Mrs. Bertha Vowell Dies In California

Funeral services for Mrs. Bertha Vowell, who died at Lodi, Calif., on last Saturday night, were conducted at the Church of the Nazarene at Grassland by Rev. A. F. Duke, the pastor, at 2:30 o'clock Thursday afternoon, followed by burial in the Grassland cemetery.

The body was shipped by train to Lubbock, arriving Wednesday at 1:00 p. m., and a Harris funeral coach brought it from Lubbock to Tahoka and on to the home of J. W. Warrick at Grassland Wednesday afternoon.

Mrs. Vowell was the daughter of Mr. and Mrs. W. R. Wardlow, who formerly lived in the vicinity of Grassland, now residents of San Benito, and was a niece of Mrs. Warrick, Mrs. M. C. Richey, and Mrs. J. C. Allen, residents of the Grassland community.

She was a cousin of County Clerk Walter Mathis, who lived for some time in boyhood in the Wardlow home. A brother, Leonard Wardlow, later lived in the Mathis home in Tahoka and attended school here.

Mrs. Vowell was a devout Christian woman and had a great circle of friends in the Grassland and adjacent communities, who were greatly grieved at her death.

Large Crowd Attends Most Successful County 4-H and F.F.A. Livestock Show

Large crowds attended the Lynn County 4-H and FFA Stock Show held in Tahoka Saturday, and many farmers and business people declared it was the largest and most successful show ever held in this county. A total of 119 head of stock were shown by the boys, and several farmers displayed registered cattle.

W. L. Stangel, head of the Department of Animal Husbandry, Texas Technological College, judged the 4-H division. He was particularly complimentary concerning what he termed "an outstanding

Calvin Waldrep Is Killed In Action

The war in the Pacific continues to take its toll of Lynn county boys. On Tuesday Calvin E. Waldrep of O'Donnell received a message from the War Department informing him of the death of his son. Pfc. Calvin E. Waldrep Jr. had died on Okinawa on April 21.

Young Waldrep who was born at Tahoka on June 7, 1924, entered the service of his country as a Marine in the summer of 1942 and after training several different camps was stationed for several months at Dutch Harbor, Alaska and on Attu and other islands then in the war zone of the North Pacific. At that time he was a rangersetter on a 40 MM anti-aircraft gun.

After a short visit here, he returned to his base on the west coast and was soon in the Southwest Pacific with an amphibious force taking part in landings on New Georgia and other islands in that area.

His last letter to his father was dated February 24, 1945, and it is believed he was then in the Pelilius.

Survivors include the father at O'Donnell; mother, Mrs. Florence Waldrep at Donna; a sister, Miss Melvena, who is in defense work at Fort Worth, three young brothers, the oldest about 16, live at Donna with their mother; grandmother, Mrs. M. E. Hays of Donna and grandparents, Mr. and Mrs. J. J. Waldrep, Tahoka.

Mrs. Amos McMillan of Mack's Drug is an aunt.

Captain Clay McCoy, who is stationed at Ellington Field, Houston, visited his mother, Mrs. J. H. McCoy, and sisters, Misses W. G. Gallagher and Wade Holland, a few hours last Friday. He flew to Lubbock on business that morning and returned late Friday evening to Houston.

Mrs. L. L. Jones of Kingsburg, California, came last week to help care for her mother, Mrs. J. L. Nevill, who is ill at her home here.

Eight Baby Coyotes Captured Near Here

Warren Smith, who lives out on the T-Bar, came stopping buoyantly into the News office Tuesday afternoon with a baby coyote in his arms. In his car there were seven others of the little brutes.

Of a yellowish-brown color, sleek and fat, they were beautiful little rascals, and we almost felt sorry for them, for the mother had been shot at and knocked down and then made her escape, and they had probably never seen their daddy. But we knew that if they had been permitted to grow up, they would become sheep-killers after awhile, just as their ancestors were before them. Under their beautiful exterior, they were nothing but wicked wolves.

After Warren had take a shot at their father and knocked her down, she jumped up and ran off. He doesn't expect to raise the little ones.

Mr. and Mrs. L. H. Moore returned Monday from a weekend trip to Winters.

Pfc. Billy Smith Is Killed In Action

Mr. and Mrs. N. W. Smith, who live on the Levi Nordyke farm in the Midway community, received official information from the war Department last week that their son, Pvt. Billy Harris Smith, had died in action on the island of Cebu in the Philippines.

Pvt. Smith had been in the service little more than nine months, having been inducted on July 1, 1944. He was sent to Camp Wolters for training and embarked for overseas service at San Francisco on December 28, landing later in the Philippines.

Billy was still less than 20 years of age when he died. He had been a student of the Tahoka High School for more than a year before his induction into the army. He had also attended school at Rotan, where he was born on July 6, 1925, and at Midway in this county, to which community the family had moved in 1936, living for several years on the John Donaldson farm.

Billy professed faith in Christ and united with the Baptist Church at Bethel in 1938 and is said to have been a very faithful member and a very fine boy. Many friends, young and old, are greatly grieved that he had to give his life for his country at so youthful age.

Wynne Collier is preparing to greatly expand his drug store. The wall between his store and the building immediately east of it has been torn out and workmen are approaching completion of the reconditioning of the interior of this structure so that the two may be thrown into one.

The expanded store will have a floor space of 43 by 70 feet. The present store occupies a space of 25 by 70 feet while the addition is about 18 by 70 feet.

This will relieve the crowded condition that has existed heretofore and enable Mr. Collier to make his store much more attractive as well as much more spacious.

European War Is Over As Germany Overrun By Allies

War in Europe Officially Ended

Tuesday of this week will go down in history as one of the great days of all time. The war in Europe was officially declared to have ended. President Harry S. Truman, and Prime Minister Winston Churchill of Great Britain simultaneously announced at 8:00 o'clock Tuesday morning that Germany surrendered. It had been previously announced that Marshal Stalin of Russia would make a similar announcement at the same time, but for some unannounced reason his announcement was not forthcoming.

The unconditional surrender agreement had in fact been signed officially on the preceding day. The surrender was made to Texas-born and Kansas-reared Commander of the Allied forces, General Eisenhower.

Notwithstanding this general surrender, there were still a few pockets of resistance on the part of the Germans, the most serious being in Czechoslovakia. These could not possibly hold out long, however.

While some of the German military leaders remained sullen and arrogant, no one denied that this time Germany had been thoroughly whipped—crushed, in fact.

President Truman requested that there be no wild demonstrations in celebration of the victory but rather that the people should continue to work without any let-up at their respective tasks and that they assemble in their respective churches throughout the land on next Sunday to render thanks and gratitude to God, and he proclaimed next Sunday as a Day of Prayer throughout America.

He also reminded the people that we still have a great task ahead of us and that we must not let up until we have crushed the military might of Japan as we have crushed that of Germany.

SUNDAY SCHOOL PARTY

Members of the Baptist Euzeian Sunday School class and several invited guests were honored with a Mother's Day program Monday evening when the Dorcas entertained in the home of Mrs. Coy Fielder with Mrs. George Hancock as joint hostess.

Mrs. Arthur Biggerstaff directed the program which was most impressive and appropriate for the occasion. The hostesses served punch and cookies to Meses. Jack Corley, Jewell Connolly, B. R. Tate, T. B. Burroughs, G. C. Shaffer, E. J. Hendrix, R. C. Forrester, E. I. Hill, E. J. Cooper, W. M. Harris, H. C. Smith, J. L. Reese, Clyde Renfroe, Fruett Smith, Biggerstaff, A. E. Herring, Dannie Pook, Clay Bennett, Marcelle Dayton, N. E. Woods, Hancock, Fielder and Misses Harrell, Reddell, and Phyllis Anne Fielder.

YOUNG PEOPLES MEETING

The Christ Ambassador Band of Assembly of God Church is starting a young People's Revival at the church beginning Sunday night May 13 at 8:30. Mrs. Calvin Daughtry of Midland will do the preaching and Miss Loree Harrell of Mineral Wells will be in charge of the music. Mrs. Daughtry's husband is overseas in the service of our country and Miss Harrell is a niece of the pastor, Rev. Leon C. Quillin. Everyone is invited to these services and the young people have a special invitation to come and hear these young girls. Come and help us pray for our country.

much good will result from this effort. You are invited to attend the remaining services and hear the gospel preached as it is revealed in the Word of God.

It seems from our observation that people in general are awakening to the need of going back to the Bible as the source of supply for their spiritual needs rather than relying upon man-made theology and emotionalism. It is a healthy sign when people begin to realize that the God who created them and preserves them knew best their needs along this line. We should accept the Apostle Paul's statement in Rom. 1:16 that "the gospel" is God's power to save the believer. It is our earnest desire to preach and teach that gospel so that people can hear it, believe it and obey it, and be cleansed from their sins. In 2 Thes. 1:8, Paul states that Christ will come taking vengeance upon those who know God by studying the Bible which not God and obey not the gospel. Let us then come to know ourselves and let us obey that pure gospel that we might escape that vengeance and enjoy the blessings of eternal life. You are urged to attend the services of the Church of Christ near you.

METHODIST CHURCH

Sunday will be Mother's Day, and there will be hymns and sermon on the subject of "Home Influence." What the home is—so is the community and the nation. It is the source and spring that sends out its issues either to bless or to curse the world. Christ should be the head of every home.

We were glad to have so many new faces in our congregation last Sunday. At the communion service here were so many who partook that the communion steward had to refill the tray of cups—that was unusual and the first time it has occurred—but we were made happy because of so many communicants. The Vacation Bible School will begin soon. Some of the departments have their literature on hand. The date will be set soon. Plans are being made for our annual protracted meeting, and it will be held within a short time— it is expected.—Reporter.

MOTHER'S DAY PROGRAM AT REDWINE CHURCH

The public is cordially invited to attend an all day program in honor of our mothers. We will dispense with our preaching service in favor of the special program to be rendered by our Training Union following our Sunday School. Lunch will be spread at the noon hour furnished by the people of the Church and community. The program in the afternoon will consist of an old time song and testimonial service and a play rendered by the Intermediate Training Union Class. The closing part of the afternoon service will be an inspirational message delivered by Rev. Norcross, pastor of Draw Methodist Church.

Sends Mother's Day Message

Mrs. Jennie A. (Jodie L.) Nevill received a communication this week from Brigadier General M. M. Beach, 53rd troop carrier wing, in the European theatre of operations, commending her son, Cpl. William Aleck "Eckie" Nevill, for having "played his part well in the great success of the war effort," thanking her as his mother for himself and his officers and men, and wishing her a happy Mother's Day.

CARD OF THANKS

Words cannot express our sincere thanks and appreciation for the many words and deeds of kindness and for the lovely floral offerings during the illness and death of our beloved wife and mother. May God bless you all.—A. L. Solsbery and children.

After having spent several months here, Mrs. A. O. P. Nicholson returned to Lubbock last Friday to reside with relatives. Mrs. Nicholson and husband were residents of Tahoka for quite a number of years preceding his death.

The Mountain that became a Gold Mine!

... and the company that has helped build 11,000,000 war-time tires

This pile of discarded automobile tires (the picture was taken in 1936) is as non-existent today as the Big Rock Candy Mountains—where the cigarettes grew on trees and the springs gushed pure lemonade. Maybe you remember driving past those junk yards where the homeless jalopies used to rust in the rain, and the pile of tires grew mountain-high. And then, one day in December, 1941, the mountain became a gold mine!

In a few terrible moments, America's access to the raw rubber of the Indies was cut completely. Throughout America, junk yards, garages, and back yards were scoured for every scrap of precious rubber that could be found. We were on a spot—a bad one.

The fact that we got off the spot is due, to a great extent, to companies such as Phillips. For it was Phillips chemical research ability and Phillips production facilities that produced an important share of the vital butadiene which is so essential to the manufacture of synthetic rubber!

Today, we think we have a well-earned right to stick out our chests—because the Phillips Petroleum Company is one of the largest producers of butadiene in the United States!

With today's ever-increasing emphasis on the chemical production of new and better things from petroleum, let the Phillips 66 Shield remind you that Phillips refineries, in addition to producing gasolines, lubricants, and fuel oils... are also gigantic chemical plants pouring out weapons for victory.

prizes starting at \$25.00 and scaled down according to placing. Bottom cash awards were \$5.00.

FFA club boys and their placings in the FFA division were:

Pat steers: 1st, Curtis Wilke, 2nd, Hubert Teinert; 3rd, Owen Schneider.

Breeding gilts: 1st, R. L. Dunlap; 2nd, Arthur J. Hagens; 3rd, Samuel Kirby.

Breeding ewes: 1st and 2nd, Curtis Wilke.

Fat lambs: 1st and 2nd, Marvin James; 3rd and 4th, Curtis Wilke.

4-H Calves Sold . . .

(Contd. from first page)
 calves. The balance were bought by commercial buyers.

All of the boys and their dads seemed well pleased with the sale. Every boy made a nice profit, not only on the initial weight of his steers, but also on the gain.

In recognition of the possibility that some of the boys whose calves were not at the top of the placings might have done an equally or more capable job of putting gains on their steers, but lacked as typey animals as the higher placing boys, cash awards were given to the top ten boys in the amount of weight put on their steers.

Winners of these awards are as follows: 1st, \$15.00, Louis and Finis Botkin; 2nd, \$10.00, Carlton Wilke;

3rd, \$9.00 Charles and Bobby Haire; 4th, \$8.00, James Cooper; 5th, \$7.00 Glen Huffaker; 6th, \$6.00, Kenneth Fleming; 7th, \$5.00, Buddy Gene Bragg; 8th, \$3.00, John Godfrey; 9th, \$2.50, Jackie Dulin; 10th \$2.00, Billy Joe Stephens.

Wilson FFA boys sold their calves with the 4-H boys. Their nine calves were comparable in quality, gains, profit, etc., to the foregoing.

Cash awards went to the following Wilson FFA boys for greatest gains: 1st, Owen Schneider; 2nd, Howard Maeker; 3rd, Curtis Wilke; 4th, Marvin James; and 5th, Floyd Mayo.

Former Prisoner Of Nazis Visits Here

First Lt. C. J. Russell Jr., his mother, Mrs. C. J. Russell, and his sister, Bettye, of San Angelo, visited Mr. and Mrs. A. M. Cade here from Thursday of last week until Tuesday afternoon this week, when they left for home. Mrs. Russell is Mr. Cade's sister.

Lt. Russell has had a strenuous career overseas. Pilot of a B-17, his plane was shot down over St. Nazaire, France, on May 29, 1943, while he and others were engaged in bombing a submarine base. He was only slightly hurt but was taken prisoner by the Germans. He was incarcerated in Staging Luft No. 3 about 90 miles southeast of Berlin and was kept there until January of this year, when he was released on exchange. While a German prisoner he had to undergo an operation for ulcers on the stomach. The surgery was performed in a German hospital by a French surgeon who was likewise a prisoner of the Germans. Lt. Russell is of the opinion that but for his illness he would not have been re-

leased on exchange. He complains that the Germans almost starved him to death. He doubts if he would have pulled through if it had not been for the Red Cross packages which came once a week.

Soon after arriving back in the State in January, he underwent surgery again in Brooks General Hospital in San Antonio and now looks well physically.

He will report to the Miami Beach Air Field within a few days for reassignment.

Chester Bairston, who received an honorable medical discharge from the armed forces recently, is now connected with the City police service at Ontario, California.

Mrs. E. M. Walker of Grassland underwent major surgery in the Lubbock General Hospital last Friday and was reported early this week to be making satisfactory recovery.

Sgt. Mack M. Liston arrived home this week from a long period of service in the Army in the Pacific theatre of operations, having been given a medical discharge. For some time he had been in a hospital.

How women and girls may get wanted relief from functional periodic pain
 Cardui, many women say, has brought relief from the cramp-like aches and nervous strain of functional periodic distress. Taken like a tonic, it stimulates appetite, eases depression, & thus helps build resistance for the "war" to come. Started 2 days before "war" time, it should help relieve pain due to purely functional periodic causes. Try it!

During a radio broadcast Monday, James Gerard, former ambassador to Germany, was called upon to give his idea as to what the German people were thinking and how they were feeling now that they had been utterly defeated. He answered that as yet the German people had evidenced no remorse of conscience for the course they had pursued. The Nazis, he observed, have had complete control in Germany for years, and they have directed the thinking of the whole people and especially have they imbued the young people and the children with the Nazi ideal, that of force and brutality. It will take generations, he thought, to educate this ideal out of the German people. A new generation must be educated up into a different philosophy of life before we can afford to give Germany a free reign, he indicated. Gerard is a very wise and well-informed man, and to us his words seem to be the words of understanding and wisdom.

It is undoubtedly true that the best insurance against the recurrence of war in the world would be the infusion of the spirit of Christ in the hearts of men. Real Christians make no wars of conquest.

But many men in the best of nations and most of the men in some of the nations are not Christians and are not dominated by the spirit of Christ. Therefore, it behooves all men of all nations, and especially Christian men, to confer and devise plans and then strive for the maintenance of peace among the nations of the world. We are for these peace conferences. We are for the San Francisco conference. We believe that Christian men everywhere should talk it up and not talk it down. It may not be able to agree upon a plan that will be storm-proof forever against war but it may be able to avert war for a long time. Certainly war will come again if we do nothing to prevent it. And if we wait until a majority of the people of a majority of the nations become Christian before undertaking to prevent wars, we may have to wait a long, long time, and many wars may be waged in the meantime. We think that the Lord helps those who work at the job themselves, seeking in the meanwhile his guidance. Let's do both.

In the first issue of this paper following the treacherous attack on Pearl Harbor, we expressed our amazement at the folly of the Japs in thinking that they could win a war with the United States. At that time we did not believe that the Japs had the ghost of a show to finally win, even though it was then known that they had wrought great havoc upon our Navy. We have never wavered in this opinion since, although their steady and long-continued sweep to the southward over the Pacific was somewhat disconcerting and exasperating at times. But eventually the tide turned, as most of us knew it would turn, and since that time we have been steadily stepping up our advance toward Tokyo. Now, with Germany flat on her back and out of the fight, we shall soon be prepared to put all that we have into the war against the Japs. It's going to take a lot of blood and sweat and tears to conquer these brutal barbarians, but our boys on every fighting front have already shown that they have the mettle and the courage and the intelligence that it takes to win wars. And even the Japs are beginning to realize it now. They probably never heard of that divine dictum that they who live by the sword shall die by the sword, but already they are learning the truth of it by stern experience.

Whether Hitler is dead or alive matters little in so far as world affairs are concerned. He represented an abominable system or government and of society that is dead. Hitler may have met his death long ago or he may still be living in some hideout or in disguise. Nobody has found or seen his body in Berlin, to confirm reports of his recent death there. The thing that concerns the world is the attitude and the spirit of the people of Germany from here on out. If they will genuinely repudiate Hitlerism and turn their feet from the paths of barbarism and brutality into the paths of humility and righteousness and common decency, they may in time regain the respect of the world.

437th Troop Carrier Group, European Theatre of Operations.—Four times previously awarded battle participation credit for Troop Carrier sorties on the Western Front, Cpl. William A. Nevill of Tahoka has been awarded his fifth bronze battle star, significant of service in five major campaigns in the European Theatre of Operations. Cpl. Nevill is the son of Mr. and Mrs. Jodie L. Nevill of Tahoka, Texas where his wife Mrs. Pauline Nevill also resides.

Climaxing their previous aerial operations, Cpl. Nevill's unit, the 438th Troop Carrier Group, made history in the Rhine airborne assault at Wesel, Germany by being the leading troop carrier group to fly a double glider tow formation into combat in the European Theatre of Operations. Col. Donald J. French of Astoria, Ore., the group commander holds the distinction of being the first pilot to lead an operation flight formation of C-47's towing two gliders into a major campaign in Europe. The 437th has performed Troop Carrier missions in the areas of Norway, Southern France, Rome-Arno, Northern France, and Germany. The Group was cited for its successful fulfillment of airborne drop operations on D Day in Norway, and has since carried out hundreds of resupply and air evacuation missions between combat sorties.

Cpl. Nevill is a graduate of Tahoka High school and prior to his entry into the service he was employed as a fireman.

Part of Maj. Gen. Paul L. Williams' U. C. Troop Carrier Forces comprising the American Flying Echelon of the First Allied Airborne Army headed by Lt. Gen. Lewis H. Brereton, the 437th has had officially and unofficially dropped freight totalling approximately 17,500,000 pounds, transported airborne personnel figuring about 13,500, and evacuated thousands of casualties since D-Day.

The Cpl.'s present duties are that of a refueling operator for the Transportation department in his Squadron.

SPOKANE LADY VISITS REDWINE FAMILY

She is a sister to the late Bert Wilson, a former prominent citizen of Redwine who removed to Stanton a few years ago and died there about two months ago, burial in the Tahoka cemetery.

Several of the friends and neighbors called to visit briefly with Mrs. Wannamaker while she was visiting in the Smith home.

the Church of Christ here by Gar- nie Atkisson, minister at O'Don- nell, just before the sailor's arrival about 5:30 a'clock. A large congrega- tion of relatives and friends were present and followed the re- mains to the cemetery, where the services were concluded at the graveside.

Daughter of Mr. and Mrs. George Samford, Etta Jr. was born at McGregor in McLennan county on Jan. 8, 1880. The Samfords moved to Indian Creek in Brown county when the child was five years of age, and from there in 1902 to Richland Springs in San Saba county. She was baptized into the Church of Christ at the age of 15 years and had been a devoted member of that church since.

Miss Etta J. Samford was married to A. L. Solsbery at Richland Springs on September 27, 1906. They moved from Richland Springs to Tahoka in a covered wagon or "prairie schooner" leaving there in October and arriving at Tahoka on December 24, 1906. Except for brief intervals, they have lived in this county ever since.

Surviving children are: Marvin Solsbery, 35, of the U. S. Navy; S-Sgt. George Otis Solsbery of the U. S. Army and a prisoner of the Germans in Austria since November, 1943, until a few days ago; Mrs. Ia Godwin of Brownfield, Thurman of Brownfield, Mrs. Norma Reed of Terry county, Miss Norene Solsbery of the family home, Mrs. Minnie Godwin of Amarillo, Mrs. Mar- jorie Godwin of Tahoka, and Mrs. Kelsey Heaslet of Shafter, Calif.

All the children were present except Sgt. George Otis, who of course could not come, and Mrs. Heaslet of Shafter, Calif.

Also surviving are two sisters and two brothers: Mrs. Eva Napier of San Diego, Calif., Mrs. Ida Parker of Brady, Texas, A. N. Samford of Three Rivers, and A. C. Samford, who is employed at the Navy Hospi- tal at Mare Island, California. Mr. and Mrs. A. N. Samford, A. C. Samford, and Mrs. Parker were here for the funeral.

Marvin Solsbery, MM-2/c., who came from the naval hospital to Amarillo by airplane, where he was met by friends of the family, is practically helpless, having lost one leg by amputation and the other being still incased in a plaster cast as the result of wounds received in an explosion on his ship somewhere in the Pacific on May 21, 1944. His homecoming was indeed a sad af- fair for all concerned.

Mrs. Solsbery had been sick for eleven years, her condition gradu- ally becoming more serious until death came to relieve her suffering. She was a good woman and had vast friends, who loved her for her many virtues.

How women and girls may get wanted relief from functional periodic pain

Cardui is a liquid medicine which many women say has brought relief from the cramp- like agony and nervous strain of functional periodic distress. Here's how it may help:

1. Taken like a tonic, it should stimulate ap- petite, aid digestion, thus help build resis- tance for the "time" to come.
2. Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes.

Try Cardui. If it helps, you'll be glad you did.

THE YANKS ARE COMING-HOME!

VICTORY AND HOME—that's what our men fought for! That's what their brothers-in-arms still fight for.

VICTORY AND HOME—Victory over the forces of evil that ripped them out of their homes. Victory that will bring them back to their families and friends . . . back to a nation deter- mined to give them every security . . . every opportunity . . . every reward.

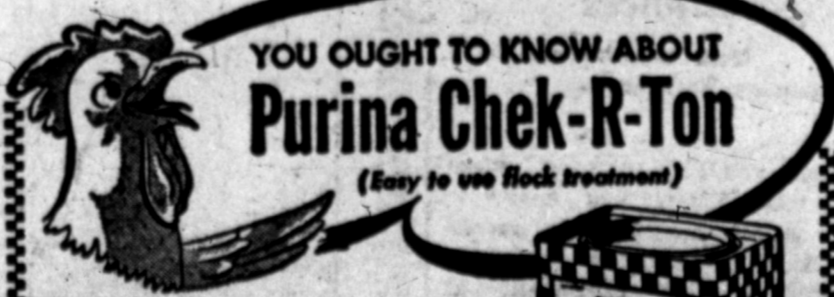

Let our joyous shouts fill the air . . . our prayers of thanksgiving fill the heavens. Half the war is won. At least, some of THE YANKS ARE COMING HOME!

For those who made the supreme sacrifice, home will forever be in the hearts of every American—a shrine of each patriot's devotion to the Liberty they washed clean again with their life's blood.

It is with their sacrifice in mind that every American will dedicate himself to the task of making certain that those who won this great victory on the battlefield will not meet defeat on the homefront.

At least SOME OF THE YANKS ARE COMING HOME—and they expect to find it a "better home!" Since the drug store holds an important place in the American home life, we have been working hard . . . and will work harder . . . to make our store an even better drug store—knowing full-well that millions of steady, postwar jobs for returning soldiers will depend upon the efficient and economical distribution of goods through retail stores!
