Bulldogs Lose To Sundown; Play At Seminole Tonight

A re-vamped Tahoka Bulldog team, minus the services of 19 squadmen, last Friday night resumed the gridiron sport at Tahoka High, but lost to the visiting Sundown team 25 to 0.

Augmented by a half dozen boys from the old squad, the team goes to Seminole tonight for a conference game with the Indians. In the absence of a regular coach, Prestice Walker and L. A. Forsythe are doing an excellent job of salvaging the semblance of a team.

Only three regulars, Jerry Edwards and Buddy Bragg, halfbacks, and Bobby Ray Scott, center, started in the line-up. Other starters were: Dwayne Howell and Kenneth Reid, ends; C. A. Short and Randal Hinkle, tackles; Fred Bucy and Dewey James, guards; Joe Don Minor, quarterback; and Marvin Healy, fullback.

The game was much closer than the score would indicate, Tahoka making 8 first downs to Sundown's 6. With a band on the field (Sundown's) and a scrappy though inexperienced bunch of Bulldogs on the field, the game was reminiscent of past Tahoka games.

Dale Peden, Sundown half, scored in the first quarter on a 55-yard gallop, and in the third period he bucked the line for a counter, and John Ehrbridge kicked the goal. In the fourth, a 77 yard run by Ehrbridge and a 20 yard journey by Peden, brought the total to 25 points.

All boys participating in the recent unpleasantness in the Tahoka schools, except two, are back in school this week, however, The News is informed, only seven of them will be eligible to play football.

M. A. Dorman, 71, Dies Suddenly

M. A. Dorman, 71, a citizen of Lynn county for more than ten years but a resident of Hagerman, New Mexico, since 1931, died suddenly at 11:45 o'clock Sunday morning at the home of a son, Calvin Dorman, near O'Donnell, where he was visiting. He had been in bad health for a long time, suffering from diabetes, and his condition was known to be precarious, but members of the family were not prepared for so sudden an end.

A Harris ambulance brought the body to the funeral home here, where it was prepared for burial, and it was taken to Hagerman Monday, where funeral services were conducted in the Methodist Church and the body was laid to rest Tuesday afternoon.

Surviving are nine children: Mrs. H. W. Benson, Brownfield; Mrs. H. W. Hayes, Boswell, Okla.; C. A. Dorman, Justiceburg; Calvin, of O'Donnell; J. H. (Pete) of Tahoka; Mrs. R. W. Key, Morton; Mrs. W. J. Chrisman and Mrs. Jack Menard, Hagerman; and Sgt. Howard Dorman, Fort Sill, Okla. His wife died at Hagerman seven years ago.

Born at Prescott, Arkansas, Mr. Dorman was married to Miss Ellie Hart in that state in 1899. He and his family came from Oklahoma to Lynn county, Texas in 1920, living for four years in Toohka and for about seven years in the T-Bar community. He and the wife and the unmarried children moved from that community to Hagerman in 1931.

Mr. Dorman was a kindly man, a good citizen, and a long-time member of the Methodist Church.

Foreign War Vets Name New Officers

New officers of the Tahoka Post No. 3906, Veterans of Foreign Wars, were recently named.

They are: E. V. Macha, commander; G. W. Rotherburg, adjutant, and acting service officer; W. V. McIlroy, quartermaster; Lindy, vice commander; J. B. Oliver, junior vice commander; Newt Barham, officer of the day; and R. L. Gibson, Frank McGlum, and Tom Hale trustees.

Grand Chancellor Barney P. Ashley, San Angelo, who will visit the Tahoka Knights of Pythias Lodge Thursday night.

K. of P. Head Is Coming To City

The Knights of Pythias Grand Chancellor Barney P. Ashley of San Angelo will visit Tahoka Lodge No. 120 on Thursday evening of next week, according to a communication received a few days ago by Alton Cain of the Tahoka Lodge from Theo Yarbrough, Grand Keeper of Records and Seals.

It is desired that every member of the local Lodge will be out to welcome the Grand Chancellor and to enjoy the occasion.

Pythians from neighboring lodges are also invited.

The organization of a Lodge at Brownfield on Friday night is being planned and it is expected that Pythians from Lubbock, Lamesa, Tahoka, and other lodges will be present.

Cotton Ginnings Are Very Light

Up to Wednesday afternoon, October 31, only 473 bales of cotton from this year's crop had been ginned in Tahoka. Probably less than 2,000 bales had been ginned in the county. Only 642 bales had been ginned in the county up to October 18, according to the government report, collected by Mrs. Mildred Tunnell.

The crop is so pitifully small this year that it is difficult to make any approximate estimate of the final figures.

The price runs from 18 to 21 cents per pound. Seed are bringing \$52 per ton.

Grassland Man Saw Japanese Surrender

Mr. and Mrs. S. S. Williams of the Grassland community received a letter a few days ago from their son, Joel David Williams, MOMM-3/c., of the U. S. Navy, stating that he was then on Okinawa, having just returned from China.

His ship, the U. S. S. Skagit, was anchored in Tokyo Bay and was present for the signing of the surrender by Japan. He stated that he wouldn't have missed being in on that for anything, unless it was to come home.

Sgt. Murphy Home From War, Hospital

T/Sgt. Dolby W. Murphy, who lives in the Grassland community, is now at home after having received a medical discharge at McCloskey General Hospital at Temple on October 4, after a service of 39 months in the army, 22 of them overseas.

Sgt. Murphy saw service in England, France, Belgium, and Germany, and was awarded the Bronze Service Arrowhead and five service stars, having a total of 98 points. He was an ambulance driver, most of his service being with 13th Field Hospital but he was with the 44th Evacuation Hospital when returned to the States and discharged.

He was given a discharge because of an injury to the back received in Germany.

Sgt. Murphy is a married man. He entered the service from Lynn county on July 7, 1942.

Buy WAR BONDS.

School Row Brings Wide Publicity

The News receives echoes of our recent school trouble almost every day from far-distant points. Daily papers throughout the United States carried items concerning the unfortunate affair, giving it a flood of publicity all out of proportion to its importance. In fact, it was not its importance but the fact that it was a good juicy, human interest story, that appealed to publishers everywhere.

And since Tahoka boys are still scattered all over the United States and even all over the world, they

are sending in clippings of the affair to their folks at home, clipped from newspapers reaching them. One of these which came from overseas, clipped from the Army Stars and Stripes, came to this office Monday morning, furnished us by Mrs. Frank Greathouse. The News could gather up many of them if they were needed.

Anyway, the people of New York, San Francisco, Manila, Honolulu, Okinawa, Kalamazoo and Podunk know that there is a town in Texas named Tahoka.

Sgt. Paul Cook Is Declared Dead

Mrs. Frank Greathouse reported Monday that her sister-in-law, Mrs. Paul Cook of Caldwell, the former Miss Margaret Greathouse had received a message from the War Department about two weeks ago stating that her husband, Sgt. Paul Cook, who was reported missing in action over Germany more than a year ago, had recently been declared to be dead.

Sgt. Cook was a gunner on some kind of U. S. Army fighting aircraft. His plane went on a mission over Germany and never returned. He had never been found nor his body identified.

He was the son of Mr. and Mrs. O. R. Cook living on a Post route near the line of Lynn and Garza counties. He was a graduate of Post High School and attended Texas Tech. In March, 1938, he was married to Miss Margaret Greathouse of Tahoka and they later built a home here. They sold their home to Mr. and Mrs. Frank Greathouse three or four years ago, and he went into the air service.

Surviving are the wife and two children, who are living with Mr. and Mrs. F. O. Greathouse, former long-time residents of Tahoka but now residing at Caldwell.

T. J. Cloer, Age 81, Buried Thursday

Funeral services conducted by Garnie Ackison, Minister of the Church of Christ at O'Donnell, were held in the Church here at 4:00 o'clock Thursday afternoon for Thomas J. Cloer, 81, who died at 3:00 o'clock Tuesday afternoon, at the home of his son-in-law, Orville Davis, about five miles south of Tahoka.

The aged man had been practically an invalid for the past six months and recently suffered a stroke, from which he failed to rally.

Survivors include the widow, Mrs. Grace Jane Cloer, two sons, Cleveland Cloer of Tahoka and Monroe Cloer of Arizona; four daughters, Mrs. Nancy Davis of Tahoka, Mrs. Pauline Khyler and Mrs. Stella Powers, both of Arizona; and Mrs. Jim McManes of California.

CPL. WILLIE B. HAMMOND DISCHARGED FROM AAF

Dale Mabry Field, Florida.—Cpl. Willie B. Hammond, Rt. 2, Tahoka, has just received his honorable discharge from the Army Air Forces, the War Dept. announced today.

Cpl. Hammond entered the service in August, 1942, and attended aircraft mechanics school at Sheppard Field. He saw eleven months overseas service in the European Theatre. He wears the ETO Ribbon and the American Defense Ribbon.

Cpl. Hammond was formerly engaged in farming.

Sgt. CASBEER HERE

Sgt. Ben Casbeer, 37, recently discharged from the Army Air Force after four years of service, three of which he spent in Natal, Brazil, arrived Monday for a visit with his sister, Mrs. J. C. Lackey, and old friends here. He was accompanied to Tahoka by Mr. and Mrs. Ralph Miller of Austin, Mrs. Miller being his sister.

Carl Williams left Sunday morning to visit his aged mother at Stephenville. She is ill and all her children had planned to visit her.

Pvt. J. W. Moore En Route Home

Mr. and Mrs. L. D. Moore received a telegram Monday from their son, Pvt. James Woodard Moore, a former prisoner of the Japs, which brought them unspeakable joy.

The telegram, dated October 28, stated that he had arrived back in the homeland and had been sent to Madigan Hospital at Fort Lewis, Washington, for a check-up. He expected to be there about a week. He said he was feeling fine.

That was delightful news, for he had been woefully mistreated and almost starved to death in that Japanese prison, from which he was released in September.

Youthful Woodard Moore joined the army in January, 1940, when he was only 17 years of age. He was in the Philippines when the Japs made war on the United States and was captured by the Japs at Corregidor on May 6, 1942. The home folks were unable to hear from him during his long imprisonment and do not yet know in what prison camps he was kept. He has written them twice recently but even then did not state where he had been imprisoned. In one of the letters he stated that he would rather have been dead than to suffer the

Cont'd on back page

More Service Men Are Discharged

Many service men are now returning home with discharges. In addition to those mentioned elsewhere in this paper, we have noted the following:

M/Sgt. Sam Garrard came in Tuesday, having recently returned from Italy.

Sgt. Curtis Morgan, who has been here several weeks, went to San Antonio and got his discharge Monday.

M/Sgt. Phaniel Hilton of New Home, who went with the invasion forces from England to France, through Germany, and into Austria, arrived home with a discharge last Saturday.

1st Lt. Randal Fultz of the Army, is home from the Pacific, where he has seen service with Army Transport aboard ships and landing craft and participated in invasions of Tinian, Guam, Iwo Jima, Okinawa, and others. He expects to be discharged soon.

BREWER IS HOME

M/Sgt. Woodrow E. Brewer, son of Mr. and Mrs. W. E. Brewer of Route 3, Tahoka, has been back home for more than two weeks after a service of four and a half years in the armed forces of the United States. His service has been in the Pacific area and in South America.

He arrived at the home of his parents on October 17 with a discharge.

LEROY MOYER HOME

Leroy Moyer arrived here Saturday night to visit his parents, Mr. and Mrs. A. H. Moyer. He has recently been stationed at Camp Lee, Virginia.

Raymond Williams, son of Mr. and Mrs. Tom Williams, underwent tonsillectomy at the Tahoka Clinic Monday and is reported to be "doing fine."

Mr. and Mrs. S. J. Cowart spent last week visiting relatives in New Mexico.

Rev. Fred Porter, Eastland, who will preach at the meeting which opens at the Baptist Church Sunday morning.

Baptist Revival Will Begin Sunday

Revival services which were planned months ago will begin next Sunday morning at the Baptist Church.

The pastor, Rev. Levi Price, will fill the pulpit as usual at the morning hour, but the visiting pastor-evangelist, Rev. Fred Porter of Eastland, will preach at the evening hour and throughout the week.

Dexter Riddle of Wichita Falls will direct the song services, beginning Monday night. He recently returned from service overseas.

Services will be held at 10 a. m. and 7:30 p. m. each day, closing Sunday night, November 11.

Everybody is cordially invited to attend any or all of these services.

Assembly of God Will Hold Meeting

Rev. Leon Quillin, pastor of the Church of the Assembly of God, announces that an evangelistic meeting will begin at his church next Sunday morning to continue two weeks.

He received a card Wednesday from Rev. Maurice Evans of Natchez stating that he will be here Sunday. He has been engaged to conduct the meeting.

Rev. Evans formerly lived at Draw in this county and is a brother-in-law of Mr. and Mrs. Bill Newton of Tahoka.

Everybody invited to these services.

First Lynn County 'Draftee', Loy Huff, Back Home Again

After having been called to the colors a second time and after a total service in an infantry division in the U. S. Army in the islands of the Pacific for more than four years, Sgt. Loy Huff arrived home last Saturday morning with an honorable discharge. He is the son of Mr. and Mrs. A. A. Huff of New Lynn.

Sgt. Huff was the first draftee from Lynn county and was in the army for six months before the Pearl Harbor attack. He was later released on account of his age and was then-drafted again. His entire term of service included a period of about four and a half years.

Two Students Solo; Eight Planes Here

B. T. Smith, flying instructor, reports that two more flying students have soloed at the Tahoka Airport. They are Cpl. Jean Duke of the Marines, home from the Pacific on furlough, and Billy Joe Oliver, local high school student.

Smith also reports that now there are eight planes stationed at the airport, the three club planes, the Mack and C. C. Pressley plane, the new Bill McNeely plane, the Chas. Stewart plane, and the Elmer Newton and B. T. Smith plane.

CPL. GABLE IS HOME

T/Cpl. John C. Gable has arrived home from Fort Sam Houston with his discharge papers after four years and one month in the Army. He has seen service in the Aleutians and in the Italian campaign.

Chas. McClellan Badly Burned In Butane Explosion

Charles McClellan, 16, son of Mr. and Mrs. C. E. McClellan of Tahoka is under treatment in the West Texas Hospital in Lubbock for second degree burns on the face, head, and back, which he sustained shortly before four o'clock Tuesday afternoon when fumes from a butane gas tank ignited while he was filling a tank on his truck from a storage tank at the Clyde Sargent place about two miles east of Tahoka near the Post highway.

Rare presence of mind on his part immediately after the flames enveloped him, in disconnecting the hose, doubtless prevented an explosion of both tanks and saved him from instant death.

No other person was present and it is not definitely known how he extinguished the flames which severely burned him but he told his mother Tuesday night that he did it by remembering what had been taught him to do in such an emergency when he was a Boy Scout.

The shock from the explosion of the fumes is said to have rattled windows in a couple of houses a hundred yards away.

J. M. Patterson brought Charles hurriedly to the Sinclair Clinic, where he received first aid, and he was then rushed to the West Texas Hospital in a Harris ambulance.

Charles was a freshman student in the high school and had worked after school hours on Thursdays in the News office.

ROBERTS IN JAPAN

Cpl. James F. (Sonny) Roberts, son of Mr. and Mrs. Oscar Roberts, is now in Sendai, Japan. He is one of the few Lynn county boys who has seen service in both the European and Pacific Theatres of operations.

Ezekiel Bartley Dies At Tatum

After having received the news that Ezekiel Bartley, about 42, who was reared in this county but had been living at Tatum on the line of Rusk and Panola counties for many years, had died suddenly on last Friday at Three Rivers in South Texas Live Oak county, and would be buried today at Tatum, Sam Bartley and other brothers and sisters of the deceased living in this area left here Wednesday to attend the funeral services.

Ezekiel Bartley was one of the sons of Mrs. Fannie Bartley, who died here about four years ago. He was reared in the New Lynn community and was married in 1922 to Miss Artie Duke, who also resided here at that time.

They left this county about three years later and have been living near the Rusk-Panola county line. He had been working recently at Three Rivers and died there.

No details of his death were given to relatives here but he is known to have had heart trouble for several years.

Surviving are the wife and three children, a son on Luzon, a married daughter in Iowa, and another married daughter at Tatum. Other survivors include one grandchild and the following brothers and sisters all well known here: Sam Bartley, W. F. Bartley, and Mrs. Allie White, all of Tahoka; Ethan Bartley of Brownfield; L. N. Bartley, who is on the police force in Lubbock; Mrs. Ethel Patterson of Seymour; Mrs. Lena Ruth Harrell, Cleburne; Mrs. Mattie Murrell, Muleshoe; Seaborn and Murrell Bartley and Mrs. Vera Duke, all of California.

BILL BARHAM DISCHARGED

S/Sgt. Bill Barham arrived home last week with a discharge from the Army Air Force. He has been stationed at Amarillo Army Air Field most recently, but during eight months of the war he was a gunner on a Flying Fortress based in England. He is the son of Mr. and Mrs. Newt Barham.

Wilson News

(By Mrs. Frank Fletcher)

Pfc. Ardis Montgomery of Temple, Texas, visited his brother E. O. Montgomery and family Wednesday in route to Idalou to visit his parents.

Mrs. T. J. Sides of Lubbock is visiting her daughter Mrs. J. F. Covey and family.

Mrs. William Lumsden and infant daughter, Soundra Lee returned

Tuesday from a Lubbock hospital to the home of Mr. and Mrs. L. Lumsden.

Wilson turned "all out" for ball games Friday, playing Whitehall on the home gridiron in the afternoon, and losing by a wide margin to the visiting team.

However, the basket ball girls made a different record Friday night when Southland brought their senior and junior teams to the local gymnasium. In the senior game, the Southland girls broke loose with a fast scoring game and soon led Wilson by several points, but the mustang team began to click and passed Southland, winning by a score of 24 to 10.

The home Junior team out played the visiting team throughout the entire game and coach Smith gave most of his girls a chance to get in some playing time. The score of this youthful ball tossing was 18 to 6.

Pvt. Lynn Lemon of Camp Hood is home on a 14 day furlough.

Guests in the Frank Fletcher home Thursday night were Mrs. Fletcher's mother, Mrs. Walter McNabb of Lubbock, Mrs. Buster McNabb and Ronnie of Justiceburg and Mr. and Mrs. V. J. Cesari, who plan to make their home in Galveston.

The Fletcher family spent Saturday night and Sunday with relatives in Lubbock to visit longer with the Galveston couple.

Sunday visitors in the W. I. Lemon home were Mr. and Mrs. D. S. Waldrip and family of Tahoka, Mrs. Algie Brown and children of Petty, Mr. and Mrs. Weldon Lemon and family of Lubbock, Pvt. Lynn Lemon of Camp Hood and boys, Ronnie and Bobby of Lubbock, Ann Rhodes and Mr. and Mrs. Doyle Poff.

Doyle Poff has just received his discharge from the armed forces and he and his wife, the former Freida Lemon, left Sunday afternoon for a visit with relatives in Wichita Falls and then on to Hamilton county for a delayed honeymoon.

Rev. Geo. Dale of Lubbock again filled the pulpit at the Baptist Church Sunday.

Rev. Geo. C. Hutto of Liberal, Kansas, and his son Truett—Hutto of Lubbock were visitors in the Frank Fletcher home Monday afternoon.

Members of the Baptist W. M. S. went to New Home Monday to join the women in that church in a home mission study course. Mrs. J. H. McClain of Falls, assisted by Mrs. L. Lumsden, dramatized

"Epochs of Home Missions." They were each dressed in costume of the early missionary days and were reminiscing of days gone by.

Those attending from Wilson were—Mrs. Lumsden, Mrs. Pat Swann, Mrs. H. G. Cook, Mrs. W. F. McLaughlin and Mrs. E. O. Montgomery.

Those from Wilson attending the quarterly associational young people's meeting at the Tahoka Baptist Church Monday night were Mrs. E. O. Montgomery, Sylvia, Barbara, Lajuana and Patsy; Shirley Anderson, Mr. and Mrs. Harry Hewlett, Jerry Ann, Shirley Jo, Dixie Marie, Neita Joyce and Harry, Jr.; Mr. and Mrs. E. B. Miliken and Carol; Mr. and Mrs. J. E. Crowder, Jimmy Ann and Lila Faye; Mrs. J. F. Covey, June and Joan; Mrs. Pat Campbell and Mary Frances; Mrs. H. W. Seals and Billie Wayne; Mrs. F. J. Sides; Mr. and Mrs. H. G. Campbell and Mona; Neida Raymond, Mrs. Frank Fletcher, Jimmy, Jerry and Marilyn and Mrs. L. Lumsden. Most of the girls took part in the coronation service in which they received recognition for the advancement they had made.

The Wilson Boy Scout Troop met Monday night at the high school for its weekly meeting. There were 18 scouts present and the troop was divided into patrols. No more boys will be accepted for 90 days.

T/Sgt. Herbert L. Lamb, stationed on Guam, has written his parents Mr. and Mrs. J. W. Lamb, not to write him anymore as he is being sent to California to receive his discharge. He has been in service 5 years and 3 months. He has been a mechanic on a B-29 in the Pacific for 3 months.

Mr. and Mrs. J. W. Lamb visited their daughter, Mrs. O. W. Roy and family of Elston Sunday.

R. F. Parish, who has been making his home with his daughter, Mrs. J. W. Lamb, returned to Goosecreek to visit another daughter, Mrs. P. C. Goodman.

Wilson Service Station is Under New Management

Kiser and Gumm have opened the former Conoco Service Station, Wilson, under complete home-owned management. A complete line of Conoco products is featured.

H. D. CLUB HAS PROGRAM
The West Point H. D. Club met Wednesday, October 24, with Mrs. A. D. Schaffner.

Our program was on the Cotton Production of this locality; which included the amount produced, also some varieties which could be successfully grown here, which would be far more profitable to the farmer as well as his country. More long-fibre cotton is urgently needed.

We assisted Mrs. McDonald in making out the annual report for this club, also gave her the hostess' rooms for club meetings for the coming year.

For recreation, Mrs. McDonald was given a poem to read, "How to Preserve a Husband," after which the club president presented her with a wool blanket from the club members.

A delicious refreshment plate was served to nine members and the H. D. agent.—Reporter.

DRAW HONOR ROLL

Honor roll students at Draw Rural High School No. 1 for the first six weeks are as follows:

Ruby Bailey, Patsy Patterson, Harold Sutton, Roger B. Henry, Kenneth Huling, Tommy Dale Stephenson, Marshall Williams, Charles Patterson, James Montgomery, Bobbie Wheat, Betty Williams, Dianne Vickers, Frances Autry, Gary Watson, Bobbie Stalcup, Jeanell Martin, Marshall Walker, Gerry Sherrill, Drucilla Cook, Nolan Porterfield, Joyce Bailey, Bill Bailey, Jo Montgomery, Bertha Marie Cook, Frances Martin, Elwanda Stalcup, Roger Henry, Wayne Martin, Bobby McFarland, Ruth Montgomery, Bobbie Beattie, Jeanell Wheat, Dan Martin, Billie McKee and Betty Montgomery.

Mrs. E. B. Terry spent Sunday with her daughter, Mrs. Otis Spears, and family in Big Spring.

How women and girls may get wanted relief from functional periodic pain

Cardui, many women say, has brought relief from the cramp-like aches and nervous strain of functional periodic distress. Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come. Started 2 days before "crisis time" it should help relieve pain due to purely functional periodic distress. Try it!

CARDUI

Light a fire under it!

Any Snowflakes Big as Doilies YES ? NO

Exquisite five-inch patterns of lacework—melting!... Overseas snowflakes like that are on record—rare beauties! More often though, Winter is nasty. Still you'll make it be decent to your aging car, by changing to Conoco Nth motor oil now—safeguarding your engine's insides with OIL-PLATING! Here's patented oil with the added ingredient to assure magnet-like action. And that's how lubricant is closely bonded in place... OIL-PLATED to surfaces which it shields from lots of Winter wear, including dread corrosion. In fact where there's OIL-PLATING remaining surfaced the whole cold night, there's lubricant ready faster-than-instantly to fight Winter starting wear. The more wear you kill off, the more you'll retard sludging and carbonizing. Do it today: get Conoco Nth oil—patented.

PARENT-TEACHER CLUB COMPLETES ORGANIZATION
 Thursday of last week a large number of parents and teachers met in the Tahoka High School auditorium to elect officers for the Parent-Teachers Association. The laws and the duties of officers were read, and the following officers elected:

Mrs. Truett Smith, chairman; Mr. Hancock, superintendent of school, honorary vice chairman; Mrs. Terry Thompson, vice chairman; Mrs. Tom Gill, reporter; Mrs. Alton Cain, historian; Miss Georgia Taylor, parliamentarian; Mrs. Ted Clayton, secretary-treasurer. A membership drive will be started soon, with teachers and school children participating in the drive. A prize will be given to the room securing the most members.

All mothers and fathers are urged to attend the meetings of the association on the second Tuesday in each month.

Congratulations—

To Mr. and Mrs. O. C. Sikes on the birth of a daughter, weighing 7 pounds and 6 ounces, in the Sinclair Clinic on October 22. She was named Patricia Lee.

To Mr. and Mrs. B. E. York upon the birth of a daughter weighing 8 pounds on Tuesday, October 30, at Tahoka Clinic.

Loans Available To War Veterans

Comander E. V. Macha, Post No. 3905, Veterans of Foreign Wars, calls attention of local veterans interested in acquiring farm lands to the fact that Uncle Sam has \$25,000,000 available for this purpose in the Farm Security Administration loan fund.

This amount was earmarked by Congress for FSA farm purchase loans during the Government's 1945-1946 fiscal year. When the last dollar of the current appropriation has been borrowed, it is estimated that about 4,000 World War II veterans will have received the money they need to buy farms of their own, or to make needed repairs and improvements on land that they already own.

Says Comander Macha: "The farm ownership loans may cover the full purchase price of a family-type farm plus the cost of necessary repairs and construction. The loans are repayable in 40 years (or in a shorter period, if the borrower so chooses) and the loans bear 3% interest on unpaid principal."

The first veteran to get a loan from the earmarked fund was Carroll M. Olson, a former chaplain in the Army Air Forces. His loan was approved on July 2, the day that lending from the new fund began. Olson's loan was for \$7,400, which he used to buy a 157-acre farm near Cranfills Gap, Texas, and also to make improvements on the farm house thereon and to build a garage and smokehouse.

When a veteran wants an FSA loan to buy a farm, he should first take a farm that is offered for sale. It must be a family-size farm, one that he and his family can operate without hiring extra labor except during harvest or other peak seasons. It must also be a farm that can produce enough income for an adequate living for the veteran and his family and enough to start repaying his loan. Then he can do business with the Farm Security Administration.

METHODIST CHURCH

Just one more suncday before our Annual Conference convenes at Abilene, November 7.

There will be special services at both the morning and the evening services.

There will be installation and presentation of the church officials for the ensuing Conference year at the morning hour. Every official should be present at the Sunday services. The stewards, trustees, and superintendents of the Church school and all others are expected to be present. A report will be given of this year's accomplishments. To a great many members and friends the report will be a surprise—happily so. The general secretary-treasurer, Walter Mathis, will give a financial report of the stewards.

The Church school is well organized and the goals have been set for the year.

Let's make Sunday the crowning day of all the year by attending the Sunday School classes and the morning and night services.

There are so many things for which we should be thankful. Many soldier boys have returned home with their discharges from the army. Others will return soon. So, let's keep the home fires burning with added interest in all the various church work.

NOTICE TO BIDDERS:

Bids will be received and opened by the Commissioners Court of Lynn County, Texas, at the Court House in Tahoka, Texas, until 10 o'clock A. M. on November 12th, 1945, for the purchase of one Motor Grader powered with approximately 30 horsepower Diesel Motor and Cab with 1300 by 24 tires on rear and 760 by 24 rib tread tires on front to be paid for in cash.

The right is reserved to reject any and all bids.

TOM GARRARD, County Judge
 Lynn County, Texas. 3-2c.

BEWARE THE ISOLATIONIST

Americans are a peace-loving people. We detest war. We know how to settle our domestic and internal affairs peaceably. We can get along peaceably with all other nations that are willing to do half-way right. We are so averse to war and so strongly for peace that if we followed our natural bent we would permit our navy to rot in our ports and our army to dwindle down to nothingness.

It is this natural desire and attitude of our people that gives the isolationist his chance. He caters to this feeling and thus successfully opposes the maintenance of a large navy and a large standing army. It enabled him, almost up to the very outbreak of the recent World War, to defeat all efforts on the part of the President and Congress in behalf of preparedness. As a result, the Japs found us unprepared and made their mad attack.

There are already evidences that the isolationists are going to be busy again soon. It will not be long until we shall again hear the cry that we should keep our nose out of European affairs; that we can not hope to convert and to civilize those Japanese rats but that we

can not police Japan forever, therefore, let us bring our boys home and leave the Japs to hustle for themselves as best they can.

We are going to hear these cries again soon, and if we heed them they will be fatal to the peace of the world. We can and must police Japan for many years; and in the meantime we must go our best to educate the Japanese in the ways of Western civilization, to lead them to appreciate and adopt democratic ideas and ideals.

Some of our sons must volunteer to serve our country in other parts of the world or else be drafted for the task. It is hoped that a sufficient number of them will volunteer; if not, let's not get bitter if some of them are drafted. We must maintain the peace of the World. We can not afford another World War. We must not listen again to the wail of the Isolationist.

It has been a long time since any highways were built in Texas. We need many thousands of miles of new highways and hard-surfaced farm-to-market roads. Furthermore, the pavement on many of the highways we have needs to be broadened from four to ten or twelve feet. There is plenty of work to be done in Texas to take up a lot of the surplus labor that is going to be available when the millions get back home. Take Lynn county, for instance. We need literally hundreds of miles of hard-surfaced country roads. First on the list should be the road improvement program already planned by the county judge and commissioners and approved by the state highway commission. But the improvement campaign should not stop with that. It should continue over a long period of time, until practically every section of improved land in the county shall be adjacent to a hard-surfaced road. And of course, somewhere in the early stages of the campaign, an airline highway from Tahoka to Wilson and on to the county line should be built. We have spent hundreds of billions of dollars for war; we should now spend a few billions at least for peace-time projects.

Rotary Governor Charles Peyton of Cleburne stated some obvious truths very forcefully before the Rotary Club here on Thursday of last week. He pointed out that no "quitter" can run the government; no quitter can lead an army to victory; no quitter can successfully perform any great task. We need men of poise and stamina in all positions of great responsibility, local, state, and national.

State politics is going to dominate the front pages of Texas newspapers for several months next year. There is sure to be a number of candidates for governor. We hope that the Lord gives us wisdom to detect and the purpose to swat the mere demagogue who comes with the oily tongue to bewitch and to beguile the people to enlist under his banner.

There still are people who are determined to rule or to ruin. There may be some of this tribe in Tahoka.

There are too many useful things for which to spend our money without spending it for liquor, which is both useless and destructive.

Sidelights From Washington

(By George Mahon)

West Texans who are interested in dirt-moving equipment and machinery for the use of local Soil Conservation Districts will approve action recently taken by Congress. For months many of us here have sought legislation which would require the transfer of certain surplus dirt-moving machinery to these Soil Conservation Districts. A few days ago the Senate passed unanimously such a bill, and the House Committee on Agriculture has approved and plans to present to the House for passage a similar bill.

My mail indicates widespread interest among farmers in the use of this machinery by Soil Conservation districts, and much of this surplus machinery could not be put to better public use.

In Texas there are one hundred and fifteen Soil Conservation districts embracing 336,000 farms. In the United States there are fourteen hundred Soil Conservation Districts embracing a vast territory in excess of seven hundred million acres. Those of us who are advocating the proposed legislation feel that it would be in the public interest to make much of this surplus dirt-moving equipment available to these Districts, rather than let it lie idle or sell it for a few cents on the dollar.

The proposed airport construction program, which has been approved by the House and sent to the Senate for consideration, provides for Federal participation in the cost of local airports up to fifty percent. But the Federal Government would not participate in the cost of the land, and the project would have to be approved by the Civil Aeronautics Administration. The CAA office for Texas is in Fort Worth. L. C. Elliott is Director.

Manufacturers of airplanes suitable for private ownership and use are trying to gauge the public demand for such planes. One private plane manufacturer estimates that the airplane industry will make and sell to the private users fifty thousand planes in 1946. Most of the surplus Army and Navy planes now being disposed of are war-weary combat types, or otherwise so constructed that they are not economical or safe for individual use.

Our West Texas High Schools that desire war-weary airplanes for educational purposes can get

them. Even though such schools do not have courses in mechanics and aviation, and do not have shelter for the planes, they can secure a plane by making application and paying the packing, handling and transportation costs, ranging from \$50.00 to \$350.00. The Educational Disposal Section, Surplus Property Division of the RFC in Washington, has circularized the schools as to procedure. The disposal regulations have recently been modified. I would be glad to provide further information to the schools upon request.

The surplus aircraft disposal program is a big one. Planes of the original total value of ten billion dollars are in process of being declared surplus and offered for sale to the public. Up to Oct. 15, forty-four thousand planes had been declared surplus and fourteen thousand of them had been disposed of.

There are 634 surplus aircraft at Lamesa, Texas. At the South Plains Army Airfield at Lubbock, there are 1500 Flying Fortresses, many of which have served with distinction overseas. The Air Forces will declare 1200 of these planes surplus within a few weeks.

Mrs. J. W. Minor reports that her son Jack W. Minor, CM-3/c in the Navy Seabees, has reached the States from service in the Pacific area and is coming home soon with a discharge. She says he is the last of their sons to return from over-seas service.

How women and girls may get wanted relief from functional periodic pain

Cardui is a liquid medicine which many women say has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Here's how it may help:

- 1-Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come.
- 2-Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes.

Try Cardui. If it helps, you'll be glad you did.

COST OF THIS SWITCH - LESS THAN A DOLLAR!

But IT TAKES HUNDREDS OF EMPLOYEES TO MAKE IT WORK

Seems like a little thing—your electric wall switch. It's one of the least expensive permanent fixtures in your home. And it works so easily, you don't give it a thought.

But what is behind that wall switch? First, there is the hard, sincere work of nearly a thousand employees in your Public Service Company who are on the job day and night to furnish you with cheap, dependable electric service. Also, stop to think of the millions of dollars invested in equipment—power plants, transmission lines, sub-stations, poles, insulators.

Yes, your electric wall switch is a small thing but it takes a lot to make it work for you.

ELECTRICITY does so much... yet costs so little

Cadet Max Minor Is In Hospital Again

Mr. and Mrs. J. W. Minor had a doleful letter a few days ago from their son, Max, who is in the West Point Military Academy and who used to star on the football team of that institution. The letter was written from a hospital.

"Yes, I'm back in again," Max wrote. "This time it's a broken left hand. Three days ago I had two wisdom teeth pulled and moped around a couple of days with the after effects of that. Then I got out yesterday afternoon and got my left hand broken in a scrim-

mage. It was not a clear break but a spiral break with accompanying shattering, so the Doc says six weeks in a cast. I guess I'm getting too old for the game. I won't get another crack at it this year unless something miraculous happens."

Max expects to be home for Christmas and to finish at West Point next spring.

Alton Greer, CSM-3/C, of the 76th Construction Battalion, Co. B-5, was reported several days ago to be on his way to his home in the Grassland community after 30 months of overseas service with the Seabees.

Mrs. Bailey Retires From Post Dispatch

Announcement was made last week in the Post City Dispatch of the retirement of Mrs. Eva Warren Bailey as active business manager of the Dispatch Publishing Company after having served for many years in one capacity or another with the Dispatch and its predecessor, the old Post City Post, being associated with her husband, the late E. A. Warren Sr., in the publication of the Post. In recent years she has been associated with her son, E. A. "Eddie" Warren in the publication of the Dispatch.

She and her husband began the publication of the Post, it is stated, "before typesetting machines were a part of small town newspaper plants," and "she set practically all the type for the paper by hand. She has seen the newspaper business progress from the horse and buggy days to the machine age and has had a vital part in work related to the business."

Mrs. Bailey is a person of many talents and is indeed a Grand Old Lady. The News wishes her as much happiness in her retirement as she has dispensed to others during her many years of activity and usefulness.

Surviving are the husband and seven children, including Mrs. Williams, Clyde Childress, one son in the Pacific, and four other children.

Mrs. Carl Williams' Mother Is Buried

Mrs. Carl Williams was called to Harlingen recently by the death of her mother, Mrs. G. W. Childress, 66, following an operation. Mrs. Childress died on Thursday, October 18, and was buried the following Saturday. Mrs. Williams' brother, Clyde Childress and family of Draw, had gone down on Friday of the preceding week and were there at the time of the operation on Monday and Mrs. Childress' death on Thursday following.

ADVERTISEMENT OF LIMITED PARTNERSHIP

We, the subscribers hereto, have this day entered into a limited partnership, agreeably to the provisions of Title 106, Revised Civil Statutes of Texas, relating to limited partnerships; and do hereby certify that the terms of our said partnership are as follows:

1. The firm name under which the partnership is to be conducted is "The Wilson Oil Co., Ltd."
2. The general nature of the business intended to be transacted is the operation of a filling station, the sale of petroleum products, automobile tires, parts, accessories and related merchandise, and the repair of automobiles, tractors and machinery generally.
3. The names of all general and special partners interested therein, distinguishing which are general and which are special partners, and their respective places of residence are: Ira Clary, general partner, residence, Wilson, Lynn County, Texas; H. G. Stokes, special partner, residence, Slaton, Lubbock County, Texas.
4. The amount of capital which H. G. Stokes, special partner, has contributed to the common stock of said partnership is \$3,500.00 in cash.
5. Said partnership shall commence on the 1st day of November, 1946, and shall terminate on the 31st day of October, 1950.

Witness our hands this 1st day of November, 1946.

H. G. Stokes, special partner.
Ira Clary, general partner. 4-56c

War Souvenirs Must Be Registered Now

A reminder to War souvenir-packing soldiers and to the public generally that certain types of firearms must be registered with the federal government has been issued by the bureau of internal revenue. J. M. Watson, alcohol tax investigator for this area, said, while here last Thursday.

Firearms which come under the federal registration act are those which fire more than one shot with a single squeeze of the trigger, such as sub-machine and machine guns.

Further, it is illegal to transfer arms of this type without informing the bureau and filling out proper forms, Watson said.

Details on the regulations may be secured from the investigator in charge, Alcohol Tax Unit, Box 5566, Dallas.

Mr. and Mrs. W. R. Wardlow of San Benito, Rio Grande Valley, are here visiting Mrs. Wardlow's parents, Mr. and Mrs. T. J. Wiley of Grassland, and her sisters, and their families, Mrs. M. C. Rich-ey, Mrs. J. W. Warrick, and Mrs. J. C. Allen; and also Mr. Wardlow's sister, Mrs. Harvey Kinley, and other relatives.

420 Lynn County 4-H Boys Observe Fire Prevention Week

The 420 4-H Club members in Lynn County participated in National Fire Prevention Week as proclaimed by President Truman for the week of October 7th to October 13th, inclusive by taking individual farm surveys and removing fire hazards. A summary of their activities shows their participation as follows: two hundred and ninety members cleaned up and burned all weeds and trash around fences and barns; two hundred and seventy-six members keep a good ladder long enough to reach top of ouse available; two hundred and seventy-two members keep each member of the family posted on what to do in case of fire; two hundred and fifty-four members keep a good quantity of emergency water storage in tank or barrels; 240 members that examine newly harvested feed periodically for "heating"; two hundred and thirty-four keep all emergency extension cords properly hung; two hundred and fourteen members forbid smoking in barn; one hundred and eighty-two members store gasoline in red cans properly marked; one hundred and eighty-one members have all stove pipes passing through ceilings or walls protected by ventilators keeping pipe safely insulated from woodwork; one hundred and sixty-seven members fill all stoves outdoors.

By Presidential proclamation the attention of the nation is focused upon Fire Prevention one week out of each year. Stepped up fire prevention activities during this week will no doubt prevent a lot of fires, but fire prevention activities should be participated in on a year-round basis. Lynn County 4-H Club members intend to make this a year-round activity and encourage more participation among their neighbors. This should materially decrease the fires in Lynn County.

LESTER REID HOME

After three years and eight months of service as ambulance driver in the Medical Corps in the Army, Pfc. Lester G. Reid arrived back home on Saturday, October 13. He had been doing service in the south Pacific.

Pfc. Reid is the son of Mr. and Mrs. A. L. Reid of this city.

BAPTIST BROTHERHOOD ORGANIZED AT PETTY

It is believed that the men of the Little Baptist Church at Petty in this county have made some sort of record.

With only seven adult male members, these men had a meeting in the Church on Tuesday night and organized a Baptist Brotherhood. The pastor is Rev. R. C. Hallman.

J. W. Lowrey was elected president of the organization; W. S. Powell membership vice-president; Leroy Bledsoe, program vice-president; S. T. Evans, activities vice-president; and R. C. Hallman Jr., secretary-treasurer.

Most of these men recently attended a meeting of the Tahoka Brotherhood and invited the Tahoka men to meet with them. Nine of them responded and assisted the Petty brethren in the organization Tuesday night. They were Rev. Levi Price, Victor Botkin, P. A. Nowlin, N. E. Wood, W. A. Reddell, L. D. McKee, Randy Densman, E. B. Gathers, and E. I. Hill.

NEWMOORE 4-H CLUB STAGES SHOW

The Newmoore Girls 4-H club met at the schoolhouse on Wednesday, October 24, at 9:00 a. m. Mrs. Carolyn D. McDonald, county home demonstration agent, met with the members.

The recreation committee, Bobbie Parker and her helpers Betty Crutcher and Patsy Curry had a game called "Carry the Eraser."

After playing this game we had a Model show. The models were Bobbie Parker, black head; Patsy Curry, blonde; Pearl Cooley, red head; and two in-between, Billie Hodges and Joann Rogers.—Reporter.

FOR SALE—Young Holstein milk cow and calf ten days old; also 75 1-year-old White Leghorn hens at \$1.25 each.—Mrs. J. Y. Thompson.

Mrs. J. W. Sinclair, who has been visiting in the North several weeks, has returned home.

Chiropractic's GOLDEN ANNIVERSARY.

Can Be A GOLDEN OPPORTUNITY for You!

CHIROPRACTORS of Texas and the Nation this year celebrate the founding of Chiropractic—Fifty years ago, on September 18, 1895, to be exact.

They celebrate because they know what Chiropractic has accomplished for countless thousands, first finding the cause of illness and pain and then removing that cause.

Chiropractic is based on a simple, scientific principle. That principle is proven beyond all doubt by thousands of grateful, healthy and happy people.

You, TOO, can enjoy life to the utmost through Chiropractic. You can do so only by giving your Chiropractor an opportunity to demonstrate to you what he has learned through years of study, research, and practice. Make up your mind to be healthy and happy through Chiropractic.

Chiropractic's Golden Anniversary may be a Golden Opportunity for YOU.

A Penny Saved Is A Penny Made---SOMETIMES!

But it's no saving to neglect needed repairs to your farm implements just because this is a poor crop year. It will be a long time yet before very much new farm machinery is available. Let us suggest that you plan on making your equipment last another year or two—and, to be sure, have it checked over in our modern shop by our skilled mechanics.

Now is a good time to have that equipment serviced, all worn or broken parts replaced, and each machine cleaned and painted.

J. K. Applewhite Co.

GENUINE I. H. C. PARTS and I. H. C. SERVICE

Get The FULL MEASURE of QUALITY

A Public SERVICE is A Public TRUST!

National Pharmacy Week is an appropriate time for us to reiterate our belief that the compounding of prescriptions is a public service and, as such, a public trust. We pledge ourselves to be worthy of this trust—to discharge our obligation to the community in keeping with the high standards and ethics of the Profession of Pharmacy. Bring your next prescription to us with this comforting assurance of dependability.

Quality weighs heavily in your favor whether you require a prescribed medicine, or a packaged drug, or a beauty aid—and the professional pride and prestige of our prescription service guarantee a full measure of quality in every purchase you make here. Since the sale of health goods and toiletries is as much a part of our responsibility to you as is the compounding of prescriptions, we insist that all merchandise measure up to the high standards of quality we demand in prescription drugs.

"IT'S UP TO YOU AND ME
to make certain their America
is strong and prosperous ..."

BUY BONDS—
as many as you
can—in the
GREAT VICTORY
LOAN!

PROTECTING AMERICA'S FUTURE is a many-sided job ... one that's up to *all* of us. For instance, your money in Victory Bonds will help to continue the planning and research that shortened the war ... and will assure the peace!

THE ROAD BACK from war will be eased for our fighting men by our purchase of Victory Bonds *now*. Held by millions of Americans, bonds will provide a solid reserve of buying power to assure steady jobs for returning veterans.

YOUR DOLLARS IN VICTORY BONDS are needed to protect our country in another way. By buying bonds, we help keep the lid on prices of scarce goods ... help prevent runaway inflation with its sure follow-up of depression.

NATIONAL SECURITY, and your own *personal* security, are both served by Victory Bond purchases. Victory Bonds provide a reserve for you for farm improvements later ... in a nation kept healthy and prosperous by Bond investments!

BAPTIST NEWS NOTES

With a large congregation present last Sunday morning, there were three additions to the Church, a man and his wife by letter and their son as a candidate for baptism. There was also an excellent service at the evening hour. It was announced that the State Mission collection taken on the preceding Sunday amounted to \$632.72, all of which goes into the Wayland College building fund.

The outstanding meeting of the week was the Brownfield Association of the Auxiliary Coronation service in the auditorium of the Baptist Church here on Monday night. This is an annual affair, those members of the Auxiliary Coronation throughout the Association who have maintained certain standards and reached certain goals during the year being crowned as G. A. Queens.

Following a devotional service and with Mrs. A. A. Brian of Brownfield, the associational G. A. leader, presiding, seven girls were crowned Monday night. Mrs. Roy Johnson of Canyon conducted the beautiful and impressive coronation ceremonies and placed the crowns on the heads of the girls as they knelt before her.

Dr. Johnson, pastor of the Canyon church, brought an inspirational coronation message, based on the story of Ruth.

Churches represented were Brownfield, Gomez, Lakeview, New Home, Wilson, Redwine, Tahoka, and possibly others. Brownfield won the attendance banner, having fifty representatives present.

At the close of the event, light refreshments were served.

SPOLES IS PROMOTED

Pfc. Troy L. Spoles was recently promoted to the rank of corporal, the News is informed. He is with the 104th Eng. Combat Bn. which was attached to the fighting 7th division on Leyte, Philippines, and Okinawa, Ryukyus. He landed the first day on both operations and holds two battle stars on Asiatic Pacific ribbon, Philippines Liberation ribbon with two bronze stars, good conduct ribbon, and arrow head, for action close behind the front lines.

Cpl. Spoles is the son of Mr. and Mrs. E. J. Spoles of Route 3, Tahoka. He entered the service on September 6, 1943, and has been overseas seventeen months. His wife, the former Miss Frances Jane Mitchell, and daughter are living in Arlington with the Mrs. L. O. Mitchell family.

HAS BUSINESS MEETING

Members of the American Legion Auxiliary met Tuesday evening, October 22, at the Legion Hall for their regular business meeting, with President Mrs. Rafe Richardson presiding.

The most important measures taken by the assembly were the voting of a gift of \$20.00 to go from the Auxiliary to Government hospitals for the purpose of buying Christmas gifts for the men in such institutions and the plans for a "42" party to be given for Legionnaires and wives, Auxiliary members and husbands, and ex-service men and their wives.

The next regular meeting of the Auxiliary will be on the fourth Tuesday night in November — Reporter.

G. M. Campbell of Wilson and sister, Mrs. R. E. Appling, took their parents, Mr. and Mrs. John Campbell to Lawton, Okla., recently where they visited Mrs. John Campbell's brother, G. W. Abrams, whom she had not seen in 28 years.

J. O. Murphy, who operates the store at Petty, is now back at home after having spent a few days in the Keltner Hotel here recuperating following major surgery in a Lamesa hospital.

Beware Coughs from common colds That Hang On

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm, and aid nature to soothe and heal raw, tender inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.

CREOMULSION For Coughs, Chest Colds, Bronchitis

TOGETHER ON OKINAWA

Two Lynn county young men now stationed on Okinawa in the Pacific with the Navy Seabees, volunteered at the same time, trained together, and have been with the same outfit, the 135th Seabee Battalion, since going to the war zone. They are Vernon Parker and A. L. Light Jr. of the Newmoore community.

Vernon writes his parents that during the recent destructive typhoon which swept across Okinawa, he lost about every personal possession and equipment he had except the clothes he had on and a fountain pen.

Cecil Collins, grandson of Mrs. J. L. Cunningham, visited her following his recent discharge from the army and is now employed at Lamesa.

Pfc. and Mrs. Allen Luallin and little child arrived early Saturday morning from Wichita Falls, where he has been stationed, bringing his discharge with him. He will probably be associated with his

father, Ovid Luallin, in his repair shop in one of the Jim Burleson buildings near the railroad.

C. E. McClellan
New 1946 Electric Maytag now on Display

IT PROBABLY STARTED here

THE farm boy, with typical American ingenuity and a mechanical mind, dreamed of an easier, better way to do a tough farm job.

Later, he went to a university and became an engineer. What more natural than to apply that training to designing farm implements?

That isn't a biographical sketch of any particular engineer in any of the John Deere experimental departments. It could be the story of each—all have had practical farm experience. They know the farmer's problems—from his viewpoint.

Added to the farm "know how" is the engineering knowledge of stresses, strains, and all the other technical knowledge required to build practical farming equipment.

Put that farm knowledge and technical skill together, and you have a John Deere engineer, equipped to design farm implements that will make more money for the farmer—that will do better work for a longer time at minimum cost.

The John Deere organization has thought in terms of the farmer for over a century. That deep-seated policy is one that a few years of war production couldn't up-root, and one that can't be acquired overnight.

D. W. Gaignat
JOHN DEERE QUALITY FARM EQUIPMENT

Moore . . .

(Cont'd. from page 1)

severe treatment he received. When released from prison he weighed only 103 pounds. Several weeks later he wrote that he had gained forty pounds since being released. His normal weight should be about 150 pounds.

Upon receipt of the telegram Monday, Mrs. Moore wired to another son, T/Sgt. Lonnie D. Moore, Jr., at Corvallis, Oregon, about Pvt. James Moore's return and requesting that he call at the hospital at Fort Lewis if possible and see his brother.

Sgt. Lonnie D. Moore himself just recently returned from Germany, where he was serving with a Medical corps in the American forces. He had been overseas about ten months and arrived back in New Jersey on October 8. He was sent from there to Camp Beale, California, and went from there to Oregon to join his wife, who was with her parents at Corvallis. He and his wife are also expected to come to Tahoka soon for a visit. The wife was married in June, 1944, and she visited here once before her husband left for overseas service.

Petty Officer Clarence Williams is on his way home from Okinawa, his wife reported Monday morning. He also wrote his wife that on Okinawa he read a newspaper report of Tahoka's recent school trouble, news of which seems to have circled the globe.

Mrs. George Dennis, who was a patient for a few days at the Tahoka Clinic suffering from bronchial pneumonia, has been back at her home since Tuesday and is said to be recovering satisfactorily.

Local Lady Hurt In Car Wreck

Miss Marjorie Neill, 19, of Lubbock was killed and Mrs. Billy S. Welch, the former Miss Christine Wenzel, of Tahoka, was seriously injured and seven other persons painfully though not so seriously injured late Sunday night in a head-on collision on the highway near New Deal school several miles north of Lubbock.

The others injured were: Henry Welch of Tahoka and Wilburn and Lorena Wenzel of Brownfield, who were in a car with Mrs. Welch and Miss Neill coming south; and Misses Joyce Holt, 19, and Joyce Onita Chausse, 19, Neil Hale, 16, and Pvt. Howard W. Whitener, all of Levelland in a car going north.

The collision occurred when the Levelland car undertook to pass the Lubbock-Amarillo bus also going north and in doing so collided with the Tahoka car coming south. The Levelland car, it was explained, was undertaking to catch and to stop the bus in order that Pvt. Whitener might board it for Amarillo.

Miss Neill, who was killed, was the daughter of Mr. and Mrs. Hubert Neill of Levelland and a granddaughter of Judge and Mrs. George W. Neill of Brownfield.

Mrs. Welch has been employed for several years here in the Lyntegar office. She is the daughter of Mr. and Mrs. A. D. Wenzel of Rt. 1, Brownfield, who formerly resided at Wilson. Wilburn and Lorena are her brother and sister, and Henry Welch is her husband's brother.

The bones of Mrs. Welch's ankle were badly broken and crushed, and she suffered several lacerations and cuts. Henry Welch suffered a fracture of the right leg, a cut on the neck and head injuries. Wilburn Wenzel sustained head injuries, bruises and lacerations, and Lorena suffered an injury to the back and other injuries. Mrs. Welch is in West Texas Hospital and will probably not be able to walk without the aid of crutches for several weeks.

San Antonio, Oct. 25. — Pfc. Monroe W. Talkmitt, of Box 75 Wilson, Texas who, for the past 33 months has served in the Army Ground Forces, has received his honorable discharge. Brig. Gen. Geo. C. Beach, Commanding General of Brooke Hospital Center, Ft. Sam Houston, Texas has announced.

O. E. S.
The Tahoka Chapter No. 743 Order of the Eastern Star will meet at 7:00 p. m. Friday, November 2. — Mittle Walker, W. M. Era Stewart, Secretary.

SOCIAL WELFARE REGIONAL MEET IN LUBBOCK

Announcement has been made that on Friday, November 16, a Texas Social Welfare Association Regional Conference will be held in the auditorium of the new Agriculture Building at the Texas Tech. Morning, afternoon and evening programs will be given. This will be the first regional meeting of its kind to be held in this area.

The newly created district embraces 23 South Plains counties, extending from Hale on the north to Howard and Martin on the south and from Dickens and Kent on the east to the New Mexico line.

Many social welfare problems will be discussed. Judge Tom Garrard of Lynn county has been placed on the program and he will speak on "Problems of Child Labor."

The entire program promises to be an interesting and instructive one, and Lynn county people are given a cordial invitation to attend.

VISIT PARENTS

Misses Allene and Billie Williams of Lubbock visited their parents, Mr. and Mrs. Frank Williams of Grassland, the past week-end. Both are graduates of the Tahoka High School and of Draughon's Business College.

Allene has been employed at the U. S. Employment Service for the past 16 months and was recently made head stenographer. Billie is employed at the Lubbock Army Air Field as stenographer.

Mr. and Mrs. T. A. Bairrington of Houston arrived early Thursday morning to make their home here. He will be associated with his brother, Guy Bairrington, in the operation of the Bairrington Cafe.

GRANTED DISCHARGE

Oscar Raper of the U. S. Navy, son of Mr. and Mrs. Sealy of Lubbock returned home Sunday, October 21, with his honorable discharge. He has served three years in the Navy, 12 months of it overseas. His wife, Mrs. O. R. Raper is the daughter of C. H. Reagan of New Home. He is the father of one son, Travis Raper. They will make their home in Lubbock, where he is to build a home.

TROY NOE MOVES

Troy Noe, who has been operating Troy's Garage, has sold that business back to Roy Scott and Chester Short, and has bought the Tahoka Service Station business from "Elick" Gibson, which he will operate under the name, Magnolia Garage.
