High School Pupils Register Monday, Classes Start Sept 4

Plans for registration of students in the Tahoka Public Schools for the coming term are announced this week by E. E. Hancock, the new superintendent.

High school students will register this coming Monday and Tuesday, August 27 and 28, at the Tahoka High School, between the hours of 9:00 a. m. and 4:00 p. m.

All Juniors and Seniors and all football boys are requested to register on Monday, Aug. 27.

All Sophomores and Freshmen will register on Tuesday, Aug. 28.

All Grade School will report for registration at the Grade School Building at 9:00 a. m., Tuesday, September 4, and all High School students will meet at the same hour for their first assignments.

Teachers in the school system will meet in the High School at 9:00 a. m. Monday, Sept. 4.

The school term officially starts Tuesday, Sept. 4. The buses will not meet until Tuesday, Sept. 4.

School buses will not run until Tuesday, Sept. 4. The buses will follow the same routes they followed last year, but these routes are tentative and are subject to change later.

Parents and children are requested to note this schedule with care in order to avoid confusion.

Baptist Revival Closed Sunday

The Baptist revival, which had been in progress here for ten days, came to a conclusion Sunday night.

While the visible results were unusually meager, yet it is believed that great good was done. Good-sized to large crowds attended from start to finish, who listened apparently spell-bound to every message which the pastor brought. It is the opinion of many that no series of stronger sermons have ever been heard in a revival meeting in the Baptist church here.

Bob Lawrence of Mineral Wells directed the music, and his work was also much appreciated, as was that of the pianist, Mrs. Clay Bennett.

Voluntary contributions for the revival amounted to \$439.00, in addition to which a small contribution was also made to the pianist.

Rev. Levi W. Price, who did the preaching, was really sick throughout the meeting, and after it closed on Sunday night, he and his family left for Wichita Falls, from which place he expected to go to the Temple Sanitarium Monday night or Tuesday for a check-up and probably for treatment. For some time he has been suffering from ulcerated stomach.

As a result of his illness, he canceled his engagement to conduct a revival in the Wilson Baptist Church beginning on Wednesday night of this week.

The pulpit here will be filled next Sunday by a former pastor Rev. Geo. A. Dale of Lubbock.

Roy Hicks Is Home From Italy, Released

Roy Hicks, who was associated with W. T. Kidwell for several years in Piggly Wiggly store, is back at his old job after serving many months with the Fifth Army in Italy.

Roy was with a field artillery outfit that had a rough time all the way up from southern Italy to Austria. He spent last winter fighting high in the frigid Appennine mountains of Northern Italy.

He says the northern Italians are a much superior people to the low class citizenship of the Naples area, but he doesn't have any respect for any of the Wops. He doubts if they will ever be converted to our way of government.

GRASSLAND SINGING

The regular monthly singing will be held at the Grassland Nazarene Church Sunday, August 26, at 2:30 o'clock. Everyone is invited.

Major Claudia Draper Is Given Promotion

A cablegram received Wednesday informed the I. M. Draper family here that daughter, Capt. Claudia Draper on furlough from a period of service in Europe and at present visiting her sister, Mrs. Walsh Fippin in South Carolina, had been given the rank of Major.

Major Draper's many friends here are justly proud of this new honor attained by her.

Shower Brings End To Heat Wave

A light sprinkle of rain, amounting to a slow drizzle in some localities, fell over Lynn and neighboring counties Tuesday morning, bringing temporary relief from the intensely hot weather which had prevailed for several days and which was about to burn up the crops. Not enough rain fell, however, to carry the crops over long. More rain must be received soon if anything like a normal yield of cotton and maize is harvested this fall in most of the county.

As a matter of keeping the record straight, it might be mentioned that this is the driest year thus far that this county has experienced in at least twenty years. Only 5.86 inches of rain have fallen here since January 1, according to rainfall records kept by the News. This has been distributed fairly well over the nearly eight months that transpired and has been too little each month to do much more than wet the top of the soil.

The precipitation by months has been as follows: January .47, February .87, March .25, April .35, May .65, June .85, July 1.77, August up to the 22nd, .85; total 5.86. The total rainfall since November 1, last year, has been only 8.10 inches.

Postoffice Shows Business Increase

In a very interesting talk before the Tahoka Rotary Club Thursday noon of last week, Postmaster Happy Smith described the operations of the U. S. Postal Department and of the local post office.

He explained the operation of the service in some detail, pointing out that it is the most efficiently operated branch of our Government, and is the only major department that is self-sustaining.

He praised the local staff of carriers and clerks, and pointed out that they frequently rendered many little services to the public that are not required by the department.

He also gave figures to show the growth of the local office. Tahoka has five rural carriers serving 712 boxes in this trade territory. The office employs three regular clerks and two "subs."

Stamp sales have increased from \$10,208.02 in 1930 to \$28,000.00 for a little over seven months of 1945. This year already is ahead of the largest previous year's business, 1944, when stamp sales totaled \$27,417.12.

Money orders have increased proportionately, as have registered and insured totals.

Ross Smith was chairman of the day's program.

Cpl. W. L. Harvick Wins Promotion

San Marcos, Aug. 23.—Cpl. William L. Harvick, son of Mr. and Mrs. Willie Harvick and husband of Mrs. Ruby A. Harvick of Tahoka, Texas has been promoted to that rank from that of private first class, according to announcement made at the Army Air Forces Navigation School, San Marcos Army Air Field, a unit of the AAF Training Command.

Miss Clayton Johnson and Alton Hill was called to Roswell New Mexico to the death of Lull Mae Bunch. They returned Saturday evening.

Mrs. Archie Brunson of Odessa spent the week end here with her parents, Mr. and Mrs. W. S. Anglin.

School Building In South Tahoka Is Sold By Board

Tahoka's old grade school building and grounds, located in south part of town, has been sold to F. E. Calvery for a consideration of \$6,605.00. Truett Smith, president of the school board announces.

Mr. Calvery, operator of a chicken hatchery here for several years, has already begun remodeling the structure for use as a hatchery. He expected to enlarge his business, now located in the W. L. Burson building one block east of the highway intersection into one of the largest hatcheries in all West Texas, and will specialize in started chicks.

Smith said money from same of the property will be put in a special fund earmarked for use in further expansion of the present modern school plant.

The old school building was erected about 25 years ago as an addition to Tahoka's first brick school. The older part of the building was salvaged about five years ago, part of the material being used in construction of a bus garage, part being sold, and some material still being on hand.

The older portion was abandoned

Draw School Will Open On Sept. 3

Climaxing several weeks work of community painting, papering, carpentering, and cleaning, Rural High School 1 (Draw-Redwine High School) will formally begin September 3. Draw school children were transferred in a body to Tahoka last year as a result of the acute teacher shortage, but with a scholastic roll of 205 and seven teachers, the school will be "at home" again at Draw.

All teaching vacancies have been filled; Mr. and Mrs. Chas. A. Stewart will head the school. Primary and second grades will be taught by Mrs. Silas Rus; Mrs. Maude Shaw will teach third and fourth; Mrs. Ruth Ingram will head the fifth and sixth; and Charles Florence, a returning veteran will instruct the seventh and eighth grades. Miss Sylvia Busby and Mr. and Mrs. Stewart will fill the high school places.

Draw-Redwine school patrons and trustees have donated time and labor to remodeling the building and teacherages, and plans are being made for a school lunch program which will be initiated later in the year. A Butane system will be installed and a pressure pump is now in operation to alleviate the water shortage. Two buses will accommodate the consolidated school district.

School trustees are Messrs: Weldon Martin, president, Graham Hensley, secretary; Marshall Durbree, L. B. Jones; Gus Sherrill; J. H. Stalcup; and J. H. Patterson.

Pfc. Fred V. Pierce Is Cited For Service

With The Fifth Army, Italy—Private First Class Fred V. Pierce, Tahoka, Texas, recently was cited for outstanding performance of duty in Italy.

He served on the Fifth Army front in the 363rd Infantry Regiment of the 91st "Powder River" Division.

His mother, Mrs. Maude F. Pierce lives on Route 2, Tahoka.

WEATHERS IS HOME

Sgt. David Weathers, who has been stationed in England with the Army Air Forces for about two years, arrived home last week end on a 30-day furlough. He is the son of Tax Collector and Mrs. R. P. Weathers.

Mr. and Mrs. Frank Raindl Sr. received word from Shiner stating that a baby daughter was born to Mr. and Mrs. Frank Raindl Jr. at Shiner Hospital on August 15. The baby girl weighed 9 lb. 10 oz.

Released by U. S. War Department, Bureau of Public Relations.

DID THE "IMPOSSIBLE"

Upon the shoulders of Major General Leslie R. Groves rested the tremendous task of directing the atomic bomb project. The West Point graduate of the class of 1918 for three years labored on one of the world's greatest scientific and engineering achievements. In all this—a venture in which the pressure of time was forever a factor—he had at his command the vast funds and resources of the United States, the most brilliant scientific minds available in this country and the best talent in all lines of endeavor needed for the success of the project, but it was he who juggled the pieces and fitted them into their proper places.

Wilson Schools Opening Monday

Supt. C. O. Head announces that the Wilson schools will open next Monday, August 27.

The Buses will run at 8 o'clock and the opening exercises will begin at 9. The program is being planned, Mr. Head says, and all patrons of the Wilson schools are invited and urged to be present.

The entire faculty of teachers has been employed and Mr. Head is looking forward to a most successful school year.

The faculty will consist of the following members:

C. O. Head, Superintendent; J. H. Harper, high school principal and teacher of Mathematics; M. D. Smith, athletics coach and teacher of History; Miss Jonnie Mae Edmondson, teacher of Home-making; Mrs. C. O. Head, teacher of high school English; J. C. Webb, teacher of Vocational Agriculture; C. O. Head, teacher of Commercial subjects.

Grade teachers: Miss M. J. Hagan, Mrs. G. L. Cobb, Miss Gladys Kirtley, Miss Doris Becker, Mrs. Lulu B. Porter, Mrs. J. F. Cowey, Mrs. D. L. Blankenship, Dwayne Reeves.

Lt. J. W. Hickerson Ends Special Study

Lubbock Army Air Field, August 24.—1st Lt. J. W. Hickerson, son of Joe Hickerson of Tahoka, and a pilot of the Air Transport Command, has just completed a course in the latest methods of "all weather" flying, which qualifies him for flying along the globe encircling routes covered by ATC planes or as an instructor who will train other ATC pilots destined to carry men and supplies safely wherever they are needed.

ARMY NURSE HOME

Lt. Frances Scott of Brooks General Hospital at Ft. Sam Houston came Thursday to spend the week-end here with her parents, Mr. and Mrs. John W. Scott. She has been stationed at Brooks General Hospital since her return from the Southwest Pacific a few months ago after having served as an army nurse in that theatre of operations for more than two years.

Mr. and Mrs. H. C. Story of Austin have been here several days visiting relatives and friends. Mr. Story is employed in the state comptroller's office. He was formerly county clerk of Lynn county.

"Eddie" Nevill, son of Mr. and Mrs. Jodie Nevill, arrived home last week after service with our Army against the Germans.

New Piper Airplane Demonstrated Here

Bill McNeely, Piper airplane dealer for Lynn, Dawson, Borden, Scurry, Kent, and Garza counties, had a new model 100 horsepower Super Cruiser here Wednesday afternoon for demonstration purposes.

The new three-place Piper has plenty of power, is said to be almost as economical to operate as a car, and has a 600-mile flying range. Its flying speed is 100 to 110 miles per hour.

Piggly Wiggly Is Opening Saturday

Piggly Wiggly store, owned and operated by W. T. Kidwell, which was damaged by fire three weeks ago, will re-open for business at the same location, in the W. L. Knight building, Saturday.

The building and fixtures have been completely relocated, repaired, painted, and many new fixtures and new stock added.

Though stock was only slightly damaged by smoke and water, the store is making drastic cuts in its prices on this merchandise, and O. P. A. will permit them to sell most of it point-free.

Kidwell has built up an excellent business here, and since remodeling it, has one of the best stores in this section.

Mahon Is Visiting Bases In Pacific

Congressman George Mahon in company with high ranking Army officers and other members of the Military Appropriations Committee left last week by plane on an official mission overseas. The Army officers are headed by General George Richards who handles the purse strings for the War Department. Other officers in the group represent the Air Forces, the Army Ground Forces, Service Forces and the office of General Marshall, Chief of Staff.

Mahon is one of the eight members of the Military Appropriations Committee designated for the mission. Under arrangements made by the Secretary of War the group will see at first hand certain bases and installations before authorizing further expenditures by Congress.

They will also confer with overseas commanders regarding speedier procedure for returning servicemen from overseas. The Committee expects to slash war spending as deeply as safely can be done following their observation of the general situation.

Sgt. Glynn Ensor Is Returned To States

San Antonio—Having completed a tour of duty of 3 months in the European Theater of Operations, Sgt. Glynn N. Ensor, Tahoka, Texas has arrived at the San Antonio District, AAF Personnel Distribution Command for processing and reassignment. His awards for service overseas include, ETO ribbon.

Processing and reassignment for AAF returnees ordinarily are completed in from ten days to two weeks after which personnel are generally assigned to stations in this country.

Mrs. W. B. Edwards who suffered a serious heart attack about a week ago at Marlin is thought to be slightly improved, though it will be some time before she can be returned to her home in Lubbock according to reports received by her daughter, Mrs. H. C. Lewis this week. Mrs. Edwards had accompanied Mr. Edwards to Marlin when he went there for the benefit of his health about two weeks ago.

Cpl. Foy R. Swinson of a tank destroyed unit with our Army in Germany, arrived home recently.

Four Constitutional Amendments Up For Vote Saturday

Four constitutional amendments have been submitted to the people of Texas for their approval or disapproval at an election to be held on this Saturday, August 25.

Following is the gist of the amendments:

Amendment No. 1 This amendment provides that during the time the United States is engaged in fighting a war, or within one year after the close of the calendar year in which said war is terminated, no person, who at the time of holding election in this State authorized by law, or who, within eighteen months immediately prior to the time of holding any such election was, a member of the Armed Forces of the United States or of the Armed Force Reserve or the United States Maritime Service or the United States Merchant Marine, is required to pay a poll tax, or to hold a receipt for the payment of any poll tax assessed against him, in order to vote at any election. The foregoing amendment, if adopted, does not give any person the right to vote who is a member of the regular establishment of the United States Army, Navy or Marine Corps.

Amendment No. 2 This amendment provides that members of the Legislature shall receive \$10.00 per day during their tenure of office, and in addition each member shall receive not to exceed \$2.50 for each twenty five miles as mileage in going to and returning from the seat of government for session, of the Legislature.

Amendment No. 3 This amendment provides that the Supreme Court shall consist of a Chief Justice and eight Associate Justices, any five of whom shall constitute a quorum, and the concurrence of five shall be necessary to a decision of a case. Our present Court consists of three Justices and a Commission of Appeals, composed of six Judges who now assist the Supreme Court without the power to vote and this amendment, if adopted, will make the six Commissioners full members of the Court with voting power on decisions.

Amendment No. 4 This amendment, if adopted, will empower the Legislature to increase the amount for old age assistance from \$15.00 per month, as now provided by the constitution) to \$20.00 per month of the funds to be matched by the federal Government with a like amt, which in effect would be, with both State and Federal money, the pensioner could be paid an amount up \$40.00 per month.

This amendment further provides that a maximum of Thirty Five Million Dollars can be raised by the State for its part in expenditures for the needy aged, the needy blind and needy children under 16 years of age.

Sgt. L. D. Pate Home From Pacific War

Sgt. L. D. Pate, son of Ocie Pate of this city, who has been in the Pacific 34 months with the 40th Infantry division, arrived home last week end for a furlough while recuperating from severe wounds received in the Philippines.

Sgt. Pate saw action at Guadalcanal, New Guinea, New Britain and Leyte, Luzon, and other islands in the Philippines. His last action was on Los Negros, where on April 10, 1945, he was wounded in the hip, leg and wrist, for which he was presented the Purple Heart medal, and also the Bronze Star "for continuing to operate his radio after receiving wounds."

Sgt. Pate was forward observer for the 143rd Field Artillery, and in the combat area he worked out ahead of our lines, reporting the position and movement of the enemy to the commanding officer by radio.

He entered the Army on July 10, 1941.

Sgt. Charles Walden returned home last week, after serving with the Army in England, France and Germany.

CHURCHES OF CHRIST

ROM. 16:16

SALUTE YOU!

You are cordially invited to attend the gospel meeting at the New Home Church of Christ, beginning Friday, August 24. O. H. Tabor of Lamesa will be the speaker in these services, and J. I. GRASSLAND CHURCH HAS GREAT REVIVAL

The Lord was in every service of our recent revival, and the people were blessed.

Rev. Leo Upton is a fine preacher, man of prayer, and carries a heavy burden for lost souls. He brought many soul-stirring messages, and we had beautiful old-fashioned altar services. The church was helped a lot, and 25 souls sought God for pardon or purity at the altar of prayer.

We had visitors from Post, Tahoka, Lamesa, and Brownfield, also from churches in Grassland.

Rev. Upton was given a nice offering, a little over \$260.00. The pastor, Rev. and Mrs. A. G. Johnson, were given a love offering. Jo Nell McCleskey, Reporter.

LUCK-VAUGHN

Miss Margaret Luck, daughter of Mr. and Mrs. Luck of Post, and Clifford Vaughn, son of Mr. and Mrs. R. C. Vaughn of Draw, were united in marriage in a single ring ceremony read by Rev. G. H. Isbell at his home at Draw on Saturday August 11.

The bride wore a blue dress with white accessories.

Supper was served at the home of the groom preceding the wedding.

A few relatives and friends were present. Among them were Mr. and Mrs. Johnny Vaughn of California the groom's sister, Miss Jean Sanders of Lubbock, Alfred Vaughn, Buford and Mrs. G. H. Isbell of Draw, and Hubert Stanford of Tahoka, and Brother and Sister Woodson of Plains, Texas.

The bride and groom left Sunday morning for Brownwood to spend their honeymoon with the groom's grandparents.

They plan to make their home near Draw.

PORTERFIELD-STONE

Mr. and Mrs. Gus Porterfield of Grassland are announcing the marriage of their daughter, Margaret, to Corporal T. A. Stone, son of Mrs. Cora Stone of New Lynn who returned recently from Germany, where had served nine months with the 87th. Recon. Troop.

The marriage rites read by Rev. J. E. Stevens, pastor of the Grassland Methodist Church were solemnized at the home of the bride's parents near Grassland Monday evening, August 13th. The couple was attended by Miss Ima Corley as maid of honor and Raymond Stone, brother of the groom as best man. The bride wore blue and carried a white bible.

Cpl. Stone attended school at Lynn and was attending Tahoka High School when he enlisted in the U. S. Cavalry in February 1943. He returned to El Paso on Tuesday of this week for reassignment after spending a thirty day furlough here following his return from Germany.

Mrs. Stone, who is a graduate of Post High School is employed in the County Agent's office and plans to continue her work there for the present.

WILSON REVIVAL

Rev. W. C. Carpenter of Fort Worth is conducting the revival at the Wilson Baptist Church which opened Wednesday, according to the pastor, Rev. Lloyd Gentry.

Rev. Levi Price of Tahoka was to have done the preaching at the meeting, but was forced to cancel this engagement because of illness. Rev. Carpenter is a former assistant pastor at Hobbs, and is said to be a forceful speaker.

SLUMBER PARTY

Miss Barbara Wells was hostess at her home west of Tahoka to several girl friends Tuesday night of this week at a Slumber Party. Those attending included Misses Connie Leeper, Kitty Anderson, Bobbie Cowan, Savannah Tunnell, Bitsey Haney, Mary Ann Jones and the hostess, Barbara Wells. It was reported to be a very enjoyable affair.

Miss Elizabeth Preston who has been very ill following a serious operation at Baylor Hospital in Dallas some weeks ago, is now at the home of her sister, Mrs. Arthur King of Portales, N. M.

Pvt. and Mrs. John Hudman and daughter Joni Carmen, arrived early Wednesday from Fort Atterbury, Ind.

SANDERS-KERSEY

Mr. and Mrs. Dee Sanders are announcing marriage of their daughter Inez Sanders to Floyd C. Kersey of Odessa, Texas. The marriage took place August 17th at the Baptist Parsonage in Odessa.

Mrs. Kersey is a graduate of Tahoka High School and Draughts Business College, and has been employed for the past three years as office manager for McWorther Tire Store of Lubbock.

Mr. Kersey has recently been discharged from the Air Corps after serving two years in the Caribbean and eighteen months in Africa and the China Burma India Theatre.

The couple will make their home in Odessa when Mr. Kersey is in business.

LOCAL GIRL ATTEND TSCW

Denton, Texas—Texas State College for Women, world's largest residential college for women, will start its 1945-46 session with an enrollment of at least one from Tahoka, according to an August survey of dormitory room reservations by the college registrar. The attendance will be limited to around 2500 young women due to lack of additional rooms.

Registration will begin at 1 p. m. Monday, September 17, and classes start September 20. Dormitories will open Sunday, September 16.

Listed from Tahoka is Miss Virginia Ray Jones, daughter of Mr. and Mrs. V. P. Jones.

REVIVAL AT CENTRAL

A revival lasting one week will begin at Central Baptist next Sunday, August 26 and close on Sunday September 2. Services will be conducted by Rev. Thomas Young of Abilene. Miss Shelby Patterson of Redwine will direct the music.

A cordial invitation to attend is extended to all.

Mr. and Mrs. Elay Watson of Hobbs, N. M., have been visiting his mother Mrs. S. J. Cowart and Mr. Cowart and her relatives at Lubbock recently.

How women and girls may get wanted relief from functional periodic pain

Cardui, many women say, has brought relief from the cramp-like aches and nervous strain of functional periodic distress. Taken like a tonic, it should stimulate appetite and digestion, thus help build resistance for the "time" to come. Started 2 days before "your time", it should help relieve pain due to purely functional periodic causes. Try it!

CONNOLLY RINGS THE BELL

Senator Tom Connolly, chairman of the Senate Foreign Relations committee, one of the spokesmen of the United States at the San Francisco conference, and generally recognized as one of the fathers of the United Nations charter, was the principal speaker at the Jefferson Day barbecue in Austin Saturday night, and he was both eloquent and wise in the counsel which he gave. We give our readers a few extracts from the speech, which show he clearly rang the bell on world problems.

Speaking of the Charter, he said that he did not acclaim it as the embodiment of perfection, but he thought that it would grow and develop in the light of experience. "The Charter is not automatic," he declared. "It possesses no magic. It is no Aladdin's lamp. It will cost the constant efforts and support of peace-loving peoples." And he pleaded for cooperation with other nations of the world to maintain the peace. "Twice in the span of a lifetime," he reminded his audience, the world has been cursed with global wars, whose horrors he depicted, and declared that any future global war would be far more destructive.

"Crushed Germany and cringing Japan must be disarmed and prevented from waging future conflicts," he said. "Germany must feel the heel of the soldier, which it was so quick to place on the necks of conquered countries. Japan has awakened from her debauch of blood and cruel conquest

to face her doom. Pearl Harbor has been avenged. Treachery has been baffled. A star now shines in what has been a troubled night."

"Now that our enemies, at the point of the bayonet, have been forced to lay down their arms, we mean to preserve the peace. We mean to see to it that war-mad militarists shall not again plunge the earth into a sea of blood.

"We must maintain adequate national defense. We must keep our powder dry.

"We now have the mightiest Navy that ever sailed the seas more powerful than the combined navies of the remainder of the earth. I shall not vote to sink it. We must keep the strongest navy on the globe, not for offensive war, but for peace and defense.

"But our strength does not lie alone in material things. Our power in the world does not depend alone upon the might of our armies and navies. Moral and spiritual resources may influence and direct the course of human history. For 150 years, our Constitution and its institutions of freedom and democracy have quickened aspirations wherever men have hungered for freedom.

"With such a heritage," he declared, "the United States has a supreme destiny. We leagued our armed might for war. Let us leaguer our moral and material might for peace."

The average Negro soldier deserves much credit for the courage and loyalty which he has exhibited during the terrible conflict which has just closed. We believe that he has faithfully done his part in the winning of this war. We believe that as a result of his unselfish devotion to duty, he will be accorded better educational facilities in Texas and in the South generally. Possibly he will be given a fairer industrial opportunity in the North. All this we approve. We don't think that fairness to the Negro, however, means that racial lines should be broken down, that Jim Crow laws should be repealed, that segregation ordinances in the cities should be abrogated, that the people of any state should be compelled against their will to admit white and colored pupils into the same state and public schools and colleges, or that state laws prohibiting intermarriage of whites and blacks should be nullified by the federal government. God himself created different races of mankind and himself drew the marked distinctions between the races. We have never found anywhere in the divine law that it is man's duty to amalgamate the races and to utterly break down the race distinctions which God himself has made. Yet there are certain labor organizations in Texas and a few self-acclaimed

broadminded Texas citizens who are clamoring for the repeal of the "Jim Crow" law and for the enactment of laws compelling employers to permit Negroes to work alongside of whites in public and private offices, and to compel admission of children into the same schools regardless of color or race distinctions. Such radical action would be the height of folly.

It will probably take a long time to make a democratic people out of the Japanese but we are sure that during American occupation of the country general information of all kinds, including national and international news, will be sounded unceasingly into their ears. They will not be kept in ignorance as to what is going on in their own country. They will doubtless be thoroughly informed also as to who started this war and why. They may eventually be disillusioned as to the divinity and infallibility of that pious fraud, the emperor of Japan. They may finally see and evaluate him for what he is, a mere human being and a wicked and treacherous human being at that. The Japanese certainly need to be disillusioned and informed, and maybe then they will become democratic and sensible.

WILSON COUPLE IS MARRIED

The marriage of Miss Freida Lemon, daughter of Mr. and Mrs. W. I. Lemon of Wilson and T/Sgt. Doyle T. Poff, also of Wilson, was solemnized at the Cooper Methodist parsonage at 9:30 o'clock the evening of August 11. A single ring ceremony was read by Rev. H. B. Coggin.

Attendants were Sgt. and Mrs. Roy T. Shirey of Lubbock. Sgt. Poff is now stationed at Great Bend Army Air Field and the couple will be at home at 3015 Eighteenth Great Bend, Kansas.

Both, Sgt. and Mrs. Poff are graduates of Wilson High School and Mrs. Poff has been employed at the Wilson State Bank for the past two and half years. Sgt. Poff has seen 7 months overseas service.

SHOWER FOR BRIDE

Mrs. Lonnie Lumsden and Mrs. Howard Cook were Co-hostesses at a bridal shower Thursday afternoon in the Lumsden home at Wilson honoring Mrs. Doyle T. Poff, who was Freida Ruth Lemon before her marriage August 11.

The program included piano selections by Sylvia Glynn Bentley of Lubbock and Mary Lou Campbell of Wilson. "The Bride's Prayer" was read by Mrs. Jerene Swann and "God Sends the Rainbow" was sung by Linda Sue and Joyce Lemon, nieces of Mrs. Poff. The honoree was then lead to the "foot of the rainbow" where the "pot of gold" was overflowing with lovely gifts. These were viewed by all present, after which refreshments were served to 43 guests and the honoree.

Mr. and Mrs. A. H. Moyers were delighted recently to have three daughters and their families visit them here. First came Mr. and Mrs. K. A. Childs and three children and Mrs. Velma Buckaloo and one child all of Kingsville, for a few days visit; and just as they were about to leave, here came Mr. and Mrs. Charley Hickman and daughter of Eldorado, Oklahoma, who remained here a few days. Mr. Moyer says that when they complained of the heat, he just took them down into his cellar, which beats any cooling system in town.

Tech. Cpl. John C. Gable is here visiting his parents Mr. and Mrs. J. C. Gable. He arrived in the States from Austria, the 10th of August. He will report to Camp Carson, Colorado for reassignment the 10th of September.

FAMILY REUNION IN HENDRIX HOME

Mr. and Mrs. E. J. Hendrix have as their guests this week in a family reunion, Mr. and Mrs. D. D. McDonald and two children, Lawrence and Miriam of Jal New Mexico, Mr. and Mrs. W. P. Ledford of Ada, Oklahoma, Mr. and Mrs. Jesse Neims and daughter, Ramona, of Grant, Oklahoma, Mr. and Mrs. Elmo Nickell and daughter Mary Ann, of Roswell, New Mexico, sisters and a brother of Mrs. Hendrix. Other guests were a nephew and niece, Mr. and Mrs. Carl Ledford and daughter Jeanine of Kermit, Texas.

This was the first time some of the relatives had met, also the first time all sisters and brother had been together in five years. The last reunion was held at the home of the brother, Mr. Neims, at Grant, Oklahoma.

FRANKLIN COUNTY REUNION

The Franklin county annual reunion will be held at Big Spring, Texas at the park the first Sunday in September, with basket lunch. All residents and if you have ever lived in Franklin are urged to be here and enjoy a good program.

Mrs. Gertrude Hill and daughter Betty Mae are visiting her sister Mrs. W. I. Lemon of Wilson this week. Their home is in Oklahoma City.

5 Good Country Tricks for Saving More Used Fats

This year our domestic supply of fats and oils will be approximately one and one-half billion pounds less than last year. Right now, we are facing our worst fat shortage since the war began. To make up for this staggering loss, the government is depending on the women of America—and particularly women on farms and in smaller cities.

Every spoonful, every drop of fat is needed to help make battlefield and homefront essentials. So roll up your sleeves and do an all-out job, won't you? Clip this checklist and pin it up in your kitchen as a reminder.

- 1. FRIED SALT PORK**—with milk gravy. Salt pork yields so much grease, you won't need it all for gravy. Pour the rest into the salvage can.
- 2. DEEP FAT FRYING**—use the fat over and over, but when it's too dark and smelly to use any more, don't forget Uncle Sam wants it!
- 3. ROASTS AND CHOPS**—save all trimmings (scrap from plates, too.) Keep them in a small bowl; once a week melt them down.
- 4. SAUSAGES**—they're better if you parboil them first. Skim the fat off the cooking water—scrape the fat from the frying pan.
- 5. CHICKEN SOUP**—chill it before you use it. Scoop off the hardened grease (soup tastes better, too!)

When the salvage can is full, take it to your butcher promptly. He will give you 3 red points and up to 4c for every pound of used fat you turn in.

100,000,000 More Pounds of Used Fats Are Needed This Year
Approved by WFA and OPA. Paid for by Industry.

How women and girls may get wanted relief from functional periodic pain

Cardui is a liquid medicine which many women say has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Here's how it may help:

1. Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come.
2. Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes.

Try Cardui. If it helps, you'll be glad you did.

Legion, Auxiliary Hold Social Meeting

Tuesday evening August 14, Legionnaires and Auxiliary members of the Marion G. Bradley American Legion Post met at the Legion Home and enjoyed an evening of "42", together with pleasant conversation.

The games tables were placed on the lawn, tally cards were passed, partners chosen, and Progressive "42" games were begun. After the

games were over refreshments of sandwiches, potato chips, olives and pops were served to the following: Mrs. R. C. Forester, Mr. and Mrs. A. E. Ware, Cpl. and Mrs. Win Wood, Mr. and Mrs. Jim Woods, Pat Healy, Mr. and Mrs. C. M. Walden, Mr. and Mrs. Dan Carpenter, Mr. and Mrs. Rafe Richardson, Dr. and Mrs. W. A. Schall and Patricia Schall, Jas. E. Hill Mr. and Mrs. J. B. Oliver, Mrs. A. M. Cade, Reuben Wilke, Mr. and Mrs. Jno. Fulford, Mrs. Iris Dean Turner, Mrs. Obara Biggerstaff, Mrs. Maxine Raindl and Jan, Pete Hendrix, Sue Nell Carpenter, and Mr. and Mrs. Roy Adams.

World War I veterans who have kept the Legion going through all the years—since its organization, are delighted to have the men of World War II coming into and becoming a part of the Legion. Despite the differences in the ages of the old and the new legionaire, there is a common interest between these men, which makes fraternization a pleasant thing for both. The interest they have in common is the fact that they stood together, unified, for the defense of their country in a war and now that we have peace once more, they wish to stand together in the coming years in order that they may be instrumental in making and keeping the America of tomorrow, the sort of country for which all men will feel it a privilege to defend and to develop.

These social meetings on the second Tuesday of each month, will be held regularly each month and the membership urges all "service men and their wives and all Auxiliary members to come and enjoy this pleasant occasion. You are sure to gain something from such an association, even if your gain is only the reminder that nowhere else in the world could there exist an organization more wholly democratic than the Legion and its Auxiliary.

Eligibility for attendance of these socials does not depend on your bank account, on whether or not your parents came over in the Mayflower or if you know which fork to use. Your eligibility depends on whether you, your husband, father or brother has worn the uniform of his country and now has an honorable discharge from the service of our country.

Don't wait for an invitation to these socials. If you are eligible, you are invited.

Pfc. Berta Hill Writes Of France, Germany

The war is over, but millions of our soldiers are still overseas. Hundreds of thousands of them are still in Germany, and some of Tahoka's sons are still there.

Pfc. Berta Hill of the WAC detachment was recently sent to Germany to help in checking the soldiers out as they are sent home or to some other part of the world.

The News family received a letter from her a few days ago, from which we quote, because it might be of interest to many of our readers. She wrote from the city of Heidelberg, famous German seat of learning in the province of Baden, on the Rhine River, where she is stationed.

"Things have happened so fast," she wrote, "that I can hardly realize that it has been so long since I wrote home. I can't remember what I wrote, even."

"I think I wrote that we landed at Greenock, Scotland, near Glasgow. Traveled by train to Southampton (England). Fell in love with Scotland. It is a real fairyland for beauty—at least the part we saw. England is not so pretty but is somewhat on the same order."

"From Southampton to Le Havre (France) on a Liberty ship; to Compeigne, north of Paris, by German train. It was a sight, and we thought that it was really rugged until we saw our boys going toward Le Havre in box cars and decided we were really traveling in style."

"We went to a Replacement Depot at Choisy au Bac, a tiny village near Compeigne on the Aisne River. Spent eleven days there waiting to come here. We made the most of our time there. Rode a canal barge, or river barge, up and down the Aisne and the Oise rivers. Went to see an old castle at Pierrefond and visited some of the hunting lodges and chateaus of rich Frenchmen. Cecil B. de Mille couldn't exaggerate the elaborateness of the chateaus we saw (except the one where our camp was located) or the castle."

"Also went on a picnic to a resort place on the Oise near Chantilly and saw some very interesting sights and characters. One thing I'll never forget for its comicalness, and picture of courage, too—a one-legged Frenchman riding a bicycle. Also went with another WAC and a couple of soldiers to visit a French family in one little village. Quite an experience trying to visit with them—they understood only a few English words and phrases, and we only a few French words and phrases, but somehow we got most of our ideas across."

"Everywhere in Europe we have seen the most beautiful vegetable and flower gardens you can imagine. There isn't a waste foot of land, weeds only in the forest, and only a few there."

"The French are not as cleanly a people, however, as she had expected to find, nor does she have praise for their moral standards."

Speaking of her trip from France over to Heidelberg, to which city 7th Army headquarters had been transferred from Augsburg, Germany, she said that she experienced her first plane ride but that they had a variety of transportation—G. I. truck, train, ferry, luxury liner, tender, English train, Victory Ship (the "most unpleasant thing" of the trip), a German train, C-47's, and "our own two feet." In their rounds about the country she says they also rode in jeeps, re-cons, and weapons carriers, as well as the barge on the River.

"We have pretty well 'dug in' in our new home. We are living in one of the buildings of a former German hospital—eating in an ambulance garage until our own nurse hall is cleaned and equipped."

One of my soldier friends from Amarillo brought me a radio and a mirror yesterday. Now, I'm listening to a fellow talk in German between such numbers as 'Swing Low, Sweet Chariot' and 'Nobody Knows the Trouble I see.'"

"When we arrived this was one of the filthiest buildings I have ever seen. We have done wonders cleaning it up and today got some women, 'Displaced persons' to keep the halls, stairs, latrines, etc. for us. They are either refugees or people the Germans brought in

Landing Wheels of a Boeing B-29 Superfortress

You're Looking At A "Run-Down Heel"!

Out where the palm trees wave and they carve the air strips out of coral, the ground crews were going nuts.

It was the tires on those rear landing-wheels! Like the heels on a well-walked pair of shoes, those big tires just seemed to get an awful lot of the gaff.

Result—at one time those big rubber doughnuts were being chewed up and torn to shreds in about fifteen landings!

Suppose you had to have new heels after wearing a pair of shoes only fifteen times! It would mean plenty of expense, trouble, and bother, wouldn't it? Well mister, just multiply that worn-out heel on the B-29 by all the jeeps and peeps and planes and you'll begin to get some idea of Uncle Sam's rubber troubles!

That's why it was so important

that some way be found to keep America's mechanized might rolling on rubber. America's Synthetic Rubber Program had to work out!

Well, it did work out. And one of the most important reasons why it did was the tremendous production of butadiene—essential ingredient of synthetic rubber—by oil companies such as Phillips!

Today, we know that when you see the Orange and Black 66 sign, you think of good motor oil and gasoline. In the future, when peace comes, we hope you'll remember Phillips as one of the greatest producers of wartime butadiene, and of the essential chemical ingredients for medicines, explosives, aviation fuel, and dozens of other things vital to the defeat of Germany and Japan.

OUR COMPANY'S "HIGHLINE HIGHWAY" Vital to Victory

From our power stations—over our Company's "Highline Highway"—from town to town—to war plants, encampments and other military installations, flows the electricity so vital to Victory. Without this huge generating capacity and many miles of highlines, we would have been unable to accomplish our important job of helping win the war.

And, to the homes and farms, stores and shops, this same dependable electric service is on the job 24 hours a day at a cost which is the lowest in the history of our company.

NEW ARRIVALS FROM OVERSEAS

Servicemen who have recently arrived home from overseas, whose rank we do not have in most cases, include Pershing Alexander from the Aleutians, J. A. Biggerstaff from the Pacific, "Ecky" Nevill and Glenn Lloyd from Europe, and John Chappa.

Among others who are expected home at any time are Danny Vandyeke from Germany and Jack Alexander from the Pacific, who are reported enroute home.

SWAT THE SALARY-RAISE AMENDMENT

Whatever you do about the other proposed amendments, be sure to swat that one which would increase the pay of legislators to \$3650 per year. Aside from the objections which could be urged against it otherwise, why should we of West Texas vote to increase the pay of a bunch of East Texas legislators who refuse, against the clear-cut demands of the Constitution, to redistrict this state and give West Texas the representation to which it is entitled?

NOTICE OF BUDGET HEARING

Taxpayers and patrons of Tahoka Independent School District are hereby notified that the hearing, as required by law, on the budget of said district for the 1945-46 school year, will be held in the office of the County Superintendent in the court house in Tahoka at 4:00 p. m. WAR OVER—SECURE FARM HOME NOW!

Several million soldiers will return to the farm for their future home and there will be a scramble for farms where they can produce their needs free from industrial warfare such as will prevail in industry.

I can render help to those who need it to secure a home at a fair price and on terms to suit.

Act now to secure the farm you or your son will need when he returns. Procrastination is the thief of time.

Mr. and Mrs. W. A. Reddell and daughter LaVerne visited an uncle of his, 89 years of age, who is very ill, down in Wise county over the week-end. Lt. D. F. Reddell, who is stationed near Vernon and who is expecting to be sent overseas soon, and his wife, also went down and visited with the family and his great-uncle.

Misses Robbie Milliken and Rae Fern Pennington accompanied the latter's parents, Mr. and Mrs. Garland Pennington, to the mountains of New Mexico, we are informed. They expect to return to Tahoka next Monday.

Mr. and Mrs. J. P. Tippit and two children spent the past week-end visiting their son and brother Pvt. James Tippit who is in training with the Infantry at Camp Roberts, Calif. While here they also went over to Camp San Luis Obispo for a visit with Pvt. Cecil Curry.

Miss Geraldine Mensch, daughter of Mr. and Mrs. S. A. Mensch of Draw, underwent an operation for appendicitis Tuesday morning in the Lubbock General Hospital, and on Wednesday was reported to be doing "just fine."

County Agent Says:

The continued dry weather is still lessening the chances of a large acreage of Grain Sorghum maturing a grain-crop. With a good possibility of a large acreage of this grain sorghum getting caught with a killing freeze before maturing grain, it is becoming all the more important that farmers in Lynn County begin thinking in terms of saving their roughage crops in the form of silage. Since there will be little or no harvesting to be done in September, farmers are urged to begin now to make plans for having their silos ready for fall harvest. A lot of silos should be built during the September slack labor period.

With the cotton acreage planted this year being lowest since 1895 and the estimated production of cotton the lowest in 50 years, the protein fed situation undoubtedly will be one of the severest shortages that we have ever witnessed. Therefore it is quite evident that it will be very necessary for farmers to save all the roughage in this year's crop that is possible. A lot of livestock may have to be wintered this year largely on roughage with a very minimum of protein feeds and grain available. With these prospects regarding the feed and livestock situation there is every reason to believe that the grades of meat will be considerably lower than average this winter. Although this is not a large feeding area there is enough livestock fed in

this vicinity that the shortage of fat animals will most likely be quite noticeable over a fairly wide area.

The annual District 4-H Club encampment for District 2 comprising twenty South Plains counties will be held next Monday, Tuesday, and Wednesday, August 27th, 28th, and 29th, at Ceta Glen, near Canyon. Arrangements have been made to make this 3-day encampment at Ceta Glen one of the high-lights of this year's activities in 4-H Club work. The program will consist of swimming, softball, rifle shooting, horse shoe and washer pitching and several very interesting demonstrations such as first aid, life service, and wild game. Everyone attending is certainly assured of a wonderful time. Twenty-two Lynn county 4-H Club boys will attend this 3-day encampment. The group will leave the City park in Tahoka in J. B. Oliver's truck at 7:30 Monday morning.

Interest and activity in the Johnson Grass Eradication Program in Lynn county is quite active at this time. The results from the control program will show up on an honor roll to be compiled in the near future of all the farmers in the county who have eradicated completely all the Johnson Grass from their farms. Farmers who have so qualified are urged to send their survey cards to the County Agent's office in the near future.

A few more cows need to be reported on the applications for Bangs Testing in this community. The O'Donnell community has already signed up a sufficient number of cows to be tested to justify the services of a veterinarian. Arrangements will be made for cows to be tested in the O'Donnell vicinity in the near future. Farmers in that vicinity will be notified as to the day the veterinarian will be at their farms to test their cows for Bangs. Farmers in the Tahoka vicinity who have not already done so are urged to come by the County Agent's office at their earliest convenience and list their cows to be tested for Bangs.

Mr. and Mrs. J. E. Dulin returned Tuesday from Colorado and Nebraska, where they have been with their combine cutting wheat. They report that much acreage in these states produced 50 to 60 bushels per acre.

School Building

(Contd. from first page)

In 1928, when the present fine high school building was constructed, and the part bought by Mr. Calvery was abandoned in 1935 when the present modern grade school was erected in 1935.

Smith also stated that the new Negro school building being erected in northeast Tahoka near the cotton compress is nearing completion. This is a modern tile building, stuccoed, plastered, and properly lighted, and is one in which our Negro population can take pride.

Work of redecorating the Grade school building interior also is near completion.

Notice of Guardianship NO. 341

Guardianship of Daille Chambers, a person of unsound mind.

In the County Court of Lynn County, Texas.

To all persons interested in the above named ward or her estate:

You are hereby notified that I have on the 22nd day of August, 1945, filed with the County Clerk of Lynn county, Texas, an applica-

tion under oath for authority to make to G. Frank Aldrich, as lessee, an oil, gas and mineral lease, on that certain real estate belonging to such ward, lying and being situated in Lynn county, Texas, and described as follows:

All of such ward's undivided interest in Section Number 14, in Block No. 8, Certificate No. 646, E. L. & R. R. R. Company, less five acres heretofore conveyed to J. S. Edwards by deed shown of record in Volume 56, page 483, deed records of Lynn county, Texas. Said section of land with said five acres excluded therefrom, contains 644.6 acres of land, and said ward owns an undivided 17/144th interest therein.

That Tom Garrard, Judge of the County Court of Lynn county, Texas, on the 22nd day of August, 1945, duly entered his order designating the 4th day of September 1945, at 10:00 o'clock A. M. in the County Court room in the courthouse of such county as the time and place when and where such application will be heard, and that such application will be heard at such time and place.

James W. Elliott, Guardian of

the estate of Daille Chambers, a person of unsound mind.

Mr. and Mrs. D. W. Gagnat left Friday of last week for Kansas City to visit relatives.

Mr. and Mrs. D. I. Gill left Friday for their home in Albuquerque, New Mexico, after spending several weeks here with their son, T. L. Gill. Mr. Gill was formerly section foreman for the Santa Fe here.
