Methodists Plan Early Expansion Of Church Plant

Rev. H. A. Nichols, pastor of the Methodist Church here, and E. L. Northam, lay delegate, left Wednesday morning to attend the annual session of the Northwest Texas Conference at St. Paul's Methodist Church, Abilene, of which Rev. J. O. Haymes is the pastor. Mrs. Nichols was planning to go down today.

The Church here was expecting their pastor to be returned to Tahoka for another year, as his pastorate here has been a very prosperous one, as his report will show. Furthermore, the spirituality and enthusiasm of the Church here has been greatly enhanced. Walter Anglin called attention to the fact that while contributions to the Orphans home at Waco, for instance, amounted to only about \$50 per year when Brother Nichols began his work here, the annual contributions of the church to this institution now amounts to \$800.00.

He elaborated somewhat also on the building project mentioned by the pastor. The proposed educational building is to be constructed as an ell attached to the west portion of the present structure and extending north. It is to be built of brick matching that of the present building as nearly as possible. Its dimensions are to be 40 feet by 40 feet, and it is hoped that Sunday School rooms and an auditorium, the latter to be 36 by 44 feet. Its estimated cost will be about \$15,000. Walter Anglin, R. C. Wood, John Slover, and George Reid have been named as a committee. (Cont'd. on last page)

Clarence Keever Dies at Lubbock

Clarence D. Keever, 56, a resident of Tahoka several years when the town was much younger than it is now, and well-known to all the "old-timers" here, died last Sunday night in the West Texas Hospital, Lubbock, after a prolonged illness. He had resided in that city for the past 22 years, engaged in business most of that time as a car salesman. Two years ago he went into the grocery business but retired six months ago on account of failing health.

Back in the teens and the early twenties, Mr. Keever, together with his father, J. B. Keever, was engaged in business here. First they were in the dry goods business, then for awhile operated a market and finally before leaving Tahoka Clarence became an automobile salesman.

He was married while here to Miss Nita Bigham, a sister of Mrs. Tom Garrard. Surviving are the widow, one daughter, Mrs. Charles B. Lackey of Lubbock, and two grandchildren. Also surviving are two sisters, Mrs. L. E. Bigham of Lubbock and Mrs. Fannie Bishop of Vernon; and two brothers, Edgar Keever of Pratt, Kansas, and Petty Officer J. B. Keever of the United States Navy, Berkeley, California. His mother died quite a number of years ago but his father died only four or five years ago here in Tahoka.

The entire family was well known here in former years. Mrs. Garrard attended the funeral service, which was held in a funeral home in Lubbock at 2:30 o'clock Tuesday afternoon with Rev. H. G. Gantz, pastor of the First Christian Church, officiating, assisted by Rev. Jesse B. Leveritt of Clyde. Other Tahoka residents sent flowers.

THORNHILL'S SISTER DIES IN WACO

W. H. Thornhill returned on last Friday from Waco, where he had been called on Saturday, Oct. 27, by the serious illness of his oldest sister, Mrs. Z. W. Nance, who died on the following Tuesday, Oct. 30. Funeral services were conducted in Waco on Wednesday of last week. She had suffered a stroke six days before her death.

Mr. Thornhill says that of the 12 brothers and sisters including himself, eight are still living.

R. H. Bates Dies Suddenly In Field

Many friends here were shocked and grieved Tuesday to learn of the sudden death on that morning of R. H. "Mother" Bates, 65, at his farm home eight miles southwest of Lubbock. He died at about 8:30 o'clock in his car, in which he had driven to his field and parked at the end of the rows where farm hands were at work. One of them

Mrs. Edd Cobb Died Wednesday

Mrs. Ed Cobb, the former Miss Grace Velena Scott, died at about 8 p. m. Wednesday in a Harris ambulance just before reaching Lubbock General Hospital, where she had undergone an operation Oct. 25 for gallbladder trouble, appendicitis, and other ailments.

She had been released from the hospital and brought home last Sunday, ten days following the operation, but took a turn for the worse after arrival at home. Her condition had grown very critical by Wednesday afternoon and under the advice of a physician she was rushed back to the hospital but died just before reaching it.

Funeral services will be held at the First Baptist Church here, of which she was a member, with Rev. Levi Price, the pastor, officiating, but the time has not been set pending. (Cont'd. on last page)

Two New Homes Are Under Construction

Fred McGinty has just completed a modern new home on the western outskirts of town. He also has erected on his lots a large garage and equipment building.

James Stephens of the Farm Security office, is starting a new 3-room home just west of the A. L. Smith residence, also in the west part of town.

PENNINGTONS ATTEND GRANDMOTHER'S FUNERAL

Mr. and Mrs. Garland Pennington and Mr. and Mrs. J. C. Womack left Tuesday for Brady in response to a Monday night message telling of the death of Mrs. Pennington's grandmother, Mrs. John Russell, Sr., who died about 7 p. m. Monday. It was expected that the funeral would be held at Brady, where deceased's husband was buried only a few months ago.

Mrs. Russell had been sick only a short time but had long been a sufferer from asthma and had at various times spent long periods with relatives here, seeking relief from that trouble.

Cpl. Earl Grider, who has been in the Pacific war zone for about three years, wired his parents, Mr. and Mrs. G. C. Grider, Saturday that he had landed in San Francisco, and would be home soon.

Pfc. Jake King Jr., Marine Engineer in the First Division wired his wife Saturday in Lamesa that he had landed in San Diego. He has spent 2 1/2 year overseas.

H. R. Tankersley Wins Trip To 4-H Congress

H. R. Tankersley, one of Lynn county's leading 4-H club members, will be a member of the Texas delegation of 22 4-H boys attending the National 4-H Club Congress in Chicago December 2-6. They were chosen by competition for the honor of representing Texas at the annual

affair. Big Hats and cowboy boots will identify Texas' delegation at the Congress.

According to announcement of E. C. Martin, assistant State Agent for the A. & M. College Extension Service, 19 of these boys will attend. (Cont'd. on back page)

Lt. Robert Maddox Re-enters U. of T.

Lt. Robert Maddox, who returned to Tahoka a few weeks ago from service in the Pacific, re-entered the University of Texas November 1 for his senior year as a pharmacy student in that institution.

The son of Judge and Mrs. B. P. Maddox, Robert had finished three years in the University when, in 1941, he withdrew and volunteered for service in the National Guard. Later he transferred to the Air Corps in the Army and became a navigator. For some time he was a navigation instructor at San Marcos. Then he went to sea as navigator on an air transport, and finally into the communications service. He helped to transfer the men that constructed radio stations on islands taken from the Japs, and in this service he was subjected to frequent perils.

He has only terminal leave and will not get his final discharge until January or later.

She was one of the first battleships to bombard the Japanese homeland.

The Indiana has returned to the west coast to take part in the observance of Navy Day.

Williams Is Home From Naval Battles

Albert Eddis Williams, G. M. 2/c in the U. S. Navy, visited the News office in company with his father, K. E. Williams of Draw, on Monday of this week. He had been at home since Sunday, October 28, having disembarked at San Pedro, California, a week earlier. He hopes to get a discharge soon.

Gunners-Mate Williams joined the Navy in July, 1943. He comes back home with four battle stars and the Asiatic-Pacific Ribbon for liberation of the Philippines. He not only assisted in the liberation of the Philippines but he was also in the battle for Okinawa, when the Japs were making their suicide air attacks upon the U. S. fleet.

His ship was the Cascade, and he says that while no suicide plane struck his ship one came so close to it as to make even a sailor feel a bit uncomfortable. Shrapnel did batter his ship, but he never received a wound.

Sgt. Geo. Claud Wells Gets Army Discharge

Bulldogs Play At O'Donnell Tonight

Tahoka Bulldogs and the O'Donnell Eagles tangle tonight at 7:30 on O'Donnell Field in a football game that should be one of the best of the season. Though both teams have lost rather consistently, each is a scrappy aggregation.

Last Friday night, the Bulldogs lost at Seminole 48 to 19, but, as the score indicates, the Bulldogs were fighting all the way in spite of the fact that they were at a tremendous weight disadvantage. Seminole's first string is said to have averaged 183 pounds, and its second string 171 pounds.

After the game, Tahoka was entertained royally by Seminole. The business men and school officials were hosts at a dinner and entertainment at which the Tahoka football team was honored.

Coaches Prentice Walker and L.A. Forsythe are optimistic over the game tonight.

Former War Prisoner Is Rotary Speaker

One of the most interesting talks of the year at the Tahoka Rotary Club was that last Thursday by Capt. Wm. Knight Boyd, son of Mr. and Mrs. M. M. Boyd, who was home after more than three years a prisoner of the Japanese. He engaged in the unsuccessful fight for Bataan and Corregidor, and went through many of the Japanese cruelties. Boyd was introduced by I. C. Haney.

In observance of Tahoka club's ninth anniversary, Walter Anglin, who with Wynne Collier, has a 100 percent record of attendance for the nine years, conducted a brief program in which he, E. I. Hill, and Dr. K. R. Durham told of some of the club's accomplishments.

J. W. Moore Arrives Home From Japan

James W. Moore, son of Mr. and Mrs. L. D. Moore, is at home this week, after having been a prisoner of the Japanese since May 6, 1942, when Corregidor fell.

Moore went through the Philippines campaign with our Army in its hopeless fight against the brutal and treacherous invaders, and was made a prisoner with the fall of Corregidor.

Grain Car Shortage Delays Marketing Of County's Crop

The marketing of Lynn county's grain crop has been almost completely stymied at all three of the railroad points in the county, Tahoka, O'Donnell, and Wilson, according to grain men, by reason of their inability to procure cars in which to ship the grain to the markets.

While hundreds of cars are needed, only a distressing few have been supplied. As a result, much of the crop this year is being hauled in trucks by the farmers to Lubbock and Lamesa, where many more cars are available. There is complaint of lack of cars throughout the Plains area, but the smaller towns have suffered much more heavily than have the larger places where larger storage facilities are available and where cars are more easily obtained.

Asked for the explanation of the paucity of cars in this area, one train dealer here stated that it was accredited to some extent to the large number of cars tied up in Houston on account of strikes, but the chief reason lay in the fact that most of the freight cars are in the East and North and can not be transferred to this area without some sort of government permit.

Unless more cars are soon made available, there is the possibility that the farmers of the Plains area will suffer millions of dollars loss by reason of the inability of the elevators and the railroads to handle the crop with proper dispatch.

Mrs. A. G. Freeman Died Last Friday

Following a long-continued illness, Mrs. A. G. Freeman, 72, died at the family residence in south Tahoka at about 6 o'clock last Friday afternoon, and funeral services were conducted at the First Baptist Church at 4 o'clock Saturday afternoon, followed by burial in the Tahoka cemetery under the direction of Harris Funeral Home. Services were conducted by the pastor, Rev. Levi Price, assisted by a former pastor, Rev. George A. Dale of Lubbock.

Survivors include the husband and three children and four grandchildren, all of whom reside in Tahoka. The children are Mrs. Winnie Willetts, Mrs. Minnie Conwill, and Harvey Freeman.

She is also survived by a step-sister, Mrs. Mollie Dennis of Poetry, and the following half-sisters and two half-brothers: Mrs. Mattie Sanders, Mrs. Maggie Burns, and Henry Campbell, all of Terrell, Mrs. Beulah Tapp and Odie Campbell of Dallas, Henry Campbell, Mr. and Mrs. Burns and their daughter, Miss Vada Burns, were here for the funeral. The others were unable to come.

Mrs. Freeman, whose maiden name was Clara Lee Campbell, was born in Kaufman county on August 7, 1873. She was married to A. G. Freeman in that county in October, 1897. Some time later they moved to Canyon and thence to Jones county, where they continued to live until 1923, when they came to Tahoka. They have lived here since.

Mrs. Freeman had long been a member of the Baptist Church and attended services regularly until her health failed. She was a devoted wife and mother and enjoyed the affection, and esteem of her neighbors and all others who knew her intimately.

The family has the sympathy of many friends.

Pear Trees Bloom Here In November

G. K. Phipps has a bunch of pear trees out in his orchard in the Dixie community, and this fine weather fooled them, they evidently thought it was spring and went to blooming. He brought in the evidence Tuesday morning, a twig plucked from one of the trees just full of blossoms. He hardly expects to gather any fruit from these blossoms, however.

Wilson News

(By Mrs. Frank Fletcher)
Mr. and Mrs. H. G. Cook entertained the younger set Halloween night with a party. Most of the children went dressed in costumes befitting the occasion. Halloween games were supervised by Mrs. Frank Fletcher, after which all the children tried their luck at bobbing for apples. Very few of them were successful in securing their apples from the water, however. Refreshments of apples and candy were served to about eighteen youngsters, after which Mr. Cook supervised them while they went "spooking."

Billy Clary, son of Mr. and Mrs. G. C. Clary, who received his honorable discharge from the armed forces recently, is ill with malaria fever at the home of his parents. J. L. Hyde, who was in a Lubbock hospital last week with an ear infection, is up and able to drive around in his car.

Rebina Jean Thomas of Oklahoma City visited her cousin, Mrs. Levi Dickerson and family last week. Jimmy Fletcher has been ill with tonsillitis.

All eyes of the local Baptist Church are focused on the boys of

the church this week as they carry out R. A. Focus Week as planned for all churches in the Southern Baptist Convention. The boys met each day after school at the church with a differently planned program for each day. Monday afternoon they had Bible study as directed by Frank Fletcher. Tuesday the young people's leader had charge as the boys worked hard on their memory work as outlined for the steps in the ranking system. The other days of the week were well planned to teach and entertain the boys, and the week's work will be climaxed Friday with a weiner roast and social.

Visitors in the Levy Dickerson home last week were Mrs. Dickerson's brother, Edward Peterson and family of Morton. Edward had just received his honorable discharge from the Navy and will probably settle in Wilson.

Mr. and Mrs. H. R. Robinson and children of Clovis, N. M., visited Mrs. George Williamson Friday.

George Williamson, ARM 3/c, of the Naval Air Station, Banana Key, Fla., is visiting his wife and daughter, Jo Carolyn, and his parents, Mr. and Mrs. H. R. Williamson.

Sunday guests in the Frank Fletcher home were his parents, Mr. and Mrs. W. H. Fletcher and brother Fred, all of Plainview. Fred plans to leave soon for Dallas to attend a school of photography.

Mr. and Mrs. W. M. Clark of Slaton celebrated their fiftieth wedding anniversary Sunday and entertained relatives and friends at their home. Mr. and Mrs. Clark were residents of Wilson before moving to Slaton about ten years ago. Those present to help this elderly couple in celebrating were their children, Mr. and Mrs. Ed Clark and children of Sundown; James E. Clark and daughters of Clovis, N. M.; Frank Clark and boys of Carlsbad, N. M.; T. R. Clark and family of Brownfield, Mr. and Mrs. Lloyd Clark of Sundown, and these other friends and relatives; Mrs. Grady Clark and children of Slaton, Mrs. Henry Wigginton and Shirley of Sundown, Mr. and Mrs. Alva Albright and children of New Home, Mr. and Mrs. G. Monday night dinner guests in the home of Mr. and Mrs. H. R. Williamson were Mr. and Mrs. Ralph Milliken and Peggy of Lubbock and George Williamson, ARM 3/c, wife and daughter, Jo Carolyn. The Wilson Scout troop met at the school Monday night with 17 boys present. Another patrol was organized and the Boy Scout council of five was completed with the addition of C. O. Lt. Homan Edwards Is Back In States

Mrs. M. H. Edwards says that she and Mr. Edwards had a letter a few days ago from their son Second Lieutenant Homan Edwards, who had recently arrived back in the homeland from service in the Philippines and was at Butte, Montana, visiting his wife and child.

He did not expect to be in the homeland long, however, for although he has already been in the service more than ten years he recently re-enlisted for two years longer. Homan first entered the service on April 20, 1935. He served for a few months down on the border and was sent to the Philippines. He spent about two years there and was then brought back to the States. He was stationed at an air field in North Carolina when the Japs made their attack. He was not sent back overseas, however, until last April, when he was sent to the Philippines. He is at Butte on furlough.

Homan was born in Tahoka on April 3, 1915, joined the army in April, 1935, was married at Galveston to a Montana girl in April, 1943, and has signed up to serve in the Army until April, 1947.

After the business session, Mrs. McDonald took the annual report of the year's achievement of the Club members. During recreation period games were played and the Club gave Mrs. McDonald a miscellaneous shower.

Refreshment plates and cold drinks were served to the regular Club members, two new members, and four visitors.

The December meeting will be with Mrs. Leslie Cook. — Reporter.

Mrs. J. S. Griffin of Norwalk, Calif., was here recently visiting and called briefly at the News office. She formerly resided here and had come back to Texas to visit relatives. Mrs. Griffin still takes The News in order to keep informed about Tahoka and Lynn county people.

PRINTERS NEEDED

Jack Stricklin of the Terry County Herald thinks we don't need any more journalism schools. Writers are plentiful enough, he avers. "What the Herald might be persuaded to put up a little cash for," he says, "is trained men and women for the mechanical department of newspapers. That's the part that hooked our bull during the war."

Now, Jack, what do you want with women in the mechanical department? Our bull got hooked by not having some trained men in the mechanical department. It would be fine if the colleges would go to turning out printers and Linotype operators as well as journalists.

HOME ON LEAVE

Milton G. Wied, G. M. 3/c, U. S. Navy, son of Mr. and Mrs. B. G. Wied of the Wilson vicinity, is at home on a 33-day leave, after eleven months in the Pacific.

The crew brought into port the damaged ship which was hit by two suicide planes two days before the war was officially announced over. Eight officers and thirteen enlisted men were killed, according to our informant. Milton will report back to El Paso for further assignment at the end of his leave.

Mr. and Mrs. John E. Melde and children of San Angelo came up last week-end to visit in the B. G. Wied home near Wilson. Mr. Melde went back to San Angelo early in the week but Mrs. Melde and the

children spent a few more days here with her brother, Milton Wied of the Navy, who is at home on leave visiting his parents.

THEY SHOULD SUE FOR DAMAGES

A United Press news story from Dallas Monday declared that a strike of Greyhound bus drivers over the southwestern division had left thousands of travelers stranded in Dallas when the strike began. "Scores of bewildered travelers, among them wounded servicemen, other servicemen and women, and mothers with small children were faced with the fact that they would be unable to resume their trips unless other travel facilities were obtained."

Since neither the State nor the Federal government has found a way to prevent strikes, private citizens who suffer pecuniary loss, inconvenience, anxiety, and mental anguish on account of them are entitled to reparation from those responsible for such damage and injury.

If every person suffering loss or inconvenience by reason of this and other such strikes would file damage suits against the labor organizations, their officials, and agents calling the strike and would thus compel them to answer in court for the wrongs done and the suffering which they entail, we imagine that there would soon be fewer strikes.

If a railroad company or a bus

company should deliberately stop its trains or its buses loaded down with passengers and thus leave them stranded far from home, we imagine there would be floods of damage suits filed against such companies.

A labor organization that will do the same thing should be liable in damages just the same as the companies.

As if the Chinese had not already had enough of war, Communists in their own country have now started one. The most striking example of Communism in action has been given to the world by Russia. While this system has been an improvement over the old autocracy that existed under the Czars, it has been an autocracy itself. Although the Communists have governed Russia more benevolently and more justly than did the aristocrats and plutocrats of former days, yet only a small minority in Russia still rules the great majority. Democracy and real liberty are still unknown in Russia. They have accepted only some of the Four Freedoms. They have major on Freedom from Want but have rejected Freedom of Speech, Freedom of the Press, and Freedom of Religious Worship. They have stressed Freedom from the fear of poverty but not from the fear of injustice and religious persecution. Only to the extent that they have been yielding recently to the demands for these other freedoms have they become more democratic and considerate of the "inalienable rights" of the individual. It is strange therefore that men in other nations would start a war to set up such a government for themselves when the right to a truly democratic, or representative, form of government is offered them. It is a mistake of Ignorance, but Ignorance has been responsible for more than one cruel war.

The recital by numerous witnesses of the fiendish brutalities committed by the Japs upon helpless and innocent women and children and even babes at their mothers' breasts are so shocking as to stagger the imagination of man. Some of these tales of horror are even more brutal than the atrocities committed by the Germans

Not even the Devil himself could conceive of cruelties more fiendish. It all shows how depraved men may become when their lusts are unrestrained by a belief in God or in the possibility of future punishment. These and other Japanese atrocities were committed by ordinary soldiers, who must represent pretty fairly a cross section of the Japanese people as a whole. While many of the Japs may be just as sympathetic as the great mass of people even in Christian lands, most of them, uninfused and untouched by the great teachings of Christianity, are capable of sinking to the lowest depths of immorality, beastliness, and brutality. How they need the restraining and uplifting spirit of Christianity for their own individual and national protection and security as well as for the security of the future peace of the world!

Next year is going to be another political year. We can already hear the rumbling. Every newspaper man can, for camouflaged news stories, deftly publicizing some office-holder or office-seeker, are already drifting into the newspaper offices. Most newspaper men will use a portion of this propaganda, for it does have some news value, sometimes; and most newspaper men are kindly disposed toward the poor fellow who is on the outside looking in and often toward the fellow who is on the inside and doesn't want to be turned out into the cold. And although you will hear some newspaper men berating the free publicity hunters and swearing that they will not use a line of their propaganda without pay, yet as a rule, in the heat of the campaign they all break loose and use a lot of it any way. And the politicians who are the most skillful in creating news or human interest stories that involve themselves are the politicians who get their names into the papers most often. Yes, we can already hear a few of the political rumblings that are going to fill the atmosphere next year.

Mr. and Mrs. George M. Duckett, who, together with most of their children, lived in Lynn county for many years, moving to Lingo, N. NOV. 21, 1945
AN IMPORTANT DATE FOR THOUSANDS OF ARMY VETERANS NOW IN CIVILIAN LIFE

Between now and November 21, thousands of Army veterans will reenlist in Uncle Sam's new volunteer peacetime Army. Because men who have been discharged between May 12 and November 1 of this year and reenlist on or before November 21 will be able to return to the Army with the same grade as they held when discharged.

Men with six months of satisfactory service discharged as privates will, on reenlistment before November 21, be given the grade of private first class.

Men now in the Army who apply for discharge after NOVEMBER 1 for the purpose of reenlisting in the Regular Army will also retain their present grades, if they enlist within 20 days after discharge and before FEBRUARY 1, 1946.

"BEST JOB IN THE WORLD"
These special privileges are typical of the new law recently passed by Congress. Few opportunities for a lifetime career offer as many attractive advantages.

Can you think of any other job that would give you good pay, your food, clothing, quarters, free medical and dental care, world-wide travel, 30 days' furlough every year, education and training in any of nearly 200 skills or trades, and enable you to retire with a life income any time after 20 years' service?

There isn't any! That's why a job in the Regular Army has been called "The Best Job in the World."

How women and girls may get wanted relief from functional periodic pain

Cardui is a liquid medicine which many women say has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Here's how it may help:

1. Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come.
2. Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes.

Try Cardui. If it helps, you'll be glad you did.

BAPTIST REVIVAL

The revival services at the Baptist Church will come to a close Sunday night. Rev. Fred Porter is bringing some forceful messages, and Dexter Riddle is proving to be an effective music director. His solos are very fine.

Pastor Levi Price and S. S. Supt. W. A. Reddell are planning for a record-breaking crowd at Sunday School and at Church services Sunday morning.

Misses Robbie and Jerry Milliken, Mrs. A. R. Milliken and two little daughters, and Mrs. Wilson Edwards and little son of Floydade spent the past week end with their sister and family, Mr. and Mrs. W. C. Mathis Jr., at Garisbad, N.M. Thomas Michael Mathis returned with them for a visit.

Miss Carolyn Chandler was in Quitaque over the week end visiting her father's parents and other relatives, returning home Tuesday.

DRAW HIGH SCHOOL GRADUATE GOES PLACES

Sgt. Rayborn Rex Jackson, who was reared at Draw in this county but has been away several years, visited his parents, Mr. and Mrs. C. C. Jackson, at Draw recently and "a very old friend," failing to find any reference in any of the papers to his visit, sent in some interesting facts about the young man.

He was graduated from the Draw-Redwine high school in 1938, winning a scholarship, she says, entered Texas Tech at its first term in 1938, graduated in the summer of 1942, was principal of the Stoneburg high school, and at the time of his enlistment in the Army Air Corps in October 1942, he was principal at Lorenzo.

He has served at the LAAF, Lubbock, and at the Bryan Field he was I. E. Vocational counselor. As the Bryan Field is being inactivated he was transferred to Long Beach, Calif. Recently, on his way to Fort Dix, N. J., he flew to Washington and was the guest of Congressman George Mahon for a day. He and former Bryanites went to New York and witnessed the Presidential Parade from their sixth-floor window at the Victory on 7th Ave. and 61st St.

He is now at the Fort Dix Army Air Base, New Jersey.

Pfc. Clint E. House, son of Mr. and Mrs. Fred House, arrived home Tuesday, having been granted a discharge last Friday at Fort Myer, Virginia. Mr. and Mrs. House received a telegram from St. Louis Monday stating that he was on the way home.

The condition of J. A. Loyd, who has been sick several weeks, became so serious a few days ago that the sons were called to his bedside, Cecil Loyd of Huntington Park, Calif., Woodrow of Los Angeles, and Lonnie of San Gabriel, that state. The family, it is said, hold little hope for his recovery.

Lt. and Mrs. Welch Phippen and little son are here visiting her parents, Mr. and Mrs. I. M. Draper. He received his discharge from service in the air corps of the army recently, having served in the European theatre of operations.

Mr. and Mrs. Zach Kemp of Abilene were here last week-end visiting Mr. and Mrs. S. R. Kemp. Zach dropped into The News office for a brief visit with the editor, the two being school-mates in their boyhood days.

Sgt. W. A. "Dub" Fulford is now stationed in Japan about 8 miles north of Tokyo, according to his mother. Dub has been overseas 20 months and has seen much action, especially in the Philippines, with the Infantry.

Mrs. Florence King Smith, Lubbock, has advised relatives here that her husband, P/O. Floyd A. Smith, has returned to the States.

Freight Rate Decision Possibilities Are Vast

Abilene, Nov. 5. — The Interstate Commerce Commission's recent order reducing freight rates throughout the Southwest "carries possibilities that even the imagination cannot conceive," Chairman Olin Culberson of the Texas Railroad Commission declared here today.

Culberson, recognized by the West Texas Chamber of Commerce as the state official most responsible for the money-saving rates now in effect, was the principal speaker at WTCC's joint Freight Rate Victory Celebration, and Directors' and Referendum Assembly held here today at the Wooten Hotel.

Suggesting that the readjustment of freight charges be coupled to Texas' rich storehouse of natural resources for immediate industrial expansion, the speaker pointed out that full employment cannot come until we increase our prewar productivity by more than 50 per cent.

Mr. Culberson said he was "not such an optimist as to think that the industry we shall see come in-to being will be gigantic plants. Rather, I believe that they will be small or modest proportions whose products will be utilized by larger assembling activities."

"This smaller type of industry should not be disappointing, for it must be remembered that most industries have to be new and small before they can be old and large."

"The Southwest must, under its own leadership and finances, develop new industries which fit the resources and environment of this great area of the U. S."

"Let's go after them," Mr. Culberson concluded.

Mmes. G. F. Bell, P. D. McMillan, E. W. New, and Jack Adams are new members.

Those present were: Mmes. Falls, Dodson, Pendleton, McMillan, H. H. Webb, H. L. Webb, New, Jesse Murphy, S. L. Walters, Earl Cooley, F. Holman, Bill Shepperd, G. F. Bell, J. P. Rogers, Jr., McDonald, and Miss Opal Shepperd.

The club will meet at Mrs. Jesse Murphy's in December.—Reporter.

CARD OF THANKS

We find it difficult to express in words the gratitude of our hearts to our neighbors and friends for the great help they rendered us and for the many ways in which they expressed their interest and sympathy during the recent illness and upon the death of our dear wife and mother. You have really been friends in a time of need. We sincerely appreciate your every act of love and kindness. — A. G. Freeman and family.

Miss Helen House, who has been employed at the First National Bank here for many months, has accepted a position with a bank in Midland. She expects to begin work next Monday. Her parents, Mr. and Mrs. Fred House, are planning to move to Midland soon.

Mrs. J. P. Curry left Friday night for Rule after visiting here with her daughter, Mrs. Borden Davis, and her son, John Curry, and with her sons, Charley, Joe, and Roger, at Brownfield.

Sgt. Billy J. Edwards Home With Discharge

S/Sgt. Billy Jack Edwards, son of Mr. and Mrs. M. H. Edwards, arrived home a couple of weeks ago from Santa Monica, California, where he had received his discharge from the service.

Billy Jack had returned last May from Italy where he had served in the Air Corps, 15th Bomb. Group, for about nine months. During this service he was awarded the Air Medal and six battle stars and the Oak Leaf with three clusters, while the whole group was given a Presidential Citation.

Since his return from Italy he has been stationed at Denver and in California.

Billy Jack is a native of Tahoka having been born here October 15, 1923. He attended the public schools here but graduated from a high school in Oklahoma. He joined the army in July, 1943.

The former Miss Mary White, now Mrs. Whitt, has written to her brother, Jim White, that her husband, Sgt. H. E. Whitt, was recently given a discharge from the army and has accepted a position with the Terrell (daily) Tribune. Mrs. Whitt before her marriage did newspaper work but is now busy taking care of their little daughter, Judith Ann, now about four months old.

How women and girls may get wanted relief from functional periodic pain
Cardui, many women say, has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come. Started 3 days before "your time" it should help relieve pain due to purely functional periodic causes. 727 11

Tankersley . . .

Cont'd from page 1
as guests of a big railway system, while the remaining trio will be guests of sponsors of national contests in which they came through as state winners.

H. R. Tankersley is one of the 19 winners of the Santa Fe Railroad company awards for outstanding leadership in their community, for wartime production of food, and for purchase of war bonds and stamps.

H. R. has been a Lynn county 4-H club member for four years. The approximate total income from his 4-H clubs projects over this four year period is \$2,634.22. His

production record began in 1941 with a registered Hereford calf. The next year he had three acres of milo and a registered Berkshire sow that raised 11 pigs which he fattened out. In 1943, he increased this project to five acres of milo, five acres of cotton, and eight head of dairy cattle. His project program for 1944 included the eight dairy cows, with 15 acres of milo and 15 acres of cotton. His 1945 demonstration program included eight head of hogs, 15 acres milo, two beef cattle, and 15 acres in cotton.

He has been active in 4-H club leadership activities in serving as vice president of his local club in 1941, secretary in 1942 and 1943, project leader in 1944, and has served on various important committees both in his local club and in the county-wide organization. He has supported all the scrap and bond drives, and now owns \$276.00 worth of War Bonds. He states that his 4-H club work offers him the opportunity to learn up-to-date methods of farming and to carry out this knowledge through demonstration work, in which he has learned to do by doing.

H. R. will leave Tahoka Nov. 30 for Dallas, where he will join the other members of the Texas delegation and enrain for the Windy City. The group is scheduled to arrive in Chicago some time Sunday, Dec. 2. The group will arrive back in Texas Saturday, Dec. 8.

R. H. Bates . . .

(Cont'd. from page 1)
found the dead body slumped over the steering wheel.

He and his family had lived at that place only about three years, having moved there from New Home in this county, where they had lived for more than thirty years. He and Mrs. Bates were both well known and highly esteemed in Tahoka and throughout the north half of Lynn county. Mrs. Bates had taught in this county for many years, chiefly at New Home, but in Tahoka for two years before her marriage.

They owned a fine farm two miles south of New Home, moving from it to one which they had purchased near Wolforth about three years ago. Mr. Bates came to this county from Bell county about 35 years ago, being a native of that county. He was married to Miss Grace Hester in this county about 1919.

Surviving are the widow, a daughter-in-law, Mrs. Faye Bates, and her 31-month old daughter, Melba Darlene; three brothers, Van Bates of Levelland, Dick Bates of Fresno, California, and Will Bates of Belton; and one sister, Mrs. Ruby Bailey of Corpus Christi.

Harvey Allen Bates, the only son of deceased and Mrs. Bates, was killed in an automobile accident in June, 1944.

Funeral services were conducted at the Southside Church of Christ in Lubbock at 10:30 o'clock Thursday morning followed by burial in Memorial Park cemetery.

mittee to raise the funds. This committee expects to get busy at an early date, and it is hoped that funds will be raised promptly so that construction may begin as soon as material becomes available. More than a third of the amount is already on hand.

The pastor submitted the following report of the year's work Wednesday morning before leaving for the conference.

PASTOR'S REPORT

The pastor left Wednesday to attend the Northwest Texas Conference at Abilene. He finished his 40th month Nov. 2.

During that time more than 260 members were received into the Church; the W S C S more than doubled in membership; Sunday school has had a steady growth every year. This year some 50 new pupils enrolled; and the youth's division too has grown. Some of the youths head the district and sub-district organizations.

This year nearly 70 were added to the membership of the Church. All financial claims were paid—full and some \$12,000 were expended for all claims of the Church.

Some \$5,500 in cash were set aside for the proposed new educational building. The committee is working on and drawing up a sketch of the building. Many other worthy items are not recorded in this report.
