Number 18.

Road Bond Election Called For March 9

Waggoner, Walker Head of Chamber

Four Directors Are Named To Board, Planning Program

Further steps in the reorganization of the Tahoka Chamber of Commerce were taken Tuesday night by the newly-elected directors, and the organization will be completed Monday night at another directors meeting. Consensus of opinion of business men is that the body should be reorganized on a basis for active work and permanency.

The new directors, elected last week by 80 business men from a field of 15 nominees are: Terry Thompson, Fred McGinty, Winston Wharton, Jim Burleson, and Wynne Collier.

These men met Tuesday night, elected Ted Waggoner, local manager of Wallace Theatres, president of the organization, succeeding Frank Hill, and Clint Walker, Lynn county ACA office, as secretary.

The board also voted to increase its membership to nine, in addition to the president, and elected Clint Walker, Alton Cain, Joe Haire, and Charles Townes to the board membership.

Tom Garrard, Tahoka director in the West Texas Chamber of Commerce, is ex-officio director.

Dues were set at \$2.00 per month, and membership pledges will be circulated in the next few days, in which business and professional men will be asked to pledge an annual membership and also pledge themselves to abide by the solicitations agreement which has been in force here for about five years. Waggoner has appointed Terry Thompson, Prentice Walker and Bill Burleson to the membership committee.

The solicitations agreement operates as a protection to the business men against needless collections and shady advertising schemes being worked by fly-by-nighters and high-pressure salesmen. A secret committee is named to investigate each solicitation proposal and business men pledged not to support such schemes unless given approval by the Chamber of Commerce.

Since the end of the war, there is a distinct need for a more active Chamber of Commerce, and the directors are going slow in their organization to make sure that the body will be organized on a basis for an active program. In the meantime board members and officers welcome suggestions from other business men of the town.

Work Is Started On City Steets

Work of grading the dirt streets of Tahoka was started this week. The streets have been in bad condition for some time, through no fault of the city officials. The City of Tahoka has practically no equipment for such work. The old machinery is worn out, and it has been absolutely impossible to secure new equipment for such work during the war years. Because of the shortage of labor, no equipment could be borrowed in recent months. The City bought a new maintainer several months ago for delivery in February, but now that the steel strike has come up, the local officials have no idea when this machine will arrive.

C. N. Hoffman is opening a new auto and home supply store at O'Donnell next door to Singleton Appliance.

Delinquent Tax Suits Will Be Filed

Frank Taylor, attorney connected with the Texas Tax Service of Austin, has been here this week preparatory to instituting a series of suits for the collection of taxes, or rather the sale of property on which taxes are long delinquent, for the City of Tahoka, Tahoka Independent School District, and Lynn county.

Most or all of the suits will be involving property in the City of Tahoka, or in the Tahoka school district.

Considerable property will be sold in the concerted campaign to clear the rolls of delinquent taxes. In addition to a few who have refused or failed to pay taxes in the past, there are many town lots, especially which are on tax unknown lists which are no worse than the taxes they have accumulated over the years. Such property will be sold at auction to the highest bidder.

Contrary to the general opinion, a homestead may be sold to satisfy tax claims if the owner has consistently failed to pay taxes, Mr. Taylor says.

Red Cross Roll Call Will Start March 1

Plans were started at a meeting in the county court room Wednesday night for the Red Cross annual drive for funds to begin March 1.

Clint Walker was elected campaign chairman for this year and chairmen for the various local districts were also named.

The quota for Lynn county this year is only \$2,300, not a third as much as the county's quota last year. But with a quota of about \$8,000—we do not have the exact figures—the County went over the top by several thousand dollars. It is believed the quota will be easily raised this year if all the chairmen will work at the job.

The names of the district chairmen and the quota for each district will be published in an early issue of this paper.

March of Dimes Short of Quota

Lynn County's contribution to the nationwide drive for funds to combat Infantile Paralysis had not been tabulated as we went to press.

Up to that hour only \$159.44 had been paid in. Both Wilson and O'Donnell and some of the churches were still to be heard from according to W. B. Slaton of the First National Bank.

Wynne Collier, local druggist is County Chairman of this drive, which is popularly called "The March of Dimes."

J. G. Scott, Lynn County Pioneer, Is 90 Years Of Age

J. G. Scott, one of Lynn's county's pioneer citizens, celebrated his ninetieth birthday Monday.

He and Mrs. Scott returned Saturday from a 40-day visit with his daughter, Mrs. Lynn Verhine, in Roswell. His son, Ben Ike Scott, is on Guam in the Pacific.

Mr. Scott came to the county only a short time after the county was organized, and has lived here continuously for about 40 years.

James Applewhite, who has been in the Army, arrived home Monday of this week with his discharge.

National Champion

TULIA, TEXAS—Welcome Volunteer Tiff, the new National Three Year Old Jersey Champion for both milk and fat, made much of her record on wheat pasture in the plains country of the Texas panhandle. Her owner is former 4-H Club boy J. Chester Elliff. Her recorded production made in the Register of Merit division of The American Jersey Cattle Club and supervised by Texas A and M College is 19,416 lbs. milk, testing 5.55% and 1,077 lbs. fat beginning test at 3 years 8 months of age. The former class leader replaced by this great record is Dream Noble Blanche Liza, a registered Jersey, owned by 4-H Club boy, P. E. Miller, Jr., Richfield, North Carolina. Her record was 19,129 lbs. milk, testing 5.53% and 1,059 lbs. fat.

Grand Jury Finds Three Indictments

The Lynn county grand jury, in session here the first of the week, returned three indictments.

Raefal Sabinas, Mexican, was indicted on a charge of burglary. He is alleged to have broken into the Saleh store in O'Donnell on the night of December 17. A lady saw him in the act, and when he became aware that he was being watched, took flight with the lady in pursuit. Sheriff Sam Floyd and Deputy Cleve Bairrington were in O'Donnell at the time, and joined the chase to capture the alleged burglar.

Two indictments were returned against Odie B. Clark, he being charged with forgery of the name of a Newmoore man to two checks.

Max Minor Still Setting Records

Max Minor, the Tahoka Terror, and holder of the Interscholastic League National 220 yard hurdle record holder is burning up the track at West Point by setting two new records.

Max set new records in the 80-yard low hurdles and the broad jump. He won the 60 yard dash.

Minor broke the record of Lee Christenson, also of Army, in the hurdles. Christenson ran second in the race. The old record was 9.5, and Max ran it in 9.1.

Minor set the record last year in the broad jump with a leap of 23 feet, 4 1-2 inches. In the recent meet, Max took first place with a leap of 23 feet, 11 inches. Douglas of Pittsburgh bettered the old record by a half inch, and finished second to Max.

Max has already used up his football eligibility at Army, with two years at Texas and two at West Point, but has been competing in track.

New Farm Homes Are Being Built

In spite of the difficulty in procuring material, some building is being done in the towns of our county and a few farm homes are being constructed. Ralph Kahlich of Wilson, recently discharged from service in the armed forces is completing a substantial farm home a half a mile south of Wilson and Earl Cummings has laid the foundation and is doing construction work on another two miles down the Santa Fe south of Wilson. Both of these will be handsome and commodious homes.

3,000 Poll Taxes Paid In County

County Tax Assessor-Collector Raymond P. Weathers reports that paid poll taxes and under-age exemptions this year total 3001. He estimates that there are in the County 600 average voters and 400 ex-service men who will vote without poll tax receipts, bringing the total voting strength of the County to a grand total of 4001. This is approximately 1000 more than were reported in 1945 an off year politically speaking, while the 1944 report was 3241.

Mr. Weathers reports that property tax collections have been very good to date.

Mr. Weathers also reports that he has received his car license plates and will be ready to begin issuing them on March 1. They must be procured by car owners and placed on their cars during the month of March.

Boy Scout Court Is Monday Night

Tahoka, Grassland and Wilson Boy Scout troops will participate in the annual Court of Honor ceremonies here next Monday night at 7 o'clock in the Tahoka school gym. Parents and friends of Boy Scouts are welcome to the meeting.

The Scouts are hoping to welcome home their old leaders, A. R. Milliken, scoutmaster, who has been in the Navy and hopes to be back home with a discharge almost any day, and Roy Anglin, assistant scoutmaster, who arrived home on Tuesday from Pearl Harbor, Hawaii, where he has been doing electrical work for the government.

No Payment In '46 For Farmers Not Signing By Feb. 15

Lynn County Farmers are again cautioned that in order to become eligible for payment in 1946 they must submit an application in writing for prior approval to the County A. C. A. Committee on or before Feb. 15th, 1946.

If you have not signed this, along with your 1946 Farm Plan Sheet, you are urged to do so as soon as possible at the A. C. A. Office. No application will be taken after Feb. 15.

Mrs. Harold J. Scott received a telegram Wednesday from her husband, Pvt. Scott, in Nuenberg, Germany, saying he was coming home. He is the son of Mr. and Mrs. J. M. Scott.

O'Donnell School Plans Consolidation

Fletcher Johnson, superintendent of the O'Donnell public schools, was in Tahoka Thursday morning conferring with County Judge Tom Garrard respecting the calling of an election at an early date for the consolidation of the O'Donnell and the Okay Independent school districts. Petitions for the election are already being circulated, and Mr. Johnson thinks it very probable that the proposal will be approved by the voters of each school district. Of course there is almost unanimous approval among the people of O'Donnell, and it is believed there will be little opposition at Okay.

The Okay district embraces about 48 sections of land and lies wholly in Dawson county south and southwest of O'Donnell. It has about 77 scholastics. Most if not all of these, however have transferred into the O'Donnell district for the past two or three years.

The O'Donnell district embraces about 75 sections of land and lies partly in Lynn and partly in Dawson county. The District operates 5 buses.

Mr. Johnson has been superintendent of the O'Donnell schools for a number of years and has done an outstanding work there. He is very popular with patrons and pupils alike.

The Joe Bailey school district lying east of O'Donnell in Lynn county was consolidated with the O'Donnell district a few years ago.

It is expected that the new election will be ordered by the court as soon as the preliminary work can be done and that the election will be set for some date in March.

Claud Johnson Sheriff Candidate

Claud W. Johnson, long-time and well-known Lynn county citizen has tossed his hat in the ring as a candidate for the office of sheriff of Lynn county.

Claud is known to almost everyone. For several months, he served as deputy sheriff here and also at O'Donnell, and is said to have done a good job. He says he likes the work and would "do his best to make a hand." His formal announcement follows:

"I wish to make my announcement as candidate for sheriff of Lynn county.

"I am 39 years of age. I came to Lynn county in 1927, and have lived in the county most of the time since. I was honorably discharged from the U. S. Army in June, 1942.

"I have had some experience as deputy sheriff of Lynn county. If elected, I will do my best to make a hand. My plan is to see each one before the election. Your vote and influence will be greatly appreciated.—Claud W. Johnson."

Sgt. Martin Brand Is Back In States

Pearl Harbor, T. H.—Sgt. Martin Brand, of Tahoka, is one of 1009 Army veterans returning to the States for discharge aboard the U. S. S. Westmoreland, an attack transport of the "Magic Carpet" fleet. This ship left Pearl Harbor, January 26 and was scheduled to arrive in San Pedro about February 1. The U. S. S. Westmoreland carried both troops and cargo as a unit of the Navy's supply fleet which supported the U. S. offensive throughout the Pacific war.

NEW DEPUTY AT O'DONNELL

Charlie Boswell and family of Tahoka moved to O'Donnell Wednesday where he will serve as Deputy Sheriff, the office having been vacant since Claude Johnson resigned a few weeks ago.

\$850,000 Bond Issue Would Build 130 Miles of Paving

Acting on the wishes of a large number of Lynn county citizens, the Commissioners' Court Friday ordered an election on Saturday, March 9, for the purpose of deciding if the people wish to issue \$850,000.00 in bonds and the levying of taxes to pay for same, for the purpose of building a network of farm-to-market roads over the county.

Groups of interested citizens from various parts of the county have been discussing the proposed bond vote with Judge Tom Garrard and Commissioners Pat Swann, Lonnie Williams, John Anderson, and Thad Smith.

Bond men have informed the court that 30 year bonds in such an amount payable serially can be sold now for possibly two percent interest.

Highway department engineers inform them that the bonds will build 130 to 140 miles of paved roads.

Though no promises have been made, or can be made, it is entirely probable that the State Highway Commission would assume the indebtedness within a few years, as it has in many other counties.

The News hopes to have some figures soon on the cost of the program as proposed to individuals in taxes.

Almost everyone agrees that Lynn county needs more paving. The highway department is starting on its 30-mile project in the county, but this will not serve a major portion of the people, and the only course of receiving farm-to-market roads at this time is through a bond issue.

The county is in excellent shape financially, in fact in better financial condition than almost any in this section, and such a bond issue would not be too big a burden on tax payers.

J. C. Evans Seeks Election To Office

J. C. Evans, well-known Tahoka citizen, announced this week that he is a candidate for justice of the peace in Tahoka, and invites the voters to give his case just consideration.

Though he has lived in Tahoka only two years, he previously lived at Newmoore for quite a while, and has made many friends here.

He came to Tahoka from Quemado, in the Rio Grande Valley, where he served as mayor of the city for two years, and as deputy sheriff of the county three and a half years. The county judge and the sheriff at that place have written highly recommending Mr. Evans as being of excellent character, faithful and efficient in his duties there.

Mr. Evans feels he is well fitted for the office by reason of his experience and training, and will appreciate the support and vote of the people. He expects to see every voter in Justice Precinct 1 before election day in July.

Calf Roping Club Formed Monday

A roping club was organized in a meeting of local men at the Legion hall Monday night. The club expected to stage calf roping events as soon as a location can be secured for corrals and roping grounds, and if sufficient interest is shown, to revive the annual Tahoka Roundup staged three successive years before the war.

Oran Short was elected president of the club, Charles Walden, secretary, and Sam Price, Borden Davis, Claud Johnson, and Bob Reagan, directors.

The County Agent Says:

Rabies is probably considered the most horrible death that a human being can imagine. From 4 to 6 people die each year from rabies in Texas, but many, many others have to take the prophylactic treatment for exposure. About this time each year, rabies outbreaks begin to appear.

Realizing the seriousness of rabies among dogs, and the fact that it quite often spreads to the livestock population, attention is called to the fact that this disease has public health significance that justifies the best efforts on the part of the Lynn County residents in controlling and preventing an outbreak. Lynn County residents should watch dogs and other types of livestock rather closely during this season of the year, and any peculiar actions that might indicate symptoms of rabies should be reported to the County Health Officer immediately. Should the need arise, the Livestock Sanitary Commission of Texas may be called upon for assistance, since they are delegated with the control of contagious and infectious diseases among livestock, domestic animals and fowls, with particular emphasis on rabies among dogs.

Rabies vaccination alone will not control an outbreak and the fact that some dogs vaccinated without confinement might develop rabies, it is necessary that every precaution be used in the use of preventive vaccination. This vaccination, of course, must be done by a licensed veterinarian.

Lynn county farmers have on file in the County Agent's office, applications for bangs testing on over 100 head of dairy cattle. These are so widely scattered throughout the county, however, that several additional applications should be filed in the various communities in order that proper groupings can be made to justify the services of a veterinarian in making these tests. Therefore, farmers in the Wilson, Grassland, Draw, O'Donnell, Wells, New Home and Tahoka communities who want their cattle tested for bangs disease, should get their applications on file in the County Agent's Office at their earliest convenience. When the services of a veterinarian have been arranged, or cards will be sent to those who are to have their cows tested, advising them as to the date the veterinarian will be at their place.

A county-wide labor saving device show, tentatively scheduled to be held in connection with the

spring livestock show, should be of particular interest to Lynn county farmers. All types of labor saving farm machinery and equipment will be exhibited, with particular emphasis upon home-made labor saving devices. Farmers in the county who have made or intend to make any labor saving devices are asked to begin planning now to have an entry in this show. A truck load of home-made labor saving devices from A. & M. College will likely be on exhibit at this show. All farm machinery and equipment dealers will be invited to have entries in the show.

FAMILY REUNION

Mr. and Mrs. Pierce Murrell of California, Mrs. L. E. Schreiner of Little Rock, Ark., the children of Mr. and Mrs. P. C. Baety of California and Cpl. and Mrs. Harley Smith and son all visited in the home of Mr. and Mrs. O. S. Smith in the last two weeks. Harley Smith coming in from the U. S. Army, Jan. 28. Mrs. O. S. Smith and her two sisters, Mrs. Pierce Murrell and Mrs. L. E. Schreiner went to Claremont the last week to visit their brother, Clyde Baety, Loyd Baety also visited in the Smith home. They had a wonderful time because it was the first time they had been together in 16 years.

TAHOKA BOYS LEAVE FOR NAVY SERVICE

H. L. McMillan Jr., son of Mr. and Mrs. H. L. McMillan Sr. of Tahoka, and A. J. Jester, son of Mr. and Mrs. A. D. Jester of New Lynn left Monday for Dallas to enlist in the Navy if they should pass the physical test, about which there was little doubt.

Until last fall when he entered the West Texas State College at Canyon as a student, H. L. was employed in the News office for several years after school hours, on Saturdays, and through the summer months.

He has an older brother, Edward McMillan, who has been in the Navy since the spring of 1941 and who was on the Oklahoma battleship at the time it was sunk in Pearl Harbor. He escaped with his life, though injured, and has seen much service on land and on sea

since. He is now on a submarine tender, and H. L. is hoping that he can get an assignment on the same ship.

Edward was likewise employed in the News office for several years before enlisting in the Navy.

Both H. L. and A. J. Jester are just approaching their eighteenth birthdays.

Cpl. Harley Smith, son of Mr. and Mrs. O. S. Smith returned home from the U. S. Army, Monday, January 28, from Okinawa. He spent two years in the army, 1 year

of it overseas. He is married and the father of one son.

More Headaches for the Farmer

Once more the farmer is being asked to break all food production records. To plow more acres, feed more livestock and harvest more crops than ever before. He is being asked to do this so that America may continue to feed and clothe the needy throughout the world, as well as our own folks at home.

To carry out this job the farmer must have tools of production. Most of those he owns have taken a terrific beating. They can't be tied together much longer with rusty fence wire.

In the teeth of this situation, the farmer ran into a strike in the steel industry—a strike which hit at the heart of food production.

When the steel plants shut down, manufacturers of farm machinery and equipment, farm trucks and tractors cannot get steel for their products.

This year the farmer won't receive as many of the replacements he desperately needs. He'll fight ahead with his old, broken machinery trying to crack another food production record, but the cards are stacked against him.

All this means more headaches for the farmer—loss of vital food production, and a bad dent in his pocketbook.

Facts Too Frequently Omitted

The steel strike was called by the United Steelworkers of America—CIO, which insists on a wage increase totaling \$166,000,000. The U. S. Steel Corporation has offered a wage rise which if applied throughout the industry would amount to \$135,000,000.

Steel workers are already among the highest paid wage-earners in America. Before the strike their average earnings were approximately \$1.16 an hour, \$9.26 a day and \$46.32 a week—on a forty-hour week. The U. S. Steel offer would have given them about \$1.31 an hour, \$10.46 a day and \$52.32 a week. But they refused it, and accused the steel industry of conspiring to ruin the union with an offered wage increase of \$25 a month, the highest increase in the industry's history.

The strike is a direct violation of the contract between the union and the steel companies. The union wanted a long-term contract and got it. The union agreed not to strike during the life of the contract. Yet, the union struck on January 21.

Fighting for a Way of Life

Farmers have a big stake in continuous steel production. They have an opportunity to say what they think about unchecked labor monopolies which bring to a stop the nation's recovery efforts, through excessive wage demands which could only add to inflation and cause soaring prices.

Not until enough of them protest unfair, dictatorial actions and urge proper safeguards against arrogant, heedless union leadership and one-sided labor laws will the country get back to sane, profitable production where everyone works together toward a better standard of living.

Mrs. Boswell Edwards gave her little son, Larry, age five, a birthday party last week. About fifteen children and nine mother, were present.

The Lakeview and Betty Methodist Church have organized a Missionary Society. They organized January 26, and they have a meeting every Monday.

Mr. Buford Ater died Thursday January 31, at the Lubbock Memorial Hospital. The funeral was held February 1.

Mr. W. G. Minton is recovering from an operation he had last week at the West Texas Hospital.

Mr. Lee Savage and family from Spade have bought the Reagan farm. Their daughter, Coleen, is a freshman in school.

The Home Economics girls of New Home had their style show Friday, February 1. The places awarded for the first year girls who made school dresses were: first place, Martha Crabtree; second place, Florine Walters; third place, Emadene Robinson. The second year girls who made dressy dresses the girls who placed were: first place, Jo Rita Ray; second place, Marlene Tamplin; third place, Peggy Joyce Murray. After the style show, sandwiches, punch, and cookies were served to the girls, their mothers, and the school faculty.

Lorraine Rodgers withdrew from the fourth grade and has moved to Merkel, Texas.

Those on the honor roll from the fourth grade were: Barbara Brown, Greta Heck, Ronald Smith, Nita Fortenberry and Lorraine Rodgers.

Those on the honor roll from the eighth grade were: Randolph Gass, Ken McClintock, Darlene Cromer, Jean Griffiths, Willie Mae Minton, Norma Dene Murry, Katherine Anne Roper, Mary Evelyn Young.

Mr. and Mrs. W. L. Goad are the proud parents of a new son born February 4.

Mr. Lawrence Owens who has just recently received his discharge and has been serving in the South Pacific has been visiting his sisters Mrs. A. L. Pace and Mrs. J. W. Shadden.

Mr. and Mrs. W. W. Hall have been visiting friends in New Home recently. He has just received his discharge. He is planning on moving his home from New Home to Lubbock where they plan to live.

ORDER EASTERN STAR

The Valentine or Love Motif was very much in evidence at Masonic Hall last Friday night when Tahoka Chapter No. 743 received their Deputy Grand Matron on her official visit.

Mrs. Pauline Smith of Lubbock, Deputy Grand Matron, District Two, Section Four, won the hearts of her hearers with timely and helpful advice about their work and her witty remarks throughout her talk. In keeping with the affection in which she is held she was presented a large red heart-shaped box of Valentines from Tahoka O. E. S. officers, the box also containing a gift of a piece of crystal.

Mrs. Pearl Metcalf, former resident of Tahoka and Wilson and now Worthy Matron of Mrs. Smith's home Chapter, Lubbock, No. 76 was also a visitor. She is a former member of Tahoka Chapter.

Refreshments were served to more than 40 members and visitors. Mrs. Mittie Walker of Grassland is Worthy Matron of the local chapter.

John Heck of Wilson and Garland Pennington of Tahoka returned early this week from Washington, where they had been on business relating to the Lyntegar electric cooperative. Some important extensions are to be made soon.

Misses Ruth Huffaker, Nelda Lois Moore and Mary Katherine Murray, all of Grassland entered Bethany Peniel College at Bethany, Okla., at the beginning of the Spring Semester, recently.

Mr. and Mrs. A. L. Smith and Mr. and Mrs. J. A. Biggerstaff spent a few days this week on business in Temple.

KEYSER-REESE

Using the beautiful single ring ceremony Rev. Levi W. Price spoke the sacred words that united in marriage Private Jack Keyser of Huntington, West Virginia and Miss Lorene Reese of Tahoka as they stood before an improvised altar in the living room of the K. R. Durham home at 6:30 Wednesday evening.

Miss Valerie Wells played the wedding music.

The couple was unattended and the bride's costume was a golden colored street dress with appropriate accessories. Her beautiful shoulder corsage was of white carnations.

Only the family and a few close friends attended the wedding and the couple left almost immediately for Lubbock from which they started for the groom's home in West Virginia where they will make their home.

The groom, still in uniform, had just received his discharge after a period of service in the Army overseas, and was returning to his civilian work in a steel mill in his home state.

Mrs. Keyser, only daughter of Mr. and Mrs. J. L. Reese, was practically reared in Tahoka, where she graduated from High School. For several years she has been employed as a laboratory technician in the office of Dr. K. R. Durham, local Dentist. She had been active in the Business Women's Club and in church affairs and will be greatly missed by a large circle of friends in Lynn County.

PYTHIAN SISTERS

Lynn Temple of Pythian Sisters are actively entering into their work of the new year. As this organization is benevolent in character plans have been made for securing funds to carry on the work in Lynn County.

Officers for the present year are:

Merle Mathis, M. E. C., Nina Short, Florence Cowan, Guard, Hattie E. S., Martha Floyd, E. J. Florine Short, Past Chief, Millie Hill, Reporter, Betty Frazier, Pianist, Paul-nutt, M. of F., Mildred Sherrill, Line Warren, Captain of Degree Manager, Lou Calvery, Protector, Staff.

TAHOKA DRUG THE BEST OF EVERYTHING
L.C. HANEY PHONE 99

Congratulations—

Mr. and Mrs. J. B. King of Dixie on the birth of a son at Sinclair Clinic, Feb. 1. The little fellow weighed 9 1-2 pounds and will be called Weldon Ray.

Mr. and Mrs. Wallace E. Moffat of 3812 28th St. Lubbock upon the birth of a daughter on Sunday, January 27. Both parents are former Lynn county residents. The mother is the former Rosemary Knight, daughter of Mr. and Mrs. J. H. Knight. Wallace is the son of J. G. Moffatt.

PVT. LEE WALLER ENTERTAINED

Pvt. Lee Waller, who was home on a three-day pass from Camp Fannin, at Tyler, was honored by his neighbors and young friends with a party last Tuesday evening in the home of Mr. and Mrs. O. C. Mensch of Draw.

About 50 attended the party and played games until a late hour.

Pvt. Waller who is the son of Mr. and Mrs. C. C. Waller of Draw returned to his station Thursday.

FAMILY REUNION

Mr. and Mrs. J. C. Evans had a number of visitors in their home last Sunday and a great feast at the noon hour.

The guest of honor was their grandson, Sgt. Ray Nole of Pampa, who had recently arrived from overseas and came down in company with his parents, Mr. and Mrs. John Nole, to visit his grandparents, Mr. and Mrs. Evans.

Mr. and Mrs. George Merritt of Brownfield and Mr. and Mrs. J. T. "Slim" Elliott of Tahoka were other guests.

Sgt. Nole had been serving for several months in the Philippines and did his part to wind up the war, but upon arriving back in the homeland he re-enlisted in the service for a year.

Cpl. Charles Reid returned home Saturday morning and was immediately joined by his wife, Mrs. Reid, formerly Miss Alice Roberts. They went to El Paso this week to get Charles discharged. Then they will go to Ruidosa to visit Mr. and Mrs. Tom Reid and then will return home.

WILKE INJURED

Mrs. Charlene Maddox Wilks is a patient in the Tahoka Clinic suffering from injuries sustained when her car and one of the Tahoka buses side-swiped each other at the intersection of North Third and the paved street running north and south a few blocks east of the school buildings late last Friday afternoon.

Mrs. Wilks and her two sons were coming south in her car, and the bus, driven by J. H. Wheeler of the high school, was going west. Seeing each other just as their vehicles were about to collide, Mrs. Wilks' car was badly damaged.

Mr. Wheeler to the left, but a collision could not be entirely avoided. Mrs. Wilks' car was badly damaged and she herself suffered the fracture of the clavicle or collar bone a fracture of the coccyx or lower portion of the vertebrae, and just a slight fracture of the pelvic bone.

She was taken to the Tahoka Clinic for treatment, and on Monday she suffered the collapse of one lung, caused from a bruise resulting in a blister, which ruptured. On Thursday, however, the lung was rapidly resuming its normal functions, and the other injuries were apparently healing as well as could be expected. Judge and Mrs. B. P. Maddox, her parents, report however that it will doubtless be necessary for her to remain in the Clinic for several weeks.

Mr. Wheeler was slightly but not seriously injured, and some damage was done to the bus.

No particular blame is laid upon either party; it seemed to be just one of those unfortunate accidents that will sometimes occur to any ordinary driver.

James Williams, 9, son of Mrs. Albert Williams who has been ill in Tahoka Clinic the past two weeks and has undergone two blood transfusions is showing improvement and will likely return to his home this week-end.

W. M. U. SCHOOL OF INSTRUCTION

Opening at ten o'clock Tuesday morning in Tahoka Baptist Church with Mrs. Clarence Morton of Lamesa in charge, the Brownfield Association W. M. U. held a very successful one-day school for the training of officers and members of the organizations in the various churches in the Association.

Eight churches sent more than 75 women to this one-day meeting to be instructed in carrying on the women's work more efficiently as Mrs. Morton explained, in a most interesting way, the W. M. U. handbook "Things We Should Know".

At the noon-hour a covered dish

luncheon and fellowship hour was enjoyed in the church dining room.

Mrs. Morton, who is State Community Missions Chairman and is the wife of the Baptist pastor in Lamesa is a former resident of Tahoka. In her school days here she was Miss Hallie Adams and enjoyed meeting some of the "old timers" during her day in Tahoka.

Mrs. L. Lumsden of Wilson, District Nine W. M. U. President also attended the meeting as did Mrs. Garland Pennington of Tahoka, the Association President and other District and Association officers.

In the awarding of the attendance banner at the close of the meeting it was found that two of the smaller societies, Gomez and Petty had tied for highest attendance based on percentage of membership.

FORMER AHOKA PASTOR HEADS TAHOKA CHURCH

Many Tahoka people were much interested in the story and accompanying pictures appearing Sunday in the Avalanche-Journal depicting the opening on that day of a new Mission church in that city sponsored by the First Baptist Church of Lubbock, with Rev. George A. Dale as the Mission pastor, since the Rev. Mr. Dale had been pastor of the First Baptist Church of Tahoka for eight years before his removal to Lubbock three years ago. The Mission Church opened its doors for the first service at 9:30 o'clock Sunday morning and Rev. Mr. Dale preached the first sermon in it at the 11:00 o'clock hour. The new organization is not strictly speaking a separate church but is an arm of the First Baptist Church of that city of which Dr. C. E. Jereford is pastor.

Like all other worthy institutions it is not the work of a day nor of a year even, but of many years. It is a growth.

Seventeen years ago the Hon. George Dupree, a prominent lawyer of Lubbock, organized a Sunday school for the ill-clad and ill-fed children that lived in the Sanders school neighborhood lying between the business district of Lubbock and the Yellowhouse Canyon. These for the most part were the children of the extremely poor, living chiefly in mere shacks. But he nursed and nurtured that Sunday school, with the aid of other faithful souls, and it grew and did an increasing useful work, meeting all these years in the Sanders school building.

Something more than a year ago, the First Baptist Church of Lubbock and the Brotherhood organization became actively interested in establishing a preaching mission in that neighborhood, and Rev. George A. Dale was employed as city missionary. He began holding services in the Sanders School building. The work prospered, and steps were soon taken to construct a Mission building. As a result, a \$25,000 structure now stands on a plot of ground near Sanders School overlooking Mackenzie State Park and the Yellowhouse Canyon, in which the Sunday school will meet and regular church services will be held every Sunday. It is a frame structure finished with stucco outside and plaster inside, and though not one of the most expensive, it is described as the most beautiful church structure in Lubbock.

Furthermore, neat houses are taking the places of the shacks in that neighborhood and it is rapidly becoming an attractive section of that city.

Most of the credit for this transformation is due to the Baptist Brotherhood, of which G. H. Nelson, a former resident of Tahoka who served as district attorney and state senator while living here, is president.

Miss Amanda Leedy has sold her residence here to N. W. Smith and has gone to Kansas City, Mo. to be with her sister, Miss Grace Leedy

FLUSH KIDNEY URINE

Benefit wonderfully from famous doctor's discovery that relieves backache, run-down feeling due to excess acidity in the urine

People everywhere are finding amazing relief from painful symptoms of bladder irritation caused by excess acidity in the urine. DR. KILMER'S SWAMP ROOT acts fast on the kidneys to ease discomfort by promoting the flow of urine. This pure herbal medicine is especially welcome where bladder irritation due to excess acidity is responsible for "getting up at night". A carefully blended combination of 18 herbs, roots, vegetables, balsams; Dr. Kilmer's contains nothing harsh, is absolutely non-habit forming. Just good ingredients that many people say have a marvelous effect.
Send for free, prepaid sample TODAY! Like thousands of others you'll be glad that you did. Send name and address to Department A, Kilmer & Co., Inc., Box 1225, Stamford, Conn. Offer limited. Send at once. All druggists sell Swamp Root.

B. C. Corley Home With Discharge

B. Coker Corley of Lamesa, veteran of two major campaigns, served with the 16th Infantry regiment. A heavy truck driver and private first class, he participated in the Rhineland and Central European campaigns, earning the European-African-Middle Eastern ribbon with two battle stars. Corley was overseas for 10 months and 24 days after entering the Army on March 4, 1943, at Lubbock. Also awarded the Victory ribbon and Good Conduct medal, he arrived in the states Jan. 9, receiving his discharge Jan. 17.

His wife is the daughter of Mr. and Mrs. Houchin of Wilson and his parents are Mr. and Mrs. O. A. Corley, formerly of Wilson but now of Glen Rose.

Mr. and Mrs. Jim Dye, formerly of Tahoka, were here the first of the week visiting Mr. and Mrs. Russell Vernon and other friends. Lately they have been living in Hobbs, but are moving back to San Angelo, where they have lived most of the time since leaving Tahoka.

Sir Isaac Newton, the great English physicist, was born on Christmas day in 1642.

JAMES E. FARR, MM. 3-c VISITS WASHINGTON CENTER

Washington, D. C.—MM. 3-c James E. Farr, Navy, son of Mrs. H. Farr, Tahoka, was among recent guests at the United Nations Service Center on Union Station Plaza, Washington, D. C. The center is primarily designed for transient personnel of the United Nations armed forces—officer and enlisted, men and women, and their immediate families. Due to its convenient location, the United Nations center makes a thoroughly satisfactory "first stop" for those service people who are in the Nation's Capitol for either just a few hours, or several days' leave. MM. 3-c Farr, commenting on the Center said, "Bouquets to all of you".

Mrs. G. W. Harris of Bluff Dale spent several days this week with her daughter and son-in-law, Mr. and Mrs. Paul Pittman. Mrs. Pittman is a member of the local school faculty.

Charley Howell and family have recently moved to Hobbs, N. M.

MARINE LEO WENZEL HERE VISITING FOLKS

Pfc. Leo A. Wenzel, son of Mr. and Mrs. A. D. Wenzel of Route 1, Brownfield, is home on furlough from the U. S. Marine Corps. He will report back to Corpus Christi, February 25.

He was reared at Wilson and has many friends in Lynn County. He was a visitor in the News office while in Tahoka to visit his sister.

Mrs. Christine W. Welch of the local REA office.

Pfc. Wenzel has been stationed on Guam the past several months. He was wounded in the invasion of Iwo Jima.

Mrs. H. L. McMillan left Sunday night to visit her parents at Plano near Dallas.

Lakeview Man Died Last Week

B. B. Ater, a prominent citizen of the Lakeview community in the extreme northwestern corner of Lynn county, 58, died just before noon on Thursday of last week in the West Texas Hospital, Lubbock, after having suffered a stroke on Wednesday. He had suffered a previous stroke about Christmas.

Mr. Ater was a native of Bell county but while a boy he came with his parents to Roscoe, where he grew to manhood. He acquired property and came out to a ranch near Meadow in the 'teens, and had lived in that vicinity ever since.

Funeral services were conducted in the First Methodist Church in Lubbock on Friday afternoon, with Dr. L. N. Lipscomb, district superintendent, officiating, assisted by the Methodist and Baptist pastors at Meadow. Burial was in Lubbock cemetery. Pall bearers were L. C. Wade, E. F. Schwartz, C. L. Emiel, W. C. Patman, S. L. Williams, and Roy Nettles.

Survivors are his wife; two daughters, Mrs. H. E. Lindsey of Whiteface and Mrs. Hayden Moody of Santa Monica, California; a step-son, Jack Nettles; four broth-

These Are Veterans

RETRAINING FOR LIFE—The Veterans' Administration, backed by the dollars from the Victory Loan, will give retraining to thousands of disabled veterans similar to these two mere boys shown at George Washington University, Washington, D. C. Veterans' Administration photo.

ers, Ernest and Horace of Roscoe, Alva of Acuff, and Reverdie of Ropesville; and two sisters, Mrs. John Hastings of Roscoe, and Mrs. W. E. Lagow of Fort Worth.

Mr. Ater had a number of long-time acquaintances in Tahoka, including the publishers of the News.

Baptists Attend District Meet

Rev. Levi Price, pastor, and Rev. Howard Martin and E. I. Hill of the First Baptist Church attended the two-days session of the 25th annual Pastors' and Laymen's Conference held for District Nine in the auditorium of Wayland College at Plainview on Monday and Tuesday of this week. P. A. Nowlin of the local church also attended Monday. A number of other Lynn county Baptists were also present on one or both days.

The attendance was unusually large, the auditorium being crowded at practically every service. District Nine embraces about twenty Plains and Panhandle counties, but many were present from neighboring districts.

In addition to a number of the outstanding pastors and laymen of the Plains and Panhandle, appearing on the program Rev. C. E. Matthews of Travis Avenue Baptist Church of Fort Worth, now conducting revival services in the First Baptist Church of Lubbock, appeared three times on the program, and Rev. Charles A. Powell, pastor of the University Baptist Church of Abilene for seventeen years but now of Rule, appeared on the program four times. He is recognized as one of the greatest Bible scholars and pulpit orators among the Baptists of Texas.

The Tahoka pastor, Rev. Levi Price, was the last speaker, Tuesday night of the two-days Conference, and he delivered a masterful discourse on "Spiritual Transformation and World Reconstruction."

A number of Wayland students appeared on the program from time to time and the Music Department gave a concert Tuesday evening just preceding the men's program.

Rev. A. A. Brian of Brownfield was elected president for the ensuing year.

Roy Hicks' Father Is Taken By Death

Mr. and Mrs. Roy Hicks were at Rochester, Haskell County, several days last week and this because of the serious illness and death of his father.

The father, John Marion Hicks, almost 65, passed away Friday and funeral services were conducted by Rev. Lowell Ponder of Houston and other pastor friends in the Baptist Church there at three o'clock Sunday afternoon.

Mr. Hicks, who was born in Mississippi, had lived in Haskell County 57 years. His survivors include his wife and seven children, including Roy of Tahoka.

Lt. (j. g.) Martin S. Reese was here from his home in Grandview, Texas to attend the wedding of his sister, Miss Lorene Reese to Jack Keyser. Their brother Carna Reese, Ministerial student in Hardin-Stimmons was also here.

MERCHANTS SALES PADS, 6 for 25c at The News office.

Mrs. T. J. Wiley of Grassland Dies

Funeral services were conducted Sunday afternoon at the Grassland Methodist Church for Mrs. Nancy Wiley, 75, who died at about 11:30 last Friday. The remains were buried in the Grassland cemetery.

Survivors include the husband, Thomas J. Wiley, and one son and five daughters as follows: Emory J. Wiley of San Benito, Mrs. J. C. (Ola) Allen of Lubbock, Mrs. Hatlie Richey of Harlingen, Mrs. J. C. (Vada) Warrick and Mrs. M. C. (Nora) Richey, both of Grassland, and Mrs. Sarah Wardlow of San Benito.

Mrs. Wiley was a devout Christian character, much beloved on account of her matronly qualities.

Mr. and Mrs. George Akin and children went over to Ruidosa for the week-end. They were accompanied by Mr. and Mrs. Eual Akin and Arvil Akin who are employed there and remained.

MISS EDNA VAN DYKE, SO EARWOOD ARE MARRIED IN HOT SPRINGS, N. M.

Mr. W. N. Van Dyke, Rt. 4, Tahoka, is announcing the marriage of his daughter, Miss Edna Van Dyke to Mr. S. O. Earwood of Hot Springs, New Mexico.

The Rev. Jacobs of the First Methodist Church of Hot Springs, read the ceremony Sunday afternoon, January 27, in the Church Auditorium, before members of the groom's family and a few close friends.

For her wedding Mrs. Earwood wore a powder blue suit with pink hat and black veil, white suede gloves and black accessories. For something old she wore a beautiful diamond ring presented by Mrs. Jenkins, of Hot Springs; for something new, a string of lovely pearls with sapphire clasp presented by a very special friend, Mrs. G. W. Shahan of Hot Springs; for something borrowed, a black leather-bound Bible, donated by G. W. Shahan and for something blue; a blue silk handkerchief presented by Miss Rose Lopez, also of Hot Springs.

Mrs. Abbey and Grady Abbey of Hot Springs, were the couple's attendants. Others of the family and close friends in attendance for the ceremony were the bridegroom's two sons and their wives of Hot Springs, Mr. W. R. Warren, Mrs. M. D. Hallmark and Mr. D. R. Adams all of Tahoka, and Mr. and Mrs. G. W. Shahan, Mr. and Mrs. Hurt and Mrs. Jenkins all of Hot Springs.

The bride and groom were old acquaintances of long standing, having first met in Delta county, Texas in 1918.

Members of the family entertained with a wedding supper in the couple's home, following the ceremony. The beautifully decorated wedding cake of angel food was presented by Mr. Warren. The heavily laden table was covered with a beautiful Spanish linen table cloth and matching napkins.

The bride has been a resident of near Tahoka for fourteen years, living with her father in his home in the Dixie community. She has been active in Sunday School and Church work in the Methodist Church of Dixie.

The couple will be at home in their home three miles South of the city of Hot Springs, New Mexico.

P. T. A. TO MEET FEB. 14

The Parent Teacher association will have its regular monthly meeting Thursday February 14 with Mrs. James Clinton as the principal speaker on Founders Day program. The grade school children will present a Valentine program.

The organization has been instrumental in buying playground equipment, a projector machine and a microphone and has added books to both grade and high school libraries. Although the membership is large the attendance has been rather small.

It is necessary for the parents to attend and take an active part in the P. T. A. if it is to succeed in its purpose of establishing closer relationship between the school and the home.

An attendance prize is offered to the room having the largest attendance each meeting on second Tuesdays. The Dec. prize went to Mrs. Walter Mathis section of second grade.

Be present Thursday February 14 and vote for your child's room.

P. T. A. TO HAVE REGULAR MEETING FEBRUARY 14

The Tahoka P. T. A. will meet Thursday Feb. 14 at the High School Auditorium at 3:45 promptly. Please notice the change in time and be on time and let us have a good number in attendance.

To have a standard organization, we are supposed to have three study courses during the year. Those courses are: 1. Parliamentary Procedure Course. 2. A Parent Teacher Procedure Course. 3. A 12-hour course on "Education for Home and Family Life." At least four persons must register and complete course no. 1. and at least eight members must register and complete the other two courses.

Those interested in these courses please notify Mrs. Abbey Whorton as early as possible.—Mrs. Truett Smith, president P. T. A.

PARTY HELD FOR CLAUDINE NEWTON

Little Miss Dixie Claudeene Newton, daughter of Mr. and Mrs. Bill Newton was honored with a birthday party February 1 by her Aunt, Mrs. Elmer Newton and her mother.

Dixie Claudeene was three years old February 1.

Those present were little misses Sundra Quillin, Norma Katherine Presley, Lou Elita Presley, Sandra Sikes, Jolene Sikes, Merna Mae Roberts and Lenabelle Newton.

The children were served angel food cake and drinks. Many lovely gifts were brought.

WEST POINT RESIDENTS GIVE SHOWER FOR MRS. HILL

In keeping with a long established custom, the West Point community were hosts for a miscellaneous shower and party for one of their young women who had recently married.

The honoree was Mrs. Billy Hill of Tahoka, the former Miss Mildred Flint and a native of the West Point community.

The gift party was held in the American Legion Hall in Tahoka where the West Point friends were joined by a few Tahoka friends of the young couple.

Hubert R. Tankersley acted as master of ceremonies and presented the gifts, which were opened and shown by the bride and groom.

Mmes. Roy Taylor, Terry Noble and Hubert Tankersley served refreshments after which games were enjoyed.

About fifty attended the party and a number of others contributed to the large array of linens, blankets, pottery, glassware and so on, received by the couple.

WE'RE ON THE MOVE

... WITH EVERYTHING IT TAKES!

THE great Panhandle-Plains and Pecos Valley, area is really going places and we've got everything it takes when it comes to industry and agriculture. This area is the land of NEW opportunities. There are great possibilities here for all of us and our Company is doing its part by expanding its facilities to those who want and need our service—which is low cost, dependable electric power—a necessary adjunct to all industrial and agricultural progress—and better living in the home.

There is no better soil than in this territory for growing any number of important and profitable crops—including cotton, wheat, potatoes, alfalfa—and there's a ready market for everything you grow. . . . **OIL FIELDS** in this vast area are world-known. Everyone knows that our great peacetime industrial growth will demand more and more oil and natural gas. . . . **THE PANHANDLE-PLAINS** and Pecos Valley area is now producing vast supplies of dairy products, including millions of dollars in butter and cheese. . . . **YOU WILL** be amazed at the fine industrial opportunities in this area. Already we have scores of large and important industries in this area and from all indications, there will be many more industries attracted to this section of the country. . . . **EVERY YEAR** finds an increasing de-

mand from all parts of the nation for sorghums from this fertile area. Extensive tests have been made of our sorghums and experts tell us that they're the finest in the world. . . . **THE RANCHES** in the vast Panhandle-Plains and Pecos Valley area are turning out highest quality beef cattle . . . and good solid beef that's marketed all over the United States. This territory now produces far more than two million head of beef cattle annually. . . . **EVERYONE KNOWS** that the climate in the Panhandle-Plains and Pecos Valley is ideal. Cool, invigorating summer nights and our moderate winters keep us comfortable and healthy the year 'round . . . and the scenery is gorgeous. Yes, we really have something to talk about in the Panhandle-Plains and Pecos Valley—we're going places with everything it takes

CALL OFF THE DOGS, PLEASE.

That Senatorial investigation of the Pearl Harbor debacle seems to have developed into a game of the pot calling the kettle black, and vice versa.

The War and Navy Departments in Washington apparently undertook to saddle the blame on the admirals and the generals out in the Pacific, and Kimmel and Short and others proceeded to deny that they were negligent or remiss in their duties and to hurl charges back at the higher-ups in Washington. So Mr. Average Citizen is yet undecided as to where the blame lies.

He probably does not believe, however, that anybody was wilfully careless or indifferent, but he suspects that there was some negligence and some inexcusable failure to grasp the gravity of the situation at both ends of the line, especially at the Washington end. We can

not forget that shortly before the Pearl Harbor attack Secretary Knox of the Navy Department wrote an article for a magazine in which he set forth the overwhelming power of our "two-ocean Navy" and asserted in effect that we were prepared for any eventuality. Before that issue of that magazine reached the reader, the major portion of our great battleships lay as wrecks on the bottom of the bay.

As a matter of fact, the higher-ups in Washington as well as in the Pacific were surprised by the Pearl Harbor attack. They had underestimated Japan's audacity as well as her striking power, just as we boys out in the hinterlands had done. All of us were amazed and astounded when Japan struck. They were more to blame than we of the hinterlands because it was their business to know the strength and the mettle of a probable enemy, while we had no adequate means of knowing it.

We think some of these Washington dignitaries and some of the Army and Navy leaders in the Pacific alike should admit that they were fooled, possibly a bit "dumb," and then call off the investigation hounds.

There are many Japanese residing along our west coast who are natural-born or naturalized American citizens. Many of them are good citizens. They have been loyal to our country as against the land of their ancestors in time of war and peace. Yet, we have heard no cry from the Washington politicians that there be no racial discrimination against them. We have heard no demand from the labor unions, from the racial-equality fanatics, nor from Northern or Western Congressmen, that these Japanese be given an even whack with other Americans at the job counter. On the other hand, a lot of politicians and radio commentators who have been berating the South for its alleged unfairness to the Negro have raised no voice against the Chinese in this country who where in favor of the Japanese and are taught to "stay in their places" and to keep their noses out of white folks' affairs. If you gentlemen are as strongly opposed to racial discrimination as you pretend to be, why don't you raise a cry for repeal of the law which denies citizenship to Japanese and Chinese? Why don't you raise sand for the repeal of the immigration law which forbids admission to this country of citizens of India, Burma, Siam, Indonesia, Indo-China, and Korea, as well as Japan and China proper? Answer these questions and then tell the South that you holy-holy folks have no racial prejudices.

A press report says that a crop failure in India portends another devastating famine. It is claimed that 50,000 people starved to death in India in 1943, and that hundreds of thousands have starved to death in China in recent years. Millions of others have been on the verge of starvation. It is devoutly hoped that something can be done about these famines that visit these non-Christian semi-civilized peoples periodically. It is believed that something worth-while will be done. The introduction of improved farming machinery and scientific farming methods should do much to increase production and prevent famine. We understand that the U. S. Department of agriculture together with other agriculture scientists and experts and manufacturers of farm implements are planning to bring about a better day agriculturally—for India and China and other backward nations. Famine and the menace of famine must be stamped out eventually throughout the world just as we have stamped out yellow fever and the Bubonic Plague and other maladies in this and neighboring countries. In the meantime, we should be getting our hands down into our pockets for a liberal offering to the Red Cross during its next drive for funds to help feed the starving millions in the war-torn and famine-infested nations of the world.

The number of serve men recently discharged who are entering or re-entering business in Tahoka is distinctly impressive. Some of them who enlisted as mere boys or very young men have come back to us as matured, serious-minded men, worthy of our utmost confidence and esteem. Most of them have had experiences that try men's souls—that have burned out much of the dross and left the pure gold. They are taking their places not only in the business and industrial life of our towns and communities but also in our churches and our civic and service clubs. We feel that they are going to enhance and enrich our civilization, our social, civic, religious, and political life, and help to give the world a more exalted opinion of America and Americans than it has ever had heretofore. We are truly proud of our young men as a whole who have come back from the war.

J. D. EVANS DISCHARGED
PORT LEWIS, Wash.—J. D. Evans, Rt. 1, Tahoka, was honorably discharged from the service, officials at the Separation Center have announced today.

Extend Date For Farmer Sign-Up
Due to the shortage of clerical help in the Lynn County A. C. A. office the last date for signing the 1946 Farm Plan sheets and submitting requests for prior approval to carry out soil building practices in 1946 has been extended through Feb. 15, 1946. Before a farmer can become eligible for conservation payment in 1946 he must secure a written prior approval from the County Committee for practices applicable to this county. Maximum payment that can be earned in this county is \$2.00 per acre of cropland and 20 cents per acre of pasture or range land. Those who have not signed up are urged to do so on or before Feb. 15.

PRIVATE IN REGULAR ARMY TO BE PROMOTED TO PFC AFTER SIX MONTHS

The United States Army Recruiting Service today announced that all persons unless sooner promoted who enlist or have been enlisted as a private in the Regular Army on or after the first of January 1945, will on completion of 6 months satisfactory active service be promoted to the grade of PFC. All units and installations who receive men holding PFC ratings as a result of enlistment under these provisions are authorized to carry such personnel as excess in grade until these higher ratings are absorbed by normal attrition.

This announcement was made in order that men may be assured of promotion from grade of private within a reasonable length of time, and all men who enlist at this time will be promoted in accordance with this policy.

Men interesting in the advantages of enlistment at this time are urged to contact the nearest army recruiting station. Stations are located at Abilene, Amarillo, Big Spring, Lubbock, San Angelo, Dalhart, Borger, Pampa, Wellington, Plainview, Childress, Lamesa, Ballinger, and Sweetwater.

Applications for electric service will be received at any time between now and March 1st at the office of Lyntegar Electric Cooperative, Tahoka.

The applications received at this time will be the E Section, and will be submitted to Rural Electrification Administration for approval as soon after March 1st as possible. July 1st begins the new fiscal year for REA, after which time new allotments will be made.

If you wish to be included with our next allotment, please make your application not later than February 28th.

Lyntegar Electric Co-operative

PLAY IT SAFE!

Why take any chances on not having all your equipment in good running order next season when you can have it all fixed up now. That's our business—expert repairs on any tractor, implement or tool used in farming. We have the mechanics, the special shop equipment and a big stock of genuine IHC parts to do your work right.

The main thing is to give us a little advance notice when you can. Most of the time our shop is swamped but when we know ahead of time we can schedule your jobs and have your machines ready when you want them.

Just give us a ring. Then when you're coming in, load up your tractor or any other piece of equipment and drop it off here. You'll find our service as good as the McCormick-Deering machines we sell. Our prices are reasonable. And we guarantee your satisfaction.

Sidelights From Washington

(By George Mahon)

As this is being written we are making the final push to have the barracks and housing at Lubbock Army Airfield actually available to Veterans who wish to enter Texas Tech for the new semester just beginning. In early January I attended a meeting with President Whyburn, of Tech, and city officials

at which plans were made to try to get occupancy of LAAP housing by February 1 for the use of Veterans. Upon my return to Washington I presented the matter to high officials of the Army urging the elimination of red tape and the quickest possible action.

Officials of the college and city have been on the job making proper contacts with the U. S. Army Engineers, in Dallas, and with the public Housing Administration, in Fort Worth, the agency under which the city will operate the housing facility. The exact extent of the housing to be available for Veterans at LAAP is not yet known but it is certain that several hundred Veterans will be accommodated.

A suggestion has come to me from Haskell County that flame throwers which were used in the war be made available to counties to combat Johnson grass, cockle-burs, and sunflowers along country roads and public highways. For those who hate Johnson grass, as nearly everybody does, this is an intriguing suggestion. But the War Department says no—that the flame throwers are too dangerous for such work and would not be practicable anyway.

A State agency in Mississippi tried out the flame throwers against the underbrush along the lower Mississippi River. The idea was abandoned.

The ordinary portable flame thrower has a capacity of four gallons of fuel. It has a maximum range of 60 feet and exhausts itself in nine seconds. The tank type flame thrower has a range of 100 yards and a capacity of 270 gallons of fuel which is exhausted in one minute of operation.

So the answer to the Johnson grass menace is yet to be found. It is too bad that the deadly ferocity of the flame thrower cannot be released against it.

West Point Cadet Max Minor, of Tahoka, broke two records and won top honors at a track meet at the United States Military Academy a few days ago. His home town of Tahoka did not get due credit in the big write-up about him in the Washington Post. Max was referred to as the speedster from "Cahoka," Texas.

Max has been a great favorite at the Academy.

Lynn County News \$1.50 per year in Tahoka trade territory; \$2.00 elsewhere.

GREETING: You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 25th day of February, A. D. 1946, at or before 10 o'clock A. M., before the Honorable District Court of Lynn County, at the Court House in Tahoka, Texas.

Said plaintiff's petition was filed on the 8th day of January, 1946. The file number of said suit being No. 1671.

The names of the parties in said suit are: Brooks Smith, as Plaintiff, and Anna P. Spalding, and her unknown heirs, their unknown heirs and legal representatives, Temple Trust Company, now a dissolved corporation, which corporation formerly was incorporated under the laws of the State of Texas, and had its principal place of business in Temple, Bell County, Texas, and the unknown stockholders, their unknown heirs and their unknown heirs and legal representatives of said Temple Trust Company, a defunct corporation, and the First Trust Joint Stock Land Bank of Dallas, Texas, now a dissolved corporation, which corporation formerly was incorporated under the laws of the State of Texas, and had its principal place of business in Dallas, Dallas County, Texas, and the unknown stockholders, their unknown heirs and their unknown heirs and legal representatives of said First Trust Joint Stock Land Bank of Dallas, Texas, a defunct corporation, as Defendants.

The nature of said suit being substantially as follows, to wit:

Now comes Brooks Smith, who resides in Lynn County, Texas, hereinafter called plaintiff, complaining of Anna P. Spalding, her unknown heirs, their unknown heirs and legal representatives, the Temple Trust Company, now a dissolved corporation, which corporation formerly was incorporated under the laws of the State of Texas, and had its principal place of business in Temple, Bell County, Texas, and the unknown stockholders, their unknown heirs and their unknown heirs and legal representatives of Temple Trust Company, a defunct corporation, and the First Trust Joint Stock Land Bank of Dallas, Texas, now a dissolved corporation, which corporation formerly was incorporated under the laws of the State of Texas, and had its principal place of business in Dallas, Dallas County, Texas, and the unknown stockholders, their unknown heirs and their unknown heirs and legal representatives of said First Trust Joint Stock Land Bank of Dallas, Texas, a defunct corporation, hereinafter called defendants, and for cause of action plaintiff would respectfully show the following:

1. On the 1st day of January 1923, plaintiff was, and still is the owner in fee simple of the following described land and premises situated in the county of Lynn and state of Texas, and described as follows: 146 acres out of the Northwest corner of the Julian Contis Survey, described by metes and bounds, as follows: Beginning at a sucker rod set under fence for the N. W. corner of said Julian Contis Survey, for the N. W. corner of this Tract;

Thence East 901.5 varas along and with the North line of said Contis Survey, to stake set under fence for the N. E. corner of this tract, the N. W. Corner of Tract No. 2;

Thence South 913 varas to stake for corner;

Thence West 901.5 varas to stake for corner.

Thence North 913 varas to the place of beginning.

2. On such day also he was in

possession of such premises; and afterwards on the 1st day of December, 1945, the defendants unlawfully entered upon and dispossessed him of such premises and withholds from him the possession thereof.

3. Defendants have occupied and used such premises under such unlawful possession for a period of about 35 days and the rental value thereof during such occupancy is \$107.00, in which amount by virtue of such wrongs the defendants are indebted to plaintiff; but though repeated demand for the payment thereof has been made of defendants, by plaintiff, defendants have failed and refused and still fail and refuse to pay the same to plaintiff's damage in the sum of \$100.00. Wherefore, plaintiff prays that the defendants be cited to answer this petition, and that plaintiff have judgment for title and possession of the above described premises, for his damages, for costs of suit and for such other and further relief as he may be entitled to either at law or in equity.

If this Citation is not served within 90 days after the date of its issuance, it shall be returned unserved.

Issued this the 8th day of January, A. D., 1946. Given under my hand and seal of said Court, at office in Tahoka, Texas, this the 8th day of January A. D., 1946. (SEAL)

W. S. Taylor, Clerk District Court of Lynn County, Texas. 15-4tc.

SHOWER HONORS

MRS. ROGER BLAKENEY

One of the loveliest miscellaneous showers of the season was given for Mrs. Roger Blakeney, the former Miss Bobby McCormick, at the home of Mrs. Wayman Smith, Jan. 31, in the New Home community. Mrs. J. R. Strain, Mrs. Will Harris, Mrs. Bill Balch and Mrs. John Armontrout were co-hostesses.

The valentine, or sweetheart motif was carried out in the decorations. The serving table was laid with a crocheted Center piece, red hearts and lace doilies. Angel cake, coffee and heart mints were served. Peggy Smith presided at the beautiful brides' book where seventy-two guests registered.

Forty-four persons, who could not attend the shower, sent gifts. Mrs. Blakeney presented the hostesses with lovely linen handkerchiefs.

Be Quick To Treat Bronchitis

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes.

Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics. No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. (Adv.)

DALE - JOBE

Miss Modene Jobe and George A. Dale exchanged Wedding Vows in the home of Mr. and Mrs. Bill Newton Saturday, February 2. Mrs. Newton officiated, she being an ordained Minister of the Assembly of God.

NOTICE OF THE DISSOLUTION OF PARTNERSHIP

Notice is hereby given that the partnership between W. E. Singleton and Hal Singleton, Jr., who were conducting and operating two businesses in the City of O'Donnell, Lynn County, Texas, under two separate firm or partnership names, to wit: Singleton Appliance Company and the H. & S. Auto Parts and Supply Company, that said partnership was dissolved on the 16th day of January, 1946. All debts due to said partnership are to be paid at O'Donnell, Lynn County, Texas, and all debts due by said partnership are to be discharged by said Hal Singleton, Jr. at O'Donnell, Lynn County, Texas, under the two names, to wit: The Singleton Appliance Company and the H. & S. Auto Parts and Supply Company.

Witness our hands this the 28 January, 1946 W. E. Singleton; Hal Singleton.

Witnesses: W. L. Harris, C. R. Burleson.

Peiping, China, Picture Of Beauty and Squalor

Covering an area of about 25 square miles, Peiping, China, is really three cities within a city, all walled—one within the other—says the National Geographic society. The Tatar city, called Mu-ching, was built first; the Chinese City, called Wai-Ching, was added later. The innermost part, Kin-Ching, was the Forbidden City to all but the emperor and his family. From the 34-foot wide top of the Tatar wall, the best view of the entire city can be had—a panorama of incredible filth intermingled with a strange and oriental beauty, crowds and huge walls, flimsy hovels amid shining temples and palaces. Below can be heard the screech of street cars, the cry of hawkers and remnants of never-ending arguments between passing members of camel caravans and street merchants.

Before the war, the population was estimated at 1,500,000. This figure fluctuated constantly due to the large groups of tourists and members of foreign diplomatic corps and armies stationed in Peiping. Only buildings of modern architecture were those of the legation quarter which were in great contrast to the oriental mosaic of temples and palaces in the Forbidden City. Small side streets are often narrow and foul-smelling with rows of small one or two-story buildings on either side. The main streets are macadamized, and in prewar days supported a tangle of street cars, pedestrians, camel trains from the Gobi desert, bicycles, autos and animals being brought to market. The busy shopping district was a maze of stores and book stalls. Gayly painted pennants swung in the breeze over curio shops where the staccato of haggling tradesmen's voices could be heard.

Penicillin Plants

There were, in the spring of 1945, about 13 penicillin plants in the United States and Canada with a total investment of about \$20,000,000. Based on a tentative production program of 200,000,000 units a month, and on the potency assigned to the National Standard, these \$20,000,000 worth of plants will produce only 9 pounds of pure penicillin a day. Yet this quantity will treat approximately 250,000 serious cases a month. The first quoted price of penicillin was \$20 for 100,000 units which by April, 1944, had declined to \$3.25 for 100,000 units and in August, 1945, the quotation was 59 cents. On the average, it takes about 1,000,000 units to treat a serious case of one of the infections for which penicillin treatment is effective.

Saccharin Sweetener

Saccharin has long been used as a sweetener for diabetics since their bodies have certain difficulties in using sugar. Its use by others has never been extensive in the United States. In fact, since it contains no caloric value, its use in commercial products is controlled by certain regulations set up by the U. S. food and drug laws. In addition to this limitation, the use of saccharin has not been widespread because an unpleasant flavor so often develops. Concerning methods which help to prevent the development of bitterness, experiments have been carried out at the University of Bristol, England, and elsewhere.

DDT Perfect Answer

To Bedbug Problem

DDT, the new insecticide, is the perfect answer to the bedbug problem, says the department of agriculture. If DDT is applied properly as a 5 per cent spray or a 10 per cent powder to mattresses, beds and chicken houses, these places will be free from bedbugs for six months or more.

When a 5 per cent DDT solution—seven ounces of technical grade DDT and one gallon of kerosene—is used, about three liquid ounces of the spray will treat a full-sized bed. The material should be applied to the mattress, pillows, springs and joints in the bed frame. It's important to force the spray into each joint of the bed and lightly treat both sides of the mattress. After the bed has dried a few hours, it can be used without fear of injury to the occupant.

One and one-half ounces of 10 per cent DDT powder is enough to treat a full-sized bed. It isn't necessary to treat the walls, because the bedbugs are killed when they come to the bed for meals of blood. It is advisable, USDA entomologists say, to wear a mask in applying.

CARD OF THANKS

Words cannot express my appreciation of the many kind acts, flowers, cards and letters while I was ill; but I do wish to say a sincere thank you to each one who helped in any way.

I am especially grateful to those who gave, or offered to give, blood for transfusions.—Mrs. R. W. McCrary.

POSTPONED WEDDING SHOWER GIVEN WILSON BRIDE

A shower was given in honor of Mrs. William Craig, the former Miss Laura May Lockstedt, on January 23 in the St. John's Lutheran Church at Wilson, sponsored by the Ladies Aid, according to a recent communication sent to the News. Many useful gifts were received. "The shower was postponed," it is explained, "because of Mr. Craig's being in the service."

"Now at home with his discharge since December 8, 1945, Mr. Craig and the bride can enjoy the wonderful gifts together."

G. K. Phipps who has lived on the same farm near Dixie for the past 26 years has sold his farm and moved to Brownfield.

We are indebted to Dauliel DeFoe for the newspaper interview and the editorial.

How women and girls may get wanted relief from functional periodic pain
Cardui, many women say, has brought relief from the cramp-like agony and nervous strain of functional periodic distress. "When I take a Cardui, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come. Started 2 days before "your time", it should help relieve pain due to purely functional periodic stress. TRY IT!

"BORN FOR TROUBLE"

MANY PEOPLE ARE CHANGING THEIR ADDRESSES

Recent changes not mentioned in these columns here-to-fore are the recent removal of Mrs. Harry Woods from her farm in the Edith community to a house which she purchased from W. H. Kahl on N. 4th St. formerly known as the Ben King place.

Mr. and Mrs. J. H. Kuykendall who lived between Tahoka and Edith also moved into Tahoka after selling their farm.

Mrs. E. D. Crouch who had lived at Three Lakes a number of years moved into the former J. J. Boydston house southeast of the Grade School.

Mr. and Mrs. Jess Murphy who have been living at New Moore since 1923 have moved to the former H. D. Heath ranch between Tokio and Plains. They will continue to read the News.

The American 36th Division, composed largely of Texans, captured the German 36th Division.

Army Recruiters Are Coming Here

S-Sgt Joe F. Raindl of the U. S. Army Recruiting Station in Lubbock will again visit Tahoka on Saturday, February 13 and can be contacted at the Post Office Building.

According to S-Sgt. Harry D. Creamer, non-commissioned officer in charge of the Lubbock Office, former enlisted men can now reenlist in the Regular Army and retain the highest grade held at the time of discharge and also collect a reenlistment bonus of \$50.00 for each year's completed service, providing they reenlist within 90 days from date of discharge.

Former commissioned officers, warrant officers and flight officers who have been honorably discharged since 12 May 1945 can now reenlist in the Regular Army in the grade of master sergeant, provided they reenlist within 90 days from the date of their release from active duty.

For additional information, visit your U. S. Army Recruiting Station, 203 Post Office Building, Lubbock.

Volume 42.

Tahoka, Lynn County, Texas, Friday February 8, 1946.

Number 18.

Road Bond Election Called For March 9

Waggoner, Walker Head of Chamber

Four Directors Are Named To Board, Planning Program

Further steps in the reorganization of the Tahoka Chamber of Commerce were taken Tuesday night by the newly-elected directors, and the organization will be completed Monday night at another directors meeting. Concensus of opinion of business men is that the body should be reorganized on a basis for active work and permanency.

The new directors, elected last week by 80 business men from a field of 15 nominees are: Terry Thompson, Fred McGinty, Winston Wharton, Jim Burleson, and Wynne Collier.

These men met Tuesday night, elected Ted Waggoner, local manager of Wallace Theatres, president of the organization, succeeding Frank Hill, and Clint Walker, Lynn county ACA office, as secretary.

The board also voted to increase its membership to nine, in addition to the president, and elected Clint Walker, Alton Cain, Joe Haire, and Charles Townes to the board membership.

Tom Garrard, Tahoka director in the West Texas Chamber of Commerce, is ex-officio director.

Dues were set at \$2.00 per month, and membership pledges will be circulated in the next few days, in which business and professional men will be asked to pledge an annual membership and also pledge themselves to abide by the solicitation agreement which has been in force here for about five years.

Waggoner has appointed Terry Thompson, Prentice Walker and Bill Burleson to the membership committee.

The solicitation agreement operates as a protection to the business men against needless collections and shady advertising schemes being worked by fly-by-nighters and high-pressure salesmen. A secret committee is named to investigate each solicitation proposal and business men pledged not to support such schemes unless given approval by the Chamber of Commerce.

Since the end of the war, there is a distinct need for a more active Chamber of Commerce, and the directors are going slow in their organization to make sure that the body will be organized on a basis for an active program. In the meantime board members and officers welcome suggestions from other business men of the town.

Work of grading the dirt streets of Tahoka was started this week. The streets have been in bad condition for some time, through no fault of the city officials. The City of Tahoka has practically no equipment for such work. The old machinery is worn out, and it has been absolutely impossible to secure new equipment for such work during the war years. Because of the shortage and also because of the shortage of labor, no equipment could be borrowed in recent months.

The City bought a new maintainer several months ago for delivery in February, but now that the steel strike has come up, the local officials have no idea when this machine will arrive.

C. N. Hoffman is opening a new auto and home supply store at O'Donnell next door to Singleton Appliance.

Delinquent Tax Suits Will Be Filed

Frank Taylor, attorney connected with the Texas Tax Service of Austin, has been here this week preparatory to instituting a series of suits for the collection of taxes, or rather the sale of property on which taxes are long delinquent, for the City of Tahoka, Tahoka Independent School District, and Lynn county.

Most or all of the suits will be involving property in the City of Tahoka, or in the Tahoka school district.

Considerable property will be sold in the concerted campaign to clear the rolls of delinquent taxes. In addition to a few who have refused, or failed to pay taxes in the past, there are many town lots, especially which are on the tax rolls which have accumulated over the years. Such property will be sold at auction to the highest bidder.

Contrary to the general opinion, a homestead may be sold to satisfy tax claims if the owner has consistently failed to pay taxes, Mr. Taylor says.

Red Cross Roll Call Will Start March 1

Plans were started at a meeting in the county court room Wednesday night for the Red Cross annual drive for funds to begin March 1.

Clint Walker was elected campaign chairman for this year and chairmen for the various local districts were also named.

The quota for Lynn county this year is only \$2,300, not a third as much as the county's quota last year. But with a quota of about \$8,000—we do not have the exact figures—the County went over the top by several thousand dollars. It is believed the quota will be easily raised this year if all the chairmen will work at the job.

The names of the district chairmen and the quota for each district will be published in an early issue of this paper.

March of Dimes Short of Quota

Lynn County's contribution to the nationwide drive for funds to combat Infantile Paralysis had not been tabulated as we went to press.

Up to that hour only \$159.44 had been paid in. Both Wilson and O'Donnell and some of the churches were still to be heard from according to W. B. Slaton of the First National Bank.

Wynne Collier, local druggist is County Chairman of this drive, which is popularly called "The March of Dimes."

J. G. Scott, Lynn County Pioneer, Is 90 Years Of Age

J. G. Scott, one of Lynn's county's pioneer citizens, celebrated his ninetieth birthday Monday.

He and Mrs. Scott returned Saturday from a 40-day visit with his daughter, Mrs. Lynn Verhines in Roswell. His son, Ben Ike Scott, is on Guam in the Pacific.

Mr. Scott came to the county only a short time after the county was organized, and has lived here continuously for about 40 years.

National Champion

TULLA, TEXAS—Welcomes Volunteer Tiff, the new National Three Year Old Jersey Champion for both milk and fat, made much of her record on wheat pasture in the plains country of the Texas panhandle. Her owner is former 4-H Club boy J. Chester Elliff. Her recorded production made in the Register of Merit division of The American Jersey Cattle Club and supervised by Texas A and M College is 19,416 lbs. milk, testing 5.55% and 1,077 lbs. fat beginning test at 3 years 8 months of age. The former class leader replaced by this great record is Dream Noble Blanche Liza, a registered Jersey, owned by 4-H Club boy, F. E. Miller, Jr., Richfield, North Carolina. Her record was 19,129 lbs. milk, testing 5.53% and 1,059 lbs. fat.

Grand Jury Finds Three Indictments

The Lynn county grand jury, in session here the first of the week, returned three indictments.

Rafael Sabinas, Mexican, was indicted on a charge of burglary. He is alleged to have broken into the Saleh store in O'Donnell on the night of December 17. A lady saw him in the act, and when he became aware that he was being watched, took flight with the lady in pursuit. Sheriff Sam Floyd and Deputy Cleve Bairrington were in O'Donnell at the time, and joined the chase to capture the alleged burglar.

Two indictments were returned against Odie B. Clark, he being charged with forgery of the name of a Newmoore man to two checks.

Max Minor Still Setting Records

Max Minor, the Tahoka Terror, and holder of the Interscholastic League National 220 yard hurdle record holder is burning up the track at West Point by setting two new records.

Max set new records in the 80-yard low hurdles and the broad jump. He won the 60 yard dash.

Minor broke the record of Lee Christenson, also of Army, in the hurdles. Christenson ran second in the race. The old record was 9.5, and Max ran it in 9.1.

Minor set the record last year in the broad jump with a leap of 23 feet, 4 1-2 inches. In the recent meet, Max took first place with a leap of 23 feet, 11 inches. Douglas of Pittsburg bettered the old record by a half inch, and finished second to Max.

Max has already used up his football eligibility at Army, with two years at Texas and two at West Point, but has been competing in track.

New Farm Homes Are Being Built

In spite of the difficulty in procuring material, some building is being done in the towns of our county and a few farm homes are being constructed. Ralph Kahlich of Wilson, recently discharged from service in the armed forces is completing a substantial farm home a half a mile south of Wilson and Earl Cummings has laid the foundation and is doing construction work on another two miles down the Santa Fe south of Wilson. Both of these will be handsome and commodious homes.

3,000 Poll Taxes Paid In County

County Tax Assessor-Collector Raymond P. Weathers reports that paid poll taxes and under-age exemptions this year total 3001. He estimates that there are in the County 600 overage voters and 400 ex-servicemen who will vote without poll tax receipts, bringing the total voting strength of the County to a grand total of 4001. This is approximately 1000 more than were reported in 1945 an off year politically speaking, while the 1944 report was 3241.

Mr. Weathers reports that property tax collections have been very good to date.

Mr. Weathers also reports that he has received his car license plates and will be ready to begin issuing them on March 1. They must be procured by car owners and placed on their cars during the month of March.

Boy Scout Court Is Monday Night

Tahoka, Grassland and Wilson Boy Scout troops will participate in the annual Court of Honor ceremonies here next Monday night at 7 o'clock in the Tahoka school gym.

Parents and friends of Boy Scouts are welcome to the meeting.

The Scouts are hoping to welcome home their old leaders, A. R. Milliken, scoutmaster, who has been in the Navy and hopes to be back home with a discharge almost any day, and Roy Anglin, assistant scoutmaster, who arrived home on Tuesday from Pearl Harbor, Hawaii, where he has been doing electrical work for the government.

No Payment In '46 For Farmers Not Signing By Feb. 15

Lynn County Farmers are again cautioned that in order to become eligible for payment in 1946 they must submit an application in writing for prior approval to the County A. C. A. Committee on or before Feb. 15th, 1946.

If you have not signed this, along with your 1946 Farm Plan Sheet, you are urged to do so as soon as possible at the A. C. A. Office. No application will be taken after Feb. 15.

Mrs. Harold J. Scott received a telegram Wednesday from her husband, Pvt. Scott, in Nuenberg, Germany, saying he was coming home. He is the son of Mr. and Mrs. J. M. Scott.

O'Donnell School Plans Consolidation

Fletcher Johnson, superintendent of the O'Donnell public schools, was in Tahoka Thursday morning conferring with County Judge Tom Garrard respecting the calling of an election at an early date for the consolidation of the O'Donnell and the Okay Independent school districts. Petitions for the election are already being circulated, and Mr. Johnson thinks it very probable that the proposal will be approved by the voters of each school district. Of course there is almost unanimous approval among the people of O'Donnell, and it is believed there will be little opposition at Okay.

The Okay district embraces about 48 sections of land and lies wholly in Dawson county south and southwest of O'Donnell. It has about 77 scholastics. Most if not all of these however have transferred into the O'Donnell district for the past two or three years.

The O'Donnell district embraces about 75 sections of land and lies partly in Lynn and partly in Dawson county. The District operates 5 buses.

Mr. Johnson has been superintendent of the O'Donnell schools for a number of years and has done an outstanding work there. He is very popular with patrons and pupils alike.

The Joe Bailey school district lying east of O'Donnell in Lynn county was consolidated with the O'Donnell district a few years ago. It is expected that the new election will be ordered by the court as soon as the preliminary work can be done and that the election will be set for some date in March.

Claud Johnson Sheriff Candidate

Claud W. Johnson, long-time and well-known Lynn county citizen has tossed his hat in the ring as a candidate for the office of sheriff of Lynn county.

Claud is known to almost everyone. For several months, he served as deputy sheriff here and also at O'Donnell, and is said to have done a good job. He says he likes the work and would "do his best to make a hand." His formal announcement follows:

"I wish to make my announcement as candidate for sheriff of Lynn county.

"I am 39 years of age. I came to Lynn county in 1927, and have lived in the county most of the time since. I was honorably discharged from the U. S. Army in June, 1942.

"I have had some experience as deputy sheriff of Lynn county. If elected, I will do my best to make a hand. My plan is to see each one before the election. Your vote and influence will be greatly appreciated.—Claud W. Johnson."

Sgt. Martin Brand Is Back In States

Pearl Harbor, T. H.—Sgt. Martin Brand, of Tahoka, is one of 1009 Army veterans returning to the States for discharge aboard the U. S. S. Westmoreland, an attack transport of the "Magic Carpet" fleet. This ship left Pearl Harbor, January 26 and was scheduled to arrive in San Pedro about February 1. The U. S. S. Westmoreland carried both troops and cargo as a unit of the Navy's supply fleet which supported the U. S. offensive throughout the Pacific war.

NEW DEPUTY AT O'DONNELL

Charlie Boswell and family of Tahoka moved to O'Donnell Wednesday where he will serve as Deputy Sheriff, the office having been vacant since Claude Johnson resigned a few weeks ago.

\$850,000 Bond Issue Would Build 130 Miles of Paving

Acting on the wishes of a large number of Lynn county citizens, the Commissioners' Court Friday ordered an election on Saturday, March 9, for the purpose of deciding if the people wish to issue \$850,000.00 in bonds and the levying of taxes to pay for same, for the purpose of building a network of farm-to-market roads over the county.

Groups of interested citizens from various parts of the county have been discussing the proposed bond vote with Judge Tom Garrard and Commissioners Pat Swann, Lonnie Williams, John Anderson, and Thad Smith.

Bond men have informed the court that 30 year bonds in such an amount payable serially can be sold now for possibly two percent interest.

Highway department engineers inform them that the bonds will build 130 to 140 miles of paved roads.

Though no promises have been made, or can be made, it is entirely probable that the State Highway Commission would assume the indebtedness within a few years, as it has in many other counties.

The News hopes to have some figures soon on the cost of the program as proposed to individuals in taxes.

Almost everyone agrees that Lynn county needs more paving. The highway department is starting on its 30-mile project in the county, but this will not serve a major portion of the people, and the only course of receiving farm-to-market roads at this time is through a bond issue.

The county is in excellent shape, financially, in fact in better financial condition than almost any in this section, and such a bond issue would not be too big a burden on tax payers.

J. C. Evans Seeks Election To Office

J. C. Evans, well-known Tahoka citizen, announced this week that he is a candidate for justice of the peace in Tahoka, and invites the voters to give his case just consideration.

Though he has lived in Tahoka only two years, he previously lived at Newmoore for quite a while, and has made many friends here.

He came to Tahoka from Quemado, in the Rio Grande Valley, where he served as mayor of the city for two years, and as deputy sheriff of the county three and a half years.

The county judge and the sheriff at that place have written highly recommending Mr. Evans as being of excellent character, faithful and efficient in his duties there.

Mr. Evans feels he is well fitted for the office by reason of his experience and training, and will appreciate the support and vote of the people. He expects to see every voter in Justice Precinct 1 before election day in July.

Calf Roping Club Formed Monday

A roping club was organized in a meeting of local men at the Legion hall Monday night. The club expected to stage calf roping events as soon as a location can be secured for corrals and roping grounds, and if sufficient interest is shown, to revive the annual Tahoka Roundup staged three successive years before the war.

Oran Short was elected president of the club, Charles Walden, secretary, and Sam Price, Borden Davis, Claud Johnson, and Bob Reagan, directors.

The County Agent Says:

Rabies is probably considered the most horrible death that a human being can imagine. From 4 to 6 people die each year from rabies in Texas, but many, many others have to take the prophylactic treatment for exposure. About this time each year, rabies outbreaks begin to appear.

Realizing the seriousness of rabies among dogs, and the fact that it quite often spreads to the livestock population, attention is called to the fact that this disease has public health significance that justifies the best efforts on the part of the Lynn County residents in controlling and preventing an outbreak. Lynn County residents should watch dogs and other types of livestock rather closely during this season of the year, and any peculiar actions that might indicate symptoms of rabies should be reported to the County Health Officer immediately. Should the need arise, the Livestock Sanitary Commission of Texas may be called upon as soon as they are delegated with the control of contagious and infectious diseases among livestock, domestic animals and fowls, with particular emphasis on rabies among dogs.

Rabies vaccination alone will not control an outbreak and the fact that some dogs vaccinated without confinement might develop rabies, it is necessary that every precaution be used in the use of preventive vaccination. This vaccination, of course, must be done by a licensed veterinarian.

Lynn county farmers have on file in the County Agent's office, applications for bangs testing on over 100 head of dairy cattle. These are so widely scattered throughout the county, however, that several additional applications should be filed in the various communities in order that proper groupings can be made to justify the services of a veterinarian in making these tests. Therefore, farmers in the Wilson, Grassland, Draw, O'Donnell, Wells, New Home, and Tahoka communities who want their cattle tested for bangs disease, should get their applications on file in the County Agent's Office at their earliest convenience. When the services of a veterinarian have been arranged for, cards will be sent to those who are to have their cows tested, advising them as to the date the veterinarian will be at their place.

A county-wide labor saving device show, tentatively scheduled to be held in conjunction with the

spring livestock show, should be of particular interest to Lynn county farmers. All types of labor saving farm machinery and equipment will be exhibited, with particular emphasis upon home-made labor saving devices. Farmers in the county who have made or intend to make any labor saving devices are asked to begin planning now to have an entry in this show. A truck load of home-made labor saving devices from A. & M. College will likely be on exhibit at this show. All farm machinery and equipment dealers will be invited to have entries in the show.

FAMILY REUNION

Mr. and Mrs. Pierce Murrell of California, Mrs. L. E. Schreiner of Little Rock, Ark., the children of Mr. and Mrs. P. C. Baety of California and Cpl. and Mrs. Harley Smith and son all visited in the home of Mr. and Mrs. O. S. Smith in the last two weeks, Harley Smith coming in from the U. S. Army, Jan. 28. Mrs. O. S. Smith and her two sisters, Mrs. Pierce Murrell and Mrs. L. E. Schreiner went to Claremont the last week to visit their brother, Clyde Baety, Loyd Baety also visited in the Smith home. They had a wonderful time because it was the first time they had been together in 16 years.

TAHOKA BOYS LEAVE FOR NAVY SERVICE

H. L. McMillan Jr., son of Mr. and Mrs. H. L. McMillan Sr. of Tahoka, and A. J. Jester, son of Mr. and Mrs. A. D. Jester of New Lynn left Monday for Dallas to enlist in the Navy if they should pass the physical test, about which there was little doubt.

Until last fall when he entered the West Texas State College at Canyon as a student, H. L. was employed in the News office for several years after school hours, on Saturdays, and through the summer months.

He has an older brother, Edward McMillan, who has been in the Navy since the spring of 1941 and who was on the Oklahoma battleship at the time it was sunk in Pearl Harbor. He escaped with his life, though injured, and has seen much service on land and on sea

since. He is now on a submarine tender, and H. L. is hoping that he can get an assignment on the same ship.

Edward was likewise employed in the News office for several years before enlisting in the Navy.

Both H. L. and A. J. Jester are just approaching their eighteenth birthdays.

Cpl. Harley Smith, son of Mr. and Mrs. O. S. Smith returned home from the U. S. Army, Monday, January 28, from Okinawa. He spent two years in the army, 1 year

of it overseas. He is married and the father of one son.

More Headaches for the Farmer

Once more the farmer is being asked to break all food production records. To plow more acres, feed more livestock and harvest more crops than ever before. He is being asked to do this so that America may continue to feed and clothe the needy throughout the world, as well as our own folks at home.

To carry out this job the farmer must have tools of production. Most of those he owns have taken a terrific beating. They can't be tied together much longer with rusty fence wire.

In the teeth of this situation, the farmer ran into a strike in the steel industry—a strike which hit at the heart of food production.

When the steel plants shut down, manufacturers of farm machinery and equipment, farm trucks and tractors cannot get steel for their products.

This year the farmer won't receive as many of the replacements he desperately needs. He'll fight ahead with his old, broken machinery trying to crack another food production record, but the cards are stacked against him.

All this means more headaches for the farmer—loss of vital food production, and a bad dent in his pocketbook.

Facts Too Frequently Omitted

The steel strike was called by the United Steelworkers of America—CIO, which insists on a wage increase totaling \$166,000,000. The U. S. Steel Corporation has offered a wage rise which if applied throughout the industry would amount to \$135,000,000.

Steel workers are already among the highest paid wage-earners in America. Before the strike their average earnings were approximately \$1.16 an hour, \$9.26 a day and \$46.32 a week—on a forty-hour week. The U. S. Steel offer would have given them about \$1.31 an hour, \$10.46 a day and \$52.32 a week. But they refused it, and accused the steel industry of conspiring to ruin the union with an offered wage increase of \$25 a month, the highest increase in the industry's history.

The strike is a direct violation of the contract between the union and the steel companies. The union wanted a long-term contract and got it. The union agreed not to strike during the life of the contract. Yet, the union struck on January 21.

Fighting for a Way of Life

Farmers have a big stake in continuous steel production. They have an opportunity to say what they think about unchecked labor monopolies which bring to a stop the nation's recovery efforts, through excessive wage demands which could only add to inflation and cause soaring prices.

Not until enough of them protest unfair, dictatorial actions and urge proper safeguards against arrogant, heedless union leadership and one-sided labor laws will the country get back to sane, profitable production where everyone works together toward a better standard of living.

Mr. and Mrs. J. B. King of Dixie on the birth of a son at Sinclair Clinic, Feb. 1. The little fellow weighed 9 1-2 pounds and will be called Weldon Ray.

Mr. and Mrs. Wallace E. Moffat of 3812 28th St. Lubbock upon the birth of a daughter on Sunday, January 27. Both parents are former Lynn county residents. The mother is the former Rosemary Knight, daughter of Mr. and Mrs. J. H. Knight. Wallace is the son of J. O. Moffatt.

PVT. LEE WALLER ENTERTAINED

Pvt. Lee Waller, who was home on a three-day pass from Camp Fannin, at Tyler, was honored by his neighbors and young friends with a party last Tuesday evening in the home of Mr. and Mrs. O. C. Mensch of Draw.

About 50 attended the party and played games until a late hour.

Pvt. Waller who is the son of Mr. and Mrs. C. C. Waller of Draw returned to his station Thursday.

FAMILY REUNION

Mr. and Mrs. J. C. Evans had a number of visitors in their home last Sunday and a great feast at the noon hour.

The guest of honor was their grandson, Sgt. Ray Nole of Pampa, who had recently arrived from overseas and came down in company with his parents, Mr. and Mrs. John Nole, to visit his grandparents, Mr. and Mrs. Evans.

Mr. and Mrs. George Merritt of Brownfield and Mr. and Mrs. J. T. "Slim" Elliott of Tahoka were other guests.

Sgt. Nole had been serving for several months in the Philippines and did his part to wind up the war, but upon arriving back in the homeland he re-enlisted in the service for a year.

Cpl. Charles Reid returned home Saturday morning and was immediately joined by his wife, Mrs. Reid, formerly Miss Alice Roberts. They went to El Paso this week to get Charles discharge. Then they will go to Ruidosa to visit Mr. and Mrs. Tom Reid and then will return home.

WILKE INJURED

Mrs. Charlene Maddox Wilks is a patient in the Tahoka Clinic suffering from injuries sustained when her car and one of the Tahoka busses side-swiped each other at the intersection of North Third and the paved street running north and south a few blocks east of the school buildings late last Friday afternoon.

Mrs. Wilks and her two sons were coming south in her car, and the bus, driven by J. H. Wheeler of the high school, was going west. Seeing each other just as their vehicles were about to collide, Mrs.

Mrs. Wilks' car was badly damaged. Mr. Wheeler to the left, but a collision could not be entirely avoided.

Mrs. Wilks' car was badly damaged and she herself suffered the fracture of the clavicle or collar bone a fracture of the coccyx or lower portion of the vertebrae, and just a slight fracture of the pelvic bone.

She was taken to the Tahoka Clinic for treatment, and on Monday she suffered the collapse of one lung, caused from a bruise resulting in a blister, which ruptured. On Thursday, however, the lung was rapidly resuming its normal functions, and the other injuries were apparently healing as well as could be expected. Judge and Mrs. B. P. Maddox, her parents, report however that it will doubtless be necessary for her to remain in the clinic for several weeks.

Mr. Wheeler was slightly but not seriously injured, and some damage was done to the bus.

No particular blame is laid upon either party; it seemed to be just one of those unfortunate accidents that will sometimes occur to any ordinary driver.

James Williams, 9, son of Mrs. Albert Williams who has been ill in Tahoka Clinic the past two weeks and has undergone two blood transfusions is showing improvement and will likely return to his home this week-end.

WELDON GANNAWAY SERVED ON NAVY SUPPLY SHIP
Weldon R. Gannaway, seaman, first class, Route 4, Tahoka, served on the USS Luna, a general cargo ship, during her war career. The vessel, which recently returned to the United States, made 10 trips to the forward area, including one to Japan with supplies

for the occupation forces.
Mrs. Christine Rabun was here this week visiting her parents, Mr. and Mrs. J. B. Nance. She left Wednesday night for Dallas and Tyler.
Daniel Boone made his own coffin, which he kept under his bed until his death on Sept. 26, 1820.

New Home News

Mrs. Boswell Edwards gave her little son, Larry, age five, a birthday party last week. About fifteen children and nine mothers were present.

The Lakeview and Pety Methodist Church have organized a Missionary Society. They organized January 26, and they have a meeting every Monday.

Mr. Buford Ater died Thursday January 31, at the Lubbock Memorial Hospital. The funeral was held February 1.

Mr. W. G. Minton is recovering from an operation he had last week at the West Texas Hospital.

Mr. Lee Savage and family from Spade have bought the Reagan farm. Their daughter, Coleen, is a freshman in school.

The Home Economics girls of New Home had their style show Friday, February 1. The places awarded for the first year girls who made school dresses were: first place, Martha Crabtree; second place, Florine Walters; third place, Emerald Robinson. The second year girls who made dressy dresses the girls who placed were: first place, Jo Rita Ray; second place, Marlene Tamplin; third place, Peggy Joyce Murray. After the style show, sandwiches, punch, and cookies were served to the girls, their mothers, and the school faculty.

Lorraine Rodgers withdrew from the fourth grade and has moved to Merkel, Texas.

Those on the honor roll from the fourth grade were: Barbara Brown, Greta Heck, Ronald Smith, Nita Fortenberry and Lorraine Rodgers.

Those on the honor roll from the eighth grade were: Randolph Gass, Ken McClintock, Darlene Cromer, Jean Griffis, Willie Mae Minton, Norma Dene Murry, Katharine Anne Roper, Mary Evelyn Young.

Mr. and Mrs. W. L. Goad are the proud parents of a new son born February 4.

Mr. Lawrence Owens who has just recently received his discharge and has been serving in the South Pacific has been visiting his sisters Mrs. A. L. Pace and Mrs. J. W. Shadden.

Mr. and Mrs. W. W. Hall have been visiting friends in New Home recently. He has just received his discharge. He is planning on moving his home from New Home to Lubbock where they plan to live.

ORDER EASTERN STAR

The Valentine or Love Motif was very much in evidence at Masonic Hall last Friday night when Tahoka Chapter No. 743 received their Deputy Grand Matron on her official visit.

Mrs. Pauline Smith of Lubbock, Deputy Grand Matron, District Two, Section Four, won the hearts of her hearers with timely and helpful advice about their work and her witty remarks throughout her talk. In keeping with the affection in which she is held she was presented a large red heart-shaped box of Valentines from Tahoka O. E. S. officers, the box also containing a gift of a piece of crystal.

Mrs. Pearl Metcalf, former resident of Tahoka and Wilson and now Worthy Matron of Mrs. Smith's home Chapter, Lubbock, No. 76 was also a visitor. She is a former member of Tahoka Chapter.

Refreshments were served to more than 40 members and visitors. Mrs. Mittie Walker of Grassland is Worthy Matron of the local chapter.

John Heck of Wilson and Garland Pennington of Tahoka returned early this week from Washington, where they had been on business relating to the Lyntegar electric cooperative. Some important extensions are to be made soon.

Misses Ruth Huffaker, Nelda Lois Moore and Mary Katherine Murray, all of Grassland entered Bethany Peniel College at Bethany, Okla., at the beginning of the Spring Semester, recently.

Mr. and Mrs. A. L. Smith and Mr. and Mrs. J. A. Biggerstaff spent a few days this week on business in Temple.

E. W. Carr at the Keltner Hotel, Tahoka Wednesday, Feb. 13 11 a.m. to 4 p.m.

KEYSER—REESE

Using the beautiful single ring ceremony Rev. Levi W. Price spoke the sacred words that united in marriage Private Jack Keyser of Huntington, West Virginia and Miss Lorene Reese of Tahoka as they stood before an improvised altar in the living room of the K. R. Durham home at 6:30 Wednesday evening.

Miss Valerie Wells played the wedding music.

The couple was unattended and the bride's costume was a golden-colored street dress with appropriate accessories. Her beautiful shoulder corsage was of white carnations.

Only the family and a few close friends attended the wedding and the couple left almost immediately for Lubbock from which they started for the groom's home in West Virginia where they will make their home.

The groom, still in uniform, had just received his discharge after a period of service in the Army overseas, and was returning to his civilian work in a steel mill in his home state.

Mrs. Keyser, only daughter of Mr. and Mrs. J. L. Reese, was practically reared in Tahoka, where she graduated from High School. For several years she has been employed as a laboratory technician in the office of Dr. K. R. Durham, local Dentist. She had been active in the Business Women's Club and in church affairs and will be greatly missed by a large circle of friends in Lynn County.

PYTHIAN SISTERS

Lynn Temple of Pythian Sisters are actively entering into their work of the new year. As this organization is benevolent in character plans have been made for securing funds to carry on the work in Lynn County.

Officers for the present year are:

Merle Mathis, M. E. C., Nina Short, E. S., Martha Floyd, E. J., Florine Best, M. R. of C., Frances Chestnutt, M. of F., Mildred Sherrill, Manager, Lou Calvery, Protector, Staff.

Florence Cowan, Guard, Hattie Short, Past Chief, Millie Hill, Reporter, Betty Frazier, Pianist, Pauline Warren, Captain of Degree

W. M. U. SCHOOL OF INSTRUCTION

Opening at ten o'clock Tuesday morning in Tahoka Baptist Church with Mrs. Clarence Morton of Lamesa in charge, the Brownfield Association W. M. U. held a very successful one-day school for the training of officers and members of the organizations in the various churches in the Association.

Eight churches sent more than 75 women to this one-day meeting to be instructed in carrying on the women's work more efficiently as Mrs. Morton explained, in a most interesting way, the W. M. U. handbook "Things We Should Know".

At the noon hour a covered dish

Loosens-Up—Expels Thick Choking Phlegm

Bronchial Coughs Coughs due to Colds

Spend 45 cents today at any drug store for a bottle of Buckley's CANADIOL Mixture. Take a teaspoonful, let it lie on your tongue a moment then swallow slowly. Feel its powerful effective action spread thru throat, head and bronchial tubes. Acts fast to ease coughing spasms and loosen up thick choking phlegm which seems to clog the tubes and make breathing difficult—helps many get better night's rest. Try Buckley's Canadiol on our guarantee of satisfaction or money back. 45c-55c—all druggists.

TAHOKA DRUG

luncheon and fellowship hour was enjoyed in the church dining room.

Mrs. Morton, who is State Community Missions Chairman and is the wife of the Baptist pastor in Lamesa is a former resident of Tahoka. In her school days here she was Miss Hattie Adams and enjoyed meeting some of the "old timers" during her day in Tahoka.

Mrs. L. Lumsden of Wilson, District Nine W. M. U. President also attended the meeting as did Mrs. Garland Pennington of Tahoka, the Association President and other District and Association officers.

In the awarding of the attendance banner at the close of the meeting it was found that two of the smaller societies, Gomez and Petty had tied for highest attendance based on percentage of membership.

FORMER AHOKA PASTOR HEADS TAHOKA CHURCH

Many Tahoka people were much interested in the story and accompanying pictures appearing Sunday in the Avalanche-Journal depicting the opening on that day of a new Mission church in that city sponsored by the First Baptist Church of Lubbock, with Rev. George A. Dale as the Mission pastor, since the Rev. Mr. Dale had been pastor of the First Baptist Church of Tahoka for eight years before his removal to Lubbock three years ago. The Mission Church opened its doors for the first service at 9:30 o'clock Sunday morning and Rev. Mr. Dale preached the first sermon in it at the 11:00 o'clock hour. The new organization is not strictly speaking a separate church but is an arm of the First Baptist Church of that city of which Dr. C. E. Jereford is pastor.

Like all other worthy institutions it is not the work of a day nor of a year even, but of many years. It is a growth.

Seventeen years ago the Hon. George Dupree, a prominent lawyer of Lubbock, organized a Sunday school for the ill-lad and ill-fed children that lived in the Sanders school neighborhood lying between the business district of Lubbock and the Yellowhouse Canyon. These for the most part were the children of the extremely poor, living chiefly in mere shacks. But he nursed and nurtured that Sunday school, with the aid of other faithful souls, and it grew and did an increasing useful work, meeting all these years in the Sanders school building.

Something more than a year ago, the First Baptist Church of Lubbock and the Brotherhood organization became actively interested in establishing a preaching mission in that neighborhood, and Rev. George A. Dale was employed as city missionary. He began holding services in the Sanders School building. The work prospered, and steps were soon taken to construct a Mission building. As a result, a \$25,000 structure now stands on a plot of ground near Sanders School overlooking Mackenzie State Park and the Yellowhouse Canyon, in which the Sunday school will meet and regular church services will be held every Sunday. It is a frame structure finished with stucco outside and plaster inside, and though not one of the most expensive, it is described as the most beautiful church structure in Lubbock.

Furthermore, neat houses are taking the places of the shacks in that neighborhood and it is rapidly becoming an attractive section of that city.

Most of the credit for this transformation is due to the Baptist Brotherhood, of which G. H. Nelson, a former resident of Tahoka who served as district attorney and state senator while living here, is president.

Miss Amanda Leedy has sold her residence here to N. W. Smith and has gone to Kansas City, Mo. to be with her sister, Miss Grace Leedy

B. C. Corley Home With Discharge

B. Coker Corley of Lamesa, veteran of two major campaigns, served with the 16th Infantry regiment A heavy truck driver, and private first class, he participated in the Rhineland and Central European campaigns, earning the European-African-Middle Eastern ribbon with two battle stars. Corley was overseas for 10 months and 24 days after entering the Army on March 4, 1943, at Lubbock. Also awarded the Victory ribbon and Good Conduct medal, he arrived in the states Jan. 9, receiving his discharge Jan. 17.

His wife is the daughter of Mr. and Mrs. Houchin of Wilson and his parents are Mr. and Mrs. O. A. Corley, formerly of Wilson but now of Glen Rose.

Mr. and Mrs. Jim Dye, formerly of Tahoka, were here the first of the week visiting Mr. and Mrs. Russell Vernon and other friends. Lately they have been living in Hobbs, but are moving back to San Angelo, where they have lived most of the time since leaving Tahoka.

Sir Isaac Newton, the great English physicist, was born on Christmas day in 1642.

JAMES E. FARR, MM 3-c VISITS WASHINGTON CENTER

Washington, D. C.—MM 3-c James E. Farr, Navy, son of Mrs. H. Farr, Tahoka, was among recent guests at the United Nations Service Center on Union Station Plaza, Washington, D. C. The center is primarily designed for transient personnel of the United Nations armed forces—officer and enlisted, men and women, and their immediate families. Due to its convenient location, the United Nations center makes a thoroughly satisfactory "first stop" for those service people who are in the Nation's Capitol for either just a few hours, or several days' leave. MM. 3-c Farr, commenting on the Center said, "Bouquets to all of you".

Mrs. G. W. Harris of Bluff Dale spent several days this week with her daughter and son-in-law, Mr. and Mrs. Paul Pittman. Mrs. Pittman is a member of the local school faculty.

Charley Howell and family have recently moved to Hobbs, N. M.

MARINE LEO WENZEL HERE VISITING FOLKS

Pfc. Leo A. Wenzel, son of Mr. and Mrs. A. D. Wenzel of Route 1, Brownfield, is home on furlough from the U. S. Marine Corps. He will report back to Corpus Christi, February 25. He was reared at Wilson and has many friends in Lynn County. He was a visitor in the News office while in Tahoka to visit his sister,

Mrs. Christine W. Welch of the local REA office.

Pfc. Wenzel has been stationed on Guam the past several months. He was wounded in the invasion of Iwo Jima.

Mrs. H. L. McMillan left Sunday night to visit her parents at Plano near Dallas.

THE LYNN COUNTY NEWS

TAHOKA, TEXAS

FRIDAY, FEBRUARY 6, 1946

Lakeview Man Died Last Week

B. B. Ater, a prominent citizen of the Lakeview community in the extreme northwestern corner of Lynn county, 58, died just before noon on Thursday of last week in the West Texas Hospital, Lubbock, after having suffered a stroke on Wednesday. He had suffered a previous stroke about Christmas.

Mr. Ater was a native of Bell county but while a boy he came with his parents to Roscoe, where he grew to manhood. He acquired property and came out to a ranch near Meadow in the 'teens, and had lived in that vicinity ever since.

Funeral services were conducted in the First Methodist Church in Lubbock on Friday afternoon, with Dr. L. N. Lipscomb, district superintendent, officiating, assisted by the Methodist and Baptist pastors at Meadow. Burial was in Lubbock cemetery. Pall bearers were L. C. Wade, E. F. Schwartz, C. L. Emler, W. C. Patman, S. L. Williams, and Roy Nettles.

Survivors are his wife; two daughters, Mrs. H. E. Lindsey of Whiteface and Mrs. Hayden Moody of Santa Monica, California; a step-son, Jack Nettles; four broth-

ers, Ernest and Horace of Roscoe, Alva of Acuff, and Reverdie of Ropesville; and two sisters, Mrs. John Hastings of Roscoe, and Mrs. W. E. Lagow of Fort Worth.

Mr. Ater had a number of long-time acquaintances in Tahoka, including the publishers of the News.

Baptists Attend District Meet

Rev. Levi Price, pastor, and Rev. Howard Martin and E. I. Hill of the First Baptist Church attended the two-days session of the 25th annual Pastors' and Laymen's Conference held for District Nine in the auditorium of Wayland College at Plainview on Monday and Tuesday of this week. P. A. Nowlin of the local church also attended Monday. A number of other Lynn county Baptists were also present on one or both days.

The attendance was unusually large, the auditorium being crowded at practically every service. District Nine embraces about twenty Plains and Panhandle counties, but many were present from neighboring districts.

In addition to a number of the outstanding pastors and laymen of the Plains and Panhandle, appearing on the program Rev. C. E. Matthews of Travis Avenue Baptist Church of Fort Worth, now conducting revival services in the First Baptist Church of Lubbock, appeared three times on the program, and Rev. Charles A. Powell, pastor of the University Baptist Church of Abilene for seventeen years but now of Rule, appeared on the program four times. He is recognized as one of the greatest Bible scholars and pulpit orators among the Baptists of Texas.

The Tahoka pastor, Rev. Levi Price, was the last speaker Tuesday night of the two-days conference, and he delivered a masterful discourse on "Spiritual Transformation and World Reconstruction." A number of Wayland students appeared on the program from time to time and the Music Department gave a concert Tuesday evening just preceding the men's program. Rev. A. A. Brian of Brownfield was elected president for the ensuing year.

ANNOUNCEMENT SHOWER FOR LORENE REESE

Mrs. K. R. Durham was hostess Tuesday evening from seven to ten for an announcement party and miscellaneous shower for Miss Lorene Reese.

As the guests entered the living room, the "secret" was revealed by a large dart-pierced red heart on the mantle mirror and the words "Lorene" "Jack".

Before the fireplace was a large heap of beautifully wrapped gift packages blending with the pastel-hued cut flowers that adorned the reception suite.

Mrs. Anita Billman and Miss Robbie Milliken served refreshments from a lace-covered table centered by a miniature bride and groom.

Mrs. T. J. Wiley of Grassland Dies

Funeral services were conducted Sunday afternoon at the Grassland Methodist Church for Mrs. Nancy Wiley, 75, who died at about 11:30 last Friday. The remains were buried in the Grassland cemetery.

Survivors include the husband, Thomas J. Wiley, and one son and five daughters as follows: Emory J. Wiley of San Benito, Mrs. J. C. (Ola) Allen of Lubbock, Mrs. Hattie Richey of Harlingen, Mrs. J. C. (Vada) Warrick and Mrs. M. C. (Nora) Richey, both of Grassland, and Mrs. Sarah Wardlow of San Benito.

Mrs. Wiley was a devout Christian character, much beloved on account of her matronly qualities.

Mr. and Mrs. George Akin and children went over to Ruidosa for the week-end. They were accompanied by Mr. and Mrs. Eual Akin and Arvil Akin who are employed there and remained.

MISS EDNA VAN DYKE, SO EARWOOD ARE MARRIED IN HOT SPRINGS, N. M.

Mr. W. N. Van Dyke, Rt. 4, Tahoka, is announcing the marriage of his daughter, Miss Edna Van Dyke to Mr. S. O. Earwood of Hot Springs, New Mexico.

The Rev. Jacobs of the First Methodist Church of Hot Springs, read the ceremony Sunday afternoon, January 27, in the Church Auditorium, before members of the groom's family and a few close friends.

For her wedding Mrs. Earwood wore a powder blue suit with pink hat and black veil, white suede gloves and black accessories. For something old she wore a beautiful diamond ring presented by Mrs. Jenkins, of Hot Springs; for something new, a string of lovely pearls with sapphire clasp presented by a very special friend, Mrs. G. W. Shahan of Hot Springs; for something borrowed, a black leather-bound Bible, donated by G. W. Shahan and for something blue; a blue silk handkerchief presented by Miss Rose Lopez, also of Hot Springs.

Mrs. Abney and Grady Abney of Hot Springs, were the couple's attendants. Others of the family and close friends in attendance for the ceremony were the bridegroom's two sons and their wives of Hot Springs Mr. W. R. Warren, Mrs. M. D. Hallmark and Mr. D. R. Adams all of Tahoka, and Mr. and Mrs. G. W. Shahan, Mr. and Mrs. Hurt and Mrs. Jenkins all of Hot Springs.

The bride and groom were old acquaintances of long standing, having first met in Delta county, Texas in 1918.

Members of the family entertained with a wedding supper in the couple's home following the ceremony. The beautifully decorated wedding cake of angel food was presented by Mr. Warren. The heavily laden table was covered with a beautiful Spanish linen table cloth and matching napkins.

The bride has been a resident of near Tahoka for fourteen years, living with her father in his home in the Dixie community. She has been active in St. Luke's School and Church work in the Methodist Church of Dixie.

The couple will be at home in their home three miles South of the city of Hot Springs, New Mexico.

P. T. A. TO MEET FEB. 14

The Parent Teacher association will have its regular monthly meeting Thursday February 14 with Mrs. James Clinton as the principal speaker on Founders Day program. The grade school children will present a Valentine program.

The organization has been instrumental in buying playground equipment, a projector machine and a microphone and has added books to both grade and high school libraries. Although the membership is large the attendance has been rather small.

It is necessary for the parents to attend and take an active part in the P. T. A. if it is to succeed in its purpose of establishing closer relationship between the school and the home.

An attendance prize is offered to the room having the largest attendance each meeting on second Tuesdays. The Dec. prize went to Mrs. Walter Mathis section of second grade.

Be present Thursday February 14 and vote for your child's room.

P. T. A. TO HAVE REGULAR MEETING FEBRUARY 14

The Tahoka P. T. A. will meet Thursday Feb. 14 at the High School Auditorium at 3:45 promptly. Please notice the change in time and be on time and let us have a good number in attendance.

To have a standard organization, we are supposed to have three study courses during the year. Those courses are: 1. Parliamentary Procedure Course. 2. A Parent Teacher Procedure Course. 3. A 12-hour course on "Education for Home and Family Life." At least four persons must register and complete course no. 1, and at least eight members must register and complete the other two courses.

Those interested in these courses please notify Mrs. Abbey Whorton as early as possible.—Mrs. Truett Smith, president P. T. A.

PARTY HELD FOR CLAUDINE NEWTON

Little Miss Dixie Claudeene Newton, daughter of Mr. and Mrs. Bill Newton was honored with a birthday party February 1 by her Aunt, Mrs. Eimer Newton and her mother.

Dixie Claudeene was three years old February 1.

Those present were little misses Sundra Quillin, Norma Katherine Presley, Lou Elita Presley, Sandra Sikes, Jolene Sikes, Merna Mae Roberts and Lenabelle Newton.

The children were served angel food cake and drinks. Many lovely gifts were brought.

WEST POINT RESIDENTS GIVE SHOWER FOR MRS. HILL

In keeping with a long established custom, the West Point community were hosts for a miscellaneous shower and party for one of their young women who had recently married.

The honoree was Mrs. Billy Hill of Tahoka, the former Miss Mildred Flint and a native of the West Point community.

The gift party was held in the American Legion Hall in Tahoka where the West Point friends were joined by a few Tahoka friends of the young couple.

Hubert R. Tankersley acted as master of ceremonies and presented the gifts, which were opened and shown by the bride and groom.

Mmes. Roy Taylor, Terry Noble and Hubert Tankersley served refreshments after which games were enjoyed.

About fifty attended the party and a number of others contributed to the large array of linens, blankets, pottery, glassware and so on, received by the couple.

SPECIAL SCHOOL FOR TEACHERS AT WTSC

CANYON, Texas, Feb. 7—A summer session designed especially for public school teachers has been announced by West Texas State College. Short, it will last only ten weeks, leaving time for a vacation before opening of fall terms.

Intensive, the summer session will permit students to obtain twelve semester hours of academic credits. Classes will be of one-hour duration, Monday through Friday, in the five-day week. The session will open June 4.

Mrs. Susie Johnson, now of Lubbock, reports that her son, Wyman G. Johnson, A. E. M-3-c, who has been stationed recently at Corpus Christi, was granted a discharge

WE'RE ON THE MOVE
... WITH EVERYTHING IT TAKES!

THE great Panhandle-Plains and Pecos Valley area is really going places and we've got everything it takes when it comes to industry and agriculture. This area is the land of NEW opportunities. There are great possibilities here for all of us and our Company is doing its part by expanding its facilities to those who want and need our service—which is low cost, dependable electric power—a necessary adjunct to all industrial and agricultural progress—and better living in the home.

There is no better soil than in this territory for growing any number of important and profitable crops—including cotton, wheat, potatoes, alfalfa—and there's a ready market for everything you grow. . . . OIL FIELDS in this vast area are world-known. Everyone knows that our great peacetime industrial growth will demand more and more oil and natural gas. . . . THE PANHANDLE-PLAINS and Pecos Valley area is now producing vast supplies of dairy products, including millions of dollars in butter and cheese. . . . YOU WILL be amazed at the fine industrial opportunities in this area. Already we have scores of large and important industries in this area and from all indications, there will be many more industries attracted to this section of the country. . . . EVERY YEAR finds an increasing de-

mand from all parts of the nation for sorghums from this fertile area. Extensive tests have been made of our sorghums and experts tell us that they're the finest in the world. . . . THE RANCHES in the vast Panhandle-Plains and Pecos Valley area are turning out highest quality beef cattle . . . and good solid beef that's marketed all over the United States. This territory now produces far more than two million head of beef cattle annually. . . . EVERYONE KNOWS that the climate in the Panhandle-Plains and Pecos Valley is ideal. Cool, invigorating summer nights and our moderate winters keep us comfortable and healthy the year 'round . . . and the scenery is gorgeous. Yes, we really have something to talk about in the Panhandle-Plains and Pecos Valley—we're going places with everything it takes

CALL OFF THE DOGS, PLEASE.

That Senatorial investigation of the Pearl Harbor debacle seems to have developed into a game of the pot calling the kettle black, and vice versa.

The War and Navy Departments in Washington apparently undertook to saddle the blame on the admirals and the generals out in the Pacific, and Kimmel and Short and others proceeded to deny that they were negligent or remiss in their duties and to hurl charges back at the higher-ups in Washington. So, Mr. Average Citizen is yet undecided as to where the blame lies.

He probably does not believe, however, that anybody was wilfully careless or indifferent, but he suspects that there was some negligence and some inexcusable failure to grasp the gravity of the situation at both ends of the line, especially at the Washington end. We can

not forget that shortly before the Pearl Harbor attack Secretary Knox of the Navy Department wrote an article for a magazine in which he set forth the overwhelming power of our "two-ocean Navy" and asserted in effect that we were prepared for any eventuality. Before that issue of that magazine reached the reader, the major portion of our great battleships lay as wrecks on the bottom of the bay.

As a matter of fact, the higher-ups in Washington as well as in the Pacific were surprised by the Pearl Harbor attack. They had underestimated Japan's audacity as well as her striking power, just as we boys out in the hinterlands had done. All of us were amazed and astounded when Japan struck. They were more to blame than we of the hinterlands because it was their business to know the strength and the mettle of a probable enemy, while we had no adequate means of knowing it.

We think some of those Washington dignitaries and some of the Army and Navy leaders in the Pacific alike should admit that they were fooled, possibly a bit "dumb," and then call off the investigation hounds.

There are many Japanese residing along our west coast who are natural-born or naturalized American citizens. Many of them are good citizens. They have been loyal to our country as against the land of their ancestors in time of war and peace. Yet, we have heard no cry from the Washington politicians that there be no racial discrimination against them. We have heard no demand from the labor unions, from the racial-equality fanatics, nor from Northern or Western Congressmen, that these Japanese be given an even whack with other Americans at the job counter. On the other hand, a lot of politicians and radio commentators and newspaper columnists who have been berating the South for its alleged unfairness to the Negro have raised no voice anywhere in this country who where in favor of the Japanese and are taught to "stay in their places" and to keep their noses out of white folks' affairs. If you gentlemen are as strongly opposed to racial discrimination as you pretend to be, why don't you raise a cry for repeal of the law which denies citizenship to Japanese and Chinese? Why don't you raise sand for the repeal of the immigration law which forbids admission to this country of citizens of India, Burma, Siam, Indonesia, Indo-China, and Korea, as well as Japan and China proper? Answer these questions and then tell the South that you holy-holy folks have no racial prejudices.

A press report says that a crop failure in India portends another devastating famine. It is claimed that 50,000 people starved to death in India in 1943, and that hundreds of thousands have starved to death in China in recent years. Millions of others have been on the verge of starvation. It is devoutly hoped that something can be done about these famines that visit these non-Christian semi-civilized peoples periodically. It is believed that something worth-while will be done. The introduction of improved farming machinery and scientific farming methods should do much to increase production and prevent famine. We understand that the U. S. Department of agriculture together with other agriculture scientists and experts and manufacturers of farm implements are planning to bring about a better day agriculturally for India and China and other backward nations. Famine and the menace of famine must be stamped out eventually throughout the world just as we have stamped out yellow fever and the Bubonic Plague and other maladies in this and neighboring countries. In the meantime, we should be getting our hands down into our pockets for a liberal offering to the Red Cross during its next drive for funds to help feed the starving millions in the war-torn and famine-infested nations of the world.

The number of servile men recently discharged who are entering or re-entering business in Tahoka is distinctly impressive. Some of them who enlisted as mere boys or very young men have come back to us as matured, serious-minded men, worthy of our utmost confidence and esteem. Most of them have had experiences that try men's souls—that have burned out much of the dross and left the pure gold. They are taking their places not only in the business and industrial life of our towns and communities but also in our churches and our civic and service clubs. We feel that they are going to enhance and enrich our civilization, our social, civic, religious, and political life, and help to give the world a more exalted opinion of America and Americans than it has ever had heretofore. We are truly proud of our young men as a whole who have come back from the war.

J. D. EVANS DISCHARGED
FORT LEWIS, Wash.—J. D. Evans, Rt. 1, Tahoka, was honorably discharged from the service, officials at the Separation Center have announced today.

Extend Date For Farmer Sign-Up

Due to the shortage of clerical help in the Lynn County A. C. A. office the last date for signing the 1946 Farm Plan sheets and submitting requests for prior approval to carry out soil building practices in 1946 has been extended through Feb. 15, 1946. Before a farmer can become eligible for conservation payment in 1946 he must secure a written prior approval from the County Committee for practices applicable to this county. Maximum payment that can be earned in this county is \$2.00 per acre of cropland and 20 cents per acre of pasture or range land. Those who have not signed up are urged to do so on or before Feb. 15.

17-2tc

PRIVATES IN REGULAR ARMY TO BE PROMOTED TO PFC AFTER SIX MONTHS

The United States Army Recruiting Service today announced that all persons unless sooner promoted who enlist or have been enlisted as a private in the Regular Army on or after the first of January 1945, will on completion of 6 months satisfactory active service be promoted to the grade of PFC. All units and installations who receive men holding PFC ratings as a result of enlistment under these provisions are authorized to carry such personnel as excess in grade until these higher ratings are absorbed by normal attrition.

This announcement was made in order that men may be assured of promotion from grade of private within a reasonable length of time, and all men who enlist at this time will be promoted in accordance with this policy.

Men interesting in the advantages of enlistment at this time are urged to contact the nearest army recruiting station. Stations are located at Abilene, Amarillo, Big Spring, Lubbock, San Angelo, Dalhart, Borger, Pampa, Wellington, Plainview, Childress, Lamesa, Ballinger, and Sweetwater.

PLAY IT SAFE!
Why take any chances on not having all your equipment in good running order next season when you can have it all fixed up now. That's our business—expert repairs on any tractor, implement or tool used in farming. We have the mechanics, the special shop equipment and a big stock of genuine IHC parts to do your work right.
The main thing is to give us a little advance notice when you can. Most of the time our shop is swamped but when we know ahead of time we can schedule your jobs and have your machines ready when you want them.
Just give us a ring. Then when you're coming in, load up your tractor or any other piece of equipment and drop it off here. You'll find our service as good as the McCormick-Deering machines we sell. Our prices are reasonable. And we guarantee your satisfaction.

Sidelights From Washington

(By George Mahon)

As this is being written we are making the final push to have the barracks and housing at Lubbock Army Airfield actually available to Veterans who wish to enter Texas Tech for the new semester just beginning. In early January I attended a meeting with President Whyburn, of Tech, and city officials

at which plans were made to try to get occupancy of LAAF housing by February 1 for the use of Veterans. Upon my return to Washington I presented the matter to high officials of the Army urging the elimination of red tape and the quickest possible action.

Officials of the college and city have been on the job making proper contacts with the U. S. Army Engineers, in Dallas, and with the public Housing Administration, in Fort Worth, the agency under which the city will operate the housing facility. The exact extent of the housing to be available for Veterans at LAAF is not yet known but it is certain that several hundred Veterans will be accommodated.

A suggestion has come to me from Haskell County that flame throwers which were used in the war be made available to counties to combat Johnson grass, cockleburrs, and sunflowers along country roads and public highways. For those who hate Johnson grass, as nearly everybody does, this is an intriguing suggestion. But the War Department says no—that the flame throwers are too dangerous for such work and would not be practicable anyway.

A State agency in Mississippi tried out the flame throwers against the underbrush along the lower Mississippi River. The idea was abandoned.

The ordinary portable flame thrower has a capacity of four gallons of fuel. It has a maximum range of 60 feet and exhausts itself in nine seconds. The tank type flame thrower has a range of 100 yards and a capacity of 270 gallons of fuel which is exhausted in one minute of operation.

So the answer to the Johnson grass menace is yet to be found. It is too bad that the deadly ferocity of the flame thrower cannot be released against it.

West Point Cadet Max Minor, of Tahoka, broke two records and won top honors at a track meet at the United States Military Academy a few days ago. His home town of Tahoka did not get due credit in the big write-up about him in the Washington Post. Max was referred to as the speedster from "Cahoka," Texas.

Max has been a great favorite at the Academy.

THE STATE OF TEXAS

TO: Anna P. Spalding, her unknown heirs, their unknown heirs and legal representatives, the Temple Trust Company, now a dissolved corporation, which corporation formerly was incorporated under the laws of the State of Texas, and had its principal place of business in Temple, Bell County, Texas, and the unknown stockholders, their unknown heirs and their unknown heirs and legal representatives of said Temple Trust Company, a defunct corporation, and the First Trust Joint Stock Land Bank of Dallas, Texas, now a dissolved corporation, which corporation formerly was incorporated under the laws of the State of Texas, and had its principal place of business in Dallas, Texas, now a dissolved corporation.

GRETTING: You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 25th day of February, A. D. 1946, at or before 10 o'clock A. M., before the Honorable District Court of Lynn County, at the Court House in Tahoka, Texas.

Said plaintiff's petition was filed on the 8th day of January, 1946. The file number of said suit being No. 1671.

The names of the parties in said suit are: Brooks Smith, as Plaintiff, and Anna P. Spalding, and her unknown heirs, their unknown heirs and legal representatives, Temple Trust Company, now a dissolved corporation, which corporation formerly was incorporated under the laws of the State of Texas, and had its principal place of business in Temple, Bell County, Texas, and the unknown stockholders, their unknown heirs and their unknown heirs and legal representatives of said Temple Trust Company, a defunct corporation, and the First Trust Joint Stock Land Bank of Dallas, Texas, now a dissolved corporation, which corporation formerly was incorporated under the laws of the State of Texas, and had its principal place of business in Dallas, Dallas County, Texas, and the unknown stockholders, their unknown heirs and their unknown heirs and legal representatives of said First Trust Joint Stock Land Bank of Dallas, Texas, a defunct corporation, as Defendants.

The nature of said suit being substantially as follows, to wit:

Now comes Brooks Smith, who resides in Lynn County, Texas, hereinafter called plaintiff, complaining of Anna P. Spalding, her unknown heirs, their unknown heirs and their unknown heirs and legal representatives, the Temple Trust Company, now a dissolved corporation, which corporation formerly was incorporated under the laws of the State of Texas, and had its principal place of business in Temple, Bell County, Texas, and the unknown stockholders, their unknown heirs and their unknown heirs and legal representatives of Temple Trust Company, a defunct corporation, and the First Trust Joint Stock Land Bank of Dallas, Texas, now a dissolved corporation, which corporation formerly was incorporated under the laws of the State of Texas, and had its principal place of business in Dallas, Dallas County, Texas, and the unknown stockholders, their unknown heirs and their unknown heirs and legal representatives of said First Trust Joint Stock Land Bank of Dallas, Texas, a defunct corporation, and for cause of action plaintiff would respectfully show the following:

1. On the 1st day of January 1923, plaintiff was, and still is the owner in fee simple of the following described land and premises situated in the county of Lynn and state of Texas, and described as follows:

146 acres out of the Northwest corner of the Julian Contis Survey, described by metes and bounds, as follows: Beginning at a sucker rod set under fence for the N. W. corner of said Julian Contis Survey, for the N. W. corner of this Tract;

Thence East 901.5 varas along and with the North line of said Contis Survey, to stake set under fence for the N. E. corner of this tract, the N. W. Corner of Tract No. 2;

Thence South 913 varas to stake for corner;

Thence West 901.5 varas to stake for corner.

Thence North 913 varas to the place of beginning.

2. On such day also he was in

possession of such premises; and afterwards on the 1st day of December, 1945, the defendants unlawfully entered upon and dispossessed him of such premises and withheld from him the possession thereof.

3. Defendants have occupied and used such premises under such unlawful possession for a period of about 35 days and the rental value thereof during such occupancy is \$107.00, in which amount by virtue of such wrongs the defendants are indebted to plaintiff; but though repeated demand for the payment thereof has been made of defendants, by plaintiff, defendants have failed and refused and still fail and refuse to pay the same to plaintiff's damage in the sum of \$100.00.

Wherefore, plaintiff prays that the defendants be cited to answer this petition, and that plaintiff have judgment for title and possession of the above described premises, for his damages, for costs of suit and for such other and further relief as he may be entitled to either at law or in equity.

If this Citation is not served within 90 days after the date of its issuance, it shall be returned unserved.

Issued this the 8th day of January, A. D., 1946.

Given under my hand and seal of said Court, at office in Tahoka, Texas, this the 8th day of January A. D., 1946. (SEAL)

W. S. Taylor, Clerk District Court of Lynn County, Texas.

SHOWER HONORS
MRS. ROGER BLAKENEY

One of the loveliest miscellaneous showers of the season was given for Mrs. Roger Blakeney, the former Miss Bobby McCormick, at the home of Mrs. Wayman Smith, Jan. 31, in the New Home community. Mrs. J. R. Strain, Mrs. Will Harris, Mrs. Bill Balch and Mrs. John Armontrout were co-hostesses.

The valentine, or sweetheart motif was carried out in the decorations. The serving table was laid with a crocheted center piece, red hearts and lace doilies. Angel cake, coffee and heart mints were served.

Peggy Smith presided at the beautiful brides' book where seventy-two guests registered.

Forty-four persons, who could not attend the shower, sent gifts. Mrs. Blakeney presented the hostesses with lovely linen handkerchiefs.

Be Quick To Treat
Bronchitis

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes.

Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics.

No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. (Adv.)

DALE - JOBE

Miss Modene Jobe and George A. Dale exchanged Wedding Vows in the home of Mr. and Mrs. Bill Newton Saturday, February 2.

Mrs. Newton officiated, she being an ordained Minister of the Assembly of God.

NOTICE OF THE DISSOLUTION OF PARTNERSHIP

Notice is hereby given that the partnership between W. E. Singleton and Hal Singleton, Jr., who were conducting and operating two businesses in the City of O'Donnell, Lynn County, Texas, under two separate firm or partnership names, to wit: Singleton Appliance Company and the H. & S. Auto Parts and Supply Company, that said partnership was dissolved on the 16th day of January, 1946. All debts due to said partnership are to be paid at O'Donnell, Lynn County, Texas, and all debts due by said partnership are to be discharged by said Hal Singleton, Jr. at O'Donnell, Lynn County, Texas, at the office of the said Hal Singleton, Jr. and the said two businesses will be continued by the said Hal Singleton, Jr. at O'Donnell, Lynn County, Texas, under the two names, to wit: The Singleton Appliance Company and the H. & S. Auto Parts and Supply Company.

Witness our hands this the 28 January, 1946 W. E. Singleton; Hal Singleton.

Witnesses: W. L. Harris, C. R. Burleson.

Peiping, China, Picture
Of Beauty and Squalor

Covering an area of about 25 square miles, Peiping, China, is really three cities within a city, all walled—one within the other—says the National Geographic society. The Tatar city, called Mu-ching, was built first; the Chinese City, called Wai-Ching, was added later. The innermost part, Kin-Ching, was the Forbidden City to all but the emperor and his family. From the 34-foot wide top of the Tatar wall, the best view of the entire city can be had—a panorama of incredible filth intermingled with a strange and oriental beauty, crowds and huge walls, flimsy hovels amid shining temples and palaces. Below can be heard the screech of street cars, the cry of hawkers and remnants of never-ending arguments between passing members of camel caravans and street merchants.

Before the war, the population was estimated at 1,500,000. This figure fluctuated constantly due to the large groups of tourists and members of foreign diplomatic corps and armies stationed in Peiping. Only buildings of modern architecture were those of the legation quarter which were in great contrast to the oriental mosaic of temples and palaces in the Forbidden City. Small side streets are often narrow and foul-smelling with rows of small one or two-story buildings on either side. The main streets are macadamized, and in prewar days supported a tangle of street cars, pedestrians, camel trains from the Gobi desert, bicycles, autos and animals being brought to market. The busy shopping district was a maze of stores and book stalls. Gayly painted pennants swung in the breeze over curio shops where the staccato of haggling tradesmen's voices could be heard.

Penicillin Plants

There were, in the spring of 1945, about 13 penicillin plants in the United States and Canada with a total investment of about \$20,000,000. Based on a tentative production program of 200,000,000 units a month, and on the potency assigned to the National Standard, these \$20,000,000 worth of plants will produce only 9 pounds of pure penicillin a day. Yet this quantity will treat approximately 250,000 serious cases a month. The first quoted price of penicillin was \$20 for 100,000 units which by April, 1944, had declined to \$3.25 for 100,000 units and in August, 1945, the quotation was 59 cents. On the average, it takes about 1,000,000 units to treat a serious case of one of the infections for which penicillin treatment is effective.

Saccharin Sweetener

Saccharin has long been used as a sweetener for diabetics since their bodies have certain difficulties in using sugar. Its use by others has never been extensive in the United States. In fact, since it contains no caloric value, its use in commercial products is controlled by certain regulations set up by the U. S. food and drug laws. In addition to this limitation, the use of saccharin has not been widespread because an unpleasant flavor so often develops. Concerning methods which help to prevent the development of bitterness, experiments have been carried out at the University of Bristol, England, and elsewhere.

DDT Perfect Answer

To Bedbug Problem

DDT, the new insecticide, is the perfect answer to the bedbug problem, says the department of agriculture. If DDT is applied properly as a 5 per cent spray or a 10 per cent powder to mattresses, beds and chicken houses, these places will be free from bedbugs for six months or more.

When a 5 per cent DDT solution—seven ounces of technical grade DDT and one gallon of kerosene—is used, about three liquid ounces of the spray will treat a full-sized bed. The material should be applied to the mattress, pillows, springs and joints in the bed frame. It's important to force the spray into each joint of the bed and lightly treat both sides of the mattress. After the bed has dried a few hours, it can be used without fear of injury to the occupant.

One and one-half ounces of 10 per cent DDT powder is enough to treat a full-sized bed. It isn't necessary to treat the walls, because the bedbugs are killed when they come to the bed for meals of blood. It is advisable, USDA entomologists say, to wear a mask in applying.

CARD OF THANKS

Words cannot express my appreciation of the many kind acts, flowers, cards and letters while I was ill; but I do wish to say a sincere thank you to each one who helped in any way.

I am especially grateful to those who gave, or offered to give, blood for transfusions.—Mrs. R. W. McCrary.

POSTPONED WEDDING SHOWER
GIVEN WILSON BRIDE

A shower was given in honor of Mrs. William Craig, the former Miss Laura May Lookstedt, on January 28 in the St. John's Lutheran Church at Wilson, sponsored by the Ladies Aid, according to a recent communication sent to the News. Many useful gifts were received.

"The shower was postponed," it is explained, "because of Mr. Craig's being in the service."

"Now at home with his discharge since December 8, 1945, Mr. Craig and the bride can enjoy the wonderful gifts together."

G. K. Phipps who has lived on the same farm near Dixie for the past 26 years has sold his farm and moved to Brownfield.

We are indebted to Daniel DeFoe for the newspaper interview and the editorial.

How women and girls may get wanted relief from functional periodic pain

Cardui, many women say, has brought relief from the cramp-like aches and nervous strain of functional periodic distress. Takes like a train. It should stimulate appetite, aid digestion, thus help build resistance for the "time" to come. Started 2 days before "your time," it should help relieve pain due to purely functional periodic causes. Try it!

CARDUI

Costly Equipment

Should be checked frequently for possible repairs and replacements.

Your farm machinery will last you a long time if properly cared for. Bring us your repair work. Skilled mechanics, good equipment, and high quality parts are featured in our shop—and will save you time and money.

CHAPTER No. 2
"MYSTERY ISLAND"

Many People Are Changing Their Addresses

Recent changes not mentioned in these columns here-to-fore are the recent removal of Mrs. Harry Woods from her farm in the Edith community to a house which she purchased from W. H. Kahl on N. 4th St. formerly known as the Ben King place.

Mr. and Mrs. J. H. Kuykendall who lived between Tahoka and Edith also moved into Tahoka after selling their farm.

Mrs. E. D. Crouch who had lived at Three Lakes a number of years moved into the former J. J. Boydston house southeast of the Grade School.

Mr. and Mrs. Jess Murphy who have been living at New Moore since 1923 have moved to the former H. D. Heath ranch between Tokio and Plains. They will continue to read the News.

The American 36th Division, composed largely of Texans, captured the German 36th Division.

Army Recruiters Are Coming Here

S-Sgt Joe F. Raindl of the U. S. Army Recruiting Station in Lubbock will again visit Tahoka on Saturday, February 13 and can be contacted at the Post Office Building.

According to S-Sgt. Harry D. Creamer, non-commissioned officer in charge of the Lubbock Office, former enlisted men can now reenlist in the Regular Army and retain the highest grade held at the time of discharge and also collect a reenlistment bonus of \$50.00 for each year's completed service, providing they reenlist within 90 days from date of discharge.

SLEEP ALL NIGHT

Getting up every few hours destroys your rest. Save this energy. Correct the ph. in your body fluids with CIT-ROS, avoid this discomfort. CIT-ROS for sore, aching back, burning bladder, swelling feet. Get CIT-ROS \$1.00 at your druggist today. For sale by

WYNNE COLLIER, DRUGGIST

Former commissioned officers, warrant officers and flight officers who have been honorably discharged since 12 May 1945 can now reenlist in the Regular Army in the grade of master sergeant, provided they reenlist within 90 days from the date of their release from active duty.

For additional information, visit your U. S. Army Recruiting Station, 203 Post Office Building, Lubbock.

OVER 100 MILLION BOTTLES SOLD! SIMPLY GREAT FOR MONTHLY PAIN

Lydia E. Pinkham's Vegetable Compound does more than relieve monthly pain when due to female functional periodic disturbances. It also relieves accompanying weak, tired, nervous, cranky feelings—of such nature. Taken regularly—Pinkham's Compound helps build up resistance against such distress. It's also a great stomachic tonic!
