Number 19.

Precinct Valuation Is Guide for Paving

Designate Roads For Improvement If Bonds Carry

If the voters of Lynn county approved the proposed \$850,000 road bond issue at the polls on March 9, the funds derived from the sale thereof will be expended in each of the four precincts of Lynn county in proportion to the approximate assessed property values. This was the decision reached last week end by the Lynn county commissioners court after much consideration among its members and between its members and the citizens.

Therefore, if the county is able to build 126 miles of farm-to-market roads from the issue, if passed, Precinct 1 would get 40 miles of road, Precinct 2 32 miles, Precinct 3 27 miles, and Precinct 4 27 miles.

In effect, each precinct will pay for its own road construction.

For the information of the voters, following is the assessed valuation by precincts: Precinct 1, \$2,053,974; Precinct 2, \$1,700,872; Precinct 3, \$1,391,115; Precinct 4, \$1,392,205.

Each commissioner, with the aid of an advisory committee from his precinct, also has outlined roughly the paving program for his precinct in the event the issue carries.

In Precinct 1, Pat Swann, commissioner, paving is proposed from Wilson northeast to the county line near Slaton; from Wilson east to the Garza county line; from a point three miles east of Wilson north for three miles; from New Lynn south to the Tahoka-Post Highway; and from the same highway at Central Church north through Morgan and Gordon to the Lubbock county line near Slaton. The State has contracted to pave five miles from Wilson west to the Tahoka-Lubbock highway.

Precinct 2, Lonnie Williams commissioner, paving is proposed from one mile and west 4 miles to intersect Draw road; from Tahoka-Post highway south 14 miles through Redwine and Draw and to Borden county line; from a point 3 miles east of Tahoka, south 7 miles by Midway, and west 4 miles to the O'Donnell highway; from a point on the Draw-Borden county road near the southeast corner of the county west 4 miles toward O'Donnell. The State is obligated to pave from Grassland north to the Tahoka-Post highway, and west from Draw to the Tahoka-O'Donnell highway.

Precinct 3, John A. Anderson, commissioner, extension of the Borden county road 4 miles west into O'Donnell; from the Terry county line east through Newmoore to Wells to join the proposed State road from Wells east to the Tahoka-O'Donnell highway; from the Tahoka-O'Donnell highway at a point 7 miles south of Tahoka west 4 miles through T-Bar, north 1 mile, west 2 miles, and north 3 miles through Three Lakes to the Tahoka-Brownfield highway.

Precinct 4, Thad Smith commissioner, from New Home west 9 1-2 miles to Terry county line; from a point 10 miles west of Tahoka on Brownfield highway, north 11 miles through Petty, to intersect Lakeview-New Home road, and thence north to Lubbock county line. The State has contracted to pave from New Home east to the Tahoka-Lubbock highway.

The above outline is taken from a map shown The News by Judge Tom Garrard.

Findley Opens New Hudson Car Agency

J. Douglas Findley, local Allis-Chalmers and Minneapolis-Moline dealer, has been named dealer for the new Hudson automobiles in this county.

Findley received his first 1946 model a few days ago, and is expecting another to arrive immediately.

County Auto Funds Are Reapportioned

Action has been taken by the Lynn county commissioners court changing the method of distribution of the automobile registration tax to the four commissioners precincts.

This fund, which totals approximately \$50,000 a year, previously has been apportioned according to the number of automobiles in each precinct. This money is used to maintain the county road system.

However, three of the commissioners felt that since a large portion of the cars were from north Tahoka (in Precinct 1), and that the old system gave Precinct 1 more funds than proportionately due it, voted three to one to divide the registration tax fund four ways, and then for Precinct 4 to transfer \$1,000 each year to Precinct 1.

This will result in Precinct 1 getting approximately \$13,500 a year for road maintenance, Precinct 2 \$12,500, Precinct 3 \$12,500, and Precinct 4 \$11,500.

The 1945 automobile tax fund, for example, under the old plan, was divided as follows:

Precinct 1	\$16,299.92
Precinct 2	12,397.01
Precinct 3	12,694.41
Precinct 4	8,636.10
Total	\$50,027.44

Thus, it may be seen that the effect of the new policy is to lessen Precinct 1's road fund and to increase Precinct 4's. The latter, having no town in it, has long experienced great difficulty in maintaining its roads.

Commissioners Lonnie Williams, J. A. Anderson, and Thad Smith favored the change, and Pat Swann opposed.

Mason Is Named School Principal

Travis Mason, high school coach, was elected high school principal for next year at a regular meeting of the Tahoka School Board Tuesday night. Mason has been coach and teacher here since a short time before Christmas, having been discharged after service in the Navy during the war.

The school will likely be in the market for a coach for next year, a member of the board told The News.

Vernon Brewer, present principal of Tahoka High School, recently was elected superintendent for next year, after Superintendent F. E. Hancock had submitted his resignation to become effective in July.

Junior Class Play Is Next Thursday

The Junior class will present "Mamma's Baby Boy", a three act comedy by Charles George, Thursday night, February 21 in the High School Auditorium.

The cast includes: Dolores Nowlin, George Small, Nan Weathers, Noah Cromer, Jo Ann Henderson, Margie Tomlinson, Donald Akin, Mary Adamson, Bobbie Lynch and Lloydine Edwards.

Imagine the resulting fun when an attractive young widow of forty makes her eighteen-year-old son dress and pose as a boy of fourteen so that she may pass as a young woman and marry a widower whom she supposes to be wealthy. The widower, also trying to appear younger, has his seventeen-year-old daughter pose as a girl of thirteen so that he can win the widow whom he supposes to be rich. Everyone gets into hot water, especially when the deception is discovered on both sides.

For a night of real entertainment, go see "Mamma's Baby Boy" in the High School Auditorium Feb. 21.

Halsey Assails Merger

Merger of our armed forces under one head would be ruinous to our national security, in the opinion of Admiral William F. Halsey Jr., shown above. Admiral Halsey expresses the fear that such a single command savors too much of dictatorship, and casts a serious doubt on the motives of the proponents of the merger.

E. T. Cash Died Friday Morning

E. T. Cash, who had been afflicted for a long time with an incurable malady, died at 10:15 last Friday morning at his residence in east Tahoka. For two years he had been unable to do manual labor.

Funeral services were conducted Saturday afternoon at four o'clock at the Church of Christ here, with Garnie Atkinson, Minister for the O'Donnell congregation, officiating. The body was prepared for burial in the W. M. Harris Funeral home here, but was interred in the Tahoka cemetery under the direction of a Lubbock funeral director.

He is survived by his wife, four sons and three daughters. The sons are Homer Cash of Tahoka, Walter of Dumas, and J. R. and Emmett of Tahoka. The daughters are Mrs. Eula Mae Potts of Tahoka, Mrs. Lillie Massengale of Borger, and Eileen Cash of the home. All the children were here for the funeral. Six grandchildren also survive.

Born in Tennessee on February 7, 1888, Mr. Cash reached his 58th birthday on Thursday before his death Friday. He came as a boy with his parents to Texas. He was married to Miss Dora Nell Boren in Hockley county in 1907. He had lived in this section a long time and in Lynn county since 1935.

Many years ago he united with the Church of Christ, though he had not been an active member here. He had numerous friends who greatly sympathized with him in his prolonged suffering.

E. H. Boulliouins Are Returning to Tahoka

Capt. and Mrs. E. H. Boulliouin and son, Elbert Jr., were in Tahoka this week visiting friends, and expect to return soon to again make this their home.

Capt. Boulliouin, a veteran of World War I, volunteered for service soon after the United States entered World War II, closed the grocery store he had operated for 20 years, and accepted a commission in the Army. He was stationed in Florida about two years, but more lately has been on duty at Tilton General Hospital in New York City. Mrs. Boulliouin has been with him.

Elbert Jr. attended A. & M. before entering Naval training. Recently discharged, he expects to enter the University of Texas March 1.

After a visit with relatives in El Paso and Albuquerque, they expect to return to Tahoka to make their home.

Despite the best of intentions and exercise of intelligence, a man sometimes gets mixed up in a bridge game with three women.

Someone has said that thirty is the proper age for a woman. If she isn't proper by that time, she never will be.

Willis Pennington Seeks Precinct Job

The name of Willis Pennington will appear in our political column next week as a candidate for county commissioner from precinct No. 2.

Mr. Pennington is a farmer by occupation living two miles southeast of Tahoka, formerly residing in the Redwine community. He has been a resident of the county for 22 years. He is 43 years of age and still in the prime of life.

Mr. Pennington is one of Lynn county's best citizens. He enjoys the confidence and respect of all who know him, and he has many friends all over Lynn county, especially in commissioner's precinct No. 2.

He is thoroughly acquainted with the needs of that precinct and says that if elected to this office he believes he can make a full hand at the job. He will devote his best thought and energies to the duties of the office.

Mr. Pennington says that pretty soon he will be around interviewing the voters personally. If by any hook or crook he should fail to see any of you, he will appreciate your vote and influence just the same. He wants your help at the July primaries, and will try to repay you in service.

Draw Farm Home Destroyed By Fire

The residence of Otis Mensch, three miles east of Draw, was completely destroyed by fire last Saturday morning. The family also lost practically all their clothing and all the furniture.

The family was in a room on the south side of the house when the fire started, presumably from an oil stove in the kitchen. Some one opened the door to the kitchen, and as he did the kitchen roof caved in. That was the first knowledge the family had that the house was on fire. Mr. and Mrs. Mensch carried the children to safety, and while Mr. Mensch was moving their car and tractor, Mrs. Mensch broke in a window and salvaged an armload of clothes and other possessions.

A high wind fanned the flames to such an extent that combatting the fire was an impossibility.

New Dealership For Chrysler-Plymouth

Rollin McCord's new building on the south side of the square is almost complete, construction having been delayed by reason of the shortage of plate glass and other materials.

Chrysler-Plymouth corporation is this week announcing the appointment of Plains Motor company and Mr. McCord, owner, as local dealers for their automobiles. McCord is expecting a new Chrysler within a few days, and expects to have his place of business open within ten days.

District Basketball Opens Here Today

16 Servicemen Join Tahoka VFW Post

At its meeting at the American Legion Hall here on Thursday night of last week, the Tahoka Post 3905 of Veterans of Foreign Wars elected sixteen ex-service men to membership and gave them the obligation of the organization.

This class will be known as the George S. Patton class, so named in honor of the late General George S. Patton, who won enduring fame in the recent World War II on the battlefields of Europe.

Those joining the Post Thursday night were: William V. McFroy, Boyce R. Driver, A. N. Norman, Herbert L. Smith, Kieberg H. Harter, Harry M. Nash, Floyd E. Goad, William E. Hill, Preston F. Buchanan, Jack Pennington, Roy A. Botkin, William E. Carey, George T. Hines, Roy C. Harvick, John W. Weathers, and L. D. Pate.

One transfer was also received, Joe W. Moore from Post No. 3015, Clovis, New Mexico.

"This Post," says G. A. Rothenberg, Adjutant, "invites all service men and ladies to become members of this Post. We have a large membership and our goal is 501 members. Come and be with us. This is your Post, No. 3905."

Local Masons Plan Special Meeting

The Tahoka Masonic Lodge No. 1041 has arranged a Washington's Birthday celebration in connection with Pastmasters' Night for Tuesday, Feb. 19, at the lodge hall in Tahoka.

Principal speaker for the occasion will be Past Grand Orator of the Grand Lodge of Texas, F. O. Boles, now of Midland.

Jesse B. Cox of Brownfield, Deputy High Priest of the Grand Chapter of Texas, will present each Past Master present; with a Past Master emblem. There are 26 Past Master members of the Tahoka Lodge at this time, and it is hoped all will be present.

The meeting will open promptly at 7:30 P. M. at the Lodge Hall, and the group will then go to the Legion Hall for refreshments.

All Master Masons are cordially invited and urged to be present.

Spencer Kendrick Is Death Victim

Spencer Kendrick, 34, prominent young Brownfield banker, well known by many Tahoka people, was buried yesterday. He was the husband of the former Miss Elsie Woosley of this city.

"Spence" died unexpectedly late Tuesday afternoon, apparently from a heart attack, while on the roof of his residence inspecting a flue. He fell from the roof, but doctors believe that he suffered a heart attack before the fall.

He was active vice-president of the First National Bank of Brownfield, and member of a prominent pioneer family, his father, R. M. Kendrick being the bank president and owner of extensive oil lands.

Kendrick is survived by his wife and two young sons. Mrs. Kendrick's sister, Mrs. F. E. Calvery, and brother, Nathan "Bugs" Woosley, who live here, have been with her and the children since Tuesday night.

Mr. and Mrs. Tom Tyler of Draw received a telegram a few days ago from their son, Sgt. Charles C. Tyler, that he had arrived in Seattle from overseas and was on his way home with a discharge. He has been in Japan for the past six months.

There are no sleeping cars on the road to success.

Tahoka, Slaton Represent East In Tournament

Four of the top Class A basketball teams of the South Plains will meet in Tahoka today and tomorrow to determine the championship of District 5-A, Interscholastic League.

Tahoka and Slaton, the top boys' teams of the eastern half of the district as determined by the tournament at Post last week end, will meet at 2:00 p. m. today the two top teams of the western half, Andrews and Seminole.

In this afternoon session, Slaton will meet Andrews at 2:00, and Tahoka will meet Seminole at 3:00.

The Friday night session beginning at 7:30, losers of the afternoon games will play each other, and winners will play each other.

Saturday afternoon at 2:00, the winner of the first game and loser of the second will play to name the other finalist. Finals will be at 8:00 o'clock Saturday night.

Two winners of the tournament will represent this district against the two top teams of district 4-A, Levelland and Sudan.

Coch Mason's rapidly improving Tahoka Bulldogs sprang a mild upset at Post last week end by taking first honors in the elimination tournament, to the surprise of Post and Slaton fans, especially.

Admission to games in the local tournament will be 20 cents for all school children, and 40 cents for adults.

Officials for the tournament are Curtis Barrett of Lubbock and Doc Wilkes of Levelland.

Boxing Tournament Is Planned Here

At a recent meeting the V. F. W. decided to sponsor an Invitation Boxing Tournament to be held in the Grade school gymnasium here on Thursday and Friday nights, February 28 and March 1.

The V. F. W. has invited amateur boxers from Plainview, Petersburg, Littlefield, Brownfield, Post, Morton, Muleshoe, Slaton, O'Donnell, Abertown, Seagraves, Seminole, Denver City, Lamesa, Sundown, and Lubbock to participate. Fighters from Tahoka will also participate. Some of these places, of course, may not have fighters in the tournament but a goodly number of towns are expected to be represented. Trophies will be awarded to the individual winners.

Tickets will go on sale some time next week. The net proceeds of the tournament will go into the V. F. W. treasury to be used for various purposes and projects.

The price of tickets for the two nights will be \$1.50 for adults, 50 cents for school children. Gate admission prices will be \$1.00 for adults and 50 cents for children, each night.

The V. F. W. has also appointed a five-man recreation or program committee, to sponsor recreation and other activities to be staged from time to time with a view to raising funds for financing V. F. W. projects, one of which will probably be the construction of a building for the Veterans.

The men composing the committee are: Buster Driver, chairman, Roy Botkin, Billy Hill, Floyd Goad, and N. M. Barham.

Any Lynn county boxers who would like to participate in this tournament can contact any of the above mentioned committeemen to have your name officially entered as a contestant.

There is no advantage in waiting until tomorrow, because there will be no more time tomorrow than there is today.

JESTER-FENTON
VOWS EXCHANGED

Marriage rites for Miss Earline Jester, daughter of Mr. and Mrs. A. D. Jester, and James Fenton, son of Mr. and Mrs. Jim Fenton, both of Tahoka, were read Saturday night, February 2, at 8:30 o'clock in the home of Mr. and Mrs. George Jenkins in Slaton, cousins of the bride, in the presence of many friends.

Rev. W. F. Ferguson officiated, using the double ring ceremony.

The bride, given in marriage by her father, wore a light blue crepe dress studded with pink carnations and black accessories. For something old she wore a gold bracelet belonging to her aunt. For something borrowed she carried a white

Bible belonging to Darrol Jenkins. The matron of honor was Mrs. J. C. Hodges, sister of the bride. Miss Claudine Jackson of Slaton was bridesmaid. J. A. Peabworth of Tahoka was best man.

The bridal party assembled before beautiful bouquets of gladioli. The bride was graduated from the Loraine high school in 1945. She was employed by the Tahoka Drug store before her marriage.

The young couple is making their home in the Redwine community.

GRASSLAND NEWS

The Grassland 4-H Club girls met February 18—that's the way it is written—with Miss Anderson, the new county home demonstration agent.

Miss Anderson talked to the girls about gardening and saving food, then gave the girls the 1946 4-H Club year books.

We had three new members, Aileen, Joce, and Opal Belyeu. Reporter.

TAHOKA FAMILIES IN
REUNION IN SNYDER

The home of Mr. and Mrs. M. M. Shearer was the scene of a reunion of the Inman family last Sunday, with ten children of Mrs. W. P. Inman and their families present, according to Mrs. Florence Cowan of Tahoka, who was present.

In addition to the ten children, there were 25 grand-children and one great-grandchild gathered there with the mother and grand-mother, Mrs. Inman, to welcome home Travis B. Inman, who had just returned from service overseas.

The children and families present were: Mrs. Cora Shearer and family, Mrs. Ornetha Walden and family, and Jack Inman and family, all of Snyder; Mrs. Melvina Nelson and family of Brownfield; Mrs. Florence E. Cowan and children, John Inman and family, and Mary Ellen James and family, all of Tahoka; Sherman Inman and family of O'Donnell; Travis B. Inman and family of Sweetwater; and Nora Belle Wood and family of Colorado City.

The great-grandchild, Charles Mack, with his parents, Mr. and Mrs. Willard Tapley of Lamesa. Mr. Tapley also recently returned from overseas.

One daughter, Mrs. Maudie Chandler of Salem, Oregon, was unable to be present.

B. T. U. STUDY COURSE
AT REDWINE

Rev. Lloyd Gentry, pastor of the Redwine Baptist Church, announces that a B. T. U. Study course will be given in his church next week from Sunday until Thursday night.

There will be classes for each age group. Rev. Levi Price of Tahoka will teach the book, *The Growing Christian*, to the class of adults.

Gentry will teach *Planning a Life* to the young people.

Teachers for the other age groups have not been definitely selected. You are invited to attend.

Mr. and Mrs. W. T. Campbell of Blum, Hill county, and their son, Flight Officer Joseph N. Campbell, were out at Wilson last week visiting their son and brother, Postmaster Pat Campbell.

 A welcome awaits you. — Mrs. J. D. Roedler, Pastor.

BAPTIST NOTES

On last Sunday, voluntary contributions to pay off the debt on lots bought last summer amounted to a little more than a thousand dollars. A little more than \$1300 was needed. The remaining amount will have been provided, doubtless, before the end of this week and the debt wiped out. The Church already had more than \$3,900 in its building fund.

There were five additions to the Church last Sunday, four by letter and one for baptism.

The Church is carrying out an unusually full program of meetings this week. On Monday afternoon all the circles of the W. M. U. met at the Church for a Royal Service program. The Euzelian Class had its regular monthly class party at the home of Mrs. E. J. Cooper on Monday night.

The Teachers and Officers of the Sunday school met around a banquet table in the church dining room Tuesday night for a program and for the discussion of plans for the advancement of their work.

Prayer meeting on Wednesday night was conducted by the Girls' Auxiliary, followed by a meeting of the Youths' Choir at 8:30. The G. A. met at the Church at 5:30 for supper.

This being Focus Week for the G. A.'s, they met Monday with Dolores Nowlin for a Mission study. On Tuesday they met at the Church to pack boxes for the needy of foreign nations; on Thursday, at the Church for Community Missions activities; and on Friday night at 7:30, they are to meet at the Church for the Mother and Daughter banquet.

The "Sweetheart" banquet of the Young People's Department was held at the Church on Thursday night.

Announcement was made Sunday

Harvick Boys Are Home From Marines

Cpl. W. C. "Dub" and Sgt. Robert Harvick, who have been in the Marines since July 1, 1945, are at home, having received their discharges from the service last Friday. They have been together most of the time while in the service. They saw service in the Pacific, and were stationed, successively, at Samoa, Ellice, Tarawa, and Marshall Islands.

V. F. W. PREPARED IN CLAIMS WORK

Almost half of the Veterans pressing claims against the Veterans Administration prefer the Veterans of Foreign Wars at their official representative.

According to figures released by Veterans Administration Bradley's office that during September, 1945 powers of attorney filed were as follows: V. F. W., 46,020; American Red Cross, 25,142; American Legion, 18,561; Disabled American Veterans, 2,264 and others, 3,382. The veteran is free to choose the agency to which he grants a power of attorney G. A. Rothenburg. Adj.

McCLELLAN-FARR

Wedding vows for Miss Charlene McClellan and Mr. James E. Farr were read in the Methodist parsonage by Rev. H. A. Nichols at 8 p. m. Friday evening, Feb. 1st.

Miss Charlene McClellan of Tahoka is the daughter of Mr. and Mrs. C. E. McClellan of Tahoka. Mr. Farr is the son of Mrs. Farr of Grassland.

Mr. Farr has reported to the Navy until his discharge is completed. Mrs. Farr is employed with the Farm Security Administration of Tahoka.

Mr. and Mrs. Levi Nordyke left Tuesday morning for Mineral Wells, where they expected to spend two or three weeks drinking mineral water.

We consider every woman beautiful until she declares otherwise.

Airplanes May Transmit

Future Television Waves
Originated by a 27-year-old engineer, C. E. Nobles, and called Stratovision, your television broadcasting station of tomorrow may be an airplane flying lazily in circles six miles above the ground and above the weather—providing better reception at much lower cost than old-type land stations.

As now conceived by Westinghouse engineers, the airborne network will be made up of two-motored airplanes equipped with television and frequency-modulation transmitters and flying some 30,000 feet in the air. Programs originating in ground studios will be beamed to the cruising planes, then re-broadcast to television receivers in homes.

The Stratovision system promises to crack one of the toughest nuts of television broadcasting: how to increase the coverage area of each transmitter. Because television and FM radio waves travel in a straight line, they do not follow the curvature of the earth but simply shoot off into space. This means that television broadcasts from the highest practical tower erected on the ground cannot be received much more than 50 miles away from the source. By raising the antenna and transmitter 30,000 feet in the air, however, the reach of the short-waves is increased four times, thus drastically reducing the amount of equipment necessary to pick up and relay the programs. To provide coast-to-coast linkage by ground installation would require approximately 100 relay towers and hundreds of transmitters; or a 6,000-mile co-axial cable network estimated to cost at least 100 million dollars.

Kiddies Like to Wash

If It's Made Easy
Children can honestly love the task of washing hands before meals under suitable conditions. The basin must be adjusted to their height. Either it is a special low type, or there is a box or step-stool placed before it.

After all it is a most uncomfortable feeling to have water trickling back down the arms, and that's what happens when a tiny tot tries to wash at a regulation height basin. Try out the box to step on, and place the rod for towel and wash-sloth low enough for easy reaching.

If there are several children in the family, not all of whom can read, use pictures to designate the place for each child's individual towels, a duck for Susie, a kitten for Bobby, and so on. And here's a simple way to help a child not to waste soap: Teach him to place the bar on the bristle side of a hand brush. This will keep the soap dry instead of melting away in a damp dish or basin.

HIGGINBOTHAM - BARTLETT

Scout Executive Rotary Speaker

G. M. Unger, Boy Scout Executive of the South Plains, was principal speaker at Tahoka Rotary Club Thursday noon, and brought a message on work with boys that was thoroughly enjoyed by everyone present.

Thursday of last week, Principal Vernon Brewer, superintendent-elect of the Tahoka schools, brought an excellent address on education.

SHELTONS HAVE FAMILY REUNION

Mr. and Mrs. S. L. Shelton of Tahoka had all their children home Sunday, Feb. 10, for the first time in four years. A delicious turkey dinner and all the trimmings were enjoyed by all.

Lt. (jg) Travis D. Shelton has just recently returned from the Pacific theatre, where he has served for twenty months. He is to report back to Boston, Mass. soon but he hopes to be back in "civvies" before too long.

Those present were Mr. and Mrs. A. W. Waldrep and children of Marfa, Mr. Milton Shelton of Santa Fe, N. M., Mr. and Mrs. Sterling Alderson and daughter, Janet, of Wilson, Mr. and Mrs. Preston Buchanan and Elaine of Tahoka, Travis and Marshall Shelton of Tahoka.

SOCIAL SECURITY

John Palmer, Social Security Board Representative, will be in Tahoka at the U. S. Post Office at 11:00 a. m. on Wed., Feb. 20, 1946. He is in Tahoka one day each month for the purpose of answering any questions you may have on Social Security; discussing possible benefits and taking claims from persons who seem to be entitled to benefits and taking claims from persons who seem to be entitled to benefits; and of taking applications for Social Security account number cards.

Next time misfortune strikes, remember that the dog who lost his tail has one consolation. He holds no fear of tin cans.

Judging from the amount of liquor seen in the dry states there must be a lot of snakes thereabouts.

A lot of today's wolves are old goats.

Poultry Segregation

A definite trend toward segregation of turkeys from other poultry on breeding farms and in hatcheries is reported by the department of agriculture, which has long encouraged this desirable practice as a disease-control measure. Turkeys, chickens, pigeons, in fact, all kinds of poultry should preferably be raised only with their own kind. In a recent report on the operation of the National Turkey Improvement plan, which includes disease control measures, Frank E. Moore of the department's bureau of animal industry declares that in some areas the desirable procedure of segregating turkeys from other feathered stock "is practically 100 per cent, while in others it is far less so." "It will take time," he adds, "to accomplish this in many areas but we recommend it as a goal for every turkey breeder and hatchery." Scientific investigations and practical experience have shown that such segregation helps prevent the spread of parasitic and other poultry diseases.

Siamese Life

Chief economic interest of the Siamese is in farming and fishing—about four in five make their livings from those occupations. Government activities normally employ a considerable number. Possibly 1 in 50 has a regular job in an industry. Some women keep stores. It is a tradition for men to enter the priesthood, but few devote their lives to it. Monasteries are popularly regarded as places to get the three R's along with religious training. Primary education was made compulsory before the war. The Siamese are fond of games, especially those with an element of chance. They like to pit toy fish against each other, and engage in kite battles. Nearly everyone chews betel nuts.

Cooked Cabbage

Tests at several state experiment stations show that cooked cabbage, held over hot water an hour to keep it warm for serving, loses 70 to 80 per cent of the vitamin C it had when freshly cooked, and in two hours loses 90 per cent. As freshly cooked cabbage contains only about half the vitamin C of raw cabbage, the man who kept dinner waiting got very little C when he finally ate his cabbage. Cooked cabbage held in the refrigerator two or three days and then reheated does not lose as much C as that kept standing on the stove for an hour or two. When warmed up after refrigeration, it contains 24 to 32 per cent of the vitamin C it had when fresh and raw.

Doctors are so busy nowadays that lots of people get well before the date of the appointment arrives.

There is a greater demand for people of character today, than anytime in our history.

**STEPHEN DOOLEN
VOW EXCHANGED**

McLean, Feb. 6.—Nuptial vows were exchanged by Nieto La Nelle Stephens, daughter of Mr. and Mrs. L. R. Stephens of Tahoka, and Cpl. Clinton S. Doolen Jr., son of Mr. and Mrs. C. S. Doolen Sr. of McLean on Jan. 25 in the home of groom's parents.

Rev. H. A. Longino read the double ring service is candle light before a fire place banked with fern, gladioli, and iris. Miss Faith Hancock, friend of the bride, lighted the candles.

The bride was attired in a white crepe street length dress, accented by black patent accessories and corsage of American beauty rose buds. For something blue she carried a blue handkerchief; for something borrowed, she wore a gold sweetheart bracelet belonging to the groom's mother.

Mrs. Doolen is a graduate of West Texas State college, Canyon. she was a member of Delta Zeta Chi Sorority. For the past two years she has been employed as a Home economic teacher in the McLean high school.

Cpl. Doolen attended Oklahoma A. & M. and T. C. U. before entering service with the U. S. Marine Corps in 1942. He spent 24 months in the South Pacific.

Postmaster Pat Campbell of Willson reports that his son Theo Campbell, in service in the Merchant Marine, is now in a hospital in the Philippines being treated for a leg injury of some kind which he suffered recently. He had no information as to the details.

Some fellows don't have to have a new tie to be tempted to stick their necks out.

New Home News

(Mrs. A. L. Pace)

William Crump is home on a 22 day furlough visiting his wife, Opal Crump, and other relatives.

Mr. and Mrs. Roy L. Williams and children have returned home from a visit in Dallas.

Mr. and Mrs. Gannaway and sons, Roscoe, and Jim have returned from a visit to Corpus Christi visiting their daughter Mrs. Charles Fendergrass, and also another son, Emory, who is a patient in the hospital.

Congratulations to Mr. and Mrs. Clyde Smith who are the parents of a daughter named Shirley Ann, born Sunday, February 10.

Mr. and Mrs. Donald Caudle are the parents of a son named Brodie Bob, born Feb. 7th.

Lyn Cromer and family have moved to their new home in Lubbock.

Mr. and Mrs. Lynn Young attended the memorial services held at Abilene last week, for all former students of Abilene Christian College who gave their lives during World War II. Their son, Gene Young, who was killed on the German front, Oct. 31, 1944, attended A. C. C. before he entered the army.

Mr. and Mrs. Young have another son, Vaughn, who was recently discharged, and is now attending A. C. C.

Tuesday night Feb. 5, Whiteface ball teams visited New Home. The girls started off the evening events with a thriller of a game. The score was close all the way through, coming out in a tie at the end. The tie was played off for 3 minutes, in which both teams made a goal, thus tied again. The game ended with a score 18-18.

In the boys A game, Whiteface came out the winners with a score of 48-11.

Wednesday afternoon Feb. 6, Ropes teams journeyed over to New Home to play the A and B string boys. Ropes won a decisive victory over the A string with a score of 34-15.

New Home B string was also defeated. Their score was 14-9.

Friday night the 8th of Feb. New Home returned the game to Whiteface. New Home defeated the Whiteface girls with a score of 25-20.

The boys were again the losers, their score being 51-18.

The New Home Boys and Girls play off the county basketball tournament this week. Wilson and New Home play at New Home Feb. 12. They play at Wilson Feb. 15.

Mr. and Mrs. Joe Bob Billman returned Sunday night from a brief visit with his parents, Mr. and Mrs. F. M. Billman of DeLeon. They went down Friday.

WALDRIP-CRAWFORD

In the presence of relatives and close friends, Miss Cynthia Waldrip, daughter of Mrs. W. M. Waldrip of the T-Bar community, became the bride of James L. Crawford on January 20 at 6:00 p. m. in a double ring ceremony read by Rev. Levi Price at the Baptist parsonage.

Mrs. Crawford was a staff sergeant in the Woman's Army Corps. She entered the service as soon as the unit was formed and served in the ordnance department within the state, receiving her discharge a few months previous to her marriage.

Mr. Crawford is a farmer by profession, of the Edith community. He has lived in this county since 1920, the son of the late Mr. and Mrs. S. James Crawford. He entered the service in June, 1942, and served in the Pacific as a corporal in the artillery rectifying his discharge in October, 1945.

The couple have the best wishes of many friends.

NEW LYNN 4-H CLUB MET

FEBRUARY 8

The New Lynn 4-H Club met February 8 at 10:30 to 11:30 o'clock. Miss Anderson told the girls how to plant and make a frame garden.

Those present were: Shirley Bartley, Imo'ean Edwards, Margline Jester, and Ada Bessie Kindrick.

Visitors were Gertrude Edwards and Wanda Jo. Sales.—Reporter.

**IS GETTING UP NIGHTS
GETTING YOU DOWN?**

Thousands say famous doctor's discovery gives blessed relief from irritation of the bladder caused by excess acidity in the urine

Why suffer needlessly from backaches, run-down feeling from excess acidity in the urine? Just try DR. KILMER'S SWAMP ROOT, the renowned herbal medicine. SWAMP ROOT acts fast on the kidneys to promote the flow of urine and relieve troublesome excess acidity. Originally created by a practicing physician, Dr. Kilmer's is a carefully blended combination of 16 herbs, roots, vegetables, balsams. Absolutely nothing harsh or habit-forming in this pure, scientific preparation. Just good ingredients that quickly act on the kidneys to increase the flow of urine and ease the uncomfortable symptoms of bladder irritation.

Send for free, prepaid sample TODAY! Like thousands of others you'll be glad that you did. Send name and address to Department B, Kilmer & Co., Inc., Box 1255, Stamford, Conn. Offer limited. Send at once. All druggists sell Swamp Root.

T-BAR H. D. CLUB MEETS

The T-Bar Home Demonstration Club met in the school lunch room Tuesday, February 1.

Mrs. Pete Dorman was elected clothing demonstrator, Mrs. Calvin Dorman food demonstrator, and Mrs. Leverett as delegate to the council meeting.

Our next meeting will be at the home of Mrs. Lindley on the 12th of March.

Those present were: Mrs. Keith,

Mrs. Leverett, Mrs. Lindley, Mrs. Billings, Mrs. Eakers, Mrs. Pete Dorman, Mrs. Curry, Mrs. Armes, Reporter.

McNeely Delivers Two New Planes

That the people of this area are becoming distinctly air-minded is becoming more evident with almost every passing week.

Within the past few days Bill McNeely has delivered two Piper J3 airplanes to purchasers, one to F. O. Hogg of Lamesa on Saturday and one to Nell DeLavan of Lubbock Sunday. He expects to deliver two more during the present month one each to John Beard and Amos McMillan of Tahoka.

The first carload of planes ever shipped to Lubbock was unloaded there a few days ago, six in number, minus their engines and stripped of their wings. These were fitted on in a jiffy, however, and the planes were ready for service. Two of them went to McNeely's customers, Hogg and DeLavan.

McNeely has established a landing field here on the old Ray place just south of town, which will be known as the Tahoka Airport.

Progress Reported On Air Corp Unit

The proposed unit of the Texas State Guard Air Corps for Lynn County is shaping up fine. The necessary papers for the official set up of the unit should be in the hands of the organizers any time now. In the meantime anyone interested should contact B. T. Smith of Tahoka or J. L. Leach of Wilson and leave with one of these men his name, age, military experience, and aeronautical experience.

Previous military experience and aeronautical experience is not essential for there will be openings for those who care to learn to fly in Texas State Guard airplanes and at State Guard expense. Ground crew men will be needed and properly trained.

Lt. Col. E. B. Germany informed B. T. Smith recently that no such squadron existed west of Ft. Worth and Lynn County may be selected as headquarters for such unit if sufficient interest is shown.

Bartley Is Promoted To Sergeant Rank

Eighth Army, Japan. — William E. Bartley, has been promoted to the rank of Sergeant. Bartley, a communication sergeant with Company B of the 32nd (Red Arrow) Division's 126th Infantry Regiment is now performing occupational

work in the Japanese city of Kure in northern Kyushu. His parents Mr. and Mrs. Sampson Bartley live in Tahoka, Texas. The 32nd, which is commanded by Brigadier General Robert B. McBride Jr. is currently attached to the Eighth Army doing occupational duty in Japan.

Freight Loss

Freight loss and damage payments made by the railroads of the United States and Canada in 1944 totaled \$59,756,336, an increase of 42.1 per cent over the preceding year. Claim payments by American railroads last year amounted to 0.82 per cent of the gross freight revenue as compared with 0.59 per cent in 1943. Those of Canadian roads were 0.36 per cent of the revenue, the same ratio as in 1943. For many years, the railroads have pressed against freight loss and damage. As a result of better methods of packing, loading and handling of shipments, freight claims paid in 1944 were only about half what they were in 1920, although the railroads performed nearly double the freight service that they did 25 years ago.

'Seeing' the Invisible

Although nobody has ever seen an atom it is possible for the human eye to learn a lot about atoms through ingenious optical and other instruments, according to the Better Vision Institute. Microscopes magnify objects up to about 4,000 diameters, making visible bacteria and other things which the naked eye cannot see. However, to see atoms would require a microscope a billion times more powerful. Shadow pictures of atoms can be obtained by the use of x-rays with the spectroscopic, thus providing information about the arrangement of atoms in various substances. Molecular groups of atoms in rubber, for example, seem to stretch out in long strings, expanding and contracting like coiled springs.

Puerto Rican Industry

Three-fourths of Puerto Ricans are white; the rest Negroes or of mixed blood. Spanish is the language of the people; English is common in business and government. Sugar production is easily the largest industry. Turned out normally at the rate of about a million tons a year, sugar accounts for other industries such as the manufacture of molasses and the distillation of rum and alcohol. The growing and processing of coffee, tobacco and citrus fruits follow the production of sugar in the island's industrial scheme. The making of needlework and hand embroidery has increased until it accounts for about \$20,000,000 in annual exports. Puerto Rican cigars and straw hats are well known to continental Americans.

Vegetable Storage

Among the suitable places for storing vegetables for winter are basements, cellars, pits and caves, banks or mounds and trenches. Dry, well-ventilated basements with a temperature of 40 to 60 degrees will be suitable for onions, sweet potatoes, pumpkins and squash. Cool basements may be used for beets, cabbage, carrots and celery heeled in in sand. Turnips should be covered with sand. Pits or cellars, dug on hillsides or under buildings, may be used for storing root crops, cabbage, lettuce, celery and endive. Natural caves make ideal storage places, if moisture and ventilation can be controlled. Inside temperature should be above freezing. Many vegetables can be stored in banks or mounds with drainage beneath. Upright flues of cornstalk bundles or a triangle of small boards should provide ventilation. Protection of straw or earth should be provided for coldest winter weather. Potatoes, when hilled, need a shelter. Leafy vegetables may be banked in the rows or transplanted into trenches and protected overhead with straw or brush in coldest weather.

THE LYNN COUNTY NEWS

FEBRUARY 15, 1946

Pennington, Heck Report On Trip To Washington

Garland Pennington, who returned from Washington last mid-week, where he and John Heck of Wilson had gone to interview ex-Secretary Claude Wickard, head of the RRA, and other big-wigs respecting funds for the extension of the Lyntegar lines, reports that while no absolutely definite results were obtained yet they came back convinced that adequate funds would be forthcoming and that there would be no cessation of work until all the proposed extensions are completed.

Mr. Pennington says that George Mahon was a great help to them in presenting their cause. They visited his office several times and were guests in his home while there. He knows how to get things done in Washington.

On the Saturday, when the government offices were closed, they spent the time in looking about the city, Mount Vernon near the city being one of the places visited. One day they visited the Senate while Bilbo of Mississippi was doing his stuff as a filibusterer and got a great kick out of some of his wisecracks.

Just to prove that they were good boys away from home, Garland claims that he attended services at the First Baptist Church on Sunday at both the morning and evening hours. He managed to get John Heck to go with him in the morning but John balked on him at night. Garland says that in order to accommodate the crowds, the Church has two identical services in the morning, one at 9:30 and the other at 11 o'clock. They

Lutherans Build School at Wilson

A school building for St. Paul's Lutheran Church at Wilson is now under construction. Rather slow progress is being made on account of the difficulty in procuring building material but it is hoped that it may be completed within a few weeks.

This branch of the Lutheran Church has long followed the policy of maintaining elementary schools in connection with the local churches. The children as a rule are not sent to the public schools until they have been confirmed and thoroughly indoctrinated in the tenets of the Lutheran Church.

Up till now, St. Paul's Church at Wilson has conducted its school in the Church building. The school building now under construction is being built on the same lot with the Church. Rev. Harold Kleck, the pastor of the Church, serves also as the teacher of the school.

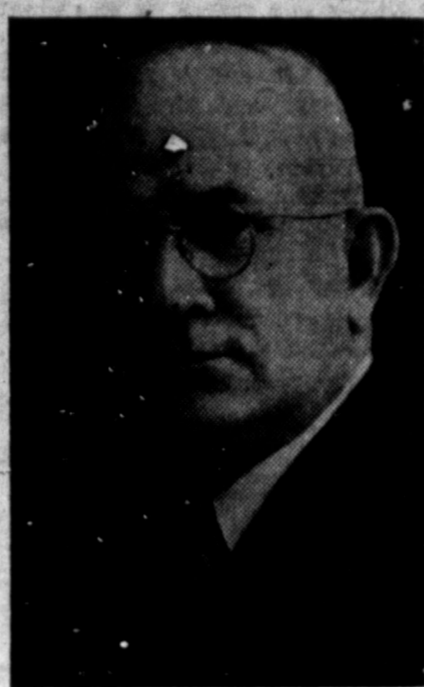

CARD OF THANKS

We take this method of thanking the neighbors and friends for their great kindness and sympathy manifested in the bereavement which we recently suffered in the loss by death of our companion and mother, May God bless you all.—T. J. Wiley and children.

don't have so much trouble in seating the crowd at the night service.

Yes, and Garland told about the Pentagon building, from the outside. He says they arose and flew right square-dab over it, and he intimated that it was somewhat bigger than anything in Tahoka—which is going some.

We'll let him tell you the rest of it personally.

The first Southwide radio broadcast of The Methodist Hour, Sunday morning, Feb. 17, at 7:30, Central Standard Time, over an independent network including KGNO, Amarillo, WFAA, Dallas, and WOAI, San Antonio, will feature Bishop Clare Purcell (above), president of the college of bishops of the South-eastern Jurisdiction of the Methodist Church.

Bishop Purcell will speak on "The Church That Is To Be." Rev. H. A. Nichols, local pastor, states that the Bishop is one of the outstanding Methodist speakers of the nation.

Oba Gattis Dies At Cross Plains

Mr. and Mrs. Rafe Richardson, Mr. and Mrs. I. I. Gattis, and Mr. and Mrs. Osa Gattis and other members of their families attended funeral services for Oba Gattis at Cross Plains on Tuesday of last week, who died suddenly and unexpectedly on Monday morning.

Mr. Gattis was stricken Sunday and taken to a hospital. The relatives here were notified and Mrs. Richardson and I. I. and Osa Gattis went down Sunday night. On Monday morning, however, he seemed better and was released from the hospital. A little later he suffered another attack and died almost instantly. Up till Sunday it was not known that he was afflicted with heart trouble. He was a brother of I. I. and Osa Gattis and Mrs. Rafe Richardson. Upon his death Monday other members of the families here went down.

Funeral services were collected Tuesday afternoon.

Mrs. Hubert C. Davis of Abilene, who visited briefly in the News office Wednesday, and in speaking of her sons mentioned that Hubert Edward, Electrician's Mate third class, has been seeing much of the Pacific during the past two years, serving on the L. S. M.—40. Among other places he has been to Guam, Okinawa and Japan. The younger son, Joe Bob not quite 13, is a student at N. A. T. C., Arlington, Texas.

RADIO SERVICE—Phone 306.

Court of Honor Is Held Here For Boy Scout Troops

Approximately 175 persons attended the Boy Scout Court of Honor proceedings here at the grade school building on Monday night, according to E. B. Gaither, who has been acting as scoutmaster during the absence of Scoutmaster A. R. Milliken and his assistant, Roy Anglin, who have been away in the service.

Boy Scout troops and their parents and friends from Wilson and from Grassland as well as from Tahoka were present. Scoutmaster Frank Fletcher of Wilson headed a group of 52 from that little city. Grassland was handsomely represented also.

A. R. Milliken, scoutmaster here before he went into service in the Navy, and Roy Anglin, who was his assistant and who also recently returned from overseas, were each presented with a Service Star.

With Scoutmaster Milliken presiding, the following promotions and awards were given.

Terrell Williams, Leroy Clinton and Tommy Chandler were given the Tenderfoot rating. Garner Barham was advanced to the rank of a Scout First Class. Harvey Freeman Jr. became a Star scout, and Kenneth Weaver and Eldon Akin were awarded Merit Badges.

A great feast was enjoyed also, provided by Tahoka Troop No. 21. Bud Milliken, father of the scoutmaster, had prepared the meat and the mothers of the Boy Scouts had prepared the other food for the occasion.

It was the greatest Scout occasion that Tahoka has seen in many a day.

HOME IS SOLD

Bill McNeely a few days ago sold his home in Tahoka, the old Parkhurst place three blocks west of the square, to W. R. Owens of the Dixie community.

Flying Farmers of Lynn County Plan Organization of Club Here Feb. 20th, National President Is Being Invited

(By Manuel W. Ayers)

An organization meeting of the "Flying Farmers of Lynn County" will be held in the County Agent's office at 7:30, Wednesday night, February 20th.

The purpose of this meeting will be to elect officers and discuss the advisability of becoming affiliated with the national organization of "Flying Farmers of America". Plans will also be made at this organization meeting for the first field day to be held in the near future. A barbecue will likely be one of the main features of this first field day.

Twenty flying farmers in Lynn County either own a plane, or have an interest in one and many of them are using the airplane as part of their farm equipment. They are putting planes to work on such jobs, as counting cattle, checking fences, spreading insecticides, getting implement repairs in a hurry, and many other jobs.

A list compiled in the County Agent's office shows the following Flying Farmers in Lynn County: Mrs. Jesse McLaurin, Amos McMillan, Leo Brooks, Lee O. Poef, Clayton Beard, R. L. Gibson, Fred McNabb, Thad Smith, Horace Lindley, Ellis Barnes, John Beard, Bill McNeely, Loyd Mears, Fred Roper, Gene Roper, Warren Smith, J. L. Leach, Calvin Edwards, Calloway Huffaker, and E. H. Newton.

Other licensed flying farmers who expect to own planes in the near

future include: Roy Lemond, Alvin Shambeck and Warren G. Waldrup.

The above list may be incomplete. All farmers in Lynn County who fly, whether or not they own a ship or an interest in one, are cordially invited to attend this meeting.

A special invitation is extended to all returned veterans who are fliers and who are farming, or expect to farm in Lynn County.

Henry Bomhoff, President of the National Flying Farmers Association will be invited to attend this organization meeting.

BLAZE CAUSES EXCITEMENT; DOES NO DAMAGE

An intensely black smoke suddenly billowing up in the south part of town Sunday afternoon brought a hasty run by the Fire Department and a flock of people from all parts of town to find out the cause of the conflagration.

Upon arrival, however, they found that it was only a big pile of old worn-out rubber tires that Vernon Kelley had set afire just to get rid of an eye-sore at his place.

A lot of disappointed folks had craned their necks in vain in an effort to determine just what particular residence or business house was burning.

The wife is never distressed about our playing cards, so long as we win.

You Need This Protection For Yourself and Family

Pre-Paid Health Care Encourages Prevention of Serious Illness

Life Membership - \$100.00 Per Family

ANNUAL DUES ARE AS FOLLOWS:

One person in family	\$15.00
Two persons in family	\$22.00
Three persons in family	\$27.00
Four persons in family	\$30.00

Additional children, each

Other dependents, each

\$3.00

\$10.00

The services of our doctors are FREE to our members at all times. You pay only for materials and medicines used.

Our Charges for Hospital Services Are

ROOM, FOOD and General Nursing Care:

Ward, per day	\$2.00
Semi-private room, per day	\$3.00
Private room, per day	\$4.00

ANESTHESIA - OPERATING ROOM FEES:

Major Operations - appendicitis etc.	\$25.00
Minor Operations - tonsils, etc.	\$12.00
Obstetrical cases	\$12.00

Visits to the Doctor at regular intervals is often the means of avoiding serious illness. Preventative medicine is by far more effective. The CAPROCK CO-OPERATIVE HOSPITAL serves not only to treat you when you are sick but also to keep you from getting sick.

MISS ARGEN HIX AND TOM DRAPER MARRIED

The marriage of Miss Argen Hix, daughter of Mr. and Mrs. E. M. Hix, pioneer Wellington residents, to Tom Draper of Tahoka, son of Mr. and Mrs. I. M. Draper of Tahoka, took place Thursday afternoon, February 7, at 3 o'clock at the First Baptist Church in Wellington. Rev. H. H. Kinkeade, pastor of the church, read the impressive vows before a large group of friends and relatives. A background of greenery, baskets of peach gladioli and floor candelabra with peach candles formed the altar decorations.

Mrs. John C. Harper played the traditional wedding marches and accompanied Mrs. William Barjenbruch who sang "I Love You Truly" and "Because." "To a Wild Rose" was played softly throughout the ceremony.

The bride wore a gown of white marquisette fashioned with a fitted bodice and bouffant skirt which fell into a chapel train. The bodice was embroidered in seed pearls with high round neckline outlined in pearls. Her finger-tip veil of bridal illusion was attached to a halo orange blossoms. She carried a bouquet of gardenias showered with white lace net and satin streamers. She wore a gold bracelet belonging to her mother which she wore in her wedding.

Miss Margaret Hix of Amarillo, sister of the bride, attended her sister as maid of honor. Her dress was of peach marquisette with fitted bodice and full skirt. A ruffle of the same material outlined the drop shoulder yoke. Her flowers were peach gladioli.

Mrs. Morlan McManigal of Claude was matron of honor and Miss Tera Easter of Lubbock was bridesmaid. They wore identical dresses in fashion as that of the maid of honor. Mrs. McManigal wore powder blue and carried a bouquet of pink carnations and Miss Easter wore pink and Dutch Iris. The attendants wore two strand pearls, a gift of the bride.

Mrs. Jack Van Beber of Phillips and Mrs. Earl Blackmore of Canadian lighted the candles. They wore yellow and powder blue.

Groomsmen were Fred McGinty of Tahoka, brother-in-law of the groom, and Morlan McManigal of Claude.

Ushers were David and Marian Baumgardner of Wellington.

The bride is a graduate of Wellington High School and Texas Tech. She is a member of the Phi Upsilon Omicron, honorary Home economics fraternity. For the past five years she has been with the Farm Security Administration and the Texas Extension Service. At the time of her marriage she was home demonstration agent in Hemphill County.

The groom graduated from Tahoka High School, where he was outstanding in athletics. He farmed at Tahoka and Hereford before entering the U. S. Army Air Forces in 1942. He served 31 months in England.

Immediately following the ceremony, a reception was held in the home of the bride's parents. Mrs. Hix, the bride and groom met the guests at the door. Mrs. Van Beber registered the out of town guests.

The refreshment table was laid with a lace cloth and appointed in crystal and silver. The three tiered wedding cake was encircled with white carnations.

A number of out of town guests from Tahoka, Canadian and surrounding towns were present. After a wedding trip the couple will be at home near Tahoka.

NOTICE OF THE DISSOLUTION OF PARTNERSHIP

Notice is hereby given that the partnership between W. E. Singleton and Hal Singleton, Jr., who were conducting and operating two businesses in the City of O'Donnell, Lynn County, Texas, under two separate firm or partnership names, to wit: Singleton Appliance Company and the H. & S. Auto Parts and Supply Company, that said partnership was dissolved on the 16th day of January, 1946. All debts due to said partnership are to be paid at O'Donnell, Lynn County, Texas, and all debts due by said partnership are to be discharged by said Hal Singleton, Jr. at O'Donnell, Lynn County, Texas, at the office of the said Hal Singleton Jr. and the said two businesses will be continued by the

said Hal Singleton, Jr. at O'Donnell, Lynn County, Texas, under the two names, to wit: The Singleton Appliance Company and the H. & S. Auto Parts and Supply Company.

See it! Hear it! Action Whirls! COMING SOON.. "THE HARVEY GIRLS"

MGM's musical romance in Technicolor

Epic of a famous Eating Place! Hearts, Heroism and Happiness in a Harvey House! When the Santa Fe, back in the last century, pushed its rails on out through the West, Fred Harvey followed with "civilized" eating places along the railroad. Waitresses were ladies. Food was good. Harvey Houses along the Santa Fe became a national institution.

Stir up the Harvey House Girls serving beefsteak and coffee in a wild and woolly frontier town, add a handsome Western hero and a crooked Western political boss, season with seven hit songs, including that toot-toot-tootest hit, "On the Archison, Topeka and The Santa Fe," produce it under famous MGM producers, wrap it all up in Technicolor and you have something!

You met her in St. Louis. She made your heart ticktock in "The Clock." Now she'll put your hair in curls in "The Harvey Girls." Who-o-o? Nobody but Judy Garland. Never such a song for Judy to sing as "On the Archison, Topeka and The Santa Fe." Never such a part for Judy to play. She carries coffee—sings songs. She curbs crime. She rates romance—and she hog-ties her hero as the lights go up.

Winningest cast of the West:

Along with Judy you get He-Man JOHN HODIAK.

PRESTON FOSTER as the vicious villain.

Find-of-the-year ANGELA LANSHURY.

RAY BOLGER with the frisky feet.

Dead Pan VIRGINIA O'BRIEN.

Those comical cutups, MARJORIE MAIN and CHILL WILLS.

And KENNY BAKER, back in pictures, fresh from Broadway and radio successes.

But that's not all.

You get seven singable songs by JOHNNY MERCER and HARRY WARREN, including that hit of hits, "On the Archison, Topeka and The Santa Fe."

You get direction and production by MGM's famous George Sidney and Arthur Freed. And all in Technicolor.

Historically "The Harvey Girls" grew up with Santa Fe. Our railroad and their eating houses pushed through the Southwest and West when towns were scarce, times were tough, and a Colt's 45 was a man's standard equipment. Today, the 70-year-old Fred Harvey company—which has been under the management of the same Harvey family for three generations—operates Santa Fe dining cars and the Fred Harvey hotels and restaurants located along the railroad.

"The Harvey Girls" is a delightful and wholesome entertainment the entire family will enjoy. Watch your newspapers for announcement on when "The Harvey Girls" will be in town.

THE RACE FOR GOVERNOR SHAPING UP

The Sunday papers carried the announcement that Lt. Governor John Lee Smith had announced his intention of running for governor. That makes four avowed candidates, with the practical certainty that two or three others will be in the race. It is also believed that it indicates that Governor Coke R. Stevenson will not run, though he has made no public statement of his intentions.

Those in addition to Smith who have announced their candidacies are Jerry Sadler, former railroad commissioner, who resigned to join the army; W. J. Minton of Sherman, about whom little is known at this time; and Casa March of Waco, a lawyer who has been representing one of the bureaus or agencies in Washington for several years, and who also joined the armed forces two or three years ago. He is said to be a good lawyer, though he is not well known throughout the state. It is a practical certainty that Homer P. Rainey, former president of the University of Texas, will be a candidate. It is also being predicted that Attorney-General Grover Sellers and Railroad Commissioner Beauford Jester will run if Stevenson

does not run. There is some speculation also as to whether Senator W. Lee O'Daniel will toss his hat into the ring.

At all events, the prospects are that there will be plenty of fireworks and possibly an atomic bomb explosion or two in the governor's race this time.

THE FILIBUSTER WINS

Well, the filibusters in the Senate won out and the FEPC bill has been pigeonholed temporarily.

It is probably true that some of those who were listed as favoring the bill are really glad that the filibusters won. They knew that the bill was wrong in principle and would inaugurate a bad policy, but they lived in a part of the country where every faction and every element of the population must be courted in order to retain their seats, and so they felt that they had to line up with those favoring the bill. They wanted the support of the labor unions, the colored voters, and the radicals generally, who as a rule favored the bill.

Those who really and seriously favored the bill probably had a double motive in pressing for its passage: first they really wanted it to become law, and secondly they knew it could be defeated only in a filibuster staged by Southern Senators, which would have the effect of discrediting them and of curtailing somewhat the influence of the South as a section in the councils of the nation, as filibusters are admittedly unpopular.

We are glad that the FEPC was defeated but are sorry that it had to be defeated by a filibuster.

Our information is that the British are in rather bad repute in India. We hope that their relations with that country improve from here on out and that the Indians be granted the fullest measure of self-government at the earliest possible date consistent with the continued peace of the world. In the course of time, as the people of India become more and more enlightened, they are going to demand complete independence, and if it is then refused them they will resort to arms. If Great Britain is wise, she will give India every possible modern convenience, improve the educational facilities of her people, take measures to stamp out famine and preventable disease, and unceasingly cultivate the friendship and good-will of all classes of her people. Great Britain should profit by America's benevolent policy in Cuba and in the Philippines. Kindness and a helping hand extended to an inferior people always pays big dividends.

That little bit of non-sense about Congressman George Mahon's trousers which we published recently in this column brought a kindly comment from Mrs. Mahon in which we learned that she reads the Lynn County News each week before George does. In fact, we guess George does not read it at all except at infrequent intervals.

Political Announcements

Commissioner, Precinct 4:

THAD SMITH

Like most men, his wife probably does most of his heavy reading for him and then passes on to him what she thinks would be helpful or pleasing. That's probably why he is making so excellent a Congressman. By the way, had you forgotten that she was a Tahoka School teacher when George married her? And now she is the power behind our congressman's throne.

If the Russians like that particular brand of dictatorship which they have in that country whereby the Communist Party comprising only a small percent of the total population rules the country, that is their business; but when they undertake to force other countries to come into their fold, then that becomes our business. We are dedicated to the proposition that all nations capable of self-government have the right to govern themselves without being swallowed up, threatened, or molested in any way by any other nation. We hope that Russia does not become too aggressive in spreading her propaganda.

A woman's face is her fortune only when it draws a lot of interest.

The Magazine boys call hash the review of reviews.

S. O. F. A. CLUB ORGANIZED

The S. O. F. A. Club, a social organization that meets at 7:30 each fourth Thursday night, had their third meeting January 31st, and selected a name for the organization.

This organization is composed of employees of Government agencies in Tahoka. The agencies represented in this organization include the following: National Farm Loan Association, Production & Marketing Administration, Production Credit Association, Post Office Department, Rural Electrification Administration and Farm Security Administration and Extension Service.

The S. O. F. A. Club meetings consist of a dinner, followed by two hours social period, consisting of a program and various types of social games.

Officials elected at the organization meeting were: Chairman, Manuel W. Ayers; and Secretary-Treasurer, N. E. Wood. The purpose of the organization is to afford the different agencies involved an opportunity of becoming better acquainted with the duties, responsibilities and functions of the various agencies. The fellowship developed from these social meetings is also considered an important objective of the organization.

The Farm Security Administration had charge of the program at the January meeting. At the February meeting, to be held Thursday night, February 28, the Extension Service employees will have charge of the program.

• PLEASE don't put off this important job any longer. You're going to want all of your equipment in good shape when field work starts. It's our job to put it in condition. We'll handle your repair jobs the way you want them handled if you'll let us know in advance.

Stop in now, or phone us, and get your work on our schedule. Then you're sure to have the machines when you need them.

You know our reputation for repairing farm equipment. That's our business.

We have expert mechanics and a well-equipped shop. And our bins are loaded with genuine IHC parts—the same parts that are built into the machines at the factory—and you can't beat them.

Take one day and go over every machine on your place. Tag each one with the things that need to be done. You can count on the same service in our shop that you get from McCormick-Deering equipment in the field. Say when and we'll get busy.

J. K. APPLEWHITE COMPANY

BE WISE • BE AN Early Bird • ORDER NOW

NOTICE OF BOND ELECTION
The State of Texas
County of Lynn.

To the voters of qualified property taxpaying voters of Lynn County, Texas, who own property subject to taxation within said County and who have duly rendered the same for taxation:

Take notice that an election will be held within and throughout the boundaries of Lynn County, Texas, on the 9th day of March, 1946, the same being the second Saturday in March, 1946, on the proposition and at the places more particularly set forth in the election order passed by the Commissioners' Court of Lynn County, Texas, on the 1st day of February, 1946, which election order is substantially as follows:

The State of Texas
County of Lynn.

In the Commissioners' Court of Lynn County, Texas, Special Session.

Be it remembered that on this the 1st day of February 1946, there came on to be held within and for Lynn County, Texas, a special called session of the Commissioners' Court of said County and such court having convened at the courthouse in Tahoka, Texas, with the following members present, viz: Honorable Tom Garrard, County Judge and Presiding Officer; P. F. Swann, Commissioner Precinct No. 1; Lonnie Williams, Commissioner Precinct No. 2; John A. Anderson, Commissioner Precinct No. 3; Thad Smith, Commissioner Precinct No. 4; W. M. Mathis, County Clerk and ex-officio Clerk of the Commissioners' Court, constituting the en-

tire court, whereupon the following among other proceedings, were had, to-wit:

There came on for consideration by the Commissioners' Court of Lynn County, Texas, the petition submitted by J. W. Martin and 210 other qualified resident property taxpaying voters of Lynn County, Texas, who own taxable property within said county and who have duly rendered the same for taxation, praying that an election be ordered by the Commissioners' Court of Lynn County, Texas, within the time and in the form and manner as prescribed by the Constitution and Statutes of the State of Texas, to determine whether or not the bonds of said County shall be issued in the amount of Eight Hundred Fifty Thousand and No/100 Dollars (\$850,000.00), bearing interest at a rate of not exceeding two and one-half per centum (2½%) per annum for their date, and maturing at such time or times and in such amounts, as may be deemed most expedient by the Commissioners' Court of said County, serially not later than thirty years from their date, for the purpose of the construction, maintenance and operation of macadamized, gravelled or paved roads and turnpikes, or in aid thereof, in said county; and whether or not ad valorem taxes shall be levied annually on all taxable property within said county at a rate sufficient in amount to pay the interest on said bonds as it accrues and to provide a sinking fund for the redemption of such bonds as the same matures; and

It affirmatively appearing to the Court that said petition is signed by more than fifty of the resident qualified property taxpaying voters of said County, who own property subject to taxation therein and who have duly rendered the same for taxation, and is otherwise in conformity with the Constitution and Statutes of the State of Texas and that therefore said petition should be granted and said election should be ordered as prayed for; and

It further affirmatively appearing to the Court that said amount of bonds proposed to be issued will not exceed one-fourth of the assessed valuation of real property of said county and that the 9th day of March, 1946, the same being the second Saturday in March, 1946, is not less than thirty days from the date of this order and is the proper time to hold said election:

It is therefore ordered, adjudged and decreed by the Commissioners' Court of Lynn County, Texas:

I. That an election be held within and throughout Lynn County, Texas, on the 9th day of March, 1946, the same being the second Saturday in March, 1946, and said date being not less than thirty days from the date of this order, at which time there shall be submitted to the resident qualified property taxpaying voters of Lynn County, Texas, who own property subject to taxation within said county and who have duly rendered the same for taxation, for their determination thereof, the question of whether or not the bonds of Lynn County, Texas, shall be issued in the amount of Eight Hundred Fifty Thousand and No/100 Dollars (\$850,000.00), bearing interest at a rate of not exceeding two and one-half per centum (2½%) per annum from date, and maturing at such time or times and in such amounts, as may be deemed most expedient by the Commissioners' Court of Lynn County, Texas, serially not later than thirty years from their date, for the purpose of the construction, maintenance and operation of macadamized, gravelled or paved roads and turnpikes, or in aid thereof, in said county; and whether or not ad valorem taxes shall be levied annually on all taxable property within said county at a rate sufficient in amount to pay the interest on said bonds as it accrues and the principal thereof as it matures.

In the event such bonds shall be authorized and issued then ad valorem taxes shall be levied annually upon all taxable property within said county, sufficient in amount to pay the annual interest thereon and to provide a sinking fund for the redemption of said bonds at maturity.

II. Said election shall be held under the provisions of Chapter Sixteen, General Laws of the State of Texas, enacted by the Thirty-ninth Legislature at its first called session in 1926 and all amendments thereto.

All persons who are resident legally qualified property taxpaying voters of Lynn County, Texas, and who own taxable property within said county and who have duly rendered the same for taxation, shall be entitled to vote at said election; and the ballots for said election shall have written or printed thereon the following:

OFFICIAL BALLOT

"For the issuance of the

bonds and the levying of the taxes in payment thereof."

"Against the issuance of the bonds and the levying of the taxes in payment thereof."

As to the foregoing proposition, each voter shall mark out with black ink or pencil one of the above expressions, thus leaving the other as indicating his vote on the proposition.

III.

The polling places and presiding officers of said election shall be respectively as follows:

In South Tahoka, Election Precinct No. 1 at the Courthouse in Tahoka, Texas, with N. M. Wyatt, as Presiding Judge, Hall Robinson, as Judge, and Wynne Collier and W. S. Anglin as Clerks.

In Wilson, Texas, in Election Precinct No. 2, at the School building in Wilson, Texas, with R. A. Kahlich, as Presiding Judge, R. J. Maeker as Judge and Jasper Campbell and S. A. Cummings, as Clerks.

In Three Lakes, in Election Precinct No. 3 at the School building at Three Lakes, with Burns Ellis, as Presiding Judge, O. E. Hickerson, as Judge and T. R. Parks and L. J. Falls, as Clerks.

In New Home, in Election Precinct No. 4, at the School building at New Home, with Henry Heck, as Presiding Judge, Wayman Smith, as Judge and Donald Caudle and Ben Morrow as Clerks.

At Draw, Texas, in election precinct No. 5, at the School building in Draw, Texas, with J. W. Martin, as Presiding Judge, Mrs. John Berry as Judge and Mrs. A. W. Bratcher and George Pugh, as Clerks.

In North Tahoka, in election precinct No. 6 at the Courthouse in Tahoka, Texas, with R. C. Woods, as Presiding Judge, John Evans, as Judge and Mrs. Belton Howell and Mrs. Grover Stewart, as Clerks.

At O'Donnell, Texas, in Election precinct No. 7, at the School building in O'Donnell, Texas, with P. O. Cabbiness, as Presiding Judge and Jim Christopher, as Judge and Sumner Clayton, Sr. and R. C. Carroll, as Clerks.

In Grassland, in Election Precinct No. 8, at the School building in Grassland, Texas, with Roy Lemond, as Presiding Judge, Mack Richey, as Judge and Leonard Crawford and John Warrick, as Clerks.

In Gordon, in Election Precinct No. 9, at the School building in Gordon, Texas, with Howton Haire, as Presiding Judge, William Lester as Judge and T. H. Basinger and B. B. Corbell, as Clerks.

In Garbolla, in Election Precinct No. 10, at the School building in Garbolla, Texas, with J. B. Ray, as Presiding Judge, R. M. Turner, as Judge and Curtis Morgan and O. R. Cook as Clerks.

In West Point, in Election Precinct No. 11 at the School building in West Point, Texas, with Ivan McWhirter as Presiding Judge, Cody Bragg, as Judge and Hubert Tankersley and Claude Wells, as Clerks.

In New Moore, in Election Precinct No. 12 at the School building in New Moore, Texas, with Steve Parker, as Presiding Judge, Pete Crutcher, as Judge, and Lon Light and G. C. McPherson, as Clerks.

In Dixie, in Election Precinct No. 13, at the School building in Dixie, Texas, with E. R. Tunnell as Presiding Judge, G. E. White, as Judge and J. L. Rambo and W. R. Warren, as Clerks.

In Morgan, in Election Precinct No. 14 at the School building in Morgan, Texas, with Walker Maeker, as Presiding Judge, Melvin Brewster, as Judge and Jack Cook

and Mrs. Clyde Shaw, as Clerks. In Lakeview, in Election Precinct No. 15 at the School building in Lakeview, Texas, with A. C. Filligem, as Presiding Judge, Roy O. Nettles, as Judge and Morris Russell and S. L. Williams, as Clerks.

IV. The manner of holding said election and canvassing and making the returns thereof shall be governed by the general laws of this State when not in conflict with the provisions of the heretofore mentioned Statute. The Commissioners' Court will furnish all election supplies and ballots for said election.

A substantial copy of this order shall constitute proper notice, of said election, and notice thereof shall be given by publication in a newspaper of general circulation in said county for three successive weeks prior to the date of said election, and in addition thereto, notice of such election shall be given for three weeks prior to the date of said election by posting a copy of such notice by the County Clerk of Lynn County, Texas, at four public places within said County, one of which shall be posted at the Courthouse door of the Courthouse of said County.

Immediately after said election has been held, the Officers holding the same shall make returns of the result thereof to the Commissioners' Court of Lynn County, Texas, and return the ballot boxes to the County Clerk for safekeeping.

The County Clerk of this County is hereby authorized and directed to post the notices of such election and to cause the same to be published as herein directed and provided; and all further orders of this court concerning such matter are reserved until the returns of said election shall have been made to this court. Passed, approved and adopted, this 1st day of February, 1946.

Tom Garrard, County Judge, Lynn County, Texas.

P. F. Swann, Commissioner Precinct No. 1.

Lonnie Williams, Commissioner Precinct No. 2.

Jno. A. Anderson, Commissioner Precinct No. 3.

Thad Smith, Commissioner Precinct No. 4.

W. M. Mathis, County Clerk and ex-officio Clerk of the Commissioners' Court of Lynn County, Texas.

The State of Texas.

County of Lynn.

I, the undersigned County Clerk and ex-officio Clerk of the Commissioners' Court of Lynn County, Texas, do hereby certify that the above and foregoing instrument is a true and correct executed copy of an order of the Commissioners' Court of Lynn County, Texas, entered on the 1st day of February, 1946, calling an election within and throughout Lynn County, Texas, to determine whether or not the bonds of said county shall be issued in the amount of \$850,000.00 as set out therein, as such order now appears of record in volume 3 at page 591, et. seq., of the minutes of said Court. I further certify that such order has not been amended, rescinded or altered in any manner.

W. M. Mathis, County Clerk and ex-officio Clerk of the Commissioners' Court of Lynn County, Texas.

The new Hudsons are here!

Smarter, more luxurious than ever! See and drive one soon!

EVERYTHING we expected to have for you this year, and more, is here today in the 1946 Hudson—The Fine Car of Low Price. See it, and we believe you'll share our enthusiasm.

You'll want smart styling, and these Hudsons have it—new exterior design and unusual new interiors. You'll look for luxury, and you'll find it—in many important details that add to your driving comfort. Above all, you'll expect outstanding performance. It's here, under that beautiful hood—the power, endurance, ease of operation and all-around economy for which Hudson is famous.

You won't appreciate all that a Hudson has to offer until you've driven it many thousands of miles. But you'll know, as soon as you see it, that it's going to be one of the smartest cars on the road this year, and for many years to come. We invite you to look at it now, at the nearest Hudson showroom.

MARTINS' OF PETTY HAVE SUNDAY VISITORS

Sunday visitors in the home of Mr. and Mrs. John H. Martin of Petty were Mrs. Martin's brother, Mr. John A. Nelson and three sons of Post. Two of the sons had just returned from service in the armed

forces, Pfc. John Elmer Nelson, who spent four years in the service and saw plenty of action in the European theatre. He was in England, France, Holland, Belgium, and Germany, and was wounded on the Ruhr River.

Sgt. Charles was in the air service three years, spending his time in the Pacific, and he saw plenty of action over Japan. Arlie is at home.

Mr. Nelson has another son, Archie, who has spent three years with the Marines in the Pacific. He was wounded in Okinawa but is now in China.—Contributed.

FAST—COURTEOUS SERVICE

PASTOR'S SCHOOL AT S. M. U. LAST WEEK

(By Rev. H. A. Nichols)

Nearly a dozen states were represented at the School. A thousand pastors or more were in attendance. The Fondron and Payton Foundations made the school possible for no; the Methodists only but for all denominations—hence great throngs of men and women attended.

Bishop G. Bromley Oxnam of the Methodist Church lectured on the subject, "Place of Culture in the Life of the Preacher." He is a world traveler and was once the president of the Federal Council of Churches of Christ in America. He was in Europe for sometime, studying the conditions of that country. He advocates that justice be meted out to Germany. He visited the concentration camps where thousands of the Allies were prisoners, suffered and starved to death. It will take a generation to change Germany, he thinks.

Dr. Henry Van Dusen, president of the Union Theological Seminary of New York, took for his subject "World Christianity, Yesterday, Today, and Tomorrow." He is a Presbyterian and one of the outstanding authorities on Missions in America.

Both lecturers were termed as Walking Libraries.

The week was a continuous feast mentally and spiritually.

Another lecture foundation was accepted by Perkins School of Theology, the Jackson Foundation. Another was rejected, for three are all that can be given in a week.

Mrs. Fondron announced at the School another million-dollar gift for a hall of Science. The Fondron's had already given two million dollars or more. J. J. Perkins during the week gave six hundred and fifty thousand dollars, making a two-million-dollar gift within a year.

S. M. U. has the largest enrollment in its history. It is expected to have five thousand enrolled just as soon as the University can take care of that many.

METHODIST CHURCH

The series of sermons begun some weeks ago on the old doctrines of the Bible and church will continue indefinitely. Already such subjects as "Rewards and Punishment," "Fall and Recovery of Man," and many others have been preached.

Sunday morning one of the oldest subjects will be discussed by the pastor. At the evening hour, "Race Relations Sunday" will be observed. The date throughout the Church was Sunday the 10th, but the second quarterly conference was convened instead.

We appreciate the steady growth of the Sunday School and the increased interest in the services of the Church.

A religious survey will be made soon by the W. S. C. S. and other helpers.

A hearty welcome awaits every one who will attend the services of the Church Sunday.

DRAW H. D. CLUB

Mrs. Gus Sherrill was hostess for the Home Demonstration Club on Feb. 1, when Miss Anderson, Home Demonstration Agent met with the members to discuss plans for the year's work.

A recreation period followed the business and the hostess served refreshments to fourteen members and Miss Anderson.

Miss Miss Emily Waller will be hostess for the next meeting at 2:00 p. m. March 1.

All Club members please attend the March meeting. — Reporter.

DRAW 4-H CLUB

The Draw Junior 4-H Club met in the schoolhouse at 10:00 a. m. Feb. 6, with the sponsor and the Home Demonstration Agent present.

The meeting was opened by members saying the Club Pledge, the Club Prayer and singing two songs.

Miss Anderson gave us an illustration about gardens and showed us how to make frame gardens.

All the members attended this meeting and four new ones joined. They were Edith Aldridge, Bobbie Pyron, Martha and Rita Joyce Phillips. All enjoyed the meeting. —Reporter.

AMERICAN HEROES

by WOODY COWAN

MACHINIST'S Mate Aurelio Tassone, Milford, Mass., recipient of a Silver Star Medal for gallantry in a Pacific island landing, should inspire thousands to buy Victory Bonds. When a Jap pillbox caused casualties in a construction force, he drove at it with a bulldozer. At a signal from an officer he dropped the blade of the machine and annihilated 12 men entrenched there.

'Plunging' Potted Plants Helps Spur Their Growth

Potted houseplants are likely to grow better if their clay pots are "plunged" instead of standing exposed to air on individual saucers, says the department of agriculture. "Plunging" is an old practice in greenhouse management, and many skilled amateur growers of houseplants have adopted or adapted the idea in one way or another. A "plunged" pot is one sunk to its brim in sand or peat moss that is kept moistened. The soil in the flower pot draws moisture through the porous clay pot to supply the needs of the plant. This simplifies watering; the potted soil is moistened more uniformly; there is less danger of the soil packing too firmly for the good of the plant; and plant nutrients do not leach away in surplus water.

Tests showed that water moves through the pot walls even more rapidly than through the soil in the pot. In exposed pots, the outer soil near the pot dried quicker than in the center. In plunged pots, water moved outward if the peat moss were dryer than the soil and inward if the moss were moister. Pots exposed to air needed more frequent watering.

Conditions for potted plants in houses and apartments are likely to be more severe than in greenhouses because humidity is likely to be lower and evaporation even more rapid. For plunging houseplants it would be necessary to have some sort of water-tight container—probably of sheet metal—to hold the moist peat or sand—to be supported either on the sill of a sunny window or on a table or stand.

Double Hems Allow

Reverse Curtain Hanging

Textile specialists of the department of agriculture recommend that we prolong the life of our curtains by making the top and bottom hems the same width. Then when the curtains are re-hung after laundering, they can be reversed to equalize the wear and "sun-burn."

Frequent washing also makes curtains last longer, since grime and grease cause the fibres to deteriorate. Taking down the curtains and washing them is a task which many otherwise excellent housekeepers tend to put off as long as possible. This probably is a carry-over from the days when most curtains were made of a very heavy lace, and washing and stretching them was really a job.

But today's curtains of light fabrics can be laundered easily and quickly simply by swishing lightly through thick, live suds and several rinses. Many can be pressed easily; others can be re-hung at the windows while damp with an extra rod slipped through the lower hem to assure straight and even drying. No matter how spic and span the rest of the house may be, it will not have a sparkling appearance if the curtains are dingy.

Divorces are getting so common nowadays that the men are beginning to believe that all the women want to do is borrow the names for awhile.

FLASH-O-GAS

A. R. Milliken Home From Navy Service

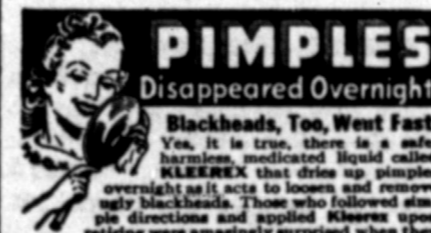

After a service of 20 months in the Navy, A. R. Milliken arrived home last Friday with his discharge. He was a seaman first class on the aircraft carrier Shipley Bay and had been engaged principally in transporting service men, aircraft, and high octane gas to and from various points in the central and south Pacific area. Among these places were the Marshall and Gilbert Islands, Guam, Okinawa, the Philippines, and others. His last trip out from the west coast was to the Philippines, and he came from Manila directly to San Diego, where he was disembarked and was given his discharge.

On Saturday night and Sunday his sisters and their families and Mrs. Bud Milliken, to visit with other relatives gathered in the home of their parents, Mr. and Mrs. and honor the returned seaman. Out-of-county relatives here for the occasion were Mrs. W. C. (Tommy) Mathis and children of Carlsbad, New Mexico, and Mrs. Wilson (Polly) Edwards and her husband and little son of Floydada. All of these, together with his own wife and children enjoyed a great turkey feast in the Milliken home on Sunday. It was a great occasion for all present.

W. G. Boyd of Wilson, minister and rural mail carrier, was a visitor in the News office Wednesday and stated that his son, Clyde Boyd, who is approaching his eighteenth birthday, volunteered for service in the army on Monday, February 4, and was sent from Amarillo to Fort Bliss. It is not expected that he will be kept there long. He will probably be sent over seas in a few months.

Before you get disturbed over the increase in divorces, consider the fact for the great majority marriage is a completely new and different experience.

RADIO SERVICE—Phone 306.

PIMPLES Disappeared Overnight

Blackheads, Too, Went Fast
Yes, it is true, there is a safe, harmless, medicated liquid called **SKINEREX** that dries up pimples overnight and kills the bacteria that cause them. It is a safe, effective, and quick remedy for all skin troubles. It is a complete skin cleanser and removes all dirt and oil from the pores. It is a complete skin cleanser and removes all dirt and oil from the pores. It is a complete skin cleanser and removes all dirt and oil from the pores.
