Volume 41.

Tahoka, Lynn County, Texas, Friday, June 15, 1945.

Number 45.

War Bond Drive At 75 Percent Of County's Quota

Lynn county has reached the three-quarter mark in its drive toward the Seventh War Loan Drive quota, according to a check made by W. B. Slaton Thursday morning. At that time, a total of \$502,000.00 had been invested in bonds in Lynn county. The overall quota is \$660,000.00, and the E bond quota is \$435,000.00.

However, only two communities in the county, Tahoka and Dixie, have reached their quotas. With an E bond quota of 85,425.00, Tahoka citizens have bought \$93,362.00, and Dixie, with a quota of \$5,862.50, has bought \$7,800.00 in bonds. Several other communities, particularly New Home, are nearing their quotas, however.

Of the total, the First National Bank of Tahoka reports sales of \$168,000.00 in E bonds, \$240,000.00 of all others, and \$21,000.00 bonds bought elsewhere and credited to Lynn county, a total of \$429,000.00. Wilson State Bank reports sales there totaling \$31,000.00, of which \$28,000.00 is in E bonds.

Cont'd on back page

T/Sgt. Jim W. McDonald, 21, son of Mr. and Mrs. W. P. McDonald of Midway, was recently reported killed in action over Belgium five months ago. A 1941 graduate of Tahoka High School, he saw action in North Africa, Sicily, Italy, France, and Belgium.

Pvt. Buddy Smith Back Home Again

Pvt. Joseph H. (Bud) Smith, son of Mr. and Mrs. Hilary Smith of the Joe Stokes community, arrived home last Friday, according to a communication sent to the News, after having been liberated from a German prison camp on May 1.

Pvt. Smith had been a prisoner for fourteen months, having been captured by the Germans on the Anzio beachhead, Italy, on February 29, 1944. He was held prisoner at Stalag 7-B most of the time and was among the more fortunate ones to receive Red Cross parcels regularly, he reports. The camp was near the Swiss border and could be reached more easily than those in the north.

Although he almost starved the first four months, he says, and did not have too much to eat after that, he is in good health now and will report to Hot Springs, Arkansas, on August 10 for further assignment.

Sgt. N. G. Ward Is Missing In Action

Further details are given in a delayed communication to The News in the report that Sgt. Norman Guy Ward is missing in action.

He was reported missing in action in Belgium since December 21, in a message to Mrs. Zillah Huddleston of Grassland, where he made his home before going into the service. Another sister, Mrs. Emma Sanderson, also lives at Grassland, and a third, Mrs. Dove Young, lives at Graham Chapel. His wife and their baby girl, whom he has never seen, live at Wortham.

Sgt. Ward, 25, was with a Tank Division in the Ninth Army.

Wash Hickerson's Sister Dies Suddenly

Wash Hickerson returned last Saturday from a trip to Denton and then to Waco, having been called to the former place on Monday of last week by the death of a sister, Mrs. A. L. Farris, who died very suddenly at about 7:00 o'clock on the preceding Saturday afternoon.

Mr. Farris, 80, had gone to town in a car with some other ladies and all were in the car preparing to return home when Mrs. Farris was stricken and died instantly.

Funeral services were conducted at a funeral home Tuesday afternoon by the pastor of the First Methodist Church of Denton, of which Mrs. Farris was a member.

Survivors included two daughters residing in St. Louis, who came for the funeral, three sisters and four brothers, all of whom were also present with the exception of one sister.

Mr. Hickerson went from Denton to Waco to visit with two of his brothers and other relatives who live there or in that vicinity.

Mrs. W. A. Yates has been sick the past several days but is improving.

Methodist Meeting In Progress Here

The annual summer revival at the Tahoka Methodist Church opened Sunday, and will continue through next week, with large crowds attending the morning and evening services.

Rev. John M. Neal of Huntsville is bringing soul-stirring and heart-searching sermons which have the old-time ring. His wide experience in holding meetings throughout the South and his observance of interesting incidents make him an attractive speaker, as he illustrates profound truths by incidents he has seen.

Rev. W. B. Swimme of Morton arrived Wednesday to take charge of the song services and young people's work.

"With these two men leading," says Rev. H. A. Nichols, the pastor, "and the membership and community cooperating, a great revival is anticipated. Since no work can be done on the farms because of the drought, everyone now has a chance to attend this revival. You have an urgent invitation to attend all services."

Methodist Men Hear Tech Man

Dr. James G. Allen of the Texas Technological College was guest speaker at a meeting of the Fellowship Club at the Methodist Church last Friday night. He took for his subject "What Constitutes an Educated Person? or Who Is An Educated Person?" His discussion elicited much praise from his auditors.

A special number on the program was a vocal solo by Nancy Ray Weathers, accompanied by Frances Marion "Bitsey" Haney on the piano. A violin selection was given by Hugh Taylor.

Dr. E. Prohl led in the singing of a number of popular and religious songs. Frank P. Hill presided.

Refreshments were served.

Renewed efforts are being made to build up the membership and the attendance.

First Lady Student Solos Plane Here

Mrs. Jessie McLaurin of Wells is the first woman flying student to solo from the Tahoka airport. B. T. Smith, instructor announces.

She made three almost perfect landings at the air field Tuesday afternoon, and Smith declares she is perfectly capable of handling a plane alone.

Mr. and Mrs. Alton Peak of Lubbock were here Sunday visiting their parents, Mr. and Mrs. A. E. Ferring.

Johnson Grass Is Growing Rapidly

Manuel W. Ayers, Lynn County Agricultural Agent reports that Johnson grass in the County shows little evidence of any hardships caused by the drought. It appears quite thrifty and in many places throughout the county is already in the heading and blooming stage.

Mr. Ayers urges all Lynn County farmers to redouble their efforts on Johnson grass control. Results of a number of experiments with the various methods of controlling Johnson grass indicate that this is a very good time to use one or more of these methods. It is very essential that the Johnson grass not be allowed to mature seed.

Control methods recommended include: salt application, spraying with tractor fuel, distillate or Kerosene and close cultivation.

LEAVE FOR ARMY

Woodrow Walker and Leon McPherson left Tuesday for service in the Army. Leon had not been a resident of this county for some time but had registered here, and his brother, J. B. brought him down from Lubbock and saw him off.

Wounded Soldier Home From War

S/Sgt. G. D. (Pete) Sudbery, 24, wounded in warfare against the Germans last winter, arrived home last Friday, and he and his wife, who lives in Abilene, have been visiting friends here this week.

Sgt. Sudbery, who entered the Army July 8, 1943, was wounded on the western front when a shell exploded near him. His life was saved by reason of a tree being between him and the explosion. Fragments hit him in the leg, arm and ear. He served with General Hodges First Army.

In civilian life, he worked for L. F. Frazier and E. L. Smelser before entering the Army infantry. He has a 60-day furlough.

Cpl Charles Cloe Is Wounded In Austria

Cpl. Charles Cloe is in a hospital in France recovering from wounds received in action in Austria two days after the end of the war, he writes his mother, Mrs. Ted Chancy.

With the 71st Engineers, he was in Austria when the war officially ended, but the Germans in Austria continued to fight, and he was shot on April 9.

Pfc. Ray Chancy writes his mother that he recently visited the place of Hitler's birth, and found that the color of the house is yellow. Pfc. Chancy is in Austria also, with the Third Army.

S/Sgt. Laroyce Moore, 23, one of four sons of Mr. and Mrs. T. F. Moore of Wilson serving overseas, arrived home last week. He has been in the Army five years, three of which were spent overseas. He

(Cont'd on last page)

Sheriff Gets Liquor In Raid Near Here

Sheriff Sam Floyd has 35 quarts of whiskey and a small quantity of beer in his possession as a result of raids made last week end. Two women and two or three men were involved in one way or another in the whiskey transaction. It was taken from a car at or near the 'Y' just on this side of O'Donnell but the accused women are residents of Tahoka. One of them has already entered a plea of guilty to driving a car without license and one of the men has pleaded guilty to drunkenness. More serious charges have been filed against the others.

The chock beer was taken from a negro in another raid. A Mexican who has not yet been apprehended was also implicated.

There was another plea of guilty in the county court to the charge of unlawfully giving a "cold" check. A small fine was assessed against the defendant and he also paid the check.

Claude Johnson Is O'Donnell Deputy

Claude Johnson has been appointed deputy sheriff and O'Donnell and vicinity have been assigned as his chief field of operations. He has been on the job since the first of this month but was unable to find a house immediately in which to live. He has now procured one and is moving down.

Mr. Johnson has been a resident of Tahoka for a number of years and has made fast friends here. It is believed that he will prove to be a fearless and capable officer of the law.

Applewhite Makes Sale of Implements In Trinidad, Colo.

J. K. Applewhite, local International farm machinery dealer, enjoys an extensive implement business over this part of West Texas. But, Tuesday he received an order from a man up in Trinidad, Colorado, who is about to become a regular customer of the local firm. He wanted two 7-foot hay mowers, and J. K. shipped them to him that day.

Last fall, the customer, one Dominic Magial, came here looking for a rake. Jack had exactly what he wanted. And Jack was more than glad to let him have the two mowers, for he had them on hand and there is no demand for mowers in this section.

FISHERMEN GET 'EM

Levi Nordyke, E. J. Hendrix, Bud Mjiliken, and Newt Barham and two sons returned home early last Sunday morning from a fishing trip on the Rio Grande thirty miles below Presidio, bringing back plenty of evidence of their success. They had caught one fish that weighed 75 pounds, another that weighed 30-odd, and still other smaller ones.

Chesapeake Bay is the largest inlet in the United States.

Jack Corley Found Not Guilty By Jury In District Court

As the conclusion of the trial of Jack Corley, charged with the murder of a Mexican in Corley's Cafe here last October, the jury brought in a verdict of "not guilty" about 6:00 o'clock Tuesday afternoon.

Corley's plea was self-defense. He was represented on the trial by Truett Smith of this city and Carl Rountree of Lamesa. District Attorney Calloway Huffaker prosecuted the case.

This was the second trial of the accused man, the first trial several weeks ago resulting in a failure of the jury to agree.

A divorce case went to trial Wednesday morning, there being a contest over the custody of a child. Another civil suit was scheduled for trial this week.

Compress Installs Sprinkler System

The Union Cotton Compress here, owned chiefly by Arch Underwood of Lubbock, with Roy Edwards of Tahoka as manager, is constructing an extensive overhead automatic sprinkling system, including a steel tower and water tank of 100,000-gallon capacity and the laying of 3,500 feet of six-inch pipe and about 200 feet of 8-inch pipe. Nine water plugs are to be installed and a network of piping will be placed throughout the main compress building and every warehouse. The system will operate automatically. In case of fire, the heat will set the water system into operation and every inch of the interior will be soaked with water.

Something as to the size of the water tank may be gleaned from the fact that its capacity will be just twice that of the city tank.

While the outlay in money will be heavy, yet the protection it will afford and the reduction in the insurance rates on the property will soon pay for the cost, it is said.

As a matter of fact, the compress and other necessary buildings have been increased in number and extent until there is a lot of property there to be protected from fire. The original compress building was constructed five years ago and has since been enlarged. Its dimensions are 140 by 450 feet. There are three cotton warehouses each 120 by 260 in size and one warehouse 120 by 200 feet. There are nine small houses on one corner of the premises built as living quarters for employees.

The storage capacity of the plant and all the warehouses is about 25,000 bales of cotton, but the compress is prepared to handle much more cotton than that during a season.

At the present time there are about 45 employees, most of whom are Negroes but there are a few Mexican and other white men. For several months a number of prisoners of war have also been employed but are not now being used full time but just as needed.

The building and growth of the compress has resulted in the springing up of quite a sizeable Negro village west of the compress. There are more than fifty residences, many of which are very neat but many of which are mere shacks and there are between 50 and 60 colored school children residing in the village, which is in fact a part of the city of Tahoka, for it lies within the city limits.

The compress laborers are well paid and the weekly payroll amounts to a considerable sum.

There are four church buildings in the village and a neat school building is to be constructed this summer to take the place of a smaller wooden building which was abandoned last year.

Mrs. Edwin (Hazel) Young and little son Eddie came Saturday from Florida to visit her parents, Mr. and Mrs. W. P. Thomas of Grassland.

COAST GUARD officers every day are proving how effectively the smaller naval vessels purchased with the help of War Bonds can clear the seas of enemy submarines. Comdr. David H. Bartlett of San Diego, Calif., recently was awarded a Navy medal for maneuvering his Patrol Frigate in such a manner that it brought about the destruction of a Jap subsurface attacker. Other commanders of small vessels are doing highly efficient work.

MRS. NEWTON CONDUCTS REVIVAL AT ANDREWS

Mrs. Clara Newton recently conducted revival services for the Assembly of God Church at Andrews, resulting in nine additions to the church.

The meeting embraced a period of fifteen days.

Our nearest port to the Orient is Seattle, Washington.

Baptist Workers Met In Tahoka

The Baptist Workers Conference of the Brownfield association, which was held here on Thursday of last week, was pronounced as one of the best.

The discussions in the forenoon by Rev. L. B. Edwards of Redwine and Rev. J. M. Hale of O'Donnell were excellent. Hale was the pastor for several years at Brownfield and then accepted a call from a Church in Beaumont, where he served six years, coming back to the Plains last year as pastor of the O'Donnell church. He is a vigorous and effective speaker and never fails to hold an audience.

Rev. Geo. A. Dale brought the morning sermon, to the delight of the congregation, and Rev. J. Y. Ferguson, pastor at Slaton and one of the strong men of the denomination in this section of the state, was the speaker in the afternoon.

Rev. Levi Price presided throughout the conference.

The men had a board meeting and the associational W. M. U. had its regular monthly meeting in the afternoon, Mrs. Garland Pennington of Tahoka presiding.

The ladies of the local church served a bounteous luncheon at the noon hour.

FORMER TAHOKA PASTOR GETS DOCTOR'S DEGREE

Mr. and Mrs. B. M. Hays received word last week that Mr. Hays' brother, Rev. Lawrence Hays, who was pastor of the Baptist Church here 1932-1934, now pastor of the First Baptist Church at Gatesville, recently received the degree of Th. D. (Doctor of Theology) from Webster University. This represents one year of resident graduate work and another year of research and Thesis. His Thesis was pronounced "excellent" by the graduate council. He had received his D. D. degree two years ago.

Dr. Hays is a graduate of Howard Payne College and Southwestern Baptist Theological Seminary. He did his M. A. work and received his Master's degree at Southern Methodist University.

DALE ELECTED CITY MISSIONARY

Rev. George A. Dale, pastor of the Baptist Church here for eight years, who resigned on account of his health and removed to Lubbock about three years ago, was recently elected by the First Baptist Church of Lubbock as city missionary there. The work will cover the entire city and will doubtless take all his time.

Since moving to Lubbock, he has been kept busy most of the Sundays supplying for pastors in this area.

Florida extends farther south than Texas.

SENATE JOINT RESOLUTION NO. 7

PROPOSING AN Amendment to Article VI of the Constitution of Texas providing that any person in the armed forces of the United States, or the Armed Force Reserve of the United States, or of any branch or component part thereof, or the United States Maritime Service, or who has been a member of same within eighteen months prior to the holding of any election in this state authorized by law, and is otherwise a qualified voter, shall not be required to pay, or to hold a receipt for the payment of, a poll tax in order to vote at any such election, if the same is held while the United States is at war or within a certain stated time thereafter.

Sec. 3. The Governor shall issue the necessary proclamations relating to the publication of the foregoing Resolution, in the various counties of the state, and shall cause the same to be published as required by the statutes and the Constitution in connection with the submission of proposed amendments to the Constitution, to the people for their action at a statewide election. If it shall appear from the returns of the election at which the foregoing amendment to the Constitution is voted upon that a majority of the qualified voters have voted for said amendment, same shall then become a part of the Constitution of Texas.

Sec. 4. There is hereby appropriated out of the General Fund of the State of Texas, not otherwise appropriated, the sum of Fifteen Thousand Dollars (\$15,000.00), or so much thereof as may be necessary, to pay the expenses of advertising said Resolution in each county in the state and for such other purposes as may be necessary, or required by law, or by the Constitution. 42-46c.

Headquarters Army Air Base Mass. - T/Sgt. Elbert Crawford, Rt. 3, Tahoka, Texas, was recently awarded the Good Conduct Medal at Westover Field, Mass., where he is presently on duty. The medal was awarded for "exemplary behavior, efficiency, and fidelity."

BATTLE CRY!

CHINESE SOLDIERS have a battle cry: "Gung-Ho!" Literally translated, means "Working together!" In Americanese, it means Teamwork.

And Teamwork is a word every American understands—in peacetime as in war. In this war, it means perfect understanding among our Government, our service men, our home front.

It means our confidence in our fighters' ability. It means their faith in us to provide the material to do the job.

It means buying War Bonds. And a very good buy they are, too.

For every three dollars we invest in War Bonds, Uncle Sam promises four back in ten years. There's no more honorable promise in the world!

Buy War Bonds. They're a wonderful investment—for you as well as America!

Let's all KEEP BACKING THE ATTACK!

How women and girls may get wanted relief from functional periodic pain

Cardul is a liquid medicine which many women say has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Here's how it may help:

1. Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come.
2. Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes.

Try Cardul. If it helps, you'll be glad you did.

Sgt. 'Buster' Driver Is Given Promotion

15th AAF in Italy — Boyd R. Driver, 19 Tahoka, Texas, gunner operator in the 461st Bomb Group a 15th AAF B-24 Liberator unit has been promoted to the grade of technical sergeant.
 Now commanded by Col. Craven C. Rogers, Wagoner, Okla., the group has a record of more than a year of combat operations and flew 223 missions before cessation of hostilities. This 15th AAF unit was twice cited as a Distinguished Unit for outstanding performance against the enemy.

Driver is a graduate of Tahoka high school. He was given the aerial gunner's wings after training at Yuma, Arizona. He arrived overseas in March 1944.

His father, Boyd R. Driver, lives at Tahoka address.

The sun is said to shine first, in the United States, on Mt. Katahdin, Maine. It is the highest point in the easternmost state.

PIMPLES
 Disappeared Overnight
 Blackheads, Too, Went Fast
 Yes, it is true, there is a safe, harmless, medicated liquid called KLEEREX that does up pimples overnight as it acts to loosen and remove oily blackheads. Those who followed simple directions and applied KLEEREX soon found their pimples and blackheads disappeared. These users enthusiastically praise KLEEREX and claim they are no longer embarrassed and are now happy with their clear complexion. Use KLEEREX. If one application does not satisfy, you get double your money back. Ask for KLEEREX today, sure.

John Deere Engineers'

Specifications

JOHN Deere tractor engineers know that hard carbon, fine metal particles, grit, and similar abrasives in crankcase oil can do more harm to the working parts of your John Deere Tractor in a few hours than can be done in years of hard use in the field with clean oil. Therefore, the efficiency of the oil filter is most important.

The filter element in your tractor was designed especially for your tractor and, after exhaustive tests, was adopted because it surpassed all others in efficiency.

By changing the filter element after every 120 hours of use and using only genuine John Deere Parolators in your tractor, you are assured of the best possible protection for your tractor.

John Deere engineers take no chances on failure in the John Deere tractor because of the oil filter, so why should you take chances? Use nothing but genuine John Deere Parolators and protect your tractor investment.

Get a supply today. They are the most economical filters you can buy from every standpoint.
 REMEMBER—CLEAR OIL IS NOT ALWAYS CLEAN OIL!

D. W. Gaignat

Homer Parker Is Home From War

S/Sgt. Homer L. Parker, son of Mr. and Mrs. B. L. Parker, arrived home early Monday morning after having spent 34½ months overseas with the Army engineers. Tanned and in excellent physical condition, Homer is the picture of health, although most of the men who have spent very many months in the tropics, as he has, have contracted the malarial fever, or some other tropical disease.

Sgt. Parker entered the service May 11, 1941, left for the Southwest Pacific July 22, 1942, and arrived back on the West Coast on June 7. He will report back for duty as an instructor in the State on July 15.

Leaving the West Coast in July 1942, he spent a few days in New Zealand, and two months in Australia, before going to Port Moresby, New Guinea. Those were the days when the Japs were still on the offensive, and the Japs advanced to within 18 miles of our base at Moresby. Sgt. Parker was with the engineers building roads and air strips up close to the front lines. The Japs were finally stopped and our men pushed them back over the Owen Stanley mountains.

After serving at much-bombed Moresby from November, 1942, to June, 1943, Sgt. Parker moved over to Buna and Nadzab, across the mountains on the northern shore of New Guinea. From there, his outfit followed the war through the Admiralties, Biak, Hollandia, and finally to Leyte, Philippine Islands.

Sgt. Parker arrived at Leyte on the fourth day of the invasion, where the Engineers also built roads and airstrips. On March 12, this year, he moved to Manila, Luzon, where he stayed until May 9, when he started by to the States.

Like other men returning from the Pacific recently, Sgt. Parker confirms the news reports that we are building up a tremendous mass of men and supplies on the Pacific Isles, a powerhouse that the Japs can't possibly stop.

Reid Parker, brother of Homer, was home on furlough this week, but is being transferred to Gelger Field, Wash., early next month.

T-Sgt. Dea Parker, who saw many months services in China and India, and who returned from the Asia front a few months ago, is expected home Sunday from March Field, where he is stationed.

Sgt. Pug Parker, the fourth son of the B. L. Parkers in the service, is somewhere in France.

BAPTISTS WILL ATTEND LUEDERS ENCAMPMENT

Baptists in conference Wednesday night voted to send or take their young people to the encampment at Lueders to be held during the week of July 2-7. They plan to spend two days and three nights there. Members and prospective members of the Church or Sunday School, of the Girl's Auxiliary or Royal Ambassadors, will be eligible to go with their transportation and encampment expenses paid by the Church. Others desiring to go will be expected to pay their own expenses, which however will be comparatively light.

Those intending to go are requested to so report to Rev. Levi Price, the pastor, to S. S. Superintendent W. E. Reddell, or to the sponsor of their organization before Wednesday night of next week.

Finding it impossible to have the encampment at Ceta Canyon this vitiation to join in with the Lubbock year, the Church accepted an in-County association in an encampment at Mackenzie State Park, but just a few days prior to its opening it was found that the park would not be available at that particular time. Hence the decision Wednesday night to go to Lueders, where there are cabins and other accommodations.

Bailey Crump Tells German Cruelty

B. T. Smith recently received the following letter from his friend, Bailey Crump, who resided in the Petty community before going into the service. Many friends in this county hope that he may be sent back to one of the hospitals in this state some time soon. His letter, written from Winechester, England, May 24, speaks for itself:

"Just a few lines: You can't imagine how much a letter means in this hospital, just lay here day after day. The doctors and nurses do their best to make it as pleasant as possible, and they do a good job but it still gets lonesome at times. I'm now on my eighth week of being flat on my back, and I sure get tired but nothing can be done but just take it.

"You may have heard several stories about how I was injured but it is only now that I can tell the true facts for they have stopped censoring our mail from here.

To begin with I made a parachute jump in Germany just across the Rhine and came down right in the middle of hell; just about twenty thousand Krauts were estimated to be there. After a time I was shot through the hips, the shot went through my bladder and came out my left hip leaving a hole about the size of my fist. It also cracked my hip joint and that has been very painful ever since and is causing me plenty of trouble, that is why I am being detained here in England. The doctors tell me it will be several more weeks here for me.

"I sometimes wonder how I ever came through but I guess it just wasn't my time to go. After being shot I played dead for hours at a time with Krauts all around me to keep them from shooting me again. If they had known I was still alive they surely would have enjoyed finishing me off. I was sure hurting and wanted to holler and cry but dared not utter a sound for it meant my life.

I stayed there for two days and nights before I got out and I bled inside and the contents of my bladder kept running inside of me causing a swelling that was almost more than I could stand. I don't think I could have stood it much longer. Was operated on just across the Rhine and stayed there two weeks before being flown to England.

"I may some day get back to the States, I sure hope so; I may get to go to a hospital in El Paso or Temple don't know which."

CARD OF THANKS

We want to thank everyone who was so thoughtful and kind to our son and grandson during his suffering following his misfortune of being burned, for all the books and games and all the nice things to eat and to drink, and for all the kind deeds and words spoken. Especially do we thank Brother Edwards, Brother Gentry, and Brother Price for their kindness and expressions of sympathy. T. C. Beard and children, S. H. Cunningham and wife.

Miss Joretta Smith, daughter of Mr. and Mrs. Harve Smith, is an employee of The Texas Company. She is now located in Fairview, Oklahoma.

New York City is built on three Islands, Manhattan, Staten and Long Island.

How women and girls may get wanted relief from functional periodic pain

Cardui, many women say, has brought relief from the cramp-like aches and nervous strain of functional periodic distress. Taken like a tonic, it should stimulate appetite, aid digestion, then help build resistance for the "blow" to come. Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes. Try it!

CARDUI

The Legislature has adjourned without having taken any steps to amend the injustices that have prevailed for twenty years in the matter of representation in the legislature. All bills proposing legislative redistricting have been pigeonholed or buried in committees without having ever gotten to the floor of the house. East Texas legislators have seen to that. We have decided that the only possible remedy for this situation is for West Texans to rise up in a body in every statewide election hereafter and swat every East Texas politician who offers for any state-wide office, regardless of his stand on any and all other issues. When he appears in (West Texas) soliciting votes, every voter approached should ask him how he stands on the redistricting matter. It should be made plain to him that west Texas is against every man who has stood for the perpetuation of this injustice. If the newspapers and the people of West Texas will unite on a policy of this kind, we can whip the ears down on every one of these East Texas politicians. It must be done before legislators from East Texas will listen to our appeals for justice.

Personally, we do not think that Germany is going to be able to wage another war of any kind within the next century, and during that period she doubtless will have lost all of her arrogant and overbearing spirit. Russia is occupying half of Germany, including Berlin, and when she gets through with her unwilling stepchild we suspect that said stepchild will be as meek and docile as a lamb. Britain stands guardian over the northwest sector, we imagine she will keep her ward very humble. France will look after her ancient enemies throughout a small but important territory in the West, and France is not likely to again surrender the whip into the had of this impudent little brat. America will administer justice over a large area in the south and southwest, and America will seek to teach her pupil some common sense and to instill into him something of the spirit of democracy, justice, and fair play. The big German bully, we think, is done for.

We do not believe that Russia has any intention of ever embarking upon a war of aggression after the fashion of Germany's two recent unsuccessful attempts at subjugation and brigandage, but she does seem inclined to attempt to get what she wants by intimidation and by threats of force. She does not yet seem to have grasped the spirit of a democracy. In fact she is not a democracy. We think her people could now really find a lot to be done at home by rooting out autocracy and tyranny and establishing democracy in their own country rather than attempting to sell their own brand of totalitarianism to the democratic nations of the world. Russia should cut out her rough stuff in dealing with other nations and should deal with them on the basis of brotherhood and equality.

ASSOCIATIONAL S. S. MEET AT CENTRAL NEXT SUNDAY

Recently an associational Sunday School organization was perfected here to meet monthly during the year with various churches in the Brownfield Baptist association. The purpose is to increase interest in Sunday School and other forms of Church work.

The first monthly meeting following the initial meeting here is to be held with the Central Baptist Church on the Post highway 11 miles east of Tahoka at 2:30 o'clock next Sunday afternoon. The Tahoka Sunday school is to furnish the program for the occasion, under the supervision of the Tahoka S. S. Superintendent, W. E. Reddell. Rev. Howard Martin is the pastor at Central.

The Central Sunday School will give the program at the next meeting wherever it may be held.

ENROLLMENT AT TECH

Lubbock, June 14—Enrollment for the summer term at Texas Technological College has passed the 900-mark and is approximately the same as last summer session enrollment. A second six-week term opens July 11. The 1945-46 college long session begins Sept. 10.

About two quarts of cedar shaving or two pounds of mothballs are required in an ordinary-sized trunk or small closet, to keep out moths.

CARD OF THANKS

To express our thanks to our friends and neighbors for all the nice things each of you have done for me during my illness - Mrs. J. J. Gray and Mr. Gray.

S. J. R. No. 8

A JOINT RESOLUTION PROPOSING AN AMENDMENT TO THE CONSTITUTION OF THE STATE OF TEXAS PROVIDING FOR A SUPREME COURT OF NINE MEMBERS; PRESCRIBING THEIR QUALIFICATIONS; AND PROVIDING FOR THEIR ELECTION, TENURE OF OFFICE AND COMPENSATION.

Be It Resolved by the Legislature of the State of Texas: Section 1. That Section 2 of Article 5 of the Constitution of the State of Texas be amended so as hereinafter to read as follows:

"Article 5. Section 2. The Supreme Court shall consist of a Chief Justice and eight Associate Justices, any five of whom shall constitute a quorum, and the concurrence of five shall be necessary to a decision of a case; provided, that when the business of the court may require, the court may sit in sections as designated by the court to hear arguments of causes and to consider applications for writs of error or other preliminary matters. No person shall be eligible to the office of Chief Justice or Associate Justice of the Supreme Court unless he be, at the time of his election, a citizen of the United States and of this state, and unless he shall have attained the age of thirty-five years, and shall have been a practicing lawyer, or a lawyer and judge of a court of record together at least ten years. Said Justices shall be elected (three of them each two years) by the qualified voters of the state at a general election; shall hold their offices six years, or until their successors are elected and qualified; and shall each receive such compensation as shall be provided by law. In case of a vacancy in the office of any Justice of the Supreme Court, the Governor shall fill the vacancy until the next general election for state officers, and at such general election the vacancy for the unexpired term shall be filled by election by the qualified voters of the state. The Justices of the Supreme Court who may be in office at the time this amendment takes effect shall continue in office until the expiration of their term of office under the present Constitution, and until their successors are elected and qualified. The Judges of the Commission of Appeals who may be in office at the time this amendment takes effect shall become Associate Justices of the Supreme Court and each shall continue in office as such Associate Justice of the Supreme Court until January 1st next preceding the expiration of the term to which he has been appointed and until his successor shall be elected and qualified."

"AGAINST the amendment to the State Constitution providing for a Supreme Court of nine members." If it appears from the returns of said election that a majority of the votes cast are in favor of said amendment, the same shall become a part of the State Constitution.

Sec. 3. The Governor shall issue the necessary proclamation for said election and have the same published and said election held as provided by the Constitution and laws of this State. 42-41c

H. J. R. No. 11

HOUSE JOINT RESOLUTION PROPOSING AN AMENDMENT TO THE CONSTITUTION OF THE STATE OF TEXAS SO AS TO PROVIDE FOR CONTINUOUS SALARY PER DIEM OF ALL MEMBERS OF THE LEGISLATURE DURING THEIR TENURE OF OFFICE.

Be It Resolved by the Legislature of the State of Texas: Section 1. That Section 24 of Article III of the Constitution of Texas be amended so as to hereinafter read as follows:

"Section 24. Members of the Legislature shall receive from the public Treasury a per diem of Ten Dollars (\$10) per day during their tenure of office. In addition to the per diem the members of each per the adjournment of any regular or called session."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held throughout the State on the fourth Saturday in August, A. D. 1945, at which all ballots shall have printed thereon:

"FOR the Constitutional Amendment providing for continuous salary per diem of all members of the Legislature during their tenure of office," and

"AGAINST the Constitutional Amendment providing for continuous salary per diem of all members of the Legislature during their tenure of office."

Each voter shall mark out one

House shall be entitled to mileage in going to and returning from the seat of government, which mileage shall not exceed Two Dollars and Fifty Cents (\$2.50) for each twenty-five (25) miles, the distance to be computed by the nearest and most direct route of travel by land, regardless of railways or water routes; and the Comptroller of the State shall prepare and preserve a table of distances to each county seat, now or hereafter to be established; and by such table the mileage of each member shall be paid; but no member shall be entitled to mileage for any extra session that may be called within one day after said clauses on the ballot, leaving the one expressing his vote on the proposed Amendment.

Sec. 3. The Governor shall issue the necessary proclamation for said election and have the same published as required by the Constitution and laws of this State.

Sec. 4. The provisions of this Constitutional Amendment shall be self-enacting, and if a majority of votes at said election shall be cast for same the Governor shall, within thirty (30) days after said election, issue a proclamation declaring this Amendment to be a part of the Constitution of Texas. 42-41c

Sec. 3. The Governor shall issue the necessary proclamation for said election and have the same published and said election held as provided by the Constitution and laws of this State. 42-41c

Sec. 4. The provisions of this Constitutional Amendment shall be self-enacting, and if a majority of votes at said election shall be cast for same the Governor shall, within thirty (30) days after said election, issue a proclamation declaring this Amendment to be a part of the Constitution of Texas. 42-41c

IS YOUR CAR NEXT?

This Kind of "Graveyard" Ought To Give You The Shivers!

EVERY CAR that goes off the road hits America where it hurts!

But that can't happen to your car? Mister, do you realize that 5,000 cars a day are being hauled off to the junk-yard!

That's why your Uncle Sam has never stopped urging you to *Care For Your Car For Your Country!*

As a patriotic American who wants to get every bit of use possible out of his car, you'll want to do your bit—and your Phillips 66 Service Man will gladly meet you more than half way!

Take your car in to him regularly—once a week if possible. He'll help make those precious tires of yours last longer by checking air pressure... spotting cuts, bruises, nail holes... warning you when it's time for a recap. Also, he'll check your battery, air filter, and cooling system.

Most important of all, make sure your car gets regular, point-by-point lubrication with the type of lubricants specified by the maker of your car. And when your Phillips 66 Service Man reminds you that a seasonal oil change is due—*heed his words.* They're mighty important to you right now!

The Phillips 66 Service Man—your neighbor—has a big stake in the future of America's cars. He knows, better than most folks, just how close many cars are to becoming useless—and how many of them can be saved.

So avail yourself of the Phillips Car-Saving and Tire-Saving Service at your nearest Phillips 66 Shield... the sign of famous Phillips 66 Gasoline and Phillips 66 Motor Oil.

Play Safe and Ride On LEE TIRES

THE Seventh War Bond Drive is nearly over—but the War is not! Actually, we have a long way to go to defeat Japan—which is just why our men need YOUR support as never before, why they need you to help pay for the mass of materials of all kinds that will bring crushing defeat to our enemy that much sooner!

Of course, you have done your part in previous war loan drives—but they have done theirs in many a grim, bloody

battle and they aren't resting on what they've done before! They are carrying the fight to the enemy wherever they can reach him every day—and your dollars are needed every day, too.

Unless investments in War Bonds are increased immediately, Lynn county will fall far short of its quota.

Surely, you won't stop buying—won't let up now—when the chips are down!

**5 MORE REASONS
for Keeping Up
Your Bond Buying**

1. War Bonds are the best, the safest investment in the world!
2. War Bonds return you \$4 for every \$3 in 10 years.
3. War Bonds help keep prices down.
4. War Bonds will help win the Peace by increasing purchasing power after the war.
5. War Bonds mean education for your children, security for you, funds for retirement.

KEEP ON BACKING THE ATTACK!

Johnny B. Williams Home From Pacific

Pvt. Johnny B. Williams, colored, step-son of Early Lee Lawson, arrived home last week from service of 28 months and 21 days in the Southwest Pacific. Though eligible for a discharge, he expects to remain in the Army taking treatment for malarial fever contracted in the tropics.

Johnny B., well known in Tahoka, entered the service May 28, 1941, went overseas March 1, 1942, and returned May 22.

He was stationed first at Brisbane, Australia, and later was up in the northern territories at Townville and Portland Road, when the Japs were threatening invasion. At Townville, he experienced two small bombing raids. Moving on up to Port Moresby, New Guinea, he saw 105 bombing raids. He volunteered to fly "over the hump" to drop supplies to our men on the front in the Owen Stanley mountains and on the north coast, and later was stationed successively at Ora Bay, near Buna, Fenceshaven, Milne Bay, and finally went on the Leyte, Philippine Islands, campaign but contracted typhus and malaria and was brought back to Blak, Hollandia, and later Ora Bay, for hospitalization.

He will report to Atlantic City, N. J., July 1st.

DORTHY RAINEY HOSTESS TO MIDWAY 4-H

The Midway Girls' 4-H Club met Tuesday June 12th, 9:30 to 11:30 A. M. in the home of Dorothy and Pauline Rainey. A lunch was served by the girls. The menu was chicken fried steak, boiled potatoes, black-eyed peas, hot rolls, butter, lettuce and tomato salad, milk and sweet potato pie.

All remain standing until the hostess gives the signal to be seated by sitting down herself. Each person sits down from the left of the chair and arises from the same side after the meal is over.

The next meeting will be with Betty Lou Henry, July 25th, 9:30 to 11:30.

Those present were: Martha and Jackie Stephens, Betty Lou and Loretta Henry, Inez, Pauline and Dorothy Rainey, Miss Carolyn Dixon, and Mrs. B. F. Rainey.

Mr. and Mrs. John E. Meide of San Angelo have been spending the past week-end at Wilson with their brother, Milton, and their parents, Mr. and Mrs. B. G. Wied, and other relatives.

Congratulations—

Sgt. and Mrs. Clayton Lawrence Adden, Utah, on the birth of a son last Friday in a hospital in that city.

Pfc. C. W. Conway Is Promoted to Corporal

European Division, Air Transport Command. — Pfc. Claude W. Conway, son of Mrs. Rosemary Conway of Tahoka, Texas, has been promoted to corporal. He is a member of the European Division, USAAF Air Transport Command, commanded by Brigadier General Earl S. Hoag.

Cpl. Conway's organization is the trans-Atlantic aerial supply line between the United States and Europe, operating hundreds of cargo and passenger planes, monthly. These planes carry important passengers, vital supplies, the all-important soldiers' mail and play a large part in the army's redeployment program.

Cpl. Conway entered the army on October 29, 1942 and has been stationed in the European Theater of Operations for the past fourteen months.

T-SGT. WILLBURN RETURNS FROM OVERSEAS

T-Sgt. David H. Willburn of the U. S. Cavalry, who has been in the service since January, 1941, and has seen action in India, Burma and China, arrived back in the States on June 9 and is expected home soon. His wife is Mrs. Bess Willburn and his parents are Mr. and Mrs. D. H. Willburn of Wilson. One brother, Neil Willburn, was killed in action on December 3, 1944.

YARBROUGH IS BACK

Moore Field, Texas. — Holder of two battle stars, M-Sgt. John Yarbrough, Lynn county, Texas, is now stationed at Moore Field, after a 42 month tour of duty in the Pacific Theatre.

Having been discharged from further service in the army on June 6, Pfc. Vincent Thompson arrived home Wednesday of this week dressed in civilian grab. He had been in the service for three years and three months but was never sent outside the boundaries of the United States, though willing to go at any time. Of course he was glad to get back home but said those civilian clothes did not feel right on him.

Mrs. Alex Riddle fell at her home last Saturday morning and broke several ribs, and is confined to her bed. Mr. Riddle, who had been "laid up" for several weeks, is now back on the job at Gibson's freight office.

CARD OF THANKS

I wish to thank my friends and neighbors for their many deeds of kindness while I was in the Sanitarium and since I came home. May God bless you all. — Mrs. T. M. Lockaby.

Last week we noted that all who are saved, the Lord adds to his Church. It follows therefore, that what it takes to save us also puts us in the church. The important question then for you and me to consider is what we must do in order to be saved, and we invite your attention to this space the next few weeks for the Bible answer to this all important question. Is there really something that I must do in order to be saved? Too many people do not realize their need of salvation, and as long as they are unconcerned about this matter there is no hope for them. "All have sinned and come short of the glory of God," Paul says, and again "the wages of sin is death." This brings condemnation upon us all and without some remedy for this condition we would be eternally lost. Study God's word carefully for the answer to this question, and come to our services where it is our aim to teach these things as revealed in the Holy Scripture.

Here's a SENSIBLE way to relieve MONTHLY FEMALE PAIN
 Lydia E. Pinkham's Vegetable Compound is famous not only to relieve periodic pain but also accompanying nervous, tired, highstrung feelings—when due to functional monthly disturbances. Taken regularly—it helps build up resistance against such symptoms. Pinkham's Compound helps nature! Follow label directions. Try it!

 Lydia E. Pinkham's

CHECK UP ON THAT GOAT!
 His appetite is not restricted to tin cans. He's taking big bites out of your future earning power... nibbling away at soil fertility, buildings, fences and operating equipment.
 To check up on Mr. Goat, take a pencil and figure the depreciation of these items during the recent wartime years of all-out heavy production. Make a list of the things which will be needed to re-equip and modernize your farm.
 Then—set aside a reserve of WAR BONDS and earmark it to replace these depreciated items as your FIRST purchases after the war.
 Rebuild the EARNING POWER of your farm... make it shipshape... and you'll be set for whatever economic weather the future brings.

PETTY H. D. CLUB

The Petty H. D. Club met with Mrs. LeeRoy Bedsoe June 7. The meeting was called to order by Mrs. J. W. Lowrey, president.

Miss Carolyn Dixon was with us, and our business was electing students to go to the Texas Tech, to the short course starting July 7 and ending July 11. Those chosen to go were Mmes. J. W. Lowrey, W. S. Powell, Noah Cromer, Ray Hoover. There was great excitement in the club that day and those chosen to go are very happy and count it a great opportunity.

Those present at the club were Mmes. Lee Cromer, Lou Cromer, John Martin, W. S. Powell, J. W. Lowrey, Noah Cromer, and S. M. Watkins. The hostess is a very charming new member of the club and a very enthusiastic one.

Our next meeting will be with Mrs. Noah Cromer on July 2, and everyone is invited. The demonstration will be on Grooming and should be very good. — Reporter.

BLACK-DRAUGHT
SAFETY USE ONLY AS DIRECTED

Lead on, thou open road!

What a relief when you can dash for the mountains again!—the seaside!—the mystic desert! You'll go with new spirit. . . . And so will your car, the moment you can fill 'er up with NEW-DAY CONOCO BRONZ-Z-Z GASOLINE—new in power—new in high-octane. Largely, these improvements will be derived from our war-winning gasolines. And to those we have applied knowledge from research that will mean latest-type gasoline for you, with the coming of NEW-DAY CONOCO BRONZ-Z-Z. Continental Oil Company.

CONOCO
Your gasoline today

Go to Your Conoco Mileage Merchant's station for it. Then you'll know it's made to be every bit as good as the regulations now require. Just be sure of your Station Identification—that big red Conoco triangle. When you see it you'll know you can buy with confidence.

Winston C. Wharton
Conoco Representative

Geo. Mahon Gives Capital Side-Lights

Predictions here as to the end of the war in the Pacific range from thirty days to three years, but several factors make the date of final victory wholly unpredictable. It is certain that Japan will be subjected to bombing of unheard-of intensity and devastation, exceeding by far the bombing of Germany. Logic would dictate an early surrender by Japan if she is to save some of her cities and industries, but the Japs do not operate on the basis of logic.

Our Army at the peak for the two-front war was 8,300,000. With Germany out of the war, the question is often asked, "Why do we need a seven million man Army to defeat Japan?" We probably do not, but the War Department is unwilling to take chances. The War Department claims that the larger Army will admit of more effective rotation policies, more frequent relief for combat soldiers. General Marshall himself is credited with saying that we will lose fewer lives with a seven million man Army than with a smaller Army. The Japanese Army is reported to be about four and one half million.

Clint Anderson, who is resigning from Congress to become Secretary of Agriculture, has considerable first-hand knowledge of our West Texas farm problems. He has travelled across our Congressional District many times enroute from his home in New Mexico to the East, visiting in Lubbock a number of times.

Freight rate equalization which we have fought for in the South and West for years is partly realized as a result of recent decisions

We're licking 'em with eggs!

Don't let up on egg production! Our egg quota is staggering—13,095,792 dozen every day.

Just give birds the stuff and they'll do it. That means Dr. Hess Poultry Pan-a-min in addition to a good ration. Give Pan-a-min for its tonic. It stimulates appetite and assimilation of feed and that's important. It also supplies minerals.

Put 3 pounds of Pan-a-min in every 100 pounds of laying mash. Get Pan-a-min from us at your first opportunity.

Tahoka Drug

by the Interstate Commerce Commission. Our Southwestern producers and consumers will profit by the decision. Also, in the post-war period industry will have the greatest incentive in our history to develop in the Southwest.

The War Department Subcommittee on Appropriations, of which I am a member, is now holding extensive hearings on Army requirements for the coming fiscal year. General Marshall and General Arnold have reported in detail as to our war program. The hearings are scheduled for completion by June fifteenth (15).

Of interest to Texans is the fact that the huge appropriation contemplated for the continued construction of the big B-32 now being manufactured by Consolidated at Fort Worth will be greatly curtailed. The B-29 and B-32 were the twin big bomber hopes of the AAF, but the B-29 has turned out so well that the B-32 will be gradually side-tracked as second best.

I recently accompanied the crew of a B-29 on a test flight. It is delightful experience to fly in this plane over friendly territory. But despite its graceful beauty the Japs have found that in the hands of a courageous American crew, it is the deadliest weapon in the history of warfare.

It is reported that General Ike Eisenhower will visit Washington this month and address a joint session of Congress. I think the able and popular general will be pleased if his appearance is greeted with the same outburst of applause as was received by the young Infantry sergeant who, at a similar session some time ago, was given the Congressional Medal of Honor.

Eisenhower is very popular with Congress. But his popularity does not exceed that of General Marshall, Chief of Staff, who is generally regarded here as the top military man of this war, not only in name but in fact.

Mrs. Homan Edwards and baby, and Mrs. Edwards' mother, Mrs. Fox, were here this week en route from Galveston to Butte, Montana, visiting in the home of her husband's parents, Mr. and Mrs. M. H. Edwards. Lt. Herman Edwards now based in New Guinea, and has flown two combat missions against the Japs as a B-24 pilot.

Pennies are legal tender only up to 25 cents. Therefore, a creditor cannot be forced to accept more than 25 pennies in payment of a debt.

FAST RELIEF

From Too Frequent Urination, Backache, Run-Down Feeling
—due to irritation of the bladder caused by excess acidity in the urine

Famous doctor's discovery acts on the kidneys and helps keep you from getting up nights!

Are you suffering unnecessary discomfort and distress from backache, burning urine, frequent desire to pass water? Getting up often at night? These symptoms may be caused by bladder irritation due to excess acid in the urine. Then try that famous doctor's discovery — DR. KILLMER'S SWAMP ROOT.

Famous for many years, Swamp Root is a carefully blended combination of herbs, roots, kulanin and other natural ingredients. There's absolutely nothing harsh or habit-forming in this scientific preparation. Just good ingredients that quickly act on the kidneys to increase the flow of urine and relieve bladder irritation and its uncomfortable, distressing symptoms. You'll say its marvelous effect is wonderful!

Send for free, prepaid sample TODAY! Like thousands of others you'll be glad that you did. Send name and address to Department F, Killmer & Co., Inc., Box 1285, Stamford, Conn. Offer limited. Free 24 sec. All druggists sell Swamp Root.

Moore Home . . .

(Continued from page one) received severe burns in North Africa, but returned to duty a while later and for many months has been in Italy with the 15th Air Force. His wife resides in Dallas. His twin brother, S/Sgt. Lavoyce, is still in Italy with the Fifth Army.

Two other Moore boys, also twins, in the service, are T/Sgt. Yater Lavar, in the Philippines, and Pfc. Barret Lamar, somewhere in the Pacific.

Miss Shelba Patterson daughter of Mr. and Mrs. H. M. Patterson of Draw, is working in the Bible school at Floydada, Texas. She will be there for a few weeks and then she will be sent to another town. Miss Patterson is a student of Wayland College at Plainview.

The Arlington National Cemetery is the largest national cemetery in the United States. It covers 408-one third acres.

CITATION BY PUBLICATION

The State of Texas.
To: Mary Becco Austin Gant,
Greeting:

You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 16th day of July, A. D., 1945, at or before 10 o'clock A. M., before the Honorable District Court of Lynn County, at the Court House in Tahoka, Texas. Said plaintiff's petition was filed on the 26th day of January, 1945. The file number of said suit being No. 1607. The names of the parties in said suit are: N. E. Gant, as Plaintiff, and Mary Becco Austin Gant, as Defendant.

The nature of said suit being substantially as follows, to wit: That plaintiff is praying for a divorce and has resided in Lynn County, Texas, for more than one year next preceding the filing of this petition, and still a resident of said county and state, that plaintiff and defendant were legally married on or about the 18th day of July, 1937 and lived together as husband and wife in said county until on or about the 1st day of July, 1940, at said time defendant voluntarily left the bed and board of Plaintiff without any provocation or cause whatever with the intention of finally separating and living apart from Plaintiff and has continued to do so up to the filing of this petition, often requested by Plaintiff to return to his bed and board and live with him as his wife. That during the said marriage of plaintiff and defendant there were born as issue of said marriage, two children, to wit, Mary Louise Gant, a girl, age seven years, now residing in Lubbock County, Texas and a girl, age five years now residing with Plaintiff in the State of Arkansas, Plaintiff praying for a divorce and annulment of said marriage.

If this Citation is not served within 90 days after the date of its issuance, it shall be returned unserved.

Issued this 30th day of May A. D., 1945.

Given under my hand and seal of said Court, at office in Tahoka, Texas, this 30th day of May A. D., 1945. (SEAL)

W. S. TAYLOR, Clerk District Court, Lynn County, Texas. 44-4tc

War Bond Drive . . .

(Cont'd from page 1) O'Donnell First National Bank reports sales there totaling \$42,000.

Though the drive is going well, the bonds bought represent a comparatively small percent of the citizens of Lynn county. County Chairman Truett Smith says, and he urges that everyone possible invest in a War Bond now, so that Lynn county may reach its goal. Lynn county has 1800 men in the armed services, but not near that many people at home have bought bonds in this drive to furnish our men fighting equipment.

VISITS ST. LOUIS

Miss LaVoyle Richardson, tap dancing teacher the past two years, has been in St. Louis, Mo., the past two weeks getting new material, costumes, and ideas for her work this winter in the local school.

Miss Richardson plans to spend some time in New York city again this summer where she will study tap dancing, ballet, baby dances, advanced routine and music with personality singing.

Capt. Clay McCoy of Ellington Field near Houston, accompanied by his family, is here this week visiting his mother, Mrs. J. H. McCoy, and sisters, Mrs. Irene Gallagher and "Dude" Holland, and other relatives.

Mrs. Frank Greathouse and two children left last week to spend the summer with her parents in Indiana. Frank is in the service.

Poor Economy

Are you one of those who neglects or delays having your vital farm equipment checked for possible needed repairs?

Failure to KEEP your equipment in first class shape may cost the farmer much later. A few dollars spent now may save you breakdowns when time is precious—at a time when you need your equipment badly.

Our shop is completely equipped with the most modern tools available for the repair of farm machinery, and it is manned by mechanics skilled in this line of work. Consult us now on your farm machine problems, large or small.

GENUINE I. H. C. PARTS and I. H. C. SERVICE

NOW IS THE TIME TO:

1. Replace all broken or worn parts.
2. Have equipment serviced and put in first class condition.
3. Clean and paint your equipment, and add years to its useful life.

"I've just had my FARMALL overhauled, Bill, and it's workin' like a top!"
