Spring Football Training Started By New Coach

Jim Foust, recently elected head coach of Tahoka High School Bulldog teams for next year, last week was induced by the school board to take a vacancy left in the local school, and is already on the job here.

Monday, Coach Foust started Spring football training, and about 30 boys have reported for workouts. About eleven lettermen are expected to be available, including Joe Don Minor, Randall Hinkle, H. R. Tankersley, Bobby McMillan, N. M. Barham, Kenneth Reid, Harold Crotwell, Kenneth Weaver, James Cleve Barrington, Dewey James, Dwain Howell, Finis Botkin, Billy Dorman.

Among others coming out are: Pete Shaffner, Donald Akin, Sargent Munn, Ratliff, Almon Crotwell, Quillin, Bobby Boyd, Hendrix, Gilbert Huff, Wayne Hinkle, B. L. Parker, Wayne Sherrard, Ovis, Phil Barrington, Hodge, Charles Polk, and others.

Coach Foust has bought a lot on Main Street, and has the foundation laid for a small home.

He was reared at Littlefield and received his college education at West Texas State, where he was a fullback on the football team, a reserve on the basketball team when that school had one of the top teams in the nation and played in Madison Square Garden, and was a light heavyweight district Golden Gloves champion.

Supt. W. T. Hanes of Cameron writes The News congratulating Tahoka on securing Foust, whom he taught at Littlefield. Hanes says, "Foust is one of the finest young men in every way that I have ever been my pleasure to come in contact with in my teaching career."

Foust was recently discharged from the Army Air Force, having served overseas in China. He and his wife have one son.

Mrs. Nora Hines Died Wednesday

Mrs. Nora Hines, almost 72 and a resident of Lynn county since 1910, died at the home of her son, Pat Hines, in south Tahoka at 6:30 o'clock Wednesday afternoon. She had been seriously sick only a week, though she had been in bad health for many years.

In the absence of her pastor, Rev. Levi Price, Rev. A. A. Brian, Brownfield, assisted by Rev. H. A. Nichols, local Methodist pastor, conducted funeral services at the First Baptist Church at 4 o'clock Thursday afternoon, and the body was laid to rest in Tahoka cemetery.

Survivors are three sons and a daughter, C. H. Hines of Amarillo, G. H. "Pat" Hines of Tahoka, J. R. Hines of Fort Sumner, N. M., and Mrs. J. C. Fortenberry of Morton, all of whom were here for the funeral services and all had also been here during her last illness, most of them at the time of her death. She leaves also seven grandchildren. One sister and three brothers also survive, as follows: Mrs. Emma McKeanie of O'Donnell, B. F. Dial of Ft. Worth, H. A. and Claude Dial of Meady, together with a number of other relatives.

Mrs. Hines was a native Texan, having been born in Cass county on April 8, 1874. Had she lived five days longer she would have reached her 72nd birthday anniversary. In early childhood she moved with her parents to Hopkins county, where she was principally reared. Then they came out to Wise county, and she was married at Paradise in that county in 1896 to William Thomas Hines. He died in that county in 1904 and his remains were buried in a cemetery at Bridgeport.

Then the widow and the children turned their faces eastward and spent two or three years in Wood county. But the West called again and in 1907 they moved out to Fisher county. Three years later they came to Lynn county, and Mrs. Hines has resided in this

Red Cross Drive Is Nearing Quota

Lynn county lacks \$171.61 reaching its annual Red Cross roll call quota, \$2380.00 this year, but the drive has been extended to April 15, and those who have not contributed may yet do so.

Those wishing to make contributions to the Red Cross this year are urged to bring or mail them to Tahoka Drug, Wynne Collier Drug, or to Clint Walker at AAA office.

Four City Officials Are Re-elected

All city officials whose terms expired were re-elected to their respective positions, without opposition, at the election held here Tuesday. J. L. Heare, Dr. K. R. Durham, and S. S. Bartley will continue to serve as members of the city council and Miss Rosemary Nelms as city secretary.

No opposing names had been printed on the ballots and none was written in. Forty ballots were cast and each candidate received 40 votes. There was not a scratch on a single ballot.

Of course this was an exceedingly light vote, but such is always the case when there is no contest. The people of Tahoka seem to be well pleased with their city officials.

Lyntegar Meeting Attracts Crowd

A crowd conservatively estimated at approximately 400, coming from six or seven South Plains counties, assembled in the Wallace Theatre here Tuesday afternoon to hear a report from the president, John Heck, to elect directors for the ensuing year, and to attend a picture show given for their benefit, free of charge, by the Lyntegar electric co-operative.

Mr. Heck interspersed his illuminating report with dashes of humor here and there that kept the audience attentive. Many of the facts and figures given by him were printed in this paper a few weeks ago, when he was a speaker before the Tahoka Rotary Club. The figures are constantly changing, however, and they might be of interest to many of our readers. We give just a few of them.

The Lyntegar Electric Co-operative sent out bills to 3,167 members last month, he stated.

It now has more than 1,100 miles of energized lines. When all 2-section contracts now under construction or soon to be under construction are completed, it will have about 1,575 miles of line, and applications have been filed for more than 400 miles of additional line.

Counties being served are Lynn, Terry, Hockley, Garza, Dawson, Martin, and Borden.

At the meeting Tuesday afternoon, tickets were furnished the members, one for each family, and clear and detailed information was given respecting the manner of voting, the right of the members to nominate from the floor any person that they might desire for director from any county, etc. Only one person was nominated from the floor, however, a citizen of Dawson county. He received a few votes, but all the other names, typewritten on the ballots, were elected without a dissenting vote. All of these were re-elections, indicating that the members were thoroughly satisfied with the management of the Co-operative in the past.

F. T. A. WILL GIVE '42' PARTY

The F. T. A. will sponsor a free "42" party for all parents and teachers, Thursday, April 11, at 7:45 o'clock in the school gymnasium, according to announcement sent to the News.

Please come and let's get acquainted, is the invitation given.

RECITAL MONDAY NIGHT

The high school music pupils of Mrs. Marcus Edwards will be presented in a recital in the school auditorium next Monday night beginning at 7:45 o'clock.

Evangelist O. H. Tabor of Lamesa who will begin a meeting at the Tahoka Church of Christ next Friday, April 12.

Three Are Hurt In Car Accident

Three men from Midland were injured about 1 a. m. Monday when their car crashed into a concrete bridge abutment nine miles south of Tahoka. Two of the men are still in Tahoka Clinic.

James Eubanks, son of H. H. Eubanks of Slaton, driver of the car, evidently went to sleep while driving down the highway en route back to Midland after having visited his folks at Slaton. Though the car was almost a total loss, Eubanks was only badly bruised; but his companions, E. B. Cecil received a severely injured back and spine and Marsh Richey was also confined to the hospital.

175 More Cattle Get Bangs Disease Test

Another 175 head of Dairy cattle were tested for Bangs disease in Lynn county during the month of March. The County Agent accompanied a licensed veterinarian throughout the county in taking these tests. Results of the laboratory tests shows that there were 13 cattle that definitely had Bangs disease and 7 suspects. This is approximately 8% infection which is a little higher than usual in this County. The increase in infection on this test however is most likely due to the fact that a relatively large head had 50% infection.

This Bangs test program consist of a sign-up and test and slaughter program of the interested farmers in the county. About every three months farmers are asked to sign up the number of cattle that they desire to have tested in the County Agent's office with instructions as to how to reach their farm. When sufficient numbers of these farmers have signed up that they can be grouped for county testing tours by the veterinarian. A veterinarian is obtained for that purpose.

It is the opinion of the County Agent that this program can be intensified to the extent that Bangs disease may be virtually wiped out of the county.

Girls Win Second At Tennis Meet

Tahoka tennis teams last week end participated in the district tournament held in Andrews and Seminole.

The girls' doubles team, composed of Ruth Roddy and Nancy Weathers won second place, losing only to the crack O'Donnell team. The girls' singles entry, Nancy Wyatt, was ill and could not enter.

Both the boys' doubles entries, Noah Lee Cromer and Kenneth Weaver, and singles, Marvin Healy, lost to Littlefield.

ARMY RECRUITER HERE EVERY MONDAY

T/Sgt. Bill Darden has succeeded Sgt. Geo. A. York as recruiter in charge of the Brownfield Army Recruiting office. He will be in Tahoka each Monday from 10:30 a. m. to 3:30 p. m.

BUY SERVICE STATION

Harold Hooks and A. N. Norman Jr. have bought the Cosden station from Charles Walden, and took charge of the business yesterday. They are also starting a "Your Exchange" real estate agency.

New Home Votes \$65,000 For New School Building

At an election held last Saturday, the New Home Consolidated Independent School district voted bonds in the sum of \$65,000 for the construction of a new high school building. For the convenience of the voters, there were two voting places, one at New Home and the other at Lakeview. The results were as follows: 87 to 5 in favor of the bonds at New Home, 20 to 29 against the bonds at Lakeview; total, 107 for the bonds, 34 against. At the same time, a tax of \$1.00 on each \$100 property valuation was authorized to care for the bonds and for maintenance.

At the school trustee election next Saturday, it is necessary to elect a full board of seven members on account of the recent consolidation of New Home, Lakeview, Petty, and Joe Stokes districts. The names of six of the present members appear on the ballot together with a number of other names. There will be only one polling place, New Home.

Veterans' Service Available Here

Lynn county now has a county service officer to assist veterans on claims and adjustments, educational benefits, government insurance, unemployment compensation, acquisition of surplus properties, G. I. loans, and other problems confronting the returning veterans in this county. Mr. Elbert Carey has been selected for this job and has recently attended a school for home service officers' instruction and is now located on the second floor in the courthouse. Mr. Carey's office hours are from eight o'clock until five o'clock six days a week and he states he will furnish the maximum assistance possible. Lynn County is working toward establishing a Veterans' Information Center which would include among other aids a regular unemployment representative who would be present at all times to furnish aid on unemployment compensation and other employment problems that might arise. Until this can be established the Texas Unemployment Service will have a representative at Mr. Carey's office the second and fourth Thursday of each month at 9:30 a. m. George A. Sessums, Contact Representative of the Veterans Administration, will be here each second and fourth Wednesday. Veterans of Lynn County are urged to contact Mr. Carey for information and assistance.

Two Inches of Rain Here This Year

In answer of several inquiries as to the amount of rain that has fallen during the first three months of this year, we have to report that the government rain gauge kept by the News shows a total of 1.99 inches. Of this amount, 1.66 fell in the form of rain, sleet and snow in January, .10 in February, and .23 in March.

After numerous high winds and sandstorms in March, the month passed out in the midst of a warm wave that must have been a near record-breaker for this season of the year. The temperature on Saturday rose to 91 degrees, on Sunday to 94, on Monday to 95. It barely reached 89 on Tuesday and 78 on Wednesday.

ATTENDING REXALL DRUG CONVENTION

Mr. and Mrs. Harlan Cook and Mr. and Mrs. Pete Dodson returned Thursday from Fort Worth, where they have been attending the Rexall drug convention since Monday.

Cook and Dodson are with Wynne Collier, Druggist.

SINGING AT GRASSLAND CHURCH NEXT SUNDAY

The regular First Sunday singing will be given at the Nazarene Church at Grassland Sunday, April 7, beginning at 2:30 p. m.

Everyone is cordially invited, and quartets, trios, and duets are urged to come and bring plenty of songs.

City Buys Building, Repairing Streets

Tahoka's City Council at its regular meeting Monday night contracted for a steel warehouse to be erected at an early date near the water plant. The warehouse is badly needed to house the new main-liner recently bought, and other machinery and tools.

Workmen this week have been making much needed repairs on the paved streets. Equipment and materials were recently secured with which to do this work.

Vernon Hill Saws Way Out of Jail

Vernon Hill, 31, who was in jail here charged with forgery and who was wanted in several other counties on similar charges, sawed his way out of the jail here Sunday night, descended to the ground on a gas pipe, and made his get-away.

Another prisoner reported that Hill brought the saw into the jail with him, concealed in the lining or wasteband of his trousers.

He had already been convicted as a habitual criminal in another county and given a sentence of 99 years. He had been in jail here only a few days. The grand jury in session here the first of the week returned two indictments against him on Tuesday.

Bunick Stephens of Lubbock was also indicted for forgery in this county.

Ernest Goad, a business man in O'Donnell, was indicted on a charge of giving a worthless check for \$73.27.

Marcellino Rodriguez was indicted for assault with intent to murder. He drew a gun and resisted arrest when Constable Jim Christopher of O'Donnell undertook to arrest him on some charge.

Business Men Urged To Abide By C. of C. Solicitations Pledge

Several Tahoka business men have this week asked The News to again call attention to the agreement on patronage of donation solicitors, advertising salesmen, etc. Another "scheme" has been worked in Tahoka at the expense of the merchants, without the investigation of, and investigation by, the Chamber of Commerce.

Many wasted dollars in the name of "advertising" and "donations" are going out of Tahoka, the business men think. They do not mind investing in, or contributing to worthy causes, but in too many cases they are made the goats.

Leaders in the local Chamber of Commerce suggest that business men refer all solicitors to Secretary Clint Walker, or President Ted Waggoner, who will submit the solicitor's proposition to a secret committee of the body for investigation and approval or rejection. Most home projects and charity cases are usually given approval.

School Boys Enter District Track Meet

Nine Tahoka athletes will enter the district track and field meet to be held on Tech field Saturday.

Joe Don Minor will enter the 100 yard dash, and relay; Finis Botkin, 100, broad jump, and relay; Joe Harvick, pole vault, 1/4 mile; Randall Hinkle, mile and pole vault; George Maurice Small, quarter; Billie Joe Stevens, 100 yard dash and relay; Sargent Munn, broad jump, 100 yard dash, and relay; Donald Akin, quarter; and Carter, high jump.

LOCAL MEN RELEASED BY U. S. NAVY RECENTLY

Joe L. Wheat, M.M. 2-c, of Route 2 and Amos G. Cook, Bilermaker 3-c have recently been honorably discharged from the U. S. Navy according to a special news release to the News.

GET PRIVATE LICENSES

B. T. Smith reports that two flying students, Horace Lindley of T-Bar, and Frank O. Hogg of Lamesa, recently passed all tests for their private flying licenses.

Trustee Elections Will Be Held In County Saturday

Trustees will be elected Saturday in every Lynn county school district. In several districts, there will be no contest, but in others more than one name has been filed for each vacancy.

Though The News does not have complete information on the number to be elected in each district, we furnish the following lists of names which will appear on the various ballots for the information of the voters:

Citizen of Draw Is Death Victim

J. P. Morgan, 65, a resident of Draw for the past three months and father of Mrs. H. M. Patterson and Mrs. Roy Jackson of that community, died at ten o'clock last Friday night in the Tahoka Clinic from a hemorrhage resulting from a long-continued malady, with which the skill of doctors and surgeons could not successfully cope.

Three months previous to his death, Mr. Morgan was taken from his home, then at Colorado City, to a Fort Worth hospital, where an operation was performed. Upon release from the hospital, he and his wife came to Draw to reside. His condition did not materially improve, and on Thursday evening of last week at about six o'clock he suffered a hemorrhage, and was brought that night to the Clinic.

His body was prepared for burial and taken to Colorado City, where funeral services were conducted at 1:30 o'clock Sunday afternoon in Oak Street Baptist Church, with Rev. Loyd Gentry of Redwine officiating assisted by Rev. Lightfoot, pastor of the Oak Street Baptist Church.

Mr. Morgan had long been a deacon and a very active member of the Oak Street Church but had transferred his membership to Redwine upon removal to Draw.

Born at Temple in Bell county on February 6, 1881, Mr. Morgan grew to manhood there. He was married to Miss Minnie Worden in Temple forty-five years ago. A few years later he and his little family moved to Haskell county, and from there to Colorado City twenty-five years ago.

Surviving him are the widow and ten children, all of whom attended the funeral services except one son who is in the service in the Philippine Islands. Eighteen grandchildren and other relatives also survive. The children consist of six sons and four daughters, none of whom except Mrs. Patterson and Mrs. Jackson reside in this county. They have the sympathy of many friends.

Suggestions Made To Club Reporters

The News wants the news from the various communities of the county, and it is not necessary that

reporters or correspondents shall be able to use perfect English. It is suggested, however, that clubs, societies, schools, and other organizations desiring reports of their activities to appear in print shall take some care in the selection of their reporters. Crude reports in which half the words or names of persons are misspelled and in which all the rules of grammar are violated are not desired by any newspaper. We are always delighted to print live news or interesting events if the reports are legible and intelligently written.

O'DONNELL ELIGES
Mayor R. S. Shank and Alderman Guy Bradley, were re-elected and Mayor O. G. Smith was elected alderman in the City election at O'Donnell Tuesday. Stark was unopposed. Others on the ticket for aldermen were Calvin Fritz and Charles Oshoff.

MRS. LIT MOORE RECOVERS FROM A FALL
Mrs. Lit Moore who sustained injuries to the spine about five weeks ago when a horse which she was riding reared and fell had recovered sufficiently to come to Tahoka last Saturday, at which time she related the incident to a representative of the News.

Some of the lower vertebrae were fractured in the fall, she stated, since which time she had been under the treatment of a physician. Mrs. Moore was on the horse at the time helping with the sheep, as had been her custom occasionally theretofore. In fact she had been riding, more or less, since early childhood. Her mount at this particular time became unruly, resulting in the accident, which was the only serious injury she ever sustained, she says, in a lifetime of horseback riding.

Make Your Cotton Planting Seed Go Farther

Here Is How

Let us delint your seed by the Kemgas Process then you can plant half as many seed and secure a better stand.

Why Is This True ?

The Kemgas Process removes ALL the lint, then recleans, grades, and treats them with ceresan. Seed processed in this manner will germinate 3 to 5 days quicker than fuzzy seed. Tractors plant 25% more seed land in a day because.

There is absolutely no lint to choke planter boxes and one filling of the planter box will run 3 to 4 hours.

Planting Attachments

No special planting attachments are required—just an ordinary corn plate will plant these seed.

Planting Seed Scarce

Good planting seed is scarce this year. Get the most out of your seed by letting us process them. We are equipped to do a first class job.

We are able to supply a limited amount of KEMGAS DELINTED SEED in the following varieties:

Hi-Bred Northern Star	Western Prolific D and P. L.
Macha (Storm Proof)	

All these seed are first year from originator and are \$10.50 per hundred.

LA. SAM GATZKI WEDS VIRGINIA HORNER OF CALIF.

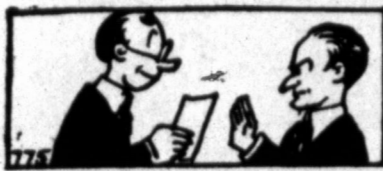

Miss Virginia Horner, daughter of Mrs. Winifred Horner of Fresno, became the bride of Lieut. Sam C. Gatzki of Tahoka, at a double ring ceremony performed at the Episcopal church in Napa, California, February 17th.

The bride was attended by Mrs. M. C. Evans as matron of honor, and serving as best man was Major C. E. Evans, both residents of Napa. Attired in a plain gray gabardine suit with pale pink accessories the pretty bride carried a shower bouquet of pink carnations, surrounded by gardenias and bouvardia. A pink carnation halo rested on her pretty blond curly head.

Will Rogers' Humorous Story

By WILL ROGERS

SINCE Calvin Coolidge ceased to be President the boys in Washington have been re-telling a lot of

jokes about how Cal saved up words at the White House.

One of the stories is about a newspaper man that met the President away from Washington, out in the Black Hills, maybe it was. This here reporter thought he might get the boss to talk a little when he was maybe off his guard, so far from home.

So Cal answered every question with, "No." Or he would say, "I can't say anything about that," or "Don't quote me."

Finally, when the reporter was about to go away, he says to Coolidge, "Say, Mr. President, ain't you going to give me anything at all to print?"

"No," says Coolidge, "and please remember that everything I haven't said it not for publication either!" (American News Features, Inc.)

Mrs. Evans wore a becoming powder blue suit, with black accessories, and her corsage was of deep pink camellias.

The bride's mother wore a blue trench suit with black accessories, and her corsage was of violets.

Following the ceremony, the wedding party and guests gathered at the home of Major and Mrs. Evans for a reception. There the bride and bridegroom cut their three-tiered wedding cake. They later left for a honeymoon in Carmel and Monterey.

The new Mrs. Gatzki was graduated from Santa Cruz high school and attended Salinas junior college. She has been living in Fresno for the past two years. Lt. Gatzki is stationed at Fairfield Army Air Field, near Napa.

Evelyn Haley of Canyon, rancher and author, cousin of Frank and Billy Hill of the News force, was a visitor here Friday.

ORDINANCE NO. 92

An ordinance regulating the operation of Domino Parlors and requiring the payment of a license fee and prohibiting gambling in Domino parlors; fixing a penalty and declaring an emergency.

Whereas, there has been operated intermittently in the city of Tahoka, Texas several domino parlors for the past several years and, whereas, the operators of such parlors have permitted the patrons of such parlors to bet on domino games, and Whereas, there are usually found in said domino parlors, professional gamblers, vagrants and other undesirable persons, and, Whereas, the permitting of betting and gambling in said domino parlors create an extra and additional expense on the part of the City of Tahoka, Texas, in its attempt to enforce the state laws and ordinances of the City of Tahoka, against betting and gambling.

Therefore, be it ordained by the City of Tahoka, Texas:

Section 1: Public Domino Parlors Defined: Any room, building or place where the public is permitted to engage in playing dominos and "42" or any other games played with dominos whether for pay or not, is hereby declared to be a public domino parlor.

Section 2: All persons, firms, associations or corporations conducting or operating public domino parlors within the City limits of the City of Tahoka, Texas, whether for pay or not, shall pay a license fee of Ten (\$10.00) Dollars per day;

Section 3: It shall be unlawful for any person, firm, association or corporation to engage in conducting or operating a public domino parlor without having paid the license fee in advance for each day, a public domino parlor is conducted or operated in the City of Tahoka.

Section 4: All persons, firms, associations or corporations operating or conducting public domino parlors shall make written application to the City Secretary for a permit to conduct such business and shall pay to the City Treasurer the license fee herein provided. Such applicant shall give the name under which he proposes to operate a public domino parlor and its location and street address.

Section 5: It shall be unlawful for any person, firm, association or corporation operating a public domino parlor to permit betting and gambling therein.

Section 6: Penalty: Any person, firm, association or corporation violating any of the provisions hereof shall be deemed guilty of misdemeanor and upon conviction thereof shall be fined in any sum not exceeding \$100.00, and a conviction for a violation of any of the provisions herein shall automatically cancel the license and permit of the person, firm, association or corporation to whom such license and permit was issued.

Section 7: All ordinances and

parts of ordinances in conflict herewith are hereby repealed.

Section 8: The fact that the City of Tahoka has no adequate ordinance in force at this time regulating the conduct of such business creates an emergency, and an imperative public necessity that the rules requiring ordinances to be read at more than one meeting of the City Council be suspended and It is Ordered and the ordinance shall take effect and be in full force from and after its passage and approval.

Passed and Approved this 1st day of April, A. D. 1946.

T. J. Bovell, Mayor.

Attest: Rosemary Nelms, City Secretary.

The people of the world were amazed and astounded when men dropped a man-made bomb on a Japanese city and virtually destroyed it. Men everywhere have stood in awe of the atomic bomb ever since. But the forces of nature, brought into play in a natural way, here and there over the face of the earth at irregular intervals of time, have been no less terrific and destructive. An undersea earthquake somewhere in the Pacific set the mighty waves to rolling a few days ago that lashed the shores from one side of the ocean to the other and that wrought great havoc in the Hawaiians. The City of Hilo was almost wrecked. The ocean was churned into mad fury for thousands of miles in many directions, and the California seacoast felt the shock of the terrific disturbance. We doubt if man will ever be able to release forces that will be more awesome and destructive than those released at intervals by old Mother Nature in the earthquake and in volcanic eruptions.

Press reports Sunday stated that American and British forces in Germany had discovered an underground plot by Nazi fanatics to regain power and re-establish Nazism in Germany. A thousand of the alleged plotters had been rounded up and taken into custody. Most of the plotters were young fellows. We can understand how ambitious soundrels might seek to impose a form of democracy on the masses for their own aggrandizement but we can not understand how the masses themselves would fanatically favor any system of government that would practically make servile slaves of them—and that is what Nazism does. It seems to us that any sensible, intelligent people would prefer a democracy to any form of autocracy at any time. Even Nazi fanatics who think that through Nazism they may regain power and again lord it over the other nations around them must be light in the upper story. But we guess that we are going to have to keep a tight rein over those Hitlerites for some time yet before we can trust them to settle down and behave themselves.

DO YOU WANT TO HELP?
Information on the world food crisis has been brought to practically everyone, and according to Miss Alta Mae Anderson, county home demonstration agent, farmers and victory gardeners of Lynn county, and America, must make every effort to help provide additional food that is so sorely needed. Your reward will be the deep satisfaction in helping to relieve the critical starvation conditions abroad.

- Do you want to help relieve the shortage? Then do as many of these things as possible.
1. Eat 2-5 less bread in the next 4 months.
 2. Eat 1-5 less fat in the next 4 months.
 3. Use potatoes, oatmeal, buckwheat cakes instead of bread. Use other abundant foods.
 4. Keep bread fresh. If it becomes hard use it in toast, puddings, croque'ts, etc.
 5. In preparing and cooking foods save outer leaves and peelings. Save nutrients.

In Tyler, Texas, the nation's rose capital, you see very few roses growing in residence yards.

4-H CLUB WORK IS HELPFUL TO YOUTHS
To help prepare tomorrow's citizens, physically, mentally, and spiritually, 4-H club work provides opportunities for voluntary participation in programs, built on needs and interests.

- Miss Alta Mae Anderson, county home demonstration agent, lists ten guideposts for 4-H club programs through which youth are:
1. Developing talents for greater usefulness.
 2. Joining with friends for work, fun, and fellowship.
 3. Learning to live in a changing world.
 4. Choosing a way to earn a living.
 5. Producing food and fiber for home and market.
 6. Creating better homes for better living.
 7. Conserving nature's resources for security and happiness.
 8. Building health for a strong America.
 9. Sharing responsibilities for community improvement.
 10. Serving as citizens in maintaining world peace.

Sidelights From Washington

(By George Mahon)

The new Veterans Administration Regional Office for West Texas with headquarters at Lubbock will mean much to West Texas veterans and their families. When General Omar Bradley, head of the Veterans Administration, announced last year that Texan veterans would be served by four regional offices, located at Houston, San Antonio, Waco and Dallas, I complained to him that West Texas veterans were being completely left out of the picture. I joined with the American Legion, the VFW and West Texans generally in the campaign for a West Texas Regional Office for West Texas veterans—an office similar to the ones located at Dallas, Waco, San Antonio and Houston.

It is now assured that within 60 days such an office for West Texans, with headquarters at Lubbock, will be a going concern.

General Bradley's idea is to render service to the veteran at a point not too far removed from his home. Those of us who handle Veterans Administration appropriations are supporting his plan.

The West Texas Regional Office should not be confused with sub offices and contact offices which the VA has established or will establish at a number of West Texas points to complete the "service to veterans and cooperate with the County Service Officers now serving in most West Texas Counties.

The Amarillo area which has previously been served by the VA office in Muskogee, Oklahoma, will hereafter be served by the West Texas office at Lubbock. The El Paso area is slated to be taken from the jurisdiction of the office at Albuquerque, New Mexico. The plan is that all of Texas is to be under the overall supervision of

the Branch Office at Dallas. Now that the Veterans Administration has completed plans for Texas, my hope is that the service to veterans and their families may rapidly improve. The complications and difficulties are tremendous. General Bradley told our Committee on Appropriations a short time ago that he receives in the Wash-

ington office an average of 125,000 pieces of mail per day; that over the week-end in one instance in excess of 300,000 pieces of mail were received here. Such a situation creates a bottle-neck in the central office in Washington and makes imperative the success of the program of decentralization to the Branch and Regional Offices.

Rev. Nichols' Dad Leaves Interesting Election Records

When Rev. H. A. Nichols' aged mother died recently, he came into possession of some old legal documents which had belonged to his father, H. A. Nichols Sr., who died years ago.

His father lived for many years in Brown county and he helped to hold many elections in one of the precincts of that county. Accordingly he had in his possession at the time of his death certificates of the returns for the general election held on November 5, 1878; for the general election held on November 4, 1884; and for the general election held apparently in 1896.

Among other names signed to the election returns of 1878 was the name of O. W. Burns as a clerk. He was a relative of George Small of this city. H. A. Nichols was the presiding officer.

Signatures to the returns of 1884 included the names of H. A. Nichols as presiding officer and S. R. Windham as clerk. The returns made in 1896 bore the names of S. R. Windham as presiding officer and H. A. Nichols as judge. S. R. Windham was the father of the late Dr. Windham and Mrs. R. B. Floyd, and the grandfather of Sheriff Sam Floyd.

The names of some of the candidates appearing on these returns, however, will stir the memories of most of our older readers. It is true that not many of them can remember as far back as 1878, but some of the candidates in that election were or became noted political figures in the history of our state.

O. M. Roberts, for example, was one of the candidates for governor. He served as governor for two terms and made a record for himself in that office. His opponent was a man that most of us never heard of, or if so we had long ago forgotten his name, W. H. Hamman. It is surprising to note therefore that in precinct No. 2, the May precinct in Brown county, Hamman received 84 votes as against 43 for Roberts.

In the same election, the well known Joseph D. Sayers, who later served several years in Congress and became known as the "Watch-dog of the Treasury" and still later served as governor of Texas, was a candidate for lieutenant governor. He also failed to win the favor of the voters of the May precinct; for one James S. Rains, his name "to fortune and to fame unknown," carried the box by a vote of 83 to 43.

Dropping a little further down the line, we find that the well known Frank R. Lubbock, who had served as governor of Texas for one term immediately after the state joined the Confederacy in 1861, was the Democratic nominee for state treasurer in 1879. But in the May voting precinct in Brown county he too was overwhelmed by an avalanche of votes for the opposition. One G. W. Whetstone received 84 votes to 43 for Lubbock.

And that was about the way the vote ran in every contest for a state office—83 or 84 to 43.

The fact is that Roberts, Sayers and Lubbock were the nominees of the Democratic party and Hamman, Rains, and Whetstone were the nominees of the Greenback party and the Greenbackers licked the lights out of the Democrats in many rural districts in Texas in 1878.

The Greenback party was the forerunner of the Populist party and it continued to do business in Texas until as late as the election of 1884.

At the time of the election in 1884, John Ireland was serving his first term as governor of Texas and was the Democratic nominee for re-election. The Greenbackers nominated G. W. (Old Wash) Jones. He was one of the most effective campaigners in Texas. Keen and witty, he had few equals on the stump. Democrats were leary of a verbal encounter with him. But his methods failed to win the confidence of the masses of the people. So, when the votes were counted in November of that year, "Old Wash" had received only 89,000 votes in Texas as against 212,000 for John Ireland. We don't remember these figures personally. W. Ireland was in the Texas Almanac.

But in the May precinct in Brown county, Old Wash marked up 46 votes as against 13 votes for Governor John Ireland, as is attested by H. A. Nichols, presiding Judge, two associate judges, and two clerks.

The Greenback party in Texas, however, was evidently on the toboggan slide downward, for it seems to have had no nominees for state office that year except Wash Jones. Furthermore, in the election two years previously, Jones had received more than 102,000 votes as against 150,000 for Ireland.

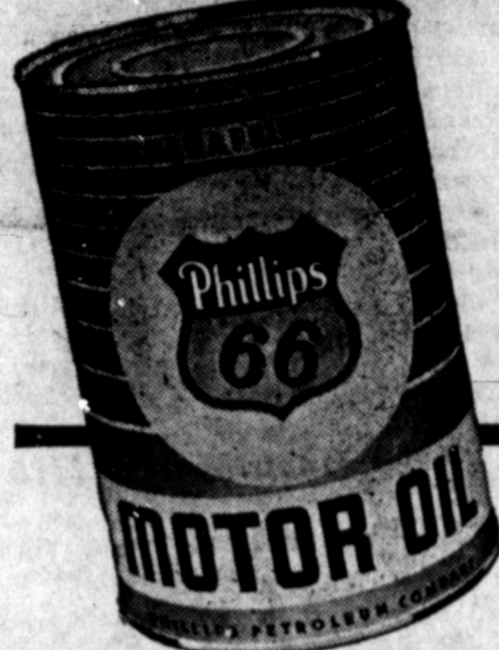

The old party was going to pieces but its scattered remnants were to be resurrected and gathered together a few years later in a new party the Populist or People's Party.

By the way, in 1884, Frank R. Lubbock was again the Democratic nominee for state treasurer. For a long time he was a power in Texas politics, but it was for Col. Tom S. Lubbock, one of the organizers of Terry's Texas Rangers, that Lubbock county was named. Our impression is that he was a brother of Governor Frank R.

Another name on that 1884 ballot to conjure with was that of Sam W. T. Lantham, then a candidate for Congress. He received 60 votes at May, Texas, one more vote than any other candidate on the ballot received. He served in Congress several terms and was then elected governor, serving two terms. He was the father of Congressman Fritz Lantham, who has been serving as congressman for the Fort Worth district for about 26 or 28 years, and who recently announced that he would not run again.

Barnett Gibbs was another name on that 1884 ballot, a candidate for lieutenant governor. He was a giant intellectually—one of the

Barnett Gibbs was another name on that 1884 ballot, a candidate for lieutenant governor. He was a giant intellectually—one of the

ablest lawyers and politicians of his day. In the nineties, he turned Populist and became its candidate for governor in 1898. But Bryan had stolen much of the Populist thunder in 1896, and in 1898 it was gasping for breath. That was the last year that it could muster any power as a party worth noting.

Only a partial report of the returns of the election in 1898 or 1900, whichever year was meant, is contained on the sheet found among the Nichols papers, but on it we note the names of Sayers for governor, J. N. Browning of Amarillo, then a little country town, for lieutenant governor, T. S. Smith for attorney general, J. M. Hurt and John N. Henderson for judges of the Court of Criminal Appeals, and J. W. Bailey for Congress. Hundreds of thousands of Texans past the meridian of life remember well the most of these men and the stirring, even hectic, political campaigns in which some of them engaged.

But, within another generation, the names and the careers of most of them will have been almost entirely forgotten.

LINDLY-EDWARDS VOWS READ SUNDAY AFTERNOON

Mr. and Mrs. H. F. Lindley of Route 3, O'Donnell announce the marriage of their daughter, Maxine Lindly to Hiram W. Edwards, Jr., son of Mr. and Mrs. H. W. Edwards of Grassland.

The double ring ceremony was read at the O'Donnell Methodist parsonage at 5 o'clock Sunday afternoon with Rev. Crandall officiating. Friends and relatives of the bride and groom were present.

The bride wore a powder blue suit with brown accessories, and a white carnation corsage. She carried a miniature white Bible. For something old she wore a diamond ring belonging to her mother. For something borrowed she wore a cameo necklace belonging to Mrs. W. D. Askew, aunt of the bride.

Mrs. Bryan Wright, sister of the groom was matron of honor. Mrs. Wright wore a blue green suit with black and white accessories. Mr. Rebel Thomas was best man.

The bride is a graduate of the Brownfield High School, and a former student of Texas Tech. The groom has just recently been discharged from the Navy.

Immediately following the wedding, the couple left for a wedding trip to Denver, Colorado. The couple will live in the Grassland community.

Miss LaVerne Reddell, who is a student in Wayland College, Plainview, spent the week-end here and was taken back to Plainview by her parents, Mr. and Mrs. W. A. Reddell, Sunday afternoon.

VISIT OLD ALABAMA

Mr. and Mrs. Henry Douthett returned Monday from a visit with relatives and friends in "Old Alabama." Their daughter and her husband, Mr. and Mrs. Clinton Walker, are now stationed at Tuscaloosa. They have one uncle at Birmingham and another at Notasulga.

Another daughter, Mrs. Gladys Collings and her baby Barbara Ann accompanied them to this fine old state situated in the center of the Old South. Henry says that they enjoyed the trip and the visit with relatives immensely. Mrs. Collings and baby remained at Tuscaloosa for a longer visit with her sister and husband, the Walkers.

On the way home they stopped at Athens, Texas, where Henry "discovered America" to visit with some of Mrs. Douthett's cousins and some of Henry's boyhood chums, also at Dawson to visit Mrs. Douthett's three sisters.

Leaving here on March 20, they go back home on April 1. They had traveled 2,590 miles and hadn't had a flat nor a mis-hap of any kind.

DOUBLE WEDDING SHOWER GIVEN

A double wedding shower was given for Mrs. L. J. Walker and Mrs. Delbert Webb in the home of Mr. and Mrs. T. J. Murray, Grassland, Thursday night, March 28. Mrs. H. N. Webb and Miss Joy Moore were hostesses. Coffee, punch, and cake were served as refreshments. Mrs. Walker and Mrs. Webb received many beautiful and useful gifts.

METHODIST CHURCH

From April 14 till Easter the 21, we shall have services each night at the Methodist Church. Visiting pastors will bring the messages. We shall put on the visitation evangelism program before Easter. Several will be selected to help in the Evangelistic campaign.

For the past several Sundays we have been delighted to have several persons to unite with the church, and are expecting many more before Easter.

The church school is growing steadily and the attendance has held up remarkably during the bad weather when so many were ill. Two new classes will be organized

soon—one will be organized Sunday—the other later.

The pastor will continue to use the old texts of scriptures which meant so much to the Christians of the past and will have a similar effect if heard and heeded. Are you attending regularly now? If not we want you to begin Sunday.

Mrs. S. T. Edds and son College Station are visiting in the home of Mrs. Edds' parents, Mr. and Mrs. L. C. Keith of Wilson. Dr. Edds will join them here Saturday for a short visit, and the wife and son will accompany him back to College Station.

MRS. HILL'S AUNT DIES AT ROGERS

Mrs. E. L. Hill received a telephone message Sunday night bearing the news that an aged aunt, Mrs. Mille McLean, had died at her home near Rogers in Bell county on Sunday afternoon. Funeral services were to be conducted Monday and Mrs. Hill was not able to attend.

Mrs. McLean was the mother of the late Lawrence McLean, formerly of Lubbock, who sold pianos all over the South Plains years ago for the Hall Music Company and had many friends in Lynn county. He himself died in Temple a little more than two months ago from injuries sustained when he was struck by an automobile.

Mrs. McLean, about 85, had lived on the same farm her entire life and died in the home which she and her husband, the late D. C. McLean, built more than fifty years ago.

A. M. CADE IS NAMED ENDOWMENT CHAIRMAN
 Austin, Texas, March 28.—Aubrey Cade, of Tahoka, Texas, was named today as Lynn County chairman of the campaign to raise \$15,000,000 toward the National Americanism Endowment Fund.
 A national trust established by The American Legion, the Americanism Fund is designated to carry on a broad educational program combating all subversive "isms" in conflict with the principles of the United States Constitution. President Truman is honorary national chairman and Governor Coke R. Stevenson is national vice chairman. Chairman of the campaign to raise Texas' quota of \$450,000 is

Fred F. Florence, president of the Republic National Bank of Dallas. Lynn County's quota is \$426,000.
 As stated by the 18 nationally known trustees, headed by C. J. Alvin M. Owsley, of Dallas, the Americanism Fund's program proposes these specific undertakings:
 1. Establishment of a permanent board of from three to five members—all leading educational authorities—to plan and direct a comprehensive, continuing program of teaching the understanding and active practice of Americanism.
 2. Cooperation with all established educational systems, whether public, private, or denominational, for the purpose of stimulating the more intensive teaching of Constitutional Americanism.
 3. Endowment of professorships in colleges and universities for the teaching of Constitutional history and law, clarifying and emphasizing the values of the Constitution, and giving training in the active application of these principles to the nation's needs, today and tomorrow.
 4. Establishment of college and university scholarships for young men and women planning careers in statecraft and government.
 5. Encouraging and assisting physical fitness programs which will raise the health level of all Americans.
 6. Intensifying support of existing youth-guidance agencies toward elimination of juvenile delinquency.
 7. Development of an educational program designed to build support for the American system of competitive enterprise.
 8. Training and employment of a permanent staff in the several Legion departments to assist and encourage all worthy Americanism projects.
 9. Maintenance of a comprehensive public relations program—by means of newspapers and magazines, radio, motion pictures, and a speaker's bureau—to expound and explain the meaning of Americanism and the processes by which it must be kept the living creed of the nation.
 10. Research into all methods designed to further international understanding as a way to world peace and support of those found to be in conformity with the spirit of the San Francisco Charter of the United Nations Organization.

Help Get More Soaps, BRING IN USED FATS!

THIS country is short of industrial fats, mighty short. The supply is so low that the government must decide how much fat can be released to make soap; how much for other peacetime goods. The shortage would be even worse without the wonderful help American housewives are giving by turning in used fats.
 Keep saving to tide us over this emergency. It will help you get more soaps and other products you want so much.

OKAY, UNCLE SAM, IF SAVING USED FATS HELPS MAKE MORE SOAPS COUNT ME IN!

BRING USED FATS TO ME JUST AS SOON AS YOU HAVE A CANFUL.

LOTS MORE FAT SCRAPS TO MELT DOWN, NOW. JIMMY, HOW THE SALVAGE CAN FILLS UP THESE DAYS!

AND THE BUTCHER GIVES ME 4¢ FOR EVERY POUND I BRING IN!

Where there's fat—there's soap
 KEEP TURNING IN USED FATS TO HELP MAKE MORE SOAP

RELATIVES CELEBRATE SOLDIER'S HOMECOMING
 Mr. and Mrs. J. C. Lackey went to O'Donnell Sunday to visit relatives and to celebrate the homecoming of a cousin, Pvt. James L. Petty of the Army Air corps, son of Mrs. J. O. Petty. He had been in the service about two years, ten months of the time in the South Pacific. His plans are to enter college next fall.
 Many relatives and friends were present, including: Mrs. J. O. Petty and sons, James L. and Glenn; Mr. and Mrs. O. B. Petty and daughter; Mr. and Mrs. Ken Farris and sons; Mr. and Mrs. B. L. Petty and children; and Mr. and Mrs. Bud Cook; all of O'Donnell; Mr. and Mrs. Aubrey Petty and children, Mr. and Mrs. Belford Buckley, all of Seagraves; Mr. and Mrs. Jack Farris and family of Lubbock; and Mr. and Mrs. J. C. Lackey and daughters of Tahoka.
 Pvt. James L. Petty received his discharge at El Paso on Wednesday of last week and arrived at home on Thursday morning.

Steamships operating out of Houston carry cargo to 30 countries.

BAPTIST NOTES
 Rev. Levi Price arrived home early Monday morning after having concluded a ten-days revival meeting with the First Baptist Church in Eastland on Sunday night. A good meeting is reported. He was accompanied home by his wife, who had been visiting with her parents in Wichita Falls while he was engaged in the meeting.
 On Monday afternoon, the pastor and his wife, Mr. and Mrs. P. A. Nowlin, Mr. and Mrs. J. C. Womack, and Miss Beatrice Loyd left for El Paso to attend the state Baptist convention in session there on Tuesday, Wednesday, and Thursday of this week.
 In the absence of the pastor last Sunday, Rev. Boyce Evans, ministerial student in Hardin-Simmons University, filled the pulpit at both the morning and the evening services to the delight of his many friends here, this being his home church. He received many congratulations upon his discourses.
 Sunday school attendance Sunday morning was 367, B. T. U. attendance at 7:00 p. m. was slightly below normal.
 In addition to the regular budget contributions on Sunday mornings, a special collection was taken to help pay for a camp site being purchased by the Baptists of district No. Nine for the young people of the denomination. The site consists of 160 acres of land situated in one of the canyons east of Happy. The Tahoka church's contribution amounted to \$120.85.
 Deryl Barton of Tucuman, New Mexico, recently released from service in the army, was here Sunday visiting his brother, Dewey A. Barton.

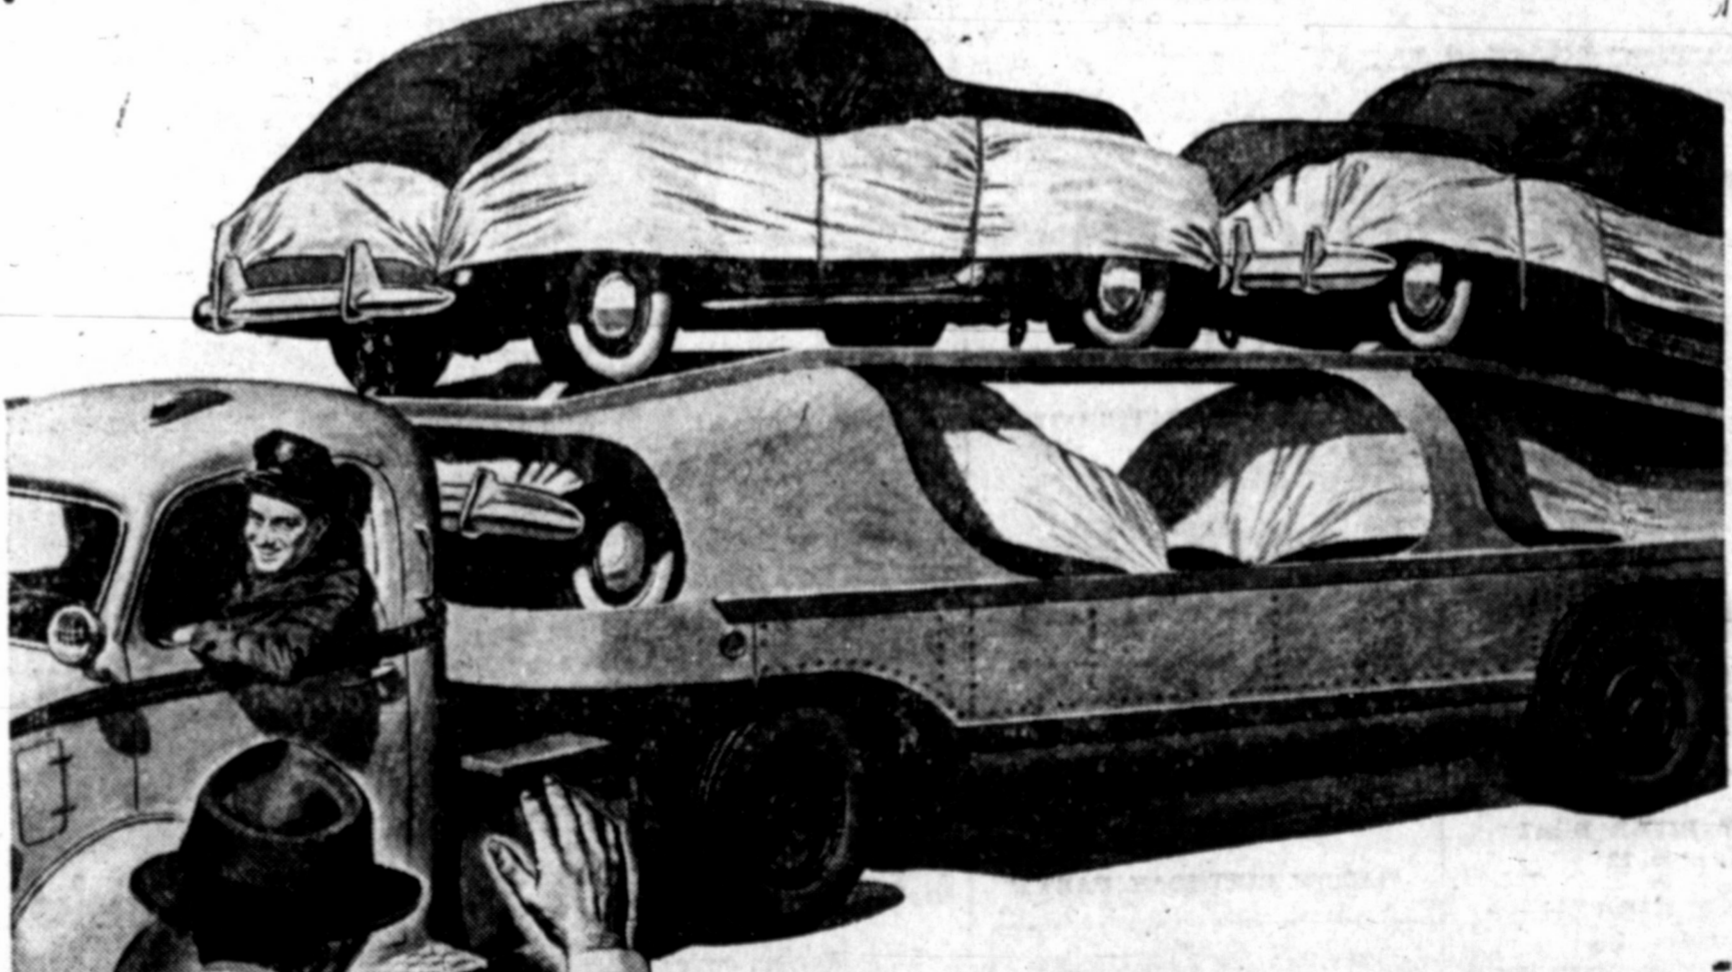

Mr. and Mrs. C. B. Evans Jr. of Morton spent the week-end here with his parents, Mr. and Mrs. B. Evans. Mrs. T. Allen of Gainesville is here helping to take care of her mother, Mrs. T. E. Park, who is sick at her home here.

"OIL-PLATED engines... they'd better have!"

The "haulways" are abroad in the land! Your new car is on order—or in your mind. And now here is why any car of yours should have an OIL-PLATED engine...
 OIL-PLATING will shield your engine's insides. It saves fine-finished surfaces from lots of wear. And that's how to raise resistance against carbon, gum, and sludge.
 An OIL-PLATED engine is yours for the asking. Simply insist on filling with Conoco Nth motor oil. Conoco Nth brings its added OIL-PLATING substance. This acts magnet-like... joins lubricant durably to metal, so as to form protective OIL-PLATING! The process is the same in any engine. Though yours may not be new, this is an extra good time to OIL-PLATE it. For it needs a Spring oil change, and simply by getting Conoco Nth you'll get oil that OIL-PLATES—at a few cents' extra cost! See Your Conoco Mileage Merchant—today. Continental Oil Company

VETERAN'S PREFERENCE CERTIFICATES FOR FARM MACHINERY MUST BE RENEWED BY APRIL 20

According to Clinton M. Walker, Secretary of the Lynn County A. C. A., Veterans preference Certificates for new farm equipment and machinery issued prior to February 20, 1946 shall expire April 20th, 1946. If the veteran has not obtained the equipment or machinery he may be granted an extension of sixty days if he submits a request for such an extension to the Lynn County A. C. A. committee before the 20th of April. This request must be in writing and should contain the reasons for an extension and must be sub-

mitted before the 20th. Request for extensions should be addressed to Carl Sanders, Chairman of the Lynn County A. C. A. Committee, Tahoka, Texas.

Jack Burns Driver, son of Mr. and Mrs. Curtis Driver, and Glenn Newton, son of Mr. and Mrs. Bill Newton, enlisted in the Navy and went to Dallas Monday for their physical test. They were sent on Tuesday to San Diego, where they will be given assignments. Each of these boys is 17 and would have graduated in the high school here had they remained in school.

56 per cent of the nation's known gas reserves are in Texas.

Regional Meet At Lubbock This Year

Lubbock, April 3.—Approximately 840 contestants will participate in the Regional One Interscholastic League meet at Texas Technological College April 18, according to Dr. Ernest Wallace, director general of the meet.

Competitors will come from 144 towns and cities of the region to participate in debate, declamation, extemporaneous speech, reading writing, plays, typing, shorthand, number sense, slide rule, Spanish, tennis, track and field events. The day's events will start at 8:30 a. m. in some instances and run through the day. Each school has been sent a complete schedule.

Dr. Wallace, in cooperation with the Lubbock Chamber of Commerce and local citizens, has arranged lodging for participants living at too great a distance for round-trip travel on April 18. Rooms will be available, the director general said, the nights before and after the meet.

Region One includes two Class AA districts of 46 cities, four Class A districts of nine towns, and three class B districts, including 89 towns. Winners of the regional competition will be eligible to compete in the Texas Interscholastic League finals in Austin May 2 and 3.

TWO LOCAL VETERANS ENROLLED AT TECH

Lubbock, April 4.—Of the more than one thousand veterans enrolled in Texas Technological College this semester, the following two are from Tahoka:

Albert B. Gattis, son of Mr. and Mrs. I. I. Gattis, freshman Arts and Sciences student; and James Edward Price, son of Mr. and Mrs. J. G. Price, senior agriculture education major.

Both Gattis and Price attended Tech before entering the armed forces.

HAMMOCK-CONNOLLY

James Keith Connolly of Tahoka and Miss Leona Hammock of Denver, Colorado, were united in marriage in that city last Friday night according to information received here by the parents, Mr. and Mrs. James "Skinner" Connolly.

Keith, noted for his brilliant work in the air forces of the U. S. army in the Southwest Pacific in University of Colorado. He will continue his work there. He graduated at the Tahoka high school several years ago.

GEORGE HIRES NEW SECRETARY FROM TECH

Lubbock, April 3.—Miss Dorothy Rylander, secretary and librarian of the Division of Engineering at Texas Technological College for 14 years, has resigned to become secretary to George Mahon, congressman from the 19th district. She holds bachelor and master degrees from Tech.

Mr. and Mrs. Otis Boesworth who have been visiting in Corpus Christi during the past month have decided to make their home there and expect to move there soon.

county ever since. Before settling permanently in Tahoka, however, the family lived both at West Point and Three Lakes. For many years she has made her home in Thoka and has many friends here.

Mrs. Hines united with the Baptist Church in 1900. She placed her membership with the Three Lakes church while living in that community and had never removed it to Tahoka. Being in bad health in her latter years, she did not attend services often but she was a noble Christian character.

The family have the sympathy of many friends.

MASONIC WORK

The News has been requested to announce that Masonic work will be done as follows:

Three persons will be given the E. A. degree on next Monday night and three on Tuesday night. Three others will be given the F. C. degree on Thursday night, and work in the Master's degree will be given on the night of April 19.

Masons are requested to keep these dates in mind.

Mr. and Mrs. Cecil Caraway and son Don were here from Odessa Sunday and Monday visiting relatives. They had lived here for many years until a few months ago.

Scholastics Omitted Should Be Enrolled

County Superintendent Lenore M. Tunnell urges that the names of any scholastics in the county who have been missed by the census enumerators shall be turned in to her office at once.

She explains that many Mexicans and Negroes, especially in some rural districts, have been overlooked by the census enumerators and that every name so overlooked means the loss of \$30.00 to the school funds for Lynn county.

Any person knowing of any child within the scholastic age in any school district in Lynn county who has not been enrolled by the census trustee should report its name to the County Superintendent at the very first opportunity. It will mean \$30.00 more for some school district in the county.
