. It may be that when we finally cross the Rhine, German morale will break and crumble; or this might happen when the Russians really get into Germany on the eastern front. Any way, Germany's day of doom is not so far away, and they must see it grimly approaching. By the way, where is Hitler?

Our good friend Arch Underwood, cotton compress king in this section, one of the state's political leaders, and a man with much political influence even in Washington, was a pleasant caller last Friday at The News office. Last spring when ominous sounds of stern opposition to Roosevelt for a fourth term began to rumble, Arch Underwood is the man who brought Senator Truman to Texas and to Lubbock to pour oil on the troubled waters in an attempt to assuage the rising storm. He entertained Truman in his home and sponsored all the functions given in Truman's honor in Lubbock during that visit. Later he went to the Chicago convention as a Roosevelt and a Truman booster, and still later, during the campaign, he became one of the most generous Texas contributors to the Roosevelt-Truman campaign fund. In fact, he was entitled, several times over, to membership in that thousand-dollar club that one Thomas E. Dewey had so many fits about. Arch Underwood withal is one of the most genial and likable fellows one ever met. We suspect that he will have the ear of Congressman George Mahon, Senator Tom Connally, Vice President Harry Truman, and even President Roosevelt, respecting all matters peculiarly affecting this part of the country in the years that lie immediately ahead of us.

The fight for the abrogation of the payment of a poll tax as a qualification for voting in eight Southern states is going to be renewed in the next Congress; and it is going to be a determined fight. If those fighting for it decide that a constitutional amendment is necessary, a constitutional amendment will be submitted to the states, and the fight will then be waged in the states until enough of them approve the amendment to make it effective. We people of the South had just as well become reconciled to the inevitable. And we should begin now to prepare the Negroes for the duties of citizenship. Efficient public free schools for the Negroes and enforcement of our compulsory attendance law will help to solve the problem. Let's begin now.

How women and girls may get wanted relief from functional periodic pain

Cardui, many women say, has brought relief from the cramp-like aches and nervous strain of functional periodic distress. Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come, directed 2 days before "your time". It should help relieve pain due to purely functional, periodic women. Try it!

Bulldogs Ending Successful Season

Friday night on Tahoka field, Tahoka defeated O'Donnell by a score of 26 to 14. Neither team scored in the first quarter, but the score at the half was 14-0. In the second half O'Donnell came back strong and made a touchdown on the first play. But the determined Bulldogs fought harder and came in with two more touchdowns, making the score 26 to 14 when the game ended.

This Friday will mark the close of the football season. This has been a victorious year for Tahoka.

"A" squad scores stand:
Lamesa 7, Tahoka 0.
Lubbock 12, Tahoka 41.
Levelland 6, Tahoka 19.
Floydada 0, Tahoka 0.
Denver City 12, Tahoka 0.
Seagraves 7, Tahoka 14.
Big Spring 6, Tahoka 0.
Seminole 13, Tahoka 34.
O'Donnell 14, Tahoka 26.
Monahans 7, Tahoka 7.

Many of our Bulldogs will leave us this year. But we have other boys who are coming up to take their place. We will miss many boys who will either graduate or join some branch of the service.

They are as follows: La Vaughn Caraway, Cecil Dorman, W. T. Hines, Dwayne Vaughn, A. L. Hodge, H. B. McCord, Lowell Busby, Claude Donaldson, Nolen Jones, Jim Ed Poer, James Tippit, Charles Dollins, Dan Brookshire, Clois Leverett, Billy Jo Oliver, Lane Jones, H. L. McMillan.

Tahoka is proud of you boys, and we will never forget you.

Ten Sets of Twins In Tahoka Schools

Although not many people have noticed, beyond the teachers, Tahoka has a surprisingly large number of twins. In Grade School alone, there are nine sets, and in High School one set, Peggy and Pansy Dunlap of Tahoka.

Twins in Grade School are: Harley and Charlie Schultz from Dixie.

Juanita and Juanell Bagley. These two look so much alike that they are identified by the fact that Juanita has a freckle on her nose.

Jeanette and Diana Montgomery, Lorine and Irene McKay, Lois and Joyce Veach, and Royce and Hollis Galen all are from Draw.

Meryl and Beryl Grayson, living now at South Ward.

Robby and Bobby Hodge, Dan and Ann Cowan all are from Tahoka.

It is really remarkable that there should be so many in one school alone. Even so, Tahoka is proud of her twins.

JUNIOR CLASS

The Junior Class met last Monday to discuss the class dues and our Senior class ring deposits.

The class met again Wednesday to have its regular Citizenship program. However, at the first of the period advance tickets for the Tahoka-O'Donnell game were issued to the students who wished to sell them. Ruth Roddy acted as chairman for the program. The class enjoyed the program thoroughly.

A new committee was chosen by the president to produce the Citizenship programs for the following two weeks.

Junior class members wish to extend their thanks and appreciation to the Bulldogs for a grand football season. And we know you will get in there and fight to win over Monahans this coming Friday night.

Mrs. Adams, one of the Junior sponsors, has been absent from her classes and the Junior class meetings all last week due to illness in the family. The class hopes to see Mrs. Adams back soon and they are glad to hear that her brother, D. C. Roberts, is doing nicely.

SUB-DEB NEWS

The Sub-Deb Club met at Jerine Bartley's house November 8. The Rush Week was discussed, and a committee of four picked to write it up—Pat and Jo Bennett, Colene Carmack, and Alice Roberts. Officers for the three months starting in September and ending the last of November are: Gwynelle Davis, president; Jerine Bartley, vice president; Colene Carmack, secretary; Maxey McMillan, treasurer; Pat Henderson, reporter; Jo Ann Henderson parliamentarian.

LIBRARY CLUB

The Library Club met Nov. 2 for the regular club meeting. After the business had been attended to, Eva Joyce Sloane gave a book report, "Assignment in Brittany" by Helen Mae Innes. A program committee was appointed by the president. Ten books have been donated by the club to the library.

The News had two letters from J. B. Nance after he left three weeks ago for the North, the first from Columbus and the second from Bryan, Ohio. The first was written four days before the election and Nance was trying to defeat Dewey by making speeches for him. The second was written the next day after the election, and Nance was happy that he had succeeded so gloriously. Anyway, he seemed to be having a lot of fun. He arrived home the first of this week.

Miss Juanita Lee, who works in an aircraft plant at Fort Worth, was home last week end visiting her parents, Mr. and Mrs. R. E. Lee.

Once there was a man
named Bill

Bill was with the first Marines who went to the Pacific. For three years he fought Japs.

Then at Saipan, Bill had a quick decision to make.

He saw a job he thought should be done. He couldn't be sure it would help. He couldn't be sure he'd come back if he tried it. But it seemed worth trying.

He went ahead with the job. And it did help. And he didn't come back.

Perhaps there's a lesson in this story for some of us at home.

Bill had already done quite a bit for his country. But when the time came, he didn't stop to think about that. He didn't look around for someone else to take the risk for a change. He knew his work wasn't finished.

The same thing is true about buying War Bonds. Don't waste time wondering whether or not you've done your share.

As long as there are men like Bill still fighting—your job isn't finished yet—your job is to back them up. So keep on buying War Bonds.

Work Is Started On Negro School

The foundation of the new Negro school building was laid last week and work on the building itself is expected to start next week, according to Tobe Kennedy, local manager for the Higginbotham-Bartlett Lumber company, who has been given the contract for the construction of the building.

The slight delay is due to the inability to get the tile for the structure until the last of this week or the first of next. As soon as this material is available, the work will be resumed and pushed to completion.

The school board recently purchased five additional lots, already owning two lots on which the old frame building stood, giving the school premises an area of about 340 feet east and west by 140 north and south. The new building is to be constructed on the west end of this area.

It is to be 40 feet by 20 feet, built of tile, with wood floor and shingle roof. The walls are to be stuccoed and painted, probably white, outside, and plastered and painted, also white or nearly white, inside. The

windows will all be in the north wall and there will be a door in the west end near the south wall and another in the south side near the east wall. The structure is to be built with a view to having a partition wall built through the center so as to convert the building into two rooms if and when two teachers become necessary.

Water is to be piped into the building, and it is to be heated with gas and lighted with electricity. When completed it will be an attractive little structure and large enough to meet present and immediate needs.

The school board is to be congratulated upon its action in providing these facilities for the colored school children of the district and it is hoped that they will take full advantage of the better facilities provided them.

TWO LYNN COUNTY BOYS
BUDDIES IN NEW GUINEA

"Just a few words to let our friends back home know that two town boys have met to be together awhile in New Guinea—Weldon Greenwood of Rt. 2, Tahoka, son of Mr. and Mrs. James Greenwood, and Alfred Ratliff, one of the Ratliff twins, a former O'Donnell boy who moved to Tahoka in January. He is the son of Mr. and Mrs. W. F. Ratliff of Rt. 5, Tahoka.

"Alfred having already seen some action was sure glad to meet a boy from home today. It sure made us feel good to get together and talk over old times. Let all our friends know that we are doing fine. If possible, get in touch with our parents and have them send us your paper every week, as home town news is always welcome to us.

"G. W. Burdette of O'Donnell, son of Mr. and Mrs. Geo. Burdette, Rt. 1, O'Donnell, came over with Ratliff but was separated from him some time ago. His whereabouts is unknown to us. We would like for some one back home to let us know where he is, and the rest of the boys around home.

"Tell everyone there that we are hoping to be home soon.

"Hoping to hear from everyone soon, Yours truly—James W. Greenwood, S. 2/c; Milburn Alfred Ratliff, S. 2/c."

The above is an exact copy of a letter received by The News. We are sure The News will be sent hereafter to their address. It is to be hoped that a number of their friends write them also.

LOMAH BETH HARDIN
BRIDE OF SOLDIER

In a single ring ceremony read by the pastor, Rev. Yearby, in the First Baptist Church at Midland at 8:00 o'clock last Saturday evening, Miss Lomah Beth Hardin, daughter of Rev. and Mrs. A. C. Hardin of this city, became the bride of Pfc. Rawlston L. Buck of the Midland Army Air Field. The bride was given in marriage by her father.

The entire Hardin family, with the exception of one son who is in the service, attended the wedding and also a reception given in honor of the bridal couple following the wedding, in the home of friends, Mr. and Mrs. W. J. Webb of Midland. After the reception the couple left for Dallas on a brief wedding trip.

The bride is a graduate of the Post High School and for two years was a student in Hardin-Summons University, Abilene. For a few months she was employed in the office of the county agents of Lynn county in Tahoka, but more recently has been employed in the personnel office of the Midland Army Air Base. She expects to continue her work there.

Pfc. Buck was reared at Dallas. After graduating from a Dallas high school and at a business college, he entered business and became manager of a group of meat markets before being inducted into the service. For some time he has been stationed at Midland Air Field.

We used to ride a lot

Wistful young America may not be able to understand why those long, lovely rides in the country are now only a memory.

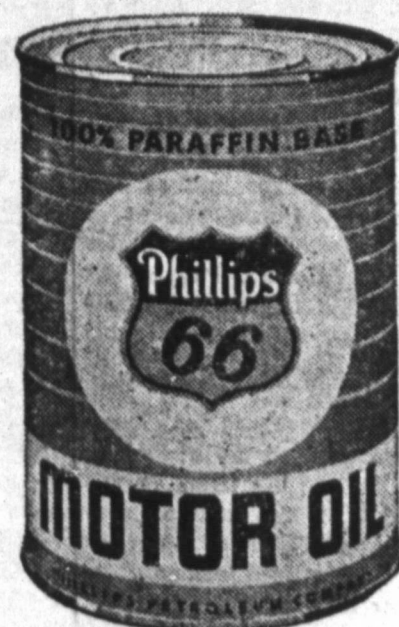

But their patriotic fathers, meeting the necessity for conserving gasoline and for prolonging the life of tires and cars, have reduced their driving to a minimum. They know that "Care for your car—For your country" is more than a slogan, that such care is important lest the nation face a wartime crisis in domestic transportation.

So now, more than ever, they want a quality oil to preserve and protect their motors. Their only question is: How can I tell which are the quality oils?

Here is one easy answer, in a very frank statement by Phillips: If you want our best oil, remember we specify that Phillips 66 Motor Oil is our finest quality... the highest grade and greatest value... among all the oils we offer to average motorists.

Experts recommend changing oil every two months. Especially, don't neglect the seasonal change this fall. Get rid of contaminated, summer-thin oil. Drain and refill with a quality lubricant. Ask for Phillips 66 Motor Oil.

(By Mrs. Marvin Truelock)

The last home football game of the season was played here Thursday afternoon when Sundown defeated our team 28-6.

Votes cast here in the election totaled 119. Donald Pennell's brother who is overseas, cast one of the ballots.

Mrs. Ben Becker's nephew, 1/c Navy Air Corps, Oscar Meissner of Bartlett, left here last Tuesday after a visit with the Beckers. He has been in the Western Pacific 18 months and says it is no propaganda that our boys are mopping up on the Japs. For a month and a half he had nothing to eat but rice and potatoes.

August Beck Jr. and Arthur Voigt Jr. reported in Dallas for Navy Reserve Monday morning of this week. This is the third son of the A. Beckers to volunteer in the Navy, and one daughter is an Army Nurse. Arthur Voigt moved to Slaton last January.

Miss Virginia King of Phoenix, Ariz., arrived here Friday afternoon.

The Harry Kings received a letter on Nov. 12 from their son, Cpl. Henry (Babe) King. He had visited such famous places as Paris, Chatteaur-Thierry, San Lo, Holland, Belgium, and had seen the Dragon Teeth of the Siegfried Line.

Carol Shaw, whose parents lived for many years on the farm now occupied by Marcus Wilke and family, visited R. H. Cofften Wednesday morning.

Wednesday and Thursday Mrs. Marvin Truelock and Mrs. S. M. Truelock and daughter visited the latter's sisters, Mrs. Bud Odom and Mrs. Lonnie Carlton at Post.

Cpl. Manuel Reyes of Lubbock spent the week-end here with his parents.

Last week Marvin Truelock received a new large floor-stand drill, which completed the change of the Kwikway garage to a machine shop, having already installed three turning lathes, a milling machine, and a shaper, power saw, flexible shaft grinder, and many small tools. The shop is now equipped to handle all kinds of machine work on farm tools, as well as other general machine work.

Mr. and Mrs. Arthur McMillan of T-Bar have two sons and a daughter in the service. Sgt. John D. McMillan is in the India-Burma theatre, Sgt. Woodrow McMillan is at Camp Hood. Their daughter, Cpl. Hatlie Hayes, is a member of the WAC stationed at Camp Pine, Calif.

James Minor . . .

(Continued from page one)

band had been promoted to "the rank of lieutenant colonel" for outstanding leadership in operations in France.

A son of Mr. and Mrs. John W. Minor of Tahoka, Col. Minor was reared here, graduated with honors from Tahoka High School, and was a star football player here. He was also a star at Howard-Payne College both in the classroom and as an athlete, and served as president of his class all through college. After graduation at Howard-Payne, he entered the University of Texas Law School, but soon withdrew to enter the service.

Col. Minor has had one of the most remarkable records in Army history, have risen from a "buck" private in the old National Guard through about all the non-commissioned and commissioned ranks to the rank of lieutenant colonel.

Mrs. Minor says that she has received many interesting letters from him and she quotes from one of them.

"I have had many thrilling experiences," James says, "since arriving in France. . . . You asked about Southern France. It is really a beautiful country, particularly the Riviera, but the beauty of it has been ruined for me by the sight of the atrocities the 'Krauts' have committed against the French people. I could go on for hours about the horrible things I've seen but I get so mad when I begin thinking about them I'd rather not talk about it."

"I'm sorry I couldn't be there for the 'Quarterback's' birthday (his son, Jimmy's), but there are still too many 'Krauts' alive over here."

"Please forgive me if I seem sad today, but one of the best friends I had in the world, Capt. Fugate, was killed yesterday."

"Recently my battalion and I have been much of the time behind the German line and I've had sev-

eral miraculous escapes; but I'm still all in one piece, although more exhausted than at any time since I've been over here. A little rest will fix me up, I think."

Max Minor Stars On Army's Team

Max Minor, Tahoka's first contribution to big-time football, was a star in the game last Saturday when Army defeated Notre Dame by an unprecedented score.

Max scored in the first quarter through the line, and in the third returned a Notre Dame punt 65 yards to score again. He is playing his second year at halfback for the Army eleven.

He was probably the greatest all-around athlete ever to attend Tahoka High, and following graduation here he entered Texas U., where he likewise was a star. A year and a half ago, the Army selected him for officer training and sent him to West Point.

This week The News received a kit filled with publicity and a large picture of Max, sent out by the West Point public relations officer, Col. Meade Witzdrick.

Included in the kit is a book, "Football Pays Dividends in Battle."

Minor is halfback on the Army No. 1 team, which is said to be the greatest team in Army history. At any rate it is now ranked the best in the nation by the nation's sports writers. If it defeats the Navy on Thanksgiving, the team will go down in history as one of the greatest teams in Army history.

Dr. Sinclair Rotary Speaker Thursday

Dr. Jim Sinclair discussed briefly the care available to crippled children through Rotary at Thursday's meeting of the club. Though the local club has not had an applicant for aid in nearly three years, the service is still available.

The club voted to again this year sponsor the annual free picture show for Lynn county children on the Saturday morning preceding Christmas day. The event was instituted two years ago with Dr. Emil Prohl in charge.

Truett Smith asked cooperation in the coming War Bond drive, and Ted Waggoner announced the War Bond show coming to Tahoka on Friday, December 1.

Robt. Stone announced the 4-H club achievement day program set for this Saturday.

Last week Judge Tom Garrard and County Attorney Calloway Huffaker spoke on the juvenile delinquency problem.

Snow Falls Over Plains Thursday

As The News went to press late Thursday, snow had been falling all afternoon. Rain had begun falling Wednesday night, and soon after noon Thursday turned to snow. Most of the snow melted as it fell.

MISS WENZEL WEDS

Miss Christine Wenzel, daughter of Mr. and Mrs. A. D. Wenzel of Brownfield, was married to Pvt. Billy Sunday Welch, son of Mr. and Mrs. J. C. Welch of Mountain Air, New Mexico, formerly of Tahoka. The ceremony took place at the home of Rev. Ben Hardy Saturday evening November 11th, at 7 o'clock. Rev. Ben Hardy officiating.

The bride wore a white suit with black accessories and was attended by Miss LaVerne Park, niece of the groom, and Mrs. W. T. Hines, sister of the groom.

Pvt. Welch is stationed at Camp Wolters, Mineral Wells, Texas, and Mrs. Welch is employed by Lyntegar Electric Cooperative.

MRS. YOUNG HOME

Mrs. Richard Young has returned from Los Angeles, Calif. She spent three months with her husband who is in the United States Coast Guard, then she visited relatives in Los Angeles, before coming on to the home of her parents, Mr. and Mrs. N. M. Wyatt.

Richard is now aboard ship, waiting orders to sail, he has just recently been promoted from Seaman first class to ships cook third class.

John Heck and Garland Pennington left Tuesday for Austin to attend a meeting of the Texas Power Electric Cooperative in session for several days. They expected to return home Saturday.

Miss Mildred Reid, daughter of Mr. and Mrs. A. L. Reid of Draw, was a visitor at the News office a few days ago and reported that she is planning to enter a beauty school in Lubbock some time soon.

Mr. and Mrs. C. C. Dwight were called to Lubbock late Wednesday by the serious illness of his sister, Mrs. Viola Tiffin of Quitaque, who was in a Lubbock hospital following a stroke.

Joe Bittle Dies, Funeral Today

Funeral services are to be held at 3:00 o'clock this afternoon at the First Baptist Church for Joe Bittle, 39, a farmer residing on the Sam Miller farm three miles east and two miles south of Tahoka, who died at 2:30 Thursday morning. Deceased was a brother of Mrs. Miller. He had lived here only about six months at the time of his death, though he had been here "off and on" for the past two years.

Death is said to have been due to a cancerous growth on the breast. He is survived by his wife, one son, Charles Ray, 14, and one daughter, Helen Jo, 10, by his sister, Mrs. Miller, and other relatives.

He was born in Red River county and came from there to Abilene about three years ago, and from Abilene to this county a few months ago.

"LIKE TO SWAP NIGHT CLUBS, PAL?"

"Sorry, chum—no ringside seats. You sit in the mud, see?"

"You got a floor show of lizards and mosquitoes crawling over your face."

"You got a nice little 4-piece orchestra of Jap mortars, Zeros, machine guns, and your best friend screaming in the next foxhole."

"Come any time, pal. The show goes on all night. For a long time. There's never a cover charge. Not even for the flag they put over you when they carry you out."

We're all human.

We all like to go dancing or see a show or buy an extra suit or dress occasionally. But

this war still has a long way to go. There are still 75 million Japs who don't believe in surrendering.

So during this 6th War Loan, how about putting all that luxury money into something a little more permanent—an extra \$100 War Bond at least—to help get this thing really over and bring those boys of ours home?

It'll hurt. But not as much as the Jap bayonet in your neighbor's stomach. You get something back—in ten years — \$4 for every \$3 invested. He doesn't.

BAPTISTS ATTENDING STATE CONVENTION

Rev. Levi W. Price, pastor of the First Baptist Church, and Rev. A. C. Hardin, former pastor now engaged in evangelistic work, left early Monday morning for San Antonio to attend the Baptist State Convention of Texas in session there this week. Some other pastors of the county are also in attendance. Among the women of this county attending are Mrs. D. V. Smith and Mrs. J. W. Goodell of Tahoka and Mrs. Lonnie Lumsden and perhaps others from Wilson, who left here early Sunday morning.

Attendance at both the Sunday School and the B.T.U. at the Baptist Church dropped off a little Sunday, but attendance upon the church services was up to normal or better. On account of the pastor of the Methodist Church being in Sweetwater attending Conference, there were quite a number from his congregation present.

The ordinance of baptism was administered to one recent convert Sunday night.

Attention is called to the fact that the Brotherhood will meet at the Church next Tuesday night.

PATRIOTIC RALLY AT ASSEMBLY OF GOD

The public is cordially invited to attend a great patriotic rally at the Assembly of God Church in Tahoka Saturday night, Nov. 18. The church headquarters in Springfield, Mo., is sending Lois L. Cox as field representative of the Servicemen's Dept., to conduct the rally.

Rev. Leon C. Quillin, local pastor, emphasizes that this great rally is a community affair and everyone, regardless of church or creed, is invited to participate. He urges everyone to bring a snap-shot or photo of their loved ones, friends, and relatives who are now serving in the Armed Forces of our nation. Also, please bring the full name, rank, serial number, and complete address of those in Service so they may be contacted and given the news that their names were read and their pictures honored in this great mass meeting.

Lois Cox will tell you of the great work being done in Victory Service centers and of other ways in which our service men and women are being helped. She will tell you how you can help win the war and bring our boys home again. Don't fail to attend this great patriotic rally! Bring a service man's picture! Bring a service man's name and address! Bring a prayer in your heart that peace will soon come!

WCS MEETING

The Methodist W. S. C. S. met at the church at 4 o'clock Monday afternoon, with Mrs. H. A. Nichols and Mrs. T. L. Gill in charge, finishing up the study course which they have been taking.

Mrs. R. H. Gibson served refreshments to the eighteen women present.

METHODIST CHURCH

The pastor was returned for another year by the annual Conference which closed at Sweetwater last Sunday. The Conference was the best that has been held for many years. Reports were outstanding. Several thousand had come into the membership of the church on confession of faith. Nearly two million dollars had been raised by the conference.

The subject to be discussed Sunday morning is: "The Great Challenge to the Church Today." Evening service will begin promptly at 7:30. To all these services you are invited to attend—for a hearty welcome awaits you.—Reporter.

REDWINE CHURCH NOTES

We will have a special offering for Buckner Orphans Home during our morning service this Sunday. May each member bring a worthy love offering for the needy orphans.

Remember, our Sunday school begins at 10:30 a. m., and Training Union at 7:30 p. m. We want you to come and worship with us if you are not attending elsewhere. As the Thanksgiving season approaches, surely we all should find our place in the Church and worship regularly, giving thanks to God for his innumerable blessings.—The Pastor.

Jim Woods, S. 1/c in the Navy, telephoned his wife and his mother Sunday from Norman, Okla., advising them that he had arrived at that place on Saturday. His wife

and his brother, W. H. Woods, left early Tuesday morning in a car for that place, W. H. coming back later by bus. His arrival at Norman was somewhat a surprise to them, as he was at Honolulu when they last heard from him.

How women and girls may get wanted relief from functional periodic pain

Cardui is a liquid medicine which many women say has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Here's how it may help:

1—Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come.

2—Started 3 days before "your time", it should help relieve pain due to purely functional periodic cramps.

Try Cardui. If it helps, you'll be glad you did.

CARDUI

A BOY DIED LAST NIGHT:.

A BOY died last night. It doesn't make much difference now about his name. It might have been your son, your brother, your husband. The important thing is that he died, in poignant and awful loneliness out somewhere on a waste of sand, out in a starless silence, 10,000 miles from home.

"Missing in action" read an obscure line in this morning's communique. That was all. Now he lies there, a crumpled, twisted mass of flesh, that yesterday was his body. The fine head and the shining face and the broad shoulders remain only in a picture that looks out upon a quiet living room on a shaded street on sterner away.

Last night, in those agonizing hours of unspeakable isolation, he went through a thousand deaths without the one thing that might have helped a little—the sound of a familiar voice, the pat of a friendly hand. Many people died last night in their beds at home, surrounded by those who cared. Last night he died in utter desolation in an unapproachable loneliness.

The pain was terrible enough. But then there had to be that dreadful burden of thought in those endless last hours. Mom and Pop. The flowers blooming again in the backyard. The good old rooster in the driveway. That last sweetheart kiss at the station. Those dances last summer. That half-finished letter in his blouse. All those plans for the future. Couldn't somebody find him, please? The wracking pain again.

Too much for you, all this? But it really happened last night, just like that. It's going to happen a thousand times—ten thousand times, and perhaps a million times in the nights to come. If people could only understand it. If they would just cried deep into their thinking the stark, terrible reality of it, every petty, selfish interest would be swept away. They would sacrifice anything and everything just to make themselves worthy of that boy.

He died last night, you see. There's no way to get around that.

3:30 to 4:00. Closing announcements.

The registered breeding gilts which are being shown Saturday are those awarded to 4-H boys last May. These gilts are being bred at this time and each boy will return the top gilt out of his first litter to the County Agricultural Agent, who will award it to another 4-H boy to give him a start in the 4-H Swine Demonstration program.

Each of these boys has done a creditable piece of work in raising these gilts, and although the number to be shown will only be between ten and fifteen, the judging will be close, as the gilts as a whole are very nice.

Each of the 27 boys winning gilts Saturday likewise will return the top gilt out of his first litter to that they may be given to other 4-H boys to start them in this program. This will make a total of 41 registered breeding gilts given to 4-H boys on this self-perpetuating basis.

Astrologist Says Three Stars Brighter Than Sun

Three stars of our galactic system are more luminous than the sun, Dr. Peter van de Kamp of Swarthmore, Pa., director of the Sproul observatory at Swarthmore college, declares.

"The brightest is the well-known Dogstar Sirius, the fifth nearest star, at a distance of 8 light years and a candlepower 30 times that of the sun," said Dr. van de Kamp. "Next comes Procyon, the little Dogstar, at a distance of 11 light years and a candlepower 7 times that of the sun; Altair, at 16 light years, is 10 times as bright as the sun.

"Vying in brilliance with the sun is the brightest component of the triple star Centauri, the nearest stellar object, at a distance of only 4 1/4 light years, or 26 trillion miles. The other stars represent various degrees of candlepower, the faintest one, 8 light years away, having a luminosity of only one 50,000th times the sun."

With few exceptions these nearby stars show a remarkable behavior, according to Dr. van de Kamp. With decreasing candlepower the size decreases and the color becomes redder. Most of the stars are red and much smaller than the sun; they are called "red dwarfs." Dr. van de Kamp said that all stars, including our sun, are huge spheres of incandescent dense gases, sending out light whose spectral proportions are determined by the surface temperature, just as for molten metal.

Faulty Engine Adjustment May Cause Power Loss

Don't be too quick to blame low octane fuel for your tractor's lack of power and sluggish action. It's possible that the fault may lie in lack of compression, improper ignition timing or faulty carburetor setting.

If there is a rebound on each compression stroke when the engine is cranked slowly, the valves are closing properly and holding compression, it is pointed out. Piston rings are also likely to be in good shape. A lack of compression means waste of fuel and loss of power. Leaky valves permit gases to burn and warp the valves and burn out the valve seat.

Leaky or broken piston rings, also evidenced by lack of compression along with an undue hissing in the crank case, cause serious loss of power. They allow deposits of carbon to form in the combustion chamber and cause cylinder walls to score and burn because of improper lubrication.

Prisoner's Last Meal

There appears to be no definite information on exactly how or when the custom of a prisoner's last meal originated but Warden William Snyder of Sing Sing says it is his understanding that the practice originated years ago, as a humane gesture, in order to give the condemned person an opportunity to select certain foods within reason and the regulations as his "last meal." Robert G. Elliott, New York State executioner for many years, in his book "Agent of Death" explains that contrary to the general belief, the meal is not eaten with relish and often is not even eaten by the condemned man at all. Frequently it is shared with other occupants of the death house and there is a tradition that one man ordered for his "last meal" the dishes he knew another inmate relished and gave them to him when the tray was brought. The recipient was so pleased by the gesture that he himself did the same thing when he reached the time of his "last meal."

Controlled Contractors

Social control of private construction is not as new as some of its opponents would have it appear. Hammurabi, King of Babylon around 2000 B. C., prescribed that: If a contractor builds a house for a man and does not make it strong enough, and the house which he built collapses, and causes the death of the house owner, then the contractor shall be put to death. If it causes the death of the son of the owner, then the son of the contractor shall be put to death. If it causes the death of a slave of the owner, then he (the contractor) shall give the owner a slave of equal value. If it destroys property, he (the contractor) shall replace what has been destroyed, and because he did not build the house strong enough and it collapsed, he shall rebuild the house at his own expense. If a contractor builds a house for a man and does not build it so that it stands ordinary wear and tear, and a wall collapses, then he shall reinforce the wall at his expense.

Clean Canning

Wash your hands before starting and wash them often during the canning. Have your kitchen, stove, pots and pans, and all work spaces spotless. Wash your jars with soap and water, then sterilize them by boiling. Wash the fruits and vegetables before preparing them for canning. Work clothes need not be one's best housedress, because it might be spoiled by stains, but whatever clothes are worn, dresses, aprons, or slacks, should be clean when put on, and should be washable.

Tahoka Wins . . .

(Cont'd. from first page)

Tahoka line was superior to that of O'Donnell.

Early in the second quarter Poer took a screen pass and ran 35 yards to the 2 1/4 yard line, and Caraway plunged across for the first score. Bill Orider, blocking back, carried the ball through the line for the conversion. O'Donnell failed to gain again and kicked. Caraway made 19, Jones 27, Poer 4, and Caraway passed 23 yards to End W. T. Hines for the second touchdown then the same two boys repeated the pass play for the extra point, and the half ended 14 to 0.

Opening the second half, Tomlinson returned the kick-off to the 43, and on the very first play from scrimmage, McGallion ran through and around the entire Bulldog team for the goal line, then stepped back and kicked goal. Tahoka took the kick-off and marched down the field to the 3 yard line, where a fumble again cost them a possible score. But, after receiving the kick marched back down to the goal, with Caraway going over from the 5 yard line. A pass for the extra point was incomplete, and the score was 20 to 7.

Opening the fourth quarter, old "One-Play" McGallion took the kick-off and presented a beautiful exhibition of broken-field running in his 65 yard journey for the second O'Donnell touchdown. He again kicked goal. A pass Jones to Hines, who lateraled to Caraway, was good for 11, Caraway ripped off 24, and a few plays later Caraway went over for the final score. The count 26 to 14. A few plays later, with O'Donnell trying desperately to score again, the visitors completed a pass over the goal line, but the receiver was outside the end zone, and the ball went over on Tahoka's 7 yard line. On the first play, Caraway faked a punt, Poer took the ball and scampered 82 yards down field before being overhauled on the O'Donnell 11 yard line. There the game ended.

Tahoka made 21 first downs to O'Donnell's 4, gained 408 yards on running plays to O'Donnell's 156; made 83 yards on 5 completed passes, and had 4 incomplete, while the

visitors completed 2 for 31 yards, had two intercepted, and 5 incomplete. Tahoka punted twice for a 40 yard average, while O'Donnell punted 5 times for a 33 yard average; Tahoka lost the ball three times on fumbles, O'Donnell none; Tahoka received 30 yards in penalties to O'Donnell's 20.

PVT. DANNY VANDYKE SENDS SOUVENIRS HOME

Mrs. Joe L. Vandyke received some souvenirs from her son, Pvt. Danny L. Vandyke last Friday, which included some German money (Marks) and a gold watch for herself, of which she is very proud. While the watch evidently is of very fine material and workmanship, and made to be worn either on a chain or on a bracelet, it has a

key for winding and setting it.

Pvt. Vandyke, who had tank-destroyer training at Camp Hood, was sent overseas with the 117th Infantry. Advancing with his division through France, Belgium and Holland, he arrived in Germany about September 20.

Mrs. Irene Gallagher of Cobbs' store returned Wednesday night from a business trip to Dallas,
