

The Lynn County News

Volume 42.

Tahoka, Lynn County, Texas, Friday, April 12, 1946.

Number 27.

Livestock, Equipment Show Is Saturday

Much Construction Work Under Way In City of Tahoka

There has been more building activity in Tahoka during the past few months than for many years heretofore. Many small residences have been built and others are under construction, together with a number of larger ones. In fact, there must be thirty or forty residences, large and small, being built now.

Several new business houses have been constructed and others enlarged or re-modeled. At the present time much progress is being made on the A. L. Smith Cold Storage plant just south of the grocery store building occupied by Davis and Humphries. When completed this will be one of the most modern plants on the South Plains.

The large addition to the Henry Measen Produce building is also nearing completion.

The Rollin McCord Chrysler building on the south side of the square has been completed and is occupied by the Plains Motor Co., with Steele brothers as automobile mechanics.

A number of buildings down the street south of the southwest corner of the square have recently been enlarged or re-modeled or both.

The most pretentious work of remodeling being done now is the construction of a new front for the two Gagnat buildings on Main Street opposite the Gagnat Hardware and Furniture business, together with the rearrangement and redecoration of the interior. The front rooms will be show rooms for his line of automobiles, the Dodge and Plymouth. These will doubtless be two of the most attractive buildings in Tahoka.

The H. B. McCord service station building on Main Street at the highway intersection is also being thoroughly remodeled, being given a new front and a new drive-in, and when completed it will be one of the most attractive service stations in this section.

If plenty of good building material were available, Tahoka would right now be in the midst of the biggest building boom of her history.

Lubbock Proposes New Court House

If present plans materialize, Lubbock county will soon begin the construction of a new court house and jail, to cost about \$1,500,000. There may be considerable delay, however, on account of the difficulty at the present time of procuring building material.

A traffic dispersal system is also planned.

Petitions are being circulated and will probably be submitted to the commission court Saturday asking that an election be called to authorize the issuance of bonds in the total sum of \$1,850,000 for both projects. It is possible that the election will be set for April 23.

A highway building campaign with funds to be furnished by the state and federal governments in the possible sum of two and a half million dollars for the construction of a network of highways in the city and county of Lubbock, is also in prospect, the county being required to furnish only the right-of-way.

G. C. SHAFFER BACK IN STATES FOR DISCHARGE

S-Sgt. G. C. Shaffer, who served with the 1748th Petroleum Engineers on Okinawa and, in Korea, arrived in San Francisco aboard the Marine Devil, April 4. He expects to be discharged at Port Sam Houston. His wife and little daughter, Rhense, have made their home in Madisonville with her parents, Mr. and Mrs. A. T. Kent, while he was in service. He has been in service twenty-six months, twelve of which he spent overseas. He is the son of Mr. and Mrs. Grover C. Shaffer.

Parents, Watch Your Children!

Some of the housewives of Tahoka are complaining about depredations of children on their premises. These children just come in and make themselves at home while the owners of the property are away, making playgrounds of the well-kept yards. Some of the offenders are boys from ten to thirteen or fourteen years of age. It is suggested that the parents look more closely after their children, and these boys are requested not to repeat their depredations.

Prison Escapee Is Back In Custody

While the last run on this paper was being made on Thursday afternoon of last week, word came that Vernon Hill, who had sawed his way out of the jail here and escaped, had been recaptured and was in jail at Sherman. He was reared at Gunter in Grayson county and made his way back to relatives at that place.

Sheriff Sam Floyd accompanied by Ranger Norvell Redwine left almost immediately for Sherman and brought the prisoner back to Tahoka on Friday. He is under indictment here for forgery. He already has more than a hundred years in the penitentiary piled up against him for crimes committed in other counties, it is said. He has every reason in the world to know that crime doesn't pay but if he were released today he would probably go right on committing crimes.

Red Cross Drive Still Is Short Of Quota

Clint Walker, county chairman of the 1946 Red Cross Fund Drive, states that Lynn county is short of its quota of \$2380 only \$97.61 and that the final date for making contributions has been extended to April 15. After this date the drive will be finished and unless this small sum is contributed Lynn county will be shown as not having reached her quota for the first time so small in comparison with other ways exceeded its quota by a large amount in the past and this is one reason that the quota this year is so small in comparison with other counties so Walker urges those that have not contributed to do so at once so we all can say that "Lynn County is over the top again".

Candidate Meeting Called For Tuesday

All candidates for county office are requested to meet on next Tuesday night in the County Court room to make arrangements for the coming campaign, to decide when the speaking campaign shall begin, to elect a manager to arrange dates in the various communities, etc. This call is made at the behest of some of the candidates themselves.

JAMES E. ENSOR RELEASED FROM THE NAVY

The R. N. Ensor family of Petty had a delightful surprise on Thursday of last week when a son, James Ellis Ensor, fireman first class in the U. S. Navy, came in home with his discharge. They were expecting him soon but he came sooner than they expected.

Ensor had been in the service since October, 27, 1944, and served on a troop transport vessel, the U. S. S. General Blatchford.

Mr. and Mrs. G. R. Baker and little grand-daughter, Maria, Lee Baker, of Clyde were here Monday returning home from a visit with their sons, James Baker and family at Shallowater and Rev. L. W. Baker and family at Bula. The Bakers formerly lived in Lynn county. They report that at this time there is prospect of a bumper fruit crop at Clyde.

New Home Votes \$65,000 Bonds For New High School

New Home will build a new \$65,000.00 high school building, the voters of the new consolidated district decided Saturday, by a vote of 107 to 34. The bond election was held in conjunction with the annual election of trustees.

Previously operating under the high school consolidation plan, the districts of New Home, Joe Stokes, Lakeview, and Petty, recently voted complete consolidation in order that a better school system might be put in operation.

Under the consolidation laws, it became necessary to elect an entire new board of trustees, those elected Saturday being A. C. Fillingim, Boswell Edwards, D. D. Renfro, Wayman Smith, C. L. Murray, Roy Lee Williams, and Aubrey Smith. Edwards, Williams, and Aubrey Smith are new as trustees, while Fillingim, Wayman Smith, Renfro, and Murray were members of the old board.

At an organization meeting held Monday night, Fillingim was elected president and Boswell Edwards, secretary.

A. L. Pace is superintendent of the schools, but he has not asked for re-election.

All-Member C-C Meeting Tuesday

According to Clint Walker, secretary of the Tahoka Chamber of Commerce, the membership in the local organization has now reached one hundred and forty three. All members have been invited to attend the first all member meeting to be held in the Tahoka High School gymnasium next Tuesday night, April 16th beginning at 7:30 p. m. Entertainment has been arranged and Fred McGinty is in charge of satisfying the chow line and all members are urged to be present.

Cpl. JAMES E. WELLS IS HOME FROM OVERSEAS

A long period of anxious waiting on the part of Mr. and Mrs. R. C. Wells and other members of the family came to a close Friday morning, when Cpl. James E. Wells of the U. S. Marine corps arrived home from service over seas with an honorable discharge from the service.

Among the islands on which he saw active service during the past two years are Tinian, Okinawa, and others in the West Pacific. He did his part to put the Japs back where they belong.

"Two" Big Figure In Three Lakes Election

Four "twos" figured in the school trustee election at Three Lakes Saturday.

Two trustees were nominated for election, two patrons held the election, two votes were cast, and the two men nominated were elected. As a result, Frank Adams and Neil Hays are the new trustees.

County Schools Ask For Bus Aid

Lynn county schools this summer are asking the state for \$29,352.25 in transportation aid for school bus operation during the current school year, according to Mrs. Lenore M. Tunnell, county superintendent.

Twenty-five school buses have been operated this year by the various districts, hauling a total of 1142 children to and from school. All buses but one are owned by the schools. New Home and Wilson each operate six buses; Tahoka, four; O'Donnell, three; Daw, two; and Newmoore, Southland, Wells, Midway, Grassland, Three Lakes, West Point, and New Lynn, one each. Three Lakes, West Point, and New Lynn, however, did not ask for transportation aid.

Among the larger schools, Wilson is requesting \$7,569.00 aid; New Home, \$6,449.50; O'Donnell, \$4,458.00; Tahoka, \$3,293.00; and Draw, \$2,294.75.

Of the 1142 children transported, 236 elementary school children residing in districts of less than 100 square miles, will draw aid for their districts in the amount of \$2.75 each per month, and for 108 high school students, \$3.00; 631 elementary children in districts of over 100 square miles, bring in \$3.25 each per month, and 167 high school students, \$3.25 each.

The minimum cost of Lynn county transportation recognized by the State has been set at \$32,240.00; therefore, Mrs. Tunnell says, the county has been able to qualify for all but approximately \$3,000 of this amount.

INFANTILE PARALYSIS ASSISTANCE

Mr. Wynne Collier is Lynn County's Chapter Chairman for the National Foundation for Infantile Paralysis. Infantile Paralysis victims needing financial assistance for hospitalization and treatment please contact Mr. Wynne Collier or some member of his Chapter Committee.

Mr. and Mrs. R. R. Ragan returned Thursday of last week from a visit with relatives in Milan and Burleson counties.

\$500.00 Prize Money Will Be Awarded 4-H Club Boy Winners; Farmers' Labor Saving Devices Will Be Demonstrated

Two New Trustees Are Elected Here

The school trustee election held here Saturday was so quiet that most people forgot it entirely. Only thirty votes were cast, and each of the men whose names appeared on the ballot received 30 votes. There was no contest.

Two new trustees were elected H. O. Hargett and Fred McGinty. John Price and Winston Wharton declined to serve longer.

Tahoka Trustees Re-organize Board

At a meeting of the board of trustees of the Tahoka Independent school district Tuesday night, Roy Edwards was elected president of the body, succeeding Truett Smith, who declined to serve in that capacity longer, expressing the belief that the honors and responsibilities of the office should be passed around. Wynne Collier was elected vice-president.

With two new members, Fred McGinty and H. O. Hargett, elected last Saturday to succeed John Price and Winston Wharton, who declined to stand for re-election, the board is now composed of the following members: Roy Edwards, president, Wynne Collier, vice-president, Truett Smith, Dr. E. Prohl, Maurice Small, H. O. Hargett, and Fred McGinty.

New Owners For Whiteway Laundry

More than two weeks ago Mrs. Georgie Zimmerman and Mrs. Frank Roquemore of Stanton purchased the Whiteway Laundry here and took charge almost immediately, with Mrs. Zimmerman as business manager.

She had been in the hotel business in Stanton for some twenty years but upon the death of her husband she decided to make a change.

Mrs. Roquemore, whose husband is a ranchman, remains in Stanton, coming up to Tahoka occasionally as the business may demand.

Congratulations—

Mr. and Mrs. H. O. Dickson upon the birth of a daughter last Saturday morning, April 6, at West Texas Hospital. She will be called Les Ellen.

More than \$500. in prize money is to be awarded 4-H club boys of the Lynn County Livestock show here Saturday. The prize money was raised by the Wilson Chamber of Commerce, the Tahoka Rotary Club, and Tahoka Chamber of Commerce.

Nine classes of animals are to be exhibited in the 4-H club part of the show, and two divisions are open for public competition.

In 4-H club classes, where about 100 animals are expected, are beef calves, gilts, sows, sows and litter, junior boars, senior boars, dairy cows, dairy heifers, and barrows.

In the two divisions open to public competition, five classes of animals will be shown. These are registered Hereford division, with cow, bull and heifer classes, and saddle horse division, offering junior boys and girls, and men and women classes.

Open entries in the two classes in the horse division will be made on the morning of the show. Entry fees of \$1.00 per animal will be divided as prize money. Saddle horse entries are limited to two entries in each class per family. This means that a total of four animals could be entered by one family should there be two entries in both classes, boys and girls and men and women classes.

Hop Halsey and his Drug Store Cowboys of Lubbock will put on their noon program from the show grounds at 12:30.

Judging to be done by Ray C. Lowery, professor of animal husbandry at Texas Tech is to start at 1:30.

Trying in with the livestock show to round out a full day of activities, Tahoka will also be the scene Saturday of a Labor Saving Device show that will feature various types of devices for use on the farm in saving labor.

Sparking this part of the program, R. B. Hickerson of the extension service will be here with various kinds of labor saving equipment, as will Paul Schmidt of Farwell, who will demonstrate mechanized fence building. Mr. Schur expects to build electric fence the rate of 80 rods in thirty minutes.

Farmers are asked to bring the show, and place on exhibit, type of labor saving device, large or small, they have put to use on the farm.

Commissioners Are Seeking Engineer

The commissioners' court was in session Monday attending to routine business and wrestling with road-construction problems.

The court had not yet employed an engineer but had visited a number of counties, including Terry, Yoakum, Gaines, and others inspecting the work done under the supervision of engineers who are now applicants for the Lynn county job.

Some newly developed methods of road construction were also under study. The court is moving slowly but members expressed their desire and purpose to be to obtain the maximum of road mileage at a minimum cost. The body seems determined to procure the best deal possible for the people of Lynn county.

SIX LYNN COUNTY WOMEN ATTEND DISTRICT H. D. CLUB MEETING

Six ladies from Lynn county attended the District No. 2 H. D. Association, which was held in Brownfield on Tuesday of this week.

The six were: Mrs. L. B. Jones, the Draw delegate; Mrs. A. E. Levrett, T-Bar; Mrs. R. R. Ragan, Draw visitor; Mrs. H. R. Tankersley, West Point, visitor; Mrs. H. F. Lindley, T-Bar, visitor; and Miss Alta Mae Anderson, H. D. agent.

LT. GEN. LEAR GEN. KRUEGER GEN. KENNEY MAJ. GEN. BEIGHTLER
THEY WENT UP THE HARD WAY — When the Army reached the peak of its strength in the closing days of hostilities there were 190 general officers who rose from the ranks. Among the number were many whose meritorious service won them a conspicuous place in America's military history. A few have since retired, and upon the peacetime reorganization of the Army, others may step down in rank, but their attainment in the days of battle remains an example for the tens of thousands of young men still in the service or who are volunteering in the present recruitment campaign.

Gen. Walter Krueger, who commanded the 6th Army in Japan until its inactivation a few months ago, is an outstanding figure among those soldiers who began in the ranks. He served as a non-com in Cuba during the Spanish-American War, and in 1899 enlisted in the regular Army for duty in the Philippines. In 1901 he won his commission. Gen. George C. Kenney entered the Army as a flying cadet, and Lieut. Gen. Ben Lear served in the ranks in the Colorado National Guard in '98. Maj. Gen. Robert S. Beightler enlisted as a private in the Ohio National Guard in 1911, served with it in the World War and, taking it into the Federal service as the 37th Infantry Division, commanded that famous unit in its campaigns in the South Pacific and the Philippines.

The records of the 46 Major Generals and 139 Brigadiers who enlisted in the ranks are equally interesting. Some who were "washed up" after a year or two at West Point, joined the regulars as buck privates and worked up to commissions. Others gained appointments to West Point after years of GI experience. Still others started in the Marines and buffeted their way until they received appointments to second lieutenantcies in the Army.

Sidelights From Washington

(By George Mahon)

On April 12th I plan to appear before the House Committee on Education in behalf of legislation to expand the vocational training programs in the high schools of the Nation.

Aside from the over-all national requirements, there is a need for the re-opening of the 24 Vocational Agriculture Department that were closed in our own Congressional District by reason of the war. Additional units are also being

sought for other high schools in our area.

A number of additional Homemaking Departments are also needed. In fact, in the State of Texas it is estimated that more than 400 additional Homemaking and Vocational Agriculture Departments are required to complete the vocational training set-up in the high schools.

Texas schools have shown tremendous interest in vocational training. In the high schools of our 25-county Congressional District there are 51 Homemaking Departments and 36 Vocational Agriculture Departments now in operation.

Our Congressional District occupies a high place among the 21 Congressional Districts of Texas in the field of vocational training and in the number of vocational training departments. In the number of Homemaking Departments, we share top honors with Congressional District No. 7, represented by Tom Pickett of Palestine, which also has 51 Departments. In the number of Vocational Agriculture Departments, we rank No. 3 among the Congressional Districts. District No. 21, represented by Fisher of San Angelo, occupies first place, and Pickett's District occupies second place.

Vocational training departments in the schools are financed under a system of State and Federal cooperation, the system having been in operation since 1917. Benefits

that have accrued to the Nation are immeasurable.

The chances are excellent that Congress will approve the bill for additional cooperation with the States in vocational training and that many new departments will be placed in operation in West Texas schools when the new terms open next August and September.

Congressman Adam Powell, the colored member from the Harlem District in New York, created quite a flurry in the House of Representatives a few days ago. He offered an amendment to an appropriation bill for the District of Columbia which would have put an end to the time-honored practice in Washington of maintaining separate schools for the white and colored children. After a half hour of heated debate, the vote was taken.

Congressman Joe Martin, the leader of the Republicans in the House, and 48 other members, about evenly divided between the Democrats and Republicans, voted for the Powell amendment. The rest of us who were on the floor at the time, 122 in number, voted against the Powell Amendment. We voted to continue separate schools for white and colored children.

There is no likelihood that Congress would tolerate the consolidation of schools for the white and colored children in Washington, and Congressman Powell did a disservice to the cause of racial understanding and good will by offering his amendment. It should be pointed out that the same high standards of service apply in both the white and colored schools.

Of the 88,000 school children in Washington, 39,000 are colored.

MRS. LESLIE COOK IS HOSTESS TO DRAW H. D. CLUB

Mrs. Leslie Cook was hostess for the April meeting of the Draw H. D. Club.

After the business meeting Miss Anderson gave a very interesting lecture and demonstration on correct table service.

Following the recreation period a refreshment plate and ice drinks were served to thirteen club members and Miss Anderson.

The meeting will be with Mrs. Graham Hensley on Friday, May 3. All Club members please be present.—Reporter.

How women and girls may get wanted relief from functional periodic pain

Cardul is a liquid medicine which many women say has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Here's how it may help:

1- Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come.

2- Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes.

Try Cardul. If it helps, you'll be glad you did.

CARDUL

OLDTIMER VISITS HERE

Mr. and Mrs. J. C. May of Winslow, Arizona, spent one night here last week visiting Mr. and Mrs. G. W. Hickerson. They also visited Mr. May's uncle, Walter H. May, at their home out east of Wilson. They had been down to visit a daughter who is a student in Baylor University and also her mother, Mrs. J. B. Love of Carleton.

Mr. May is a jeweler by profession and conducted a jewelry business in Tahoka at one time.

American Legion and Auxiliary

Meetings Every Second & Fourth Tuesday Nights at 7:30 o'clock

PLEASE don't put off this important job any longer. You're going to want all of your equipment in good shape when field work starts. It's our job to put it in condition. We'll handle your repair jobs the way you want them handled if you'll let us know in advance.

Stop in now, or phone us, and get your work on our schedule. Then you're sure to have the machines when you need them.

You know our reputation for repairing farm equipment. That's our business.

We have expert mechanics and a well-equipped shop. And our bins are loaded with genuine IHC parts—the same parts that are built into the machines at the factory—and you can't beat them.

Take one day and go over every machine on your place. Tag each one with the things that need to be done. You can count on the same service in our shop that you get from McCormick-Deering equipment in the field. Say when and we'll get busy.

We are sick and tired of hearing politicians tell the people that the Government owes them a living. One of them spoke in Tahoka a few days ago, advocating the repeal of the Constitutional amendment adopted a year or two ago, placing a limit on the amount of money which the legislature may appropriate for the payment of old-age pensions. He wants no limit and no restrictions. He scorned the policy of "sending out investigators all over Texas to investigate the old folks." Everybody over sixty years of age, inferentially, should have a pension regardless of his need and regardless of his physical and mental ability to make a good living—regardless of the fact, even, that he might be a millionaire. That is what a lot of folks have been advocating and that is what elimination of the investigators would amount to. This particular candidate Saturday stated that the average old-age pensioner is getting only about \$25.00 per month and then shouted "Who could live on \$25.00 per month?" as if Texas owed a living to all persons over a certain age. Texas owes nobody a living. The Government of the United States owes nobody a living, except those in its service and those who were underpaid or were disabled while in its service. Our government was not established as a charitable institution, neither state nor federal.

JUST HUMANS

By GENE CARR

"Wot's That?"
"A Piece of Sugar. You Asked for Something for a Cup of Coffee, Didn't You?"

They were established rather than the individual might be protected in his natural, personal, "inalienable" rights. They were established that justice might be done between man and man. They were established "for the general welfare" but not to insure a living to any man. Nor do the people have any right to look to the government for a living, or for any kind of handout. Yet we hear some of these government beneficiaries complaining bitterly that their hand-outs are not large enough and DEMANDING of the Government that it make them larger. Politicians that foster this idea should be elected to stay at home. We firmly believe that as a matter of generosity the government should help the needy and the helpless, but all such aid should be accepted with gratitude, not demanded as a right.

The House Banking committee a week ago approved a bill giving the Office of Price Administration a new lease on life for one year by a vote of 15 to 4 after the bill had been amended so as to greatly curtail the power of the OPA in many respects. Debate on the measure is expected to begin in the House next Monday, and the debate is expected to be bitter and prolonged. The all-out supporters of the Administration are not pleased with the amendments. They claim that these amendments will permit the increase in the prices of clothing, automobiles, refrigerators, and many other household articles and necessities of life. The proponents of the amendments claim that the OPA is hampering business. We do not know who is right, but we hope that this country may be able to return to the policy of free enterprise at the earliest possible date. We do not want any sudden inflation nor do we want Big Business

to be given a free hand to rob the public; but we do believe in the competitive system and the prosecution of those who violate federal or state anti-trust laws. We do not like regimentation nor government by bureaus.

A lot of contracts are to be let during this year, beginning soon, for the construction of farm-to-market roads in this county. In view of some criticism that has been heard respecting the manner in which the bonds were sold, we are sure that the county judge and the commissioners court will use such evident care and precaution in awarding every one of these contracts that there can be no reasonable suspicion of favoritism or unfairness. Judge Garrard has repeatedly declared his determination to see that no mistake is made in the selection of an engineer. We are confident that he and the commissioners will be just as determined that no mistake shall be made in the awarding of the contracts. In the expenditure of as much as \$850,000 there is always the possibility and sometimes the temptation for somebody to profiteer unduly in the making of the contracts or in the character of jobs the contractors turn out. When so many are looking for "a nigger in the woodpile" it behooves the court to be superlatively careful.

After Casa March had spoken here Saturday afternoon in behalf of his candidacy for governor, he was asked in the presence of a few persons who had gathered around how he stood on the matter of redistricting this state into Representative districts. He replied that it ought to be done and that he favored it, but he did not appear to be very emphatic about it or very much concerned. A lot of West Texas people are going to insist that candidates for governor and legislative positions shall go on record publicly as to this matter. If they refuse to express themselves, reply evasively, or favor it only half-heartedly, many West Texas voters are going to let these candidates look to East Texas or other sections for their votes. We have been cheated out of our rights out here long enough.

We are constrained to believe that Casa March of Waco, candidate for governor, is right on one issue. Natural gas and sulphur that are being mined in Texas but piped or shipped to other parts of the United States and to other countries should be taxed for the benefit of the people of this state. The State should not permit the owners and the people outside of Texas to gather in all the profits and reap all the benefits from these vast natural resources found under the surface of Texas soil.

TWO COUPLES HAVE DOUBLE WEDDING

A double wedding which will be of much interest to Lynn county friends was that of W. H. Farr and Miss Virginia Lee Thomas and of J. Clinton Gandy and Ruth VeNeil Walker performed by Rev. H. W. Martin in his home last Friday evening at 7:30 o'clock.

The brides were each dressed in a powder blue dress with black accessories, wear a corsages of white carnations.

Mr. and Mrs. W. H. Farr had as their attendants Mr. and Mrs. Dick King of Tahoka.

Mr. and Mrs. Gandy's attendants were a sister of the bride, Miss Lois Walker and also Miss Corinne Pennington and Miss Clara Gene Scruges.

The couples left immediately on a trip to Carlsbad and other points of interest in New Mexico. They expected to be gone a week, after which they were to be at home to their many friends.

Mr. and Mrs. Gandy will reside near Post on route 3, while Mr. and Mrs. Farr will live in Grassland.

CARD OF THANKS

We wish to thank our many friends for the things done for us during the illness and death of our loved one. For the beautiful flowers sent, may the Lord bless you all in cur prayer.—C. H. Hines and family, G. H. Hines and family, J. R. Hines and wife, Mrs. J. C. Fortenberry and family, H. A. Dial and wife, Claude Dial, B. P. Dial and family, Mrs. Emma McKenzie and family.

FLUSH KIDNEY URINE

Benefit wonderfully from famous doctor's discovery that relieves backache, run-down feeling due to excess acidity in the urine

People everywhere are finding amazing relief from painful symptoms of bladder irritation caused by excess acidity in the urine. DR. KILMER'S SWAMP ROOT acts fast on the kidneys to ease discomfort by promoting the flow of urine. This pure herbal medicine is especially welcome where bladder irritation due to excess acidity is responsible for "getting up at night." A carefully blended combination of 16 herbs, roots, vegetables, balsams; Dr. Kilmer's contains nothing harsh, is absolutely non-habit forming. Just good ingredients that many say have a mercurious effect. All druggists sell Swamp Root.

Gas 'N Air

By Kelly 'N Ches.

Howdy folks; Broke down and spent a pleasant hour at the Rose theatre, the other night.

A young man sitting in front of us addressed his sweetie as "Dove", but the only thing dove-like about her we could see was the fact that she was pigeon-toed.

We are convinced that while some folks love to go to the movies others go there to love.

Speaking of love, a friend of ours says that car love is when you sit up until the cows come home.

Of course the only way to find out whether love makes the world go 'round is to give it a whirl some time.

If your car runs bad, why not drive by and let us test it with our Ford Laboratory set, it does the job.

Come by and see New and Re-conditioned Ford Motors.

T-Sgt. EVERTON NEVILL IS HOME WITH DISCHARGE

After many months of strenuous service in the European theatre of operations, T-Sgt. Everton Nevill arrived back home on Thursday of last week with his discharge. Arriving in the States early last week, he was sent to Camp Chaffee, Arkansas, where the discharge was given him and he came from there to Amarillo, where his wife was staying with her mother.

He returned to Amarillo Tuesday and will come back Saturday accompanied by his wife. After a visit with relatives in Flagstaff, Arizona, he will build a home here. Sgt. Nevill had been overseas about 18 months. As a member first of the 11th Armored Engineers Battalion and later of the 24th Battalion, he fought his way into Germany, was in the battle of the Bulge, then surged forward with other American forces through Germany, and was in Austria when the final surrender came. He was on combat duty for 135 days, and was awarded the Victory ribbon, the Good Conduct medal, the E. T. O.O. ribbon and three bronze stars.

SINGING SUNDAY AT ASSEMBLY OF GOD CHURCH

There will be singing Sunday afternoon, beginning at 2:30 p. m., at the Assembly of God Church in south Tahoka, with Edgar Hammonds in charge.

The public is cordially invited to attend the singing. There is singing at this church on the second Sunday afternoon in each month, and the general public is always welcome.

Ross Smith returned Sunday from Temple, where his mother had undergone a very serious operation in a hospital there. He reported that she was getting along fairly well.

DOG POISONERS—If caught, will be prosecuted. A person has no legal right to poison dogs except on his own property. Many valued pets have been poisoned, and if the practice of throwing poisoned food into yards is continued, some innocent child may be the victim. All dog poisoners take warning.—Sam H. Floyd, Sheriff Lynn County.

Relief At Last For Your Cough

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm, and aid nature to soothe and heal raw, tender inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.

CREOMULSION For Coughs, Chest Colds, Bronchitis

Mo. MM 2-c Surman G. Young, son of Mr. and Mrs. J. W. Young of Carlisle, is at home on leave after 28 months in the Navy, 18 overseas. He leaves Saturday for Houston, but expects to receive his discharge soon.

Mr. and Mrs. J. A. Biggerstaff are in El Paso this week on a combined business and pleasure trip.

What Broke the Lock on the Hen House Door? ...

WHY IT WAS

MINIMAX

(All Mash Starter... All Mash Starter and Grower... Start-to-Finish... least whichever match your manufacturer's, or both.)

Ultra-Lifed Starting Mash OF COURSE!

YESSIR! ... It's havoc in the hen house these days! The chicks are growing right out of their skins ... the hens line up at the laying nests ... and the pullets aren't pulling their punches, either! Something new has definitely been added—It's the vitamins and minerals and proteins of Ultra-Lifed Feeds. We're growing right out ... bursting the seams, but it's Ultra-Lifed Feeds that are breaking the lock on this hen house door!

For high livability and rapid, economical growth feed Ultra-Lifed Starting Mash. Here is the feed you have been looking for, a feed rich in those essential vitamins and minerals which science has proved are so essential to rapid, economical growth and high livability. Nothing is so important as the right start and you give your chicks the right start when you feed Ultra-Lifed Starting Mash. Order a supply today and prove for yourself what it will do for your chicks.

ELOISE NETTLE AND WILLIAM B. GRIFFIN WED
Miss Eloise Nettles, daughter of Mr. and Mrs. Roy Nettles of Lakeview and employee in the Triple A

office here for two or three years, was married last Sunday afternoon at two o'clock to William B. Griffin, son of Mr. and Mrs. W. B. Griffin of Sylester and assistant

county agent of Lubbock county, in the home of the bride's parents, her Uncle, Rev. Wayne Perry, reading the double ring ceremony.

Miss Betty Martha Schwartz played the wedding march. The bride was given away by her father, Miss Ella Glenn Nettles, sister of the bride, was maid of honor. Harold Burkhalter served as best man.

A reception followed the ceremony, after which the couple left on a wedding trip.

Mrs. Griffin was a senior student in Tech College and Mr. Griffin is a graduate of that institution.

Virgil P. Carter, formerly of New Lynn, just recently released from service in the Army, has been elected to teach Vocational Agriculture in the Tahoka schools next year.

"Dud" Singleton, 73, Is Buried Here

"Dud" Singleton, 73, pioneer citizen of Lynn county, who died at Denver City Wednesday night of last week, was buried here Saturday following funeral services held in O'Donnell at 3 p. m.

He was a son of the late J. F. Singleton, and lived on the old Singleton ranch at Newmore before moving to Winkler county about 15 years ago. He is survived by the wife, a son, S. F. of Amarillo, and a daughter, Mrs. Harold Milam of Smackover, Ark. He was a cousin of the Tahoka and O'Donnell Sings.

Mrs. Herbert G. Dearing of San Antonio was here last week visiting her grandfather, J. E. Keener, and other relatives. Her son remained at home with Grandpa and Grandma Ross Keener.

the great loss that we suffered in the passing of our companion and father, Van Swafford, we desire to express the deep gratitude of

our hearts. We appreciate every kindly word and deed and thought. —Mrs. Viola Swafford, Billie, and Jack.

Look VISIONLINED

FOR BETTER WORK

FOR ADDED SAFETY

SEE YOUR MM DEALER

MM Tractors Are Built for Economy and Dependability
MM Tractors are visionlined for safe, easy and comfortable operation on any farm power job the year around. Visionlining assures better work because the operator can always see what he is doing, and the seat is comfortably low to the rear of the drive wheels for additional safety at all times. "Visionlining" of tractors was introduced by Minneapolis-Moline many years ago and is basically an exclusive MM feature which does much to ease the normal strain on any tractor operator and, thus assures better work and perhaps even more work under many conditions. **STAMINA**... the ability to "take it" for long periods of tough going... doesn't come as an accessory to tractors or farm machinery. You can't buy it as an EXTRA. It's either designed and built into every part of the machine or it isn't there at all. MM products are famous for stamina—year after year, owners report records of long, low-cost efficient service and the fact that MM products stay MODERN.

FORMER TAHOKA MEN IN LUBBOCK CHANGE

Many Lynn county friends heard with much interest this week the news that Rev. George A. Dale pastor of the First Baptist Church of Lubbock, had tendered his resignation on account of failing health and that he will be succeeded by Rev. Melvin Rasheal, a ministerial student in the Southwestern Baptist Seminary in Fort Worth and pastor of a church in that area.

Rev. Dale was pastor of the First Baptist Church of Tahoka for about eight years and was compelled to resign by reason of a heart attack and subsequent ill health. That was about three years ago. After a brief rest, churches began to conscript him as a supply and finally he was selected as city missionary for the First Baptist Church of Lubbock. His work in that capacity resulted in the building of a large mission edifice, known as the Sanders Mission, in northeast Lubbock. He has been serving there since its construction as pastor, but the work and the responsibility soon became too heavy for his physical health and strength, and he tendered his resignation some weeks ago. It was accepted when a successor was found.

That successor, Melvin Rasheal, served as educational director and finally as assistant pastor while Rev. Dale was First Baptist pastor here. He was ordained to the ministry while serving here and soon thereafter entered the Seminary. He will take charge of the Lubbock work as soon as he gets his Seminary degree about May 1.

It is well known here that Dr. C. E. Herford, pastor of the First Baptist Church of Lubbock, resigned several weeks ago to take the pastorate of the First Baptist Church of Corpus Christi. He will leave about May 1.

On last Sunday Harry Miner, educational director of the First Baptist, Lubbock, also resigned to

take a similar position with Dr. Herford in Corpus Christi. He conducted the song services in the recent revival meeting at the Baptist Church here and made many Tahoka friends while here.

Mr. and Mrs. Bernard Trammell have moved here from Abilene. She will be remembered as the lady who had charge of the market in the A. L. Smith grocery store during the war. Mr. Trammell was recently released from service overseas and is now working on the Smith's storage plant.

METHODIST REVIVAL BEGINS AT NEW HOME SUNDAY

Our revival meeting will begin Sunday, April 14, and continue through Sunday night, April 21, at the New Home Methodist Church. The pastor will do the preaching, and everybody is invited to come and worship with us. May we pray to that end, that God will bless and save our lost friends, and the church be built up in its most Holy faith.—E. C. Armstrong, pastor.

BUCKNER ORPHANS HOME EGGS

All who wish to send eggs to Buckner, Orphans Home bring them to Baptist Church next Sunday or Monday, April 14-15.

WEST POINT H. D. CLUB MEETS WITH MRS. SCHAFFNER

(Delayed)
The West Point H. D. Club met Thursday morning, March 28, with Mrs. A. D. Schaffner. Miss Anderson discussed clothing problems with us. The roll call was answered by each person telling his favorite color for clothing. Six members and one visitor attended. Our next meeting will be with Mrs. C. T. Tankersley on Wednesday, April 24.—Reporter.

Mr. and Mrs. C. C. Smith of New Orleans were visitors here last week in the home of his sister, Mrs. Ross Smith, leaving Sunday. He is a civil engineer by profession.

APRIL 25 CLOSING DATE FOR COTTON INSURANCE APPLICATION

All farmers in Lynn county are again cautioned that no applications for cotton crop insurance for 1946 will be taken after April 25. Clinton M. Walker, local A. O. secretary, reports that the office has already signed up more than enough applications necessary to assure Lynn county of having the insurance for 1945. Much interest is being shown regarding cotton insurance this year and it is thought that there will be many more applicants than in 1945. Many farmers seem to be of the opinion that the insurance offered this year insures only against drought but it covers fourteen other hazards and is in force until the cotton is weighed in at the gin. For the convenience of the farmers the A. A. A. office will be open the next two Saturdays.

KENNETH WEAVER WINS CONTEST

A prize of \$5.00 was given to Kenneth Weaver for selling the most tickets to the show "Meet My Wives" Friday night, April 5 from which profits will go to the Lynn County Youth Center. Kenneth Weaver sold \$147.00 worth of tickets and Buddy Baggs sold the next highest number, \$57.00 worth. Other students also helped in the ticket sale. The Lynn County Youth Center greatly appreciate the efforts of Ted Waggoner in giving them this opportunity and the money earned will be a great help in making the Youth Center a place Lynn County will be proud of. Plans are being made for a very entertaining program for Lynn County citizens to enjoy on opening night which will be as soon as the Youth Center is completed. Students are working to complete the decoration of the building now. Students should turn in their application blanks as quickly as possible. Membership cards will be issued soon for 50 cents for 3 months or \$1.00 for 6 months.

It is the goal of those students who are working on the Youth Center to make it a place for the youth of Lynn County to go to enjoy themselves, have a nice time, associate with other boys and girls. It is their goal to make the Lynn County Youth Center an organization which is the best in West Texas, one which the citizens of Lynn County will be proud of, a cheerful and worthy place to go, a project to show the progress of Tahoka.

RELATIVES HERE FOR MRS. HINES' FUNERAL

Relatives here last week in addition to those previously mentioned attending the funeral services for Mrs. Nora Hines on Thursday afternoon, who had died Wednesday were:

Mr. and Mrs. David Mosely of Friona; Joe Collier, Friona; Mr. and Mrs. Dewey Walker, Anton; Mr. and Mrs. T. F. Doak, Seminole; Mr. and Mrs. Roy Doak, Loop; Mr. and Mrs. Lee Tedford, and Mr. and Mrs. Clyde Lovelady, Seminole; Mrs. Fannie Martin, Pride; Mr. Jesse Lanier, Brownfield; Mrs. Clarence Vance, Welch; and Mrs. J. F. Ayers, Meadow. Some of these were present also at the time of Mrs. Hines' death.

Mrs. Modelle Cabe and two children, Marjorie Dee and Jerry, came over from Brownfield last Friday and spent the week end with her parents, Mr. and Mrs. Dee Sanders.

NOLEN-CROMER

In a ceremony read in the church of the officiating minister, Rev. Chester Gregory of the First Christian Church in McCamey, Miss Mozelle Cromer and Fred Nolen, both of Tahoka, were united in marriage Sunday afternoon, March 24.

Miss Cromer, who moved here with her parents, Mr. and Mrs. N. T. Cromer of Petty more than a year ago, is a graduate of Richardson high school, where she had formerly lived, and she had held several important positions in Dallas and in Tahoka business circles. For the past several months she had been employed in Midland.

The groom, son of the late Mrs. Katie Nolen of Tahoka, is well known here, being a graduate of the Tahoka high school. A veteran of the Eastern Theatre of operations, he was awarded a campaign ribbon of three battle stars and the purple

heart for wounds received in Germany. They are here now but are expecting to leave in a few days for Bakersfield, California, where they intend to make their home.

INDUSTRY FOLLOWS OIL!

WE'VE GOT PLENTY OF IT!

Oceans and oceans of oil—and all in this vast area—and our supply will last for years and years. We all know that our peacetime industrial growth will demand more and more oil and natural gas and our petroleum people are ready and eager to supply them. Even now, the Panhandle-Plains and Southeastern New Mexico is producing high octane gasoline, natural gasoline, synthetic rubber and carbon black.

Yes, the Panhandle-Plains and Pecos Valley have plenty of oil and natural gas and an abundant supply of low-cost, dependable electric power to operate large industrial plants which process these natural resources into finished products.
