Tahoka, Lynn County, Texas, Friday, January 18, 1946

Number 15

A. L. Smith Sells Grocery Business To Lubbock Firm

A deal was closed the first of this week whereby the well-known grocery company of Davis and Humphries became the owners of the A. L. Smith grocery business in Tahoka. The new owners took charge on Tuesday morning.

Davis and Humphries have announced that Leon McPherson, who formerly worked in the grocery store of his brother here and later engaged in business for himself, will be the local manager of their store here, assuming his duties as such next Monday morning. Mr. McPherson before joining the army, had been in the employ of Davis and Humphries in Lubbock.

Grady Lankford of Tahoka, who also was recently discharged from the service, will have charge of the Market in the Davis and Humphries store here, and C. W. Conway, who has been in the employ of A. L. Smith, will remain with the store.

Davis and Humphries have long been in the grocery business on a big scale. They operate a wholesale store in Lubbock, and a number of retail stores in that city and over the South Plains.

Clifford Williams of Lubbock, general manager of the Davis and Humphries stores, who was here Tuesday, stated to a representative of the News that they expect to make their Tahoka store equal to the biggest and the best in this entire section of the state. Prices here will be the same as in Lubbock, he declared.

The A. L. Smith store, which they purchased here, was already one of the most completely equipped and modernly arranged stores in West Texas. The building, which Mr. Smith retains and rents to the new grocery concern, was built just last year.

Mr. Smith has not announced his plans for the future but expects to remain in Tahoka and will probably engage in some other line of business here later.

A. E. Hagens Is Prec't. 1 Candidate

A. E. Hagens, a resident of the Wilson vicinity in this county, for the past twenty years, announces this week that he would like to serve his precinct, which is Precinct No. 1, as county commissioner.

Mr. Hagens promises that if elected he will devote his time to the job, since he has sufficient help at home to handle the small farm which he owns. He believes that this office requires practically all of a commissioner's time and he expects to be diligent in looking after it.

He expects to see all the voters personally before the election but in the meantime he asks the voters to maintain an open mind and to consider candidates before coming.

Mr. Hagens lived in DeWitt and gave him due consideration. Mr. Hagens has a wife and five children and lives six and a half miles northwest of Wilson and has many friends in that area. He is a successful farmer and is serving now as a director of the Farmers Cooperative Association of Wilson.

He will appreciate your vote and influence.

Sgt. W. H. Fulkerson Home With Discharge

Pearl Harbor, T. H. — T/Sgt. Wm. H. Fulkerson of Tahoka Texas is one of 1160 Army and Navy veterans whom the Navy is returning to the states for discharge aboard the U. S. S. Marcus Island, which left Pearl Harbor, December 31, and is scheduled to arrive in San Pedro about January 6.

The U. S. S. Marcus Island is an escort of the Casablanca class, or of fifty "jeep" carriers originally ordered to combat the menace of German U-Boats to Allied supply lines. This type of ship later supplied additional power to the Navy's mighty fleets in the Pacific.

B. T. SMITH

B. T. Smith Seeks County Office

B. T. Smith, well known school man and teacher in the Tahoka school system, is making his announcement this week as a candidate for the office of county superintendent. He needs no introduction to the people of this county further than that contained in his announcement, which we present herewith.

"In making a formal announcement as a candidate for the office of County Superintendent of Schools of Lynn County, I am carrying out an intention to which I have given considerable thought ever since becoming an employee of the Tahoka Schools. A number of influential citizens of the county, to whom I have conveyed my intentions, have encouraged me to make the race. I, therefore, ask to be considered as a candidate for the office of School Superintendent of Lynn County; the first time I ever presented myself as a candidate for any public office.

"I came with my parents to Lynn County in 1922 and, with the exception of a very short time, have been a citizen of this county ever since. I did all of my high school work here, graduated from the Tahoka High School in 1927 and immediately went into the employ of the Santa Fe Railway Co. After two years with the Santa Fe and one year in business for myself I married and moved to Lubbock to enter Tech College. After completing one year of college I began teaching, and finished college work necessary for a Bachelor of Science degree by attending summer school and doing college work by extension. This was the only way I could do the college work I wanted to do as it was necessary to sustain myself and a grow-

(Cont'd. on last page)

Herman Reid In Treasurer Race

Herman "Curley" Reid, son of Mr. and Mrs. Tom Reid and a four year veteran in the air corps, is announcing as a candidate for the office of county treasurer this week.

Herman graduated from the Tahoka High School in 1939 and attended schools in Dallas and Tulsa. Before entering the service he was employed with his father at the Phillips Service Station.

Herman is married to the former Miss Helton Powell of Montgomery, Alabama, and is the father of a baby girl.

"In announcing for this office," Herman says, "I feel that I can give you, the people of Lynn county, efficient, reliable, and courteous service as county treasurer. I will do my best to see each of you personally before the coming election. If I do not, I assure you now that your vote and influence will be appreciated just the same."

ADAMS HOME

Lester Adams, who has spent many months in the Pacific Theatre of war is home with a discharge. His wife, Mrs. Ann Adams, is a teacher in Tahoka High School.

Buy Bonds

Vernon Brewer Will Succeed Hancock As Superintendent

At a meeting of the school board Wednesday afternoon, Vernon Brewer, principal of the Tahoka High School, was elected superintendent of the Tahoka schools for the year which will begin July 1.

This action was taken after E. E. Hancock had tendered his resignation to take effect on that date and had stated that he had made his plans to open a business of his own in Lubbock at the close of this school year.

No other teachers were elected at this meeting.

Mr. Brewer has been very popular here as principal and it is believed that he will make an excellent superintendent.

Mrs. W. G. Phillips Dies of Pneumonia

Mrs. W. G. Phillips, 45, who lived on the C. M. Finch farm in the Edith community, died in the Sinclair Clinic here at 6:45 last Friday afternoon from bronchial pneumonia. She had been brought to the clinic that morning.

The Harris Funeral home prepared the body for burial and conveyed it to Abilene.

Funeral services were conducted in the Baptist Church at Potosi Sunday afternoon, followed by burial in the Potosi cemetery.

Survivors include the husband and six daughters, one of whom is Mrs. Eugene Landers of Tahoka.

The family had been living in this county only a few months.

Lonnie Williams Asks Re-election

Lonnie Williams is announcing this week for re-election to the office of commissioner of precinct No. 2, the Draw-Grassland precinct. He has been serving most capably in this precinct the past few years and not only knows the road problems of the precinct but also the financial problems of the county. He came to Lynn county twenty-five years ago and with the exception of one year has lived in that precinct ever since.

Just now the preliminary work is being done on some farm-to-market road projects, and having had a hand in the planning Mr. Williams naturally would like to have time to get the projects approved and the roads built.

He and the other members of the court under the leadership of County Judge Tom Garrard have already succeeded in procuring an agreement from the state highway commission to build some lateral roads in the county, one of these projects extending from Draw to Wells, another from Grassland to Central Church, and still another from New Home to Wilson, these being a part of the state highway system.

But a plan is now under contemplation for the building of still additional farm-to-market roads by the issuance of bonds. If the people should vote for a bond issue then a lot of road building in the county should get under way some time this year.

But, whether these road projects develop or not, Mr. Williams feels that from his intimate knowledge of the road problems of his precinct and the financial problems of the county he is prepared to give the people excellent service with the money available.

He will be around to see you personally before election day but wants to assure you now that he will appreciate your vote and influence.

La. (J.G.) Travis D. Shelton, who has been overseas with the Navy 20 months is back in the States and expects to be home this week. He has been in the Pacific.

Rain, Snow Bring Moisture To Soil, Joy To Farmers

Old Mr. Winter has been doing his stuff this week and last. Snow began falling on Wednesday night of last week and continued through most of the day Thursday, bringing a moisture content of .34 of an inch to soak into the soil.

Snow began falling some time Sunday night, and fell intermittently through Monday. Then came rain and sleet and more snow, until by Wednesday night a total of 1.24 inches of water was registered by the rain gauge, making a total of 1.58 during the past nine days.

Practically all of it soaked down into the soil and farmers are wearing smiles.

Co-op Hospital Will Be Discussed

A meeting of the citizens of Lynn county has been called for Wednesday evening at 7:30 o'clock to be held in the Courthouse for the purpose of considering the advisability of taking stock in the proposed Caprock Cooperative Hospital to be established in Lubbock.

This is described as a non-profit organization designed to afford hospital service at a much cheaper rate than can be had at the present time.

Aubrey C. Patton of Lubbock, the general manager of the project, will explain the proposition in detail and will be glad to answer any questions that may be asked.

The public is cordially invited to attend this meeting.

Delegation Attends Highway Meeting

County Judge Tom Garrard, the county commissioners, and a delegation of citizens from Tahoka, O'Donnell, and Wilson left Thursday morning for Austin to appear before the State Highway Commission in regard to the improvement of roads in this county.

The group will confer with the commission on the proposed highway from Tahoka through Wilson and the proposed east-west highway through O'Donnell, as well as on the farm-to-market road program planned for this county.

Dr. W. O. Vaught Jr., former pastor of University Baptist Church, Abilene, now pastor of Immanuel Baptist Church of Little Rock, Arkansas, who will be the speaker on the Baptist Hour Radio program at 7:30 o'clock Sunday morning, December 20. You are invited to tune in and hear him. He may be heard in West Texas over stations WFAA, Dallas, WOAI, San Antonio, and KGNC, Amarillo.

Mrs. Jean Trammell, who was with Smith Food Store here for more than a year while her husband was with a Glider Unit in the Pacific Theater of War, left last Saturday to meet her husband, Pvt. Bernard Trammell in Sweetwater, as he returned home from Okinawa, with his discharge. They went to Wingate, their former home where they expect to reside.

CALLOWAY HUFFAKER

Calloway Huffaker Seeks Re-election

Calloway Huffaker of Tahoka, present district attorney of the 106th Judicial District, this week authorized us to announce his candidacy for his second term.

Calloway was reared in Lynn County and has spent practically all of his life here except the years that he attended Texas Technological College and Texas University Law School, and the four years that he taught school in Dawson County. He was licensed to practice law in April 1939, and commenced the active practice of law in Tahoka in September 1939. He was elected County Attorney of Lynn County without opposition in 1940 and again in 1942.

During the years he has practiced law in the courts of this district, he has come to be regarded as one of the most outstanding young attorneys of the district and is known for his hard fighting qualities in the court room.

In the twelve months he has served as district attorney, he has made a commendable and enviable record, enjoying full cooperation from the court, law enforcement officers and juries, and is said to be one of the hardest working and hardest fighting district attorneys that the 106th Judicial district has ever had.

Calloway states that he has enjoyed the work as district attorney a great deal and appreciates the cooperation he has received from the jurors and citizens he has worked with, in enforcing the laws of Texas. He states that he has gained valuable experience in his first term and is better equipped and qualified to fight the people's battles in the court room, and promises, if re-elected for his second term to continue to fight for "Fair, just, and legal prosecution of all, but persecution of none."

G. E. Jones Seeks Commission Job

The name of G. E. Jones of Wilson appears in our announcement column this week as a candidate for county commissioner from precinct No. 1.

Mr. Jones has been doing road work for the county in that precinct for three or four years and he knows the roads in that quarter of the county like a gaiter knows his onions. He knows the relative importance of the various roads and the weak points in every one of them that needs special attention.

He believes that he is also capable of looking after the best interests of the county financially and promises if elected to give much time and thought to the duties of the office. Since taking work for the county he has devoted practically his entire time to the job and has never had any other kind of employment.

Mr. Jones came from Hill county to this county in 1938, living a few miles east of New Lynn and south of Gordon for about four years. Then he removed to Wilson and has resided there ever since. He is well known and has many friends throughout district, many of whom will doubtless give him their support.

Road Bond Issue Will Be Discussed At Mass Meeting

Members of the commissioners court have announced that a mass meeting of the citizens of Lynn county will be held in the courthouse at 2 o'clock Friday afternoon, Jan. 25, to discuss the matter of a bond issue for the building of farm-to-market roads in the county.

This meeting is being announced because of the interest that has been displayed voluntarily respecting such a program. A log of the roads to be improved, subject to change, will probably be presented at the meeting so that all present may see how the road building program would affect them and their community.

This proposed project should not be confused with the roads in the county which the state highway department has already agreed to build as a part of the state highway system. The Commission is advertising for bids on one of these projects this week, the road from New Home to Wilson. It is supposed that bids on the other two projects will be called for some time soon, one from Draw to Wells and the other from Grassland to Central Church.

John Anderson, commissioner from the O'Donnell precinct, says that he conferred with Reuben Williams, one of the state highway commissioners, and that Mr. Williams told him that he was sure the State would have the funds for the building of all these three projects when needed.

So that matter is settled and the proposal now is to issue bonds for the building of still additional roads. A two-thirds majority is required, we understand, to authorize the issuance of such bonds.

It is expected that a large crowd will be present at the meeting here on Friday, January 25. Every man interested should make it a point to come.

New H. D. Agent Assigned County

Mrs. Carolyn D. McDonald recently tendered her resignation to the commissioners court of Lynn county as county home demonstration agent, and after due consideration it was accepted. Thereupon the Court, upon the recommendation of the Texas A. & M. College Extension Service, appointed Miss Alta Mae Anderson of Mount Pleasant as Mrs. McDonald's successor.

Mrs. McDonald terminated her services Monday night and Miss Anderson assumed the duties of the position Tuesday morning.

Miss Anderson has previously served as county home demonstration agent of Hopkins county for five and a half years and as H. D. agent of Henderson county for one year. Previous to that she was a public school teacher, having taught for three and a half years.

Her parents reside in Mt. Pleasant. Mrs. McDonald resigned her position here in order to join her husband, who is now employed by a contracting firm in Lubbock.

She began her work here as H. D. Agent on January 1, 1943, and had served just a little more than three years. She did excellent work here and was popular with the women and the girls of the county who are engaged in H. D. and 4-H Club work, as well as with the public generally. She was married to R. M. McDonald, CM 1-c, U. S. N. R., last July.

NOTICE TO EX-SERVICEMEN AND DEPENDENTS OF DECEASED VETERANS

Mr. Fred Handcock, Representative from the Veterans State Service Office, will be in my Office over 1st National Bank on Wednesday, January 23rd, at 12 o'clock. Anyone that has claims that have not been approved or any questions that you would like answered, come and bring all correspondence that you have received from the Veterans Administration regarding same. A. M. Cade, Service Officer.

New Home News

(Mrs. A. L. Pace)
(Delayed)

Sgt. Emil Ray Farmer left for his base at Fort Worth Tuesday. He has been at home on a furlough. He is visiting his mother, Mrs. A. W. Jobe and family.

The Wilson basket-ball team were guests to the New Home team Friday night, Jan. 4. The game was exciting all the way through with New Home coming out as the victors. The girls came out with a score of 32-20 and the boys, 24-18.

Mid-term examinations were the 10th and 11th of January. Report cards were handed out Wednesday of last week.

A. L. Pace attended the superintendents meeting at Austin this week.

The superintendents are discussing the subject of a twelve month school year.

Mr. and Mrs. Cecil Peek of Lubbock spent Sunday in the home of Mr. and Mrs. Garland Peek.

Each week the New Home School is writing a column in the Lubbock County Rural School News. Each pupil will receive a copy of this paper on Friday. This paper is published at Lubbock and Mr.

John D. Phillips has consented to bring it to us on Friday.

Mr. and Mrs. T. Ellis have moved into the Lakeview community from Brownfield.

Dorsey Caffey visited in New Home last week. He got a discharge from the army. His wife and two children live in Lubbock. He has re-enlisted at Bay City, Mich.

Mr. Charles Jenkins from Post has bought out the business of Alva Allbright's. He took over the business Monday of this week. He is going to remodel and will be closed Monday and Tuesday of next week. Mr. Jenkins is a brother of Mrs. J. W. Edwards. He has been in the Navy four years. Mr. and Mrs. Jenkins are staying with Mr. and Mrs. J. W. Edwards until they can buy themselves a home.

Mrs. J. B. King and children have moved back to New Home.

LEGION AND AUXILIARY MEET

The regular social meeting of the American Legion and Auxiliary was held at the Legion Hall Tuesday night with 43 members present. Coffee, doughnuts, and cake were served and games were played. Mrs. Tom Gill was the recipient of a nice picture donated by the Gaignat Hardware.

Miss LaVoyle Richardson had 2 of her pupils do a special dance number, which we always like.

Several new members were taken in. We now have the largest membership we have had in several years. We invite all ex-service men and their wives to join with us.

Remember, we meet every second and fourth Tuesday at 7:30 p. m. — E. J. Hendrix, Post Com.

GRASSLAND 4-H CLUB

The Grassland 4-H girls met Friday, January 11, with Mrs. McDonald meeting with us. She showed the girls how to wash out woolen sweaters and scarfs. We had 1 new member, Deanie Roberts. — Reporter.

CONTRACTORS' NOTICE OF TEXAS HIGHWAY CONSTRUCTION

Sealed proposals for constructing 11.023 miles of Gr., Strs., Flex Base & Double Asph. Surf. Treat. from New Home to Wilson on Highway No. FM 211, covered by S 216 (1) & (2), in Lynn County, will be received at the Highway Department, Austin, until 9:00 A. M., Jan. 29, 1946, and then publicly opened and read.

This is a "Public Works" Project, as defined in House Bill No. 54 of the 43rd Legislature of the State of Texas and House Bill No. 115 of the 44th Legislature of the State of Texas, and as such is subject to the provisions of said House Bills. No provisions herein are intended to be in conflict with the provisions of said Acts.

In accordance with provisions of said House Bills, the State Highway Commission has ascertained the wage rates prevailing in the locality in which this work is to be done. The Contractor shall pay not less than the prevailing wage rates shown in the proposal for Group 3 for each craft or type of "Laborer," "Workman," or "Mechanic" employed on this project.

Legal holiday work shall be paid for at the regular governing rates. Plans and specifications available at the office of F. C. Stanley, Resident Engineer, Lubbock, Texas, and Texas Highway Department, Austin. Usual rights reserved. 15-2tc

WHY BE FAT?

Eat plenty yet lose weight with delicious candy reducing plan. Have a more slender, graceful figure. No exercising. No laxatives. No drugs. With the simple A.V.D. Vitamin Candy Reducing Plan you don't cut out any meals, starches, potatoes, meats or butter. You simply cut them down. It's easier when you enjoy delicious (vitamin fortified) A.V.D. candy as directed. Absolutely harmless.

In clinical tests conducted by medical doctors, more than 100 persons lost 14 to 18 lbs. in a few weeks with A.V.D. Vitamin Candy Reducing Plan.

Shaker variety of A.V.D. only. If not delighted with results, MONEY BACK on first box. Please Tear out this Ad as a reminder!

WYNNE COLLIER, DRUGGIST

RUTH SUNDAY SCHOOL CLASS

The Ruth Sunday School class met in the home of Mrs. D. V. Smith for the monthly class meeting. The program was as follows:

President called the meeting, a prayer, by Billy Smith, roll call was answered with a scripture from the Bible, reports from committees and the president told some things we could do in 1946.

The members present present were, Billy Smith, Gerry Frazier, Gwen Gaither, Ruth Roddy, Dorothy Rusk, Elouise Perry and Mable Ragan.

Refreshments were served and the meeting was adjourned. Every-

one had a nice time.

PETTY H. D. CLUB

The Petty H. D. Club's first meeting of the year was with Mrs. H. C. Hemmeline, the new chairman.

Mrs. McDonald gave a demonstration on how to wash sweaters, also how important it is to cut on straight of material.

Eight members were there, three being new members, Mmes. R. R. Daugherty, C. L. Howard, and J. O. Mayfield.

Refreshments of cake, whipped cream, coffee, cocoa were served.

The next meeting is to be with Mrs. John M. Martin.—Reporter.

BRONCHIAL COUGHS — COUGHS DUE TO COLDS

Loosens-Up-Raises Thick Choking Phlegm - With Amazing Speed

Starts at once to loosen up thick, choking phlegm—soothe raw membranes and make breathing easier. D. A. Barton

The County Agent Says:

In summarizing the work of the Lynn County Agricultural Agent for 1945, an introductory statement as to what Agricultural Extension is teaching that is outside the research laboratories and classrooms and beyond college and school walls. Agricultural Extension is what Agricultural Extension does. It teaches through Demonstration and Doing. Local knowledge and experience based on Agricultural Research and Training is the basis for Extension work. Agricultural Extension is to build rural people and to improve Agriculture. The agent's business is to help the farmer increase his efficiency and income, and to help him find satisfaction and growth in rural life for himself, his family, his neighbors, and his institutions. Agricultural Extension may act as an Emergency Agency. Extension agents find and report problems for research. Agricultural Extension is a Partnership Agency in which the officials of government; Federal, State, and County, sit in council with rural people and together analyze local conditions, take stock of their resources and help make and carry out programs for the financial, educational, and social benefit of the community and its individual members.

Nine problems were outlined for the Extension Program in Lynn County for 1946; namely, the need for establishing a more diversified program of farming, with emphasis upon a greatly expanded live stock program, a shortage of farm roughage, a high producing cotton county producing mostly short staple cotton. Farm labor shortage, shortage of farm machinery and repair parts, shortage of tires for trucks, pickups, and farm machinery, Bangs Testing Program and Johnson Grass Eradication Program.

Some of these problems are of such a nature that years could be spent in developing just one phase of a selected program as outlined above, but it was the opinion of Agricultural leaders that timely information could be presented on the general subjects to encourage

more efficient management which would greatly benefit the Agricultural economy of Lynn County.

The County Agricultural Agent employed every available teaching method in directing the Extension Service. Probably one of the most effective teaching methods employed was the use of demonstrations presented to groups of 4-H Club boys. The County Agents column, run in the Lynn County News and the O'Donnell Index were also very valuable in disseminating Extension information.

Among the other methods were mimeographed letters, cards, community meetings, educational tours, meetings at demonstrations, bulletins distributed, visits by farmers at the office, personal letters, personal contact and visits to farms.

During the twelve months covered by this report the County Agricultural Agents devoted one hundred and fifty-six days to adult work, one hundred and twenty-seven days to 4-H Club work, spent ninety-five days in the office, one hundred and eighty-eight days in the field, made five hundred and seventy-five farm and home visits four hundred and thirteen demonstration visits, had nine hundred and fifteen office calls, five hundred and fifty-nine telephone calls, prepared fifty-five news articles, distributed one thousand, seven hundred and ninety-seven bulletins, attended ten adult method demonstrations with one hundred sixty-five in attendance; ten adult training meetings with a total attendance of one thousand, three hundred and ninety-eight, nine 4-H Club result demonstrations with seven hundred and forty-five in attendance, and one adult demonstration with eight in attendance. Other meetings attended include thirty-six 4-H Club meetings of an Extension nature with a total attendance of two thousand and forty-three, eighteen adult meetings with seven hundred and eighty-nine in attendance, organized the Veterans Agricultural Advisory Committee with a membership of fifty representing each of the twenty communities in the county.

The County Agricultural Agent served as secretary of the Lynn county U. S. D. A. War Board, and was responsible for securing the farm man power schedules for selective service and securing the re-

commendations of the war board members as to the essential part the registrant was making to the war effort. A total of eight hundred and fifty schedules were prepared for consideration of the War Board. Beginning some few months before V-J day requests began to be made of the County Agricultural Agent to prepare information and write letters assisting members of the Armed Forces to receive emergency harvesting furloughs and discharges. Over one hundred such requests were filled.

Further educational work with reference to the war program was done in connection with increased milk production, swine, cotton and grain sorghum, and poultry, meat and egg production. Full support and cooperation was given by the Extension Service to all salvage drives, bond drives and other relief organizations.

The County Agricultural Agent has enjoyed a fine spirit of cooperation from all Extension workers, rural people, commercial interests and other public agencies. When assistance or information was requested it was promptly received from each of these groups.

There are a number of organizations in the county which deserve the highest recognition for their fine spirit of cooperation. Included among those organizations are the following: County Home Demonstration Agent; Boys and girls 4-H Clubs; Lynn County Soil Conservation Service; Vocational Agriculture teacher; Farm Security Administration; Rural Electrification Administration; and Agricultural Adjustment Agency.

The two civic clubs in the county stand ready to assist in sponsoring agricultural programs which will benefit agriculture in the county.

No greater cooperation and assistance might be desired than that received from the Lynn county Commissioner Court. It is the sponsoring agency of the Extension Service Program and is composed of the highest type of leadership in Judge Tom Garrard and Commissioners, Pat Swann, Lonnie Williams, John Anderson and Thad Smith. All requests for financial assistance and office supplies in conducting the Extension Program were cheerfully granted and expressions of appreciation for the work being done were received

quite often during the year.

The County Agricultural Agent secured the voluntary assistance of twenty-one local adult 4-H Club leaders.

The Lynn County News and the O'Donnell Index Press are giving their wholehearted support and cooperation to the Extension Service. They are rendering an invaluable service by wide use of news articles and pictures publicizing the Extension Program.

One of the more important factors in the development of a diversified program of farming in Lynn County is the Gin Sponsored Gift Program. The cotton gins in the county sponsored the awarding of the thirty-six head of pure-bred Duroc Jersey gilts to 4-H Club boys in 1944. These gilts were awarded on a self-perpetuating basis, whereby each boy was to return the top gilt of his first litter to the next winner. This program is responsible for over a hundred registered Durocs being distributed through out the County each year. The unusual short feed crop along with a very unfavorable live stock feed ratio has greatly hampered the expansion of the live stock program. Twelve well-bred Hereford calves are on feed for next Spring's live stock show and much emphasis is being placed upon the expansion of the dairy herds of the County. Several 4-H Club boys are securing pure-bred foundation stock.

Over three thousand head of dairy cattle in the county have been tested for Bangs Disease. Quite a number of positive reactors showed up in the county. These reactors were marketed through the proper channels eliminating a health hazard to the citizens of the county.

Much interest and participation has been shown during the year on the Johnson Grass Eradication Program. Full support of tenants, land owners, and out-of-county landlords were solicited and obtained by use of an intensive educational program thru the press and personal letters sent out each month.

Due to a very unfavorable season the Cotton Improvement Program made very little progress in the county this year. Some very interesting data has been accumulated on a relatively new type

combine milo on demonstration by thirty-one farmers of the county this year. This Kansas Westland Milo Demonstration showed some very definite advantages to this type milo for this locality.

Very valuable results were obtained from a new type sweet sudan on demonstration this year. Several Weeping Love Grass Demonstrations showed that this grass is very well adapted to this area and is very promising as a grass to re-claim badly eroded land.

Several seed treating demonstrations brought out some interesting facts regarding different types and methods of treating seeds for controlling Smut and several of

the disease germs. Indications at present point toward a greatly intensified program of Agricultural Improvement in this County that will adequately keep pace with the greatly stepped-up, post war Improvement Program in all lines of agriculture and industry.

FLUSH KIDNEY URINE

Benefit wonderfully from famous doctor's discovery that relieves backache, run-down feeling due to excess acidity in the urine

People everywhere are finding amazing relief from painful symptoms of bladder irritation caused by excess acidity in the urine. DR. KILMER'S SWAMP ROOT acts fast on the kidneys to ease discomfort by promoting the flow of urine. This pure herbal medicine is especially welcome where bladder irritation due to excess acidity is responsible for "getting up at night". A carefully blended combination of 10 herbs, roots, vegetables, balsam, Dr. Kilmer's formula relieves harsh, irritable, acidic, non-habit forming. Just good ingredients that many people say have a "cooling" effect.

Henderson; secretary, Mrs. Ivy Lee Kilpatrick; treasurer, Mrs. Paul Johnson.

Some very interesting programs are being planned for this year. We want the ladies in the Church to come out each Monday afternoon at 4 o'clock and learn more about the Home Mission work of our Women's Society of Christian Service. — Reporter.

CROTWELL REUNION

Besides their own family, Mr. and Mrs. O. A. Crotwell had as guests at a New Year's dinner Mrs. Crotwell's mother, Mrs. Susie Johnson of Lubbock and several of her children, including Mr. and Mrs. E. R. Quinsey of Lubbock, Mr. and Mrs. Pete Dorman and children of T-Bar, Mr. and Mrs. J. M. Johnson and children of Hackberry, a niece, Mr. and Mrs. Flavous Bonds and 4 children of Cross Roads, N. M. Features of the day were the dinner and an exchange of gifts

THE STATE OF TEXAS
TO: Anna P. Spalding, her unknown heirs, their unknown heirs and legal representatives, the Temple Trust Company, now a dissolved corporation, which corporation formerly was incorporated under the laws of the State of Texas, and had its principal place of business in Temple, Bell County, Texas, and the unknown stockholders, their unknown heirs and their unknown heirs and legal representatives of said Temple Trust Company, a defunct corporation, and the First Trust Joint Stock Land Bank of Dallas, Texas, now a dissolved corporation, which corporation formerly was incorporated under the laws of the State of Texas, and had its principal place of business in Dallas, Dallas County, Texas, and the unknown stockholders and their unknown heirs and their unknown heirs and legal representatives of said First Trust Joint Stock Land Bank of Dallas, Texas, a defunct corporation.

GREETING: You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 25th day of February, A. D. 1946, at or before 10 o'clock A. M., before the Honorable District Court of Lynn County, at the Court House in Tahoka, Texas.

Said plaintiff's petition was filed on the 8th day of January, 1946. The file number of said suit being No. 1671.

The names of the parties in said suit are: Brooks Smith, as Plaintiff, and Anna P. Spalding, and her unknown heirs, their unknown heirs and legal representatives, Temple Trust Company, now a dissolved corporation, which corporation formerly was incorporated under the laws of the State of Texas, and had its principal place of business in Temple, Bell County, Texas, and the unknown stockholders, their unknown heirs and their unknown heirs and legal representatives of said Temple Trust Company, a defunct corporation, and the First Trust Joint Stock Land Bank of Dallas, Texas, now a dissolved corporation, which corporation formerly was incorporated under the laws of the State of Texas, and had its principal place of business in Dallas, Dallas County, Texas, and the unknown stockholders, their unknown heirs and their unknown heirs and legal representatives of said First Trust Joint Stock Land Bank of Dallas, Texas, a defunct corporation, as Defendants.

The nature of said suit being substantially as follows, to wit:

Now comes Brooks Smith, who resides in Lynn County, Texas, hereinafter called plaintiff, complaining of Anna P. Spalding, her unknown heirs, their unknown heirs and their unknown heirs and legal representatives, the Temple Trust Company, now a dissolved corporation, which corporation formerly was incorporated under the laws of the State of Texas, and had its principal place of business in Temple, Bell County, Texas, and the unknown stockholders, their unknown heirs and their unknown heirs and legal representatives of Temple Trust Company, a defunct corporation, and the First Trust Joint Stock Land Bank of Dallas, Texas, now a dissolved corporation, which corporation formerly was incorporated under the laws of the State of Texas, and had its principal place of business in Dallas, Dallas County, Texas, and the unknown stockholders, their unknown heirs and their unknown heirs and legal representatives, of the First Trust Stock Land Bank of Dallas, Texas, a defunct corporation, hereinafter called defendants, and for cause of action plaintiff would respectfully show the following:

1. On the 1st day of January 1923, plaintiff was, and still is the owner in fee simple of the following described land and premises situated in the county of Lynn and state of Texas, and described as follows: 146 acres out of the Northwest corner of the Julian Contis Survey, described by metes and bounds, as follows: Beginning at a sucker rod set under fence for the N. W. corner of said Julian Contis Survey, for the N. W. corner of this Tract;

Thence East 901.5 varas along and with the North line of said Contis Survey; to stake set under fence for the N. E. corner of this tract, the N. W. Corner of Tract No. 2;

Thence South 913 varas to stake for corner; Thence West 901.5 varas to stake for corner.

Thence North 913 varas to the place of beginning.

2. On such day also he was in possession of such premises; and afterwards on the 1st day of December, 1945, the defendants unlawfully entered upon and dispossessed him of such premises and withholds from him the possession thereof.

3. Defendants have occupied and used such premises under such unlawful possession for a period of about 35 days and the rental value thereof during such occupancy is \$107.00, in which amount by virtue of such wrongs the defendants are indebted to plaintiff; but though repeated demand for the payment thereof has been made of defendants, by plaintiff, defendants have failed and refused and still fail and refuse to pay the same to plaintiff's damage in the sum of \$100.00.

Wherefore, plaintiff prays that the defendants be cited to answer this petition, and that plaintiff have judgment for title and possession of the above described premises, for his damages, for costs of suit and for such other and further relief as he may be entitled to either at law or in equity.

If this Citation is not served within 90 days after the date of its issuance, it shall be returned unserved.

Issued this the 8th day of January, A. D. 1946. Given under my hand and seal of said Court, at office in Tahoka.

PIMPLES
Disappeared Overnight!

Blackheads, Yes, Went Fast
Yes, it is true, there is a safe, harmless, medicinal liquid called **SKINERIN** that drives up pimples, blackheads, and spots and removes them. Those who followed the directions and applied SKINERIN upon their faces were amazingly surprised when they found their pimples and blackheads had disappeared. There were no excruciating pains, stings, and chills. They are no longer embarrassed and are now happy with their clear complexion. Use SKINERIN if you are troubled with pimples, blackheads, or spots. You get double your money back. Ask for SKINERIN today, when you visit your Druggist.

Editorial

Many of the daily papers carried an International News Service story on Wednesday of last week that seemed stranger than fiction and which must have strengthened the faith of those who believe that there is an over-ruling Providence that guides the destinies of nations.

It was Dr. Lise Meitner, 60-year-old Austrian physicist, according to this story, who first succeeded in splitting the atom and whose experiments with uranium atom-cracking at the Kaiser Wilhelm Institute, Germany, led to the eventual development in the United States of the atomic bomb and enabled this country to knock Japan out of the war at a single masterful blow.

Dr. Meitner made her historic discovery, says the news story, at the Kaiser Wilhelm Institute late in 1938 while bombarding bits of uranium-238 ore with neutrons. A chemical analysis of the bombarded ore showed the presence of barium, which she insisted had come from blasting the uranium atom approximately in half and that an energy greater than any ever on earth must have been released.

Her associates at the Kaiser Wilhelm Institute, Drs. Hahn and Strassman, reported the findings in a German scientific paper in January, 1939, but wrote that they could not bring themselves to believe that the barium had come from splitting the uranium atoms.

At this juncture and before she had time to make report to her employers, Dr. Meitner was peremptorily ordered to leave Germany because she was a Jewess. Embittered, she took her secret with her to Copenhagen, Denmark, to divulge it to her friend, Dr. Niels Bohr, Danish Nobel Prize physicist.

Upon arrival at Copenhagen, she found that Dr. Bohr had departed for Princeton, New Jersey, to see his friend, the great mathematician and scientist, Dr. Albert Einstein, who was likewise a refugee from Germany.

Dr. Meitner thereupon radioed her findings to Dr. Bohr aboard his ship bound for America. "He was so excited by the time he reached New York," the story recites, "that he almost shouted the startling news to a group of physicists who met him at the New York dock."

And now we quote the story verbatim: "Bohr met with other physicists at a conference on theoretical physics at Washington—sponsored by George Washington University and the Carnegie Institution. The physicists eagerly spread the news to their universities, and almost simultaneously the Meitner theory was proved at George Washington, Columbia, Carnegie Institution, Johns Hopkins, and the University of California."

And from these findings came the atomic bomb.

How different the story might have been if Hitler had not expelled this Jewish scientist—if she had been permitted to work on in the Kaiser Wilhelm Institute until she had proved her theory to her associates. In that event, the atomic bomb would have been developed in Germany and not in America.

Hitler's anti-Semitism—as expressed in his expulsion of Dr. Meitner from Germany back in January, 1939, eight months before he invaded Poland—had already doomed his dream of World Conquest before he started the war, the writer of the news story observes. "He had expelled the woman who could have made him unquestionable master of the earth."

Hitler's expulsion first of Dr. Einstein and then of Dr. Meitner must have been providential.

Congratulations—

Mr. and Mrs. James Haigood of Tahoka on the birth of a son, December 29, 1945, at Sinclair Clinic. He will be called Henry Wayne.

To Mr. and Mrs. T. M. (Tobe) Kennedy, of Tahoka on the birth of a daughter, December 31, at Sinclair Clinic. She will be called Lea Rita.

IMA LEE FRANCIS WEDS Pfc. EDWARD POOL

Miss Ima Lee Francis of Plainview became the bride of Pfc. Edward Pool, son of Mr. and Mrs. Homer Aldredge of Tahoka, on January 6 at 6:00 p. m. in the home of the bride's sister, Mrs. B. O. England.

Rev. Noel V. Guice, pastor of the College Heights Baptist Church, Plainview, performed the single ring ceremony.

The bride wore a white wool crepe street-length dress with black and gold accessories and a corsage of red carnations.

Miss Ann Lewellen of the Halfway community served as maid of honor, and Jiggs Kelley as best man.

The bride is a junior in Plainview high school.

Pfc. Pool attended O'Donnell high school. He has been in the service two years, eleven months of which were spent overseas.

After a short wedding trip, Mrs. Pool will make her home in Plainview, and Pfc. Pool will report back to Fort Monmouth, New Jersey.—Contributed.

Truman Hines arrived at home January 10, with a discharge from the Armed Forces after serving as a Paratrooper in the Pacific. He had been in the Philippines and started home from Japan on December 24th. He is a graduate of Tahoka High School and entered the Army in February, 1943.

METHODIST CHURCH

Sunday night, one of the high school teachers, J. H. Wheeler, will occupy the pulpit. His subject will be, "Archeology Substantiates the Inspiration of the Bible." He gave part of this at prayer meeting some time ago and every one who was present said that every young person out to hear that message. We extend a hearty welcome to both young and old to be present and hear that fine message Sunday night.

Last Sunday was Covenant Day, when every Christian had a chance

work during this year, the Crusade for Christ. Evangelism is being stressed throughout the Church. If you have not secured one of the Covenant cards, see the pastor and he will be happy to supply your wants. We hope every member and friend of the Church will rally to the call of the Church at this time.

A hearty welcome awaits you at all the services of the Church, member and friend.

The sun shines more at Amarillo than anywhere else in Texas; 81% of daylight hours.

Rodney Heck Writes Of Japs' Surrender

Rodney F. Heck, F-2/c, son of Mr. and Mrs. Henry Heck of New Home, has written them a very interesting account of the official surrender of Chichi Jima, Bonin Islands, on December 13, 1945, four months after V-J Day.

He also sent to them a Public Relations story of the history of the island and a description of the Surrender ceremonies.

He described the surrender of the Jap swords and the lowering of the Jap flag and the raising of "Old Glory" as most interesting. This is the first time the flag has flown there in 117 years, according to the Public Relations story.

Rodney has been overseas since September 15, 1945, seeing sights at Pearl Harbor, Guam, and Iwo Jima from aboard the Destroyer Escort U. S. S. Price.

R. C. WELLS JR. WEDS ST. LOUIS GIRL

Miss Marie McGhee, daughter of Mr. and Mrs. Howard McGhee of St. Louis, Missouri, and R. C. Wells Jr., son of Mr. and Mrs. R. C. Wells of this city, were united in marriage January 9 in the First Methodist Church of St. Louis in the presence of a few friends.

The bride wore a yellow suit with black accessories and a rose corsage.

After the wedding a reception was held at the home of the bride's parents, a few close friends being present. They arrived in Tahoka Sunday.

The groom is employed at the Franks and Richardson Electric shop.

The groom was recently discharged from the service.

Tahoka PTA Hears Interesting Talks

The Tahoka Teacher Association had its regular meeting, Thursday Jan. 10, in the high school auditorium. After a brief business session we were presented two excellent discussions. Mrs. Mason presented "what the Teachers Expect from Parents." Parents should come to discuss the problems of the children with the teachers and have an understanding. Cooperation is most essential and expected above all other things. Regular attendance is very essential to learning, and children should always be at school unless ill or bad weather. Parents should encourage children to like and respect teachers and like school.

Proper food and clothing is important for all school children. Teachers and parents working together, along with the young people possibly could help them with some of their problems. Home Study at a regular time and place is recommended. Parents should help in planning and sponsoring social activities. Be cooperative, gain an understanding and keep an open mind.

Mrs. Terry Thompson presented "What the Parents expect from the teachers." The parents are interested in having well trained teachers and want to understand the educational process. We want to help the teachers keep it on a high level of efficiency.

There is still a place for school visiting by parents and if done with judgment can be helpful both to parent and teacher.

At our December meeting we had as our guest speaker, Mrs. J. L. Adams of Crosbyton, our district president. She brought to us in a forceful manner the importance of P. T. A. work, and sent us home more enthusiastic and anxious to have an active organization. She also met with the executive committee and gave us an hour of instructions that we found very helpful.

Clifford T. Ingle have returned to Lynn county to make their home since his recent release from the armed forces.

The Alamo was so named because of the cottonwood trees which grew around it in the early days.

MISS MILDRED FLINT AND WILLIAM E. HILL WED

Miss Mildred Flint, daughter of Mr. and Mrs. W. M. Flint of Brownfield, and William E. Hill, son of E. I. Hill Sr. of Tahoka, were united in marriage January 12 at 8:00 p. m., the ceremony being read by Rev. H. A. Nichols, the marriage taking place in the home of Mrs. Idella Howell.

The bride wore a pink two-piece dress with matching brown accessories.

Those attending the wedding were Homer Parker, who was best man, and Mrs. Idella Howell, who was matron of honor, Mr. and Mrs. H. L. Smith, Euella Dollins and Turner Rogers, and Roy Stephens. Mr. and Mrs. William Hill will make their home in Tahoka, where he is associated with his father and brother in the publication of the Lynn County News.

The last German U-boat attack made along the Texas coast was December 3, 1943.

MR. FARMER! Are you interested in a SAFER — BETTER More EFFICIENT, More ECONOMICAL and TROUBLE FREE BROODER?

and do you want to raise not only MORE but HEALTHIER chicks and Turkeys? If so, you owe it to yourself to carefully INVESTIGATE the—

A. R. Wood Radiant Heat Gas Brooder

A Few of the Thousands of Radiant Heat Gas Brooders in Use Today

Hundreds of other makes of brooders have been discarded and replaced with A. R. Wood Radiant Heat Brooders. A grower in Arkansas is operating 40 500-chick size A. R. Wood Brooders — 20,000 chicks at a time... Safer... Cheaper... Better.

The A. R. Wood Radiant Heat brooder is patented... No other brooder like it... No other brooder in its class!

The 500-chick brooder average fuel consumption is 24 gallons for 56 days and nights of brooding—less than 1/2 gallon of Butane for 24 hours of trouble-free operation.

Better that you investigate now than later to wish you had... Investigation costs nothing and worth so much.

MISS MARIE RAINDL MARRIES HENRY JAHNKE
 Miss Marie Raindl, attractive daughter of Mr. and Mrs. Frank Raindl Sr. of Wilson, was united in the holy bonds of matrimony Wednesday morning, Jan. 9, at the St. Elizabeth Catholic Church in Lubbock, to Mr. Henry E. Jahnke of Eden. Rev. William F. Blakeslee performed the ceremony.
 Henry is the son of Mr. Otto Jahnke of Big Spring.
 The bride was beautifully attired in a long white brocaded satin dress with a sweetheart neckline and long sleeves forming a point at the wrists. She wore a long white lace-trimmed veil with a Dutch-effect crown and carried a bouquet of white carnations and lace fern tied with a wide ribbon and streamers.
 The groom looked very handsome in a blue business suit with a white carnation boutonniere.

Miss Pauline Raindl, sister of the bride, who served as bridesmaid, was gowned in powder blue lace with tiny pink bows scattered over the wide skirt. Her sweetheart neckline was also caught with tiny bows. She carried a bouquet of pink carnations and lace fern tied with a pink ribbon, and in her hair she wore flowers.
 Marvin Jahnke, brother of the groom, served as best man. He was dressed in Navy blue and wore a pink carnation boutonniere.
 S-Sgt. and Mrs. Jim Raindl served as witnesses to the couple.
 The mother of the bride chose a grayish crepe dress and a corsage of white carnations.
 The groom recently returned from 23 months service in the E. T. O.
 A delicious dinner and supper were served at the home of the bride's parents to a large number of guests. The table was adorned

Commissioner, Precinct 1:
 PAT SWANN
 A. E. HAGENS
 G. E. JONES
Commissioner Precinct 2:
 LONNIE WILLIAMS

with a two-tiered wedding cake. The newly-weds will make their home in Eden, where Mr. Jahnke is employed.—Contributed.

POFF REUNION
 The J. W. Poff family had a most happy reunion at the parental home near Wayside on the highway west of Wilson at Christmas time, so happy that Mrs. Poff just had to tell the News about it.

"December 23 was a day of real celebration for the Poff family," she says, "all the children being at home for the first time in five years." Several of them had been overseas during this war in the service of their country.

They all arrived at the parental home at about 5 o'clock, she says except their only daughter, Mrs. Ray T. Shirley, who lives at Levelland. All the five brothers had their pictures made together, but the sister, who came on the bus, did not arrive in time to have her picture taken with the brothers, a circumstance which Mrs. Poff seemed to regret very much.

They had a great time, she says, talking over the many things that had happened since their last meeting. Then they feasted on baked ven, pork, roast, antelope, and all the trimmings.

After the feasting, the Christmas gifts were passed out; as was also a large water filled with home-made candy and some from the store.

Those present at the Poff home were their six children: Henry and wife of Ralls, Roger and wife and daughters of Lubbock; Capt. Clarence and wife and daughter of Alexandria, Va.; Doyle and wife of Lubbock; Johnie Jr. of the Pacific, who had arrived home with a discharge from the Marines; and Elizabeth Sue (Mrs. Shirley) of Levelland; together with "Dad" and "Mom", her sister and husband, Mr. and Mrs. W. A. Baxley, their son W. T. Baxley and wife and daughter, and also their niece, Mrs. Harvell Phillips and family all of Wilson.

"We hope and pray for many such reunions," Mrs. Poff concluded.

NEWMOORE GIRLS 4-H CLUB
 The Newmoore Girls 4-H Club met at Newmoore school house, Tuesday, January 8, at 9:00 a. m.

Mrs. Carolyn D. McDonald met with the members.

They played two games, which Bobbie Parker and her helpers, Patsy Curry and Betty Crutcher, directed.

Mrs. McDonald showed us how to wash a sweater, in glue and water. She told us how to iron "vels and hats."

Wanda Jean Parker sewed on 30 buttons; Gena Blair sewed on 14; Janetta Pendleton, 12; and Geneva Crutcher, 12. There were 143 buttons sewed on in all.—Reporter.

The Moody Courier, published down in Central Texas, observed last week that "soil erosion is one of the greatest curses to the farm lands of Texas, and every effort possible," it says, "should be made to check such causes. Terraces, contouring, and levy construction will help check this evil," it concludes. The trouble with Central Texas is that the farmers down there awoke to this evil too late. Most of the horses had already been stolen from the barn before the danger was spotted. However they can save most of their remaining soil and actually build up their eroded spots in places by the methods suggested. Soil erosion from floods is not as rapid on the Plains as in North

and Central Texas but it is beginning to work much damage even out here. Luckily many soil conservation districts have been established and scientific and effective methods are being employed in many Plains counties to prevent or to check soil erosion. Many farmers have suffered, however, on account of the fact that the soil conservation forces have not yet been able to get around to their farms. We should not neglect to use every means possible to preserve our soil.

In spite of all the warnings and all the fears expressed by many farmers in our county last year respecting the Johnson grass menace and in spite of all the information given by our county agent and others through newspapers and otherwise, more Johnson grass went to seed along our public roads and on the farms of the county than ever before. It is becoming a real menace. The only way it can be killed out or effectively held in check is for each farm owner to kill it out on his own farm and for the County to keep it from seeding on the public roads.

In listing the possible candidates for governor last week, we overlooked the name of one who has been seeking and getting publicity with a view to becoming a candidate for that office longer, perhaps, than almost any other candidate, Lieutenant Governor John Lee Smith. He is almost sure to be in the race. If he gets in, somebody's fur will fly, for Smith is a fighter and has ardent friends and bitter enemies. Better pay your poll tax, folks.

CARD OF THANKS

We wish to thank our Lynn county friends who have been so nice and kind to us during our recent bereavement, for the cards and other expressions of sympathy and also the lovely sprays of flowers, some of which did not bear the names of the senders, and we can not thank them personally. We are grateful to you all. — Mr. and Mrs. Bart Cowan and Sisters.

SQUARE DEAL FOR EVERY CHILD

Lakeview News

Melvin Newman, S I-C, is home on a 15-day leave from the Navy, with his parents. Mr. and Mrs. J. H. Newman. Melvin has been stationed in Hawaii. Mrs. Newman is recovering nicely from her recent operation.

The following children were present in the home of Mr. and Mrs. Bill Timmons Sunday: Mr. and Mrs. Pat Byers, who have recently moved here from San Diego, Calif.; Mr. and Mrs. Everett McCormick, Everett recently discharged from the Army after several months in Germany; Mr. and Mrs. Frank Timmons, Frank recently discharged from the Navy; Mrs. Roy Timmons and daughter, Judy of Lubbock (Roy was the only one absent, he being with the Navy in the Pacific); Mr. and Mrs. Herman Timmons and children, LaJean and Howard, of Levelland; Wayne, who is attending Wayland College at Plainview; and Billy, who is at home.

The Cecil Yeatts family have moved back to their farm after spending a year in Santa Barbara, California.

Dick Castleberry, was discharged from the army last week, and wife visited in the Wiltor McNabb home Sunday. They will live at Monahans.

Congratulations to Mr. and Mrs. Thurl Swinson, upon the arrival of a girl last week.

Also to Mr. and Mrs. George Jordan upon the arrival of a girl last week.

Dick Stokes, of Brownfield, recently discharged from the Navy, is visiting his sister, Mrs. W. T. Knight.

Bill West, recently discharged from the army after several months in Germany, is home with his parents, Mr. and Mrs. E. H. West, and sister, Evelyn.

Delbert Timmons, son of Mr. and Mrs. John Timmons entered the army at El Paso last week.

Mr. and Mrs. Buster Bartlett and family have moved to Lorenzo, Texas.

Mrs. Charlie Teity is visiting her daughter in Albuquerque, New Mexico this week.

HACKBERRY CLUB

Mrs. Carolyn McDonald met with the Hackberry Club on the first Thursday of this month. Those present were: Mmes. W. P. Lester, Earl Morris, Claude Cooper, Clyde Haire, S. D. Martin, Bob Russell, Herman Dabbs, Hubert Taylor, B.N. Billingsley, John Fleming, and Miss Letha Ann Russell, which was a combination of H. D. and quilting club members.

Mrs. McDonald gave an interesting demonstration in the washing of sweaters, using a few teaspoonfuls of glue instead of soap, and other useful information.

How women and girls may get wanted relief from functional periodic pain

Cardui is a liquid medicine which many women say has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Here's how it may help:

1- Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come.

2- Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes.

Try Cardui. If it helps, you'll be glad you did.

Committee chairmen elected were: Finance, Mrs. Hansell Hallman; exhibit, Mrs. Olin Shelton; program, Mrs. Buford Jones; education and expansion, Mrs. Claude Cooper; parliamentarian, Mrs. John Fleming.

Mrs. McDonald requests that we answer roll call at our next meeting with any "hint" or way of doing things that we have found useful.—Reporter.

DRAW H. D. CLUB

The Draw H. D. Club met with Mrs. R. R. Ragan, January 4th at 2:30 p. m. After the business meeting Mrs. McDonald gave a demon-

Relief At Last For Your Cough

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm, and aid nature to soothe and heal raw, tender inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.

CREOMULSION

Yes, what a wonderful evening any evening will be in your electrical home of the future... there will be more time to relax with your family.

All of the new electrical servants soon to come rolling off production lines will be ready at the flick of a switch to make your household tasks unbelievably simple, and they'll all be operated with cheap electricity.

Your automatic electric range practically thinks for itself... with little attention from you! No more after-meal drudgery with your electric dishwasher. So, while relaxing, your dishes, glasses and silver are being swished sparkling clean. Your beautiful electric refrigerator will stand guard against loss of food vitamins... and your home freezer will be a giant storehouse for frozen fruits, meats, vegetables.

SOUTHWESTERN PUBLIC SERVICE COMPANY

Smith Announces . . .
ing family in the meantime. I have been connected with some school in Lynn County for ten years. My first job here was with the Petty School as principal.

"Of all the work I have done I enjoy most that of working for the interest of school children and would like to expand such responsibility.

"My aim, if elected, is to put forth every effort to serve the present and future interests of the school children of this county so they shall receive full value in edu-

national opportunities for every dollar that is spent. My training and experiences both in public school work and in other lines have, I believe, qualified me to execute the duties of the office in a satisfactory manner. If elected, I will give diligent thought and effort to the duties of the office and pledge wholehearted cooperation with the various school boards of the county."—Respectfully yours, B. T. Smith.

Billy Key, son of Mr. and Mrs. G. O. Key of Rt. 3, underwent a tonsilectomy at Sinclair Clinic last Friday.

4-H Rifle Club Meets Next Sunday

The Lynn County 4-H Rifle Club will meet at 2:00 o'clock, Sunday afternoon, January 20, for rifle practice. The rifle range has been moved to the gravel pit just south of the Tahoka city limits on the O'Donnell road. Mr. J. B. Oliver, rifle instructor and Joe M. Armontrout, assistant instructor will be on hand to give the boys instructions in target practice. Members are asked to bring their single-shot 22 rifles and 1-2 box of ammunition apiece.

The Lynn County 4-H Rifle Club now owns 25 new 22 single-shot Targetmaster rifles and some of the members are showing promise of becoming quite proficient in the art of shooting. Competition will begin in the near future for marksmanship awards. All 4-H Club boys in the county are eligible to become members of this rifle club, whose motto is "Safety First Always" and purpose is to develop sportsmanship and marksmanship.

Legionaires Hear National Officer

On the evening of January 9, 21 members of the Marion G. Bradley Post No. 250, Tahoka, attended the lecture given by our National Commander, John Stelle. There were about 800 Legionaires and members of the Auxiliary present. His address was very interesting and instructive.

At the close of the meeting, 30 new members, War II veterans, were honored by having Commander Stelle give the American Legion obligation. Samuel E. Kendrick and Troy R. Noe of Post 250 were among the ones sharing this honor.

Our next meeting night is Tuesday, January 22, at 7:30. Every member and ex-service man and wife come. Bring a member. — E. J. Hendrix, Post Commander.

Mr. and Mrs. Mason Polk visited his brother, Denny Polk and family here last week. They live at Wingate. Denny Polk and family also visited relatives at Wingate during last week.

Baptist Workers Will Meet Here

The monthly meeting of the Workers' Conference of the Brownfield Baptist Association, originally scheduled to meet at Union in Terry county, has been changed to Tahoka. It will meet in the First Baptist Church here at 10 o'clock Wednesday morning, January 23.

Women of the Tahoka church will bring and serve the noon meal in the Church basement.

Baptist women of the association will note that the W. M. U. executive board will have its quarterly meeting here in connection with the Workers' Conference.

A large attendance of both men and women is expected to be present at this conference.

German U-boats sunk 33 ships in the Gulf of Mexico in 1942 and 43.

The University of Texas has sent 16,800 trained technicians to war industries.
